COLORADO LIONS PLEDGE \$890 TO NURSE BUDGET

Following the appeal of J. H. Greene, county chapter chairman, Miss Kennedy of Paris, Red Cross nursing supervisor for the State, Col. C. M. Adams and others for support in raising a quota of \$8,000 to meet expense of employing a public nurse for the county, members of the Lions Club subscribed \$890.00 Friday while in attendance at the weekly luncheon. Miss Kennedy told of the needs for such a nurse, especially among school children and to supervise nursing in general in the county. The nurse, if employed, will not go into the home and take active charge of caring for any sick or injured person, Miss Kennedy stated, but her duties will be to supervise this work and give such first aid assistance as may be needed. It is not so much the duty of the nurse to care for the sick, as it is to keep the well from getting sick, was the conclusion drawn by the State supervisor.

Miss Kennedy was in charge of the nursing service of the American Red Cross in Mitchell County during its relief work here following the cyclone a few months ago. She spoke of her sincere devotion to the entire citizenship of the county and in behalf of the organization renewed her appreciation for the fine spirit of co-operation shown the Red Cross during its work here.

"Mitchell County will be ungrateful if she fails to raise this quota of \$8,000 for the American Red Cross," was the statement of Col. C. M. Adams as he launched into a strong appeal for the entire citizenship to support the organization. Adams, in a brief way, recalled the work of the organization among storm sufferers here following the storm. Col. Adams subscribed \$150 to the fund for himself, wife and daughter. Another large subscriber was J. M. Thomas, vice president of the Colorado National Bank, who subscribed \$50 for the bank, "and fifty more, if needed," and \$50 for himself. There were three other fifty dollar subscriptions, as follows: City National Bank, West Texas Electric Company and J. H. Greene. There were a number of \$25 subscriptions.

Mesdames J. G. Merritt, A. L. Whipkey and H. B. Broadus of Colorado and Dr. Hester, Williams and Bennett of Lorraine, Mitchell County Club women who are co-operating with the county chairman and Miss Kennedy in raising the quota, were guests of the club at the luncheon.

Addresses were delivered by some of these visiting ladies. Mesdames Whipkey and Merritt were in Lorraine Wednesday afternoon to assist in organizing forces there to solicit membership payments during the Seventh Annual Roll Call, which opened Sunday.

LIONS COMPLETING PLANS FOR SWEETWATER BANQUET

Arrangements for the banquet at Hotel Wright, Sweetwater, on the evening of Friday, November 23, are practically complete. M. S. Goldman, member of the entertainment committee representing the Colorado and Abilene Lions Clubs, stated Thursday. The two clubs are to be hosts to a number of prominent business and professional men of Sweetwater.

The principal address is to be delivered by Col. Louis C. Perry, president Texas Military College at Terrell and district governor of Lions Clubs for Texas and New Mexico. Tentative plans for organization of a Lions Club at Sweetwater following the banquet have been made.

FARMERS AGAIN GATHERING COTTON FOLLOWING RAINS

With the return of fair weather this week farmers of the Colorado territory are again busying themselves to the task of gathering the remainder of their cotton crop. With favorable weather during the next two weeks but little of the crop will remain in the fields.

MAURICE COUGHRAN MEETS TRAGIC DEATH NEAR CITY

Maurice Coughran, an employee at the Miller lease of S. A. Sloan et al, was instantly killed at noon Tuesday while at work in the field. Coughran had entered one of the storage tanks at the Sloan Miller No. One well and was overcome by gas fumes. He was dead when taken from the tank a few minutes later by fellow workmen, who worked for some time in the attempt to resuscitate him, but to no avail. Physicians were hurriedly called from Colorado but Coughran was pronounced dead when they reached him.

The body was brought to Colorado and prepared for burial by J. H. Greene. Funeral services were conducted Thursday morning at the First Methodist church at 10 o'clock by Rev. J. F. Lawlis, with burial following in I. O. O. F. Cemetery. Coughran was a former service man and pall bearers were selected from among members of the Oran C. Hooker Post, American Legion. Services at the church and cemetery were attended by a large number of friends of the family and the floral tribute was beautiful.

Maurice Coughran was 27 years of age and is survived by his wife and one small child. He is one of a large family of children whose parents died while most of them were small. They were reared in this county. The father, G. E. Coughran, was among the pioneer settlers and for several years was sheriff of Mitchell County.

During his address at the funeral services, Rev. Mr. Lawlis, among other things, said:

"Maurice E. Coughran was born November 29, 1896 at Floresville, Texas. His youth and young manhood was spent in Marfa and Colorado, Texas. He joined the Methodist church in Colorado when a young man, taking his membership with him when he moved away and bringing it back with him last year. In 1918 he enlisted in the service of his country in the World War and was in training at Ft. Worth and San Antonio. He lacked about ten days getting his commission when the war closed. During 1920 he lived at Morgan, Texas, where he met and married Miss Erna Gee Belcher. He leaves a wife and little daughter. Three brothers, R. A. of Houston; John of El Paso, and G. G. of Dallas. He leaves three sisters, Mrs. O. E. Avery of El Paso; Mrs. R. V. Linscott, and Miss Etta May Coughran of Ft. Worth. His going so suddenly is not only a great shock to the relatives and friends but a tragedy. Life so young, so full of hope and strength so soon cut off to fly away and be no more is beyond our understanding. We must in such cases and under such circumstances resign our future and our fate to one who has revealed Himself as the All Powerful God and who assures us that He doeth all things well."

MITCHELL DISTRICT COURT TO CONVENE HERE MONDAY

The district court of Mitchell County will be convened at Colorado Monday morning by Hon. W. P. Leslie, judge of the 32nd judicial district. The first act of the court will probably be to empanel grand jury for the term. The newly appointed district attorney, Judge James T. Brooks of Big Spring, will represent the State in the grand jury room and in the trial of any criminal cases to be heard.

PECANS DO WELL HERE, COUNTY AGENT DECLARES

W. A. Dulin, county farm agent, is authority for the statement that pecans will thrive as well in Mitchell County as any section of the State. Dulin is recommending that these trees should be purchased more generally by the people of Mitchell County than they have in the past, since they develop into attractive shade trees and at the same time bear valuable fruit. The agent expects to see several hundred pecan trees set out here during the present season.

CALIFORNIA ERECTING 2ND RIG ON A. L. MILLER LEASE

Rig for the second well on the A. L. Miller lease of the California Company is being erected this week. This lease, on which is located A. L. Miller No. 1 of the company, a good producer, is well within proven territory and among the most valuable property in the field.

The crew at O'Neill One of S. A. Sloan et al are cleaning out following a nitro shot last week and the well is showing for production as good as the best in the field. The well will be tubed and placed on pump and production sold to pipe line company.

Morrison Four of the Underwriters Producing & Refining Company will go on the pump today. S. S. Owen, general manager of the Underwriters Company, stated Thursday morning that he believed this well would develop a daily production of at least 200 barrels. The well was shot last week and the crew completed cleaning out Wednesday. Tubing was being set Thursday.

Badgett One of Bill Thomson, a material extension of the field to the northwest, has also developed a good commercial well, following a heavy nitro shot Thursday of last week. The well cleaned out following the shot. Extending between the Thomson well and Miller No. 1 of S. A. Sloan et al, is a territory of more than three miles of valuable acreage and which local oil men believe is due for large development within the next few months. A block of this acreage is owned by Chal Daniel and associates who, according to unconfirmed reports, are to drill within the near future.

The Sloan Oil Company was drilling at 750 feet at their Smartt No. 2 Thursday. This test, located on the Smartt lease well within proven territory, will be watched with interest by the oil fraternity.

CHAMBER OF COMMERCE TO HOLD EXECUTIVE SESSION

Executives of the Colorado Chamber of Commerce were to convene in executive session at the Pullman Cafe Thursday evening at 6:15, according to Dr. P. C. Coleman, president of the chamber. Nothing aside from the usual routine business was pending, it was stated.

COLORADO STOPS BUSINESS IN RECOGNITION NOV. 11

Out of respect of Armistice, business of practically every nature was suspended throughout the day Monday. Because of the programs observed Sunday at the Methodist and Baptist churches, no official program was carried out Monday.

LEGION MEMORIAL HUT BE COMPLETED AT ONCE

Funds with which to complete the American Legion Memorial building are available and the structure will be finished without delay, Jack Helton, post commander, announced Tuesday. Through Earl Morrison, local realty and loan broker, the post has obtained a loan of \$6,000 on the property, which is claimed to be sufficient to complete and furnish the building. The loan is to extend over a period of six years, with interest at the rate of eight per cent.

W. W. Whipkey has been named by the post as architect to supervise completion of the building. Plans are being drafted for completion of the building and as soon as these are accepted bids will be called for. F. F. DuBose and C. C. Pritchett were named as assistants to Whipkey in directing completion of the memorial.

The Legion Memorial building, a substantial brick and stone structure at corner of Chestnut and Third streets, was started early in the present year and the outside walls were practically completed when the post was forced to suspend work on account of lack of funds. It is estimated the building is half completed. The property will be valued at \$12,000 when completed.

DISTINGUISHED SOLDIER OF CONFEDERACY IS DEAD HERE

Captain M. M. Hines, distinguished soldier and army officer of the Southern Confederacy, died at his late home in Colorado Tuesday morning at five o'clock and following religious services conducted in the home by Rev. J. F. Lawlis, pastor of the First Methodist church, the body was carried to New Iatan for burial near his old home. He is survived by his widow who is 81 years of age.

Born in North Carolina in 1840, Captain Hines had just attained his maturity when the Civil War broke out. He was among the first to enlist his services to the Southern Confederacy and during the first year of the war saw active service in the First North Carolina Regiment. In 1862 he was transferred to the Third North Carolina Regiment and served continuously until the end of the war.

He was promoted from rank to rank until receiving a commission as Captain and during many of the leading battles of the four years was in personal command of a division of troops. Among the battles in which he fought are the following:

Yorktown, Williamsburg, Seven Pines, South Mountain, Second Manassas, Fredericksburg, Chancellorsville, and Gettysburg. He was wounded in the battle of Seven Pines near Richmond and again during the battle of Gettysburg, but was soon on the front again. Captain Hines held the distinction of being an officer to never break down in line of march nor to run up the white flag when flanked by the enemy.

In 1869, soon after close of the war, Captain Hines moved to Texas and settled in Denton County. He came to Mitchell County in 1884 and had made his home here ever since. He professed religion in Denton County in 1872, at the same time and place the Rev. J. M. Shufford of Colorado, his brother-in-law, was converted, and together they joined the Methodist church. Rev. Mr. Shufford was with Captain Hines in some of the battles of the Civil War.

COMMISSIONERS TO EXPEND ROAD FUNDS ON RATIO BASIS

Funds accruing in the road and bridge funds of the county are to be expended in the future on the proportionate ratio based on actual property valuations in each Commissioners' Precinct, according to the provisions of an order passed by the court in regular session here Monday. This means that in the future each Commissioners' Precinct will receive for road and bridge purposes its proportionate share of this fund. This distribution will also include the automobile road tax.

ROAD BOND TAX ON 160 ACRES \$11.68 ANNUALLY

Based on the present taxable valuation of property in Mitchell County, the proposed road bond issue of \$650,000 would cost the man paying taxes on 160 acres \$11.68 annually, based on a rendition of \$10.00 per acre, and according to the tax rolls there is no land in the county rendered above that figure for county and state taxes. The average valuation of lands in the county as assessed on the 1923 rolls is given at \$5.72 per acre. The bond tax, based on this average and the present county valuation, would be \$9.417 per acre.

The above figures were submitted to the citizens committee Wednesday afternoon by County Judge J. C. Hall and Judge M. H. Smith of Dallas, legal representative of the county during the proposed election and bond sale.

NEW GROCERY OPENS IN JOHN L. DOSS BUILDING

Among the newest business enterprises in Colorado is the new grocery being opened for business this week in the John L. Doss building, Walnut and Third streets by V. R. Elliott. Mr. Elliott is making announcement of his opening in another column of the Record today.

PETITION COMMISSIONERS TO ORDER \$650,000 BOND ELECTION

WOULD PAVE BANKHEAD HIGHWAY WITH CONCRETE AND IMPROVE PRINCIPAL LATERAL ROADS; STATE AID IS ASSURED

Petitions asking Commissioners' Court to order an election to determine whether county shall be authorized to issue bonds in the sum of \$650,000 with which to pave the Bankhead Highway across the county with concrete and improve and maintain the principal lateral roads of the county are being circulated this week by a citizens committee named in Colorado Friday afternoon at a mass meeting attended by some thirty representative citizens of the county.

The county mass meeting was convened at the Chamber of Commerce at three o'clock and Dr. P. C. Coleman, president of the local Chamber of Commerce, was named as presiding officer. Following considerable discussion as to the needs of the county, it was unanimously determined that a campaign to vote bonds in the sum designated be inaugurated, \$325,000 or so much thereof as may be necessary, being set aside for the purpose of paving the highway and the remainder to be proportioned to the four commissioners' precincts in proportion that the taxable values bear, based on 1923 renditions. Expenditure of all funds for lateral road improvement is to be under jurisdiction of the county commissioners and a citizens committee, of one citizen from each precinct, who will act with the commissioner in an advisory capacity.

The petitions recite that the bonds if voted, shall be serial bonds, maturing in from one to thirty years from date and that they shall bear interest to not exceed five and one-half per cent per annum. The issue would require a tax levy of seventy-two cents on the one hundred dollars valuation of property to provide interest and sinking fund.

Assistant Bridge Engineer F. F. DuBose, made the estimate that it would cost nine hundred thousand dollars to build a concrete paved road over the Bankhead Highway, a distance of some thirty-two miles across the county from east to west. Of this amount, based upon State and Federal aid to the extent of two to one, Mitchell County would be

called upon to bear \$300,000 of the expense, the other \$600,000 being paid out of funds appropriated to the county through the State Highway Department.

In order to ascertain what the Highway Department would do, in case the county voted bonds with which to permanently improve its designated highway, County Judge J. C. Hall wired Captain J. D. Fauntleroy, State Highway engineer Saturday morning and late the same day received the following reply:

"In case Mitchell County votes sufficient bonds to provide high type of surfacing on Highway One, feel sure Commission will give you maximum amount of aid, which is \$800,000.00."

Captain Fauntleroy's message indicates that the State and Federal departments would do considerably better in the way of aid to the county than was anticipated by either the Commissioners' Court or Mr. DuBose. They had previously anticipated receiving \$600,000 as aid on paying the Bankhead Highway as maximum amount.

The citizens committee, which is composed of Jim Ledbetter and Arlie Martin of Lorraine, C. M. Adams and A. B. Blanks of Colorado and E. C. Danner and Ed Bell of Westbrook, are directing circulation of the petition among voters of the county. In addition to circulating the petition in their immediate communities, they will attempt to reach citizens of every community of the county. They are determined that every citizen shall benefit in the proposed bond election, in that provision is made for improvement of the main lateral roads in each county commissioners precinct and they, therefore, desire to enlist the general support of voters over the county to endorse the petition.

Citizens of the county attending the mass meeting Friday were enthused over the prospects for carrying the proposed bonds by an overwhelming majority. Each of the

DALLAS BOND ATTORNEY WILL REPRESENT COUNTY

The legal department of Brown-Crummer Company, Dallas, among the largest bond brokers in the Southwest, has been employed by Commissioners' Court to represent the court in all legal phases of the pending bond election and sale of same, should the issue carry. An order was passed by the court Wednesday afternoon ordering employment of this firm. The Brown-Crummer Company represented the county during the recent court house bond election and sale.

Judge W. H. Smith, member of the legal department of the firm, spent Wednesday in Colorado in conference with the court and members of the citizens committee as to the proposed bond election. Petitions now being circulated asking for the election were amended so as to meet all legal requirements.

EDUCATIONAL BOY SCOUT PICTURE SHOWN SUNDAY

An unusual picture, showing activities of the Boy Scouts, was shown at the Palace Theatre Sunday afternoon in connection with the campaign to complete organization of the district scout council in this city. Rev. W. M. Elliott, newly elected president of the four-county council, stated Monday that the picture was run for the fifth time in order to allow the large crowds that visited the theatre to witness it. No admission was charged.

ELECTRICAL WIZARD IN FIRST LYCEUM NUMBER

Lois Williams, electrical wizard, presented the first number of the Lyceum course Monday evening to a large audience at High school auditorium. The bill entitled "Wonders of Electricity," was presented with an elaborate array of equipment and for more than an hour an interesting revelation as to the power of electrical current and the mysteries of chemical experiments was given.

Before introducing Mr. Williams, Prof. E. F. King announced that the Parent-Teachers Association and the Colorado Civic League were endeavoring to raise funds with which to place playground equipment on the school yard. A part of the equipment, representing an investment of some \$400 has already been purchased, King stated. It is the plan to place \$1,000 of this equipment on the grounds.

King announced that a price of seventy-five cents for dult admission will be charged the general public for the ensuing numbers of the lyceum, and advised that season tickets be yet purchased by those who had not bought these tickets. The remaining numbers of the course it was claimed, are to be among the best ever brought to Colorado.

Mrs. W. M. Gordon and little son John Sanders of New Orleans are visiting her mother, Mrs. J. M. Green and sisters, Mrs. Jim Dobbs and Mrs. Roy Dotler.

BAPTIST WOMEN INVITED TO SWEETWATER

The Baptist women of West Texas are invited to be the guests of Sweetwater Baptists November 19th to 21st inclusive. Miss Blanche White of Birmingham, Ala., will conduct a W. M. U. institute there, offering courses in Methods, Stewardship and Missions, also on Leaven in Japan. One period each day will be given to conferences on W. M. U. methods. It is hoped that many of the women of the west will take advantage of these three days of study and be with the Baptists of Sweetwater. All who expect to attend are asked to notify Mrs. L. D. Terry, Sweetwater.

LONGFELLOW LOCALS

Longfellow community is still alive most everybody has caught up with their cotton picking and every one has their feed nearly all gathered. Our literary school started last

Monday, Nov. 5 with Mrs. R. H. Bennett principal and Miss Myrtle Newton, assistant. We had a good school week and hope to have more students present in the future. We are going to have a box supper Friday night, Nov. 16 and the funds go to help buy school implements. Everyone is invited to come and bring a box. We are also going to have a little program which we hope will be very interesting.

Singing and Sunday school was knocked out by the rain Sunday but next Sunday morning at 11:00 o'clock Bro. Turner will preach for us, also at the 8 o'clock hour Sunday night.

Mr. Roy Smith visited friends in Stanton Sunday.

Mr. R. W. Lowrey went under an operation for appendicitis last week and is doing nicely.

Mr. Judson Felts left Saturday night for Jacksonville where he will

enter the Vaughan's singing school. F. L. Buckalew and family are preparing to move to Lamesa where he has bought land.

Mr. Clint Thorp and Oscar Watlington motored to Lubbock Saturday.

Mr. and Mrs. T. J. Mitchell and son Carl visited in the Andrews community in Andrews county last week-end. **PRONTO.**

A LONG DRIVE

Mr. and Mrs. Chas. Fug of Detroit, Michigan, came into Colorado Sunday and spent a few days with Mr. Fug's uncles, F. B. and A. L. Whiskey. They are on their way to California, having started on the last lap of their journey from here to Los Angeles, on Wednesday evening. They say that the road from Dallas to Colorado was the worst they had on the trip, except where the big rains had washed out the roads and bridges. Mr. Fug is a mechanical engineer and is going out to take the Pacific coast work for his firm. He had not seen his uncles for about 25 years. This is his first trip to West Texas, though raised in the State and has been to almost every state in the Union. He says it has rained on them ever since they left Detroit and he thought when they got to West Texas (wherein it never rains!) he would have good dry roads—but it has rained on them every day since they left Dallas.

COMMISSIONERS PETITIONED ORDER \$650,000 BOND ELECTION

(Continued from page one)

committeeman reported that but small opposition was expected to develop in his community.

The campaign to launch a campaign to vote bonds to finance permanent improvement to the Bankhead Highway, designated by the State as Highway No. 1, was started a few weeks ago after Nolan, Taylor and Callahan counties, three counties to the east of Mitchell and traversed by the Bankhead, had voted large bond issues to improve the highway. Citizens of this county assumed the position they could ill afford to remain the only people in the State between Texarkana and El Paso to not make some provision for improving this important trans-continental route. Every other county traversed by the Highway in Texas has made provision for permanent improvement.

Another fact which figured largely in these deliberations was found in the fact that Istan Flats, in Western Mitchell County, is perhaps one of the worst pieces of road in the state, especially during rainy weather, and that the bad condition of this piece of the Bankhead Highway was developing a serious liability to the entire county, in that tourists from everywhere were being routed around Mitchell County in order to avoid the flats. It was determined that a sufficient amount of the proposed bond issue be set aside to build a high type of surfacing on this route across the county. The estimate of the engineer placed the cost of a concrete paved road on the highway at \$900,000, leaving \$300,000 as the part to be met by the county. In order to be sure that the highway was adequately taken care of, the petition provides that the sum of \$325,000, or so much thereof as may be necessary, shall be used for this route.

Commissioners' Court passed a resolution Wednesday in which it was specifically declared that every provision specified in the petition and by the citizens in ass meeting, as to expenditure of the proposed bond money, if the election carried, would be met by them to the best of their ability.

The petitions are to be presented Commissioners' Court Saturday morning and there is little doubt but that the election will be ordered. The petition asking for the election follows:

State of Texas, County of Mitchell. To the Honorable Commissioners' Court:

We, the undersigned resident property taxpaying voters of said county, respectfully pray your Honorable body to order an election to determine whether or not the bonds of said Mitchell County shall be issued in the amount of Six Hundred and Fifty Thousand (\$650,000) Dollars, bearing interest at the rate of not exceeding five and one-half per cent per annum, interest payable semi-annually, and maturing at such times as may be fixed by the Commissioners' Court, serially or otherwise not to exceed thirty (30) years from date thereof, for the purpose of constructing, maintaining and operating graveled or concrete paved roads and turnpikes or in aid thereof in said County of Mitchell; and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

Provided, if said bonds are issued there shall be expended the sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000) or so much thereof as may be necessary in the construction of concrete paved highway running through said county from Mitchell-Nolan County line to Mitchell-Howard County line and now known as Bankhead Highway, and any unexpended balance, together with the remaining Three Hundred and Twenty-Five Thousand Dollars (\$325,000) of said issue shall be set aside for construction of graveled roads and lateral highways in the four Commissioners' precincts of said county.

Provided further that said remaining amount of money and the said sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000) of said bonds shall be proportioned among said precincts in proportion that the taxable values based on the tax rolls of 1923 rendition in each precinct bear to the assessed values according to said rolls of the county as a whole.

W. F. CLAYTON WILL BE CANDIDATE COMMISSIONER

From Del Rio News:
A number of the younger business men of the city, taking a proper interest in the progress and development of the city, have picked a live one to fill the vacancy on the City Commission made by the resignation of Tom Nunley who recently moved away. W. F. (Bill) Clayton is the man proposed for the place and the selection will meet with the approval of a great number of the voters.

Mr. Clayton has consented to work at the job if elected to the place and everybody knows that his promise means something. He is one of the most capable young business men in the city, energetic, safe, square and loyal. His level headed business methods has built up a good business over a dead proposition that he took hold of only a few months ago and the public will feel confident that his services in the city council will reflect credit upon the administration and all to the good of the interest of the city.

The election will be held to fill the place on the Commission at the same time the bond election is held, some time within the next few weeks.

Bill Clayton referred to above was raised in Colorado and none are more proud of the boy than our own Jeff Clayton.

TELEPHONE WIRES MOVED FROM SECOND STREET

Workmen are completing removal of lines of the Southwestern Bell Telephone Company from Second street. Lines of the West Texas Electric Company, which were carried on the same poles as the telephone wires, were moved several weeks ago.

The poles are being moved from the business district on Second street at request of the city. Service lines of both these public utility companies covering this district will be located in alley between Main and Second and Second and Third.

WITH THE CHURCHES

METHODIST CHURCH

Sunday school 9:45 a. m. A place for all. Come and join us in this good work.

Preaching at 11 a. m. and 7 p. m. I have been asked by several people to repeat the sermon on Malachi used last Sunday evening. I hardly ever repeat a sermon, especially after I see it is no good, but I have decided to preach this again, not like I used it before but as near like it as I can. The outline is this: When Nehemiah returned from his prolonged stay at the Persian Court he found that his old enemies, Tobiah and Sanballat had all but taken charge of the Temple. That the sons of the Levites whose business it was to keep up the temple worship had had their salaries cut off and had been forced to go to work in the fields. That the Holy Sabbath had been made a kind of trades day or holiday, and the true worship had ceased. That the people performed a kind of perfunctory service which was an offense unto Jehovah. They offered the sick and blind and lame of the flock unto the Lord. Now read these four short chapters and you will discover the ear-marks of a modern preacher dealing with modern conditions, except this preacher was not afraid to speak out the, Thus sayeth the Lord.

Some of the mothers have asked me about the Boy Scout movement, and have asked me to preach on the same. Just now I have a program which I do not want to break into but will in a few weeks devote an hour on Sunday to the Boy Scout movement, as to its benefits and its dangers. Three times I have had the Boy Scouts to make my church their headquarters but have never been a scout master. Will be glad to tell the mothers what I know about the movement and of course always glad to help along every good work. Come to church Sunday. We had good crowds last Sunday.

J. F. LAWLIS, Pastor.

BAPTIST CHURCH

As the pastor, M. C. Bishop, is attending the State convention at Galveston and will not get home until next week, there will be no preaching service at the Baptist church. Let everybody come to Sunday school which will be dismissed in ample time to attend services at any of the other churches.

**DECLARATIONS OF WILSON
CRUSHED GERMAN MORALE**

Declaring that former president Woodrow Wilson was one of the greatest statesmen ever produced in America, or any other nation, and that the declarations of Wilson in expressing the attitude of America in the war had much to do with crushing the German army and hastening the armistice, Judge James T. Brooks of Big Spring paid a beautiful tribute to the late president in an address delivered at the First Methodist church Sunday afternoon. Judge Brooks was the principal speaker at an armistice celebration given jointly by members of the American Legion and Woman's Auxiliary.

"Woodrow Wilson came out of the war a wounded man, broken down in his physical strength, a fact which has shortened his life, from the heavy load he carried during the war," Brooks stated. "He is just as much a casual as those boys who were gassed or maimed while seeing service on the battle front in France." These references to Mr. Wilson were received with applause.

The speaker made a strong appeal for the general public to support the American Legion, declaring the organization stood for everything that Americanization stood for. There should be no discrimination as between the man who went across and the man who only reached the training camp in America, he said. "They were all ready to give their all for their country and, in the words of their commander-in-chief, 'to make the world safe for Democracy,' and the only reason those among the last contingencies did not go across to the battle front was because their government was not ready to send them."

Judge Brooks served as captain of Co. D, 117th Supply Train, 42nd Division, and recruited many of the men for this company from among young men of Mitchell and Howard counties. There were former service men present at the services who were under command of Captain Brooks continuously during their enlistment. He described some of the privations undergone by the Americans and pictured in an illuminating manner the unusual bravery exhibited by these soldiers along the American sector on the front.

Another interesting address was delivered by Miss Stella Nash, English teacher in the Colorado High school. During the war Miss Nash spent much of her time in the large industrial centers of the North and East as a worker of the Y. W. C. A., teaching the principles of Americanism and patriotism to the large foreign population in those districts. These leaders had much to do with making possible the carrying into effect the huge military programs of the War Department, in which factories of varied kinds were overnight transformed into plants for manufacture of war materials and supplies.

"There are 18,000,000 people of foreign birth in America today who cannot read nor write the English language," was one of the startling disclosures made by Miss Nash during her address. She pled for a more universal recognition of Americanism in the home, the school, the community and the nation, in that the truly patriotic citizenship do their best in helping to assimilate this foreign born element and make of them the type of citizen to perpetuate Americanism.

An orchestra directed by J. Lee Jones furnished music. The song services were directed by Thos. Dawes. Jack Norris rendered a violin solo. The auditorium was beautifully decorated with flags, flowers and bunting, the white scheme suggestive of Armistice memorial being carried out. Rev. M. C. Bishop, pastor First Baptist church, read the Scripture lesson and the invocation was pronounced by Rev. Sam Young of Stanton. Rev. Mr. Bishop also spoke the benediction dismissing the large congregation attending the services.

**COLORADO MAN PRESIDENT
4-COUNTY SCOUT COUNCIL**

Rev. W. M. Elliott of Colorado was elected president of the four-county Boy Scout Council by representatives of the four counties at Sweetwater Thursday night when, acting upon recommendation of E. E. Voss, special representative of the National organization, a new organization was formed. Rev. Mr. Elliott succeeds Judge Fritz R. Smith of Snyder. Other officers elected were as follows:

First vice president, Dr. L. O. Dudgeon, Sweetwater; second vice president, C. E. Jamieson, Snyder; third vice president, J. W. Hale, Roby; treasurer, Mose Newman, Sweetwater; extension, A. D. Jamieson, Blackwell; court of honor, P. C. Coleman, Colorado; leader training, J. W. Hale, Roby; civic service, H. B. Humphreys, Sweetwater; camps, W. B. Crockett, Colorado; troop organization, C. E. Jamieson, Snyder; finance, Joe Smoot, Colorado; secretary, J. A. McCurdy, Sweetwater; at large, Jim Day, Rotan; Porter King, Snyder; scout commissioner, Red. D. B. Hestir, Sweetwater.

Representation on the Four-County Scout Council follows:

Fisher County—Jim Day, C. C. McCombs, H. C. Shelton, L. G. Patterson, J. W. Hale, Clyde Hilburn, J. S. McConnell, L. A. Newton.

Scurry County—C. E. Jamieson, Fritz Smith, Porter King, M. A. Anderson, R. H. Curnutte, J. C. Beakley, J. K. Blackard, D. S. Levere, J. C. Ross, O. P. Thorne, Elmer Lowder, L. Ragsdale, A. Higginbotham, C. A. Jones, W. A. Lowden, E. A. Watson, Walter Gentry.

Mitchell County—W. M. Elliott, P. C. Coleman, W. S. Cooper, W. B. Crockett, Joe Smoot, C. M. Adams, W. P. Leslie, J. H. Greene, J. Riordan, S. A. Edwards, J. J. Riden, E. W. Jackson.

Nolan County—A. D. Jamieson, Louis Horne, Chas. Copeland, M. L. H. Baze, Joe Worthy, Tom Dobbins, L. O. Dudgeon, L. J. Geer, D. D. Hestir, Joe Boothe, W. E. Wade, R. S. Embry, Hubert Toler, S. Edwards, Mose Newman, Abe Levy.

Dr. P. C. Coleman was nominated as chairman of the committee to secure a Scout Executive with O. P. Thrane of Snyder, E. A. Watson of Hermleigh, W. M. Elliott of Colorado and J. A. McCurdy of Sweetwater. The committee examined the credentials of several men recommended by E. E. Voss and expect to get in touch with such a man immediately. When they do a district meeting will be called for the members of the Council to get personally acquainted with the new executive when plans for the furthering of the work can be gone into in detail.

Before the meeting adjourned, the members present at the meeting Thursday night went on record as extending a vote of thanks to the National Scout Council and to Mr. Voss for services rendered this district in getting this council organized. The value of scouting was emphasized by every individual present in brief remarks.

"I was stricken with general paralysis followed by impact bowels on April 16th. Hiccoughs set up, which continued for seven days. I tried every remedy suggested to me without results. I started taking FERRASAL and the first dose stopped the hiccoughs for two hours. I repeated the doses and the hiccoughs had entirely stopped by morning and I have not had them since. I kept taking FERRASAL night and morning and was able to be up in two weeks and had regained the use of all my faculties in one month. I have had no trouble with my stomach or bowels since and my general health is improving daily."

LET'S ACCEPT THE MONEY

Mitchell County is offered, through the State Highway Commission the maximum amount of \$800,000 in aid to supplement the proposed bond issue of \$650,000 to make permanent improvement to the Bankhead Highway and improve and maintain the principal lateral roads of the county.

Of course, we cannot obtain state and federal aid with which to improve our lateral roads. Under the law, the highway commission can only participate in the building of designated highways.

The problem becomes of acute importance to the taxpayer, who is often faced with the choice of whether he will keep the road open, at considerable expense, or let it go, and let the children suffer.

To be sure the proposed bond issue is going to cost money. It will require a tax of seventy-two cents to create a sinking fund and liquidate the bonds at maturity.

It is generally believed that the State will withdraw aid for highway improvement after 1925, and this being true, Mitchell County must do something definite to improve its roads now or be left alone after two or three years.

It is enthusiastically believed the proposed bonds will be authorized by large majority, but to be sure, opposition will develop. Those citizens who realize the importance of the county taking advantage of the government's offer and also recognize

the importance of paving the highway and making adequate improvement to the principal lateral roads of the county are urged to use their influence during the campaign ensuing.

CORRELATED ASSETS.

The Capitol News Service, published at Washington, D. C., under auspices of the Masonic fraternity, has further reference to make to the relations of good roads and good schools in the current edition.

Whether it is the "little red school house," a half mile or a couple of miles from the farm, or the consolidated school, to which children from a radius of ten miles may come, the worth of the school to the child depends in large measure upon the amount of time he or she may spend there.

The problem becomes of acute importance to the taxpayer, who is often faced with the choice of whether he will keep the road open, at considerable expense, or let it go, and let the children suffer.

Children have a right to an education. American children have an inalienable right to know the history of their country, to follow, as best they may, in the footsteps of Lincoln, to whom nothing was a sufficient bar to keep him from getting an education.

LET'S HAVE GOOD ROADS

The editor was in Colorado Friday of last week and while there had a short talk with Judge Hall concerning the road situation in Mitchell County.

It was his opinion that the engineers should map out the county, showing where the roads are most needed and then tell the people of the county what would be done and stick to it.

ANOTHER BOND ISSUE

Nolan county will watch with great interest the results of the bond issue election in Mitchell county for hard surfacing the Bankhead Highway and building lateral feeders thereto.

Nolan county like to visit in Mitchell county and like to have folks in Mitchell county visit in Nolan county.—Sweetwater Reporter.

Taylor county will likewise watch the results of the Mitchell county election with much interest. One million dollars is a pretty big sum to vote for good roads, and if Mitchell votes that bond issue—as she undoubtedly intends to do—she will have eclipsed all her neighbors in the matter of road bond issues.

The campaign being waged in Colorado by club women to provide suitable play ground equipment at the school should receive the full cooperation of every citizen.

Mitchell county is getting grimed for a \$650,000 bond issue out of the proceeds of which it is proposed to pave the Bankhead and other highways in that county.

LOCAL BAPTISTS ATTEND GALVESTON CONVENTION

Rev. M. C. Bishop, pastor First Baptist church of Colorado, and Rev. A. D. Leach, pastor of the Baptist church at Westbrook, left Colorado Monday afternoon to attend the State Baptist convention which opened in annual session at Galveston Tuesday.

The following press dispatch from Galveston Wednesday concerning opening of the convention was published in daily papers circulating here Thursday:

More than three thousand delegates were on hand today for the opening of the diamond jubilee assemblage of the Texas Baptist general convention which meets in 75th annual session here tomorrow. Other messengers are coming by automobile and by train and the attendance is expected to exceed five thousand.

Final sessions of the 37th annual meeting of the Baptist woman's missionary union and the pastors' and laymen's conference, both preliminary to the main convention, were being held today.

Reports on temperance and missions were made this morning. Committee reports and election of officers were scheduled for this afternoon.

E. F. Lyon of San Angelo addressed the pastors and laymen conference today on denominational school methods, while Robert Jolly of Houston, head of the Baptist Young People's Union will also talk.

The missionary union yesterday adopted a resolution making the appointment of the advisory board of the missionary and training school at Fort Worth a function of the W. M. U. of the southern Baptist convention.

Mrs. J. T. Ledbetter and Miss Beatrice Porter spent Friday in Sweetwater visiting friends.

Mrs. Lina McGee, who has been visiting her daughter, Mrs. J. M. Templeton and family at Dublin, returned home Friday.

BACKWARD CHILDREN COSTLY TO STATE

Recent Survey Shows One State Paid \$25,000 in Year for "Repeaters."

Retarded school children in one western state last year cost that state \$25,000, according to figures given out at the headquarters of the Southwestern Division, American Red Cross, in St. Louis, after an investigation of the health of the school children in that state. These children were what are known as "repeaters," that is, children who failed to pass their examinations and had to be sent back to do over again the work that had not been successfully done.

Only 3 per cent of these children were backward because of mental defects. The rest had physical defects, easily corrected, but which acted on their mental capacity and their bodily strength to do the school work. Of those who underwent some treatment for the correction of their physical difficulties every one without an exception caught up in his or her class and kept up with the rest of the children from that time.

The defects consisted of tonsils and adenoids sufficiently diseased to cause irregular attendance at school; defective teeth which were responsible for a considerable amount of malnutrition, and physical weakness; a few cases of defective hearing, and still fewer cases of defective vision, the latter of which was easily correctable by properly adjusted glasses.

This survey was made in an effort to determine the value of a public health nursing service in the schools. The conclusion was that with a public health nurse installed in connection with county school systems, a considerable saving in expense to the state would result.

According to the Director of Nursing Service in the Southwestern Division, one public health nurse should be supplied for every 1,000 children. For reasons of economy, however, the nurses frequently have many more than this number and they also have to look after the health and welfare of the adult community.

"Supposing in a given community," said this director, "200 children should have to repeat their school work because their physical condition made them slow in their studies and frequently absent. This would cost the state \$12,500 a year. A public health nurse for the same period, whose duty it would be to see that the children were kept well and therefore would not have to repeat, would cost \$8,000. The public health nurse in the school inspects the children at regular intervals. If they are found to be subnormal, they are examined by a physician. If the subnormality is due to any physical trouble the physician or the nurse, if working alone, recommends to the parents that the child be sent at once to its family physician for treatment so that, although the ailment is slight, it may be corrected in time and thus prevent serious trouble later on as well as to put the child into better physical condition for its school work. That is one phase of the public health nurse's work.

"The next phase is a step beyond, that of educating parents to the point of requiring physical examinations of their children before they reach school age so that they are ready for their school work. Some difficulties of childhood might be eliminated by care of the mother during pregnancy and expert attention during the time of confinement. Infants, apparently well, will benefit by careful inspection at regular intervals. Experiments where these inspections are made with the advice of skilled physicians and nurses, has been eminently successful.

"A third feature of the public health nursing work which should be considered in the question of educating these backward children is that of the delay caused by ill health in bringing these children to the point of economic independence, that is, fitness for life and its responsibilities. Thinking people, educators and welfare workers are being greatly attracted by the usefulness of school instruction in Home Hygiene and Care of the Sick for mothers of families, for high school girls and even for younger students. In my opinion there is no better way to teach prevention of illness, good health habits through sanitation in the home, and personal cleanliness than by giving thorough intelligent knowledge of care at the time of illness for the protection of others as well as for the comfort of the patient."

This work is being constantly emphasized in the Southwestern Division and is growing greatly in public interest throughout the division.

VETERANS' HOSPITAL TO HAVE NEWSPAPER

Fort Lyon, Colorado, Veterans' Hospital has acquired a print shop. The newspaper has not been started yet but the first issue will appear shortly. A small hand press has been donated to the hospital by friends and the print shop has been opened in the Red Cross Headquarters. Patients in the hospital who are printers by trade have volunteered to set the type and make up and print the paper and other patients who have been newspaper writers and advertising copy writers will edit it. It is believed this is the first print shop to be run by the patients in any of the veterans' hospitals, and much enthusiasm already is manifested in the forthcoming initial issue of the paper.

JUNIOR RED CROSS BROADENS SCOPE OF SCHOOL WORK

School Children of America Establish Correspondence With Schools in Other Countries.

An opportunity to greatly broaden and enlarge the scope of work of the school children of America which was opened by the action of the last annual convention of the National Educational Association in San Francisco, is being developed by the Junior Red Cross of America. A resolution endorsing in very positive terms the international school correspondence of the Junior American Red Cross and urging schools in this country to develop this correspondence as far as and as thoroughly as possible, was passed by the Association, and educators of America now are co-operating in the work.

A number of schools in America on their own initiative already have organized chapters of the Junior Red Cross and established correspondence with schools in Albania, Austria, Belgium, Bulgaria, Czechoslovakia, France, Holland, Hungary, Italy, Jugoslavia, Poland, Rumania, Scotland, Switzerland, South Africa and New Zealand. In some cases, they are getting most interesting replies. In a few instances such as Alaska, Hawaii, the Philippines, Porto Rico and the Virgin Islands, all of which are American dependencies, there is an exchange of correspondence material which is very helpful in working up the letters going to the foreign children.

This work, so far, has been carried on chiefly in the primary and intermediate grades of the public, parochial and private schools where Junior Red Cross chapters have been organized, but all grades may participate in the preparation of the material, according to the instructions sent out by the Junior Red Cross Service in Washington, and they include class letters, illustrated or not, snapshots and postcards; maps, drawings, photographs, descriptions of interiors of homes and schools, types of dress, games, industries and industrial processes, cutouts, hand work—in fact, almost anything that one set of children is interested in, because it is regarded as a certainty that if children of one nation find something interesting, children of another nation, because they are children, will be interested in that same thing.

Portfolios are a good part of the correspondence and such portfolios give motive for study and description

of America and American life on the part of the senders while they stimulate the recipients to a like interest in the affairs and happenings in their own country. The benefit thereof is manifold. Children who hate geography find their interest in this dry study awakened by wanting to know just where their letters are going. History, also distasteful to many, is made a pleasant pastime for the same reason, and languages become absorbingly interesting because the American children want to know something about the difference in the words which they use and those which their correspondents across the sea use to mean the same thing.

Educationally, all this is of high value, in the opinion of American educators. Internationally, it is of still greater value, in the opinion of those who are promoting the undertaking, because it definitely promotes international understanding and friendship and leads, therefore, into international peace. To the school, the teacher and the community, it presents a new line of endeavor and a new opportunity for broadening the viewpoint. On the whole, educators all over the country believe that it is the longest step forward for international understanding which has been taken in many years.

Important business matters were discussed. 15 ladies were present. Mrs. G. Miller, being an appreciated visitor. Next meeting will be with Mrs. T. A. Martin Monday afternoon.

NEW SURE WAY TO END BILIOUSNESS

Torpid Liver Fills Body With Poisons—Pepsinated Calomet Guaranteed to Relieve Between Sundown and Sunup—No Nausea.

Calomet is the only medicine that will actually reach the liver, but ordinary calomet is so drastic that many have deprived themselves of its fine effects because of its harshness. This objection has been overcome in Pepsinated Calomet. Many who formerly could not take calomet are finding a most acceptable remedy in Pepsinated Calomet because it is English Calomet (which doctors recognize as the standard of purity), treated with pepsin and other soothing ingredients that not only stimulate the liver to normal action, but sweeten the stomach and aid digestion. Many report that the use of Pepsinated Calomet unclogs their systems of poisonous waste, brings back appetite, causes dullness to disappear and makes them "feel like new!"

Colorado Drug Co., and all reliable druggists recommend and guarantee Pepsinated Calomet to bring relief between sundown and sunup or your money refunded. Try it—we guarantee you'll feel better tomorrow. (Adv.)

Home Department

The Home Department of the Methodist missionary society met with Mrs. E. A. Barcroft Monday afternoon. It was an unusually good meeting both in attendance and interest. After the routine business and the payment of more than twelve dollars dues each person told in rhyme of what her capsule meant to her and each capsule was revealed. After much fun names were passed and each drew a new capsule for the coming year. Miss Lawson was a guest. The hostess served red, white and blue cake, fruit gelatine with whipped cream, pie and cocoa.

The Shakespeare Club

The Shakespeare Club met with Mrs. J. H. Greene. The lesson on Current History and Coriolanus was led by Mrs. Jerold Riordan. Mrs. Russell of San Saba and Mrs. Pearl Shannon were guests. The hostess served a two course luncheon of cream chicken in patty cases, sandwiches, olives, potato chips, cranberry jelly, date pudding with black and white cake and coffee.

Daughters of the King.

The daughters of the King met with Mrs. Costin last Thursday. Mrs. Dorn led the devotion on Thanksgiving. Besides the regular business the class decided to sponsor a girls club in home economics if one could be organized in town. A committee was appointed to confer with the Home Demonstrator and the superintendent of the public school about organizing one. Mrs. Jim Dobbs was a guest at the social hour. The daughters of the house and Miss Jessie Clayton served refreshments of sandwiches, potato chips, macaroons, tea and coffee.

Miss Laceywell county home demonstration agent, was present and explained the work of girls clubs.

Standard

The Standard club met with Mrs. Y. D. McMurry. After an interesting roll call of current events Mrs. R. N. Gary led the lesson on Antony and Cleopatra. Mrs. Munday and Mrs. Roland Burchard were guests. The hostess served pumpkin pie and coffee.

The Hesperian

The Hesperian met with Mrs. Lee Jones at Mrs. Vivian Shropshire's. Instead of the regular lesson a pro-

gram in keeping with the spirit of Armistice Day was given. It began with a roll call by naming a fighting hero and why famous. Mrs. Broadus gave a tribute to Our Boys. Mrs. Ross Dixon sang a song that was sung "over there." Miss Nash, by request, talked on Americanization that was much appreciated. Mrs. Ratliff led the interesting round table discussion on what I should do to Americanize America. Miss Bounds favored with a piano solo and Miss Nell Guest a vocal solo. Miss Kennedy, district manager of Red Cross nursing service, told of some of her experiences as a Red Cross nurse in France during the world war and what is meant by training for a Red Cross nurse. Mrs. S. T. Shropshire, Mrs. McKinney, Miss Guest, Miss Nash, Miss Bounds were guests. The hostess served two kinds of sandwiches and coffee. The meeting will be with Mrs. Jim Johnson this week.

1921 Study Club

Miss Ruby McGill was hostess to the 1921 Study club. The roll call was "what Armistice Day means to me." Mrs. J. T. Pritchett led the lesson on Markheim by Robert Louis Stevenson. Papers were given by Mrs. J. T. Pritchett on "the motif of sonble selfhood in literature" and by Mrs. Smith on "the psychological element in English fiction." Mrs. Jones gave a paper on Stevenson's skill of style and Mrs. Earnest on Stevenson's indebtedness to Hawthorne and Poe. Mrs. Lambeth treated Stevenson's philosophy of life as shown in Markheim. The hostess served salad course. Mrs. Compton Pritchett and Miss Moore from Dozier, Alabama were guests.

Colorado Club in Dallas.

A "Colorado Club" was organized in Dallas September 20th, 1923 at the home of Mrs. Ed H. Rowley, 3513 Princeton Ave., with Mrs. Rowley and Mrs. H. H. Enderly as hostesses. Mrs. Brooks Bell and Mrs. R. W. Chatham were hostesses to the club November 6th, at the home of Mrs. Bell, 3501 Word street. At a business session Mrs. Ed Rowley was elected President and Mrs. H. H. Enderly secretary and treasurer. The club will meet the first Tuesday in each month. A study course on the latest authors, poets, and art will be taken up. Members of the club are: Mrs. Brooks Bell, Mrs. J. E. Burdick, Mrs. Beck, Mrs. R. W. Chatham, Mrs. Lyman Chatfield, Mrs. H. H. Enderly, Mrs. D. G. Ferguson, Mrs. Virgil W. Gates, Mrs. Will I. Hodgson, Mrs. M. K. Jackson, Miss Mary Jackson, Mrs. Vance Phenix, Mrs. Ed Rowley, Mrs. Soula J. Smyth and Mrs. J. B. Waskom. Visitors for the afternoon were Mrs. Jno. Rix, Mrs. Weaver and Mrs. Waskom. The next meeting will be with Mrs. Vance Phenix and Mrs. J. B. Waskom, December 4th at the home of Mrs. Waskom, 3612 Hall St. The club has 77 names of possible members which includes the wives of the boys who lived in Colorado and it is hoped all will join.

COUNTY FEDERATION

The Mitchell County Federation of Women's Clubs met at the Methodist church Tuesday afternoon. Although the bad weather prevented the rural clubs from having a representative yet an interesting meeting was held by the clubs attending. The Colorado Parent-Teacher Association was received as a new member. Mrs. Jack Smith, Mrs. Robert Terrell and Mrs. Guita are the delegates from that organization. This organization is putting splendid playground equipment on school grounds.

The Delphian Chapter reported three rural schools adopted, New Hope, Iatan and Dorn. The Hesperian reported two schools and one girls club adopted, these to be selected at next meeting of club. The Kings Daughters reported one girls club adopted this to be organized in Colorado. The 1921 Study club reported a story-telling hour for children and were contemplating giving a home talent play.

The Civic League reported cooperation with high school in putting on a Lyceum course. A committee was appointed to select members from the various clubs for chairman on the different committees for entertaining the sixth district meeting next spring. The president urged each club to discuss at the next meeting about having a part in the high school annual.

Miss Laceywell, county home demonstrator gave her annual report. This was beyond all expectations and the body voted unanimously to have it printed in the Colorado Record. The next meeting will be at the Methodist Sunday school rooms, December the 11th.

We are glad to report a very good attendance and interesting meeting of the O. E. S. Friday night. Out-of-town members present were Mr. and Mrs. T. J. Draper.

SCHOOL NOTES

Rev. W. M. Elliott addressed the students in high school auditorium last Monday morning on scout craft. Rev. Elliott seems to be very much in earnest about his scout work. His talk was interesting and enjoyed by the students and teachers.

The Parent-Teacher Association secured about thirty-six dollars from the two picture shows as result of work for attendance at shows by the students. The seventh grade secured the largest number of votes and are entitled to the three prizes that were offered.

Since the first grade pupils received very few votes in the contest and were not entitled to either prize, Mr. Charlie Taylor invited all of the first grade and their teachers to come to his show house any afternoon last week and see a free show. This they did on last Friday, and the youngsters thoroughly enjoyed Mr. Taylor's treat to them. Mr. Taylor is entitled to the thanks of the community for his thoughtful consideration of the little folks of the first grade. Many, many thanks Mr. Taylor.

The high school pupils elected the members of the annual staff last week. There are thirty-six members of this staff and they have already started their campaign to raise funds for the publication of the 1923-24 Lone Wolf, which they mean to make even better than the annual of last season. We hope they receive encouragement from the people of the town.

Following is a list of names of staff members:

Robert Whipkey, editor in chief; Willis Jones, business manager; Mary Broadus, literary editor; Mary Lee Crowder, subscription manager; Lester Lindsay, Agatha Dorn, Jessie Stell, Jewell Collier, Pauline Smith, Clippie Bennett, Henry Doss, Homer Hutchinson, Raymond Jones, Hastings Simpson, Clarence Grable, Ruth Helton, Lillian Pond, Lucien Smith, Samuel Womack, Maxine Root, Darrell Smith, Loyd Wisnart, Gladys Womack, Elizabeth Terrell, Lois Price, Raymond Gary, Huron Gist, Marcella Price.

A course in fire prevention was inaugurated in the school this week, and because of that fact the city will be entitled to a three cent lower fire insurance rate. Do not forget to call the attention of the agent to that fact when you have him write you a policy

FRIDAY, NOVEMBER 23

Our entire lines will be included, nothing reserved. I mean what I say, and will do what I say.

Our circular will be in your home by Thursday, Nov. 22nd or 23rd. You know my past record as to my big reduction on my sales and more than that, I dare you to make me a legitimate offer before the sale begins on anything I carry.

Yours for future business,

W. L. EDMONDSON & COMPANY

Each person will be entitled to this reduction just as soon as the papers are signed by the mayor and sent to Austin.

Two rooms of the high school are very badly crowded, making the services of another high school teacher necessary.

About four hundred dollars worth of playground apparatus has been ordered by the Parent Teacher Association and will probably be ready for installation within a few days, at least as soon as it can come from factory.

CAN MITCHELL COUNTY REMAIN INACTIVE?

The Bankhead Highway is receiving attention from the state highway department. The road between Sweetwater and Roscoe was impassable on account of the state of affairs should not be permitted to continue. This portion of West Texas, comprising the Bankhead Highway on account of the Monohans sands, and now we are finding injured by the state flat of some it is not a matter of the Bankhead route will be changed at this bad road is not a matter of the state, but it might as well be since tourists are being diverted over other highways and will continue to be. One bad spot in a road can certainly queer the entire route and Mitchell County should devote some time in eliminating the impassable section of the highway at this time. Mitchell County folks have shown a progressive spirit and we hope to see them carry out the promise made when the government convoy, which was making the trip over the Bankhead and had to detour from Sweetwater by way of San Angelo and Fort Stockton, to reach Pecos. Mitchell County can't afford to have it said that she is injuring the entire Bankhead Highway in Texas. —Big Spring Herald.

MILLION FOR JACK COUNTY FOR HIGHWAY BUILDING

JACKSBORO, Nov. 12.—The road bond election held in Jack County today for the issuance of \$400,000 in road bonds, carried by a majority of more than five to one. This amount is voted to supplement the state and federal aid of \$650,000 granted Jack County, which will make a total of more than \$1,000,000 to be spent on the paving of hard surface roads of State Highway No. 25 and No. 39 and also the F. F. Highway, which crosses Jack County. HARRIS TO VOTE ON \$750,000 ROAD BOND ISSUE

HOME DEMONSTRATION WORK IS PROFITABLE

In comparing her quarterly report for November, Miss Georgia Lacey, well known home demonstration agent, gave an interesting narrative on the success attained by Mrs. J. R. Johnson, a few miles north of Lorraine, who followed the plan recommended by the Extension Department, Alamo College, in canning and preserving. The report shows that Mrs. Johnson sold 110 gallons of butter, 192 dozen of eggs, 17 quart cookers, a Burpee can sealer and head work seasoned with some hard work. This woman Mrs. J. R. Johnson who lives 12 1/2 miles northeast of Colorado brought her butter, eggs and other produce she had in twice a week. She had regular customers who paid her a fixed price for her butter regardless of the local market price. And they were glad to get it at that price. ABILENE METHODIST PLAN NEW CHURCH

ABILENE, Nov. 11.—The members of the First Methodist church have begun to formulate plans for the erection of a new edifice. The congregation has had a remarkable growth the past few years, especially during the pastorate of Rev. W. M. Pearce, who has been here two years. Last year a new parsonage was built, and the church membership increased more than 1000. The church membership asked that Rev. Mr. Pearce be returned for another year, and after the return the board increased his salary from \$8,000 to \$8,500.

meat to present to the Lions today," was the statement of Col. C. M. Adams in introducing Roy Dozier, Ed Jackson and John Geer as new members of the club Friday. It was noticed, however, that the menu at the Pullman Cafe, rendezvous of the Lions, was so attractive to the palate of these beasts of the jungle, the freshly made cubs were not molested. Election of two additional members to the club was also announced by Col. Adams, these were Paul Snively and J. A. Buchanan, placing total membership at forty-two. A total of ten guests were introduced Friday and only seven absentees from among the membership was reported, placing attendance at thirty-three.

Dr. P. C. Coleman, president of Colorado Chamber of Commerce; F. F. DuBose, assistant State bridge engineer; Col Adams; County Judge J. C. Hall and others addressed the club on the proposed road bond issue. Each of the speakers enthusiastically endorsed voting bonds with which to improve the Bankhead highway and the principal lateral roads of the county. The club took no official action on the question, however, pending the county-wide mass meeting scheduled to be convened at the Chamber of Commerce that afternoon.

Sunday morning a mail pouch was found across the road east of the Planter's Gin, that had been burned open and the letters all gone through. It was a pouch that had arrived on the eleven o'clock train October 2nd. No clue was found that would lead to the apprehension of the guilty parties.—Lorraine Leader.

SERVICE MEN ENTITLED TO BONUS, BISHOP SAYS

"We should not expect any person to work for us for nothing," was the declaration of Rev. M. C. Bishop, pastor of the First Baptist church, in an address delivered Sunday evening to former service men. The minister made himself clear in the belief that the small wage accorded the men who saw service in the army, navy, marine corps and other departments of the American military organization during the war was inadequate.

"While you boys were serving your country and risking all, for one dollar a day, your clothes and your food, the people at home were being made millionaires. There were more millionaires produced in America during the two or four years of the war than ever before in the history of this great republic."

The speaker spoke of the vital importance of American people paying tribute to its service men on Armistice Day. He stated that July 4th, however, was even a greater day, because had it not been for the men who decreed that American colonists should be free from the tyranny of England, it would not have been possible for America to have taken the part she did in the recent world war, making the signing of the armistice possible. San Jacinto Day, April 21, date on which the independence of Texas was decreed, should also be recognized by Texans, he stated, and commemorated as among their most cherished holidays.

"We would not have had this trouble in Europe we have today had the war lasted sixty or ninety days longer, because some of you boys would have been crossing the Rhine and going after the German Kaiser. And you would have gotten him, too, before he could have hoped to make good his escape into Holland. Of course, this prolonging of the war would have cost us many more lives and millions in money, but the trouble, if settled in the American way, would have been settled for good."

The address of Rev. Mr. Bishop formed the principal part of an interesting program given at the First Baptist church in honor of former service men. Other numbers of the program included music by the High school orchestra, directed by Miss Bounds and a vocal solo by P. K. Williams. The auditorium of the church was well filled and the entire program was much enjoyed. Oran C. Hooker Post, American Legion, as well as the Woman's Auxiliary, was well represented.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangers and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity, purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no gripping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. That's what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with "Calotabs."—(Adv.)

An ordinance prohibiting the burning of trash, rubbish or refuse on any street, alley, sidewalk, open space, or vacant portion of any premises, within the fire limits of the City of Colorado, or on any paved street within the corporate limits of the City of Colorado, Texas.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COLORADO, TEXAS:

That it shall be unlawful for any person to burn paper, trash, rubbish or refuse of any character whatsoever, or to light, build or maintain fires of any kind or character, on the streets, alleys or sidewalks or on any open spaces or vacant portions of premises, within the fire limits of the City of Colorado, as said fire limits have heretofore been defined by an ordinance of the City of Colorado; and it shall be unlawful for any person to light, build or maintain fires of any character whatsoever on any paved street within the corporate limits of the City of Colorado, Texas, whether or not said paved street shall be within the said fire limits of said City of Colorado; and it shall be unlawful for the owner

or person in charge or control of any premises situated within the fire limits of the City of Colorado, Texas, to authorize or knowingly permit any fire or fires to be lighted, built or maintained on the open spaces or vacant portions of said premises owned or controlled by such person. Any person who shall violate this ordinance shall be deemed guilty of a misdemeanor, and upon conviction for said misdemeanor shall be fined in any sum not exceeding \$100 one hundred dollars. This ordinance takes effect from and after its passage and publication as by law prescribed. Passed and approved this 12th day of November A. D. 1928. R. H. LOONEY, Mayor of the City of Colorado, Tex. Attest—L. A. Costin, Secretary, City of Colorado, Texas.
