WHIPKEY PRINTING COMPANY

COLORADO WATER AND SEWER BONDS SOLD TO DALLAS BROKER

LARGE LAKE WILL BE BUILT ON LONE WOLF CREEK NORTHEAST OF THE CITY, IMPOUNDING 135,000,000 GALLONS WATER

CONSTRUCTION NEXT MOVE BY CITY

Plans Call for Water System Extension Throughout Most of City and Installation of Modern Sewer and Disposal Plant

The municipal bonds, voted a few months ago for the purpose of extending the water system and installing a sewer and disposal plant here, were sold Wednesday to George L. Simpson & Company, bond brokers of Dallas. Confirmation of the sale was received Wednesday afternoon by the Colorado National Bank from the Dallas correspondent of the bank.

The city council will meet Monday and plans for commencing construction work on the two projects will be taken up. Contracts should be let and work be commenced on the dam within the next sixty days.

The bonds, which are serials and bearing interest at the rate of six per cent per annum, computed semi-annually, were voted in August of last year by an overwhelming majority, there being only twenty-three votes polled against the issue. Because of the depressed bond market during the few months following and the fact that the city council refused to make a sacrifice in offering to sell the bonds, they were slow in being placed.

The bonds were voted to impound a large lake of water on Lone Wolf Creek, supplying a supply of pure water of approximately 135,000,000 gallons. The watershed covers an area of about fifty square miles and over a territory with but small showing of gypsum.

Under the plans recommended by Meyers & Noyse of Dallas, consulting engineers employed by the Chamber of Commerce to make surveys and estimates for the proposed lake, the site selected is one of the most ideal in West Texas. The dam site is situated between two projecting points in the bank on either side of the creek, making possible the construction of a large dam at a minimum cost to the city.

From the dam the plan is to pipe the water into the present plant east of Colorado and there be turned into the mains to the city. The present settling basin has been recommended by the engineers as being sufficient for taking care of the new water supply.

Surveys made by the engineers

call for the extension of water mains into North Colorado as far out as Ninth street. Lines connected with the city mains are also to be laid across the Colorado river into South Colorado to furnish fire protection and water for domestic and commercial use in that section of the city. East Colorado is already served by city mains and no extensions were recommended there.

The sewer plant as surveyed out by the engineers, covers all of the business district and much of the residence portion of the city. Large sewer mains, sufficient for a city of 20,000 people, were suggested. These are to converge at a disposal plant, to be located at the intersection of Lone Wolf Creek with the Colorado river.

The above plans are recommendations of the engineers, and the estimates furnished by them were used in determining the amount of bonds to be needed when an order was passed by the city council calling for their execution. The engineers doing this work, however, have never been employed by the city, nor the plans submitted by them accepted as official in carrying out the projects.

POULTRY ASSOCIATION TO MEET SATURDAY AT C. OF C.

A meeting of the Mitchell County Poultry Association has been called to convene Saturday, June 10, at the Chamber of Commerce. The association was recently organized and at the meeting Saturday plans for extending the work of the organization to the several rural communities of Mitchell County are to be discussed.

CHRISTIAN REVIVAL TO OPEN AT BUFORD SUNDAY

A revival meeting, conducted by Elder S. W. Alford of the Christian church, will be commenced at Buford Sunday morning. Services are to be held at 11 o'clock Sunday morning, in the afternoon and at night. A basket dinner will be spread on the ground at noon.

MEMORIAL DAY OBSERVED WITH IMPRESSIVE RITES

The annual Memorial Day exercises at Colorado were observed Sunday afternoon in the rendition of a beautiful program at the First Methodist church under direction of the D. A. R.'s and American Legion. The church was decorated with flowers and flags and the large service flag of the Oran C. Hooker Post, American Legion hung in the rear of the choir gallery.

The program was opened by the Colorado Booster Band, rendering a march, as members of the American Legion and scores of girls marched from the front entrance to their places in the building. The former service men occupied reserved seats in the front of the church and the girls, each dressed in white and carrying baskets of red, white and blue flowers, occupied seats in the choir.

The program rendered by these girls, in song, reading and pantomime was very beautiful. In the special song numbers were included a duet by Miss Adams and Mr. Daves and a solo by Mrs. L. R. Bennett. Addresses were delivered by Harry Ratliff and Rev. C. L. Browning. The invocation was pronounced by the Rev. D. R. Harrison.

The address of Mr. Ratliff is published in this issue of The Record. Rev. Browning spoke of the soldiers of '61, paying a tribute to those who were the grey and the blue. He recalled that only a few of those patriots remained and that within the course of a few more years only the memory of those men will survive.

Following conclusion of the program at the church the program was concluded at I. O. O. F. cemetery, where the graves of the soldiers of the Civil War, the Spanish-American War and of the recent World War were decorated. The program was concluded by pronouncement of the benediction at the cemetery gates.

WESTERN MITCHELL FIELD PROMISES BIG DEVELOPMENT

George A. Reese of Iatan, general manager for the Colorado-Tex. company, was in Colorado Saturday and spent the day here on business for his company. Foster No. 1, owned by the Colorado-Tex. Company at Iatan continues to produce under the pump and Foster No. 2 is drilling at between eight and nine hundred feet. It is reported that the company has made locations for their seventh well on their extensive holdings on the Foster ranch in Western Mitchell county.

Two locations have recently been made by Maxwell & Johnson on leases across the Texas & Pacific railroad north of Iatan and adjoining the property controlled by the Colorado-Tex. Company to the south of this company's holdings the Magnolia Petroleum Co. has recently acquired large acreage and will drill their first well at once. In the vicinity of Cuthbert, ten or twelve miles north of Iatan, much activity is reported this and last week and among those purchasing acreage there are some of the old line companies.

Mr. Reese has never abandoned his belief that some big producers will be brought in in that vicinity as development progresses.

CRAWFORD STARTS FUND FINANCE COUNTY FAIR

A cash contribution of \$50.00 was made by Mr. and Mrs. George E. Crawford of Kansas City Monday to be applied to a fund for financing the Mitchell County Fair September 22-23. Mr. and Mrs. Crawford were in Colorado en route from Kansas City to Santa Fe, New Mexico, where they plan to make their home in the future. They own property in this county.

Henry M. Half of Midland, one of the most widely known breeders of registered Hereford cattle in the State, has written to the Chamber of Commerce for information about the fair. Mr. Half desires to exhibit some of his stock here.

Plans for the permanent organization of a fair association are being worked out and a meeting for this purpose will be held within the next few days. Business men of Colorado and several of the cattlemen of the county are expressing their appreciation for the undertaking.

GREENE NEW PRESIDENT COLORADO BOOSTER CLUB

The Colorado Booster Band will quite soon be "dressed up" in new uniforms and given every co-operation by the citizenship of this city which would lend to making of the band one of the best in the State, according to pledges made by a number of citizens in addresses at the annual business meeting of the Booster Club Thursday night of last week.

Reference to the band by the speakers was applauded by the Boosters, demonstrating that the citizenship of this city appreciate the determination of J. Lee Jones, the director and the membership personnel to give to Colorado the excellent band that we have. Already plans for carrying the Colorado Booster Band to the West Texas Chamber of Commerce meeting at San Angelo another year are being discussed.

Sam Goldman, who directed the band carried to the Plainview convention by Sweetwater, was introduced and spoke highly of his appreciation of the local band boys who accompanied him. "We have a better band here than the band at Sweetwater," Goldman stated, "and had we not been penalized at Plainview because of the linen dusters worn by the band, we would have carried off first prize."

Col. C. M. Adams, J. M. Thomas and others spoke of the convention at Plainview and these were unanimous in the assertion that the fourth annual convention of the West Texas Chamber of Commerce was the biggest convention ever staged in West Texas. The speakers were profuse in their praise of Plainview for the manner in which the several thousand delegates were entertained.

Following these addresses W. W. Porter, president of the club, announced that officers and directors for the ensuing year would be elected and called Dr. P. C. Coleman to the chair. Those elected followed:

J. H. Greene, president; W. W. Whipkey, vice president; H. P. Ragan, treasurer; W. S. Cooper, secretary. The directors elected were: Thos. R. Smith, J. Riordan and E. H. Hurd.

In his address of acceptance, Mr. Greene stated his appreciation for the honor conferred upon him and pledged that he would do everything possible within his power to make of the Booster Club a success. He thanked the ladies who were present for their participation in the affairs of the club and stated that he hoped to soon notice scores of the women of the city become actively associated with the club.

A beautiful bouquet of roses, a gift from the ladies of the city, was presented to the newly elected president by F. B. Whipkey.

The vice president and other officers and the directors were in turn introduced by Dr. Coleman and each of them pledged to co-operate with the president to make the Booster Club a real factor in the development of Colorado and Mitchell County.

Another meeting of the club will be held on Monday night, June 19. It was determined that the club hold meetings at regular dates in each month hereafter and the first Thursday night was named as the regular meeting date. Hereafter refreshments are to be featured at each of these meetings, it was stated.

Members of the club voted unanimously their sincere appreciation to the outgoing president, W. W. Porter and his assistants for having made of the Booster Club the success it attained during the past year. A. J. Herrington was also given a vote of appreciation for use of his building as the meeting place of the club.

443 DOZEN PAIRS SHOES RECEIVED IN ONE SHIPMENT

A shipment of 443 dozen pairs of shoes, said to have been the largest consigned to a Colorado merchant for many years, was received Tuesday by the Colorado Bargain House, of which L. Landau is manager. Mr. Landau stated that big things were coming to Colorado as a result of the discovery of oil in this county and that he was getting ready for any demand of the trade.

ZILPHA MORRISON WELL EXTENDS PROVEN FIELD FURTHER WEST

PAY PICKED UP AT 2535 FEET TUESDAY—WELL WILL BE DRILLED IN WHEN STORAGE TANK FACILITIES ARE PROVIDED

MAJOR COMPANIES BECOMING ACTIVE

Activities in Lease Acreage on Big Increase Throughout The Filed This Week—Excellent Progress Reported At All of the Drilling Wells

The Mitchell County oil field was extended one and one half miles west Tuesday afternoon when the Sloan and Spaulding well in section 3-Block 28, Texas and Pacific lands, encountered the sand at 2535 feet. The officials ordered two 500 barrel storage tanks from Black, Silvas and Bryson at Westbrook. The well will not be drilled in or given a squib until the tanks are erected and lines are connected with the well and the storage tanks.

The Sloan and Spaulding well is 38 feet in altitude above the T. & P. No. 1 of the Underwriters Producing and Refining Company.

Formations in the T. & P. No. 1, have averaged 29 feet lower than in the Sloan and Spaulding test.

The bringing in of the Sloan and Spaulding well, sometimes known as the Petroleum Operator's Association's Zilpha Morrison No. 1, will mean that this particular part of the field will get a number of tests. It is also a powerful energizer for the expenditure for leases on acreage in the proven and semi-proven area. It will create more activity and will be a boon whereby an increase in acreage would be justifiable.

Those interested in the oil business and who have made a study of this particular part of the field are of the opinion that the field will cover a large area. Their opinions are based on the logs of the well, producing and being drilled. To date there has not been radical changes in formations.

In the bend of the Colorado river northeast of Cuthbert the Gulf Production is buying heavily. Several hundred acres of leases have been acquired by this company and it is practically assured that the Gulf will drill a well in that district.

The procedure of securing the leases has not been overlooked by the oil fraternity. It is known that several representatives of the company have been busy acquiring certain lands for several days. It is very unusual for a major company to send such a large force to a community for the purpose of securing leases. The Gulf is said to have paid from \$5 to \$15 per acre for their holdings in the Cuthbert district.

A geologist of the company worked out the district some week or ten days ago. His deductions probably prompted the company to act in such haste.

The Reno-Tex. Oil and Land Company's Conway No. 1, is drilling in hard lime at 3235 feet. Several of those interested in the test believe the hard formation to be a cap rock. The drillers declare the formation to be the hardest they have encountered thus far in drilling the well. It would not be surprising to pick up an oil bearing formation soon in this well as some gas is escaping. This test is in section 21, Block 28, Township 1 South, T. & P. lands.

The Western Oil Company's Etta Brennan No. 1, Section 1, Block 29, Township 1 South, is drilling in soft lime formation at 825 feet. This test is two and one half miles south of the Sloan and Spaulding's Zilpha Morrison No. 1, and four miles east of the Colorado-Tex. Company's Foster Wells.

The Crescent Drilling Company's Smith No. 1, is down 2,200 feet. Drilling will be resumed upon arrival of fuel oil. This test is in section 40, Block 28, North, and is the nearest drilling test to Colorado.

Arrangements have been made to continue the work on the Flescher Petroleum Company's Coleman No. 1 which is down about 500 feet. This well is in a section that is believed to be productive. The test is in Section 69, Block 97, Houston and Texas Central lands.

Riley et als. No. 1, Section 24, Block 29, Township 1 North, T. &

P. lands, is reported 750 feet in depth. This test will probably set 10 inch casing by the first of the week.

LeSure No. 1, has derrick erected and will probably spud in sometime during the week. The test is in Section 40, Township 1 North, Block 28, Texas and Pacific lands. Chal Daniels, an oil man of much experience will be in charge of the well.

Maxwell Brothers and Johnson's Stewart No. 1, is unloading rig at Iatan and expect to erect same at once on Section 32, Township 1 N., Block 29, T. P. lands. Their second test will be put down in Section 13, Township 1 North, Block 30, and will be just across the line in Howard County.

The Fensland Oil Company has re-modeled derrick just south of the Maxwell Brothers & Johnson test. Tools for this well are said to be at Sweetwater en route to Iatan.

The Magnolia Petroleum Company's rig is reported at Iatan and will be moved to location in the southwest of Section 18, Township 1 South, Block 29. The Magnolia plans to rig up as soon as possible.

Reed et al No. 1, Badgett, has derrick erected and are awaiting tools. The test is in Section 62, Block 97, H. & T. C. lands.

The Underwriters' T. & P. No. 2, Section 33, Block 28, is drilling at about 775 feet. This well is an offset to the Morrison No. 2, which is pumping 175 barrels daily.

The Colorado-Tex. Oil Company's Foster No. 2, Section 43, Township 1 South, Block 29, is drilling at about 1,000 feet. The Magnolia test will be about three miles south of this well.

1,000 VISITORS ATTEND ROGERS SINGING MEET

It is estimated that one thousand visitors were at Rogers Sunday for the singing convention held there by the West Side Singing Association of which Prof. George Goodwin of Fairview is president. Prof Goodwin arranged and directed a most interesting program.

The next convention of the association will meet at Cuthbert on the first Sunday in October. One of the features of these conventions is the dinner served on the grounds at noon. It is reported that some of the visitors from Colorado almost fanned themselves when turned loose at the tables at Rogers Sunday.

MISS ABBIE GIST WILL BE BURIED HERE FRIDAY

Miss Abbie Gist, 82 years of age, died Wednesday afternoon at 2:30 o'clock and the remains are en route to Colorado where burial will be had Friday afternoon at 4 o'clock. Funeral services will be conducted by Elder Kimble at the grave.

LORAINNE NEWS

Local and Personal News About Loraine and Vicinity.

—MISS PEARL TEMPLETON—

Miss Templeton is also authorized receiver and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whiskey Printing Company in Loraine and Vicinity. See her and take your County Paper.

Worker's Conference

The Mitchell County Baptist Workers conference was convened in the Longfellow community from Saturday evening till Monday afternoon. A good attendance was reported and lots of interest manifested also two or three conversions were reported. Three young men, students of Simmons, Messrs. Foster and Ashford and Donas Dunlap, a former Loraine boy, took part in the program and did much toward making the meeting a success. Sunday and Monday, dinner was spread on the ground and of course that part of the program was enjoyed quite as much as the rest of it. Those who attended from Loraine were Rev. and Mrs. M. F. Richardson, Mr. and Mrs. R. E. Bennett, Mr. and Mrs. J. L. Johnson, Mr. and Mrs. Willis Taylor, Mr. and Mrs. F. W. Taylor, Mesdames Jesse Pratt, Hal Bennett,

Trades Day.

Trades Day drew another large crowd to town Saturday all of the usual attractions took place with the exception of the rodeo, however, two very interesting ball games were played which took up most of the afternoon. The first game played was between Roscoe and Seven Wells, resulting in a victory for Roscoe by a score of 7 to 6. Loraine then played the winners and defeated them, the score being 14 to 15. The citizens of Mitchell and adjoining counties know what Trades Day at Loraine means, they realize that they have full and complete access to the city and what the city possesses, so there is always a large crowd present and the day profitably as well as pleasantly spent.

Born—to Mr. and Mrs. T. H. Prescott Monday, June 5th, a son.

Married.

G. W. Sweatt of Iatan and Miss Fay Thompson of Colorado were quietly married here Sunday morning at the Christian church, just before Sunday school. Elder Kimmel of Colorado officiated. The bride has visited Loraine a number of times and has many friends here, and also in the Looney community where she taught last winter. We are unacquainted with the groom but congratulate him upon his choice and we wish for them every happiness and success that this life can bring.

Moonlight Picnic.

Mrs. T. R. Bennett's Sunday school class of young ladies and their young men friends enjoyed a moonlight picnic Monday evening on the hill near the school building, chaperoned by Mr. and Mrs. T. R. Bennett, Rev. and Mrs. S. H. Young and W. F. Altman. All of the good things that are always found in picnic lunch baskets were there. A fire was kindled and bacon and eggs cooked. After the feast the picnickers indulged in pleasant conversation for a time before good nights were said.

Roland Riden of Seminole reached the bedside of his parents, Mr. and Mrs. E. N. Riden, who are both seriously ill, Tuesday morning. Mrs. Mary Smith of Frost, a sister of Mr. Riden, arrived Monday night. E. A. Hall of Rochester, a brother and Mrs. Josephine Smith of Comanche, a sister of Mrs. Riden, arrived Tuesday. At this writing Mrs. Riden's condition is reported as unimproved and great fears are felt for her recovery. Mr. Riden is slightly improved.

Mrs. Ivy McNabb began teaching a summer school Monday at the school building. There are only about fifteen or sixteen enrolled this week but several others will probably start in a few days.

Maxine, Leslie and Millard, children of Mr. and Mrs. Joe Hall of Stanton, are here this week visiting their grandparents, Mr. and Mrs. M. F. Hall.

Mrs. Emmett Richardson spent Monday in the C. C. Richardson home at Colorado.

Mrs. Barna Hilly and children of Roscoe spent Sunday in the Roy Edwards home.

Mrs. W. R. Martin who has been visiting her mother Mrs. F. C. Checkel at Abilene for several weeks returned home Friday night. Her mother accompanied her home for a few days visit. Mr. Martin is expected to return the latter part of this week from Macon, Ga., where he has been taking a course in pharmacy for the past three months.

Mrs. I. B. Baird entertained the younger set with a party Saturday night. A good time was reported by all the youngsters.

Misses Lillian and Annie Mae Porter left this week for Denton to attend the normal.

Miss Jewell Coles left Wednesday for Simmons College at Abilene.

B. W. Dorn of Colorado was a Loraine visitor Sunday.

Mrs. L. W. Rhodes and Miss Jewell Spikes visited in the Lee Jones home at Colorado Sunday.

Miss Delma Dunlap of Sweetwater came in Tuesday morning to visit her sister Mrs. Gray Taylor, who lives north of town.

Jim Johnson and family attended the Miller-Goodnight wedding at Abilene Monday evening.

Miss Opal Jackson visited Miss Gladys Reddell at Abilene the first of the week and attended the commencement exercises at Simmons college. Miss Reddell was a member of the graduating class.

Mrs. Grace Jackson was a business visitor to Colorado Saturday.

J. T. Ledbetter is building a large room onto the telephone office this week which he and family will use as a temporary residence. Mr. and Mrs. J. W. Fairbairn of Eastland expect to move back soon to their home which Mr. Ledbetter and family have occupied since they moved here last fall.

Mr. and Mrs. I. B. Baird and son Vernon and Mr. and Mrs. Joe Bennett and children spent Sunday in the Jeff McKee home at Sweetwater.

Fred Brown and sister Miss Viola are home from A. C. C. for the summer.

Miss Rosa Belle Elliott of Mineral Wells spent the week end in the S. A. Martin home.

Miss Helen Stevenson left Tuesday morning for Denton to enter C. I. A. for the summer term. Miss Gladys Spikes, Lucy Norman, Gwendola Dunnahoo and Carlene Cary left Tuesday night for Denton to attend the summer normal.

A. C. Pratt and family and S. A. Martin and family left Monday for a two or three weeks' fishing trip near Christoval.

Maurice Coughran of Colorado was a Loraine visitor Tuesday.

W. F. Altman of Arlington came in Friday night to look after business interests here.

Allen Nelson and family, C. H. Manly and family and Joe Armstrong and family composed a fishing party to the Colorado river Thursday, returning Friday.

Misses Beatrice McGee and Minnie Robertson of A. C. C. came in Friday night for a few days visit in the formers home.

Herman Mahon who has been attending Simmons college is home for the summer.

Ira Coffee came in Friday from Stephenville where he has been attending John Tarlton college.

Mrs. G. A. Hutchins received announcements of the marriage of her sister Miss Clara Jones of El Paso to Mr. Creed Coffee of Big Spring, Thursday and her cousin Miss Nola Pool of Abilene to Mr. Jim Hank, Sunday. Miss Jones and Miss Pool have visited here a number of times and have many friends among the Loraine people who wish them much happiness.

Miss Leona Hart of Valley View spent Saturday and Sunday with Miss Myrtle Hutchins.

Mr. and Mrs. Homer Derryberry visited his parents Mr. and Mrs. J. B. Derryberry in the Valley View community Sunday.

Mrs. W. F. Jones and children who visited in the T. J. Coffee home last week returned Sunday to their home at Baird.

Mark Your Loved One's Grave!—I am representing the Texas Marble & Granite Co., and shall be very glad to serve you if you wish to purchase a monument, tomb stone, grave marker or anything else in the marble or granite line.—R. A. CLEMENTS.

LONE STAR.

Bro. Ashford from Abilene preached Saturday night and Sunday morning and Bro. Tyson, the missionary preached Sunday night. They preached some fine sermons.

Eddie Richburg, Nannie Lou and Henry Taylor left Tuesday night for Denton, to attend the summer normal.

C. J. Martin and family and Mrs. Dee Land from Loraine, J. T. Richburg and family, Florence Richardson and J. A. Faulkenberry were guests in the home of J. W. Richburg Sunday.

Wm. Martin and family of Loraine spent Saturday night and Sunday with W. H. Harris and wife.

Pearl Richardson was a dinner guest of Mrs. Hamilton Preston Sunday.

Thomas Faulkenberry spent Friday night with Lester Richburg. Milton Hamilton, wife and baby

were supper guests of Mr. and Mrs. H. D. Mearse Sunday night.

Mrs. S. Y. Hamilton and daughter, have been on the sick list but are able to be up again.

Mr. and Mrs. A. C. Taylor, Mrs. Dink Land and daughter, Lela Mae, were guests in the Homer Mearse home Sunday.

Virgie and Floy Linder spent the day with Mattie McAdams Sunday.

Grace Long was a guest of Gladys Richardson Sunday.

Bro. Ashford, C. W. Groom and family were in the N. J. Richburg home Sunday.

Frank Brame and family spent Saturday night with Mr. and Mrs. Wade Preston.

Alice Richburg and Otha Pylant spent Saturday night in the J. W. Richburg home.

VETERANS WILL ASK STATE TO PAY SERVICE MEN BONUS

The Texas Legislature will be memorialized by the State organization of Veterans of Foreign Wars to grant some sort of compensation to former service men who enlisted from the State, according to a resolution adopted at the close of the veterans' convention at Fort Worth Saturday afternoon.

Attention was called to by the resolution to the large number of States which have voted compensation to their former service men, and the request also will be made in view of the improbability of getting adequate Federal compensation within reasonable time, it was set out.

"All States which have awarded soldier compensation, I am sorry, a good Democrat, to observe, are Republican," declared Fred C. Emery, the newly-elected quartermaster of the State organization, in discussing the resolution while it was for adoption. He urged that an attempt be made to discover why this is so, and that efforts be made to break up the inertia of Democratic Legislatures.

Have your tires been giving you trouble? Has your Ford been using too much gas? Then why don't you purchase a set of Star of Under braces and do away with the rattle at least.—Womack Garage will put them on for you.

See Hill, Low for a New Ford or used Ford.

COMMERCIAL POTASH EXISTS IN WEST TEXAS

Dr. J. A. Udden, director of the bureau of economic geology and technology at the university of Texas returned to Austin recently from a trip through the west including a visit to the Glass Mountains, and says that potash in commercial quantities undoubtedly exists in Texas. He says some ten wells are now showing potash deposits and that Western Texas is sure to have development of that mineral.—Texas Commercial News.

Potash has been found in two wells drilled in Mitchell county, Smith No. 1 and T. & P. No. 1. Of the part soluble in water, the formation in the Smith well assayed 11.6 per cent pure.

Notice to Users of Hard Coal.
I am just in receipt of a letter from the owners of the Bernice Anthracite Mines and they say they are not operating yet, but they assure me that I will get a part of my booking out of the first operations. So be sure and place your orders with me, so you will get yours. I have enough booked for us all if we get it.

LOCAL ATTORNEY WILL WED ALPINE YOUNG LADY

Rev. and Mrs. Hubert M. Smith of Alpine, Texas, announce the engagement of their daughter, Isobel, to Robert Harry Ratliff, of Colorado to take place during the summer. This is the culmination of a college romance, which began when Miss Smith was a freshman at Southern Methodist university and Mr. Ratliff was a student at Austin college, Sherman, Texas. Both young people later attended the University of Texas. Since leaving college Miss Smith has been teaching art in the city schools of El Paso, which has been her home for several years during which her father, the Rev. Mr. Smith, was superintendent of El Paso district, Methodist Episcopal church, South, and pastor of Asbury church.

Mr. Ratliff's college courses, interrupted by volunteer service during the late war, was resumed upon his discharge from the army, and he is a member of the senior class in the department of law at the University of Texas. Mr. Ratliff is in business in Colorado and will practice law in that city.—El Paso Herald.

WESTBROOK ITEMS.

Everybody seems to be very busy this week. Farmers are busy in their crops and there is a little excitement among oil men as the Zilpha Morrison, being drilled by A. T. Spaulding Oil Co. is in the pay at 2560 feet with around 40 feet of good oil sand; looks like it will soon be a real oil well as good, if not better, than Morrison No. 2. This well has proven up a lot of doubtful territory southwest of Morrison.

Conaway No. 1 is drilling with a slight change in formation which makes it look more encouraging.

Murphy No. 1 is making record time according to the driller's report—700 feet in eight days and everything going fine. It looks like they will soon have a completion at this location.

Phelan No. 1 is loading casing for the purpose of shutting off water at 800 feet. This well is making good time, drilling up to the present depth.

The ball game at Westbrook last Sunday was a very interesting one and everybody enjoyed it very much. The Westbrook team is not satisfied and would be glad to try these oil scouts again any time they can play. We will be glad to match them for another game.

Westbrook has the appearance of an oil town since there is some excitement at Spaulding well.

T. & P. No. 2 is shut down on account of a broken pulley at 1300 feet, but will begin drilling again tomorrow. The formation in this well is running true to Morrison No. 2.

Mr. W. O. Summers and Misses Van Horn and Harris of Christoval spent the week end with Mrs. Nellie Van Horn.

Mrs. V. D. Mitchell and Miss Jewel Murphy of Fort Worth are visiting their grandparents, Mr. and Mrs. T. Y. Pool.

Mrs. C. E. Danner entertained Saturday night, honoring Misses Van Horn and Harris and Mr. Summers. Music, 42 and dancing were the features of the evening.

Mrs. E. B. McCallum entertained Saturday night with a dance. Quite a number were in attendance and a pleasant time was had by all who attended.

Mrs. W. R. King and children of Big Spring, spent the week in Westbrook with friends and relatives.

Misses Thelma Hudson and Irene Bledsoe left Monday for Canyon to attend the summer normal.

Miss Elon McDonald left Wednesday to attend summer school at Huntsville.

Mrs. E. B. McCallum spent several days of this week with friends in Big Spring.

We are glad to report Mrs. Joe Gingerich improving after being confined to her room for several days.

Mrs. Mulkey and daughter Miss Eunice of Houston, are visiting Mrs. Fannie McDonald and family.

Born, to Mr. and Mrs. J. E. Skelton on May 28th, a fine boy. Mr. and Mrs. J. Z. Jennings of El Paso and Mrs. M. Wentz of Abilene are visiting their parents Mr. and Mrs. E. E. Roberts.

Mrs. E. V. Ellis is visiting in Cisco this week.

Miss Mary Board of Grapevine is visiting her sister, Mrs. A. L. Young.

WORTH WHILE SERVICE

It is worth emphasizing that the City National Bank has only one service, the best we can possibly give.

Our officers are men of unquestionable responsibility—they can lend you an expert hand in business.

Mrs. W. L. Cope returned Wednesday from Clyde, where she has been at the bedside of her daughter, Mrs. J. W. Watt.

Mrs. Ed Hayslip entertained Tuesday night with a dance. Refreshments were served and all expressed themselves as having a nice time.

Val Day and J. L. Taylor, drillers on the Spaulding well left Saturday night for Houston to be gone for several days.

FALSE ALARM.

Last Tuesday morning 5:00 A. M. R. C. Newland was called from his slumber and commanded to call out the Fire Department and steal the city truck after which, Ezra Jacks was kidnapped and spirited away to the mountains where a "Sunrise Breakfast" was being served by the Intermediate Christian Endeavor Society, lead by Miss Eloise Pond. This is a fine bunch of young people and are doing a great work. If you do not believe it meet with them Sunday

afternoon at 6:00 o'clock at the Christian church—everybody welcome.

For Top and Paint work see the Roberts Top and Paint Co. in the building opposite Burton-Lingo Co., formerly in the Coe building. Come and look at our new place.

We buy any kind of hogs and pay top prices. Bring them in we are in the market at all times. Phone 181 Oliver and Bell.

That New
Schilling Typewriter

Standard Keyboard--Absolutely The Best and Newest Machine

1. Takes 11 inch sheet of paper in regular standard length carriage.
2. Has double rack ball bearing carriage—adjustable.
3. Tabulator, very fast and built extra strong and rigid.
4. Line lock positive and absolutely accurate. Tabulator key releases line lock.
5. Metal rolls in paper fingers instead of rubber—last longer.
6. Basket shifting, faster and lighter than all others.
7. Shift lock can be locked and released on same side.
8. Steel extension on back of type prevents type from being battered or defaced.
9. Two color ribbon indicator in face of machine—does not mix colors.
10. Ribbon reverses automatically at each end—width standard half inch.
11. Stencil device throws off ribbon action without removing ribbon.
12. Ball bearing sub-lever giving high free action.
13. Back spacer on side of machine, cannot be forced two spaces.
14. Ribbon feed faster than others—using less ribbons and giving better impression.
15. Ribbon very easy to change—ribbon spools nickel-plated.
16. Standard key-board having two more keys giving more characters, allowing for writing medical signs, Spanish, Polish or Slav-

- ish languages without eliminating other important characters, also has degree and taret.
17. Card device for cards and envelopes without moving paper fingers.
18. Has nine individual paper feed rollers and metal paper finger rolls making it the best typewriter for writing labels, cards and shipping tags.
19. Writes on the extreme top and bottom edge of the paper.
20. Entirely visible, very simple and easy to cooperate.
21. Entire type section removable—exclusive feature of the new Shilling Bros. Typewriter—most important and valuable improvement brought out in years for the following reasons: You can keep the machine perfectly clean—eliminating the wear, lost motion in bearings, bad alignment, preventing the type bars from sticking, and the machine to operate slow and heavy by keeping out the grease, grit and gummy oil.
22. When type basket is removed a new main spring can be put in without removing other parts, requiring only about 5 minutes.
23. The new Shilling Bros. typewriter having 500 less parts than other standard key-board machine requires less adjusting and repairs and will last much longer.
24. Each machine furnished with enameled carrying case with sheet metal base.
25. WRITTEN GUARANTEE WITH EACH MACHINE.

The several candidates for county office should be qualified as orators by now, since they have been stumpng the county for several weeks.

Building permits by the city indicate a marked increase in the number of new residences now building, as compared with the previous month.

The recent wishes to pass on the general public the invitation from Rev. D. R. Hardison, pastor of the First Christian church, and his congregation that full cooperation be given the revival campaign now in progress at Union Tabernacle.

Reading in one of our Eastern Texas exchanges, we note that at least one town along the route of the Bankhead Highway has included baths in the equipment of its tourists camp park.

The dispatch from Austin dealing with condition of the road over the Bankhead Highway across the State, which appears in The Record today, should be appreciated by the citizenship of Mitchell County, since in it the writer has placed this county at par with the larger counties of North and Central Texas in the resume as to work done on the highway.

In a letter received recently by Dr. P. C. Coleman, one of the vice presidents of the West Texas Chamber of Commerce, A. B. Spencer of Crosbyton, president of the Chamber says:

"We have during the next twelve months possibly the largest program the West Texas Chamber of Commerce has yet undertaken. We should feel immensely gratified at the wonderful convention held at Plainview. It was the largest Chamber of Commerce meeting ever held in the United States. Five thousand delegates from 120 towns were present."

Hon. A. B. Spencer of Crosbyton, president of the West Texas Chamber of Commerce, writes that he is busy outlining a program for the ensuing year and adds: "The year before us will be the best in the history of the Chamber if those things we hope to do for the great empire represented by our organization are partly realized."

J. H. Greene, as president, W. W. Whipkey as vice president, and those other officers and directors named by the Booster Club last Thursday evening, are of that type of men who recognize that nothing succeeds like success, a factor which already assures wonderful accomplishments for the club during the ensuing year.

Colorado who should be identified with the club. Attend the next meeting. The concert program to be rendered by the Booster Band is alone well worth your coming.

Commissioners' Court is to be convened Monday and The Record is sincere in the hope that that Honorable body will consider well the request from the Colorado Civic League and the Chamber of Commerce to lend cooperation with the Extension Department, A. & M. College, to employ a home demonstrator for Mitchell county.

That the equitable demand of West Texas for an Agricultural and Mechanical College, fashioned after the peculiar requirements of West Texas, will be continued more aggressively in the future than ever, is assured by officials of the West Texas Chamber of Commerce.

Terrell Transcript: Marshall is to vote on a \$250,000 bond issue for two high school buildings, one of them to be for negroes. There is a great activity among the cities and towns of the state to provide adequate housing for school children.

The recent burglaries at Colorado leads The Record to the belief that the city should employ an additional night watchman. The present night patrolman, Dick Hickman, is a capable official, and he is to be commended for his record in running down burglars here in the past.

When asked as to why repairs had not been made to approach to Second Street bridge, which was damaged and much of the embankment carried away during the rains a few weeks ago, County Judge J. C. Hall replied that while Commissioners' Court appreciated the fact that the street at Lone Wolf bridge was in such condition as to render it a menace to the public, they did not plan to make repairs now, unless the same became imperative.

When asked as to why repairs had not been made to approach to Second Street bridge, which was damaged and much of the embankment carried away during the rains a few weeks ago, County Judge J. C. Hall replied that while Commissioners' Court appreciated the fact that the street at Lone Wolf bridge was in such condition as to render it a menace to the public, they did not plan to make repairs now, unless the same became imperative.

Green Apples

He said, would be only temporary, since any fill to be built now would of necessity have to be removed later when the extension to the bridge is commenced.

Miscellaneous Shower. Mrs. Lucian Madden gave a miscellaneous shower last Thursday afternoon for Miss Winnie Vaughan, who married J. F. Quinney Wednesday, June 7th.

THOMAS SPEAKS. Cullen F. Thomas of Dallas, candidate for U. S. Senate, spoke at Colorado Wednesday evening to a large audience of interested hearers.

COLORADO GIRL SINGING AT THE PALACE, DALLAS

In the Sunday edition of the Dallas Times Herald the following article, under the caption: "Texas Girl to Sing at Palace," was carried in the society edition: "Miss Lucile Henthorne, talented Texas girl, who only recently returned from a year's study under Madame Gina Viafara in New York, will appear as a special added attraction this week at the Palace theatre, making her debut before Dallas auds ences Sunday.

"Miss Henthorne is a graduate of Kidd-Key College of Sherman, in piano and voice. She possesses a beautiful coloratura voice and magnetic personality. A feature of special interest is, that through her thorough knowledge of music, Miss Henthorne, is enabled to play her own accompaniments.

Wichita Times: In calling a congress to be held in some easily accessible city to be held before Sept. 30 to consider problems of reclamation, irrigation and flood control, the West Texas Chamber of Commerce has taken the lead in a movement that is certain to have a large part in the development of Texas. The

call for this congress was a timely one, coming as it does following great destruction along the river courses of Texas from the recent floods and when the people are so deeply impressed not only with the necessity of irrigation and reclamation. Get office supplies at Record office.

To The Voters of Mitchell County I have decided to withdraw from the race for Tax Assessor of Mitchell County, owing to the fact that it is impossible for me to canvass the entire county, as I feel I should. Thanking each and every voter who promised me their vote and influence, with no ill will toward those who did not, I remain, Yours very respectfully,
6-16c W. W. WADE.

BURGLARS RIFLE SAFE AT BURTON-LINGO OFFICE

Forcing an entrance into the office of the Burton-Lingo Lumber Company Monday night, burglars worked the combination to the safe and obtained \$25.00 in cash, \$17.00 of which was the property of the company, and the balance of \$8.00 the property of R. O. Pearson, manager. Checks to the value of approximately \$400.00 were left intact in the safe.

The burglar was discovered Tuesday morning by H. D. Fox, an employee of the company, when he opened the office for the day. The safe doors were standing ajar and all drawers and boxes on the inside showed evidence of having been rifled.

Some personal effects of Mr. Pearson were also appropriated by the intruders. Among these were membership cards in the Elks Lodge, Order of American Railway Conductors and I. T. A. A ring and "phone dime" which Mr. Pearson obtained while visiting in New Mexico were also taken. Pearson stated Tuesday morning that if the visitors would return the ring and dime they might retain the money and other valuables.

Officers working on the case Tuesday morning were unable to establish any clue as to identity of the burglars. The office was entered through a rear window on the south side of the building.

WRONG IMPRESSION MADE AS TO ROOM FACILITIES

The impression has gone out from Colorado that visitors to the city have no assurance of obtaining accommodations in the way of rooms, according to information received by the Chamber of Commerce. Such an impression is not borne out by facts, Dr. P. C. Coleman, president of the Chamber of Commerce, stated Tuesday morning.

The hotels and rooming houses of Colorado may be filed at times, Dr. Coleman stated, but there are

from twenty to twenty-five rooms in private homes of the city which have been registered with the Chamber for use of visitors to the city. Dr. Coleman stated that he would appreciate very much the courtesy if every citizen would cooperate in providing accommodations for the people who are being attracted to Colorado because of the oil situation. If these visitors cannot obtain rooms at the hotels, tell them to communicate with the secretary of the Chamber of Commerce and rooms will be provided.

The people of Colorado are going to meet the conditions that may arise here and when the hotels and rooming houses are full the homes of the citizenship will be open. Any statement to the contrary is misleading.

MITCHELL COUNTY WORKERS INSTITUTE CLOSED MONDAY

The Mitchell County Baptist Worker's Institute, of which Rev. M. C. Bishop of Colorado is president, closed a three days session at Longfellow Monday. Rev. M. C. Bishop preached the opening sermon Saturday morning and was also present at the closing session Monday.

Several pastors and laymen of the Baptist church in the Sweetwater Association were present and delivered addresses. All of the sessions were well attended and activities of the Baptist church in Mitchell County were discussed.

DISTRICT CONFERENCE IN SESSION AT SWEETWATER

The annual business meeting of the Sweetwater district, Methodist church, was convened in Sweetwater Tuesday night, with the Rev. R. J. Stewart of Sweetwater, presiding elder, presiding. The session continued through Wednesday and Thursday, closing late Thursday afternoon.

Several delegates from Colorado attended the conference. Among these were C. L. Browning, Jr., recently recommended by the Colorado church for entry into the Northwest Texas conference as a preacher.

We sell water hose guaranteed for 3 years.—Colorado Mercantile Co.

SWEETWATER APPRECIATES FRIENDLY COOPERATION

During the past months expressions of appreciation for the friendly cooperation existing between Sweetwater and Colorado have been received from prominent citizens of the former city. A few weeks before the Plainview convention the Board of City Development at Sweetwater officially expressed its appreciation for this relation and a few weeks ago a similar statement was received from those in charge of the Sweetwater delegation to the convention at Plainview.

Tuesday the Chamber of Commerce received another of these acknowledgements from the Sweetwater Luncheon Club, which represents practically every business interest in Sweetwater. The communication, which was signed by Rufus Wright as president and S. A. Barker as secretary, follows:

"The Sweetwater Luncheon Club, speaking for the City of Sweetwater, wishes to express its appreciation for the whole-hearted support of the City of Colorado and its delegation at the recent convention of the West Texas Chamber of Commerce at Plainview.

"Although Sweetwater was unsuccessful in securing the next meeting of the organization, we are supporting San Angelo in 1923 one hundred per cent.

"Especially is Sweetwater indebted to the Secretary of the Colorado Chamber of Commerce who so ably and so broad-mindedly seconded the nomination of Sweetwater as the convention headquarters of the 1923 session before the assembled delegations of West Texas.

"Please accept the sincerest wishes for the welfare of the City of Colorado and the continuance of warmest friendship between the two cities.

SHRINERS SPECIAL MAKES SHORT STOP AT COLORADO

The Moslah Temple's Shrine Special, a full Pullman train carrying 150 Shriners and their wives from Fort Worth to San Francisco, arrived in Colorado Tuesday evening at 8:30 and made a short stop here. The train was met at the station by local Shriners.

The special was made up of 11 coaches, special equipment, and carried 150 Shriners, wives and families. The locomotive, a giant oil burner of the newest type, was painted and decorated for the trip, and was the pride of the passengers. The baggage car carried six-foot signs, reaching the entire length of the car, giving unmistakable information as to the who, where from, where to, and why of the train. Each of the coaches was equipped to give the passenger the maximum amount of comfort on the long journey. A huge electrically lighted crescent served as the tail light for the special.

The engine had been specially pointed with many Shriener emblems in gold and red stamped on the gloss black finish of the boiler, cab and tender. A huge steel-plate, six feet square, bearing "Moslah Temple," "Fort Worth, Texas," and the Shriener emblem, was mounted on the front of the engine and a large fez, and exact reproduction of the Shriener "red caps," adorned the top of the headlight. "Ho, on to Frisco" was painted on each side of the cab, and a 20-foot picture of the caravan of camels crossing the desert sands swung from the tender.

A 40-piece Shrine band was carried on the special.

ROGERS ITEMS.

The West Side Singing convention met with the Rogers class Sunday. The crowd was estimated at about 1000 people. A fine program was rendered. During the morning session Bro. Dixon, pastor of Rogers made a short talk on the value of song services in the worship of God, which was interesting and enjoyed by all.

At 12:30 a fine dinner was served. After everyone had eaten plenty there was dinner enough left for another large crowd. Most all classes of the county were represented. Leaders and singers from all these took part and making the afternoon program a wonderful success.

The next convention will be at Cuthbert the first Sunday, October. Lucien Smith of Colorado is visiting his grandparents, Mr. and Mrs. W. M. Green.

Mrs. Lou Maxfield of Big Spring is visiting her daughter, Mrs. Robt. Moore this week.

Orval, William, Hugh and Leonida Moore spent last week with their grand mother, Mrs. Rogers, at Cuthbert.

Mr. Allison's father from N.M. Mexico is visiting him this week.

Mrs. Robert Doss is visiting her mother, Mrs. Richards of Colorado.

Miss Pauline Smith visited in the W. M. Green home Saturday and Sunday and attended the singing convention.

Pat and Jerry Harding of Vincent spent Saturday night with their grand parents, Mr. and Mrs. W. M. Green.

Mr. and Mrs. Stump are the proud parents of a new girl, born Sunday.

Why wear them dirty when 50c cleans and presses your trousers.—Klassy Kleaner. Phone 133.

A complete stock of water pipe and fittings at K. b. Terrell's.

Episcopal Church.

All Saint's Mission. Reverend F. B. Etson, priest in charge.

Regular appointments in Colorado—the First and Third Sundays in each month.

Sunday, June 11 Church school 10 a. m. There will be no other services.

Sunday, June 18. Morning service 9:30 a. m. instead of the usual hour of 11.

There will be no session of church school on the first and third Sundays but each member of school is expected to come and take part in the morning service.

Evening service 8:00 p. m. Church school will be held at 9:30 on the second, fourth and fifth Sundays in each month.

Rev. M. C. Bishop and family have returned from a visit to South Texas. They made the trip by automobile, stopping at several towns and cities en route. Two days were spent at Corpus Christi. Rev. Mr. Bishop states that Colorado is the busiest state, in point of population, of any place visited by him during the trip. Miss Georgie Cooper of Tyler left Thursday for Canyon after spending a few days visiting relatives in Colorado.

CITATION BY PUBLICATION

THE STATE OF TEXAS—To the Sheriff or any Constable of Mitchell County—Greeting: You are hereby Comanded to summon John B. Goodnight by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District; to appear at the next regular term of the District Court of Mitchell County, Texas, to be held at the Courthouse thereof, in Colorado, Texas, on the 3rd Monday in November, A. D. 1922, the same being the 20th day of November, A. D. 1922, then and there to answer a petition filed in said Court on the 16th day of May, A. D. 1922, in a suit numbered on the docket of said Court, No. 412, wherein The State of Texas is Plaintiff and John B. Goodnight and all parties owning or having or claiming any interest in the land or lots hereinafter described are Defendants; the nature of plaintiff's demand being as follows:

An action by Plaintiff praying for judgment against the Defendant for the sum of Twenty-two and 08/100 Dollars on account of State and County Taxes, interest, penalty and costs, to-wit: for the taxes, including school taxes, with penalty and interest, assessed and due on each tract or lot of lands hereinafter described for the following years, to-wit: 1913, 1914, 1915, 1916, 1917, 1918 and 1919; that said taxes, with interest, penalty and costs, are a lien upon each tract or lot of the following described lands, situated in Mitchell County, Texas, to-wit:

Lot Number 5 in Block Number 7 in the Amended Town of Westbrook, according to the map or plat of record in Book 16 pages 642 and 643 of the Deed Records of Mitchell County, Texas.

And Plaintiff further prays for the foreclosure of its said lien, for an order of sale, a writ of possession, costs of suit and for general and special relief, all of which will more fully appear from Plaintiff's Original Petition now on file in this office.

Herein fall not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Colorado, Texas, this 3rd day of June, A. D. 1922. W. S. STONEHAM Clerk District Court Mitchell County, Tex By Ruchelle Smartt, Deputy.

Goodnight by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District; to appear at the next regular term of the District Court of Mitchell County, Texas, to be held at the Courthouse thereof, in Colorado, Texas, on the 3rd Monday in November, A. D. 1922, the same being the 20th day of November, A. D. 1922, then and there to answer a petition filed in said Court on the 16th day of May, A. D. 1922, in a suit numbered on the docket of said Court, No. 413, wherein The State of Texas is Plaintiff and S. E. Ord is defendant; the nature of plaintiff's demand being as follows:

Twelve and 80/100 Dollars on account of State and County Taxes, interest, penalty and costs, to-wit: for the taxes, including school taxes, with penalty and interest, assessed and due on each tract or lot of lands hereinafter described for the following years, to-wit: 1913, 1914, 1915, 1916, 1917, 1918 and 1919; that said taxes, with interest, penalty and costs, are a lien upon each tract or lot of the following described lands, situated in Mitchell County, Texas, to-wit:

Lot Number 6 in Block Number 7 in the Amended Town of Westbrook, according to the map or plat of record in Book 16 pages 642 and 643 of the Deed Records of Mitchell County, Texas.

And Plaintiff further prays for the foreclosure of its said lien, for an order of sale, a writ of possession, costs of suit and for general and special relief, all of which will more fully appear from Plaintiff's Original Petition now on file in this office.

Herein fall not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Colorado, Texas, this 3rd day of June, A. D. 1922. W. S. STONEHAM Clerk District Court Mitchell County, Tex By Ruchelle Smartt, Deputy.

CITATION BY PUBLICATION

THE STATE OF TEXAS—To the Sheriff or any Constable of Mitchell County—Greeting: You are hereby Comanded to summon Chas. Swann by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District; to appear at the next regular term of the District Court of Mitchell County, Texas, to be held at the Courthouse thereof, in Colorado, Texas, on the 3rd Monday in November, A. D. 1922, the same being the 20th day of November, A. D. 1922, then and there to answer a petition filed in said Court on the 16th day of May, A. D. 1922, in a suit numbered on the docket of said Court, No. 418, wherein The State of Texas is Plaintiff and Chas. Swann is Defendant; the nature of plaintiff's demand being as follows:

An action by Plaintiff praying for judgment against the Defendant for the sum of Eighteen and 45/100 Dollars on account of State and County Taxes, interest, penalty and costs, to-wit: for the taxes, including school taxes, with penalty and interest, assessed and due on each tract or lot of lands hereinafter described for the following years, to-wit: 1911, 1912, 1913, 1914, 1915, 1916, 1917 and 1918; that said taxes, with interest, penalty and costs, are a lien upon each tract or lot of the following described lands, situated in Mitchell County, Texas, to-wit:

Lot Number 16 in Block Number 7 in the Amended Town of Westbrook, as shown on the map or plat of record in Book 16 pages 642 and 643 of the Deed Records of Mitchell County, Texas.

And Plaintiff further prays for the foreclosure of its said lien, for an order of sale, a writ of possession, costs of suit and for general and special relief, all of which will more fully appear from Plaintiff's Original Petition now on file in this office.

Herein fall not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

PUBLIC SCHOOL SYSTEM IS PARAMOUNT PROBLEM

Replying to a letter received from H. L. Hutchinson, president of the Colorado Independent School District, in which Mr. Hutchinson outlined some of the conditions affecting the schools of this city, and suggested that the administration assist in meeting this paramount problem, Gov. Pat. Neff promises to do everything within his power to at least partly relieve the conditions existing in practically all of the public schools of West Texas.

Quoting from an address delivered by the governor before the State Press Association of Texas in its annual meeting at Denton on Thurs-

day, May 11, the chief executive says:

"The paramount pending problem that is now demanding our deepest thought is the development and improvement of our entire public school system. Our rural schools are the foundation stones of our government. While we are proud of our higher institutions of learning, we must not forget that after all the common school is the college of the majority of our boys and girls. We must make our rural schools as good as the best. The best is not too good for the youth of Texas. It is agreed by all that grave problems now confront the educational life of Texas; that State revenue for school purposes is insufficient; that laws for raising money for the support of our schools are inadequate; that better-trained teachers should be had; that a fixed yearly income should be provided for the support of our schools. In an effort to properly solve the pending school problems, I have held several conferences during the past few months with educational leaders of the State. Several educational committees are now making a comprehensive survey of our entire educational system, looking to the best means of providing for the present and future needs of the schools. I am keeping in close touch with these committees with a view of doing at an early date whatever can and ought to be done in behalf of our schools, especially the rural schools."

From over the domain of West Texas complaints are being received because of the crippled condition of our public schools, with special reference to the needs of West Texas A. & M. College, fashioned after the peculiar requirements of West Texas. West Texas is not receiving a square deal through the distribution of school taxes nor in the facilities of a college for training the young men of the west in keeping with provisions of the golden rule.

If we should happen not to have just the part that you are in need of for your New Perfection stove we will get same for you on short notice.—H. L. Hutchinson & Co.

Bring us your chickens and eggs we are prepared to handle any amount of them and pay top prices. Brewen Produce Co. Phone 181 at Oliver and Bell Wagon Yard.

RANCHMAN MISSING AFTER TRIP TO OKLAHOMA OIL FIELD

Chas. F. Kress, ranchman living 20 miles east of Midland in the Boone and McClintic neighborhood, made a business trip to Oklahoma oil fields about April 1st, to see about selling some oil lands. He notified his family he would leave for home on or about April 17th. He drew money from the bank, and did leave on the 19th, and has not been seen or heard from since. He was in his car, and friends and relatives are very much concerned about him.—Midland Reporter.

When in need of a windmill or pipe, see Colorado Supply Co. Phone 280.

C. C. BARNETT

IN SOCIETY AND AT THE CLUBS

VAUGHAN-QUINNEY

The marriage of Miss Winnie Davis Vaughan and Mr. J. F. Quinney was solemnized at the Methodist church Wednesday evening, Rev. C. L. Bowring, pastor, officiating.

The house was prettily decorated in pink and orchid; a lattice intertwined with the colors, in front of the choir platform, made an arch for the wedding party during the ceremony, while bowls of pink sweet peas rested on the columns back of the chancel railing.

Just before the ceremony Mrs. Ross Dixon sang as a pre-nuptial song, "At Dawning I Love You," accompanied by Miss Lorena Smith of Cisco, who afterward played the wedding march.

The bridal party was: bridesmaids Misses Nettie Martin and Elsie Moses of Lampasas; maid of honor, Miss Lottie Pritchett; matron of honor, Mrs. Lucian Maddin; flower girls, little Winnie Frances Vaughan and Johnnie Blanche Quinney; the ring bearer, little Martha Jane Majors; ushers, Gilbert Quinney and Harry Ratliff. The best man was John Majors of Sweetwater.

The bridesmaids were dressed in orchid organdy, with trimmings of pink rosebuds, with hats to match. They carried pink shepherd crooks tied with orchid bows.

The matron of honor wore pink organdy with orchid hat, and carried pink sweet peas. The maid of honor wore pink organdy with orchid hat and carried a shepherd's crook.

The little flower girls wore orchid organdy and wore veils. They carried peasant's flower baskets.

The ring bearer was dressed in white organdy and carried the ring in the heart of a pink rose.

The bride's dress was of white duchess satin trimmed with iridescent pearls, with court train. She wore a coronet of orange blossoms, and carried a bouquet of bride's roses and lilies of the valley.

The men were in the conventional black.

Orchid and pink ice cream and white cake were served.

The brides cake was a gift from Mr. and Mrs. Hurd. It was in the shape of a horse shoe with the names, Winnie-Floyd, on it. The usual good time was had cutting it and taking pieces home to dream over.

A reception was given at the home of the bride immediately after the ceremony.

The bride is the younger daughter of Mrs. J. S. Vaughan. She was born and reared in Colorado and taught in the public schools the past two years. Her friends are numbered by her acquaintances.

The groom is the son of Mr. and Mrs. G. E. Quinney, and is a young business man. He is 100 per cent American, having served his country as a volunteer in the world war.

Mr. and Mrs. Quinney will make their home with the bride's mother, Mrs. J. S. Vaughan.

The Record joins their numerous other friends in wishing them a long life of happiness and usefulness.

42 Party.

Miss Coleman entertained with 42 Tuesday afternoon, honoring Misses Caroline and Gertrude Chambers and their sister, Mrs. E. H. Carlton, of Walnut Springs, all of whom are to leave Saturday for New Mexico for the summer. Other out of town guests were Mrs. Emmett of Amarillo, Misses Lillie Mae Bowen of Ennis and Lillian Smith of Cisco. The hostess served a salad course, ice cream and cake.

Civic League

The Colorado Civic League met Saturday afternoon with the president, Mrs. A. L. Whipkey presiding. Detailed plans for the visit of Miss Helen Swift of College Station, district supervisor of the extension department A. and M. College, were made. The place of meeting and date for demonstration will be announced upon receipt of information from Miss Swift. A paper petitioning Commissioners for resident Home Demonstrator is being circulated among the women of both town and county. The league voted in favor of school bonds.

Dinner for Bridal Party.

Mrs. J. S. Vaughan gave a dinner honoring the bridal party, Tuesday. The decorations were the brides colors pink and orchid. Streamers of orchid came from the chandelier and were fastened to the four corners of the table with bowls of pink sweet peas. The place cards were heart

shaped pierced with arrows. The party was the bride and groom elect Mr. and Mrs. Ross Dixon, Mr. and Mrs. Lucian Maddin, Misses Elsie Moses, Nettie Martin of Lampasas, Lorena Smith of Cisco, Lottie Pritchett, Messrs. Gilbert Quinney, Harry Ratliff and John Majors of Sweetwater.

Business Meeting.

The Baptist Auxiliary met in business session Monday afternoon. Besides the regular business it was decided to hold daily prayer meetings the week preceding the revival services which begin the Fourth Sunday in June. The services will be one hour—4:30 to 5:30—at the church house. Every woman is urged to have part.

Priscilla Club.

The Priscilla Club is reorganized for the summer. The first meeting was held with Mrs. Sherwin last Friday with nearly all members present. The hostess served punch, dewberries with whipped cream and angel food.

Regular Meeting.

The Junior Missionary society of the Methodist church met in regular business session Friday afternoon, Mrs. Costin was hostess. There were 20 members present and a very interesting meeting. It was decided to have our daily vacation Bible school again this summer beginning Tuesday, August 1, and continuing two weeks. We are making great plans for this school hope to make it much better than last year.

Darrel Smith was elected our delegate to the all-day meeting soon to be at Big Spring. Other important items of business were attended to. At the social hour hostess served lemonade and cakes.

Merry Wives.

Mrs. Maurice Coughran was hostess for the Merry Wives Wednesday. Her guests were: Mesdames B. F. Dulaney, Bert Robertson, Tom Hughes, Harry Landers, Jr., M. J. Vaughan and Jim Coughran of Sweetwater. Grape juice and cake were served.

One third off on all ready trimmed spring hats at Mr. B. F. Mills Saturday.

When you think of gasoline think of that GOOD GULF, because there is more power in it.

OUT BUFORD WAY.

Several of our very regulars were out of their places at Sunday school Sunday morning but their absence was accounted for and we missed them.

We played hookey from singing Sunday evening, consequently don't know about the crowd, and interest there.

The fact that Bro. Hardison and Elder Offord's meetings were to begin this week at town and at the Buford school building, was announced.

Mr. and Mrs. Curry have two nieces, Misses Lane, from Jayton, visiting them for two weeks.

They also have Mr. and Mrs. Homer Ellish from Dunn, so everybody was invited over to their house Sunday night for another good singing.

We are still waiting for the oil well man that wants to put a well down north of town and east of the river—a gusher, mister! Better get busy.

We notice in the S-T, from Paris, where a tom cat was found in a den of rats dead as heck, by grab. So, after all, it might have been true about these Buford rats whipping the big dog. But had we been either party we would have never scattered the news. In fact if a fellow can't brag on his dog, something is ailing him. For instance, our pup is useful, and we have eye witnesses to the fact that he killed five pole cats, one jack rabbit, one cotton tail and four salamander rats, all in one day, and it wasn't a good day for hunting either.

For flavor, satisfaction, strength economy, insist upon having your coffee fresh roasted today at Bean & Coursey's.

Sunday School Barbecue.

The Baptist Sunday school had its annual outing last Friday over beyond Lone Wolf Creek with a barbecue. Cars were provided to carry the folks there. The women provided baskets of good things and it all went like the proverbial hot cakes. The barbecue was of the best and it also disappeared. Mr. John Smith, Mr. Sadler and their helpers spared neither time nor money to make the children have a good time and they were rewarded for all said it was the best they ever attended.

So extra delicious With fresh fruits

No other food has such an appeal on a hot day as Kellogg's Corn Flakes! They win fickle appetites, they satisfy hungry folks! As an extra-summer taste thrill, eat Kellogg's with the luscious fresh fruit now in season. Such a diet is not only ideal from a health standpoint, but it is refreshing!

You can eat Kellogg's Corn Flakes liberally at any meal because they digest easily. Let the children have all they want.

Insist upon Kellogg's Corn Flakes in the RED and GREEN package that bears the signature of W. K. Kellogg, originator of Corn Flakes. None are genuine without it!
