

DISAPPOINTMENT ENTERS MITCHELL COUNTY AGAIN

State Highway Dept. Will Not Accept Highway Until Jan. 1

Still another disappointment came to Mitchell county Saturday when action of the State Highway Department deferred to some future date its pledge to take over maintenance of State Highway No. 101 from Colorado to Sterling City. The department had previously promised to take over this highway in July.

The county completed its work of placing the road bed in good condition last week and Tom Goss, district supervisor, went to the district highway office in Snyder Saturday to turn the route over to the State. Goss was informed that the highway would not be taken over before January 1 and his demand that the State comply with its part of the bargain came to no avail.

Several months ago the State designated this road as a highway and pledged with commissioners court of Mitchell and Sterling counties to take over the highway July 20. Heavy rains of a few weeks ago delayed Mitchell county in meeting departmental specifications as to condition of the road and it was then stated that the highway would be taken over when finished. Goss, after an inspection of the road, went to Snyder Saturday to deliver it to the department, with results as noted above.

Goss stated Saturday that his crew of 15 men, heretofore allowed on the two highways in this county by the State Department, had recently reduced to only four. A few days ago he received notice to reduce his monthly maintenance expense account from \$2,800 to \$1,100 per month. Saturday he received notice the Mitchell county allotment had been cut to \$600 a month.

It will be impossible for the district highway supervisor to maintain the sixty-five miles of designated highways in the county on that amount. Should the roads suffer heavy damage from washouts or other causes they are likely to become in an almost impassable condition unless the county should assist in bearing some of the maintenance expense.

In meeting its part of the contract to deliver highway No. 101 to the State, commissioners court has recently expended large sums of money on the road from Colorado to the Mitchell-Sterling line. The court had no intimation the State was to take action as made public Saturday until after the highway had been graded and placed in good condition.

Commissioner Jno. D. Lane of the Spade precinct and who controls much of the highway south of Colorado, was here Saturday afternoon but had nothing to say when informed of action of the highway department. Lane desired to obtain definite information as to cause of the action before making any statement.

That section of the highway connecting Colorado and Snyder was taken over by the State several months ago and is being maintained by that department. Goss stated Saturday that he would do the best he possibly could with the limited men and finance placed at his disposal by the department.

Broadus Sells Market to O. F. Weidenbach of Putnam

O. F. Weidenbach, recently of Putnam, has purchased the fresh meat department at the H. B. Broadus & Son Grocery and assumed management Wednesday morning. Weidenbach stated Tuesday that he would install new fixtures and make of the place one of the most attractive markets in the city. The market will be operated in rear of the building housing the Broadus grocery.

METHODISTS WILL OPEN BIDS ON NEW BUILDING TUESDAY, AUGUST 10TH

The entire program having to do with erection of the projected Sunday school annex at the First Methodist church is in excellent shape and the committee will go ahead without further delay in actual construction. Hon. W. P. Leslie, chairman of the building committee of the church, announced Sunday morning at the church.

Judge Leslie stated that plans as submitted by L. H. Gaskins, Colorado architect, had been approved by the committee and other preliminaries completed. "We are going ahead with construction work on this building and hope to have it completed at the earliest possible date," he said.

Rev. J. F. Lawlis, pastor of the congregation, announced that bids would be opened Tuesday, August 10, at which time the committee expected to award contract.

Judge Leslie requested that all subscribers to the building fund who had not paid the amounts now due on their pledges call at the City National Bank without delay and make payment to C. E. Pritchett, building committee treasurer.

The building will be two stories of brick and stone construction and will be used exclusively for Sunday school purposes. It is to be the first of a projected new church. The annex will front on Fourth street, immediately west of the church building.

Work Delayed on Hotel Colorado Several Days

Henry Sisk, construction superintendent on Hotel Colorado building, reports that he has been delayed several days on account of failure of boiler to arrive. The large boiler to be installed in basement of the building has been shipped from the factory but had not arrived here the first of the week.

Sisk stated that he would not be able to proceed with construction work until the boiler is installed and the re-inforced concrete cover over the structural concrete and steel supporting columns are going into place and these will be filled rapidly when the delayed equipment arrives.

Chesney Withdraws From Race for Sheriff Office

W. J. Chesney, runner-up for sheriff and tax collector in the recent Democratic primary election, announced here Wednesday that he had definitely decided to withdraw from the second primary and would not prosecute his candidacy further. In the statement issued for publication the former sheriff stated that he appreciated the support given his candidacy and was withdrawing with nothing but the most kindly feeling for every citizen in the county.

Chesney ran in second place, with R. E. Gregory, present deputy sheriff, leading the field. Chesney and Gregory would have contested the office in the second primary election to be held this month had he remained in the race. Withdrawal of Chesney will give the nomination to Gregory without any further action upon part of the voters.

Plasterers Begin Work on Palace Theatre Bldg.

Plasterers have been started on the Palace Theatre building, annex to Hotel Colorado. This building will be rushed to completion, Henry Sisk, construction superintendent, announced. Several days will be required for the large force of artisans to complete interior work at this building.

FULL TIME SECRETARY TO BE EMPLOYED BY C. OF C.

Mrs. L. B. Collier Named As Temporary Official By Directors

That the Colorado Chamber of Commerce will hereafter employ the services of a full time secretary was determined by directors of the organization Tuesday morning. The board was called in special session by the president to consider employment of a successor to W. S. Cooper who is leaving Colorado August 15 to make his home in Breckenridge.

"The time has come when this organization must have the services of a full time executive, and to be sure we should obtain none but the most efficient," Dr. Coleman, president of the organization, stated in an address before the meeting Tuesday morning. "I believe that we should use discretion and not act too hasty in the premises, but act only after we have found the man we believe to be especially fitted for this important post."

Mrs. L. B. Collier, until recently assistant secretary of the chamber, was elected as temporary secretary, pending election of Cooper's successor. Mrs. Collier is now in California but is expected to return to Colorado August 10.

"Mrs. Collier is thoroughly efficient and understands the work out of this office," Dr. Coleman stated. "We are making no mistake in placing her temporarily in charge."

J. H. Greene, vice president, and other officials present concurred with the president and expressed their determination to give to Colorado the very best commercial executive possible to obtain.

In order to finance the increased budget it will be necessary to raise additional monies through new membership pledges and increases to those already in effect, it was declared. Officials attending the meeting expressed the belief that the business and professional interests of the city would readily supply the needed finance to guarantee employment of a full time secretary. Greene was named as general chairman of the committee to conduct drive to raise this fund. J. Riordan, J. Ralph Lee, C. R. Farris and L. B. Collier are other members of the committee.

The appeal is made to the entire citizenship of Colorado to rally to support of the chamber of commerce in this drive. Owing to the fact the secretary heretofore has been able to devote only half of his time to the chamber, much important work which should have been given attention was of necessity neglected. With a full time man in the office the organization will be enabled to render a much broader and effective service than was at all possible under the old rule.

Nolan Democrats Endorse Mauzey for District Job

Judge A. S. Mauzey of Nolan county was endorsed for appointment to succeed Hon. W. P. Leslie as judge of the 32nd judicial district in resolutions passed by Nolan county Democrats in county convention assembled at Sweetwater Saturday afternoon. Judge Mauzey was recently elected to the third term as judge of Nolan county by an overwhelming majority.

Nolan Democrats also paid their respects to Governor Ferguson for refusal to resign in keeping with pledge made in the challenge to Dan Moody. Resignation of the governor and validation of Texas bonds were demanded "immediately."

Mr. and Mrs. R. U. Bean and daughters returned Tuesday from a three weeks tour through California, Utah and Colorado. They were accompanied by Mrs. T. S. McKinley and daughter from Hamilton. Mr. Bean says never again as that country doesn't suit him.

AUTOMOBILE WRECK ON BANKHEAD HIGHWAY IS FATAL TO SMALL BOY

Carl, five, son of Mr. and Mrs. Jess L. Wilson of Dallas, was killed and Mrs. Wilson painfully injured when the large touring car being driven by Wilson collided with another automobile Monday afternoon on the Bankhead highway six miles west of Colorado. Wilson, Mr. and Mrs. J. W. Jones of Seadrift, parents of Mrs. Wilson, and another small son, Toyman, escaped with slight injury.

The other machine, a small coupe, was being driven by L. W. Wagner of Sweetwater, traveling salesman representing Wade Bros., wholesale meat distributors. Both machines were demolished.

Dr. P. C. Coleman happened along shortly after the accident and gave the injured first aid attention. He brought the body of the dead boy in to Colorado and other members of the Wilson party were later brought to the Barcroft Hotel where they were given medical attention.

Mr. and Mrs. Wilson went to Dallas Monday night by train and Mr. and Mrs. Jones left here Tuesday morning with the body of the boy.

Wagner was carried into Westbrook and later to Sweetwater. He received painful injury to his back.

The Wilson family were driving east and were returning from a trip to Colorado and Yellowstone National Park.

"Big Jim" Cantrell Will Soon Corral Wolf Pack

Coach Jim Cantrell will soon issue the call for all prospective grid candidates who expect to represent the famed Colorado high school Wolves this season to report for preliminary conditioning and for instruction in the fundamentals of the game. "Big Jim" will be faced with the problem of developing a team from a small nucleus of letter men. Among the last years players who will not return because of graduation or ineligibility are such stars as "Moco" Grantland, John Helton, Hugh Elliott, "Bud" Flint, Walter Carr, Bill Black and others.

This year's team will be built around such line men as captain Mike Smith, Dorn, Thompson and Plaster. The coach will depend upon Gist, McCurry and Vowell to tote the hog hide over the chalk line.

A large array of last year's subs and new material will be available to plug the gaps left by last season's veterans.

The schedule for the season will call for fewer games but will include stronger teams as opponents. Among the prospective opponents are Stamford, Hamlin, Merkel, Sweetwater, Big Spring and weaker teams. To win fifty per cent against such competition will constitute a successful season. We are for "Big Jim" and the Wolves and believe they will do it.

Chamber Commerce Board To Hold Executive Meet

The first executive session of the recently elected executive board of the Colorado Chamber of Commerce was to have been convened Thursday evening of this week at the Barcroft Hotel at 8:30 o'clock. Change in the time for holding these meetings was made recently. Heretofore the meetings have been convened at 6:15 but owing to the extreme hot weather during the summer the directorate recently changed the hour to 8:30.

The meeting will be one of considerable importance, Dr. Coleman has announced. In addition to attending to routine matters, the question of employing a secretary will probably be taken up again. The board has already held two meetings this week to discuss employment of a secretary but announce that nothing definite has been done.

Every official and director is urged to be at the meeting on time. Luncheon will be served before the business session is called.

STRONG SCHOOL MAN IS ELECTED HIGH PRINCIPAL

Colorado Schools To Open With Strong Faculty In September

O. E. Wilkins is new principal of the high school for session 1926-27. Mr. Wilkins comes highly recommended as a man of excellent training and sterling character. He has formerly served as principal of the high school at Lancaster, Dublin, Hubbard and Nova Soto. Mr. Wilkins is a graduate of Trinity University and has done graduate work in the University of Chicago and in the School of Business Administration of the University of Southern California at Los Angeles. Since the election of Mr. Wilkins the faculty of the Colorado schools is complete with the exception of the head of the high school mathematics department which position will probably be filled by a strong man this week.

Barring the certainty of crowded conditions in the high school prior to entering the new building, everything points to a very successful session for 1926-27. By retaining a large percentage of last year's faculty and by filling vacancies with strong teachers of experience the prospect is that the standard of instruction and of scholarship will be appreciably raised.

It is impossible to announce just what reorganization of the curriculum of the high school can be affected during the coming session due to the uncertainty of the date of delivery of the new building to the school board. Equipment has already been purchased for the laboratories, including that for home economics for girls and manual wood work and mechanical drawing for boys. Other equipment will include that for the commercial department. A strong effort will be directed, according to Supt. Norman, to completely affiliate the high school this year. A good start was made last session when affiliation was secured in economics, typing and commercial arithmetic. The Board of Education is expecting to add another teacher to the high school for the coming session. This teacher will relieve the Spanish and English departments. It is highly probable that a complete business course will be offered during the last semester.

While no statement has been authorized it now appears that it will be impossible to admit unders to the public school this year. However, if the number of unders is sufficient to warrant a teacher for full time there is a possibility of their admission. In view of the many comprehensive construction measures advanced by the board of education under the able leadership of Mr. H. L. Hutchinson the president it looks as if Colorado was soon to possess one of the complete equipped plants, ably ordered and manned by a superior faculty in the entire West Texas. Other schools and towns are daily commending city lets not forget the greater task our progress. In the progress of the of endowing our youth with character, patriotism, and useful knowledge.

Work Progressing on Home of Colorado Country Club

The contractor is making good progress on the attractive club building at the Colorado Country club property northeast of the city. The building, to cost \$12,500, will be among the most conveniently arranged and attractive resort homes in this section of the State. W. W. Whipkey is supervising architect and F. H. Strong general contractor.

H. L. Atkins, county farm agent, and Miss Ives Belle Jones, home demonstration agent, are at College Station this week attending the annual Farmers Short Course at A. & M. Miss Jones has two of her club girls and Mrs. C. H. Thomas, all of whom are prize winners in home demonstration club contests, with her.

DR. HAMILTON RETURNS FOR REVIVAL MEETING AT UNION TABERNACLE

Dr. O. E. Hamilton of Mountain Grove, Mo., well known evangelist in the Christian church, has returned to Colorado to conduct a revival campaign at Union Tabernacle. The services were opened Thursday evening and are to continue several days. Dr. Hamilton held a meeting here two years ago and will be remembered by Colorado people as one of the most forceful pulpit speakers ever holding religious services in the city.

Rev. J. E. Chase, pastor of the First Christian church, announced Wednesday that members of his congregation were highly elated over success in obtaining this man for the meeting. The First Christian congregation extends a cordial invitation to the general public to attend and take an active part in all of the services.

Judge Hickman Lauded by Prominent Breck Attorney

Hon. J. E. Hickman of Breckenridge, candidate for associate justice, court of civil appeals, place No. 2 at Eastland, was in Colorado a short time Wednesday morning in interest of his candidacy. Judge Hickman was accompanied by Judge J. L. Goggans, also of Breckenridge. "We consider Judge Hickman one of the outstanding attorneys of the State and a jurist of the peculiar type we need on our supreme court benches," Judge Goggans stated. "His record as a jurist has always been of the character to meet commendation by the people. Voters of the 11th supreme district of Texas can make no mistake in voting for this man in the run-off primary election to be held this month."

Judge Hickman is prominent in affairs of the Southern Methodist church. He is a member of the board of regents of Southern Methodist University at Dallas and several times has attended general conferences of his church to take an important part in the sessions. The Morning Tower Bible class of the First Methodist church at Breckenridge is taught by him.

Judge Hickman left Colorado Wednesday for Dawson county where he had been called on professional business. While here he enjoyed a visit with Dr. C. L. Root, whom he has known intimately for many years.

Mother Oran C. Hooker Dies in City Saturday

Mrs. J. C. Hooker, mother of Oran C. Hooker, first Mitchell county casualty in the World War, and for whom the local American Legion post was named, died at the Colorado sanitarium late Saturday following an illness of several days. She is survived by her husband, J. C. Hooker, prominent citizen of this city, and four children.

Funeral services were conducted at the First Methodist church Sunday afternoon by the pastor, Rev. J. F. Lawlis. The church auditorium was filled with relatives and friends of the family and the automobile caravan to follow the body to I. O. O. F. Cemetery was one of the longest funeral processions recalled in Colorado.

The pastor paid a fitting tribute to life of the deceased. Ladies of the Woman's Missionary Society of the church, of which Mrs. Hooker was an active member, acted as bearers of the beautiful floral offering at the church and cemetery.

Mrs. Hooker was buried beside her son, Oran, whose body was shipped home from France a few years ago and buried in the family plot at J. O. O. F. cemetery with honors.

A card from Mr. and Mrs. A. L. Whipkey at Laramie, Wyoming, says we are lost in the mountains but still on the way. Will return home via Omaha, Chicago and Ind. Will visit a sister in Nebraska whom we have not seen in 40 years, will be home some time in September.

DALLAS MAN WILL BECOME ASSOCIATED WITH RECORD

Nathe W. Bagby, of Dallas News, Will Succeed W. S. Cooper

F. B. Whipkey, manager of the Whipkey Printing Company, publisher of The Record, announced Thursday morning that Nathe W. Bagby, editorial staff member of the Dallas Morning News, had been employed to succeed W. S. Cooper as news editor on The Record. Mr. Bagby telegraphed the Whipkey Printing Company late Wednesday that he expected to arrive in Colorado Monday.

"Bagby has been a member of the Dallas News editorial staff for three years and is considered one of the best news and editorial writers of the country," Whipkey stated Thursday morning. "Before coming to Dallas he was associated with the daily and Weekly Yoakum Herald in the capacity of city editor. His career in the newspaper field has been unusually successful for a young man thirty years of age."

"Owing to the fact The Record will continue to grow with development in the city and county it represents, the management has determined to obtain services of a successful newspaper man for full time," Whipkey continued. "Heretofore the news editor's desk and secretaryship of the chamber of commerce have been filled by one man and the duties of both have grown to the extent to make it a burdensome task for one man to do the work. With an able man devoting his entire time to The Record we expect to further improve the paper, already conceded by our many good friends here and throughout the country as one of the best weekly newspapers published."

Contract with the Dallas man was made after careful consideration of a number of applications for the place, Whipkey said. The publisher of The Record declared that he was determined to give the public of this city and county the best news and advertising medium possible, and to that end had employed the best man available for the important place of news editor.

Whipkey requested that the Colorado public continue to lend its support in giving interesting news items to representatives of the paper. "Mr. Bagby will be pleased to form the personal acquaintance of every citizen and we ask you to stop in the office and meet him," he concluded.

Small Interest Expected To Develop in Election

With Dan Moody leading the entire field for governor with a small majority over all other candidates, interest in this contest, which under the heat of a run-off primary, would have developed most interesting, voters are not expected to manifest near the normal import of the forthcoming second primary.

Here in Mitchell county the second primary election will be considerably reduced as to the number of candidates further contesting county and precinct offices. Announcement by W. J. Chesney Wednesday that he was leaving the field open, makes it unnecessary for a second election in the sheriff's contest. In the race for tax assessor, however, two strong men are still in the running and much of the political horizon will be centered about these.

Mitchell county will have small interest in legislative and district candidates in the second election. Hon. W. P. Leslie of this city has already been nominated for a place on the supreme bench at Eastland, Judge J. C. Hall has won his race for representative. Announcement of Tom Terry, public weigher, that he would not compete for re-election against H. D. Womack, will make the second primary unnecessary in this instance also.

Mr. and Mrs. Stedman are spending their vacation in Evergreen, Colo.

SOCIETY

Bridgettes
The Bridgettes met Thursday with Miss Elsie Lee Majors. There were nine tables of players, six of whom were invited guests. Mrs. Charles Reams Earnest made high score and Mrs. Max Thomas low. At the close of the game a refreshment course of perfection salad, potato chips, bread and butter sandwiches, olives and iced tea was served. Miss Eleanor Thomas is hostess this week.

Junior Missionary Society
Mrs. Lawlis was hostess for the Junior Missionary Society Monday. In the absence of the regular leaders Mrs. Merritt and Miss Nelda Garrett conducted the study.

Darrell Bailey had the scripture lesson, Nelda Garrett and J. C. Garrett each read a story. Mrs. Merritt

told of the Brazilian paper for Juniors. The society voted to send a note of sympathy to Mr. Hooker, since Mrs. Hooker while having no Juniors of her own always entertained them each year and her time was to have been in the next two weeks. So the Juniors feel that in common with the rest of the church they have lost a friend. There was one visitor present.

At the close of the meeting the hostess and her daughter, Miss Maude served soda pop and cookies. The next meeting is to be with Mrs. Winn.

Presbyterians Close Bible School

Miss Opal Isham who is sent out by the El Paso Presbytery to conduct Daily Vacation Bible School closed a very successful one Friday evening at the church. This was held ten days with a good attendance, local women teaching various classes, Miss Isham having general supervision and teaching the hand work. Friday evening was commencement and a program of songs, memory work and other departments studied was given at the close of this the hand work which was on exhibition in one of the Sunday school rooms was viewed by the congregation. Those who enjoyed the program felt that this work had been well worth while.

Young Peoples Missionary Meeting

The Methodist Young People met Thursday with Mrs. Leslie Thomas. Mrs. McCleary read the lesson from Acts. Mrs. Thomas asked the question. Miss Emma Wumack led in prayer. The mission study was postponed and Mrs. McCleary told of the new plan of Young People's Week. She told of the new secretary, Mrs. Stephens. The standard of excellence and gave a suggested outline for the work of each month in the

year. She told in a most interesting way of her studies at Mt. Sequoyah and the interesting people she met. Mrs. Merritt outlined a plan of social service work, and told of her studies at the Western Assembly. Mrs. Leslie spoke of the needs of opening our minds, of making our vacations and all we did increase our knowledge and efficiency. At the social hour banana ice and devil food cake was served. Mrs. Johnson and Miss McKilrick were guests.

Missionary Auxiliary

The Missionary Auxiliary met Monday with the president, Mrs. Euell Thompson who had a porch special. The time was spent in making plans for fall work and rearranging the various departments. A splendid number of the members were out and a most pleasant afternoon enjoyed. The hostess served fruit salad, wafers and iced tea. The meetings will be continued each Monday throughout the summer.

Missionary Auxiliary

The Presbyterian Missionary Auxiliary met Monday at the church. In the business session it was decided to organize a girls auxiliary. Mrs. Coleman was leader of the program the principal item of which was a most delightfully interesting letter from one of the African missionaries. There was a good attendance considering the members who are on their vacation and the interest in all departments of the work remains good.

Birthday Party

Wednesday was Katherine Hambrick's fourteenth birthday and her aunt, Miss Katherine Buchanan, surprised her with a very delightful birthday party. A number of her

girl friends were invited in at three o'clock, and played buncle, there being three tables of players. Sandwiches and punch was served at the refreshment hour, followed by individual birthday cakes and ice cream. The porch of the Buchanan home resembled a flower garden with this dainty group of sub deba on it and vied with Mrs. Buchanan's beautiful lawn in loveliness and color.

Baptist Business Meeting

The Baptist Ladies met Monday in the church in a business meeting. In the absence of the president the vice-president, Mrs. C. E. Farris, presided. After attending to the regular business the missionary meeting for next Monday and election of officers for the third Monday was arranged for and the meeting adjourned.

Mrs. Porter Entertains

Friday afternoon, Mrs. Jeannette Porter entertained for her friend Miss Mabel Smith, there were four tables of bridge and one of 42. No record of scores was kept, but the honor was presented with a bouquet of beautiful roses. A salad course was served by the hostess assisted by her sister, Miss Earnest. The friends of Miss Smith enjoyed not only Mrs. Porter's delightful party but the pleasure of having her home again.

Harmony Club

The Harmony club met Tuesday with Mrs. Barcroft. Her guests were Mesdames Pligeon, J. T. Johnson, Shannon and Hendricks of Wichita Falls. A most pleasant afternoon was enjoyed. The hostess served orange, ice white and black cake and purple grapes.

Christian Missionary Society

Mrs. Broadus was hostess for the Missionary Society Monday. The topic was Messages from Far and Near. Mrs. Ed Jones was leader. She read as her Bible lesson, Cor. 13 chapter. Mrs. Majors had the message from China. Mrs. Pond the one from Japan. Mrs. Chase from the Negro school at Edwards, Miss. Mrs. J. E. Jones the Mexican school at San Antonio. This was a very interesting program and much enjoyed by all. Mrs. W. A. Crowder was a guest. Ice cream and cake was served.

Do You Buy Economical Mileage?

What is it that you really buy in a tire? Its Mileage. Then in the end the most economical tire to buy is the one which delivers the greatest number of UNINTERRUPTED MILES of service. Divide the number of miles obtained from any tire into the price paid for it. This is the only practical way to find the real cost of the same. Prove this on your own car.

Punctures and road troubles are annoying. Now its the EXTRA PLIES of the finest cord fabric in the DAYTON "Thorobred" which renders it puncture resisting. Besides its walls are rut-proof, and in its entire construction only the very best tire materials obtainable are used. Is it any wonder that the DAYTON renders the remarkably great mileage it does as compared with other brands on the market?

It was DAYTON that developed the pioneer Low Air Pressure tire---the Dayton Thorobred Cord. Today, on thousands of cars in Texas this revolutionary tire is delivering COMFORT as well as long and economical mileage obtainable only in Dayton Cord construction. End your tire troubles. Put on Dayton's.

CHURCHES

BAPTIST NOTES
 Our congregations are holding up well. Many have been away during the summer months but some are back and will swell the audience from now on. Some of the "old guard" are playing off on the job but we hope to have them all back next Sunday. Some are violating the law each Sabbath but we hope they will quit it and do their duty in the church. The way of the transgressor is hard and these folks are going to find it to be true in their own experiences unless they quit trampling Gods Sabbath under their feet. Some folks are living as if they had no notion of God at all. Many church members in Colorado are spending more time playing golf on Sunday than they spend in God's house all together. We speak a word of warning to the thoughtless. God is not mocked, whatsoever a person sows that will he or she reap. We plead with our people for a deeper consideration of God and His cause. Don't let the devil use you as if you were a plaything in his hands. Folks, you cannot trifle with God and get by with it all the time. If you will go back and read your Bibles you will see how sin was treated in the past, or rather those who committed sin.
 So, brother, sister, raise your standard of conduct a little and give God and His cause first consideration in your life.
 Meet with us next Sunday morning at 9:45 and help put over a real religious program on the Lord's Day for Him.—M. C. BISHOP, pastor.

METHODIST CHURCH
 Sunday school 9:45 a. m.
 Preaching services 10:45 a. m. to 11:30 a. m.
 Evening Epworth League 7:15 p. m. Preaching 8:15 p. m.
 We will start our building soon—the committee is to meet the tenth of August and award contract.
 We will hold our meeting September 5 until September 15 or 19. Rev. E. N. Parrish will conduct this meeting. We are working for a good meeting and feel that we are going to have it. We want every body to help us. More the next week and the next. Come to church Sunday and you will enjoy the day much better than you will if you stay at home and fight the heat or go to the woods or fields. Try it and see. Sunday morning we will speak on "The Staff of Life," Sunday evening on "Are you Near-Sighted?" You are invited to worship with us.—P. LAWLIS, pastor.

FIRST CHRISTIAN CHURCH, COLORADO
 To Conduct a Revival Meeting
 The Rev. O. E. Hamilton, Mountain Grove, Mo., will conduct a revival meeting for a period of two weeks for the First Christian church beginning Thursday evening August 5th. The services will be held at the Tabernacle each evening at 8:00 p. m. A cordial invitation is extended to all to attend and co-operate in the meeting.
 Rev. Mr. Hamilton, it will be remembered, held a meeting in this city some two years since and made many friends who will be glad of the opportunity to hear him again.
 The members of the Christian church had not planned on a revival at this time, but a message was received from Mr. Hamilton last Sunday in which he indicated he could give the church this date and it was decided to have him come for a short meeting.
 He will not have a singer with him, but will depend upon the local talent for the music. All who will assist in the singing are earnestly invited to take part.—J. E. CHASE, pastor.

PRESBYTERIAN CHURCH
 Sunday school at 9:45. J. M. Thomas superintendent. If you are not in Sunday school somewhere else come with us. We have fine teachers and you will enjoy the association and fellowship. Come with us and you will help us and we will try to help you. Preaching and worship at 11 a. m. and 8 p. m.
 Christian Endeavor at 5:30 and 7:30 p. m.
 All strangers and visitors are given a cordial welcome.—W. M. ELIOTT, pastor.

Senator Jesse R. Smith of Breckenridge was registered at the Barcroft Sunday night. Senator Smith stated that he was delighted with the news that Judge W. P. Leslie of Colorado had been elected to a place on the Civil Court bench at Eastland.

Quality

— a Pennsylvania Product

"At Last—a tire that eliminates all balloon shortcomings"

We honestly believe that the new PENNSYLVANIA BALLOONS do just that. They are not the result of any sudden inspiration, but are the result of exhaustive road tests, changes, and gradual development.

To withstand the load under low pressure we have cushioned the tire between the plies. The new flat-contour tread is moulded to give the utmost road contact, assuring greater traction, freedom from skid, and the most even tread wear known to any balloon tire. The center rib provides wonderful ease of steering.

Drop around to our new filling station on second street and let us show you, and tell you all about the best balloon and regular tires being made today.

Mitchell County Democrats Pour It On the Fergusons

Following account of the Mitchell county democratic convention, held in Colorado Saturday afternoon, was published in the Sunday morning Sweetwater Reporter, under Colorado date line:

Declaring the Ferguson administration to have been the blackest chapter in the political history of Texas not excepting the E. J. Davis administration, Mitchell County Democrats assembled in convention here this afternoon bitterly assailed the action of the governor in refusing to comply with her challenge to Moody.

"We demand immediate resignation of Governor Ferguson and the convening of a special session of the legislature to validate Texas bonds. 'Immediate' as used by us in this resolution does not mean September 11, 1926, but now."

All delegates elected to district and state conventions are in support of action taken by the county convention.

GENERAL NOTICE TO THE PUBLIC

To the Voters of Mitchell county:

I take this method of thanking each and every one of you for the liberal support you gave me in the recent primary election. While it was not enough to elect, it gives me a great deal of pleasure to know that I have so many true and tried friends who always stay with me.

I have fully made up my mind to withdraw from the second primary election, and wish to state that I have no ill feeling toward anyone and can only wish everybody well and I trust that should any of my friends ever be in position to receive a favor that I will be in a position to grant it.

Again thanking one and all for past favors and advising the public that I here and now withdraw from the second primary, I am a true friend to the citizenship of Mitchell county.—W. J. CHESNEY.

Mrs. Laura Robinson, wife of Fred B. Robinson, editor Times-Herald, Waco, is here this week on a visit to the guest of Mrs. F. B. Whippley (Aunt Rose) and is enjoying a week's rest from her labors as society editor and pen woman of the State. Mrs. Robinson is well known over the States as a Federated club woman, ex-president Texas Woman's Press Association, political campaign manager, civic work and pen woman of the South. She will likely return home Sunday, preparatory to making a California trip.

Terry Will Open Market And Grocery on Elm St.

J. M. Terry, for several years engaged in the cafe business at Colorado, will open a market and grocery in the Price building on Elm street at an early date according to announcement made last week. The new business will be opened in building recently vacated by the Carter Motor Company.

Mr. and Mrs. W. E. Reid are home again from their four weeks vacation trip via the U. S., crowding 4 weeks into two, Reid says. "The worst thing about a vacation trip is seeing the two weeks appropriation evaporate in ten days." Anyway they are home again and will take up the work of publishing this great religious weekly next week.

BRICKBATS AND BOUQUETS

Tom Brennan at Sterling City bawls the editor out as seen below. Whiskey Printing Co., Colorado, Texas.

Gentlemen: Why are we not getting the Record lately? Ed Snowden tells me he has not received a copy since he ordered his paper sent to Sterling City, and I have not seen the paper in several weeks. We have not heard a word about the Mitchell Co., primary. Suppose you people have left town, either attending one of those "quit right now" conventions or trying to prevail on "Ma" to get into a runoff.

In conclusion will say that I saw our old friend W. F. K. yesterday he tells me that he has not received his exchange. This is the "limit." He told me that if we did not get our papers next Friday, he would go along with Ed and me to Colorado; next week, and administer on your estate—sabe?

Please send me the issue of July 30 as I would like very much to hear results of republican primary at Colorado, Lorraine and Westbrook.

Yours truly,
T. G. BRENNAND.

Family Picnic

Wednesday evening the Whippley families had a picnic supper out at the Country Club in honor of Aunt Rose's guest Mrs. Fred Robinson of Waco. Those in the party were Mr. and Mrs. F. B. Whippley, Walter Whippley and family, Miss Sallie Buchanan, Mr. and Mrs. Oscar Price and daughters, Mrs. Robinson and Mrs. J. G. Merritt. A bountiful feast of chicken, salads and all the good things found at picnics was spread on the rocks and thoroughly enjoyed by every one.

Birthday Party

Wednesday was Billy Thompson's ninth birthday and both he and thirty five of his little friends enjoyed it to the very fullest. First there was a picture show party at the Mission where a wonderful western thriller was viewed then refreshments of ice cream cones, and then games and good times on the Thompson lawn until it was time to go home. All went home wishing for Billy, Jr., many happy returns of the day, while he was still more happy because of the gifts left by his little friends.

Rayburn Circle

The Rayburn Circle met Thursday with Mrs. Wolff, Mrs. Meriweather had the Bible lesson. Mrs. Greer the lesson on foreign missions. There were nine members and four guests present. The hostess served cake, pickles and tea. The September meeting is to be with Mrs. DeGarmo with Mrs. Elliott as leader.

Mr. and Mrs. David Harrell of Ft. Worth and son Francis of Ft. Bliss have returned home after a visit to Mrs. Harrell's father, F. M. Burns.

Miss Sallie Buchanan of Big Spring is visiting her sister Mrs. W. W. Whippley.

D. N. Arnett returned Wednesday from Post and Lubbock.

Henry Doss, Jr. has returned from a very delightful trip through Colorado and the northwest.

Mr. and Mrs. Smith of Waco have moved into the Hooker place.

Miss Johnnie Lou Callison returned Wednesday night from the Baptist encampment in Davis mountains.

L. W. Sandusky was a business visitor to San Angelo this week.

Milburn Doss spent part of the week on a business trip to Mingus.

It's Easy to Kill Mosquitoes

Zzzzz! Sleep! But in a few seconds he's back again. Flapping at mosquitoes worries you more than it does them. And you could be entirely rid of them so easily! Simply close doors and windows and blow Bee Brand about the room. Bee Brand Insect Powder will kill every one and it's easy and safe to use. It's a powder. It can't stain. It can't burn. It can't explode. It can't harm anything except insects. You can use it in a puff gun, or blow it in the air from a piece of paper. You can burn it in the room. It also kills Ants, Fleas, Flies, Roaches, Water Bugs, Red Bugs, Moths, Lice, Fleas, and many other house and garden insects. Get Bee Brand in red sifting top cans at your grocer's or drug's. Household sizes, 10c and 25c. Other sizes, 50c and \$1.00. Puff gun, 10c. If your dealer can't supply you, send us 25c for large household size. Give dealer's name and ask for free booklet, "It Kills Them," a guide for killing house and garden pests. McCormick & Co., Baltimore, Md.

Immediate Resignation of Governor Ferguson Sought

AUSTIN, Texas, Aug. 2.—Gov. Miriam A. Ferguson Saturday night had no statement to make on the passing by a number of county conventions of resolutions asking her immediate resignation.

James E. Ferguson, former Governor, also declined to comment, saying "If either of us makes a statement, it will not be made before Monday—until we have had time to see just what turn the situation takes."

County Democratic conventions held through Texas Saturday were in control of supporters of Dan Moody, and in a large majority of these conventions resolutions were adopted calling for the immediate resignation of Gov. Miriam A. Ferguson in accord with her campaign challenge, it is indicated by reports to The News from its correspondents in county seat points.

Sentiment seem to be almost universally in favor of Moody, but in possibly one-third of the county conventions, either no mention was made of Gov. Ferguson or resolutions touching on this matter were defeated. Pleas for party harmony to the end that the administration of Dan Moody as Governor may not only be a success, but "an era of prosperity and good feeling," also marked the proceedings of many of the conventions.

CARD OF THANKS

I wish to express my sincere thanks to the people of Mitchell Co. for the substantial vote, that I received in the recent primary election.

I highly appreciate every assistance that was given me, in any way. Yours very truly,

O. R. (Roy) McCRELESS.

HARRY TOM KING SPEAKS

Now that the smoke of battle of the ballots has cleared away and it is no longer a question as to Mr. Moody being nominated for Governor of this State to succeed Mrs. Miriam A. Ferguson, I want to take this opportunity to say a few words on behalf of the Democratic party in Texas, speaking as vice-chairman of such party. Fortunately, Hon. James E. Ferguson the husband of the Governor in an issue of the Ferguson Forum dated July 29th, 1926, and in an article appearing over his signature has this to say:

"Regardless of personal feelings my good wife and I are desirous and hopeful that Mr. Moody's administration may be one of service to the people, and that his administration be not dominated by those who are already in the field to further their personal and selfish interests. We shall endeavor to return good for evil by announcing at once that our friends throw no stones in the way of the success of the incoming administration. If Mr. Moody shall give to the State a good and successful administration, he will be entitled to a second term. If he does not, he himself has set the precedent that will no longer bind the people by the political customs in force in Texas for half a century."

Coming from one who has been denounced as a political traitor and an enemy to Democracy, and from one who has been charged with all the political and personal sins that could be conjured up in the minds of his political enemies and from the representative of a candidate who received 275,000 personal votes that would be subject to great influence from their leader, I want to congratulate Mr. Ferguson. His action and his conduct is in pleasing contrast to

that of more than 100,000 men and women who went into the Democratic Primary two years ago and voted for Judge Felix Robertson for Governor and then when he lost who bolted the ticket and supported Mr. Butte the Republican candidate for governor, and this under advice of their leaders.

On behalf of the political party which I have the honor to represent I trust that the Democrats who supported Mr. Moody in the late campaign will see to it that the Butte bolters of two years ago do not take charge of the machinery of the Democratic party at the San Antonio convention which meets in September, and that those who advise Mr. Moody will be as temperate in their judgement in their hour of victory as was the Ferguson anti Ku Klux majority which was in control of the State Democratic convention of two years ago, and the leaders of which including Mr. Ferguson flatterly referred to by the champion of the hot heads of the convention who insisted on sending the Ku Klux who supported Judge Robertson out of the Democratic party. In other words I want no reprisals coming from the hands of the 275,000 anti Ku Klux Ferguson Democrats, and I anticipate none unless the supporters of Mr. Moody turns the Democratic political ma-

chinery over to the Ku Klux Klan and the Butte bolters of two years ago. And even if that unfortunate condition should arise I still plead that the political followers of Governor Ferguson remain loyal to their pledge made when they entered the Democratic primary and march up to the polls and vote a straight Democratic ticket and thus present to the Republican party in Texas a solid front as in years prior to the Butte political debacle.—Harry Tom King, vice-chairman State Democratic Executive Committee.

BRICKBATS AND BOUQUETS

Last week the Ed Womack Co. had a page ad about the Pennsylvania Tires and this week we received the letter below from the company at Jennette, Pa.

We have just received a copy of the Colorado Weekly Record, issue of Friday, July 23rd, and we can say frankly that we are more than delighted with the appearance of your full-page advertising which was run in this paper.

Your copy is exceptionally well written, and we can think of no stronger appeal which might be made to the motorists of your district. In combining the price appeal with the personal element you have hit the nail squarely on the head. We know that the most successful newspaper advertising being done today follows very closely these lines.

Incidentally, we have written Mr. Smith of our Dallas Branch today about some various advertising items which he ordered for you, and we want to give our assurance that we will do everything possible to get a complete selection forward to you without any delay.

Your advertising is exceptionally aggressive and compelling, and we know that the results are going to prove more than satisfactory.

Very truly yours,
PENNSYLVANIA RUBBER CO., OF AMERICA, Inc.

Why all this fuss about a special session of the Legislature to validate road bonds? The 1925 taxes have been paid, the 1926 taxes will not have to be paid until the last of January, the Legislature meets about Jan. 10, and it can then pass a law validating these bonds, and if its validity is seriously questioned a constitutional amendment can be submitted. The thing to do now is for every Texan who reveres the memory of his ancestors, and who believes in perpetuating that patriotism which was baptized in the fire and blood of the Alamo and inspired with the spirit of San Jacinto, to boldly declare that Texas will never repudiate her honest debts.

Briens Reagor of Ennis, Texas, an efficient and expert ginner has been transferred to Colorado to take charge of the Concrete gin and is now on the job.
