

### HUNDREDS WATCH C. OF C. ELECTION BULLETIN BOARD

Several hundred citizens stood in the street at the corner of Second and Walnut Friday night watching the Chamber of Commerce bulletin board on which returns from the County Democratic election were posted. Counting of the ballots in most precincts progressed very slowly and it was late Sunday before definite results as to nominees for some of the county offices could be determined.

From the start it was shown that Charlie Thompson was maintaining a substantial lead for first place for county judge, with U. D. Wulfjen second and Judge Coe a close third. Coe maintained a gradual gain over Wulfjen, however, and by noon Sunday it was conceded that he would go to second place.

The most interesting phase of the returns, perhaps, was in the case of candidates for county and district clerk. Jones and Stoneham ran very close in every count and exchanged places for first and second a score of times. Final returns from Loraine, which were not received until late Sunday, placed Jones safely in the lead.

Terry maintained a safe lead over Sheppard for sheriff and tax collector from the first report received. For a time it was doubtful as to whether Doss or Newman would run off the county treasurer's with Green but Newman conceded his defeat to Doss at midnight Saturday.

### MITCHELL COUNTY FARM PRODUCTS WILL BE SHOWN

B. M. Whitaker of Haskell, exhibit manager, West Texas Chamber of Commerce, has filed application with the Colorado Chamber of Commerce for agricultural specimens to be shown at the El Paso fair, Sept. 18-28. The local organization is co-operating with Whitaker and the specimens desired from this county will be collected and exhibited by the West Texas Chamber of Commerce. Mitchell County farm products have been included in several all-West Texas exhibits collected and shown by the organization in former years. Sorghum grains shown by the organization from this county at the Waco Cotton Palace last year, and Cotton shown at the Fort Worth Fat Stock Show and Southwest Exposition last spring won first state prizes.

### REVISED CENSUS OF CITY SOUGHT BY CIVIC CLUB

That the proposed revised census of Colorado is to be taken within the near future is indicated in the fact that the Lions club has recently become very much interested in the matter and will cooperate with the Chamber of Commerce in this work. A committee was named by the club Friday to confer with the Chamber of Commerce and offer full cooperation of the organization in having the census taken.

### EQUIPMENT FOR NEW DRUG STORE BEING INSTALLED

Equipment for the drug store to be opened here by Millburn Doss, Joe Grant, and Ford Merritt, arrived last week and is being installed. The business will be opened within the next few days in the location now occupied by the Alceve Confectionery.

### TRANSFER CHILDREN BEFORE AUGUST 1ST.

All persons who live outside the Colorado Independent School District and who wish to transfer their children to this school for the coming year, must do so before the first day of August. See the County Superintendent, Mr. Sam Harris, and leave your order for transfer with him.

E. FRANK KING.

### BAPTIST REVIVAL BIG SUCCESS, BISHOP SAYS

The evangelistic campaign which closed Sunday night at the Union Tabernacle was one of the most successful revivals ever held under the auspices of the First Baptist church at Colorado, Rev. M. C. Bishop, pastor, stated Monday. There was not such a large number of professions and additions to the church but the Christian people generally were led to the point of consecrating anew themselves for greater service.

A total of 23 additions is reported to the Baptist church, 11 of whom were received on baptism. Nine of these were baptized at the church Sunday night following the conclusion of the services at the tabernacle. Thursday was one of the best days of the two weeks, in point of attendance at the morning service. This was woman's day and a total of 124 women attended the services. Friday morning the men attended a special service for them and an attendance of 76 was reported. Friday night a special service was held for the young people.

### LIONS TO COOPERATE IN ENTERTAINING BOY SCOUTS

The Colorado Lions club will cooperate with the federated club women of Colorado in furnishing entertainment for the several boy scout troops which are to be in Colorado August 12 enroute to the Concho for the annual camp maneuvers. It is expected that 200 boy scouts, from the counties of Nolan, Scurry and Fisher, in addition to those from this county, will be assembled here on that date. From Colorado the boys will go to their camp on the Concho near Wintersville, Tex.

### LIONS TO CELEBRATE WITH BANQUET FRIDAY, AUG. 8

Colorado Lionesses are to be entertained at a banquet given on Friday evening, August 8, in the banquet room at the Barcroft Hotel. A. B. Blanks, general chairman of arrangements, stated last week that plans for the event were fast being completed. He is of the belief this will be the best ladies night banquet ever held by the club.

### COLORADO MASONS ATTEND MEETING AT SWEETWATER

About twenty five members of the Colorado lodge, A. F. & A. M., attended the district masonic parley and banquet at Sweetwater Monday and the Colorado team, which entered in competitive work with teams from Snyder and Hylton, was declared to be one of the best in this part of the state. The program opened at four o'clock Monday afternoon and closed at 11 that night.

### RUN-OFF PRIMARY WILL BE NECESSARY IN MITCHELL

In addition to state ticket to be voted in the second or run-off primary election Saturday, August 23, the second primary will also be necessary to determine nominees for three county offices in Mitchell county. Voters are already making predictions that the contests for these offices will be interesting, with candidates running close for at least one or more places.

In the run-off for county judge, Charlie Thompson and Judge A. J. Coe are to be the contestants for election. Thompson led the ticket in the election Saturday. Ocie Green and H. C. Doss will be balloted upon for selection of a county treasurer for the ensuing two years. In the contest for county school superintendent, G. D. Foster of Colorado and Mrs. Stella E. Bennett of Loraine are the opposing candidates.

It was not known here Thursday whether these candidates would inaugurate another county-wide speaking campaign or not. It is presumed, however, that each of the six candidates seeking nomination in the August primary will press their claims before the voters.

### MUNICIPAL HEADS PAY VISIT TO COLORADO

D. T. Bozeman, lord mayor of Cuthbert, and E. B. Gregson, grand duke of Iatan, spent a few hours in Colorado Monday on official business. The visitors were here in conference with the Honorable J. A. Buchanan, chairman of the Democratic executive committee.

### LYNCH DAVIDSON LEADS IN MITCHELL COUNTY

Lynch Davidson of Houston lead the Mitchell County ticket for governor Saturday with 584 votes with Joe Burkett of Eastland running in second place with 311 votes; Judge Felix Robertson ran in third place with 284 votes and Mrs. Ferguson in fourth with 281 votes. A small vote was polled for the other contestants for governor, Dixon receiving the smallest support of all with a total of 17.

Will C. Edwards of Denton received a total of 737 votes for lieutenant governor, with Barry Miller running second with 482 votes. Small support was received by the other two candidates.

Dan Moody of Williamson county developed a strong following in the contest for attorney general, receiving a total of 647 votes. Judge Melson of Hopkins county held second place with 398 votes, Judge Wall of Grayson county ran in third with 382 votes. Edward B. Ward of Nueces county received only 173 votes for attorney general.

For U. S. Senator, Morris Sheppard carried Colorado, Loraine, West-brook and practically every other box of any consequence in the county. Davis carried Carr.

Lynch Davidson carried Colorado by a substantial plurality. Joe Burkett developed considerable following at Loraine, carrying that box by a strong lead over Mrs. Ferguson, who ran in second place there. Mrs. Ferguson carried Buford, Carr, Landers and Iatan and crowded Lynch Davidson to within one vote in tying the Cuthbert box. More gubernatorial candidates were eliminated by the voters at Landers than any other precinct in the county. Whit Davidson, Barton, Dixon, Pope and Robertson all failing to receive any support.

### CHURCH OF CHRIST TO HOLD WEEKS MEETING

Beginning Sunday morning, August third and closing Sunday night the tenth, the Church of Christ will conduct a revival meeting at the tabernacle. Bro. Whitesides of Denton, Texas, who was with us last year, will do the preaching again. Bro. Whitesides is a splendid speaker, a close student of the Bible, loves the truth and will preach it in its purity and simplicity. An earnest invitation is extended to every one to attend these services.

### MITCHELL CO. FAIR DATES POSTPONED FOR ONE WEEK

Date of the Third Annual Mitchell County Fair, originally set for September 18, 19 and 20, was postponed one week by officials of the fair association Thursday afternoon of this week. The fair will be held Thursday, Friday and Saturday, September 25, 26 and 27.

Reason for changing date of the fair, as stated by officials of the association, was in the fact that the major attractions desired could not be obtained for the former dates. Among the attractions definitely contracted are the Donald McCreager Shows, one of the largest amusement organizations in the country. This organization has ferris wheel, carry-all and a number of worthwhile shows and the fact that the fair association has succeeded in billing this large attraction means that the amusement end of the fair will be well provided for.

### BURROW RESIDENCE TOTAL LOSS IN MORNING BLAZE

The residence of Mrs. R. W. Burrow, Chestnut and Tenth streets, together with all household effects, were destroyed by fire shortly before noon Thursday when an oil stove on which the noon day meal was being prepared exploded. Burning oil from the stove was thrown about the interior of the house, setting fire to the walls and household articles, making it impossible to remove anything from the building.

### FERGUSON HOLDS LEAD OVER LYNCH DAVIDSON

Mrs. Miriam A. Ferguson continued to maintain a lead over Lynch Davidson for second place in the governor's race at one o'clock Thursday afternoon, according to message received from the Fort Worth Star-Telegram by the Chamber of Commerce. At that time Mrs. Ferguson was leading Davidson by 5,200 votes and during the past several hours had shown a steady increase in her plurality over the Houston candidate.

At one o'clock Thursday afternoon a total of 680,000 votes had been accounted for and returns were complete from 169 counties. It was estimated by the Star-Telegram that about 20,000 votes were out and there was small chance of Davidson going to second place.

Returns received by the Texas Election Bureau during the day Wednesday totaled more than 12,000, but the ratio of increase by Mrs. Miriam A. Ferguson and Lynch Davidson contesting for second place in the Democratic gubernatorial primary remained almost unchanged during the day. At noon Mrs. Ferguson ran her lead over Davidson up to 3,800 and at 2 o'clock Wednesday afternoon when the bureau closed for the day she was leading for second place by 3,619.

Supporters of Judge Felix Robertson from over the State were in caucus at a Fort Worth hotel Wednesday and went over plans for the run-off campaign. Included in the number were several prominent klan officials, the klan having endorsed Robertson for governor. Hiram W. Evans, imperial wizard of the organization, is expected to arrive in Fort Worth Saturday and spend ten days in Texas in the interest of the klan candidate. He is scheduled to deliver an address in Fort Worth Thursday night of next week.

In a statement given the press Wednesday at Austin, Former State Senator Paul D. Page of Bastrop County announced that although he voted for the impeachment of Former Governor Ferguson he would cheerfully support Mrs. Ferguson in the run-off, in the event she continued to hold second place. During the impeachment trial of Ferguson, Senator Page was one of the leaders demanding that the governor be ousted from office. State Senator Joe Burkett of Eastland notified Ferguson Tuesday of his support and declared that he would consistently support the woman candidate for governor in the August run-off.

### METHODISTS ORGANIZE FOR 2-WEEKS REVIVAL

Colorado Methodists have been organized for the revival campaign to open here Sunday, August 10, Rev. J. F. Lawlis, pastor, announced Thursday and plans for conducting the fifteen days revival are to be completed within the next week. At the weekly prayer service at the church Wednesday night a number of committees were designated to direct plans for the meeting.

The first two services, Sunday morning and evening, are to be held at the church. Monday morning, August 11, the first service will be held at Union Tabernacle and all following services are to be held there. It is understood that Charlie McCreles, student at McMurry College, will have charge of the choir and orchestra. Dr. J. W. Hunt, president of the college, will do the preaching. Hunt will not arrive here until the morning of August 11th. The first two services of the revival will be conducted by the pastor.

### JIM DOBBS FUNERAL HELD SATURDAY OF LAST WEEK

Funeral services for Jim Dobbs, Colorado business man who died at the Colorado Sanitarium Thursday of last week were conducted Saturday morning at the residence of Mr. and Mrs. Roy Dozier in North Colorado, Rev. M. C. Bishop and Rev. J. F. Lawlis officiating.

At conclusion of the services the body was buried in I. O. O. F. cemetery. A large number of friends of the family attended the services at the residence and cemetery. Floral offerings was beautiful.

### INTEREST IN GOVERNOR'S RACE LASTS SEVERAL DAYS

The most interesting phase of the whole Democratic primary election centered around Lynch Davidson and Mrs. Ferguson, opposing candidates for second place in the race for governor. Up until Thursday at noon of this week the public watched with keen interest for reports on the standing of these two candidates as they were received by the Chamber of Commerce. One time Mrs. Ferguson would be leading and probably the next report would place Lynch Davidson in the lead. Mrs. Ferguson, however, held the place more than her Houston opponent.

The speculation as to how much strength Mrs. Ferguson would develop, in case she held second place and would qualify to oppose Judge Felix Robertson in the second primary was not small by any means. Judging from street political comment the Temple woman promised to become a factor to be reckoned with, in so far as Mitchell County would be concerned.

### SCOTCH LECTURER COMING TO COLORADO NEXT WEEK

Dr. James Herron, Scotch lecturer and poet of national reputation, will deliver his lecture at Colorado within the next few days, probably next week, Dr. P. C. Coleman stated Thursday morning. In speaking of Dr. Herron, Dr. Coleman said:

"Dr. Herron is a lecturer of national reputation, a poet and a philosopher. Several members of the Chamber of Commerce and Lions Club heard Dr. Herron at Snyder Wednesday and were so deeply impressed with his great lecture, that they immediately made arrangements for him to come to Colorado. The lecture will be free to the public, and those who fail to hear his wonderful lecture will miss something really worthwhile."

### CROP OUTLOOK SPLENDID, SWEETWATER VISITOR SAYS

Lon A. Geer of Sweetwater, general manager for the West Texas Electric Company, was in Colorado Tuesday enroute to Lamesa. Geer stated that he had recently visited a number of communities in Mitchell County and found crop conditions to be ideal.

"Mitchell County is sitting pretty, with one of the best prospects I have seen in a long time," he said. Cotton and feed crops over the county are reported as doing excellent.

### THOMPSON LEADS IN RACE FOR MITCHELL CO. JUDGE

Charlie C. Thompson, Colorado attorney, carried Mitchell County for county judge in the democratic primary election Saturday by a plurality of 227 votes over his nearest opponent, Judge A. J. Coe, with U. D. Wulfjen running in third place. Thompson carried Colorado by nine votes over Wulfjen and Loraine by a large plurality. At Loraine Thompson received 303 votes and his four opponents received a total of 339 votes.

The total vote received by Thompson was 721. Coe received 494, Wulfjen 461, Brown 247 and Porter 222.

J. Lee Jones is shown by incomplete official returns to have defeated W. S. Stoneham for county and district clerk by a majority of 108 votes. Stoneham carried Colorado by a majority of 99 votes, while Jones carried Loraine by 254, a ratio of more than two to one.

In the race for sheriff and tax collector I. W. Terry defeated J. H. Sheppard by a majority of 276 votes, Terry carried Colorado, Loraine, Buford and one or two small boxes. Sheppard carried Westbrook, Cuthbert and Landers.

Ocie Green developed the strongest lead of any candidate having more than one opponent. He is leading his nearest opponent for county treasurer, H. C. Doss, by 366 votes. Grady Newman, third contestant for this office, received 495 votes.

G. D. Foster, principal of the Colorado High school, is shown to have lead Mrs. Stella Bennett of Loraine 204 votes for county superintendent, with Samuel C. Harris running in third place with a total of 477 votes.

Tom Goss of Colorado defeated Tom Hammond of Buford by a majority of 182 votes for County Commissioner of Precinct No. 1. J. C. Costin was elected county commissioner of the Westbrook precinct by a majority of 34 over his opponent, George W. Sweet. Costin received 167 votes and Sweet 133.

County Commissioner W. D. McAdams of the Loraine precinct was re-elected by a substantial majority over R. L. LeMay. John D. Lane, commissioner from the Spade precinct, defeated his opponent by 11 votes.

Incomplete returns indicate that J. A. Buchanan was re-elected chairman of the Mitchell County Democratic executive committee. It is also indicated that F. F. DuBose defeated Frank Lupton for county surveyor.

The returns as indicated above are not official as to all the boxes and there may be some small change in the totals indicated after official returns have been compiled by the democratic executive committee. The above returns were received by the Chamber of Commerce.

### DEMOCRATS HOLD PRECINCT CONVENTION AT COLORADO

Colorado democrats met at the court house Saturday afternoon for the regular precinct convention. The meeting was called to order by J. A. Buchanan, county chairman, and the assembly elected Judge R. H. Looney chairman of the convention. M. S. Goldman was elected secretary.

The following delegates to the county convention which is to convene at the court house Saturday afternoon at 2 o'clock, were elected: R. H. Looney, J. E. Chase, J. A. Buchanan, M. Carter, M. S. Goldman, J. C. Hall, W. S. Cooper, C. H. Earnest, and J. L. Bowen.

### SUCCESSFUL REVIVAL HELD AT HERMLEIGH BY YOUNG

Rev. S. H. Young, pastor of the Methodist church at Stanton, was in Colorado Monday and stated that he closed a successful revival at Hermleigh Sunday night. With his family, who had been visiting relatives at Colorado, he left Tuesday morning for Stanton.

### BARNETT GROCERY MOVED TO OAK STREET LOCATION

C. C. Barnett has moved his grocery business to the Leaky building on Oak street. The building, vacated a few weeks ago by J. B. Fritchett, has been remodeled throughout.

COCA-COLA BOTTLING CO.

**LORAIN LEADER INSTALLS NEW TYPESETTING MACHINE**

A new typesetting machine, an Intertype Modie X, was installed at the Loraine Leader office last week by Earl T. Williams, editor and publisher. This will enable Editor Williams to give the public of Loraine and the Loraine territory a better news paper than heretofore. The Record is pleased to note the continued success of the Leader.

Rev. W. M. Elliot has returned from Coahoma where he conducted a revival meeting at the Presbyterian church there.

**WOLK'S**

Come to Wolk's Dry Goods Store, Lasky Bldg, on W. Second street, corner Oak for the best merchandise at REAL prices. We sell the two best brands of Shoes in America, and at prices that you can afford to pay. See them. We have biggest and best stock shoes in town and will make the price to suit you. We buy and sell for cash and sell for small profits. You save money in the bank when you buy at Wolk's. Clothing of all kinds and Hats, caps, etc. Come in what you pay others. Come in people, this is the farmers and workmans store and we sell the goods at prices you can pay.

WOLK AND SON

If your guests are comfortable they are half entertained. With a G-E Fan to serve cool comfort your afternoons "at home" will be the most popular in town. You will get an electric fan eventually—why not let us send you one NOW for this summer's heat?

**THE PIONEERS**

At the last meeting of the Pioneers the following officers were elected: President, Mrs. Chester Hart; Vice-president, Mrs. Agnes Cranfill; Sec. Treas., Mrs. Harrell; Parliamentarian, Mrs. Dunnahoo.

Now ladies, lets help these officers to make this, our third year of club work, the very best possible. We have several new members but think how nice it would be could each and every member bring in one or more new members during the year.

These new members always bring something which adds to the interest of the club.

As guests at this meeting we had Mrs. Norris of Colorado and Mrs. White of Bertram. We are always glad to have company for they always do or say something which makes us know what wonderful people are living in other parts of this wonderful world. —Reporter

**CLASS GIVES TEA**

Mrs. Smoot's class of the Baptist Sunday School entertained with a tea at her home Tuesday. Quite an enjoyable musical program was given by this talented class of young ladies. The numbers were violin and piano selections.

Orange ice and cake were served. Some time back this class pledged to support a Near East orphan and this method was taken to help them raise part of the pledge.

**Missionary Society.**

The Methodist Missionary Society met at the church Monday afternoon Mrs. T. W. Stonerod presided. After the usual business the pastor assisted in planning for the best results for the meeting to be held in August. The program was on the rural community. Mrs. Merrill conducted the bible lesson on what could be accomplished through prayer. Mrs. W. H. Garrett had a paper on How "Lizzie Ford" helps in the work. Mrs. King outlined some plans of how we may help in the work. Mrs. Merritt read a very interesting letter from Miss Sarah Sharp, a former Colorado girl who is a missionary in Japan.

**Circle No. 1.**

Baptist Circle No. 1 met with Mrs. Fayette Robinson Monday. Mrs. McKenzie conducted the devotional and Mrs. C. H. Lasky led the regular lesson. The next meeting will be with Mrs. Lasky and Mrs. L. R. Pond leader. At the conclusion of the lesson the hostess served lemonade.

**Miscellaneous Shower.**

Mrs. A. E. Barcroft entertained with a miscellaneous shower Tuesday from 5 to 7 o'clock honoring Mrs. Norris (nee Miss Lawson) who married a few weeks ago and has just returned from the honeymoon trip to make her home in Colorado. Mrs. Norris taught in the public school here last year. The shower was given in the basement of the Barcroft Hotel. The decorations were Japanese lanterns, parasols, chimes ferns and cut flowers. Those giving the program were dressed in Japanese costume. The guests were met at the head of the stairs by Misses Mary Snyder and Fannie Bess Earnest who took their packages. Miss Loyce Price greeted them as they entered the basement and Misses Mary Broadus and Marcella Price announced their arrival to the receiving line which was composed of Mrs. Barcroft, Mrs. Norris, Mrs. Oscar Majors, Miss Lawlis, Mrs. Simpson, Mrs. Byron Byrne, Miss Mabel Smith and Mrs. G. D. Foster. Mrs. J. H. Guitar told the life of the honoree in story form this was illustrated by children in costume. Make believe period was Gladys Louise Jones; Fairy, Jimmie Lou Coughran; Flower, Juanita Donnell; Rebelions or heathen, Mabel Ratliff Majors; Butterfly period, Elizabeth Hutchinson; Frances Lawlis and Mary Frances Majors; Romance, Earnestine Jones; Serious or school teacher, Juliana Smith; Love, Little Frances Elaine Price as Cupid wielded the bow. Master Marvin Majors was the herald and presented the characters. Mrs. Ross Dixon presided at the bride's book where seventy-five guests registered and were afterwards served sandwiches, tea and novelty candy by the Japanese ladies.

**PRISCILLA CLUB**

The Priscilla Club met with Mrs. Maddin last Friday. The members had the pleasure in bringing a pleasant surprise to the member who organized the club and whose birthday was on that day with a shower of personal gifts. Mrs. Sherwin. Although Mrs. Sherwin is advancing in years, yet her heart keeps young and she takes a keen interest in all public and social affairs. She responded in a most gracious way to the unexpected honor.

Mrs. Maddin had as guests Mrs. G.

**Perseverance WINS**

Those who have vision enough to see beyond the present—who are not satisfied with the ordinary thing of life but are determined to get ahead—employ the savings account as the safest, surest way. If you are ambitious and want to win, open an account with the City National Bank today, and stick. The world has no use for quitters.

C. H. LASKY, President; D. N. ARNETT, Vice President; T. W. STONEROD, Jr., Active Vice President; J. C. PRITCHETT, Cashier; T. A. RICHARDSON, Asst. Cashier; CHAS. E. PRITCHETT, Asst. Cashier; J. D. WULFJEN, U. D. WULFJEN.

H. Raney of Dallas, Mrs. A. L. Maddin, Mrs. Stewart and Mrs. Ben Plaster. She served ice cream and home made cake.

**THE LITTLE THEATRE**

Announces the appearance at the Legion Hut of some more Coloradans in the roles of folks with whom you are not yet acquainted.

During the first part of the program, Messrs. Harry Ragan, John Helton, and Arnold Claunch are to prove to you how brave they are as Irish policemen, the particular cause of this bravery being one hundred pounds reward. Mr. Joe Pond, whom you have as a prosperous Jew florist, this time appears as a poor Irish beggar. You will see them with "The Rising of the Moon" at 8:30 P. M. sharp.

The doors will be opened at 7:45 and the orchestra will begin playing at 8:15 P. M.

The seat sale opens at 9 A. M. Tuesday, August 5, at the Colorado Drug Store. Get your seat early.

We assure you that you will have the seat you purchase. Children too large to hold must have a ticket.

In the second play Mrs. J. F. Quinney, as Miss Katherine Burton, proves herself a splendid character in the working out of one of the biggest problems in life. Miss Lulu Mae Dulaney, as Mrs. Jim Harding, the careless, carefree, pleasure-seeking wife, gets an awful jolt, which awakes her to the true value of her husband. Edna Mae Powell, Miss Burton's little maid Mary, is very fond of candy.

The last play, "The American Girl," in which Mr. Key Hooks and Miss Anna Mary Lupton splendidly portray the modern American newly-weds. Mr. Jack Helton and Miss Hazel Cook, who have just arrived in America from Japan, find America very different from what they had expected, then their love affair troubles begin.

You will enjoy every minute of your time as you watch your friend interpret the various characters for you.

Some one has said, "The Little Theatre movement is truly a democratic organization,—of the people, by the people and for the people."

Shipping Rotten Eggs Unlawful. It is a violation of the Federal Food and Drug Act to make interstate shipments of eggs that are soiled moldy, have black spots, or yolks that stick to the shell, or that are

from any other cause decomposed, putrid, or filthy. With increased shipments from the South, many made by persons inexperienced in shipping eggs, there is great danger of injury to the whole Southern egg trade if we overlook these requirements as to quality and condition. Federal food inspectors have been instructed to give special attention to egg shipments made in warm weather and to see that only eggs complying with the law are offered for sale. If shipments are made in violation of the law, they may be seized and the shipper prosecuted under the Federal Act.

**CARD OF THANKS**

I desire to thank all who supported me in the late primary for county judge. Although, I feel deeply grateful to my friends for their support. In the disappointment of defeat, I bear no ill will nor malice toward those who did not see fit to vote for me! I want to assure those who voted for me that I prize their good will above any office in the gift of the people. Again thanking you, I am Respectfully yours, Perry T. Brown

When a dream fades, you can't bring it back! Aug. 7.

**What Maud Purina Represents**

MAUD PURINA is the most famous mule character in the country. Most everybody knows Maud. Maud is an amusing mule. But her main intent in life is to represent Purina O-Molene, the balanced feed for mules and horses. Maud has shown thousands of horse and mule owners why dry, tasteless oats, corn and hay do not produce the most energy and longest service from work animals.

It is not the quantity you feed but the kind. Corn and oats lack variety and make it necessary to send mules and horses to pasture, if they are expected to last long.

Purina O-Molene supplies the necessary variety to keep the animals in good health and make them stronger. The choice grains are put through a special process that makes them more appetizing. This process also makes O-Molene more completely digestible. This, of course, produces more results. And you use much less O-Molene than ordinary grains or "mixed feed."

Try a few bags and watch the excellent results.

**BEAUTY PARLOR TO BE OPENED IN COLORADO**

Miss Helen Powers of Kansas City has established a beauty parlor over W. L. Doss drug store. Miss Powers is an expert in this line of work having been connected with the Marindel shops of Kansas City, the most popular and exclusive shops in the Southwest. Miss Powers will make a specialty of "bobbing" and hair dressing, beautifying the face and hands of the ladies. She has an announcement in this issue of the paper. Read it. The ladies of the town and surrounding country are invited to call at the new shop and get acquainted.

**LANE APPRECIATES SUPPORT RECEIVED IN ELECTION**

My friends of Mitchell County and to the voters of Precinct No. 3, who saw fit at the primary election July 26 to elect me to serve as your representative on the Commissioners Court for the ensuing term, allow me to say that from the bottom of my heart I thank you. I want to assure you that your efforts have not been spent in vain and when it becomes necessary to "hook up" the commissioners court team, you will find me looking through the collar to the best interests of Mitchell County at all times.

To those who opposed me I wish to assure you that your interests will be safeguarded and every courtesy will be extended you that is consistent to sound business methods just same as though you had supported me. So lets all pull together for a bigger and better Mitchell County.

Very respectfully,  
 Jno. D. Lane

**TO THE VOTERS OF MITCHELL COUNTY:**

I take this method of expressing my sincere gratitude to the voters of Mitchell County for the magnificent support given me in the recent primary election and respectfully solicit your continued support in the August primary. I hold nothing but the kindest feeling for those who supported my opponents in the race and as Mr. Newman will not be in the race to follow I wish to say to those who supported him in the race just finished that I will greatly appreciate your fair consideration in the coming primary and I promise if elected to give you the very best service possible for me to render.

I am, very gratefully yours,  
 E. O. GREEN.

**Big Lake Field Considered Best.**

With the daily production of the Big Lake field exceeding the 3500 barrel mark stamps it as the best field in West Texas. Nos. 9 and 10 are yielding approximately 3000 barrels per day. Deals are pending and when consummated will call for an extensive drilling campaign.

J. D. Wade and associates of Mexico plan to develop eleven sections in this field depending upon the outcome of No. 11 and the Goodale No. 1 which is now preparing to be spudded by the Crockett Drilling Syndicate.

Lee S. Davis and K. D. Harrison of the Davis Realty Company have signed a drilling contract with P. H. Coates, W. W. Coates, and R. L. McKinley for sixteen sections of University land five miles north of here. Drilling is to take place at an early date.

The Dunning well on the Bar-S ranch has drilled to the 2800 foot level and is preparing to set 6-inch casing.

No. 1 Texon and the Big Lake Oil Company well on the Harris ranch has oil and gas showing at approximately 2800 feet.

Two hundred quarts of nitro glycerine were used in shooting the Crockett Drilling Syndicate's Shannon No. 1. The well was shot at 2500 feet where a good gas and oil showing was found. The formation encountered was too tight to respond from the charge for commercial production. Live green oil was bailed from the hole which is indicative that oil in commercial quantities is yet to be found. A mid-continent scout visited this well some few weeks ago and expressed his belief that a huge pool of oil is somewhere to be found in the Shannon area.

The Crockett Drilling Syndicate recently made the third and fourth locations. The Shannon No. 2 will be drilled in the Shannon vicinity. The Goodale No. 1 has rig finished and is about ready to spud. This well is located northeast of Big Lake Oil Company's wells.—Big Lake News.

Mr. and Mrs. Stephen Melton and the children are here this week from Hamilton on a visit to relatives, the guests of Mr. and Mrs. Dick Mitchell and Mr. and Mrs. Anderson. Mr. Melton was greatly surprised to see the wonderful western development and was favorably impressed with Colorado.

**OIL NEWS REPORTED BY THE BIG SPRING HERALD**

McDowell well No. 1 is now on the pump and oil is being placed in storage so work, when started on McDowell No. 3, can be carried forward without any delay due to lack of fuel oil.

Trustees of the General Petroleum Company are expected to arrive next week to plan for starting work on test well No. 3.

**AN OPEN LETTER**

Alpine, Texas, July 24, 1924.  
 Editor Record,

I have a kick to register. I have been in Alpine almost two months and have not received the last two issues of the Record, so you may know that I am sore. Let the old home paper come on, I need it in my business.

When we first came to this section, the weather was exceedingly warm, but two or three weeks ago the rains began to come and since that time the weather has been delightful. The nights are such as to cause one to want a quilt, and each morning one feels like one has been entirely renewed.

Alpine is situated in a beautiful valley, surrounded by mountains whose rugged slopes and cloud piercing peaks add mightily to the beauty of the location of Sul Ross College. There is no question but that Sul Ross is destined to become one of the leading teachers colleges in the state. Beginning four years ago with an enrollment of twenty students, the College has steadily increased its enrollment until this summer, when the number enrolled is well over three hundred. When the legislature appropriates money to erect two dormitories, which it is thought will be done in the near future, then it will be that Sul Ross will get into its stride for the peak. The healthfulness of the climate and the blood-purifying ozone of this section are two great factors that will bring the young people of the state here to develop physically as well as mentally. Sul Ross has one of the strongest faculties to be found in a state college of Texas.

July fourth and fifth were great days in Alpine. On the fourth, the citizens gave a free barbecue to the people of Brewster county, and it was some barbecue. These people are great on barbecues. They do not stop with barbecuing two or three heaves or as many sheep. They slaughter a whole herd. About thirty carcasses were on the pits on July fourth and every body who came to this town was fed free. On both days the entertainment was rodeo attraction, and the boys were here with their spurs on, and did the thing in what I suppose was the approved style. The best of it all was that every one seemed happy, no rough stuff, but a general good time.

People do big things here, and do them in a big way. On Monday, June 23, the people of Fort Davis gave Sul Ross students and faculty a barbecue. The citizens of Alpine furnished cars to transport the students to Fort Davis, and there were about four hundred people who went over the mountains to enjoy the day six thousand feet above the sea. We had a great day, and it was a fine thing for the Fort Davis people to do, but they seemed as modest about it all as if it were only a commonplace affair. That is simply the way of West. I have read a great deal about the Big Bend country, but most Texans, I think, are like myself, that is, know very little about it. One can not understand the bigness of things out here, including the people, until one has lived here at least for a time.

Another big thing to be done by one of these big men has just come to my attention. It was announced this morning in the College auditorium that on next Monday the Sul Ross students are invited to go to the Paisano Baptist Encampment ground, which is about twelve miles from Alpine and enjoy a free barbecue and then hear Dr. George Truett preach in the evening. Mr. Herbert Kokernot, who is a citizen of Alpine and also President of the Southwest Texas Cattlemen's Association, drove fifty fine fat hereford heaves over to the encampment grounds to furnish beef for those who will attend the encampment during the ten days meeting. The first service will be held tomorrow, Friday, July 25, and the meeting will close August 3. Mr. Kokernot has large land holdings in this county. I am told about 800,000 acres, and has thousands of fine cattle. He is a power financially and otherwise, among the Baptist people in this portion of Texas. I am told that the Paisano Encampment grounds consist of nine hundred acres, electrically lighted, water piped to all portions, houses for the convenience of all, and everything that goes to make such a meeting a pleasure and

**1,2,3,4,5 Years—Still a Young Car**

The Willys-Knight is a car you can keep and enjoy for years. A touring car with all the thrill of 42 horsepower—a car you can drive 50 miles and more an hour, hour after hour—without over-heating—without loss of power—without engine trouble—without carbon cleaning—without ever needing valve grinding.

The Willys-Knight sleeve-valve engine is the most powerful engine of its size ever built—and the quietest—and the only type of engine in the world that actually improves with use. It is common for Willys-Knight owners to report 50,000 miles and more without spending a cent for repairs on the engine.

**WILLYS-KNIGHT**  
**\$1195**

**E. H. WINN**

a success. Seems to me the Record force, being staunch Baptists would be on hand to enjoy the meeting.

I think the young men and women who will attend college from Mitchell county this year would do well to give Sul Ross a very serious consideration.

I have enjoyed the work in the college this summer very much, and will be here until about August 7. I will enjoy the remaining part of my stay here if you do not for get to send the Record.

Very truly,  
 E. Frank King

**CARD OF THANKS.**

We desire to thank one and all of our friends for their kindness and helps by acts and sympathetic words in the recent illness and death of our dear husband, son and brother. May God bless you.

Mrs. Jim Dobbs.  
 Mr. and Mrs. J. M. Green.  
 Mr. and Mrs. Roy Dozier.  
 Mr. and Mrs. W. M. Gordon.

**TO THE VOTERS OF COMMISSIONERS PREC. NO. 1:**

I wish to thank those who supported me with their votes and influence and I have none but the friendliest feelings for those who voted against me. Thanking one and all. Yours for a conservative business administration. 1tp

Mrs. Dean is also authorized to receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whipkey Printing Company in Loraine and vicinity. See her and take your County paper

**Methodist Church.**  
Every Sunday school worth the name wants to grow. It is not content to remain the same from year to year. For the sake of increasing in numbers it will not turn aside from its high calling nor lower its standards of work. The Sunday school is not a place of amusement but a school of religion with a three-fold task. To guide growth in religious knowledge, train in Christian worship and guide in Christian service.

Are you taking advantage of the opportunity that is yours to attend this great institution. The Sunday school, which will aid in your spiritual development and assist in the formation of Christian character? If not we extend to you a hearty welcome to visit or enroll as a member of the Methodist Sunday school, should it be the S. S. of your choice. 231 were in attendance last Sunday with the building of the Tabernacle, which will be used for class rooms. We are enabled to work more effectively. Our revival meeting closed Sunday night and while it was not what we had hoped for, it was by no means a failure. Had only one soul been saved it would have been worth the while.

Our pastor, Bro. Hanks, desires to thank all who attended so faithfully and especially did we appreciate the co-operation of all the other churches of the town. We thank all those who made possible the splendid singing and music or contributed in any way. S. S. will meet promptly at 10 a. m. Epworth League at 7:30 p. m. We invite and welcome you to worship with us.—Reporter.

**For Sale**—250 White Leghorn pullets, Tom Barron strain, February hatched, will lay soon. \$1.50 each or \$125.00 per 100. Phone Dr. Hester or write E. E. Hester, Loraine, Texas. 8-8c

Mr. C. H. Thomas and family leave this week by auto on a two weeks visit to Bosque and Hill counties.

John and Garthea Lee Hester are in Brownwood for an indefinite visit with relatives.

### TO THE ELECTORS.

I appreciate very highly the support you accorded me in my race for the office, and I offer my apology to you because of my indifference—or apparent indifference—in soliciting votes, not for myself, but, I know that you did not like to lose your votes however, if I can stand it, you can. To those who did not support me, I feel sure that you did not vote against me because of anything you hold against me, and therefore I hold no malice against you. With kindest regards to all of you I am,  
Yours very truly,  
W. S. STONEHAM.

### CHARLIE TAYLOR TO BE AT CHRISTOVAL

Charlie Taylor the celebrated English Evangelist, is to be at the Christoval Baptist Encampment for a week speaking every night, beginning August 7th. He is one of the most unique and talented personalities among the great evangelists of the world. He has been conducting evangelistic meetings since he was nine years old, and has preached all over England and America. While yet a boy in knee trousers he has held great meetings in the leading churches in our largest American cities. He is now a man, but rather more. Literally thousands flock to hear him sing and preach. He is really a great preacher, with a winning charm of personality that one never forgets. He is one of the many fine numbers on the program for this year at the great encampment, in the coolest and most beautiful camp grounds on the American continent. You will want to be on hand the first night to hear Charlie Taylor.

### PRESBYTERIAN CHURCH

Sunday school at 9:45 A. M. - J. M. Thomas Superintendent. Classes for all ages. If you are not in Sunday school somewhere else we would like very much to have you with us. At least it would please us very much if you would visit us and let us get acquainted.

Preaching at 11 A. M. and 8:30 P. M. We are always glad to have all our members at these services. We will do everything in our power to make you

feel at home.

Sunday school at Horns Chapel every Sunday afternoon at 3:30 and every first Sunday at 4:30 preaching by the pastor, and Sunday is the day for our preaching service—all the community is invited to all these services. W. M. Elliott, Pastor.

### COTTON SUPPLY DECREASING

In spite of the fact that the cotton market has been unsteady for several months, its position, so far as supply and demand is concerned, is strong. Mills in the Carolinas and New England are closing down or working half time, but although this tendency to slacken up on production has been in evidence for some time, we are rapidly reaching the "bottom of the bin" so far as the supply of cotton is concerned.

From August 1 to May 15, cotton exports amounted to 5,745,459 bales while spinners in this country have taken 5,09,000 bales. In other words cotton to the amount of over 10,300,000 bales has already been taken and there yet remains the demand for two and a half months to satisfy. As the 1923 crop was only about 11,500,000 bales, the supply of cotton from now until the end of the year must come from the carry-over and unless the demand decreases sharply, this rather small carry-over is in a fair way of being entirely wiped out.

### THE LIONS CLUB

The Record heartily approves of the commendable program the Lions have recently proposed for a better Colorado. The movement indicates that this organization is fully aware of its duties and chances to better our town and citizenship. They have indeed pointed out the most-needed improvements for our town, and we have every reason to believe that the whole program will be carried out, in so far as the Lions are concerned. Of course, the club doesn't expect to carry on alone. They will take the lead, but they will depend a great deal upon the citizenship for the aid which will certainly be due, if we ever expect to have the live town that the Lions are doing their part to make. We've all got to help.

The program, if properly carried out, will be a stupendous task, even if we all work, but that isn't the question. Every item on that program is needed badly. They'll have to come sooner or later, so let's be with this good organization and get them now. Lead on Lions, we're behind you!

### RADIO OVER LIGHTING WIRES.

The baffling question as to who is to pay for radio broadcasting is being solved in Staten Island, N. Y., where for the last 18 months an engineering staff has been developing the "wired radio" inventions of Major General George O. Squier. Apparatus has already been perfected by which two different radio programs can be transmitted over the lighting wires from the Staten Island generating station, and within a short time equipment for transmitting three programs will be completed. Tentative

plans for Wired Radio, Inc., a North American Co. subsidiary which is doing the development work, call for the eventual establishment of a nation-wide "wired radio" service. This service will consist of three continuous programs from studios in New York, Chicago, and a Pacific Coast city which will be sent over trunk wires to central generating stations in all parts of the country. From the central stations these national programs (supplemented by local programs) will be transmitted to subscribers via the lighting lines. Each subscriber will be provided, at a monthly rental of \$2, with a small tuning device that is plugged into any convenient lamp socket. Because a large percentage of the monthly rental receipts can be devoted to paying for talent, the expectations

are that wired radio programs will be of an exceptionally high quality.

# COLORADO BARGAIN HOUSE Going To Market Sale

Swings into the last week of unprecedented value giving, further establishing this good store as the house of better values in quality merchandise—merchandise of quality satisfaction always, values that are a step ahead of competition. The Going to Market Sale offers buying opportunities that occur only once in a while, offering not only Colorado Bargain House stocks at important price reductions, but newly arrived special merchandise from co-operating manufacturers, whose goods measure to Colorado Bargain House standard. Wonderful is the word to describe this great sale.

NOTICE—See our display of Bucilla Package Goods in our show window

**Colorado Bargain House**  
THE PRICE IS THE THING

NOTICE—See our display of Bucilla Package Goods in our show window

Mrs. Harry Reagan, head buyer for the Burns Dry Goods Co of Colorado left last week for the Eastern markets. She will be joined at St. Louis by Charlie Pierce of the Plainview store and Mr. LaVelle of the Tulia store and from there they go to New York where they will search the markets for fall and winter stocks. Buying for the three large stores and for cash they have a big advantage and will be able to buy this season more reasonable and to the advantage of their customers.

Walter Whipkey is absent this week visiting his old college chums at A. & M. College.

**NOTICE TO BIDDERS.**

Bids will be received by the Commissioners' court of Mitchell County, Texas until 10 o'clock Monday, Aug. 11th, 1924, at the office of the county judge at Colorado, Texas, for the wrecking of the old court house. Also bids will be received at the same time and place for the purchase of the old court house. All bids must be accompanied by a certified check for 25 per cent of bid submitted. The Commissioners Court reserving the right to reject any and all bids.  
J. C. HALL,  
County Judge, Mitchell County, Texas.

**MASTER MASONS HOLD CEREMONIES AT SWEETWATER**

Appreciation of good work and compliments on the hospitality of the Sweetwater Lodge were heard on every hand Monday night when Master Masons totaling over 350 from Lodges all over this section of the country, and representing 19 cities, gathered here for Master Mason Degree Ceremony contests in which three lodges took part, and three delegates received the degree.

Including Sweetwater, 20 cities were represented here by Masons Monday night, and this representation included Masons from as far north as Wyoming, San Antonio on the south, and Oklahoma on the east. Teams from Snyder, Colorado and Hylton took part in the degree contests, each having a complete degree team present. Those who received the degrees were John Majors and P. E. Cravey of Sweetwater, and a delegate from Hylton.

The meeting was opened at four o'clock in the afternoon and closed at 11 o'clock Monday night. The Sweetwater Lodge was host at a specially prepared supper for the visitors, in the dining rooms of the Masonic Temple, which was the scene of the affair. The menu included barbecue, hams, potatoes, cheese, olives, baked beans, tomatoes, grape punch, lemonade, ice tea, coffee, ice cream and cake. Music was furnished by a local orchestra composed of John Pocht, C. A. McCorkle, Sam Goldman, M. C. Manroe, and Harry Le Maire.

Two delegates received their degrees before the supper, while the third delegate received his degree after the meal.

An explanatory lecture of the degree was given by Lee Jones of the Colorado Lodge, illustrating the talk with moving picture slides. Many other talks were made by Master Masons from various lodges.—Sweetwater Reporter.

**WON IN CONTEST**

Word comes from College Station that Mrs. Joe Jackson of Valley View community won second place in the state contest for better kitchens. Mrs. Johnson won first place in the county contest in May.

FOR SALE—Three second-hand Ford cars for sale. Cars of all kinds bought and sold.—H. F. NEWMAN.

**SHEPPARD THANKS VOTERS FOR SUPPORT GIVEN HIM**

I take this means of publicly expressing to the voters of Mitchell County my sincere appreciation for the support given my candidacy for sheriff and tax collector. While I failed to receive the nomination, I have no malice toward any one. I esteem very highly the friendship and confidence expressed in me by the voters who supported me.—J. R. Sheppard.

**McMURRY COLLEGE**

Football interest in McMurry College is quickening with every passing day. Coach Medley is in the East studying under one of the greatest coaches in America and has been for some time. His phenomenal success last year with raw recruits coming to the school in its first year's history stamps him as one of the greatest coaches that has ever come to Abilene and has centered the interest of the country on the possibility of football at McMurry within the next few years.

Before leaving for his own special course, Mr. Medley had traveled extensively throughout the territory of the college and has secured what promises to be an aggregation of athletics that will make the whole country sit up and take notice. Nearly all of the big stars of the last year's football team will be back and in addition to this some of the best High school stars of West Texas; also some experienced and capable men from other colleges.

The college management believes that it can easily hold its own with any thing in the Junior College class in the State and will likely take on a few T. I. A. A. teams just by way of letting them know that in a very short time a new contender for T. I. A. A. honors will be in their midst.

**THANKS TO THE VOTERS**

I take this method of expressing my thanks to the voters of Commissioners Precinct No. 1 for their loyal support of my claims in the recent primary. Although defeated I am proud of the vote received and am thankful to all these my friends for their support and expression of confidence.

Respectfully,  
T. Y. HAMMOND.

**TERRY APPRECIATES THE SUPPORT GIVEN IN RACE**

I appreciate very sincerely the support given me in the Democratic primary election Saturday for election to the second term as sheriff and tax collector of Mitchell County. I have nothing but the best of feeling for those citizens who, in their wisdom, saw fit to support my opponent. Now that the election is over let us all co-operate for a creditable administration of the sheriff's office.  
I. W. TERRY.

Buy your carbon paper at the Record office.

**TO THE VOTERS OF MITCHELL COUNTY:**

I wish to express my sincere appreciation for the splendid support you gave me in the recent Primary and shall endeavor to serve to the best of my ability.

Again thanking you for your kind consideration, I assure you that I feel very grateful.

Sincerely,  
J. LEE JONES.

Mrs. Ben Plaster has returned from her visit on the plains and reports a good time and much improved in health.

## A Good Time to Paint

Your old house is weather beaten and a new coat of paint both inside and outside would help the looks wonderfully and preserve the woodwork besides. Paint on the roof will make it last much longer and keep down small leaks that will begin to come in an old roof.

If your house is new, keep it so by constantly repainting. This dry climate is hard on woodwork, but a well painted house or roof will last a lifetime if that paint job be renewed from time to time.

Your busy days will soon be over and it would be a good time to PAINT UP.

A FULL LINE OF PAINTS, FLOOR OILS,  
VARNISHES AND STAINS.

A. E. CHANDLER, Registrar,  
ABILENE, TEXAS

\*\*\*\*\*  
WITH THE CHURCHES  
\*\*\*\*\*  
**EPWORTH LEAGUE PROGRAM**  
August 3, 1924.  
Subject: In His Steps.  
Leader: Pauline Smith.  
Scripture: Luke 10: 38-42; John 15: 13-15  
Prayer.  
How Jesus Treated Friends.  
Giving all—Ida Belle Bean  
Reading—Frances Lawlis  
Serving His Friends — Gordon King.  
He believed in His Friends—Elmer Pickens.  
Solo—Ruth Booher.  
What amusement is best for our young people?—Vera Gaskin  
Song.  
League Benediction.  
**AT BAPTIST CHURCH.**  
Rev. M. C. Bishop, pastor of the First Baptist church, left Monday morning for Wastella. He requested The Record to publish the announcement that all regular services would be held at the church Sunday.  
**METHODIST CHURCH.**  
Sunday School 9:45 A. M. Be present. Be on time. Be ready.  
Epworth League 7:30 p. m.  
Preaching morning and evening.  
Prayer service Wednesday evening.  
Sunday morning we will preach on the Sunday school lesson, Following Christ or Christ Calling to the World to Follow I'm.  
Our meeting will begin August 10 and continue until August 24th. We will have the first two services in the church because the tabernacle will be in use until the eleventh of August. One of the outstanding features of this meeting will be the preaching by Rev. J. W. Hunt. Already we have word that some of the other preachers in the surrounding country are coming to take in a part of this meeting. We expect many of our friends to come and we of course are expecting some good results. I sincerely wish we could reach and move the people of the town to a better religious life. Then there are some old sinners, some who know as well their duties as the preachers know how to tell them, who have gone astray, I do hope these can be reached and brought back. The committees are being appointed and the plans are being worked out to make this meeting a success. All the Christian people of the town are invited to join the Methodist in these services. Let all come to church and Sunday school next Sunday.  
J. F. LAWLIS, Pastor.

U.B. Thrifty says

Buy it Now - is a slogan which neglects to say what with

Invest your savings in TIME DEPOSITS and have your money in a safe place and earning more for you every day. T

Prepare for the future—and let every spare dollar help you. When you know that each dollar saved means just that much more in interest you will have the inclination to SAVE.

We will pay your dollars 4 per cent compounded semi-annually and they will be safely invested.

## COLORADO NATIONAL BANK

"THERE IS NO SUBSTITUTE FOR SAFETY"

**HEAVY BURDEN ON PEOPLE.**

In the past nine years, more than 100,000 permanent federal officials have been added to the rolls, increasing cost \$195,591,000.

State official payrolls have been increased in numbers and cost so that altogether one out of every twelve workers is a government employe.

Additional laws enacted by Congress and state legislatures all increase taxes and take money away from the producing citizen.

It has been the slogan of the last two presidents that government payrolls must be cut down in numbers.

Pennsylvania, Illinois, Washington and Idaho have consolidated boards and commissions and materially cut their overhead.

Every state in the union and every department of the federal government could probably trim at least 25 per cent off its overhead.

Why not do it?

C. C. Barnett, grocer, has moved. Lasky Building on Oak St. opposite Alamo Hotel. New Fresh stock. Delivery, quick service. Phone 111.

**WHERE AMERICANS GET THEIR WATER SUPPLIES**

Ground water furnishes the domestic supply for more than half the population of the United States, says the Pennsylvania Public Service Information Committee, quoting figures just compiled by the United States Geological Survey.

Well water is used by most of the 48.6 per cent of the population that live in rural districts and by a large proportion of the 15.6 per cent that live in cities of 2500 to 25,000 inhabitants.

Only 10 per cent of the total population of cities having a population of more than 25,000 are supplied with ground water—four per cent from infiltration galleries or wells less than 100 feet deep, and 6 per cent from wells 100 to 2000 feet deep.

When the information was compiled, the largest city supplied from wells was Memphis, Tenn., with a population of 162,351. Only seven other cities that have a population of more than 100,000 have ground-water supplies.

"The limited quantity of ground water at most places prevents the more general use of wells for public supplies", says the report.

**ATTENTION.**

From now on through the summer there will be man at store to serve those who need both Ice and Feed until 12 o'clock at night.—O. Lambeth.

Mr. and Mrs. J. A. Holt of Gainesville are visiting their relatives here. Mr. Holt was formerly manager of the Jones Dry Goods house here and now holds like position at Gainesville.

**Sick Headache**  
"I have used Black-Draught when needed for the past 25 years," says Mrs. Emma Grimes, of Forbes, Mo. "I began taking it for a bad case of constipation. I would get constipated and feel just miserable—sluggish, tired, a bad taste in my mouth, . . . and soon my head would begin hurting and I would have a severe sick headache. I don't know just who started me to taking  
**Thedford's BLACK-DRAUGHT**  
but it did the work. It just seemed to cleanse the liver. Very soon I felt like new. When I found Black-Draught so easy to take and easy-acting, I began to use it in time and would not have sick headaches."  
Constipation causes the system to re-absorb poisons that may cause great pain and much danger to your health. Take Thedford's Black-Draught. It will stimulate the liver and help to drive out the poisons.  
Sold by all dealers. Costs only one cent a dose. E-104

**EQUIP OUR CHILDREN FOR THE "BATTLE OF LIFE"**

According to the census of 1920, there are 295,844 people, or 8.3 per cent of the population of Texas who can neither read nor write. These people are classed as illiterate, and the reduction of their numbers is one of the big tasks which faces the educational forces of the state. But there is equally as important a problem involved in the "near-illiterates". By "near-illiterates" we mean those people who have had just enough schooling to escape the illiteracy class by the skin of their teeth. They have the ability to read and write, but when it comes to clear, straight thinking, which is possible only with considerable mental training, they are hopelessly lost.

Unfortunately, there are many people in this class. This is indicated by the percentage of children of different school ages who attend school.

Blandford Harness returned to his home in Ft. Worth Tuesday after a visit with friends here.

The best place in town to buy groceries is at Barnett's. You will say so too if you try him. Phone 111.

Mrs. Tom Hughes and children left Tuesday morning for a visit in Ft. Worth.

**AD VALOREM TAX RATE IS FIXED BY STATE AT 35c**

AUSTIN, July 28—An ad valorem tax rate of thirty five cents on the \$100 valuation, the constitutional limit, was fixed today by the state automatic tax board for the fiscal year '24-25. The rate for school purposes was placed at the same figure, thirty-five cents, and for Confederate pensions at five cents. This is the same as the present rate.

The rate is based on a total assessed valuation of about three and a half billion dollars for the entire state. This rate will produce about \$12,128,151 for general revenue purposes, which will be about \$992,753 short of the necessary expenses for the coming year which it is estimated will be the state deficit on September 1, 1925 unless the receipts prove greater than expected or the legislature appropriates less money than contemplated. The tax board is composed of the governor, the comptroller and the treasurer.

**ONE LARGEST PANHANDLE RANCHES TO BE CUT UP**

PANHANDLE, July 26—T. D. Hobart, general manager of the famous J. A. Adair ranch in Donley and Gray Counties has sailed to England to complete the arrangements for cutting the entire 500,000 acre ranch into small ranch tracts and putting it on the market on long time at a low rate of interest.

The J-A Ranch was the second ranch to be located on the Plains of Texas, more than 60 years ago. Adair was an Englishman who sought adventure in the new land of America more than 75 years ago—and according to all tales of his life he found it in plenty. He took part in the gold rush to California, prospecting for oil, operated a trading outpost and finally in the vanguard of advancing civilization established this ranch in Donley county—the famous "green belt" of Indian lore.

Prominent until his death in the development of west Texas his work was carried on by his wife, who joined him from her native land of England in the early days, until her death at 82 years of age some three years ago. Mr. Hobart has been actively in charge of the business management of the ranch for more than 25 years and has carried out the policies instituted by the founder.

The opening of this ranch for home seekers will hasten the development of another rich agricultural section of the Plains and add materially to the prosperity of several Plains towns.

**TALKING**

We know a newspaper man who says, "Any darn fool can cut prices, but it takes brains to make a better article or do a better job." Anybody can tear down the work of another, either with his hands or that other faster and more terrible working part, the tongue, but it takes constructors to build, you notice.—Stamford Leader.

Yes, and the worst part of it is that there are so many more knockers than constructors. We all ought to be ashamed of ourselves for the way we talk but we're not. We keep right on talking and doing more harm. We wish somebody had the nerve and the ability to start one of those "constructor's schools".

**THE McNARY-HAUGEN BILL IS DEFEATED IN HOUSE**

The McNary-Haugen bill, which, if enacted, would have put the United States government into the business of marketing certain farm products and would have fixed the price of these products in their relationship to other commodities, was recently defeated in the House of Representatives by a vote of 154 for to 224 against.

The bill was energetically supported by congressmen from the West and mid-western states because they believed that it would be effective in raising the price of wheat about 35 cents a bushel. Congressmen from other sections opposed the bill on the grounds that it was economically unsound and morally wrong. The entire delegation of congressmen from Iowa voted for the bill as did a large per cent of the representatives from Kansas, North Dakota, and other important wheat-producing states. With the exception of Pennsylvania, the East presented an almost solid front in opposition to the bill. The South was likewise against the measure with the exception of the entire Oklahoma delegation, three congressmen from Arkansas, four from Kentucky, two from Tennessee, and one each from North Carolina, Texas, Alabama, Virginia, and Louisiana. Ordinarily, the South and West are found in opposition to the East, but in this instance it was a case of South and East versus West and mid-West.

The writer believes that the bill met a well merited defeat. It was unsound economically because it increased prices without regulating production. In other words, it sought to set aside the economic law of supply and demand, a procedure which, in times past, has always brought disastrous results. But even if it had operated successfully in raising prices on one or more farm products it would have worked a gross injustice on other farmers and other classes. In fact, we believe representatives of the agricultural West are injuring rather than helping their farmer constituents in attempting to put the farmer in the class with those who attempt to gain special favors at the hands of the government.

A wrong has been done the farmer in legislative matters, it is true, but we must right this wrong rather than attempt new wrongs. It is clearly a case of pulling the other fellow out of the band wagon rather than attempting to climb into it ourselves for there should be no riding in the band wagon so far as governmental favoritism is concerned.—Ex.

**FIT RURAL SCHOOL COURSES—SES TO RURAL CONDITIONS**

The present-day course of study in rural schools is not entirely satisfactory. There has been too great a tendency to use city methods in rural schools. Just as our banking facilities have been devised to fit the city man and his business needs, so has our school system been devised to give city children the best sort of education. In many cases it has not been recognized that the school system which is best for city-raised children does not fit rural conditions.

By the time the farm boy or girl reaches high school, he or she should be pretty well grounded in agricultural theory. This is very important because in many states more than half the children drop out of school after they reach 15 years of age. If these children do not get agricultural training before that age they do not get it at all. Under present conditions, many farm boys and girls are not getting this training which is so essential to success in their life work.

Even those rural children who enter high school do not devote enough time to the study of agriculture. In the rural schools of New York it was found that almost 21 per cent of the student's time devoted to the study of foreign languages, 18 per cent to mathematics, and only 11.27 per cent to all other sciences, such as American history and civics, except foreign history.

Out of a total of 285,000 rural white boys and girls between the ages of 14 and 18, in Texas in 1922, only 1,865 boys were reported as studying agriculture in the Smith-Hughes schools, and only 2,349 girls were studying domestic science.

While it is quite important that the course of study be such as to train boys and girls for an enjoyable and profitable life on the farm, yet it should not lead them blindly into farming, when they are eminently unfitted for it. Agriculture is already littered with men who are farmers by inheritance rather than by choice or adaptation. It must be recognized that many rural children should not and will not remain on the farm. Hence, in addition to supplying agricultural training for those who do not remain on the farm, the school course should include studies which will lead them to a wise determination as to the choice of a career.

—The Progressive Farmer.  
Mr. and Mrs. H. P. Slagel, Miss Elnora Dulaney and Fred Brown left Sunday morning for a camping trip at Christoval.

Regular Prices 10 and 30c

TO THE PUBLIC.

I choose this method of expressing my sincere thanks to all my friends who used their vote or influence in my behalf during the recent campaign for nomination for county school superintendent. As I was fortunate enough to be in the second primary I shall say that I am still in the race and that any consideration you give my ability to fill the position will be appreciated.

I have been conscientious, frank and open in all that I have said or done and I shall be glad at any time to answer any question that anyone may be in doubt about. Let me assure you that I have nothing but the kindest feeling toward both the men who were in the race with me for this office.

I entered the teaching profession in this county eleven years ago and have since that time made a close and careful study of the schools and the County Superintendent has jurisdiction over. That experience would mean much to me in visiting the schools, and especially in determining the quality and amount of work being done. My other qualifications have been made known to you through this paper, personally and from public platforms in this county.

You know also what I stand for and I could say it in no fewer words than that, if elected, I shall put forth every effort to make each dollar spent on our schools be one spent on the education of our children for better citizenship.

Thanking you again for past courtesies and in advance for any you may show me from now until the polls close on August 23rd, I am, sincerely yours, MRS. STELLA E. BENNETT.

For gutter work, old or new phone 409. B. W. Scott's Tin Shop.

Broilers and fryers for sale at Lambeth's Poultry Farm.

Mr. and Mrs. J. L. Wright of Rule, Mr. and Mrs. O. Daniel and son of Coahoma, Mr. and Mrs. John Young and family of Lockhart and Mr. and Mrs. Paul Brunley of Snyder visited Mr. and Mrs. J. M. Terry the past week.

Just received a nice assortment of Congoleum rugs and floor covering at Cook & Son.

The latest fiction at Jno. L. Doss' Pharmacy always glad to order books for you.

Where is Benjamin? Aug. 7

GAINES COUNTY FARM LANDS at reasonable prices and at attractive terms—Very little ready money is required to own a good farm in the South Plains of the Texas Panhandle. Payments for your farm are on about the same basis as paying rent. At Seagraves, Gaines County, Texas, we offer you farm land at prices from \$12.00 to \$20.00 per acre, cash payment down only one dollar per acre, four yearly payments of one dollar per acre and the balance in yearly payments of two dollars per acre with interest at six per cent. This is strictly a general farming country. Abundance of pure water, no boll weevil; and cotton a sure crop. At present prices of cotton it will not take a great many bales to pay for a 160 acre farm in one season. This is your big opportunity. If interested in securing a farm and home for yourself and family on very unusual terms, now is the time to act. Address W. A. SORELLE, General Agent, 12 Santa Fe Bldg., Seagraves, Gaines County, Texas, for terms of sale and descriptive folder.
