**HUDSPETH CAUCUS
 ATTENDED BY BIG
 BODY OF FRIENDS**

"Cowboy Senator" Meets Scores of His Supporters at Largest Political Rally Ever Held in San Angelo.

San Angelo Standard:—The name of Claude B. Hudspeth of El Paso was upon the lips of hundreds of people in San Angelo Saturday. Senator Hudspeth came to the Queen City Saturday at noon by automobile from Big Spring, and during the afternoon participated in perhaps the greatest political gathering that has ever been held in this city in the interest of one man's candidacy.

A candidate for the national congress from the new Sixteenth district comprising thirty-eight counties, the "cowboy senator" met scores of friends with whom he was intimately associated in the days when he engaged in the cattle business in Crockett county. His supporters came from miles around, representing more than thirty of the thirty-eight counties, and all brought information to the effect that Hudspeth is the man the voters want in Washington.

The political caucus was conducted at the St. Angelus hotel Saturday morning before Senator Hudspeth arrived. Reports showed that everywhere the district organizations to support Hudspeth have been carefully perfected and that the interest of the El Pasoan's candidacy.

Women Endorse Hudspeth.
 "Over 700 women in El Paso signed an endorsement of Senator Hudspeth," said Volney M. Brown, the candidate's campaign manager, when seen Saturday night. "In Hudspeth county all women but twelve have endorsed him. In Sutton county 78 women sent in an endorsement."

The following was a telegram received while the caucus was in session Saturday morning:

"We regret that we cannot be represented today. Success to you." Signed by W. W. McCutcheon, B. B. McCutcheon, J. W. Espy, J. B. Davis, James Stewart, H. M. Jones and 75 others.

Other telegrams were also received by wire and from delegates,

indicating, according to Mr. Brown, that only three or four counties in the district are in doubt and there "is only one that Cobb will carry, in all probability, that being Mitchell, where he has a strong following."

Hotel Hudspeth Headquarters.
 The St. Angelus hotel was Hudspeth headquarters Saturday, the lobby being filled with delegates to the caucus nearly all day. A half dozen conferences were held. In the evening after the Red Cross parade had disbanded, Sam H. Hill, strong Hudspeth supporter, brought the Liberty band into the hotel lobby and an animated scene resulted for many minutes. The musicians later rendered selections on the street corners and drew a large crowd to the courthouse where Senator Hudspeth delivered the speech of the day.

Henry E. Jackson, city commissioner and local attorney, presided, and Louis L. Farr introduced the candidate, after Alex Collins had made a brief talk in his behalf. Senator Hudspeth reviewed his record as a legislator during the past sixteen years and said he would rest the result of the race for office upon what he had accomplished. He declared that he was in favor of woman suffrage and again refuted his opponent's charge that he had not voted for the ten-mile zone bill at Austin. One of Senator Hudspeth's promises was that if elected he would do all in his power to secure appropriations providing for dams to store the flood waters of Western Texas, where drouths are oftentimes long and severe. The remainder of his address was along the lines upon which he has spoken in practically every county in the Sixteenth district.

The speech was enthusiastically received, the audience interrupting many times with cheering. It was a truly Western crowd and a Hudspeth jollification.

Delegates From Many Counties.
 Among the delegates from numerous counties who were in San Angelo Saturday for the Hudspeth meeting and registered at the St. Angelus were:

Ozona—P. L. Childress, C. E. Davidson, Tom Nolen, J. B. Smith, W. E. Smith and J. S. Pierce. Junction—Les Beasley and L. Beasley. Ker-ville—C. E. Salter and J. M. Hamilton. Sonora—Judge E. S. Briant, J. S. Allison, B. M. Halbert and Mr. and Mrs. Roy Hudspeth. El Paso—

Volney M. Brown and D. F. White. Menard—Bud Kiser. Eldorado—J. A. Whitten and Tom Henderson. Sierra Blanca (El Paso County)—T. D. Love and J. B. Love. Big Spring—C. H. McNeil and wife, J. E. Moon. R. G. Stokes and wife, J. B. Littler and wife, Miss Gertrude McIntyre, Miss Maude Pierce. Mertzon—D. E. Hughes, Walter Smith, W. W. Carson, W. B. Burk, Tom Wood, J. O. Hightower, Bob Bates, Sam Bates, John Mason, James Smith and W. T. Collins. Stiles—J. B. Lucas. Big Lake—R. Theis. Alpine—J. D. Jackson. Midland—Henry M. Half and J. M. Caldwell. Fort Stockton—Howell Johnson.

**CALOMEL DYNAMITES
 A SLUGGISH LIVER**

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work

Calomel salivates! It's mercury Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you're just back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it. Adv.

WESTBROOK ITEMS

Westbrook "Over the Top" \$600 or 500 per cent over her quota.

Westbrook went over the top by a large per cent. Her quota was \$100, and when the drive closed her figures stood \$600.

Saturday was a red-letter day for Westbrook. A large crowd attended the ice cream supper Saturday night. The Chairman, Miss Hattie Petty, made the opening remarks and presided over a short program prepared by the Westbrook people. The meeting was then turned over to the County Chairman, J. H. Greene, who, after making an interesting talk, introduced Rev. W. P. Garvin, of Colorado Bro. Garvin needs no introduction to the Westbrook people, they are always glad of an opportunity to hear him. Bro. Garvin was followed by Mr. M. Carter and L. W. Sandusky. Each speaker made splendid addresses and strong appeals to the people to give to this great cause. Yes, give as they have never given before, give until it hurts; and their efforts were not in vain. We didn't know that poor, little, dried-up, drouth-stricken Westbrook could do so well, and nearly every bit of it was cash. We believe when the books are closed up there will be less than \$100 in pledges. We appreciate the help from the Colorado people—their presence was an inspiration to us. Especially do we thank the speakers for their service, and Dr. C. L. Root, who very generously donated a nice piece of breakfast bacon, which was sold to the highest bidder; and all those who so liberally contributed to our fund. We also want to extend to Mr. E. S. Hudson our sincerest thanks, for the nice yearling that he donated, which was sold for \$50.00.

Those who attended the ice cream supper here Saturday night from Colorado were, Mr. and Mrs. W. L. Doss, Mr. and Mrs. Milburn Doss, Dr. and Mrs. C. L. Root, J. H. Greene, W. P. Garvin, L. W. Sandusky, M. Carter, W. R. Charters, and Sam Bullock.

IS TEXAS SO BENIGHTED AS TO RE-ELECT JIM FERGUSON?

From the Houston Press of May 15th, 1918. The liquor interests now have a foot in Texas one of the biggest conspiracies they ever promoted, to restore booze in Texas. The aim is to elect Jim Ferguson governor, get the prohibition laws repealed in the courts and inaugurate another reign of brewery government.

It has in it such appeals as "Back to the school room with the political teacher," and "Back to the court room with the political lawyer."

Tho to an intelligent person these sayings would have no appeal, it is a strange thing that they'll win applause from many people thruout the state. To many they are the last word in sound philosophy and thought. Ferguson is an able campaigner. He is all camouflage, but he gets away with it among those to whom

he addresses himself. For instance, Ferguson gets on a rostrum and when they bring him a glass to drink from, he refuses it and pulls from his pocket a gourd and drinks from it. That is downright sham and nonsense, but it really makes a hit with some people. The people of Houston, men and women, should see to it that Ferguson doesn't put over this camouflage and get himself elected governor of a state in which their city is located. Houston should vote unanimously for W. P. Hobby.

ABOUT THE ORIENT RAILROAD.

A distressing situation exists along the Kansas City, Mexico and Orient Railroad, particularly between San Angelo and Alpine. After suffering untold loss as a result of the drouth conditions, the people of this section are now confronted with the suggestion that the said railroad, which at present is in the custody of William G. McAdoo, Director General of railroads be returned to the custody of the receiver and with the resulting possibility that the operation of the road might be discontinued or materially reduced by the receiver. At the solicitation of friends in that territory, I appealed to the Director General of railroads in their behalf. In response to my appeal I have just received a letter from Mr. McAdoo, dated May 18, as follows:

"My Dear Mr. Cobb.—I beg to acknowledge your esteemed favor of the eleventh instant re the Kansas City, Mexico & Orient Railroad. This matter has been presented to the Railroad Administration and to me personally in many different ways, and involves a very grave problem—so much so that it seemed to me wise to invite a public conference so that all persons interested, privately or publicly, may have an opportunity to present every phase of the matter. I accordingly have called a conference for May 27th at ten o'clock in the morning, and have caused notices to be sent to the receiver, and to the public authorities in Texas and Oklahoma, and such other persons as appear to have an interest in the matter; and it may be that you would like to attend the conference. If not, please see that such persons as you may deem interested receive the notice. Cordially yours, W. G. McADOO."

I am now engaged in my campaign for Congress and have arranged to be on the stump continuously from now until election day. I am willing to

temporarily leave my campaign in order to go to Washington in behalf of the people along this road, only in the event that the people effected feel that it is my duty to do so. If this is their feeling, I urge them to make it known immediately by proper expressions from public officers, civic and commercial bodies and public meetings. In any event, I urge that the people organize themselves immediately in order that some one represent them there, in order that the case may be properly presented to the Director General. Mr. McAdoo is a great statesman. His heart is in the right place, but it is up to our people to put the facts before him in the right way.

We give up our space this week to Gov. Hobby, Red Cross, soldiers list of names and school closing exercises

It is estimated that more feed and cotton is now planted and up in Mitchell county than was at this time last year.

They are coming back. Nearly every day some new people come in from the east and they come prepared for the big crop this year in Mitchell county.

The Record force is now down to two men, F. B. and A. L. Whipkey. Harry Smith has been working for us every afternoon, doing the job work and setting ads, but left last week to accept a position at Ft. Worth, which leaves us without any help. We have letters out for a printer and hope to secure a man by next week. This is the fifth issue in the month and under the circumstances our readers will have to overlook any shortcoming, as we are busy with our war gardens and red cross work.

It can be said to the credit of the farmer and country people that they have become loyal to the core, and no greater example could be found of this fact than their liberal subscription to the Third Liberty Loan. We find the country people active for the Red Cross, and loyal in word and deed to the government on any and all occasions. The indifference is found in our towns as a rule, but we are glad to say that the American people as a whole are waking up to their responsibilities more and more as the war progresses, and is brought closer home.

From reports being received, it is very probable that many East Texas farmers will come to West Texas this year if rains make their appearance by planting time. Fear of damage to cotton by the boll weevil and boll worm will be the cause of their coming West, as the boll weevil has not yet invaded this section, and the high price of cotton is a great inducement for cotton farmers to make hay while the sun shines. So with anything like a favorable year setting in, we may expect many new home-seekers to arrive in our section the present year. Many of these will come with the expectation of buying farms, as they realize that they can purchase land now at a lower price than ever; and with a favorable year they could clear enough to pay for these farms.

AS TO JAMES E. FERGUSON.

Editorial in the Dallas News of May 23, 1918:

'The News has received numerous letters asking why it does not report the speeches of ex-Governor Ferguson. The writers of some of these letters say they have heard that The News has entered into an agreement with other papers not to print the speeches of ex-Governor Ferguson, and they ask if it is true. To this last-named question, the answer is simply no, to which might be added that, in the opinion of The News, such an idea has never entered the mind of any newspaper publisher in Texas.

The News has not been printing the numerous speeches of ex-Governor Ferguson because it believes that his candidacy has no legal status. It believes that the judgement of the Senate, acting as a High Court of Impeachment under the warrant of the Constitution, has rendered him legally incompetent to qualify for the office of Governor. The News is forbidden by that belief from regarding Mr. Ferguson as a candidate for Governor. It could not treat him as such without doing violence to its own conviction, and without putting itself in disrespect of the Legislature and in contempt of the Constitution and the processes of orderly government.

The News is aware, of course, that Mr. Ferguson and some lawyers of respectable personal and professional standing hold that the action of the Legislature is a nullity. Against that opinion stands the opinion of other lawyers whose personal and professional reputation is not less respectable. Having recourse to the Constitution itself, The News sees in its plain and precise terms an insurmountable barrier to Mr. Ferguson's reentrance into the office of Governor, even if he should receive all the votes that shall be cast. In any case, the burden of establishing his contention properly rests on Mr. Ferguson. If he should get the judgment from any competent tribunal that he is not disqualified to hold the office of Governor, his candidacy would be given the same access to the columns of The News that is accorded to that of any other aspirant to that office. Until he shall succeed in doing that, The News must continue to regard him as an individual whose speeches have no more than an academic interest, and at a time when the wires are freighted with news of momentous importance, academic deliverances can have no just claim to the crowded space of The News.

Some editors out on the plains are continually trying to start an agitation about dividing the great state of Texas into several parts, one of which to be sure, includes them. This uncalled-for effort seems to be spreading itself on the desert air without noticeable results, but we can't see for our life what the boys want to start anything like that for when here is so much real excitement over the war and other things that the people will really listen to. Texas is good enough for us and we'll never sanction its division just to afford a few political editors a chance to run for state office.—Childress Post.

We know of no editors who are aspiring to office, who happened to live on the Plains. The agitation for a division of Texas is not confined to the Plains section alone, but embraces the whole section of the West. Division is advocated by the Abilene papers, El Paso papers, Stamford, Colorado City, Snyder, in fact a large majority of newspapers situated in what is termed West Texas. The Post is badly in error when it says that a few Plains editors are continually advocating a division of Texas, when such statement implies that the agitation is confined to the Plains alone.—Lockney Beacon

FARMERS BUSY NOW PLANTING COTTON

General Spirit of Optimism Prevail Among the Farmers as to Future Prospects.

The farmers of Mitchell county are very busy this week planting row crops, and getting ready for one of the biggest harvests we have had in years. Maize and kaffir corn are being planted in abundance, and also a good deal of cotton.

The several rains of the past two weeks have put the soil in splendid condition over a greater part of the county, for planting, and as the ground had been previously prepared all they had to do was to begin work. Those who did not plant after the first rain are now the busy ones. If there had been a bottom season the rains we have had would have lasted a long time, but as it is it will not sustain growing crops very long. However, our people are full of faith and confidence in this country, and they are going ahead, believing that they will get plenty of rain later on.

The rains were the best we have had in a good many months; if people waited for all the rain they wanted before planting their crops it would be too late in many cases to plant at all. The successful farmer is he that does his part and is long on optimism as to the final outcome of things material. There is no section of Texas where good farming pays a larger investment than here. It takes lots of faith and energy to get by in West Texas and the man without these necessary requisites usually makes a dismal failure, and drifts back east. We have the best section of Texas everything is taken into consideration. There is no country in the South where there is so many natural advantages than is found here.

There has been many things that have arisen to discourage the people recently; the dry weather, the war, and the consequent high price of food and feed; but after all, things could be much worse than they are now. When you become discouraged you should remember portions of Texas that did not make anything last year and we have not heard of anybody starving to death.

The trouble with us all, is that in this game of money making we make certain definite plans for the future, and expect everything to be just so. We do not take disappointment easily but grumble too much if things do not turn out as we have planned they should. The fact of the business is, the American people have made a living too easily and have drifted into a pessimism if it does not rain regularly, or the cloud does not have a silver lining at all times. We are prone to cross bridges before we come to them and imagine all kinds of calamity. This shows a lack of faith in the country and in oneself.

We all should be contented during this period of war to break even, and in fact we will be fortunate indeed if we hold our own. There is plenty of time for money-making after the war is ended. For the present it should be the plans of every one to win the war first, and make money afterward. What will our money be worth to us if this country should be Germanized? We would rather live in poverty and from hand to mouth in a free land than to become the subjects of Kaiser Bill and live in a palace.

The American people as a class will make more money during the period of the war, and will therefore be more able to give more to causes of humanity than they will after it has ended. Every dollar placed in War Savings Stamps or the Red Cross, will be re-

turned in channels of trade, as the money is expended by the government with the American people. Of course we must raise something to sell in order for this money to reach us again. That we are going to make something and plenty to spare is our candid opinion. For twenty years this section has not known a complete failure, so old timers tell us. Then why should we give even a thought to the future when we have ample time for crop planting and cultivation, and the rains have already begun to come.

There is positively no reason for the people of Mitchell county to become panic, or afflicted with the blues. Our immediate need is stock feed, and the grass will soon relieve the situation. There is plenty of time for growing season before us. The planting is already solved for most of our farmers, and there is enough season to bring up that which is not already through the ground.

Confidence is one of the fundamentals in this life. It takes faith in oneself, faith in country, and faith in God Almighty to get by in this day

and age. If a man has neither he will soon become one of those rolling stones that gather no moss.

CLOSING EXERCISES

COLORADO SCHOOLS

NINETEEN YOUNG MEN AND WOMEN GRADUATE THIS YEAR.

A Week of Entertainment and Exercises; Enjoyed by the Class and Their Friends.

For three evenings last week the leading events were the exercises at the high school auditorium and at the opera house, incident to the closing of the term of 1918 of Colorado public schools.

On Wednesday evening the Seniors gave their class play to a packed house, mention of which was made in the Record of last week.

Thursday the seventh grade rendered a program, under the direction of their teacher, Miss Nash, graduating into the high school. The program was as follows:

- Chorus—Welcome Song.
- Salutatory—Lou Ester Ausley.
- Reading—Scottie Hines.
- Hiawatha—Hume Garrett; Tableau Chorus—Santa Lucia.
- Reading—A. C. Beckner.
- Pantomime—Star Spangled Banner—8 girls.
- Valedictory—Lois Warren.
- Awarding Certificates.
- Chorus—Valedictory Song.

After this splendid little program was rendered, thirty-two received certificates from the grammar school, passing them to the high school department. The attendance at this program was fine, the house being filled, and the seventh-graders did some splendid work in rendering their program.

Friday evening was, however, the crowning event, when the 8 charming young ladies and 10 noble young men rendered a program and received their diplomas.

The house was filled long before

the time arrived, with relatives and interested friends.

The decorations were of flowers, flags and draperies of the class colors. The back of the stage was covered with large flags; the columns in the auditorium were wrapped in the class colors, royal blue and gold, and streamers of these colors were suspended from the dome of the building and caught at the balcony. Cut flowers appropriately adorned the stage.

At the appointed hour, with Miss Daisy Adams at the piano, the program began by the school's glee club, under the direction of Mr. Dawes, marching to the stage and singing "Summer Fancies." Then followed the numbers given by the representatives of the class.

The salutatory, "All's Right With the World," was given by Stansel Whipkey. This was well rendered in a deliberate manner, with splendid enunciation and emphasis, and showed that he was conversant with his theme.

Miss Dorothy Lasseter, then presented the Key of Knowledge. In this she reviewed the work of the senior class and presented the mysterious key that had helped them, to the Junior class, and bade them use it and pass it on to the sophomores, the next year's juniors. The key was received in a gracious manner by Miss Myrtle Barber, the honor pupil of the junior class.

The valedictory, "The Call to Ethical Arms," was well delivered by Mr. Joe Earnest. He was self-possessed and his manner of delivery went to show that he had studied his subject to the fullest extent.

Then followed a piano solo by Prof. Thos. Dawes.

Then came the address to the class by Dr. W. A. Williams, the rector of the Episcopal Church. While his address was to the class, yet the vast audience was inspired by it. He talked on the "Wealth and Force of the Mind," using two premises—Joseph and Daniel—as a basis of his talk. He showed them that what was innermost in a man becomes apparent. That in the end life purposes prevail. Joseph and Daniel both passed through the school of adversity, yet when real men were needed even the king searched them out and bestowed on them the greatest honors possible to bestow on them. He also told of the Premier Lloyd George of England, who came from the ranks of the lowly of Scotland, yet because of real education—the drawing out of the faculties within—he has risen to the high and noble position he holds today. Dr. Williams' talk was a splendid effort, and every member of the class, we are sure, will have a higher view of life, and a stronger desire to continue his education, and through the broadening of the mind, to become more useful citizens.

Mr. J. Max Thomas, the president of the board of trustees, in a few well chosen words presented the diplomas to the following young ladies and gentlemen:

- Joseph William Earnest
- Stansel Ellsworth Whipkey
- Dorothy Elizabeth Lasseter
- Donald Kirk Ratliff
- Lottie Gray Pritchett
- Annie Laura Formwalt
- Ima Louise King
- Bill Tom Adams
- Nellie Victoria Enderly
- David McCall Merritt
- Willie Dora
- Hallie Elizabeth Roddy
- Geneva Holt
- Thelma Majorie Black
- Young Douglas McMurry
- Joseph Eugene Pond
- Tillman Ellis Pond
- J. G. Keathley
- Claude F. King

This is a class of which Colorado is justly proud. All except two have been class mates throughout, the eleven years, some of them starting in the kindergarten together; and nearly all have the determination to go further with their education.

This is, of course, largely due to the faithful teachers they have had over them. They have always had superior teachers, but perhaps the one who stands out brightest in their hearts, is Miss Ellis, who has not only been with them but has inspired numbers of pupils of this school, and encouraged many boys and girls to surmount all difficulties and persevere in their studies.

Truly Colorado's greatest asset is her public schools.

After the presentation of the diplomas, Supt. King made the class a short but splendid talk of farewell, giving them some splendid advice, and wishing for each one of the class an abundant success. He said while he had been with them only one term he had learned to love them all for the splendid work they had done, and for their uniform courtesy and kindness to him and to their teachers.

The honor pupils for the year are: First grade—1, Annie Moeser, 2, a tie between Ben Lee Costin and Eva Cowan.

Second grade—1, Loyse Price; 2, a tie between Willis Duff and Ruth McKinney.

Third grade—1, Laura Louise Pearson; 2, Sam Womack.

Fourth grade—1, Laura Ausley; 2, Jewell Collier.

Fifth grade—1, Leonora Ehrlich; 2, Robert Whipkey.

Sixth grade—1, Richard Pearson; 2, Blandford Harness.

Seventh grade—1, Lois Warren; 2, Lou Ester Ausley.

Eighth grade—1, Julia Shepherd; 2, Isla Dorn.

Ninth grade—1, Edwin Moeser; 2, Ray Womack.

Tenth grade—1, Myrtle Barber; 2, Daisy Adams.

Eleventh grade—1, Joe Earnest; 2, Stansel Whipkey.

Certificates of honor were presented to fourteen who were neither absent nor tardy during the term. They were: Fern McDonald, T. B. Cowan, Violet Moeser, Charlie Moeser, Lou Ester Ausley, Geneva Holt, Claude King, Carey Wood, J. D. Priddy, Sterling Keathley, Ima Dot Moeser, Earl King, Anna Dean Smith, Annie Moeser.

For several years it has been the custom of the D. A. R. to give five dollars in gold to the one making the highest grade in American history and this year Miss Lois Warren carried off this honor and the prize.

MISS JULIA SHEPHERD ENTERTAINED A number of her class mates Saturday evening with a picture show party, the occasion being her birthday. After the show games were enjoyed in the home, and refreshments served.

HONORING BRIDE ELECT.

On Wednesday afternoon from 4:30 to 6:30 Mrs. J. H. Greene and Mrs. A. I. Whipkey entertained with a miscellaneous shower, for Miss Hazel McKenzie, the bride of the week, at the home of Mrs. J. H. Greene.

Mrs. Milburn Doss, in a beautiful the town and special friends of the bride elect and her mother.

As the groom is a soldier, everything pertaining to the shower carried out the national and military idea. The decorations were of flags, draped and undraped, big flags and little flags.

As the guests arrived they were greeted by Miss Madeline Shepherd and asked to register their names. The register was bound in khaki and tied with red, white and blue, and had on the cover, a little flag. Mrs. Greene then introduced them to the bride elect, to the groom and Mrs. McKenzie.

Miss Oma Del Payne sang, and was encircled and responded with "Nuthin'" Miss Hallie Roddy gave a reading, and was also encircled and responded. During the evening Miss Lela Whipkey favored with piano selections.

After the program Little William Greene, dressed as a scout, entered the room, crying Extra! Extra! After saluting Mrs. Whipkey he handed her the "Military Evening Journal" in which was an account of the capture of the happy couple by "General Cupid," and of the truck load of gifts he was bringing from headquarters. He was bidden to bring the load in. When he entered he was accompanied by two dear little Red Cross nurses, who were Little Nell Harper Green and Little Catherine Price. The gifts were presented to the honoree, and after they were opened and admired all went to the dining room where punch was served.

Not many grooms are ever in a manner, toasted the bride and groom, after which all drank to their happiness.

Not many grooms are ever in attendance at social events for their bride, but the ladies were honored on this occasion with his presence.

Miss McKenzie is the only daughter of Mr. and Mrs. F. E. McKenzie, was born and reared here and is known and loved by most everybody in Colorado, and will be greatly missed when she leaves.

DEATH OF MRS. ANN WARD.

Mrs. Ann Ward died at the home of her daughter, Mrs. W. H. Moeser, in South Colorado, Monday, May 27, and was buried Tuesday afternoon at the I. O. O. F. cemetery.

The funeral services were held at the home, conducted by Rev. W. C. Garrett, pastor of the Baptist church.

Ann Williams was born in Wold Flintshire, North Wales, Oct. 9, 1836. On Jan. 29, 1858, she was married to Joseph D. Ward in Wold; to whom were born eight children, of whom only one, Mrs. Kate Moeser, is left.

She came to Pennsylvania in 1870, to Jackboro, Texas, in 1878, and to Colorado in 1891. After Mr. Ward's death in 1895, she moved to Oklahoma. On Oct. 12, 1915 she was stricken with paralysis which left her an invalid. In July of 1916 she was brought to her daughter's home in Colorado, where she remained until her death at 9 o'clock Monday night.

Mrs. Ward joined the Baptist church at the age of fourteen. She is survived by one daughter, Mrs. Moeser, and eight grandchildren: Will, Edwin Charles, Violet, Ima Dot and Annie Moeser, and Russell and Violet Hughes of Henrietta, Oklahoma. All of her grandchildren were at her bedside except two—Will Moeser and Russell Hughes. They, however, were here with her just three weeks ago; but were unable to return for her funeral; Will being in Globe, Arizona, and Russell having just received orders to leave Henrietta for the training camp, Wednesday morning.

DEATH OF PIONEER CITIZEN.

After an illness of a week, Mr. John W. Moorar died at his home in North Colorado last Friday.

The funeral services were held at the Episcopal church Saturday morning at ten o'clock, conducted by the rector, Dr. W. A. Williams, and concluded at the grave by the Masons, of which order he was a member.

The pall bearers were, F. M. Burns, Bob Terrell, Jno. Vaughan, Jno. C. Prude, Henry Doss and Jno. Doss.

Mr. Moorar came to West Texas from Vermont when quite a young man, as a buffalo hunter, and later became a prominent cattle man. He lived up on the plains and at Snyder until a number of years ago when he moved to Colorado, where he lived until death called him.

He leaves a son, daughter and a brother. The son is married and lives in Atlanta, Ga. He was in the north at the time of his father's sickness and death and did not reach Colorado until Saturday night. His daughter was with him to the last, and did all in her power to relieve his suffering and prolong his life. His wife passed away only a few months ago.

Mr. Moorar was well and extensively known all over the west, and was often referred to in settlement of questions of early history of the great middle West Texas country. He was familiar with many Indian battles and raids; knew the buffalo hunters game from start to finish; and past through many stirring scenes in the early days of West Texas.

He was most highly respected as a business man, and a friend and neighbor, in the day and time when a friend and neighbor meant more than empty words.

The Record with many friends of this old family, extends sympathy to the bereaved ones, who mourn his departure.

Mrs. W. L. Doss left Wednesday night for Galveston to attend the graduation of her son, Will, Jr., in pharmacy. From there she goes to Corsicana to attend graduation exercises of the I. O. O. F. orphan home.

Guarding Our Lines

Guarding our lines is like guarding our health—we must encourage the care of our bodies—train our organs for bodily endurance, efficiency and full achievement. It is not so much a necessity to fight disease as to cultivate health.

If we want to increase our chances for long life—Dr. Pierce, of the Surgical Institute, Buffalo, N. Y., says: "Keep the kidneys in good order. Try to eliminate through the skin and intestines the poisons that accumulate in the kidneys. Avoid eating meat as much as possible; avoid too much salt, alcohol, tea. Try a milk and vegetable diet. Drink plenty of water, obtain Anuric (Jenab's strength), for 60 cents at drug stores, and exercise so you perspire—the skin helps to eliminate poisons and uric acid."

For those easily recognized symptoms of inflammation, as backache, scalding "water," or if uric acid in the blood has caused rheumatism, "rusty" joints, stiffness, get Anuric at the drug store, or send Dr. V. M. Pierce, Invalids' Hotel, Buffalo, N. Y., 10 cts. for trial package.

STROUD, OKLA.—"I suffered for a year with kidney trouble. I saw Dr. Pierce's advertisement in the paper and wrote for a trial package of 'Anuric.' It helped me so much I went to the drug store and bought a supply of Dr. Pierce's medicine. I bought four bottles of the 'Golden Medical Discovery' one package of the 'Anuric Tablets' and a vial of the 'Pleasant Pellets.' The 'Golden Medical Discovery' and the 'Pleasant Pellets' cured me of kidney trouble, and the 'Anuric' of the kidney trouble. —Mrs. MARY JANE FARMER, Route 4.

GIRLS! LEMON JUICE IS SKIN WHITENER

How to Make a Creamy Beauty Lotion for a Few Cents

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier. Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

THANKS.

To the good people of Mitchell county, who responded so nobly and freely, to the call for the Second Red Cross War Fund, and made it possible for us not only to go over the top but to lead the state. As far as we can find now, no other county in Texas did as well as we. We went nearly five hundred per cent over the top according to our quota. Especially do I wish to express my thanks to all the committee workers, in whatever department you worked. It is through your untiring efforts that we met with such success. The workers are too numerous to mention separately, however, you are surely included. Also I want to

phazise the appreciation of all our Colorado people for the co-operation of the out of town captains, and the splendid work done by them.

If you are included among the ones who helped, then I am sure you feel good over it, and we thank you. If you could and did not help, we are sorry for you for you lose the blessing.

Sincerely yours, J. H. GREENE, Manager

A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If Cross Feverish, Sick, Billous, Give Fruit Laxative at Once.

Every mother realizes, after giving her child "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleaning" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company." Adv5

sold to the highest bidder. The most expensive was a beautiful handmade quilt, which was bought by Hunter Looney for \$75.00. The most humorous was auctioned off by Charley Reeder, which was a paper sack containing a horned frog, which was sold for 50 cents. Of course the purchaser didn't know what the sack contained until after he had bought it. Yes, everyone can help in this war, even the frogs are doing their bit. During the Red Cross drive there has been collected something near \$1,800.00. Loraine is always at the front in patriotism.

CAMP TRAVIS NEWS BY PUBLICITY OFFICER

CAMP ITEMS OF PUBLIC INTEREST AND PERSONAL ITEMS ABOUT THE BOYS.

When the soldier boy's Evelyn Mae sends him a cake and a shoe box of fudge, why, of course he has to write her and tell her how "de-licious" it was. What he doesn't tell her is that the cake got mashed in transit and he had to bury it in the garbage can. Nor does he mention the fact that the candy went astray because the address was faulty, and the sweets poor little Evelyn Mae labored over were dusty dry before they reached her correspondent.

The fact is that the postal service of Camp Travis is cluttered up with ill-packed, ill-addressed, ill-chosen and generally unnecessary parcels of food intended for a body of men who even if the parcels never arrived at all, would be one of the best fed bodies of men in the country. The ration is a balanced one, every component that is required to make the meals nourishing and appetizing being provided. Fruits and vegetables find their place on the menu in season. The men do not need food from home. When it comes, if it is still in edible condition, the entire assemblage in the barracks of the recipient assist him in stowing it away, and a box that took long hours of thought and preparation disappears in five or ten minutes.

A STATEMENT.

To the citizens of Mitchell County: I understand that it has been asserted on the streets of Colorado that I am a bad citizen, and unpatriotic; that I spoke disparagingly of the Boy Scouts, and had not contributed to the Red Cross nor bought a Liberty Bond.

It is unnecessary to make the following statement to the majority of the people, but I make it for the benefit of those few who might be misled by the above false assertions.

Those who are engaged in the stock business and all old timers remember when I first came to Mitchell county, years ago, bought cattle, paying them thousands of dollars for them, shipping them to Kansas and other points. After closing out my business in Kansas, I returned to Mitchell county, formed a partnership with Dan McCuningham, leased a pasture and engaged in the cattle business for several years. After closing out my cattle interests in Mitchell County, I built several rent houses which I still own. I state these facts to show that I am a reputable citizen in this community.

In regard to the Boy Scouts; I think the organization of the Boy Scouts of America is the greatest thing that ever happened for the youth of our country. When I stood on the street a few days ago and saw them go marching by in their new uniforms, keeping perfect step, no one who saw them felt a greater pride in them than I.

I bought a Liberty Bond through the Boy Scouts of Colorado. I joined the Red Cross when it was first organized in Colorado, paying my dues, and contributed to the recent drive for the Red Cross. These facts can be established by the Red Cross officials of this county.

I am too old to go to war, and I have no son to go, but I have a nephew and name sake, Fred C. Newton, of Los Angeles, California, who volunteered when war was declared and went over with the first troops who were sent to France. I mailed to his mother a Liberty Bond, for him, and I have a letter from him, written in France, thanking me for the Bond. I am proud of that letter, and I have shown it to some of the best citizens of Colorado. I am proud of that boy; proud to know that one of my blood is one of Uncle Sam's brave soldiers in France today, with other loyal and noble boys. F. M. BOURN.

POSTED.

I have posted the Reynolds Ranch according to law, and all fishing, hunting and wood hauling must be done there.

LIKE AN ELECTRIC BUTTON ON TOES

Tells Why a Corn is so Painful and Says Cutting Makes Them Grow

Press an electric button and you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and you get a shock of pain.

Instead of trimming your corns, which merely makes them grow, just step into any drug store and ask for a quarter of an ounce of freezone. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts right out, root and all, without pain. This drug freezone is harmless and never inflames or even irritates the surrounding skin.

Claude B. Hudspeth has publicly declined to accept the challenge of his opponent, Zach Lamar Cobb to discuss the issues of the Congressional campaign, in joint debate. It was hoped by many of Mr. Hudspeth's friends throughout the district that he would pick up the gauntlet thrown down by Mr. Cobb and arrange to divide time with the latter not only at El Paso and San Angelo but at other points in the district and there by not only add spice to the contest but clear up in the minds of the voters of the district the very apparent differences between them.

A series of joint debates between Senator Hudspeth and Mr. Cobb, both of whom are orators of recognized ability, would be worth going miles to hear and would have the effect to make the congressional race in the 16th district the dominating note in the politics of Texas this year.

That Mr. Cobb has been very much in earnest in his desire to debate the issues of the campaign with his opponent has been evidenced from the moment he took the stump. He has repeated his challenge at every place visited and has spent much money in the newspapers of the district for the purpose of making it known not only to Senator Hudspeth but to Hudspeth's friends that he wished to discuss the senator's record in the legislature, face to face with him, on the stump in order that there would be no opportunity for misrepresentation of any kind.

Mr. Hudspeth has seen fit to refuse to meet his opponent, and it is to be regretted that he has arrived at that conclusion. We understand that he bases his refusal to accept Mr. Cobb's challenge on the ground that the latter indulges in personalities of an offensive nature, which, by the way, is not shown by the published reports of his speeches, the best possible way in which to put a stop to that sort of thing is to get Mr. Cobb on the same platform and hold him to the rules of debate which exclude the use of personalities in any form, or to go outside of the record. OLD JOHN IS DEAD.

Old John, the 23-year old family carriage horse of C. M. Adams gave up life's struggles this week and passed on to horsedom. A strange coincidence is connected with the passing of this old timer, is that, Mr. H. L. Hutchinson, just a few days ago, lost the fine sorrel horse that he has been occasionally driving to his delivery wagon, and having a delivery to make borrowed old John, and while he was in harness he, too, quit the drive. It is thought he died of humiliation as coming from a family carriage horse to a common delivery wagon.

Mrs. Sophie Bauer, 521 First Ave., North, Fairbault, Minnesota, writes: "I cannot praise your wonderful medicine, Peruna, enough. It has done much for me during the past ten years and I keep it in the house continually. I was in such a condition that I could eat nothing but bread and milk, and even that was too heavy for me at times. Now, I can eat anything. I will recommend Peruna to all my friends."

He was immediately brought to Colorado and is suffering with a bad case of tonsillitis.

MOTOR RURAL CARRIER EXAMINATION

The Civil Service Commission has announced an examination for the county of Mitchell, to be held at Colorado, June 8, 1918, to fill the position of motor rural carrier at Loraine and vacancies that may later occur on motor rural routes from post offices in this county. The salary on motor routes ranges from \$1,500 to \$1,800 per annum. The examination will be open to male and female citizens (women will now be admitted to the examination) who are actually domiciled in the territory supplied with mail by a postoffice in the county and who meet the other requirements. See Postmaster Person for blanks and other information.

DANDRUFF, AND HAIR STOPS COMING OUT Save Your Hair! Make it Thick, Wavy Glossy and Beautiful at Once.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few week's use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy. Just moisten a cloth with Danderine and draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment. A small trial bottle will double the beauty of your hair. Adv

WHAT THE RED CROSS IS DOING AND WHAT YOU CAN DO

DEPARTMENT OF CIVILIAN RELIEF. Home Service—By the language of its charter and also by proclamation of President Wilson the American Red Cross has been made responsible for the welfare of the soldiers' and sailors' families. Each Chapter is responsible for the families living within its jurisdiction. Each Red Cross Chapter has organized a HOME SERVICE SECTION usually composed of not to exceed seven people and made up of men and women. It is the duty of these Home Service Sections to see that no soldier's or sailor's family suffers because the man is at the front. They give them assistance in many ways, as follows: 1. Aiding the wife to secure an allotment from her husband and the separation allowance from the government. 2. Looking after the family when some of its members become ill. 3. Acting as big brother or big sister to disobedient boys and girls. 4. Securing positions for members of the family. 5. Aiding in legal, business and insurance matters. 6. Protecting families from dishonest agents and sharks. 7. Relieving by grants or loans when the family is in distress and when the amount given by the soldier and the government is not sufficient to provide for the family. It will not be long before all Red Cross chapters will have this important service, for they see that the nation which finally gets the most out of this war is the one that takes the best care of its women and children while the men are away. At present Home Service Sections are giving great assistance to the families by explaining the features of the war insurance bill. They have organized an information service at chapter headquarters and are now prepared to tell each family how to secure an allotment from the men in service, how to secure the government separation allowance and how much it will amount to; what benefits come from the law if their soldier is injured or killed. They are also giving definite and accurate information about the cheap government insurance which this bill provides. ALFRED FAIRBANK, Director of Civilian Relief, Southwestern Division A. R. C., 1617 Railway Exchange, St. Louis, Mo.

CARD OF THANKS.

To the kind neighbors and friends who so faithfully, lovingly and patiently ministered to our mother and grandmother, during her long illness, and who showed such a wealth of sympathy at her death, we wish to express our heartfelt thanks, and deepest appreciation. We desire particularly to thank Mrs. D. C. Byrne and Mrs. S. T. Smith for their constant and unflagging devotion. Such services can not fail of their reward. May God bless each one of you in our prayer.—Mrs. W. H. Moser and Children, and Miss Violet Hughes.
