BODY OF MAN FOUND NEAR COAHOMA FOUL PLAY SUSPECTED

While driving up horses eight miles north of Coahoma, Sunday evening, J. M. Pyle, a farmer, discovered the body of a man down in a deep canyon, near the pub ic road from Coahoma to Vincent. He phoned in and Justice of the Peace J. A. Coffman, in company with another party, went out and investigated. It proved to be the body of a middle aged man, about five feet eight inches high, weight about 150 or 160 pounds, had on blue overalls. striped jumper and No. 8 shoes. Body was badly decomposed and had been there several days. The decision was that foul play was the cause of death as his lower front skull had been crushed by a blow of some kind. As to whether he was a white man or a Mexican could not be told as the body was too badly decomposed to be certain. He had black curley hair. very fine. #### SCULLS COVER FIELD BETWEEN TRENCHES.

Neuve Chapelle, France, via London, April 16.—The ground to the west of this now shattered town of Neuve Chapelle, from which the British drove the Germans in the middle of March with such terrible loss of life for both sides, is literally cobbled with German skulls. The dead lie buried in shallow graves everywhere, and the vicinity is strewn with wreckage and debris. The British have made it as tidy as they can, but beneath many of the trenches and dugouts six inches of bayonet will meet with the resistance of cloth and human flesh, while in No-Man's land, between the British line and the German trenches to the east, bodies still

Neither the Germans nor the British dare attempt to remove the corpses, and unless some situation develops to alter the relative positions of the opposing lines, they are likely to still be there when summer comes. Many of the trenches and dugouts where the men live unwillingly harbor the bodies of thousands of men which were covered with eath after the British rush. Many have been buried by both the Germans and the British, and white crosses dot the landscape between the lines.

So quickly did the British break through the German line that full details of the action only now are becoming known, even to the men who participated. The suddenness of the advance was such that many of the men were so dazed that all they knew was that they got through.

"If we had had a chance for it that day, I believe we could have taken Aubers also, and perhaps Lille," said one officer with a smile. "At any rate we gave the Germans their worst drubbing of the war, and the effect all along our front has been incalculable."

The correspondent was entertained on the British front by an officer in his dugout. During the informal conversation a private exhibited a German cartridge from which the bullet had been withdrawn and then reinserted with the blunt end out. He said they had found quantities of cartridges so treated, and that they made bad wounds.

TO TO CHURCH.

By doing so you'll not only help yourself, but you'll help others. One of the most inspiring sights is the father of a family performing his religious duties. His wife is proud of him. It is a certainty that his children never will mock at religion. He is unconsciously a splendid worker in the national GO TO CHURCH movement.

Within the past year there has been a splendid religious awakening throughout the land. Religious bodies of all denominations gained 763,087 new members in the United States last year, according to figures compiled by the Federal Council of the Churches of Christ in America. This includes not only Christian, but other sects. The total number of church members is now

AND NOW THAT THERE HAS BEEN AN AWAKENING DON'T LET THE MOVEMENT SLUMBER. THERE WERE THOUSANDS WHO JOINED THE GO TO CHURCH MOVEMENT WHEN IT WAS AT ITS ZENITH. THEY WENT ONE OR TWO SUNDAYS AND THEN FELL AWAY. TO THOSE THIS APPEAL IS SPECIALLY DI-RECTED. WHY NOT KEEP ON GOING TO CHURCH? IT DOESN'T REQUIRE MUCH TIME. AN HOUR OR SO ON THE SABBATH IS ALL THAT GOD ASKS. WON'T YOU GIVE IT TO HIM?

There is no man so busy that he cannot arrange his affairs to spend a short period of the Sabbath in the worship of his Crea-
