LONE BANDIT GETS LITTLE LOOT AFTER 'STICKING UP' CAFE OPERATOR WITH GUN

S. E. Boyce Robbed Of \$3.50 Sunday Morning; Thief Was Stranger Here

A lone bandit entered cafe at White Way Courts Tourist camp on East Second street Sunday morning at 5:30 and robbed S. E. Boyce, operator of the place, of \$3.50 in cash, according to information filed with the police by Boyce.

In statement given The Record Boyce said he opened the cafe at 5 o'clock Sunday morning. He had made coffee and was seated at the counter when a car drove up and stopped. After a brief time the machine was driven away.

"I was still drinking my coffee when a man entered and requested a cup," Boyce said. "He was a stranger to me. He was about 30 years of age, of red complexion and wore a striped cap. The man complained of being cold and I went around to light the gas heater. As I stooped to do so he whipped out a gun and announced it was a hold-up. He took \$3.50 from my trousers pocket and backing out the front door was gone."

Boyce stated that the man watched him as he opened the cash register and put some small change into the till. This money, however, was not molested by the thief.

Bill Turner Leaves To Attend Funeral Rites For Mother

Bill Turner, associated with The Record for the past several years, left Wednesday for Beaumont to attend funeral rites for his mother, Mrs. H. A. Turner, who died at the family residence there Tuesday night. Burial was in a Beaumont cemetery following services Thursday afternoon at 4 o'clock.

Surviving are the husband and five sons in addition to the Colorado man, as follows:

Homer Turner of El Dorado, Ark., Nolan Turner of Los Angeles, Calif., Brown Turner of Nashville, Tenn., Forney Turner of Memphis, Tenn., and Henry Turner of Beaumont. One brother of El Dorado, Ark., and one sister of Ashdown, Ark., also survive.

Mrs. Turner died following an illness of two years. She was 68 years of age.

SPECIAL BENEFIT SHOW IS BILLED MONDAY AT HIGH SCHOOL BUILDING

"All a Mistake" is title of a most interesting farce-drama to be presented at high school auditorium Monday evening under auspices of Miss Jennings, director of the home economics department. The bill, in three acts, is said by critics who have witnessed rehearsal to offer entertainment of more than the ordinary merit.

The plot is built around the efforts of a young married couple to fool the husband's uncle. The latter's home is not far from a lunatic asylum and much confusion arises as to identity of the characters.

Funds received from the small admission charge will go into a fund to meet expenses of sending members of the class to annual district convention.

JOHN HOWELL HONORED BY RANGER BLUE LODGE

John T. Howell, resident agent for the Texas & Pacific railway, was in Ranger Tuesday night to attend a special meeting of the Masonic Blue Lodge. The occasion was in commemoration of the 41st anniversary of Howell's having been made a Master Mason. The local man has filled every office in the lodge during the time.

LOCAL MERCHANTS WILL COOPERATE WITH SANTA IN CHILDREN'S WISHES

Merchants of Colorado announce this week that they will lend every cooperation to Santa Claus in supplying the things hundreds of children are asking for this Yuletide season. Scores of the kiddies are letting their wants be known in open letters addressed to Santa in The Record today.

"We are happy to announce that Santa Claus has requested us to assist him in seeing that you get just the gifts desired this Christmas," statement issued by the local merchants and shop keepers stated, "and both yourself and Santa Claus will be pleased."

Unusually low prices are being quoted on holiday merchandise here. Stocks are varied and complete.

Local Club Invited Furnish Number On Group Lions Confab

The Colorado club has been requested to furnish one major entertainment feature on quarterly group conference of Lions Clubs to be held at Anson Thursday night. Several members of the club plan attending the confab.

The area conferences were inaugurated a few months ago with the initial meeting for this district held in Hamlin. Three months ago the meeting was held here.

CONDITIONS GENERALLY IMPROVED, MANAGER OF UTILITIES STATES HERE

Business outlook in this immediate part of the country continues to reflect encouragement, stated Lon Geer of Sweetwater, district manager for the Texas Electric Service Company, while visiting in Colorado Tuesday morning.

Farmers, business and professional men and the laborer are looking ahead with more confidence than for months, was his declaration. Farmers, especially, are in better shape just now than for several years, due to increased prices received for cotton and other commodities during the past several months.

SON OF RANCHER HOPES BE WELL IN FEW DAYS

Urdie Coleman Wulfjen, small son of Mr. and Mrs. U. D. Wulfjen, announced from his bed at Root hospital Tuesday morning that he expected to be completely restored to good health within the next few weeks. The child has spent much of his time in the institution since a serious illness last August. He talks of being back at the family ranch home at Seven Wells for Christmas, and personally welcome the expected arrival of Santa Claus.

SMALL GRAIN, ALFALFA CROPS IN NEED OF RAIN

Crops of winter small grain and alfalfa sown on Mitchell county farms during recent weeks are in need of rain, so farmers report. Due to light rainfall during the fall but little of these crops were put in.

February 1 Final Date For Payment Of Motor Vehicle Registrations For 1934

Owners and operators of trucks who during the present year were given a sixty day extension in which to make payment of annual registration license fees are reminded that this rule is not to obtain for 1934. All trucks, automobiles and other motor vehicles must be registered with the county tax collector on or before February 1.

Attention to this fact was directed Monday by J. B. Holt and members of the State highway patrol, after their attention was called to fact several farmers were under the im-

MUNICIPAL CONTROL SEEN FOR CEMETERIES IN MOVE TO MAINTAIN PROPERTIES

Odd Fellows And Ass'n Join In Petition Asking City Take Over Grounds

Prompted in the ambition to witness Colorado's two cemeteries become permanently a place of civic attractiveness, out of respect to the dead, The Odd Fellows Lodge and the Colorado Cemetery Association, owners of the properties, have petitioned the city to take over ownership and maintenance of the grounds.

That the city considers with favor such a move was evidenced at meeting of the council Monday night when proposal to accept offer of the two organizations passed unanimously. Final transfer of the properties, however, and acceptance by the municipality of responsibility for its care pending until such legal phases as are involved be passed upon by the city attorney.

"We have found that the lodge cannot longer finance adequate maintenance of the grounds, due to small membership and scarcity of funds in the treasury," John R. Bazz, Noble Grand and a member of the lodge board of trustees, explained. "The Odd Fellows have owned and supervised the grounds through a number of years and it is their wish that the city assume control for the sake of keeping them attractive." W. L. Doss and D. L. Buchanan are other lodge trustees.

Mrs. P. C. Coleman, president of the cemetery association, stated Wednesday morning that her organization had joined with trustees of the Odd Fellows lodge in petitioning the city to take properties of the former under control.

City Secretary J. Lee Jones stated Wednesday afternoon that the proposed transfer might or might not be consummated. All parties to the deal are favorable but there are certain conditions yet to be gone into by the city, he continued.

TWO DOLLARS IS PRICE PAID BY BIDDER AFTER 'FRAMED' AT PIE SALE

Chas. Mosser, assistant cashier of the City National bank charges that he was framed by other Coloradoans at pie auction sale at Valley View school Friday night. The local banker was compelled to bid \$2 in order to cinch purchase of a certain pie that he evidenced determination to own.

Rev. Dick O'Brien, pastor of First Baptist church, was auctioneer. Music was furnished by the Chuck Wagon Serenaders. The program, staged as a school benefit, was attended by a number of people of the Valley View section.

FASTORS IN EXCHANGE PULPITS SUNDAY NIGHT

Following up program to bring Colorado churches closer together, as announced recently by the Colorado Ministers' association, the Rev. Wallace Jones, of First Christian church, and Rev. Dick O'Brien of First Baptist church, are to exchange pulpits for the Sunday evening services.

LESSENING OF CHARITY APPEALS NOTED AS NRA PROJECTS SUPPLY JOBS

"Happy Days Are Here Again," might well be sung in unison by scores of Coloradans who for the first time in many months are receiving employment. Appeals to the local United Charities have dwindled during the past several weeks, strongly suggesting that the number of families in distress are becoming fewer.

Such a favorable situation may well be credited to initiative of the NRA, it is pointed out by civic leaders of the city. Higher prices for cotton and other farm commodities, to be followed closely by authorized public works projects has resulted in jingling coins finding their way into practically every pocket.

Young Democrats In Organization Elect Glover As President

Formal organization of the Mitchell County Young Democrats Club was perfected at meeting held Tuesday night in the county court room. J. V. Glover was elected president, Fred Rives Hutchinson vice president, and Gus Chensy secretary-treasurer.

Several young men of Colorado attended the meeting, called by Lloyd Crossin, made temporary chairman at initial conference held one week before. Another meeting is announced for Monday night, January 8, when constitution and by-laws will be drafted.

FARMERS TURN TO HOG KILLING AFTER COLDER TEMPERATURES ARRIVE

With arrival of lower temperatures scores of farmers have slaughtered meat hogs and with their families are feasting on spare ribs, backbone and sausage. Due to low price of the porkers on the market, it is accepted that most of the animals that are fat will go the way of the slaughter house.

While there are those who have killed hogs, others, apprehensive of the warm sunshine usually prevailing through much of the day, await still further advances of winter weather before making their first kill. Feed is plentiful and the animals can easily be kept in condition until later, they explain.

CITIZENS PLEASED WITH CITY'S STREET-PROJECTS

Favorable comment is to be heard on the street improvement project being carried ahead in the city by the Civil Works Administration. A total of sixteen blocks are to be newly graded and given a surfacing of clay and gravel. In addition to making the thoroughfares better for traffic, washing will be curbed to a considerable degree.

TWO CALVES REQUIRED TO BUY ONE PAIR NEW BOOTS, RANCHER SAYS

According to the way S. O. Wulfjen, Mitchell county rancher, figures, it requires the equivalent of the market price of two good yearling calves to buy a new pair of cowboy boots. Wulfjen was in town the other day wearing new foot gear and after announcing their cost remarked, "I sold two good calves the other day for just that amount."

This reminds of the Midland rancher who recently figured one would need to sell the skins from 16.6 calves or 415 pounds of hides at current quotations in order to realize enough coin to pay for an extra good pair of shoes. Cheap market values are the only factor worrying local cattlemen at this time. Livestock is entering the winter in good condition and but little, if any general feeding will be required, it is believed.

PROJECTED UNDERPASS IS FOULED AFTER T-P HOLDS OUT FOR STREET CLOSING

City Rejects Proposal That CWA Funds Be Sought To Finance Objective

The projected underpass at foot of Chestnut street to carry traffic under tracks of the Texas & Pacific was again set ahead indefinitely Monday when the city declined to endorse certain basic conditions advanced by officials of the rail corporation. Tentative plans had been made to agree upon specifications for the project and file requisition with the State Civil Works Administration for allocation of funds to finance its construction.

The city declined to enter the proposal after E. A. Pistole, division superintendent, and P. T. Duvall, division engineer, both of Big Spring, insisted that the municipality agree to the closing of crossings on Oak, Elm, Wallace and Austin streets, directing practically all traffic between North and South Colorado and over two important highways through an underpass at foot of Chestnut street.

Another underpass, to be built near the Colorado river bridge, was proposed by the rail officials for use of industrial plants in that vicinity. Traffic to the negro residence section and Seven Wells highway would have been diverted over a new street, running south of the tracks from Chestnut street underpass to intersection with the highway. Another new street, running south of the tracks from underpass to Concho street, was proposed as outlet for traffic on Sterling City highway and between North and South Colorado.

"The city is most anxious to witness the construction of an underpass in that section of the city in order to eliminate the hazards ever present in crossing the railway tracks, but the council could not consistently join with the rail corporation in the project as submitted by its representatives," Mayor Sadler said.

In discussing the matter Wednesday afternoon, City Secretary J. Lee Jones stated that the rail officials held out for location of the proposed underpass to be practically in bed of Lone Wolf Creek. Flood waters would have closed the underpass to traffic, he pointed out, making the location not acceptable by the city.

CANTATA TO BE GIVEN SUNDAY AFTERNOON AT FIRST BAPTIST CHURCH

A Christmas cantata, "On To Bethlehem," by Norman Lighthull, is to be presented at First Baptist church auditorium Sunday afternoon at 4 o'clock by members of the high school glee club under direction of Mrs. Virginia Peden-Deter.

The glee club was organized soon after opening of school in September and has been working diligently in order to make this, their first public appearance, one to be appreciated.

Included on the programme will be solos and trios given by Elverie Sorrells, Melba Slaton and Merle Frazier. The accompaniments will be played by Francis Jones.

Newt Miller Verdict Of Fifty Years In Slim Davis Slaying Affirmed At Austin

The court of criminal appeals Wednesday at Austin sustained the 50-year sentence assessed against Newt Miller of Colorado for the slaying of N. M. (Slim) Davis here on Sunday, April 10, 1932. Hearing on the appeal had been pending since last June.

Davis was shot to death on a Colorado residence street late Sunday afternoon as culmination of trouble represented as having existed between him and Miller. After the fatal shooting Davis was taken to the Root hospital where he died in a short time.

Miller was indicted for first de-

Chas. Farris Will Assume Sanitation Appointment Today

Chas. R. Farris, appointed city sanitation inspector by the city council last month, is scheduled to assume duties of that office Friday, succeeding John Curry, resigned. Mr. Curry, who has held the position since it was created, has not announced what his plans for the future may be.

As inspector for the municipal sanitary department Farris will be in close contact with dairies, markets, food and drug stores and restaurants supplying foods for consumption within the corporate limits.

NO CONTRACT AWARDED FOR GRADE, DRAINAGE ON MITCHELL HIGHWAY

Bids for grade and drainage structure construction on Highway 101 from Colorado north to the county line were opened by the State highway commission in Austin Monday. But no contract has been awarded. The Womack-Henning Construction Company of Abilene, was announced as low bidder.

County Judge A. F. King stated at noon that he had no information as to when the contract would be closed. The county has not acquired all of right-of-way between Colorado and the county line, a distance of 8.8 miles.

JIM GREENE RANKING AS COLORADO'S MOST BUSY, WITH DIVERS JOBS HELD

Jim Greene is about the busiest man in town these days, with strong probability he will be kept on the jump indefinitely. Greene admits that he is putting in "overtime" every day of the week, but is finding his added duties a pleasing diversion.

In addition to directing management of the chamber of commerce, the Mitchell County Chapter, American Red-Cross and lending attention to various civic matters in city and county, Greene, as administrator of the county Civil Works board, is directly responsible for employment to some 300 men assigned to projects in several parts of the county.

MINISTERS ASS'N WILL MEET TUESDAY MORN

Regular bi-monthly conference of the Colorado Ministers' association is to be convened Tuesday morning at offices of the president, Rev. Dick O'Brien, in First Baptist church. Rev. Wallace Jones, secretary, states that all pastors of Colorado and the county are extended cordial invitation to attend.

CONFERENCE ANNOUNCED AT FIRST M. E. CHURCH

First quarterly conference of First Methodist church is to be convened Sunday evening by Rev. C. A. Long of Sweetwater, presiding elder. Rev. Mr. Long is to deliver sermon at address at the church at 7:15 o'clock.

GIN RECEIPTS FOR COUNTY PASS 20,000-BALE TOTAL FROM CROP OF THIS YEAR

3,000 Bales Ginned During Past Three Weeks; Crop Harvest Nears End

Gin receipts at plants operating in Mitchell county had aggregated a total of 20,075 bales up to Thursday at noon, report issued from The Record office at that time noted. This was an increase of 3,740 bales over the last report of three weeks ago when 17,035 bales were reported.

Gin operators at Colorado, Lorraine, Westbrook, Buford and Hyman agreed that the season was about over. The Farmers Gin Company Plant No. 1 at Colorado has closed down for the season December 1.

Colorado gins had received slightly less than fifty percent of the county total, reporting 9,659 bales. Lorraine reported 6,612 bales, Westbrook 1,440 bales, Buford 2,104 bales and Hyman 269 bales.

Cotton was quoted on the Colorado market at from \$9.65 to \$9.90, middling basis. Seed was selling here at \$15 a ton.

The Record will not issue an additional ginning report until after the holidays.

There were 18,638 bales of cotton ginned in the county, counting round bales as half bales, prior to December 1, according to statement received Wednesday by The Record from the Department of Commerce at Washington. This figure compared with 36,517 bales ginned up to same time a year ago.

Pampa, San Angelo Battle Is Slated For Saturday Afternoon

A capacity crowd is expected to fill the 8,000 seating capacity of Texas Tech stadium in Lubbock Saturday afternoon when the San Angelo Bobcats and Pampa Harvesters battle for the West Texas high school football championship and the right to continue in the Texas inter-scholastic league football race.

Due to central location Lubbock was chosen as site for the contest. The winner will have only two more games to win in order to be declared State pennant holder. The game will be called promptly at 2 o'clock P. M.

BETTER PREPARED THAN EVER IN NEW HOME, IS CLAIM OF STORE HEAD

Marvin Moore, owner and manager of the Red and White grocery store opened a few weeks ago on Walnut street, announces that he is better equipped than ever before to meet demands of his patrons in the new location on West Second. The new store location is in the building two doors west from the City National bank.

Moore has been identified in retail grocery business in for some time. His initial 500 South Concho, is being used at the same location.

"One Sunday Afternoon"
Thursday and Friday

"One Sunday Afternoon." This story is a dramatic romance in tone; asides, particularly the prologue, epilogue and spots in the central theme, give it a comedy atmosphere.

"Torch Singer"
Sunday and Monday

"Torch Singer." Here is a different character study in which emotion and human interest predominate. It is the kind of entertainment that gets under peoples' skin and gives them a chance to enjoy a little crying. But the drama of "Torch Singer" is not without romance, comedy, excitement, and a unique story twist that endows the entire production with pleasing novelty. The musical background and specialty numbers are charming and with Claudette Colbert proving herself a much better than ordinary vocalist. Baby LeRoy has a charming role—remember him in his "Bed Time Story" appearance? It is a pleasing picture without a single disappointment.

"Trailing North"
Saturday—Dec. 16

"Trailing North." In "Trailing North," we see Bob Steele at his very best. The story abounds in rapid-fire speed and action. Thrills come fast and furious. Hazardous exploits in the enemy camp—a long-battle of shot and fist with cut-throat cattle-rustlers. It is a roaring drama of love and guns and steaming leather—a picture that offers new thrills to western fans.

CHURCH OF CHRIST
As the season of giving approaches, let us not forget the great Giver and the Gift. "Thanks be to God for His unspeakable gift," II Cor. 9:15. "For God so loved the world, that he gave his own begotten Son, that whoever believe in him should not perish, but have everlasting life," Jno. 3:16. "Beloved, if God so loved us, we ought also to love one another," I Jno. 4:11. "Let us not love in word, neither in tongue; but in deed and in truth," I Jno. 3:18. Yes there is a real Santa Claus. "The truth keeps knocking in my heart, I cannot ignore its knocking." Love is the Real Santa Claus and the human heart is the stocking. Let us show our gratitude for the Gift and be serving him next Sunday. The sermon subjects: "God's Trust In Man" for the morning hour and "The Unanswered Prayer" evening.

New Howard County Well Swabbing 25 Barrels Hourly; Others Being Drilled

Completion of Continental Oil Co.'s No. 6 Overton at 2,360 feet for 25 barrels of oil hourly, a rate of 600 barrels daily, swabbing, and drilling of more pay by Schermerhorn Oil Co.'s No. 7 Rumsey, Abrams & Fraser were principal Howard county oil developments last week. Plymouth Oil Co.'s No. 9 Rumsey, Abrams & Fraser showed the first oil and Merrick & Lamb No. 9 Chalk was spudded.

Continental No. 6 Overton had streaked pay from 2,325-40 feet and after drilling to 2,360 set and cemented 6 5/8 inch pipe at 2,325 feet to shut off upper water. The well was spudded Oct. 1. It is 2,640 feet from the north line and 1,980 feet from the east line of section 5, block 32, township 2 south, T. & P. Ry. Co. survey.

Plymouth No. 9 Rumsey had a showing of from 1,760-70 feet and a slight oil showing from 1,850-50 feet in drilling to 2,145 in grey lime. It is 2,640 feet from the north line and 1,980 feet from the west line of section 5, block 32.

Schermerhorn Oil Co. No. 7 Rumsey, deepening from 2,340 feet, had oil increases from 2,356 to 2,410 from 2,414-20, from 2,435-40 and from 2,478-88 feet with the main increase from 2,492 to 2,500 feet, the total depth. It was testing on the swab. The well's first oil showing was from 2,142-60 feet. Saturated lime was drilled from 2,250-65 and the pay was topped from 2,339-41 feet. Location is 330 feet from the south line and 1,980 feet from the east line of section 13, block 33, township 2 south, T. & P. Ry. Co. survey.

Donnelly & Norman No. 1 Bell-Magnolia in section 12, block 30, township 1 south, T. & P. Ry. Co. survey, had drilled to 2,433 feet in lime. A. J. Frazier and others' No. 1 Magnolia-Davis, in section 2, block 30, township 1 south, T. & P. Ry. Co. survey, drilled ahead below 2,045 in lime. Southern Oil Corporation No. 1 Empire-Denman, in section 10, block 30, township 1 south, T. & P. Ry. Co. survey, was shut down for orders at 480 feet in red-beds.

Merrick & Lamb No. 9 Chalk, 2,316 feet from the north and west lines of section 125, block 29, W. & N. W. Ry. Co. survey, spudded Nov. 27 and had reached 75 feet in sandy lime.

Sinclair-Prairie No. 8 Dodge, in section 11, block 30, township 1 south, T. & P. Ry. Co. survey, was making 35 barrels of oil daily as it completed cleaning out following a recent shot with 300 quarts from 2,600 to 2,816 feet. Sinclair-Prairie No. 9 Dodge, was running 6 5/8 inch casing at 2,537 feet in lime.

Joe Rush and others' No. 2 Dodge was ready to spud. It is 330 feet from the north line and 2,310 feet from the east line of section 9, block 30, township 1 south, T. & P. Ry. Co. survey, a diagonal southeast offset to Harrison No. 1 Rhotan, northwest outpost in the Dodge-Denman pool.

Roosevelt Requests Americans Not Use Liquor To Excess

Following is an excerpt from the proclamation of the President in declaring the Eighteenth Amendment dead:

"I enjoin on all citizens of the United States to co-operate with the Government in its endeavor to restore greater respect for law and order by confining purchases of alcoholic beverages solely to those dealers which have been duly licensed.

"Observance of this request, which I make personally to every individual and every family in our Nation, will result in the break-up and eventual destruction of the notoriously evil illicit liquor traffic.

"I call specific attention to the authority given to the Government to prohibit transportation of intoxicating liquors into any State in violation of the laws of such State. "I trust in the good sense of the American people that they will not of the area are expected to furnish excessive use of intoxicating liquors, to the detriment of health, morals and social integrity."

Last Friday night in order to raise funds to seal the church house and make separate class rooms. We are very proud of the success we had for we made \$105.10 thanks to our splendid auctioneer Judge King and to our musicians, Mr. Phillips and Mr. Boz Jones.

Parents Reminded That Serious Results Often Follow Non-Attention To Children

Recalling that measles and other diseases prevalent in child life are reported spreading in certain sections of this immediate part of West Texas, Dr. Melvin Crymes, county health officer, Monday issued warning to parents that every precaution should be employed in protecting the child.

"It is a great mistake to treat the cases of measles, chicken-pox, scarlet fever, or any other of the communicable diseases of child hood as though they did not mean much," said Dr. Crymes. "Treatment of that sort makes it possible for these diseases to spread and cause serious outbreaks among children, and it is a pity to see victims to any form of these diseases.

"Some of the most serious outbreaks we have had of scarlet fever, as well as of other diseases in different parts of the State, have been traced to mild cases—that is, to cases too light for the doctor to be called. In some instances the children have continued to go to school and to associate and play with other children. In others after they have been kept at home for a few days suffering from what was believed to

be just an ordinary cold, they have returned to school and have scattered these germs around among their schoolmates. Eventually a group of cases—sometimes very serious ones—have developed from the carelessly-handled mild case. The result was another epidemic that could have been prevented.

"There are several things worth remembering in connection with children's diseases. Nearly all of these diseases begin with a digestive upset or with symptoms closely resembling those of the common cold. Accordingly it is a wise thing for mothers to regard every digestive upset and every common cold with suspicion until you are sure it is not the beginning of something more serious."

Your doctor is the best judge of the seriousness of such symptoms and you will save suffering and anxiety if you put the child to bed, send for your doctor and follow his advice.

J. T. Buckner and family were visitors in Westbrook Sunday.

Mr. and Mrs. W. H. Hale Will Maintain Open House During Christmas Holidays

Apparently Mr. and Mrs. W. H. Hale believe unreservedly in Santa Claus, for their custom of keeping open house during the Christmas season has been unbroken for more than fifty years.

In such a case it is small wonder that the holiday program at the Hale mansion in East Colorado is completely mapped out several weeks in advance.

Bedecked with Christmas trees and pendant wreaths, Mr. Hale's palatial home makes an admirable setting for the traditional homecoming, and far and wide it echoes with happiness and good cheer.

The outgoing and incoming of more or less mysterious packages, the gay expectancy of youth, the serenity of age and the eagerness of childhood, each have a part to play in this domestic drama, staged in all simplicity and dominated by the hospitable atmosphere which characterizes the old South.

With everything all set and everybody from Mr. and Mrs. Hale down to the colored servants ready to go at the first jingle of the sleigh bells—the program will start off on Christmas Eve and run along throughout the week.

Many days before the advent of Yuletide, the aroma of steaming cranberries, puddings, pies and cakes warns all who chance to enter the spacious kitchen that Christmas is near. Later the squeal of slaughtered pigs and the gobble of about to be beheaded turkeys foretell a bounty of savory spare ribs, sausage, baked ham and stuffed turkey.

All through the second story of the roomy house await beds with "comfy" blankets and downy pillows to assure the guests of peaceful sleep.

Mr. Hale has lived in Mitchell county for more than a quarter of a century. His religion is to do whatever he believes to be right. No beggar was ever turned away from his door empty handed, and no worthy cause ever asked his help in vain.

But in all the wide world his home and his family are the most sacred objects of his devotion, and when prosperity gave him the means to do so, he has found great delight in beautifying his home and lavishing gifts on his wife and children.

One recent Christmas, a tree, otherwise laden with valuable trinkets and toys, bore greenbacks to the amount of seven thousand dollars.

Again in this year of grace 1933, Mr. and Mrs. Hale will celebrate Christmas much the same as they have always done.

Their seven children with their families will be present. They are: Mrs. G. C. Watson, Abilene; Mrs. J. T. Whitmore, Snyder; J. W. Hale, Littlefield; Mrs. A. J. Barry, Chickasha, Okla.; and J. C. J. E., and S. B. Hale, Colorado.

Ten grandchildren and two great grandchildren will enjoy the festivities of this Christmas season at Mr. Hale's.

Bauman News

Sunday school and church were well attended at Bauman last Sunday but we need to get more people to come out and worship with us.

Last week we lost two pupils from our school when Tharon and Juana Gene Henderson moved with their parents to the Silver community. Our loss is Silver's gain. We gained two new pupils this week when the Dickson children started to school.

Next week the Bauman P.T.A. will be entertained with a Christmas program to be presented by the school pupils.

There are several in the community on the sick list this week. We are wishing that each one will soon be well and going about their daily task.

Little Billy Joe Will's left for Abilene last Sunday where he will visit with his aunt for the next two weeks.

Mr. and Mrs. C. L. Lee visited awhile with Mr. and Mrs. Tobe Lee last Sunday afternoon.

Mr. and Mrs. Henry Foy of Loraine, and Mr. and Mrs. Otho Tankersley visited in the G. W. Foy home last Sunday afternoon.

Mr. G. O. Lee and family visited with Mr. and Mrs. Jess Lee last Sunday afternoon.

Mr. and Mrs. C. M. Black and daughter Doris were visiting relatives in Sweetwater last Sunday.

We are sorry to lose Mr. and Mrs. U. W. Forcher as members of this community. Mr. and Mrs. Forcher have moved to Loraine.

On Thursday of last the school was honored with a visit by the Loraine High School Band and a number of other citizens from Loraine. We enjoyed their visit and invite them all to come back again.

Following is the honor roll for the students at Bauman for the past six weeks:

FIRST GRADE "A" ROLL: Irene Neel, Lonella Bruce, Elvis Lee.
"B" ROLL: Latrice Bassham, Joyce Lee, Pierce Givens, W. A. Miles, Lester Bauman, Wendell Willis and Stanley Thomas.

SECOND GRADE, "A" ROLL: Eunice Compton, Cameron Brown, and D. C. Stubblefield.
"B" ROLL: Alma Ruth Collier, Aline Hudgins, Albert Givens, Weldon Carden, Douglass Brown.

THIRD GRADE, "A" ROLL: Nena Foy.
"B" ROLL: Nila Foy, Juana Gene Henderson, Betty Louise Compton.

FOURTH GRADE, "A" ROLL: Alma Lee.
"B" ROLL: Richard Thomas and Evelyn Forcher.

FIFTH GRADE, "A" ROLL: Edna Marie Forcher and Reid Thomas.
SIXTH GRADE, "A" ROLL: Helen Marie Compton, Doris Black and Winnie Lee-Neel.
"B" ROLL: Weldon Higgins.

SEVENTH GRADE, "A" ROLL: Hilton Thomas, Marie Foy and Modelle Lee.
"B" ROLL: Ruth Woods.

SPORT NEWS

Friday afternoon the Westbrook senior and boys played the Loraine teams on the court. Another very interesting game was played between the girls teams but the Westbrook girls were victorious the score being 14 to 9.

The Westbrook boys were defeated by a score of 30 to 4.

The bake sale sponsored by the senior basketball girls was put over well and we wish to thank everyone who helped us out and especially do we appreciate the consideration given us by the Red and White Store. If you failed to attend our bake sale you not only missed good things to eat but extra good coffee served to everyone buying some of our cats.

HARVEST DAY PROGRAM

The Harvest Day program of the Sweetwater District, Woman's Missionary Society, Methodist church, was well attended at Colorado Thursday.

The principal feature of the day was the inspirational address at the morning hour by Mrs. Nat G. Rollins of Abilene. Mrs. C. A. Bickley of Big Spring spoke on "Young Women's Circles," at the afternoon session.

The morning devotional was conducted by Dr. C. A. Long, presiding elder of the Sweetwater district.

Greetings from the Abilene district were brought by Mrs. Fish.

"Fruits of Harvest" was the subject discussed by Mrs. J. G. Merritt.

At noon the ladies partook of an excellent luncheon served in the basement of the church.

Mmes. Van Boston, L. E. Gressett and Mother Rowland attended

Yellowhammers Go Down In Defeat In Bi-District Fight

The Lamesa Tornados Friday afternoon swept through the fast and stubborn Rotan Yellow Hammer eleven to win the bi-district pennant. The game, played at Lamesa, resulted in a score of 32-13, and gave Lamesa right to meet Hereford this week in the regional final. Hereford won bi-district over Dumas by the score of 27-0.

Scoring went on at a furious pace throughout the game. In the first quarter Lamesa registered two touchdowns but failed to add the point on either. Taking a pass in the second period, a Rotan player galloped forty five yards to a touchdown, but the Hammers failed to convert. It was the first time the Lamesa goal line had been crossed in 21 games.

Each team scored in the third round and added point, tying the score 13-13. The deadlock was broken late in the fourth when Lamesa held the visitors and carried the ball across for two touchdowns.

Abilene Eagles Go Down Under Attack Of Pampa Grid Club

PAMPA—Abilene Eagle's record of having never been beaten in bi district elimination with a Panhandle team was shattered here before 5,500 fans at the Pampa Harvesters made their first bid for State honors with a smashing 27 to 7 victory Saturday.

The Harvesters displayed a line which held the Eagles to 7 first downs and 97 yard in line play while Pampa backs were dashing for 23 first downs and 356 yards in ground play.

Score by periods:
 Abilene 0 7 0 0—7
 Pampa 7 0 14 6—27

Popularity Of 1934 Cotton Acreage Cut Plan Reduced, Claim Of Robert Lee Man

J. C. Jordan of Robert Lee, in a communication for publication, declares that Uncle Sam may not be quite so popular in plans to reduce the 1934 cotton acreage.

Jordan declares that popularity of the curtailment program has been handicapped through alleged negligence by the government in liquidating plow-up payments and other causes. He says:

Two outstanding facts tend to reduce the probability of success of the 1934 cotton acreage reduction scheme now under consideration by the Department of Agriculture. One is the fact that farmers failed to receive their plow-up checks in August, as originally announced. The other is that a 40 per cent acreage reduction does not necessarily mean a corresponding reduction in yield.

It is obvious that if the Department of Agriculture had announced last July that no definite time would be set for mailing checks, at least 50 per cent of the farmers would have refused to go into the plow-up scheme. Department officials probably did not realize this; and it is doubtful if it was known to any extent anywhere by anybody but farmers; but to most farmers the prospect of a substantial check in August was like a dry-throated traveler, in despair for water, seeing a mirage in the desert; it was a prospect of respite from an unspeakable doom. Farmers had exhausted their resources and were in rags and hunger. With a check in sight, there was hope; there was credit at the store. Like drowning men, they were ready to grasp anything of substance. Although the checks failed to come as anticipated, the plow-up contracts brought a relaxation in business that carried farmers through to harvest time.

But faith in the punctuality of the Government to pay at the time specified will be somewhat lacking among farmers and business men next spring, owing to this year's experience. Consequently farmers will not be so enthusiastic about making acreage reduction contracts.

Then the other phase of the situation must be taken into consideration. For two reasons, a 40 per cent acreage reduction, if it could be accomplished, which is very doubtful, will not mean a 40 per cent reduction in yield. One is the fact that many farms have more than one type of soil. For instance, this year a neighbor gathered 266 pounds of lint per acre from one field, while another field on the same farm produced less than one pound per acre. Both fields were planted and worked alike, but one had deep, drought-resisting soil, while the other consisted of a thin layer of soil on a cretaceous foundation. By planting cotton in his deep, rich soil, this farmer could reduce his acreage 50 per cent and still increase his normal yield. His case illustrates what might happen on farms with a variety of soils.

It is well known that fertilizer responds more profitably in good than in poor soil, and even if the proposed reduction is realized, there will be a chance to use the same quantity of fertilizer usually bought for the acreage laid out in such a way as to produce nearly as much cotton as if the entire acreage were planted. And finally, acreage reduction gives opportunity for more intensive cultivation, which likewise tends to increase the yield, as was thoroughly demonstrated this year.

The question arises, "What can be done?" It is obvious that no cooperative move will succeed unless it is sponsored by the Government, and, until the Government adopts a better plan, we must yield to the one now proposed. But since the acreage reduction checks will not start to

farmers until next May, under the present plan, it is not too late to consider other plans; and, realizing the doom of any direct-acreage reduction plan, or, as to that, any other bureaucratic plan, and, further, realizing the doom of the cotton farmer unless the annual yield is materially curtailed, or the annual consumption is greatly augmented, I shall offer further suggestions for permanent plans.

Texas Cotton Yield Estimated At Near 1932 Production

Texas cotton farmers will harvest a crop of 4,475,000 bales from this year's acreage, according to estimate announced Saturday by the United States Department of Agriculture at Washington, copy of which was received by The Record. The estimate was based on crop reports received up to December 1.

The figure compared with a yield of 4,500,000 produced in Texas in 1932 and 5,319,000 bales in 1931.

Favorable weather conditions in this and other areas of North and West Texas have caused production to exceed earlier expectations, the report said.

Southwest's Most Hectic Grid Contest Ends With No Title And Coaches 'Fired'

The 1933 Southwest Conference football campaign has terminated. It was not a banner season. It was one that featured a brand of football far below the conference standard. Attendance was smaller. Financial returns fell below last year's averages. No team was outstanding. One coach was notified of his release before the season closed. Another resigned at the end of the season—another was let out at the end of the season. The championship race was clouded because one team played an ineligible tackle.

And at the end of the trail, conference executives voted Saturday not to award an official football championship, voted to call the erratic 1933 season a no-championship year.

When the no-championship verdict was announced, executives, coaches, sports writers and players appeared relieved. It was apparent that all were glad the season was over.

Because the University of Arkansas Razorbacks played the ineligible "Heinie" Schlueter, substitute tackle, against Baylor, Rice and Texas Christian, the conference leaders penalized the Razorbacks by declaring a no-conference championship although Arkansas finished with the highest percentage, four victories and one defeat.

The decision made the third time in conference history that no official football championship has been awarded. The other years in which no champion was recognized were 1916 and 1918.

Arkansas officials accepted the verdict with stout hearts and with their "boots" on. They were glad the conference executives did not see fit to forfeit the Razorbacks' hard earned victories.

Texas Christian and Baylor University finished in a tie for second place. Both advised the conference executives previous to the annual meeting that they would not care to

be proclaimed co-champions should Arkansas' conference games against them be forfeited. No official protest was lodged against Arkansas. Texas A. & M. voted to give the Razorbacks the championship. All others voted against the suggestion.

The past race was one of the most evenly contested in the annals of the conference but at its best it was nothing to get excited about because of erratic play. Every conference team lost at least two games on a straight through season campaign. Texas Christian boasted the best full season average with nine wins, two defeats and one tie. The Horned Frogs scored 208 points, more than any other conference member.

The Southern Methodist Mustangs closed the Southwest schedule Saturday at San Francisco by losing to St. Mary's Gaels, 18 to 6. It was the seventh defeat this year for the Mustangs, who finished only ahead of the Rice Owls in the full season standings.

At the time conference fathers voted against awarding a championship, they voted permission to the University of Arkansas to play a post season game in the Dixie classic promoted by Joe Utay for the benefit of the Texas Scottish Rite Hospital for crippled children. The faculty athletic committee at Arkansas must also vote the Razorbacks permission to play. If Arkansas is eventually available, the Centenary College Gentlemen of Shreveport probably will be the other aggregation.

About mid-season Coach Madison Bell of Texas A. & M. was notified his services would terminate at the end of the season. Homer Norton, Centenary coach, has been appointed to succeed Bell. Jack Meagher has been replaced by Jimmy Kitts at Rice Institute. Clyde Littlefield, after seven years at the University of Texas, has resigned. His successor has not been announced.

SCHOOL NEWS
School work is still improving from day to day. All students are getting ready for examinations next week, which completes the third month of the term.

There are some contests in the seventh grade this month. Those who have the most perfect reading and arithmetic lessons will get prizes. Florene Lewis is leading in the reading contest. Lois Bynum, Irene Parber and Rachel Wood are leading in the arithmetic contest.

The attendance is increasing each week. Two new pupils have entered school this week.

Trudell and Bernice Carlisle have moved to Houston county and we regret very much to see them move.

Miss Byrd's pupils gave some readings in chapel Friday morning.

THE RECITAL
The music pupils are improving in their music as they all have new selections for the recital. The recital will be arranged by Miss Barrier in the near future. The pupils who are studying music this term are: Opal and Cloa Wilson, Florene Lewis, Lois Bynum and Telling Wood.

ATHLETICS
The girls and boys ball teams meted to Westbrook last Tuesday and divided a double header. The Rogers boys won 11 to 8, but the girls were decisively drabbed by a count of 15 to 2. The games were returned Tuesday of this week and the Westbrook girls again won but by a small margin of four points, the score being 15 to 11. The boys game was a thriller! At the half Rogers led by two points, and at the close of the game they had a one

point lead and Westbrook had a gratis toss at the goal which was made. This tied the score at 15 all. Two extra periods failed to change the count and neither team scored another point so the game was called for lack of time. Rogers will play at Westbrook next Tuesday.

Fairview defeated Rogers last Friday 15 to 8 at Fairview. The same team (boys) will play at Rogers Friday. Come out and see it!

CHURCH NOTES
Rev. Jammonds came out last Sunday and delivered a good sermon at 11 o'clock and he will be back next second Sunday in January.

Rev. J. D. Harvey came back to Rogers last Sunday afternoon and preached a good message to a large crowd. He will be back the first Sunday in January.

Everyone is invited to come out Sunday afternoon and hear Rev. P. D. O'Brien as he will have another inspiring message for you.

The Holiness meeting closed Saturday night after having been in progress several weeks.

Rev. Stuart will hold a meeting at the schoolhouse Saturday night and all are urged to be present.

COMMUNITY NEWS
Some needed improvements will be made on the school grounds and buildings with funds derived from the C. W. A. for unemployed relief. A large number of men needing work will be employed on these projects. The work will be done in the near future.

Mrs. S. C. Bynum came home Sunday afternoon from the Sanatorium at Carlsbad. She is much improved and looks much better. All of her friends welcome her back home and are glad she is doing so well.

Demands for gas service doubled in a few hours here when the first cold weather of the season ushered in winter recently. M. O. Chapman, manager of the local gas company, said. The pupils who are studying music this term are: Opal and Cloa Wilson, Florene Lewis, Lois Bynum and Telling Wood.
ATHLETICS
The girls and boys ball teams meted to Westbrook last Tuesday and divided a double header.
The Rogers boys won 11 to 8, but the girls were decisively drabbed by a count of 15 to 2.
The games were returned Tuesday of this week and the Westbrook girls again won but by a small margin of four points, the score being 15 to 11.
The boys game was a thriller!
At the half Rogers led by two points, and at the close of the game they had a one point lead and Westbrook had a gratis toss at the goal which was made.
This tied the score at 15 all.
Two extra periods failed to change the count and neither team scored another point so the game was called for lack of time.
Rogers will play at Westbrook next Tuesday.
Fairview defeated Rogers last Friday 15 to 8 at Fairview.
The same team (boys) will play at Rogers Friday.
Come out and see it!

CITY BE HOST TO ANNUAL BASKETBALL TOURNAMENT

MORE THAN TWENTY CAGE CONTENDERS EXPECTED TO ENTER SCHOOLBOY EVENTS

Several Veterans Return To Do Battle On Cantrill's Wolf-Pack Quintet

Colorado high school will be host to annual invitation basketball tournament for western division of this district on Friday and Saturday, January 12-13. Local school officials working with Coach Jim Cantrill on plans for the meet are anticipating registration for competition by twenty teams.

The Big Spring Steers, winners of pennant during the past two seasons, too, are coming to the tournament as formidable contestants for first place award. Two years ago Sweetwater was runner-up and last year the Wolves came in for second place.

Cantrill was in Big Spring Saturday to confer with school officials there as to details of the tournament. The local coach is well pleased with interest manifest by the Bristow club in the meeting. Sweetwater, San Angelo and other towns bring on themselves the curse of some keen competition in the two days contest.

Rooms will be furnished for the coaches and ten players. Trophies will go to the winner and runner-up in both championship and consolation round. Gold basketballs will go to the all-tournament team chosen by the coaches. The player chosen as displaying the best sportsmanship and the two high point men in the championship and consolation rounds will also be awarded gold basketballs.

Coach Cantrill was well pleased with his initial workouts in basketball the past week. Fifteen men reported for practice the first day. Included in the turn-out were the following lettermen from last year: Elvey Stagner, Red Church, Jack Cox, Omer Rodgers and Louis Taylor. Two six footers up from the Jackrabbits, a team which won 26 out of 28 games last year are Joe Cooper and Regal Porter. Two other men who are looking good are M. C. Lowry and Harold Duke. Cantrill has ten players over six feet tall.

Big Spring, defending champion; Hamlin, winner of eastern section in district 8 last year; Roby, always a strong contender in basketball in this district; Dunn, made famous here two years ago by the playing of her guard, Yearly; Westbrook, Trent, Divide, Lorraine and Colorado schools have already accepted for competition in the tournament. Invitations to thirty five schools in this district, including Abilene, San Angelo, Sweetwater, Midland, Lamesa, Sterling City, Haskell, Kotan and Anson, were mailed last week.

The twenty nine schools entered for competition during initial tournament two years ago included Roby, Rogers, Sterling City, Abilene, Bronte, Dowell, Anson, Iatan, Nolan, Big Spring, Roscoe, Maryneal, Longworth, Blackwell, Trent, Sweetwater, Lorraine, Coahoma, Busby, Lomax, Westbrook, Royston, Ira, Hamlin, Hyman, McCamey, Goodman, Dunn, and Colorado. The tournament was won by Big Spring, with Sweetwater as runner-up. In the consolation round, for teams losing their first games, Lorraine won first place and Dowell school was runner-up.

For the tournament held last year the following schools were entered: Coahoma, Blackwell, Dunn; Rogers,

Resume Of Cotton Income For This And Last Year Given By County Farm Agent

By BEN J. BASKIN
County Farm Agent

The average price for middling 3/8 cotton on ten of the leading cotton markets of the United States for December 1st, 1932, was 5.62c. For the same ten markets on December 1st, 1933 the same middling 3/8 cotton had an average price of 9.78c. This price advance has been due directly to plow-up campaign in which 1,035,000 cotton farmers of the United States co-operated this year.

Last year, 1932, the average cotton farmer of the United States received \$424.00 for his cotton crop. In 1933 this same average farmer is receiving \$727.00 for his cotton crop. This is an increase of \$303.00 gross income over last year. This is further evidence of the many benefits that come from the united efforts of farmers, a benefit to themselves direct and to their country indirectly.

If the cotton farmers of the United States had not plowed up the many millions of acres of cotton in 1933 they would have made an estimated total cotton crop of 17,500,000 bales. If this cotton would have sold at 5c per pound it would have brought in a gross return of \$437,500,000.00. But the plow-up campaign is reducing this crop to about 13,100,000 bales. This crop is bringing an average of better than 9c, but if figured at 9c this crop is bringing \$589,000,000.00 to the farmers for their spot cotton, and \$112,000,000.00 rentals, and about \$48,000,000.00 profits on the optioned cotton. This makes a total gross income of \$749,000,000.00 for the 1933 cotton crop. If we subtract \$437,500,000.00 from \$749,000,000.00 we have a net gain of \$311,500,000.00. Where did it come from?

From the united efforts of 1,035,000 cotton farmers grasping the hand of our National Government and saying, "One for All, and All for One."

What does the future hold for the cotton farmer of Mitchell county? Of Texas? Of the United States? Everything IF they again co-operate. Higher price for cotton. Less acres to break, and boll, and sow, and cultivate, and hoe, and work, and harvest. Greater gains from lessened efforts. More land available for the production of feed and food for the farm and home use. A greater opportunity to improve the fertility of our soil by the use of green manure crops. And too, the lesson that will come as a further emphasis of the 1933 program—that "United we stand, and divided we fall."

West Texas Group Hears Address By Local Optometrist

O. H. Majors, Colorado optometrist and prominent for several years in affairs of the Texas and American Optometric association, was one of the principal speakers addressing the West Texas division meeting in Sweetwater Sunday. Majors was formerly a member of the examining board for the Texas unit.

Optometrists from over a wide section of Central-West Texas attended the sessions, held at the Macie hotel. The district embraces territory from Brownwood to Midland. Dr. Arch Farmer of Brownwood presided. The next convention will be held in San Angelo.

Beef served at luncheon given last Thursday noon to delegates attending district Methodist conference was donated by O. F. Jones, manager of the Spade ranch.

Sterling City, Hyman, Westbrook, Goodman, Bronte, Spade, Maryneal, Lorraine, Hamlin, Roby, Sweetwater, Iatan, Big Spring, Roscoe, Trent, Nolan, and Colorado. Big Spring was again winner of the tournament with the Colorado Wolves as runner-up. Lorraine again won the consolation, with Goodman as runner-up. Trophies are to be awarded along conditions similar to those of the past two years. These, made possible through cooperation of local business and professional men, have already been purchased by the directing committee. A silver basketball is to be awarded winner of the tournament. Appropriate trophies are to be awarded the runner-up quintet and winner in the consolation round. For members of the all-tournament team, as designated by attending coaches, individual gold basketballs are to be given. These, too, are to be awarded the two high point men and the player displaying the best sportsmanship.

SAN ANGELO CATS PROVE TOO MUCH FOR EL PASO'S HOPEFULS IN AREA GLASH

Concho Club Wins Bi-District Pennant 27-7 Saturday At El Paso Stadium

EL PASO—Pete Castello, San Angelo giant center, tore gaping holes in the Bowie (El Paso) high school line here Saturday and paved the way for Herb Reid and Curly Hays to lead in scoring an impressive 27-7 victory.

The bi-district game was played before a crowd which packed the El Paso spacious stadium. Attendance was estimated at 8,000.

San Angelo scored twice in the first period in rapid succession with drives of 34 and 57 yards.

Hays shoved over the first score and Reid dropped back and hauled a pass to Tucker for the other.

In the second period Hays broke through center and raced 19 yards to the pay marker.

Revamping their line up, the Bears came back in the third quarter with a drive that backed the Bobcats to their own 34 yard line where Perez shot a pass to Casarez for a touch down. Casarez converted.

The Bobcats regained their full stride in the final quarter and Reid again took to the air. His pass fell into the arms of Wagon for another score. Reid, who converted after the second touchdown, made his trial for goal good.

Though Reid and Hays shone brilliantly with their runs, Castello was the outstanding star for the Bobcats. His 190 pounds were turned into that much wildcat for the day.

San Angelo made 21 first downs to 3 for Bowie. The Bobcats were superior in all departments of play except in punting.

Six of eight Bobcat passes were completed for a total of 104 yards. The victory won for San Angelo the right to meet Pampa Harvesters in the quarter-finals of the State interscholastic football race.

Public Pleased With The New Ford V-8 Motor Car Shown By Colorado Motor Co.

Thrills aplenty have been the lot of the scores of visitors to showrooms of the Colorado Motor Company, local Ford dealers, who have been given demonstrations of the new Ford V-8 for 1934, according to P. K. Mackey, head of the local Ford dealership.

"Those who have driven the new car themselves commented most favorably upon its greater power and speed, quicker acceleration, smoother performance and ease of control," said Mr. Mackey. "There is no question but that the new V-8, while basically like the hundreds of thousands of Ford V-8's now on the road, is a great improvement over the cars of the last two years."

The improvements in engine performance are the result of a new dual down-draft carburetor and dual intake manifold which increase the engine's power approximately 12 percent and provide a remarkable improvement in pick-up. New water line thermostats enable the engine to reach quickly and maintain proper operating temperature.

The new Ford ventilating system, which is built into the body, permits clear vision, prevents drafts and provides the desired amount of fresh air in any weather. Individual control is provided for both front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional turn. This slides the glass back horizontally to form a narrow slot between the glass and the frame. Through this slot air is drawn out by forward motion of the car.

The distinctive lines of the new Ford have been refined by a newly designed radiator shell and grille, new hood louvers and new hubcaps. Fenders on deluxe cars are now in color to harmonize with the body colors. Interiors reveal new tufted

upholstery and garnish mouldings a cover type, head lining, new instrument panel, arm rests, door pulls and hardware. Sun visors are provided in all closed cars.

and individuals of Westbrook, Colorado and other localities for their donations to the pie supper.

Spade brought its Senior boys, Junior boys and girls' basketball teams to Conaway Friday afternoon. Spade was successful in the Senior boys and girls games and the Junior teams fought to a tie.

Mrs. Lynn Halbert entertained the girls basketball team with a slumber party at her home last Wednesday night.

Mrs. John Conaway, Mrs. H. V. McDonald, Mrs. Dennis Conaway, Mrs. Ross Dockrey and Mrs. Witt Hines all visited the school this week.

Mrs. L. W. Treadwell of Colorado visited the Ross Dockrey's Friday through Tuesday. She was accompanied by her two children. H. B. Broadus and Bill Broadus came to see Tom Dockrey on business matters Sunday.

The Junior high school group is practicing on a play to be given just before Christmas. Help build Colorado and Mitchell county by patronizing home merchants.

Mythical Eleven To Include One, Maybe Two Colorado Men

At least one Colorado man, and perhaps two members of the Wolf eleven are to be included on the all-district mythical eleven when coaches announce their nominations. Stagner has made place on all of the teams announced and Church is named on two of them. Colorado, San Angelo and Sweetwater coaches Saturday announced their selections. Big Spring and McCamey promised to announce nominations within the next few days. Following is selections of the three coaches:

Sweetwater
Ends, Fomby (Sweetwater) and Stagner (Colorado); tackles, Raiborn (San Angelo) and B. Flowers (Big Spring); guards, Holbert (Sweetwater) and Hall (Sweetwater); center, Castello (San Angelo); quarter, Reid (San Angelo); halfbacks, Jones (Sweetwater) and Reed (McCamey); fullback, Hays (San Angelo).

Colorado
Ends, Stagner (Colorado) and B. Flowers (Big Spring); tackles, Church (Colorado) and Gregg (San Angelo); guards, Holbert (Sweetwater) and Graves (Big Spring); center, Castello (San Angelo); quarter, Reid (San Angelo); halfbacks, Reed (McCamey) and Hays (San Angelo); fullback, Jones (Sweetwater).

San Angelo
Ends, Stagner (Colorado) and Fomby (Sweetwater); tackles, Raiborn (San Angelo) and Church (Colorado); guards, Hall (Sweetwater) and Turn (San Angelo) center, Castello (San Angelo); quarter, Reid (San Angelo); halfbacks, Hays (San Angelo) and Tucker (San Angelo); fullback, Jones (Sweetwater).

The girls of Rogers school are to organize into a 4-H organization and will begin work in January on their clothing program.

News of Club Girls And Women

The Plainview home demonstration club met Dec. 6th at home of Mrs. J. C. Franklin for the demonstration on steamed fruit cakes given by the county home demonstration agent. Before the demonstration was begun the women were shown an educational exhibit from the Spool Cotton Co., of New York on Correct Finishes and Fashion Accessories. All members present filled out their years report of work done. The following officers have been elected to serve in 1934:

President, Mrs. L. M. Jones; Vice-President, Mrs. J. C. Sheppard; Sec.-Treas., Mrs. J. C. Franklin; Reporter, Mrs. B. H. Henson; Council Delegate, Mrs. T. M. Daugherty.

The Iatan home demonstration club met in regular session Thursday, Dec. 7th, at the home of Mrs. Alvin Lay. In the business session the club voted to have a Christmas party at the home of Mrs. T. K. McKinney, Dec. 22. A discussion was also brought up about spending 10 cents per member for buying Chinese elm trees to set out at the school yard. The educational exhibit from the Spool Cotton Co. was shown and explained before the demonstration given on the making of a white fruit cake, which was steamed in a pressure cooker with the petcock open for 55 minutes and 15 minutes with it closed at 15 pounds pressure. Then it was removed and dried out in the oven for 30 minutes.

Mrs. Lay served a Christmas pie and coffee to the guests. The club has elected the following officers for 1934:

President, Mrs. Jack Gullet; Vice-President, Mrs. Geo. Edwards; Sec.-Treas., Mrs. Alvin Lay.

The girls of club age of Silver school are to be organized into a 4-H club this week. The following girls have signed that they are interested in a club for 1934: Claudine Brooks, Sophie Smith, Zula Finley, Edna Barke, Flossie Finley, Jewel Smith, Errah Yarbrough, Bessie Barker, Irene Brooks.

The Buford Girls club has selected their demonstrators for 1934 in Bedroom improvement, Clothing and Food preservation, and will be announced later.

All field work has been completed and from now until the 23rd of December Miss Gunter will be in her office working on the annual report of work for 1933, which is to be mailed with the plans of work for 1934 to A. & M. College before the holidays.

IN THE DISTRICT COURT OF THE UNITED STATES FOR THE NORTHERN DISTRICT OF TEXAS ABILENE DIVISION

THE PRESIDENT OF THE UNITED STATES OF AMERICA

To the Marshal of the Northern District of Texas GREETING:
You are hereby commanded to summon all persons, individuals, corporations, firms, associations or parties having any right, title, interest, claim, demand, lien or encumbrance of any kind, character or nature in and to the following described land in Mitchell County, Texas: Being the South ten feet (10') of Lot No. Three (3), and all of Lots Four (4), Five (5), and Six (6), in Block Twenty Three (23) of the Original Town of Colorado, being located at the northwest intersection of West Third and Walnut Streets, together with all of the improvements thereon.

By making publication of this citation once each week for four consecutive weeks previous to the return day hereof in some newspaper published in Mitchell County, Texas, if there be no newspaper published there-in, but if not then in the nearest County where a newspaper is published, to appear at the next regular term of the United States District Court for the Northern District of Texas, Abilene Division, at Abilene, Texas on the second Monday, in April, A. D. 1934, then and there to answer a petition filed in said Court on the 15th day of November, A. D. 1933, in a suit instituted in the district of said Court 1147 Laws, wherein the United States of America is plaintiff and Lora Dodson, Robert P. Rieker and wife, Mary Bell G. Rieker, resident citizens of Tom Green County, Texas; John Brown, A. J. Coe, Sam L. Majors and wife, Edna C. Majors, resident citizens of Gray County, Texas; J. R. Daniel and wife, Mary C. Daniel, resident citizens of Culberson County, Texas; J. B. Coe and wife, Rob E. Coe, resident citizens of Potter County, Texas; the City of Colorado, Texas, of which J. A. Sadler is Mayor; the County of Mitchell, State of Texas, of which A. F. King is County Judge, and the above described property and all individuals, corporations, firms, associations or parties, having any right, title, interest, claim, demand, lien or encumbrance of any kind, character or nature in and to the above described property whose names and addresses are unknown to petitioner, are defendants, said petition addressed to the Honorable Judge of said Court, being in words and figures substantially as follows:

UNITED STATES OF AMERICA
Petitioner,

vs.
A CERTAIN PARCEL OF LAND IN THE CITY OF COLORADO, STATE OF TEXAS, AND JOHN BROWN, ET AL.

PETITION IN CONDEMNATION TO THE HONORABLE JUDGE OF SAID COURT:

Now come the United States of America, by Clyde O. Eastus, Attorney at Law, hereinafter called petitioner, complaining of Floyd C. Dodson and wife Lora Dodson, Robert P. Rieker and wife Mary Bell G. Rieker, resident citizens of Tom Green

County, Texas; John Brown, A. J. Coe, Sam L. Majors and wife, Edna C. Majors, resident citizens of Mitchell County, Texas; R. W. Mitchell and wife Louise C. Mitchell, resident citizens of Gray County, Texas; J. R. Daniel and wife Mary C. Daniel, resident citizens of Culberson County, Texas; J. B. Coe and wife Rob E. Coe, resident citizens of Potter County, Texas; the City of Colorado, Texas, of which J. A. Sadler is Mayor; the County of Mitchell, State of Texas, of which A. F. King is County Judge, and a certain tract or parcel of land located in the City of Colorado, Mitchell County, State of Texas, described as follows, to-wit:

Being the South ten feet (10') of Lot No. Three (3), and all of Lots Four (4), Five (5), and Six (6), in Block Twenty Three (23) of the Original Town of Colorado, being located at the northwest intersection of West Third and Walnut Streets, together with all of the improvements thereon, and all individuals, corporations, firms, associations, or parties, having any right, title, interest, claim, demand, lien or encumbrance of any kind, character or nature in and to the above described property whose names and addresses are unknown to the petitioner.

That the United States are a corporation and body politic, having power to exercise the right of eminent domain and to condemn private and public property for sites and additions to public buildings under control of the Treasury Department of the United States, as provided by the laws of the United States and the State of Texas;

That the County of Mitchell is a body politic, being a subdivision of the State of Texas and having certain statutory limited powers of Government delegated to it by the State of Texas and that the governing body thereof is the Municipal Council, the presiding officer of which is the County Judge; that the City of Colorado is a municipal corporation with certain limited powers of government delegated to it by the State of Texas, and the Mayor thereof is the Chief Executive of said municipality, and the individual defendants named herein above are the resident citizens of the County set out opposite their respective names.

Petitioner shows that this suit is brought under and pursuant to instructions of the Attorney General of the United States, dated the 29th day of August, 1932, and pursuant to the request of the Honorable Perry K. Heath, Assistant Secretary of the Treasury of the United States, dated the 3rd day of March, 1933, both the instruction and the request being in writing, copies of which have been filed in this cause with the clerk of said court; and in compliance therewith and under the authority of the State and provided process thereon, it is necessary to acquire title to the above described parcel of land for that purpose.

The Secretary of the Treasury of the United States is authorized by said law with title to the above described land for a public building site in said City of Colorado pursuant to the Acts of Congress in such cases made and provided for by condemnation under the Act of Congress approved August 1, 1888 (25 Stat. L. 557), and that funds are available to pay for the same.

Petitioner alleges that John Brown and Floyd C. Dodson are the legal owners and holders of the fee simple title to the said property above described, and that the United States and the owners have been unable to agree upon the value of the land by the damages; that the defendants A. J. Coe, Sam L. Majors, Edna C. Majors, R. W. Mitchell, Louise C. Mitchell, J. R. Daniel, Mary C. Daniel, J. B. Coe and Rob E. Coe, are claiming and asserting some interest in said property or a portion thereof; that the said above described parcel of land was at one time conveyed to the County Judge of Mitchell County, Texas and his successors in office, and that as a part of the consideration for said conveyance it was stipulated that said parcel of land, or a portion thereof, was to be used and occupied by said County for the erection of a Court House thereon and that in the event the same was ever abandoned for that purpose title thereto should revert to the grantor; and that said City of Colorado, Mitchell County, State of Texas, a municipal corporation is asserting some sort of claim or ownership, interest or right in and to said above described parcel of land, or a portion thereof, and it is questionable whether said City of Colorado and County of Mitchell have the right of the disposal of the same, or that the manner in which said City and County attempted to dispose of same was illegal, and that the only method of acquiring title to the said property by the United States of America is by condemnation proceedings.

Petitioner further shows that in addition to the persons named above, some other persons whose names, residences or addresses are unknown to petitioner may have some right, title, interest, claim, demand, lien, or encumbrance of some kind or character in, to or against the property above described, and in addition to making all of the parties named and all unknown persons parties defendant to this petition makes the tract of land itself a party to the proceedings.

Petitioner would further show that there may be many persons who may have some right, title, interest, claim, demand, lien or encumbrance of some kind or character in, to or against the above described property and therefore petitioner has been unable to agree with said par-

ties as to the value of their right, title, interest, claim, demand, lien or encumbrance.

Petitioner would further show into the court that the number of persons residing in the City of Colorado and in the County of Mitchell in said State of Texas who have or may have some right of user or enjoyment in, over or against said property are so numerous as to make it impracticable to make all of them parties to this suit, and would therefore respectfully ask that the parties above named be made parties defendant to this petition and that notice be published in a newspaper calling upon all persons who have any interest in or claim to said property to appear and present against this proceedings, if they see fit so to do.

WHEREFORE, your petitioner prays that each and all of the defendants herein named be served with notice by citation to appear and show cause, if any they have, why the property described in this petition should not be condemned and all the right, title and interest in said parcel of land be divested out of them and vested in the United States of America in fee simple, and further orders as may be required by law giving all unknown residents and unknown parties, and the public generally, notice of this proceeding, and that Mitchell County and the City of Colorado, both in the State of Texas, be made parties defendant and served with notice according to law.

That three qualified, competent and disinterested persons be appointed by this Court as commissioners to ascertain and determine the just compensation to be paid to the owners of said land herein described, and proposed to be taken for the purpose aforesaid, and to make all such other and further orders as may be necessary in the premises, to the end that the United States of America may acquire an absolute undivided title in fee simple, free from all liens, encumbrances, demands, charges, servitudes, restrictions, covenants and assessments of every kind and character and that the report of the commissioners so appointed, your Honor, will enter a decree divesting title out of all persons whatsoever and vesting title in fee simple in the United States of America. And petitioner prays for such other and further relief, generally and in detail as the nature of the case may require.

UNITED STATES OF AMERICA
Petitioner.

By Clyde O. Eastus, Attorney at Law, Northern District of Texas, State of Texas.

Tarrant County, Texas: I, Clyde O. Eastus, United States Attorney in and for the Northern District of Texas, on oath depose and say that I have read the foregoing petition by me subscribed and do know the contents thereof and that the matters and things therein stated are true and correct and I verily believe to be true.

Clyde O. Eastus, Clerk of said District Court, Northern District of Texas.

Subscribed and sworn to before me this 18th day of November, 1933.

George W. Parker, United States District Clerk, By Ida M. James, Deputy.

WHEREIN FAIL NOT, but have you before said court on the said first day of the next term thereof, showing how you have executed same.

Witness, the Honorable James C. Wilson, Judge of the District Court of the United States for the Northern District of Texas, and the seal of said District Court at Abilene, Texas, this 22nd day of November, in the year of our Lord one thousand nine hundred and thirty three, and of American Independence the 153th year.

NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V.8

BETTER PERFORMANCE. Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New water-line thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

NEW VENTILATION SYSTEM permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot. Through

this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

DISTINCTIVE NEW APPEARANCE enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvers, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

FENDERS IN COLOR. On De Luxe cars fenders are in color to harmonize with body colors—wheel colors optional. New enamel finish on all bodies and fenders has greater wearing quality and more enduring luster.

GREATER RIDING COMFORT results from increased spring flexibility. The springs leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 15-to-1 steering gear ratio.

PRICES REMAIN LOW—Tudor Sedan, \$535. Coupe, \$515. Fordor Sedan, \$585. De Luxe Tudor, \$575. De Luxe Fordor, \$625. De Luxe Coupe (5 windows), \$555. De Luxe Coupe (3 windows), \$535. De Luxe Roadster, \$525. De Luxe Phaeton, \$550. Cabriolet, \$590. Victoria, \$610. (All prices f.o.b. Detroit.)

LA TERTULIA

By Polly Bellomy
La Tertulia met at the usual class period Monday, Dec. 11. President Louis Taylor presided. Miss Smith, our sponsor, read us a very interesting item from the Dallas Morning News. It concerned the renewal of the revolutionary outbreak in Spain and gave the opinion of the government officials there, who thought that the revolt would soon die down in spite of several strike looms. Jack Wood gave a brief sketch of President Rodriguez, president of the Mexican republic. Louis Taylor started a very interesting and unusual discussion on "Along the Royal Road to Mexico," by Melville Cole. It is the adventures of two men traveling together through Mexico, and they relate some very beautiful descriptions of the Mexican country, with its many quaint old "pueblos" and its Spanish haciendas. This discussion was not finished but we all look forward to the continuation of it at our next La Tertulia.

IB. FRESHMAN HOME EC NEWS

This week in the home economics class we have continued on our pajamas. We have made our tailored seams on the trousers. Friday we worked on our home projects. We were to have them finished and handed in Monday. Monday we studied plaikets and binding. We want to practice plaikets at home and be able to make one at school. We took it step by step and most of us can make fairly good plaikets.

SECOND YEARS H. E. NEWS

The second years Home Economics girls had the honor of being presented with an O. N. T. exhibit on the different types of seams. The girls took notes on these and are to be given a written test on this exhibit.

H. E. IA

The girls in the Foods class have planned meals for different days in order that they might learn how to balance a day's rations. Mimeographed sheets on "How to Serve Food Attractively" were given to each member of the class and the ideas given in this lesson have helped in making the meals served more attractive.

H. E. III EXHIBIT AT KIRSCHBAUM'S

The third year class will exhibit the dresses, wrappers, nightgowns, gertudes and other garments. They have been making as a class project. The material was furnished by one of the Sunday School classes and wrappers were made for families in need. The remainder of the garments are for sale. Several of the girls are buying the articles they made.

TRIBUTE TO THE WOLVES

Their work is over,
Their race is run,
And they have no idea
Of how much good they've done.
They've kept our spirits high,
When all of us were blue,
We gladdened when we saw them,
Our Wolves, tried and true.
Although you've won not all the games,
Colorado 'H' is proud of you.
You've always been good sportsmen,
So, Wolves, here's to you:
To "Red Church, the captain,
The team's success we owe,
He's always fighting for our honor,
In rain or shine or snow.
Now Brady Warren, quarterback,
Can surely hold his place;
He's little, but he's lively,
And does well in a race.

HONOR ROLL
There are more on the honor roll this month than last time. We are proud of this but hope to have still more next time. Those on the honor roll are the following:

SEVENTH GRADE "A" Honor Roll	
Jane Meskimen	96.5
Shirley Kiker	95
Betty Dodge	91.9
Doris Wynne	90.8
Blanche Bess Jones	90.1
"B" Honor Roll	
Frances Merle Cooper	89.9
Mattie Belle Harvey	89.8
Dale Simpson	89.4
Clifford Greener	89
Armorina Whitmore	89
SIXTH GRADE "A" Honor Roll	
Lucille Dockrey	94
Louise Dockrey	93.6
Virginia Whipkey	92.9
Lillian Galey	92.6
John Beal	91.5
Crystal Neff	91.3
Dorothy Morrison	90.9

And Elvey Stagner, Wolf brave,
Is to be honored too;
"Stack," as he is commonly known,
Has always proved true blue.

Durwood McCright is one of our standbys;
He'll meet success some day.
The student body wishes him much luck
On all of life's long way.

Jack Cox is one of our best;
He's a credit to Colorado 'H';
We'll never find another as good as he,
And few ever pass his record by.

Louis Taylor is a football star;
We know we can depend on him.
He distinguished himself where ever he goes,
And plays the game with a vim.

Buster Aycock's fast and full of pep,
A great help anywhere,
We hope he'll be on the team
When the season starts next year.

Another star is Mumpsy Wallace;
A better one isn't known.
He goes on the field with a cheer
and a laugh,
And brings the lacon home.

We must also thank Omer Rodgers,
A hero of the year,
He never stops, but goes right on;
When Cantrill calls, he's near.

We wish to congratulate M. C. Lowry,
Who is also quite a star.
As a football player, he's full of pep,
So he will go far.

On J. C. Priester, liked
By our student body now,
We heap our glowing tributes
In football he's a wow!

Two worthy Wolves are Hagler and Wood,
They're quick and full of pep;
They're always boosting Colorado 'H';
That helps their rep.

Cooper and Porter, two loyal Wolves
They may be inexperienced and new
But they stand behind their team
Supporters like these are few.

Here's to Ed Morrison
He did his part without a waver,
He didn't get to play much
But they don't make them braver.

Then there's Kirby,
Vanandit, Garrett and Geffs,
Henderson, Connell and Neff—
They're all among our best.

To all of these we give thanks,
But while we're praising them
We must not forget the coach,
He is responsible for their vim.

Congratulations, Wolves,
You've fought a good fight this fall;
You may not have won the conference
But you've certainly played good ball!

Mr. John E. Watson, Mr. Jim Watson and Mr. Hayes Holman gave brief talks, regarding the purpose of the organization.

AMERICAN LEGION PROGRAM
On Tuesday at 11 o'clock, Mr. Benton Templeton, representing the Oran C. Hooker Chapter of the American Legion, spoke to the sixth and seventh grades on the honor point, courage. He was ac-

panied by Mr. Jack Helton, also of the Legion.
The Legion of this town is presenting at the end of the year, an honor medal, to the seventh grade boy and girl who live up to the five main points, honor, courage, service, scholarship, and leadership. Sergeant Brady made a talk last month about honor.

SCHOOL TAKES CLEANUP
The 7A Reading Club cleaned its classroom Friday morning at the Reading Club hour. Two other rooms have followed their lead in having a special clean-up this week. Miss Davidson is re-arranging the library to make a place for the new books, so we expect the school to be in unusually good condition for Christmas.

GIRLS BASKETBALL
Last Wednesday afternoon the girls played their first game of basketball with Looney. The score was 8 to 11 in favor of Looney.

FIFTH GRADE LETTERS
The fifth grade English classes have been studying letter writing. Monday they wrote letters as if they were some pet writing a letter to their owner. Some of the best of these follow:
Catherine Slagel Jr High School English B December 11, 1933
The Apartment December 11, 1933
Dear Catherine,
Since you went away I have not had but one walk a day and then only on the sidewalk, not in the park. I haven't been fed regularly either. One night I have dinner at five o'clock and the next night at seven.
Please come home. Blackie misses you, too.
Your pet,
SIR JOHN.

Lucille Dockrey Jr. High School English 5A December 11, 1933
Lucilles' Barn Colorado, Texas December 11, 1933
Dear Lucille,
I wish you would hurry and come back, for no one seems to notice me since you left. They have not brushed my fur or washed my ribbon. Nor have they fed me warm milk in my saucer.
I am sure I need you more than your Aunt does. Do come back soon.
Your loving cat,
LUCY

Dear John,
I wish you would come home from your aunt's. Ever since you have been gone I haven't had one bone and my teeth feel like rubber.
Last night no one would let me in the wash-house and I had to go up to your cousin's and sleep under the bed on their porch. Even then I was cold.
Please come home at once.
Your loving dog,
JERRY.

Jack Smith Jr. High School English 5B December 11, 1933
The Barn Yard at John's December 11, 1933
Dear John,
Please hurry and come home from the doctor's house. I am very lonely without you. Yesterday no one fed me any food or gave me a drink. I need you much more than anyone else. Hurry and come back we miss you very much.
Your loving Donkey,
SAM

Harvey Hicks Jr. High School English 5A December 11, 1933
The Pigeon Pen December 11, 1933
Dear Harvey,
I wish you would come home. The boy who is supposed to feed us must have forgotten it for he has not fed us since yesterday morning. He hasn't given us any water either. Come home soon.
With love,
YOUR PIGEONS

Dorris Montgomery Jr. High School English 5A December 11, 1933
The Old Barn at Dorris's December 11, 1933
Dear Dorris,
I am very unhappy. Last night no one remembered to let me into the barn and I nearly froze my paws. My bowl hasn't been washed since you have been away. Please come home as soon as possible for I think I need you more than your friend does.
Your loving dog,
SNOWBALL

Doris Flo Doss Jr. High School English 5B December 11, 1933
In the Sun Parlor December 11, 1933
Dear Jane,
Please bring me some fresh water. My throat is so dry I cannot sing. Your sister left me in a draft and I thought I would freeze. I have no seed and I am so hungry. Please do not spend the day at your friends.
Your loving bird,
DICKY

Nancy Price Jr. High School English 5A December 11, 1933
In the Bird Cage December 11, 1933
Dear Nancy,
I wish you would come home. My mate, Jimmy, misses you too. We have no one to feed us. Our cups are empty. There is hardly ever any sunshine where we are and we need it. We know we need you much more than that little nephew does.
Your loving bird,
MINNIE

Alice Womack Jr. High School English 5A December 8, 1933
The Closet of House December 8, 1933
Dear Alice,
Since you have gone away I have been very lonesome. Your daddy forgot to feed me last night and only fed me some milk this morning. I wish you would come soon. I miss you very much.
Your loving kitty,
FLUFFY

Black-Draught
Clears Up Sluggish Feeling
"I have used Theford's Black-Draught for constipation for a long time," writes Mrs. Frank Chamption, of Wynne, Ark.
"I get up in the morning feeling dull and sluggish, a dose of Black-Draught taken three times a day will cause the feeling to pass away, and in a day or two I feel like a new person. After many years of use we would not exchange Black-Draught for any medicine."
P.S.—If you have CHILDREN, give them the new, pleasant-tasting SYRUP of Theford's Black-Draught.

BUILDING TOGETHER

We are now approaching the end of the year 1933 and while conditions are not all that we might wish they were the great family of Record subscribers have an opportunity to render the paper a distinct aid and service just now. The Record, which for 29 years has advanced with Mitchell county, rendering a service far beyond its remuneration now finds it advisable to make further advancement and as in years gone by return to the public benefits of the money it receives. We are now considering an expansion and if worked out will distribute into the channels of trade funds that come to us. For that reason we are making this appeal to the subscribers, everywhere, and every one to lend us their assistance just now by paying their subscription. It is a small matter for each one but collectively it means much to the paper and is the incentive and the assistance needed just now. The Record maintains a large payroll and this money goes into the channels of trade to a far greater extent than it draws from those same channels. Won't you send us a check for your subscription to the amount that you are able to spare, without material injury to yourself? It would be an investment that will return many fold its amount. Won't you?

NOTICE TO BIDDERS

The Commissioners' Court of Mitchell County, Texas, will at the next regular term of Court, the same being the 8 day of January, 1934, receive competitive bids on the following described road machinery: One Road Grader with 10' blade, standard equipped, with approximate weight of 7,100 pounds. And at said time and place, said Court will proceed to let a contract, if any bids be accepted. Bidders' Bond in the amount of bid will be required, and the Court reserves the right to reject any and all bids. Should any bid be accepted, it is understood that the bidder will take as part payment one used Whippet Grader. If any contract be let, the Court will, at its' option, pay cash, or issue interest bearing time warrants against Mitchell County in payment thereof, in any amount not to exceed \$1,200.00, said warrants to bear interest at the rate of 6% per annum, and the full amount of said warrants to mature not later than February 15th, 1936, A. D. Bids will be received until ten o'clock P. M. on the above mentioned date, to-wit: January 8, 1934. MITCHELL COUNTY COMMISSIONERS COURT, A. F. KING, County Judge, 12-29-chg. Automobile plants are located in 41 states.

It must first get Rome's opinion Poor old Pilate, terror-haunted Guessing just what Caesar wanted.

Many a man still spurs and fences And first counts the consequences And considers—more's the pity How the voters in the city Will by honor be affected Will the brave man be rejected Will the spoken truth defeat him How tomorrow will men greet him And like poor old Pontius Pilate Does naught the mob would smile at.

NRA 100 PERCENT

Our old friend Robinson down at Waco says: "I am for NRA 100 percent, as an emergency measure. Ye shall know the truth and the truth shall make you free." And he adds, "This country will not get back to normalcy until the banks are allowed to issue notes and currency up to their capital stock."

On the same date Brisbane says, "Gold went up again yesterday." All of us who put our money in gold, let it lie without interest then had it taken away by the government may easily quote lines that Whittier borrowed from Dante and Dante borrowed from somebody else: "For all sad words of tongue or pen The saddest are these, it might have been."

If congress would issue full legal tender greenback currency, non redeemable and non-interest bearing to the amount of twenty billions of dollars, and lend it to the farmers and home owners so they can pay off the mortgages on the farms and homes of this country at a new rate of interest not to exceed 2 1/2 percent on twenty five years time the nations business would hum.

We would like for some of our readers of this column to answer the above plan and tell us what is wrong with it. And why not, statistics show 85 percent of the wealth of the nation is hoarded by about 5 percent of the people. Issue this new money and let them keep it hoarded.

TALKING ABOUT WOMEN

Some people believe that wealth takes precedence over everything, always and everywhere. They are dead wrong. Recently I heard a fair young thing say that even beauty could never stand a show against wealth. She was sadly in error. If you doubt what I say, make a fair test. Suppose a very rich and crabbled old sister and a radiant damsel of eighteen summers, with cheeks as lovely as a ripe whinesap and form as perfect as the Angelus, desired the assistance of a man crossing a branch, which one do you say would get across without soil to her slippers, and which one would be left to wade the mud.

The girl with a peachy complexion, dreamy eyes and velvety fingers can make the average young man come through with a proposal in one night, but she is pretty sure to steer the matrimonial craft toward Reno soon after the honeymoon voyage is completed. Its the girl who knows how to make real biscuit and turn a steak to a delightful brown that makes the vine-clad cottage and rose garden such a heaven on earth that her partner has little use for clubs or cafes, and whose thoughts never wander in the direction of the divorce courts.

It isn't a very long stretch from a cherry lipped laughing girl to a cranky old woman dosing herself with patent medicine and complaining about her corns, but its such a drastic transformation that I don't see how it could be worked in less than a hundred years.

Don't know why its so, but its a fact that homely girls who come to visit in the town are far more popular with mothers who have marriageable daughters than the pretty ones. Let a girl who has a twisted mouth, is slightly cross-eyed and whose lower limbs are too fat and unsymmetrical come visiting in the community and the mothers with marriageable daughters say she is a sensible woman and remarkably sweet. But if the visitor should have the complexion of a ripening peach, soulful eyes and legs as symmetrical as a baseball bat, the mothers will declare her a lazy, pert little flirt that every boy should stay away from.
