BAPTIST REVIVAL STARTS SUNDAY AT TABERNACLE.

The Baptist revival will commence
Sunday morning at Union Taberna-
cle under the personal direction of
the pastor, Rev. M. C. Bishop, who
will do the preaching. The music
will be conducted by Mr. and Mrs.
Chas. O. Miller of Atlanta, Ga. Mr.
Miller leading the song services and
his wife the pianist. The Millers are
coming to Colorado with the distinc-
tion of being among the leading ev-
angelistic musicians of the South.
Local singers will cooperate with the
director in making one of the best
choirs in this city for some time.

Rev. Bishop, though a new man in
Colorado, is fast working his way in-
to the hearts of the people of the
city as a pastor of unusual merit.
He is an able preacher and posses-
sed of a most pleasing personality.
He recently closed a successful re-
vival at Hermleigh.

Services are to be held twice each
day, at 10 a. m. and 8:15 p. m., with
the exception of Sunday morning,
when the services are to be held at
11 o'clock. The revival will contin-
ue two weeks.

CAPITOL BEING SET FOR THE COMING SPECIAL SESSION

By Special Correspondent.
The general talk in the political
circles of the Capitol City is the called
session to convene July 18th.

Some of the most important mea-
sures to be considered by our law
makers are:

The school money to be appropri-
ated to the public schools of Texas—
but the question that worries some of
them is "Where is the revenue com-
ing from?"

Last week the Governor held con-
ference with representatives of the
farmers of Texas in regard to legis-
lation dealing with the farmers' wel-
fare. Doubtless the most important
is the possibility of securing a cot-
ton classer for the state, whose de-
cision shall be law and gospel in the
cotton grading circles.

Many think this would give us a
uniform system of cotton grading.
That would result in the same grade
holding good through all the chan-
nels the cotton must pass.

Chances are good for Governor
Neff to make a strong pull for his
law enforcement bill, one of the
chief things will be the repeal of the
suspended sentence law.

Representative King of Throck-
morton has a proposed amendment
before the Governor, limiting the
purchase of lands to be bought by
the University, as an act of the last
session, to the present needs of the
institution.

Some think that this is unwise—
that the land will advance in value
is almost sure.

If the amendment were to pass at
the coming session the appropriation
for the University land bill will be
cut in half, the original being \$1,
350,000. Of course, this would be
in keeping with the economical pro-
gram of the Texas government.

Possibly the proposed amendment
will be grounds for lively discussion
—there have been several commit-
tees of women call on the governor
to make protest. They believe the
purchasing committee have been un-
fair in fixing the prices on the prop-
erty.

The work to be accomplished by
the special session is yet to be seen.
Whether anything will be done to-
ward the redistricting of Texas into
senatorial and representative dis-
tricts, is a mere speculation.

BOOSTER CLUB BANQUET IS NOT HELD TUESDAY.

The banquet and smoker adver-
tised to have been held Tuesday eve-
ning of this week by the Colorado
Booster Club was postponed until a
later date by the president, W. W.
Porter. Porter stated that he did
this upon learning that the Booster
Band could not render a concert pro-
gram, there being several members
of the band absent from the city on
vacation.

The club will meet within the next
few days, Porter stated, probably on
Monday night, August 1. There
be no meetings of the club before
that date on account of the Baptist
revival, which is to commence Sun-
day at Union Tabernacle.

BAPTIST SUNDAY SCHOOL LEADING IN ATTENDANCE

The Sunday school of the First
Baptist church passed to first place
last Sunday morning in point of at-
tendance, leaving the school of the
First Methodist church, which has
heretofore held this honor, in second
place. The Baptists registered a to-
tal of 237 in all departments of the
Sunday school, while the Methodists
had an attendance of 236.

"I told that Methodist superinten-
dent that we were going to show up
the largest Sunday school in Colo-
rado," J. H. Greene, superintendent
of the Baptist school stated Tuesday
afternoon to a representative of The
Record. Officers and teachers of
these two schools together with those
of the Christian and Presbyterian
Sunday schools, have been cooperat-
ing in a campaign to build up their
respective Sunday schools and as a
result attendance and interest has
greatly increased.

From Methodist sources comes the
information that Mr. Greene has pi-
loted his Sunday school to first place
in the city for only one Sabbath and
that on next Sunday morning the
Methodists will again pass to their
usual place at the head of the class.

MISS GEURIN OF DUNN DIES AT SANITARIUM.

Miss Pearlina Geurin of near Dunn
died at the Colorado Sanitarium on
Sunday afternoon at 3:30 o'clock,
and the remains were forwarded to
Dunn by J. H. Greene, local under-
taker.

Funeral services were conducted
from the family home, four miles
southeast of Dunn Monday morning
at 10 o'clock by Rev. C. L. Browning,
pastor of the First Methodist church
of Colorado. Interment was had in
the Dunn cemetery.

COE BUILDING BEING REPAIRED AND REMODELED

The Coe buildings on Walnut St.
are being remodeled and the front
of the buildings are to be made at-
tractive and modern in every re-
spect, Judge A. J. Coe, owner, stat-
ed to The Record Saturday.

The front and south walls of the
buildings are to be finished with
pebble dash effect, Judge Coe said,
and remodeled into attractive busi-
ness property.

GOLF CLUB IS BEING ORGANIZED IN COLORADO.

Judge C. H. Earnest reported
Wednesday that approximately twen-
ty members had been secured for the
Colorado Golf Club, organization of
which was commenced here this
week. He believes that a sufficient
number of citizens will join the club
to insure success of the project.

As soon as a sufficient number of
members have been secured, a meet-
ing will be called to effect perman-
ent organization and arrange to se-
cure and improve a course near the
city.

Babies do not want silks and sat-
ins; but they do want sunlight and
sanitation.

COLORADO-TEX COMPANY TO START SECOND WELL.

The Colorado-Tex Petroleum Co.
has purchased a rig, made the loca-
tion and will spud Foster No. 2 near
Iatan at an early date, according to
information received by The Record.
The second well to be drilled by the
company on their holdings at Iatan
will be 2800 feet southeast of the
present well. The Iatan well contin-
ues to improve under the pump
and an estimated production of 200
barrels is made by oil men who vis-
ited the well this week.

NALL DENTAL OFFICES IN CITY NATIONAL BANK BLDG.

M. B. Nall has moved his dental
offices to a suite in the City Nation-
al Bank building, stating Monday
that he expected to be ready for
business in his new location by Wed-
nesday of this week. Nall was for-
merly in the Dulaney building.

Mrs. E. B. Canada, for some time
saleslady at the Enterprise Racket
Store, will be assistant to Dr. Nall.

BERTNER ON THE BOND ISSUE.

Little Rock, July 11, 1921.
Colorado Record, Colorado, Texas.

Dear Sirs:
I have just received your paper
this morning and notice the headline
"Setting An Example." A speech
made by Hon. A. J. Coe, mayor of
Colorado, and Dr. P. C. Coleman,
president of the Chamber of Com-
merce. After reading it I was very
much pleased and also glad to see
that you are going to have an elec-
tion in August as to whether or not
the city shall be authorized to issue
bonds for the purpose of extending
the water works and also to dam
Lone Wolf and put in a sewer sys-
tem. I want to say for the benefit
of the citizens of Colorado that I am
a property owner in Colorado Texas,
and a land owner in Mitchell county,
and if I was there it would be a
pleasure for me to vote for these
bonds and I hope that every taxpay-
er will make it their duty to vote for
these bonds on August 2nd. As I
notice Dr. Coleman and Judge Coe
are among the largest taxpayers in
the city and if they are willing it
looks like that every taxpayer should
do the same. Please remember one
thing that there is nothing that will
speak better for any town or com-
munity than to have first class water
works and first class sewer systems.
And I also want to say that Lone
Wolf should have been dammed 20
years ago. I hope that this election
will carry 100 per cent and the time
will come when the citizens of Co-
lorado will say "Gus Bertner was cor-
rect."

Yours very truly,
GUS BERTNER.

KNIGHTS OF EZELAH.

The Knights of Ezelah, of which
W. B. Crockett is commander, met
at the home of J. W. Shepperd, Jr.,
Tuesday evening for a social meet-
ing. The time was pleasantly spent
in playing games. Mrs. Shepperd
served them delicious home made
cake and ice cream.

Mrs. A. E. Madden is visiting her
daughter in Amarillo.

ALLEGED SWINDLER HELD FOR GRAND JURY PROBE.

Costella Bell, alleged swindler was
ordered held pending an investiga-
tion of the case by the grand jury,
following an examining trial Satur-
day afternoon before Judge J. C.
Hall. She was allowed bond in the
sum of \$500, in default of which she
was remanded to the custody of the
sheriff.

Several local negroes appeared as
witnesses against the woman, each
relating a weird story of how Cos-
tella came to them with stories of
great wealth in case their money was
delivered to her to be worked by
"jacks" represented by the woman to
be controlled by her. One negro
woman stated that her husband gave
Costella all the funds the family
could raise and then delivered ten
pens, expecting them to be touched
by the spirits with such marvelous
power as to make the laying of gold-
en eggs possible.

"Did you believe that Costella actu-
ally could cause this money to
bring you riches?" County Attorney
Coffee asked one of the witnesses,
a negro woman. "Yes sah," came
the quick rejoinder. "Why she made
it so plain to us that a fool would
have believed it."

H. W. STONEBAKER TO LEE LIVE STOCK COMMISSION CO.

Living a well rounded out, busy
life, characterized by a high sense
of honesty, unceasing energy, and
broad gauged methods, has made Mr.
Stonebraker good friends wherever
he went, and now they will be glad
to hear of his recent connection with
the Lee Live Stock Commission com-
pany, one of the oldest and strongest
firms operating at the Kansas City
stock yards. Mr. Stonebraker ex-
tends a cordial invitation to all his
old friends to meet him at his new
location and assures them that they
will always find a welcome.

In 1885 Mr. Lee had financial re-
verses but paid back his creditors
one hundred cents on the dollar to-
gether with interest. It taught him
the possibilities of turning liabilities
into assets, and since that time he
has taken over many extra good men,
put them on their feet, and made
capital of what seemed failure.—
Eureka (Kansas) Herald.

Mr. Stonebraker is well known in
stockmen circles of West Texas. He
is connected with the Snyder inter-
ests here and has operated extensiv-
ly throughout the West.

COLORADO LOSES ONE AND TAKES ONE AT LUBBOCK.

The Colorado Boosters lost one
game and took one, in a series of two
games played at Lubbock Monday
and Tuesday. The first game was
12 to 3 in favor of Lubbock, while
the last was taken by the visitors by
a score of 5 to 4.

CONAWAY DRILLING AT 2520 IN GRAY LIME

"Tell them we are expecting to
bring in a gusher at any time." D. J.
Lewis, driller at Conaway No. 1, 14
miles southwest of Colorado, stated
to a representative of The Record
late Tuesday afternoon when we vis-
ited the well. Lewis was drilling in
gray lime at 2520 feet and stated
that on account of the very hard for-
mation very slow progress was being
made. The well had been lowered
only seventy feet during the past
week.

M. E. Adams, field superintendent
for the Underwriters Co., was at the
well Tuesday afternoon and expres-
sed the belief that a good well would
develop at that location. Adams was
of the opinion that the oil sand, how-
ever, was from 150 to 200 feet below
the drill and would not be drilled in-
to before next week, in case the lime
stone formation continues.

"This lime formation is the best
indication of all that we are going to
get oil here," Adams stated. "Since
reaching a depth of about 1400 feet
the Conaway well has been drilled
through much of this formation and
the deeper the well is drilled the
more convinced am I that a good
sand will be picked up." Mr. Adams
said that this well corresponds very
much with the well at Iatan.

Lewis stated that he had been han-
dicapped to some extent on account
of an inadequate water supply. He
is taking water for the boiler from
surface tanks on the Conaway ranch
nearby, and at one time recently
these tanks were pumped dry. Light
showers since replenished the water
supply sufficient to guarantee oper-
ations for a few days.

S. S. Owen, formerly manager of
the Underwriters Co., who arrived
from Tulsa last week, has been
spending much time at this well dur-
ing the past week, and he states that
the log could not be more favorable
in the assurance that a good well is
to be drilled in.

COMMISSIONERS WILL LEVY COUNTY TAXES FOR 1920.

Commissioners court was conven-
ed Monday and following completion
of the regular routine work of the
court Monday afternoon, recessed
until Thursday when the matter of
designating the tax levy for 1920
was to be taken up. Judge Hall stat-
ed Thursday morning that he did not
know then what the county rate
would be.

The commissioners are also audit-
ing the delinquent tax list as submit-
ted by the tax collector.

Miss Toler is also authorized to receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whippley Printing Company in Loraine and Vicinity. See her and take your County Paper.

Big Two Days Barbecue.

Loraine is preparing to give a two days barbecue on August 4-5.

Methodist Revival.

Rev. Beavers of Hereford is conducting the revival at the Methodist church which began Sunday. Rev. Young is assisting and much interest is already manifested.

The W. M. S. held a special meeting on Monday afternoon and an interesting program was carried out.

Misses Lula Munns and cousin, Miss Nelson of Brownsville, in company with Horace Newton visited in Roscoe, Texas.

Miss Lillian Reeder entertained with a party on Friday evening. Games and music were enjoyed to the fullest and another good time added to the young folks list.

W. D. Druery and R. D. McCullough two ranchmen of Brown county were guests in the Toler home Monday. They were enroute to El Paso, Pecos, Valley and other points.

Mrs. R. E. Bennett is expected home from New Mexico where she has visited relatives the past several weeks.

A series of meetings held by Evangelist Thomas E. Milholland of Clarendon, Texas, for the Church of Christ closed with the Sunday night service. It was a great meeting. Six souls were added to the One Body and one wanderer returned to the fold. The membership was much edified and resolved to do more for the cause of Christ. Bro. Milholland is a forceful speaker and presents the old time gospel with great power and touches the hearts of his hearers in such a way as to cause them to think seriously of the day of judgment. Bro. Young is certainly a sweet singer in Israel and his service was greatly appreciated.

J. W. Fairbairn is improving his residence by adding a new front porch.

R. W. Nelson and family on a return trip from New Mexico to Brownville, visited in the Munns home a week.

J. W. Fairbairn and wife, Mrs. Alie M. Erwin and Miss Toler, visited in the C. P. Gary home Sunday.

J. F. Reeder will soon open up another grocery store in the Masonic building.

R. A. Edwards visited in Roscoe Sunday.

W. S. Erwin and wife took their grandson, Robert Anderson Jr., to Sweetwater where he caught the train to San Angelo on Friday. They were guests in the W. B. Wimberly home while there.

Mrs. Dona Hale and children of Champion accompanied Mrs. M. F. Johnson home from there for a few days visit.

Born to Mr. and Mrs. Lester Jarrett, on the 8th, a daughter.

Born to Mr. and Mrs. Curtis Reeder on the 18th, a son.

Mesdames Hale and Holt and families of Colorado attended the Christian Revival.

Mrs. F. C. Chekal of Abilene is the guest of friends this week.

S. W. Altman and family returned to their home at Arlington Monday.

W. D. McCarley, Doc Brown and C. H. Manley were busy in Sweetwater Friday.

J. H. Neil and family have moved to Plainview.

V. A. Roberts and daughter, Miss Ollie of Cleburne, are visiting relatives here.

Mrs. Wagley and children of Moran, accompanied Mrs. Joe Bennett and children home from there and will visit with her mother, Mrs. I. B. Baird and family.

Homer Richards and family are domiciled in the Farris residence.

Miss Fannie Jarrett entertained a number of friends most delightfully at her home on last Saturday evening. Music and game were enjoyed until the "we sma" hours. Ice cream and cake were served the following guests: Misses Lois Coon, Lula Munns, Mattie Thompson, Nelson Spikes; Messrs Howard Spikes, Horace Newton, Kirk Taylor, Frank Crownover, Albert Hiser, Otis Munns M. Mahon, Jim Baird.

Mrs. R. L. Hudgins won the \$5.00 cash prize in the big sale at the Loraine Merc Co. store Saturday.

Mr. and Mrs. Bob Hagood of Fort Worth visited old friends and relatives here this week. They also visited in Abilene.

J. E. Stove and wife of Abilene passed through Sunday enroute to Colorado to visit relatives.

Hiram Toler has returned from Cisco, Crosscut and Weatherford.

Messrs Frank, Jim and Joe Johnson also Noah Caswell and families have returned from San Angelo.

Judge E. O. Stevenson has returned from San Antonio. He reports his son-in-law better and hopes are now entertained for his recovery.

Mrs. W. R. McAfee and baby of Wichita Falls are guests of her parents H. A. Beights and wife.

W. C. Pratt and family of Haskell visited the Pratts the earlier part of the week.

A. J. Smith and family of Jordanton are visiting here.

C. H. Manley, Allen Nelson, W. E. Dickenson, C. E. Crutcher composed a crowd who left Tuesday for Red Bank to fish.

Mrs. D. K. Nelson and daughter Miss Cora are reported better this week.

Mrs. C. B. Reeder was hostess for the Philomath Club on Friday afternoon.

Shower for Member
Mrs. Roy Dozier and the Philathea class of the Methodist Sunday school entertained with a miscellaneous shower one day last week at the home of Mrs. Dozier, for one of the members, Mrs. Jack Norris, who left in a few days for her old home in Canton, Texas. An informal program of piano and vocal music and readings were given. Many dainty and personal gifts were given Mrs. Norris to remind her of her days in Colorado. Sandwiches, pickles, angel food and ice tea were served.

Harmony Club.
Miss Jeannette Earnest entertained the Harmony Club complimentary Wednesday afternoon. Besides the members her guests were Misses, Alma Phillips, Bernice Terrill, Mildred Coleman, Caroline and Gertrude Chambers and Frank Ball Root of Sherman, and Mrs. Carlton. Ice cream and cake were served. The club adjourned until after the Baptist revival meeting and will then meet with Mrs. R. P. Price.

For, Prince Albert's quality—flavor—coolness—fragrance—is in a class of its own! You never tasted such tobacco! Why—figure out what it alone means to your tongue and temper when we tell you that Prince Albert can't bite, can't parch! Our exclusive patented process fixes that!

Prince Albert is a revelation in a makin's cigarette! My, but how that delightful flavor makes a dent! And, how it does answer that hankering! Prince Albert rolls easy and stays put because it is crimped cut. And, say—oh, go on and get the papers or a pipe! Do it right now!

Prince Albert is sold in tippy red bags, tidy red tins, handsome pound and half pound tin humidors and in the pound crystal glass humidor with sponge moistener top.

DEATH OF OLD TIMER.
On Sunday the news was received from Fort Worth of the death of Grandma Cooksey, at the home of her daughter there. "Grandma," as everyone lovingly called her, had passed her four score and five years. She was one of the earliest settlers in Colorado. She reared a large family, lived in peace with her God, and all mankind. Her son, Andrew, of Los Angeles, Calif., was sheriff here for several years. She was buried in Fort Worth, as most of her children live there.

NOTICE.

There will be an examination for State and County certificates held in Colorado, Texas, on the first Friday and Saturday in July, 1921.

ANNUAL ENTERTAINMENT

It is the custom of the Baptist Sunday school for all departments to meet together annually for a social gathering of some kind, usually a picnic. This year it was a lawn party on the lawn of Mr. and Mrs. J. R. Shepperd. The entertainment was a one ring circus given by the grown-ups for the children, directed by Mrs. J. H. Guitar. County Judge J. C. Hall was ring master, and he both looked and acted the part. All others entered in the spirit of the evening and had as much fun acting as the audience in looking on. It was hard to tell which the children enjoyed most, but all came in for a part of the friendly criticism. It took J. H. Greene and Joe H. Smoot both to act the part of the elephant and aside from the unusual color it was a great success. Geo. Slaton with his assistant made "some" giraffe. Crester Thomas was a real bird with feathers and all, and it took all the skill Mrs. Terrell had to have him perform in the ring. It was never known just what Newburn Morgan was, but he was content to be "What-you-may-call-it." Mrs. E. M. Majors and Mrs. W. R. Morgan were splendid Siamese twins. Mrs. C. H. Lasky was the tall lady and Mrs. A. L. Whipkey the fat one, and they made the desired contrast. Misses Alma Phillips, Ara Bohanan, Mary Terrell, and Frank Ball Root were skilled bareback riders, and had real ponies, but on account of the unusual noise they could not be ridden in the ring. Of course, the band and clowns were the life of the show. Mr. Jones and his assistants, W. R. Charters, Lister Ratliff, E. M. Majors, Lee and Raymond Jones were appreciated by sight and sound. The clowns were the fun makers, and were commented on as being as good as real clowns. Mr. John Smith escorted all the ladies to seats and Rush Moody and L. W. Haynes performed duties of all kinds. Sterling Keathley and Joe Phillips were the jockeys. Mrs. Rogers assisted by Mrs. R. O. Pearson, was the fortune teller, and as it was free, they were kept busy reading palms. Mr. Sadler and his assistants were equal to the occasion in the refreshment dispensing, as both delicious punch and ice-cream cones were served till even those with the greatest of capacities were satisfied. The circus was considered quite a success.

ARE YOU INTERESTED?

Then see me before the last of July. All my efforts to get some one to take the Government gauge and report on both temperature and rainfall failed. I have been keeping the rainfall only, for some time. I am going to leave the city late in August or early in September. If you are interested enough in keeping up the rainfall record which has been kept quite accurately for many years see me right away. The rainfall in June was 4.99 inches.

Don't all come at once.

SHOWER FOR BRIDE.

On Tuesday afternoon from 4:30 to 6:30 the Campfire Girls gave a miscellaneous shower at the home of Mrs. Appie Baker for one of their number, Miss Cecil Cestin, who married Mr. C. J. Duhon on Sunday at Sweetwater. The house was prettily decorated with ropes of sunflowers which led to a wedding bell. In one room was a tepee and Indian decorations. After the guests had all gathered an Indian song was sung by members of the band. A march was played and Miss Lula Helton, in Indian costume, introduced the bride—another march was played and all guests marched into the dining room, where the formalities of the band were gone through. Miss Jessie Stell sang of work, Miss Lillian Dorn of health, and Miss Eloise Pond of love. Mrs. Merritt gave the good wish for them that all these might be carried out in the new home. Health was drunk to the bride with punch. The gifts were presented from the tepee, and were many useful and dainty presents to be carried to the new home in Louisiana to remind her of past happy days. Punch and cake were served.

Mrs. Linda Harrod Endorses Chamberlain's Tablets

"I suffered for years with stomach trouble and tried everything I heard of but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them from our druggist. I got immediate relief from that dreadful heaviness and pain in the stomach after eating. Since taking two bottles I can eat anything I want without distress" writes Mrs. Linda Harrod, Ft. Wayne Ind.—Advertisement.

We give space this week for our old friend C. W. Simpson, to get off some more hot air in regard to the bond issue for Lake Colorado. If our readers will remember, Mr. Simpson had just such an article when the road bonds were proposed. He is a chronic kicker (especially about bond issues and tax levies) and as everybody knows this we predict that his article will not have much weight. We want to be fair, and at Mr. Simpson's request, granted him the privilege of "presenting the other side of the question" as he says. He claims that it will breed disease, while the truth of the matter is the sewer system which is part of the issue, in being put in to prevent the very thing he argues that it will bring upon the people of Colorado. We have not space to refute Mr. Simpson's weak arguments, this week, but will likely

have something to say next week in answer to this article. However it is hardly necessary, because nine out of every ten men of Colorado know the advantages it will be to our city, and they are going to vote for it, and are going to build the dam and sewerage, and extend the water system to we people on the hill who now have no fire protection, nor water, except of our own providing, but are paying our part of the tax for this very thing.

PLAINVIEW PARAGRAPHS

Fine rain last night, which will be a benefit to growing crops.
Sunday school last Sunday with a large attendance. Song service was led by Prof. Elliott of Colorado. The church dedication sermon was preached by Rev. Tyson our missionary, and what a soul-stirring sermon by that able preacher. Then dinner—and such a bountiful spread. It hasn't been the writer's good fortune to partake of such a feast for years. Plenty for everybody and a great deal left. Two barrels of iced water and dinner spread under the arbor. Preaching after dinner by Bro. Foster, our pastor, and it was an excellent sermon. Bro. Tyson and Bro. Foster had to return to their post of duty and the services were turned over to Rev. Rodan Pickens, a Methodist minister. He preached an able sermon, enjoyed by all.
Rev. Roper and wife of Dallas were there visiting in the home of Mrs. Roper's father, Mr. Pickens. Bro. Rodan Pickens and wife of Lamesa are visiting in the home of his father.

This church was presented with a fine communion set and a fine linen table cloth and a basket to carry them in by the Baptist church of Colorado. Many thanks, may God bless you.

Baptist meeting begins the first Sunday in September by Bro. Tyson and Bro. Foster of Abilene.
People were present last Sunday from Spade, Loreine, Westbrook, Colorado, Longfellow and numerous other places.

YOU'RE BUYING LAND?

She—"Yes, I am about to buy a small tract, what should I do to make sure that I am getting what I pay for?"
He—"You should require an abstract of title when buying land, regardless of where the land is situated, or who owns it, thousands of people own lands and know nothing at all about the condition of their land titles. Over half of lands have 'imperfect' titles and it is time for the public to wake up and realize how important it is to know what they are buying. Most of these defective titles could be corrected very easily at little expense, while others could be corrected now that could be corrected later and some few that could not be corrected at all. So for that reason it is all important to require an abstract when buying land, leases, or notes, and have any errors corrected before you have paid your money for the property and have laid the burden upon your own shoulders, with the possibility of great loss."
We're always ready to serve you.

There were nine tables and a very pleasant evening was spent. Brick ice cream, angels food and black cake were served. Nastariums were given as favors.

ELECTION NOTICE.

Whereas, the City Council of the City of Colorado deems it advisable to issue bonds of the said city for the purposes hereinafter mentioned. Therefore, it is hereby ordered by the city council of said city that an election be held on the 2nd day of August, 1921, at which election the following propositions shall be submitted:

1. "Shall the City Council of the City of Colorado, Texas, be authorized to issue bonds of said city in the sum of Eighty-five Thousand Dollars, (\$85,000.00) payable in Forty (40) years after date, with option of redeeming same at any time after ten years from date, bearing interest at the rate of six per cent per annum, payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing a reservoir and extension of the waterworks of said city, as authorized by Chapter 1, Title 18, R. S. 1911, and Chapter 9, Acts of the 37th Legislature, Regular Session, 1921, Arts. 769 and 770, R. S. 1911, and the constitution and laws of the State of Texas."

2. "Shall the City Council of the City of Colorado, Texas, be authorized to issue bonds of said city in the sum of Thirty-five Thousand Dollars, (\$35,000.00) payable in Forty (40) years after date, with option of redeeming same at any time after ten years from date, bearing interest at the rate of 6 per cent per annum payable semi-annually and to levy a tax sufficient to redeem them at maturity for the purpose of constructing sewers within the limits of said city, as authorized by Chapter 1, Title 18, R. S. 1911, and Chapter 9, Acts of the 37th Legislature, Regular Session, 1921, and the constitution and laws of the State of Texas."

The said election shall be held at the City hall in the City of Colorado, Texas, and the following named persons are hereby appointed managers of said election, to-wit:
F. A. Winn, Presiding Judge,
A. A. Dorn, Assistant Judge,
E. M. Baldwin, Clerk,

Said election shall be held under the provisions of Chapter 1, Title 18,

R. S. 1911, and Chapter 9, Acts of the 37th Legislature, Regular Session, 1921, and the constitution and laws of the State of Texas, and only qualified voters, who are property taxpayers of said city shall be allowed to vote.

All voters who favor either proposition to issue the bonds, shall have written or printed upon their ballots, for each proposition, the words: "FOR THE ISSUANCE OF BONDS"

And those opposed shall have written or printed upon their ballots for each proposition, the words: "AGAINST THE ISSUANCE OF BONDS."

The manner of holding said election shall be governed by the laws

of the State regulating general elections.

A copy of this order, signed by the Mayor of Colorado, Texas, attested by the City Secretary shall serve as a proper notice of said election.

The Mayor is authorized and directed to cause said notice of said election to be posted up at the city hall and at the place designated for holding said election, at least thirty days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in some newspaper of general circulation published in said city, and which notice shall be published once each week for not less

than thirty days prior to the date of said election.

A. J. COE, Mayor
City of Colorado, Texas.

PAIGE
The Most Beautiful Car in America

A Safe, Sane Investment

Our five passenger "Glenbrook" is a new 1921 car—not an old model re-painted and re-christened for the selling season. Keep that point in mind please. It amounts to a positive guarantee against sudden and unwarranted depreciation.

Furthermore, the price has been reduced to \$1635. You have only to look at the car to realize that no greater value was ever offered before, during or after the war. In fact, no such car was possible until 1921.

These are hard facts, and they are very important. Give them a little consideration and you will understand why the "Glenbrook" is so universally regarded as a safe, sane and profitable investment.

Fordson TRACTOR

Do More in a Day
Do It Better

One man with a FORDSON TRACTOR can do more work easier and with less expense than two men can do with horses. This means that you with a FORDSON TRACTOR can actually raise more crops, with less work and less expense. And this means that your profits will be greater with fewer hours of work.

Besides the FORDSON will take care of every power job on the farm. It is light, alert, flexible in control and operation, yet it has power and endurance to spare.

You should see the FORDSON at work to appreciate its wonderful capabilities. We will gladly give you the proofs if you will ask for them, either by a personal call, phone or post card.

FOSTER WELL FINISHED.

The Foster well at Iatan was thoroughly cleaned and placed on the pump late Wednesday evening. Geo. Walker, who is the contracting driller for the company developing the Foster lands in Mitchell county, stated that he left before a test could be made on the pump, and could not give the amount of production, but said that he was confident that it was good for at least fifty barrels.

Mr. Wahler left yesterday for Breckenridge to purchase equipment for the drilling of another well just south of Foster No. 1. Work on this latter well will begin at once. Locations for other wells have been made, and it is likely that No. 3 will be spudded in just as soon as No. 2 is well under way.

The Cushing well has had a fishing job for the past week, but succeeded in clearing the hole yesterday. Some trouble has been encountered in securing a landing for the 8-inch casing in this well, but it is now thought that a safe landing can be made and the water permanently shut off.—Sterling City News-Record.

If you have a first class piano that you want to sell, sure enough want to sell, you better see one of the purchasing committee at Buford, or just phone 295-4R. H. B. Palmer.

A Town's Solid Citizens

Church membership does not insure a man's honesty, integrity or kind-heartedness. But in every town the people who are relied upon to support the best interests of the community are usually those who are found in the church of their choice regularly on Sunday morning.

Go to Church Every Sunday

Why not emulate Christ's example and yourself go to church—not only this Sunday, but every Sunday. Bring your children to Sunday school. Learn what the Bible teaches about your relation to others. It will mean a happier household and a pleasanter life. The people of our town who make the greatest contribution to the culture of the community go to church.

WITH THE CHURCHES

Baptist Notes.

We are delighted to note that the Sunday school was so well attended last Sunday. It is always a healthy sign for a church to keep up the work while the pastor is away. We closed the revival services at Hermleigh on Tuesday night. Had a very good meeting. Nine additions to the church. The people were very busy all through the meeting. The attendance was good, however.

We are looking forward to our meeting here beginning next Sunday, with a degree of joy. The church seems to want a meeting, which always will assure a meeting. We invite the folks in all the other churches of the town to feel a personal interest in the meeting and to be with us in each service. We hereby as pastor, extend a personal invitation to each singer in our town and community to help us have the greatest choir that Colorado has ever enjoyed. Mr. Miller is a sweet spirited singer and has already written asking that we enlist all the singers. We want the boys and girls under 16 years of age for a great Booster Band. We promise that everyone shall have a fair deal in this meeting who attends. We believe in Christian fellowship and we want this meeting to show to the world that all christians can work together for the good of lost souls. We are here the good of souls. We are new here but hope to know all the folks in Colorado by the time this meeting closes. We make this personal appeal to our own members for extra helpfulness during these days of work. The pastor will attempt to do the preaching.

We hear fine things concerning the "circus" at Brother and Sister Shepherd's on Thursday evening of last week. We regret that we were absent. We believe in the social side of religion.

Don't forget Sunday school and the revival which begins next Sunday at the tabernacle.

CENTRAL CIRCLE.

The Central Circle of the Methodist church met with Mrs. J. W. Shepperd Monday afternoon. There was a large number present. The usual business was transacted. The dues amounted to \$8.00. Mrs. Elliott and Mrs. Hutchinson were the guests. Home made ice cream and angel food were served.

Suffered Intense pain

"A few years ago when visiting relatives in Michigan something I ate brought on an attack of cholera morbus" writes Mrs. Celesta McVicker, Macon, Mo. "I suffered intense pain and had to go to bed. I got a bottle of Chamberlain's Colic and Diarrhoea Remedy and one dose relieved the pain wonderfully. I only took two or three doses but they did the work." Adv

THE CITY LAKE AND BONDS.

As much has been said favoring the bond issue for a lake, etc., I would like to present a few points on the other side.

It is believed the water would not be good to drink; that the deep water we are now using would be much healthier; that in about five years the lake would fill up with mud, sand and trash and filth, and likely prove too near the graveyard; that it also would breed mosquitoes, typhoid and scarlet fever; that the water would cross a public highway and run far over on another's land and hence could not be controlled.

That it is childish and foolish to attempt to make ourselves rich by taxation; that all civilizations have fallen because of fast living and by making the burdens too heavy on those who foot the bills and pay the freights.

That \$60.00 per acre is far too much for the land, that it is not worth ten and that on the quiet the owner would gladly have taken \$25; that as the estimate is an increase of 60c on the hundred, you can easily double it and maybe then some, making a total city tax of \$2.16, instead of 96c. (And by the way we are now paying \$2.00 school tax on the hundred instead of 50c.)

That you will remember when the road bonds were voted they told us \$40,000 would build a road 30 miles east and west across the county of the finest kind; the government would keep it up free of cost to us; that the remaining \$30,000 would fix up all the laterals north and south into the big highway. They knew it would not cost more because the engineer said so.

What are the facts? All the bond issue was spent on the one road and only two-thirds of it touched; not a dime spent on the laterals and the county obligated to eternity to keep up the road at its own expense. Now there you are in a nutshell. And some at the head of this move are a part of those who worked us on the road bond issue. Will it do to take their advice again?

No telling what this might cost, estimated at \$120,000; and no land has yet been secured. We might never get the lake. We never got the road. But all the money and much more is long since gone.

That we want a new school building, a much more imperative matter; that a blunder was made in that, an expense incurred, and likely a much greater will be made in this matter. Wait and let's have the school building. We know its benefits and the cost to secure it.

We know its benefits and the cost to secure it. We have been before two or three tax raising boards already this year

PHYSIOLOGICAL ACTION OF TANLAC EXPLAINED

WORLD'S LEADING AUTHORITIES SHOW JUST WHAT TANLAC REALLY IS AND EXPLAIN EFFECT OF EACH OF TEN INGREDIENTS ON THE HUMAN SYSTEM. POWER OF MEDICINE CONCLUSIVELY PROVEN.

A day never passes but what thousands of people ask the questions: What is Tanlac? Why its phenomenal success? Why do we hear so much about it and why has this preparation so far outstripped all other medicines of its kind?

The answer to these questions is easy and can be explained in just one word—merit. Tanlac is scientifically compounded and represents years of work, study, experimentation and research by some of the foremost chemists and pharmacologists of America.

The Tanlac formula is purely ethical and complies with all National and State pure food laws. It is purely vegetable and is made from the most beneficial roots, herbs and barks known to materia medica. The Tanlac Laboratories are among the largest and most modernly equipped in this country.

Ten Ingredients in Tanlac. Altogether, there are ten ingredients in Tanlac, each of which is of recognized therapeutic value.

In referring to one of the more important ingredients of Tanlac, the Encyclopedia Britannica says:

"It has been the source of the most valuable tonic medicines that have ever been discovered."

In referring to other of the general tonic drugs contained in Tanlac, the 13th Edition of Potter's Therapeutics, a standard medical textbook, states that "they impart general tone and strength to the entire system, including all organs and tissues."

This same well known authority in describing the physiological action of still another of the ingredients of Tanlac, which is of value in treating what is commonly known as a run-down condition, uses the following expression:

"It is highly esteemed in loss of appetite during convalescence from acute diseases."

There are certain other elements in

Tanlac, which because of their influence upon the appetite, digestion, assimilation and elimination, improve the nutrition and vital activity of the body and produce that state of general tonic which is called health.

The United States Dispensary makes the following statement regarding another ingredient:

"It may be used in all cases of pure debility of the digestive organs or where a general tonic impression is required."

There are certain other ingredients described in the Dispensary, and in other standard medical textbooks, as having a beneficial action upon the organs of secretion, whose proper functioning results in a purification of the blood streams passing through them. In this manner, objectionable and poisonous ingredients of the blood are removed and the entire system invigorated and vitalized.

Tonic and Body Builder. Tanlac was designed primarily for correction of disorders of the stomach, liver and bowels. At the same time, however, it is a powerful reconstructive tonic and body builder, for it naturally follows that any medicine that brings about proper assimilation of the food and the thorough elimination of the waste products, must therefore, have a far-reaching and most beneficial effect upon the entire system.

In the ordinary automobile engine there are more than 600 sq. inches of metal-to-metal surface. Under a glass, this surface would show millions of teeth which grip and wear, unless properly kept apart by lubrication.

How to get the best Results from your Engine

After you have used the ordinary lubricating oil for a few days you will find it heavy with sediment.

This is caused by the terrific heat of the engine. The oil breaks down and the sediment crowds out a large part of the good oil. As a result you get friction instead of smooth running.

Sediment causes a definite loss in power, as well as increased cost for oil, and worn parts in your engine.

The increased cost may not be immediately evident but it is certain.

Veedol prevents formation of sediment because it resists heat.

The Faulkner Process, used exclusively in the manufacture of Veedol, causes 80 per cent. less sediment. This has been repeatedly proven in scientific and practical tests.

Veedol will reduce the upkeep of your car from \$50 to \$115 a year. Try it the next time you buy motor oil.
