SCHOOL CHILDREN OF TEXAS TO BE STATE FAIR GUESTS OCT. 19

Annual Custom Observed—School Children Admitted Free on Children's Day—Teachers as Chaperones

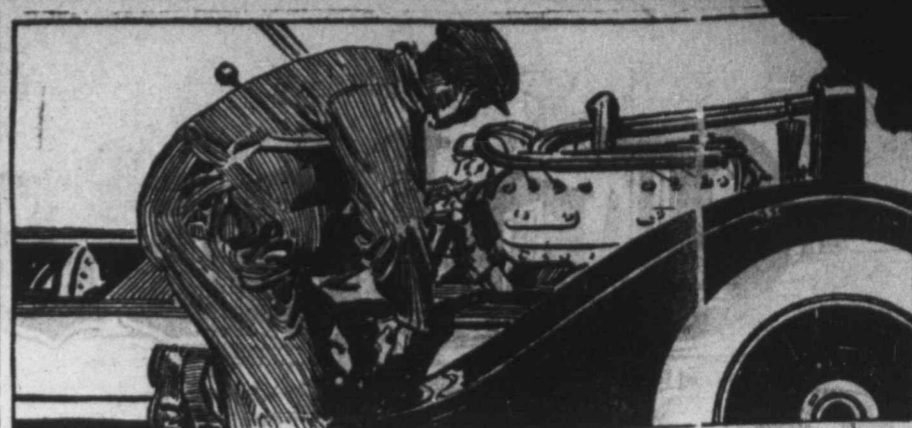

Here's good news for Texas school children!

They are to be guests of the State Fair of Texas, at Dallas on Children's Day, Friday, Oct. 19.

As is the annual custom the formal invitation will soon be issued, but advance notice has already been given school heads throughout the State, so that the youngsters may be apprised in advance and make their plans accordingly.

State Fair officials urge that superintendents, principals and teachers in city and rural schools make up and forward lists of the number of tickets they will require for their charges, in order that the tickets may be mailed well in advance, and everything be ready for the youngsters to lose no time gaining admission to the Fair grounds as soon as they arrive.

This year's State Fair of Texas, Oct. 13-28, will be the best ever from the standpoint of educational value, and Fair officials are hoping that the attendance of embryo good citizens of Texas will break all previous records.

Where Trouble Starts

When your engine is not running properly, lacks power or will not start as it should—bring it in and let us look it over. We get right into it and find the start or the cause of the trouble, and then fix it in a thorough manner. The ultimate cost to you is much less, and your satisfaction greater.

Drive into our Filling Station and get real service Day or Night.

Missionary Meeting
The Baptist women met at the church Monday for the regular monthly missionary meeting. There was a good number present and responded on the program of Evangelism in the Local Church. Mrs. Gustine gave a paper on "Best Means for Evangelizing Our Home Town," that was highly appreciated by all. At the conclusion the new president, Mrs. White, appointed the following standing committees: Mission and education, Mrs. E. Keathley, Benevolent and aid, Mrs. R. O. Pearson; personal service, Mrs. M. C. Ratliff; industrial, Mrs. Lasky; social, Mrs. Guitier, Mrs. Jones, Mrs. Johnson. Committees were appointed to carry out the plans for the Sweetwater Association which meets here in October. A box valued at more than \$200 of quilts and clothing was packed for Buckner Orphans Home. Through the thoughtfulness of Mr. Burns many new articles of clothing was added from his store, also the Colorado Bargain House sent valuable articles.

NOTED JUDGES TO PASS ON CATTLE AT STATE FAIR
Best Known Men in Livestock World Will Pin on Ribbons at Dallas, Oct. 13-28
Men known to the live stock industry the country over, will preside as judges at the State Fair Live Stock Show, Oct. 13-28, this year at Dallas, and every indication is that the 1923 live stock exhibition will surpass any that has gone before. It has long been the policy of the State Fair of Texas to engage the very best talent in America to place the awards in all departments, so that a ribbon won at the great Texas Exposition will have the utmost value to exhibitors. J. E. Hoog-Scott, general superintendent of the live stock department, is highly enthused over prospects for this year's exhibition of cattle, sheep, horses, etc., and says the dairy cattle department will equal if it does not surpass the national show at Minneapolis later in the fall. Mr. Hoog-Scott attended the Missouri State Fair at Sedalia, opening on Aug. 15, where he met a number of well known breeders who will also show at the State Fair of Texas. The list of judges for the Texas exposition is as follows:
Shorthorns—Wm. H. Pew, Ravenna, Ohio.
Herefords—Byron Engle, Sheridan, Mo.
Aberdeen-Angus—J. D. Blackwell, Fayette, Mo.
Red Polled—Jno. C. Burns, Fort Worth, Texas.
Jerseys—C. H. Staples, Louisiana State University, Baton Rouge, La.
Holsteins, Ayrsh' e. Gurnsey, Brown Swiss—W. H. Standish, Lyons, Ohio.
Horses and Steers—W. J. Kennedy, Sioux City, Iowa.
Swines—Prof. L. A. Weaver, Columbia, Mo.
Sheep—Robert F. Miller, Davis, Calif.
Goats—Bob Davis, Rio Frio, Tex.
Jacks and Mules—H. T. Hineman, Dighton, Kans.
Premiums in the cattle department of the State Fair of Texas total more than \$30,000, and each year during the last decade has seen the cattle department with largely increased entries.

HAPPY FOLKS
Uncle Si broke a banana from a newly-hung bunch and gave it to a small and exceedingly dirty boy whose eager eyes had invited generosity.

"When I was a little feller," he said in explanation, "Pap took me to the county seats every now and then, and every time I see a bunch of bananas I got so hungry I suffered. I made up my mind if ever I got growed up and had a lot of money I was going to buy all the bananas I could eat. I done it, too, when I got to be my own boss, and I ain't liked bananas since."

and pleasures life has to offer seem mighty nice as long as we don't have too much of 'em, but if ever the time comes when there isn't anything to restrain us and we are free to take all we want, we usually overdo it and lose our appetite.

"I don't believe there is any chance for happiness except in moderation. If we have to do without altogether, we can't be happy, because we feel abused and cheated; and if we have too much we get fed up and can't appreciate it any more."

"The happiest folks, I notice, are them that have just enough to take the edge off their appetites and keep 'em wishing for more."

NO ROOM FOR CROOKS IN DALLAS DURING FAIR POLICE SAY

There'll be no room for crooks, pickpockets or other petty criminals in Dallas during the State Fair of Texas, Oct. 13-28. Neither will there be any room for the "big fish" of the criminal pond, according to police department officials.

Chief of Police Louis W. Brown and Chief of Detectives Gunning are already at work on plans for policing the city during the progress of the thirty-seventh annual exposition. The same basic plans as obtained during the 1922 State Fair, when Dallas was remarkably clear of the unwanted gentry, will obtain, according to Police Commissioner Louis W. Turley.

It will be remembered that newspapers all over Texas had high praise for the policing of the city during the 1922 Fair, with particular tribute paid to Captain Frank Scott and his men, who were in charge of things at the Fair grounds.

As was the case last year, Fort Worth, Houston, San Antonio, Waco, Beaumont, Galveston, and even Memphis and Chicago, will send officers to Dallas to aid the local department in keeping things clean during the coming State Fair.

LOTS TO BE SEEN ON AMUSEMENT ROW

On Amusement Row at the State Fair of Texas, Dallas, Oct. 13-28 this year, the most varied list of novelty shows ever booked will be found. This year's offerings will be a composite of all the famous Clarence Westham enterprises, grouped into one company, presenting the biggest and most attractive lot of attractions possible to secure.

Help the Farmer

BUY

more of his products. Every sack of flour you buy gives the farmer a boost. It increases the demand for his wheat. He needs your support. Use more of the good, wholesome flour that is made from his wheat. Bake often but use

CALUMET

The Economy BAKING POWDER

because it is false economy to buy a leavener that sells for a little less, it many times means complete loss of the ingredients used on bake-day.

Practice real economy by using Calumet. It never fails to produce pure, sweet and nutritious foods. Costs less per baking. Goes further—lasts longer.

EVERY INGREDIENT USED OFFICIALLY APPROVED BY U. S. FOOD AUTHORITIES

Sales 2 1/2 times as much as that of any other brand

LIONS CHANGE DATE FOR "LADIES NIGHT" BANQUET

In order that the losing team have ample time in which to arrange program for the banquet to be given to winning team from the Lions Club and their lady guests, the date for the "Third Jungle Roar," was ordered changed Friday from the evening of Friday, September 28, to the following Friday evening, October 5th. The change was made on motion of E. H. Winn, captain of one of the competing teams.

Aside from naming a committee to arrange a musical program for the occasion, no further plans will be made until the close of the contest, Friday, September 28. The losing team captain will then name his committees to arrange a program. The president named Thos. Dawes, M. S. Goldman and W. L. Doss as a committee to arrange the musical program.

Competition in the contest continues to be keen. The team headed by A. B. Blanks, which has continuously held the lead, lost two points Friday in favor of the others, which are headed by E. H. Winn. A tilt between members of the competing teams developed when the demand was made that the report of the secretary be audited by the president. "My team has not lost this contest as yet by any means," Winn announced, and he promised to yet give the Blanks following an interesting race.

Visitors introduced were the Rev. M. C. Bishop of Colorado, and Messrs. Ailow and Lackey, of the West Texas Construction Company, contractors here paving the streets. All of the gentlemen addressed the club. Mr. Lackey announced that R. D. Green of Abilene, deputy district governor, would be run for the district governorship at the next State convention in Paris next April and requested support of the local club for the Abilene man.

CALLAHAN COUNTY VOTES ROAD BONDS SIX TO ONE

By a vote of 1017 to 141 Callahan County voted bonds for \$200,000 in an election held Saturday. To this the State and Federal departments will add \$400,000, making a total of \$600,000 to be expended in paving the Bankhead Highway across the county.

An election to vote on a bond issue of \$350,000 will be held in Taylor county October 16. Commissioners' Court of Nolan County has recently ordered an election to be held October 20 to vote on road bonds in the sum of \$600,000. In these two counties, the state and federal departments will also supplement the issues with appropriations.

Should these elections carry favorably, and indications now suggest that they will, Mitchell will be the only county on the Bankhead Highway in West Texas lagging in making permanent improvements to this important artery of commerce.

Card of Thanks

We take this method of expressing our sincere thanks and deepest gratitude to the good people of Westbrook and Colorado for the loving kindness and timely assistance in caring for our beloved mother, sister and friend, Grace E. Bair.

EL PASO WILL HAVE UNIQUE TOURIST CAMP

There is now under construction, and nearing completion, at El Paso a motor tourist camp ground, which will be, according to J. R. Moffett, vice president of the Southwestern Tourist Camps Co., the most complete and elaborately built in the United States.

Mr. and Mrs. Moffett are covering the Bankhead Highway from El Paso to Dallas and were in Colorado Thursday. Their return trip will be made from Houston over the Old Spanish Trail. "I look for the State Highway No. 1 to become the most popular highway in Texas," said Mr. Moffett. Already it has been developed to such an extent that only two places between Colorado and El Paso presented any difficulty whatever. The total of the mileage over these two combined does not exceed 25 miles and even these two places are not bad enough to cause any concern to the motorist.

Camp Grande, as the new tourist camp has been named, is costing nearly \$100,000 to build. The architectural style being followed is representative of the Pueblo Indian plan of construction. The area of the camp is in excess of four acres. There are more than 1200 feet of driveways to the various parts of the camp. In addition to carefully arranged camping spaces, there are pretty houses with private kitchenettes and bath rooms. Hot water will be available at all parts of the camp at all times. The company operating the camp has its own water supply, so that water can be provided liberally. A great recreation hall, finished with polished hardwood floor is being built. Large kitchens and a dining hall provide facilities for those who prefer to prepare their own meals. A laundry with electric washer and laundry tubs will be at the disposal of the guests of the camp. Ample shade, some of it of specially constructed shelters but most of it provided by large trees make the camp a delightful place even in the hottest weather. The small houses on the grounds are heated by gas in cold weather. In the recreation hall, a huge fireplace, in which full size cordwood logs can be burned, will provide a cosy gathering place when weather is cold.

"Camp Grande will be, we believe," Mr. Moffett said, "not only an asset to El Paso but to all the cities and towns for a long distance on the highways which pass through El Paso. Already the new camp is being widely discussed by tourists. Many stopping in El Paso have visited the camp during its construction period and are passing the word along to others. We feel a little proud of the fact that the finest thing which has ever been attempted along the tourist camp line has been done in Texas. If Camp Grande is the success we believe it will be, we expect to see similar camps in many communities in a short time."

That Finished That

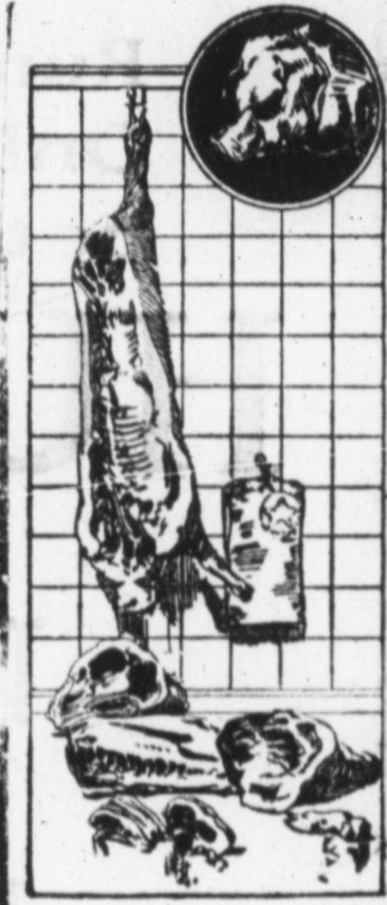

Two soldiers in a colored regiment were boasting about their company buglers.

"G'long wid you, boy," said one. "You got no booglers. We's got the boogler. When dat boy wraps his lips 'round dat horn and blows pay call, it sounds jes' like a symphony band playin'."

"Well, if you like music, dat's all right; but if you is yearnin' fer food, you wants a boogler wid a hypernarcotic note, like we's got. Boy, when ah hears old Custard Mouth Jones discharge his blast ah looks at mah beans and ah says: "Strawber-

NEXT YEAR TO SEE NEW AGRICULTURAL BUILDING AT FAIR

Agricultural interests of Texas, and particularly the numerous county exhibits which do so much to demonstrate Texas' agricultural wealth, will come into their own with the 1924 State Fair of Texas, with an agricultural building right at the entrance to the great Fair grounds.

Under an agreement between the City Park Board and State Fair officials, the present Coliseum will become the Agricultural Building for the 1924 State Fair.

Agricultural and county exhibits will be housed in the present agricultural building for the 1923 Fair, but it will be the last year that building will be so occupied.

It had been the earnest desire of Fair officials to make this change for the thirty-seventh State Fair, but the arrangement could not be made in time. Under the agreement with the Park Board, however, the new agricultural building will be ready in ample time for 1924. Of course numerous changes and alterations will be made, so as to properly adapt the structure to its new use.

IN CHARGE OF LIVE STOCK AT STATE FAIR

J. E. BOOG-SCOTT DR. A. E. FLOWERS

J. E. Boog-Scott, chairman of the State Live Stock Sanitary Commission, will again be general superintendent of the live stock department at the State Fair of Texas, Dallas, Oct. 13-28.

With him in the live stock department, Dr. A. E. Flowers, official veterinarian, will see to the well being of all entries in the department. No two men in the Southwest are better qualified for their respective places, and the full success of the live stock show at the 1923 fair should be assured under their management. Dr. Flowers will also be active in the racing department, in connection with the revival of the State Fair race meet for the 1923 Exposition. There will be seven running races daily, Oct. 13 to Oct. 20 inclusive, with the exception of Sunday, Oct. 14.

We are prepared to furnish anything in the Marble and Granite line at a reasonable cost and give you first class service. When in need of anything in this line see our agent REV. R. A. CLEMENTS. SWEETWATER MARBLE & GRANITE WORKS

STATE FAIR RODEO TO DETAIL RANCH LIFE IN TEXAS PIONEER DAYS

Recent Story by Eminent Author Might Have Been Scenario for State Fair Show.

The late Emerson Hough, author, just before his death, wrote a magnificent story which he called "North of 36."

It was a tale of old Texas--in the days of late sixties, and of the first cattle drive made up into Kansas and the railroad.

The rodeo to be given at the State Fair of Texas, Dallas, during the second week of the Fair, Oct. 21 to Oct. 28 inclusive, is to give in detail, the manners and customs of those days--to re-live before the eyes of the spectators, the thrilling experiences of the roundup and ranch.

On each afternoon before the race track grand stand, the rodeo program will be carried out. There will

be a whole corral of the wildest horses of the old ranges, and some of the best riders from the range country will take part. There will be roping and branding; cutting-out and rounding-up--all the interesting, skillful work of the range and corral that those hardy sons of Texas were called upon to do, when a ranch was an empire and the owner a king in his domain.

There are many native Texans, who have come into man's and woman's estate during the last two or three decades, to whom such an exhibition will be brand new. There are, too, thousands of loyal Texans by adoption, who will flock to the State Fair for this true-to-nature demonstration of the pioneer life of the Lone Star State.

IMPLEMENT SHOW AT FAIR OF BROADEST INTEREST

Weldon Martin, an eleven-year-old Colton county lad, broke sixty acres of ground this summer with a tractor, establishing a record that many a man might envy.

It may be that young Mr. Martin got his inspiration and suggestion as to what a boy may do with latter-day farm machinery, at the State Fair of Texas.

The implement and tractor show at the State Fair is always of the broadest interest, because Texas is an agricultural commonwealth, and thousands of farmers come to the Fair to see the latest in agricultural equipment. There will be no exception at the 1923 State Fair, Oct. 13-28, when the implement exhibit will be of a most comprehensive character.

HUNT COUNTY DAY AT FAIR TO BE OCT. 18

Hundreds of Hunt County citizens will attend the State Fair of Texas at Dallas on Thursday, Oct. 18, according to advices sent State Fair officials by the chambers of commerce of a number of hustling Hunt County towns.

CATTLE JUDGING BEGINS OCT. 15 AT STATE FAIR

Cattle judging at the State Fair of Texas, Dallas, Oct. 13-28 this year, will begin on Monday, Oct. 15, when beef cattle, hogs and sheep will be passed upon by the judges. Judging continues daily through to Tuesday, Oct. 22, inclusive, with a grand parade of all prize winning animals

TEXAS MAYORS WILL ATTEND STATE FAIR MUNICIPALITIES DAY

Chief Executive of Orange, Texas, Head of League, Much Interested and Expects Big Attendance in October

Chief executives of many Texas cities, together with other officials of live Texas towns, are expected to attend the State Fair of Texas at Dallas next October, in large number.

They will be in Dallas on League of Municipalities Day, to be designated later. At the 1922 State Fair, League Day was Thursday, Oct. 12, the seventh day of the Fair, and the date for 1923, it is expected, will be approximately the same--that is probably the latter part of the first week or the first part of second week of the 1923 Fair--Oct. 13-28.

Mayor W. E. Lea of Orange, Texas, is president of the League for 1923, and has already been in correspondence with Former President A. E. Cockrell, mayor of Ft. Worth; Mayor L. Blaylock of Dallas, and Secretary W. H. Stratton of the Fair Association.

Mr. Lea has expressed the hope and belief that there will be a big attendance this year, and has set the machinery in motion so that fullest publicity will go out from headquarters at Austin, as soon as the date for League of Municipalities Day has been set.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved--Dangerous and Sickening Qualities Removed, Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity--purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water--that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.--(Adv.)

T. & P. WILL DO LARGE BUSINESS HERE THIS FALL

"We will do the largest business in and out Colorado during the present fall season the Texas & Pacific has ever known here," was the comment of E. A. Pistole, divisional superintendent of Big Spring, who spent a few hours here Friday afternoon. Pistole was here to confer with W. B. Ralph, local agent, as to solving congestion in the freight yards. The official intimated that a spur and switches would be built west of the river.

The rail, official praised Colorado for the outstanding evidences of development to be noted throughout the city. "Construction of new business houses, court house, paving and residences of type I find here is an index to a bigger and better Colorado. You have some of the best farm lands I have seen in Texas, an asset which, coupled with your oil field to the west, certainly justifies the improvement you are making."

Pistole stated that he would cooperate with the city in improving

the proposed Texas & Pacific park east of the passenger station. It is understood that earth taken from the streets in excavating for paving will be used to fill in these grounds to a higher level. Mr. Pistole, traveling in his Ford, equipped with flanged wheels to run on the rails, left late in the afternoon for Abilene

Rev. Frank McElroy returned missionary from Africa delivered an address at the First Presbyterian church Wednesday evening.

Next Door to Post Office

SUBSTANTIAL BUILDINGS INDEX TO CITY'S GROWTH

(Continued from page 1)

ell County have voted bonds with which to build and equip a new court house at Colorado. The building is in process of erection and will cost, furnished, \$115,000.

The Colorado schools opened September 3rd, with the best plant in the history of the city. At a cost of \$60,000 the Hutchinson school, a new ward building, has been completed, and the school board recently expended hundreds of dollars in remodeling the high and grammar school buildings and equipping them.

The Colorado high school has 19 affiliated credits and last year 15 graduates attended the University of Texas, in addition to the number of

young men and women from the school to matriculate at other colleges and universities. The district maintains a modern school for negro scholastics, and has segregated the Mexican pupils.

With a dissenting vote of only 44, citizens of Colorado a few months ago authorized the city to adopt provisions of the general paving laws of Texas and negotiate contracts to pave two districts, covering the principal business district. This work is well under way and should be completed January 1. In connection with the paving the city will install a complete white way street lighting system on Second and Walnut streets the two principal business thoroughfares of the city.

During the present year dirt was broken for the American Legion

Memorial, a stone and brick structure to cost \$12,000. The outside walls are near completion. Funds with which to finance this memorial were raised by popular subscription among the people of Mitchell County.

The Colorado National Bank office building, a \$65,000 structure, was completed a few months ago.

Brick and stone work on the C. H. Earnest building, corner Chestnut and Second, and the J. L. Doss building, corner Third and Walnut, are complete. These buildings will be ready for occupancy before the end of the year. Scores of modern cottages have been built within the past 12 months.

At a cost of \$10,000 the West Texas Electric Company is rebuilding its local plant. The Southwestern Bell Telephone Company is likewise rebuilding its service plant. Estimates compiled by engineers of the company a few months ago placed the cost of contemplated improvements to the telephone system at \$22,000.

During the year another gin has been completed, making a total of six. One of the gins has installed a round bale press, the only one in this section of the State. A cotton oil mill and compress are also operated here. The compress is the furthest west in Texas on the Texas and Pacific, and last season pressed 30,000 bales of cotton.

A new ice and cold storage plant, with a capacity of 30 tons daily, will be built here before another season. A part of the plant equipment is already installed.

Colorado has 10 churches. Fraternal organizations are also well represented. The Masonic order contemplates erection of a new temple, costing approximately \$25,000.

The city has one of the strongest commercial organizations in this section of West Texas. Membership in the Colorado Chamber of Commerce totals more than 200, and annual budgets are usually over-subscribed. In addition to keeping an attractive office in the business district and employing a paid secretary, the chamber is supporting the Colorado Booster Band by paying the salary of the director.

A Lions Club with membership of 37 is thriving and co-operates with the Chamber of Commerce in practically all industrial and civic programs. Colorado has a number of women's clubs and one of the strongest federated clubs in this section.

The Chamber of Commerce is co-operating with the Commissioners' Court and the Extension Department A. & M. College, in extension department work in Mitchell County. Both a county and home demonstration agent are employed. They have headquarters at the Chamber of Commerce. During the year the home demonstration agent used 20,000 cans in demonstration work as to preserving vegetables, fruit and meat products alone. Two hundred and twenty-five boys and girls and several rural women's clubs are working under personal direction of the agent.

The Mitchell County Fair Association, organized in 1922, has become a permanent fixture in the affairs of Mitchell County. The second annual fair will be held in Colorado September 20, 21 and 22. It is strictly a county organization, and on the board of directors is represented all of the varied industries of the county.

One of the biggest assets to Colorado and Mitchell County is the oil field, 12 miles west of the city. Three years ago the discovery well was drilled in, and since a well defined field has been proven up. Today there are 10 producing wells and several drilling tests in the field.

The oil industry, which is growing steadily, has been the direct source of bringing into Mitchell County annually more than \$1,000,000 in foreign capital. This money has found its way into every channel of business here. Operators in the field maintain headquarters at Colorado.

IRRIGATION PROJECT NEAR IRA TO BE INVESTIGATED

One of the big irrigation projects of West Texas which will soon be visited and reported upon by the State Board of Water Engineers lies in the southwestern part of Scurry County in the Colorado river valley, about 16 miles from Snyder.

Several preliminary surveys of this project have been made during the past years but from lack of proper legislation it has been deemed unwise to attempt the project.

At the point where the protruding rock embankments on either side of the river are only separated by a gorge some 1500 feet in width is found an ideal damsite and which will require the installation of a dam rising about 100 feet above the Colorado River bed. Stretching back from this point and covering something like 10 square miles is a great, deep natural storage reservoir capable of impounding 200,000 acre feet of water. Above this point and reaching to the head waters of the Colorado on the lower South Plains is an area of more than 2,00 square miles which drains through this territory and capable of filling the reservoir several times during any normal year. Near the damsite and draining back into the river is a natural spillway that will take care of all surplus floodwaters for any project below this one.

The reservoir site is now part of several big ranches and very little farming property will have to be disturbed in the project.

Below the damsite are many thousands of acres of rich land already in cultivation reaching through the southern portion of Scurry County and into Mitchell. The project calls for two main canals, one on either side of the river, widening gradually for many miles and reaching a class of land singularly suited for fruit and truck growing in addition to the other staple crops grown throughout this section.

The annual run-off from the Colorado through this territory totals many hundred thousand acre feet draining as it does the major portion of several counties and there is no reason to believe but that when this project is completed that there will be ample water to take care of considerable more acreage than now contemplated.—E. J. Anderson in Scurry County Times.

USE 670 POUNDS OF POISON

L. E. Bankhead probably has made the hardest fight of any farmer in the community against the worms in his cotton. He has used 670 pounds of poison and has worked almost day and night since the worms first came. He has struggled to keep them from destroying his crop, yet he has suffered much damage. At the outset he had the most promising crop of any the writer had seen, but he has suffered loss that will run into thousands.—Bronte Enterprise.

LORAIN LEADS COLORADO IN NUMBER BALES GINNED

The four gins at Loraine had handled 1800 bales of cotton up to Saturday, a number several hundred in excess of the gin receipts at Colorado. A reporter for The Record spent a few hours in this busy commercial center Saturday afternoon and found the streets and stores jammed with people.

"Business is good," was the usual reply of business men when interrogated as to how the fall trade was opening up with them. At the First State Bank business was at such a state as to necessitate customers waiting in line for their turn to transact business. And it was noticed

that the bank remained open until after four o'clock in order to accommodate the long line of farmers, who, armed with checks received in exchange for cotton sold on the street, came one after the other with clock regularity to either add to an account already standing or open a new one. S. E. Brown, the congenial head of this growing institution, breathed a sigh of relief as he finally cleared his desk and left the building.

The new \$40,000 high school building, at Loraine is nearing completion, according to S. C. Harris, superintendent of schools. Harris stated that the building would be ready for occupancy about October 15 and this date has been set for

opening of school. The Texas & Pacific railway has been directed by the State Railroad Commission to enlarge depot facilities at Loraine in order to care for the growing patronage received there.

The Record sells a 248 PAGE tablet for FIVE CENTS.

DISOLUTION NOTICE

Notice is hereby given that the firm of Vaught and Taylor is this day dissolved by mutual consent. Mr. A. M. Taylor assumes all indebtedness against the firm and will collect all outstanding accounts. Colorado, Texas, September 14th, 1923. 10-5c
 HENRY B. VAUGHT
 A. M. TAYLOR.

WHY PEOPLE SHOULD AT- TEND CHURCH ON SUNDAYS

1. It is a Divine command from God himself to attend church.
2. Men are called of God to preach to people and the preachers cannot preach to the people unless they attend church.
3. The influence of the house of worship is elevating to those who attend the services of God at His house and there is no other place allotted to them to get it except at the House of the Lord.
4. Music is elevating and fascinating. Religious music is inspiring to the soul and you get that kind of music at the house of worship.
5. Your attention is called to the word of God at the House of the Lord in a way different to any other place you go.
6. The mingling of people who believe in a great common cause helps them to be stronger in that cause.
7. The mob spirit has always prevailed. It works in matters of religion as well as in other matters. Get a crowd together and do things which cannot be done otherwise.
8. The folks who are attending church are the people who are giving the money to spread the gospel of Christ to all the world.
9. The people that are being saved are the people who attend church services.
10. We invite you to attend services next Sunday at the Baptist Church where we will have good music, fine fellowship, and will try to give a message that will help you do more like the Master would have you do.

Strangers and visitors are cordially invited to be present at all the services. Remember the Men's Class at the Palace Theatre at 10:00 o'clock each Sunday morning. Remember the Young People's services at 7:00 o'clock each Sunday evening.
 M. C. BISHOP.

CONSIDER OUR ADVANTAGES

Practically every home in this nation has advantage of modern conveniences resulting from development of electricity, telephone, radio, gas and quick transportation. If service rendered by these utilities had not been made nation wide and their output figured on a quantity basis, not even kings could afford to pay for a fraction of con-

veniences which the American home has today for a few dollars a month. Electricity, gas and telephone are the greatest servants of American housewives.

In France, the American Commercial Attache at Paris says poor telephone and telegraph service are causing proposals to take operation out of hands of the government and turn it over to private companies.

In Austria, telephone operators on government system are reported to deliberately slow up calls when refused passes on the government railroads.

In London the telephone is a luxury only of the rich, while in Czecho-Slovakia it is a case of buy government telephone bonds or lose your phone.

And so it goes, while here in the U. S. there is a telephone in almost every other phone in the United States.

What we call household necessities in the U. S. are considered luxuries in Europe. What a monument to American initiative and enterprise.

Is it any wonder American women are noted for their intelligence and beauty, when they have such servants to do their bidding instantly and without complaint.

Thrift Club

The Thrift Club met at the new school building at Cuthbert last Thursday for the Community Fair. Most all members of the club were present. The club girls were there with their exhibit. They have made a great success with their work. Dinner was served at the noon hour and afterwards several good talks were made by Mr. Dulin, Bro. Leach and Miss Laceywell.—Reporter.

Aid Meeting

The Christian aid society met with Mrs. H. B. Broadus Monday. After the devotional period led by Mrs. Broadus dues were paid in and the usual business attended to. The meeting next week will be with Mrs. Bean.

Visit the bazaar before leaving the fair.

THE FLAVOR LASTS

rains will mean much to the cattle industry in Mitchell county. During the downpour of rain Sunday morning the two cattlemen sat in the Chamber of Commerce discussing prospects for ideal grazing facilities during the fall and winter months.

The wild rye crop, which develops in early spring, should be unusually good another year, was the conclusion of both. They recalled that following plenty of rain during the fall the wild crop the following spring had invariably been good. This asset to the range has developed large growth during the past two seasons.

Thus, another example of the old adage, "Every cloud has a silver lining." The continued rains are just what the farmer does not need by any means, as this condition encourages depredations by the leaf worm and keeps the farmer from making full time in harvesting his crop. On the other hand, the rains are received as a boon by the cowman, who is enabled to dream of better ranges and fattened herds later on.

It has been said "The cotton of the Southland provides our coverings the forest are interspersed for our buildings, the great prairies of the west to fill our bins with flour, the coal and oil locked beneath our soil to give light and heat, with the hills of iron, copper, silver and gold and the fruit of all climates. Indeed a richer inheritance was never portioned to any people." Life in the United States ought to be a perpetual thanksgiving.

MONEY MISSED FROM BANK WAS FOUND QUICKLY

BAIRD, Texas, Sept. 18.—Two men and two women claiming to be Gypsies and traveling in a big auto pulled up in front of the First National Bank at 11 o'clock Monday morning. One of the women entered the bank and approaching Mrs. Bess Smith solicited the honor of telling the pretty lady's fortune, which proposition was declined. The women left the bank and entered the auto and the party drove off.

At 11:30 a. m. Mrs. Smith found

her cash twenty dollars shy. She notified Sheriff C. E. Bray who started in pursuit. At 12:22 p. m. he overtook the Gypsies in Cisco, recovered the twenty dollars and returned the identical money stolen to Mrs. Smith at 1:45. The thief was not arrested but warnings were sent out to keep an eye on them. They claimed Abilene as their home and that Ft. Worth was their destination.

Mrs. L. B. Howard is visiting her parents, Dr. and Mrs. Burkett of Abilene.

SECOND ANNUAL FAIR IS OPENED THURSDAY MORNING (Continued from first page)

in Mitchell County in this parade. It is claimed that 2,000 children will form in the line of march, which is to start at the fair grounds. From there the parade will go south on Oak to Second and east on Second street to Chestnut where a turn up Chestnut will be made to North Third street and thence west to the fair grounds. This parade, as well as the decorated automobile parade Thursday morning, will be headed by the Colorado Booster Band.

Hotel and restaurant proprietors of the city have made large preparation to care for the visitors here during the entire three days. There will be no advance in regular prices at any of these establishments. When these places are filled the people of Colorado will open their homes to her guests. There will be no occasion for any visitor to the fair to be neglected as to entertainment while in the city.

Starting Monday morning a crew of workmen began cleaning the agricultural and industrial building and fair grounds and by Tuesday night this building and grounds, around which the fair will be centered, presented an inviting aspect. Carpenters and decorators have been busy since the first of the week preparing booths and setting exhibits in place. Through courtesy of the contractor, a part of the grounds near the court house has been made available to the fair association. Structural steel and other building material on the southeast corner of the court house block was moved toward the west side of the property.

The curb and gutter and paving contractors have also lent their cooperation to the city in doing everything possible to place the streets in as good shape as is possible under the conditions before opening of the fair. Some sections of Second and Walnut streets, which because of excavations were partially closed to traffic, have been cleared temporarily.

Thursday will be Colorado Day, Westbrook Day, Roseoe Day, Hermling Day, American Legion Day and Confederate Veteran's Day. In observance of the day, citizens of Colorado will stage a spectacular decorated automobile parade through the principal streets at 10 o'clock in the morning. The fair association will pay prizes in this event. Special

delegations from other towns are expected to attend the fair Thursday. Friday is Loraine Day, Cuthbert Day, Sterling City Day, Snyder Day, School Children's Day, Martin County Day, and County Federation Day. One of the principal attractions of this day will be the parade of Mitchell County school children to form at 10 o'clock to march through the streets of the city. The Colorado schools will be closed in that purpose and teachers of the city have a part in this feature. Every school in the county is urged to have representation in the parade. Ladies of the county federation will observe the day by entertaining all visiting ladies to the fair. Tea will be served.

Saturday, the closing day of the fair, is Lamesa Day, Big Spring Day, Sweetwater Day, Coahoma Day, Lions Club Day, Chamber of Commerce Day and Farm Bureau Day. Delegations from all of these towns are expected to attend. One of the visiting bands, the Lamesa Chamber of Commerce Band, is expected in Colorado Saturday.

OPENING WEST TEXAS FAIR ABILENE, Sept. 20.—The complete program for the West Texas Fair which opens Monday at Abilene indicates that there will be a greater variety of amusement and exhibit features this year than ever before. Record breaking crowds are expected. Low rates have been announced by all railroads.

In outline of the official program for the week is given as follows:

Monday, 8 a. m. Completion of entries in all departments. Livestock, agriculture, merchants and manufacturers exhibits, automobile show, home economics and educational exhibits.

2:00 p. m.—Swine judging at livestock arena.

6:00 p. m.—Grand decorated parade of the Queen of West Texas.

8:00 p. m.—Opening pageant at grandstand, "The Court of the Queen of West Texas."

Afternoon and night—Wortham shows on the Midway.

Harmony Club. The Harmony Club met with Mrs. J. H. Guitar Tuesday. Her invited guests were: Mesdames H. L. Hutchinson, R. O. Pearson, W. R. Mitchell, J. H. McKinney and A. L. Whipkey. After several interesting games the hostess served a salad course, cream puffs and grape juice. The meeting next week will be with Mrs. J. H. Guitar.

CONCRETE WORK ON COURT HOUSE COMPLETE OCT. 10

Steel and concrete structural work on the court house building will be completed by October 10th, it was stated by the construction foreman Monday morning. Pouring of concrete into forms for columns and third floor slab was begun Monday afternoon. The forms should be completed to the roof level within the next two weeks, he stated. Upon completion of the structural work the hoisting and carpenter crews are to leave for Fort Scott, Kansas, where J. H. Reddick, contractor, has a \$2,000,000 construction job.

Door and window frames and all mill work are being made up at a planing mill at Fort Worth. Shipment of the frames will be made to Colorado probably next week. Interior woodwork will be shipped to the job as needed.

Brick and stone masons are to be started about October 20th. The demand for laborers on this job, as well as other projects under construction in the city, continues strong. Some of the contractors were discussing Monday the probability of importing Mexican labor from El Paso.

The court house will be completed ready for delivery to the county on contract schedule, unless conditions greatly handicapping progress on the job arise. Contract specifies for completion of the building February 1st, of next year.

Progressive 42.

The progressive 42 party given by the Parent-Teacher Association on the lawn of Mr. and Mrs. R. N. Gary last Friday evening was a decided success in every way. The lawn was beautiful, well lighted and a merry crowd enjoyed the ever popular game through the evening. A half holiday had been promised so the children were busy getting votes for their various rooms. The seventh grade won and are looking forward to the reward. Two kinds of sandwiches and iced tea were served by the association. More than fifty dollars was realized which will be applied on the playground equipment fund. The association is doing much to bring about a closer relation with parent and teacher in every way.

Get that 250 page tablet here.

A soap-boxer pointed at a great factory. "Who built that factory? Workmen!" he yelled. "Who run the machines? Workmen! Who get the profits? Capitalists!"

The soap-boxer told a half truth that amounted to a whole lie. His listeners did not know that that particular factory, typical of thousands of others, was a complete refutation of the lie—if only the other half of the truth were told.

It is true the factory was Capitalized—for a million dollars. The net profits gave annual dividends of 8 per cent, or \$80,000, to the stockholders. All that was true.

But it was also true that the million dollar capital was divided up into ten thousand shares of \$100 each. The ownership of these shares was distributed among about one thousand people. Several hundred of them were workmen in the factory. They were saving out of their weekly wages and buying shares on the installment plan. They were Capitalists.

It was likewise true that shares were also owned by workmen in other factories, by clerical workers and by small merchants. A good many were also owned by widows and orphans whose modest estates had been wisely invested for them by their bankers. They were Capitalists.

It was also true that the factory corporation had issued a million dollars in bonds to raise funds to buy the material and pay the wages of workmen to build the factory. These bonds were owned as investments not only by persons of wealth but also by many people of moderate means who had saved out of their wages and salaries. They were Capitalists.

STANTON WILL STORM COLORADO 500 STRONG

"We are going to close up the town and bring all of Stanton's population excepting the night watchman to the fair Friday," is the message received from Stanton Monday. The Stanton delegation will not only include citizens of that progressive West Texas town, but a good representation of the people living outside of the town and in Martin county will be included in this booster delegation. Leaders of the Martin County delegation claim that they are coming 500 strong.

"We have made no change in our original plans to visit the Mitchell County Fair strong," was the message wired from Abilene Monday night by J. N. Falls, secretary of the Martin County Luncheon Club at Stanton, who was in Abilene on business. Falls stated that the delegation would arrive at Colorado at 11 o'clock and immediately form in line for a parade through the city. The visitors will be met in West Colorado by the Colorado Booster Band and representatives of the Chamber of Commerce and Lions Club.

Fair officials have expressed their appreciation for the wonderful spirit of co-operation shown by Stanton in making of the fair a success. "If every town within sixty miles of Colorado was sending such a delegation and putting as much effort into advertising the Mitchell County Fair as those progressive people of Martin County, it would be a problem to handle the thousands of visitors coming to Colorado for the fair," J. A. Sadler, president of the Fair Association stated Tuesday.

Under direction of the Martin Luncheon Club an attractive agricultural exhibit has been brought to the fair. Visitors to the fair should not fail to visit this booth.

NO BOON IN CHEAP MONEY

One thing that has to be given up is the idea that cheap money is always good for business. Farmers want cheap money, business men want cheap money, stock speculators want cheap money, the U. S. Treasury wants to float government loans on cheap money, socialists, anarchists and old-line greenbackers want very, very cheap money. Everybody feels that when the money rate is shoved up it is an arbitrary damper on prosperity.

But we cannot have both a low rate on money and a stable level of prices. We can have one or the other—not both together for any length of time. A low rate of money means an inflated price level. A stable price level means a fluctuating rate of discount. That is, the public must learn to look at the price level instead of the bank reserves, as their measure of expectation for a rise or fall of the value of money.

Now this fact makes me feel that a mistake is made if we do not fully explain to the public the power already exercised by the bank rate and the Federal Reserve Board and Reserve banks. Our bankers and economists see the bad use that is likely to be made of political control of banking and currency and they try to make the people believe that so intricate a question must be left to experts.

As a matter of fact our present methods encourage the very thing we wish to avoid. We let everybody believe that low rates on money are necessary for prosperity and then when bank reserves run low on account of the effects of this belief, we are suddenly compelled to jump the rates to protect the reserves. We get both a cycle of prices and a cycle of bank rates, whereas, if the public understood that the rise of bank rates should not wait until bank reserves are low, but the rates should be advanced several months ahead for the very purpose of preventing a fictitious prosperity with its inflated price level, then the public might be satisfied to support the administrative regulations which raise the rates at a time when there seems to be no need of doing it.—John R. Commons, University of Wisconsin.

Honors for Club Members
The annual convention, Wisconsin Bankers Association, presented diplomas to fifteen boys and five girls successfully completing four years club work, the first time any state bankers association has taken such action.

EDUCATION, NOT PROFIT, IS AIM OF STATE FAIR

Education, not profits, is the aim of the State Fair of Texas—education of the people of Texas and the Southwest as to the possibilities of their section, and at the same time similar education to those outside the Southwestern territory, as to what it has to offer in advantages as a place in which to make their homes and investments.

More of this sort of education will be given at the 1923 State Fair of Texas—Dallas, Oct. 13-28—than ever before. Every industry, craft and science, will be represented. By a proper balance between art and industry, science and agriculture, the State Fair is made thoroughly representative of Southwestern life in general, a great summary of community achievement in all lines of endeavor.

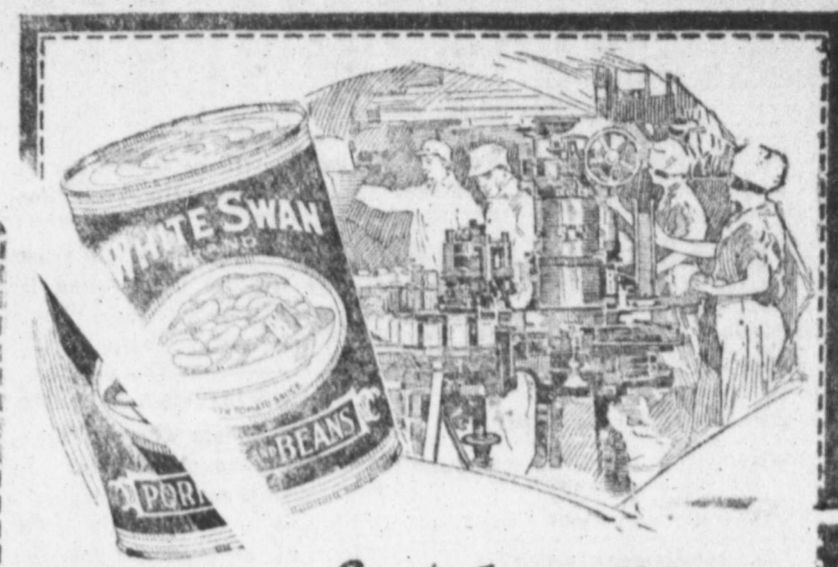

AMERICA'S NEW PLACE

Many Americans fancy that, because labor is well employed and our industries have been reporting substantial earnings and improvement over the depression period, normal has been restored. The truth is, what we must consider normal in the future will be an entirely different thing from what was considered normal prior to the war. One reason is, our new place in the world as the leading creditor nation. That change is a permanent one. We are not going to return to the old position of debtor nation. Bankers in the agricultural communities have come to the conclusion that we cannot afford to maintain an attitude of isolation and that opinion is not a personal one. The men I have talked with are voicing the ideas of the people with whom they have daily business contact.

A great many politico-economists have warned against America's entrance into the European situation, asserting that our foreign trade makes up less than 20 per cent of our production, and therefore is too small an item to be vital or to risk our investment in. They forget, and most people who have listened to them forget, that the unimportant 20 per cent is the difference between full employment of our industries and labor and much unemployment and business depression. If a manufacturing enterprise is running at 90 per cent of capacity, it may be making a fairly good showing of earnings, but it is not running at normal and is not earning the margin which it should earn in order to be fully prosperous. It appears obvious that we shall have to build up foreign investments in this country. But it will be necessary to go slowly in the matter of foreign investments. There must be assurance that whatever we loan will be used for productive purposes.—William E. Knox, Sec.

Miss Ada Cain of San Angelo is here this week visiting her sister, Mrs. R. B. McDonald. Miss Ada is an ex-teacher and is enjoying her visit in Colorado very much.

What we call household necessities in the U. S. are considered luxuries in Europe. What a monument to American initiative and enterprise.

Each perfect-shaped bean cooked to a turn

A special White Swan recipe and the experience of White Swan cooks prevent under- or over-cooking. A selection of the finest tomatoes and not too much pork make a sauce with a new taste—a flavor all its own that will bring you back for more. Serve them just as they come from the can, or heat them if you prefer—either way they add zest to your meal. Even if you are tired of ordinary bean Brand, can begin all over again with White Swan Brand. And the cost is no more.

The reputation of fifty other White Swan food products over a period of more than half a century could not be maintained by anything but the best.

Your grocer has White Swan Pork and Beans in two sizes—10c and 15c.

SETTING THE PACE

El Paso is setting the pace for other West Texas towns and cities, especially those located on the route of principal highways traversing the State. At a cost of \$100,000, the West Texas gate-way to the west, is building and equipping a tourist park, which will, no doubt, be the most complete and attractive in America. This park alone will attract thousands of tourists to El Paso every year.

There are few cities in Texas in which such an expenditure for equipment of tourist parks would be practical, or even possible, but there is not a one, including the small cities and towns, but that could make available to tourists passing their way many of the comforts and conveniences of home by the facilities of good parks. Colorado is lagging behind on this count. The tourist park in East Colorado is a liability rather than an asset to this city. Chamber of Commerce officials here recently inaugurated a campaign to build a good camp home for tourists

ship, working as a unit for development of West Texas.

DANGERS IN THE DARK

In its report to the district court the Tom Green Grand Jury last week had the following to say about the evils of the joy ride in the dark:

"We desire, also you honor, to direct attention to the parking of cars at night on or about the various highways that lead from the city of San Angelo. It is common knowledge that such a condition exists, and we submit—that it is a blot on our civic life and should be stamped out, and stopped as we would a plague."

"In this great land of ours; in the splendid commonwealth of Texas, and in this sun-kissed Concho country, San Angelo and Tom Green County, the home is the very foundation upon which rests every feature of our national, state and civic life, and it stands to all reason that anything, large or small, which tends to undermine the home is tampering with the very tap roots of the American civilization."

"With this basic truth before us, we earnestly submit, that every moral safeguard must be thrown around the home to the end that our boys and girls have the uplifting influences that obtains among a highly cultured and dominantly Christian people. Parents should at all times have the confidence and affection of their children and should at all times, day or night have knowledge of their whereabouts and particularly whom their children associate and the places they visit."

FAIR VISITORS WELCOME

To our guests who are here to attend the Second Annual Mitchell County Fair, we extend a cordial welcome and turn over to you full possession of the city. We are sincere in the statement expressing this welcome and feel honored to have you visit Colorado and see for yourselves some of the things we are doing here. It is true that you have found the streets in bad condition and traffic much congested because of the paving now under way. In so far as your convenience is concerned, it would have been much better had the paving and court house job been out of the way, but such was not practical and we trust you will overlook these handicaps to your passage about the city and with us look ahead to the day when this new construction is completed. Colorado will then look entirely different.

We are proud of the commendable progress being made in Mitchell County by the women, boys and girls, working under direction of agents representing the Extension Department, A. & M. College. The sciences of home economics, diversified farming and their many correlated advantages to the rural home is being "sold" overwhelmingly in the county. The bulk of specimens you will see in the agricultural, fine arts, community and boys and girls clubs departments at the fair is the result of the work of these agents.

Enjoy your visit to Colorado to the fullest extent. We trust you will not allow this to be the last time you will visit us. Come as often as you wish. We hope to know you better and become more firmly woven into the fabric of that progressive citizen-

fast going to pieces. Even Emperor Simmons himself is out in a statement in last Sunday's papers, stating that the clan is on the verge of destruction.

In his desperation he appeals to Clarke to come back and take the reins from Evans to save the order. Clarke is now charged in the federal courts with using the mails to defraud and violating the Mann act (transporting women for immoral purposes). It is a sorry spectacle for the head of the order to have to appeal to this kind of cattle to save this 100 per cent (?) American gang—ain't it?

Every day the papers announce some new suit against the clan—generally filed by ex-members of the clan. We are daily reminded of the old saying that "Where thieves fall out, honest men get their dues."

Information that I deem entirely reliable comes to me that the dues-paying membership of the clan in Dallas has fallen from 15,000 to less than 5,000. In their mad efforts to stop the tide that has set in against them, the Dallas fair management, which is dominated by the Ku Klux members on its board of directors, has set aside one day for "Ku Klux day." Of course, the members from all over Texas will be there and the Dallas Times-Herald and other Ku Klux papers will come out in flaming headlines about how one million Ku Klux attended.

Mr. Ferguson had some sort of idea that Governor Neff was a Klueker so he wrote him a letter. Here is Neff's reply.

Austin, Texas, Aug. 11, 1923
Dear Mr. Ferguson:
Replying to your letter as to my connection if any, with the Ku Klux Klan, desire to say that I am not a member of the clan; have never been a member of the clan; never made application for membership and never took an oath of any kind in connection with or pertaining to this organization. Yours sincerely,
PAT M. NEFF, Governor.

Church membership is too often confounded with religion. Membership in a church does not necessarily imply that any man is really religious, nor does the lack of such membership mean that he is irreligious. The Kaiser was a church member and frequently occupied the pulpit. Cortez, who destroyed a nation and a people was an ardent church member.

WELCOME

Visitors to Mitchell County Fair

The Jones Dry Goods Co., Inc., joins the other business interests of Colorado in extending to you visitors a hearty welcome to the Capitol City of Mitchell County, and to the Mitchell County Fair. We hope you will like our Fair, our town and our county. Make our store headquarters while here, you are always welcome. We shall not insist on selling you merchandise these three days. You are here on pleasure trip. But should you contemplate making purchases while here, we shall be very glad to show you the newest, most up-to-date line of Ready-to-Wear in Colorado. Not a Coat or Dress carried over from last season. If you live anywhere in West Texas you know you can buy piece goods and staples from a Jones store cheaper than they can be bought elsewhere.

Fall Opening and Festival Week

To give the people of Colorado and vicinity an opportunity to see the splendid manner in which the Burns Store of Colorado is prepared to supply your every need for fall and winter, we have arranged to hold this Fall Opening and Festival Week. During this event we will have on display for your convenient viewing the merchandise in which we specialize. It will prove especially worth your while to come to Burns during this week, for in our store you will find special values in articles that you will have to buy soon and which you can buy now at appreciable savings. Plan to come early and stay late--friends you have not seen in months will be here, and our rest room will be at your disposal when you may sit and talk as long as you like.

LORAINNE NEWS

Local and Personal News About Loraine and Vicinity

MRS. ZORA DEAN

Mrs. Dean is also authorized to receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Walpkey Printing Company in Loraine and vicinity. See her and take your County paper.

Look at the label on your Record. All papers will be stopped when time is out. If our label reads 1Mar25, it means your time was out first of March, 1925.

Sunday afternoon at 5 o'clock, Sept. 16, Mr. Jack Cardwell and Miss Thelma Ruth Shafer were united in marriage at Roscoe, P. A. Smith, of that city officiating. Mr. and Mrs. Cardwell returned here by automobile Sunday night to the home of the groom's parents, Mr. and Mrs. W. M. Cardwell. They were accompanied by Mr. Walter Potter and Miss Thula Shafer of Roscoe. The bride is the daughter of Mr. and Mrs. A. B. Shafer of Roscoe and has made for herself a number of friends who admire and respect her very highly. The groom is the youngest son of Mr. and Mrs. W. M. Cardwell of this place and is well and favorably known, being a successful and progressive young business man. Their many friends join in felicitating each on the happy union of hearts and lives.

Methodist Church

Let everybody come to services Sunday and Sunday night. The subject for the morning hour will be, Elijah, the Fire Eater. At the evening hour we will preach on character building. This is a special message for the young people. We want every body to come, but we extend a special invitation to all of the young people of the town and community.

W. H. HANKE, Pastor.

Mr. and Mrs. W. P. Hairston and son and Mrs. J. P. White of China Grove were business visitors to our city Monday.

The East Loraine Gin footed the bill on concrete dips and graded the street from the Bank to the gin, last week, both for the benefit of their customers and town at large. The Bank is also doing considerable concreting in front of their building. Mr. W. L. Edmondson has moved out all his mill fixtures, concreting the floor of his mill house and is now making a hardware and furniture store of same.

Cotton sold on the streets here Monday for 28.50.

The parent-teachers club was rewarded with a splendid patronage when they served sandwiches, pie and coffee Saturday on the Edmondson sidewalk for the benefit of the school. The receipts totaled \$20.15 which is to be used in a payment on a piano for the school. Those assisting at the tables Saturday were Mesdames T. R. Bennett, C. H. Manley, Frank Johnson, I. B. Baird, W. L. Hester and S. C. Harris. A chicken dinner will be served at the same place next Saturday by the club.

Mr. and Mrs. T. W. Evans of Valley View were in on business Monday.

Mrs. John Martin, Mrs. Harry Cranfill and son Dennie, motored to Colorado on business Monday afternoon.

Mr. and Mrs. J. L. Fine and daughter, who live near Champion, were in on business Monday.

Mrs. C. H. Manley and father, Mr. J. M. Winstead visited relatives at Buford Monday.

W. S. Wimberley made a business trip to Colorado Monday.

Mr. A. Foy of near Baumann spent the week-end here visiting.

Mrs. C. A. McCay and children who have been visiting her mother, Mrs. G. J. Richey for the past two weeks left Monday for their home at Turkey.

Miss Audrey Farris who has been visiting here from Sweetwater, returned home last of the week accompanied by her grandmother, Mrs. S. M. Hallmark who spent the week-end visiting her daughter there.

Mrs. J. R. Martin and children of Donna, who have been here past week visiting her sister, Mrs. C. E. Green left for Brownwood Tuesday.

Mrs. A. E. Anderson and children east of town visited with her sister, Mrs. Jessie Garrett Sunday night.

Messrs J. W. Edmondson and Malcolm Bruce left Tuesday for Abilene to enter McMurry College.

Mr. and Mrs. Bob Anderson of Lamesa spent the last of the week here visiting Mrs. Anderson's parents, Mr. and Mrs. J. C. White.

Saturday afternoon from 3 to 5 o'clock Ruth L. Marshall celebrated her 9th birthday anniversary by inviting her little friends to enjoy the afternoon at her home southwest of town and playing games dear to children's hearts. There were 21 present and all enjoyed the appreciation of the many nice little gifts Ruth L. received.

Rev. G. C. Farris of Sweetwater will fill his regular appointment at Bethel Saturday night, Sunday and Sunday night.

Mr. and Mrs. W. M. Cardwell received card announcing the arrival of a fine grandson, born September 15 to Mr. and Mrs. O. Glenn of Seagoville.

W. F. Thweatt left on the early morning train for Ft. Worth on business Tuesday.

Mrs. Doss Mader of Valley View and mother, Mrs. E. D. Safford and brother who were here visiting and family visited in the home of B. Wilkerson and family Sunday. Mrs. Sandifer left Sunday night for her home at Nimrod.

Tom Allen and son L. M., who have been here prospecting have located at Snyder and left for their homes at Mineral Wells, Thursday to ship out and move back. Mr. Allen owns a farm near China Grove but has been living at Mineral Wells for several years.

B. Wilkerson while doing some work on the school building stepped on a rotten plank and fell Monday rendering him unconscious for a few minutes. Fortunately however, no bones were broken. He was painfully bruised but is doing nicely at this writing.

A fine boy arrived at the home of Mr. and Mrs. Ira Crowover in West Loraine Tuesday, Sept. 13.

The Rebekah Lodge met Monday night with a good attendance. A degree staff was organized consisting of 16. Mrs. W. L. Hester being captain. One member was initiated.

Mrs. J. T. Ledbetter attended the Odd Fellow and Rebekah Association at Abilene Friday and came home with the Medal of Post Grand Charge. This is the 3rd medal Mrs. Ledbetter has been awarded in this order.

Mrs. Jim Marshall and children were in shopping Monday afternoon.

What will West Texas think, when a new institution is once in operation, to find the legislature parsimonious in appropriating the money to maintain it, starting it year in and year out, if it starved at the college, the university and other great educational institutions which go to make up the State's system of higher education?

The Colorado Record's managers that with the "Tech" located at Lubbock, West Texas will come to the next legislature denouncing a real Act of Congress. Why would it not be better to spend the educational survey and ascertain just in what way the State's system of education from the common school to the university should be developed?

Commerce and landowners have their uses, but they are not to judge things by their money value. The Post would prefer to submit questions involving the State's educational needs to a commission whose members are familiar with educational problems, and who see something in a college beyond the amount of money that will limit location, spend for land, in its building, for material and wages; and, in its operation, for the food, clothing and other necessities the faculty and student body may require.

West Texas and its enterprising people would be wise to lay aside their sectionalism and their threats of political reprisals, and study the official statistics of the counties of the State with respect to population and taxable value.

LONGFELLOW

Cotton picking is still at a high pitch. Almost every one has pickers in the field now. The rain Saturday and Sunday seemed to be the starting of a wet fall but these warm sunny days make the old farmers feel better.

Singing and Sunday school Sunday

afternoon was knocked out on account of the rain. But we will meet next Sunday and begin making plans for the singing at Buford the 2nd Sunday in October.

Little Mrs. Ruth Paul had her tonsils removed Tuesday and is getting along nicely.

Miss Eva Davis of Buford, was visiting her cousin, Edna Davis this week-end. Mr. and Mrs. Mitchell entertained the young folks with a play party Saturday night.

A. P. L. Buckalew was visiting in Lamesa this week-end. Mr. Buckalew is planning to make his home there next year.

Mr. and Mrs. Pendergrass and family spent Sunday in Loraine.

Mr. and Mrs. J. Smith have moved to town where he will work in a gin this year.

Miss Beattie E. Smith is working at the Buford gin. She is bookkeeper. Her father, D. P. Smith is also working there as manager.

FEED COW SHOW

The following patients have been operated on at the Colorado Sanitarium since Sept. 1st:

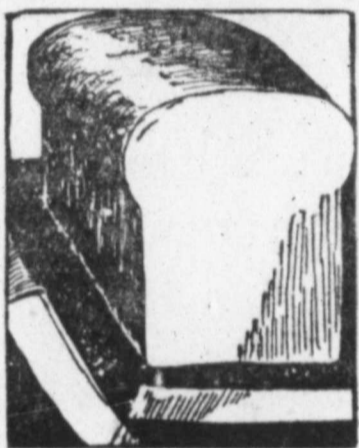

- Ben Davis, Mrs. George Smith, Miss Della Mae Barber, Miss Helen Hamilton, Loyd Hamilton, Mrs. Niel Yater, Fred Harrel, Ella Louise Mauldin, Ruth Popd, Mrs. Sailors, Mrs. B. D. Smith, Miss Velma Carpenter, Mrs. Tom Burres, Wm. Canthron, Mrs. O. D. Peterson.

Opening Display *Madge Evans*

THREE HANDICAPS ON STATE FAIR RACE PROGRAM

Stake Races Attractive—Hot Purses Also Carded as Specials

With three handicaps and an equal number of special purse events, the program for the race meet at the State Fair of Texas, Oct. 13-28 this year, is off the press and in the mail.

Rules of the Kentucky State Racing Commission will govern the State Fair meet, which will consist of six races daily, beginning Saturday, Oct. 13, and ending Saturday, Oct. 20. There will be no racing on Sunday, Oct. 14.

The Cotton Stakes, "The Palace Majestic Handicap" and the "Adolphus Handicap" are the three stake events, which, as are the special purses named, will be the fourth races on their respective days. The Cotton Stakes is carded for Dallas Day, Tuesday, Oct. 16, the "Palace Majestic" for Thursday, Oct. 18 and the "Adolphus" for closing day, Oct. 20.

For the Cotton Stakes \$2,000 is added by the Dallas Cotton Exchange, with the distance at one and one-sixteenth miles, for three-year-olds and upward.

Two Theaters Named? "The Palace-Majestic" is for the same ages, with allowances, and the distance is the full course of seven furlongs, 150 feet. The Palace and Majestic Theaters of Dallas, add \$1,500 to the stake.

The "Adolphus" is at one mile with \$1,000 added by that hotel, and is for 3-year-olds and upward.

Entries for all three stake events close on Oct. 1, and the speed program carries entry blanks, many of which, it is expected, will be returned well before closing date.

Hotel Purse Opening Day. The Jefferson Hotel purse for opening day, the St. George Hotel purse for the second day, Monday, Oct. 15, and the Waldorf Hotel purse for the fourth day, Wednesday, Oct. 17, are also carded as special events, at one mile for all three races. Each is for three-year-olds and upward, with weights 112 pounds in the Jefferson, 114 in the St. George and 105 pounds in the Waldorf. The latter event is for 3-year-olds which have not won two races since July 31, with 115 pounds prescribed for horses over three years. In the St. George the "older" weights are 120 pounds and in the Jefferson 118 pounds for four-year-olds and 120 pounds for others.

Purses of \$400 will be divided \$300, \$70 and \$30, and those of \$300 will go \$225, \$50 and \$25.

As has been previously announced, Joseph A. Murphy, who officiated on the State Fair track in old days, will be the racing judge, with Arthur McKnight, also a veteran of a dozen years or more ago, as official starter.

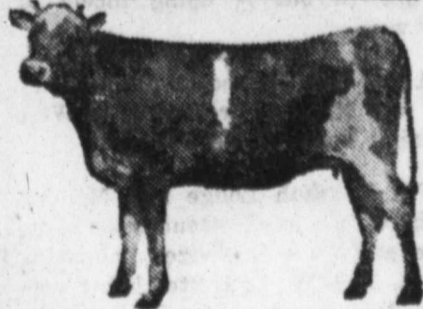

ART LANDRY'S JAZZ BAND TO APPEAR IN THE COLISEUM

Art Landry and his famous Chicago jazz band will be heard in the Coliseum at the State Fair, Dallas, Oct. 13-28 this year, in connection with the magnificent Coliseum stage production, in which 75 people will appear.

The band consists of strings, saxophones and some heavy brasses, and presents a fine appearance. It furnishes the most up-to-date music and snappy, popular late successes.

It is expected the appearance of this musical organization will be one of the delightful musical treats of the fair and appeal to all visitors as one of the distinct novelties of the season.

ED C. LASATER AND A JERSEY LASS

Here you see Ed C. Lasater of Fairbairns, Texas, president of the Texas Jersey Cattle Club—and a Jersey lass.

Mr. Lasater wears the smile that won't come off—characteristic with him. The lass is Noble Lad's Lady Judy, of the Flowerdale Farms, Dallas, junior champion at the 1922 State Fair of Texas.

Texas Jersey cattle breeders and owners will be at the 1923 State Fair on Oct. 15, the day when Jerseys are to be judged, and when the Texas Jersey Cattle Club will hold a meeting and attend a banquet at night.

Welcome VISITORS

To The Mitchell County Fair Hoping to Meet You Again

While attending the Fair, while visiting Colorado, while enjoying an hour give us a visit. A moment of your time will be appreciated by us, while that moment may be of benefit to you in the way of a great saving on your fall purchases. Since we have enlarged the store we have also enlarged the stock. Our intentions are to double our business we have done in the past year. Our past months have more than doubled the same months last year. The outlook for the future looks much better. The more we sell the less margin of profit we need to operate our business. A fair revenue on our investment is all we want. We are the home of---

- HART SCHAFFNER & MARX CLOTHES
- STAC YADAMS SHOES
- JOHN B. STETSON HATS
- RED GOOSE SHOES
- SANTOY FLAPPER DRESSES

And all other Standard Merchandise which is kept in a first class dry goods store.

Make Colorado your home, Mitchell County Fair a family reunion and the Colorado Bargain House Your marketing place. Thanking you for your past patronage and hoping to meet you again and again, with greetings.

did he like them & he sed Yes he did. So I sed 2 him Well you can have mine. He diddnt. Jake and me had a hot hamburger at the College Store today and a red soda pop. Hotzikkity it was fine doins. Also several others is buying stuff from this place also, wich is alright I guess. We had sum time today. The pruffessor fell down the stairs at the hutchinson skool and knocked the plasterin off the wall. Miss McMurry sed dit it hurt. He sed You mean the wall or my bed. she walked away like she didnt appreciate the situation. Did I laff, I'll say didnt do nothing else but.

Tuesday—pa was playeing on the Fonograf & decided he wood get a church peace so he went 2 the Tele. fone & fng up mr. W. L. Doses drug store and Will answered and sed What do you want & pe sed Take Me As I Am, Willie sed Who you think yure a tawking 2. Pa sed Haint you the Musick store wot sells His Masters Voice rekords. He sed yes but we have got one dog here now and we dont want no more. Pa rung off.

Wednesday—after skool was out Jake and me went a hunteing up in Old Man Lasky's thicket. We had just started when he came along and sed What you kids doing in my woods now git out. So we started. He laffed, and we knowed he was n joking, so we went ahead. He's a good old skout, even if pa aint in his class.

Thursday—Teacher ast Jane wot was that cat had in her mouf. She sed authin. Teecher sed Well spit it out, so she spit out a nickles wurth of Spearmint. I snickered & Jane frose me with 1 of her looks. We are not very klose friends now. I am going to buy her sum kandy the next week if I can brake up another settin ten and work them off on mr. H. Bracy Broadus fur two bits a doz.

grass. I bet him a rubber Balune wot I had bot at the Racket store, that he diddnt. He sed 2 feed grass 2 the cow wich wood give milk & then you churne the Butter. He hasent got his Balune yet. Mebby he wont neither. He sed, yisterday was notday fur us kids. We went to the fare and had a grate time. We paraded and everything, and had a grate time keepin time with that bunch wot call themselves the boost-er band. Sam Goldman was so short he couldnt be seen in the crowd, he maid lots racket though.

Sunday teacher allowed me 2 go home from Sunday skool early today. The way it happened was this- way. She sed Repeat the 10nd commandment & I sed it was Eat, drink and be Mary today and tomorrow youll be Dry. She sed 2 me Slat you, May go home now & study yure Bible. Which I did but I diddnt study any. Chicken fur dinner.

Monday—more chicken today, ma give me the neck 2 eat & I objecked to it & pa sed when he was a little boy he had all ways ate the neck & the back & the nuckles. I ast him

SLAT'S DIARY
Friday—When the teacher ast me describe the Manners & Costumes of the Natives of the Cannonfall eyelands I wusent able 2 Decide so I sed I diddnt kno. So she ast Jake wich was holding up his hand wich was dirty like com mon. So she sed Jake you may tell us. He replied & sed They haint eny manners nor no costumes airy 1. The onliest thing they ward down there is a sunburn. Teecher sed you may bee seated.
Saturday—Jake sed 2 me he know'd how 2 make butter out of

TO SHOW WEST TEXAS PRODUCTS AT VARIOUS FAIRS

STAMFORD, Sept. 18.—The major exhibit program of the West Texas Chamber of Commerce moved rapidly forward during the past ten days. With a short time the All-West Texas Exhibits will be on display at many of the leading fairs of the United States. Dr. O. H. Loyd of Vega, vice-chairman of the Exhibit committee of the West Texas Chamber of Commerce, is now showing the All-West Texas exhibit at the Kansas State Fair at Hutchinson. This exhibit will be moved from Hutchinson to Wichita, Kansas on Sept. 22nd and on Sept 24th will open for display at the International Wheat and Soil Products Exposition in Wichita. It will remain in Wichita until October 7th, in charge of Dr. Loyd, when it will be shipped to Waco to form part of the concentrated All-West Texas exhibit to be shown at the Texas Cotton Palace from October 20th to November 4th.

Maury Hopkins left Floydada, where he assembled the All-West Texas exhibit No. 2 for Oklahoma City, and is now putting up this exhibit for display at the Oklahoma State Fair in Oklahoma City, where it will be shown from Sept. 21st to Sept. 29th, after being shown at Oklahoma City. Hopkins will move this exhibit to Austin where other exhibit matter will be added to it and where at the Texas State Exposition there will be shown the All-West Texas exhibit. B. M. Whitaker exhibit manager of the West Texas Chamber of Commerce, will have charge of displaying the exhibit at Austin, also later at Waco. Mr. Whitaker will leave for Austin Sept. 24. In the meantime the All-West Texas exhibit No. 4 is being assembled at Brady, Texas, under the immediate auspices of Wm. Cargill. This exhibit will be shipped from Brady to Meridian, Miss., on or about Oct. 1st, and will then be shown at Meridian at the Mississippi-Alabama State Fair. It will remain at Meridian until October 13th when it will be moved to Macon, Ga., and shown at the Georgia State aFir October 18 to 27 inclusive.

In the meantime representatives of the exhibit bureau of the West Texas Chamber of Commerce are working in the field endeavoring to get as many counties as possible to show individual exhibits at the reg-

ional West Texas Fairs at Abilene, San Angelo, Wichita Falls, Amarillo and Lubbock. After being shown at the various regional fairs the different counties will then express their individual county exhibits to the State Fair of Texas at Dallas, where the same will be displayed under individual county auspices from Oct. 15 to 28 inclusive.

J. H. McKinney and family have recently moved to Colorado and have an apartment at the F. E. McKenzie residence in north Colorado. Mr. McKinney is manager of the Concrete gin. His son, James left this week for Lexington, Va., to enter Washington-Lee University.

Helen Mae and Edwina McDonald returned to their home in Dallas last Friday after a visit with their aunt, Mrs. A. L. Whipkey.

Mission Club

The mission club of the Presbyterian church met with Miss Mildred Coleman last Thursday. Mrs. A. H. Dolman led the devotional also the program on Japan. Mrs. Milwee was welcomed back into the club after an extended leave of absence. At the social hour the hostess served a salad course.

Mrs. J. G. Merritt, H. J. Broadus, Tom Hughes, J. B. Dohls, Roy Dozier, Charlie Thompson, Boyd Dozier, Ed Jones and A. L. Whipkey were in Sweetwater last Thursday to hear Mrs. Phoebe K. Warner speak at the Tri-County teachers' institute.

H. F. Wade and Harry Cross were here from Sweetwater Friday and spent a short time in the city on business.

Farmers' Immediate Needs--
