

'GOOD WILL' CELEBRATION IS NAME OF EVENT TO BE HELD HERE AUGUST 26TH

Five Tours, With Band, Will Be Made Inviting Public To Attend Fete

The Chamber of Commerce announces that plans for the annual celebration at Colorado will be known as the "Good Will Celebration" rather than the "Good Will" coming as originally planned. The latter was considered an unfortunate name because of its association with the "Good Will" of the main Army of the United States. The new name is considered more fitting for the occasion.

The initial booster trip is scheduled to leave from in front of the Chamber of Commerce at 5:30 Thursday afternoon. Fifteen minutes stops are to be made at Duno and Ira, with arrival in Snyder at 7:30.

The Chamber of Commerce will make five tours of the country, each with a band and a large number of people. The first tour will be to Duno, Ira, and Snyder. The second tour will be to Duno, Ira, and Snyder. The third tour will be to Duno, Ira, and Snyder. The fourth tour will be to Duno, Ira, and Snyder. The fifth tour will be to Duno, Ira, and Snyder.

Wife Of Coloradoan Is Buried Thursday In Local Cemetery

Mrs. Nellie L. Benson, wife of J. M. Benson of Colorado, died at a local hospital Wednesday afternoon following a lingering illness. Mrs. Benson had been in delicate health for some time. She was taken to the hospital for surgery in effort to save her life. Funeral rites were conducted from the home of the deceased at 5 o'clock this afternoon at the First Baptist church officiating. Burial was in the Colorado cemetery.

LASKY DONATES MELON MENU FOR CLASS FEED

Members of the Young Business Men's Sunday school class of First Baptist church are to enjoy a melon feast at Rindick Park Friday, beginning at 4:30 p. m. The melons, already on cold storage, are being supplied complimentary by C. H. Lasky and were grown on his place in North Colorado.

Farmer Suffers Intense Pain As Sequel To Getting Chicken Bone In His Throat

F. J. Jordan, farmer of the Ira community, realizes what consequences may be expected when one accidentally lodges a chicken bone in his swallowing tube, especially when the bone is some ten inches in length and wedged in by an accumulation of bread and other foods. After suffering severe pain for twenty-four hours he was brought to the C. L. Root hospital Monday afternoon. Dr. Root worked with him for sometime before dislodging source of trouble. "That man was in a considerable predicament," Dr. Root stated afterwards. "He could not swallow, he could not cough, nor could he belch. And I want to tell you we had quite a tussle in getting that stuff out of his throat. Oh, well, whatever the name of it is. We call it swallowing tube."

MORE THAN \$5,000 LOST TO MITCHELL SCHOOLS IN STATE'S PER CAPITA CUT

Colorado District Payments Reduced \$1,900.50 By Annual Allowance

Wichita county school district has lost a total of \$5,250 as a result of the per capita cut in state apportionment. This is a total of 3,522 scholars registered in the county.

The Colorado independent district is to feel keenly effect of the State apportionment cut, John E. Watson, superintendent, stated Monday. The \$1.50 reduction from amount last year means \$1,200.50 less from the source than was available in 1931.

JOHN WORRELL, FORMER COLORADO VET, NAMED EL PASO COUNTY JUDGE

John M. Worrell, a former Coloradoan and among the American Expeditionary forces serving in France during the World War to be designated for extraordinary heroism was elected county judge of El Paso county in the recent Democratic primary. Farmers Continue Optimistic As Torrid Heat Brings Damage To Late Feed Crop

Farmers in several rural communities surrounding Colorado told a representative of The Record Saturday that while the continued intense heat was causing damage to late feed crops, prospects for an unusually heavy harvest this fall were still good. Some farmers interviewed were of the opinion that rain would be beneficial others expressed the hope that they have a few more days of dry weather.

The Cuthbert section is about as hard hit as any community of the county, to quote W. Womack, among the pioneer farmers and cattlemen there. He accounts for that condition because there is so much night land at Cuthbert. "Yes, the late feed crop is damaged, but the farmers have already made one of the best feed crops ever produced in this county," Mr. Womack declared. "It may come early maize and other late feed crops have matured. Most farmers had acreage to wheat and oats this year than ever before. We have plenty feed already a good while the burning weather continues on."

Another farmer, C. C. Pritchett, living four miles south from town, noted in showing us over his field. His maize and Indian corn will be ready for harvesting within a few days and the production is going to be heavy. His cotton, while wilted somewhat at midday, is always fresh and green in the early morning, he said, an indication sustaining the claim that the crop is not retrograding for lack of moisture.

"Farmers in this part of the county all have crops that will average up to what you see here on my place," Pritchett said. "We are not going to have to worry over a short feed crop. We have a surplus of feed crop already made." He pointed to a small crop of late feed that was shown to be suffering from effects

of the hot, dry weather. Unless rain comes within a week or ten days he does not expect to realize much from that acreage.

Several farmers were of the opinion the hot, dry weather should be accepted as really advantageous just now. Cotton is not suffering to an extent of alarming proportions by any means, they pointed out, and so long as this kind of weather continues, there will be no danger of worm infestation. "Of course, rain will be needed within a week or so."

"If we received the amount of rainfall that some of my neighbors are clamoring for, the worms would have already eaten up the cotton, and so long as this kind of weather continues, there will be no danger of worm infestation. Of course, rain will be needed within a week or so."

At a number of places visited the farmer and his wife were found busy with the task of canning corn, wild plums and other foods gathered from the place. The plum crop, especially along the Colorado river, is said to be good and the fruit ripening rapidly.

Rabbits are damaging melon patches and even cotton in most every community visited. At one farm home late in the afternoon a drove of jack rabbits, estimated numbering from ten to fifteen, was seen loping over a hill and into a field of cotton.

"I hope worms do not develop in our cotton this summer," said Mr. Womack. "If such is to come it will work a hardship on the farmers in my part of the county. As a rule the farmers out here do not have the means to finance poisoning the pests."

MONDAY, SEPTEMBER 5TH, ANNOUNCED AS DATE FOR OPENING LOCAL SCHOOLS

Full Nine Months Term Being Planned; All Faculty Assignments Made

Monday, September 5, slightly more than four weeks in the future, has been announced as opening date for the Colorado schools. This date was designated at regular meeting of the school board Tuesday night.

Handicapped through financial reverses, indicated by a drop of \$1.50 in State apportionment from amount paid last year, and the further liability of shrinkage of ninety in scholastic population in the district, the board, nevertheless, will open the schools determined to maintain high standards of the system in every department. A full nine months session is planned.

Faculty assignments and other details having to do with opening of school are already complete. John E. Watson, superintendent, will make announcement through The Record at an early date as to schedules governing registration and assignment to classes.

LOCAL PEOPLE SHOULD BE EMPLOYED FIRST, IS SUGGESTION FROM C.C.

With prospects of large yields in both feed and cotton crops the Chamber of Commerce suggests that farmers of the territory consider employment of local people to work in the harvest. There are many families and individuals, the Chamber of Commerce finds, that will be available for this work.

John C. Hardy, organization secretary, stated Wednesday that cooperation would be given any interested farmer in contacting labor now for work in the fields later.

Mr. and Mrs. N. C. Potts of Dallas are visiting Mr. and Mrs. Joe Mills this week. Mr. and Mrs. Potts have visited here on several occasions and will be remembered by many friends.

C-C HIGHWAY COMMITTEE WOULD FURTHER ADVANCE IMPROVEMENT OF NO. 101

Importance of a North-South Route Connecting Nine And Seven Seen

A. C. Connell, chairman of the Chamber of Commerce highway department, announces that improvement of Highway No. 101, connecting Snyder and Colorado, and extension of the designation south to intersection with Highway No. 9, connecting this important State and Federal route with No. 7 at Snyder, will be the major objective of his department for the immediate future. Plans for enlisting support of Snyder in the proposal were outlined at meeting of the committee Tuesday afternoon.

Among the proposals with which favorable consideration of the State highway department is to be sought will be the widening of right-of-way of the road from Colorado to Snyder. This matter has been under consideration by officials of the Chamber of Commerce for some time. County Commissioner Joe R. Sheppard, a member of the committee, is said to be lending every cooperation in the move.

Whether or not the Chamber of Commerce has placed its stamp of approval upon either one of the two proposed routes leading south from Colorado was not announced. One route would lead over the present Sterling City highway, intersecting highway near that town. The other route leads southeast through Robert Lee and into San Angelo.

In addition to interesting itself in proposal to improve this road, the committee will make investigation of road conditions in Southwest Mitchell county, leading into recently developed oil field in Eastern Howard county Colorado and Big Spring operators are identified with production there.

SHERIFF GREGORY WILL FURNISH PICKLES FOR ANNUAL JUBILEE HERE

Sheriff Dick Gregory, among the most enthusiastic citizens for another "old timers" jubilee at Colorado, was not content to inform the chamber of commerce that he would donate a few choice beavers for the barbecue menu. But he is going to furnish the pickles, too.

While attending a committee meeting the other day the question of pickles was being discussed. "Why it will take fifty gallons of pickles and they cost money," said one interested.

"That is an easy matter," the sheriff replied. "I will furnish the fifty gallons of pickles." And Gregory is going to do that very thing. He went out to his farm harvested the cucumbers, brought them into town and now has them processing into the choice delicacy at his home. He is using a fifty-gallon barrel in which to manufacture them.

BAPTIST DEACON WOULD CENSURE PUBLICATION OF THIS BIT OF NEWS

Dick Gray, member of the board of deacons at First Baptist church, called at The Record office Wednesday morning to request that no reference be made in news columns of the paper to a certain social affair given at his home earlier during the week.

"You see," Deacon Gray explained, "Dick O'Brien, my pastor, was among those present, and it developed that that preacher is some fiddler. In fact, Dick O'Brien played the fiddle with such artistic perfection that several of the guests were overcome with the impulse to pat their feet, and I fear that some of our members might not understand if you said something in your paper about the affair."

C-C DIRECTORATE TO CONVENE MONDAY P. M.

Regular executive session of the Chamber of Commerce is to be convened Monday evening at 8 o'clock at Hotel Colorado. All members of the board are urged to be present.

Cousin Coloradoans Buried Friday From Big Spring Chapel

Funeral rites for Mrs. Etta Faye Black, 26, wife of G. A. Black of Big Spring, were conducted at the Eberly funeral home there Friday afternoon at 4 o'clock. Burial was at Midland, former home of deceased.

Mrs. Black was the cousin of Mrs. Dick O'Brien, A. A. Herrington and Hugh Millington of Colorado. Accompanied by Rev. Mr. O'Brien, they were in Big Spring and Midland to attend the rites. Among survivors are her husband, a son, Bobby Crossland by a former marriage, and her parents, Mr. and Mrs. R. G. Palmer of Bledsoe, Texas.

Rev. Calhoun, pastor of the Midland Methodist church, assisted by Rev. J. Richard Spann, pastor of First Methodist church, Big Spring, were in charge of the services.

Mrs. Black died at a Big Spring hospital Thursday afternoon at 5 o'clock from complications developing after she had undergone major surgery a few days before.

REV. DICK O'BRIEN WILL HOLD REVIVAL MEETING AT HIS BOYHOOD HOME

Rev. Dick O'Brien, pastor of First Baptist church, is to leave Sunday afternoon for Pleasant Hill, eight miles south from Cisco, where that night he is to open a revival meeting. This will be the seventh revival held there by him.

Rev. Mr. O'Brien was reared in the Pleasant Hill community and for many years attended the community church there with his parents and other members of the family.

Hyman Happenings

By MRS. I. SMALLWOOD
Miss Mary Dalton returned to Hyman Tuesday after few days visit with her uncle and family, Oti, Chalk of Chalk. She was accompanied back by Mrs. Doris Chalk Cole and Sonny, and Miss Earnestine Chalk, who spent the afternoon, and returned, taking Miss Mary back with them, from where they all left the next morning for Dallas for a week-end visit. A card from her Saturday stated they were having a grand time and would return to Hyman Sunday or Monday.

Mr. Pardue and son of Eastland county and Mr. Young of Petersburg in Hale county, were in Hyman Wednesday to see Mr. Hyman. Also J. V. Allen and Mr. Windemere of Gunter, Grayson county, were to see Mr. Hyman on Tuesday, while Mr. York and Mr. Cunningham of Garden City, Glasscock county were here Friday to see him.

On account of the protracted meeting being held at Spade and at which Bro. J. I. Kelley is assisting, he did not preach at Hyman Sunday morning, but he came in the afternoon, accompanied by Rev. Russell of Blackwell and Homer Sally of Spade, when Bro. Russell preached a fine sermon. They returned to Spade for the night service, the meeting having held through the week.

Sunday night Messrs Fine Sparks and J. D. McCullough left Hyman, the former to work for Claude Collins on his ranch near Brooms, while the latter went to Philip Thompson's to work for him on his ranch.

Messrs Johnny Smallwood and A. C. Lowry and Misses Myra Smallwood and Lavoyce Lowry, carried Mr. and Mrs. Howard Pierce and little son, Leroy, to their home near Westbrook, after visiting Mrs. Pierce's father and mother, Mr. and Mrs. J. Smallwood for the past week. The young people returned the same night.

Mr. and Mrs. J. S. Boyd left Monday morning to visit Mr. Boyd's father, W. T. Boyd at Lawrence and Mrs. John Hammond of Seven Wells community. They expect to be gone a week and here, hoping they have a most enjoyable time visiting their folks. Mr. and Mrs. Ivy Lane are staying at the Boyd home during their absence. Mrs. Lane is Mrs. Boyd's sister.

Saturday afternoon Mrs. Heusinger and Mrs. Hyman ran into town. They were also in town Monday, when Mrs. Heusinger remained to visit her brother, and his wife, M. and Mrs. Robert Scott. Mrs. Hyman returned home the same afternoon.

Mr. and Mrs. Duke opened their home to the young people last Saturday night. A good crowd attended and reported an enjoyable time. Jack Carter and little daughter, Mose, were at Hyman Monday to see the Hyman's.

The dam, built by H. L. Lockhart on Hackberry and which work employed many of our men, is now completed and the men have returned home. This dam was built considerably higher than the former one and we hope this one will hold. Mr. Lockhart expects to irrigate with it. The garden truck and flowers raised by him this year have grown very luxuriously.

Master Rayford Boyd was a guest Sunday of Master Sonny Bowen, Mrs. Hyman's grandson, who is visiting her.

Miss Elsie Van Zandt has returned home after a week's absence at A. & M. at Bryan, she also visited in Austin. Miss Elsie was successful in winning first prize in the bedroom contest and was given the trip to Bryan. Miss Abbie Sevier accompanied her. We are proud of Miss Elsie's achievement.

RED LETTER DAY

SATURDAY AUGUST 6
Saturday will be a "Red Letter Day" for many vacationists and business men who are planning to take advantage of drastically reduced round trip rates on the Texas and Pacific Railway to visit either Dallas, Fort Worth, El Paso or certain other points on the T. & P., according to Frank Jensen, general passenger agent. For this special occasion round trip tickets will be sold at a fraction of the usual one-way fare only on Saturday, August 6, and will be good on Texas and Pacific trains leaving on this day only.

In addition to exceptionally low round trip fares this "Red Letter Day" excursion marks a radical departure from the usual reduced rate offer in several respects. Tickets purchased on this occasion provide a ten-day return limit, allowing sufficient time for an enjoyable vacation, an extended visit with friends and relatives or a long business trip. Pullman car fares on the trains on which the special rates apply also have been materially lowered. Children will be carried for half of the reduced adult fare.

This drastic round trip reduction is being made in response to a popular demand from those who could not afford to make such long trips at regular rates. Mr. Jensen said. The Texas & Pacific is preparing to care for the comfort of those who take advantage of this exceptional offer and all agents have complete information covering rates and train schedules. Pullman reservations may be made in advance of the day of departure.

IDEALS OF LIONISM HERE PROTRAYED DURING 1932 MEETING AT LOS ANGELES

Reports of Sessions Brought To Club Friday By Two Member Delegates

The ideals of benevolent service, as have upon several different occasions been reflected in programs of the Colorado Lions Club...

President Joe Pond was the first to address the Lions on impressions that came to him during the time he was enroute to the convention city and while there.

Mr. Pond spoke of the high type of citizenship going to make up that delegation. Enroute Sunday morning July 17, religious services were conducted on the train by a Lion from Paris, Texas.

Dr. Bridgford told interestingly of what the host city and club had done to make the convention a success. Every feature of the sessions were colored to impress that Lionism, above all things should be the key note thought in minds of the delegates.

Sustaining the claim that Lionism is the most rapidly growing service club in America he quoted statistics giving net new membership for 1931 at 4,131.

Both of the speakers expressed their appreciation to members of the club in having complimented them with their trip to Los Angeles.

Floyd Beal of Lubbock spent Saturday night a guest in the home of Mr. and Mrs. D. N. Arnett.

Oliver Cunningham Recounts Record As Member Of Legislature In Vote Appeal

Oliver Cunningham of Abilene, campaigning against Wilbourne Cole of Eastland for nomination as Senator from the 24th Texas district, addressed a group of Mitchell county voters here Saturday afternoon.

Mr. Cunningham was introduced by John E. Watson, superintendent of the Colorado schools. Referring briefly to conditions throughout Texas and the republic Mr. Watson declared this was no time for voters to consider the inefficient man nor the amateur man when sending representatives to the legislature.

Cunningham recounted several of the major activities of his record as member of the senate during the past three and one-half years. He proposed to stand upon that record for re-election.

"I aided in passing an amended general appropriations bill soon after I went down to Austin as your representative, thereby saving the tax payers of this state over \$8,000,000," he declared.

Both of the speakers expressed their appreciation to members of the club in having complimented them with their trip to Los Angeles.

Sweetwater Leads In Sand Belt Golf Associaton's Card

Curtis Bishop, sports editor of the Big Spring Herald, has the following statements to make anent report showing standing of teams in the Sand Belt Golf Association:

Figures compiled by Mr. C. L. Jackson of Midland show that Sweetwater captured the first half of the Sand Belt Golf play with a total of 192 as compared with 189 for Colorado.

The compilings came as a slight surprise. Two weeks ago Colorado was resting in first place ahead of Lamesa while Big Spring was third, or else Mr. Bob Scott of Colorado was very mistaken.

We are very glad that the secretary of the Sand Belt Association has released the official figures, and we cannot understand why it was not done each week instead of twice during the season.

Horace Chilton of Sweetwater, official reporter to Judge A. S. Mauzey, judge of the 32nd judicial district, was in Colorado Tuesday afternoon. Chilton was expressing elation over success of his chief in recent election.

this popular West Texas hostelry, assures that every courtesy for convenience of delegates will be given.

W. W. Whipkey and Bill Cooper of Colorado are members of the association's directorate and are to have a part in executive sessions of the convention.

The speaker urged opposition to proposed state constitution to be voted on in November, authorizing the State legislature to appropriate \$5,000,000 to finance a Texas centennial celebration in 1936.

"Since I have been in the Texas senate 35 bills seeking to create new district courts in the State have been introduced. I have fought every one of them. I likewise opposed the State highway patrol, believing the 162 men added to the State's public expense account through their employment was unnecessary."

Cunningham committed himself to support of legislation similar to the Brooks Bill, proposing to pay off existing road bonds through levy of special taxes on gasoline.

He spoke at Westbrook Saturday morning. From Colorado Mr. Cunningham went to Roscoe and Lorraine for addresses later during the afternoon and evening.

Other survivors are Albert E. Ballou of Sterling City, Steve Ballou and Miss Alice Ballou of Hamilton and Mrs. Carrie Draper of Del Rio.

Father Of Former Coloradoan Buried At Hamilton, Texas

S. T. Ballou, 85, died at his late home in Hamilton, Texas, recently. Burial was at Brady. Deceased was the father of Mrs. Mrs. Tom Holmsley, until a few months ago a citizen of Colorado.

Deceased was a native Texan, having been born in Grimes county in 1847. For many years he was engaged in the livestock business near Hamilton.

A brother of Tom Holmsley was burned to death in a hotel fire at Comanche a few weeks ago.

REFINERY OFFICIALS ON VISIT TO PLANT HERE; OPTIMISTIC NOTE GIVEN

George H. Burrus of Oklahoma City, general manager of the Col-Tex Refining Company, and his brother, M. B. Burrus, manager of the corporation's refinery at Cyril, Oklahoma, spent Friday and Saturday here in conference with officials of the Colorado plant.

Mr. Burrus expressed optimism as to prospects for the oil industry in the immediate future.

ciation's directorate and are to have a part in executive sessions of the convention.

John Baze and Bill Turner are other Colorado newspaper men who plan attending

Details of the program for the West Texas Press Association's convention here Friday and Saturday, August 19 and 20, were worked out Sunday at Sweetwater in a meeting of the program committee held at the Blue Bonnet hotel.

President Charles A. Guy, editor and publisher of the Lubbock Avalanche and Journal, heard a report from the committee chairman, Wendell Bedichek of the Big Springs Daily Herald, and C. T. Watson, manager of the Big Spring Chamber of Commerce and member of the program committee.

The completed program will be released late this week after all persons assigned places on it have been contacted for acceptance or rejection.

Those attending the meeting in Sweetwater, which was followed by a luncheon at the Blue Bonnet, were Luther M. Watson, publisher of the Nolan County News, Sweetwater; Ralph Shuffler, vice president, publisher of the News-Times, Odessa; Miss Treva Miller, Rotan, secretary-treasurer of the association; Miss Mary Howell, Rotan; Mr. and Mrs. Charles A. Guy, Lubbock; Mr. and Mrs. Wes Ratliff, Lubbock; Max Bentley, managing editor of the Abilene Reporter and News, and Mrs. Bentley; Jake Smythe, editor of the Scurry County Times, Snyder; Joe Galbraith, business manager and Wendell Bedichek, managing editor, Big Spring Herald; C. T. Watson, Big Spring Chamber of Commerce.

Echoes From The State Wide Prohibition Election Sounded By Paper 21 Years Ago

The cause of prohibition had been lost but this victory for the anties was only temporary and after two years those opposed to the open saloon would go to the polls and forever ban the liquor traffic from Texas, mused the editor of The Record twenty-one years ago.

Statement from leaders among prohibition forces from over the State were reprinted in The Record for that week. The small majority of some 5,000 developed by the saloon interests was "nothing to brag about," the paper challenged.

"The people of Texas just lack two years of being educated, but they will pay up for lost time in 1913."

Concluding a passionate appeal to the people to continue fight against the saloon, Dr. P. Coleman, chairman of the county anti-saloon league, expressed elation in fact that this county, with one exception, registered the highest per capita vote against the saloon of any county in the State.

Several Coloradans were off to spend a few days fishing. Among the number were Joe H. Smoot, with his mother and visiting relatives, Dr. Ratliff and family, L. W. Sandusky and family and John Sims and family.

COUNTY CONVENTION HELD SATURDAY FEATURED WITH STRICT HARMONY THROUGHT

Mitchell Democrats Pledged Endorsement of National Party Platform

Mitchell county democrats in convention here Saturday afternoon came into session with no evidenced purpose of resorting to "steam roller" tactics. Harmony featured the deliberations and business passed from the call to order until adjournment.

The convention was formally called to order by J. A. Buchanan, county chairman. W. W. Porter was elected permanent chairman and Jack Smith secretary. On motion made by Judge R. H. Looney it was ordered that the convention elect two delegates and two alternates to each of the several conventions in which the county is entitled to participate.

Resolution, adopted previously at local precinct convention, giving strong endorsement to the nominees and platform of the National party, as made at recent convention in Chicago, was passed unanimously. No reference was made either for Sterling or Ferguson by delegates in addresses delivered before the convention nor in resolutions proposed for adoption.

Delegates to the several conventions were elected as follows: State convention to convene at Lubbock: George H. Mahon and Miss Ruby McGill. Alternates: C. C. Thompson and Mrs. J. G. Merritt. 32nd Judicial convention: Thos. R. Smith and R. H. Ratliff. Alternates: C. C. Thompson and Mrs. H. B. Broadbuss.

16th congressional convention: A. F. King and E. B. Gregson. Alternates: W. R. Martin and Mrs. Van Boston.

24th Senatorial convention: B. L. Templeton and W. S. Stoneham. Alternates: W. H. Garrett and Mrs. Mayme Taylor.

117th Representative district: Mrs. Jeff Dobbs and Mrs. A. L. Whipkey. Alternates: J. A. Buchanan and J. R. Sheppard.

11th Supreme Judicial district: C. H. Earnest and L. W. Sandusky. Alternates: R. A. Edwards and Van Boston.

JIM HARVEY CONDUCTS REVIVAL CAMPAIGN AT ROCHESTER THIS WEEK

Minister Jim Harvey of the Church of Christ left Friday for Rochester where he is conducting a revival meeting at the Church of Christ there. The services are to continue through Sunday and probably to the middle of next week.

He will not be here for his regular services Sunday morning and night. It was not known Thursday morning whether or not a visiting preacher would conduct these services.

AGENTS RETURN HOME FROM A. & M. COURSE

Miss Abbie Sevier, home demonstration agent, and W. S. Foster, county farm agent, returned Sunday from College Station where they had gone to attend annual Short Course at A. & M. College.

Two 4-H Club members, Miss Elsie VanZandt of Hyman and Miss June Harrell of Lorraine, were taken to the course by Miss Sevier.

AFTER FIFTY YEARS IN BUSINESS IN COLORADO NEW PLAN IS ADOPTED

"I have been doing business in this town for fifty years and today marked the first time that no charge account items were accepted at my store."

That was the statement Monday afternoon of John L. Doss, pioneer Colorado druggist, as he discussed inception of the strictly cash policy, inaugurated on that day by every retail drug concern in the city.

"I have tried the credit plan for a half century and now plan running the store on a strictly cash basis for another fifty years," he continued. "After that time I will be in a position to determine which of the two is the most acceptable."

Local druggists have explained that adoption of the strictly cash basis is by no means a reflection upon any of their customers who, during the past, have been prompt in meeting their obligations. It is just another plan for effecting a saving in merchandise handling cost that the druggists intend passing on to the public.

SERIOUS ASPECT GIVEN SURGERY BY DAUGHTER OF COLORADO CITIZEN

Little Miss Phyllis Berman, daughter of Mr. and Mrs. Max Berman, takes surgery seriously, as she does her music and dancing. At any rate the child so impressed those about her as she came from influence of anesthetic at a local hospital the other day.

Mr. and Mrs. Berman had placed their charming daughter in the hospital for a tonsil operation. The surgery had been given and the child placed in one of the wards. She was feeling effects of the medicine and operation. Blood trickled from the newly made wound in her throat.

"Mother," she exclaimed, Get Mrs. Scott. I am not expected to live.

Worries of the child were soon dissipated and it was not long before she was back at home with her parents again.

Mrs. L. E. Barton is visiting her brothers, W. H. and George Richardson at Dunn.

CITY LEAGUE BILLBOARD

As Seen By The Record Sports Editor

The Schedule
 Thursday, August 4—Masons vs. Baptists.
 Friday, August 5—Fire Boys vs. Methodists.
 Monday, August 8—Fire Boys vs. Masons.
 Tuesday, August 9—Methodists vs. Baptists.
 Thursday, August 11—Masons vs. Methodists.
 Friday, August 12—Fire Boys vs. Baptists.

The Masonic club continues to occupy first place in the city league as the four scheduled games for the week have been played, with the Fire Boys and Methodists deadlocked for second berth. Last week the Fire department club was leading the M. E.'s to the ratio of two to one in percentages, but the latter evidently are determined that such is not to stand. During the present week of playing the Methodists have won every game played, while on the other hand, the fire fighting aggregation lost both of the two contests played by them.

A most determined battle was fought at West Side ball park Thursday afternoon between the Fire Boys and Masons. At the end of the seventh inning the two teams were tied with two runs each. The fraternalists succeeded in taking the lead after two additional innings

had been played. The Methodists took their first winning score of the week Friday afternoon, when they routed their zealous opponents, the Baptists, 8 to 5. Second game won by the Methodists for the week was taken Monday in contest with the league leading Masons. The score was 10 to 9. For the most of this battle it was anybody's game, with the Methodists pushing the winning run across in the seventh inning.

Standing of Teams

Team	Won	Lost	Pct.
Masons	2	1	.750
Fire Boys	4	4	.500
Methodists	4	1	.590
Baptists	2	6	.250

WEST VIRGINIA PHYSICIAN TO LOCATE AT COLORADO FOR PERMANENT PRACTICE

Dr. J. M. Crymes of Coalwood Leases Office Space In Hughes Building

Dr. J. Melvin Crymes of Coalwood, West Virginia, after spending several weeks touring West Texas and other portions of the Southwest, announced here Saturday that he would locate permanently at Colorado and engage in his profession. Dr. Crymes was accompanied by his leased offices in the Tom Hughes Building, occupied for the past several years by Dr. P. C. Coleman.

Dr. Crymes received his literary degree from Randolph-Macon College in Virginia and later received his M. D. degree at the Medical College of Virginia. After graduation he took eighteen months internship at the Memorial Hospital at Richmond.

Both the doctor and Mrs. Crymes expressed keen elation in prospects of soon becoming identified with this citizenship. They announced they would be back in Colorado to stay just as soon as they could motor home and ship their household belongings and office equipment here.

They are members of the Baptist church. They attended services at First Baptist church while here and were impressed, as she expressed it, with the "unusually fine degree of citizenship and hospitality accorded us on every hand. The dream of a lifetime is going to be realized when we become domiciled among the citizenship of this splendid West Texas community."

H. J. R. No. 5. PROPOSING A CONSTITUTIONAL AMENDMENT TO BE VOTED ON NOVEMBER 8, 1932

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 7, of Article 11, of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 11, Section 7. All counties and cities bordering on the coast of the Gulf of Mexico are hereby authorized upon a vote of a two-thirds majority of the resident property taxpayers voting thereon at an election called for such purpose to levy and collect such tax for construction of sea-walls, breakwaters, or sanitary purposes, as may now or hereafter be authorized by law, and may create a debt for such works and issue bonds in evidence thereof. But no debt for any purpose shall ever be incurred in any manner by any city or county unless provision is made, at the time of creating the same, for levying and collecting a sufficient tax to pay the interest thereon and provide at least two per cent (2%) as a sinking fund; and the condemnation of the right of way for the erection of such works shall be fully provided for."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 8th day of November, A. D. 1932.

H. J. R. No. 1. PROPOSING A CONSTITUTIONAL AMENDMENT TO BE VOTED ON NOVEMBER 8, 1932

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 1 of Article 6 of the Constitution of the State of Texas be amended so as to read as follows:

"Section 1. The following classes of persons shall not be allowed to vote in this State, to-wit:

First: Persons under twenty-one (21) years of age.

Second: Idiots and lunatics.

Third: All paupers supported by the county.

Fourth: All persons convicted of any felony, subject to such exceptions as the Legislatures may make.

(A correct copy.)
 JANE Y. McCALLUM,

Fifth: All soldiers, marines and seamen, employed in the service of the Army or Navy of the United States. Provided that this restriction shall not apply to officers of the National Guard of Texas, the National Guard Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the National Guard Reserve, and the Organized Reserves of the United States Army, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Navy, and Marine Corps."

Sec. 2. That Section 23 of Article 16, of the Constitution of the State of Texas, be amended so as to read as follows:

"Section 23. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person, for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust or profit, under this State or the United States, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard of Texas, the National Guard Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the National Guard Reserve, and the Organized Reserves of the United States Army, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Navy, and Marine Corps."

Sec. 3. That Section 40 of Article 16, of the Constitution of the State of Texas be amended so as to read as follows:

"Section 40. No person shall hold or exercise, at the same time, more than one Civil Office of emolument, except that of Justice of Peace, County Commissioner, Notary Public and Postmaster, Officer of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States and enlisted men of the National Guard, the National Guard Reserve, and the Organized Reserves of the United States, and retired officers of the United States Army, Navy, and Marine Corps, and retired warrant officers, and retired enlisted men of the United States Army, Navy, and Marine Corps, unless otherwise specially provided herein. Provided, that nothing in this Constitution shall be construed to prohibit an officer or enlisted man of the National Guard, or an officer in the Officers Reserve Corps of the United States, or an enlisted man in the Organized Reserves of the United States; or retired officers of the United States Army, Navy, and Marine Corps, and retired warrant officers, and retired enlisted men of the United States Army, Navy, and Marine Corps, from holding in conjunction with such office any other office or position of honor, trust or profit, under this State or the United States, or from voting at any Election; General, Special or Primary, in this State when otherwise qualified."

Sec. 4. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the next General Election to be held throughout the State on the first Tuesday after the first Monday in November, 1932.

Holy Communion and Sermon at 11 a. m. Sunday school at 9:45 a. m. Visitors welcome.
ALEX B. HANSON

FIRST BAPTIST CHURCH.

The increase in attendance at all services last Sunday was a source of great joy to us all. We especially appreciated the B. Y. P. U. playlet presented by the Seniors at the evening service. We feel that there should be, and is a growing interest in the Training Service.

The Sunday school attendance showed a decided increase over the last Sunday. But there are many others yet to enlist. And attendance, as desirable as it is, is not everything.

The pastor expects to be in the service next Sunday morning. Teaching the Young Business Men's Bible class at 9:45 and preaching at the eleven o'clock hour, but we are to leave in the afternoon for a week's revival in Eastland county.

A special arrangement has been made for the Sunday night service. Brother J. C. Koen, together with the choir, will give a special program featured by crayon drawing and special music. This should be a very interesting and helpful service. Brother Koen will draw his pictures of "Calvary" and "The Pearly White City." He is a real artist and has a brief message with each drawing. You will enjoy this program.

Baptist Notes—
Our revival meeting closed Sunday. We feel that our efforts to serve God have not been in vain.

We had some "mountain top" experiences during this revival. Rev. Hardin's messages from time to time were so uplifting and spiritual.

Mr. Kinnison, the song leader, was found in his place each and every service. His efforts were greatly appreciated and, just here, we want to thank all Christians who have helped in any way to make this revival a success.

A shower of miscellaneous gifts were presented Rev. and Mrs. Hardin at the close of the Saturday evening service.

There were 17 additions to the church. Eleven were baptized Sunday afternoon at the Baptist church, the other six came in by letter.

Rev. Hardin left immediately after the baptismal service for some place near Midland, where he is now engaged in another revival.

Rev. J. E. Harrell, pastor of the local Methodist church, preached for us Sunday evening. We had a wonderful service and a fine crowd. Rev. Mr. Harrell has won the love and confidence of all who know him.

The harmonious quartette of Roscoe honored us with one of their specials at the evening service Sunday. This was indeed a treat and we invite them to come our way often.

There will be no preaching service Sunday. Short conference and Sunday school.

How much it may cost you Not to have a telephone

In case of sickness a single call may be priceless

Without a telephone
"John, wake up. Betty has a high fever. You've got to go for a doctor."

With a telephone
"... and she seems worse, doctor. Please come at once."

If you do not have a telephone, this may be the REAL cost you are paying:

Lack of protection for you and your family... for your home and property

When there is an accident... a fire... burglars... prowlers... the value of a telephone cannot be measured in money. A single call may be priceless.

Loss of opportunities to get a job... or extra work

When there's a job to be filled, employers and agencies want to get in touch with you quickly. Not having a telephone means fewer opportunities for work.

Loss of time and money you can save by telephone

The telephone runs errands for you, to the grocer's, the butcher, the drug store, the laundry, the cleaners. Makes appointments. Gets information. Orders bargains. It saves your time and strength for the jobs that need to be done in person.

The cost of having a telephone is reasonable. The cost of NOT having one may prove expensive. Call the Business Office. Say "I want a telephone."

WAR AND GOVERNMENT

The year 1914 marked the turning point in the affairs of men. Since then, as never before, the people have appreciated stable government. Prior to that date the people of the leading nations had been induced to believe that all war was about done. The argument advanced was that the commercial interests of the peoples of the various nations were such that no one nation would dare to go to war with another nation.

In previous times wars were made between tribes, about some real or supposed injury, or between communities because of some religious differences, or between people relative to the possession of territory. In the war of 1914 all the leading nations participated, and that without knowing just why. Some of the nations did not actually engage in fighting, but they suffered almost as much as those who did. That was unlike any other war in the history of man.

Every part of every nation involved was required to do its bit. Men and women went to the front. The men fought while the women drove motor cars, served, canteens and nursed the sick and wounded. Fighting was carried on under the ground, on top of the ground, under the sea, on the sea and in the air, and that continued until millions of men poured out their life's blood.

At home, men and women together manufactured guns, ammunition, airplanes and other instruments of warfare. The food supply of the various governments was taken over by those in authority, and the people were limited in their use of food. Even the babies died their little bit, because their food must be restricted in order that the men at the front might be better supplied. The people were compelled to bring their money and exchange it for paper obligations of their respective governments. The young men were compelled by law to go to the front and play their fellowman while the property of the various ones was commandeered for use in war. It was literally a war in which nation arose against nation and kingdom against kingdom. For four years it raged with indescribable fury, and then in 1918 the fighting suddenly ceased, and no people or nation had gained a decided victory, and no one was able to state just why the fighting ceased. When the smoke of that war had cleared somewhat, then the so-called people began to consider the reason for and the meaning of that war. They are learning something and will continue to learn and will profit by their investigations.

A democracy is a government of the people, by the people and for the people. The slogan of the

"World War" was "The War Will Make the World Safe for Democracy." That slogan was adopted and energetically used to induce the people to fight. To that battle cry the peoples of the nations responded. And why? Because they had a great desire for a government that would be administered for and in the interests of the people. They realized the necessity for a stable government in which the rights of the people might be safeguarded.

The peoples of every nation now well know that the "democracy" slogan was a misleading one. The war did not make the world safe for democracy. It did not result in the betterment of any people or nation under the sun. Let it be conceded, for the sake of argument, that the men responsible for its war and its prosecutions did the best they could, still all must agree that the results of the war was and has been unsatisfactory. Nearly a decade after the war the leading statesmen of the world freely express their disappointment at the results. Ramsey McDonald, a member of the British Parliament, voices the sentiment of many other men when he says:

"There is no settlement in Europe. There is no peace in Europe. Governments can do nothing. They are afraid to do anything and they stand by and allow things to go from bad to worse."

Sobly viewing the situation long after the war, Lloyd George said: "A new chapter opens in the history of Europe and the world, with a climax of horror such as mankind has never witnessed."

It is said that the government of the United States of America comes nearest of any on earth to being an ideal government. No honest man, understanding the conditions of the United States can claim that it is a satisfactory government. True, its founders declared that all men are endowed with the inalienable rights of life, liberty and the pursuit of happiness; but this ideal has never been realized by the people. True also, that the founders of that government said that all just powers of government are derived from the consent of the people, but now the consent of the people is never asked nor obtained. The fundamental laws of the land declare that the people shall have freedom of speech, the right of peaceable assembly, the liberty of conscience without coercion, and the privilege to worship God according to the dictates of each one's conscience. These rules of action are ideal, but they are denied daily by those who have and exercise the power of government. The officials of the United States government take a solemn oath to safeguard and protect the interests of the people, but such oath is repeatedly violated by the officials both high and low.

The three primary branches of the government of the United States are the Legislative, Executive and Judicial. It is well known that fraud and corruption are rampant in every one of these branches. It is time that there are honest men in all these branches of government doing the best they know how, but the honest ones do not predominate, because the dishonest ones control affairs. Just recently a member of the United States senate publicly exclaimed:

"The most important question before the American people is to take the government out of the hands of bondholders, grafters and lobbyists and place it in the hands of the people." F. B. W.

THE FAMILY DOCTOR By JOHN JOSEPH GAINES, M.D. POISON IVY

In most rural communities this spiteful plant is in evidence. It gets in its baneful work on tourists, vacationists, native ruralists, all in warm weather, and it is a very painful guest to entertain. I have seen skins literally on fire and eyes swollen shut—fever, sometimes delirium from Ivy poisoning. Look out for it, with its three-in-group leaves of lance-head shape, growing vigorously over blighted trunks of trees, upon old fences and in neglected places. It is easy to know—and avoid, if one tries.

I don't pretend to take the work of the skilled physician and try to place it in amateur hands. But the pointers here are worth while for my friends to know. Bear in mind that this is an ACID poison, and it takes "alkalies" to neutralize acid.

My best success with ivy poisoning has been with equal parts of alcohol and lime-water. The alcohol, with its affinity for water, rapidly depletes the inflamed skin; the lime-water counteracts the acid. Apply on cloths continually, until the trouble is corrected. Never treat poison ivy with ointments or "salves"; they simply held the poison in the tissues. Sugar of lead is dangerous—lead poisoning, you know. No ivy remedy should be permitted between eye-lids. It has been said that ivy poisoning gets well in a few days of itself—and the last remedy used gets the credit. That nothing is "specific" remedy in such cases. I have taken the swelling and pain away in 24 hours, with the mixture of pure grain alcohol and lime-water, equal parts. The alcohol is hard to get—but that's another matter.

MY HOME AND YOURS

By Bertha Edson Lay

If you wish to use the empty flour sacks and any number of housekeeping bags, purchase white and fill small muslin bags with it. Dampen the bag, and rub over the glass. Polish with crumpled newspaper.

Stains and soiled marks on doors and window sills which resist the usual "wiping off" with soap and water will respond to the following treatment. Bring a cloth from warm soapy water, sprinkle on a little powdered pumice; rub over the soiled places and wipe with clean water. When there are small children in the house this is a most effective aid to rapid cleaning.

If you find it very tedious scraping carrots before cooking, try washing and boiling for ten minutes. Take from the water, dip in cold water and remove the skins, return to the fire and finish cooking.

The amount of sunshine which can be lured into the room in this way is quite unbelievable.
