COLORADO RECORD

Published Weekly at Colorado, Texas, at 110 Walnut street, one door south of the Postoffice, and entered as second class matter at the postoffice under the act of congress of March, 1879, by the

WHIPKEY PRINTING COMPANY F. B. WHIPKEY A. L. WHIPKEY Editors and Proprietors.

T. & P. TIME TABLE. East Bound. Sunshine Special No. 2 ... 6:30 a. m. Daily Passenger No. 6 ... 7:33 p. m. West Bound. Daily Passenger, No. 25 ... 8:02 a. m. Sunshine Special, No. 1 ... 12:10 a. m.

SUBSCRIPTION RATES. Out of Mitchell County. One Year \$1.50. Eight Months \$1.00. Four Months .50. IN the County. One Year \$1.00. Six Months .50. Three Months .25.

Four deaths were added the past week to the Roll of the Dead of the University of Texas, the cause of death in each case being Spanish influenza.

One way to cut down the cost of campaigns for governor would be to divide the state into two or three states. There are several more important reasons why Texas should be divided. Some day it will be divided.

The Record never misses an opportunity to boost for Colorado and Mitchell County, and work for its up-building, and for the best interests of the people. There are those who carp at this or that thing the Record prints, but you can figure it out that almost every time the Record is right.

The presentation of sword made 386 years ago to President Wilson, which is to be made by a Japanese editor, while acceptable, is not the most appropriate gift that could have been made by a subject of the Far Eastern empire. Mr. Wilson is the one man above all others who has fulfilled the prophecy of Richelieu that "beneath the rule of men entirely great the pen is mightier than the sword."

It is estimated that the number of subscriptions made by the members of the faculty, student body and different army schools of the University of Texas to the Fourth Liberty Loan was approximately \$150,000; the faculty members subscribing about \$60,000, the student members at the S. A. T. C. about \$35,000 and the Schools of Automobile Mechanics, Radio and Military Aeronautics, \$60,000.

IT'S CAMOUFLAGE

In commenting on the Record's editorial of several weeks ago in regard to the drouth relief fund, the Lockney Beacon says:

There has been no practical suggestions or arrangements made to relieve the people of the drouth stricken portions of Texas. Red tape has characterized both State and Federal aid. Men most deserving can not get relief. Like the Record says they have no credit. Collateral all swallowed up in three continuous dry years. A Sweetwater man remarked to the writer Sunday, in answer to a question if the relief fund was of practical benefit to his people and how they were to get through another year he did not know. The only way that practical relief could reach the people is the doing away with some of the red tape and fix it so people could borrow money and buy feed to make another crop.

CHURCH PROBLEMS AND WAR ORDERS

By W. C. Garrett

Since the United States entered the war, the various evangelical denominations have had what they pleased to call Camp Pastors doing work among the soldiers in the Army Camps. These Camp Pastors for the most part, were of the very best preachers and workers of their respective denominations. They have done a great work in leading the soldiers to salvation, that they might not only be good soldiers for U. S., but be good soldiers of Jesus Christ as well.

Many thousands of the boys who have failed to accept Christ as their Savior, hitherto, were glad of an opportunity to do so when they felt that soon they must meet an enemy that might mean the facing of death. Thus the Camp Pastors found the men hungry to hear the story of Jesus and ready to at once accept the salvation He offers.

But there arose trouble, and there hangs the tale.

These Camp Pastors were, in many cases, better preachers and drew larger crowds and had better results than Chaplains who were not so evangelical. So it seems that jealousy mixed with a lot of unionizing ideas, which ideas claim to stand for much, but really stand for nothing but the breaking down of denominationalism (they are definitely committed to that), got busy and brought forth from the Third Assistant Secretary of War, Mr. Keppel, an order to remove from the Army Camps all Camp Pastors.

That order, however, provides for special privileges in the Camps for Catholics, Jews, Christian Scientists and Salvation Army, but all other denominational representatives must be put out.

Other denominations Baptists, Methodists, Presbyterians, Episcopalians, Christians and others are willing for the Catholics, Jews and the rest to have these privileges, but we have strongly protested against the order refusing the same privileges to our preachers.

However, since making our protest, Mr. Keppel says the order must stand as made. So now, these churches and Pastors who have thus far been among the very first in standing by the Government to help win the war, will still do so. No one of us will fail to use our voices, our hands, our means, to the limit of our ability in doing all that our Government asks us to do and then more.

Now get this: After pledging our loyalty to the Government (and we are standing by our pledge and will continue to do so gladly), these same Churches and Pastors that are refused the privilege of doing religious work in the Camps and thus ministering to the boys of their own church faiths, are now urged to help, even asked to take leading parts in raising a fund of \$170,500,000, a large portion which is to go to help others do what these Camp Pastors are (by Mr. Keppel's order) not allowed to do, even at the expense of their own churches.

This \$170,500,000 is to be divided as follows: Y. M. C. A. \$100,000,000; the Y. W. C. A. \$150,000,000; War Camp Community Service, \$15,000,000; American Library Association, \$3,500,000; Catholics, \$30,000,000; Jews, \$3,500,000; Salvation Army, \$3,500,000.

I have a letter now from State Headquarters at Dallas, asking me to assist in appointing speakers for and to take active part in this \$170,500,000 campaign.

It presents an embarrassing situation. We all want to do what is right about it. We do not object to these seven organizations having the money for their work (if they can get it right), and we believe it is better to have it over with in one campaign rather than to have seven campaigns, but it is embarrassing that we are asked to pay money to help others do what we are denied the privilege of doing, even when we ask no one for a penny to help us do it.

What will we do about it? It is a hard question for some of us to settle. I understand that each contributor can designate where his gift goes, if he so chooses.

That will not alter the final outcome in the least, for there will be enough undesignated funds to fill the Catholic quota, but while that is true, some of us will feel better about it for knowing just where our special donation has gone.

If you ask me what you ought to do in the matter, I will say follow your conscience, give to whatever organization you feel is best capable of giving our boys the help that will do them good. Some of these seven organizations are helpful and our

boys are there and need the help. So we can ill afford not to help them in this way, since we have no other way to reach their social or religious natures.

I will add a postscript to this article, speaking from my own pulpit. P. S.—This article was written before the meeting which was held at the Christian Church last Saturday afternoon and in no way has any reference to anything that was said there.

WESTBROOK ITEMS

Mrs. M. C. Williams and little son, C. S., are spending the week in Fort Worth with relatives.

Albert Oglesby received a very painful injury one day of last week while cutting feed near Colorado. In losing his balance his foot was caught in front of the knife which severed the leader completely. He is doing nicely now, but it will be quite awhile before he can use his foot.

Mrs. J. E. Skelton received a message Thursday that her brother, Hubert, was dangerously ill of pneumonia. She left Thursday night, but on account of a wreck she was unable to reach him before death came. Hubert, better known here as Jack McDonald, made Westbrook his home for several years and has lots of friends here who are grieved to learn of his death. Jack was a favorite among the young people, always having a friendly word or a pleasant smile for every one. He was a member of the Methodist Church and a regular attendant upon the Sunday School; he was a good singer and always sang in the choir. It seems so hard that he was taken so young. We do not know his exact age, but he was about 20 or 21 years. It is sad, oh! so sad, but God is all wise. He maketh no mistakes and we know that it was far the best. He leaves to mourn, his death a mother, Mrs. C. M. McDonald, a brother, Horace McDonald and four sisters, Mrs. J. E. Skelton, of Westbrook; Misses Elon, Bettie and Bernice McDonald. His body was laid to rest in the cemetery at Bedias, Texas.

S. S. Morris returned from Seagrville, Texas, Tuesday.

Mr. and Mrs. G. B. Slaton of Colorado, were visiting in Westbrook Tuesday.

Mr. and Mrs. L. V. Yates spent the week end on a pleasure trip to Coahoma and Big Springs.

Mr. and Mrs. P. M. Van Horn and children accompanied by their mother, Mrs. F. C. Van Horn, arrived in Westbrook Sunday morning. Mr. Van Horn and family are just recovering from a severe case of influenza. They stood the trip comparatively well. Mrs. Van Horn and children are improving. Mr. Van Horn feels that in the course of time he will be benefited by the lower altitude. At this writing he is very weak and suffering severe pains around his heart.

Bro. H. W. Hanks came in from Dora, Texas, Tuesday, where he had been with his mother for several weeks.

W. A. Oliver spent Monday in Big Springs.

WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Colorado women know how the aches and pains that often come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking at the cause. Here's proof of their merit in a Colorado woman's words:

Mrs. C. M. Sparks, 511 Walnut St., says: "I have used Doan's Kidney Pills off and on for the past couple of years and they have done me a lot of good. I used them for my back which was weak and ached. My kidneys were acting irregularly, also. Every time I have used Doan's Kidney Pills, which I bought at Doss Drug Store, they have relieved me. I believe they are the best of kidney medicines and gladly recommend them."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sparks had. Foster-Milburn Co. Mfgs., Buffalo, N. Y. Adv.

BOY SCOUTS TO MEET.

The Boy Scout are called to meet this (Friday) evening at 7:30 at the court house. Everyone is expected to be there. By order of Jno. W. Pesron, Scout Master.

It is announced by President R. E. Vinson of the University of Texas that classes at that institution will not be resumed before Monday, November 4. This action was taken after conference by President Vinson with the local health authorities of Austin. The influenza epidemic among members of the S. A. T. C. and different military schools of the University shows steady improvement.

Joan of Arc was born at Domremy, or Domremy-le-Pocelle, a small village six miles north of Neufchateau and about halfway between Chaumont and Toul. It is directly southwest of Toul, from which it is distant about 20 miles. She was born there about the year 1412, and was executed at the age of 19, after achieving some of the most remarkable military victories in history.

MOTHERS and sisters of America, there are a thousand girls over there who are representing you. They are the girls of the Y. M. C. A., the Y. W. C. A. and the lasses of the Salvation Army. Boys come back to them at night hungry for a woman's voice in a language they can understand. They bring your letters; and the pictures of you--their sisters and their mothers over here. Have you ever stopped to think that this is the first war in which the influence of good women followed the boys straight up to the front? It's worth a lot to you to keep that influence strong and permanent. Keep it so through the
