

IRRIGATION DISTRICT ALONG COLORADO VALLEY PROPOSED

AINSWORTH RELEASED ON \$5,000 BOND AFTER NEW TRIAL MOTION IS DENIED

Longfellow Farmer Gets Five Years After Conviction In District Court

Bill Ainsworth, Longfellow farmer, faces a five-year penitentiary sentence for the second time within recent months. Last year he was convicted of murder and given five years in the pen. The court of criminal appeals at Austin later reversed and remanded the case. Friday afternoon a jury in 32nd district court found the defendant guilty and assessed his punishment at five years in the penitentiary.

Bond in the sum of \$5,000 was authorized by Judge Mauzey, pending whether or not the defendant is to accept the sentence without appeal. Motion for a new trial, made by Judge C. C. Thompson chief defense counsel, was denied.

The case was called Thursday morning of last week. The jury was selected and sworn in before noon. Introduction of evidence was begun at 1:30 that afternoon and within a short time both the state and defense rested. Only one witness, M. A. Ainsworth of Groesbeck, brother of the defendant, was introduced by Thompson. Evidence of the Groesbeck man had to do with Ainsworth's character.

Charge of the court was delivered the jury Friday morning, arguments by counsel completed at 2:15 that afternoon and within thirty minutes the verdict of guilty was reported. Defense counsel had asked for a suspended sentence.

Judge Thompson was assisted in defending Ainsworth by Ira Lawler, attorney of Groesbeck. District Attorney George Mahon represented the state.

SNAKE THAT ATE JACK RABBITS WHOLE FOUND BY COMMISSIONER HOLT

County Commissioner Mack Holt claims that he and a crew of men working on the Robert Lee road Monday discovered the largest rattlesnake in West Texas. At any rate, the reptile is described by the county official as being the largest he had ever heard of in these parts.

While making repairs to a small culvert near Silver Creek the snake was discovered underneath some decayed lumber. The man finding the monster, so Holt reports, ran away in such speed as to lose his hat.

"That snake was actually five or six inches in diameter and about six feet long," Holt claimed. "He had just swallowed a jack rabbit and evidently was resting after the noon meal when disturbed. He had 14 rattlers."

'CENTURY CLASS' TO BE LAUNCHED SUNDAY WITH DR. KLINGMAN TEACHER

Organization of a non-sectarian Men's Bible class to be known as the "Century Class," is announced by J. E. Pritchett, president. The class has obtained use of the Palace Theatre and will hold its first meeting there Sunday morning, beginning at 9:45. Dr. C. C. Klingman, pastor of First Christian church, has been elected teacher.

"Dr. Klingman is well prepared for this work and will use the lecture system," Pritchett stated Wednesday afternoon. "We cordially invite all men, not connected with some other class, between the ages of 21 and 95 to join us."

Blackwell Officer Shot From Ambush By Thugs' Outlook

Shot down from behind by an unknown assassin who hid in ambush while he sought to arrest two others caught in the act of burglarizing an oil station, John Lampkin, 55, veteran peace officer at Blackwell, Nolan county, was reported in a serious condition Thursday. The wounded man was removed from Blackwell to a Sweetwater hospital. The wounded official was found by a searching party at 4 o'clock Thursday morning, after some one had reported hearing groans in the street. It is believed that Lampkin was shot down and left for dead by his attackers. His pockets had been rifled and his gun missing. No arrests have been made in connection with the case.

VENIRE OF 108 MEN HAS BEEN ORDERED FOR NEWT MILLER CASE ON MONDAY

Murder Count Set For Trial In 32nd District Court By Judge Mauzey

Judge A. S. Mauzey, presiding over sessions of 32nd district court, has ordered a special venire of 108 citizens to appear Monday morning for the Newt Miller murder case. The court announced Monday morning that all citizens summoned for this and next week in the petit jury panel were included in the special venire.

"There are to be no excuses considered by this court, excepting such as may be supported by law governing absences from the service to which this panel has been summoned," the court announced Monday morning.

Judge Jim Cunningham of Abilene is chief defense counsel. The district attorney will be assisted by County Attorney Dell Barber in representing the state.

HOTTEST DAY OF YEAR REGISTERED SUNDAY AS MERCURY SOARED HIGH

Sunday was the hottest day Coloradoans have endured this year. During the afternoon the mercury climbed upward to register a reading of 106 degrees. There was little breeze stirring and people as a rule remained indoors trying to find relief from the intense heat.

Dr. Andrews of Crosthwaite Drug Company claims the day to have been the most intense he has ever experienced in Colorado. Farmers report the continued hot weather is deteriorating young crops and garden produce.

Granddaughters of Colorado Woman Win Ambition To Greet Mrs. F. D. Roosevelt

When Mrs. Franklin D. Roosevelt arrived at Love Field, Dallas, Monday morning, there were none quite so enthused as little Julia Lee Simon and Mary Ann Simon, granddaughters of Mrs. Anna Simon, pioneer citizen of Colorado. The children were graciously received by Mrs. Roosevelt.

The following article describing this happy occasion for the two children was published in the Fort Worth Star-Telegram for Tuesday morning:

Two little girls got the thrill of their lives here Monday, and one of them has a memento of the occasion. As anxious to meet Mrs. Franklin D. Roosevelt as any of her grownup admirers — and more enterprising about it than some — were Julia Lee

SMALL SON OF COLORADO COUPLE SUCCUMBS FROM ACCIDENTAL SHOT WOUND

Donald Lewis Loftis Fatally Hurt While Playing At Home Of Parents

Tragedy stalked in the home of Mr. and Mrs. L. R. Loftis Saturday to claim the life of their small son, Donald Lewis Loftis, 4. The child died at the Root hospital at 1:05 p. m. that afternoon from effects of pistol wound received three hours before.

The child had previously found his father's revolver, a .44 calibre Elots, kept in the home. Mr. Loftis took the weapon and remonstrated with the child that he must not touch the gun—it was dangerous. The revolver was hidden underneath a mattress.

Saturday morning Donald Lewis while at play in the bedroom with his sister, found the gun in its hidden place. Thrusting an arm underneath the mattress he started to pull the gun out. The hammer was caught in some manner, causing the pistol to fire, the bullet entering the child's stomach and passing through his body.

"Daddy, I have shot myself. Get me to a doctor quick," the boy called as his father, attracted by sound of the shot, rushed into the room. The boy was on his knees holding one hand on his stomach. The smoking revolver lay nearby.

The child was rushed to the Root hospital and placed on the operation table where surgeons worked frantically to save his life. Coming out from effect of a light anesthetic given as he went under the knife, the child addressed his mother. He called for water, exclaiming that he felt badly. He closed his eyes as if in sleep and quietly came to the end.

Funeral rites were conducted Sunday afternoon at 2 o'clock at the Kiker & Son chapel, with Minister J. D. Harvey of the Church of Christ officiating. Burial was in the Colorado cemetery.

Immediate members of the family surviving are his parents and one sister, Eva Lee Loftis.

MINISTER HARVEY WILL OPEN ABILENE REVIVAL NEXT SUNDAY MORNING

Minister Jim Harvey of the Church of Christ is to open a revival meeting at the Cypress Street Church, Abilene, Sunday morning. The special services will continue through two weeks. Members of the congregation have completed plans for impressive singing services and anticipate a successful meeting.

The Colorado minister formerly resided in Abilene and is returning to the people he worked with before coming to Colorado.

Five County Junior Livestock Show In Tentative Prospect

Organization of a junior livestock show, to be participated in by 4-H club members of Mitchell, Nolan, Scurry, Jones and Fisher counties are in prospect with strong probability that permanent organization will be effected during the Summer months.

Nolan county 4-H club boys are to hold their Summer livestock show in Sweetwater June 25, with several youngsters entering baby heaves in the arena. Last year these boys developed 21 prime calves. The movement was fostered by the Sweetwater Rotary club.

SUMMER SCHOOL SESSION WILL BE OPENED MONDAY WITH SMALL ENROLLMENT

Pupils Must Be Registered On or Before Opening, Wilkins Announces

Annual Summer school session is to open at Colorado high school building Monday morning with what C. A. Wilkins, in charge, anticipates to be an unusually small enrollment. Mr. Wilkins announced Tuesday morning that students expecting to attend the school should matriculate on or before the hour for opening Monday morning.

The school will continue through eight weeks. School authorities are authorizing the school as opportunity for students falling in their grades to make up the required work for promotion.

Mr. and Mrs. R. H. Cantrill are other teachers who are to be in charge of class room work during the school.

ONE PERSON KILLED IN TRAFFIC MISHAP NEAR HERMLEIGH LAST WEEK

Monroe Leverts, 39, of Blackwell, was killed and his wife and two children slightly injured when the automobile in which they were traveling overturned on the Roscoe-Snyder highway near Hermleigh last week. The car turned turtle when a tree blew out.

Leverts and family were returning to their home in Blackwell from a visit to Post when the tire gave way. Leverts died almost instantly. He and family had resided in the Blackwell community several years where he had engaged in farming.

PASTOR'S SON TO FILL PULPIT SUNDAY AT 11

Charles Klingman, son of Dr. C. C. Klingman, pastor of First Christian church, is to fill his father's pulpit Sunday morning. The youth is to speak from the subject, "Life's Highest Calling." Incidentally he will explain why he is not entering the professional ministry. Young people are especially invited.

MAHON IN CHARGE S. U. EXES FETE AT ABILENE

George H. Mahon was director of program given at annual banquet of the Ex-students association of Simmons university at Abilene Tuesday evening. The Colorado man was elected member of the association board of directors. Others attending the fete from here were Mrs. Mahon and Miss Nell Harper Greene.

T-P BRAKEMAN LOSES LEG IN YARD MISHAP

J. F. Hawk, Texas & Pacific brakeman, lost his right leg below the knee Tuesday night when he slipped and rolled under a locomotive in the yards at Big Spring.

REVIVAL CAMPAIGN TO BE CLOSED SUNDAY NIGHT AT COLORADO CHURCH-CHRIST

Melvin Wise of Big Spring, Evangelistic Speaker, Is Attracting Crowds

Revival meeting being conducted at the Church of Christ will be closed Sunday evening, Minister J. D. Harvey stated Wednesday morning. Melvin J. Wise of Big Spring, who is doing the preaching, is delivering two strong gospel messages daily. Attendance continues to grow, with visitors from Big Spring, Loraine, Westbrook, Dunn and other communities joining with Colorado people in the services.

Tuesday night Mr. Wise spoke from the subject, "The Great Salvation." He said in part: "Salvation is great because it originated with God, was executed by Christ and revealed to us through the Holy Spirit. It is great because it is universal, not limited. It is great because it saves the soul and is the cure for that which would destroy the soul."

"Salvation was first spoken by Christ, Heb. 2:1-4. After the baptism, preached by John, Acts 10:37; then in promise, Gen. 12:1-3; then in prophecy, Jer. 31:31-33; then in preparation, Matt. 3:1-12; and then finally in fact, Acts 2:14-38. Salvation was not trusted to men but Christ promised to the Apostles the Holy Spirit to guide us to guarantee no mistake would be made, Jno. 14:26, 16:13; Luke 24:46-48. Salvation is used in two ways."

He closed by showing what men should stress in life and the danger of emphasizing the wrong principle. Services are being held twice daily, at 10 a. m. and 8:15 p. m. Excellent gospel singing is a feature of every service. The church expects to make the concluding services Sunday morning and evening outstanding in the matter of reaching souls that are lost.

AIRSHIP TRANSPORTING MRS. ROOSEVELT SEEN PASSING HERE MONDAY

The American Airways ship on which Mrs. Franklin D. Roosevelt was a passenger to the Pacific Coast was seen over Colorado shortly before noon Monday. The president's wife was enroute to California to visit her son, Elliott, at Los Angeles. Brief stops were made at Abilene and Big Spring airports. She spent Monday night at Tucson, Arizona, the guest of friends.

Arriving at Love Field, Dallas, Monday morning at 8:20, Mrs. Roosevelt was greeted by a large throng of people. She was guest of honor at a breakfast given by Amon G. Carter, Fort Worth publisher.

Beauty Of Ruddick Park Is Extolled By Citizens Attending Breakfast Program

Fifty one Coloradoans accepted invitation of the chamber of commerce to attend a 6:30 o'clock breakfast served at Ruddick Park Wednesday morning and a number of them publicly expressed their appreciation of the improvements made there and of the general civic attractiveness to be found on every hand.

Invitations were mailed from the chamber of commerce to 100 citizens to attend the breakfast. Arriving from 6 to 6:30 the visitors found Mayor Sadler, Howard Rogers, Jim Greene and others chiefs busily engaged in the culinary art of frying bacon and eggs. Two large pots of coffee were made. The meal was served at rugged masonry tables recently completed by the Business & Professional Women's club.

Additional Credits Given Spade School By The State Dept.

Spade school has recently been designated by the State Department of Public Education as a Standard Rural School. R. B. Hood, principal, announced while in Colorado Wednesday afternoon. Mr. Hood stated that in order to receive this distinction the school must comply with strict requirements, including building, equipment, sanitation, library, etc.

Hood stated that several graduates of the Spade school would probably enter Colorado high next fall. "We had a young lady among graduates in the school here this Spring and our people pride in the splendid institution maintained at the county capital," he said.

FRATERNAL CLUB REMAINS UNSHAKEN AS HOLDERS OF TOP PEG IN CITY LEAGUE

Fire Boys After Spurring Ahead Last Week, Drop Two Latter Games

The Masons have consistently defended their claim to first place in city league standing during the past week with a 100 percent scoring record over their opponents. Friday the fraternal club defeated the Fire Boys 3-2 and Monday afternoon annexed another victory over the Business men. The latter score was 5-4.

In taking victory from the fire department, however, the fraternalists have nothing to crow over. Apparently fate elected that the Masons should have the marginal lead of one run in this most interesting mound battle, remembered as one of the best games played since the season opened.

The Fire Boys had outplayed their opponents in every department through six innings. The score stood 2-0. It was evident that the Masons were routed for a shut-out and several fans, assuming that such was in store, were filing from the side lines and leaving the park. But things were due an up-set. With two men on bases, LeRoy Gressett

LEGION BAND TO GIVE CONCERT FRIDAY NIGHT

The official American Legion departmental band of Sweetwater is to give a concert at Ruddick Park Friday evening, beginning at 8 o'clock. Several Colorado musicians are expected to be in the band. Jack Armstrong of Sweetwater will be in his place as conductor.

PLANS FOR DAM PROJECT IN COKE COUNTY MAPPED AT ROBERT LEE MEETING

Area Communities Cooperate In Move To Irrigate Low Lands Along River

Campaign looking to the building of a huge dam across the Colorado river fifteen miles above Robert Lee to impound water for irrigating approximately 100,000 acres of fertile valley lands stretching over 35 miles of territory along the river channel in Coke county was projected at Robert Lee Monday night.

Coke county citizens were joined by officials of the West Texas chamber of commerce and civic leaders representing Sweetwater, Abilene and San Angelo in launching the undertaking. Organization expected to lead to creation of a water improvement district was perfected and tentative application requesting loan from the RFC framed.

Among West Texans attending the meeting were D. A. Bandeen of Stamford, general manager of the West Texas chamber of commerce and Judge Charles E. Coombes of Stamford, a former president of the regional organization. Each pledged full cooperation in pushing the objective to realization.

It was pointed out the creation of the water improvement district would be necessary in order to interest the federal government in extending loans out of the huge National public works appropriation of \$3,300,000,000. The Coke county commissioners court will be requested to join the directing committee in plans to create the district and apply for federal loan.

Committee delegated with responsibility of pushing the project includes Ed Roane, Fred Roe, Robert Lee, Robert Knerim, Robert Hickman, Bronte, Ralph Harris, H. G. Wendland, San Angelo, and Ted Richards, Wingate.

RURAL FOLK NOW COME TO RUDDICK PARK FOR PICNICS AND DIVERSIONS

"We people of the country appreciate this park just as much as you town dwellers and we are certainly taking advantage of the opportunity for using these grounds," J. V. Glover, principal of Buford school and president of the Mitchell County Teachers' association, said in an address at the park Wednesday morning. Glover was speaking before fifty local citizens invited to the park for breakfast by the chamber of commerce.

"Heretofore we folk out in the country went to some desirable location along the river or other shady nook to enjoy our picnics, but there is no more of that now," Glover continued. "We are coming into Colorado and to this beautiful park because there is not a more inviting spot in West Texas."

COLORADOANS ATTEND SUMMER CONFERENCE

The Rev. Alex B. Hanson, pastor of All Saint's Episcopal church, Miss Frances Lupton, Elizabeth McCordle, Lillian McCordle, Yvonne Erwin, Mabel Earnest Cooper and James Lupton are in attendance this week at the Episcopal Summer conference being held at Seaman Hall, on the campus of Texas Tech at Lubbock.

JURY PANEL RECESSED TO THURSDAY MORNING

Petit jury panel summoned for this week in 32nd district court, Monday morning was recessed until Thursday morning at 9 o'clock. Judge Mauzey announced that the court would expect every citizen summoned on the panel to appear in court on morning of June 8, at the hour designated.

Former Teacher Weds Howard Payne Coach

Announcement of the marriage of Miss Alice Louise Skerritt to James McAdoo Keaton at Silver Spring, Maryland, on Sunday, May 28, was received in Colorado Tuesday. Mrs. Keaton was supervisor of music in Colorado high school during the term of 1931-32. Mr. Keaton is line coach at Howard Payne college, Brownwood.

Mr. and Mrs. Keaton are to remain in the Maryland city until after August 1, where he is attending school. They are to be at home in Brownwood after August 15.

M. E. Mission Study In Meeting At The Church

The Methodist Mission Study class met Monday in the Sunday school room. The devotional, parts of the 4th chapter of Matthew and the 139 Psalm was read by Mrs. Merritt who also offered prayer. Mrs. Pritchett reviewed briefly an article on the "Garden of Eden" from a Geographic of 1914. The lesson was on the Fall, 3rd and 4th chapters of Genesis. The topics were temptation, death by sin, salvation by faith and the first sons of Adam. The questions were next discussed.

The class voted to sponsor the play from Sweetwater Friday evening. The Home department advertising this and getting 40 percent of whatever is made.

The meeting adjourned with prayer by Mrs. Jeff Dobbs.

Fidelis Class Meeting Thursday Afternoon

The Fidelis Class of the First Baptist church met Thursday afternoon, June 1st, with Mmes. R. H. Delaney, Del Barber and W. M. Bramlett hostesses at the home of Mrs. Delaney.

Mrs. A. L. Geer, first vice president, presided in the absence of the president, Mrs. L. A. Dorn.

Mrs. Del Barber brought the devotional for St. John 3:16, explaining this inspiring promise in a clear and truly beautiful manner. Prayer was led by Mrs. O'Brien, and the minutes read by Mrs. Taylor, substituting for the secretary Mrs. Anderson. Mrs. Benson reported a dollar and seventy-five cents collected by the Rag Committee. Upon resignation of Mrs. Barrett, Mrs. Henry Hovis was appointed by the Committee as class reporter.

Mrs. Gray, in charge of the social hour, directed a number of enjoyable games and contests.

There were seventeen present. The guests were Mmes. Green Delaney, O'Brien, Crozier, Catherine Delaney and Ruedean Balfard.

The refreshments consisted of lovely black and white cake and fruit punch.

R. W. Whipkey To Marry Abilene Girl On June 14 In Wedding Set For San Angelo

ABILENE, June 4.—Engagement and approaching marriage of Miss Ruby Saylor and Robert West Whipkey was formally announced at a rose tea Saturday by the bride-elect's mother, Mrs. Beulah Saylor, and her sister, Miss Gertrude Saylor.

The marriage of the couple will take place at high noon on June 14, in the home of the bride's sister, Mrs. Esker E. Smith, in San Angelo. Miss Saylor returning for her wedding to the town where she spent her childhood and received her education.

Rev. H. D. Foreman Jr., pastor of the San Angelo First Baptist church will officiate for the ceremony, which will be attended by both San Angelo and Abilene friends of the couple.

Miss Thelma Ray, San Angelo, will be maid of honor for Miss Saylor, and the groom will be served as best man by his brother, Stansel Whipkey of Dallas. Mrs. Scottie R. Johnson, San Angelo will give the wedding music, and Mrs. Marion Clay, San Angelo will sing.

The couple will be at home after July 1, at 1501 North Third street, Abilene, where Mr. Whipkey is telegraph editor with the Morning News. Miss Saylor, who was graduated from the Abilene high school, has been secretary for the firm of Blanton, Blanton, and Blanton for the past four years, one year of the time serving as secretary to Congressman Thomas L. Blanton, in Washington. Mr. Whipkey, son of Mr. and Mrs. A. L. Whipkey of Colorado, a Simmons graduate, has been connected with the Abilene Reporter-News for the past four years.

The announcement tea was held at the Wooten hotel, where guests were received on the mezzanine floor by the hostesses, the honoree and a group of their relatives.

Mrs. O. C. Howell, a friend of the Saylor family when they made their home in San Angelo, greeted guests. Mrs. Saylor and Miss Gertrude Saylor were at the head of a formal receiving line, presenting the bride-to-be. Her younger sister, Miss Mary Catherine Saylor, next gave greetings, introducing her sisters, Mrs. William A. Green of Ballinger, and Mrs. Esker E. Smith, San Angelo.

Others in the receiving group were the groom-elect's mother, Mrs. A. L. Whipkey, Colorado; the bride-elect's sister-in-law, Mrs. Louis C. Saylor; her cousin, Mrs. A. T. Gaddie; and Mrs. Scottie R. Johnson and Miss Thelma Ray, all of San Angelo.

Mrs. T. G. McCracken, Mrs. Ray Beall and Miss Mamie Jack Matthews were at the entrance to the colonial suite to invite guests into the rooms which were a bower of roses, and there they were seated for a rose musicale hour.

The betrothal was revealed in the last line of an original poem, which Miss Gertrude Saylor read as she looked into the heart of a rose. The poem was entitled "In an Old Rose Garden."

The program was initiated by Miss Anna Morris, who sang "Only a

Kin Of Coloradans Weds Big Spring Man

Miss Helen Creath and Garland J. Early, both of Big Spring, were united in marriage in an impressive double ring ceremony at First Christian church, Big Spring, at sunrise Wednesday morning. The Rev. S. J. Shettlesworth, pastor, officiated. The bride is a granddaughter of Mrs. M. A. Berry of Colorado.

Several relatives of Colorado and vicinity were in Big Spring for the rites. Among these were the following: Mrs. Berry, Miss Lucile Berry, Mr. and Mrs. J. W. Watson, Harold Watson, Misses Elizabeth and May Watson, and Masters Maurice and Hubert Watson, Mrs. Will C. Berry and Misses Billie and Mary Nell Berry.

At 5 o'clock doors into the tea room of the suite were opened, and guests were invited to a table, laid in lace over blue and lighted with pink-tinted princess whips in rose holders. Mrs. Smith and Mrs. Green presided at the table to serve rose parfait and cakes iced in rose design, and decorated sandwiches. Olives, mints and nuts were served from the table by Miss Mary Catherine Saylor.

Date of the wedding was on rose stick-ups surmounting the cakes.

Methodist Juniors Attend Meeting Held Thursday

A group from Colorado attended the Sweetwater District meeting of Children which was held Thursday in Stanton.

Mrs. W. H. Garrett and Mrs. Frank Pidgeon accompanied the group who were taken over by Mrs. U. D. Wulfjen, Mrs. Kiker, Mrs. Corbin and Mr. Warren. The Juniors who attended were J. T. Williams, Willie Grace Doss, Lucille Stokes, John Bellomy, Birdie McCree, Shirley Kiker, Jack Fannin, Wilma Fannin, Harvey Hicks, Allen Connel, Walter Grubbs, Johnnie Grubbs, Eloise Cooper and the Wulfjen children. These were all on the program and have a good report of local work done.

Presbyterian Auxiliary In Meeting At Church

The Presbyterian Auxiliary met Monday in the church parlors in business session. The president, Mrs. Frazier, presided and brought the devotional.

After the regular business, ways of making money were discussed and a vote was taken in regard to the flower fund.

The meeting was dismissed with prayer.

Christian Lookout Class Have Meeting Friday

The Lookout Class of the First Christian church met Friday evening with Mrs. Henry Vaughn on her lawn. There was a good attendance and a good meeting was held. The devotional was conducted by the class teacher Mrs. Broadus.

A business and a social hour were enjoyed and at the close of these, sandwiches, iced punch and gingerbread was served.

Legion Auxiliary To Observe Flag Day

Flag Day June 14th will be observed by the American Legion Auxiliary with a picnic and program at the Park, Wednesday evening at six. The program is being arranged by Mrs. Thompson and will be given in the band shell.

Supper will be served and every woman who has ever been a member of the Auxiliary is invited to come with a well filled basket and bring her family with her. The party will be over in time for prayer meeting. Come out and help observe this holiday.

Last Meeting of UDC Is Set For Next Tuesday

The Robert E. Lee Chapter UDC will meet in its last session for the Summer with Mrs. C. P. Gary at 3:30 o'clock Tuesday.

The program will be on Jefferson Davis. Every member is urged to be present.

Mrs. McCleary Hostess To Thursday Bridge

Thursday afternoon at three thirty, Mrs. J. E. McCleary complimented the Thursday Bridge Club and a number of other friends with a beautifully appointed bridge party. The house was gay with roses and the six tables of players spent a most enjoyable afternoon.

M. E. Home Department Sponsor For Program

The Methodist Home Department is sponsoring "The Ghost Bird" at the High school auditorium, Tuesday evening at 8:30. This play, directed by F. M. Russell, is brought by a Sweetwater cast that has given successful presentations in several towns. Admission is 10 and 25 cents. Come out and enjoy a well staged play at the same time help a church organization.

Mrs. John Summers Has Contract Bridge Club

The contract club met Tuesday with Mrs. John Summers who had three tables of players. The deck of cards was won by Mrs. Emmett Grantland.

At the refreshment hour pineapple salad, crackers and punch was served.

MOVIES

There is plenty of action, suspense, and love interest in "Man Against Woman" showing at the Palace Theatre, Thursday and Friday. It is a picture of the eternal conflict of sexes. The feature roles are taken by Jack Holt, and Lillian Miles. In this picture Holt has one of the strongest roles of his career. The beautiful and talented Lillian Miles has a role that is perfect for her screen debut. The two of them for a screen pair that you will always remember, but you will also remember them in this interesting forceful picture of a man's brutal strength and will power against a woman's wiles.

The Palace Theatre is going to be one of the stopping points for the relay stops of the Pony Express Saturday, when Buck Jones arrives in "White Eagle" his latest picture. In this picture he portrays a colorful character of the early west in the role of an Indian Brave Rider of the Mails. One of the many thrills promised the Buck Jones fans in this picture is a hand to hand conflict with a mountain lion in which the lion comes out second best. Barbara Weeks, beautiful and enchanting in a wholesome role, is featured opposite the star.

Special Midnight Matinee

The cream of the actors and actresses comprise the cast of "Night Club Lady" showing at the Palace Theatre as a special Midnight Matinee Saturday. It is the screen version of Anthony Abbotts famous murder mystery story. Adolph Menjou has the leading role in the part of the famous sleuth, Mayo Method plays the feminine lead. Other important roles are taken by Skeet Gallagher, Gerald Feilding, Blanches Friderici, Greta Grandstedt, Ruthelma Stevens, Nile Welch, Albert Conti, Nat Pendleton and others.

Mae West, heretofore the stages' chief exponent of the dramatization of sex machination, comes to the screen in her first starring vehicle, a picturization of none other than the "Diamond Lil" of recent stage memory. That Miss West here is highly effective cannot be denied, but the adaptability of her role, of her vehicle, of her material for her starring role is with out doubt perfect. She fills the part of the old Frankey and Johnny story. Noah Beery has the role of the Saloon proprietor, festooned with diamonds or rocks, boisterous, and rough. The picture has been extremely well mounted, the atmosphere of the period and the surrounding appearing definitely authentic and in common with reproductions of that period always appealing. Miss West sings several songs in a way all her own. You have waited for this picture now come and see it at the Palace Theatre Sunday and Monday.

Imagine a derelict rum runner, adrift at sea after a terrible storm,

MISCELLANEOUS

STRAYED from my lots in East Colorado on Monday night, May 26, a white face Bull calf about 10-months old in fair condition, weighing about 450 pounds. Liberal reward for his whereabouts. Call Tom Morrison or Doyle Williams. 1tpd.

Farmers Take Notice
Bring your corn and other grain to our NEW MILL and take home fresh table meal for yourself and balanced ration for your cows, hogs and chickens. If we please you, tell others; if not, tell us. Kyle Distributing Co. 1st door south Alamo Hotel. tfehg

CLEBURNE—There is something about A. P. Jennings' automobile that is exceedingly displeasing to a certain gentleman cow of Johnson county. While Jennings was fishing, the bull attacked the parked car and messed it up considerably. Jennings finally persuaded the bull the automobile was not a rival bovine and got the animal to go away.

MATTEN FORCED DOWN IN FAR-FLUNG SIBERIA

Pictured above is Jimmy Matten of San Angelo and the plane in which he left New York City Saturday morning in attempt to establish a new round-world record. Thursday he was reported down in Siberia, but it was not known whether he was injured or his plane damaged.

Grand Jurors Take Up Work Thursday; No Report Is Made

The Mitchell county grand jury recessed on Thursday, May 25, went into session Thursday morning to complete its work for the term. No report had been made to Judge Mauzey at 2 o'clock Thursday afternoon. Petty jury panel, ordered to report for service Thursday morning at 9 o'clock, was again recessed by the court. This time, however, it was only for twenty four hours and the panel is to report Friday morning (today). Little business had been passed by the court during this week. No jury cases have been tried and as a rule cases pending have been either settled by agreement or continued. A divorce petition was being heard Thursday afternoon.

CHECK ROOM ARTICLES

HOUSTON, Tex., (UP)—Strange things show up in the check rooms of a large city's theatres—things few persons would suspect. Most check room operators are so hardened they wouldn't be surprised at a request to take care of an elephant. People already have gone to the other extreme and checked fleas and baby chicks. The fleas were entrusted to Miss Elizabeth Hutchins, one of the girls on duty at one of the largest of the local theatres. "Their owner said they were live fleas and he didn't want them to get out of the box," said she. "They didn't."

Miss Hutchins suffered a more trying experience when a bearded man handed her a large suitcase and hurried into the theatre. She thought nothing about it until the bag began making a ticking noise. With thoughts of a bomb plaguing her mind, Miss Hutchins took a chance and flung open the suitcase. Inside, ranged neatly row on row, were dozens of alarm clocks. The man was a clock salesman.

Around Easter it is common for people to check chickens and rabbits. Sometimes they escape. They run back of telephone switchboards and hide among wires and old rubbers, adding to life's complexities. "One afternoon I had a rabbit and four pairs of roller skates on the floor at once," said Miss Lorene Sheehan, who divides her time with Miss Hutchins. "Trying to catch the rabbit, I stepped on a skate. Then I caught my arm in an umbrella."

Recently a man entered a show with a rope of garlic under his arm. He handed it over and asked that it be held until he returned. This proved impossible, so it was given a room of its own in the basement.

The most curious article ever received by Fred Nahas, check room operator, was a full-sized bicycle belonging to a cross-country tourist. At the same time it was checked Nahas had a carton of eggs, an officers pistol and a Mexican hairless dog on his hands.

Nahas would rather check dogs, bikes or wildcats, however, than handle a holiday offering of children's balloons. "You feel so silly," he said, "chasing balloons all over a check room."

WICHITA FALLS—M. G. Langford, with some justification, claims the title of Catfish King of Lake Wichita. Recently he hooked a 48-pound cat on a trotline. It took three men and a motorboat to land the fish, which measured over four feet long and one foot wide.

MARSHALL—Farmers shopping here soon will have all-day parking facilities furnished them by the city. K. J. Graesser, city manager, recently leased a wagon yard and had hitchposts and water troughs established.

INDIANA VOTERS POLL 2 TO 1 MAJORITY FOR RETURN LEGAL BOOZE

Indiana revoked its 17-year stand as a prohibition strong-hold Wednesday and became the tenth state to vote for repeal of the Eighteenth Amendment.

The repeal victory in Indiana was considered especially significant. Since 1917, when the legislature outlawed liquor, Indiana has been one of the mainstays in the prohibition structure.

The vote showed a majority of approximately two to one for repeal.

Under The Dome At Austin

By Gordon K. Shearer
United Press Staff Correspondent
AUSTIN, Texas, (UP)—Like an echo of the feudal days was the plea made to Gov. Miriam A. Ferguson to veto the bill increasing the cost of hunting and fishing licenses.

Sen. E. J. Blackert of Victoria and others made the plea to have the bill vetoed.

"The right to hunt and fish are ancient privileges that have been fought for by the under privileged people for time immemorial," said Senator Blackert. "Refusal of the privilege led to poaching which was heavily punished by the lord of the manor in those days."

"In these disastrous times many people hunt and fish to provide their families with the necessities of life. Many people who cannot afford to go elsewhere take their families to the Gulf Coast where they can fish and enjoy the abundance nature has provided. Only a sardonic humor could tax in such a way as to prevent the people foraging for food. Free fish form a providential food while many of our people are hungry and destitute."

Many members of the 43d legislature went home prepared to enter new political campaigns or sound out public sentiment on coming races.

It is too soon now for formal announcements but Lieut. Gov. Edgar Witt of Waco can be definitely counted in the list of candidates for governor. It is not beyond possibility that Gov. Miriam A. Ferguson will seek a third term. Speaker Coke Stevenson may be in either the race for governor or for congressman from the 21st district. Sen. Walter Woodul of Houston, Sen. Joe Moore of Greenville, and Rep. R. M. Johnson of Palestine are almost sure to be out for lieutenant governor. Former Sen. B. F. Berkeley of Alpine may also run for lieutenant governor.

Sen. Walter Woodward of Coleman may be in the race for governor or he may run for attorney general. He is also in the new congressional district with Speaker Coke Stevenson but says, "I like state races."

Sens. Julian Greer of Elkhart and Nat Patton of Crockett are both already announced candidates for congress to succeed the late Clay Stone Briggs of Galveston.

An interesting compilation has been made from the appropriation for the state colleges showing what it cost the state per student for each one.

According to this the cost at Texas A. & M. college is 300 which is the highest. The higher cost there is explained as being due to the technical nature of many of its courses.

The College of Mines at El Paso has the lowest cost per student. Its record is \$159. Cost at North Texas State Teachers College, Denton, and East Texas Teachers College, Commerce, is \$160 per capita; at Texas Tech, Lubbock, \$172; at John Tarleton, Stephenville, \$175; at Prairie View Normal, the Kingsville College of Arts and Industries, and the Teachers' colleges at Huntsville, San Marcos, Canyon and Nacogdoches the cost is \$180; at Arlington Agricultural college, \$181; at C.I.A., Denison, \$225, and at Sul Ross Teachers College, Alpine, \$280. The University of Texas claims its per capita is but \$161.

Subscribe to The Record.

COL-TEX AND ACKERLY BASEBALL TEAMS PLAY FOR LEADERSHIP SUN.

The Col-Tex baseball team which defeated Big Spring here Sunday by a score of 9-6 will play the Ackerly team at Ackerly Sunday. Both teams are members of the Tri-County League.

The Col-Tex and Ackerly teams are at the present time tied for the first position in the league and the game Sunday will determine just which team will gain the undisputed leadership of the league.

CLEBURNE—His Honor, Mayor J. S. Hoffman, who likes to deal in round numbers whenever possible, has figured that it is worth \$10 of anybody's money to get drunk. So that is the fine he assesses in city court when people are charged with being intoxicated. A negro recently said he figured it was worth only \$9 to get on a "binge," but the mayor's round numbers rule held and the fine was \$10.

Episcopal Church
Holy communion and sermon at 11 a. m. Church school 9:45 a. m. Y.P.S.L. will meet at the rectory Sunday evening at six o'clock sharp. Visitors and members welcome.
ALEX. E. HANSON,
Minister-in-charge.

FIRST BAPTIST CHURCH
We are engaged this week in a meeting with the church at Baird. It was our privilege to be pastor of this church several years ago, and we are greatly enjoying the fellowship of many old friends. Fine crowds are attending the services and there seems to be a very bright

prospect for a real revival.
Next Sunday morning Rev. Joe R. Mayes, pastor of the Baird church, will fill our pulpit here. Brother Mayes has been pastor here since we left in 1926, and is held in high esteem by the church and community. We hope that he will have a good hearing in Colorado.
We earnestly request that you join us in prayer for the success of this revival, and for our own work there. We are looking forward to our own meeting which is to be early in August.
DICK O'BRIEN, Pastor.

First Christian Church
Bible school 9:45. Preaching 11 a. m. and 8:15 p. m. Prayer meeting Wednesday 8:00 p. m.
Next Sunday morning the subject will be: "Life's Highest Calling." The guest speaker will be Charles L.

Klingman, substituting for his father.
In the evening, the 1921 Study club will have charge of the services. The theme is "The Dramatization of the Ministry of Music," in which the journey from the cradle to the grave is impressively outlined with music. There will be no admission fee, and no collection will be taken. It is a labor of love. Come and give your soul a treat.
C. C. KLINGMAN, Pastor.

**DR. KLINGMAN IN PRAISE
OF BAPTIST MINISTER ON
FIRST YEAR IN COLORADO**Rev. O'Brien Concludes His
First Year As Pastor Of
First Baptist Church

Dr. C. C. Klingman, pastor of First Christian church, Saturday addressed the following communication to Rev. Dick O'Brien, pastor of First Baptist church.
Since my purse is too flat to buy flowers, as a symbol of my deep appreciation of your first year's work here, I'm sending you this note, as a substitute for flowers, to assure you of my sincere congratulations, my continued good-will, and my fervent prayers.

As I see it, my friend, you are not a mere denominational preacher. You are that alright, but much more. You are a community tonic. Your exuberant good health and amazing energy; your unusual spirituality minus all narrow sectarianism; your tender love for common folks, plus your contagious sense of humor; to say nothing of your rare musical ability, and your superior pulpit eloquence, are gifts and talents seldom combined in one personality. Dedicated to God, through daily, common-sense, contacts with all sorts and types of people, as you have so wisely dedicated them, they will automatically "bear much fruit," and bring you their rich rewards in terms of supreme joy and lasting satisfaction.

I wish I could express all I feel in a beautifully worded poem, but since that is impossible, I want you to accept as a substitute the following limerick, which I am labeling:

PREACHERS

Some are only kindly pastors,
Others winsome pulpiteers.
Some are petty politicians
Others brush away the tears.

Some are cold but brilliant scholars,
Others ripen with the years.
Some consign the race to fire,
Others pity, lead, inspire.

Some know how to make the money,
Others live on meager fare.
If you've found the perfect pastor,
Kindly tell us how and where.

We seldom ever find so many of the elements of a "God Minister of Christ Jesus" harmoniously blended in a single person to the degree that you possess them. I gladly take off my hat to any man, in any denomination, who, like yourself, measures up so splendidly to all the requirements of "Our High and Holy Calling," and matches the dignity of his unique office with that full measure of self-sacrificing devotion, which the ministry constantly and increasingly demands.

So here's my hand, my heart, my love, dear co-worker in the Kingdom of God. It is coupled with the wish and prayer that each succeeding year may bring you still nearer to your own high ideal and your prayerfully coveted goal. May the joys and sorrows of your family life be so perfectly balanced and blended, by His infinite wisdom and love, that the melodies of your heart, and the music of your soul, may rise like sweet incense on the altars of

God. May your ministry of unselfish service grow in the appreciation of those whom you so well serve. As the years bring new tears may your life increasingly produce "The Fruits of the Spirit" to the glory of God. May yours be a rare and rich harvest of precious sheaves for our common Lord and Master, who is "The Great Shepherd of the Sheep and the Bishop of our Souls."
Your Brother in Christ,
C. C. KLINGMAN.

China Grove News

Miss Dorothy Swan is on a vacation with Mr. and Mrs. John Williams and family in Ruidosa, New Mexico.

The party at Jess Allins Friday night was enjoyed by a large crowd. Mr. and Mrs. Arthur Ellington and daughter Juanita are visiting the Merket's in this community. They are on their summer vacation. He is an employee of the Humble Co., and their home is at a camp near Odessa.

Mrs. Emmitt Ragsdal of Crane and her sister Mrs. Ada Webb of Ira visited Mrs. Virgle Nail, Tuesday.

Mrs. Gillis and daughter Lois visited Mrs. McCarley in Longfellow community Tuesday.

Mrs. Dick Dennis and son Bobby of Roscoe visited Mr. and Mrs. P. C. Witt Sunday. Bobby remained over to spend the week.

Mrs. Nail and son Owen visited Mr. and Mrs. Virgle Nail Thursday.

Miss Lois Allin left for Canyon Saturday where she will attend school this summer.

Mrs. Witt and Mrs. White were hostesses to a slumber party Tuesday night. Those present were Misses Lois Foy and Lareta Bell Allin, Misses Odesa and Jewel Krop, Miss Lois Gillis and Miss Vernice Hairston.

Little Margery Hammons of Buford is spending a few days with her aunt, Mrs. Sam Bullock.

Mr. and Mrs. Roe Rosson and family were visiting her parents Sunday, Mr. and Mrs. A. M. Merket. Mr. and Mrs. Jim Merket attended the graduating exercise at Snyder Friday night. Their son Stanley was one of the graduates.

Miss May Nail of Dunn spent the week-end with her brother and wife, Mr. and Mrs. Virgle Nail.

FAIRVIEW FACTS

The West Side Singing Convention met at Fairview Sunday. There was a good crowd and plenty of dinner. The convention adjourned earlier than usual on account of the death of Mrs. Millard Smith at Colorado. Several from this community attended the funeral Sunday afternoon. The next quarter convention meets at New Hope, the first Sunday in September.

Mr. and Mrs. C. G. Standifer spent Sunday evening with Mr. and Mrs. L. M. Hearne.

Mr. and Mrs. Halbert Fuller of Gayhill and Mr. and Mrs. Lawson Fuller of Pyote visited Mr. and Mrs. J. D. Fuller Saturday night.

Mr. and Mrs. Delpho Clarke of Iranan are spending this week with Mr. and Mrs. F. W. Hardee.

Miss Oms Rhodes spent the week-end with Miss Mildred Strain.

Several from here attended singing at Rogers Sunday night.

Mr. and Mrs. Amon Jackson of Vealmoor visited Mr. and Mrs. B. W. Jackson Saturday night and Sunday.

Jackson are visiting relatives at Vealmoor this week.

Mr. Dave Jackson of Vealmoor is spending the week at home.

Miss Evelyn Hendricks who attended Abilene High school this term is home for vacation.

Mr. and Mrs. T. D. Hendricks visited Mr. and Mrs. W. R. Payne Sunday.

Mrs. Taylor and the Misses Taylor of Clovis, New Mexico, have been visiting Mrs. W. C. Berry.

Mr. and Mrs. W. C. Berry and family visited relatives in Big Spring Tuesday night and attended the wedding of their niece, Miss Creath.

The Fairview P.T.A. will meet Wednesday afternoon, June 14th. All members urged to be present.

How About Some Beer Bottles?

MARSHALL, Tex., (UP)—The Harrison county sheriff's office has 2,752 empty pint 3.2 beer bottles it will sell for \$24, just what a recent raid cost in which 550 gallons of liquor was seized near the Gregg county line.

The bottles are all that remain of beer seized by officers in Harrison county since 3.2 brew became legal in Louisiana.

It was estimated the beer was worth \$402, the whiskey \$2,180. Both beer and spirits were poured down the sewer by two janitors and four jail trustees taking three and a half hours for the job.

Permian Oil Basin Schools

MIDLAND, Tex., (UP)—Despite the condition of the oil industry, a survey of the Permian Basin showed only one school in an oil producing county ended its term in debt. Oil companies it was reported, paid their taxes in cash, making school district finances in the district better than the average in other counties.

What we need is an automobile that is afraid of trains.

**Bright Woman
Lost 20 Pounds**

Feels Much Better

"June 28th, 1932, I started taking Kruschen Salts. Have lost 20 pounds from June 28th to Jan. 10. Feel better than have felt for four years. Was under doctors care for several months. He said I had gall stones and should have operation. Kruschen did all and more than I expected." Mrs. Lute Bright, Walker, Miss., (Jan. 10, 1933).

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take on half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

A jar that lasts 4 weeks costs but a trifle at any drugstore in the world but be sure and get Kruschen Salts the SAFE way to reduce wide hips, prominent and double chin and again feel the joy of living—money back is dissatisfied after the first jar.

WOMEN'S CONTRIBUTION TO THE MOTOR CAR

There is some doubt that people care to hear very much about what goes on under the hoods of their cars.

The driver knows that "driving qualities" are not accidental; they are put there. How the manufacturer creates or evolves those results may not interest him. He judges entirely by the results he gets in driving.

Well, it is not essential to talk "shop"; let us talk Results.

Smoothness. Drive the Ford V-8 and you will find that the engine runs with surpassing smoothness, due to its design and the extra precise methods of its manufacture.

Power. There it is, 75 horsepower (we could say 80) at the drive-shaft for the driver's use. With less weight to pull around, the mettle of this car—its life-like response—is rather remarkable.

Economy. Our V-8 develops more power on a gallon of gasoline than any car we have made. Mileage is partly a matter of individual driving, but under average conditions the Ford V-8 does 17 to 20 miles a gallon. Of course, car economy is not only a matter of fuel. Ford V-8 has that too, but it is also economical in the complete sense—initial cost, operation, maintenance.

Appearance. This is woman's contribution. The motor car must not only be useful, but also good-looking. View the Ford V-8 and you will not need our comment on its fine appearance.

Comfort. This also is woman's concern. In 30 years she changed the motor car from a wagon to a coach. Comfort is a quality made up of numerous ingredients. There is no comfort without a quiet, smooth-running engine. We have all the other ingredients too,—color, good taste, quality, ease, safety, roominess and convenience.

MRS. J. M. BRYMER, AGED TEXAN, CALLED IN DEATH ON WEDNESDAY, MAY 31

Funeral Services Held At First M. E. Church On Thursday Morning

Funeral rites for Mrs. J. M. Brymer, 77, were conducted Thursday morning at 10 o'clock from First Methodist church, with the pastor, Rev. L. A. Webb, assisted by Rev. Dick O'Brien of First Baptist church, and Rev. W. M. Elliott of First Presbyterian church, officiating. Burial was in the Odd Fellows cemetery.

Mrs. Brymer died Wednesday night, May 31 at 11:50 o'clock at the home of her daughter, Mrs. J. K. P. McCloud on Chestnut street. Other surviving relatives are her husband and one daughter, Mrs. G. W. Clanton, all of Colorado.

A native of Arkansas, Mrs. Brymer came to Texas several years ago. She had lived in Mitchell county thirteen years.

She was married to Thos. M. Harkey near Hot Springs, Arkansas, in 1885, and soon thereafter Mr. and Mrs. Harkey moved to Texas, establishing a home in Red River county. Thos. M. Harkey died on February 22, 1888. One son, Sidney D., born to Mr. and Mrs. Harkey in 1886, died at the age of nine months. She was married to J. M. Brymer in Red River county, December 22, 1891.

Mrs. Brymer often recalled interesting reminiscences of the Civil War. Among these was the story of her father, a soldier of the Southern Army who was taken prisoner by the Yankees and died in a Northern prison camp.

Mrs. Brymer, in addition to rearing her own children, assumed the role of mother to three half-sisters, five nieces and two orphaned children, the latter not related to her.

Pall bearers were J. C. Pritchett, Burt Smith, B. M. Moore, Les Terry, Chas. Seale and J. A. Sadler.

Kiker & Son were in charge of funeral arrangements.

COLLECTOR OF COTTON STATISTICS JOB OPEN

Examinations for the appointment as collector of cotton statistics in Mitchell county are to be held shortly. Detailed information may be obtained upon application at the local postoffice.

Mrs. B. L. Templeton and little daughter are in Alpine where Mrs. Templeton is attending Summer school at Sul Ross. She will read The Record while in Alpine.

Printing of the better class at this office.

Some men are known by their deeds, others by their mortgages.

Keeping Apace With Women's Club Work In Mitchell County

Canning demonstrations given to girls at their regular club meeting have been well attended. Thursday at Loraine at Lella June Harrell's food preservation demonstrator for her club, there were twelve present to get the review and lesson canning. To bring out the principles used in both methods of canning, the hot water bath and the pressure cooker, two types of products were canned—the acid represented by the tomatoes and apricots and the non-acid type represented by the beets canned in the tin. From Mrs. Harrell's irrigated garden for lunch that day were served English peas, lettuce, onions and dewberries. Not only that fact was significant but from her 4-H pantry shelves came cans of corn, baby lima beans and lovely sausage. Mrs. Harrell canned 43 No. 2 cans of spinach.

Friday at the home of LaVoyce Lowry in the Hyman community the girls had a similar demonstration and tomatoes, carrots and beans were studied. The girls brought their sandwiches and with a big supply of fruit punch they ended the demonstration to meet again to work on their program for the fall to be held in Colorado in July.

In the afternoon the Women's club met at the home of Mrs. Bob Jones for their regular meeting. They were given special instruction on canning equipment and were shown the use of them by the agent. Mrs. Jones has been very lucky with her incubator hatched turkeys. They are now out of the danger stage and are doing well. She is fortunate to have a good grass range and some open fields for them to range on. Her main problem is to plant some quick growing plants for summer shade or to build some type of artificial shade. Castor beans have been suggested as a plant, while gunny sacks can be tacked to a plank frame that could be built out of scrap material about the place.

The County Home Demonstration Council met in the office with the Home Demonstration Agent Saturday in regular session. Only 5 women were present at this business meeting of the clubs but regular business was transacted. July programs were given out and explained. Miss Gunter urged the clubs to elect their delegates and alternates to the short course at A. & M. College July 24-29. Ways and means were suggested for making the required amount for sending the women. Club libraries in the form of bulletins and printed matter were handed to the clubs to be used in working up their programs and to use for reference if any of the women need it in their local community and can come to town to interview the agent. These are to be kept at the homes of a woman in the club that is centrally located and most acceptable to the majority of the members. Six months report blanks are to be mailed out to each club member and she is to fill them out and give to the club secretary for compilation for her report for the July Council meeting. Since the agent is stressing more use of cottage cheese in the diet, sandwiches using cottage cheese made by one of the best known farm women in the County was used with a fruit drink as refreshments. The Council adjourned to meet again July 1st.

The Bauman Girls 4-H Club will meet at the home of Modelle Lee for their canning demonstration Tuesday afternoon at 2 p. m.

The Spade Home Demonstration Club will meet Wednesday, June 14th, at the teacherage with Mrs. Perry VanZandt for their regular meeting at which a canning review and demonstration will be had. Every woman in that community is invited to attend.

Get your pressure cooker, sealers and used tin cans out and see if anything needs to be repaired or adjusted for there will be a clinic or an adjustment demonstration held in the agents office June 24th. If you need to order any parts be sure to let the agent know.

Texas Farm Income \$21,112,581 Over Figures For 1932

The Texas farm income for May is estimated at some \$24,368,316 by the agricultural department of The Dallas News, a clear gain of more than \$7,000,000 over April, which brings the grand total value of all farm and ranch products sold since Jan. 1, 1933, to approximately \$76,608,919.

The five-month period ended June 1 shows a gain of more than \$21,000,000 over the same period of 1932. May of 1933 shows a gain of more than \$11,000,000 over the same time a year ago. Farmers' buying power, due to rising prices of

wool, mohair, cattle, wheat, corn and other grains, tomatoes and other truck crops, is increasing steadily and is beginning to aid business recovery in Texas and elsewhere.

Cotton still in farmers' hands was lured to market by prices of 8c to 9c a pound and added around 9,300,000, while heavy sales of cattle and calves added more than \$6,000,000. Wool, mohair and sheep sales, all at much higher levels than for months, added another \$2,000,000.

Rising markets in wool (from 8c to 9c a pound last fall to a peak of above 27c last week) have turned the tide for the Texas ranchmen in the great sheep and goat region lying roughly within a triangle composed of San Angelo, Del Rio and Kerrville. Business is showing mark-

ed improvement in that territory and elsewhere is showing seasonal improvement.

Texas calf shipments show a gain of some 650 cars over a year ago, but cattle movement is considerably less.

For the first five months of the year Texas hog shipments almost equal total movement for 1932, 249,576. Sheep shipments and cattle movement, however, are somewhat under last season's. There also is some uncertainty as to future sales of West Texas wool and mohair, of which it is estimated 30,000,000 pounds are known as "free," meaning they were not produced with Federal financing. Much of the free wool was contracted for at around 18c to 20c a pound, but the Govern-

ment-financed wool is expected to sell at even higher prices than those obtained at the peak recently. If the latter happens it will add many more millions of dollars to the buying power of the sheep and goat ranching country of Texas.

Texas tomatoes form the lower Rio Grande Valley during May brought growers nearly \$1,000,000. Irish potatoes \$350,000 and other truck crops from South and Southwest Texas about \$500,000.

During June the last of Texas wool will be sheared, the East Texas tomato crop, estimated at 3,000 cars, will move to market; the small grain harvest in Central and North Texas will be completed, early peaches will come to market and a wide variety of fruits will move

LOU MOORE 3rd PLACE

RECOUNTING TIRES AT THE PITS JUST BEFORE THE START

Texas Farm Income \$21,112,581 Over Figures For 1932

The 21st International Sweepstakes at Indianapolis May 30, fastest and most thrilling 500 mile automobile race in world history, brought the highest honor of racing to Louis Meyer, winner in 1928 and the only one except Tommy Milton to win the great race twice. He was driving the Tydol Special.

The race set the amazing record of 104.162 miles per hour average, despite the fact that the cars carried two men and were limited to 15 gallons gasoline carriage, necessitating several stops. This average required terrific speeds on parts of the 2 1/2 mile oval—speeds that are said to go as high as 170 miles per hour.

"The fact that I had no tire trouble enabled me to set the new speed record," Louis Meyer said at the close of the race. "I want to express my appreciation for the building of tires that stand up under the terrible punishment." He was using tires built by Firestone—which were equipment chosen by all those who placed in this race, and have been on the winning cars for 14 years.

At the Speedway the "pits" where the cars are serviced are a center of activity and interest. The lower picture is a pit scene before the race showing tires being mounted on one of the five Studebakers—three of which finished in the money with the other two close behind. Firestone engineers see that the tires are properly mounted on the wheels, ready to withstand the burning speeds, the grinding curves, and the hours of relentless pounding over the brick track under the blazing sun—supreme tests of safety and endurance which have made better tires available to all motorists.

MRS. MILLARD SMITH, 27, DIES SATURDAY MORNING BABY DAUGHTER SURVIVES

Popular Colorado Woman Is Death Victim In Week After Child Born

Mrs. H. M. Smith, 27, popular Colorado matron, died at the C. L. Root hospital Friday morning at 6:15 with complications developing following birth a week before of an infant daughter, Charlotte Ann. Condition of Mrs. Smith did not become alarming until two days before her death, when she was removed to the hospital.

Funeral rites were conducted from First Methodist church Sunday afternoon at 4 o'clock with the Rev. S. B. Young of First Methodist church, Snyder; the Rev. L. A. Webb, pastor of First Methodist church, Colorado, and Dr. C. C. Klingman of First Christian church, Colorado, officiating. Burial was in I.O.O.F. cemetery.

Mrs. Smith, a daughter of Mr. and Mrs. R. U. Bean, was born and reared in Colorado. She attended school here and a few years ago was married to H. M. (Millard) Smith, local business man. In addition to the infant baby, she is survived by her husband and another daughter, Flora Marie, age 6.

Her father and mother, and three sisters, Lillian and Mary Virginia Bean of Colorado and Mrs. Morton J. Smith of Morton, Texas, also survive. All relatives mentioned above excepting the infant baby were present for the funeral services.

Among relatives and friends of Mrs. Smith here from other parts of Texas to attend the funeral services were the following:

Mmes. J. T. E. Smith and Tom Shelton and Freddie Flemings of Clyde; Mmes. Estell Clark and Emma V. Coates and Will Bean of San Angelo; Mr. and Mrs. Edgat Flemings of Quanah; Mr. and Mrs. F. L. Smith and family, and Mr. and Mrs. Lester Palmer of Egan; Mr. and Mrs. T. B. Smith and daughter of Lubbock.

Mr. and Mrs. Charlie Bean and Mr. and Mrs. Midden Dixon and daughter of Wall; Mr. and Mrs. Ralph Jones of Abilene; Mr. and Mrs. Ed Young of Big Spring; Tom McKinley of Hamilton; Mrs. S. T. McKinley, Sr., of Cleburne and Mr. and Mrs. Guy Bean, Miss Mattie Bean and Mr. and Mrs. C. A. Robertson of Veribest.

Active pall bearers were Jim Cothran of Big Spring and Ray Womack, H. H. Herrington, Chas. Moesser, I. J. Pierce, Belvin Hardcastle, Henry Vaught and Ed Blum of Colorado. Honorary pall bearers were designated to include all her friends.

Flower bearers were Mrs. Jim Cothran, Big Spring, and Mmes. Ray Womack, H. H. Herrington, Virgil Moesser, I. J. Pierce, Belvin Hardcastle and Henry Vaught of Colorado.

Funeral plans were under the direction of Kiker & Son.

Husband Sent Wife to School BOSTON—The highest ranking student at the Boston University School of Business Administration was sent to school by her husband. She is Mrs. Marjorie Lohnes, who recently was presented the key of the Phi Gamma Nu for scholastic distinction. Her husband, Captain Russell C. Lohnes, is completing his graduate work at the same college.

FUNERAL HELD

Funeral services held at the First Baptist church here Monday, June 5th, 10 a. m. for Larkin A. Crutcher were conducted by the pastor Rev. A. C. Hardin, assisted by deceased's former pastor Rev. M. F. Richardson of Abilene.

Pall bearers were: Frank Crown over, C. R. McClenny, T. R. Bennett, T. J. Piquet, J. L. Johnson, Nick Narrell. Flower bearers were: Mrs. McIntyre of Sweetwater, Mrs. Oren Coon, Mrs. Faye CoCollum and Mrs. Virgil Walker.

Word was received here Friday of his death which occurred at Albuquerque, New Mexico. A large course of friends attended paying tribute of respect at the home and the church was filled to capacity.

Following obituary was written by Rev. J. M. Sibley.

Larkin A. Crutcher was born to Mr. and Mrs. L. E. Crutcher at Floydada, Texas, on Oct. 5, 1907 and went to his heavenly home from Albuquerque, New Mexico, June 2nd, 1933 at the age of 26 years, 8 months and 28 days.

The family moved to Loraine Texas, in the year 1915. Here deceased finished high school in 1924. He attended Simmons University in the year 1925-26.

In the Summer of '26 he went to work in the oil field at Wink and continued to work there until his breakdown in the Fall of 1928.

He was married to Miss Mary Est. Wingate of Shreveport, La., Feb. 18, 1931 at Sweetwater, Texas. They moved to Albuquerque, where they made their home until the time of his death.

As a child he gave his heart to Jesus Christ in trusting surrender and united with the local Baptist church where his membership remained until the time of his death.

When Lark went to the oil field his mother knowing the wild lunking there was deeply concerned. No doubt her earnest prayers for his welfare was a shield about his life.

After his breakdown his spiritua life was deepened. His faith in the wisdom and providence of God was an inspiration to his loved ones. He spent much time in prayer, believing that God was able to raise him from the bed of affliction and yet, surrendered to the will of God if He decreed otherwise. At the time of his death he was greatly concerned in the great moral and spiritual issues before our nation.

Perhaps no one won and held more friends than he. A man of a striking personality and of unstinted honor he was loved and respected by all who knew him. He was always thoughtful of others and utterly unselfish in his life. He was pleasantly and jolly in health and cheerful in illness even down to death's door.

He leaves to mourn his passing, his wife, Mrs. Mary Esta Crutcher who unselfishly gave herself to bringing him back to health by her unselfish marriage and constant love and companionship and service.

Besides his wife he leaves his father L. E. Crutcher of Loraine, two brothers, William of Albuquerque, and Leon of Loraine, one sister, Mrs. J. M. Sibley of Perryton, Texas. Also two grandfathers, W. A. Wilkins of Abilene and I. M. Crutcher of Dallas.

ATTENDED FUNERAL

Mrs. W. J. Coon and daughter, Mrs. Lee Dorn of Colorado, attended the funeral of Mrs. M. F. Irving, held at 4th Street Baptist church in Big Spring, June 1st. Deceased and Mrs. Coon had been closely associated life long friends.

FUNERAL FRIDAY

Funeral services conducted by Rev. J. E. Harrell were held at the Loraine cemetery Friday, June 2nd, 5:30 p. m. for James Bertram Smith Jr., infant son of Mr. and Mrs. Bertram Smith of Coahoma. Born Thursday afternoon, June 1st, died Friday morning, June 2nd. Interment was made in Loraine cemetery where many friends of the bereaved parents, who formerly resided here, met in tribute on this sad occasion.

PERSONAL NOTES

Mr. and Mrs. Ewell Coles and baby returned Sunday from a vacation trip to San Antonio, Waco, Greenville and Arlington. They reported a lovely time.

Mr. and Mrs. Ewell Coles and baby went to Lubbock Tuesday morning to enter Texas Tech for the Summer term.

Miss Era Coles has returned from Lubbock where she has been attending Texas Tech.

Mr. and Mrs. W. R. Martin and children will leave Friday for Thur-

ber, where they will spend a few days visit with friends, Mr. and Mrs. M. A. Edwards, who formerly resided here. They left here for Vivian, Louisiana, to visit Mrs. Martin's mother, Mrs. F. C. Chekal who will be remembered by many here as editor of the Loraine paper several years ago. Mr. and Mrs. Chekal are continuing in the field of newspaper work at Vivian.

Mr. and Mrs. D. M. Reeder and family of Haynesville, La., spent from Monday until Wednesday of this week visiting with relatives who reside in Loraine and Colorado. Their daughter, Miss Helen Reeder, who finishes at Simmons University, will accompany them home.

Mr. and Mrs. John Hart and son of Ellis County, Texas, and Mrs. Harve Harmon and daughter, Miss Audrey of Clovis, New Mexico, visit relatives in the C. M. Thompson home here Monday night.

Mrs. Earnest Phillips and Earl Jackson, Mrs. R. E. Bennett's sister and brother from Los Angeles, California, and Mr. Bennett's brother, C. E. Bennett and wife of Granbury, Texas, are at the bedside of Mr. R. E. Bennett whose condition Wednesday was reported much worse.

Mr. and Mrs. Fred Ison are in Dallas where they went in response to a message stating the serious illness of Mrs. Ison's sister, Miss Bessie Hendrick accompanied them by going on to Terrell for an indefinite visit with her aunt who resides there.

Mr. and Mrs. E. G. Drake spent the week-end here from Midland with her parents Mr. and Mrs. S. H. Hart.

Hugh Floyd Decker left for Brownwood, Wednesday to visit his uncle, Guy Brown and family who reside there.

Dale Johnson is visiting here from Abilene at the L. B. Walker home. Miss Ruby Faye Hock has returned home from Cisco where she attended school the past winter, graduating from Cisco High school at close of present term.

A. H. Nelson, wife, and son Allen Jr., left for Austin Sunday. Miss Edith Wilkerson and Luvena Wilcox accompanied them to enter school at State University.

Mr. and Mrs. Nelson's daughter Miss Edna Pearl who attended school at San Marcos will return home with them and has accepted a position in the Ackerly school.

Rev. and Mrs. J. E. Harrell are at South Bend where the pastor is conducting a series of meetings to continue two weeks.

Mr. and Mrs. M. F. Richardson, former pastor of the local Baptist church and his wife were Loraine visitors Monday from Abilene.

Home from college: William and Earnest Griffith, B. D. Smith Jr., Texas Tech; Miss Hilda Ohlenbusch, Harold Bennett, John Tarleton; Owen Nelson, Draughon's Business College, Abilene.

Milton Templeton of Dublin home from a successful term at John Tarleton is visiting relatives at Colorado and Loraine.

Miss Pauline Harrell home from McMurry is attending League Institute held at McMurry this week.

Mrs. S. C. Harris and son Junior left this week to join Mr. Harris at Gladewater. Miss Wilma Nelson who accompanied them will visit her aunt at Terrell.

Tax assessor E. L. Latham was a Loraine business visitor Tuesday.

M. L. Martin came in from Carlsbad, New Mexico, Wednesday to move his family there where he has secured permanent employment in a tailor shop where he has been working for the past six months. They left Monday.

Elmo Black left Saturday to accompany his uncle, Earl C. Green and family of Sweetwater on a business and pleasure trip to Phoenix, Arizona and parts of California.

Mrs. Acie Phillips and daughter Louise are leaving for Brownwood Sunday to spend the Summer.

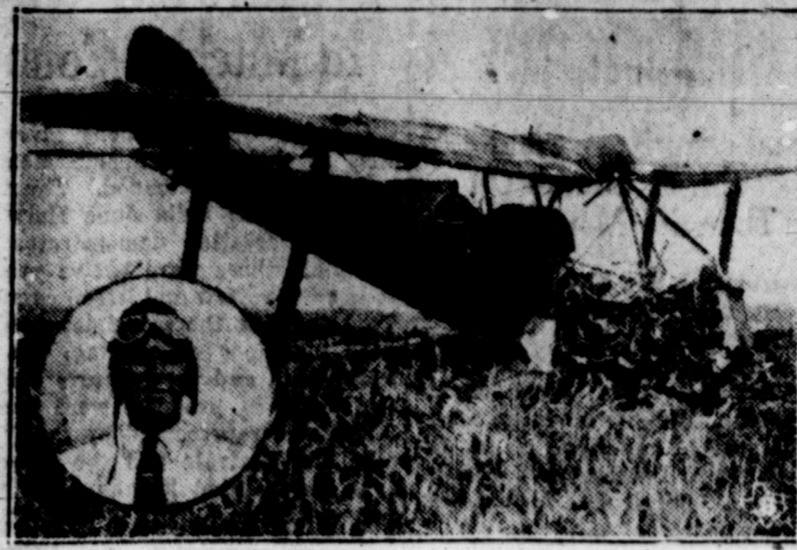

Mr. and Mrs. C. G. Reeder of Ft. Worth who formerly resided here and Mr. and Mrs. Bill Haire also of Ft. Worth spent the week-end visiting with relatives at Loraine and Colorado.

Dr. and Mrs. T. C. Martin are home from a recent visit from Hubbard Hill Co., Texas and parts of Louisiana where Mrs. Martin's people reside.

Wilma Tarleton, son of Mr. and Mrs. G. E. Tarr is recovering nicely from having his tonsils removed Monday.

Mr. N. W. Foster is home from the Root hospital where on Saturday she underwent an operation of having bones in her foot dislocated in an accident two years ago, corrected. She is doing nicely at the home of her sister, Mrs. L. W. Rhodes.

FLYER KILLED BUT STUDENT ESCAPES IN CRASH

Mrs. W. S. Erwin left on Monday to accompany her son John Erwin to his home at Teague, where she plans to remain during Summer. Mr. Erwin's niece Miss Louise Zellner, who accompanied them will visit at Mexia before returning.

Neeley Phillips and family from Chalk spent the week-end visiting his parents Mr. and Mrs. B. J. Phillips, north from town.

Mr. and Mrs. J. B. Allen of Sweetwater, were guests in the Jimmie Black home Sunday.

Rev. A. C. Hardin returned Tuesday from accompanying Mrs. Hardin and the children to the home of her parents near Cisco where they remained for a few days visit.

Mr. and Mrs. H. Richard and son Henry Jr., and daughters Misses Ida and Irma of Shiner, Texas, visited in the Mr. and Mrs. E. P. Kuck home this week-end. Mrs. Richard is a sister of E. P. Kuck and will be remembered by many as she formerly lived north of Loraine many years ago.

Mr. A. L. Wilcox returned home last week after visiting his mother and other relatives at Winsboro, Mineral Wells and other places.

Mr. and Mrs. H. Richard and family, and E. P. Kuck and wife visited

Hal Naylor (inset) manager of the municipal airport at Austin, was killed but Miss Mary B'anne Bauer, University of Texas student and student flyer, was only slightly injured when the plane in which Naylor was giving Miss Bauer instructions crashed the other day.

at Hermleigh Thursday.

Mr. and Mrs. A. F. Wilcox and daughter Miss Luvena and sons Louis and G. F. spent the evening in the E. P. Kuck home Friday.

FEDERAL BUILDING IS BEING DELAYED

BIG SPRING — Reiterating a statement, Representative R. E. Thomason, Stillman Evans, fourth assistant postmaster general, said in a letter here that construction of the Big Spring federal building would be held up pending public work legislation.

All plans for the building are completed and everything is in readiness to advertise for bids, according to Evans, a former resident of this city.

Printing of the better class at this office.

Chevrolet Factory Output Exceeds That Of Last Year By Several Thousand Cars

With a total output of 68,538 new cars and trucks in May, the Chevrolet Motor Company in the first five months of this year already has built more than 70 per cent as many units as in the full year of 1932, W. S. Knudsen, president and general manager announced today.

May production was higher than at any time since June, 1931, and was the second month this year to exceed in volume any single month of 1932, Mr. Knudsen said.

The May figure of 68,500 units compares with 50,672 in the corresponding month last year, in increase of 35 per cent, and with 59,953 in April this year, according to the Chevrolet executive.

He said that from the first of this year through May 31 his company had built 276,827 new cars and trucks, or in excess of 37,000 over the same five months last year; this despite the interrupted schedules during the March bank holiday. Production for every month this year for the domestic market exceeded the corresponding months of 1932, he said, with the widest margin of gain over last year occurring in May.

Plant operations have continued at an accelerated pace into June, Mr. Knudsen said, with prospects that the month will compare much more favorably with May than did June last year, when federal excise taxes sharply curtailed sales during the latter part of the month, an adverse effect continuing through the summer and early fall.

With no artificial barrier to sales in immediate prospect, the industry as a whole should show a comparatively small seasonal decline during the coming months, and should compare much more favorably with last year during the last half than it has so far into 1932, Mr. Knudsen observed.

SOUGHT FOR FAIR

Billy Lewis, son of Judge and Mrs. Charles Lewis of Sweetwater, a student for his first year at Texas Technological College in Lubbock, has been offered a two months trip that would take him to the Century of Progress exposition in Chicago as a representative of the school in a clever roping act, a stunt which he has become known over West Texas.

The West Texas Chamber of Commerce Band has extended the invitation to Billy to accompany the 28 members of the famous band on a tour through Louisiana, Alabama, giving performances daily en route to Chicago where they will spend a month entertaining two times a day with their West Texas program at the fair grounds.

NOTICE TO BIDDERS

The Commissioners' Court of Mitchell County, Texas, will receive competitive bids to ten o'clock p. m., on the 17th day of June, 1933, at the Court House in Colorado, Texas, on the following described road machinery: One or more Crawler Type Tractors, with approximately 35 horse power, and at said time and place said Court will proceed to let a contract if any bid be accepted. Certified check in five per cent of amount of bid required, and the Court reserves the right to reject any or all bids.

If any contract is made the Court intends to issue interest bearing time warrants for all or part payment thereof, in an amount not to exceed \$6,000.00, said warrants to bear interest at the rate of 6 per cent per annum, and the full amount of said warrants to mature at a date not later than March 15, 1938.

Signed: A. F. KING County Judge, Mitchell County, Texas.

You HAVE BEEN INVITED TO DINNER ... 300 MILES AWAY

Relax!

... you can make it easily. This trip is going to be a real joy. Every bit of scenery, each moment of the day is to be yours. No bumps, no ruts, no chug-holes, no danger signs, and no detours to mar your pleasure; just smooth, effortless driving. The Texas Highway over which you are to travel is paved with Concrete ... a part of the Travelax Route.

Relax as you drive along. No need to grip the wheel like a vise. Hold it easily, just firmly enough to guide your speeding car over the non-resisting, perfectly smooth Concrete. Let yourself fully enjoy Travelax-ation (that freedom from driving strain, that feeling of comfort, safety, security, and relaxation which comes to motorists when they drive on Concrete Highways.) You will reach your destination feeling fresh... free from the after effects of driving strain.

You will enjoy Travelax-ation when you drive on CONCRETE highways

Texas has more than 3,000 miles of Concrete Highways. These Concrete (Travelax Route) Highways afford Texas motorists and tourists their opportunities for Travelax-ation. They provide the most economical motoring routes; open during all seasons of the year. Always smooth and inviting to you and your car.

When you are planning to make a trip, be sure to find out if you can reach your destination on Concrete. In addition to smooth, easy riding, the cost of your trip can be much less on Concrete. There will be less wear and tear on your car; and, you will use less gasoline and oil.

The next trip you make that is partly on Concrete, and partly on other types of highway surfaces, check these things and see how they are true. Know the facts and you will insist on Concrete Highways.

Get your copy of the Official Map of the Texas Highway System showing the Concrete (Travelax Route) Highways. Use it to plan economical and enjoyable motoring trips this summer!

Mr. Wm. Simpson of Midland was in Westbrook on business Monday.

Vernon Hazelwood of Kilgore spent Sunday here.

Marcus Woodall left Monday for San Antonio to spend the summer with his grandparents.

V. J. Holder left Monday for Gordon to visit relatives.

More than 750 students Monday completed their studies at the University of Texas at Austin and were awarded degrees.

Dr. H. Y. Benedict, president of the university, delivered the commencement address in the presence of the graduates, members of the faculty and many visitors. Later, 53 who obtained law degrees were given their licenses by the Supreme Court of Texas in the State Capital.

Dr. Benedict said nearly 70,000 students had taken advantage of the opportunity offered them for acquiring an education at the university during its 50 years existence.

He said that among every 100 inhabitants of Texas there is one graduate of the university and three ex-students who did not graduate. He said each ex-student had cost the State an average of about \$400, and each graduate had cost the State \$900 or \$1,000.

He declared that obviously it is unfair to spend money that comes from all of the people upon the students if they are not to be of benefit to all the people. Graduates of state universities, scattered through the populations of their States, do influence for good all the population of their States, he asserted.

"Some black sheep among them live antisocially, their power for harm increased by the education they have gotten; some neither help nor hinder much the commonwealth; some are the little leaven that leaveneth the whole lump, and are essential to the building of a happier and nobler commonwealth," he said.

Interesting Exhibit World War Scenes Being Shown Here

Under auspices of the American Legion Departmental band, having several members in Colorado, a most interesting exhibit of World War scenes is being shown in Colorado this week. The unique show is on Elm near the East Second street intersection.

Trench mortars poke their long barrels menacingly up from crumbled stone ruins; anti-aircraft guns spit at an enemy plane circling overhead; Allied troops face enemy soldiers across a devastated No Man's Land and exchange fire. Back of the front lines wounded men are carried into Red Cross stations on stretchers, camp cooks stir soup and split wood; heavy artillery is repaired and big shells are polished up in a machine works. Night comes, darkness settles down over the battlefield and the flash of shells and flares intermittently lights up the scene of action.

The entire layout, which required three years to build, presents what war veterans declare is an authentic picture of the approach of Hill 304 in the Ypres section. Everything is built to an accurate scale.

The battlefield is mounted on a huge truck. It is completely mechanized, and the spectator sees soldiers, artillery, tanks and machine gun nests in action at the front, and the feverish activities at the rear of the battle zone. There are 563 soldiers used in the scene.

J. E. and C. M. Miller are touring the country with the unique exhibit which has been visited in many states, by more than 25,000 spectators.

70,000 Have Taken Up Study At Texas U., Benedict States

More than 750 students Monday completed their studies at the University of Texas at Austin and were awarded degrees.

Dr. H. Y. Benedict, president of the university, delivered the commencement address in the presence of the graduates, members of the faculty and many visitors. Later, 53 who obtained law degrees were given their licenses by the Supreme Court of Texas in the State Capital.

Dr. Benedict said nearly 70,000 students had taken advantage of the opportunity offered them for acquiring an education at the university during its 50 years existence.

He said that among every 100 inhabitants of Texas there is one graduate of the university and three ex-students who did not graduate. He said each ex-student had cost the State an average of about \$400, and each graduate had cost the State \$900 or \$1,000.

He declared that obviously it is unfair to spend money that comes from all of the people upon the students if they are not to be of benefit to all the people. Graduates of state universities, scattered through the populations of their States, do influence for good all the population of their States, he asserted.

"Some black sheep among them live antisocially, their power for harm increased by the education they have gotten; some neither help nor hinder much the commonwealth; some are the little leaven that leaveneth the whole lump, and are essential to the building of a happier and nobler commonwealth," he said.

BARCROFT HOTEL SHOP OPENED BY CONNELLS

The Barcroft hotel beauty shop is now under management of Mr. and Mrs. C. E. Connell, recently of Abilene. Mrs. Connell, nee Miss Wilna Wilson, has had ten years practical experience in beauty culture.

Feeding For Eggs Should Begin With Developing Pullet

"Feeding for egg production," say extension service agents of Texas A. & M. College, "must begin with the pullet. Poorly developed pullets seldom make a profit even with the best of care and feeding and scrub hens poorly managed are unprofitable regardless of the feed given them." Too often it is true that the sideline poultry producer (and most producers are in the poultry business only as a sideline) considers that his flock can be fed for egg production only during the laying period; he neglects to build up a strong, well-kept flock that has the ability to utilize the feed given it.

Probably the question most commonly asked by poultry raisers is one that can not be answered definitely: what is the best ration to be used? There is no one best ration, because there are varying conditions and many of the grains are interchanged, depending upon their availability and costs. There are, however, a number of rations which poultry demonstrators and others in Texas have found to give good results; rations that are composed almost entirely of home-grown or cheap feed stuffs but that are balanced to give sufficient protein, minerals and vitamins, the three elements needed by poultry that are most deficient in most common feed in this State.

Many of these widely used rations are known to most poultry growers.

CONNELL ROUTED FROM FISHING CAMP BY HEEL FLIES, BIBBY REPORTS

E. R. Bibby, member of a fishing party returning from vicinity of Menard, informs that they would have remained longer had it not been for the fact heel flies were attracted to Allen Connell in such number as to force them to leave. Dick Gray, A. J. Jarrett of Temple, Oklahoma, and Tom Russell were other members of the party.

"Believe it or not," Bibby stated Thursday morning, but it is a fact: heel flies found something unusually attractive in or about Connell. He raised so much noise about them pestering him that we had to break camp and return home."

DEFLATED BALLON FALLS

DALLAS, Tex., (UP)—It was "in the bag" for a Dallas home owner to collect for damage done to his trees and shrubs when a deflated balloon fell in his front yard recently.

For he held possession of the bag—and possession, as all the world knows, is nine points of the law.

When a stunt aerialist, who jumps each Sunday from the balloon in a parachute, asked for the deflated bag, the man in whose yard the bag landed demanded indemnity for his damaged shrubbery.

The police agreed with the home owner.

Read the Classified Ads.

but for the benefit of those not familiar with them, here are some recommended by E. N. Holmgren, poultry husbandman of the extension service.

Where plenty of milk is available and milk should be supplied the flock whenever practicable, as it is one of the cheapest and most valuable foods available) this is one of the best rations: Mash—100 pounds corn or milo meal, 100 pounds ground oats, 100 pounds wheat bran and 100 pounds wheat shorts, two pounds of salt; Grain—three pounds of corn or milo and one pound of wheat.

Where no milk is available, the following ration which has been used with slight modifications at the Texas National Egg Laying Contest is excellent: Mash 100 pounds corn or milo meal, 100 pounds ground oats, 100 pounds wheat bran and 100 pounds wheat shorts, 100 pounds meat scrap and bone scrap of 50 per cent protein; Grain—two pounds cracked corn, one pound, wheat and one pound oats. Where good heavy cats well ground can not be obtained, 100 pounds of yellow corn or milo meal may be used; also, 200 pounds finely ground wheat can be substituted for the wheat bran and shorts.

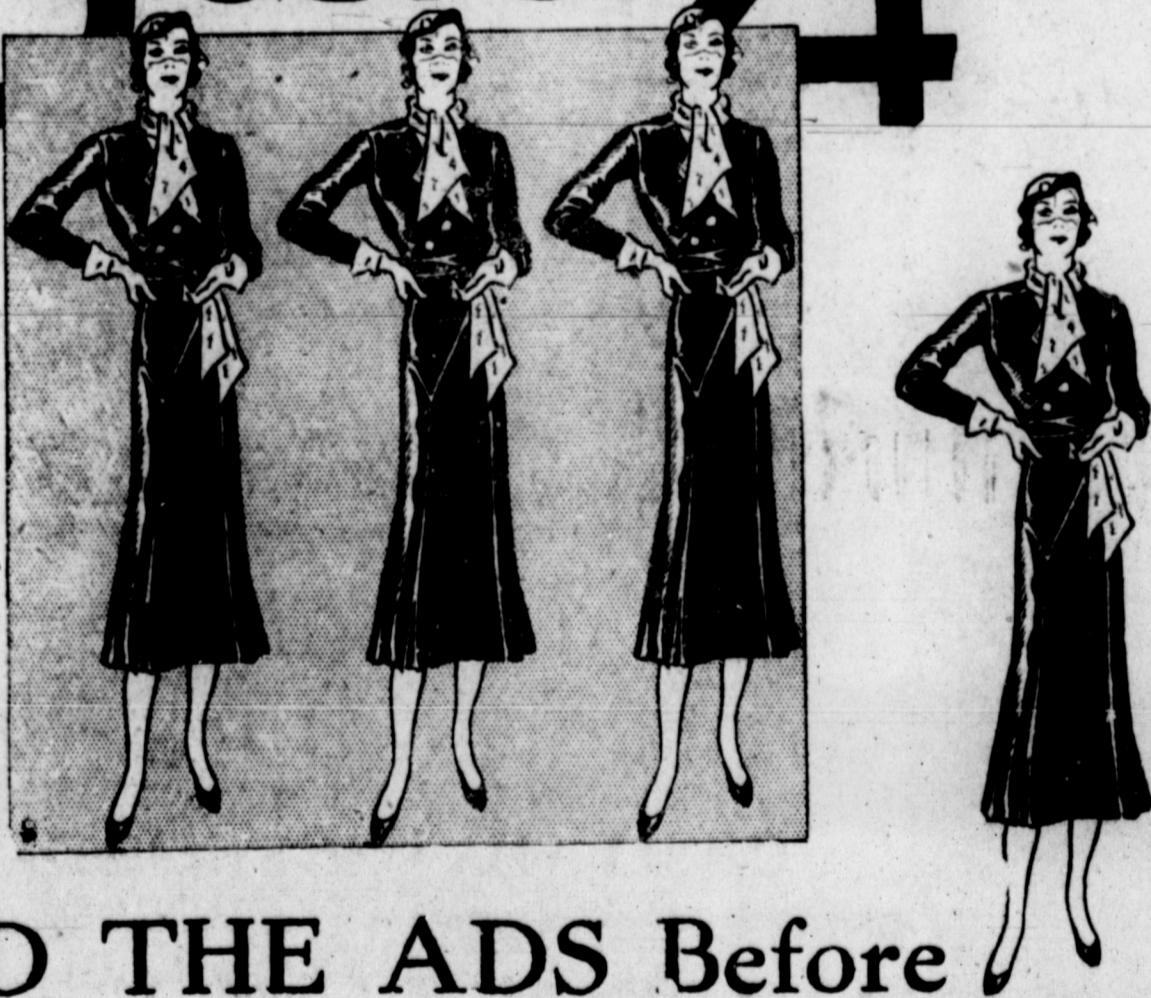

Methods of feeding are as important as the feed used. Hen eating about the average amount of feed should have about eleven pounds of mash and nine pounds of grain daily for each hundred hens. In hot weather the amount of grain should be cut slightly which will increase the mash consumption and the process should be reversed in cold weather. Regularity in feeding is more important than the time of feeding.

SEEING THINGS?

What is the world is this? Well, in case you want to know, it's June again. The Texas Press association holds its annual meeting June 8, 9 and 10 at Houston, and Texas News Photos, statewide newspaper service issued by Harper Standard Engraving Co. of Dallas is issuing another crazy magazine for the newspaper editors of Texas. This illustration is on the cover. If you think this picture is "nuts," just ask kind editor to show you the whole book after the convention!

3 OUT OF 4

READ THE ADS Before

They Buy

because they have discovered that it saves time, energy, and most important of all—money. In the realm of home management and in individual buying in general the advertisements act as a market guide a guide not only as to where to buy and what

price to pay but often as a guide as to what to buy. Many things that make life more enjoyable and comfortable are first discovered in the ads and then later repurchased through ads. Many things that save on the family budget are discovered when the homemaker has learned to find the news of what's new by watching the advertisements. THAT'S WHY THREE OUT OF FOUR READ BEFORE THEY BUY.

JUNE 16 DESIGNATED DATE FOR OPENING PARK POOL

TEXAS ELECTRIC SERVICE CANDIDATE WINS FIRST IN CONTEST TO ELECT QUEEN

Betty Lou Whipkey Leads In Voting At Revue Given Friday Evening

Friday night, June 16, has been definitely fixed as date for formal opening of Ruddick Park swimming pool, it was announced from the chamber of commerce Monday.

Little Miss Betty Lou Whipkey, second daughter of Mr. and Mrs. W. W. Whipkey, won first place in a field of twenty five candidates to receive designation as queen of the water carnival as more than 1,000 Colorado people gathered at Ruddick Park Friday evening to participate in festive program arranged by the chamber of commerce to select person for that honor and raise funds to complete the swimming pool.

Voting on candidates for the honor were recognized only upon payment of funds in buying articles of merchandise offered for sale or the purchase of the motto badge, "Colorado, Let's Swim." The latter counted for ten votes each and votes based on sales were credited at the ratio of one cent each.

Miss Whipkey was entered as representative of the Texas Electric Service Company. An amusing feature of the contest, which at times became intense, was competition between A. L. McSpadden, directing campaign for the utilities candidate, and W. W. Whipkey, father of Betty Lou. Whipkey had another daughter, Virginia Rose, entered as candidate representing the Whipkey Printing Company and once or twice he and McSpadden walked down near the bidders stand, each running up points for his candidate.

The queen is to preside over water. See TEXAS ELECTRIC Page 2

Hornberger To Be In Charge Of Lions Attending Meeting

Clarence Hornberger Friday was designated by President Joe Pond of the Lions Club to be in charge of local delegation attending group conference at Hamlin Thursday night.

Several Colorado Lions are expected to make the trip and all planning to do so are requested to get in touch with Hornberger. The Hamlin party has been arranged for the purpose of bringing Lionism in this immediate section of the State into a closer relationship. The host club has arranged an entertainment program.

WATER QUEEN

Betty Lou Whipkey (Story in Adjoining Column)

Eastland Jurist In Praise Of Ruddick Park Improvement

Judge W. P. Leslie, associate justice of the Court of Civil Appeals at Eastland, was among the large throng of visitors attending entertainment program at Ruddick Park Friday evening.

"The citizenship of Colorado and Mitchell county have something to be proud of in this unusually attractive place," the jurist remarked, as he took note of the extensive improvements recently completed at the park.

Judge Leslie requested that he be permitted to have a part in completing the swimming pool and donated \$5.00 to that fund.

Accompanied by his son, Robbie, Judge Leslie arrived Friday morning. They were here through the week-end.

COLORADO, ABILENE TO PLAY HERE WEDNESDAY

The Simms Oilers, member of the Central West Texas league, and a selected team from the four Colorado clubs are to play here Wednesday afternoon of next week at Westside park. The game will be called at 3:30.

NEWLY LAUNCHED FARMER SELLING COOP IS LAUDED BY LOCAL BOARD MEMBER

Acreege Reduction And The Pooling Of Sales Given O.K. By Buchanan

With launching this week of organization of the county units in the newly formed West Texas Cotton Growers association, R. D. Buchanan, member of the directorate from Mitchell county, issued statement giving his unqualified endorsement of cooperative bargaining by the producer.

"In connection with the recent organization of the West Texas Cotton Growers association, I agreed to serve temporarily as one of the board of directors, provided an older member of the TCCA from Mitchell county would not serve," Buchanan stated.

"As I see it one of the chief advantages of the cooperative association is the opportunity for organized farmers to consider acreage control. It is generally conceded that acreage reduction may be fairly accomplished only through government regulation, such as sought by 90 percent of farmers and farm owners of Texas two years ago.

Quarterly Meeting Held Sunday Night By Methodist Elder

Presiding elder Rev. O. P. Clark after preaching to the congregation of the First Methodist church Sunday evening held third quarterly conference at the close of his sermon.

Reports were heard from the pastor, one Sunday school superintendent, the lay leader, Golden Cross and president of the Missionary society.

Miss Elizabeth Hutchinson was confirmed as Epworth League president.

The church voted to cooperate with other churches in union Sunday evening services at the tabernacle. They also voted to have the pastor invite Bishop Boaz to hold a revival in September inviting all the churches and pastors of the town cooperate in this meeting which will be held in the tabernacle.

Bro. Clark closed the meeting by telling some of his experiences on a recent trip through the states that had recently voted in beer closing with a plea to keep Texas dry.

PRESBYTERIAN PASTOR LEAVES FOR VACATION

Rev. W. M. Elliott, pastor of First Presbyterian church, is resting in camp on the Llano river this week and as a diversion devoting a considerable portion of his time to fishing. The minister will not be here for regular preaching services Sunday, but the Sunday school and other departmental church activities will be observed as usual.

MRS. LON GEER, WIFE OF UTILITIES MANAGER, WAS VICTIM OF HEART ATTACK

Several Coloradans Attend Funeral At Sweetwater Sunday Afternoon

Funeral services for Mrs. Lon J. Geer, 52, wife of the district manager for the Texas Electric Service Company, were conducted Sunday afternoon from the family residence, 1110 Runnells street, Sweetwater, with the Rev. E. D. Dunlap, pastor of Sweetwater First Baptist church, officiating.

Mrs. Geer died at the family residence, Saturday afternoon at 4:30 o'clock. Physicians attributed a heart attack as being responsible for her passing. She never had recovered from injuries received in an automobile accident at Sweetwater about six weeks prior to her death.

Mrs. Geer received numerous deep cuts about her entire body when the motor car in which she and members of her family were driving featured in a wreck at Sweetwater. She was pinned underneath her wrecked car and removed to a hospital where some two hundred stitches were required to close the wounds.

Mr. Geer was in Colorado Friday and reported that his wife was improving slowly from effect of the hurts sustained in the accident. She was the mother of Buck Geer, as associated with the Shell Pipe Line Company's Colorado offices.

Several Colorado people were in Sweetwater Sunday afternoon to attend the funeral rites. Among them were Mr. and Mrs. E. A. Dierdorff, Mr. and Mrs. J. M. Hovis, Mr. and Mrs. J. B. LaHare, W. R. Morgan and daughter, Miss Erdine Morgan, Mr. and Mrs. Grady Sloan, Mr. and Mrs. A. L. McSpadden, Mr. and Mrs. J. A. Ferguson, R. D. Tiner, W. N. Crosthwaite, W. W. Whipkey and J. H. Greene. Judge J. C. Hall and daughter attended from Loraine.

Mrs. Geer before her marriage was Miss Adele Whitehurst, daughter of Mr. and Mrs. J. M. Whitehurst, and was born at Murfreesboro, Tenn. When she was 10 years old she moved with her parents, to Sherman, Tex., where she married Lon J. Geer on Dec. 24, 1895.

They spent the first five years of their married life at Sherman and then moved to Gainesville, where they remained 20 years before coming to Sweetwater 13 years ago.

Mrs. Geer is district manager for the Texas Electric Service Company.

She is survived by her husband, eight sons, Joe Geer of Sweetwater, Jim Bob Geer of Sweetwater, Jerry Geer of Sweetwater, Jack Geer of Sweetwater, Charles Geer of Sweetwater, Dewey Geer of Sweetwater, John Geer of Sweetwater, and Buck Geer, of Colorado; two daughters, Mrs. Hoyt Rogers and Mrs. Marie Roberts; and four brothers, Jack

Boy Scout Quota Of \$300 Accepted Here Drive Opens June 13

Mitchell county executives of the Boy Scouts of America have accepted annual quota of \$300 and have set Tuesday, June 13, as date for opening campaign to raise the money. Rev. Dick O'Brien of Colorado will be in charge of the annual finance drive and Jim Greene of the chamber of commerce will be receiving treasurer.

Plans for launching the drive were completed here Monday in conference between local Scout officials and A. C. Williamson of Sweetwater, executive secretary for the Buffalo Trails Council.

COLORADO MINISTER IN BAIRD REVIVAL MEETING

BAIRD.—The Rev. P. D. O'Brien, pastor of First Baptist church, Colorado, arrived here Monday morning to conduct revival meeting at the Baptist church. The services are being held twice daily. It has not been announced how long the revival is to continue.

The Question Of Prohibition Was Being Debated 21 Years Ago The Same As Now

The Eighteenth Amendment and 2.2 percent beer were unheard of twenty one years ago, but nevertheless, the people of Texas were involved in political dispute over the liquor question. A county wide mass meeting, with Mrs. Nannie Curtis, president of the W.C.T.U., was scheduled to deliver a series of addresses in Colorado on June 13 and 14, in opposition to the liquor traffic, so The Record for Friday, June 7, 1912, noted.

Rev. George W. Truitt, pastor of First Baptist church, Dallas, had accepted invitation to conduct a revival meeting in Colorado. The services were to begin on July 1 at the Baptist church.

Publishers of the Sweetwater Reporter had been cited for contempt and fined \$1000 and twenty days in jail in mandate issued by the Supreme Court on the Monday before, so The Record for Friday, June 7, twenty one years ago, outlined. The charge came following editorial comment in the Sweetwater newspaper on fight to move Orient railway shops from Sweetwater to San Angelo.

F. E. Ely, employed at the Texas & Pacific station, had died suddenly Tuesday afternoon of that week. Ely, enroute from his home to work, was stricken while passing the court house. He died within a few minutes.

Poems, 'Bed Time' Stories, Letters Make Up Club Bill

Entertainment numbers of an impromptu nature went to make entertainment program at the Lions Club Friday. Included in the number were poems by George Mahon, bed time story by Dick O'Brien and exposure of personal letter charged to have been written by a club member. The program was directed by Thos. R. Smith.

Mr. Mahon gave several short but impressive poems, catering to the sentimental in selection of the numbers read. Jim Greene read letter, charged with having been written by a Colorado person to his "cousins" in Chicago, strongly urging that the writer and family be entertained in home of the relatives during visit to the World's fair. "Elmer and

Miller Damage Suit Against T-P Reset For Another Term

The John J. Miller damage suit against the Texas & Pacific railway, set for trial Monday in 32nd district court, was postponed until the next term of court, following agreement of attorneys in the case. It was rumored that the plaintiff and defendant railway company were working on compromise settlement.

Miller, who lost his wife and small son in a motor car-train collision at the Elm street crossing several months ago, is suing the railway for \$75,000 damages.

Family," was given as name of writer's signature.

Rev. Dick O'Brien told an amusing bed time story as concluding number on the program.

ANOTHER IMPORTANT WILD CAT STRIKE REPORTED IN EASTERN HOWARD SECTOR

Lee Harrison And Associates Bring In Well On The Rhotan Ranch

BIG SPRING.—Lee C. Harrison, whose strike as an independent wildcatter have marked drilling activity in West Texas for two years, had another, and the most important from Big Spring's viewpoint Monday in his No. 1 Rhotan, two miles northwest of production in the Denman-Dodge pool of eastern Howard county.

Harrison and his associates hold a nine-section block comprising the old Rhotan ranch, south and southeast of Coahoma.

Sam Goldman, who now is connected with Harrison's operations, said that the Rhotan strike was one of the most important scored in this section 4, block 30, Texas and Pacific railway company survey.

A slight show of oil was found at 2,525 feet. Pay was topped at 2,672 feet with increase in oil to 2,720 feet. Drilling was proceeding Monday from 2,750 feet.

The hole stood 1,000 feet in crude Monday morning 18 hours after getting the main pay, and after bailing had continued more than 12 hours.

Surface elevation of the well is 2,355 feet. It apparently is running higher on the structure than the producers on the Denman lease of Harrison, which is the nearest production.

Harrison and associates hold an option to buy the entire nine section in fee simple in addition to the oil and gas lease. E. T. Allen and Tom Hunter of Wichita Falls are interested in the project.

IT'S TIME TO DELIVER

During the period of sixteen years from 1910 to 1926 our Federal Government has perhaps the most important accomplishment ever recorded among men...

WHY NOT BE PROUD?

Colorado and Mitchell county have a right to pride in Raddick Park. Every citizen possessing civic pride cannot resist the compelling sense of pride that wells up his breast...

THE WISE MAN IS NEVER FANATICAL

The wise man is never fanatical nor intolerant. The believer in witchcraft is both. As a rule he that is least able to substantiate his contention by argument is most fanatical...

THE WISE MAN IS NEVER FANATICAL

This accounts for the fact that those who have undertaken to push forward the cause of truth and intellectual and spiritual development have had to suffer at the hands of those they would benefit.

THE WISE MAN IS NEVER FANATICAL

Each of us should hold his torch in contact with that of his brother (others) and light his, as did the ancient Greek runners.

THE WISE MAN IS NEVER FANATICAL

We all need light, and it does not matter whose lamp (others) furnishes it. Intolerance is stupid as well as fanatical.

THE WISE MAN IS NEVER FANATICAL

Save money by reading the advertising columns. The Record.

Columnist by Uncle Fred The Big Boss

OTHERS

A close observer and constant reader of this column has asked us to write on the subject of others and in doing so one must bear in mind others as he reads.

There was a little city, and a few men within it; and there came a great king against it, and besieged it, and built great bulwarks against it. Now there was found in it a poor wiseman, and he, by his wisdom, delivered the city...

OTHERS

Truth is constantly indignant at falsehood. Right is always enraged at wrong. There can never be a truce between right and wrong...

OTHERS

Love only needs to be applied to grow in quantity and quality. In order that we may have more of the love of both God and man, it is only necessary to use what we have.

OTHERS

Life and character are unlike things of a material nature. Life manifests power, wisdom and intelligence, beauty and form.

OTHERS

Every deed inspired by hate is destructive. It could not be otherwise since hate is the enemy of helpfulness. Hate deforms, sacrifices, shrivels, darkens and makes hideous.

OTHERS

Love causes us to know that every time we sink into the dark valley of suffering and sorrow, we climb out with some scintillating gem which we never should have possessed had we not had such experience.

OTHERS

Everyone's lamp has more or less oil in it, but it sometimes requires that the flame of suffering be applied to the wick in order that it may burn and give others light.

OTHERS

Tonight I sit in grievous thought. Reviewing what my life has wrought. Like writings that Belshazzar saw. The backward glance fill me with awe.

OTHERS

In balancing the good with bad. The trial sheet makes me feel sad. For as the good is credited. So are the bad things debited.

OTHERS

As an optimist consider the dandelion digger. No man is so ignorant but may teach us something.

OTHERS

Sudden death seems to have overtaken that scrip money idea.

RELIEVE RHEUMATISM

If you are one of those who has been trying to find relief from rheumatism through drugs, you will be interested in a natural relief that thousands have found beneficial.

No permanent freedom from rheumatism can be gained until the cause is removed. Poisons of the digestive tract must be eliminated properly before you can expect relief.

Crazy Water—literally washes away these poisons that cause all the pain and suffering. Crazy Water, favorably received for over fifty years, is now evaporated for convenience to produce Crazy Water Crystals for use in your own home.

Crazy Water Crystals is not a drug or patent medicine. It is a natural mineral water—nothing added. It will produce thorough elimination without the slightest irritation.

Crazy Water Crystals For Sale at Crosthwaite Drug Co., Colorado, Texas.
