

PENNEY'S PRE-HOLIDAY BARGAIN FESTIVAL

STARTING 9 O'CLOCK FRIDAY MORNING

STARTING 9 O'CLOCK FRIDAY MORNING

Cold weather has been so slow coming and the need for winter merchandise has been as yet so slight that we find ourselves at this time crowded for room to display our holiday and Christmas lines. To make room and to give you the benefit we are repricing those lines on which we find ourselves overstocked so as to move them in the next few days

In a great many instances you will find our prices far below old prices of six month ago.

We are giving a tremendous value party. Don't miss it! Be here early!

The only limit to what you can save is the length of time these quantities will last at these prices.

No mail or phone orders can be accepted at these prices.

These prices are to the retail trade only and we reserve the privilege of selling only to customers for use and not for resale.

ELIGIBILITY ROW IRONED OUT BY DISTRICT CHIEFTIANS

BOBCATS CERTIFIED DIST. WINNERS AFTER MUSTANG CAPTAIN FOUND ELIGIBLE

Executive Committee Session Held Here Saturday Night To Settle Protest

The San Angelo Bobcats were certified as champions in District 3, Class A conference here Saturday night after a lengthy and heated executive session of the governing committee. Meeting of the football executives was called to settle row between Sweetwater and San Angelo, occasioned when Principal C. H. Henley of the Concho city filed protest against Captain John Holbert of the Mustangs a short time before the game Thursday and then withdrew the charges of eligibility when the Bobcats won over the Pony eleven.

Holbert was found within the legal age and otherwise qualified to play conference football by the executives. The session was called and presided over by George H. Gentry, principal of Big Spring and chairman of the group.

Heated charges were hurled at the San Angelo school official as members of the committee reviewed charges advanced by him Thursday against the Mustang captain. Henley offered an apology for his action and the meeting ended with good fellowship dominating.

Had Holbert been found ineligible, Sweetwater would have been forced to forfeit its games and San Angelo and Big Spring would have been placed on a parity in the district championship contest. District pennant holder would have, under rules governing such matters, been determined by the flip of a coin.

Colorado was represented by Superintendent John E. Watson. No protest of any kind has been filed against member of the Wolf squad during the past three years.

COLORADO BUSINESS IS AHEAD, CATTLE BROKER ANNOUNCES AFTER TOUR

Business conditions in Colorado are more advanced and optimism here is more universal than one will find in the average trading center of this part of West Texas. Frank M. Smith, local livestock broker, announced Tuesday following return to the city from a tour of several towns and cities of the area.

"Colorado merchants are doing the largest volume of business and our people seem to have taken a more pronounced hold on the 'New Deal,'" Smith said. "I can see no cause for pessimism here, if we are to consider conditions prevalent in other towns in this part of the State."

PARENT JAILED AFTER SON GIVEN BOOZE, DIES

Paul Cunningham of near Hobart, Oklahoma, has been lodged in jail to face a charge of manslaughter, following death of his two-year-old son. The man is accused of having given his small son whiskey to drink and then laughed at the lad's antics. Statement filed by a physician claimed the boy died from the effects of liquor.

Tech Extension Class In English Still Open For Enrollment; Date Is Changed

Postponement of the Texas Tech Extension Class in English 231 (American Novel Course) from its regular meeting time of 3 p. m. Saturday, December 9, to the same time on Saturday, December 16, is announced by Miss Evelyn Jennings, director of the home economics department in high school. Miss Jennings is in charge of extension work in Colorado.

Several County And Precincts Offices In Prospect Of Contest

Mitchell county voters are to have a variety of candidates from which to make selections at the ballot box when the bi-annual elections arrive, should forecasts now being announced materialize. It is apparent that some of the county and precinct offices are to be contested for by a full quota of aspirants.

BELTON SUBSCRIBER IS PLEASED WITH RECORD; LIKES 'THE COLUMNIST'

Mrs. Ada Burks of Belton called at The Record office Tuesday afternoon to renew her subscription for another year. "I appreciate this newspaper to the degree that I am going to push my expiration date ahead into 1935," she remarked. Mrs. Burks is a sister of Mrs. Wes Joyce and is here visiting in the Joyce home.

HEART ATTACK IS FATAL TO HOWARD OIL WORKER

C. O. McDuffey, Howard county oil field worker, dropped dead while hunting recently in the country six miles south of Coahoma. In company with two other men McDuffey had gone out to hunt birds. He separated from the others and when he failed to show up search was made for him. The body was forwarded to Wichita Falls for burial.

STEER MENTOR VISITS COLORADO LAST FRIDAY

Obie Bristow, mentor of the Big Spring Steers, was a Colorado visitor Friday morning. The big boss in the steer corral was non-committal on contest filed the day before against Captain Holbert of the Sweetwater Mustangs. Bristow was enroute to Fort Worth.

Colorado Ministers Ass'n Formed With O'Brien President

Organization of the Colorado Ministers Association was perfected Tuesday afternoon at meeting held in office of Rev. Dick O'Brien at First Baptist church. Rev. Mr. O'Brien was elected president and Rev. Wallace Jones, pastor of First Christian church, secretary.

Another Lion Becomes 'PAPA'; CIGARS TO BE EXPECTED FRIDAY NOON

Several members of the Lions Club wondered why Doyle Williams was so overwhelmed with laughter during presentation of the entertainment program last Friday, but the secret was out Monday morning. The big director of vocational agriculture in high school has another son.

LOCAL PEOPLE WITNESS SWEETWATER AIR SHOW

Several Coloradans were in Sweetwater Sunday to witness air races and aerial stunts, staged under supervision of the American Legion. The exhibition was given at the Sweetwater municipal airport five miles west of town. Four men, then members of the group staging the show, were killed a few weeks ago when two planes crashed in mid-air over Amarillo.

BARRETT TAKEN MONDAY TO STATE INSTITUTION

W. M. "Red" Barrett, convicted in Judge A. F. King's court last week on the charge of lunacy, Monday was taken to Wichita Falls by members of the sheriff's department, where he will be an inmate of State institution for the feeble minded.

SATURDAY BEST DAY OF YEAR FOR LOCAL SHOP

A Colorado merchant who makes use of printers ink to interest the public in his store, stated late Saturday that the day had been his best for the year. "We have sold more merchandise today than during any one day within the year," he stated.

PROGRESS OF LIONS CLUB BAROMETER BETTER DAYS ARE HERE, SPEAKER SAYS

Two Key Lions, One Member Elected And Two Others Re-Instated Friday

"Progress being made by this service organization is a true barometer that better days have come to this community and that the business and professional interests of Colorado have realized a new lease on life," stated Thos. R. Smith, local attorney, as he presented a new member to the club Friday. Smith was introducing Dick Billingsley, recently elected into the service organization.

In addition to the new Lion as presented by Smith, two former active Lions were re-instated, two member designated as Key Lions, one applicant elected to membership and applications of four prospective Lions given first reading.

Those coming back into full membership were J. Riordan and Nat Thomas. They were presented by Bill Cooper, Bill Croshawite and Joe Pond, the latter a former president, were made Key Lions in an address by Rev. Alex B. Hanson.

"It is with pleasure that the Lions Club confers this distinction upon each of you and I sincerely trust that you will make use of the key now being presented to open the door into even greater experiences in Lionism," Rev. Mr. Hanson said. Hanson read personal letter from Lions, International congratulating Croshawite and Pond upon having merited the distinction.

Glenn Hatcher was elected to membership and is scheduled for presentation as an active member at the meeting today. Applications from Rev. Cal C. Wright, pastor of First Methodist church; R. V. Hyatt, local insurance broker; M. O. Harlidge, baker, and H. I. Berman, merchant, were given the first reading.

"This has been one of the greatest days the Colorado Lions Club has ever known and it is my sincere wish that we continue to push ahead as we have today," was comment of President Joe B. Mills.

Visitors introduced included Monte Owen of Abilene, a former member; E. L. Biggerstaff of Childress; J. E. Glover and H. E. Grant of Colorado. Secretary E. V. Grantland and H. E. Grantland each presented the club with a box of cigars complimentary to James Holliday Grantland, son of the former who was born Saturday, November 25.

An amusing entertainment program was staged under direction of Elbert Elliott, entertainment committee chairman. The bill consisted of a sermon, singing and dancing by a local negro cast.

Bob Hubbard, Thos. R. Smith and Allen Connell were named on entertainment program for the month of December.

Felony Prosecution Follow Violation Of State Gasoline Law

Gasoline dealers indicted in the State's first big offensive under the new tax enforcement laws are now feeling the sharp teeth of this legislation, according to statement given The Record Tuesday by George H. Sheppard of Sweetwater, State Comptroller.

Sheppard stated that 23 alleged offenders had been indicted under felony provisions of the new anti-bootleg statutes and that six of the number had been tried, convicted and either fined heavily or jailed.

"We have resorted to felony prosecution reluctantly and in very few instances, considering the amount of investigating and warning we have done over the State," Mr. Sheppard said. "We want tax money—not prisoners. But if the people insist on willfully evading this tax, we must prove to them we now have a law under which heavy penalties can be obtained and made to stick."

COLORADO QUIET DURING THANKSGIVING HOLIDAY

Colorado spent a quiet Thanksgiving. The bank, postoffice and stores, excepting the drug stores, service stations and cafes, were closed through the day. The drug stores closed at noon for remainder of the holiday. Local people in large number motored to nearby cities to witness football games, Big Spring and San Angelo receiving large quotas.

SENATOR CLINT SMALL ENTERS GOVERNOR RACE

Announcement was made at Austin Saturday that Senator Clint Small of Amarillo had entered campaign for governor in the elections next year. Small was candidate for the office of chief executive in 1930. Tom F. Hunter of Wichita Falls and C. C. McDonald of the same city are other candidates offering for the office.

CHURCH LEADER DIES IN TRAFFIC MISHAP SUNDAY

Dr. M. E. Gilmore of Fort Worth, for 25 years treasurer of the home missionary committee of the Fort Worth Presbytery, was killed Sunday afternoon when his automobile was wrecked on Highway 1-A a few miles northeast of Abilene. The minister, enroute home from a visit to Odessa, passed through Colorado about two hours before the tragedy.

 Thanksgiving is over, the holidays are over, and the turkey eaten, everybody had a good time, and ended a four day interval between Thanksgiving and Christmas should be made to count for something in way of grades.

The general average of work was her during the second six-weeks' term than during the first term, but is this third term which helps or hurts the most. Let's all work hard to try to lower the general percentage of failures so that we shall have margin with which to face the mid-term exams.

BATE MATCH AT LUBBOCK
 The first debate of the year will be held at Lubbock Friday and Saturday of this week. Mr. Croslin's team will meet the Lubbock team Friday night and town of Anton Saturday morning.

LA TERTULIA
 By Polly Bellomy
 La Tertulia met at the usual class period Monday morning, Dec. 4. President Louis Taylor presided and roll was called by Mabel Majors, with only one member being absent. This was Harvey Baker, who has been ill for two weeks and whom we have missed in class and club meetings.

Two very interesting topics were discussed by members of the club. Memphis Porter gave a discussion on the latter part of the life of Blasco Ibanez, a modern Spanish author, and one of the instigators of the rebellion against Alfonso XIII in Spain. From her discussion we learned that Blasco Ibanez was classed with Jack London and Victor Hugo. He died an exile in France, and the Spanish government would not allow his body to be buried in Spain. He wrote many interesting books. "Blood and Sand," deals with the bullfight, a very popular amusement characteristic of the Spanish.

Sam Venable gave an interesting discussion on "The Spanish Cortes Dissolved," a summary of the condition of the government in Spain. The drama, "La Primera Disputa," was read by members of the club in Spanish and English.

Miss Margaret Wade of Big Spring, and a former pupil of Miss Smith, was an appreciated visitor at La Tertulia Monday.

HOG RAISERS SPECIAL TAX NOTICE.
 Commissioner of Internal Revenue Guy T. Helvering stated today that it has been brought to the attention of the Bureau of Internal Revenue that in many instances farmers and others are slaughtering hogs and selling the products to consumers without payment of the processing tax. This is a violation of the Agricultural Adjustment Act and regulations promulgated thereunder, which provides that any person who slaughters hogs for market must file appropriate returns and pay the processing tax thereon.

The tax applies even in the case of the producer who slaughters his own hogs and sells or otherwise disposes of all or any part of the product. Heavy penalties are provided for violation of the law or evasion of the tax and any person who slaughters hogs and sells all or any part thereof should confer with the Collector of Internal Revenue, who is W. A. Thomas, Dallas, Texas, who will assist him in preparing and filing the required returns.

BOY'S BASKETBALL GAME
 The Junior and Senior boys had a game of basketball Friday afternoon at four o'clock. The Juniors were defeated 13-10.

VISITOR TO THE FIFTH GRADES
 Last week Mrs. S. H. Millwee visited the fifth grades and discussed for them the subject of history. They are planning on taking up this subject next Monday. She told them the story of Columbus, telling them that history is just like "Little Red Riding Hood" and other stories, with which they are familiar. These pupils are anxious to begin this new subject.

We are very proud of these books and all the boys and girls of Junior High pledged themselves to keep them just as well as they possibly could. We are expecting to buy about this many more books during the year.

6A THANKSGIVING PROGRAM
 Last Wednesday the 6A English class had a very interesting impromptu Thanksgiving program. It was made up of the following numbers:
 First Thanksgiving Ruth Elliott
 Song Walter Grubbs, Billie Cooper, Van Ed Watson, J. T. Williamson.
 Poem Mildred Henderson
 History of Thanksgiving Ted Hale
 Original Thanksgiving Poem Walter Grubbs
 Poem Aecene Bodine
 Original Thanksgiving Poem Bib Wright
 Story Fae Porter
 Story J. T. Williamson
 Story Mary Jo Pickett

The members of the class expect to work up a good Christmas program, with everyone in the room taking part. The poem written by Bobby Wright follows:
 To-day we give thanks:
 To-morrow we play pranks.
 Life goes on and on.
 We cannot imagine
 What a great world this is,
 Compared with the days of yore.
 We have a mighty house,
 While the Pilgrims had not a door.
 Walter Grubbs wrote one also and it is given below.

THE COWBOY'S THANKSGIVING
 I ride the range, I rope the cow,
 To fair young maiden I always bow,
 I rope little doggies,
 I pinch little froggies.
 I am a cowboy gay,
 I rope most every day.
 But when Thanksgiving comes around
 I take myself right straight to town.

WHOLE PROGRAM
 Captain Mike Dolan, the man who commanded the ship that caught the large whale that was here last week, came to the Junior High Wednesday afternoon at three o'clock and entertained us for half an hour telling us things about whales and playing things for us on the piano.

GLEE CLUB PROGRAM
 The boys and girls in the Glee Clubs of Junior High are going to present a program called "One Hour of Music" next Monday at seven-thirty. This is guaranteed to be a good program and the public is urged to attend. The music is to be vocal and instrumental.

FIFTH GRADE PUPIL ABSENT
 Nancy Price, a prominent fifth grade pupil, is absent and her classmates are missing her very much. They hope she will soon be well and back in her place.

HISTORY MUSEUM.
 Our History Museum is now located in our Junior High School library. We have received several donations for it. Clifford Greener has given a buffalo skull, which has been varnished to preserve it. He has also given other parts of the buffalo skeleton. And old land grant, signed by Sam Houston was given by Mr. Bob Scott. Van King gave an Indian bow, Lillie Mae Fuller, seven arrow points, Ruby Dell Davis, a helmet and flag kit, Cleo Beasley, a corn grinder, Helen Hudson, a chevron, and Earl Joe Lee, a cannon ball.

MR. HOLMAN ATTENDS CONVENTION
 Mr. Holman attended the State Teachers' Convention in Austin during Thanksgiving. While he was there he visited the Junior High school of the University. It is supposed to be a model school. His reports of it are very interesting. He brought back with him the name and address of a pupil in the school and some of our seventh graders are planning to write to her.

BOOKS PRESENTED
 At a special chapel program Tuesday morning Mr. Holman presented some books that he brought back with him from Austin for each of the Junior High School grades. For the fifth grades he brought "The Purple Prince." For the sixth grade he brought "Gulliver's Travels." To the seventh grade he gave a book of short stories written by Guy de Maupassant.

During the rest of the chapel period Mr. Holman reviewed and discussed the new books bought for the library.

CHAPEL
 Wednesday morning the Junior High school opened its chapel by singing the Junior High school song and a Thanksgiving song. The program presented was a play called "Thanks for Health." This was presented by the fifth grades and included the following students: Mary Frances Smith, Jack Smith, Catherine Slagel, Earnest Porter, Doris Montgomery, Harvey Cook, Robera Kirschbaum, Earl Joe Lee, Harvey Hicks, Mr. Chisholm, of Looey school, brought his pupils, who presented the same play that night, to visit the Junior High chapel. We were very glad to have these visitors. Mr. Cline conducted the chapel program.

GIRL'S BASKETBALL SUITS
 The girls have received six more basketball suits and are now ready to play a regular game. They expect to play Looey next Wednesday afternoon at four o'clock.

"Bitter Cold"
TODAY, SON SO I'LL DRIVE YOU TO SCHOOL"

Donald: "Mother, it is cold—nearly half of my class was not here yesterday." Mother: "Cold weather does interfere with school, Donald, but I'm glad you get there—thanks to our car." Donald: "But, mother, nearly all the other boys who were absent could come in cars but their folks don't even try to use them in cold weather—'cause they can't get them started." Mother: "Maybe, dear, they don't use the right gas and oil—that's practically the only difference between our car and many others. Understand, Donald, people are careless—they fail to get penetrative oil—found only in Germ Processed Motor Oil made by Conoco. Cold oil, even winter grade, unless it is right, makes it hard for the starter to revolve the motor. Conoco Oil helps motors turn over easily and then the Conoco Bronze Gasoline acts at the first spark and the motor starts at once."

MOTHER DO YOU THINK THE CAR WILL START O.K.?
 YES DEAR—IT ALWAYS DOES WE USE CONOCO BRONZE GASOLINE AND GERM PROCESSED MOTOR OIL.
 JIMMY SAYS HIS DAD HAS A TERRIBLE TIME EVERY COLD MORNING—I THINK I'LL TALK HIM ABOUT CONOCO.
 GOOD BY DEAR I'LL CALL FOR YOU

Donald: "Mother, I should think the school board would make all parents use Conoco." Mother: "They couldn't do that, Donald, but it would be a good idea if the parents themselves would find out why their cars wouldn't start and buy Conoco. And I imagine they would if they knew it would save them money also."

 Full motor protection, especially in cold motor starting, can be found only in Conoco Germ Processed (Paraffin Base) Motor Oil because of the penetrative oiliness, called "The Hidden Quart," stays up in your motor and never drains away.
 Instant Starting and Lightning Pick-up can best be obtained with Conoco Bronze Gasoline, and without sacrifice of Long Mileage, Greater Power and Anti-Knock advantages. For cold weather starting it cannot be equalled.

OLD-FASHIONED

A constant reader of this column writes to say, "I read all your writings and find some are good and some are bad but the worst I find that you are old-fashioned, behind-the-times and out-of-date."

We will admit it, because of the restless, discontented, dissatisfied uneasy, spirit of the age, that scorching Tradition in a shallow, silly pride, struggles for and seems to value only that which is new regardless of the value of the thing itself.

The new dress, regardless of beauty or fitness in the costume, the new in thought, regardless of the sagacity of thinking, the new in costumes and manner of living, the new in the home, in marriage relation, in the education and rearing of children, new philosophy, new science, new religion, new art, new music, new books, new cooking, new women, it sometimes appears that the crime of crimes, the most degrading disgrace, these days, is to be held old-fashioned, behind-the-times, out-of-date, and that everything not new is old-fashioned, everything not of the times is behind-the-times, everything not down-to-date is out-of-date.

Patriotism, love of country, is old, very old, and is also quite out-of-date. To speak or write of patriotism, seriously to consider it a factor in life, to live it, depend upon it, or appeal to it, is to be considered very strange and sadly old-fashioned. The modern, down-to-date age considers seriously not patriotism but "graft" and "price" and "boodle." These are the modern forces by which the nation is said to be governed, these are the means by which the nation strives to go ahead. To talk only of these things, to believe only in these things, to live only these things, is to be modern and down-to-date. To work from any motive but the making of money is to be queerly behind-the-times. To write a book or paint a picture or sing a song or to preach a sermon, to do anything for any reason under heaven but for cash makes you a fanatic and a fool. To believe even, that anyone does anything save for the money there is in it, stamps you simple and unsophisticated indeed. To profess such belief, save you put your tongue in your cheek, marks you peculiar.

Long, long ago, mankind put its best strength, its best thought, its best life into its works, without regard for the price, simply because it was its work. And the work so wrought in those queer old-fashioned days has most curiously endured. There is little danger that much of our modern down-to-date work will endure for the very simple reason that we do not want it to endure. The world wants something new. Down-to-date-ism does not want its work to last longer than the dollar it brings. Never fear, the world is getting something new. But, though we have grown so bravely away from those queer old-fashioned days we have not succeeded yet in growing altogether away from the works that those old-fashioned days produced. But patience, old world patience, down-to-date-ism may in time accomplish even this.

In those old, old times too, it was the fashion for men and women to mate in love. In love they planned and builded their homes. In love they brought forth children and reared them, with queer old-fashioned notions about marriage to serve the race. In those times, now so sadly old and out-of-date, men planned and labored for homes and children and women were home makers and mothers. But the world is now far from those ancient ways and out-of-date ideals. Marriage has little to do with home making these modern days. It has almost nothing to do with children. We have in our down-to-date-ism come to be a nation of childless wives and homeless husbands. We are dwellers in flats, apartments, hotels, where children would be in the way but dogs are welcome if only they be useless dogs. We live in houses that are always for sale or rent. It is our proud boast that we possess nothing that is not on the market for a price. The thought of selling a home is not painful for we do not know the

value of a home. We have for convenience to gratify our modern, down-to-date, ever changing tastes, popularized the divorce court as though a husband or wife of more than three seasons is old-fashioned and should be discarded for one of a newer pattern more in harmony with our modern ideals of marriage.

From the down-to-date, the all-the-way-down-to-date woman, I mean, one gains news and modern ideas of the service that womankind is to render to the race. Almost it is as though God did not know what he was about when he made woman. To place a home above a club, a nursery above the public platform, a fireside above politics, the prattle of children above newspaper notoriety, the love of boys and girls above the excitement of social conquests or bridge games, the work of bearing strong men and true women for the glory of the race above the near intellectual pursuits and the attainments of a shallow thinking, all this is to be sadly old-fashioned. All this is to confess such shocking taste with all humiliation.

Yes I'm old-fashioned and I hereby beg pardon of the down-to-date powers that be and most humbly pray that they will graciously forgive my boorishness. I assure you that, after all, I am not so bright-eyed that I do not realize how seriously babies would interfere in the affairs of those down-to-date women who are elevating the race. By all means let the race be elevated though it perish, childless, in the process. Very soon now, womanhood itself will be out-of-date for the world, in this age, seems to be evolving some thing new.

Really if the customs and necessities of this age of down-to-date-ism are to take the world's mothers, then it would seem that this age of down-to-date-ism should find, for the perpetuation and perfection of the race, a substitute for women. The age should evolve a better way, a more modern method, than the old-fashioned way that has been in vogue so long. For, just as surely as the laws of life are beyond our power to repeal, so surely will the operation of the laws of life not change to accommodate our newest thinking and the race, by spending its best women strength in work that cannot recognize womanhood, will bequeath to the ages to come an ever lowering standard of human life.

What I am trying to say is we have too many childless homes and poodle dogs.

In childhood the Master of Life exalts life. A baby in its mothers arms is the fullest expression of Divinity. In the birth of the babe in Bethlehem, the Giver of Life placed the seal of his highest approval upon childhood and decreed that, until the end of time, babies should be the true rulers of mankind and the lawful heirs of heaven. And it is so that the power of Mary's babe from his manger cradle throne, has been more potent on earth in the governments of men than the strength of many emperors with their armed hosts.

It is written large in nature's laws that mankind should be governed by love of children. The ruling purpose and passion of the race can be with safety, nothing less than the purpose and passion of all created things, the purpose to reproduce its kind. But mammon has usurped the throne of Life. His hosts have trampled the banners of loyal love in the dust. His forces have compelled the rightful rulers of the world to abdicate. But even gross materialism has never succeeded in altogether denying Divinity.

Poor, blind, deceived and betrayed people, to so fear a foolish and important anarchism that spends its strength in vain railings against governments while we pay highest honors and present our choicest favors to those traitors who filch our wealth of young life under pretense of loyal service. The real anarchists, are not those who loudly vociferate to the rabble on the street corners but those who, operating under the laws of our approval betray our country in its greatest need—its need of children.

KNITTING AS A NERVE CURE

It is told of Robert Louis Stevenson that one of the many things he learned to do to keep himself amused when he was restless or ill was to knit.

There are many men of a generation much older than ours who improved odd moments by working with yarn and needles. But women to be women simply must knit after their hair is gray, and it is good for them.

"My prescription madam, is that you knit two hours daily," said the physician. "Knit," exclaimed the nervous patient, "Why on earth should I knit?" The doctor replied, "Because, nothing is more soothing to the nerves, because nothing conduces to such a calm and cheerful frame of mind. I could prescribe valerian for you, but knitting will be better, it will do much more good. I believe that a month of it will cure you."

UNITY IN RELIGION

Inaugural of a community program out of which the churches are to be even more closely interwoven in the objective of building prestige and influence of religion has come to Colorado. Looking to such objective pastors of two of the larger congregations Sunday night exchanged pulpits for the regular worship service.

"We have been wasting too much ammunition on one another when we should have concentrated our attack against a common enemy," was statement by the Rev. Dick O'Brien, pastor of First Baptist church, as he preached to a large congregation in auditorium of First Methodist.

At the same time the Rev. Cal C. Wright, pastor of First Methodist church, was occupying pulpit at the Baptist church, giving strong preaching to the proposition that Christian people of this city should move closer together in the general objective of leading the lost into repentance.

The spirit is commendable. Colorado churches and the ministers serving them have ever maintained a spirit of friendliness and appreciation, the one for the other, but the congregations will be demonstrating more religious piety and wielding a stronger influence for the church through a more unified program.

The Record is pleased to note that denominational fences are being made more and more obsolete. In one of His last appeals to the disciples, Christ asked that they be one, even as He and the Father were one.

The University of Washington student body, which narrowly escaped bankruptcy proceedings a year ago, reported that the athletic revenues this year exceeded by more than \$15,000 the sums counted upon in the 1933-1934 budget.

ASSEMBLY NEWS

The student body assembled in chapel Wednesday in the usual order. A few songs were sung which were followed by a short talk on "Thanksgiving" given by Mr. Patterson. Announcements were made after which we were dismissed. We were glad to have the visitors and invite them to come back.

SPORT NEWS

Tuesday afternoon, Nov. 27, Loraine senior girls and boys basketball teams came to Westbrook to play our teams.

The girls game proved to be very interesting. At the half of the game the score was 1 and 9 in Loraine's favor. Both teams played hard but when the game was over, Loraine still ahead one point. The score was 15 to 14. This is the third time the Loraine girls have beat us and we hope it will be the last time—look out Loraine!

The boys game was also a very interesting one. When the game was over the score was tied at 22 to 22. The coaches decided to let the boys play the tie off in a five minute period. At the end of the period the score was tied at 24 to 24. The boys were given a short rest period before they engaged in a second five minute period. Both teams played hard and fast but when the whistle blew for game, the Westbrook boys were ahead two points the score being 28 to 26.

On Wednesday afternoon, Nov. 28, the Coahoma Junior boys basketball team came to Westbrook to play our

Junior boys. This game was a very interesting one. The score of the game was 12 to 11 in favor of Westbrook.

The senior basketball girls are sponsoring a bake sale Saturday, December 9. Don't fail to buy your cakes, pies, sandwiches and candy from us.

SENIOR NEWS

After the Thanksgiving holidays we seniors realize more than ever that we have a lot to be thankful for. We are glad we have the opportunity to go to school and get an education but we are also glad we are seniors.

Several of the seniors are on the honor roll this six weeks and each one hopes he may remain on it, throughout this school year.

JUNIOR NEWS

Look out folks we juniors have started practicing our play. Although the seniors think they have the tournament prize in their hands, we juniors are still working in hopes that we might take it from them—ah well who's afraid of the "Big Bad Seniors."

Sibyl Holder spent Thanksgiving in Thurber with relatives. Rue McCarty is again present at school after a sick spell.

Wilma Jean Berry spent Thanksgiving in Abilene with friends.

SOPHOMORE NEWS

Wednesday morning of last week Mr. Lauderdale took the Physiology class to Colorado to see the big whale "Colossus." We witnessed besides the whale and Egyptian mummy 3,000 years old, and the flea circus. We came back deciding that the big whale was a whale of a whale.

Mary Helen Montgomery spent Thanksgiving in her home at Big Spring.

Tom Bryan Coker, Jr., attended the football game between Texas Tech and Kansas State Aggies at Lubbock Thanksgiving day.

FOURTH AND FIFTH GRADE NEWS

The fourth and fifth grades were glad to see Wednesday afternoon come so they could enjoy the Thanksgiving holidays.

Albert Gerald Anderson spent Sunday with his aunt, Mrs. Garrett, in Loraine.

Alda Raye Rucker visited her grandparents at Thurber, Texas, during Thanksgiving holidays.

Darrell Lambert spent Thanksgiving at Roby, Texas, with grandparents.

Dollie Mae Davenport visited her uncle in Loraine Thanksgiving.

The fourth grade was glad to enroll Garland Davis from New Mexico as a new pupil Monday morning. There are twenty eight enrolled in fourth grade.

Ruby Berry is missed from the fourth grade. We hope she will soon recover from her appendicitis operation and be back in school.

Carey and Kathlyn Whitefield were absent from school Monday. They are visiting relatives in East Texas.

Calvin Boston entertained about twenty five of his friends at his ninth birthday Friday night. Games were played for several hours. Refreshments of candy, cocoa, and cake were served. Everyone reported a nice time and Calvin received many nice and useful presents.

The fourth grade has planned a picnic before Christmas.

The fifth grade has planned a picture show party Saturday.

HUMOR

Coach Lauderdale: "I tell you nobody can fool my wife."
 Barb Miller: "Then how did you get her?"

Mr. Patterson: "Do you believe in the League of Nations?"

Johnny Moore (a baseball fan): "It's alright as far as it goes, but I doubt whether all the nations would want to get into a single league. There always ought to be a few minor leagues to develop players."

Speaker: "Yes gentlemen, I've sold these pills for over twenty years and never heard a word of complaint. Now what does that prove?"

Tom B. Coker, Jr.: "That dead men tell no tales."

Announcement:

Under the Bankers' Code as adopted and approved by the President it is necessary for the banks in each district to agree upon, and adopt, a uniform schedule of Service Charges. The banks in this district in conformity with this requirement have adopted Service Charges according to the schedules that follow. We are permitted, and have in many instances, reduced the charges as suggested by the State Bankers' Association and have left out of the schedule quite a number of the charges recommended, feeling that it would be an injustice to our patrons to apply some of them. Under the rulings we were compelled to adopt schedules of our own, or the ones set out by the Bankers' Association would have automatically become effective here.

THIS SCHEDULE GOES INTO EFFECT DECEMBER 16th, 1933

1. Active Accounts

(a) Accounts with average daily balances below and including \$50.00, with 5 checks or less, a minimum monthly service charge of 50 cents; each check in addition to the 5 free checks, 3 cents. Balance of \$50.00 and under, with only one check per month, not considered active, and are exempt from 50 cent service charge.

(b) Accounts with average daily balance above \$50.00, and not over \$100.00, 1 check free for each \$10.00 balance; each check in addition to the free checks, 3 cents, with minimum charge of 50 cents for additional checks. (NOTE: Non-taxable counter receipts are counted as checks).

Exemptions. Accounts of Churches, Lodges, Municipalities, and Charitable Organizations. Debits covering amount due will be made on or after the 15th of each month.

2. Large accounts of much activity will be analyzed according to a uniform schedule suggested by the Bankers' Association and unless compensating balances are carried in these accounts, a fair charge will be made for handling them.

3. Bill of Lading, etc.

On each outgoing draft, with or without bill of lading attached, representing sale of produce, cotton and sundry products, a minimum charge of 25 cents per \$100.00 to carry it on for eight days, then additional charge to equal exchange, covering time exceeding eight days.

4. Non-depositors

On all out-of-town items cashed for non-depositors, a minimum rate of 25 cents per \$100.00. Minimum charge for handling any item, 10 cents—except that drafts or checks issued in quantities for small amounts, such as cream checks or drafts, may be handled for a minimum of 3 cents per item for amount of \$5.00 or less and 5 cents up to \$20.00 and one-fourth of 1% above that amount.

5. N. S. F. Charges

A minimum charge of 25 cents for each check drawn against a checking account and returned because of insufficient funds.

6. Overdrafts

Where one or more checks per day are paid against overdrafts, a minimum charge of 25 cents, plus interest for time O. D. is allowed to remain.

7. Past Due Notices

For each past due notice, minimum charge of 25 cents.

8. Collections—to and from outside points

Badly Crippled Wolves Fight Big Spring Steers To 12-0 In Last Game Of Year

The Wolves lost to Big Spring in final game of the district schedule Thursday afternoon at Big Spring. Due, perhaps to fact the Cantrills were badly crippled. Some of the best men Cantrill had in uniform during the season were either unable to play or so badly handicapped they could not put up the usual Wolf fighting game.

Sports writer on the Big Spring Herald has the following comment on the game:

Obie Bristow's black and gold grid warriors rattled through their final scheduled game of the '33 season here Thursday afternoon by sweep-

ing aside Jim Cantrill's red and black Colorado Wolf pack, 12 to 0, in an interesting but non-spectacular exhibition.

It was the final district game for the local team because the ten game limit has been played, however, should Big Spring win the toss with San Angelo, a bi-district game would be played with Bowie of El Paso.

None of the Bovines played out the season in a blaze of glory, and performance was good only in spots. Graves and B. Flowers put up a good battle at times. The Wolves were far from a set-up and opened the game by completing two passes for

twenty-two yards that took them to the local twenty-one yard marker before they were checked.

Were it not for numerous injuries, Cantrill's charges would doubtless have made a different record. Red Church, captain and right tackle for the Wolves and hailed as one of the best in the State, was injured and played a very irregular game. The regular Wolf quarterback, Red Morrison, quit a few days ago and two of the backfield men were playing with broken hands.

Stagner, however, proved to be the main cog in the visitor's offense. He carried the ball 33 times for 70 yards, an average of a little more than two yards to the play. But nine times he made no gain and he lost twenty yards on seven plays.

The Bovines first counted along toward the close of the initial pe-

riod after a spurt by Colorado had been stopped on the local 21-yard line. Lowry fumbled and recovered but was tossed for a 12-yard loss. Stagner tried right end only to lose three more and Priester booted to the fifty yard line. Hare pushed through for four yards and then broke loose to scamper around right end for 31-yards to Colorado's 15-yard line. A pass Hare to Cordill was no good and on the next play Neel went around right end to the one yard line. Hare lost a yard and then Cordill shoved over center from the two-yard line for the score. An attempted pass, Neel to B. Flowers for point was incomplete but Colorado was offside and the play called back. Neel failed to kick goal.

In the second period Priester tried to pass to Stagner which hit right in Cordill's arms but he failed to hold it. Shortly after Priester attempted another pass which was intercepted by Hare on the fifty yard line and carried across. Neel tried a pass for point which was incomplete.

Stagner made locals catch their breath when toward the close of the second period he leaped high in the air to spear a Big Spring pass. He came down on short side until snagged from behind near the pay stripe but Colorado called time out and drew five yards for too much of it. A pass went wild as an antelope.

From the second period until the latter part of the final stanza neither team was in a very good scoring position. Toward the close of the game Neel completed a thirty yard pass to Cordill who went to Colorado's 15 yard line. Hare picked up three more yards and Neel made good another loss to Bob Flowers who was run out of bounds on the 6-yard line. The ball went over and Colorado kicked out to their own 48-yard stripe.

The Wolves were held near the middle of the field, however, and Cordill shot a pass to Dean who went to Colorado's 35-yard line. Big Spring was shoved back and Cordill made good another pass to Bob Flowers for twenty yards to the visitor's 30-yard stripe. The game ended with Big Spring in possession of the ball on Colorado's 27-yard line.

Warren and Priester failed to do much in totting the mail for the Wolves. Warren carried the ball nine times for nine yards. Two times he made no gain and he lost 29 yards on five plays. Priester carried the ball four times for six yards. Two times he made no gain and lost one yard one one play.

Hare, Neel and Cordill all made a fair record. Neel had the best by totting the ball seven times for thirty yards, a four yard average. One time he made no gain and lost seven yards on two plays. Hare carried fifteen times for fifty-one yards, an average of about three and one-half to the play. He lost two yards on one play. Cordill also averaged about three and one-half yards by carrying the ball eighteen times for sixty yards. Five times he made no gain and lost two yards on one play.

Colorado punted seventeen times for a 33-yard average while Big Spring punted thirteen times for a 32-yard average. Big Spring passed eight times and completed five for 25 yards. Two were intercepted. Colorado completed three out of thirteen passes for 35 yards. Two were intercepted.

Big Spring made 141 yards from scrimmage to Colorado's 81. First downs were seven to four favor the Steers.

Sweetwater Honors Zack Taylor, Late Fire Chief In City

Sweetwater united to pay tribute to Zack Taylor, late fire chief, as a hero of the veteran municipal employee were held Monday afternoon at the First Methodist church. Taylor, identified with the fire department there for many years, died early Monday morning from influenza and complications.

Stores and offices and the city hall were closed during the services. Three Sweetwater pastors, Rev. Ira Townsend of First Christian; Rev. Gary Smith of First Presbyterian, and Rev. T. S. Barcus of First Methodist churches, officiated. Friends, many of them identified with fire departments in other West Texas communities, attended.

Taylor had lived in Nolan county 31 years ago. Twenty years ago he came to Sweetwater from Hyton to accept employment on the fire department. Five years ago he was made chief.

He was a man of many talents, about getting some cuttings from him to hill out until next Spring. Anyone interested in getting some cuttings should do so at once before they are thrown away. The varieties best suited for this district are listed as follows:

Month of ripening, July: Brilliant, Moore's Early, Concord, Delaware, R. W. Munson, Niagra.

August: Carman, Ellen Scott, Extra, Bailey, Beacon, Carman.

September: Fern Munson, Herbsmont.

Every farm should plant out some grape vines or cuttings this coming year or if your soil is adapted to the growing of dewberries the Austin Mays is a recommended variety for this district.

Those interested in blackberries should select the following varieties: McDonald, Haupt, Dallas and Early Harvest.

Question For Debate In Interscholastic League Contests Announced By Director

The question for debate in the Interscholastic League this year is: "Resolved, That the United States should adopt the essential features of the British system of radio control and operation."

"This question," according to Mr. Charles Brazil, who has been elected director of the debate contest in this county, "has the great advantage of existing the interest of pupils from the outset. Everybody, old and young, is a radio 'fan,' almost without exception. The debate involves a discussion of the best use to which radio may be put. It is necessary to examine the various plans different nations have adopted in seeking to make radio of just as much social service as possible. England has one plan, Germany another, France another, and so on. The pupil who studies this question will have his vision enlarged by making a world-wide survey of radio control and operation and making critical comparisons with the method used in this country. It is a vital public question.

"The Bureau of Public School Interests, Extension Division, of the University of Texas, has collected several publications, copies of which are distributed to member-schools. First comes the official Debate Handbook of more than 200 pages, next the Reference Shelf on Radio Control, a cloth bound volume of 300 or more pages, and third, the Congressional Digest issue in which the pros and cons of the question are set forth by the best authorities. "Final entry date" for the debate contest is set for February 12 and each school in this county expecting to enter debate should notify me before that time."

News of Club Girls And Women

The Hyman home demonstration club met at the home of Mrs. H. H. Vanzandt, Friday, Dec. 1 with 7 women present. The demonstration given by the agent was on steamed plum pudding. The club adjourned to meet December 15 for their last meeting of this year.

The county home demonstration council met in regular session Saturday, Dec. 2, for their last business given on three programs that each club is to make and send in for the year book, on clothing, bedroom improvement and the Farm Food Supply, and one Educational Program for February. Miss Gunter gave a talk to the women on "What are you worth" asking them to check up on themselves. Mr. Baskin, county agent gave a talk to the women on suggestions under way for crops to be planted in 1934 on the reduction acreage. He also explained the cotton plan being proposed up to date. The women were served the steamed plum pudding made at the Hyman club meeting on Friday, with hot coffee.

Through the Educational Bureau of the Spool Cotton Company, Miss Gunter will show at the club meetings this week the fashion accessories and correct finishes exhibit. This company has a children's clothes exhibit which is very interesting that may be secured for 1934 programs for the asking. This exhibit will be in the office from Dec. 4 to 15 so that if any woman that does not see it at a club meeting may see it in the office.
