

MAKE YOUR DREAMS COME TRUE BY SAVING MONEY

A young man who earned a very modest salary liked to wear good clothes and he liked to travel. So he started a savings account, and put into it the small sums that most people spent thoughtlessly. No one could call him "close"; he always had money for an important pleasure; he always had good clothes; he took a good vacation trip every year. He knew the secret of saving, which made his dreams come true.

A young couple wanted to buy a home. They put \$15 a month in a savings account. In a very few years they had enough to buy a lot and start construction. Because they had proved their ability to save, their bank gladly loaned them enough more money to pay for the complete home. Their dream house came true, because they spent not for small things, but saved for big ones.

Mr. and Mrs. W. F. Finley, Mr. and Mrs. J. R. Jorden and son and Mrs. Ira Crowner and son were in Westbrook Tuesday visiting Mrs. Frank Bryant.

Mr. and Mrs. W. F. James were here from Baird Saturday and remained over Sunday visiting their son, W. F. James, Jr. and family.

Mr. and Mrs. J. B. Cranfill of Abilene and daughter, Mrs. E. C. Woods of Eastland spent last week here visiting, returning to Abilene, Saturday.

Mr. and Mrs. J. E. Spikes. Messrs T. J. Riden and Edd L. left for Seminole Monday.

Mr. and Mrs. Lee Crowner were visitors in the G. L. Crowner home Saturday.

J. C. PRUDE, PIONEER CITIZEN, DIES FRIDAY

J. C. Prude, 67, pioneer citizen of Colorado, died at his home here Friday afternoon at 2:45 o'clock and the body was buried in I. O. O. F. cemetery Saturday afternoon at 4 o'clock, following religious services at the Episcopal church conducted by the rector, Dr. Etson of Big Spring, and Masonic rites at the grave.

Mr. Prude was born in Colorado County, Texas, July 25, 1857, and was married to Miss Julia Fowlke June 16, 1892. The family came to Colorado forty years ago and have made this city their home ever since. Mr. Prude was a successful cattleman, owning ranch interests in Brewster and Mitchell counties. He had been a director of the Colorado National Bank for many years. He was prominent in lay activities of the Episcopal church and was a charter member of the church of that faith at Colorado.

Those who attended from Laramie were Mesdames E. F. Riden, T. Bennett, C. D. Smith, Mr. and Mrs. Homer Derryberry and Miss Beatrice Porter.

Messrs T. J. Riden and Edd L. left for Seminole Monday.

Mr. and Mrs. Lee Crowner were visitors in the G. L. Crowner home Saturday.

Mr. and Mrs. Fuller Land and children have recently returned from Meadow, where they have been visiting Mrs. Land's parents, Mr. and Mrs. S. R. West. They report "M"

CHAMBER OF COMMERCE TO HOLD ANNUAL MEET SOON

The annual banquet and business meeting of the Colorado Chamber of Commerce is to be held Friday evening, April 25, at the American Legion memorial building. A. B. Blanks, chairman of the committee to arrange for this event, stated Saturday. Blanks stated that 150 to 200 citizens of the city were expected to attend the meeting.

At this meeting annual reports of the president, secretary and other officials of the chamber will be given. The fiscal year ending March 31, has been the most successful in history of the organization, according to claims advanced by members of the chamber. The active membership is more than 200 and every budget proposed by the organization during the year was readily financed.

A president, and twelve directors for the ensuing year will be elected. The new board will elect one of its members vice president and another treasurer for the ensuing year. The official family at present is composed of the following:

President, Dr. P. C. Coleman; vice president, H. L. Hutchinson; treasurer, J. H. Greene; secretary, W. S. Cooper; R. O. Pearson, R. P. Price, Joe H. Smoot, G. B. Slaton, T. W. Stonerod, Jr., A. B. Blanks, J. C. Pritchett, L. B. Elliott, O. Lambeth and J. Riordan, directors. The president, vice president and treasurer are also members of the executive board.

An unusually interesting program is being arranged for the occasion, Blanks said. One or two speakers of State importance are scheduled to deliver addresses. Concert music will be furnished by the Colorado Booster Band.

An effort will be made to induce every citizen who is interested to attend the banquet. The annual banquet of the chamber last year was attended by 153 people, was a big success, and filled with the usual Colorado enthusiasm. Those arranging for the meeting this year expect to eclipse last year's program from both point of attendance and enthusiasm expressed.

ROAD BOND ISSUE TO BE RE-SUBMITTED MAY 27TH

The \$325,000 road bond issue, lost in the election March 22 by the margin of one vote, will be re-submitted to the voters of Mitchell County in another election to be held Saturday, May 24. An order directing that the election be held was passed by Commissioners' Court Monday afternoon in response to petition signed by voters from practically every voting precinct in the county.

The proposed bonds, which are to be serials, bearing interest at the rate of not exceeding five and one-half per cent and maturing within thirty days from date of issuance, are sought by good roads advocates to supplement state and federal aid of \$650,000, making a total of \$975,000 to surface the Bankhead Highway across the county with concrete.

In the election March 22 a total of 1,552 votes were polled, 1,034 of which were in favor of the bonds and 518 against. In an election held December 18, the proposition to issue bonds for improving the roads of the county carried by a majority of 18 votes. The election in May is expected to bring 2,000 voters to the polls.

16 CARS EQUIPMENT FOR REFINERY ARRIVES HERE

A shipment of 16 cars of equipment for the pipe line, refinery plant, storage farms and pumping plant arrived at Colorado Tuesday afternoon. Four cars of this equipment had previously arrived and additional shipments are in transit. A part of the pipe line equipment was stopped here and the other at Westbrook.

J. Steve Anderson of Oklahoma City, vice president of the Anderson-Prichard Oil Corporation, is here to personally direct construction of the 2,000-barrel capacity refining plant under construction by his company at Colorado. Anderson expects to start operations at the plant within sixty to ninety days.

Mrs. A. J. Moody of Ontario, California, is visiting her sister, Mrs. Ed S. Jones.

BAND AND SPONSOR GOING TO W. T. C. C. CONVENTION

The delegation from Colorado to the Sixth Annual convention, West Texas Chamber of Commerce to be opened in Brownwood May 13, will be accompanied by the Colorado Booster Band and the official Colorado sponsor, Miss Hazel Costin, who as queen of the Mitchell County Fair has been designated as "Miss Colorado" to represent this city in the pageant to be staged on the evening of May 14th.

Plans for sending the band and sponsor to Brownwood were completed Friday afternoon at a meeting of executive officials of the Chamber of Commerce and band. The band will enter the contest there and has been assigned to a number of special concert programs by the Brownwood committee. Efforts will be made to interest a number of Colorado citizens to make the trip. Including the band personnel, the number to have definitely announced their intention of going has reached about 35. At least fifty Colorado boosters are expected to make up the party.

Arrangements for the trip are being worked out by a committee composed of J. H. Greene, J. L. Pidgeon, Ed Jones, J. Lee Jones and M. S. Goldman. The committee states that the trip will be made in Pullmans, leaving Colorado on the night of Monday, May 12, changing to the Santa Fe at Sweetwater and going to Brownwood early the following morning on a special train to be run by the Santa Fe from Sweetwater to the convention city.

CEMETERY NOTICE. All members of the Loraine Cemetery Association, are requested to meet at the Christian Church at Loraine on Friday, April 25th. All those interested are urged to be there and everybody else invited. By order of the Committee.

COUPON SALE URGED TO SUPPORT BOOSTER BAND

The five per cent coupons originally intended to be applied to a fund for financing trip of the Colorado Booster Band to Yellowstone National Park, will be diverted to expense account of taking the band to the Sixth Annual convention, West Texas Chamber of Commerce in May, M. S. Goldman, director of the band, stated Wednesday. Goldman said that Colorado merchants and business men who had previously endorsed the coupon plan for raising funds to finance the other trip were enthusiastically supporting the change.

Goldman stated that coupon sales to date were about one-half of the amount to be required to finance the band on its trip to Brownwood. He urged that citizens of Colorado who have not purchased a coupon book, do so at once, as practically every merchant and shop keeper in the city are honoring them on purchases and account payments.

The coupons, which are issued in convenient book form, are equivalent to five cents on the dollar on cash purchases at these stores. They are also honored by all business men entering the contract on account provided the account is settled in full not later than the 10th of the month.

This plan means that financing the band on its visit to the Brownwood convention will cost the citizens nothing. The coupons are redeemable at the stores and have an equal purchasing power of cash. Any citizen not having one of these books is requested to get in touch with a member of the band and obtain one.

400 SWEETWATER TRADE TRIPPERS VISIT COLORADO

Traveling in 110 automobiles and accompanied by the Sweetwater Band of fifty pieces, 350 Sweetwater boosters arrived in Colorado at 10:30 Wednesday morning and took possession of the city, spending an hour here. The delegation was welcomed to Colorado by Mayor R. H. Looney, who spoke briefly of the splendid relations existing between the two cities.

"You have something which we do not have, and we have something you perhaps do not have," Mayor Looney stated, "but everything is in common with all of us when it comes to working for the best interests of Sweetwater, Colorado is delighted to have the representatives of the splendid city of Sweetwater pay this visit to us."

Joe H. Boothe and R. M. Chitwood, member of the legislature from this district, were others to deliver addresses. Mr. Chitwood paid a tribute to the citizenship of Mitchell county, as being among the best people to be found anywhere, and extended greetings from every citizen of Sweetwater, Roscoe and Nolan county. The speaker touched on the cause of education and praised the citizenship of this city for the means they have taken in advancing the schools here. "I trust that day will never come to Colorado when the light in the school house will be permitted to burn low or become impure," he stated.

Accompanying the delegation was the entire senior class, Sweetwater High school. The visitors staged an old fashioned square dance on the pavement in the street, with Murry Hubbard and A. B. Chambers of Sweetwater as fiddlers. Secretary J. A. McCurdy of the Sweetwater Board of Development, James H. Beall, Jr., president of the Sweetwater Lunch-club, Mayor Joe H. Boothe and Mr. Chitwood were in charge of the trippers.

The delegation left Colorado at 11:30 for Snyder and from there returned to Sweetwater Wednesday afternoon.

Mrs. Y. D. McMurry and Mrs. Jerold Riordan report a splendid meeting of the Presbyterian in Big Spring last week. The next meeting will be in Lubbock.

Mrs. James Brooks of Big Spring visited Mrs. E. F. King last week and attended the District convention of T. F. W. C.

CALIFORNIA CO. MAKES LOCATIONS FOR 2 TESTS

Definite locations for two additional tests on the A. L. Miller lease have been made by the California Company and rig materials are being moved in from the company supply yard at Westbrook. The tests will offset Smartt Nos. 4 and 5 of the Sloan Oil Company on the Smartt lease.

The Anderson-Prichard Oil Corporation is making good progress on construction of the refining plant at Colorado. A crew of twenty men are employed by the corporation in unloading equipment at the refinery site, pouring concrete for boiler and still foundations and making excavations for the spray pond, which will be 125 feet square. J. Steve Anderson vice president of the corporation, who is here from Oklahoma City to personally superintend this work, stated Thursday afternoon that three additional cars of equipment for the plant would arrive in Colorado that afternoon. A shipment of 17 cars arrived Tuesday, and four cars had previously been received here.

The pump house at refinery plant is completed and the first car of pumps unloaded in the building. One of the cars scheduled to arrive Thursday afternoon was loaded with condensers. Included in the large shipment arriving Tuesday were a number of large tanks which will set up at the site for storage purposes.

Smartt No. 3 of the Sloan Oil Company is expected to be completed within the next few days. The crew at this test was drilling at 2,300 feet Thursday at noon. The crew at Smartt No. 3 of the Sloan Oil Company is expected to be completed within the next few days. The crew at this test was drilling at 2,300 feet Thursday at noon. The crew at Smartt No. 4 was drilling at 1,985 feet.

The California Company Thursday afternoon issued the following report covering their activities in the field: Morrison 1-A, drilling in grey lime at a depth of 4509 feet. Morrison No. 7, on pump, 80 barrels per day. Morrison No. 4, swabbing. This well is 3050 feet deep. Morrison No. 5, on pump, 80 barrels per day.

Butler No. 1, 2821 feet, standing cemented. Abrams No. 1, drilling by bailer at 2528 feet. Abrams No. 4, cleaning out at 3111 feet. Abrams No. 5, 3105, swabbing. LeSure No. 2, swabbing, 3090 feet.

NEW CITY HALL NEEDED HERE, OFFICIAL SAYS

The present city hall has become inadequate to properly house the different departments of the city government and fire department, according to A. B. Blanks, member of the city council, who recommended in an address delivered at the executive session of the Chamber of Commerce Thursday that the city sell this property and purchase a site elsewhere on which to erect a new and more modern building.

It is understood that the city contemplates accepting an offer on the city hall and erect the proposed new structure a few blocks from the heart of the business district in order to get away from traffic congestion. Blanks outlined that the city had no room for storing supplies of the water works and other departments at the present city hall, and, furthermore, had no room in the fire department for keeping the new fire truck purchased this week.

MITCHELL DISTRICT COURT TO CONVENE HERE MONDAY

The April term, Mitchell County district court will be convened here Monday morning with Hon. W. P. Leslie of Colorado on the bench. The first work of the court will be to empanel and charge the grand jury. W. S. Stoneham, district clerk, stated Tuesday that the dockets, both criminal and civil, were not heavy for this term.

Mr. and Mrs. T. A. Richardson will spend Easter visiting at Pecos and Grand Falls.

ALLEGED FORGER JAILED AT COLORADO TUESDAY

Rufus Pratt, young man who during the past few months has been employed in and near Colorado, was arrested Tuesday morning on the Bankhead highway east Roscoe and returned to Colorado to face charges of forgery, growing out of charges that he passed two forged checks here Monday afternoon. Pratt was given a preliminary hearing before Justice Thomas Tuesday afternoon and allowed bond in the sum of \$1,000, which he had not made late Wednesday.

One of the checks, given for \$200 was forged on J. R. Moore, farmer of several miles northwest of Colorado. Pratt is alleged to have given the check to Iven Webb of Colorado in payment of an automobile. The check was given on the City National Bank and officers there detected the forgery when the check was presented for payment. The other check, for the sum of \$17.50, issued over the name of Larry King, was drawn on the Colorado National Bank and given the J. F. Garber Dry Goods Company in payment of a suit of clothes. Sheriff I. W. Terry stated Wednesday that he could find no record of a party by that name here and presumed the name was an alias of Pratt.

Charges against the alleged forger will be investigated by the Mitchell County grand jury, which is to be convened at Colorado Monday.

CONTRACTOR BEGINS POURING CONCRETE ON ELM STREET

A large power concrete mixing machine of the West Texas Construction Company was started Thursday morning and the fleet of dump trucks are again conveying concrete onto the street. Pouring of the concrete base was started at corner of Third and Elm streets. Theo. Montgomery, curb and gutter contractor, is making satisfactory progress with construction of the curb and gutter lines.

Rev. W. M. Elliott, pastor of the First Presbyterian church, gave the invocation. The addresses of welcome were given by Judge J. C. Hall for the county; Mayor R. H. Looney, the city; Dr. P. C. Coleman, Chamber of Commerce; C. M. Adams, Lions Club, and Mrs. J. G. Merritt, women's clubs.

Mrs. E. S. Noble of San Angelo gave the response to these addresses. After greetings from the beloved State president, Mrs. Henry Redmond of Corpus Christi, and much appreciated vocal selections by Miss Mary Honea of Howard-Payne College, the real business began. On account of a few not being present the program had to be changed some but every department had a report by someone. There were reports on Art, Music, Literature, Applied Education, Library Extension, Elimination of Illiteracy, Transportation, Peace, Thrift, Rural Life, American Citizenship, Scholarship and Loan Fund, and all showed that women were wide awake, studying and taking a part in the affairs of life. After the talk on training for citizenship, the thirty Mexican school children were brought in, sang America and saluted the flag. Miss Mary Terrell is the teacher and has accomplished a wonderful work with them in the public schools.

The negro children also sang, directed by their teacher, Allie Walton, "Steal Away to Jesus." The individual club reports were given during the two days session and showed that all departments of club work were studied. Friday evening was President's Evening. The event that is always looked forward to with pleasure by both hostess and guests. A lovely banquet was served to a hundred and fifty on this occasion. The three long tables were decorated with pink candles and sweet peas. The favors were dainty pink baskets filled with mints. On this occasion music was furnished by Mr. Jack Norris, Mrs. Bill Martin, Mr. Sam Goldman, Mrs. Guitar, Joe Earnest and others. Mrs. C. R. Earnest favored with readings. Mrs. A. L. Whipkey acted as toast-

NEW LA FRANCE ENGINE IS PURCHASED BY COLORADO

A new American LaFrance combination hose and pumper fire truck was purchased by the city council Monday for immediate delivery. The truck, considered among the best in the country, will be delivered from Dallas. The pumper equipment has a capacity of 750 gallons of water per minute. The machine is equipped with a six-cylinder, 105 horse power motor.

The city will retain the old fire truck, which is also a LaFrance. This truck is to be rebuilt at the Dallas factory of the LaFrance corporation without cost to the city and converted into a special hose and chemical wagon.

Purchase of the new truck assures Colorado of adequate fire protection in the future, as the pumper equipment is capable of developing a high water pressure. With the two trucks, Colorado fire department will be adequately equipped to combat larger fires or two fires at the same time. The recent fire here, when the Levy building and the D. L. Buchanan residence were burned at the same time, demonstrated the need of two fire trucks.

City Manager L. A. Costin stated Tuesday that the city would contract an additional water well at the water works to increase the city's water supply, in case of any emergency arising.

SPIRIT OF EASTER.

Easter partakes of both the religious and holiday spirit. The day itself is a religious holiday. Many thousands of foreign-born citizens and their children celebrate the Monday following as a day of feasting and merry-making. Easter also symbolizes the spirit of spring. Practically all holidays have a spiritual side accompanied by a revival of good will.

**6TH DISTRICT CLUB WOMEN
CLOSE COLORADO MEETING**

(Continued from page one)
mastriss and toasts were given by Mrs. Jim Johnson, to our president. Just at the conclusion of this, Little Martha Jane Majors marched in as Mrs. Guitler played soft music and presented her a beautiful bouquet of flowers and said in her sweet voice: "Because we love you." The president responded in a most gracious manner. Mrs. Jack Smith toasted the State President, Mrs. Henry Redmond; Mrs. Hester, our officers and C. M. Adams our guests. The program at the convention hall, where the first vice president, Mrs. M. H. Hagaman of Ranger, presided, consisted of band music, a cornet solo by Sam Goldman, vocal solo by Mrs. Bill Martin of Lorraine. A playlet, one act drama, from pupils of Sul Ross State Teachers' College; numbers from the Glee Club from the normal and the presidents address.
The president's subject was: "Woman, Her Opportunity Today." She

compared the work of women in the past with the present and showed with the need of united effort to bring about the better and nobler things. She spoke of the many avenues open to women and of their responsibility in using them for the greatest and best good. She said if world peace was to come woman must help bring it about.
Saturday was taken up with individual club reports, thrift, home economics and rural life. Mrs. H. L. Harrell of Lorraine gave a most interesting paper on "The Viewpoint of the Rural Women." Miss Sealy, home demonstrator, had the club girls give a very interesting and informational number on the program.
This was a model girls club in which the girls showed how they conducted a meeting. They gave their reports, creed and songs.
When the time came for the invitation for the next meeting, El Paso, Alpine and Winters extended an invitation for the 1925 meeting. When El Paso heard Alpine's reason for the meeting she withdrew in favor of

her "little sister." The decision was then made between Alpine and Winters, in favor of the former. Before the closing song, "God Be With You Till We Meet Again," Mrs. J. F. Robertson of Rising Star gave the following tribute to our city:
To Colorado.
Dear city of our lovely West,
Where good things grow to be the best,
Where mocking birds sing to the moon,
Till sunrise seems to come too soon
And then the day goes flying by
Till sunset's greeted with a sigh,
Dear city of a thousand smiles,
With friendly hearts behind them,
You build us golden fellowships
With cords of love to bind them.
You've entered in our hearts to stay,
So as the hour draws nigh,
We find it very hard to say
That last of words—Goodbye.
We came with joy;
We leave with love,
But talking makes it sadder
So we'll just smile to hide the tears
Goodbye—Dear Colorado.
Besides the State president several State chairmen were present. Among them were Mrs. W. C. Martin, of Dallas, Mrs. E. S. Noble of San Angelo and Mrs. Langston of Cisco. Mrs. J. E. Hooper of Abilene and Mrs. C. H. Conner of Ft. Worth, former club women of Colorado were also present. Also Mrs. M. L. Stubblefield of Gorman, a former teacher here. Resolutions of appreciation were given for the beautiful Legion building, for the hospitality of the homes, to the Whipkey Printing Co. for the courtesies, extended in the way of note books, pencils and other favors, to the young lady pages and ushers, for the splendid luncheon by the Lions club, and the picnic and feast by the Pioneer club and all others who helped in any way on the program. The Colorado women feel well repaid for all their efforts for the many joys they received from the meeting.

OBITUARY.

The town was saddened Thursday evening of last week when the news of the death of Mrs. W. L. Doss, Jr. was spread from lip to lip. Few knew she was seriously sick till they heard of her death. Just a few days before she was the picture of health and happiness, taking a part in the affairs of life. She was only ill a few days, but it seemed from the first that the green monster, Death, had laid his icy hand upon her and thwarted all that skilled hands and loving hearts could do, and claimed her for his own.

While death is always sad, yet it is particularly so when a young mother is taken from a happy home and baby hands are reaching for her and a tender young faithful husband's heart is crushed beneath the load. Only Divine help can sustain at this time. In God's word we read: "Now we see through a glass, darkly; but then face to face. Now I know in part; but then shall I know even as also I am known." So some day we will know all and understand. Till then we must have faith in Him.

Grace Irene Donnell, was born October 8th, 1899, in Athens, Texas, died at her home in Colorado, Texas, April 10th, 1924, being at the time of her death, twenty-five years, six months and two days of age. She came to Colorado, with her parents during the month of October, 1919, and has since that time made Colorado her home.

She was married, April 28th, 1920, to W. L. Doss, Jr. To this union was born one daughter, Willie Grace, who with the husband, her father, mother, one brother and one sister survive her.

While living in Athens, Texas, the tender age of fourteen years, she was converted and united with the Christian church, and has since that time lived in that communion. After coming to Colorado she placed her membership with the local Christian church and was a faithful and devoted Christian.

Funeral services were conducted Sunday afternoon from the First Christian church, conducted by the pastor, Rev. J. E. Chase, and she was laid to rest in the Odd Fellows Cemetery. A large concourse of people assembled to witness the closing scene in the drama of her life, and to show their love and sympathy for the bereaved family.

The following out-of-town friends and relatives attended the funeral services:

Trent—Mrs. McKee and daughter; Mrs. Earnest Massey and Mr. T. Hammer.

Roscoe—Mr. and Mrs. Will Simpson, Copeland and Miss Bess Copeland; Mr. Forest Deshields, Mr. J. J. Ker and Odis Parker, Mr. A. J. Quinney and R. P. Price.

MacKenzie, Weatherford, Texas; Mr. and Mrs. Orval Milburn, Weatherford, Texas; Miss Katherine Milburn, Weatherford, Texas; Mr. and Mrs. Dee Sykes, Roscoe, Texas; Miss Lora Mitchell, Mingus, Texas. Many were the floral tributes, silent messages of love. The pall bearers were J. E. Pond, McCall Mer-

The Loraine Chamber of Commerce had a rousing meeting Monday night. A splendid representation of the town was present. The election of Duchess and Maids of Honor was had to go to Brownwood convention. Miss Viola Brown, was elected Duchess and Miss Beatrice McGee and Fay Spikes as Maids of Honor, also some arrangements for Sweetwater, delegations that is to come through Wednesday. The question of street improvement was discussed very extensively and a committee appointed to investigate the best way to put over the proposition, either by bond or otherwise. So we are going to look forward to some street improvement in near future in Loraine. Our depot improvements are fast being completed and when completed we are going to have station and grounds that we are proud of. In the meeting Monday night was also agreed to send the Band to the Brownwood convention. We are proud of the Band, they have made good progress taking every thing into account. The C. of C. is doing good work and should be supported by every citizen of Loraine.

D. 1924, then and there to answer a petition filed in said court on the 6th day of April, A. D. 1924, in a suit numbered on the docket of said court, Number 2282, wherein F. F. Dufosse is plaintiff and J. J. Holliday, if living, and if dead, his unknown heirs are defendants, said petition being an action of trespass to try title to recover the following described property situated in the town or city of Colorado in Mitchell County, Texas, and described as follows, to-wit:

A part of lots 12-13-14 and 15, in Block H in the town or city of Colorado according to the map or plat of said town or city, a copy of which is of record in the Deed Records of Mitchell County in Volume 47, pages 46 and 47, beginning at a point 50 feet north of the southwest corner of said lot 15, said point being in the west line of said lot 15 on Oak St.; thence on a line parallel with the south boundary lines of lots 12, 13, 14 and 15 in an easterly direction the distance of 100 feet to a point in the east boundary line of lot 12; thence south 50 feet to the southwest corner of lot 12; thence westerly 100 feet to the southwest corner of lot 15; thence northwardly along the west boundary line of lot 15 a distance of fifty feet to the place of beginning.

Plaintiff set up the statutes of limitation of five and ten years, and for the particular allegations in that respect reference is here made to plaintiff's original petition.

Herein fail not but have you before said court on the said first day of the next term thereof, this writ with your return thereon showing how you have executed the same.

ATKINS URGES FARMERS TO DESTROY MENACING PESTS

Grasshoppers, which last Spring developed such a menace to the farmers of the county, have begun to appear in a number of communities. H. L. Atkins, county farm agent, stated Tuesday. The agent is making an appeal to farmers to employ means at once to destroy the pests before they develop into such large numbers as to become menacing and also before the Spring crops are up.

In a letter addressed to the general public, Atkins says:

"The grasshopper is one of the most destructive insects affecting the growing crop and is often responsible for the total loss of a crop on the farm.

"Only one generation of the insect develops each year, and the eggs laid in the fall of the year hatch out the following spring. Thus it is that the most effective means of control consists in the destruction of the eggs and this may be done in a large measure by fall and winter plowing, and the burning of all trash in and about the field.

Experiments in the different areas of infestation prove that some form of poison is the best means for destroying the adult insect. Poison bran mash spread around the edges of the field is very effective and is prepared from the following: 400 lbs. of wheat bran, 15 pounds of wheat shorts or middlings, 2 gallons of cheap molasses, 20 pounds of Arsenic, and water sufficient to make a damp mash. Smaller quantities may be prepared in the same proportions.

"In some sections of the country, especially in parts of Kansas, ditches plowed entirely around the field to a depth of from eight to ten inches, have been of marked benefit. These ditches should be made with the steep side next to the growing crop, and the bottom of the ditch left as loose and dusty as possible. Poison mash may be used effectively along this protective ditch.

"A few rows of Sudan or other forage crop sown on each side of the field and poisoned with Paris Green when the grasshopper attacks, has brought good results in many cases.

"Special care must be exercised, in the use of any form of poison, to keep livestock and poultry away; since most poisons are deadly in their effect upon any kind of animal. Be careful to keep sore or scratched hands away from Arsenic or Paris Green.

"In all cases where the grasshopper begins to appear, the person observing it should immediately notify the county agent, and by rapid work done early, it is to be hoped that Mitchell County may suffer very little loss from insect sources."

DALLAS TRADE EXCURSIONISTS WILL MAKE STOP AT COLORADO

One hundred fifty strong, a party of Dallas business and professional men, traveling in a special train, will arrive in Colorado on May 2nd, at 8:28 a. m. for a 45 minute visit with our citizens. The occasion is the Twenty-Third annual Good Will Tour of the Dallastites to points of interest in the Southwest trade territory. This year the party is endeavoring to stop at as many cities and towns in West Texas as its seven-day schedule will permit.

Knowing the reputation of our business men for hospitality, the Dallas party is looking forward with keen interest to its brief call here.

A letter received from General Chairman, C. L. Norsworthy, announces the time of the trains arrival and expresses regret that owing to the large territory to be covered the party will not be able to spend a longer time in our city. The trip will embrace 2,026 miles, the longest and most important ever undertaken, and stops will be made at 69 West Texas cities, Mr. Norsworthy said.

The purpose of the tour will be to bring about a closer relationship and understanding between our merchants and the Dallas wholesale and manufacturing market. Members of the party will call personally at our business houses to meet our merchants and extend to them an invitation to visit the Dallas market and avail themselves of the service it affords to its patrons.

The party will be made up largely of the executive officers of the large banks, jobbing houses and manufacturing concerns in Dallas. Each individual will be loaded with novelty souvenirs and will be anxious to renew old acquaintances and make new friends. Every effort will be made to develop commercial and industrial contact and the men from the "City of the Hour" are full of enthusiasm concerning the development possibilities of West Texas—"the bread basket of the nation."

Mr. Norsworthy especially requests that, if practicable, our school children be on hand to greet the party at the depot. He promises that no child will go away empty handed.

A magnificent uniformed band of twenty pieces will accompany the Good-Will party and will render a short concert during their stop. No effort or expense has been spared to make this the greatest Good-Will tour Dallas has ever undertaken.

SINGERS TO CONVENE IN ANNUAL MEETING MAY 4TH

The annual convention, Mitchell County Singing Association, will be convened at Union Tabernacle in Colorado Sunday, May 4, for an all-day session. A. W. Dearing, vice president of the association, stated Monday. Dearing said that several good quartets had been booked for the day. The usual basket dinner feature of these conventions will be observed and those attending are requested to bring a basket luncheon.

The annual business session of the association will be held Saturday night, May 3, at the First Baptist church. All officers and directors of the organization, as well as the general public, is invited to attend this meeting.

MAID IN WAITING WILL BE ELECTED BY LIONS CLUB

Announcement has been made that the young lady to attend the Colorado sponsor at the Sixth Annual convention of the West Texas Chamber of Commerce will be selected by members of the Lions club at the weekly luncheon Friday (today). The sponsor, Miss Hazel Costin, was selected the first of the week by the Chamber of Commerce.

There are several young ladies who would fill the place of maid in waiting to the sponsor (or queen) with credit to both themselves and the city, and all of these who would accept the place should be nominated before the Lions club is convened at noon. Friends of these young ladies are requested to obtain assurance from them that they will attend the convention before turning in their names to the club.

Selection of this young lady will be done by secret ballot, the Lion writing in the name of his selection on a ballot and the results declared by a committee to be named by the club. The selection carries with it all traveling and entertainment expenses of the trip to Brownwood.

Young man, do you wish your best girl to be selected as maid in waiting to the Colorado queen at Brownwood? Then give her name to any member of the Colorado Lions club before noon today.

COW MAN PAYS TRIBUTE TO LIFE OF J. C. PRUDE

The following eulogy to the life of J. C. Prude, who died at his home in Colorado Friday, was written by a cow man of the younger generation and who had been associated with Mr. Prude, directly or indirectly, for many years:

"Sons and daughters as well as other near relatives gathered at Colorado during the passing of Prude, another generous and widely known nestor of West Texas a man has gone. He died at his home last Friday evening.

"In the passing of this gallant figure another link has broken that united the present to the past. Very few survive him now in Mitchell or any other West Texas county, whose early years spanning his life with the long horn cattle driving and who loved the history of his pioneer cattle days in Texas, because as a young man he took his place in the saddle and stood his guard in the bright and in the bleak.

"Now as we find his place vacant on the drive as well as in his home he leaves hundreds that will miss him from the sweet and lingering memories of the old days as well as his family, and his church."

CHRISTIAN CONGREGATION "POUND" THEIR NEW PASTOR

Wednesday evening after services were ended at the First Christian church the pastor and his wife were invited to take a short auto ride over the city to see the illumination. When they returned to the manse they discovered the congregation had taken

charge in an old fashioned "pounding." After felicitation, W. A. Crowder on behalf of the congregation formally welcomed the pastor's family to the city in a few appropriate words and presented many substantial evidences of their appreciation to which Bro. Chase feelingly responded, ending with a very hearty invitation to come again soon and often.

FOUNDATIONS STARTED FOR TWO BUSINESS BUILDINGS

Two more attractive buildings in the business district of Colorado were started this week, each of which is to be modern and fire-proof throughout. Excavations for foundations for the buildings had been completed Thursday afternoon.

One of the buildings will go up at Walnut and Third streets and is being erected by Ross Dixon as the home of the Palace Theatre. This building will be forty by seventy-five feet. The other is on Oak street, between Second and Third and is being erected by J. B. Pritchett to be occupied by his tin shop. This building, of brick construction, is to be 25 by 90 feet.

HAVE YOU AN ACRE OF DIAMONDS?

There's only one section of this country—or of any other—where "Miss Millie" would be a title of love and honor and distinction. Miss Millie, Mildred Lewis Rutherford undoubtedly was when, as a little girl, she pored over lessons at a beautiful old mahogany school desk. Miss Millie she was at eighteen, when the world began to open before her, especially the gracious world of art and travel that the "old South" liked to give its girls. And Miss Millie she still is, to an ever wider and more appreciative group, when, as president of the Lucy Cobb Institute of Athens, Ga., she guides other girls at the same precious old mahogany desks of her own girlhood.

It's been a life, she insists, lacking in the dramatic qualities that would make other girls want to read about hers. But is it so commonplace to be able to see value in the very things that have been familiar through all the years? Not only to see that value, but to preserve it, to make it yield a living to oneself and a service to many others?

This is the essence of Miss Millie's achievement. Not long ago some of the hard-headed members of the Athens Chamber of Commerce went out to see whether there was really anything much out there at the old school. They found "big double reception parlors, furnished elegantly, but more like a comfortable home than the formal entry of an educational institution." They found the "George I. Seney collection of oils and water colors," pictures "of the old Cobb home, and of Lucy Cobb herself, rescued from the home of a family of erstwhile Cobb servants," historic furniture with legends of some of the best of southern culture adding to its luster, together with "model apartments for teachers' quarters and bathrooms everywhere," that appealed to their manlike souls.

So they went back to their offices. And they picked out the member who had the gift of gab and asked him to write up what they'd seen. He started his story with the tale of the Chautauqua lecture on "Acres of Diamonds." Remember it? The farmer who sold out and went to search for gold, while the wise man who bought the farm found a diamond mine when he scratched the worn hillsides.

DID YOU EVER STOP TO THINK?

That business concerns must give much attention to those things that will develop business. That before any business lies the unparalleled opportunity of Advertising. Those who take advantage of it to its fullest extent know what is good for their business.

That business concerns who do not grasp the opportunity of advertising live only to see those concerns who advertise get the business they should get.

That advertising gives confidence. Customers do not become regular customers until they have confidence in a business concern.

That good honest merchandise well advertised is what the people want—nothing else will satisfy them.

That merchandise that is persistently advertised can never be associated with inferior merchandise.

That good merchandise advertised always makes a restful appeal to the most exacting people.

That class of merchandise is always consistent in price, quality and

service, and is consistently in demand.

That "quality at a right price" is a good slogan. Nothing speaks as decisively as advertising.

For every man, woman & child who has writing to do
Remington Portable

THE Remington Portable is a capable, companionable, individual typewriter, built for the use of the man in his business or profession, the woman in her home, the child attending school—in fact for every man, woman and child who writes.

It is the most compact of all writing machines. Fits in a case only four inches high. Like every Remington, it is strong, speedy, durable and turns out beautiful work. —and mark this: It has the Standard Writing Keyboard with which you are familiar—no shifting for figures. Small as it is, the operation of a Remington Portable is exactly like writing on a Standard machine. Just as easy, just as swift, just as simple.

Choral Numbers.
One of the highly enjoyable numbers given at the Sixth District convention was Peter Pan, given by more than forty trained voices from the Snyder, Sweetwater and Colorado Choral clubs Thursday evening under the direction of Prof. Thos. Dawes. Before the performance the clubs met at Mr. Dawes' studio and enjoyed a spread of sandwiches, olives, stuffed eggs, cake and tea.

Central Circle.
The home mission meeting of the Central Circle of the Presbyterian Auxiliary was held with Mrs. J. E. Riordan Monday, April 7th preceded by the little prayer circle meeting. This was the first meeting of the church year. The new officers are Mrs. A. E. Maddin, chairman; Mrs. S. N. Sherwin, vice chairman; Mrs. Y. D. McMurry, treasurer. As the chairman could not be present, Mrs. Sherwin took charge of the meeting after the devotional exercises, business matters were attended to. Mrs. McMurry was appointed to lead in the Home Mission lessons. Mrs. Van Tuyl, foreign missions; Mrs. Coleman bible study. The home mission lesson was on the Negro, Our Responsibility in Helping in their development Physically, Mentally and Spiritually. Encouraging reports were given of work already done. Bible questions, the Last of the Prophets. The foreign mission meeting will be held with Mrs. Van Tuyl.

A Word of Appreciation.
I desire to thank the Clubs, the various organizations and the citizens of your city for the hearty co-operation in making the Ninth Annual Convention of the Sixth District of the Texas Federation of Women's clubs one of the most successful meetings in the history of the organization.

Very sincerely,
MRS. Wm. REAGAN, President.

Central Circle.
The Central Circle of the Methodist church met with Mrs. J. B. Dobbs Monday afternoon. In the absence of the chairman, Mrs. E. H. Winn presided. Plans were discussed for the Easter program. An offering was taken for the Near East orphan pledge.

Twelve dollars was paid on the dishes for the church and new communion glasses. Mrs. Otto Jones was received as a new member. The hostess served ice cream and cake.

District Training Class.
On account of sickness of some of the teachers the district Sunday school training class to be held at Sweetwater has been postponed until June. Rev. and Mrs. Lawlis, Mr. and Mrs. J. B. Dobbs, Mr. and Mrs. Otto Jones, Mr. and Mrs. Winn, Mrs. J. G. Merritt and Miss Eril King went down Monday night. They got their books to be ready when the time comes.

Circles Meet.
The Baptist Circles met for Bible study Monday afternoon. Circle No. 1 met with Mrs. Hall; Circle No. 2 met with Mrs. J. R. Sorrell; No. 3 met with Mrs. G. W. Smith.

First Place.
Miss Elizabeth Terrell won first place in Essay writing in the County Interscholastic meet. She is a Freshman and there were several Seniors in the race as well as other grades.

Bridge Party.
Mrs. Joe H. Smoot entertained a few friends with bridge Wednesday afternoon honoring Mrs. Stanley Van Tuyl of Pittsburgh, P. A salad course, ice cream and cake were served.

Merry Wives.
Mrs. Everett Winn was hostess to the Merry Wives Wednesday. The form of entertainment has been changed to Mah Jong and the members enjoyed learning as it was new to many of them. The hostess served veal loaf, hot rolls, olives, mint jelly, potato chips and fruited tea. Mrs. Sam Wulfjen will be next hostess.

Harmony Club.
The Harmony club met with Mrs. R. W. Mitchell Tuesday. Her invited guests were Mesdames Stonerod, Tom Dawes, Coleman, Sam Majors, Pearl Shannon, Stanley Van Tuyl and Miss Elsie Lee Majors. The hostess served chicken salad, sandwiches, potato chips, olives, mints and ice tea. Mrs. McKenzie will be next hostess.

Mission Club.

COUNTY FEDERATED CLUBS DID MUCH, REPORT SHOWS

A Report of the Federated Clubs of Mitchell County for the Year of 1923 and 1924, Read by Mrs. Dunnahoo at the District Meeting.

Madam President and Ladies:
Our County Federation was composed of ten clubs last year, and during the year three other clubs joined, making a total of thirteen. Our Motto is "Co-operation;" our Colors—Green and White.

Our president asked at the beginning of her administration that each woman's club sponsor a girl's club, thereby co-operating more fully with our County Demonstrator. This has been done, and we feel lasting good has been accomplished that could not have been done otherwise. All girls clubs have been assisted in their work, and for one club chairs have been bought. Several of our girls won prizes on the clothing contest, and some went to College Station for the Short Course.

In November the President and Miss Laceywell, who was then the Home Demonstrator, gave a Home Products luncheon, assisted by the clubs, to the County Commissioners, County Judge, President of the Chamber of Commerce, Lions Club President, and a few other representative citizens. A report of the Home Demonstration work was given and a general good time had.

The clubs of the Federation have adopted schools, which are visited very often, until there remain only a few schools that have not been adopted. To these adopted schools have been given a vast number of standard magazines, and many helpful books, several libraries have been started, and others planned.

Trees have been given to all schools, and the clubs have assisted in cleaning up and beautifying the school grounds. To one school a victrola with records, was given, and Delco lights are now planned for this school.

More than \$1,000 worth of equipment was bought for the playgrounds of the Colorado Schools.

Two \$25 pages have been taken in the Colorado High School Annual. A piano and victrola records for the music memory contest were bought for the Loraine High School. Maps, reference books and play-ground equipment were also bought for the Loraine school.

Through the efforts of the clubs, Parent-Teacher Associations have been organized, and weekly story hours conducted. A Student Loan Fund is also being maintained, and prizes are being offered to pupils making the best general averages for the year.

A nurse examined the children of each school and gave lectures on hygiene.

A Baby Clinic was held at the County Fair for all mothers who wished to attend.

We had the honor of hearing lectures by Phebe K. Warner and Dr. Munson of Canyon, Texas, during the year.

A Lyceum, which was very beneficial and enjoyed by all who attended, was brought to the Colorado High School.

Many books and magazines were sent to the Prison Farm at Richmond, this year.

A contribution was sent to the Goodfellows Christmas Cheer Fund and a number of Christmas baskets were distributed among the needy. The Federation conducted the Christmas Seal Sale.

After the cyclone in the spring, the clubs of the Federation did a great deal in caring for the injured. Clothing and quilts were made for those whose homes were destroyed, and many things needed for the home were donated.

Practically all the clubs went on record as favoring the Road Bonds, and are going to work for the bonds in the next election.

We have co-operated with the Chamber of Commerce in cleaning up and keeping clean the towns of the county.

A number of clubs have paid their endowment fund in full.

One club is maintaining a flower, bulb and seed exchange. Several clubs entered decorated cars in the parade at the County Fair, in which all clubs took part. One received First Prize.

We enjoyed a visit from Mrs. Andrews of College Station, who gave a demonstration of quilts and tasty deserts. Miss Swift from College

Africa and China. Mrs. Munday was welcomed as a new member. Mrs. Stanley Van Tuyl was a guest. The next meeting will be with Mrs. Y. D. McMurry. The hostess served a salad course and iced tea.

Station also visited us. From the rural clubs, three ladies have entered the kitchen contest, and several are planning to attend the Short Course at College Station, this summer.

Running water has been installed in many homes since the coming of the County Demonstrator.

The rural clubs, under the supervision of Miss Georgia Laceywell and Miss Irma Sealy, who succeeded Miss Laceywell has accomplished the following:

Canned in glass—Fruits 2698 qts. Preserves 2119 qts.; peach sweet pickles 109 qts.; fruit butters 212 qts.; sour pickles 1867 qts.; Catsup 74 bottles; mince meat 300 qts. jelly 2890 qts.; relishes 3358 qts.

Canned in tins.—Corn 1536 cans; other vegetables 4917 cans; chicken 471 cans; turkey 35 cans; meat 4820 cans; soup mixture 56 cans.

Fruits and vegetables dried:—peaches 15 bushels; peas 25 bush.; onions 6 bush.; Irish potatoes 12 bush.; beans 136 bushels.

Produce sold:—Butter 2508 lbs.; Eggs 850 doz.; turnip greens \$107. chickens \$580; Beef \$20.70; pork \$76; lard \$4; cream \$500; soap \$3; turkeys \$1098; canned chicken \$17.

DALLAS TRADE EXCURSIONISTS WILL MAKE STOP AT COLORADO

One hundred fifty strong, a party of Dallas business and professional men, traveling in a special train, will arrive in Colorado on May 2nd, at 8:28 a. m. for a 45 minute visit with our citizens. The occasion is the Twenty-Third annual Good Will Tour of the Dallastites to points of interest in the Southwest trade territory. This year the party is endeavoring to stop at as many cities and towns in West Texas as its seven-day schedule will permit.

Knowing the reputation of our business men for hospitality, the Dallas party is looking forward with keen interest to its brief call here.

A letter received from General Chairman, C. L. Norsworthy, announced the time of the trains arriving.

All accounts at the City must be paid on 1st of the month or your account will be closed. We are supposed to sell for cash and can not run your account longer than 30 days. Take Notice.

PLEASANT VALLEY.

Planting is the order of the day in our community after a fine rain. Been quite a lot of sickness but reports are that all are improving.

Mr. George Bradshaw of Aspermont, Texas, has returned home after a pleasant visit with his mother, Mrs. Maud Davidson and his sisters, the Misses Bradshaws.

Singing at Pleasant Valley church the third Sunday afternoon. Bethel singing class have promised to be with us and every body is cordially invited to attend.

Come on all good singers as we have just purchased a new piano.

REPRESENTATIVE CHITWOOD OFFERS HIS SERVICES AGAIN

Urged by many friends throughout West Texas to make the race for State Senate or for Congress, R. M. Chitwood has announced his intention of becoming a candidate for re-election to the office of State Representative from the 117th District, which is composed of the counties of Fisher, Nolan and Mitchell.

Mr. Chitwood was elected a member of the 37th Legislature in 1920. During that term he served as vice chairman of the Committee on Education, member and secretary of the Joint Legislative Penitentiary Committee and member of the State Educational Survey Committee.

Returning to the 38th Legislature he piloted the West Texas College bill safely through the House of Representatives and found time to

act as floor manager of all other West Texas legislation. In the present Legislature he is chairman of the important committee on Education and is also serving as a member of the Penitentiary, Commerce, Manufacture, Eleemosynary Institutions and Public Lands Committees. Both in the counties that compose his district and over the State he is regarded as perhaps the most influential member of the 38th Legislature.

A forceful speaker, Mr. Chitwood is frequently in demand for public addresses. He was called to deliver the commencement address at the North Texas State Teachers' College at Denton and has this year been the principal speaker at the annual banquets of the Chamber of Commerce at Lubbock, San Angelo, Snyder, etc.

Mr. Chitwood stated he was led to make his announcement after reading the platforms of all the numerous candidates for Governor.

"All profess themselves ready to lay aside consideration of political expediency and allow nothing to stand in the way of an honest effort to put the penitentiary system on a self sustaining basis. It may be possible for the 39th Legislature with the co-operation of the new Governor to do something about stopping the huge appropriations heretofore necessary for maintenance of the penitentiary as well as other economies."

In the minds of the average citizen of the 117th District, Representative Chitwood is usually thought of as the leader of the fight for the establishment of the Texas Technological College and other West Texas measures. But throughout the State he is known for his work in behalf of the public schools. He wrote and put through the 37th Legislature the bill restoring aid for the rural schools after the veto by Governor Neff. He is the only West Texan and the only member of the House of Representatives holding membership on the State Educational Commission, the body which is now having made a complete survey of the public school system of the State. It is known to his intimate friends that of all the many subjects in which he has been actively interested the public school system of Texas is the one nearest his heart. News of his announcement to stand for re-election will nowhere be received with more satisfaction than by the earnest men and women of Texas who are interested in the betterment of educational facilities and who are looking to him to again father the interests of the schools in the 39th Legislature.—Sweetwater Reporter.

COLORADO SPIRIT PRAISED BY CLUB WOMEN OF TEXAS

Colorado and the Colorado spirit were praised in an article in the Sunday morning edition of the Fort Worth Star-Telegram, which was written by the correspondent of that paper who "covered" the Sixth District Federation of Women's Clubs convention here last week. The article, under date line of April 12, follows:

Alpine, picturesque city in the Davis Mountains and home of the Sul Ross State Teachers' College, was selected as the next convention city by delegates attending the ninth annual convention of the Sixth District, Federation of Women's Clubs, here this morning.

The nomination speech winning this honor was delivered on the convention floor by Mrs. George W. Baines, prominent Alpine club woman, and head of the delegation from that city. Winters, the only other applicant for the convention in 1925, lost when El Paso swung its support to Alpine, "its little sister."

"El Paso, which had technically been among the cities coveting the next convention, withdrew in favor of Alpine in an address delivered by Mrs. Hinden Butler, member of the El Paso delegation. Dr. I. E. Bishop, prominent El Paso club woman and physician, supported the invitation of Alpine in a ringing address delivered just before the balloting was taken up.

"The business sessions of the three-day convention were practically ended when the meeting was adjourned to luncheon today. After luncheon delegates, from several cities began leaving Colorado for their homes. Few of the visitors remain in the city tonight.

"The convention at Colorado has been one of the best I have ever attended in the Southwest," was the statement of Mrs. Henry Redmond of Corpus Christi, president of the State Federation.

"I have never attended a convention, district or state, or biennial, where visitors were entertained more royally than you people of Colorado have entertained us."

"Mrs. William Reagan, president of the district, was also profuse in her praise of the efficiency with which local club women carried out both the business and entertaining features of the three days. 'You promised us much when asking for this convention a year ago, and you have done much more than you promised, or than any of us had anticipated,' she declared.

"Delegates attending the convention expressed surprise at finding Colorado a city of more than 4,000 people, paved streets and many other characteristics of a growing city. The surrounding country, too, which is so rapidly being developed into well improved farms, was another surprise for delegates coming from a distance especially from South Texas. They had expected to find Colorado the usual type cow town surrounded with large pastures.

"Mrs. A. L. Whipkey, president of the Mitchell County Federation presided as chairman at the banquet, Friday night, which is claimed to have been one of the most elaborate affairs held here.

"The district officials' reports were heard yesterday from 44 of the 82 clubs in the Sixth district and each showed club work throughout this section of West Texas had accomplished much during the past year. The reports especially related to the effective work for education.

"During the afternoon yesterday departmental chairmen made their annual reports, reviewing work done in fine arts, literature, library extension, peace ideals, home economics, good roads and Americanization. "An interesting feature of the afternoon session was an Americanization pageant staged by Mexican school children of Colorado. The children sang 'America,' and standing at attention saluted the American flag.

"Mrs. W. C. Martin of Dallas delivered one of the principal addresses during the afternoon session on "Americanization." She referred to the beautiful American Legion memorial building in Colorado, in which the convention was being held, as a graphic portrayal of true Americanization ideals."

STOCKS JONES DRY GOODS CO. ARRIVING THIS WEEK

Shipments of dry goods, notions, and other items to stock the Jones Dry Goods Company store to be opened May 1 in the Farmer building have begun to arrive in Colorado. W. R. Hickey, Colorado manager for the chain store concern, stated Tuesday. Hickey said that a part of the store fixtures were expected to arrive next week.

This concern, which was burned out in the recent fire which destroyed the old Opera House block, will open again in the building now occupied by H. B. Broadus & Son, grocers. Broadus will move their grocery business to the Jno. L. Doss building, Third and Walnut.

D. 1924, the same being the 5th day of May A. D. 1924, then and there to show cause why such partition and distribution should not be made.

Witness my hand and seal of the County Court of Mitchell County, Texas, this 14th day of April, 1924.

W. S. STONEHAM, Clerk of the County Court of Mitchell County, Texas.

SHERIFF'S SALE

THE STATE OF TEXAS County of Mitchell Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Brown County, on the 31st day of March, A. D. 1924, by Chas. S. Bynum, Clerk of said Court, on judgment rendered in said Court on the 12th day of February, 1924, for the sum of Seven Thousand Five Hundred Fifty-five and 68-100 Dollars and costs of suit, in favor of G. W. Plummer in a certain cause in said Court, No. 4426, and styled G. W. Plummer vs. Marcus Snyder, placed in my hands for service, I, I. W. Terry, as Sheriff of Mitchell County, Texas, did, on the 8th day of April, A. D. 1924, levy on certain Real Estate, situated in Mitchell County, Texas, described as follows,

to-wit: The west one-half and the southeast one-fourth of Survey No. 3, (W. 1/2 and S.E. 1/4 of 3) in Block Number 29, Township 1 South, Texas & Pacific Railway Company Surveys, Mitchell County, Texas, and levied upon as the property of Marcus Snyder and that on the 1st Tuesday in May, 1924, the same being the 6th day of said month at the Court House door, of Mitchell County, in the City of Colorado, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Marcus Snyder.

And in compliance with law, I give notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Colorado Record, a newspaper published in Mitchell County.

Witness my hand, this 9th day of April, 1924.

I. W. TERRY, Sheriff Mitchell County, Texas, by C. E. Franklin, Deputy.

NOTICE OF ROAD BOND ELECTION

The State of Texas, County of Mitchell. To the resident property tax paying voters of Mitchell Texas—TAKE NOTICE:

That an election will be held on the 24th day of May, 1924, within Mitchell County, Texas, to determine if said County shall issue bonds and if a tax shall be levied in payment thereof, in obedience to an election order entered by the Commissioners' Court, on the 14th day of April, 1924, which is as follows:

BE IT REMEMBERED, That on this the 14th day of April, 1924 the Commissioners' Court of Mitchell County, Texas, convened in regular session, at the regular meeting place thereof, in the court house at Colorado, Texas, all members of the court, to-wit:

- J. C. Hall, County Judge. U. D. Wulfjen, Commissioner of Precinct No. 1; H. A. Lasseter, Commissioner of Precinct No. 2; Jno. D. Lane, Commissioner of Precinct No. 3; W. D. McAdams, Commissioner of Precinct No. 4;

Being present, came on to be considered the petition of J. J. Riden and 279 other persons, praying that bonds be issued by said Mitchell County, Texas, in the sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00), bearing interest at the rate of not exceeding Five and One-half per cent (5 1/2%) per annum, payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court serially or otherwise not to exceed thirty (30) years from date thereof, for the purpose of constructing, maintaining and operating a concrete paved Highway and Turnpike, running through said county from the Mitchell-Nolan county line to the Mitchell-Howard county line and known as the Bankhead Highway, or in aid thereof, in said County of Mitchell and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity;

AND IT APPEARING to the Court that said petition is signed by more than fifty (50) of the resident property taxpaying voters of said Mitchell County, Texas, and,

IT FURTHER APPEARED That the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Mitchell County, Texas;

IT IS THEREFORE CONSIDERED AND ORDERED by the Court, that an election be held in said County, on the 24th day of May, 1924, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said county shall be issued in the amount of Three Hundred and Twenty-Five Thousand Dollars,

\$325,000.00) bearing interest at the rate of not exceeding five and One-half per cent (5 1/2%) per annum, payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed thirty (30) years from the date thereof, for the purpose of constructing, maintaining and operating a concrete paved highway and turnpike, running through said county from the Mitchell-Nolan county line to the Mitchell-Howard county line and known as the Bankhead Highway, or in aid thereof, in said county of Mitchell; and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

The said election shall be held under the provisions of Article 627 to 641, inclusive, of Chapter 2, Title 18, Revised Statutes of 1911, as amended by Section 1, Chapter 203, Acts 1917 Regular Session.

All persons who are legally qualified voters of this state, and of this county, and who are resident property taxpayers in this county, shall be entitled to vote at said election, and all voters desiring to support the proposition to issue the bonds, shall have written or printed on their ballots, the words:

"For the Issuance of Bonds and the Levying of the Tax in Payment thereof."

And those opposed, shall have written or printed on their ballots the words:

"Against the Issuance of Bonds and the Levying of the Tax in Payment thereof."

For voting Precinct No. 1, held at Colorado, Texas, in the Court House thereof, A. A. Dorn, presiding judge.

For voting Precinct No. 2, held at the Methodist church in the town of Westbrook, J. C. Costin, presiding judge.

For voting Precinct No. 3, held at the school house at Spade, R. A. Hood, presiding judge.

For voting Precinct No. 4, held at Landers school house, W. E. Wimberly, presiding judge.

For voting Precinct No. 5, held at Bozeman's store in Cuthbert, W. C. Berry, presiding judge.

For voting Precinct No. 6, held at Carr school house, G. W. Sweatt, presiding judge.

For voting Precinct No. 7, held at J. J. Riden's office in the town of Loraine, J. L. Pratt, presiding judge.

For voting Precinct No. 8, held at the store house in Iatan, E. B. Gregson, presiding judge.

For voting Precinct No. 9, held at the McKenzie school house, G. A. Brown, presiding judge.

For voting Precinct No. 10 held at the Buford school house, I. K. Gailey, presiding judge.

The manner of holding said election shall be governed by the general laws of the State of Texas regulating general elections when not in conflict with the provisions of the Statutes hereinabove referred to.

Notice of said election shall be given by publication of a copy of this order in the Colorado Record and the Loraine Leader, newspapers published in the county, for four consecutive weeks before the date of said election, and in addition thereto, there shall be posted other copies of this order at three public places in the county, one of which shall be at the court house door, for three weeks prior to said election.

The county judge is hereby directed to cause such notices to be published and posted, as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

MASONIC NOTICE

By order of the Worshipful Master, you are hereby commanded to be and appear at the Masonic Hall in the city of Colorado, Texas, at 8 o'clock p. m., on the 19th day of April, A. D. 1924. This is the date of our next regular meeting and, in addition to other work the matter of devising ways and means to raise funds with which to repair the old building or to raze the old building and construct a new one. The old building is considered by expert architects as a menace to life and is likely to collapse at any time. If you are not present at this meeting you will be expected to render satisfactory reason.

Yours fraternally, W. S. STONEHAM, Sec.

CLUB FEDERATION MEANS MUCH TO AMERICANISM

"The club women of Texas are fast gaining recognition as leaders in affairs of State, education and society and the day is now dawning when every State in this Republic will respond with the loftiest ideals the Nation has ever known," Dr. P. C. Coleman, president of the Colorado Chamber of Commerce, declared here Friday morning in an address welcoming the sixth district convention, Federated Women's Clubs, to Colorado.

"This federation means as much to this Government in perfecting the ideas of Americanism as any agency created since time began. To you is extended the opportunity of dictating the policies of this Nation, one great assurance we have that there will be no more wars."

Other speakers to welcome the convention to Colorado were County Judge J. C. Hall, Mayor R. H. Looney, Col. C. M. Adams, president of the Lions club, and Mrs. J. G. Merritt, Colorado clubwoman. All of these speakers praised women for the initiative they are taking in advancing the cause of education, society and better ideals of patriotism. Judge Looney declared that had it not been for club women of Colorado coming to his rescue when he attempted to clean up this city, Colorado would not be the attractive city it is today.

"When I was elected Mayor of this city, I found that much was to be done if Colorado was to become a 'clear city,'" Mayor Looney stated. "I found but little consolation when I appealed to the general public and the officers to assist me in this important work and at last became very much discouraged. While in this de-

lima, the club women of Colorado came to my rescue and volunteered to do the work for me and I commissioned four of them as marshals. They immediately went to work and transformed the streets and alleys of this city from a veritable trash heap to the attractive city you now find here."

The Truth

About this Light-Six—plus proof on proof

THIS Studebaker Light-Six is the supreme value in the "thousand-dollar" class. It offers, not a few, but scores of advantages. In its chassis it represents the best that modern engineering knows. In its steels and quality of construction it is identical with the costliest cars we build.

This is to offer you proofs. Then urge that you see it before paying \$1,000 or more for a car.

Some evidence

The extra values which this car typifies have made Studebaker the largest builder of quality cars.

They have made these cars a sensation. Sales have almost trebled in three years. Last year 145,167 people paid \$201,000,000 for Studebaker cars.

The multiplying demand has forced an investment of \$50,000,000 in model plants and equipment. Of this, \$38,000,000 has been spent in the past five years, so the plants are up-to-date.

The engineering department which designs and superintends this Light-Six costs \$500,000 per year.

The machines which build it are modern and exact. 517 operations on this car are exact to 1/1000th of an inch. 122 operations are exact to one-half 1/1000th of an inch.

1,200 inspectors are employed to submit each car in the making to 32,000 inspections.

Infinite care

The steels are selected from 35 formulas, each one proved best by

years of test for its purpose. On some we pay the makers 15% premium to get them exactly right.

The crankshafts are machined on all surfaces, as was done in the Liberty Airplane Motors. This to give perfect motor balance, at an extra cost to us of \$600,000 yearly.

It has more Timken bearings than any other competitive car within \$1,500 of its price.

cars in this class called in auditors to compare the operating costs. They made comparisons on 329 cars, running up to 25,000 miles.

It was found that this Studebaker Light-Six cost for operation 11.4% less than the average of its rivals. This figure included depreciation. That meant \$207.50 saved on 25,000 miles. All because of this quality construction.

What it saves you

We build 150,000 cars yearly. All such major costs as engineering, dies, overhead, etc., are divided by 150,000.

We build in model plants, with modern machinery, which have immensely reduced the manufacturing costs.

A car like this, built under ordinary conditions, would cost you from \$200 to \$400 more.

Learn, for your own sake, what that means to you.

Mail us the coupon below. We will send you free our new book that will inform you on five simple things which reveal the value of a car. For instance: It will enable you to look at any car and tell whether it's been cheapened to meet a price or offers true quality.

It will tell you why some cars rattle at 20,000 miles and others don't. It shows one single point in a closed car which measures whether you're getting top or medium quality. The book is free—clip the coupon below.

Studebaker Light-Six Scores of extra values

Built by the leader in the fine-car class. One of the cars for which people last year paid \$201,000,000.

Built in a model \$50,000,000 plant, producing 150,000 cars yearly. And saving you by quantity production from \$200 to \$400.

Built of the same steels, with the same care, as the costliest cars we make.

The car that saved 11.4% in operating cost under rivals. The car with 14 Timken bearings.

The equipment is unusual. The cushions are of genuine leather, and are ten inches deep.

Every part and detail accords with Studebaker traditions. And the name Studebaker has for 72 years stood for quality and class.

BAPTIST NOTES

Last week we spoke of that fatal malady "sabbatic morbus." Some read it and some did not but this week we wish to speak of a Scriptural text or disease where Christ warned His disciples about not letting their hearts become surfeited. That word has a meaning something like our idea of the condition of a fellow who has been on a "spre" or a drunk. He wakes up next morning with a bursting headache. That awful feel-

ing he possesses. Christ warns us against a thing like that. That fellow who gets on a "tare" does not want to do anything after he begins to sober up. We need to watch. We are living in a time when we are all drunk, not on wines and whiskey but on the spirit of the age—business, pleasure, ambition, etc. When it comes to matters of religion we are as the fellow is when he begins to sober up. We don't care much for anything else than for more pleasure, business, etc., as is the fellow who wants more of what intoxicated him. We need to look out about a condition like that.

Last Sunday was a pretty good day both in the Sunday school and

the preaching hours. The B. Y. P. U.'s were pretty well attended. The prayer meetings indicate the general interest of the people in religion. Come out next Wednesday night and see who are really interested enough to even attend a prayer service. Some say they don't care for the prayer services. That seems to be evident. It is a bad condition for anyone who professes to be a Christian and does not care for the prayer meeting hours. David said: "I was glad when they said let us go up to the house of the Lord." All that folks need is to have their pure minds stirred up by way of remembrance. That is what we are trying to do.

If you are interested in the Second Coming of Christ we invite you to attend the Sunday night services at the Baptist church for the next few Sunday nights. We are to speak on that subject for several nights. We don't think enough about His coming back to earth.

The public is urged to attend all these services on Sundays and other days, too.

The Methodist Church and Easter. Men Wanted. Big men and little men. Tall men and low men. Handsome men and homely men. Smart men and ignorant men. Old men and young men. Men of all classes and works are wanted at the Methodist church, Sunday, April 20 at 8 p. m. to hear the sermon on Common Honesty. The eighth Commandment, Thou Shalt Not Steal. The question to be discussed is, What shall we do with the high-up-thieves and the low-down-thieves of this country. If there be a man in this town who has

never had any thing stolen from him, don't you come. If you do you will be out of sympathy with the rest of us and be lonesome.

Good crowds at all services last Sunday. Sunday school 228. We have a class to receive into the church next Sunday. We will attend to the baptism of children at the close of the close of the morning Sunday school hour. We most earnestly invite all to our services.

FIRST CHRISTIAN CHURCH

We reached the top last Lord's day in attendance at the Bible school, and we hope to do even better next Sunday. This week we are observing the Passion Week of our Lord. There will be services each evening except Saturday evening, beginning promptly at eight o'clock. We hope to reach a grand climax Easter Sunday. We will begin that day with a sunrise prayer meeting at 6:00 A. M. Bible school at 9:45. Preaching both morning and evening.

Our revival meeting under the leadership of Dr. O. E. Hamilton, Mountain Grove, Mo., an Evangelist of National reputation in our church, will begin Sunday, May 25th and continue over four Sundays. We promise a real treat for the people of Colorado. We hope that you will begin now to make your plans to attend and get all the good from these meetings that you may. We invite all the Christian people of the town and community to join with us in this campaign.

The pastor and his family are now domiciled in the Manse and will be glad to have you call and see us. At the same time anyone desiring to communicate with the pastor will be able to locate us there. We are anxious to serve you in any way and ask you to let us know when we can assist you.

FROM THE PEOPLE

Editor of the Record:

I noticed that you printed my letter in the Record entitled Model Husband" which was first printed in Capper's Weekly." You said in comment that evidently the man must be a printer but that the wives of the force all denied the charge. I want to say in your defense that—He is not a printer (devil) neither is he a minister as some might suppose; but he is a farmer by day and a radio fan by night. I know that most of the men will tell their wives that the husband in question is a "sissy" or some kind of "freak" of nature but that is not true.

Being stallwart, six-footer, very soldiery and commanding in appearance, deep set brown eyes that would pierce the heart of any modern Juliette. Knowing human nature as I do it would not be best to reveal his name to the public, as all women kind are looking for a model husband it would cause great unrest in the hearts of the many wives saying nothing of the old maids and widows—and much uneasiness in the minds of many husbands.

"Flu" and Fever Almost Left Permanent Injury

Influenza, dengue fever, etc., often leaves the patient with some form of colitis, which if neglected results in kidney trouble, high blood pressure, rheumatism and even tuberculosis.

A physician discovered a preparation known as Ferrasol which dissolves the food wastes in the colon, heals the mucous lining where broken down and eliminates the accumulated poisons. It also aids digestion, keeps the kidneys regular and is absolutely harmless. It proved successful with hundreds of his patients and now FERRASOL can be purchased at your druggist's.

Take Ferrasol regularly at night and morning for a month. It will do the work for you or your money refunded.

"I was left with a bad colon after a severe attack of the flu and dengue fever. I tried everything that medical science could think of without permanent relief. Started taking Ferrasol about three months ago and sleep better, and am in better health than I have ever been since I had the flu."

SOLID TRAIN LOAD OF STUDEBAKER CARS SHIPPED

SOUTH BEND, Ind., April 15.—A solid train load of cars was forwarded today from the big Studebaker factories with Hartford, Conn. as their destination.

This is one of the biggest single shipments of automobiles made this year.

Leaving South Bend, this train consisted of fifty-two freight cars of Light and Special Six models. It was routed by way of Detroit to pick up twelve more carloads of Big-Sixes.

Altogether, the train contains 207 Studebakers, valued at approximately \$300,000. This large shipment to the east indicates the insistent, heavy demand for Studebaker cars.

The Studebaker factories at both South Bend and Detroit are running at capacity.

E. H. Winn is distributor for the Colorado territory of this popular car.

UNDERWOOD AND THE PRESIDENCY

In order that the people may be informed fully as to the stand of Senator Oscar W. Underwood, of Alabama, the South's candidate for the Democratic nomination for the presidency, attention is directed to this statement in his address accepting the call of the Legislature of Alabama, the Democratic Party of Alabama and thousands of Democrats of the South, made at Montgomery July 31, 1923:

"When the issue of adopting the Eighteenth Amendment to the Federal Constitution was before the American people, I opposed it because I thought temperance could be better attained along another line. It was not consistent with my idea of local self-government. Just as the States of America in the beginning delegated to the federal government the right to control interstate transportation, just as they delegated to the federal government the power of war and the power of peace of this Nation, the States of the Union have delegated the federal government the right to prohibit the manufacture and sale of alcoholic beverages. "That decision made by the people of this country foreclosed the issue so far as I was concerned.

My friends, in the last campaign for Senator, I stated to the people of Alabama that, although I had opposed the Eighteenth Amendment, but now that it is the supreme law of the land I would enforce it in its entire integrity. I know of no reason why any man should doubt my integrity on that question.

"There is but one question that any one can raise, and that is, that I did not vote for the Volstead Act. If you will examine The Congressional Record you will see that when the same before the Senate I stated plainly my reason.

"Every appropriation that has been presented to the Senate for funds necessary to enforce prohibition in this county, I have voted for.

"I stated that the people of the United States in our Constitution had prohibited the manufacture, sale, importation or exportation of intoxicating alcoholic beverages, but had left to the States the right to determine what should be done with sacramental, medicinal and manufacturing alcohol. Now, it is not a question of whether medicinal alcohol is necessary or not.

"It is a governmental question as to whether the federal government or the state governments have control of the subject. I stated that I felt that provision was unconstitutional, and that if the proponents of the bill would strike it out I would support it; but with that provision in I would no more vote for a bill that was unconstitutional on that question than I would vote to nullify the amendment—and the result has proven itself.

"In the past few months two federal courts have decided that clause of the bill is unconstitutional." Thereupon, after Senator Underwood had concluded and Gov. W. W. Brandon had moved that the Legislature and assembled hosts of the Democracy resolve into a mass meeting to present Senator Underwood to the Nations as Alabama's candidate for the Presidency, there arose the venerable Rev. Dr. W. B. Crumpton, Baptist minister for more than

Visiting Nurses Carry On Intensive Health Campaigns To Save Coming Generation

EFFORTS to reduce the excessive death rate from maternal mortality in the United States will continue during the coming year, according to a report read by Haley Fliske, president of the Metropolitan Life Insurance Company, at the annual convention. During 1923, 100,000 maternity cases among Metropolitan policy-holders, received the care of public health nurses, either working directly for the company or under arrangement with local health associations.

The report revealed the fact that an average of 20,000 mothers die each year from causes incidental to childbirth. In order to reduce this rate, the company is carrying on an intensive prenatal service. Visiting nurses see the expectant mother once a month from the time a case is reported until confinement. Following the birth of a child, both mother and baby are cared for daily for eight days. If complications develop, the nurses are privileged to make closer observations of the case.

An important feature of the work is the education given moth-
