YOUNG PEOPLE INJURED IN AUTOMOBILE ACCIDENT

Miss Ruebell Smartt of Abilene sustained a lacerated ankle, Miss Grace Jane, also of Abilene, a broken ankle and Huron Dorn of Colorado had his nose broken and was otherwise injured when a Dodge touring car in which they and other young people were driving overturned near Loraine Sunday afternoon. Others in the party were Misses Nova Brown and Grace and Connie Ray Jones of Abilene and Earl Powell and Worth Porter of Colorado.

Misses Smartt and Jones and the Dorn boy were brought to the Colorado Sanitarium for treatment. Dorn's condition was serious for more than 36 hours, but he is doing nicely now.

The car, which was new and the property of Lay Powell, was considerably damaged.

COLORADO HUNTERS BAG BIG BUCK NEAR TOWN

A big four-point buck, weighing 150 pounds, was killed Monday by Jack Carter in company with others forming a hunting party from Colorado. The others were Nelson Vaughan, Ford Merritt and Edgar Holt. The deer was killed on a ranch thirty miles south of Colorado.

Carter noticed the buck in a clump of trees as the party was driving through the pasture and shot the animal with a high powered rifle. The buck, severely wounded, escaped amid a fusillade of shots and was later found and brought down by Mr. Carter.

BANKS OF CITY WILL CLOSE MONDAY, JAN. 2

The banks of Colorado will be closed throughout the day Monday in honor of the New Year, according to information given the Record.

SCHOOL WILL OPEN NEXT MONDAY MORNING, JAN. 2

The Colorado schools, which closed Wednesday, December 21, for the holidays, will open Monday morning, according to H. L. Hutchinson, president of the school board.

All rural schools of the county and the Loraine and Westbrook schools are also to open Monday morning. These have been closed during the past two weeks, last week on account of the Tri-County Teachers Institute which was convened in Sweetwater and this week on account of the Christmas holidays.

WOOD WORK COMPLETED ON FREIGHT DEPOT

Carpenters have completed construction of the new Texas and Pacific freight station at Colorado and the painters are fast finishing their work. This building was commenced over three months ago.

22,582 BALES COTTON GINNED PRIOR TO DEC. 1

In a report from the Bureau of Census, Department of Agriculture, received by the Record last week, it was shown that a total of 22,582 bales of cotton were ginned in Mitchell county prior to December 1.

The report shows that up to the same time, 8,882 bales had been ginned in Howard county, 13,091 in Nolan county and 18,161 in Scurry county.

TRI-COUNTY INSTITUTE.

The teachers of Fisher, Nolan, Mitchell counties met at Sweetwater on December 18 for one of the very best institutes ever convened. The following interesting program, which had been carefully planned by Miss Minnie Fowler, superintendent of Nolan County, Mr. DeBusk, County superintendent of Fisher County and Judge J. C. Hall, ex-officio County superintendent of Mitchell County, was rendered:

Monday—Judge Hall Presiding.
Prayer—Dr. R. L. Marquis, president Sul Ross Normal, Alpine, Texas.

Opening Address—Judge Hall.
Welcome Address—Mayor Shepard of Sweetwater.

Response—Supt. DeBusk.
Music and lecture—Mr. Inman of Dallas.

Lecture and demonstration lessons—Miss Dixie Wood, Waco.
Tuesday—Miss Minnie Fowler Presiding.

Address—Mr. W. B. Bizzell, president A. & M. College.

Lecture and music—Mr. A. Inman
Demonstration lessons in teaching Phonics—Miss Dixie Wood.

Character Games—Supervised by Miss Dixie Wood.

Musical program—Mr. Thos. Dawe, and Sweetwater Choral Club.
Wednesday—Mr. DeBusk Presiding

Address—Mr. M. N. Mars, Austin.
Address—Col. T. N. Jones.
Lessons in language and reading—Miss Dixie Wood.

Character Games—Supervised by Miss Dixie Wood.

Address—Mr. S. M. N. Mars.
Thursday—Judge Hall Presiding

Sectional business meetings.
Addresses—Several members of Sweetwater Parent-Teachers Association.

Report of work done by Parent-Teachers Association in different schools.

Each day there were sectional meetings. There were fifty-three teachers present at the Mitchell County meetings. The subjects of vital interest to the teachers were freely discussed. Many suggestions and ways of solving the teachers' problems were given.

Writing, How to Organize and Perfect a Parent-Teachers Association in the community; How to teach grammar in the seventh grade; How to teach geography in the first and second grades; and ways of helping backward pupils were some of the leading subjects. Every teacher seemed much interested and helped to make these meetings of value to each.

It seemed that there was only one thing lacking to make them better—time. In the last meeting there was so much to be said that a few questions were passed by without discussion. Judge Hall made an interesting talk on the cost and value of the institute. All agreed with him that it was well worth the price. The next subject of this meeting was What Supplementary Readers Shall Mitchell County Use or How Should Supplementary Readers Be Ordered? A motion was made and passed that all teachers of Mitchell County meet with Judge Hall in the courthouse on the first Saturday in March to decide or form some plan for ordering supplementary readers for the county.

The following were elected officers of the Inter-Scholastic League: Mr. S. C. Harris, Loraine, Director General.

Mr. P. L. Ferguson, Looney, Director of Athletics.
Mrs. Perry, Lone Star, Director of Spelling.

Mr. Claud Hooks, Buford, Director of Essay Writing.
Chas. Thompson, Rogers, Director of Public Speaking.

Executive Committee—Gray Dean Foster, Colorado High; A. W. Dear, Seven Wells; E. R. Walker, Valley View.

MONTHLY SCHOOL REPORT ISSUED BY SUPT. KING

Colorado, Texas, Dec. 27, 1921
To the Honorable School Board
Colorado Independent School District:

Gentlemen:
I herewith submit for your consideration the report on the Colorado schools for the month ending Dec. 23, 1921.

	Boys	Girls	Tot.
Scholastics enrolled to date	308	322	630
Others enrolled to date	13	15	28
Total enrollment, whites	322	337	659
Average daily attendance	283.6	307	590.6
Number tardies	82	94	176
Cases corporal punishment	9	9	18
Number visitors	7	24	31

NEGRO SCHOOL.
Enrollment..... 33 27 60
Avg. daily attend. negroes 28.1 28.5 56.6
Tardies..... 32 30 62
Enrollment in all schools..... 355 364 719

There are one hundred and fourteen pupils enrolled in the first grade. The two teachers, Misses Vaughan and Pritchett, have enrolled in their rooms ninety-nine pupils. These pupils and the first grade pupils are the ones that have only a half-day session. There are two hundred and thirteen who get only a half-day school session.

You will notice that there are twenty-eight unders enrolled. However, not all these are attending at the present time, nor has that number attended at any one time. It might be thought a good plan not to admit unders when room is needed for scholastics. But if one will study the figures given herein one may see that the unders admitted do not make another teacher necessary, nor do they take room from scholastics. The number of scholastics attending the first grade is too large for one teacher, it was therefore necessary to employ two teachers for primary work, then unders were admitted in order that both teachers might have a full room.

You will notice that the average daily attendance during the month just ended is 595.6. The records of the office show this to be the largest daily attendance for any one month in the history of the school. This is an increase of thirty-nine over the previous month.

You are aware that every room in the high school building is in use as a classroom, and this leaves no room for laboratory. The laboratory work has to be done in corners where we can crowd in at a table and by groups of pupils so small that it makes progress very slow as well as unsatisfactory.

I wish to direct your attention especially to the unusually large number of tardies. One hundred and eighty-six is far too large a number for a school like Colorado's. It seems that there is a lack of interest in getting some children to school on time that can not be overcome by the teachers. It is not a good showing, but I believe that the school has used every means at its command to reduce the number of tardies, yet it seems to increase.

It seems to me that taking into consideration the very crowded condition in parts of the school, and the fact that half-day sessions are necessary in the lower grades, and that we lack room to enable us to do the best work in the high school, that

FOSTER NO. 1 MAKING 250 BARRELS DAILY ON PUMP

Foster No. 1 of the Colorado-Tex Company, at Iatan, 18 miles west of Colorado, has gradually improved in production during the week and is now making 250 barrels per day under the gauge. The well continues to flow by heads occasionally every 48 to 72 hours. The gravity of this oil is 43.5, the best found in any of the wells yet drilled in Mitchell County.

T. & P. No. 1 at Westbrook, the Mitchell County discovery well, drilled in July, 1920, continues to produce about 15 barrels of oil and 10,000 feet of gas a day. The T. & P. well is eight miles east from the well at Iatan and proving up of the latter as a good pumper is expected to result in several new tests being drilled between those wells within the near future. Already one new test in that territory has been spudded by Sloan and associates and some of the larger producing companies have recently acquired territory there.

Drilling will be resumed at Foster No. 2, 2,000 feet southeast of No. 1, next week. A boiler explosion at this location last week delayed drilling until a new boiler could be shipped to Iatan and installed.

Operators at Colorado are very much enthused over the outlook and express the belief that this territory will now be the scene of unprecedented development for this section of West Texas.

AMERICAN BEAUTY HERE SATURDAY ONLY

The Best Theatre will present Katherine McDonald, the great American beauty, in "Passion's Playground" Saturday. This picture presents Miss McDonald in the best role she has ever undertaken to portray. Many of the scenes are laid in the one and only Monte Carlo which makes the play doubly interesting. Her experiences, as Mary Grant, would cover a book of many pages but on the screen it is condensed to a comparatively short story but filled to the brim with action.

GARAGE AND CAR BURN EARLY SUNDAY MORNING

The private garage and car of Chas. Mann, at his residence in East Colorado, were destroyed in a fire originating at 4:30 o'clock Sunday morning. Origin of the fire is unknown.

The work of the school is being held to as high a standard as the conditions will permit.

The buildings are undergoing a thorough renovating during the holidays, floors being oiled and rooms disinfected, and all will be ready for the reception of pupils on next Monday.

You will notice the enrollment in the Negro school is larger than ever before. They should be commended for the average daily attendance the past month. The enrollment was sixty, and the average daily attendance was 58.6.

Respectfully,
E. FRANK KING.

Comfort

The opening of a savings account and its setady growth has been a source of comfort to many.

Your deposits need not necessarily be large, but should be made with regularity. When the figures climb to double, triple and extend in columns, then will you realize the value of systematic saving.

The comfort saving brings, more than offsets the necessary effort.

New Year's Lore

NEW YEAR'S night quiet and clear indicates a prosperous year.

On New Year's eve while the clock is striking 12 repeat three times: "Good St. Anne, good St. Anne, send me a man as fast as you can," and you will be engaged within the year.

Spend on New Year, spend all the year.

The Chinese say that if a man sits up for ten years in succession and sees the new year come in he will have a long life.

It is unlucky to refuse a beggar anything on New Year's day, or to refuse a request of any kind.

It is lucky to rise early on New Year's morning.

If the first carol singer who comes to the door on New Year's morning is brought in at the front door, taken all through the house, and let out at the back door, it will bring luck to the house for a year.

When the wind blows on New Year's night, it is a sign of pestilence.

If your first caller on New Year's day is a male, you will have good luck and many friends; if a female, bad luck and few friends.

The Chinese think New Year's day is the luckiest of the year.

If you wash clothes on New Year's day, you'll be sure to wash a friend away.

Turn your pillow at midnight of the 31st of December and you will dream of the one you are to marry.

It brings good luck to place a piece of money on the window on New Year's eve.

If the first man you speak to on New Year's morning has his hands in his pockets, you will have a hard time getting what money you want during the year.

It is an old Dutch superstition that if you want to marry the girl you love, your voice must be the first one she hears and your face the first she sees on New Year's morning.

Superstitious folk consider it important to notice whom you meet the first thing on New Year's day. If it is a man, you will have good luck, if a woman, bad luck; if a priest, you will die within a year; if a policeman, you will have litigation.

The first person of the opposite sex you meet on New Year's day will bear the Christian name of your future partner.

If ice melts on January 1 it will freeze on April 1.

Feed the birds well on New Year's morning by placing a sheaf of wheat or barley or some bread outside your house, then good luck will attend you, and good crops and prosperity come to you during the whole year.

On New Year's eve take your hymn-book to your bedroom, blow out the lamp, open your book, and mark a hymn (in the dark), put it under your pillow, and sleep on it. Next morning read the hymn, and it will indicate the events of the year.

It is unlucky to have clothes hanging on the line when the New Year is born.

Cook cabbage on New Year's day and you will have good luck all the year.

Decorated apples stuck on three skewers are exchanged for luck on New Year's day in Great Britain.

Burn all the visiting cards that have been received throughout the year on January 1. If you keep them from year to year you will have bad luck.

If you have not provided yourself with a calendar before the New Year comes in you will be behind hand in all your undertakings during the year.

In Japan oranges are hung up on New Year's day as a charm to insure the long life of the family.

The Chinese believe it bad luck to pay all of outstanding accounts on the last of the year and begin fresh and straight on New Year's day.

Just before midnight on New Year's eve the Chinese put on new or clean garments, so as to enter the new year purely, and thus gain good fortune to themselves.

On New Year's night it was an old Welsh custom with the wise and courageous old men of the parish to sit up all night in the church porch. On that night, it was said, a voice, emanating from beneath the altar table, pronounced the names of those who should die within the coming year.

Your conduct on New Year's day is a forerunner of your conduct all the year.

sonant with the sweet anthem. "Peace on earth, good will toward men," my heart warms at the glowing hearthstone of friendship, and I send this little heart-note of good wishes to you and Mrs. Whipkey, indulging in the fond hope that as you gather around the Christmas fireside you are happy in the comradeship and companionship of friends and loved ones.

PAT M. NEFF, Governor

The Record is published this week only as an excuse. The force has not yet recovered from Christmas festivities and as it is the 5th issue in December, coming between Christmas and New Year, we would likely not have been censured at all if we had missed the issue entirely, as it is we barely escaped doing so.

GOOD WISHES

The Record received quite a number of Season Greeting cards, but the one we publish below we appreciate most highly, not because Mr. Neff is governor, but because of friendship days spent together in the years gone by. We do not know him as governor, but as Pat Neff.

To Mr. and Mrs. F. B. Whipkey. My dear friends:

Without friends this life would be a lonely pilgrimage from the cradle to the grave. It would be as a bow without a string, a well without water, a rainbow without color. If we did not have friends, as comrades and companions, the heart would beat but a funeral march to the final end. Full many a ship with laughing sails widespread as it leaves the harbor of youth would be wrecked on

the rocks in the ocean of life, but for the kindly touch, now and then, of a friendly hand. The most enduring wreath ever twined about the brow of another, is friendship's resplendent crown. In it there is no sinister selfishness. We can claim verdid gold, no consuming jealousy, many acquaintances, but only a few friends.

As I spend this my first Christmas in the governor's office my heart swells with pride and melts with gratitude as I think of those throughout the State who in the spirit of friendship, pure as Etruscan gold, aided me with their counsel and honored me with their confidence as I sought the office I now hold. As the heart of the warrior responds to the strains of martial music, so on the approach of the Yuletide season, re-

FROM CALIFORNIA.

Tom Davis in writing from Tucsapa, California, says in part:

"Perhaps some of my friends would like to know what I am doing I am still growing a little garden stuff and some fruit. I am very pleasantly situated. It is true I am somewhat isolated, but have good church facilities and am in the midst of abundance of fruit. The climate is very good. We are having copious showers at this writing, which was badly needed. The apple crop here this year was immense. The oldest orchards are about ten years old. To get maximum results they have to fertilize. The soils need humus. Many resort to growing clover crops to supply the soil's needs.

I have been acting the hippotomus lately—that is, I have been taking hot mud baths about twenty-two miles from here. You get into the hot mud, and drink copiously of hot water not less than a quart for best results, and then wash off in hot water and wrap up in blankets and take a good sweat. The water you have taken passes out through the pores, washing out the impurities of the system.

"California is blessed with many hot springs, located in various parts

of the State. Many who are not sick visit these springs and take a cleansing as a preventative.

"Wishing you and the people of Mitchell a happy new year, I am as ever,

"J. T. DAVIS."

The price of farm products are down, close to the 1914 level. That would be fine if other commodities were down in proportion. But high wages still prevail in the cities in all lines. This means that the manufacturer and wholesaler must continue to charge the country merchant high prices for his goods. The country merchant in turn must charge the farmer in proportion to what he himself pays to the manufacturer or wholesaler. Very simple and easily understood, but anything but satisfactory to the farmer.

Mr. F. L. Crowder, local agent American Railway Express Co., pointed out that as the Revenue Act becomes effective January 1st, 1923, the tax on all shipments forwarded "prepaid" on or before December 31st will be collected. On shipments forwarded "collect" and arriving on or after January 1st, the tax will not be assessed.

LIEURANCE'S SYMPHONIC ORCHESTRA HERE MONDAY

A genuine treat is in store for lovers of really good music. The appearance of Lieurance's Symphonic Orchestra Monday evening, January 2, at the High School auditorium, a high-class organization of artists, especially coached for their present Lyceum tour by Thurlow Lieurance, the noted composer, will mark an epoch in local Lyceum history.

The Symphonic orchestra is an all string organization, playing a real symphonic program, and is undoubtedly one of the finest string orchestras playing anywhere in the country. Selections from Tchaikowski, Goldmark and Dvorak are featured, and a most unique departure of the program is the rendition of popular sketches, especially arranged by Mr. Lieurance. It is an ideal organization which will please the most exacting musical critic as well as the lover of lighter melodies.

While Mr. Lieurance does not travel with his orchestra, he has entrusted the directorship to Mr. Harry Anderson, a noted artist among the younger violinists. Mr. Anderson was a pupil of Mae Reese of Berlin and later with Carl Frederick Steckleberg. Mr. Anderson is not only a very excellent leader but is a very capable artist and does the violin solo work for the organization.

Miss Frances Morley is pianist and flutist with the company, and a most accomplished artist. Miss Violet Falk contralto, is a young western artist whose work has already attracted most favorable comment: Miss Vivian Brewster, cello soloist, has had wide experience in chamber music organizations. Each member is an artist of unusual talent.

Program begins at 8:00 o'clock, p. m.

FROM E. M. McCRELESS WHILE ON THE RUN

After I boarded the train at Colorado, soon arrived at Fort Worth, without a single stop except when the trainmen wanted to. From there to Waco beholding many nice things and many not so nice. Some very nice small grain fields, some farmers breaking their land preparatory to making another crop. Many fields of cotton stalks, raked up ready to burn and some already burned. Now then viewing the general situation from every angle of the compass, I boldly have this to say to every dissatisfied one in the West and especially in Mitchell county just set out for a traveling trip and you will soon return cool and calm and ready to go to work.

Last Friday night I visited a Christmas tree occasion in the outskirts of Waco. Surely it was something nice indeed, while I didn't stay long, I did stay long enough to see (I suppose) 12 or 15 members of the K. K. K. in full regalia march in at one door of the church and down the aisle of the rostrum, each one depositing a large box, and quietly marching out at another door and leave in automobiles without saying a word that could be heard.

Saturday morning I headed for Belton, Texas, on search of a cousin who I had not seen in about 49 years and to my delight found him about noon. All his children and most of the grandchildren are at home today (Christmas) and you may well know the day has been gay and I think well spent. One of his boys came from as far as Denver, Colorado, one from Midland, Texas, and some from other points in Texas, and oh, my, about that dinner that we had to eat or back down and out. Most of home people know what a partner I make on such occasions.

I now ring off until next week.

TAX COLLECTOR'S OFFICE HAVING "HOLIDAY RUSH."

The stores and toy shops of Colorado were not the only places to experience the usual "holiday rush" this season. The office of W. J. Chesney, sheriff and tax collector, has been one of the busiest places in town during the past few days and will very probably continue so until Saturday night, the time when payment of 1922 automobile taxes will forfeit.

"Say mister, can a fellow pay his jitney license on the installment plan?" asked the owner of a flivver who appeared before one of the windows at the sheriff's office Tuesday. When informed by Mr. Chesney that such could not be done the man was visibly disappointed. E. C. Franklin, office deputy of the collector's office, stated a few days ago that the month of January was usually the period in which the bulk of property taxes was paid, as many property owners long ago formed the habit of waiting until the last days before forfeiture before settling their county and state tax accounts.

CAR RUNS DOWN BOY ON BUSY STREET CORNER

A small boy narrowly escaped probable serious injury Saturday afternoon when struck by an automobile and knocked down. The incident happened at the corner of Second and Walnut streets, near the Colorado National Bank. A few minutes afterwards two cars ran together at same place.

The boy, whose name could not be learned, was uninjured.

FORMER CITIZEN BUILDING NEW TOWN RAPIDLY

A recent news article carried by a daily paper circulating here outlined that the new town of Currie, in the Mexia oil field, is still booming. W. H. Stoneham and J. C. Nance, formerly citizens of Colorado, were founders of the new town.

Among the new business enterprises there are a \$50,000 hotel and a strong bank. Mr. Stoneham is one of the bank directors.

Stag Dinner.

Mrs. Brooks Bell entertained with a stag dinner Tuesday honoring her son, Brooks, a student at Baylor Dental College, who is home for the holidays. The table was beautifully decorated with Christmas reds and greens. In the center was a miniature tree with all the candles and gay trimmings. From the chandelier were suspended red ribbons which reached to the four corners of the table and tied to candles. The place cards were handpainted with the name and date. The favors were painstaking. The personnel of the party was Dr. Nall, Mel Beck, Bob Thompson, Earl King, C. L. Browning, Jr., Joe Grant, Pleas Ashley, Bradford Landers and Brooks Bell. The gifts from the hostess to each guest were a pair of silk hose.

COUNTY JUDGES MEET ON COUNTY BOUNDARY SURVEY

Judge J. C. Hall left Wednesday for the northwest corner of the county, where he was to meet with the county judges of Howard, Borden and Scurry counties to confer on the survey now being made to locate the line between Mitchell and Howard counties. The first of the three surveys to be made has already been completed and this line ran a few feet east of Foster No. 1 at Iatan, placing that well in Howard county.

Missionary Meeting.

The regular monthly Missionary meeting of the Methodist church was held with Mrs. Arnett Monday afternoon. The program was on social service. The scripture was "and I was not disobedient to the Heavenly vision." A review of the year's work was studied and showed gains in all departments. A box of clothing had been sent to the Wesley House. The election of officers resulted in the following: Mrs. E. H. Winn, president; Mrs. D. N. Arnett, vice-president; Mrs. J. W. Sheppard, recording secretary; Mrs. Tom Stonerod, corresponding secretary; Mrs. Donaldson, treasurer; Mrs. Boyd Dozier, assistant treasurer; Mrs. Barcroft, superintendent Young People's work; Mrs. W. H. Garrett, superintendent children's work; Mrs. J. A. Buchanan, superintendent Mission study; Mrs. Merritt, superintendent Social service; Mrs. W. A. Dozier, superintendent supplies; Mrs. Merritt, agent for publications; Mrs. Blandford of Ft. Worth was a guest. At the social hour the hostess served white cake, fruit cake and coffee.

Dinner on the Cliffs.

Mr. and Mrs. Henry Pond, Mr. and Mrs. O. B. Price, Mr. and Mrs. R. P. Price and family, Misses Calla D. Price, Mary Lee Pond of Carlsbad, N. M.; Elnora Delany and Neal Mills took a well filled basket of turkey and all the trimmings and accessories and went on the cliffs Tuesday for an outing and a family reunion.

Mr. and Mrs. J. E. Stowe of Abilene were in Colorado Tuesday. They formerly lived in Colorado and Mr. Stowe was vice-president of the First State Bank here at the time this institution was consolidated with the Colorado National Bank.

FIRST CHRISTIAN CHURCH

The Christmas tree and program Saturday evening was above the average for our church. In fact the decorations, readings and songs by the pupils were fine. On Sunday evening the most beautiful program of the White Gifts for the King was given and it seems the universal opinion it was as good as ever given in our city. The gifts amounted to about \$231.00 and the cards filled and signed show real interest and progress.

Next Sunday our Bible school to open at 10:00 and the morning services at 11:00. Subject for the morning hour: Were the Jews Commanded to Make Vows—Our Vows?

The evening services at 6:00 for the Senior Endeavor Society and 7 o'clock for the hour of worship.

A sincere invitation is given to all who may come. Let's start the New Year by prompt and willing attendance at church.

A delightful moment in the lives of those who feel deeply and who contemplate the mysteries of life and the relations of one to the other in the great eternal plan, is that moment when the heart is filled with sorrow, the mind with doubt, and the head bent low with the many cares fallen to our lot, and a friend lays a hand upon our shoulder, grasps us by the hand, and speaks an encouraging, sympathetic word. If we fully understood this wonderful power we would use it more than we do.

No, it isn't the short skirts that are becoming popular. It's what they reveal.

ROGERS ITEMS.

The Christmas tree Saturday night was enjoyed as much as Christmas trees should be enjoyed. The large and beautiful tree was decked with dolls and toys with dishes and games much to the delight of every little girl and boy. A large crowd was present and the older people as well as the children went home with the good will of the Christmas-tide in their hearts.

Sunday school Sunday morning was not well attended because, perhaps, too much sleep had been lost in entertaining Santa. However the few who were present were greatly benefited. We feel sure and hope that a larger crowd may be present next Sunday which is Rev. Dixon's regular appointment.

School took up Monday and after the short holidays our boys and girls come back to us refreshed and ready for some real work.

A game between the school boys and the outside boys was enjoyed Monday afternoon, the latter winning. Such games afford good practice as well as entertainment and we are anxious that more shall be played.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Theford's BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which griped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive." —MISS PEARL TEMPLETON—

DIED.
The entire town was shocked and saddened when Rev. J. A. Lemons passed away Friday, Dec. 23 at about 12:30 a. m. at his home here. Death which was caused from heart trouble, was very sudden as Mr. Lemons had seemed as well as usual till an hour or so before he died. The deceased was 65 years old and a retired min-

ister of the Methodist church. He is survived by a wife, two sons and two daughters. Only one son was with him when death claimed him, Mr. Lemons had only lived here about two years, but had a host of warm friends, who with the family, will greatly miss his wise counsel. The body was carried to Ft. Worth Friday night, accompanied by Mrs.

Lemons and son, Bill, for its final interment. The other children joined them at Ft. Worth. The relatives and close friends left to mourn his passing, have the sympathy of our entire people in their great sorrow.
Mrs. J. A. Lemons and son, Bill, returned Tuesday morning from Ft. Worth.

Christmas Trees.

The Christmas spirit was manifested in all kinds of ways Saturday evening and Sunday morning. Saturday evening all the Sunday schools had trees, beautifully decorated and laden with nuts, fruit, candy and other gifts for the pupils. Dear old Santa Claus made his usual visit in the usual good humor and assured each child he would return next year and asked that each one be good and remember him. The different organizations of the churches and the clubs took special pains to give Christmas cheer in a substantial way and words of cheer to the lonely orphans, aged and others who they were impressed to visit on Sunday evening each of the churches had special programs. The Christian church had a special "Gifts for the King" program and the offering was gratifying. The Methodist league gave a song program on the evening and an offering of \$200 was taken for the orphans home at Waco. The spirit of good cheer prevailed every where.

Married.

At the Christian parsonage Dec. 22nd, Mr. Arnold Ross Deryberry to Miss Barbary May, brother Hardison performing the ceremony. These are fine young people from the Lorraine community. Many sincere good wishes follow them in their new relation.

Married at the Christian parsonage Christmas morning about 9:45, Mr. Joel Milton Pickens to Miss Catherine Skinner, Brother Hardison performing the ceremony, using the ring service. Mr. Pickens is one of our young business men and counts his friends by the number of his acquaintances. Mrs. Pickens has been living in our city nearly two years, but she is well known and loved by all her friends. We wish them much joy and success as they journey thru life together.

AT THE COZY CAFE.

One day this week a customer at the Cozy Cafe passed his cup back the fourth time for coffee and the waiter remarked: "You must be very fond of coffee." Yes, indeed," he answered, "or I would not be drinking so much water to get a little."

MANVILLE BROS. COMEDIANS HERE NEXT MONDAY NIGHT IN MONSTER TENT THEATRE

George F. Dunnan, business manager for Manville Bros. Comedians, arrived in our city yesterday to perfect arrangements for the coming of this excellent show to Colorado next Monday, due announcement of which is made in this issue of the Record.

It is said to be the largest show of its kind on the road today and a real metropolitan company of players. From reports of this show in our neighboring towns it comes to this city highly recommended.

To say that this company entertains from the rise of the curtain to its fall in the last act is putting it mildly as per comments of other papers on this show. Mr. Geo. F. Dunnan, business manager of this show, who is in our city advertising and making arrangements for the coming of the show here, says the big opening play, "The Crust of Society," for Monday night is one of the best plays produced by this company—a big four-act comedy drama that is new, clean and moral. A play full of comedy and music. If it's music you love you can't afford to miss Monday night, if you don't get to see another show this year. Get your wife or your girl and come out Monday night and see a real show.

THE FOUR HORSEMEN.

At the Best Theatre Thursday and Friday with matinee both days. Translated to the screen from the internationally famous novel that has been read by ten million persons in the United States alone. Interpreted by a cast of 50 principals and an ensemble of 12,500. Produced at a cost of a million dollars, it is the greatest feat ever performed by makers of motion pictures. This colossal spectacle-drama has turned thousands away from the doors of every theatre in which it is shown.

Twenty million people in every part of the world have thrilled to the powerful dramatic story unfolded in the internationally famous novel of the renowned Vicente Blasco Ibanez which is sweeping on to its two hundredth edition.

From this internationally famous novel Metro's Pinnacle of screen excellence is attained. All the virile force and dramatic intensity of the noted story is preserved and heightened in the colossal screen version while the vast magnitude of the gigantic events recounted are pictured by the camera with a power beyond the description of mere words.

The screen version of Vicente Blasco Ibanez's epochal novel took more than six months to complete. Upward of 12,000 persons were engaged in the undertaking. More than 125,000 tons of masonry, steel, lumber, furniture and shrapnel—in excess of the materials used in the Woolworth Building—were used in constructing the massive settings for the colossal spectacle.

An entire French village, capable of housing 6000 souls, was put up and then destroyed before the camera lens.

Every house in this village was finished throughout, instead of being a "front."

A costume factory was erected on the Metro studio grounds for 'dressing' the production.

An armory and two machine shops were incidentals of the other building operations.

More than 500,000 feet of raw film were exposed in the taking of the picture, which when shown on the screen will not exceed 12,000 feet.

Fourteen cameramen were employed to "shoot" the big scenes from every angle, and Rex Ingram, the director at times had fourteen directors assisting him.

Field kitchens and a complete commissary organization were required to feed the army of 12,500 persons engaged on the production.

A collection of art treasures from galleries and private sources, valued beyond price, was used in dressing the handsome interior settings. The insurance alone on these art works was \$375,000.

The cast interpreting the roles contain two dozen principal players, who in other productions would be rated as stars.

PLATE GLASS WINDOW BROKEN BY SKY ROCKET

The second plate glass window to be broken at the store of Charles M. Adams was crashed sometime during Sunday night by an exploding rocket fired presumably by some one from across the street. The missile struck the window near an upper corner, going through into the building.

No arrests had been made Tuesday in connection with burglary of the Adams store on the night of Saturday, December 17, when some one broke one of the large plate glass windows and appropriated a \$35.00 man's suit.

A reward of \$50 has been offered for arrest of the guilty parties.

Mrs. Laura M. Hoyt Recommends Chamberlain's Tablets.

"I have frequently used Chamberlain's Tablets, during the past three years, and have found them splendid for headaches and bilious attacks. I am only too pleased at any time, to speak a word in praise of them," writes Mrs. Laura M. Hoyt, Rockport, N. Y.

Chamberlain's Cough Remedy the Mother's Favorite.

The soothing and healing properties of Chamberlain's Cough Remedy its pleasant taste and prompt and effective cures have made it a favorite with people everywhere. It is especially prized by mothers of young children for colds, croup and whooping cough as it always gives quick relief and is free from opium and other harmful drugs.

"OLDE TYME" WOOL SOCKS

I am now making "Olde Tyme" wool socks at my home. The kind that grandmother used to make. They are noted for their durability and comfort. The very thing for cold weather. They would make an ideal Christmas gift for father. See them on display at Rordan's Racket store. Anyone desiring "Olde Tyme" wool socks phone me your order and they will be promptly filled. Phone 393. 2-1.—Mrs. Roy McCreless.

Taking Desperate Chances.

It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle?

Hall's Catarrh Medicine

"Those who are in a 'run down' condition will notice that Chamberlain's Catarrh is a local disease. It is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio."

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to summon F. W. Hilliard, W. J. Flesher and — Duty (whose given name and initials are unknown) composing and doing business under the co-partnership name of the Hilliard Drilling Company by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 32nd Judicial District, to appear at the next regular term of the County Court of Mitchell County, to be holden at the Court House thereof, in Colorado, on the First Monday in January A. D. 1922 the same being the 2nd day of January A. D. 1922, then and there to answer a petition filed in said Court on the 5th day of December A. D. 1921 in a suit numbered on the docket of said Court No. 1357, wherein G. E. Womack is plaintiff and F. W. Hilliard, W. J. Flesher and — Duty composing and doing business under the co-partnership name of the Hilliard Drilling Company, are defendants and said petition alleging that plaintiff resides in Mitchell County, Texas and defendants compose a partnership and that defendants residences are unknown; that heretofore, to wit: On or about the 1st day of April A. D. 1921, plaintiff at the special instance and request of defendants, sold and delivered to them, at the several times specified in the account attached to plaintiff's petition certain goods, wares and merchandise including services rendered in said account mentioned, in consideration of which defendants promised to pay plaintiff the sum of money charged therefor amounting to \$209.19; that said account is past due and unpaid and defendants though often requested have failed to and refused to pay same or any part thereof to plaintiff's damage in the said sum of \$209.19 and plaintiff prays for citation and for judgment for the amount due and such other and further relief as he may be entitled to.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

WITNESS, W. S. Stoneham, Clerk of the County Court of Mitchell County.

Given under my hand and the seal of said Court, at office in Colorado Texas, this 5th day of December A. D. 1921.
