\$250,000 ROAD BOND ISSUE PROPOSED FOR 2 HIGHWAYS

IMPROVEMENT MUST GO THRU LORAIN AND WESTBROOK THOMPSON SAYS

"It matters not by what majority the proposed road bond issue may be authorized by the citizenship of this county, there will be no bonds sold in the event any authority should attempt to build the Bankhead Highway around the towns of Loraine and Westbrook," was the positive statement of County Judge Chas. C. Thompson in addressing a mass meeting of citizens here Friday. Judge Thompson made this declaration when the question was raised as to whether or not the Bankhead Highway would pass through Loraine and Westbrook as now designated.

"I know where I stand on this matter," Thompson continued. "Every member of your commissioners court has expressed himself on this question and stand in the same attitude that I do. We are to have control of the sale of the bonds, as well as the awarding of contracts to improve the highways, in the event the proposed bond issue is voted, and this court does not propose to expend the people's money in building a permanent paved highway around any town directly affected. I feel the same in this matter toward Colorado, Loraine,

It was a mass meeting of citizens to discuss the highway improvement problems of the county before which the county judge was speaking. Tom Goss, representative of the State Highway Commission, announced that the department had recently proposed to the county that if the citizenship would vote bonds to supplement state aid, dollar for dollar, to build a good gravel roadbed, together with needed drainage structures, over the two designated highways in the county, the department would, at positively no cost to the county, hardsurface the two highways, which cross the county from east to west and from north to south, in the aggregate of 65 miles.

Fred Brown, president of the Loraine Chamber of Commerce, headed a delegation of citizens from there who came to Colorado to attend the meeting. Others in the Loraine party were Dock Wimberley, Will Martin, and J. T. Ledbetter. All of these gentlemen delivered addresses on the plan as suggested by the highway commission and pledged to support the proposed bond issue to finance the county's share of the improvement expense, in the event they were definitely assured the highway would be improved through Loraine as it now runs.

Dr. P. C. Coleman, president of the Colorado Chamber of Commerce; A. A. Dorn, county commissioner of the Colorado precinct; Dr. T. J. Ratliff; Col. C. M. Adams, and others spoke on the subject and enthusiastically pled for the citizenship of the county to inaugurate a campaign to vote the bonds and settle the highway question in Mitchell county for all time to come.

"If the people of this county may secure 65 miles of permanently paved highway at a cost of only \$250,000 I can see no feasible reason for any man turning it down," Dr. Coleman stated. "It is by odds the best proposition ever submitted to the citizenship of this county."

In that definite figures be submitted as to cost of the proposed bonds in taxation, along with such other in-

(Continued on page 2)

STREET LAMP BASE BEING RAISED TO 42 INCHES HIGH

The concrete street standard bases supporting Colorado's "white way," are being raised to 42 inches in height. Hereafter the motorists who collides with the street light will sustain injury to his machine, rather than demolishing the fixture.

The city has been called upon to pay out considerable expense in making repairs to these fixtures during the past year. The light standards are valued at about \$100 each and several of them have been wrecked when run into by drivers of automobiles and trucks.

PROPERTY VALUE EXPECTED SHOW INCREASE \$500,000

COUNTY AND CITY TAX ROLLS INDEX OF DEVELOPMENT DURING YEAR

Property values in Mitchell county for the current year will show an increase of almost half a million dollars over renditions for 1924, R. E. Warren, tax assessor, announced Tuesday. Warren stated that he expected to have the tax rolls completed next week and estimated that property values as listed for taxation would approximate \$7,500,000. Last year the total valuations were slightly in excess of \$7,000,000.

Much of the increased property wealth has come from development in the oil field, Warren said. During the past year a number of producing wells have been completed and thousands of acres of leases have been purchased by companies identified with the field. Farm wealth, too, has shown a good increase for the year, owing to the large number of new farm homes built and new fields improved throughout the county.

The city tax rolls of Colorado will also register a material increase in values over the totals for 1924, but an estimate on this total cannot be made until the city equalization board, which was convened at the city hall Thursday, has completed its work. During the twelve month period ending January 1, last, for which tax values are computed, many new buildings were completed in the city. Property valuations in the Colorado independent school district are expected to reach the highest figures in history for the current year, owing to the increased cost of maintaining the schools. Enrollment in the Colorado schools continues to increase every year, adding the necessity of employing additional teachers.

VISITING PRELATE SPEAKS AT LIONS CLUB LUNCHEON

Bishop Cecil Seaman of Amarillo, presiding bishop of the North Texas district, Protestant Episcopal church, was the principal speaker at the Lions Club Friday. Bishop Seaman, who spent all of last week in Colorado services at All Saints' Episcopal church, centered his talk about the importance of making good in every vocation of life, it mattering not what the individual may follow in the long list of honorable pursuits as his life task.

"It matters not what vocation you may choose in life, you are called of God to render the best service possible in that vocation," the bishop said. "God demands that you make just as good farmer, doctor, lawyer, merchant, banker, or minister as you are capable." He praised the work being accomplished by luncheon clubs throughout the country and declared that he was proud of the fact that he retained membership in one of the civic luncheon organizations of his home city.

Rev. and Mrs. Frank B. Eteson and Miss Ruth Rix, all of Big Spring, were other special guests at the club. Dr. Eteson is rector of the local Episcopal church and has many warm friends in Colorado. Miss Rix delivered an address, much to the delight of the club membership. Mrs. C. M. Adams and her daughters, Mrs. Roy Buchanan and Mrs. Marion Hardison, were other guests presented to the club Friday.

.81 INCHES RAIN REGISTERED AT COLORADO DURING JUNE

Rainfall at Colorado during June totaled .81 inches, E. Keathley, local weather observer, announced Wednesday morning.

Rainfall at Colorado during May was 3.47 inches. During April precipitations totaled 1.67 inches.

CHAMBER OF COMMERCE TO HOLD EXECUTIVE MEETING

The July executive meeting of the Colorado Chamber of Commerce will be convened Thursday afternoon of this week at the Bercroft Hotel. Dr. P. C. Coleman, president, stated Monday that date of the annual business meeting would probably be named at this meeting.

Declaration of Independence

CONSTRUCTION WORK IS BEGUN ON ANOTHER GIN

Excavations for the new gin plant to be erected in Colorado by the Guitart interests were begun last week. Completion of this plant will place the total at eight in Colorado, an increase of two over last season. Building of the Farmers Gin Company new gin is ready for installation of the machinery. Both these new plants are located on West Second street.

Prospects now indicate that Colorado will gin 35,000 bales from the 1925 crop. Local ginners declare that the eight plants, every one of which is to be modern throughout and among the best in Texas, will be adequate to handle all cotton produced in the Colorado territory.

With eight modern gins, one of the best cotton oil mills and compresses in this section of the state, along with the strong buying power of the Colorado Cotton exchange and large facilities of the Mitchell County Farm Bureau Cotton Association, Colorado is expected to maintain an enviable record as one of the South's most attractive cotton markets.

UNITED BROTHERHOOD IS ORGANIZED HERE SATURDAY

A number of men representing the different churches of Colorado met at Union Tabernacle Sunday afternoon and perfected organization of a United Brotherhood, the purposes of which will be to promote religious and moral ideals in the community. Addresses were delivered by the pastors and leaders from the churches represented.

Dr. P. C. Coleman was elected president, W. R. Morgan vice president, and H. E. Grantland secretary. The brotherhood will meet each Sunday afternoon at the tabernacle. W. W. Porter, chairman of the program committee, announced Monday that Hon. W. P. Leslie, judge of the 32nd judicial district, would address the meeting Sunday afternoon.

Men and boys of Colorado and vicinity, regardless of church affiliation, are urged to become associated with the brotherhood.

POULTRY SPECIALIST MAKES ADDRESS HERE SATURDAY

F. M. Kazemir, of Bryan and former poultry specialist of A. & M. College, delivered an address on poultry at the tabernacle Saturday afternoon. Concluding his address Mr. Kazemir conducted a demonstration on the points to be considered in culling and proper selection of birds for both utility and show purposes. Several citizens heard the address.

Mr. and Mrs. Lasky will leave Friday to visit their daughter, Mrs. Garland Adcock in Abilene. Mrs. Lasky will then go to Paris to visit relatives a few weeks.

PARTIES INTERESTED IN SUMMER SCHOOL TO

SUPERINTENDENT REQUESTS ALL WHO WANT MAKE UP WORK MEET FRIDAY

Last week we requested all those interested in summer school work to meet at the school house on Friday afternoon. Those applying for work were not sufficient in number to justify the school. Perhaps many failed to notice our announcement. We are repeating this announcement with who failed in more than two heavy subjects: English, arithmetic, history, civics, reading and geography of the intermediate grades, will not be able to remove such failures by summer work. Failure in more than two subjects is strong evidence that a student is not prepared for the next grade, and that such work as could be done in the summer session would not be sufficient to justify promotion in a classified and affiliated school such as Colorado has. The school board and the superintendent have no option in this matter, as the State Department of Education has prescribed certain standards for classified and affiliated schools from which to vary would jeopardize our rating.

We trust, therefore, that we may be able to be of service and that a large number will avail themselves of this opportunity to save a year in the schooling of their children. The superintendent will meet all who are interested at the school house on Friday, July 3, at 9:00 A. M. The school, if held, will open July 6.

M. C. Baird, proprietor of Baird's Cafe, on West Second street, was placed under arrest Tuesday afternoon by Deputy Sheriffs Dick Gregory and J. C. Jackson on charges of possession and sale of "jake." Armed with a search warrant, the officers raided the place and after considerable work, found 54 bottles of the contraband hidden beneath an old oil can in the cafe. Baird was arraigned before County Judge Chas. C. Thompson and later released on a cash bond of \$450, pending his appearance before the grand jury.

This was the first case to come before Judge Thompson since the search and seizure act, passed by the last legislature, became operative. The law went into effect June 18. Under provisions of this act officers are not permitted to search any premises, including automobiles, without a search warrant.

R. A. M. AND BLUE LODGE INSTALL OFFICERS THURS.

Officials for the ensuing year were installed by Colorado Chapter, No. 175, R. A. M. and Mitchell Lodge No. 563, A. F. & A. M., with impressive ceremonies at the Masonic hall Thursday night of last week. J. A. Buchanan acted as master of ceremonies in inducting officers of the Blue Lodge into office and Thos. Coffee presided during the ceremonies attending inaugural of the Chapter officers.

FERGUSON STATES MADISON COUNTY PETITIONED PARDON

It was the citizens of Madison county and not the mayor, county judge, and other citizens of Mitchell county who petitioned pardon of Jeff Brimbery, according to a communication received this week by Judge Thompson from H. Ghent Sanderson, secretary to the governor. Governor Ferguson, through her private secretary, states that the error in connecting local citizens with the Brimbery pardon was in the Hobby administration. Among other things in connection with the case, the governor's secretary writes:

"This letter is just to inform you that it was an error upon the part of Gov. Hobby in citing in his proclamation that the county judge of Mitchell county recommended it, whereas, the files show that the county judge of Madison county recommended it, and also, to call your attention to the fact that if anyone had reflected upon the intelligence of the good men who tried him, and the citizenship of Texas, it was the good people of Madison county and Governor W. P. Hobby."

A special Metro-Goldwyn program at the Palace Thursday and Friday, July 2 and 3, "The Dixie Handicap" Big star cast and good comedy, for regular prices. If you love good horse flesh, if you thrill at the sound of thundering hoofs, if you want exciting romances and swift entertainment see this "Dixie Handicap." You would be disappointed.

WHIPKEY PRINTING CO. MAN TERRITORY WILL RECEIVE THOROUGH TEST

TENTATIVE PLANS FOR MAKING NUMBER OF TESTS THERE ARE ANNOUNCED

Southwest Mitchell county surrounding the Hyman community, though as yet in strictly wildcat territory, is scheduled to receive a complete test. During the week another location in that territory was announced and plans are being consummated by local oil interests to drill several wells.

Abrams Nine of the California Company, in the Westbrook field, is drilling at 1,275 feet. Their Womack One is drilling at 1,220 feet, Missouri State Life No. 1 at 95 feet, and H. C. Miller One at 560 feet.

In the Scurry county shallow field near Ira, the California Company is drilling at 50 feet at Wood No. 1.

The crew at Ellwood 1 of George Northup on the Spade Ranch was drilling at 2,650 feet Wednesday afternoon with an eight-inch hole.

Fred Carey is rigging up to spud at Anna M. Keith location in section 10, block 28. This test is on location in the northern Westbrook extension.

Rig is completed for Barnum & Henshaw's Will Scott No. 1 at Hyman. The test is located three miles east of the Hyman store.

Scott No. 1 of Sloan, Owens and Stalker at Hyman is drilling at 2,600 feet in limestone. Sloan & Owens have contracted to drill another test in that section, to be known as the Sarah Hyman No. 1. Location has been made in the southeast quarter of survey 88, block 29, W. & N. W.

Case & Hoover have spudded their Cedar Hill One at location six miles south of Hyman. Douthitt One of the Cooperative Lease & Development Co., five miles southwest of Hyman, is down 2,300 feet. This test is being drilled with rotary tools.

POSTOFFICE WILL BE CLOSED ALL DAY SATURDAY, FOURTH

The postoffice, along with practically every other public place in Colorado, will be closed throughout the day Saturday, out of respect of Independence Day. Colorado will observe this anniversary in keeping with the policy always adhered to in the past by suspending business of all kinds.

The public is again warned against waiting until Saturday to make such purchases as might be needed. People from the country should come to town Friday and make their usual Saturday purchases on that day. The barber shops are to observe Saturday hours Friday, remaining open until 10 o'clock at night. Do not expect your dealer to open his store Saturday to furnish supplies.

300 BOY SCOUTS EXPECTED TO ATTEND FOURTH CELEBRATION

300 boys, members of the Boy Scouts of America, Buffalo Trail Council, will be in Sweetwater Friday to participate in the field and athletic events attending the American Legion celebration at Sweetwater. W. S. Barcus, executive secretary of the council, announced here Saturday. Barcus stated that Colorado would furnish its quota of this number.

Barcus said that he had recently located an ideal camp site in Southwest Nolan county for the summer scout encampment this year. The site borders a large lake and has excellent facilities for fishing, boating, swimming, and other outdoor sports. The encampment will be held in August.

CHURCH OF CHRIST BEGINS PREPARING FOR REVIVAL

Members of the Church of Christ are setting things in order for the revival meeting to be held here in August and leaders in the congregation are anticipating a meeting of widespread interest and success. A meeting was held at the church Wednesday night to inaugurate plans for the revival, which is scheduled to open at Union Tabernacle August 12.

OUR STORE WILL BE CLOSED ALL DAY SATURDAY, THE 4th

We invite you to our store **FRIDAY, JULY 3RD** help us celebrate the 4th by doing your shopping **FRIDAY**. We are leaving for Baltimore and New York in a few days. If you have something special you would like for us to buy for you, let us know your wants before we close Friday. We are at your command.

28 TOWNS RAISE QUOTAS IN LEGION ENDOWMENT DRIVE

Twenty eight cities and towns of Texas have gone "over the top" in the American Legion \$5,000,000 endowment fund campaign for World War orphans and disabled veterans. Reports from the joint state chairman, John T. Scott of Houston and J. L. Lancaster of Dallas, not only showed that many cities had reached their objectives but that great strides had been made in others. Many of the larger cities of the state are now in the midst of their campaign.

Both of the Texas leaders in the movement "for those who gave the most" expressed pleasure upon the favorable progress being made toward the goal set for the state.

"We hope to make a one hundred

per cent record of success in Texas," Chairman Scott said, "But what we want is every city and town to reach the quotas fixed for them. The endowment fund is meeting just the kind of success anticipated for it. As soon as the purposes of the undertaking are understood the response is automatic."

A similar thought was expressed by Chairman Lancaster, whose activities have been concerned largely with directing endowment operations in the north of Texas.

"No more worthy undertaking ever has been brought before the people of Texas," he said, "We have a reputation of doing things in a big way in Texas and I think you can rest assured that we will live up to it in a characteristic way. We are confident that when the final report is ready, not only will every community have done its part for the orphans and the disabled men but will have done more than asked of them."

Texas cities that have passed their objectives are Amarillo, Freeport, Honey Grove, Elgin, Cuero, Victoria, Stamford, Sweetwater, Luling, Sour Lake, Wheeler, Hamlin, Austin, Ballinger, Knox City, Brownwood, Pharr, Brenham, Denton, Gonzales, Mercedes, Baird, Shiner, Hallettsville, San Marcos, Burtort, Legion, and Colorado.

Homer Hutchinson, J. W. Shepperd and Q. D. Shepperd spent a few days in Lubbock this week seeing about entering Texas Tech.

Staten Island, N. Y.—Miss Jane Phenix, writes—"I am from the West, for many years I suffered from auto-intoxication due to torpid liver and constipation, my system was so badly poisoned that my face was swollen to twice its natural size. I was continuously tired, weak and depressed, had no appetite. I read your Tutt's Liver Pill advertisement and tried them. After a few doses I began to improve. Tutt's Pills have kept me free from a return of the illness, and I feel like a new person. Am never without them." At all drugstores.

BAPTISTS PLAN TO MAKE STATE WIDE CAMPAIGN

Appointment of three Baptist state evangelists by the Executive Board of the Baptist General Convention of Texas at its recent session is another step in the intense soul winning campaign in which Texas Baptists are now engaged, Dr. F. S. Groner, General Secretary of the board, said. Dr. W. Y. Pond of Hillsboro, a former state evangelist, will assume charge of the work in co-operation with Dr. B. B. Blalock of Temple. Dr. Bonnie Grimes, of Nacogdoches, who was elected at the meeting, declined the appointment due to refusal of his church to accept his resignation.

Last year was one of the most successful years of the Baptist evangelistic work in Texas with 34,507 baptisms. In the last six years the baptisms in Texas have numbered 181,206, or an average of 30,206 baptisms a year. About one-third of these were through the efforts of the missionaries and other workers who are assisted by the state mission fund.

In his last year as state evangelist, Dr. Pond baptised 800 persons and received in collections aside from the pledges and regular offerings in churches where he held meetings the sum of \$12,000, which is sufficient to pay the expenses of the whole department of evangelism for a full year. Dr. Blalock also has a record as an evangelist.

CITIZENS TRAINING CAMPS

Beginning July 28th the different Citizens' Military Training Camps over the United States will open to receive thousands of young American boys between the ages of 17 and 31. The Government offers to pay all transportation, furnish uniforms, train and take care of these boys for a period of thirty days. This training does not constitute any present or future enlistment in the United States army, but is a part of the Preparedness program of the War Department to train civilians. The following are the Mitchell county boys who have signed up to go to Ft. Sill, Oklahoma, during this period:

Johnnie Cooper, Hugh Elliott, Chas. Taylor, Jr., Claude Cook, and Emory Taylor.

To the boys who would like a vacation, together with a touch of army life, why not sign up and take this training. If you are interested, act at once, for only a limited amount of boys will be trained at these camps and when the quota has been filled it will be too late. See R. H. Ratliff at the court house and sign up.

Don't forget Tom Mix with his wonder horse and dog in "Teeth" at the Mission Friday and Saturday, July 3 and 4. A roaring he-man story crowded with thrills and action, a man, a horse a dog, a woman, everything that goes to make the ideal picture. A thrilling story of love and a dogs dual devotion to his master and mistress, you will love Duke, the dog. Matinee every day starting at 1:30 p. m.

ORIENT TO PUT MOTOR CARS ON WEST TEXAS DIVISION

Passenger service on the Orient Railway is to be facilitated by three modern motor car trains which have been purchased from J. G. Grill Co. of Philadelphia for delivery during the early fall. This first group of trains is to be placed in service on the Texas Division. Two of the trains consist of a combination baggage and express car and one passenger car. The other is a single car for passengers and baggage.

The two-car trains will replace steam trains Nos. 1 and 2 running between San Angelo and Ft. Stockton, Texas. These trains will continue from Ft. Stockton to Alpine, Texas, arriving there early in the evening and departing early in the morning. The one-car train will be operated between San Angelo and the oil fields. These trains are being installed to meet the public need for a service that can be operated in smaller units and more often. It is this need which has contributed to the growth of bus service.

WHIT DAVIDSON NOT TO RUN FOR GOVERNOR

T. W. Davidson of Marshall, Lieutenant Governor during Pat Neff's second administration, will not be a candidate for Governor of Texas in the next election, he announced in a statement issued today in which he scored the double primary election law. He declared the double primary to be a failure and said the next election will result in a run off between the Ferguson forces and a Klan supported candidate. He indicated that he might be a candidate for Governor at a later election.

FORD OWNERS EQUIP WITH BALLOON TIRES

One of the most interesting illustrations of the popularity of balloon tires is revealed in figures just given out by the Ford Motor Company showing how Ford car owners have accepted these tires.

About the middle of February the company announced that it would provide balloon tires as optional equipment on all new Ford cars at a small additional cost and would also provide balloon tire wheels for owners who wished to change over to the new equipment.

Simultaneously dealers were requested to furnish estimates as to the number of new cars they would require with balloon equipment. Under these estimates 20 per cent of the cars produced during the first month were equipped with balloons.

Requirements for this kind of equipment immediately began to increase until May more than 60 per cent of the new car production was equipped with balloon tires with every indication that the percentage for June would be even higher.

EAST AND WEST TEXAS.

One Texas newspaper slogans its location as "Out Where the West Begins." Another claims a copyright on "Out Where the West is At." Mineral Wells which somewhat like Denton, is not very far from the dividing line between East and West Texas, and is content just to be in Texas do we judge from the Index of that place. The Abilene Reporter wants to know what West Texas town "will voluntarily step forward and claim a "Back Where the East Begins" slogan, and adds, "How 'boutcha, Min-

eral Wells?" The Index responds: "Mineral Wells declines with thanks the proposed opportunity. Mineral Wells is distinctly a Texas town, too big, too important to all Texas and to the whole world to engage in partisan geography. We are in Texas and proud of it. We receive patronage from the Rio Grande to Red River; from the land of whispering pines on the east to the zephyr-infested regions of the west, as well as from every state in the Union. We are not "where the West begins" nor are we "where the East Begins" nor are we where the South separates itself from the North, but we're where all meet and mingle and get gloriously well. We are pretty near the geographical center of the greatest State in the great galaxy of States. Come to Mineral Wells. Just begin in Texas, without limitation whatever, is enough to give anybody "that grand and glorious feeling and all Texas is good to live in. East or West, North or South, all with a common heritage all with a common purpose and all peopled by good folks with pretty much the same aspirations and ambitions and feelings.—Denton Record-Chronicle.

However, there must be some line of demarcation or of else why say, "West Texas" or "East Texas" at all? What's the use of saying anything about there being any east or west parts of the State, if there is no boundary set for these parts of the State. One thing about this matter: Abilene doesn't claim to be in East Texas.—Abilene Reporter.

Why not Abilene in East Texas? The West Texas Chamber of Commerce puts Waco in West Texas with a great flourish of triumph and surely if Waco is in West Texas, then Abilene would fall in the East Texas district.

One-half the world is talking of money—the other half thinking about it. And we are saving money for the folks who appreciate our efficiency in cleaning and dyeing.

Appointment of Administrator. THE STATE OF TEXAS To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice:

THE STATE OF TEXAS.

To all persons interested in the welfare and estate of Arthur Lee Land, deceased; D. P. Land was by the County court of Mitchell County, Texas, on the 29th day of April, A. D. 1925, duly appointed Temporary Administrator of the estate of said decedent, which appointment will be made permanent should the court be of the opinion that a permanent Administrator is necessary, unless the same shall be successfully contested at the next term of said court, commencing on the 1st Monday in July, A. D. 1925, the same being the 6th day of July, A. D. 1925, at the Court House thereof, in Colorado, Texas, at which time all persons interested in the welfare of the estate of said decedent may appear and contest such appointment if they so desire.

Herein fail not, but have you before said court, on the said first day of the next term thereof, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Colorado, Texas, this the 24th day of June, A. D. 1925. J. LEE JONES, Clerk County Court, Mitchell County, Texas. 7-3c

NOTICE IN PROBATE.

THE STATE OF TEXAS To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the estate of Mary S. A. Badgett, deceased; W. H. Badgett has filed in the county court of Mitchell County, Texas, an application for the probate of the last will and testament of Mary S. A. Badgett, deceased, filed with said application, and for letters testamentary of the estate of Mary S. A. Badgett, deceased, which will be heard at the next term of said court, commencing on the First Monday in July, A. D. 1925, the same being the 6th day of July, A. D. 1925, at the court house thereof, in Colorado, Texas, at which time all persons interested in said estate may appear and contest said application, should they desire to do so.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Colorado, Texas, this 24th day of June A. D. 1925. J. LEE JONES, Clerk County Court, Mitchell County, Texas. 7-3c

Monument Records Glorious Deed of Revolution.

Where Lake George enters Lake Champlain, in New York state, the French in 1756 set up a post which they named Fort Carillon. This became a concentration point for French expeditions under Montcalm and others. In 1758 the fort was attacked by 16,000 British under Abercrombie. Though the French had but 4,000 men they beat off the enemy, causing the latter a loss of 2,000 men. A year later Amherst with 11,000 men took the fort after the French had retired. By the time of the Revolution the fort was generally known by its Indian name—"Ticonderoga," a corruption of the Iroquois word "cheonderoga," meaning "sounding" water. On May 10, 1775, Ethan Allen and 83 Green Mountain Boys captured the fort

In Memory of Frontier Fighters.

and valuable stores. Captain Delaplace was in charge of the garrison of 48 men. He was asleep when Allen rapped on his door with a sword. "Your errand?" demanded the sleepy commander. "I order you to surrender," said Allen. "By what authority?" inquired the astonished officer. "By the authority of the Great Jehovah and the Continental Congress," Allen is said to have replied. Benedict Arnold was a member of the American expedition.

St. Clair and 11,000 Continentals abandoned the fort in 1777 on the approach of Burgoyne with a superior force. Colonel Brown with 500 men tried to retake the place, but after capturing 300 prisoners and many texts, besides releasing 200 Americans, he had to retire. After the Revolution Fort Ticonderoga became a picturesque ruin, but was restored to something like its original state at the expense of Mrs. Stephen Pell of New York in 1900. A monument to the Continentals, shown above, who fought in and around Ticonderoga was recently unveiled at that historic place. It is the gift of Horace A. Moses. The work, executed by Charles Keck, shows Liberty triumphant.—Pathfinder Magazine.

Tea Tax Stamp That Led to Revolution

The tea tax stamp which was one of the causes of the American Revolution. It is the exceptional property of C. Frederic Heyerman, Detroit collector and president of the American Philatelic association. The stamp is embossed, is blue in color and came

into use when England passed the stamp act tax in 1765. Very few of the stamps have survived the years. "Evil to Him Who Evil Thinks" is the translation of the words in the inner oval.

Lafayette's Pride in American Citizenship

The following anecdotes of Lafayette appeared in the National Gazette of August 28, 1824:

As Lafayette passed the house of the late John Hancock in Boston, the mayor said to him: "There sits the widow of your deceased friend." He immediately caught her eye, and in the most enthusiastic manner pressed his hand upon his heart. She burst into tears and exclaimed: "I have now lived long enough!"

A man, while in conversation with Lafayette, observed he spoke the English language remarkably well: "And why should I not," he replied, "being an American just returned from a long visit to Europe?"

When we took a glass of wine in company with several other men with the general, previous to his landing at the quarantine ground from the Cadmus, one of the party addressed him by: as marquis and general, and then asked him which he preferred. He hesitatingly and emphatically replied: "I am an American general."

FINE CROPS IN PROSPECT FOR ALL OF WEST TEXAS

BRADSHAW—Since the planting of crops in this vicinity, hardly a week has passed without this territory getting good rains. A heavy acreage in both cotton and feed stuff is in this year. Most all the crops are in fine shape, plowed and chopped out and with plenty of moisture to make feed, and enough to run cotton for a month or more.

O'DONNELL—A slow rain fell here last week putting out a good amount of moisture. Crops over this section are doing fine, but the rain will be of great benefit to them. Crops here have never suffered a day this season for want of rain, and indications for a large yield were never better.

STANTON—There was good rain fell at Stanton Thursday of last week and the rain fell slowly and practically every bit was absorbed by the ground.

Amarillo—There is one section of the Panhandle that will produce not only an average wheat crop but a good one. That is the community around Groom, in the extreme southeast corner of Carson county. The Groom section produced 600,000 bushels of wheat, with the average yield set at 25 bushels.

HASKELL—Haskell county, as well as the city of Haskell, the county seat of Haskell county, has staged a comeback since being crippled and retarded in growth by the dry years of 1917 and 1918 that swept this portion of the country like a great forest fire. Farm houses that were deserted during that period are now occupied by thrifty farm families, and fields that were left to the weeds are now being cultivated with the promise of the greatest crop ever produced in the history of the county.

GAIL—The State Highway Department has started construction on Highway No. 83, running through Borden county. A 10-ton tractor, with grader and a number of teams are being used. Concrete culverts and dips will be put in where required and the road put in first-class condition. This stretch of road will give a much needed opening of travel west, as it will connect Snyder, Gail and Lamesa with New Mexico.

AMARILLO—Announcement of plans for a five-story general office building and warehouse to be erected by the International Harvester Co., has been made by W. A. Fisk, manager of the company for the Texas district.

PLAINVIEW—One of the most cherished dreams of the builders of Plainview, and the people of the South Plains of Texas, will be realized with the building of the proposed Fort Worth & Denver South Plains main line from Carey, near Childress, to Plainview and on to Dimmitt in Castro county.

This line will afford the long wanted direct rail connection from Fort Worth to the South Plains. The Denver's proposal is the first to be made by the group of rail lines that for years have been watching with intense interest the rapid development of the South Plains country from an open cattle range to the most highly productive diversified farming section to be found in Texas.

CLAUDE—Farmers have again entered their fields to cultivate and into the harvest fields since the big rain of the first of the past week. The warm days following the rain have aided wonderfully in the growing of the crops. Work is plentiful in

this county, and the building going on in town uses many hands, as does the field work.

DESEMONIA—Crops in this section of West Texas are in first-class condition and prospects are good.

Call me for good Coal Oil in fifty gallon lots or less.—J. A. Sadler.

BIRTHDAY PARTY

Mrs. J. L. Hart entertained twelve little boys and girls with games on the lawn Monday, honoring the ninth birthday of her little son Gilliam. After the games a picnic lunch was served.

Miss Laundry Smith is visiting in Alpine with friends there.

Wedding Presents

Poor gifts for a bride, aren't they? Yet until a short time ago, most women had to spend many hours every week with them. Now, of course, with our laundry service ready to do the work carefully, thoroughly and promptly, the old need for "home washing" has disappeared. As a result fewer and fewer brides receive these "wedding gifts" that no one wants.

Colorado Laundry

Co-Operation

is the most constructive word in the English language. It is responsible for every step toward progress.

If this community grows to greater prosperity, it will be due to right co-operation between its citizenship and its banking institutions

Help your banker, through earnest, whole-hearted co-operation that he may be better able to render such service as is necessary to individual and community success.

COLORADO BE REPRESENTED AT VARIOUS CELEBRATIONS

Colorado is to be represented at a number of Independence Day celebrations Saturday, El Paso, Big Spring, Sweetwater, and Abilene drawing the largest quota of visitors from this city. Quite a few have made reservations for the trip to El Paso on the Texas & Pacific special, scheduled to leave Colorado Friday afternoon at 5:35.

Advertisement for Jake's Hotel, Rooms-Restaurant, Established 1884. Includes text: 'I have fed you for 35 years now I want you to sleep with me 35 years. Try my beds. 1st door north of Barcroft Hotel, across street from Burns' store. JAKE.'

Others go to Big Spring or Sweetwater where the American Legion posts are to stage Independence Day celebrations. Abilene will draw the largest number of Colorado people, who will go there Saturday to witness the annual automobile classics. Some of the nation's fastest race drivers are to entertain visitors at the Abilene Fair Park during the day.

Still others will motor to the country to spend the day quietly at some inviting fishing hole. Those who plan to spend the holiday in this manner are expected to reach large proportions as there are a number of good fishing streams and water resorts within automobile distance of Colorado.

Patrons of Colorado merchants are again reminded that stores here are, for the most part, to be closed for the day. All purchases usually made on Saturday should be made

Friday as an act of cooperation with the local business men who desire to spend the Fourth free of any business cares.

FEDERATION WOMENS CLUBS OFFER MANY SCHOLARSHIPS

The Texas Federation of Womens Clubs, in connection with various colleges and universities of the state, have made available many scholarships, which will be granted to boys and girls who may be able to satisfy the requirements of the conditions of the scholarships that the Federation offer. It is the aim of the Federation to help young men and women who need and desire a better education, but who have not the means to go to college. The club women have a fund out of which they make loans to college students. Besides this loan which pay tuition only in the schools fund, many scholarships are offered of the state. These are made possible through the efforts of the Federation.

Following is a list of schools that have scholarships available through the Federation of Womens Clubs: Southwest Texas State Teachers College, Sam Houston State Teachers College, West Texas State Teachers College, John Tarleton Agricultural College, Sul Ross State Teachers College, Southwestern University, Abilene Christian College, Baylor College, Decatur Baptist College, Trinity University, Clarendon College, Simmons University, Tyler Commercial College, Paris Business and Commercial College, Texarkana Business Brantley-Draughon Business College, Baylor University, and State University.

More scholarships are being added from time to time. Full information concerning loans, scholarships, and applications can be had by writing Mrs. Henry J. Gould, State and Loan Fund, T. C., Amarillo, Texas.

Notice—My ice house will close at 10 o'clock every Sunday morning, and open at 5 o'clock. Get your ice early—R. L. Spalding.

The Call of the Christ "From the far frontier on the border line, Where scattered hamlet are beaded on steel; From the roistering life in the camp or the mine, Where the lush of prairie grass follows the wheel; By the orchard rills of mountain dyk Where the cattle trail o'er measure less range; Where fitful, tropic warfares strike And the isles are rife with the fever of change; Where the missioner labors in parish wide, And the chapel car rolls to ministries new; From the lonely cabins of mountain side From plantation singers of dusky hue; Where immigrant throngs are streaming forth From Indian wigwam or frozen north— I hear the call which wakes with a start, The Call of Christ to me."

\$250,000 ROAD BOND ISSUE PROPOSED FOR 2 HIGHWAYS

Continued from page one. Information as might be proper, and the further reason that it was the desire of those present to have a larger representation of the citizenship of the county express themselves on the subject, no action was taken at the meeting Friday. Another mass meeting was called to convene at noon Friday of this week to be attended by not less than 100 men, representing every community of the county, at which time it is expected that petitions will be started requesting commissioners court to order the election.

The master of ceremonies at the parley Friday announced that every citizen of the county who was interested was extended an invitation to attend the meeting this week. Those proposing to be present, however, are requested to notify the chamber of commerce so that reservation for them be made at the luncheon.

Figures submitted by Tom Goss and Judge Thompson Friday indicated that a bond issue of \$250,000 would be required to finance construction of the proposed 65 miles of highway and build the necessary drainage structure. With supplement of State aid, this would bring the total improvement up to half million dollars. After this amount is expended, jointly by the State and county, the State would come in and place the paving material on the roadbed without a dime cost to the county.

SEVEN WELLS NOTES

My, wasn't that rain wonderful. We just wonder sometime if we are as thankful as we should be for the many blessings that we have received this year. Right here in our community, we can just see the crops, gardens, flowers and every thing else grow.

Mr. J. E. Wallace has been real sick since our last report. Also Miss Mildred Wallace has been real sick for the past week.

Mr. and Mrs. L. E. Robison's baby is on the sick list this week.

Grandmother King spent the afternoon Saturday with Mrs. L. L. Basham. Grandmother, as we call her, is eighty-six years old, and still she can get around and do lots of real good in this old world.

Mr. and Mrs. Sam Franklin spent a real pleasant afternoon at Seven Wells Saturday with their children.

Mr. Marion Venus has gone to Uvalde after his mother, who has been visiting her brother for some time. We will all be glad to see Grandmother Venus home again.

The 1923 Club will meet Wednesday with Mrs. U. D. Wulfjen. The study will be rug making.

DeMonte Basham has the world guessing what will happen the 4th.

Mr. W. H. Brown's Studebaker has been in the sanitarium for the last six weeks very bad off. But he got the right dope at last and fixed it all up and now he is wearing a real smile once more.

Mr. and Mrs. W. P. Basham, Mr. and Mrs. L. L. Basham, Mr. and Mrs. C. L. Simpson spent Sunday with Mr. and Mrs. P. M. Basham. Anyone always has a good time at P. M.'s

Quite a crowd met with Mr. and Mrs. J. E. Wallace Saturday night and ate ice cream until it didn't taste good. Nope, it wasn't any party.

The Bunch.

Miss Marjorie Way left Wednesday night for Mexico where she takes special work in Spanish at the University there. Miss Way has been the Spanish teacher in the high school here the past two years

Flapper, Too

The old time Indian brave, who used his squaw's hair for a bow string, would be out of luck these days. For Indian maidens now bob their hair, just like the "pale-face" flappers. Picture here is of Elsie Wren, National Park. She goes to school and she knows who George Washington and Abraham Lincoln were.

HIGHEST CASH PRICE for chickens and eggs at Colorado Produce Co.

STUDY COURSE

The Methodist Missionary Society met for the study course with Mrs. R. N. Gary, the teacher, Monday. The lesson was the chapter on Education in "Better Americans." Mrs. Hooker conducted the Bible lesson, the 22nd chapter of Acts. Plans were made to take supper to Little Blue Tuesday, where a baptismal service will be held for some of the recent converts who joined the church.

DESERVING OF THE HONOR

F. M. Burns, pioneer merchant and banker of Colorado, holds a distinct honor, and one of which he may be pardonably proud. For the 42nd, consecutive year, Mr. Burns has been elected treasurer of the Masonic fraternity at Colorado, a record believed here to be without a precedent in the country.

INJURIOUS PUBLICITY

Since publication of articles a few days ago in some of the large daily papers, in which the statement was made that the county judge of Mitchell county, the mayor of Colorado and a number of other prominent citizens of Colorado had petitioned the pardon of Jeff Brimberry, convicted for first degree murder in this county and given a term of 99 years in the pen, we have received much injurious publicity through some of the smaller newspapers and periodicals over the state.

After reviewing the case in an editorial last week, the Lynn County News, published at Tahoka, says: "We cannot understand why any citizen of Mitchell county would sign a petition for the pardon of such a brute as Brimberry. We think his kind should be kept in the pen until Hades freezes over."

An attorney of Ranger, who states that he represented Brimberry in obtaining the pardon, has addressed a communication to county judge Chas. C. Thompson in which he states that it was citizens of Mitchell county who signed petition begging for the restoration of citizenship of Brimberry. This, the attorney writes, occurred during the Hobby administration.

But this does not correlate with advances made by Governor Ferguson. Thompson has received a communication from the private secretary of the governor in which it is stated that the petition was signed by citizens of Madison county and that in so far as records in the case are concerned, the people of Mitchell county had nothing to do with the Brimberry pardon.

The people of Mitchell county are not to be worried over this affair. They know they had nothing to do with the case and appreciate the truth of that old adage, "Truth crushed to earth shall rise again." Mitchell county officials and others for our good citizens would not have signed the request for pardon, had they been requested to do so, owing to the fact they are familiar with the crime.

The First Baptist Church has received 56 members since the close of the Rayburn meeting. There are others to follow.

The serving of the flesh of wild birds protected by the migratory bird treaty act with meals in hotels, restaurants or other places is unlawful.

Colonial Memories Live Again in Carpenters' Hall Anniversary Celebration

There was undoubtedly some fervent brushing up on the data of our historical landmarks when the name of Carpenter's hall reappeared in the dispatches a short time ago, from the depths of a long Philadelphia oblivion, as the scene of a solemn ceremonial enacted on the occasion of the one hundred and fiftieth anniversary of the first Continental congress and the two hundredth anniversary of the founding of the company that built the hall, more than a century and a half ago.

Carpenter's Hall, Philadelphia, Where the Continental Congress Assembled.

great excitement, but it proved to be untrue. In a few days there arrived a courier with the familiar name of Paul Revere. "By Paul Revere," says the Boston Evening Post of September 26, 1774, "who returned express from Philadelphia last Friday evening, we have the following important intelligence."

The news he had brought to the congress was that General Gage had seized the powder magazines in Boston, and the "important intelligence" he brought back was the resolution of the congress pledging to their "suffering countrymen of Massachusetts Bay" the support of the first congress

of the United Colonies. The congress convened on September 5 and adjourned on October 26. Out of that session came the first declaration of rights, and while a semblance of loyalty was still maintained in respectful addresses to the king and to the English people, the first step toward national independence had been taken.

Harmony Club. Met with Mrs. J. M. Doss Wednesday. Her guests were Mesdames Harry Ratliff, Bob Price, W. L. Byron Byrne, Oscar Majors, Mrs. Marion Hardison and Mrs. Gary of Hollywood, Calif. Refreshments of honey-fruit salad and orange cake were served. The club disbanded for the summer. Next meeting will be with Mrs. Edgar Majors on first Wednesday in September.

The 20,000 inhabitants of Bermuda depend for their water supply upon the rain that falls on the roofs of their coral houses and flows into storage tanks.

Be Not Deceived

Baths are good. Electricity also is good—for light, heat, and power. Nevertheless a person of ordinary common sense knows that neither a bath nor electricity will correct an old chronic defective spinal condition. Your life and welfare each depend upon the condition of your spine, just as much so as the same depend upon your environment, intelligence, sunshine, air, water, clothing—and food that you eat. This being true, it is the better part of wisdom to use common sense and have that bad spine examined and corrected by a reliable expert in his profession near your own home town rather than go away and spend 3 or 4 times as much more money than is necessary. Think it over. The Palace and Mission Theatres show our movie films.

AN ORDINANCE

An ordinance regulating the keeping of horses, cattle, hogs, and other live stock within the corporate limits of the city of Colorado, Texas, and prescribing penalties for the violation thereof.

Section 1. From and after the passage of this ordinance it shall be unlawful for any person or persons to have, keep, or maintain, within the corporate limits of the City of Colorado, Texas, any horses, mules, cows, hogs, sheep, or other live stock, or to be in any manner interested in the keeping or maintaining of same, except for the purposes and on the conditions hereinafter stated.

Section 2. There may be kept at each home or place of residence not exceeding two milk cows, for the actual use of the family or people residing at such home or place of residence as milk cows.

Section 3. Any person using horses or mules as work animals, in his trade, occupation, or business, shall be allowed to keep not exceeding six horses or mules or both (not exceeding the total number of six of both), as long as same are actually used by him as work animals; provided that not in excess of six horses and mules shall be kept at any one place within said corporate limits of the City of Colorado, Texas.

Section 4. Provided further, that all pens, inclosures, and places where milk cows, horses or mules, or either of them, are kept or maintained, shall be, by the person keeping said stock, kept at all times in a clean and sanitary condition, and all trash, wastes, and refuse, removed from same.

Section 5. Any person violating this ordinance, or any provision of same, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than \$5 and not more than \$100; and each separate day that any stock is kept in violation of this ordinance, or places where stock are kept in an unsanitary condition, shall constitute a separate offense.

Section 6. If any section or part of this ordinance shall be held invalid, it is intended that the remaining portions of same shall not be affected thereby, but shall remain in full force and effect.

Section 7. This ordinance shall take effect from and after its passage and publication as by law prescribed.

Passed and approved this the 22nd day of June, 1925. R. H. LOONEY, Mayor, City of Colorado, Texas. L. A. COSTIN, City Secretary.

BAND CONCERT BE GIVEN AT TABERNACLE THURSDAY. The Colorado Gold Medal Band will give a concert of popular and classical selections at Union Tabernacle Thursday evening, M. S. Goldman, director, announced Tuesday.

THE BAPTIST SUNDAY SCHOOL CLASS of girls of which Mrs. C. E. Earnest is teacher, met with Virginia Thompson Tuesday for a business and social meeting. The following officers were elected: Charlen McCombs, president; Christine Vilos, secretary; Lola Murl Johnson, treasurer; Mary Dixon Smith, reporter.

PARTY FOR GUESTS. Mrs. R. O. Pearson entertained with 42 at the Legion Hut Wednesday morning from 9:30 to 11:30 honoring her sister, Mrs. Royall G. Smith, and her sister, Mrs. C. T. Harness of Ft. Worth, who are visiting here.

RECREATIONS NUMEROUS FOR TEXAS UNIVERSITY STUDENTS. One of the most enjoyable features planned for the entertainment of the summer school students of the University of Texas is the weekly play hour held from seven to eight o'clock every Monday evening.

HE'S KIDDING HIMSELF. A Colorado business man approached on the proposition of advertising his store in this paper the other day made the statement that advertising didn't pay and that three-fourths of the money spent on advertising was wasted.

BUCKNER ORPHANS HOME IS IN DIRE need for money at this time. It seems that folks have lost interest in the cry of orphan children. Wonder why? The attention of the people maybe have not been called to these needs as should have been done.

advertising and give a little attention to the proper preparation of his copy, the money so spent would not be wasted but would return to him many times in increased sales.

The merchant said that his customers called for this article and for that one, quite frequently. When asked why his customers wanted things made by certain companies, the merchant replied that he supposed they had used them before and found them to be worth the money.

There was organized at the Union Tabernacle last Sunday a United Brotherhood. Two objects for the organization. One to foster prayer and evangelism and the other is to help keep Colorado clean.

BUCKNER ORPHANS HOME IS IN DIRE need for money at this time. It seems that folks have lost interest in the cry of orphan children. Wonder why? The attention of the people maybe have not been called to these needs as should have been done.
