### 'STAND BY THE RED CROSS--IT STOOD BY YOU,' SLOGAN

#### STORM RELIEF AND FARM REHABILITATION PROGRAMS OF OTHER DAYS RECALLED

#### Annual Roll Call Drive Will Open Armistice Day With 600 Members Goal

"Stand by the American Red Cross, because the American Red Cross stood by you," is the slogan under which the 1932 membership roll call is to be launched in Mitchell county on Armistice Day. Chapter officials express confidence in belief citizens of this county will meet the quota of 600 members and more before the drive ends on Thanksgiving.

F. A. Winfrey of St. Louis, acting manager of the Mid-West division of the organization, Tuesday telegraphed Jim Greene, county chapter chairman, an appeal that Mitchell county sustain the organization in its annual drive for finances. The Red Cross is facing an acute emergency caused by the heaviest demands for relief since the World War, he wired.

"Relief on tremendous scale must be continued this winter," Winfrey states in the message. "The organization confidently looks to the people for increased membership support in every community."

Supplementing appeal from the branch manager, officials of the local chapter requested that Mitchell county remember that the American Red Cross, following destructive cyclone here in 1923 expended a total of \$57,800 in emergency relief among storm victims and in rehabilitation work. A corps of trained workers was sent here from St. Louis and other central points to personally supervise this program.

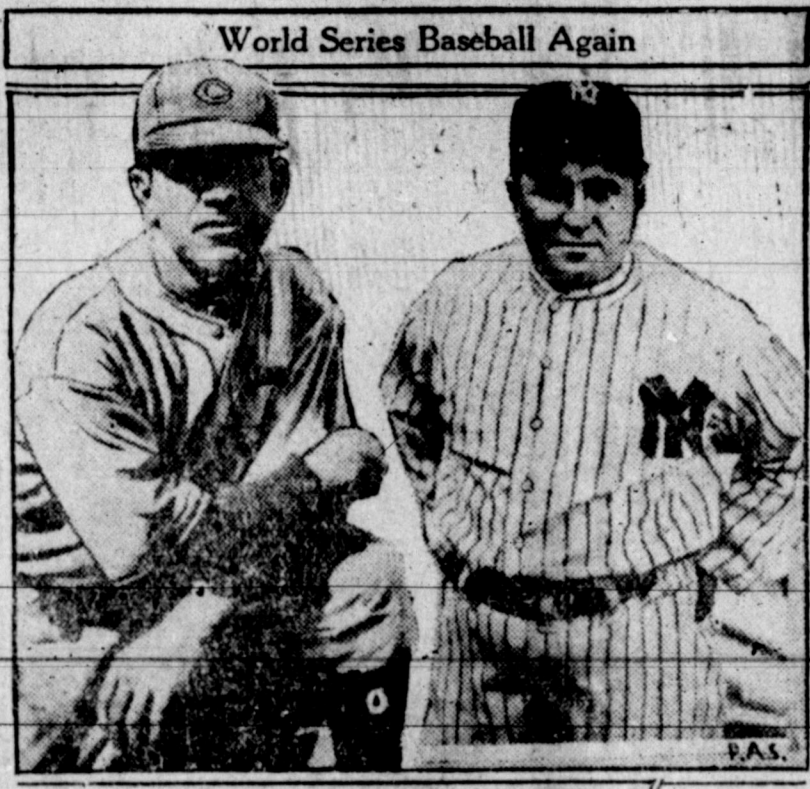

Again, in 1930 the American Red Cross distributed without cost and without obligation planting seed valued at \$1,200 among farmers of this county. The following year, 1931, when effects of the Nation's most drastic depression overwhelmed hundreds of families, the Red Cross came into Mitchell county to distribute necessities of life among the needy. \$17,000 was expended by the organization to carry out the 1931 program.

"Reflecting such an unusual benevolence, extended in the spirit of the Good Samaritan without hope of reward or remuneration, is it not befitting that we, the citizenship of this county, rally to support of the organization and go over the top with the membership drive to open November 11th," the Rev. Dick O'Brien, roll call chairman, declared Tuesday. "If there be a people within the bounds of this Republic in whom the American Red Cross should find support wholeheartedly and unstintingly, I am led to believe we are that people."

#### Red Cross Chapter Ready To Meet Any Demand For Relief

Mitchell county chapter of the American Red Cross stands ready to meet any emergency that may arise locally, such as the destructive storm of 1923 or other calamity, T. W. Stonerod, Jr., general chairman of the disaster, preparedness and relief sub-divisions, stated Wednesday. Stonerod has been a directing official in the county chapter for several years.

In order to better equip his department for effective work, in event any emergency should arise, Mr. Stonerod announced the following sub-committee chairmen: J. D. Harvey, food; Mrs. Fred Dozier, clothing; J. Ralph Lee, shelter; Mrs. B. W. Scott, medical aid; Mrs. H. B. Broadus, registration; A. C. Connell, transportation, and Rev. W. M. Elliott, finance.

#### Carr Farmer Rites Set For Saturday Afternoon at 3:30

Funeral rites for James M. Johnson, 85, late citizen of the Carr community, are to be held Saturday afternoon at 3:30 o'clock with burial in the Teeville cemetery, twelve miles northwest from Colorado. Johnson died Thursday morning at 1:30 following an illness of only a few days.

The aged citizen was a native Texan. He was born and reared in Lee county. During the past four years he has been making his home with his daughter, Mrs. M. H. Sanders, of the Carr community.

In addition to Mrs. Sanders, three other daughters survive, as follows: Mrs. V. M. Watts of Santa Anna; Mrs. G. Harris of Blake and Mrs. J. M. Roberson of Scurry county.

#### NECK INJURY PROVES PAINFUL TO ATTORNEY

L. W. Sandusky, Colorado attorney, has been confined to his room for the past few days suffering from an injury at the base of his neck. Mr. Sandusky fell Friday of last week and in some manner fractured ligaments in his neck. His condition Thursday morning was reported satisfactory.

#### NEW AGENT CHECKED IN BY T. & P. AT COLORADO

O. E. Bellomy, recently of Kent, has been checked in as agent for the Texas & Pacific railway at Colorado, succeeding C. Thompson. Thompson is being transferred to Alamo station, near Van Horn.

#### COTTON SEASON TO OPEN LATER THAN FOR NUMBER OF YEARS DUE TO RAINS

Receipts at Colorado Total Only 194 Bales; Losses Reported By Farmers

Mitchell county will in 1932 inaugurate its annual cotton season, in so far as steady movement of the crop is concerned, at one of the latest dates recorded. Continued rains over the territory, followed by cloudy and unsettled weather has served to retard maturing of the crop.

First bale for the new season was received here several weeks ago but it was some days before the second late arrived. Then the heavy rains of late August came. During the past thirty days but little sunshine has been meted out by the weather man.

Thursday at noon Colorado ginners had received only 194 bales. Less than 500 bales had been ginned in the county. On October 1, last year, 6922 bales had been ginned in Mitchell county, 3,333 of which had been received at Colorado. Only 73 bales were received here during the week ending Thursday at noon.

A considerable amount of the staple is open, but due to heavy dews and intermittent rains farmers have been unable to get into their fields to begin harvesting the crop. Cotton is deteriorating in practically every community of the county.

Farmers and business men continue optimistic, realizing that the rains will subside eventually and the cotton harvest will be on in good order. The county has prospects of harvesting more cotton than total yields reported for the past few years and it is quite evident that a more stable market is to be realized.

The Colorado market opened Thursday morning at 7.26-24, ten cents below closing for Wednesday.

#### Maize Marketed Through Feeding Brings \$16 Per Ton To Spade 4-H Club Boys

There is still money to be made through converting maize into hog poundage, even if the market quotations are everything but favorable, J. C. and Charlie Northcutt, members of the Spade 4-H club, will verify. These two lads recently marketed seven pigs from which a price of \$16.20 a ton for the maize fed them was realized.

A net profit of \$2.24 each was realized on the seven pigs, fed out during the past summer. A strictly home produced ration was used in fattening the porkers. They used a plank feeding floor and fed maize heads and skim milk. Each pig received a gallon of milk and all the maize he wanted daily.

The seven pigs, according to records kept by the boys, ate 3,580 pounds of maize heads, valued at \$4 per ton. A total of 761 gallons of milk, valued at 1 cent per gallon, was fed.

At beginning of feeding season the pigs weighed 364 pounds and were valued at \$17.50. After 117 days the group weighed 1,280 lbs. and were sold for \$54.40.

#### Old Dobbin Coming In For Recognition At Annual Co. Fair

Old Dobbin, brushed aside several years ago by the motor car and tractor, is coming back to demand at least a part of the popularity that once was his. A horse show is to be featured at the "Live-at-Home" Fair at Colorado in November.

Saddle, draft and race horses, along with the lovely mule are listed among eligibles to compete for special honors. H. B. Broadus, U. G. Hardison and O. F. Jones are to direct the horse show.

The poultry show, among the outstanding departments at fairs here in other years, will be another finger, according to statement from Doyle Williams, director. Williams has already obtained coops for use of poultry exhibitors.

#### GUARD AGAINST THUGS, IS WARNING GIVEN BY STATE HIGHWAY PATROL OFFICIAL

Organized Gangs Believed To Be Coming Into Section From Over Country

Warning that the public assume every reasonable precaution against depredations by thieves, said to be gradually invading West Texas from various parts of the country, was given here this week by C. L. Schuck, member of the State highway patrol. Schuck said that two hi-jacking episodes had been reported on Highway One west of Big Spring recently and that petty thieving, including burglaries was on the increase in many parts of the area.

Sweetwater, Abilene and others of the larger cities in this section, report a flurry of burglaries during the past few days. Arrest of two alleged gangs was effected in Abilene by police. Tuesday night two men, charged with robbery of the Western Union office, were taken into custody within fifteen minutes after manager of the office had been robbed at the point of a menacing gun. Wednesday night police arrested two men caught in the act of breaking into a wholesale grocery house there.

The highway patrol is going to do everything within its power to keep hi-jackers from operating on public thoroughfares, Schuck declared. He prided in fact there had been none of these offenses reported in his district, extending from Big Spring to Sweetwater, for some time.

#### TEXAS & PACIFIC PUTS SWITCHING CREW BACK TO WORK AT COLORADO

The local switching crew, taken off duty last February 18 by the Texas & Pacific, was put back to work Monday morning with T. E. Reed in charge. During the several months, in which the crew was off duty switching in the local industrial yards was handled by local freight train crews.

#### JOHN WATSON ATTENDS OIL BELT EXECUTIVES MEETING AT ABILENE

Superintendent John E. Watson of Colorado schools was in Abilene Saturday to attend executive session of the Oil Belt Educational Association, convened at the Hilton hotel by President B. H. McClain of Sweetwater. Dates for Fall meeting of the association and program to be observed were announced. The sessions are to be held in Abilene on October 17.

Hayes Holman, principal of junior high school at Colorado is to address the Fall meeting on the subject of "Reading Clubs."

#### WOLVES TO ENGAGE ROBY LIONS IN OPENER TUSSELE AT CANTRILL PARK TODAY

#### Colorado's Hopefuls to Enter Annual Pigskin Battles As Formidable Contender

The Colorado Wolves are standing by awaiting sound of the whistle calling them into action for their first grid battle of the season. The opener is scheduled to be staged at Cantrill Field Friday afternoon with the Roby Lions, among the strong Class B clubs, as the opposing eleven. The game will be called at 8:30 o'clock.

With prospects that the Wolves are to develop into one of the strongest grid organizations Colorado has boasted in several years, ardent fans have united in delivering the challenge that Coloradans support "Big Jim" Cantrill, mentor, and his men in this and all other games to be played. A record crowd should be present to witness this game.

Cantrill admits that he has the makings of a stronger eleven than might have been claimed for Colorado high school during the past one or two years, but the popular coach has not altered his well-known policy of keeping silence when the inquisitive would dig information from him as to what he expects the Wolves to do when pitted against competing Conference Class A teams already holding creditable ratings in District 2.

Roy Hester and his school band, along with the largest pep squad Colorado high has ever sponsored will be in their places to root for the Wolves. The pep squad now has a membership of 60.

"Colorado has never claimed a more determined and patriotic aggregation of football warriors than the men going to make up this season's Wolf pack, and these men and their coach are certainly entitled to our support in every department," roared an ardent Wolf fan Thursday as he gave expression to his feelings about the home town hopefuls.

The band, directed by Roy Hester, will make a visit to the business district tonight, (Thursday) at 7:45, followed by the pep squad and student body in their first rally of the school term, announcing the first football game of the season.

#### OUTLOOK ENCOURAGING, THOMASON SAYS ANENT PROPOSED NEW BUILDING

Outlook for Colorado being given proposed postoffice building appears to be encouraging, R. E. Thomason, member of congress, writes to friends at Colorado. Mr. Thomason passed through Colorado enroute to Washington two weeks ago and stated while here that he had strong reason to believe this city would soon realize request for the structure.

Mr. Thomason, writing from Washington Thursday of last week, stated that he had that day been in conference with John W. Philip, Fourth Assistant Postmaster General, on the Colorado project.

#### Sterling Assures Supporters That He Has No Thought Of Dropping Vote Fight

Governor Sterling issued the following statement at Austin Friday night:

"There seemed to be some doubt a few days ago as to whether the election contest suit would be prosecuted to a conclusion. I am sure that the filing of the new suit yesterday will convince the most skeptical that there never was a thought in my mind that this suit would not be carried through.

"My attorneys are satisfied from their investigation that there is no doubt about final outcome of this

#### Cuthbert Farmer's Daughter Dead Of Dyptheria Attack

Funeral rites for Bobbie Waltena Thompson, 3, daughter of Mr. and Mrs. A. A. Thompson of Cuthbert, were conducted at the Jones, Russell and Company chapel Saturday with Rev. L. A. Webb, pastor of First Methodist church, officiating. Burial was in the Dunn cemetery.

The child died at 12:30 o'clock a. m. Saturday from dyptheria. She had been ill one week. She had lived in Cuthbert community for the short duration of her life.

Surviving are her parents, Mr. and Mrs. A. A. Thompson and one baby sister, Doris Wanda Thompson, age 14 months.

#### TWENTY-SEVEN ADDITIONS TO CHURCH OF CHRIST IS AMONG REVIVAL RESULTS

'Most Successful Campaign I Ever Held Here,' Says Minister Harvey

Revival meeting begun at the Church of Christ Sunday morning, September 11, was concluded Sunday evening after two weeks of special evangelistic services, described by Minister Jim Harvey, as the most successful ever held at the church. There were a total of twenty-seven additions, sixteen of whom were adult men.

"We have held revivals out of which a greater number of people were converted and united with the church, but at no time during my ministry here has the church led in a more successful revival, reaching so many people with its influences," Mr. Harvey stated Monday morning. "Our concluding service Sunday night was attended by a large congregation of people in spite of the fact the weather was unfavorable. God was manifesting His presence among us inside the church while rain came down in a downpour outside," he said.

This was the seventh revival meeting held by Minister Harvey during the past several weeks. More than 200 converts are among the visible results obtained by him, out of these services.

#### EASTSIDE SINGERS TO CONVENE NEXT SUNDAY

The Eastside Singing convention is to be convened Sunday morning at 11 o'clock at Bethel, W. O. Kinison, president, stated while in Colorado Monday afternoon. Members of the host singing class are making plans to entertain visitors in a most pleasing manner.

Visitors are cordially invited to attend the meeting. The program will open promptly at 11 o'clock. "Everybody come out and aid us in making this the best singing convention ever held in the county," Kinison stated in invitation extended to the public.

#### CLYDE YOUTH KILLED BY ACCIDENTAL PISTOL SHOT WOUND BURIED AT BAIRD

#### Virgil Gleghorn, 23, Dies On Highway Near Colorado Friday Afternoon

Virgil E. Gleghorn, 23, Clyde farmer, was instantly killed near Colorado Friday afternoon while riding on Highway No. 1 with an uncle, G. M. Shelton of Baird. Gleghorn died under the wheel of Essex coach in which the two men were driving from Baird to Big Spring after bullet from 32-calibre pistol, said to have been accidentally fired, had penetrated his brain.

According to statement given by County Attorney Garrett Friday night by Shelton, Gleghorn and Shelton, the latter a Texas & Pacific fireman living at Baird and an uncle of the dead youth, left Clyde about 11 o'clock Friday morning to drive to Big Spring to purchase some cattle.

When near the Shepherd settlement five miles east from Colorado, Gleghorn is represented as having announced intention of testing his marksmanship by shooting at utility poles with a pistol, described by Shelton as being in a bag in the car. Shelton stated that he opened the bag, took out the gun and cocked it. It was discharged as he delivered it to Gleghorn. The bullet entered the boy's face immediately below the right eye. Death was instantaneous.

A Kiker & Son ambulance brought the body of Gleghorn into Colorado. Shelton was taken into custody by Sheriff R. E. Gregory. After an inquest conducted here Friday night before Justice W. S. Stoneham, a verdict describing the tragedy as accidental and ordering release of the accused man was returned. Father of the dead youth, who arrived here from his home at Clyde Friday night, sustained contention of Shelton that the boy must have been accidentally shot, due to close friendship said to have existed between the two.

The body was forwarded Saturday morning to Clyde by Kiker and Son. Funeral rites were held Sunday at Baird.

#### CHRISTMAS SEAL SALE TO BE DIRECTED HERE BY FEDERATION CLUBS

Plans for organization of the 1932 Christmas Seal sale in Mitchell county were formulated here Friday following a visit of George H. Craze of Austin, field representative for the Texas Tuberculosis Association. Craze announced that the sale would be sponsored by the Mitchell County Federation of Women's Clubs, with Mrs. Jeff Dobbs, president, in charge.

With an increase in number of deaths from tuberculosis in Texas last year over 1930, there should be no let up in this voluntary campaign against the dread disease, Craze pointed out. Funds derived from sale of the Christmas seals go entirely to support this campaign.

Seals and advertising supplies have already been received here. The annual drive is to open on Thanksgiving Day. Seals for the twenty-sixth annual campaign are particularly colorful and attractive, carrying a design of two child carol singers.

#### HARVEY, GREENE SPEAK BEFORE LOONEY SCHOOL

Jim Harvey and Jim Greene were speakers to address patrons and students attending rites opening the Looney school Monday morning. The program was attended by several citizens of the community.

**Foundation Patrons School**  
Fifteen women of the Mitchell square home demonstration club have individually fitted patterns as a result of the Foundation Patrons school conducted for delegates of the various clubs during Tuesday and Wednesday of last week.

The first day was spent in the making of waist and sleeve patterns, and the second skirts and collars, with Mrs. Dora E. Barnes, clothing specialist of A. & M. College, in special work in the making of the pattern for any and all garments for the individual.

These delegates then got back to their various clubs and had the day or more to make garments for themselves.

Those attending were: Mrs. E. A. White and Tammie E. Kaskid of Spade; Terral McKinney, Edwards and McClintock of Laramie; Mrs. Davis Cole and I. Smallwood of Hyman; A. J. Barks and Eva Hammonds of Buford; W. A. Jackson and Clyde Linton of Lone Star; Will and Chester Berry of Fairview; and Albert Erwin and Loyla Gray of County Line.

**Tea Entertains**  
Alton Guinn Green was two years old last Friday, September 23 and Kenneth Hammonds birthday being on Monday, September 24. Just three days difference in their ages, had their birthday party together Monday afternoon at Alton Guinn's home. Several of their little friends came to play and brought gifts. Their cakes, with two pink candles on each, were very pretty.

They played for a while, then the cakes were cut and their mothers served pink ice cream in cones.

**Methodist Missionary Society**  
The Methodist Missionary Society met Monday in the church. Mrs. Stogdard and Mrs. Pickens gave the devotional, the theme being "Finishing God is Great Cause." Mrs. Merrill read the Scripture references and Mrs. Dobbs led in prayer.

The president reported letters from Mrs. West, who has just reached China. Mrs. Pritchett reported on the study book to be begun in October. This is "Living Issues in China." The books will be ordered and the book taken according to Council plan. The Boys and Girls World club are having services again on Sunday. They had a very interesting exhibit from China the past week. The articles made in the vacation school had been sent to China and to the Bethlehem Home in Nashville. Mrs. Garrett had a splendid report on the work done. Mrs. King reported visits, flowers, food and clothing done in social service. Some work done in the last election.

The committee to pack jellies and preserves for Miss Swisher shipped the box almost ready to be shipped. Mrs. Pickens, who is moving to the country, resigned as secretary, and Mrs. Jeff Dobbs was appointed to finish out her work.

Mrs. Pickens gave the lesson of the month, "China's Forward Movement," in a very interesting way.

After paying dues, the meeting adjourned with prayer by Mrs. Garrett.

The executive committee will meet Monday with Mrs. Merrill to arrange reports to be sent off. Every officer is expected to be present.

**Dorcas Class Meets**  
The Dorcas Class of the First Baptist church met Thursday afternoon, September 22, at the home of Mrs. G. W. Whitaker, she and Mrs. J. P. Pond, being hostesses. Mrs. Whitaker had charge of the devotional songs by the class. Mrs. Paul Cowper read the Scripture. Mrs. Alexander presided over the business session. Her officers elected as follows: President, Mrs. W. W. Alexander; enlargement, Mrs. Mary Lehart; fellowship, Mrs. Beulah Webster; devotional, Mrs. Deering; stewardship, Mrs. Hammond; secretary and treasurer, Mrs. J. E. Cooney; assistant secretary, Mrs. Cooney; reporter, Mrs. R. A. Blackard.

Mrs. Green and Mrs. Hoxley had charge of the social hour. Several amusing programs were staged.

The business served refreshments of chicken salad sandwiches, pudding and coffee.

There were 23 members present, and two visitors, Mrs. Russell and Mrs. Lipton.

The next meeting will be at the home of Mrs. Epps, with the aid Mrs. Beulah Webster as hostess.

**Kitchen Shower for Mrs. Logan**  
Friday evening at her home in the McKenna residence, Mrs. Cecil Lanier, entertained with a Bingo party and kitchen shower, honoring Mrs. Jimmie Logan, a recent bride.

Games of Bingo were enjoyed for quite a while, the last game being won by Mrs. Logan, who was handed an envelope, saying she would find her prize on the dining room table. Here the gifts were artistically wrapped and presented by the hostess.

Those winning in the Bingo games also presented these to her.

After the gifts had been opened and their usefulness discussed, Mrs. Mildred Martin toasted the bride; Mrs. Egan, the groom, and Miss Baby Dale Warren, the girls left hand.

A gorgeous wedding cake was brought in and cut by the bride; cream served with red, white and blue cream. The plate favors were red tulle with "Mrs. Logan" tied with white ribbon.

**Baptist Circle Meetings**  
The Alice Hagley Smith Circle met Monday afternoon at the home of Mrs. Hattie McKell, with the following members present: Meses. Sadler, Scott, Greene, King, Farris, Simon, and Miss Violet Mosser. The devotional was read by Mrs. Dick O'Brien. After the business was transacted, the lesson on the Book of Acts, was taught by Mrs. Simon.

The Dorcas Circle met at the home of Mrs. Jim Oliver with ten members and three visitors. Mrs. Jack Smith read the devotional, the 15th Chapter of John. Duties of the officers were outlined and discussed for the lesson. Next meeting will be at the home of Mrs. Blackard.

The Hesperian Club will meet in business session with the president, Mrs. A. L. Whippley, Friday at 3:30, to arrange for the club evening.

**Miss Greene Entertains**  
Saturday evening, Miss Nell Harper Greene entertained six couples for a bridge group at her home. No prizes were given and after an enjoyable game, a salad plate, with coffee and cake was served.

All Philadelphia is looking Miss Rachel Schmitt, 17 high-school girl, to win the 1932 Miss America title and national beauty contest at White-wood. Miss Schmitt eliminated 22 rivals in the Quaker town finale.

**Contract Bridge Builders Entertained**  
The members of the Contract Bridge Builders and other guests were entertained last Saturday by Mrs. Pearl Shannon and Miss Nellie Harper Green, assisted by Mrs. J. T. Johnson and Mrs. J. H. Cooney.

There were five tables of players. Mrs. T. W. Spangher was winner of high score, Mrs. J. H. Cooney, second, and Mrs. Laura Louise Peterson, low. Each of these ladies were given a deck of cards as a prize.

A delicious refreshment plate was served after the games. This consisted of fruit salad, assorted sandwiches, potato chips, devil's food cake and coffee.

Vases of late roses decorated the three playing rooms and an artistic arrangement of regular crocuses in a silver bowl on a mirror, the dining room.

Many new fall frocks, featuring the burgundy reds, browns, greens and black and white, were seen at this colorful party.

**Presbyterian Bible Study**  
The Presbyterian Auxiliary met Monday with Mrs. Madrin in Bible study. The meeting was opened with prayer. Mrs. Millwee taught the sixth lesson in Hebrews and closed with the Hallel benediction.

**Birthday Party**  
Saturday was Bobby Fee's birthday and a party was given him at his grandmother's, Mrs. E. P. Price. His guests were his Sunday school class and some other little friends—fourteen in all. The children played games and had the very best sort of time. The birthday cake, with its four candles, was admired, then cut and served with boiled custard and cookies.

Suckers were given as favors.

The Wolves are to open the season Friday afternoon at 3:30 o'clock playing the Roby Lions at Cantrill Field. The boys demonstrated Thursday afternoon that they are ready for Roby, in an interesting game played between the first and second elevens.

During this week Cantrill has been strengthening the weak points developed in Thursday's scrimmage. The running attack, especially, has been greatly improved.

Charlie Wiggly and Red Morrison played a great game on the second team, Wiggly getting most of the tackles and Red did a great job in backing up the line.

Here is the schedule for District 3 this week-end:

Robby at Colorado; Sweetwater at Abilene; Pecos at McCamey; Big Spring at Lamesa; Stanton at Midland; Ballinger at San Angelo.

Sweetwater and Abilene are both in the spotlight and the battle between them Friday afternoon should be the outstanding grid encounter in Texas for the week-end.

Probable starting line-up for the Wolves Friday:

Doss and Stagner, ends; Church and Bridgford, tackles; Hagler and Alexander, guards; Wiggly, center; Hall and Kniff, backs; Morrison, quarters; Viles, full back.

The Wolves are being doped to win, but Roby will be plenty tough. We are going to predict a scoring record of 17-7, but you can't tell. At any rate Colorado fans will have opportunity of witnessing a good, fast game.

Curtis Bishop, sports editor of the Big Spring Daily Herald, would have his readers believe that Big Jim Cantrill is formulating out at Cantrill Field a gridster organization that will make things interesting for opposing elevens this Fall. In the Herald for Thursday afternoon, Bishop says:

"Big Jim" Cantrill, Colorado's idol, stands ready for his first appearance in Class A company this season.

Blessed with the largest squad he has ever had, with thirteen of them veterans of the 1930-1931 teams, the former T. C. U. star does not mind admitting that he has one of the best teams in school history, and that his Wolves will be a doormat for on one this year.

At the helm of a high school team for the first time since his resignation in 1929 Cantrill finds himself with a squad of 28 men, with all of them due to see action during the pending campaign. He has veterans for every position, with Captain Elvie Stagner due to be one of the outstanding wingmen of this district.

Around "Lefty" Shelton, a south-paw passer, Cantrill hopes to build up an aerial circus equal to the task of competing with District 3 teams on even terms. Running in the backfield will also be P. J. Burris, eligible for competition after a great in 1930, Morrison and Lowry and a raft of new material.

Stagner, all-around athlete, will handle one wing department with Jack Cox, a veteran, favored to stand off the threats of Patsy Doss, the best punter on the club, Pennington, Henderson and Kirby. Red Church, transferred from end to tackle, is at present suffering from an injured hand and may give away for the earlier part of the schedule to R. P. Ware, Bridgford and Gregory.

Three veterans enable Cantrill to fill guard posts easily. Alexander, Hagler and Byrd are all seasoned campaigners, veterans of the '30 and '31 seasons. At center Barnett, a squadman last year, is not expected to win a regular berth over Wiggly, a newcomer who is the sensation of the practice session.

The Wolves will open their 1932 campaign against the Roby Lions, a traditional Class B veteran and meet their first conference opponent on October 8, when Clyde Parks' McCamey Badgers visit the Colorado field. On October 21, Midland plays host to Cantrill's club and the Wolves will not be seen on the local field until November 19, when San Angelo invades Colorado.

Thanksgiving Day the Wolves will meet Big Spring at the Steer stadium.

## ROSH-HASHONAH, JEWISH NEW YEAR, OPENS FRIDAY EVENING; FETES PLANNED

Yom Kippor, Annual Day of Atonement, to Follow One Week Later

Jewish citizens of Colorado this afternoon as the sun fades away in the west will join peoples of that faith throughout the world in celebration of Rosh-Hashonah, the Jewish New Year. The event extends through Friday night and Saturday.

One week later comes the most sacred holiday observed by the Jews. It is Yom Kippor, the Day of Atonement. Religious ceremony and other rites usually attend commemoration of the day.

General closing of stores and shops owned and operated by Jewish citizens is not to be observed at Colorado Saturday. Managers of some of the concerns announced they will close, however. The stores will, in all probability, all be closed for Yom Kippor.

## Bill Scott Will Do His Best In 'Ghost House' Drama Bill

Bill Scott has recently secured a position in Augustus Brown's household as a cook and will start to work on his new position October 6 and 7 at the high school auditorium.

With this as a nucleus "Ghost House," the thrilling home talent mystery drama, sponsored by the Colorado Fire Department, to be presented at the high school auditorium on October 6 and 7, develops into a well rounded plot.

The cast and director are hard at work to make "Ghost House" a finished production. According to advance reports received "Ghost House" is unique in the field of home talent plays and the Fire-Boys expect packed houses both nights.

## NERVOUS BANDIT DROPS GUN AFTER HOLDING UP CAFE; EMPLOYEE SHOT

A fearless youth walked into the Harvey House at Sweetwater the other night and displaying a sawed-off shot gun to Mrs. O. A. Short, operator of the place, demanded that cash in the register be handed over. The loss was placed at \$17.00.

Saturday night this same youth came into another lunch room at Sweetwater and displaying his sawed-off shot gun, demanded that the three persons employed in the place lie on the floor while he looted the cash register. Between \$10 and \$15 was taken.

As the bandit was leaving the place he backed into a door and in excitement dropped his gun to the floor, the jar causing it to discharge. Several buckshot struck Curtis Carlisle, one of the employees, but the injuries proved to be minor.

## Preserve Now to Aid Needy During Winter

By Jane Rogers

An excellent way for you to do your bit in helping the unemployed is to suggest to your bridge club, or your community or church organization, that the members work together one day a week this summer, putting up fruits and vegetables for distribution to needy families next winter.

Preserves possess a number of outstanding advantages for this purpose. They are high in food and health value, the fruits and the vegetables furnishing vitamins and minerals, while the sugar content is an unequalled source of energy. The expense involved is small. The products of orchard and garden promise to be unusually cheap, and sugar is at its lowest price in history.

Most women have their own favorite fruit preserve recipes, but are not so familiar with the recipes for preserving vegetables. Below is a vegetable preserving recipe that will give your group a start in a worthy undertaking.

**String or Butter Beans**  
Discard any imperfect beans, wash thoroughly and rinse in several waters. Cut in desired size, cover with boiling water and cook for five to ten minutes, uncovered. Then fill into sterilized pint jars, adding one teaspoonful of sugar and half a teaspoonful of salt to each jar. Cover with the water in which they were cooked, adjust sterilized rubbers and covers loosely. Place in wash boiler, filled to within an inch of the top of jars with hot water, bring to boiling point and process (boil) for three hours. Lift from water, tighten covers securely, turn jars upside down to cool.

## American Cheese To Be Exhibited During 'Live-at-Home' Fair

Among the attractions at "Live-at-Home" fair in November about which considerable interest is expected to be centered by housewives, will be exhibits of American cheese.

During the past year demonstrations showing process for making this commodity have been given in the Landers, Hyman, Spade, Lone Star, Seven Wells, Payne, Shepherd, Longfellow, Westbrook, Bauman and Plainview communities, under direction of the home demonstration

agent. Fairview and County Line communities are sponsoring such demonstrations this week. This cheese is made by the same process as employed in commercial factories. From a month to six weeks time is required for the cheese to properly cure or ripen.

Among the Mitchell county women who plan having exhibits of the cheese at the fair are listed the following:

Mmes. H. U. Salley, S. E. Meadows, M. L. Ardian, S. O. Wulfjen, J. I. Payne, E. S. White, H. K. Albright, E. E. Herrington, W. A. Jackson and Morgan Charles.

The Juniors have many plans for the coming year.

The Freshman class is having an interesting time. We all enjoy high school work, although algebra isn't so funny. We hope to keep working to master our algebra.

The following Freshmen girls have made the Junior basketball and baseball teams: Ruth Miller, Lorraine Hart, Aileen Hayslip, Cleo Ussey, Joe Nell Anderson, Vestal Smith and Juanita Collier.

#### Choral Club

The high school girls met Monday to organize a choral club, and elected the following officers:

President, Florence Neal; vice president, Grace Plummer; secretary-treasurer, Marie Gressett; song leader, Evelyn Smith; Pianist, Ozelle Berry; sponsor, Miss Frances O'Kelly.

The club is to meet every Tuesday afternoon.

#### School Program

If the weather permits there will be an entertainment at the Westbrook school auditorium Friday night, September 30. This program is for the benefit of school activities and consists of two short comic acts, one pantomime entitled "And The Lamp Went Out," and a negro mock trial entitled "Eliza Rosewater's Divorce Case."

Some of the best talent of the community has been enlisted in each of these plays and we feel that you will be well repaid if you come.

Admission will be 10 cents and 20 cents.

### At The Baptist Church—

There were seventy-five in Sunday school last Sunday morning, even if it was raining.

Rev. Allen preached at 11 a. m. on "Its Good to Be Here," and the evening service was held at the pastor's home.

### At The Methodist Church—

Last Sunday was promotion day in our Sunday school. Quite a number of pupils were promoted to higher classes. Attendance was good at Sunday school and also preaching services, were well attended. Three were added to the church by letter.

The Missionary Society was well attended Monday afternoon. The last lesson in our Bible study of Genesis was led by Mrs. Boston. This week was declared as "Work Week" and each woman is to earn 50 cents for the Society. We wish every woman in our church would respond. Prayer meeting is held each Wednesday evening. You are cordially invited to attend.

## Farm Holiday Vigilants

These three Farm Holiday strikers who were picketing the roads outside Omaha, Neb., to see that no foodstuff reached market in a 30 day strike, staged the above burlesque, calling it the "Spirit of 1932."

## MITCHELL COUNTY FARM NOTES

Fowler McDaniel built a self-feeder for 41 head of pigs about two weeks ago and is feeding a barley and wheat grain mixture and a mixture of tankage and cotton seed meal. The grain and protein feeds are in separate compartments. Mr. McDaniel says the pigs are eating one-half pound of the protein mixture per head per day and he estimates that they are gaining two pounds per day.

J. W. McGuire of Rogers is planning to feed his hens and pullets the big five poultry ration.

J. W. Bird of Westbrook has one of the earliest turnip patches in the county. It was planted in late July and he started marketing the turnips about two weeks ago. They are unusually good for this time of the year.

There seems to be some misunderstanding about an article appearing in the papers last week about the damage done to the feed crops. The letter from the State chemist was in regard to feeding loss and not to loss in the field. Dr. Fraps stated that the feeding value of the sprouted grain was almost equal, pound for pound, to the normal grain. He did not attempt to estimate the loss in the field from shattering of the grain.

Hall Hooker is starting two meat hogs on a self-feeder. He says, "I am going to have pigs coming on at all times of the year and kill when they reach 165 pounds regardless of whether it is winter or summer." Mr. Hooker has cured out two hogs in cold storage the past few months.

M. C. Holt is starting 16 pigs on a self-feeder containing ground threshed maize and a protein supplement.

Blanks for feeder and range cattle loans under the Agricultural Credit Corporation are on file at the county farm agent's office.

# Natural GAS

is your cheapest item of expense

Natural Gas Service, because of the fact that rates were not increased when prices generally were on the upgrade, is STILL the least expensive item in the cost of running a household.

During the past summer, when gas was used principally for cooking and water heating, the cost to many homes has been little more than the price of a postage stamp for a daily letter. Even in cold weather when larger quantities are required to guard the health and comfort of the entire family, the gas bill represents only a small fraction of the winter household expenses.

In fact, the average gas bill in this section the whole year 'round is only about 15 cents a day for house heating, cooking and hot water supply. . . . A dependable year 'round service that benefits the entire family and costs less than the gasoline expense of one small automobile . . . less than any other necessity that contributes to the health, comfort, convenience and happiness of your home.

As a fuel . . . as a service, there is no substitute for natural gas. Take advantage of its inexpensiveness for your complete comfort this winter.

**A Novel Sweet Potato Dish**

By Jane Rogers

NOTHING will do more to give interest to a meal, whether it be a formal or informal repast, than a dish in which flavor and appearance combine to lift it out of the ordinary routine. Baked and candied sweet potatoes are delicious, but can scarcely be called unusual. Sweet Potato Volcano is even more delicious and possesses the added zest of decided novelty. Equally important from the point of view of the busy housewife is the fact that it is easy to prepare. Only in the careful combining of the seasonings is special care required, and here, as in the case of practically all other vegetables, a judicious use of sugar is highly important. Sugar is used in combination with the salt and pepper to blend the other seasonings and develop the natural flavor of the

sweet potato. It is used again to form the glaze that gives the dish its crowning touch of appetizing novelty.

**Sweet Potato Volcano**  
Boil, peel and mash the sweet potatoes while hot. Beat till creamy, adding butter, salt, pepper, one tablespoonful of sugar and one tablespoonful of cream or rich milk to moisten well. Then form into an irregular mound on a dish that will bear the heat. Make a deep indentation in the top and fill with a sauce made by creaming together two tablespoonfuls of butter, one tablespoonful of chili sauce, a dash each of pepper and salt. Fill the hole in the potato mound with the sauce, sprinkle the mound generously with granulated sugar, and place at the top of a very hot oven to glaze and brown.

### Palace Theatre Has Interesting Program Billed During Week

For Thursday and Friday, September 29 and 30, the Palace has booked one of the greatest pictures of today. The action high-light of "Devil and the Deep" with Tallulah Bankhead and Gary Cooper, occurs when the mad Commander Strum, to revenge himself upon his beautiful wife and her lover, heads his submarine into a collision with a tanker. You will have to see this wonderful picture to appreciate the amazing acting.

"From Broadway to Cheyenne" is the title of the Rex Bell picture coming to the Palace for one day only Saturday, October 1. The romantic Rex Bell, handsome husband of Clara Bow, is at his best in this breezy Western.

Constance Cummings, appearing in Columbia's "Attorney for the Defense," in the role of secretary to a famous criminal lawyer declares that before starting work on this picture she gave considerable time and study to the selection of exactly the type of clothes a business girl should wear. "Attorney for the Defense," starring Edmund Lowe, will be the feature at the Palace for the Sunday matinee and Monday night show.

Edmond Lowe fights his own case when accused of murder in this gripping drama of the talkies.

"Ladies of the Big House," at the Palace Tuesday and Wednesday, October 4 and 5 will be one of the best of the year.

At a cheap dance-hall Sylvia Sydney, gun-moll and girl of Earle Foxe, underworld killer, meets Gene Raymond, happy-go-lucky youth, and falls in love with him. From then on the action is plenty, fast and furious, until the exciting climax.

"Madame Racketeer" is a picture that is out of the fog of the ordinary, into the sun of "something different." It is a picture so human—so entertaining—so fraught with humor that you will leave the theatre still smiling and with your ribs sore from laughing. It is booked at the Palace for Thursday and Friday, October 6 and 7.

### Hyman Happenings

By MRS. HYMAN  
Otis Chalk was in Hyman Tuesday, transacting business with Mr. Hyman.

Mr. Smith, the Magnolia agent, brought out a load of gas and oil last Tuesday.

The Crocketts of Abilene, who own a farm out here, were visitors Tuesday of last week.

Mrs. Porter Hammond went to Colorado last week to visit her sister, Mrs. Erskine Gross. Saturday was the birthday of Mrs. Gross' little son, Alton Gunn; and Monday Mrs. Hammond's little son, Kenneth's, birthday, so the parents are celebrating the occasion by having a joint birthday party Monday at the home of Mrs. Gross. Mrs. Hammond is to return the middle of the week.

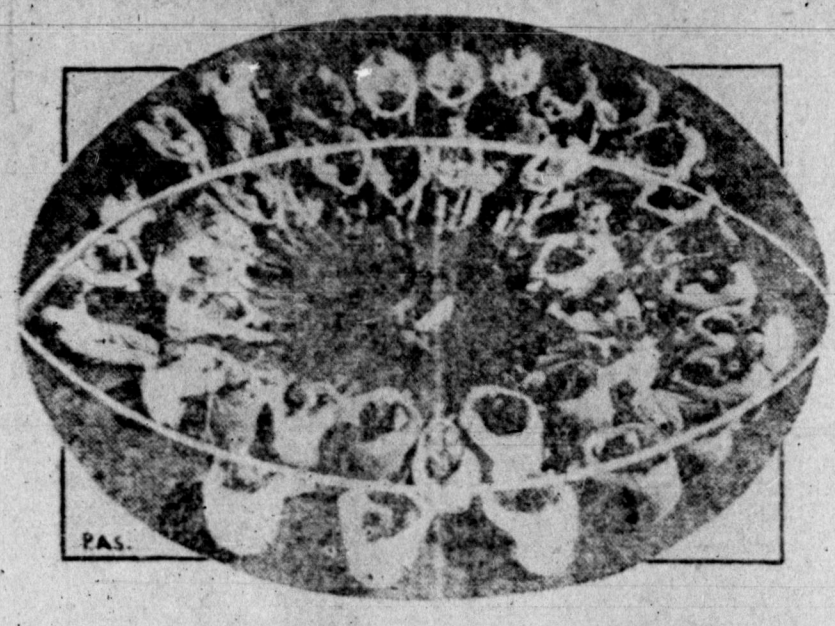

Mr. and Mrs. Otho Woodard are visiting F. H. Woodard for a few days. They formerly lived at Hyman, but they are making their home this year in the Rogers community. They arrived Sunday afternoon and will return next Wednesday. We are glad to welcome them back, as they grew up here and have many friends in this community.

Little Levey Pierce, young son of Mr. and Mrs. Howard Pierce of Westbrook, arrived last Sunday to visit his grandparents, Mr. and Mrs. I. Smallwood. This youngster is only about two years old, but he loves to visit his grandparents and his aunts and uncles. His mother was Miss Pauline Smallwood, one of our prettiest and most popular young ladies.

A. J. Roach has been confined to his bed for the past three days with a light case of flu. Miss Marjorie and A. J. Jr., both have been ill, but are up and around.

Jim Boyd, Bud Rogers and Frank Sparks, with Mr. Boyd's new truck, ventured a trip to town over the bad roads, which have been almost impassable since the rains of last week, which continued until Sunday. And today, Monday, the sun is playing hide and go seek, but we think the

sunshine is going to win out and that we will have some warm, sunny days, which will be most helpful to the crops.

Rev. J. I. Kelley from Colorado, filled his regular appointment here Sunday afternoon. On account of threatening weather and bad roads, only a small crowd attended, but he preached a good sermon, which those present enjoyed. He announced that the Quarterly Conference would be held at Spade on Sunday afternoon, October 9th. We hope all the charges in this circuit will be represented and bring a good report.

Miss Florine Andrews, one of the 4-H Club girls, was a contestant in the club for a trip to Dallas, to attend the State Fair, and the whole community is rejoicing that she was successful. This contest comprised the best made dress, most attractive quilt and the best ranned products.

This makes the second young lady who has won honors from this club. The other being Miss Elsie VanZandt, the attractive daughter of Mr. and Mrs. VanZandt, and her trip was won by having the most attractive bedroom. We congratulate these young ladies.

Mr. and Mrs. Hyman went to Knott last Wednesday on business. On their return, when they reached Big Spring, they found that they had had a cloudburst, and the roads east had been washed out, so they spent the night in Big Spring, returning by the way of Colorado the next day.

"Now my kitchen is the cleanest room in the house"

A difficult problem has confronted the housewife since time immemorial... how to keep the kitchen clean without hours and hours of tedious labor when the day was already filled with other things that needed doing.

We've solved that problem for you... or rather, the electric range has solved it for both of us. It's a simple matter now to keep your kitchen just as sparkling as any other room in the house. Gone are the troubles with soot, smoke, flying grease and the many other faults of old-fashioned cooking. Walls stay spotless, pans keep shiny, the range itself needs only the light touch of a cloth once in a while to remain as clean as a china plate... just as it was the day it left our store.

Construction Of New Railroad Line Into Colorado Believed Certain 21 Years Ago

A north and south line of railway for Colorado, connecting with the Santa Fe at Sterling City and having its northern terminus at Snyder, was the next big objective believed assured as The Record for Friday, September 29, 1911, went to press.

J. J. Lanin, the man who had recently built the railroad from San Angelo to Sterling City was in town and heralded the information about the streets that he was going to construct an extension from Sterling City, preferably through Colorado and Snyder. The Record boasting informed its readers that the proposition was not "hot air."

"When Mr. Lanin began to talk about his road from San Angelo to Sterling City many said that he had no money and that the road would not be built, but it was built, alright, and so will the Sterling City-Snyder road," the paper said. So sure was the editor that this line of railway would be realized that space was given to discussion of proposed townsites, one to be located in the Spade pasture and the other north of Colorado.

A. J. Herrington and Geo. B. Root had just arrived from Dallas in a new 1912 model Overland car. The machine performed in a near miraculous manner, The Record said. The entire trip was made with no trouble at all and even the radiator, filled with water before leaving Dallas, was almost full upon arrival here. This feat was of special interest. The car was sold to Dr. T. J. Rathiff.

City Marshal Ayers took the count following an engagement with an "ate house." The animal delivered blows from his hoofs with telling effect and the officer was "laid up" several days for repairs.

Combination hotels and livery barns were still popular in those days. The Record man told of a visit to Westbrook Wednesday of ment, John R. Baze; poultry, Doyle Williams.

that week and was the guest of Joe B. Neal, manager of such an enterprise there.

A meeting of bankers, merchants, farmers and laborers "of every description" had been called for October 7, to discuss "the bearish movements in the markets and ways and means of getting our just dues and what is coming to us for the products of our labor." Call for the meeting was signed by J. E. Hooper, J. B. Story, Jack Smith, E. M. McClellan, W. M. Green, W. J. Wingo, E. M. Reese, P. C. Coleman, C. M. Adams, R. H. Looney, F. M. Burns and A. C. Costin.

Federal Employment Measure Studied By Group At Colorado

Whether or not this county is to apply for allotment out of the Federal government's appropriation to aid unemployment remained to be seen Monday afternoon following adjournment of conference called by C. C. Thompson, who as member of the West Texas Chamber of Commerce executive board, would direct such applications here.

Thompson, however, acting upon recommendation passed at the meeting, named a committee to investigate needs of this county and report to a later meeting. The committee is composed of J. H. Greene, H. L. Hutchinson, A. F. King, J. D. Harvey, Joe Pond, C. M. Adams and T. W. Stonerod.

Disbursement of the fund is to be made under personal supervision of Governor Sterling, with the West Texas, East Texas and South Texas Chambers of Commerce acting in an advisory capacity. Three offices through which applications are to be handled will be maintained in area represented by the West Texas chamber, one of which will be at Stamford, general headquarters. The other two will be in Fort Worth and El Paso.

WIVES SHOULD BEWARE HUSBY'S EMBRACE; THE HOSPITAL MAY FOLLOW

Mitchell county wives, whose husbands are in the habit of hugging them as he returns home from work, might profit in demanding that hugs while tender and affectionate, not be demonstrative of muscular strength. Such precaution might keep unsuspecting wives out of the hospital.

The other day Tom Moore, towering giant employed in the oil fields near Troup, came home after a day's work. His wife met him in the yard. They embraced and the hugging was so intense that ligaments of her lungs were ruptured. The woman was hauled away in an ambulance to the hospital, much to the surprise and chagrin of her husband.

Let hubby embrace you, if he prefers, but diplomatically impress him that hugging with the soft pedal is just as effective as the more demonstrative sort.

OWEN GIPSON RETURNED TO JAIL AFTER ARREST AT DE LEON LAST WEEK

The romantic lure of a sweetheart has gotten Owen Gipson, escaped prisoner, behind jail bars again. He was captured last week at De Leon while attempting to see a young lady said by local officers to have corresponded in most endearing terms with Gipson before his break for freedom on the night of September 10th.

Gipson and three other men being held on felony charges escaped jail by sawing the bars from a window in second story of the jail building. He is facing a charge of forgery. Dean Shoemaker, "Slick" Lee and Kelly Christian, other prisoners to escape at the same time are still at liberty. This made the second time that Christian had broken the Mitchell county jail.

LORAIN, HYMAN 4-H CLUB ENTRANTS SHARE HONORS AT ANNUAL COUNTY SHOW

2 Girls Win Complimentary Visits To State Fair At Dallas Next Month

Loraine and Hyman 4-H Girls Clubs have again demonstrated the fact they are out after results. Lella June Harrell of the Loraine club and Florice Andrews of the Hyman club won for first place awards in annual club exhibit at Colorado Saturday and are to be rewarded with complimentary visit to the Educational Encampment for 4-H girls at the Dallas Fair next month.

The annual exhibit was held in the county court room under direction of Miss Abbie Sevier, home demonstration agent. The girls were scored on work done in clothing, gardens and bedroom improvement.

Lella June had kept a record of all the clothing she had during the past year, showing time of purchase, make, cost, date discarded and giving reasons for discarding. She also carried out all phases of the work and had seven varieties of fresh vegetables and twenty-three varieties of canned products and her quilt on exhibit. She had shown at the Spring exhibit a cup towel, slip and two dresses. She had grown parsnips, pimiento and cauliflower for the first time this year.

Florice is garden demonstrator in her club. As such she had charge of the family garden, including planning, keeping records of all vegetables used from the garden, both fresh and for canning.

To date 1,460 pounds of vegetables had been gathered from this garden, overcoming the handicap of a late hail. 341 containers of vegetables have been canned for family use and a sufficient quantity to fill 168 containers given away. A net profit of \$131.30 was shown to have been realized from the project during the year.

Florice carried out an interesting experiment with her tomatoes, using corn cobs placed under part of the plants to aid irrigation and fertilization. She found that productivity of the plant was doubled by this process. She also grew pimiento and pepper squash as new vegetables. She has made and exhibited a cup towel, slip and dress in clothing and a quilt in bedroom improvement.

Other girls making high score in club work for the year and who exhibited here Saturday include Lola Mearse of Loraine, LaVoyce Lowry Helen and Lorene Andrews, Mira Smallwood and Elsa VanZandt of Hyman.

JUST SETTING PROPER EXAMPLE FOR MEMBERS OF PARTY—BUCHANAN

J. A. Buchanan, chairman of the Mitchell county Democratic executive committee Monday morning received his Roosevelt-Garner plaque and immediately affixed the emblem to lapel of his coat.

"I am just setting the proper example for all loyal members of the party and you should get yourself one of these," he suggested to a reporter for The Record. The local Democratic leader is optimistic over prospects for the nominees to win November election.

Greatest Mystery Drama Of Them All, Sponsors Say Of Bill Coming Oct. 6-7

The cast for "Ghost House," the home talent mystery drama, sponsored by the Fire Department, which is to be presented at the high school auditorium, October 6 and 7, for the benefit of that organization, has been definitely chosen and rehearsals are well under way.

"Ghost House" carries an unique and outstanding plot developed in the strange will left by the wealthy old Augustus Brown, whose mysterious death several months previous has caused many people to believe his gloomy old home, "Brown Manor," is haunted by his ghost. This plays opens on a stormy March evening in Brown Manor with his heirs assembling to hear at midnight the reading of his strange will. A detective suddenly forces his way in, stating that he is looking for the murderer of Augustus Brown and will have no mercy until he finds the guilty man or woman. A newspaper reporter breezes in to get a story—and what a story he gets! Lights go out, strange sounds are heard, moans and screams come

from the lower regions. Mystery, thrills, suspense, intrigue and even comedy are all packed in this drama.

Two attractive girl choruses using weird lighting effects and a peppy detective chorus of men will be featured between the acts.

Following is a list of characters: Barbara Brown, sweet and charming young heiress, Nina Lee Rogers; Martha Brown, dignified and gracious aunt of Barbara, Fayrel Plaster; Paulette Andrews, dumb-bell maid, Corlene Harding; James Oliver, English butler, Dr. Bridgford; Benton Thompson, family lawyer, Benton Templeton; Donald Kent, gambler, nephew of Augustus Brown, Jimmy Logan; Elizabeth Bates, money grabbing social climber, Juliana Smith; Richard Bates, henpecked husband of Mrs. Bates, George Tate; Ted Wilson, dashing newspaper reporter, Bob Petreick; Inspector Brooks, hard-boiled detective from headquarters, Robert Coffman; The servant in the house, colored, jolly but superstitious, Bill Scott; the Ghost, ? ? ? ?

Texas & Pacific To Appeal Jury Award On Cattle Damages

The Texas & Pacific railway lost first skirmish Tuesday night in the W. H. Badgett damage suit but the carrier's attorney, Thos. R. Smith, immediately filed notice of appeal.

Verdict awarding plaintiff damage of approximately \$450 was returned in County Judge A. F. King's court, after two days had been consumed in trial of the case. Thompson and Barber represented the plaintiff.

Petition of Mr. Badgett, Mitchell county stock-farmer, alleged that in April of this year he consigned over the defendant railway two cars of cattle from Midland to Fort Worth. Negligence in handling the shipment resulting in delay and subsequent losses—on the Fort Worth market were charged.

FORMER ASST. COACH MAKES GOOD AT GWU.

John Baker, former assistant coach at Colorado, is making good at George Washington University, according to a recent article in the Washington Post. "Baker is making veteran" George Washington backfielders sit up and take notice," the article says. "Baker, who stands 6 feet and weighs 176, featured the first passing and kicking drill yesterday with some strong and accurate heaves of the pigskin."

I. W. Ramsey was here Monday from his home at Westbrook.

ETHER COLORADO ATTEND FAIR IN Broadcast Program At For Sunday Afternoon C. of C. Secretary

Mitchell county's annual "Live-at-Home" Fair is to be talked about and invitation extended radio audience to attend the exposition during an hour's broadcast program from studios of Station KKKL, San Angelo, Sunday afternoon. Arrangements for the program were completed Wednesday by Jim Greene, Chamber of Commerce secretary.

"Mitchell county folks are proud of their annual 'Live-at-Home' fair and we can see no reason why that others of West Texas should not join us in making the show an even greater success," Greene stated Wednesday afternoon. "We are to render a sacred musical program at the San Angelo studios Sunday afternoon and along with entertainment to be given by our own artists, radio listeners are to hear something of our fair."

The program is to open at 1:30 o'clock and continue until 2:30. Quartettes, solos and ensemble numbers are to be given. Local musicians who are to have a part in the program include Claude Womack, Ed Grubbs, W. K. Miles, Dr. C. L. Root, Pete Pickens and G. O. McCraight. Mrs. Roy McClellan and Miss Alta Ferguson will be the piano accompanists. KKKL broadcast over a wave length of 1370k.

DUNN M. E. MINISTER TO REPRESENT RECORD

Rev. J. P. Magee, pastor of the Dunn Methodist church, has accepted to represent The Record in his community, succeeding Wilson Ross, for some time the paper's correspondent there. Wilson resigned when he found that he did not have sufficient time for gathering and reporting news events and doing his high school work.

**Editorial**— One would think some highly explosive powder had been hidden under the foundation of old C. H. S. this year. School has been going on scarcely four weeks, but little time has been wasted. The students show more enthusiasm than has been displayed in several years. They have started the school year off right, by showing more home studying and preparation.

The Wolves are ready for their first game of the season. Coach Cantrill has them in good shape for a real tussle.

Miss Jennings' department of home economics shows its enthusiasm by designing the suits for our pep squad.

The pep squad really deserves its name, for a peppier, livelier bunch can't be found.

The Colorado high school band, the best in West Texas, is showing its school spirit and backing up the team with music that will make every spectator thrill in tune with "Colorado."

The Students' Little Theatre has chosen its first play for the season and even had several rehearsals. The Spanish club, "La Tertulia," has been organized several weeks and the new members were initiated Tuesday night.

All in all, one can hardly realize school has recently started, because such splendid cooperation, enthusiastic school spirit is seldom found in the first few weeks of school life.

**"Miss Blue Bonnet"**— On the evening of October 13 and 14 a three-act musical comedy, "Miss Blue Bonnet," will be presented in Colorado high school auditorium.

Home talent is used exclusively in this comedy hit to be presented soon. See a fast moving show! It tilts your tickle-box. Snappy choruses, colorful costumes, and picturesque setting are all involved in this masterpiece of a musical comedy.

It is sponsored by Business and Professional Woman's Club of this city.

**All a Mistake**— Friday evening, October 21, a three-act comedy-drama, "All a Mistake," will be presented in high school auditorium by the Students' Little Theatre.

Come see Harold Hester's effort at love-making, only to be wooed by another! See Bud Loving frantically attempt to regain a sweetheart of former days! Come and witness the escape of lunatics from the asylum next door... Come see Reachie Melton despondant in her maidenhood for her Romeo.

**Army Defeats Navy 16-0**— Coach Cantrill divided his team up into the Army and Navy for a game Friday the 23rd of September. The Army represented the first team and the Navy, the second. The Army started out with a great confidence that they would defeat the Navy at least 40 to 0. Both teams played a good game showing that both the Colorado teams are strong. The final score after the hard-fought game was 16-0 in favor of the Army or first team.

**Colorado vs. Roby September 30**— Colorado meets Roby here on September 30 for the first game of the season. No one knows how the game will go, but everyone can guess after seeing the Wolves practice once and hearing the pep squad yelling for the team. This is going to be one of the best games of the season; and the Wolves, if properly backed by the student body, pep squad, and town, will show Roby what it means to be up against a team that is thirsting for victory.

**Freshmen Are Active**— The Freshmen are still holding their own in school activities. In the pep squad, with its some 60 members, there are around twenty-five Freshmen, thus putting their average very high in comparison with other classes. Again we say, watch these Fish!

**F. F. A. to Send Delegates**— Colorado Future Farmers plan to send two delegates to the State convention, to be held at Dallas in October. The delegates will be selected this week.

**Enrollment**— The high school roll showed 266 students at the end of the first week divided as follows: Freshmen, 76; Sophomores, 57; Juniors, 61; Seniors, 72.

**Pep Squad News**— For 1932, Colorado high school is planning to have one of the best pep squads in West Texas. There are about sixty girls and boys who meet and practice yells and songs for their first ball game. The pep squad is sponsored by Miss Velma Barrett, and their yell leaders are Mary Louise Melton and Bill Loving.

A new style pep squad uniform will be used, consisting of black skirts and red Russian blouses. These will be very effective in their formations of the field.

**Tennis Club News**— The C. H. S. Tennis Club, which was organized recently, has sixteen members. The dues are 25c a year, for which the net and balls are furnished.

Each member plays every other member and standing is determined by a percentage basis as in a baseball league.

The play begins this afternoon with the first match scheduled between Harold Watson and Sam Woods. The second match is between Harold Hester and Bill Hicks.

**Personals**— Lois Burdine and LaVada Baze, graduates of '32, have been elected to office in the Freshman class at T. W. C., in Fort Worth. Julia Mae and Charles Edwin Root were visiting in Colorado this week-end. They are attending A. C. C. at Abilene.

Other graduates of '32 who are now attending schools are: Wanna Wade and Mary Frances Majors at C. I. A., Denton; Winnie Powell at T. C. U., Fort Worth; Steve Bodine at John Tarlton, Stephenville; and Camille Johnston at Texas Tech, Lubbock.

(September 1, 1932)

TO THE WORSHIPFUL MASTER OF MITCHELL LODGE, NO. 563, A. F. & A. M.:

WHEREAS, on the first day of September, 1932, it did please the Great Creator in His infinite mercy to remove our beloved brother from the cares and troubles of this transitory existence to a state of endless duration, thus severing another link in the fraternal chain which binds us together; we bow in humble submission to the will of the Triune God who doeth all things well and,

WHEREAS, the lodge with which he was so intimately identified from the time of his admission, mourns his loss, we commend his memory to you; a kindly gentleman, a constructive force for good, a God-fearing man, a real Freemason and a true friend.

Therefore Be It Resolved, that we place on our permanent records these words, thereby showing our love and appreciation for our beloved brother, and that a copy of this resolution be furnished the bereaved family as an expression of our condolence and comfort and a copy furnished The Colorado Record with the request that the same be published therein.

## The Texas Centennial Means The 100th Birthday of Texas

Sam Houston was inaugurated President of the Republic of Texas on October 22, 1836. As a symbol of his assumption of civil office, he presented his sword to the Speaker of the House.

### Celebrated in Honor of the Immortal Heroes of Texas' Early History

"It now, sir, becomes my duty to make presentation of this sword... this emblem of my past office," said Houston at his inauguration. "I have worn it with some humble pretensions in defense of my country—and should the danger of my country again call for my services, I expect to resume it, and respond to that call, if needful, with my blood and with my life."

In this dramatic manner constitutional government began in Texas nearly a century ago. The centennial of that event, and of other events which marked the birth of Texan independence, will come in 1936. We should observe it with a Centennial Celebration worthy of Texas and the heroes who won and established Texan independence.

Such a Centennial Exposition can rival the foremost of such events ever held. Literally millions of people will throng the borders of Texas. They will not only see the glories of our illustrious past—but the golden opportunities of the present. Happily, such an Exposition will return revenue to the State far in excess of its cost... and individual Texans will see direct economic benefit.

THE CHILDREN OF ISRAEL

The past three Sunday school lessons have been about the children of Israel in the wilderness. So few people read the Bible I have decided to portray this 40 year journey in this column for my readers:

The Exodus

The Exodus began at Rameses, (Ex. 12:37—Num. 33:2) in the first month with about 600,000 men, beside the women and children. About one million in all, with their flocks and herds, camels, tents, carts and cooking equipment. Think about this vast caravan under the leadership of Moses. Rameses was a leading city of Goshen, and had been built by the Israelites for the Pharaoh named Rameses. Modern Egyptologists date the exodus during the reign of Pharaoh Menephtah, 1317 B. C. After a march of one day (about 16 miles) they arrived at Succoth, (Ex. 12) which appears to have been the district of which Pithom was the capital. It was a region of pasturage, watered by a canal from the Nile, and therefore a proper halting place. They journeyed from Succoth to Etham in the edge of the wilderness. This encampment was at the north end of the Red Sea, and they could have come thence to Canaan by two regular routes without crossing the sea. But God ordained otherwise and changed their route to Pi-hahiroth, (Ex. 14). They encamped before Pi-hahiroth, between Migdol and the sea, over against Baal-zephon. Migdol was evidently a watch-tower on a hill, and the place of encampment lay between Lake Timsah and the so-called Bitter Lakes, where the sea was narrow and shallow, and easily affected by strong, persistent winds. Here the Pharaoh overtook them, and thence they made their miraculous escape through the sea to the east side, (Ex. 14).

The Route to Sinai

After celebrating their escape with song, timbrel and dance, Moses led them a three days journey into the wilderness of Shur, where they reached Marah, or "place of bitter waters." Here Moses sweetened the waters for his murmuring followers. They came to Elim (Ex. 15). At Elim were twelve wells of water, and a large grove of palm trees and they camped there. After leaving Elim, they came into the "Wilderness of Sin," (Ex. 16) which is between Elim and Sinai—about two months now since they had left Egypt. Here they were miraculously fed with quails and manna. They next camped at Dophkah and Alush, and then pitched at Rephidim (Ex. 17). Here they murmured for water and Moses smote the rock in Horeb, giving them a supply. He also called the place "Massah and Meribah, because of the chiding of the children of Israel." Here, too, a battle took place between the Israelites and Amalekites, in which the former were victorious. Leaving this encampment they entered the wilderness of Sinai (Ex. 18). In this wilderness they camped before the Mount (Mount Sinai), Jethro, the father-in-law of Moses, paid him a visit. Moses chose able men, and made them heads over the people, "and they judged the people at all seasons." God gave Moses the ten Commandments, (Ex. 20) a portion of the law was promulgated, (Ex. 21). The Tabernacle was fashioned and its ceremonies prescribed. Aaron and sons were set apart for the priest's office. The worship of the Golden Calf took place, followed by a slaughter of the people (Ex. 32). The Tabernacle was completed and furnished, and received the approval of Moses (Ex. 39). Ceremonial dedication of the Tabernacle (Ex. 40). The completed law was given and promulgated (Lev. 1 to 27). The people were numbered, and the second Passover was celebrated (Num. 9).

From Sinai to Kadesh-Barnea

The stay at Sinai was nearly a year, then they departed from the Mount of the Lord, three days journey and came to Taberah—Here their complainings brought upon them a consuming fire (Num. 11) and here the seventy elders, seem to have first been chosen. The next encampment was at Kibroth-Hattavah. (Meaning Graves of Lust). Here the murmuring people were smitten with a plague ere they could chew the food God had sent. They next journeyed to Hazeroth, and abode there. Here Aaron and Miriam sinned, and Miriam was smitten with leprosy. They next moved to Kadesh-Barnea. It appears from Deut. 1 that they consumed eleven days in marching from Sinai to Kadesh-Barnea, which place was in the wilderness of Parah, and near the southern borders of Canaan. From this place the twelve spies were sent out to view the "Land of Promise," all but two of whom (Joshua and Caleb) returned with an evil report.

The Wilderness Wanderings

The adverse report of the spies threw the people into rebellion against Moses and Aaron and God declared "surely they shall not see the land which I swore unto their fathers, neither shall any man provoking me see it." So God commanded, "Turn you and get you into the wilderness by the Red Sea." This period of rebellion and judgment seems to have been characterized by the outbreak and punishment of Korah and his followers, and by fire and plague, which destroyed thousands.

In Num. 33, a series of encampments of the Israelites during their wilderness wanderings is given. They indicate that the life of the wanderers was not unlike that of the Nomadic tribes in whose midst they were moving from place to place in search of water and pasturage, giving and receiving battle, the elders gradually dying off, the younger men acquiring skill and bravery for the conquest of Canaan.

Kadesh-Barnea to the River Jordan
The wilderness wanderings covered a period of thirty-eight years, after which there was a return to Kadesh-Barnea. Here Miriam died and was buried, and here Moses smote the rock. Edom refused to give Israel passage through their border, wherefore, Israel turned away and marched by the borders of Edom to Mount Hor. Here Aaron died and was buried. After leaving Mount Hor, they made a long detour by the way of "The Arabah." The detour for the purpose of compassing Edom, carried them to Elath and to Eziongeber, on an arm of the Red Sea. The encampments are mentioned in Num. On their northward march they at length reached the Brook Zared, which separated Moab from Edom. They next crossed the Arnon, which formed the boundary between the Amorites and Moabites. The next encampment was at Beer, here they sang the song of the well. Their marches were now through Moab to Jahaz, here they defeated the Amorite army and took possession of the country between the Arnon and Jabbock, thence they marched to Edrei, here they defeated Og, King of Bashan, and occupied his country, they next pitched at Abel Shittim.

This was the "Meadow of Acaclias" in the plains of Moab, on the east side of Jordan, opposite Jericho. Here in sight of Canaan, they defeated the combined armies of Moab, Ammon and Midian. The people were again numbered. Moses repeated and confirmed the law to

THE FAMILY DOCTOR

WARNINGS AGAINST

I heard a blithering charlatan the other night, hawking a well-known nostrum, and for every imaginable, trumped-up reason, urging the simple listener to buy it. You have heard this ballyhoo many times, delivered in a solemn, almost ministerial voice. I imagine they sell millions of bottles of the stuff—nothing certain about it but the pay for it. This nostrum, you are assured, is good for everything from snake bite to gangrene! It was being exploited as a cure for ivy poisoning, common at this season. Somebody in despair had swabbed the infected area—it acted like magic! The exploiting dramatist said the victim had accidentally touched "poison oak." That name is as ancient as the nostrum racket. Poison oak indeed! Absolute ignorance was shown in the reference to "the infected" area. Ivy poisoning is not an "infection." No more than a burn by fire is an infection. It is simply an intense acid irritation—no infection—germs involved in the process. I have an idea that ivy acid would destroy many infecting micro-organisms. There is no "infected area" in this poisoning. Carbolic acid is one of the deadliest poisons on earth; it needs no "germs" to aid it in killing folks. The commercialized huckster that tells you his stuff will make wholesale slaughter of "germs" in so many seconds—is good to be wary of; he probably never saw a germ in his life; he is simply out to do a million dollars worth if business, and you pay the freight, dear reader. Ask your family physician, who has been trained by the best methods known.

MY HOME AND YOURS

Lamb Hash and Peas
Monday is usually a busy day, and while the Monday dinner should be just as appetizing, it is wise to make that particular meal an easy one to prepare.

If the Sunday roast has been lamb, trim the fat from the meat and discard, put through the food grinder and add a half of green pepper finely ground or chopped, a few drops of onion juice (if the family like the taste of onion), and mix and soften with left-over gravy, or stock. If one has no stock, a beef extract cube dissolved in a cupful of hot water will answer the purpose.

After mixing the meat, green pepper and onion juice and seasoning, heat the mixture until very hot, sprinkle a little flour over the dish, and stir well, reheat, and serve on toast and add peas as a vegetable.

If your family likes boiled onions and your only reason for not serving them is that they make you cry, when you peel them, try peeling them under cold running water. Turn the tap on slowly and hold the onion under the water as you peel.

Velvet said to be quite the vogue for winter, may be made like new when wrinkled by placing the garment carefully on a hanger, suspend over the bath tub, turn on the hot water and allow the steam to remove the wrinkles.

To save innumerable steps, purchase a "service wagon." These wagons may be had with two or three shelves, and may be rolled from kitchen to dining room or pantry filled with dishes, either clean or soiled. After the meal course is on the table, the salad or dessert may be served from a service wagon, and the soiled dishes placed on the empty shelves, saving trips to the kitchen and back.

Strips of bacon placed on the breast of a fowl when roasting give a delightful flavor.

I have found it most satisfactory to add a small pinch of salt to egg whites before beginning to beat them, as they seem to beat more quickly, and keep a "shape" more readily.

Many cooks always line cake pans. Try using the heavy sort of commercial waxed paper cut to fit the bottom of the pans only. Grease the pans well first, sides and bottom, then place the paper in the bottom.

'Dirty' Campaign Talks By Negro G.O.P. Speaker Attacks Roosevelt And Garner

Bob Jackson, Washington correspondent for the Sweetwater Daily Reporter, is a bit irred over statements made by Oscar DePriest, negro of Chicago, who is a member of congress. The negro is said to be making "dirty" assaults upon the two standard bearers of the Democratic party.

In a special communication to his newspaper the first of this week, Jackson says:

WASHINGTON—Indignation of southern Democrats here reached a new high pitch this week when fresh evidence of a vicious "whispering" attack on Governor Franklin D. Roosevelt and Speaker John N. Garner couched with a malicious tirade against the south was received here.

The blast was from Oscar DePriest, pugny negro who is a congressman from Chicago, and was delivered at Cleveland recently. The dusky Republican asserted that the entire Democratic campaign was a southern conspiracy to get a southern "in the White House by the back door."

DePriest said that if he were elected president, he would elect a man of his own to the presidency, that it therefore plotted to give the presidential nomination to Roosevelt knowing that his physical condition would not permit him to serve for more than six months if he were elected and therefore John N. Garner, "too insignificant in character to be president of the United States" would step into office.

Other evidence of a Republican attack on Gov. Roosevelt on account of his physical condition has been given in the campaign, but this is the first direct receipt of a Republican congressman's openly proclaiming the false story which has been received in Washington. Copies of the Cleveland Plain Dealer, a leading Ohio daily newspaper, reached here this week bearing the story of the mass meeting at which the negro gave his talk.

Repeatedly, Democrats here have proven that Roosevelt is in fine physical condition, able to work long hours without taxing his strength and well fitted for the strenuous duties of the presidency. The latest testimonial to his good condition came this week from Senator Royal Copeland, of New York, a Republican who is nationally recognized as a health authority. Senator Copeland, a physician and writer on health subjects, said that both President Hoover and Governor Roosevelt were in fine physical condition and that either could serve four years in the White House without difficulty.

The dispatch in the Cleveland Plain Dealer follows: "Oscar DePriest, negro congressman of Chicago, told members of his race who filled the Western Reserve Republican headquarters yesterday that the nomination of Franklin D. Roosevelt was a Democratic conspiracy to get a southerner—John N. Garner of Texas—into the White House through the back door."

"Elijah J. Scott, a negro of Topeka, Kansas, joined DePriest in predicting that Roosevelt would not be able to serve more than six months if elected, because of his physical disability. Whipkey Printing Company can furnish anything needed in way of office supplies. F. B. W.

Non-Partisan Role

A non-partisan committee, made up of national leaders with former president Calvin Coolidge as chairman, is reported as being organized to make a national survey of the railroads and work out a plan to speed transportation recovery.

TEXAS FARMERS THINK COUNTY AGENTS UNDER RATE TERRACE VALUES

Texas farmers think county agents too conservative in the values they place on terraces. At least that is the conclusion drawn from a summary of farmer estimates from all over the State which averages \$7.29 per acre for the value of terraced land compared to \$5.00 per acre estimated by M. R. Bentley, farm engineer in the A. & M. College Extension Service. The latter figure is commonly accepted by the Service and cooperating organizations. Using farmer estimates, terracing up to 1932 has been worth \$44,000,000 to Texas.

The range of farmer estimates is great, but seldom has one been lower than \$5 per acre. A West Texan says: "I have seen years when terraces meant the difference between a crop and no crop at all." An East Texan states: "I had rather work terraced land with no fertilizer than unterraced land with 200 pounds of fertilizer per acre." Most of them express the worth of terraces in terms of increased yields which they estimate all the way from \$1 per acre per year up to a one-third increase. In several cases men who terraced 10 or 15 years ago, and have therefore had a chance to observe the effect of terraces on market value, declare terraces make the land worth from \$10 to \$25 more per acre.

A county agent says that a portion of the crop increases should be credited to the better management that is usually practiced by those who terrace. "A man who thinks enough of his farm to terrace it will ordinarily use a crop rotation including legumes, till the land better, and sow better seed."

"This is the view of the Extension Service," says Mr. Bentley. "Terracing is the first step in building soil to profitable levels. Terracing saves the foundation, prevents further losses of fertility, and makes the most of rainfall. This gives a good farmer something on which to build a paying farm."

DIZZINESS

relieved by Black-Draught

"I decided to take Theford's Black-Draught, as I had been having bilious spells," writes Mr. Chas. E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. I get weak, dizzy, and I know, then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling." Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.
