

TWENTY-NINTH YEAR—NO. 20

COLORADO, TEXAS, FRIDAY, FEBRUARY 15, 1924.

WHIPKEY PRINTING CO.

## \$325,000 BOND ELECTION ORDERED FOR MARCH 22

Under provisions of an order of election passed by Commissioners' Court Monday afternoon, property taxing voters of Mitchell County are to ballot on a \$325,000 road bond issue Saturday, March 22. The court order directing that the election be held was passed upon petition of more than the required number of voters.

The petition requesting this election specifies that the bonds shall be serials, bearing interest at the rate of not to exceed five and one-half per cent per annum, and to mature after thirty years. The amount specified, \$325,000, is sought to supplement State and Federal aid of \$650,000, making a total of \$975,000 with which to pave the Bankhead Highway across the county with concrete. A tax levy of 35 cents on the \$100 valuation of property, 1923 rendition, will pay interest and create a sinking fund to retire the bonds at maturity.

The campaign to vote this bond issue was started a few weeks ago at Loraine at a mass meeting of citizens convened at the First State Bank building and presided over by S. E. Brown, president of the bank. Citizens attending this meeting gave their endorsement to the proposed bond issue, as a business proposition, because of the opportunity to receive two-thirds of the expense of paving the highway from outside sources and also because of the dire need for making improvements to the highway across the west end of the county.

Should the proposed bonds be approved, F. F. DuBose, assistant State bridge engineer, estimates that sufficient funds with the \$650,000 aid will be available for building a permanent concrete paved road across the county. With this type of road completed and maintenance taken over by the State, the thirty cents road and bridge tax now authorized could be applied to lateral roads over the county, and this fund for present rendition, would finance present rendition, would finance these roads and opening of new time to time.

There is only one designated way passing through Mitchell county, and this is the reason State Federal aid is not available on any road except the Bankhead Highway.

Indications are that the bonds will be voted by more than the necessary two-thirds majority. A large number of voters, both at Loraine and Colorado, who opposed the \$325,000 issue voted upon December 18, are enthusiastic supporters of the present issue.

## CHARACTER BUILDING IS EMPHASIZED BY PASTORS

Out of recognition of the anniversary week beginning February 8 and ending February 15, all pastors of Colorado with one exception devoted the attention of their congregations Sunday to the importance of character building, and preached sermons strongly advocating placing the boy in proper Christian environs.

"We want every Scout affiliated with some church," Rev. W. M. Elliott, local scout master, stated in commenting upon the importance of the work being fostered by the Boy Scouts of America. "There is no such thing as a bad boy. The 'bad' boy is merely the product of his environment, and any boy given his choice of good and evil under equal conditions will choose the good."

## DAIRY COWS HERE HAVE NO T. B., EXPERT FINDS

Dr. Otto Wolf, special representative of the State Livestock Sanitary Commission, has completed an examination of the dairy herds at and near Colorado and reports having found no trace of tuberculosis. The dairymen furnishing milk to the public at Colorado have cows which are one hundred per cent immune from the disease, Wolf stated.

## AMERICAN LEGION POST INCREASES MEMBERSHIP

Spurred on to bigger things by reason of the beautiful memorial building now nearing completion and to be owned and occupied by the former service men as their hut, Oran C. Hooker Post, American Legion is starting out on the most successful year since the organization was formed following the close of the war. This fact could easily be noted in addresses and reports made at the February meeting of the post Friday evening and attended by 28 men.

The American Legion membership here has a right to be proud of the beautiful building at Chestnut and North Third which is nearing completion. It will be among the attractive places in Colorado and one of the best and most modernly equipped legion huts to be found anywhere in West Texas. The building will represent an investment of \$15,000.

The fact that the hut is a big asset to Colorado is evidenced by visitors to the city. During the West Texas Chamber of Commerce convention here a few weeks ago, the building was one of the outstanding attractions of the city, the visitors praising the progressive and patriotic spirit which made possible its erection. This week a visitor was here from Chicago and he probably received his most lasting impression of Colorado when shown this memorial.

The drive is on for new members and it is planned to boost the number to one hundred within the next few weeks. With completion of the hut each member of the post will be offered something worthwhile in exchange for his membership dues, if realization of being one of the number to enjoy all privileges of the building are to be considered. Every service man in the county should be considered as affiliated with the post.

The post was unanimous in extending use of the building to the federated clubs for meeting of the Sixth District convention of federated clubs to be held here in April and also to the Lions Club for the ladies night banquet Friday evening, February 22nd.

## MASONS TO COMMEMORATE WASHINGTON ANNIVERSARY

The local Masonic lodge is arranging an elaborate program to be given on the evening of February 19, in commemoration of the anniversary of George Washington, who during his life time was prominent in Masonic circles. The program will be given at the district court room.

W. S. Stoneham, clerk of the local lodge, stated Tuesday that two outstanding features of the event would be music by the Colorado Booster Band and refreshments. Patriotic addresses are scheduled to be delivered.

## TREES AND SHRUBBERY FOR TEE PEE PARK IS ORDERED

A. E. Pistole, divisional superintendent of the Texas & Pacific Railway, has ordered trees and shrubbery for setting in the parklet east of the passenger station and the grounds will be improved and maintained by the local section gang. The Colorado Civic League and Chamber of Commerce have been working together on this matter for several months. The city will pipe water to the grounds for use in watering the trees and other plants which may be set out there.

## BEGGAR RESTRICTIONS ARE SOUGHT BY CIVIC BODY

Denouncing the growing policy of irresponsible parties to fleece the public here through sinister begging claims, the Chamber of Commerce has taken the matter up with the city with the request that begging be regulated. The organization recommends that no begging be authorized within the corporate limits of the city, unless approved by some designated authority.

## BANKS OBSERVE LINCOLN ANNIVERSARY BY CLOSING

The anniversary of Lincoln was observed at Colorado Tuesday by closing of the banks.

## MITCHELL SCHOLASTICS TO EXCEED 3,000, IS BELIEF

The scholastic population of Mitchell County for 1924 will easily exceed 3,000, thereby automatically creating the office of county superintendent of public instruction and separating this office from that of an office berth now filled by the county judge, school and county officials at Colorado who have watched the material increase in population throughout the county during the past year believe. Last year the scholastic population of the county was 2,814.

Under an act of the legislature the office of county superintendent is automatically created when the scholastic census reaches 3,000. To reach the required number in this county necessitates an increase of only 186 over the enrollment last year. Since poll tax payments in the county show an increase of 822 over the number issued for last year, it is conceded without any doubt that the number of school children within scholastic age will show a gain at least sufficient to place the total above 3,000.

The annual scholastic census will be taken during the month of April and plans are now being worked out to enroll every child in the county within the specified ages. Letters are to be mailed to every school trustee in Mitchell County urging them to co-operate fully in the campaign to enroll every name which may be done under the law on the census rolls.

## POSTOFFICE EQUIPMENT RECEIVED AT COLORADO

New equipment for enlarging the local post office was received Monday and is to be installed at once. The new equipment includes 130 lock boxes, with panel for 80 additional as needed, one parcel post window, three rural carriers desks and other office furniture.

To install the additional equipment will necessitate extending the fixtures five feet toward the north and six feet toward the east or front entrance. New shelving for handling mail, doubling the present facilities, is to be built in rear of working department.

During 1923 the Colorado post office issued 13,370 money orders, handled 1876 special deliveries and insured 5,700 packages.

An additional clerk is to be added in that the parcels post, stamp and general delivery windows may remain open from eight to six o'clock. At present these windows are closed while mail is being worked.

## LIONESSES TO BE GUESTS AT BANQUET FEB. 22ND

Plans for the next "jungle roar" of the Colorado Lions den, at which Lionesses are to be entertained, are practically complete. Col. C. M. Adams, president of the club announced Wednesday morning. The event, to feature a banquet and novel entertainment program, will be given at the Pullman Cafe Friday evening of next week.

Expense of the banquet will be paid by a team from the club headed by A. B. Blanks, which lost in a recent contest. The club membership was divided into two equal teams and competed in a closely contested friendly battle for supremacy several weeks, the delegation headed by the town's public "wash woman" losing by a small margin. The penalty of defeat will be paid at the banquet table.

## ROOT WILL BUILD BRICK BUILDING ON WALNUT ST.

Dr. C. L. Root stated Wednesday that he would begin erection of a modern brick business building on Walnut street, between Second and Third. The building will be located on property immediately north of the City National Bank building. The building will be commenced in time to be completed by summer. Tentative plans of the building call for a frontage of 26 feet on Walnut street, extending back 100 feet.

## ORGANIZATION OF BUILDING LOAN ASSN. MEANS MUCH

Colorado will attain an asset of unusual worth to the entire city through organization of a building loan association here, is the belief of bankers and merchants in general who have given expression of their views on the proposed corporation. Such an organization offers the only visible solution to the housing problem in Colorado, which during the past several months has been acute.

The committee from the Chamber of Commerce, J. H. Greene, T. W. Stonerod and L. B. Elliott, to work out preliminaries for organization of such an association here, report some progress and expect to have a full report, outlining articles of incorporation, by-laws and plans for raising capitalization ready to submit to the chamber within the next few days. This committee is working carefully, studying well the constitutional workings of several successful organizations in the country, in that no error be made.

"There would be at least twenty-five new residences under construction in Colorado today in addition to the number being built if some means of financing these building projects was available," a member of the committee stated Thursday. "Colorado is failing in receiving its full quota of permanent citizens and home owners solely because the city is not doing its part in assisting the citizen with limited finances to win his home."

Reports received by the committee from Sweetwater, where a building organization was recently formed, show that the capital stock was readily subscribed and that the bankers and other business men directly interested are more than pleased with the outlook for doing big things in that city. Reports from Lubbock, Georgetown and other Texas cities in which building loan associations are active indicate that these cities owe much of their growth and development to the organization.

## COMMISSIONERS' COURT CO-OPERATES IN PAVING

Commissioners' Court passed an order Monday afternoon without a dissenting vote directing that the county co-operate with the city in extending the paving on Oak street to Fourth, east of the court house and extend the paving on Second street to connect with both the Lone Wolf Creek and Colorado river bridges. On the latter project, the county will pay one-fourth, the city one-fourth and the State Highway Department one-half the expense. This project will include warrentite bitulithic topping over the two bridges.

The county owns 550 feet frontage on Oak street between Third and Fourth. It is understood that every other property owner directly affected by the paving extension as recently ordered by the city has endorsed the project.

## FAIR DIRECTORS TO HOLD EXECUTIVE MEET MONDAY

A meeting of officers and directors of the Mitchell County Fair Association has been called by the secretary, R. H. Ratliff, to convene Monday afternoon at 2 o'clock at the Chamber of Commerce, for the purpose of electing officers for the ensuing year and arrange preliminaries for the third annual county fair here this fall. Every official of the association and other interested citizens are urged to attend this meeting.

## PRICE BROTHERS BEGIN ERECTION OF WAREHOUSE

Excavations for the warehouse to be erected by Price Brothers on Elm street between Second and Third were begun Wednesday. The building will be seventy-five by one hundred and thirty feet and used as a warehouse and salesroom for the large stock of implements and heavy hardware carried by the company.

## NINE BLOCKS PAVING COMPLETED SATURDAY

The first nine blocks in the business district affected by the paving contract awarded a few months ago by the city to the West Texas Construction Company of Fort Worth was completed Saturday afternoon and turned over to traffic. The last lap of Warrenite bitulithic topping to be placed was on Second street east of the Chestnut street intersection.

T. W. Lackie of Abilene, general superintendent of the company, stated Saturday afternoon that the crew which had been employed on the streets here would be transferred to Abilene, where the company has contract for several blocks of paving. The "hot plant" and other equipment in use here by the contractor will not be moved, as work on the additional paving is scheduled to be commenced within the next few days. The company will construct seven more blocks under continuation of the present contract with the city. This extension will be three blocks on Oak, two on Main and two on Elm. The two blocks yet to be paved on Second street will call for another contract.

"The paving in Colorado has done more in placing this city in the forefront than anything else you have done for a long time," Lackie stated Saturday afternoon, in noting the different aspect of the streets now as compared with a few weeks ago. "It was only a few weeks ago that mud was several inches deep all around here. Tourists passing through your city and the public in general over West Texas are commenting in a commendable way about the substantial growth of Colorado, and they all include the paving in the catalog of the good things being done."

## GROUND BEING CLEARED FOR HERRINGTON BUILDING

The old building which has stood for many years at corner of Main and Elm streets is being razed to give way for the attractive brick structure to go up on the site as the future home of the Ford, Fordson and Lincoln in Colorado. This property, 130 by 175 feet, was purchased a few weeks ago by A. J. Herrington, who will build one of the most attractive buildings in the city there.

The old building was purchased by R. T. Dockery and is being moved away by him. Plans for the new building are being drawn.

## TRASH CONTAINERS TO BE PLACED ON CITY STREETS

Sanitary trash containers have been purchased by the city and will be located on the sidewalk throughout the business district. The containers are to be manufactured of heavy gauge galvanized steel. When these containers are placed on the street, ordinances prohibiting the throwing of waste paper and other refuse on the street and sidewalk will be enforced.

## ELECTION ORDERED FOR TUESDAY, APRIL FIRST

An order calling for an election to be held by the qualified electors of the City of Colorado Tuesday, April 1, to elect two members of the city council and a city marshal was passed by the council Monday.

The alderman whose term in office expires on that date is Joe H. Smoot and R. L. Spalding. T. A. Hickman is the other city official affected. No announcement as to aspirants for either of these offices has been made.

## DISTRICT COURT ROOM PEWS LOANED TO LEGION

The American Legion was granted a lease on the pews now in use in the district court room by Commissioners' Court Monday, and they are to be moved to the hut auditorium. Because of a lack in finances the post could not purchase the type of seats the men desired for the auditorium and obtained use of the old court house pews until other arrangements may be made.

The pews are not to be moved from the court house until the new building is completed and furnished.

## GOOD PROGRESS REPORTED WELLS DRILLING IN FIELD

The California Company reported drilling progressing at four tests, two standing cemented and the crew attempting to straighten collapsed pipe at another.

At Morrison No. 2 the crew was drilling at 2,400 feet. At Abrams No. 5 a depth of 1,025 feet had been reached and at LeSure No. 2 925 feet.

The crew at Butler No. 1 is being delayed on account of a collapse in piping at 1,660 feet. Morrison No. 1-A, is standing cemented at 4,200 feet and at Miller No. 2 the well is standing cemented at 2,798 feet after landing six and five-eighths-inch casing.

J. F. Carey reports that he is drilling at about 300 feet at Wellborne No. 1 on the Humphreys-Carey lease near Ira. E. I. Hamilton, manager for the Lou-Tex Corporation, telephoned from Snyder Wednesday that two new tests were scheduled to be drilled on the acreage controlled by this company near Ira. Moore No. 1 of the Lou-Tex Corporation is being cleaned out and will be put on pump.

The Rio Grande Pipe Line Company report an average of 700 barrels daily as output from the field to loading rack at Westbrook. This is in addition to crude being supplied at several drilling tests for fuel. The pipe line runs of 700 barrels daily aggregates more than two tanker cars a week, which is being shipped to El Paso for refining.

## SCOUT LEADER TRAINING COURSE BEGINS MONDAY

A group of Colorado men who are interested in the boys of our city will meet Monday night for the first of a series of four sessions of a Scout Leader training course.

Scout Executive W. S. Barcus, reports that successful courses have just been completed in Scurry and Fisher counties and that a course is now running in Sweetwater.

The course here will be under the direction of G. D. Foster, principal of the high school, who is asking the various pastors of our city to recommend men for this training.

Mr. Foster announces that the men who take the course will be under no obligation to serve as scoutmasters but that it is hoped to get four scoutmasters and eight assistant scoutmasters from the group.

The course is unique in that there will not be any cost to the participants and the principal part will consist of activity rather than lectures.

## MERCHANTS CO-OPERATING TO FINANCE BAND TRIP

The merchants are giving the campaign to raise funds with which to send the Colorado Booster Band to Yellowstone Park and return their full support. M. S. Goldman, band director, stated Thursday morning. According to the band director the proposed trip is assured.

The plan as adopted is to have the merchant contribute five per cent of their gross sales to the fund until the amount desired is raised. It is estimated that \$3,000 will be required.

## ST. LOUIS VISITOR TO ADDRESS COLORADO LIONS

J. E. Burger of St. Louis, prominent poultry specialist and a public speaker of national recognition, is scheduled to deliver an address at the weekly Lions Club luncheon today at the Pullman Cafe. All members of the club are urged to hear this address.

## HIGHWAY ROUTE WILL NOT BE CHANGED IN COUNTY

The present route of the Bankhead Highway through Mitchell County will not be changed, in case bonds are voted and a permanent type of road constructed, Federal and State highway officials stated in Colorado Wednesday. The officials were in conference with F. F. DuBose, local engineer and informed him that they could see no plausible reason for changing the present route.

IN SOCIETY AND AT THE CLUBS

**The Shakespeare.**  
 The Shakespeare Club met with Mrs. J. L. Doss, Miss McComas led the lesson on Carollanus and Current History. Mrs. Reese and Miss Earnest were guests. The hostess served sandwiches, French pastry and coffee. Miss McComas will be hostess this week.

**Circles Meet**  
 The Circles of the Baptist church met in regular session Monday. Circle No. 1 met with Mrs. McKenzie. Besides the Bible study plans were made to assist the other circles in giving a bedroom shower for the new sanitarium at Abilene. Also Mrs. McKenzie was appointed to work out a plan for Near East relief.

Circle No. 2 met with Mrs. Smoot and also voted to join in sanitarium shower. The next meeting will be with Mrs. Huth.

Circle No. 3 met with Mrs. F. B. Whipkey. Mrs. R. O. Pearson led the Bible lesson. Each member pledged to help on feeding the Near East orphan society adopted. This circle will also assist in shower for sanitarium. All the Circles decided to study the Home Mission book, "Cuba for Christ." Mrs. Whipkey broke the rules, she said, and served refreshments of sandwiches, stuffed eggs, potato chips, pickles and coffee.

**The University Student Banquet.**  
 The ex-students of the University will hold their banquet March 1. A Texas is anyone who has ever registered as a student in the University of Texas. An Ann-Ex is the wife or husband of a Texas Ex. There are thirty Ex-students in Mitchell county and it is the desire of the committee that all are present. For reservations call Mr. T. W. Stoneroad or Miss Mabel Smith not later than February 21st. Come and let's make this a permanent affair, as all other ex-students are doing everywhere.

**1921 Study Club.**  
 The 1921 Study Club met with Mrs. R. H. Ratliff with Mrs. Ed Jones as leader. Mrs. Dozier gave an interesting report on "The Importance of Birth Registration." There was a round table discussion as to what Texas should do regarding infant mortality and the great need of this State enforcing her laws re-

garding birth registration. The hostess served a salad course. The club will meet next with Mrs. Dobbs.

The Story Hour has been changed to the primary building. It will be held on Thursdays from 3:30 to 4:30. There will be two divisions. From 3:30 to 4 will be for the first and second grade children and older children may come in from 4 to 4:30. All children over 5 years of age are cordially invited to come and hear these stories. In the first grade room at the Primary building.

**Hesperian**  
 The Hesperian club met with Mrs. H. B. Broadus. The study of American literature was begun. The lesson on James Fenimore Cooper's, The Last of the Mohicians, was led by Mrs. Sam Wulfjen. In keeping with the season the hostess had decorations of red hearts and the refreshments were white cake squares and red and white brick ice cream. On each plate was a cupid with an arrow. The meeting this week will be with Mrs. Ross Dixon.

**Central Circle.**  
 The Central Circle of the M. E. church met with Mrs. Buchanan Monday with Mrs. Sam Wulfjen presiding. After the regular business the daughters of the house served a salad course and coffee.

**Colorado Club at Dallas.**  
 The Colorado Club met with Mrs. M. K. Jackson, 426 East Twelfth St. The home was attractively decorated suggesting the Valentine season. During the afternoon the games of Hearts, Pollyanna and 42 were played. The club meets next with Mrs. H. H. Enderley and Miss Nell Shaw at the latter's home, 5431 Bonita street.—Dallas News.

**Auxiliary to Legion**  
 The Auxiliary to the American Legion held one of the best meetings in its history with Mrs. A. P. Baker Saturday. The president, Mrs. J. G. Merritt, presided. The result of the recent membership drive under Captains Mrs. Tom Hughes and Mrs. Sam Goldman closed with Mrs. Hughes' side in the lead. The auxiliary now has a membership of fifty. The furnishing of the hut was one of the things planned for. The auxiliary voted to install an electric cook stove in the kitchenette right away. Also to see about purchasing a stage curtain. Quite a number of dishes were also purchased. On account of not having the necessary equipment it was decided not to serve the Lions banquet February 22nd. The auxiliary went on record as favoring adjusted compensation to ex-service men and the corresponding secretary was instructed to write our Congressman for his co-operation in this matter. The hostess served a salad course and squares of cake with coffee. On each plate was a dainty valentine. The next meeting will be with Mrs. Tom Hughes.

**Standard.**  
 The Standard club met with Mrs. W. M. Elliott. Mrs. Marcus Snyder led the lesson on War Between Peru and Chili. The mother and sister of hostess were guests. At the social hour the hostess served a sumptuous turkey dinner. Mrs. Sherwin is hostess this week.

**U. D. C.**  
 The U. D. C. will have their regular meeting the 19th of Feb. at 3:30 at the home of Mrs. Frank Lupton. All members be present. Opening ritual and prayer. Roll Call. Current Events.

**Allathians Meet.**  
 The Allathian class of the Baptist Sunday school met with Mrs. Seal last Thursday. After the usual business, Mrs. R. O. Pearson led the Bible lesson. The third chapter of John. The hostess served sandwiches cake and coffee.

**Thrift Club**  
 Mrs. A. L. Whipkey, president of Mitchell County Federation of Women's Clubs and Miss Irma Sealy, county home demonstrator, had a most pleasant visit with the Thrift club at Cuthbert last Thursday. Miss Sealy gave a talk on home dresses, which the ladies were working on at this meeting. The one absorbing theme with this club, as well as the others over the county, is the entertainment of the Sixth District meeting in April. A fine report is expected from this club, as many things have been done for better homes. There were four new steam pressure cookers reported at this meeting besides other good things in the homes. The club decided to study Know Your Country and asked Miss Sealy to order the books.

**Delphian**  
 The Delphian chapter met at Judge Leslie's office last Thursday. An interesting program on Hebrew literature was led by Mrs. M. Carter. The next meeting will be February 21st. The president will, at that time give out the parts for the Historical pageant. All members are urged to be present.

**Pioneer Club**  
 Miss Sealy, home demonstrator, Mrs. Merritt and Mrs. Whipkey attended the Pioneer Club Wednesday. There were seventeen women present and a very enthusiastic meeting held. Splendid reports came in from most of those present of the things produced and canned for home use and sold. The club house is now under construction and it is hoped will be ready for the next meeting. This club members decided to sell canned chicken for salad and sandwiches the proceeds to go to the club house. Orders can be filled at the Chamber of Commerce. They will appreciate orders from their friends. Eight members of the club own steam pressure cookers and others are anticipating purchasing them. Three members of the club have entered the State Kitchen Contest. After the meeting Miss Sealy inspected a flock of thorough-bred Rhode Island Red poultry.

Mrs. J. G. Merritt spent Monday in Abilene helping to arrange the program for the annual conference which meets in Vernon the last of April.

**Junior Missionary.**  
 The Juniors met in the basement of the church Thursday Jan. 24, with Mrs. Roy Dozier as hostess. Josephine Chesney had the devotional. A dialogue, "The Mite Boxes" was given by Gilliam Hart and Frank Smith after which Miss Stelle conducted the mission study from the "Honorabile Japanese Fan." There were 16 members present. Hostess served lovely sandwiches and tea. On Feb. 7th Mrs. Maule was hostess. This was our regular business meeting the new president, Marie Maule, presided. Reports from the various officers showed that each one was trying to do her best. Our pledge for this year was made \$35.00. Plans were made to send cards and notes of sympathy to all the sick and shut-in members. There were 17 members present. Hostess assisted by Mrs. Grantland, served lemonade, sandwiches and cake.—Reporter.

**County Federation.**  
 The Mitchell County Federation of Women's Clubs met in the basement of the Methodist church Tuesday. All town clubs had reports and some of the rural ones. The Westbrook Parent-Teachers Association brought report of assisting in a school library, the boys and girls basket ball courts, fostering a girls club by purchasing table, stove and are planning a shower for the cooking utensils. One hundred and thirty five dollars was made from a box supper. The Pioneer club asked to give a home demonstration picnic the first day of the District meeting. This was gladly accepted. Miss Sealy

of the work of the other clubs over the county. The different committees to prepare for the entertainment of the district meeting reported work progressing nicely and every one responding beautifully, everybody wanting to make it the best meeting in the history of the district.

We handle cheese of all kinds, Brick, Swiss and Cream, Sweet and Sour Pickles.—City Market. Phone 179.

**NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS.**  
 No. 815

Notice is hereby given, to whom concerned that The California Company, the postoffice address of which is Colorado, Texas, did on the 1st day of February, 1924, file its application in the office of the Board of Water Engineers for the State of Texas, in which it applies for a permit to appropriate of the unappropriated waters of the State from the Morgan Creek, a tributary of the Colorado River in Mitchell County, Texas, sufficient water for mining purposes, to be impounded in a reservoir created by the construction of a dam and diverted by means of a pumping plant, said dam to be located at a point which bears N. 56 degrees 15 minutes W. 3388 ft. from the southeast corner of Section 23, Block 28, on the north bank of Morgan Creek in Mitchell County, Texas, distant in a westerly direction from Colorado, Texas, 12 miles.

You are hereby further notified that the said California Company proposes to construct a dam of earth 13 ft. in height, 721 ft. in length, having a top width of 10 ft. and a bottom width of 58.5 ft., thus creating a reservoir having an average width of 500 ft. length of impounding water 1610 ft. and average depth of stored water 4 1/2 ft. having a storage capacity of 93 acre-feet, and to impound therein and divert therefrom not to exceed 150 acre-foot of water per annum, for the purpose herein stated.

A hearing on the application of the said California Company will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, March 24, 1924, beginning at ten o'clock a. m. at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board, in Austin, Texas, this 1st day of February, 1924.

JNO. A. NORRIS,  
 C. S. CLARK,  
 A. H. DUNLAP,  
 Board of Water Engineers.

Attest:  
 A. W. McDONALD, Sec. 2-29c

**STEPS TAKEN TO FORM LOAN ASSOCIATION HERE**

Pledging endorsement and full cooperation to the proposed organization of a building loan association in Colorado, executive officers of the Chamber of Commerce have named a committee to work out preliminaries necessary for obtaining a charter and obtaining articles of incorporation. This committee, composed of J. H. Greene, T. W. Stoneroad and L. B. Elliott, were named at the regular business meeting of the chamber Thursday evening of last week.

**The Muscle Shoals Problem**

Congress will not let the Muscle Shoals question lie dormant. President Coolidge did not hesitate to discuss Muscle Shoals in his message. As in other matters he states his position frankly. He said that the person or corporation purchasing the property should be required to give adequate guarantee to experiment until a process has been developed for the production of cheap nitrates. The farmer's interest and the interest of the nation in Muscle Shoals alike is in the possibility of cheap nitrates. The farmers need soil nourishment; the wood hauler military purposes. The President proposes to write off whatever expenditure may be necessary to get action.

**Methodist Church**

Last Sunday our attendance was small because of bad weather and sickness. Yet we had 88 in attendance at S. S. and the interest was good. The service with the children at the morning hour seemed to be appreciated by all. The children especially enjoy these special services. At the evening hour the pastor preached to a small but an appreciative audience. We missed those faithful ones who were kept away on account of sickness. Let's all keep working and after while things will come around all right. Our revival meeting for the year is to begin Friday before the third Sunday in July. Rev. C. B. Meador, of Abilene is to do the

preaching. However we are to begin a meeting the second Sunday in March in which the pastor is to do the preaching. Let every one pray that each of these shall be great meetings in which will be felt the old time power.

H. W. HANKS, Pastor.

The Bible class at the Christian church met Monday afternoon with an interesting lesson. J. D. Tank's question book is being used in studying each lesson. Lesson next Monday will be 13th and 14th chapters of Matthew. Every one is especially invited to meet with the class Monday afternoon and take part in the lesson. Singing at the church Sunday afternoon at 3 o'clock. Classes from

OFFICE AT CITY HALL

# Next Spring—

With over 200,000 orders for Ford Cars and Trucks already placed for delivery during the next few months, we are facing a record-breaking spring demand.

Each successive month this winter has witnessed a growth in sales far surpassing that of any previous winter season. This increase will be even greater during the spring months, always the heaviest buying period.

These facts suggest that you place your order early to avoid disappointment in delivery at the time desired.

It is not necessary to pay cash for your car in order to have your name placed on the preferred delivery list. You can make a small payment down, or you can buy, if you wish, under the convenient terms of the Ford Weekly Purchase Plan.

See the Nearest Authorized Ford Dealer

out of town are expected to be present. The public invited.

Mrs. Sudie White, daughter of Mrs. W. R. Warren, who died at her home in Pecos Friday night was buried at Colorado Saturday. Those from a distance attending the funeral were J. S. Bonds and family of Abilene; Oscar Warren and family of Merkel; B. Warren and A. P. White of Roby and W. A. Bond of Big Spring. Mrs. White spent the past summer in Loraine and has many friends here. She had been in ill health past year.

Mr. and Mrs. F. W. Evans were in from Valley View Monday on business and while here expressed their appreciation of the generous donation of the people of Mitchell County in their loss by fire.

Lane McCollum, Jennings Celmet and W. J. West, collided with another car near Colorado Saturday night. Cars were damaged but no one seriously hurt.

Mr. and Mrs. Edward Preston, northeast of town were in visiting Mr. and Mrs. J. A. Green Saturday.

Mrs. C. M. Jackson is visiting in the Rio Grande valley leaving Wednesday night.

Mr. and Mrs. Marion Mahon, Misses Fannie and Opal Jarratt, were in Sweetwater Monday having dental work done.

Henry Williamson of Big Spring spent a few hours in Loraine Tuesday visiting his aunt, Mrs. I. J. Pierce

Mr. and Mrs. Will White, Mesdames Homer and W. T. White of Snyder were Loraine visitors Tuesday. Mrs. W. T. White, remained over for a few days visit with Mr. and Mrs. J. C. White.

Miss Swan Farrar was home for the week-end from her school at Coahoma.

Mrs. M. D. Cranfill and Mrs. Herbert Langley were Sweetwater visitors Tuesday.

Miss Annie Blaylock of Barnett was the guest of the Misses Finley near Silver last of the week.

S. R. Sides and family who have been visiting relatives past week left for their home at Canton Saturday night.

Mr. and Mrs. H. T. Cole and Mrs. Jack Brown were in from Valley View shopping Tuesday afternoon.

Mr. and Mrs. W. A. Davis visited relatives at Lone Star Sunday.

J. H. Preston and Mr. and Mrs. W. H. Harris were in shopping Tuesday.

Mrs. R. D. Blalock and daughter of near Colorado were in shopping Tuesday.

U.B. Thrifty says—

"A stone wall may lack speed, but it has staying qualities"

You will have staying qualities if you have your money in a Savings Account.

Fear takes away from man's capacity to enjoy life.

Fear of losing a position, of sickness, of old age coming on finding him unprepared.

Now is the time to dispense with these wears. And while man has earning power is the time for Systematic Saving.

We have worked out several helpful savings plans. You will find one that fits your circumstances exactly.

## COLORADO NATIONAL BANK

Mrs. W. E. Reid of Colorado asks you to turn and read her millinery ad on another page of the Record.

Mrs. Roy Baird and Mrs. A. J. Richey were visitors in the Hugh Hallmark home north of town Tuesday.

Mrs. Shafer and daughter of Roscoe visited Mr. and Mrs. Jack Cardwell Friday.

G. W. Altizer of Sweetwater was in the city on business Tuesday.

W. E. Dickenson is improving his residence in south part of town this week by adding a coat of paint.

Mr. and Mrs. Jeff Davis were Colorado visitors Saturday. Mr. Davis father from Sterling City returned home with them visiting over Sunday.

Elmer Rushing and family moved into the new house just completed on the Thomas Davis lots in West Loraine Tuesday. S. M. Faulkenberry and family are moving into the house vacated by Mr. Rushing.

Miss Annie and Fannie Jarratt, are having a four-room bungalow erected on lots east of their present home this week. The house will be for rent soon as completed.

Mr. E. C. Lee and family are now at home at the Mrs. J. W. Smiley place.

Misses Isla Bruce and Fannie Jarratt, were Sunday dinner guests of Mr. and Mrs. J. G. Bruce.

Grandmother Coon is visiting Frank Brame and family east of town this week.

C. F. Glass made a business trip to Lubbock first of the week.

J. A. Green was a business visitor to Snyder Monday.

W. S. Thomas, Mrs. Jno. Land and Floyd Thomas attended the funeral at Snyder Sunday of the small child of Mr. and Mrs. Marvin White.

Misses Cora and Dorcus Reeder visited Mrs. B. D. Dorn at Colorado Tuesday.

Misses Lucy Norman and Alma Smith of Silver school visited in the P. S. Rozell home Tuesday night.

Mrs. W. A. Davis and son Leonard spent Friday night in the J. F. Bennett home north of town.

W. C. Farrar and H. Cranfill returned from Midland Friday where they spent a few days on business.

G. W. Russell, son Aubry, Dave Walker and friend of Munday stopped over here Friday night on their way home from Lynn county. Mr. G. L. Crowover accompanied them home for a few days visit with his mother.

Burl Smith, son of Mr. and Mrs. D. R. Smith, is home from Abilene this week and is reported at this writing as being quite sick.

Mrs. Edd Hudgins and Mrs. Ezra Carpenter were visiting in the T. H. Finley home Monday night.

J. E. Spikes, W. T. Thweatt, A. E. Walker, T. A. McGee, D. E. Gunn, Marvin Martin and Doc Wimberley are having their homes wired this week.

Mrs. T. R. Bennett and son spent Friday night visiting Mr. and Mrs. O. P. Blair of Lone Star.

Mr. and Mrs. Bob Gary and Mr. and Mrs. C. C. Thompson, were down from Colorado visiting C. M. Thompson and family Sunday afternoon.

Mr. and Mrs. Alfred Richey, Mr. and Mrs. Edwin Hallmark and Mr. and Mrs. S. M. Hallmark, attended a special dinner at Sweetwater Sunday at the home of Mr. and Mrs. S. A. Farris.

Misses Wanda Treat and Edna Earl Luna, who are attending A. C. C. were the guests of the Misses Farris last of the week, leaving for Abilene Monday night.

Glen Coon who has been home sick with the measles past week was able to return to Cuthbert Saturday.

Mrs. B. L. Templeton, who has been critically ill, is reported at this writing as being considerably better.

Mesdames W. C. Brown and Sadler were Colorado visitors Saturday afternoon.

W. C. Farrar and family were Colorado visitors Saturday.

Henry Foy visited with friends at Big Spring Sunday.

Chas. Coffee made a business trip to Cisco Tuesday.

Loraine, Texas, Feb. 12, 1924.

Dear Sir:

I have an article in the interest of the Loraine senior boys basket ball which I wish you would publish in this week's Record. The article is as follows:

The Loraine senior boys basket ball team will represent Mitchell county at the district meet at Abilene Feb. 15 and 16.

In the best two out of three series for the county championship the results are as follows:

Loraine, 60—Valley View, 12.  
Loraine, 34—Valley View 15.  
Loraine, 54—Buford, 11.  
Loraine, 2—Buford, 0. Forfeit.  
Loraine, 2—Colorado, 0. Forfeit.  
Loraine, 2—Colorado, 0. Forfeit.

Colorado had to forfeit their games on account of some of their players being sick, however the Loraine team had defeated them twice before in practice games.

We have played 17 games, winning 13 and losing only four. We have not been defeated on our court this season nor by any team within this county. We have scored 568 points against our opponents while they have scored only 226 points. Our four defeats are as follows:

Loraine, 11—Roscoe, 12.  
Loraine, 20—Blackwell, 22.  
Loraine, 9—Roscoe, 12.  
Loraine, 29—Abilene, 34.

Yours truly,  
H. GRIFFITH, Principal.

Call me for good Coal Oil in fifty gallon lots or less.—J. A. Sadler.

### Those night attacks of coughing

STOP the first coughing spell with Dr. Bell's Fine-Tar Honey—then sleep returns. WEST TEXAS ELECTRIC COMPANY

BY MAKING PUBLICATION OF THE HEREINAFTER SET FORTH RESOLUTION, notice is given to all owners of property and to all others in any wise interested or concerned of all matters and things therein contained, which said Resolution is as follows, to-wit:

RESOLUTION APPROVING AND ADOPTING ENGINEER'S ROLLS OR STATEMENTS, SETTING TIME AND PLACE FOR HEARING TO OWNERS OF ABUTTING PROPERTY, AND TO OTHERS INTERESTED, AND DIRECTING THE CITY SECRETARY TO GIVE NOTICE.

WHEREAS, the City Council of the City of Colorado, Texas, has ordered that the following portions of streets in the City of Colorado be improved by raising, grading, and filling same, and installing concrete curbs and gutters where adequate curbs and gutters are not now installed on curb lines, shown in plans for such improvements, and by repairing curbs and gutters where already installed on curb lines, and by paving with Warrenite Bitulithic Pavement on concrete foundation with necessary appurtenances, all as more fully detailed in the plans and specifications therefor, and contract for the making and constructing of said improvements has been let and entered into with the West Texas Construction Company, the said portions of streets so to be improved being as follows, to-wit:

OAK STREET from its intersection with the South line of Main Street to its intersection with the North line of Fourth Street, known as Unit or District No. Three (3).

MAIN STREET from its intersection with the West line of Elm Street to its intersection with the East line of Oak Street, known as Unit or District No. Four (4).

ELM STREET from five feet North of the center line of the House Track of the T. & P. Ry. Co., to the North line of Third Street, known as Unit or District No. Five (5).

WHEREAS, the City Engineer has prepared and filed with the City Council rolls or statements for each District or Unit, showing thereon the amounts proposed to be assessed against the property abutting upon the improvements in each such District or Unit, and against the owners thereof, and showing other matters and things necessary and pertinent thereto, and the same having been examined, and all errors and omissions found therein having been corrected:

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLORADO, TEXAS, THAT:

The said rolls or statements be and the same are hereby approved and adopted.

The City Council does hereby determine to assess a portion of the cost of said improvements in each District or Unit against the owners of property abutting thereon and against their abutting property in accordance with and under the terms of Chapter 11 of Title 22 of the Revised Statutes of the State of Texas of 1911, and the proceedings of the City of Colorado concerning said improvements and letting the contract therefor.

The cost in each District or Unit to be assessed against abutting property and the owners thereof shall, in accordance with the proceedings concerning such improvements, be apportioned among the respective parcels of property abutting upon the improvements according to front foot plan or rule, provided that if the application of this rule shall, in the opinion of the City Council result in particular cases in injustice or inequality or in assessments in excess of special benefits in the enhanced value of the property by means of improvements in the particular district or unit, then the City Council shall adopt such rules in each district as shall effect a substantial equality between the respective parcels of property abutting upon such district or unit and the owners thereof, considering benefits received and burdens imposed, and provided further that in no case shall any assessment be levied against any property or owner thereof for any part of the cost of improvements in any District or Unit in excess of the special benefits in the enhanced value of such property by means of the improvements in such district, as ascertained at the hearing herein provided for, each district or unit being considered as a separate and independent unit of improvement, and the omission of any improvement in any district or unit shall in no wise effect or impair assessments levied, and the omission of improvements in front of any property exempt by law from the lien of special assessments shall in no wise effect or impair the validity of assessments. Assessments when levied shall be and constitute the first enforceable lien and claim on the property against which such assessments are levied, superior to all other liens and claims, except State, County and Municipal taxes, and shall be a personal liability and charge against the real and true owners of such property.

The descriptions of the parcels and tracts of abutting property, the several amounts proposed to be assessed against such parcels of property and the owners thereof, the total estimated cost of the improvements in each district, and the total amount proposed to be assessed against each parcel of property, and other matters and things as shown on the said rolls or statements, are as follows, to-wit:

ENGINEERS ROLL OR STATEMENT FOR STREETS AND DISTRICT SHOWN For Oak Street from intersection with South line of Main Street to intersection with North line of Fourth Street—District Number Three (3).

Table with columns: Owner, Location, Block No., Ft., Rate, Cost, Curb @ .475 Lin. Ft., Total Cost. Lists property owners and their respective assessments for Oak Street improvements.

ENGINEERS ROLL OR STATEMENT FOR STREETS AND DISTRICT SHOWN For Main street from intersection with West line of Elm street to intersection with East line of Oak street—District Number Four (4).

Table with columns: Owner, Location, Block No., Ft., Rate, Cost, Curb @ .475 Lin. Ft., Total Cost. Lists property owners and their respective assessments for Main Street improvements.

ENGINEERS ROLL OR STATEMENT FOR STREETS AND DISTRICT SHOWN Elm street from five feet North of the center line of the North or House Track of the T. & P. Ry. to the North line of Third street intersection—District Number Five (5).

Table with columns: Owner, Location, Block No., Ft., Rate, Cost, Curb @ .475 Lin. Ft., Total Cost. Lists property owners and their respective assessments for Elm Street improvements.

III. A hearing shall be given to the owners of property abutting upon the said portions of street, and to all others interested, whether they be named herein or not, all of whom are hereby notified to be and appear at the time and place herein named and fixed, which said hearing shall be held on the 5th day of March, 1924, at 4 o'clock P. M. in City Secretary's office, in the City of Colorado, Texas, and which shall be continued from time to time and from day to day, if necessary, until all desiring to be heard shall have been fully and fairly heard, and at which hearing any mistake, irregularity or invalidity in any of the proceedings with reference to the making of the said improvements or assessments therefor may be corrected, and the benefits by means of the said improvements, and all sums to be assessed against abutting property and the owners thereof will be determined, and the apportionment of the cost of the improvements in each district will be made, and all other matters and things required by law and the proceedings of the City will be done and; after all desiring and presenting themselves to be heard, either in person or by agents, attorneys, or representatives, have been fully and fairly heard, the said hearing will be closed, and assessments will be levied against the said abutting property and the owners thereof, whether such owners be named herein or not; and at said hearing any person, firm or corporation, their agents, representatives, or attorneys, and any and all others in any wise interested shall have the right to appear and be heard, and to introduce evidence and subpoena witnesses.

IV. The City Secretary of the City of Colorado, is directed to give notice to the owners of the property abutting upon the said portions of street, and to all others interested, of all said matters and things, by causing a copy of this Resolution to be published at least three times in some newspaper of general circulation in and published in the City of Colorado, Texas, the first publication to be made at least ten days before the date above fixed for such hearing. The City Secretary may also give notice by mailing to each owner at his or her address, if known, by registered letter, a copy of said notice, but the said notice by letter shall be only cumulative of the said notice by advertisement and publication, and the notice by advertisement and publication shall in all cases be sufficient, whether or not any other notice be given.

V. This resolution shall take effect and be in force from and after its passage. Passed and approved this 11th day of February, A. D. 1924. JOE H. SMOOT, Mayor Pro-Tem., City of Colorado, Texas. ATTEST—L. A. COSTIN, City Secretary.

And of all said matters and things all parties, owners and others in any wise interested or concerned, will take due notice. L. A. COSTIN, City Secretary, City of Colorado, Texas.

GYPSUM SULPHUR AT PECOS.

Ira J. Bell has discovered on his holdings near the Bell well a deposit of gypsum-sulphur mixture in a strata some twenty feet thick and apparently in unlimited quantity. This as dug from its place is in a mealy state and requires no grinding or milling to fit it for a fertilizer.

Samples of this were sent this week to the State College at Socorro, N. M., for analysis. It is certain that it contains a very large percentage of both sulphur and gypsum—two of the now recognized finest fertilizers known.

Mr. Bell states that as dug up it is ready to be sacked and shipped and this will materially lessen the cost of production. The Toyah Valley Sulphur Company has shipped great quantities of this fertilizer from their sulphur mines out west from Orla, but this is taken from the ground in a rock formation and has to be crushed before it is ready to spread upon the soil. It is altogether probable that this new discovery will open up a new industry here and since there is such a demand just now for sulphur-gypsum it will prove a very profitable one and be a God-send to the farmers of the entire country.

Though work has not yet begun on the pulling of the tubing in the Bell well, I. A. Bell, Bob Grissom and W. E. Turner, who are in charge of it, have been busily engaged in getting everything about the well into the finest kind of condition so that when the new tubing arrives there will be no delay in starting up, and that there may be no trouble after starting up that can be avoided by care and attention now. The boiler has been overhauled and put in good condition, pipe lines have been inspected and defective parts replaced with new. The engine has been gone over and is now in first class condition. The bull wheel, calf wheel, power wheel and sand line wheel as well as the crown block pulleys have all been inspected and found to be in working order, and it is expected that before our next issue work on the well will again commence.—Pecos Enterprise.

HOMESEEKERS GIVEN RATES BY TEXAS & PACIFIC RY.

Plans to agriculturally develop West Texas were given impetus Wednesday by the announcement that the Texas and Pacific Railway which was the first line to reach Ft. Worth, is offering a low round trip homeseekers' fare to points west of Ft. Worth with a view to settling families in the sparsely populated districts. The special fare is being made with the sanction of the Railroad Commission of Texas, according to the bulletin issued by Jake Zurn, district passenger agent of the Texas and Pacific.

"This rate, which applies to parties of five or more passengers, will be round trip ticket and will be good for eight days," said Jake Zurn of Ft. Worth, district passenger agent for the T. & P. Ry.

"We have been induced to extend this low rate to homeseekers because of the great influx of families into West Texas," continued Mr. Zurn. "Ever since the publicity given to that section of the country through papers, there has been a steady stream of immigrants from the North and East looking for land in 'Uncle Sam's Biggest.'"

Mr. Zurn went on to say that the low rate tickets would have to be used within eight days of purchase for the return trip, and on the date of sale on the outgoing trip. Tickets are not transferable.

Stop-overs will be allowed on tickets within the homeseeker's territory, i. e., Sweetwater, Van Horn and intermediate points. To secure stop-overs passengers must notify conductors who will make proper indorsement on the back of the ticket. Persons making stop-overs must commence their return journey in time to reach their original starting point by midnight of the time limit on their ticket.

Children under five years of age will be carried free when accompanied by parents or guardian. Children over five and under 12 years of age will be charged half of the adult fare.

Reports from Homer D. Wade, assistant secretary of the West Texas Chamber of Commerce, say there are more than 3,000,000 acres of land stretching from Amarillo to Midland that may be bought for \$20 to \$35 an acre.

"I believe that more than half a million people will come into West Texas before the year is over," said Mr. Wade. "At Lubbock alone an

average of 22 families are being unloaded every day."

Tribute to Woodrow Wilson.

Wilson, the greatest statesman has passed away.

It seems that he lived before his day. For the nation cannot yet understand The greatness and worth of such a man.

He gave his soul, his life, his all; In order that peace and liberty might not fall. So let us pay tribute to those whose plan, Was "peace on earth and good will to man."

A member of the Senior Class wrote this tribute to Woodrow Wilson. The entire class paid their tributes to our former president, some of which were very effective, but this little poem seems, in its simplicity to express the sentiment of those who understood and appreciated the man and statesman.

Call me for good Coal Oil in fifty gallon lots or less.—J. A. Sadler.

I want another Buckeye Colony Brooder

People who already own Buckeye Brooders are our best customers—because they all make big profits. And they put their money into more Buckeyes for still bigger profits. Ask the Buckeye user—he knows. He'll tell you, you can't get Buckeye results with anything but a Buckeye Colony Brooder—whether coal or oil burning. You'll grow three chicks where one grew before, at the lowest running expense—and you'll raise them to maturity and make real money. Come in and see these remarkable brooders today. We have the very size you need.

### The Lincoln I Knew

As told by an Aged Westerner to  
**MAUBEL SHERMAN**  
 in Collier's

I FIRST saw Abraham Lincoln in March, 1863, when I made a trip to the East from California via the Isthmus of Panama. It was at the President's levee, and, of course, I wrote to my family in the West, telling them my impressions. This letter proves that I, like many others of the time, misjudged the man and surely underrated his abilities:

Last night I was at the President's levee and saw many of the dignitaries. A few moments ago I saw Burnside and at first view was satisfied of his incompetency to command the army. It is strange that our President and others have so little perception of character. Lincoln is a good-natured Westerner.

Later at one of the White House receptions Mrs. Cole and I waited in the long line to be received. She somehow dropped one of her white gloves and was not conscious of it until we had moved up and it was our turn to greet the President and Mrs. Lincoln. She stood looking about her in dismay for the missing glove, and the President, seeing what had happened, watched her with an amused smile. In a moment he said: "Never mind, Mrs. Cole, I shall have a search made for it tomorrow, and shall preserve it as a souvenir."

This remark, coming from a man to whom book etiquette was a thing unknown, proved him to be an inborn gentleman. His deportment never missed, because it was the expression of his friendly feeling for all. He did not offend because in his heart he felt no animosity for anyone.

Always in consultation he was argumentative, but not dictatorial. He was one of the best of listeners and was always open to conviction, yet if his own reasons were well founded, and no one had a better reason to offer, he could not be moved. But he was never offensively opinionated.

#### His Use of Anecdotes.

His profuse use of anecdotes is, of course, a matter of history. I remember one day that Mr. Shannon and I went to see Mr. Lincoln regarding some legislation that concerned Callisnoia. He could not comply with our wishes in the matter, and in order to let us know that conversation on the subject had terminated, he told us this story:

In the early times in Springfield, there were three churches, all orthodox, a Methodist, a Baptist, and a Presbyterian. A young fellow came there very unexpectedly to preach the Universalist doctrine and to establish a church of that faith. That particular creed was very unpopular at that time, and these three orthodox preachers determined to get together and preach

him down. They consolidated their congregations and determined to take turns addressing them. When it came to the turn of the Methodist preacher he began by telling them how happily situated they were, both in temporal and spiritual things, and then remarked that "there now comes among us a stranger to preach a new doctrine, to establish a new church in which the doctrine will be taught that all men will be saved. But, my brethren," he concluded fervently, "let us all hope for better things."

I went down on the same train with Lincoln when the battlefield of Gettysburg was dedicated.

The day, November 19, 1863, was overcast and dreary. The morning was spent in inspecting the late battle ground. In the afternoon a comparatively small crowd gathered around a plank platform thirty or forty feet square, about three or four feet above the ground. There were seats on this for the delegations and speakers.

Edward Everett was chosen orator of the day, and he held forth for over an hour in a most masterful oration. I remember that he had a little high table before him on which were cards containing notes, and he referred to

### TOM TERRY ANNOUNCES FOR PUBLIC WEIGHER

Tom Terry, public weigher at Colorado, announces his candidacy this week for re-election to the second term. Mr. Terry has filled the office the past two years in a commendable manner and asks for the second term upon his merits.

Tom will appreciate the support and influence of every voter in the precinct. His record as a public official should entitle him to this consideration.

### 1923 TAX PAYMENTS OVER 95 PER CENT PAID

County, state and school taxes collected at the office of I. W. Terry and city taxes collected at the office of L. A. Costin, prior to February 1st, approximated 95 per cent of the total amount assessed, final reports to be filed by these officials within the next few days will show.

Property valuations in the county were assessed at a valuation of \$6,400,000 and property within the corporate limits of Colorado at \$2,100,000, for 1923. The county tax rate for 1923 was five cents less than the amount levied for one year ago.

### U. D. WULFJEN CANDIDATE FOR COUNTY JUDGE OFFICE

U. D. Wulfjen, cattleman and banker, and for a number of years county commissioner in the Colorado precinct, authorized the announcement Wednesday that he had definitely determined to enter the campaign for county judge, subject to action of the Democratic primaries in July. Wulfjen has been solicited to make the race for this office during the past several days by a number of citizens at Colorado and elsewhere over the county.

During the several years Mr. Wulfjen has filled the office of County Commissioner he has done so out of respect to the wishes of the people of his precinct who persisted that he be retained in office. This was because of the unusual ability of Wulfjen as a conservative and progressive official. His record as a member of Commissioners' Court is commendable.

Wulfjen is thus of that type of citizen who does not seek office, but rather the office seeks him, and this is to a large measure true in the case of his candidacy for county judge. He only consented to enter the race after continued solicitation from his constituents.

Urda Wulfjen is too well known as a man of the highest integrity and honor and one possessed of unusual administrative ability as to need any reference here. The candidate probably will not conduct a thorough canvass of the county and if for any reason he fails to see all the voters, it will not be because he would not appreciate your support and give to the administration the best he possibly can.

### Plan Wilson Memorial to Cost 25 Millions

Nashville, Tenn., Feb. 12—A national memorial to Woodrow Wilson costing not less than \$25,000,000 and surpassing in grandeur and magnificence the stateliest built for any ruler or potentate on earth represents a movement initiated here yesterday by the Tennessee division of the American Legion.

John R. Quinn, national commander of the Legion who was present, asked the resolutions adoption and will pass it on to the heads of the organizations in the various states. He will likewise present the matter to the executive committee of the Legion when it meets at Indianapolis next May to be followed, if adopted, by a campaign for funds, the most stupendous for a similar purpose the world has ever known, officials said.

The memorial would be located on the banks of the Potomac where the war president broke his health and gave his life.

### LONGFELLOW LOCALS.

It has been some time since we have had our news printed but now that we are back we have plenty of news.

Nearly everyone is farming a little. We were all surprised last Thursday when Miss Myrtle Newton, our assistant teacher and Mr. Jim Martin were married.

Miss Myrtle Seals has been visiting the Westbrook home this week.

Little Miss Winnie Mae Lowrey is missing school this week on account of sickness.

Misses Vera Cathcart and Eula Burk are both sick and are missing school.

Mrs. John Smith and son, Jack of Centerville, Kansas, have been visiting Mr. and Mrs. D. P. Smith.

Mr. A. L. Scott and daughter Annie have gone to South Texas where they will spend the summer.

Mrs. W. E. Reid, milliner at Burns store at Colorado, asks the ladies of this community to come in and see her new hats. She has just returned from market and has fine quality new style hats in all prices.

Miss Lila Neel Beaman is up from the measles and back at school again.

Little Everett Pond has been very sick the last week with pneumonia.

Mr. Horace Smith is visiting his

sister, Mrs. Grady McCarley out at Andrews.

Sunday before last Bro. Bishop of Colorado was to preach for us but the sand storm was so bad there were only a few there. Bro. Bishop couldn't see the way out and did not get here.

Last Sunday the rain kept us from having Sunday school and singing. Everybody come next Sunday and bring somebody with you for if any more sand storms don't surprise us or it don't rain we are going to have something.

PINTO.

Did You Get Your Copy?

We have received notice from the Purina Mills of St. Louis, that the 1924 PURINA POULTRY BOOK has been mailed. Your copy should have reached you by now.

The Purina Poultry Book is the handy guide for well over a million poultry raisers in the United States. It is simply written, well illustrated, and brimful of practical money making hints on culling, breeding, feeding, electric lighting, housing, and care.

### Free With Our Compliments

We arranged with the Purina Mills to send a complimentary copy to every poultry raiser whose name and address we had. If you have not received your copy, send us your name and address on the attached coupon or give it to us over the phone—and we will see that you get your book at once.

FORMER COLORADO PASTOR WRITES EULOGY ON WILSON

The feature of the regular meeting of the Lions Club Tuesday was the eulogy of Woodrow Wilson given by Rev. Holmes Nichols. It was a beautiful tribute to the memory of the dead statesman, and was given in response to an invitation extended to Rev. Holmes Nichols by President Naylor of the Lions Club.

President Naylor announced that it was fitting that a brief period be given to a memorial in honor of the late Woodrow Wilson, and that he had requested Rev. Nichols to deliver the address. Rev. Nichols was introduced by the president and delivered the following eulogy:

Mr. President and Gentlemen of the Lions Club: Some months ago by the request of the president of the Kiwanis Club I spoke a brief word before that body, memorializing the life of our fallen President, Warren G. Harding, and now the president of the Lions Club has requested that I say a word in memory of his immediate pre-decessor, as President of the United States of America, Woodrow Wilson.

I am thinking of the similarity of the lives of the two presidents, a short while before they were called into the strange beyond. When president Wilson was stricken, he was making a strenuous campaign to place his plans and purpose before the American people concerning the League of Nations. He entered that strenuous campaign over the protest of his physician and received the fatal stroke in the heat of battle, tho he lingered in seclusion for many months, his only public appearance being at the inauguration of President Harding, and the burial of the Unknown Soldier yonder in beautiful Arlington. Similarly was the home-going of Harding. He was making a stressful campaign to get his views personally before the people concerning the world court, but in the midst of the fight the call to the strange beyond came to him.

Moreover, they were both magnanimous men. The magnanimity of Harding toward Wilson was shown at the inauguration of the former. Following the formalities on that august occasion Harding walked down the steps of the capital with the feeble, and weak Wilson leaning on his arm for support, and tenderly, and with a "God bless you" he assisted the ex-President to his car. The graciousness of Wilson was shown toward Harding at a theatre some months after the inauguration. The picture of Wilson was thrown on the screen, and the applause was tremendous. Following this the familiar face of Harding appeared on the screen, but the demonstration was not so great on that particular occasion. Whereupon, Wilson remarked:

Mr. President and Gentlemen of is not just to the president of the United States." The little incidents are indices pointing to two great magnanimous souls. Furthermore, both men were devoutly and devotedly religious. I do not mean that in a sectarian sense, but that both accepted and practiced the philosophy and principles of the Man of Gallilee, the God-Man Harding left his home for Washington requesting that his home people should daily remember him in prayer and when he took the oath of office he kissed the Book of Books with a prayer on his lips. When Mrs. Harding was so near death's door the papers told us that Mr. Wilson left his card at the door of the home, as an expression of his profound sympathy, but they did not tell the whole story, namely, that when Wilson could hardly speak above a whisper, he prayed at the family altar in his own home for the president and for the recovery of his companion.

From El Reno (Okla) Democrat: Grandmother Coon is visiting Frank Brame and family east of town this week. W. S. Thomas, Mrs. Jno. Land and Floyd Thomas attended the funeral at Snyder Sunday of the small child of Mr. and Mrs. Marvin White.

Citation by Publication

The State of Texas: To the Sheriff or any Constable of Mitchell County, Greeting: You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the county of Mitchell, for four consecutive weeks previous to the return day hereof, Burt King, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof to be held in the county of Mitchell, at the court house thereof, in Colorado, on the third Monday in April A. D. 1924, the same being the 21st day of April A. D. 1924, then and there to answer a petition filed in said court on the 11th day of February, A. D. 1924, in a suit numbered on the docket of said court, No. 4464, wherein Emma King is plaintiff and Burt King is defendant. The nature of the plaintiffs demands being as follows, to-wit: Plaintiff alleges that she is and has been for a period of twelve months prior to exhibiting the petition herein an actual bona fide inhabitant of the State of Texas, and has resided in the county of Mitchell for at least six months next preceding the filing of this suit; that on or about the 25th day of February A. D. 1915 in Mitchell county Texas, plaintiff was lawfully married to defendant and that they lived together as husband and wife until on or about the 15th day of February A. D. 1916, when defendant left plaintiff with the intention of abandonment of plaintiff as his wife, since which time they have not lived together as husband and wife; that defendant has been gone for more than eight years with the intention of abandoning plaintiff as his wife, during which time she has not heard from or of him; that said marriage relations still exist. Plaintiff prays for citation for judgment dissolving said mar-

riage relations, for costs of suit and general relief. Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ, with your endorsement thereon showing how you have executed the same. Given under my hand and seal of said court at office in Colorado Texas, this the 11th day of February, A. D. 1924.

W. S. STONEHAM Clerk District Court Mitchell County, Texas 3-7c

NOTICE OF ROAD BOND ELECTION

The State of Texas County of Mitchell To the resident property tax paying voters of Mitchell County, Texas TAKE NOTICE—That an election will be held on the 22nd day of March, 1924, within Mitchell County, Texas, to determine if said County shall issue bonds and if a tax shall be levied in payment thereof, in obedience to an election order entered by the Commissioners Court, on the 11th day of February, 1924, which is as follows:

BE IT REMEMBERED, That on this the 11th day of February, 1924 the Commissioners Court of Mitchell County, Texas, convened in regular session, at the regular meeting place thereof, in the court house at Colorado, Texas, all members of the court, to-wit: J. C. Hall, County Judge, U. D. Wulfjen, Commissioner of Precinct No. 1; H. A. Lasseter, Commissioner of Precinct No. 2; Jno. D. Lane, Commissioner of Precinct No. 3; W. D. McAdams, Commissioner of Precinct No. 4; being present, came on to be considered the petition of C. J. Martin and 110 other persons, praying that bonds be issued by said Mitchell County, Texas, in the sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00), bearing interest at the rate of not exceeding Five and One-half per cent (5½%) per annum, payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed thirty (30) years from date thereof, for the purpose of constructing, maintaining and operating a concrete-paved Highway and Turnpike, running through said county from the Mitchell-Nolan county line to the Mitchell-Howard county line and known as the Bankhead Highway, or in aid thereof, in said County of Mitchell; and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity;

AND IT APPEARING to the Court that said petition is signed by more than fifty (50) of the resident property taxpaying voters of said Mitchell County, Texas, and IT FURTHER APPEARED That the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Mitchell County, Texas; IT IS THEREFORE CONSIDERED AND ORDERED by the Court, that an election be held in said County, on the 22nd day of March, 1924, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said county shall be issued in the amount of Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00) bearing interest at the rate of not exceeding five and One-half Per Cent (5½%) per annum, payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed thirty (30) years from the date thereof, for the purpose of constructing, maintaining and operating a concrete paved highway and turnpike, running through said county from the Mitchell-Nolan county line to the Mitchell-Howard county line and known as the Bankhead Highway, or in aid thereof, in said county of Mitchell; and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

The county judge is hereby directed to cause such notices to be published and posted, as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers, and received by the Court. Given under my hand, with the Seal of the Commissioners' Court affixed, this the 11th day of February, 1924. (L.S.) J. C. HALL County Judge Mitchell County, Texas. 314c

INCOME TAX IN A NUTSHELL

WHO, Single persons who had net income of \$1,000 or more or gross income of \$5,000 or more, and married couples who had net income of \$2,000 or more or gross income of \$5,000 or more must file returns. WHEN, The filing period is from January 1 to March 15, 1924. WHERE? Collector of Internal Revenue for the district in which the person lives or has his principal place of business. HOW? Instructions on Form 1040A and Form 1040; also the law and regulations. WHAT? Four per cent normal tax on the first \$4,000 of net income in excess of the personal exemption and credits for dependents. Eight per cent normal tax on balance of net income. Surtax from 1 per cent to 50 per cent on net incomes over \$5,000 for the year 1923.

RAISE THE DEFICIT

A financial report of the American Legion building fund made public Friday night shows that some \$200 additional will be required if the building is to be completed and furnished as desired. This deficit was based upon estimates of the architect covering expense of material and labor yet to go into the building. The people of Mitchell County will not permit this deficit to remain unpaid, because it would be a diversion from their set policy of progress and contrary to their deep sense of patriotism and appreciation for the more than 200 Mitchell County young men who so gallantly represented them in war. The Record has no idea how this \$200 will be raised but we are going strong on the fact that it will be coming up and that before many days hence. We know the citizenship of this county. Any citizen of the county who would have a part in making possible the erection of this beautiful \$15,000 Memorial building should make his remittance without delay. Every parent two had a son in the service should have some part in this worthy project. Leave your contribution at any bank in Mitchell County or with any official of the post. You could do nothing that the former service men would appreciate more.

TOO MANY CAR ACCIDENTS

There are entirely too many automobile accidents occurring recently on the streets of Colorado and on the highways leading out from the city. During the past week or ten days, hardly a day has come but that one or more of the accidents were reported and while the personal injuries received have as yet been

small, the practice of careless driving is nevertheless certain to reap a death toll if not curbed. The almost noiseless resiliency with which automobiles and trucks pass over the down town streets since the paving was completed is another added danger to life and limb and unless both pedestrian and driver are doubly careful, especially at the Second and Walnut street intersections, some one is liable to be run down and either maimed or killed. We can not be over cautious when at the wheel of a moving automobile, whether it be on the city street or along the country road.

There is no doubt that Colorado is in need of one or more wholesale grocer concerns and definite steps should be taken by the Chamber of Commerce and Lions Club to fill this gap in the industrial life of the city. It is contrary to the best interests of this city for us to continue to send money to other cities in this vicinity for these supplies when they could just as well be supplied locally. Surely no city in West Texas of the population of Colorado has a more brilliant future and none could offer better inducements. Along with the industrial program for 1924, include location here of a large and reputable wholesale grocer. Colorado is entitled to this asset and can obtain it by going after it.

WHOLESALE GROCER

Colorado Grows, Too. In the edition for Wednesday morning the Abilene Reporter carried an editorial on the growth of Texas cities during 1923, giving figures showing the value of new building in twenty five of these cities. No mention was made of Colorado, although building during 1923 in this city exceeded ten of the cities referred to in the article. Practically all towns and cities in Texas are building and there are few of them which should be classified as exceeding Colorado, in so far as steady permanent growth is concerned. New building aggregating \$612,000 was either completed or contracted for in Colorado during 1923. Comparison of these figures with those of the twenty-five cities given prominence in the Reporter editorial will show that Colorado is growing too. The cities mentioned, together with building permits for the year, were as follows.

Table listing cities and their building permit amounts for 1923: Abilene \$1,655,664; Amarillo 1,309,615; Austin 2,120,000; Beaumont 2,689,371; Brownwood 709,539; Cloco 300,000; Corpus Christi 207,945; Dallas 20,988,469; Denton 940,000; Denison (3 months) 367,315; El Paso 2,101,980; Fort Worth 8,395,264; Galveston 1,891,864; Hillsboro 260,000; Houston 19,086,831; Paris 167,636; Port Arthur 2,938,408; San Angelo 185,095; Sherman 326,541; San Antonio 8,053,266; Tyler 384,314; Taylor 103,000; Vernon 305,475; Waco 1,283,772; Wichita Falls 1,747,767.

Governor

Nine avowed candidates for Governor of Texas, and each running on a platform which befits a candidate for the State Legislature. When will the people of Texas learn that it really doesn't matter a great deal what legislative changes nor tax reductions and economy programs a candidate for Chief Executive favors when he has so little to do with these things? Why shouldn't the chief plank in the platform of every candidate for Governor be a declaration that he will do his utmost to enforce the law, since that is his real job? Then get the views of prospective legislators on these other questions. Enacting laws is their job—Sherman Democrat.

TEXAS

Out of Washington comes a dispatch saying that the value of farm products in Texas last year was over one billion dollars, more than twice as much as the next state, Iowa, produced. That sounds big, and is big. But just you wait another ten years, when West Texas will have come into her own agriculturally, and that billion dollars will appear tame and trivial. Texas is the greatest state in the Union right now, but in a few years she will be greater than any two other states in the union. And among all the counties in the State Mitchell is fast forging to the front. Come to good old Mitchell county.

Break Imminent Between President and Western Republicans

Evidence is accumulating to justify the prediction that there is to be a break between President

# Advance Showing of Our New Spring Arrivals

All enthusiastic our buyers have just returned from Eastern Markets. Yes enthusiastic over the wonderful values of Spring Dresses, Coat Suits, Coats, Capes and Millinery bought for Spring wear. We take pleasure in inviting you to see this wonderful collection of early spring fashions and assuring you that particular dressers will find here just the things they want.

We extend you a cordial invitation to visit our store and see the many new things we are showing

## NEW SPRING MILLINERY

A notable collection of new spring Hats, smartest styles, newest materials, reasonable priced. Three real good reasons why you should make it a point to see this comprehensive showing of new spring millinery, and a glance at these styles and material of which our new showing consists of will convince you of an important opportunity for many are specially priced for early selling.

MATERIALS	STYLES
Faille Silk and Taffeta, Straw and Fabric Combinations, Hair and Novelty Braids, Milam Straw Hemp Braid.	Small Brimmed Cloche, Medium and large Brims, Peacock Trimmed, Embroidered Sports.

Featuring a special lot for the coming week at \$4.95

# TRADE WHERE YOUR MONEY GOES THE FARTHEREST JONES DRY GOODS COMPANY

## \$65,210.83 ESTIMATE OF PAVING EXTENSION

The paving extension of seven blocks recently ordered by the city, will cost \$65,210.83, according to estimates compiled by the engineer, F. F. DuBose. This represents a cost of slightly less than \$10,000 a block while the first contract for nine blocks represented a cost of slightly more than \$10,000 per block. This is because of the fact that intersections at Main and Walnut, Second and Oak and Second and Elm are already paved. There will be only three intersections in the extension, all of which are on Oak street at the Main, Third and Fourth street intersections.

Estimates showing distribution of the cost to the city and property owners show that the city will bear \$15,742.42 of the expense and property owners the remaining \$49,468.41. This includes assessments for curb and gutter and paving complete. On Oak street the paving is to extend

from curb to curb and will be the widest paving in the city, since Oak is wider than Second street.

Preliminaries for beginning actual work on the paving extension are expected to be completed by March 1. The West Texas Construction Company will have crews and equipment ready to begin on the new paving when these preliminaries are out of the way.

The city has purchased conduit for street lighting system extension along with the paving. Five additional large standards will be required for these lights and funds with which to purchase them are being raised by the Colorado Civic League.

A fool there was and he saved his rocks, even as you and I; but he took them out of the old strong box when a salesman called with some wild-cat stocks, and the fool was stripped down to his socks, even as you and I.

The most important automobile brake is under the driver's hat.

## Two Killed in Locomotive Blast on Santa Fe

Lubbock, Feb. 13.—The explosion of a locomotive boiler on the Santa Fe passenger train No. 91, Houston to California, killed fireman Tim Cronin at 8:35 o'clock this morning, and inflicted fatal injuries on Engineer O. E. Plumlee. Forty minutes afterward a relief train out of Slaton, running 70 or 80 miles an hour, ran down and instantly killed E. R. Foster, roadmaster of the Slaton division.

The explosion on train No. 91 occurred at Lariat, Parmer county, the first station east of Farwell. Passengers on the California bound train were not injured. When word of the accident was flashed to Superintendent Anton at Slaton, 101 miles away, his special car was hooked to an engine and with doctors aboard, started for Lariat. It was reported that the relief train made the first seven miles out of Slaton in less than five minutes.

At Burrus Switch, 13 miles out of Slaton, the locomotive crashed into Roadmaster Foster's motor car. He was riding alone and was attempting to make the switch ahead of the train, it was said, but was run down. Foster's body was brought to Lubbock. Fireman Cronin was killed instantly.

## POULTRY SPECIALIST WILL GIVE DEMONSTRATION HERE

J. E. Burger of St. Louis, special representative of the Ralston Purina Co., is scheduled to give an illustrated lecture at the High school auditorium Friday afternoon, immediately following adjournment of the food demonstration at Hutchinson school.

Burger will show motion pictures showing different stages of the egg during the 21 days of incubation, care of chicks, manner of selecting birds for breeding pens, etc. The general public is invited to attend.

Here is the grave of Timothy Tether Who never kicked about the weather. Here lies the bones of Absalom Earl Who never cussed the telephone Girl.

## "NOT THROWING BANKHEAD HIGHWAY DOWN," IS CLAIM

"We are certainly not throwing the Bankhead Highway down and would do nothing to direct tourist traffic between Fort Worth and El Paso any other way," was the declaration of Leonard Withington, managing editor of the Fort Worth Record Monday when a protest was telephoned him by the Colorado Chamber of Commerce over motor route being logged by Leo Cotton and published in The Record.

Cotton left Fort Worth over the Bankhead and following this route west to Abilene he detoured south to Ballinger and San Angelo. A complete log of the route, as covered by Cotton, was published in the Sunday edition of the Fort Worth paper and the local Chamber of Commerce protested such publicity as might tend to divert through traffic from the regular route, the Bankhead Highway.

Withington stated that Cotton, formerly in the employ of The Record, was moving to California and was logging the trip on his own initiative, and that he detoured south by San Angelo in order to visit relatives there. The log covering the trip to San Angelo is reported in a lengthy article in The Record, all towns and cities touched receiving considerable publicity.

Information was received from Sweetwater Monday that civic organizations there were protesting the detour route.

## LEGION AUXILIARY WILL HOLD AUCTION BENEFIT

Ladies of the Woman's Auxiliary, American Legion, have arranged an auction sale for Friday evening, beginning at 7:30, at which a large collection of boxes are to be sold, the proceeds to be applied to a benefit fund for the Legion Memorial building. The auction will be held on Second street in front of the City National Bank building and the general public is urged to attend.

Concert music by the Colorado Booster Band will be furnished. Members of the auxiliary, as well as the legion, will appreciate a liberal patronage of this sale.

C. F. Glass made a business trip to Lubbock first of the week.

## FEDERAL BRIDGE ENGINEER AND PARTY VISITS CITY

G. G. Mayo of Fort Worth, federal bridge engineer and party were in Colorado Wednesday on official business. The engineer expressed satisfaction at the quality of work done on Second street and Lone Wolf Creek paving. Others in the party were S. A. Kertzer, Fort Worth, federal engineer; A. F. Moursund, Fort Worth, divisional engineer, highway department; A. S. Mauzey, county judge of Nolan county, and Jno. Focht, county engineer.

This is a funny world in which we live. When two trains come together that is called a collision, but when two kids come together we call them twins.

The locomotive not only has the right of way, but can always prove it.

Read the classified columns and see the bargains offered. If you have anything to sell the classified columns will do it.

J. A. Green was a business visitor to Snyder Monday.

ANNOUNCEMENTS

The Record is authorized to announce the following names for the offices indicated, subject to the Democratic primary July 26, 1924:

- COUNTY OFFICES:
For County Judge: PERRY T. BROWN, CHARLIE THOMPSON, U. D. WULFJEN.
For County and District Clerk: J. LEE JONES, W. S. STONEHAM.
For Sheriff and Tax Collector: I. W. TERRY.
For Tax Assessor: ROY WARREN.
For County Attorney: R. H. RATLIFF.
For County Commissioner Precinct No. 1: TOM GOSS, TOM HAMMONDS.
For County Commissioner Precinct No. 3: JNO. D. LANE (Re-Election).
For Public Weigher Precinct No. 1: TOM TERRY (Re-election).
For Public Weigher (At Westbrook) Precinct No. 2: J. R. OGLESBY.
For Public Weigher (At Loraine), Precinct No. 4: OTIS MUNS.

R. H. RATLIFF CANDIDATE FOR ATTORNEY 2ND TERM

County Attorney R. H. Ratliff authorized The Record Wednesday to make public the announcement that he would be a candidate to succeed himself in office as county attorney. He announced his candidacy subject to the Democratic primary to be held in July.

Ratliff is now serving his first term as county attorney and has made for himself a record of which he may pardonably be proud. He was reared in this city and is recognized generally by the people of Mitchell County as a young man of honor and ability. His career as an attorney since receiving degree from the law department, University of Texas, a few years ago, has been creditable.

Mr. and Mrs. F. W. Evans were in from Valley View Monday on business and while here expressed their appreciation of the generous donation of the people of Mitchell County in their loss by fire.

WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor.

Mrs. S. A. Cox, Cypress St., Colorado, says: "I suffered with kidney trouble. I was so bad, at times, that when I stooped, the pains caught me so I couldn't straighten without help. When I got to bed, I couldn't rest, the pains were so sharp. I had terrible headaches and was almost a nervous wreck. The action of my kidneys was irregular and my back felt so sore I couldn't do any work. My feet and hands were swollen. I continued to use Doan's Pills and after finishing two boxes, I could feel great benefit. This medicine completely cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Cox had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

CATARRHAL DEAFNESS

Is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh. HALL'S CATARRH MEDICINE has been successful in the treatment of Catarrh for over Forty Years. Sold by all druggists. F. J. Cheney & Co., Toledo, O.

PRESIDENT COOLIDGE AND THE TEAPOT DOME SCANDAL

WASHINGTON, Feb. 14.—Although the Teapot Dome Naval oil leases made by former Secretary of the Interior Fall to Doheny and Sinclair, respectively, have constituted an open scandal for nearly two years, no administration Republican has assisted by word or act to bring to light any of the shameful and humiliating facts that have shocked the nation in connection with this disgraceful transaction. On the contrary they have sought to belittle the discussions of it and have thrown all manner of obstacles in the way of the investigators. It was not until Senator Thomas J. Walsh of Montana had laid bare the rawest and the most repulsive facts that he received any co-operation from the Republican chairman of the investigating committee.

It required a Democratic resolution in the Senate to reveal the fact that these leases had been secretly made, and after the resolution was offered the Interior Department refused to confirm to the press the report that such secret leases had been made. While the matter was under discussion in the Senate, Calvin Coolidge was Vice-President of the United States and presided over that body. He sat in the Cabinet sessions at the invitation of President Harding, so that he might be familiar with administration policies and important departmental affairs. When he took office as President, the Republican party press cited among his qualifications for President that his experience as an unofficial member of the Cabinet had made him familiar with the operations of the administration. He hastened to announce that he intended to carry out the policies of the Harding administration and the naval oil leases were one of those policies. There is no record that he ever protested against these leases while Vice-President or offered any suggestion that they should be investigated by the administration. He has been President for six months during all of which time, as well as prior thereto, the names of Secretary of the Navy Denby and of Attorney General Daugherty have been notoriously associated with these leases.

It was not until Senator Walsh of Montana had secured an agreement in the investigating committee to support in principle a resolution directing the President to employ special counsel in the case and to take action for the cancellation of the leases, with the understanding that the action of the committee should be kept secret, that President Coolidge made any public utterance concerning the Teapot Dome scandal. At midnight that same day he issued a statement anticipating the agreed-upon resolution concerning which it was charged that there had been a leak. In that midnight statement President Coolidge injected this partisan political note: "As I understand men are involved who belong to both political parties." This was the first open political utterance in the Teapot Dome investigation. The only person to whom this reference could have applied was Mr. Doheny, who is not a public official or a Democratic official of any kind nor ever has been, and bears no responsibility to the people.

Another phase of the recent White House activity to which attention is called is found in the fact that the President has consulted only Republican Senate leaders in addition to other Republican party leaders and had not until January 31, the day of the passage of the Walsh resolution, summoned or conferred with any of the Democrats in or out of the Senate, who alone have developed and laid bare the fact in the Teapot Dome oil scandal.

Republican leaders in the Senate have attempted to weaken the Walsh resolution declaring these leases to be illegal by amending it so as to leave the question of illegality in doubt, but fortunately they have not succeeded. The resolution finally passed the Senate in its original form by a unanimous vote.

All of the efforts to force the President to act in this matter have been resented by the Republican partisan press, which has editorially protested against what it calls haste, denouncing the methods employed to bring about action for the cancellation of the leases and the prosecution of whoever may be guilty as "lynch law" methods.

When it is remembered that the Teapot Dome scandal has been before the Senate and discussed in the public prints since April, 1922, without action of any kind except obstruction on the part of any Republican administration official the charges of attempting to force the administration to undue haste are without justification except as a Republican political expedient.

President Coolidge's administration has taken no action except such as it was compelled to take as a result of Democratic pressure and in anticipation of further compulsion.

Every day that President Coolidge keeps Secretary of the Navy Denby and Attorney General Daugherty in his Cabinet he further weakens confidence in his administration and lessens public expectation that all the parties to this scandalous transaction shall be punished. The Teapot Dome scandal is an impairment of the national honor, and the nation's honor to be vindicated in this matter requires that everyone concerned in this transfer of the navy's reserve fuel for war emergency to private interests in connection with the financial transactions admitted, should be summarily removed from the Government service, and this would include the Assistant Secretary of the Navy Theodore Roosevelt as well as Secretary Denby and Attorney General Daugherty. The mere fact that there is not enough confidence in the Department of Justice under the present Attorney General to entrust it with the legal conduct of this case would impel any attorney general with a better understanding of legal ethics and political morals than Attorney General Daugherty to resign.

After first pleading ignorance in the matter, Secretary Denby became defiant. Whatever further culpability may be established in his case, he has thoroughly demonstrated his unfitness to be in charge of the United States Navy. Mr. Roosevelt is to ingenuous and unsuspecting to be an assistant even to a Denby.

TAX REDUCTION.

Revision of the revenue laws and reduction of taxation will be of no lasting benefit to the country unless the taxation remains lowered. A reduction in this year's taxes to be followed by a deficit and a consequent increase in next-years levy would be worse than useless.

It is to be assumed that the Treasury Department's estimate of the amount that taxes can be lowered is based on the best estimates possible. But assurances

If it is a Top let Mr. Grant make it. Mr. Grant is one of the best top men in the West. If you want good work and material let Mr. Grant do it. At the Roberts Top Co.

that lower taxation has come to stay can only lie in a gradual tightening of the expenditure limits, the steady elimination of unnecessary government bureaus, and the practice of wise economy all along the line.

The first report of a Congressional committee on an appropriation measure is a satisfying indication that government is moving in the right direction. The Appropriations Committee of the House of Representatives reported the annual supply bill for the Interior Bill, after having slashed budget estimates by \$10,000,000 making amount recommended for operation of the department during the next fiscal year \$35,792,044 below the appropriation made for the department's activities

during the present fiscal year. There are points below which reduction in revenues cannot easily go. Government functions must continue, and their continuance will always cost money. But the limits of reduction have not yet been reached.—Dearborn Independent.

Gained Ten Pounds. Mrs. George S. Hunter, of Columbus, Ga., says she suffered severely with female troubles. I had to go to bed and stay sometimes two weeks at a time, says Mrs. Hunter. "I could not work. My... were irregular and I got very thin. I went from 126 pounds down to less than 100. My mother had been a user of CARDUI The Woman's Tonic and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle up I began to improve. My side hurt less and I began to mend in health. I took four bottles in all during the last ten months. Cardui acted as a fine tonic. I am well now. I have gained ten pounds and am still gaining. My sides do not trouble me at all and my... are quite regular. I know that Cardui will help others suffering from the same trouble. Take Cardui. E-101

DO YOU HAVE AN ACHE OR PAIN OF ANY KIND? Would you like to get relief and have the cause of your ailment removed by harmless natural means? If so, why go elsewhere for relief, when, at less cost, you can obtain in the City of Colorado, Texas, service second to none? If your ailment is one of an old chronic character, then a reasonable period of time will be essential in perfecting the equation of things; however, if you have my attention for ten days in succession and you are not pleased, I will be glad to return every cent you shall have paid me. Be your own judge. Give nature a chance. Though Satan may say, "Oh, not today" Spirit will whisper, "Do not Delay." C. H. LANE MASSEUR, CORRECTIONIST, HELPER Room 3 Doss New Bldg. TOM HAMMONDS IN RACE FOR CO. COMMISSIONER

Tom Hammonds, prominent farmer of the Buford community, authorized the announcement while in the city Saturday that he had entered the campaign for election to the office of County Commissioner of Precinct No. 1, subject to action of the Democratic primary in July.

Hammonds visited The Record office in company with a number of citizens of that end of the precinct who pledged their support of his candidacy.

Tom Hammonds has been a citizen of the county 23 years. He stated Saturday that if elected he would

fill the duties involved in a fair and business like manner. The candidate outlined that his position on matters of importance affecting the administration would be announced later.

Food Specialist

Mrs. Edith Andrews, state food specialist of A. & M. Extension Service will be in Colorado Friday, Feb. 15th, where she will give food lectures and attractive quick bread and tasty dessert demonstrations at the Hutchinson school building beginning at 9 o'clock.

LOCAL CHURCHES GIVE AID TO ARMENIANS

Miss Marjie Lin Caldwell of Dallas, field representative for the Near East relief, reports approximately \$500.00 raised here Sunday at the First Baptist and First Christian churches for Armenian relief.

Sunday afternoon the appeal for aid was made at the Palace Theatre, when motion pictures showing actual conditions of the people in Armenia were shown.

J. R. OGLESBY ANNOUNCES FOR WEIGHER AT WESTBROOK

J. R. Oglesby of the Westbrook precinct announces this week for Public Weigher Precinct No. 2. Mr. Oglesby has lived in the Westbrook precinct the last eleven years and has held the offices of school trustee, road overseer and county director for the Farm Bureau.

CITY WILL DECLARE WAR ON PROMISCUOUS BEGGING

Street beggars and others in quest of alms will not find such an easy mark in the future, according to City Supervisor L. A. Costin. Costin stated Monday that an ordinance superimposing begging within the corporate limits of the city was being drafted for passage by the city council.

Action of the city to regulate the practice of begging here, was taken Monday when a protest against the sinister methods employed by many of these charity seekers was presented from the Chamber of Commerce.

Mr. and Mrs. J. H. Smoot and babies visited relatives in Dallas last week.

Fire of undetermined origin Wednesday morning gutted the Berman department store at Sweetwater last week with a loss on buildings and contents that may exceed \$25,000.

COLORADO GIRL AMONG LEADING SENIORS AT SIMMONS

ABILENE, Feb. 11.—When Miss Myrtle Barber of Colorado City receives her degree from Simmons College in June, finishing with the largest class which the school has ever graduated, eighty in number, the students and faculty alike will feel a distinct loss of one of the most prominent and active of the college figures.

Miss Barber had her first poem, called "Charcoals," published when a freshman in Simmons. This was followed by five other poems published the same year in the college magazine, The Corral.

In her Junior year, Miss Barber was elected by the student body to the high position of editor of The Corral. She was also made an issue editor of The Brand, the college newspaper, an unusual place for a co-ed to occupy.

This year, Miss Barber has already had several poems and stories published in addition to her essay on the subject: "Following the Gleam," which won first place in the State Philo-Phila essay contest last fall.

In addition to her journalistic ability, this versatile young Colorado student is a capable debater. She was president of the first Woman's Oratorical and Debating Association of Simmons when a Junior.

As a member of the Volunteer Band, Miss Barber does effective extension work of helping on religious programs in various churches each Sunday. She is a member of the Legislative Assembly, an organization of student self-government system.

Last summer Miss Barber was a B. Y. P. U. and Sunday school worker under the New Mexico Baptist Board. She intends to resume her work there next summer.

The Very Latest High-Grade Millinery

AT THE OLD RELIABLE STORE

"The Price is NOT The Thing With Me." Quality Comes First, Then a Reasonable Price for the Good Goods

Having just returned from the markets where I bought many additional hats of the latest design and patterns, in both material and design, I am offering the women and girls of this section the very finest things in genuine tailored millinery that have ever been shown in Colorado.

You absolutely can not get any better millinery anywhere, considering either fashion or prices. I have the very latest, selected for wearing quality and beauty.

I have the same grade and quality and patterns of hats priced from \$10 to \$15 that are being sold in other towns and cities for \$20 to \$35. While I do not handle the low grade cheap hand-made hats, I have good quality new hats at all prices and can please anyone in price and give them good quality at same time.

Have the latest thing in Veils to match your hat or any new hat you select.

A special invitation to the women of Roscoe, Lorraine, Westbrook and Hermleigh to come in and see this line of millinery. You will find it the best and most reasonably priced in this section.

COAHOMA REVIVAL DELAYED ON ACCOUNT OF MEASLES

Because of such a large number of cases of measles at Coahoma and vicinity, the revival scheduled to have been commenced there Monday night by Rev. W. M. Elliott, pastor of the First Presbyterian church at Colorado, was postponed to March 15th.

"INDIGESTION AFFECTS THE HEART," SAYS DR.

Gas from spoiled, fermented food in the stomach, presses against the diaphragm, putting great strain on the heart and lungs. Older persons are often unable to stand this strain and sudden death results. Most of these sudden deaths are caused by acute indigestion and could be prevented.

A physician discovered a preparation known as FERRASAL which neutralizes the excess acid in the stomach, keeps the food sweet and fresh and prevents gas from forming. It also keeps the alimentary tract clean and desodorized, the kidneys regular, and is absolutely harmless. It proved successful with hundreds of his patients and now FERRASAL can be purchased at your druggist's.

Take FERRASAL night and morning for a month. Your stomach will be free from gas, your tongue clear and your breath sweet, or your money refunded.

"GOT MY HEARTY BREATH!" "I had enlarged heart and high blood pressure and was unable to do my work for five months. Gas, forming on my stomach, pressed against my heart and lungs so I could hardly breathe. The first box of FERRASAL stopped gas from forming and gave me great relief. I continued to take it and am back at my work and in fine health." A. I. PAUL.

3901 Swiss Avenue, Dallas, Texas.

A Business Story

Rich in meaning to every motor car buyer

How Studebaker reached the heights

THE story of Studebaker has been told by many men in many ways. Now let us tell it to you.

Studebaker growth has in late years been Motordom's sensation. Sales have mounted until last year 145,000 buyers of quality cars selected Studebakers. They paid over \$200,000,000 for them.

All must realize that a new situation has arisen in high-grade cars. You who are interested should now analyze the reasons.

72-year traditions

The Studebaker principles have become traditions in their 72 years of existence. They have never wavered. In all changing conditions they have brought new luster to that name.

Men come and go, but a name like this becomes a heritage to foster and enhance. That's what we've done — we who have that name in keeping for a time.

Studebaker has always been a leader. For two generations it led in horse-drawn vehicles, now products of the past.

Most of you remember Studebaker carriages — queens of their time. They were used by multitudes of people who loved quality and style.

When motor cars succeeded them, Studebaker became the logical leader in that field. Any other place would have been an anomaly.

The only way to the top A concern of this age has one fact ingrafted in its fiber. The only way to leadership is through super-service.

The leader must excel in all you seek — in quality, in beauty and in value. There is no other way to the top. Every stretch of the road is strewn with wrecks of those who tried another.

What others say — not what you say — determines your place in the long run. In every field of endeavor one must accept that fact.

We had the money, the plants, the prestige. We had the incentive of Studebaker traditions. In time we secured the men.

We told those men to build for us the utmost in fine motor cars, regardless of all costs. We pledged them our good faith and our resources.

The cost was \$50,000,000

We built new factories — modern plants. We fitted them with new equipment — 12,500 up-to-date ma-

15% to conform to those standards exactly.

We invested \$8,000,000 in a drop forge plant to make all our own drop forgings. \$10,000,000 in body plants, to build all bodies to our standards.

We employed 1,200 skilled inspectors to see that all standards were fulfilled. There are 30,000 inspections on Studebaker cars during manufacture, before they go out from the factory.

That's the whole story

That's about the whole story. We simply followed the never-changing Studebaker principles. We gave to our buyers the utmost — values they could not match. Then they turned by tens of thousands to Studebaker cars.

Over 750,000 of those cars have gone out. Their performance has developed a demand for 150,000 per year.

Every increase in sales brought a lowered cost, which we promptly gave our buyers. Today these fine cars are offering values which no rival can approach. They have made us the world's largest builders of quality cars.

We deserve a hearing

Now we deserve a hearing. All who consider a car at \$1,000 or over should learn what Studebaker offers. That in fairness to yourself and us. Check one by one the advantages we offer. You'll find them by the score.

Remember that 145,000 who did that last year chose a Studebaker car. There are nine chances in ten that you'll do it.

Consider our record, our accomplishments, our policies and principles. Consider that we have \$90,000,000 at stake on satisfying men like you. Don't buy a car in this high-grade class without seeing what we give.

Find Out Why

People paid over \$200,000,000 last year for Studebaker cars.

The result is now a demand for 150,000 per year.

Over \$50,000,000 in modern plants and equipment to build the finest of fine cars.

One of these cars, built in 1918, has run 475,000 miles. That means 80 years of ordinary service. In December this car made the trip from coast to coast.

chines. Of the \$50,000,000 in our plants and equipment, \$32,000,000 has been invested in the past five years. So it represents the last word in efficient manufacture.

We established a Department of Methods and Standards, to fix for every Studebaker detail the maximum of quality.

We created a Bureau of Research and Experiment, employing 125 skilled men. They make 500,000 tests per year to maintain our supremacy.

They fixed countless standards, including 35 separate formulas for steels. Then on the most important steels we offered makers a stimulus of

Waco—Buildings costing \$50,000 to be erected at Methodist Orphans Home.

San Antonio—First Baptist church to erect \$150,000 auditorium.

Dallas—G. C. & S. F. Ry. to spend \$3,316,000 on improvements this year.

Houston—Paving projects to cover most of city approved by city council.

Cleburne—Santa Fe to spend over \$3,000,000 erecting new local depot and improving shops.

Austin—Texas Memorial Stadium Association organized for construction of stadium and buildings on University land.

Rocksprings—Contract awarded for construction of 17 miles of

hard-surfaced county highway.

San Angelo—Three new brick buildings added to business district, other improvements.

Colorado—Extensive paving is being put in; \$150,000 court house \$12,000 memorial Legion hut; and several brick blocks under construction.

Houston—Cheek-Neal Coffee Co. to build \$56,000 addition to plant.

Dallas—S. M. U. to begin construction of Kirby Hall, to cost about \$118,000.

Nearly 1,000,000 more bales of cotton ginned in Texas in 1923 than in 1922.

Houston—I. & G. N. Ry. to build 1200-car yard.

Dallas—Lone Star Gas Co. now building \$200,000 office building.

El Paso—New \$500,000 cotton textile mill to be in operation in time to handle 1924 crop.

Tyler—Two new school buildings to be erected at combined cost of \$250,000.

Beaumont—\$359,059 now available for construction of bridge over Neches river.

Brownsville—Lambreth Ice Cream Co. begins construction of plant to have capacity of 500 gallons daily.

Uvalde—Contract awarded at \$50,964 for constructing 5.88 miles of highway No. 3.

Houston—Odd Fellows let contract for building temple, costing \$247,000.

Dallas—S. P. Co. to create new local industrial district at cost of exceeding \$3,000,000.

San Antonio—H. C. Thorman to construct 28 five-room dwellings within 90 days.

Richmond—Contract to be let for building Brazos bridge, cost \$225,000.

Dallas—M. K. T. Ry. to erect reinforced concrete warehouse and office building to cost \$750,000.

Robstown—New \$90,000 cotton oil mill preparing to install new machinery.

Austin—Cotton warehouse with capacity increased from 600,000 bales in 1921 to 2,500,000 bales this year.

Houston—Construction of a \$5,000,000 Ford motor plant to start in March. About 15,000 men will be employed.

Beeville—Construction of 135 miles railroad to Laredo, estimated cost \$3,000,000.

Expenditures of \$270,000,000 for improvements and extensions to the Bell system are provided for in the 1924 budget of American Telephone and Telegraph Co. This is an increase of \$30,000,000 over 1923.

Dr. McIntyre will be at W. L. Does Drug Store on Feb. 26 for the purpose of examining eyes and fitting glasses.

**2634 Voters in Howard County**

Twenty five hundred and seventy men and women of Howard County paid their poll taxes before February 1st, and are now qualified to vote in county, state and national elections during the year. There were sixty-four exemptions granted, so the total voting strength of the county this year is 2634.—Big Spring Herald.

**CHICAGO BUSINESS MAN SEES MANY CHANGES HERE**

Fred R. Huber of Chicago, sales manager for the Swan-Finch Company with Mrs. Huber, spent Friday in Colorado. Thirty-six years ago, when Mr. Huber was a lad of 12 he with his parents lived in Colorado, at the St. James Hotel, and the visitor stated that he did not find the same Colorado he left.

"There are many changes to be noted throughout the city," he stated, and all of them portray a greater and more progressive Colorado than the town I knew as a boy. I regret to find the old St. James Hotel has passed into history, because it was in that building we made our home and there my younger brother and sister, who are twins, were born."

Huber stated that Dr. P. C. Coleman was the family physician of his father and expressed regret that he could not meet Dr. Coleman while here.

Huber is a son of James F. Huber, who was manager of the Magnolia Cattle Company interests here. The elder Huber became seriously ill late in 1887 and they returned to their former home in Kentucky, where he died.

Mr. and Mrs. Huber were guests of the Lions Club Friday and each of them delivered addresses, expressing their appreciation for the hospitality extended them while in the city. During the afternoon they were guests in private homes of the city. They left Friday night for Amarillo.

**Masonic Notice.**

On the 19th of February, 1924, beginning at 7:30 o'clock p. m. in the District Court room there will be an open meeting of the Masonic Lodge, having for its object the discussion of educational and patriotic subjects. Refreshments will be served. All Masons, including Entered Apprentices and Fellow Crafts, together with their families, are cordially invited.

A. L. MADDEN, W. M.  
W. S. STONEHAM, Sec.  
Mitchell Lodge No. 563, A. F. & A. M.

**Citation by Publication**

The State of Texas, County of Mitchell, To the Sheriff or any Constable of Mitchell County, Greeting:

You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the county of Mitchell, for four consecutive weeks previous to the return day hereof, Willis M. Dilworth, whose residence is unknown, to be and appear before the Hon. District court at the next regular term thereof, to be holden in the county of Mitchell at the court house thereof, in Colorado, on the third Monday in April, A. D. 1924, the same being the 21st day of April A. D. 1924, then and there to answer a petition filed in said court on the 11th day of February A. D. 1924, in a suit numbered on the docket of said court No. 4465, wherein Ruby Wilson Dilworth is plaintiff and Willis M. Dilworth is defendant. The nature of the plaintiff's demand being as follows, to-wit:

Plaintiff alleges that she is and has been for a period of twelve months prior to exhibiting the petition herein an actual bona fide inhabitant of the State of Texas and has resided in the county of Mitchell for at least six months next preceeding the filing of this suit; that on or about the 3rd day of January A. D. 1920 in Howard County, Texas, plaintiff was lawfully married to defendant and that they lived together as husband and wife, until on or about the 26th day of March A. D. 1920, when defendant left plaintiff with the intention of abandonment of plaintiff as his wife since which time they have not lived together as husband and wife; that defendant has been gone for more than three years with the intention of abandoning plaintiff as his wife, during which time she has not heard from or of him; that said marriage relations still exist. Plaintiff prays for citation, for judgment dissolving said marriage relation; that her name be changed back to Ruby Wilson; for costs of suit and for general relief.

Herein fail not, and have you before said court on the said first day of the next term thereof, this writ, with your endorsement thereon showing how you have executed the same.

Given under my hand and seal of said court at office in Colorado, Texas, this 11th day of February, A. D. 1924.

**NOTICE TO CONTRACTORS**

Sealed proposals addressed to J. C. Hall, county judge of Mitchell county, Texas, for the construction of paving the property owned by Mitchell County in Blocks 23 and 24 and fronting on Oak street, will be received at the office of the county judge until 10 o'clock a. m., March 19th, 1924, and then publicly opened and read. Detailed plans and specifications of the work may be seen for examination and information obtained at the office of the City Secretary, City Hall, Colorado, Texas.

J. C. HALL, County Judge

With so much oil floating around in it, the national campaign this year ought to be either a smooth or an explosive affair. Good morning. Have you announced for governor of Texas today? No? What a peculiar, exclusive sort of man!

Considering the number of politicians who want to save her, Texas must be in an awful condition.

Secretary Denby may not resign, but he may wish he'd never seen the office he now occupies.—Abilene Reporter.

**BIG RABBIT DRIVE AT NEW HOPE NEXT WEEK**

Farmers of the New Hope community will vie with one another for honors in slaying the largest number of rabbits in a big drive to be held in that part of the county Friday and Saturday of next week. The drive will start at the Carr school house Friday morning. Dinner will be served the hunters both days and on one of the days of the drive a barbecue will be furnished.

Citizens of Colorado and other parts of the county are invited to

join in the hunt. The only requirement made is to furnish your shot gun. Last year more than 2,000 rabbits were slain during a drive in the New Hope section.

Twenty five hundred and seventy men and women of Howard County paid their poll taxes before February 1st, and are now qualified to vote in county, state and national elections during the year. There were sixty-four exemptions granted, so the total voting strength of the county this year is 2634.—Big Spring Herald.

**WITH THE CHURCHES**  
**METHODIST CHURCH**  
Sunday school 9:45 a. m. Mr. Foster will have charge. Come on time. You should have seen some run last Sunday morning to get there on time. We are doing better and the more we get the Sunday school on our hearts the more of a real business it will become.  
Praying 11 a. m. and 7:15 p. m.  
Prayer meeting Wednesday, 7:30 p. m.

We are going to begin a series of sermons on this subject, "Can the Law of Moses be applied to our Modern Life?" What do you say? Should we try to apply it? Does our religion mean anything to us? What have we set our hearts upon, Business, Ease, Pleasure, sensual gratification, the world, the flesh? Surely not God. Why cannot these churches draw more than two hundred people on a Sunday evening when we say we have from three thousand to thirty-five hundred? Do not let this fact get abroad. Do we need any more churches? Do we need any larger churches? Are we worshipers of idols, of pleasures, of carnalities? Why can a street dance draw hundreds, and hundreds who have their names upon some church rolls, and a protracted meeting can't get the passing notice of two score and ten? If the preachers and church people manifest no interest in this sad condition then it is a sure sign that the churches are dead and the preachers have not life enough to kick. I am going to give some plain, unvarnished, unpainted, uncoated, and uncolored statements about our times, our town, our lives in these ten Nights of Hot Shot from Sinai. I shall take the first commandment Sunday evening and I want to find and show you your God. I am asking twenty-five people to come and judge these sermons as I want to put them in written form.  
Come and join us in a good work.  
J. F. LAWLIS, Pastor.

**BAPTIST NOTES**  
Regular services next Sunday at 11 o'clock and 7:30 o'clock. Sunday school will begin at 9:45. Your presence is very much desired and sought for these services. We were well pleased with the attendance last Sunday morning. But at night the folks did as usual—did not come. The Sunday school has held up well considering the great amount of measles among the people. We are hoping this epidemic will soon be over and we will be back normal in our work. The young people's work moves along very well, especially the Senior Union. Religion is a matter that has to have a great deal of attention given it or it does not flourish in cold weather. We ask you to come and worship with us next Sunday at all our services. Especially would we be delighted to welcome some of our members. Of course sickness and other things have kept them away but we are sure they will all be back as soon as possible. The Lord's people love the Lord's house and you cannot keep them away when it is possible for them to attend. David said I was glad when they said, "Let us go up to the House of the Lord." I wonder why? David knew what it meant for him to go. He also knew what it meant for him to stay away from the Lord's house. How can anyone who has ever been in the full joys of service quit and waste their lives.  
We were delighted to have a fine group of visitors with us in both services last Sunday. Come again, friends, as we are always glad to have you in the services.  
THE PASTOR.

**PRESBYTERIAN CHURCH**  
Sunday school at 9:45 a. m. J. M. Thomas, superintendent. If you are not in Sunday school any where else we would like for you to come with us. "You will do us good and we will do you good."  
There will not be any preaching because of my being at Coahoma.  
On account of the measles at Coahoma the meeting has been called off for the present.  
Sunday school at Horn's school house every Sunday at 3:30, Jerold Riordan, superintendent.  
W. M. ELLIOTT, Pastor.

**LUBBOCK MAYOR IS DEAD AFTER BRIEF ILLNESS**

LUBBOCK, Texas, Feb. 13.—With flags at half-mast and a general day of mourning in the city, funeral services for Mayor Percy Spencer, who died here at 4:50 o'clock Tuesday morning, were held here today. Death followed an illness of five days of pneumonia. He is survived by his wife and three children of this city.

The mayor made his last public appearance at the Wilson memorial service that he called for last Wednesday afternoon on the courthouse lawn where, with Senator Bledsoe and others, he made a brief address.

Mayor Spencer was vice president of the Kiwanis club and very active in civic affairs of Lubbock and the South Plains country. He was prominent in legal circles on the Plains, having practiced law in this city and surrounding counties for the past 12 years.

He was elected mayor of Lubbock April, 1922, and under his administration the city has made the greatest growth in its history, having put over a total of more than \$700,000 worth of bond issues and doubled the capacity of the light and power plants.

The flags of the city are at half-mast today and the annual banquet of the Chamber of Commerce has been postponed until Friday of this week. A joint memorial service was held by the Rotary and Kiwanis clubs at noon today, attended by a large crowd.

**NEW YORK COTTON REPORT**  
J. W. JAY, COTTON BROKER

The past week witnessed a decidedly firmer cotton market largely as a direct result of diminished selling pressure and attendant scarcity of contracts rather than to a material increase in general buying. Throughout the past two months the market has been called upon to digest a considerable quantity of cotton, mostly in the shape of contracts. Speculative profit taking during the early part of December reached substantial proportions and this was followed during the early part of January by realizing for income tax purposes. The increase in the amount of contracts in the three markets by carrying prices off several cents a pound and leading to more or

**A Remedy for Piles**  
Ask your Druggist (whom you know) what he knows about PAZO OINTMENT as a Remedy for Itching, Blind, Bleeding or Protruding Piles. 60c.

less uncertainty over the future course of prices, produced a situation where many holders of spot cotton decided to put out hedges against the unsold portion of last year's production and many mills fearful of a further decline in values, became nervous and sold contracts as protection against raw material or manufactured goods on hand. To this persistent selling pressure can be attributed the action of the market during its irregular course of the past two months. But this week selling orders along lines described above contracted to a very noticeable extent and the limited volume of purchases of a routine character encountered so preceptible a reduction in the number of contracts

coming on the market daily, that prices advanced about a cent a pound. The fact that relations between tetiles and raw material had become more evenly balanced vember, produced a healthier position and to that extent has led than since the early part of November to a more encouraging market situation. Then, too, the question of the amount of curtailment in domestic mill quarters when compared with a year ago has been attracting more attention.

POSTED—The Elwood lands are posted according to law. Wood hauling, trapping, hunting, etc. will not be tolerated.—O. F. Jones, Mgr.

GAINES COUNTY FARM LANDS AT REASONABLE PRICES AND AT ATTRACTIVE TERMS—Very little ready money is required to own a good farm in the South Plains of the Texas Panhandle. Payments for your farm are on about the same basis as paying rent. At Seagraves, Gaines County, Texas, we offer you farm land at prices from \$12.00 to \$26.00 per acre, cash payment down only one dollar per acre, four yearly payments of one dollar per acre and the balance in yearly payments of two dollars per acre with interest at 6 per cent. This is strictly a good farming country. Abundance of water, no boll weevil, and cotton a sure crop. At present prices of cotton it will not take a great many bales to pay for a 160 acre farm in one season. This is your big opportunity. If interested in securing a farm and home for yourself and family on very unusual terms, now is the time to act. Address W. A. SORELLE, General Agent, 12 Santa Fe Bldg., Seagraves, Gaines County, Texas, for terms of sale and descriptive folder. 2-7p
