DR. CLINGMAN ENTERS HIS PASTORATE AT COLORADO CHURCH SUNDAY MORNING

Minister And Wife Arrive On Friday From Louisville, Reception Given

Dr. C. C. Clingman, new pastor of First Christian church, assumed his duties as leader of that congregation Sunday morning. The minister and Mrs. Clingman arrived Friday from their former home at Louisville, Ky., and became domiciled at the Christian parsonage on Fourth street.

A reception for the minister and his wife was given Friday evening by members of the congregation. Dr. Clingman stated Sunday morning that they had never in their twenty five years of ministerial experience received a more cordial welcome. "It was the biggest poultice that ever a little man received," he said.

Reading the text, "Moses my servant is dead, you go over this Jordan," Dr. Clingman pleaded for resolved resolve in heart of every member of the church to forget whatever disappointments that might have entered into program of the church during other days and look to the future. "The past is passed and we should determine now that the church shall advance in influence and power in the Kingdom of our Master."

Reading the story of how the six Jews in the latter's march against the Canaanites, with success following the Israelites, Dr. Clingman pleaded for cooperation in every program sponsored by the church.

The minister carried his plea for cooperation among Christian people beyond the doors of his own church. Noting that visitors were present from other congregations, he gave time to express his appreciation of such expressions of fellowship and stated that Christians from all churches should blend their influences and efforts more closely together in the general program of building life and character.

Dr. Clingman refused to accept proposition that the young people of today are "going to the devil." In enumerating some of the duties to which a pastor is called to perform, he referred to the young people. "And I want to say right here that the young people of this day are better than can be said of them who lived in recent generations of the past."

The First Christian church has been without a pastor since Rev. G. F. Reeves resigned to accept pastorate of a Vernon church several months ago. Dr. Clingman held a revival meeting at the church last May.

LORAINE SCHOOLS OPEN MONDAY AFTER RECESS FOR COTTON HARVEST

The Loraine schools were opened Monday morning after a few weeks recess authorized by the school board to permit students to aid in the cotton harvest. Loraine draws a number of students from farms of Eastern Mitchell county and these were needed by their parents to help save the cotton.

Superintendent Bennett of the schools was in Colorado Saturday. He stated that the schools had made excellent progress during the brief time class room work had been taken up earlier during the Fall and expressed belief such a record would be continued.

SPADE PLAYERS STAGE PROGRAM FRIDAY P. M. AT SCHOOL AUDITORIUM

The Spade Dramatic Club, directed by Robert Northcutt, brought one of the feature entertainment programs given last week during the fair. The four-act comedy drama, "Wild Ginger," originally planned for staging at the Ritz theatre building, was given at the high school auditorium Friday evening.

Change was made from the theatre building to the school auditorium after Mr. Northcutt had found that stage and dressing room facilities at the former were inadequate.

WEST TEXAS CLASSIC SCHEDULED FOR THIS WEEK AT SWEETWATER

West Texas' most talked about football classic for Armistice is to be staged at Newman Field, Sweetwater, Friday afternoon when the Wolves and Mustangs meet for a fight to determine which eleven is to continue its unbroken trek to district championship pennant.

With never a defeat chalked against record of either and both clubs claiming victory this annual clash is easily developing into the athletic spectacle in West Texas. Sweetwater anticipates entertaining her largest fan assemblage to the game.

Colorado will be in Sweetwater for this combat. The home town has faith in fighting qualities of those men who under leadership of Big Jim Cantrill, have successfully fought their way to victory in every contest entered this season.

Victorious eleven in this exhibition of technique and daring will emerge to see coveted district pennant just a few paces ahead. Colorado Must Win Over The Mustangs.

SPADE FARMER NARROWLY ESCAPES IN TRAIN, MOTOR MISHAP NEAR WESTBROOK

E. Barber Has Trailer Torn From Automobile By The Sunshine Special

E. Barber, Spade farmer, realizes conclusively what it means to become involved in a train-automobile crash. He narrowly escaped probable serious injury or death the other day when the Sunshine Special, fast passenger train on the Texas & Pacific, tore a cotton trailer from rear of his automobile at a Westbrook crossing.

"I had been working over time in hauling cotton to gin and drove upon the rail tracks unsuspecting any danger," he stated while reporting the incident here Saturday afternoon. "About the time I was in center of the track, I saw the train bearing down upon me. The locomotive was about forty or fifty feet away. I stepped on the gas and just as the car cleared the tracks the crash came. My cotton trailer was torn clear of the car and demolished."

Barber stated that no injury resulted to the automobile. The machine was not moved from its tracks by force of the crash taking trailer away, he said.

ROSCOE GINNERS LOSE COTTON; NO TRACE OF THIEVES ESTABLISHED

Roscoe gin operators have reported to the authorities that thieves have been visiting their plants at night and stealing cotton. A check-up of the losses accounted for four bales of cotton missing. No clue as to identity of the thieves has been reported.

The losses were found when gin operators began checking cotton purchased by them for shipment.

THOMPSON NAMED NEW MEMBER SCHOOL BOARD

C. C. Thompson has been elected member of the Mitchell county school board, filling vacancy caused by death of Dr. P. C. Coleman. Thompson's appointment was announced here Saturday following meeting of the board in offices of Miss Ruby McGill, county superintendent.

ABSENTEE VOTING WAS LIGHT IN MITCHELL CO.

The total number of absentee votes filed with County Clerk B. L. Templeton for the general election Tuesday was small, especially when compared to the number of those ballots registered for the first and second primary elections. Templeton reported Tuesday morning that only 15 of the absentee votes were received at his office.

DOWNTOWN COLORADO WILL BE CLOSED AS ARMISTICE ANNIVERSARY CELEBRATED

Business and Professional Men To Suspend Business As Holiday Is Observed

Business and professional interests of Colorado will join the bank, schools and American Legion post Friday in general observance of another Armistice, anniversary of the date when firing was ordered stilling along the Western Front in the World War. Closing agreement was signed Wednesday by every business concern in town.

The drug stores are not to be closed through the day but have accepted to suspend business after 12 o'clock noon, Jim Greene, Chamber of Commerce secretary, who carried petition requesting general closing agreement, stated Wednesday afternoon that not a single individual had declined.

Merchants suggested to Greene that the general public be requested to do their shopping Thursday afternoon. Grocery, market and other purchases to be placed Thursday should be made early in order that facilities of these stores be not over taxed.

Closing of the stores will augment fan delegation going to the Colorado-Sweetwater football game by several hundred. C. A. Wilkins, principal of high school, stated Wednesday that he was confident not less than 1,000 people would go to witness the game from Colorado.

LORAINE 4-H CLUB GIRL WINNER FIRST PRIZE ON EXHIBIT AT STATE FAIR

Among the many interesting exhibits found at the fair last week by visitors to this annual show was the 4-H Club display by girls of the county who are members of those organizations sponsored by Miss Abbie Sevier, home demonstration agent.

One of the individual exhibits shown in that department was a jar of melon pickle made by Miss Lola Mearse of Loraine and which was awarded first prizes at the State Fair at Dallas recently.

GREENE THANKS PUBLIC FOR COOPERATION ON ANNUAL FAIR PROGRAM

Jim Greene secretary of the fair association, issued statement Wednesday morning expressing his sincere appreciation to every citizen who lent cooperation in any manner to success of the fair.

Mr. Greene stated that he was especially under obligation to Dr. C. L. Root for use of buildings on Walnut street in which some of the departments were housed.

"Such unity of purpose has ever been manifest in this community and county and but for its impelling influences we could never have progressed as we have," Greene said.

ROTAN YELLOW HAMMERS TOPPLED OVER BY WOLF ONSLAUGHT HERE FRIDAY

Score of 65-0 Run Up During One-Sided Contest Staged At Cantrill Field

The Wolves have annexed another victory to their unbroken march toward District 3 finals. In a non-conference game with the Rotan Yellow Hammers played at Cantrill Field Friday afternoon the locals scored almost at will over the visitors. The score was 65-0 in favor of Colorado.

After the first three minutes of play Cantrill used several second string men. Some of the boys playing in that game saw their first football action of the year, when engaging an opposing eleven.

Thriller of the game came at beginning of the third period when Knief recovered a Rotan kick-off on his own second yard line and raced 28 yards across the field for a touchdown.

Teachers Institute Program Is Called For November 19

The Mitchell county teachers institute is to be convened at Colorado on Saturday, November 19, in the district court room, Miss Ruby McGill, county superintendent, announced Tuesday.

Programs for the morning and afternoon sessions have been arranged. The morning session will be devoted to general discussion and organization of Interscholastic League. During the afternoon teachers are to consider three sectional topics—primary, intermediate and high school problems. The following will direct these discussions as chairman: Mrs. H. P. Powers, Valley View, primary; M. P. Chambers, Spade, intermediate, and J. V. Glover, Buford, high school.

MERCHANTS REPORT GOOD BUSINESS SATURDAY WITH CONDITIONS 'LOOKING UP'

Workers in Cotton Harvest And Fair Visitors in Town By Hundreds

Saturday was the biggest day Colorado merchants have experienced during 1932!

From 10 o'clock in the morning until a late hour that night, Colorado stores and shops were literally jammed with customers and they were there for the sole purpose of making purchases. Large crowds attracted to Colorado to visit the fair, along with several hundred others employed in the cotton fields, augmented these shoppers to large proportions.

Saturday marked the second consecutive good business day Colorado merchants have enjoyed during the fall season. The last Saturday in October was, too, a busy day with the stores.

That business conditions are looking up and may reasonably be expected to assume a more stable footing is generally accepted among business men. With the cotton harvest about one-half over several days of harvest yet remains and in the event unfavorable weather develops pickers will be in the country several weeks yet to come.

T. W. Stonerod, vice president of the City National Bank, expressed keen optimism Monday afternoon as he portrayed the local business horizon.

"Our farmer borrowers are reducing their loans at the bank and conditions with us are looking considerably improved," he declared.

HARVEY OPENS REVIVAL MEETING IN UVALDE ON TUESDAY OF THIS WEEK

Minister Jim Harvey left Tuesday morning for Uvalde where that night he opened a revival meeting. The services are to continue ten days.

"I am going into the home town of John Garner to hold a revival meeting and will preach my first sermon on election day," was comment advanced by the minister Monday afternoon.

Mr. Harvey stated that a visiting minister would preach at the Church of Christ Sunday morning and evening.

LOONEY, ROGERS, CARR SCHOOLS TAKE HONORS IN EDUCATIONAL SHOW

Looney, Rogers and Carr rural schools were first place winners in educational show at the fair last week. Judges gave special honor references to exhibits displayed by the schools, both rural and independent.

Rogers won first place in the four-teacher division, Looney first in the three-teacher division and Carr first in rural vocation.

VALLEY VIEW HOST TO SINGERS MEET SUNDAY

Singers are invited to attend meeting at Valley View Sunday afternoon, beginning at 2:30 o'clock. Musicians are requested to bring their song books. Special numbers, including quartets, will be welcomed.

ANNUAL COUNTY FAIR WAS SUCCESSFUL, MANAGER OF SHOW SAYS IN STATEMENT

Some Departments Better in Quality And Quantity Of Exhibits On Display

Annual "Live-at-Home" fair, concluded here Saturday after three days was successful in every particular, Jim Greene, secretary, stated Monday. Mr. Greene announced that exhibits in every department were up to standard and attendance was good. Saturday especially was a red letter day for the fair.

"I know that we have never sponsored a more impressive coronation ceremony than that given Thursday evening at the high school auditorium when Miss Pauline Van Horn of Westbrook was crowned as social ruler of the show," Greene declared. "The building was filled to capacity and every one having a part in the beautiful presentation did his or her best."

The style show, following the coronation rites, too, were impressive and much enjoyed by the 1,000 to 1,200 people present, Greene continued. Eight local merchants entered models in the revue.

The farm, commercial and club exhibits housed in the tabernacle were better arranged than in other years. Isles were wider this year, permitting visitors to view the exhibits without crowding. Many of the exhibits shown here were especially attractive. The Future Farmers and community farm displays were interesting, although grain and other field crops were damaged, due to continued rains in the county a few weeks ago.

Greene expressed belief that the textile show was better than ever before. "And I know we have never had an educational exhibit that would measure up to standard of that one shown this year by the Colorado, Westbrook, Iatan and several rural schools," he declared. Greene was especially interested in display brought to Colorado by the Carr school, showing specimens of work being done by the manual arts department.

"And speaking of the educational displays, I know that visitors to the fair were impressed with the school parade Friday afternoon," Greene continued. "The long line of march, made up by students from the Colorado and other schools of this county, made an impressive spectacle." The parade was led by the Colorado school band and pep squad.

RED CROSS DRIVE WILL BE ANNOUNCED SUNDAY

Pastors, Sunday school superintendents and other church leaders are requested to make proper announcements Sunday as to annual membership drive by the Red Cross. This request is advanced by Rev. Dick O'Brien, roll call chairman.

A membership meeting of the Red Cross will be held Monday at 7:30 o'clock at First Baptist church. Every member of the Mitchell county chapter is urged to attend.

COUNTY GIN TOTALS PASS 22,000 MARK AS REPORT FOR WEEK IS TABULATED

Receipts For Week Ending At Noon Thursday Reported At 5,554 Bales

Mitchell county gins had received more than 22,000 bales from the present crop when weekly cotton report was tabulated Thursday at noon by The Record. Another week of fair weather, excepting a few brief "norther" and heavy dews the first of this week, has prevailed.

Colorado gins reported total ginning at 11,314 bales, Loraine 6,674 bales, Westbrook 3,080 bales and Buford 1,020 bales, making a total of 22,088. Receipts for the week were 5,554 bales, 162 less than receipts for the previous week.

Estimates on the county crop continue to trend upward. Jas. T. Johnson, official of a local gin who a few weeks ago estimated a crop of 30,000 bales, announced Thursday that he had changed his figures to 50,000.

Local Gidders Cut 20 Cents Per 100 From Original Fee

The price of giddy cents per hundred in effect at Colorado gins since opening of the season, was reduced to sixty cents the first of this week. The order reducing this cost by twenty cents became effective Monday afternoon at 1 o'clock.

Colorado gin operators were receiving about all the cotton they could handle and did not authorize the cut in order to boost receipts, J. T. Johnson, an official of the Farmers' Gin Company, stated Tuesday. Johnson stated that gidders accepted to make the reduction, due to continued low prices on staple and seed.

DEMOCRACY USHERED INTO POWER BY LARGEST VOTE EVER POLLED FOR PARTY

Forty-Two States Carried By Roosevelt-Garner; Mrs. Ferguson Elected

The American electorate Tuesday registered such an avalanche of support of the Democratic party as to establish a new record in political history of the nation. 42 states of the Union, many of them rib rooked Republican in the past, gave the Roosevelt-Garner ticket substantial pluralities. Not one state west of the Alleghenies supported Hoover.

Wednesday night the Associated Press reported that Roosevelt had received 472 electoral votes to only 266 for Hoover. 266 are necessary to elect.

In Texas Mrs. Miriam A. Ferguson is leading Orville Bullington by approximately 100,000 votes, out of less than 500,000 counted. The Texas Election Bureau at Dallas estimated that Mrs. Ferguson's lead would mount to from 100,000 to 180,000. Tabulation of the unusually long ballot is progressing slowly in every section of the State.

Returns on the nine proposed constitutional amendments indicate that all had carried by safe majorities.

PROGRAM TO BE GIVEN SUNDAY FROM ANGELO BY LOCAL MUSICIANS

Another broadcast program featuring Colorado musicians is announced by KGL, San Angelo. The musical broadcast is to go on the air Sunday afternoon at 2:15 and will continue one hour. Colorado artists were featured in studio program from that station a few weeks ago.

Musicians to be presented on the program include Dr. C. L. Root, E. L. Grubbs, C. O. McCreight, Mrs. C. A. Wilkins, Claude Womack and Mrs. Roy McCreless.

HYMAN SCHOOL BEGINS WITH THIRTY STUDENTS

School was opened at Hyman Monday morning with an enrollment of thirty pupils. Roy Davis, principal, stated while in Colorado Monday afternoon that the school would continue for from seven to eight months.

Assisting Mr. Davis are A. J. Roach and Mrs. Ray Lane. Coles has been principal of the school for several years.

LITTLE SULPHUR WILL OPEN SCHOOL NOV. 14

School at Little Sulphur is to open Monday morning, November 14. J. E. Coles, principal, announced while in Colorado Tuesday afternoon. Coles stated that he would appreciate presence of patrons for the opening exercises.

Mrs. Coles will assist her husband as teacher in the school.

LARGEST FAN DELEGATION EVER ORGANIZED HERE TO FOLLOW WOLVES TO GAME

Two Undefeated Elevens Will Clash At Sweetwater On Armistice Holiday

One of the largest fan delegations ever to be marshalled in Colorado will follow the Wolves Friday afternoon on invasion of Newman Field, Sweetwater, corral of the Mustangs. There, beginning at 2:30 p. m. annual grid classic between the two teams will be staged. School authorities estimate that from 750 to 1,000 Coloradans will witness the Armistice Day battle.

Ardent supporters of the home town eleven continue to hope on the information that Colorado is going into the melee to win. That the Mustang-Wolf clash will bring to the Cantrillmen the hardest fight yet experienced in the latter's unbroken parade to District 3 pennant is accepted, but "even the toughest of them eventually find his superior," is the generally accepted slogan.

"Sweetwater realizes that the Mustangs are facing a crucial fight in their conference game with the Wolves here on Armistice Day and in the event we win the margin will be close," was statement given by Millard Cope, editor of the Sweetwater Daily Reporter. Cope called by telephone to delve around for information as to potential strength of the Wolves after having eliminated every opposing eleven during the season.

Speaking further of the Sweetwater Reporter, Charlie Green, sports editor on that sheet Monday afternoon published the following in his column, "The Mustang Corral."

"The Colorado Wolves furnish the next opposition for the Ponies, and if they have improved as much since the Colorado-McCamey game as McCamey has, they'll be plenty tough, and don't forget it. They overcame the Badgers easily by score of 21-6. McCamey has improved a couple thousand per cent since the Wolves slipped up on them."

"Jim Cantrill has a set of backs who can show their heels to any other bunch in the district. When they start picking 'em up and laying 'em down, they go places. Bud Hall, diminutive Wolf full, was the district's leading scorer until his team laid off a week and Delker and Co. overwhelmed Midland. The Wolves also have a couple of mighty sweet linemen and one of the best offensive ends in the district in this boy Stagner, who grabs passes here, you and everywhere. Coach Cantrill has taken speed and has developed a tricky club that is a constant scoring threat to any and all opposition. The Mitchell County capital has declared its intention of downing the Ponies here on Armistice Day and keep on top of the loop."

"The city is behind the Wolves in a great big way, and the folks will be here in great numbers to see the loop leaders clash."

Motor caravan taking the band, pep squad and fans is to leave Colorado at 1 o'clock Friday afternoon. The band and pep squad are to leave from high school building. A. C. Wilkins, principal, stated Tuesday morning that cars were needed to transport the two organizations to Sweetwater. There are near 100 boys and girls in the band and pep squad.

That Red Sheridan and other stars wearing the Mustang uniform hold no fears for Jim Cantrill's squad has been asserted a number of times. The Wolves are heralding information to their supporters here that they have only one objective in mind—to take victory from Sweetwater.

Members of the Colorado delegation should remember that this is to be the football classic for West Texas on Armistice Day. Sweetwater is expecting one of the largest crowds ever assembled at Newman Field. In order to have any assurance of a seat it is suggested that you arrive at the field early.

NEW TRAFFIC CONTROLS PLACED IN USE BY CITY

Two new traffic control signals were installed at East Second and Walnut streets Tuesday by Will P. Grace of Sweetwater, factory representative. The signs were installed as an experiment by the city and have not yet been purchased.

Methodist Mission Study Class

The Methodist Study Class had chapters seven and eight in "Living Issues in China." Mrs. Webb conducted the devotional and Mrs. Arnett led in prayer. Mrs. Pritchett, Mrs. Mahon and Mrs. Kiker had a little playlet on "To believe or not to believe" showing the pull of primitive religions against the Christian message. Topics were given by Mrs. Hooker, Mrs. Kiker, Mrs. Mahon, Mrs. Dobbs and Mrs. Merritt.

The meeting next Monday will be a discussion of assignments of Chinese characters given out by the leader, Mrs. Pritchett at the beginning of the study. The class expects to get Council credit on this intensive study.

Tuesday a week of prayer program was given, also one on Wednesday afternoon and at the evening hour a play was given. The first was on MacDonnell French Mission school, the second a play, "Retreat," the third Ewa College. The offering gives to the two schools studied, one in Louisiana and the other in Korea.

Hesperian Club

The Hesperian Club met Friday with Mrs. Latham. It was voted to have no meeting next Friday as it is Armistice Day. The penny banks for headquarters permanent were turned in most of them empty, but the offering amounted to almost \$7.00. Mrs. Sadler reported magazines, books and some toys packed for McKenzie school, and that the visiting would be done later.

Some needs of Seven Wells school were named by Mrs. Johnson and will be supplied by the club. The third act of Antony and Cleopatra was taught by Mrs. Lee. Mrs. Sadler gave the political development of this act. Mrs. Wulfen told of the quarrel of Antony and Cleopatra. Mrs. Beal described Antony as shown in Act three. Mrs. Williams gave pithy sayings of Enobarbus. Every member had a prepared lesson, a roll call and was present. Roddy Merritt appeared before the club and spoke of Major Yeats-Brown who was to speak Tuesday evening. Little Miss Ruth Latham favored the ladies with a piano number. A delicious refreshment plate was served by the hostess and her little daughter. The meeting Nov. 18 is with Mrs. Lee.

Honoring Miss Vaughn

Irene Powell and Elizabeth Grandland were joint hostesses at a bridge party given in the honor of Miss Winnie Frances Vaughn of Fort Stockton at the Powell home Saturday afternoon, October 29.

The rooms in which the party was given were cleverly decorated in keeping with the Halloween spirit. Hot cocoa served with sandwiches, cake and salad was very welcome, as all appetites were whet by the frosty harvest weather.

The prizes were lovely linen handkerchiefs of quaint design. Winnie Frances received the guest prize. High score prize was given to Gladys Jones, and low score prize to Elaine Price.

Worker's Conference

The monthly Worker's Conference of the Mitchell-Seury Association met at the First Baptist church, Tuesday November 8th. The theme for the day was "Distinctive Baptist Doctrines." Different phases of the subject were discussed by pastors L. L. Nippes of Dunn, Phillip McGahey of Snyder. The eleven o'clock sermon was preached by Dr. Geo. W. Parks of Roscoe. The main afternoon address was given by Rev. E. D. Dunlap of Sweetwater on the "Lordship of Jesus."

A special executive board meeting was held for the women in the T. E. L. classroom, conducted by the associational president, Mrs. Smith and the district president, Mrs. B. Reagan of Big Spring. Mrs. Leo Jones conducted the devotional on honoring God through trouble, using excerpts of a sermon preached by Dr. Geo. Truitt. Annual reports were rounded out preparatory for the annual State Convention which meets in Abilene next week.

The basket lunch, brought by the different members, with coffee served by the hostess church, was served in the basement of the church.

Following this the women concluded the executive and transacted the other necessary business of the W. M. U. Mrs. Pope, third vice-president of Loraine resigned and Mrs. Ritchberg of Loraine was elected to fill her place.

CHURCHES

First Baptist Church

Our services have been very well attended for the past few weeks. Our Sunday school attendance has hardly reached the goal we have set, but the B. T. S. attendance has increased appreciably. Our preaching services, both morning and evening are well attended. We are emphasizing Bible study in our entire program. Beside the work we are doing in the regular Sunday school, we are covering four distinct books in the Bible in intensive study. On Sunday morning we study the book of Genesis in the Omegas class, (the young mens class) at eleven o'clock we study together as a congregation the book of First Timothy, on Tuesday evenings we study the book of Revelations, and on Wednesday evening the book of Acts. We invite the public to join us in the study of these books, and indeed in all our worship.

We are expecting a large number of our folks to attend the convention at Abilene next week. The preliminary meetings begin on Tuesday and the convention proper on Wednesday night.

EDUCATIONAL SHOW AMONG FEATURE ATTRACTIONS AT THE ANNUAL COUNTY FAIR

Teacher and Student Unite To Make Department One Of Signal Success

The public schools of Mitchell county made an appreciable contribution to success of annual "Live-At-Home Fair" held here Thursday, Friday and Saturday of last week. Displays arranged by teachers and students representing practically every independent and rural school of the county contributed much to make the annual exposition a success.

The Colorado schools displayed the most extensive showing ever exhibited at a former fair here, with the commercial, home economics and vocational agriculture departments placing special exhibits. A daily newspaper, "Vocational Voice," in which news happenings of the day were chronicled, was issued each afternoon by the commercial department.

Special sections were reserved for displays by the Coieman Building, Hutchinson School and junior high school. These were well filled with interesting portrayals of work being done by the student body.

A display of strong educational value was that one assembled by the rural schools. This exhibit was shown under personal direction of Principal Glover of the Buford school.

Individual exhibits by the Westbrook and Iatan high schools, the Rogers and Carr rural schools and the Colorado negro schools were among other interesting features shown in this department. Carr specialized its manual training department with manufactured furniture and other finished wood work shown.

SUCCESS OF FAIR DUE TO UNTIRING EFFORTS OF FAITHFUL WORKERS

Success of the Live-At-Home Mitchell county fair, held Thursday, Friday and Saturday of last week, is due largely to the untiring efforts of Jim Greene and other workers who determined from the start that the annual show should be a success.

Included in list of those citizens who gave of their best efforts in cooperation with Mr. Greene in order to make the fair successful are the following:

Miss Octavine Cooper, Miss Evelyn Jennings, W. S. Foster, Miss Abbie Sevier, Doyle Williams, H. B. Broadhead, U. G. Hardison, Roy Heister, Ellis Smith, Carey Prude, Mrs. Jim Ferguson, R. H. Barber, J. V. Glover and Mrs. Cecilia Meskimen.

MISS BAZE ELECTED TO CAST IN COLLEGE PLAY

Miss Lavada Baze of Colorado has been selected for one of the roles in "An Evening in Sorrento," by Turgenyev, one of the three one-act Russian plays to be presented by the Texas Woman's College Thespian Club in the Fine Arts Auditorium, Thursday night, December 8, according to Miss Catherine George, director.

TREASURY DEPARTMENT, Office of the Secretary, Washington, D. C., October 24, 1932. Proposals are hereby solicited to be opened in the office of the Surveying Architect, Treasury Department, Washington, D. C., at 9 o'clock a. m., on November 25, 1932, for the sale by donation to the United States of approximately a corner lot containing approximately 27,000 square feet, with a dimension of approximately 100 feet, on the more important of the two street frontages centrally and conveniently located and suitable for a Federal building site in Colorado, Texas. Sites having a different street frontage dimension will be considered provided the area is approximately the same. Upon application, the Postmaster will supply prospective bidders with a circular giving particulars as to requirements and instructions for preparation of bids and data to accompany same. Perry K. Heath, Assistant Postmaster.

or of the speech department. The Thespian club has made a study of Russian Drama this semester. "The Bear," by Chekhov; and the "Flight of the Herons," by Kennard are the other two plays that will be produced on December 1. Miss Baze is the daughter of Mr. and Mrs. John R. Baze of Colorado. She is majoring in speech in Texas Woman's College, and is doing special work in debate.

"Central" sends help to a Frantic Mother

Jimmy Ratliff, 12 years old, went fishing with his chum. They took the little .410-gauge shotgun saying, "Gonna kill us a rabbit for bait." There was a report from the gun at the pond, a quarter of a mile from the house. Jimmy was shot... hurt badly. A frantic mother ran to the telephone...

"Central! A doctor quick!"

Lucy Adams, at the switchboard, called the doctor's office. He wasn't in. She rang the telephone at his home, and he wasn't there. She tried the cafe, and located him. Within five minutes the doctor was speeding toward the Ratliff home.

The little boy was weak when the doctor arrived. He dressed the wound... sent Jimmy to the hospital. The boy is out playing again now.

Twenty-four hours of each day the telephone is ready for your calls. Whether it be for the doctor, to get the price for eggs or cream, to order a part for a machine, or to visit a neighbor... the telephone pays its way.

You can buy few things that cost so little and are worth so much.

A true story.

Editorial
With great confidence as to appearance and capability, Colorado will go to Sweetwater Friday, Nov. 11.

As everyone knows, Colorado has the best band in West Texas, the finest pep squad, and the most capable team to be so young and from a town of its size.

Colorado's attitude toward Sweetwater is only the friendliness, and we do not intend to let competition mar it. We shall let competition serve to strengthen our friendship, rather than to weaken it.

Approximately one thousand Colorado people are expected in Sweetwater Friday. This will mean Colorado is backing her team and expecting good returns.

The band, the pep squad, the business men, the student body and faculty, as well as the majority of citizens, will be there to boost our team.

Colorado Public Schools turned out last Friday afternoon at 2:30, in order to parade through the business section of the city.

The personnel of the paper was Nelda Garrett, columnist; John Tom Merritt, sports writer; Mrs. Elliott and Jerry Baze, booths, and Juanita Cook, society reporter.

While at the Fair the students were given work to do by Mr. Rordan, Mrs. Bennett and Mrs. Watson.

An interview with Supt. Watson: "I have said a good deal this year about the unusual student response. As I visit the different classes I am struck with the fact that I have never observed more interesting students, and more interesting teachers."

frigidaires. They also made an attractive display of pajamas and dresses made by the Home Economics I, II, and III girls of last year.

Group III of the Home Economics IIA Class had a very attractive window display at Jones-Russell Store. They arranged a table set for a buffet supper. It would accommodate twelve people. The contents for the window was furnished by Jones-Russell Co.

It never occurred to the student body or the faculty that they had so many beautiful girls in their midst. If you did not see the crowning of the Queen last Thursday night you missed a treat as Colorado's most beautiful girls were featured. There were also several good-looking young men in the show.

Elverie Sorrells, being asked to make Charles Wigley speech in assembly the other day, talked more of Patsy Doss than she did about Wigley. She stated that if Patsy got to play all the game we would beat Rotan 78 to 0; we only beat them 65 to 0 due to the fact that Patsy was taken out of the game a time or two. She also stated that we would beat Sweetwater 55 to 0 under the same terms. We hope that "Coach" uses good-judgment and lets Patsy play.

It was stated in assembly Monday that we had practically beaten Sweetwater and the only thing to worry about now was the San Angelo game; but everybody believes we can beat San Angelo so we had better begin to make plans to go to El Paso.

Robert King has "stage-fright." He even refuses to entertain in assembly.

Colorado schools will have a holiday Armistice, and it is believed we will be well represented at Sweetwater to witness the tussle scheduled for that date.

Mary Venable who was a member of last year's graduating class, visited classes in high school Tuesday morning.

Wednesday morning at 8:30 of this week, Miss Hughes, Field Representative of Texas Woman's College, Ft. Worth, discussed with the Senior girls their plans for future school days.

Thursday morning at 10:30 the American Legion and Legion Auxiliary presented an Armistice Day program in high school auditorium.

STERLING AND OTHERS WHO BOLT TICKET ARE FLAYED IN RESOLUTION

Governor Sterling and other Democrats who bolted the Democratic ticket to support nominees of other political parties were flayed in a resolution passed by the House at Austin last week. The resolution was adopted with only eleven dissenting votes.

The office holding bolted "who deserts his party in midst of a fight or bites the hand that is feeding him," came in for special denunciation at hand of the enraged solons.

METHODIST MEN ELECT OFFICERS FOR CLASS

The Young Business Men's Bible class of First Methodist church elected officers Sunday for the ensuing conference year, as follows:

E. C. Tunnel, president; E. M. Moore, vice president; John R. Bruce, secretary; M. O. Chapman, assistant secretary; Claude Womack, musical director; E. L. Grubbs, assistant musical director; T. W. Stoneroad, teacher, and J. E. Watson, C. C. Thompson and R. H. Ratliff, assistant teachers.

Mr. Stoneroad has taught this class for fifteen consecutive years.

COLORADO METHODISTS TO MAINTAIN DISTINCTION OF PAYING EVERY OBLIGATION

Rev. Webb and Delegates Leave Wednesday To Attend Annual Conference

"Everything paid in full." That will be statement employed by the Rev. L. A. Webb, pastor of First Methodist church, in announcing to annual session of the Northwest Texas Conference, M. E. Church, South, financial condition of the charge for the past ecclesiastical year provided pledges made by members of the congregation are paid in full. Accompanied by lay delegates the pastor left Wednesday morning for Amarillo to attend the conference, opening Wednesday evening for four days.

Led by J. W. Randle, chairman of the board of stewards, members of the church Sunday morning made an offering of \$650 to pay the church out of debt. The offering came after the pastor had announced that he had voluntarily reduced \$500 from his annual salary account and would contribute \$50 to a fund to pay the existing deficit. The sum needed was raised within a few minutes. A deficit of \$1200 was reported just before the minister asked that \$500 be taken from his salary.

Colorado Methodists claim the record of never having failed to pay every financial obligation in full. During recent years officials of the church have faced the necessity of inaugurating special drives to raise the funds needed but in every instance every account was balanced on eve of the annual conference.

It is generally believed among members of the church that the pastor will be returned for his third consecutive year at First church. Rev. Mr. Webb stated Monday that he would be pleased to continue his ministry here.

Lay delegates attending the conference are Mrs. J. W. Shepperd, Mrs. W. H. Garrett and Miss Nelda Garrett. District Attorney George H. Mahon, fourth delegate, was unable to attend the sessions due to pressing obligations in district court.

RESOLUTION OF RESPECT

The following resolutions of respect were adopted, by executive officials of the chamber of commerce:

He has gone, He has gone, was the sad message which echoed from friend to friend in every home in Colorado when on Saturday, October 29th at 5:00 o'clock p. m. Dr. P. C. Coleman, known as the Grand Old Man went to his Heavenly home. The writers, perhaps better than any one else have had opportunities to observe the wise counsel, sterling worth, and faithfulness of this departed friend and member who was always ready, willing and anxious to lend a helping hand to those in need. The night was never too dark, the sleet and snow too thick, the cold too bitter nor the distance too far for this great man to answer the call of the poor or needy. We have seen him go at midnight and early dawn to the hotel and minister to those in need and thereby alleviating pain, bringing comfort to those who suffer with no hope of remuneration.

We have seen the guiding hand of this great man in the development of our county, district, and State. He was a faithful worker.

Yes, we'll miss Dr. Coleman. There will be an empty pew at his church, of which he was a faithful and useful member. There will be vacant seats in our organization, at our board meetings, at our committee meetings, which cannot be filled. Indeed, there will be a vacancy everywhere, for truly he was a friend to humanity, never failing once those who reposed confidence in him.

No smiles were more pleasant, no words more kind, and no fellowship sweeter than those of this dear man who recognized the good in others and greeted all alike whenever and wherever he met them. Surely heaven is brighter and the angels happier because of the home coming of this wonderful leader, devoted husband, kind and wise father, grandfather and great-grandfather.

Be it therefore resolved, that we acknowledge the wisdom and goodness of the ruler of the universe, and bow in humble submission to the inevitable edict of the Almighty, yet mourn the death of our friend and member who shall ever after be absent from us here on earth.

Be it further resolved, that we express our sincere sympathy and extend to the bereaved family our friendship and regret in the loss of their loved one.

Be it further resolved that a copy of these resolutions be spread upon the minutes of the Colorado Chamber of Commerce, a copy furnished the bereaved family and a copy furnished the press.

TRIBUTE PAID LATE TEXAS EDUCATIONAL LEADERS IN SPECIAL SCHOOL PROGRAM

Dr. Coleman One of Those To Be Revered By Students During The Week

Dr. P. C. Coleman, late distinguished citizen of Colorado and other Texans who during life made material contribution to the advancement of education in Texas, were given tribute in special exercises at rural schools of the county during this week. Tribute to the lives of these men was suggested as a feature of observance of the Twelfth Annual American Education Week, Nov. 7-13.

Other prominent Texans who died during the present year and whose lives were revered in these programs were Dr. Oscar Henry Cooper, founder of the University of Texas, who died at Abilene, August 22; Dr. Robert Bartow Cousins, president of the Texas College of Arts and Industries, who died March 3 at Kingsville.

Dr. Paul W. Horn, president of Texas Technological College at Lubbock, who died April 13; and Honorable Starlin Marion Newberry Marrs, State superintendent of public instruction, who died at College Station April 18.

Recommendation that these educational leaders be memorialized in the schools during the present week was adopted in resolution passed by the county school board in session here Saturday afternoon.

Observance of Educational Week brings to teachers, pupils and other citizens another opportunity to give public expression of their confidence in the public schools as a great stabilizing force in the State and Nation, the resolution outlined. The general theme about which programs were built was "Schools and the Nation's Founders."

Valley View Visits

Valley View school opened last Monday morning. Sixty pupils have enrolled thus far and it is expected that many more will enroll in the next two weeks. An interesting program was rendered Monday morning. Miss Ruby McGill, Rev. J. D. Harvey and Mr. J. H. Green were present and each gave an interesting talk.

More parents were present at the opening than there has been for the past three years. All parents expressed themselves as being anxious to help in anyway possible for the benefit of the school.

Many Paint Horses Exhibited At Fair By County Citizens

The paint horse had his day at the fair last week when about twenty five of these animals were to be seen in the livestock exhibits department. Visitors at the fair were surprised to note there was such a large number of these animals in the county.

The saddle, draft and other horses on exhibit were paraded through the downtown section Saturday afternoon. Several pedigreed stallions were included in the list.

There is sufficient evidence to the fact the motor has not eliminated livestock as the motive power on Mitchell county farms, was comment of a local citizen as the parade passed through Second street.

SIDELINE CHATTER
Depicting Doings of
WOLF PACK

By LOUIS COOPER

The Wolves easy victory over the Rotan Yellowhammers brings them this week to the years classic—Amistice—The Sweetwater game. Never before has a Wolf team been so determined to mete victory to an opponent.

Captain Stagner received minor injuries in last Fridays game that kept him out of practice the first part of the week but he will be in the Sweetwater game playing in his usual fashion—fighting fast, hard and furious. That boy is a real general fighting his opponents every minute and constantly working his team over to keep their spirit up. Stagner has already cinched a berth on the all-district eleven and his being chosen by some for an all-state berth is probable.

Sweetwater is expecting the Wolves. They have placed cards and other advertisement all about the town. However to them it is only

another easy victory. They have had easy going all season since their opener with Abilene. Seems as though all the teams are bending Abilene this year. They also beat Big Spring 13-0. They must have taken all the fight out of the Bovines for didn't San Angelo drub them 26-6 awhile back. Sweetwater has a great club—beautiful interference—a couple of the greatest backs in this part of the state—and a line that constantly holds—or presses forward at will.

The Wolf's Mr. Cantrill already knows all about what the Ponies have and don't have and he is preparing his Wolves accordingly.

The citizenry of Colorado should back the Wolves 100 per cent when they bark at the door of the wild Mustang on Nov. 11.

On to Sweetwater! Get behind the Wolves and let's win!

COLORADO GIRL QUEEN OF CARNIVAL AT TWC

Miss Hima Joyce, of Colorado, was crowned queen of the Halloween Carnival at Texas Woman's College, Fort Worth. The Halloween Carnival is an annual affair and is sponsored by the Young Woman's Christian Association. Each club and organization on the campus may have one booth and there is much competition as to who will have the most attractive and original booth.

The entire student body and their guests attend in costume. The queen is chosen by a faculty committee, who select the most attractively costumed young lady. Miss Joyce wore a Spanish costume and was crowned "Queen of the carnival" at the coronation ceremony in the Ann Waggoner Fine Arts Auditorium.

Miss Joyce is the daughter of Mr. and Mrs. B. O. Joyce of Colorado, and is a freshman in the college. She has been recently elected to membership in the Korosophian Club, the Theopian Club, and the pep squad.

P. T. A.
 The P. T. A. met in regular session, Thursday, Nov. 3. The meeting was opened by roll call and responded to by health hints on cleanliness, some of which were very clever. After a short business session, in which we voted to pay for the English book secured for the 8th and 9th grades, and agreed to sponsor a movement to arrange for the pupils up to the 5th grade to wash their hands before lunch, by placing soap, water and towels for their convenience. Dr. Root was present and presented the school with cases for paper towels which they had secured for the hospital in Colorado. The meeting was then turned over to Mrs. Castellan, chairman of the program committee, who had secured Dr. Root to give us a health talk. While his subject was tuberculosis which was very interesting he gave us some very practical advice on prevention and spreading of disease and precautions to use which was very interesting and was appreciated by all present. At the social hour refreshments of cherry pie with whipped cream and coffee was served to 23 members. The next meeting will be the first Thursday in December.

Final Days of Stokely Week
 Saturday Nov. 12

Thousands of food buyers have profitably bought quantities of Stokely's Canned Vegetables this week. The reason is—that the high quality of Stokely's Vegetables is well-known and it is good economy to purchase at least a month's supply at the low prices during Stokely Week. So, may we remind those who have been putting it off, or who want to add to their previous Stokely purchases that Saturday is the FINAL DAY of our STOKELY WEEK.

National Education Week—The school week of November 7th to 11th has been announced as National Education week and will be observed in public schools throughout the nation. The aim in

observing such a week is to encourage the appreciation of educational opportunities and to make known important facts and statistics concerning education in the United States.

A very instructive as well as interesting program has been arranged by Superintendent Bennett, beginning Monday and ending Thursday. Rev. J. E. Harrell, pastor of the Methodist church addressed the student body Monday morning, impressing upon the students the incomparable importance of Christian education. It was learned that 5,000,000 pupils between the ages of 15 and 19 attend public schools; that only 75 percent of enrolled students attend regularly; that 600,000 teachers are employed to teach in the public schools of the United States, and some 263,000 more are employed in the universities of this country.

SHERIFF'S SALE

THE STATE OF TEXAS COUNTY OF MITCHELL. Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Mitchell County, on the 26th day of October 1932, by J. H. Ballard, Clerk of said District Court for the sum of Two Thousand Eight Hundred Twenty-nine and 1/100 (\$2829.64) Dollars, with 8% interest thereon from June 13, 1932, and costs of suit, under judgment foreclosing a vendor's lien, in favor of C. M. Adams, as plaintiff, in a certain case in said Court, No. 5287 and styled C. M. Adams vs. W. J. Thomson et al., placed in my hands for service, I, R. E. Gregory, as Sheriff of Mitchell County, Texas, did, on the 26th day of October 1932, levy on certain Real Estate, situated in Mitchell County, Texas, described as follows, to-wit:

Being Seventy-nine (79) feet off of the South End of Lots Numbers Seven (7), Eight (8) and Nine (9) in Block No. One Hundred Thirty-three (133) in Joseph E. Brown's Extension of the Town of Colorado, in Mitchell County, Texas, as laid down and described in the map or plat thereof, of record in Vol. 2, on pages 288-289, of the Deed Records of said Mitchell County, said tract being described by metes and bounds as follows: Beginning at the S. E. Corner of said Lot No. 9, Block 133, aforesaid, for the S. E. Corner hereof; Thence, North, with the East boundary line of said Lot 9, 79 feet to a stake set in the N. E. Corner of this tract; Thence, West, parallel to the South boundary line of said Lots Nos. 9, 8 and 7, a distance of 150 feet to a stake set in the West boundary line of said Lot No. Seven, for the N. W. Corner hereof; Thence, South, with the West boundary line of said Lot No. 7, a distance of 79 feet to the S. W. Corner of said Lot No. 7; the Southwest corner of this tract; Thence, East, with the South boundary lines of said Lots Nos. 7, 8 and 9, a distance of 150 feet to the place of beginning; and being the same land conveyed by and described in the deed from F. E. McKenzie to W. J. Thomson, dated Sept. 16, 1925, and recorded in Vol. 63, on page 289, of the Deed Records of said Mitchell County, Texas; said judgment being against the defendants W. J. Thomson, Clara Thomson, Dunigan Tool & Supply Company and West Texas Construction Company for foreclosure of said Vendor's Lien on the above property, as the same existed on, from and after Sept. 16, 1925; said tract being out of Survey No. 41 in Block No. 26, of the T. & P. Ry. Co. Surveys in said Mitchell County, originally granted to The Texas & Pacific Ry. Co., located about one-half mile Northeast of the courthouse of said County, and being commonly known as the W. J. Thomson tract; and levied upon as the property of the defendants, W. J. Thomson and Clara Thomson, and that on the first Tuesday in December 1932, the same being the sixth day of said month, at the Court House door of Mitchell County, in the City of Colorado, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said judgment of foreclosure and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said W. J. Thomson and Clara Thomson.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Colorado Record, a newspaper published in Mitchell County.

Witness my hand, this 26th day of October, 1932.

R. E. Gregory, Sheriff Mitchell County, Texas.

Senior Rings Are Here—The seniors came back to school Monday with smiles on their faces. Some of the lower classmen have been quoted as expressing wonder that a ring bearing only a class emblem should create so much excitement.

With all due respect to ex-students of Loraine High, seniors assure listeners that 1933 rings cannot be compared with those of other times.

Married Here—Miss Annie Bell Hall and Mr. Thomas Long were united in marriage by Rev. J. E. Harrell, Wednesday night, November 2nd at his home in the presence of Mrs. Harrell and a few near relatives.

The bride is the daughter of Mr. and Mrs. H. T. Hall, and is popular with the large circle of her friends, having always resided here. The groom, an industrious young farmer, is the son of Mr. and Mrs. W. H. Long, north of town, and has many friends who wish for him and Mrs. Long much happiness in life.

Married at Sweetwater—Miss Jania Faye Stewart and Mr. Edd Cheek were married at Sweetwater Friday afternoon. The ceremony was performed by the Justice of Peace and was witnessed by Mr. and Mrs. J. M. Cheek and Mrs. M. D. Cheek of Loraine.

The bride is the daughter of Mrs. W. L. Stuart, of North Champion, while the groom who resides south of town is the son of Mr. and Mrs. J. W. Cheek.

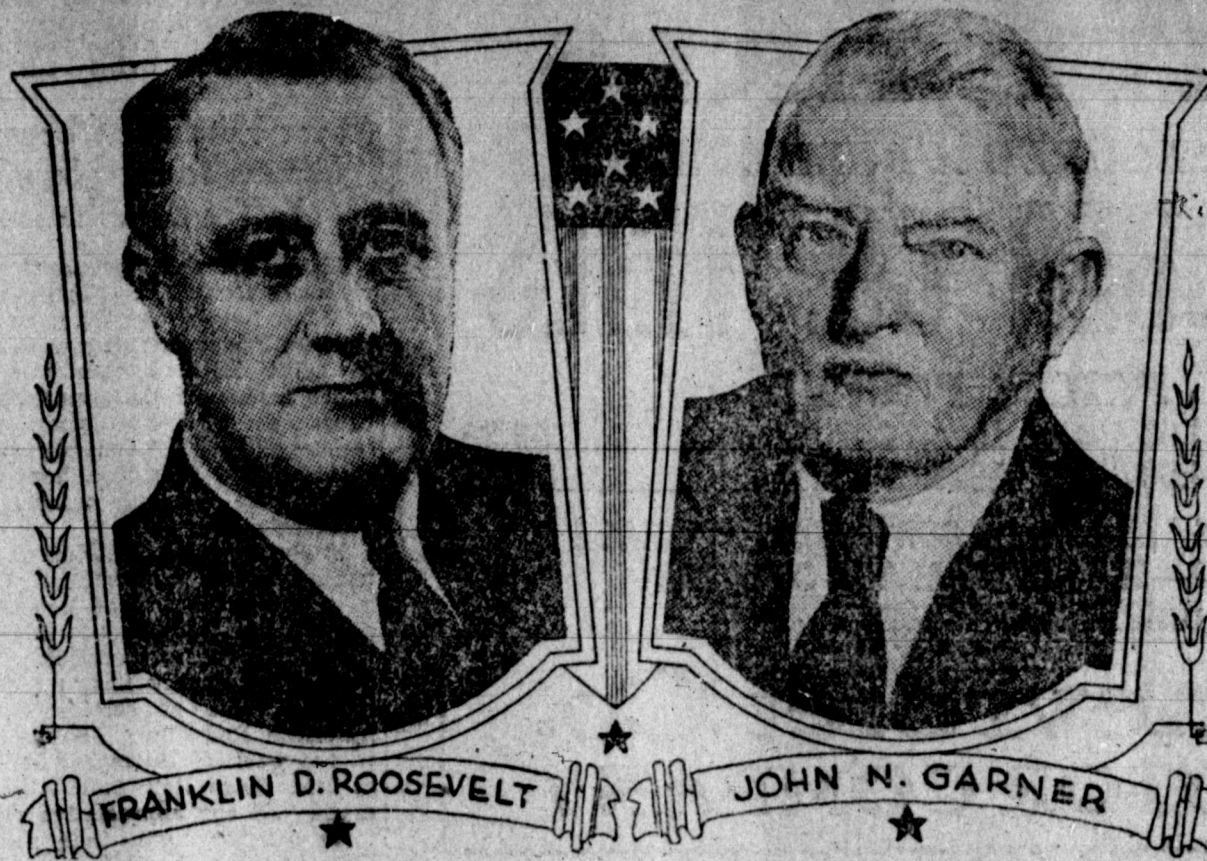

Injured Sunday—Mrs. Jim Grear, enroute to Landers Ranch Sunday afternoon, suffered bruises on her face and the dislocation of right arm at elbow, when she was thrown off the track at a curve in the road.

Pastime Bridge Club Meets—Witches, bats, black cats and pumpkins made a spooky atmosphere in the entertaining suite for the Past Time Bridge Club on October 26th. Miss Estha Edwards was hostess. Appointments were marked by walnut shells including an appropriate fortune for each guest. After a delicious salad plate was served the following enjoyed games of bridge.

Misses Bessie Hendrick, Edith Wilkerson, Ruth Johnson, Richard Loober, Mrs. Henry Cook Jr. Guests were Mesdames Derryberry, Williams; Misses Viola and Irene Brown, Fern Coon and Lola Coffee.

Baptist Notes—Some of our Sunday School pupils who had been absent for several Sundays were found in their

Two Mitchell County 4-H Club Members Tell Of Visit To State Fair At Dallas

next year than ever before. Florice Andrews and Lola Mearns, two of the three Mitchell county 4-H Club girls to recently visit the State Fair at Dallas, relate some of their impressions from the trip in the following articles:

By Florice Andrews Monday October 17, three 4-H Club girls started on the train for the Dallas Fair. We arrived there at 3:30 o'clock then we went to the camp and were assigned to our rooms. We went to the livestock show. It was very interesting.

Among the livestock we saw pigs, cows, horses, sheep, goats, etc. There were the agricultural exhibits. It was very interesting. It shows what the farmers raise. The entertainments were "Hoot Gibson's Rodeo," "Battle of Gettysburg," and "Dream Girl Follies" at the State Fair Auditorium. We also went to the zoo where we saw animals that I had never seen before.

We went to the fair ground where we rode on many different things. They were all very interesting. We arrived home Sunday at 3:50 o'clock. I surely did enjoy my trip and wish I could have stayed longer.

By Lola Mearns On Monday morning October 17, three 4-H Club girls left Colorado at 7:30 to attend the Dallas Fair. We arrived in Dallas about 4:00 o'clock that afternoon. Miss Camp and Miss Claytor met us at the depot. From there we went to the camp.

Each was registered and told what room they were to stay in. We were all very tired and were glad to get to rest. About 6:00 o'clock we were called to dinner. After dinner we went back to our rooms, all being so tired we went to bed early and were ready to go the next morning.

Tuesday morning we had our opening exercises. Speeches were made and songs sung. When we went back to our rooms, each group elected their captain and lieutenant.

Winfield S. Scott, among the pioneer citizens of Colorado, died at a Fort Worth hospital during the first week of Nov. 1911. The Record noted. He was at one time president of a Colorado bank and owned extensive ranch properties in West Texas and Arizona.

"Uncle Josh" King, pioneer resident of West and the father of Van King of Colorado, had died that week at the age of 65 years.

Dr. A. H. Weston, editor of The Record for some time, had come back to take these duties on the newspaper after an absence of one year.

That Mitchell county soil would produce three bales of cotton per acre under irrigation was asserted. J. C. Doby had proven that such could be done by "weighing seed cotton picked from his irrigated farm in the presence of witnesses."

Work on the new high school building was progressing. The editor advanced opinion the people would be satisfied with the job when completed.

That Jim Greene at one time peddled sewing machines in this territory is brought to light in edition of The Record for November 3, 1911. The paper informed that S. H. Cromer had been employed by Greene to operate the former's machine wagon.

Ford Merritt was painfully burned that week when he and other boys contrived a toy cannon. The contraption was well filled with powder

W. H. Long and son were present at a dinner given in honor of Mr. and Mrs. Thomas Long at the H. T. Hall home Sunday.

There were about fifteen in each group. Each had a chaperon. There were about four hundred girls there. After our opening exercises we went to the Agricultural exhibit. There were all kinds of things that soil could produce. Tuesday afternoon we went to the zoo. The most interesting thing I saw was the monkey. Tuesday night we went to see "Alice Joy in Dream Girl Follies." Wednesday morning we went to see the machinery and live stock. Wednesday afternoon we went to the Majestic Theatre where we saw "War Correspondent."

Wednesday night we went to an Indian Village. The squaws were sewing. They buy all kinds and colors of material, then cut them into very small pieces and different shapes. After they have done this they sew them together. Their clothing looks very pretty. The squaws wear many kinds of beads and trinkets.

Thursday morning we saw some of the finest aeroplanes and cars. We also went to the poultry show. Thursday afternoon we had the pleasure of going to Hoot Gibson's Rodeo.

Among the most interesting things I saw was the "Alamo" and the "Battle of Gettysburg." The Alamo is only half the size of the old one. In it we saw the hammer that drove the first nail in Dallas. The Battle of Gettysburg was enjoyed by nearly every one. The paintings were so good, one could hardly tell but what it was real.

I saw so many interesting things, I am hoping I can go back next year. I hope we have more girls to join the 4-H Club. If everyone could have been there and heard some of the things the girls told about their work and how it had helped them, everyone would want to be a 4-H Club girl. Many times we were asked, "What is the work of the 4-H Club?" We had the pleasure of telling them what it is and how we enjoyed it. I hope we have more 4-H Club girls and boys

and Ford allowed the privilege of firing the salute. It blew up and Merritt was painfully cut about the face by flying debris.

A new voice in livery transportation was introduced that week. F. S. Keiner had put a late model Studebaker car into service for hire.

PAPA PAYS DEARLY TO KEEP CO-ED CLOTHED AT TEXAS UNIVERSITY The total clothing bill of co-eds at the University of Texas reaches well into six figures.

An enterprising graduate student at the University who undertook a survey of the cost of a co-ed's expenses while at school, disclosed some striking facts. He found that in the first semester of the 1931-32 term co-eds spent \$527,752 for clothing alone, the figures being based on an attendance of 2,172 girls.

The girls at the University purchased 2,063 evening gowns at a total cost of \$54,174.38, or an average of \$26.26 each. For 11,728 informal dresses they paid out \$184,012 while 1,972 pairs of formal shoes set them back \$15,006. The remainder of the shoe bill, including sport and campus shoes, was \$53,697 for 7,862 pairs.

Dress coats came high, the 955 costing \$61 each or a total of \$58,589. Sports coats came a little cheaper, 1,259 of them being purchased for \$31,059. The 999 rain-coats the co-eds purchased cost \$7,892 while the 1,107 formal hats cost \$8,213. In addition, the co-eds purchased 5,647 campus and street hats for \$27,557.

They purchased 2,693 sweaters at

PROGRESS BEING MADE IN HIGH SCHOOL DEPARTMENT WORK SUBJECT OF TALKS

Students Address Lions Club As Feature On Program Of Entertainment

There are at least four departments in Colorado high school that are making commendable progress, students representing those departments told members of the Lions Club Friday. They are the home economics, commercial, vocational agriculture and athletic divisions.

The home economics department continues to advance in every particular. Miss Junita Keese stated. She told of improvements made by students and of recent inspection by an official representative of the State department of public education who found the department well up to standard.

The commercial department, so Miss Elizabeth Hutchinson informed the Lions, is not lagging in any particular. Splendid progress is being made by students. Two former members of this club are now working their way through college by doing stenographic work she stated. Miss Hutchinson invited members of the club to call on any member of the department when in need of typing or other clerical work.

That the Future Farmers plan an extensive program during the coming months was suggested by J. M. Kirby who stated that from fifty to sixty baby beaves and from twenty five to thirty hogs were to be fed out for market. Teams from this division of the schools have won a number of prizes in judging contests held in various parts of Texas.

A round of cheers greeted Alvis Stagner, captain of the Wolf squad, as he was presented by Dr. D. G. Bridgford, program committee chairman. Stagner spoke briefly of the K-State-Colorado game to be played at Centril Field that afternoon and urged every Lion to attend.

UNDERWOOD Portable Typewriter in handsome case. Guaranteed to do everything the big machine will do. Double-shift. Stagner keyboard. See and demonstrate the machine at the Record office. Sold on credit.

\$8,886 while the lineric bill was \$19,417. Prizmas, 4,418 pairs of them, cost \$16,716 and 28,540 pairs of hose amounted to \$42,239.

The gasoline and oil bill for the co-ed's automobiles is \$1,555 per month while the laundry bill aggregates \$4,061 per month and the charges for cleaning and pressing are \$5,907.

To satisfy her sweet tooth, the co-ed spends, collectively, \$629 each month for candy and the upkeep on her complexion runs over \$8,000, being \$4,439 for toilet articles and \$3,648 for beauty shop services in an average month.

The co-ed's, the survey showed, blew \$2,215 up in smoke each month, that being the amount of their cigaret bill while the monthly bill for books and magazines is \$1,303. It also was disclosed that 71.9 per cent paid cash for all purchases.

ANNUAL MEMBER DRIVE IS OPENED FRIDAY BY LOCAL RED CROSS CHAPTER UNIT

Mayor Hutchinson Urges All Citizens To Lend Support To The Organization

Marshaled under personal supervision of Rev. Dick O'Brien, pastor of First Baptist church, a corps of workers Friday morning went afield to enlist Mitchell county citizens under banner of the American Red Cross for another year. The county quota of 600 members is expected to be oversubscribed before end of the roll call campaign on Thanksgiving.

Mayor Homer L. Hutchinson Wednesday issued proclamation calling upon the citizenship of Colorado to stand by the Red Cross in this drive. Citing that "every thoughtful citizen of Mitchell county knows the inestimable value of services of the American Red Cross," he proclaimed the week of November 11 to 19 as Red Cross Roll Call Week and urged "all our appreciative citizens to answer 'here' with their memberships in this roll call."

Rev. Mr. O'Brien Thursday expressed confidence in the drive to open the following morning. "The citizenship of Mitchell county are too well aware of the services rendered our citizenship in times of distress to turn a deaf ear to appeal of the Red Cross for finances to continue its benevolent program to humanity, wherever disaster strikes," he said.

The churches, chamber of commerce, public schools, civic and fraternal organizations of the county are extending full cooperation to the roll call chairman and his corps of assistants. Membership drive committee have been designated for every community of the county.

Proclamation issued by Mayor Hutchinson follows:

"Every thoughtful citizen knows the inestimable value of the services of the American Red Cross.

"It is the only agency so organized to effectively relieve distress resulting from floods, tornadoes and other national calamities which cannot be anticipated nor averted.

"It is the agency that has made possible the distribution of flour and clothing from government wheat and cotton for the needy of Mitchell county.

"I am sure that all realize at this time especially that the Red Cross must be liberally supported in order that it may be prepared to carry on its splendid work."

"Membership in the Red Cross should not be regarded as a charitable gift. It is the discharge of a patriotic duty.

"I, therefore, as mayor of the city of Colorado do hereby set aside November 11 to 19 as RED CROSS ROLL CALL WEEK and urge all our appreciative citizens to answer 'here' with their memberships in this Roll Call."

SEVEN WELLS SCHOOL

We have enrolled up to date forty one pupils in school. We take up at 8:00 o'clock and turn out at 2:30 for cotton picking.

We have selected our Christmas play and will soon be working on a program for a Christmas entertainment.

Our new school house with its music room, library, and cloak rooms is a joy to us all. We thank every one concerned for such a good school home. Needless to say, we are all determined to make this our very best year.

We are indebted to the Hesperian Club for a number of fine books and a collection of magazines. We are proud to again be adopted by them. We thank the D. A. R. for a fine copy of the constitution of the U. S. beautifully framed. Also for a splendid dictionary.

Mr. Sherwin generously donated us a fine, framed picture of George Washington. We are very grateful to Mr. Sherwin for his kind generosity.

This part of the country is full of cotton, despite the fact it is being hauled off day and night. We have a great deal in a material way to give thanks for this year.

Billy Webb, Jack Wallace, Irene Dossey, and Martha Stevens are out of school on account of sickness.

Marshall and Elwin Huff of Oklahoma are visiting their uncle, L. L. Bassham. This is their first visit to Texas.

Virginia Cockrell entertained her little friends with an enjoyable Halloween party.

Douglas Bibby visited his friend Preston Mackey Sunday.

Mr. and Mrs. Reese of Ackerly visited their son C. B. Reese and family Sunday.

Miss Stella Mae Bassham of Shepard was a guest of her sister Mrs. Gary of Seven Wells Sunday.

Mrs. Franklin visited her daughter Mrs. Everett, this week-end.

Cecil Brown and Fred Smith, Fannie Brown and Elmer Peach were married Saturday. We congratulate these young people and wish them prosperity and happiness.

Lul, Mae Bassham
 J. M. New, Texas Co-operative Cotton association branch manager, spent Sunday in Sweetwater, visiting with friends.

Palace Theatre Has Interesting Program Billed During Week

He's played a poet and he's played a bootlegger. He's been seen as a swashbuckling Westerner, as a romantic French bravo of medieval times, as a newspaper reporter, as a stage magician, as a soldier and as a tramp. These are just a few of the varied roles John Gilbert has played during his remarkable screen career. But audiences will see him for the first time as an engaging villain in "Downstairs," which will be shown at the Palace Thursday Nov. 10. Don't miss it.

"The picture terrific." Though this may sound extravagant, we know of no better way to describe it. If you care to see the new idea in picture-making, if you love the dramatic, if you thrill at the idea of something totally new and different, if you want a complete change of scene and atmosphere, you will make it a special point to see "The Doomed Battalion," at the Palace Friday, Nov. 11, featuring Tala Birell, Luis Trinker, Victor Varnoni, Albert Conti and a strong cast.

The hardest wallop since Jack Dempsey! Most shootin', tightin', ridin' and honest-to-goodness screen action since the good old days of the Gold Nugget Saloon and the bold bad men of the Boaring West!

More romance than a starlit night on the Venetian canals! That is the million-candle-power Tom Mix—the greatest cowboy star of them all—in his second talking photoplay "Rider of Death Valley," that makes its auspicious appearance at the Palace for Saturday Nov. 12.

One of the most compelling screen dramas of the 1932 season will make its bow to Colorado when Columbia's "American Madness" opens a run at the Palace Theatre for Sunday matinee and Monday Nov. 13 and 14.

Considered tremendous in scope and of sweeping power, "American Madness" is a film that strikes at the vitals of present-day America.

Walter Huston, whose reputation as one of the greatest actors on the American screen is unquestioned, has a feature role of a strong, clear-thinking banker whose courage and faith in people leads him successfully through a run on his bank and an attempt to break up his home.

For Tuesday and Wednesday the Palace is showing "Week Ends Only," a Fox romantic drama.

Briefly, the story is that of a young society girl whose father dies after losing all his money. She gets a job as a hostess in a classy night club run by the family's former butler. As a sideline, for a consideration, she is also a week-end house-party hostess. She helps a

struggling young artist, who has fallen in love with her and that help gets her in deep water, but all ends well. Be sure to see the climax of this lovely picture.

"Radio Broadcasting" will be the feature for next Thursday and Friday. Be sure to see this array of radio stars.

DAV CHAPTER PLANNED FOR ORGANIZATION AT SWEETWATER THURS.

W. L. Shaddix, national representative of the Disabled American Veterans, stopped over in Colorado Wednesday morning to notify some local world war ex-soldiers of the meeting to be held in Sweetwater Thursday night at the courthouse for the purpose of discussing compensation, pension, and war risk insurance laws and how to secure benefits therefrom. The meeting, to be held in the county courtroom, will begin at 7:30 p. m., and will be open to the public.

The D.A.V. of the W.W. is chartered for claims work among veterans and dependents and has in its employ about fifty experts on salary basis paid by the D.A.V. who aid in the preparation and presentation of claims for the different benefits provided for by law. Mr. Shaddix stated that because of lack of understanding of the different laws many veterans who are entitled to monies under acts of Congress have been denied the aid intended by the Government for them.

A number of veterans of Colorado and nearby vicinities have been members of the D.A.V. organization at-large and in the Dallas Chapter, and they will be urged to place their membership in the new chapter being formed in Sweetwater, Mr. Shaddix said.

Another meeting is to be held in Sweetwater next Monday night at 7:30, Shaddix stated here.
