PUBLIC RELATIONS AFFAIR GIVEN BY COLORADO BPW CLUB THURSDAY EVENING

Guests Impressed With High Purposes Organization Here Sponsoring

Thursday evening the Colorado Hotel was the scene of a beautiful banquet sponsored by the Business and Professional Women. The program was on "Public Relations."

The tables were decorated in green and white with lighted tapers carrying out the colors. There were further adorned by the dainty programs printed in green and white. Mrs. Anna Ferguson, president, of the club called the meeting to order and with Miss Ruebelle Smartt playing, led in singing America, and in the pledge to the flag. The invocation was said by Rev. Cal Wright.

Miss Winnadel Rowland sang "Rosita" with Mrs. Martin playing. This was beautiful and was encored. Mrs. Myrtle Crowder told of National Business Women's Week, that the idea was to have better business women for better business, to get the white collar woman back on the job. Her talk was most interesting and informative.

Joe Pond, second vice president of the Chamber of Commerce, brought greetings from his organization.

Mrs. J. E. McCleary gave greetings from the Mitchell County Federation of Clubs. She stated that she was pinch hitting for Mrs. W. L. Doss, president of the club, but she was most happy to speak for the president and the club women.

Rev. Cal C. Wright took J. H. Greene's place to give greetings from the Lions Club. He stated that he had decided that he would, if permitted, become a member of the woman's organization instead of the Lions. His wit and wisdom were well received.

The toastmistress, Mrs. Ferguson was quite as happy in her introduction of the speakers as they were in their speeches. Between each address, songs of greetings were given with Mrs. Deter leading and Miss Smartt at the piano. These kept up the pep and enthusiasm of the diners.

A musical comedy "For My Sweetheart," by Billie Marie Rowland and Opal Martin with Mrs. Bill Martin at the piano was enthusiastically received and the young ladies repeated their tap dance.

Mrs. Deter gave two beautiful violin numbers with Mrs. Meskimen playing her accompaniment.

A delicious four course banquet dinner was enjoyed during the program.

All of Mitchell county is interested in the women who compose the Business & Professional Women's Club and are wishing for them continued success in their various lines of work.

The hostess and her daughter Marjorie served strawberry short cake and coffee.

The next meeting will be with Mrs. Thompson.

SELF CULTURE CLUB GIVES LOVELY BANQUET FETE TO HONOR 9TH ANNIVERSARY

Members, Husbands Enjoy Program At School, Reid Home Friday Night

The Self Culture Club observed its ninth birthday Friday evening, March 16th with a banquet served at the high school and a party at the home of Mr. and Mrs. Wed Reid.

The tables in the Home Economics room were in the shape of a "T" being decorated with the club colors of pink and white which were used in the trilled tie, tapers with a touch of green in honor of St. Patrick, this being shown by the shamrock place cards, the flowering plant and runners of green.

The guests were the club husbands and the club's organizer and life member, Mrs. Merritt.

The president, Mrs. J. B. Pritchett, asked George Mahon to pronounce the invocation. She then welcomed the guests and introduced the toastmistress of the evening, Mrs. W. T. Bentoo.

She presented the club members by a description of their names. They in turn presented their husbands. Those introduced were Mr. and Mrs. J. B. Pritchett, Mrs. J. G. Merritt, Mrs. H. G. Whitmore, Mr. and Mrs. A. F. King, Mr. and Mrs. J. D. Barber, Mr. and Mrs. G. H. Mahon, Mr. and Mrs. C. P. Gary, Mrs. L. E. Elliott, Mr. and Mrs. L. H. Lavender, Mr. and Mrs. A. C. Melton, Mr. and Mrs. H. V. Pond, Mr. and Mrs. J. M. Herrington, Mr. and Mrs. Wed Reid, Mr. and Mrs. J. W. Howell and W. T. Bentoo.

Miss Jennings and her girls served a delicious four-course dinner composed of a cocktail, moulded salad, meat and vegetable plate with coffee and hot rolls and a dessert of sherbet and angel cakes.

Under each coffee cup was an unfinished picture with a pencil attached that it might be completed. It was said that a prize would be given for the best finished one but all showed such skill that none could be selected as best. An abbreviation contest of states was presented in a most clever way by Mrs. Bentoo. At the close of this she announced that Mrs. Reid had asked the group to come over to her house and roll the pies out of the parlor. On arriving a hunt for pigs began and Henry Pond came out with five of these little animals made of potatoes with toothpicks for legs, raisins for eyes and mouth and rubber for tails. The winner was given a big brown cotton pig.

Next a murder mystery was enacted with George Mahon as the lawyer, Dell Barber the victim and the murderer to be found. The case was finally dismissed with Mrs. C. P. Gary under suspicion.

A horse race with five entries, a track, bookmakers, etc., was arranged on the living room floor and everybody got down to cheer their horse on. The races were most exciting, but no prizes were given as there was crookedness in this just as in real races.

The closing stunt of the evening was a style show. Each man was given a ladies slipper and when all were properly refitted the men were given newspapers and pins and told to dress his lady. Their efforts were certainly mirth provoking and the women laughed until they cried.

Mrs. Lavender who was dressed by George Mahon was voted the most perfect and Mr. Mahon was given a dressed doll for his skill as a costumer.

Mrs. Reid served coffee with fudge and divinity candy, after which good nights were said.

The club will meet this week with Mrs. Lavender with a lesson in Social Psychology.

Be loyal, trade in Colorado.
Office supplies at The Record.

Mrs. Randle Hostess To The Hesperian Club

Mrs. J. W. Randle was hostess to the Hesperian Club Friday. The group was happy to welcome Mrs. J. T. Johnson who has been away all year for health reasons and whose return has been looked forward to with eagerness. Mrs. Ralph Beal was also able to be with the club on this day and Mrs. Ray Womack was another guest.

Reports were given from the standing committees. Mrs. Majors stated that sweet fern had been planted in the sunken garden as a background for the roses. The year book committee reported progress in their work.

The lesson, Sinclair Lewis, was led by Mrs. Williams. Mrs. Randle told "Why America Resents Lewis." Mrs. Merritt read Mrs. Winn's paper, "Lewis' Interest in the Occupational Classes." Mrs. Latham gave a very interesting review of "Arrowsmith." Mrs. Cantrill read Mrs. Wilkins paper "Contemporary Authors That Will Endure."

At the social hour the tea napkins were passed by Miss Doris Marie and the hostess served a beautiful St. Patrick's day plate composed of a green moulded salad, rolled sandwiches coffee and individual cakes iced in green with shamrocks in each.

Ladies Of Methodist Circles Meet On Monday To Hear Reports On Objectives

The Rainbow Circle met Monday at 2 o'clock in the church basement with Mrs. Grubbs, the chairman, presiding.

The devotional was conducted by Mrs. Claud Womack who used the love chapter. A number of visits were reported and a new visiting committee appointed. \$2.55 was made on the bake sale.

Mrs. Merritt reported on the recent council in Birmingham which she attended. Told of the delightful car trip through Texas, Louisiana, Mississippi and Alabama, of hearing Gypsy Smith before the council began.

The home and foreign missionaries present and the plans for the next year's work. While there Mrs. Merritt visited a Wesley house, a Bethlehem house, a cooperative home for young women and a Methodist college.

This circle had as visitors Mrs. Grubb's mother and two sisters. They were Mrs. Bashke and Mrs. Haley of Dallas and Mrs. Terry of Clarksville.

They will meet next Monday at 2 and then join the regular Missionary society at 3:30.

Mrs. Jeff Dobb's circle met at 3:30. The members worked on a quilt.

Shakespeare Club Meets With Mrs. Joe Smoot

The Shakespeare Club was entertained Friday by Mrs. Joe H. Smoot with Mrs. Thomas E. Smith as leader. The lesson was on Southern Fiction. Roll call was answered with Current Events. Mrs. Snyder gave a beautiful review of "An Old Fashioned Senator" by Harris Dixon.

Mrs. J. M. Thomas told of the Future of the South, basing her talk upon Munn's "Advancing South" and Robertson's "The Changing South." Quotations from "Taming of the Shrew" and a lesson from this play were also part of the program.

Mrs. Russell was a guest.

The hostess served creamed chicken in patty cases, moulded fruit salad, potato chips, olives, hot rolls, coffee and home made candy at the refreshment hour.

The next meeting is with Mrs. Snyder.

Club Members Only Be Entertained By Contract

A decision to entertain only club members at meetings during the summer months was made at a business meeting held by members of the Contract Bridge Club at the home of Mrs. E. A. Dierdorff late Tuesday afternoon.

Beginning some time in June, the date to be decided later, the club will meet every two weeks instead of each week during hot weather, and only light drinks are to be served as refreshments. Mrs. R. D. Bridgford was chosen reporter for the club.

Wednesday Contract In Meeting With Mrs. Wilson

In a setting made lovely and fragrant with peach and pear blossoms, Mrs. Walter Wilson entertained the Wednesday Contract club Wednesday afternoon.

High score was won by Mrs. Gilbert Quinney. The following were guests: Mmes. Johnny Rector, Luther Scarborough, and J. T. Whitmore; Mrs. Leatherman of Temple, who is visiting Mrs. M. O. Chapman.

Refreshments were sandwiches, salad, candy and punch. Mrs. Chas. Wyatt is next week's hostess.

NUPTIALS OF MISS M'GILL AND T. E. DODGE OBSERVED IN COLORADO LAST SUNDAY

Bride Is Serving Her Second Term As Superintendent Of County Schools

A wedding of great interest to all of Mitchell county was that of Miss McGill who Sunday morning became the bride of Thaddeus Ed Dodge of Albany.

The wedding vows were said in the McGill home in a lovely setting of roses, lilies and orange blossoms at 9:30 A. M.

Miss Virginia McCreeless, cousin of the McGill home in a lovely setting of roses, lilies and orange blossoms at 9:30 A. M.

The bride and groom entered together, Mrs. C. C. Thompson being the only attendant. "At Dawning" was played during the ring ceremony which was said by Rev. W. M. Elliott, assisted by Rev. Sollie McCreeless of San Antonio.

The bride was attired in a modish blue suit trimmed in blue fox with accessories of blue. She carried an arm bouquet of Talmah roses and Easter lilies. The groom wore a business suit.

The two tiered wedding cake surrounded by sweet peas and topped with a miniature bride and groom centered the dining table from the silver service. At one end Miss Goldie Dodge poured coffee which was served with the wedding cake. Mr. and Mrs. Dodge left immediately on a wedding trip the destination of which was not divulged.

Out-of-town guests were Mr. and Mrs. Sollie McCreeless and Miss Virginia McCreeless of San Antonio; Miss Goldie Dodge, Mr. and Mrs. John Bennett and son, John of Albany.

Miss McGill is the only daughter of J. M. McGill. She was born and reared in Colorado, being educated in the public school and Texas University.

She is finishing her second term as County school superintendent, having made a record of worthwhile accomplishments for the county schools. She is loved and admired for her many lovely traits of mind and heart and the best wishes of a host of friends accompany her in her new life.

Mr. Dodge is a business man of Albany, a cousin of Roy, Boyd and Fred Dozier and well and favorably known here.

Mr. and Mrs. Dodge will make their home in Albany.

Pre-Easter Week Of Prayer To Open Monday

The women of the Christian church will hold their pre-Easter week of prayer, beginning Monday at 3 o'clock with Mrs. Ed Jones as leader. Her subject will be "The Triumphal Entry." Tuesday there will be a night service with Mrs. Porter, leader, the subject being "Fellowship With Him." Wednesday evening the entire church is expected to attend the service which is to be conducted by Rev. Jones.

Ruebelle will appreciate your vote for County Clerk. ttp.

VOTERS PETITION GARRETT TO ENTER CANDIDACY FOR COUNTY ATTORNEY OFFICE

200 Urge Local Attorney To Run For Place, Friends Announce Tuesday

Admirers of W. H. Garrett, Colorado attorney and formerly county attorney, announced Tuesday morning that he would be offered as a candidate for county attorney, subject to action of the Democratic primary election in July. It was represented that 200 qualified voters had signed petition urging Garrett to enter his name as a candidate. He declined to consider the matter seriously at first, it was said, but when shown petitions carrying names of some 200 voters, agreed to comply with their wishes.

Judge Garrett has followed his profession as an attorney in Colorado during the past fourteen years and is among the popular members of the local and district bar associations. He has filled the office of county attorney during the past, discharging the duties involved without fear or favor to any individual or interest.

The record of Judge Garrett as a private citizen, his friends would remind, is as commendable as that of a public official. Since establishing his home in Colorado the attorney has taken an active interest in affairs of the church and programs for which the church stands.

Supporters of the candidate cordially invite that voters make due investigation of his qualifications for this important office. They are offering their candidacy solely upon his own merits and as such solicit your influence and your support at the polls.

DEATH TAKES MOTHER OF L. B. ELLIOTT AT DENTON AFTER LINGERING ILLNESS

Mrs. I. L. Elliott Resided In Mitchell County For Several Years

Mrs. J. L. Elliott, 67, mother of L. B. Elliott of Colorado and Mrs. Arlie Martin of Loraine, died at Denton Sunday afternoon at 2:40 o'clock following a lingering illness. Burial was in a Denton cemetery Monday afternoon following rites at the Cumberland Presbyterian church in that city at 2:30.

Condition of Mrs. Elliott had been considered grave for the past several weeks and Mr. Elliott and Mrs. Martin had made frequent trips to Denton to attend their stricken mother. They were called to Denton Thursday night and Mrs. Elliott went to that city Saturday. All were present when the end came. Deceased was the wife of a well-

CONGRATULATIONS

To the People of
COLORADO
Upon the Installation of
**RCA Victor
Photophone
"HIGH FIDELITY"**
In The
Palace Theatre

Daily thousands are thrilled by the glorious sound reproduction in the Roxy Theatre, Radio City. And now, the patrons of THE PALACE THEATRE will be able to listen to sound pictures just as thrilling, just as brilliant and realistic as those at Radio City.

This new equipment for moving picture sound reproduction is the latest development of RCA Victor Photophone engineers, and is as great an improvement over the old type talkies as they in turn were over the silent pictures.

Come to the great gala opening then, Sunday and Monday, prepared to hear a most astounding demonstration of what RCA Victor Photophone engineers have accomplished. A great program... an evening of exceptional entertainment awaits you.

Hear It at the Showing of

PALACE THEATRE

MOVIES

With the showing of "Moulin Rouge" as the opening vehicle, Mr. Dixon, manager of the Palace Theatre, announces the public dedication and operation of the revolutionary new "High Fidelity" sound reproducing system which has been installed

by the RCA Victor Company. Working in the early hours of the morning so, as not to interfere with the regular showings, sound technicians from the great laboratories of the RCA Victor Company, at Camden, New Jersey, have installed and tested the new High Fidelity System and reported it ready. A new giant loudspeaker, capable of reproducing the entire range of audible frequencies with the utmost fidelity, has been installed behind the porous screen from which the sound emanates, and with the new sound head and high quality amplification system in the projection booth, the stage is set for presenting the greatest advance in theatre sound since the advent of talking movies.

Technical progress in the sound motion picture art has been so rapid and far-reaching since the time, four years ago, when speech and music were added to the moving image on the screen, that sound reproducing systems of the earlier days are now hopelessly inadequate in recreating the finely recorded pictures of the present day. Whereas previous systems have been able to reproduce tones as low as 100 cycles and as high as 6,000 cycles at the very best, the new RCA Victor equipment can faithfully reproduce tones as low as 60 cycles and as high as 10,000 cycles.

The range of volume too, has been improved so that the inest whisper of the wind in the grass or the great crescendo of a symphony orchestra may be reproduced with equal fidelity. The development of the new High Fidelity system comes as the culmination of years of persistent research and experiment by a group of en-

Allred Favors New Control Of Boxing Under Texas Laws

Removal of the supervision of boxing and wrestling from the State Labor Department and placing that authority elsewhere, preferably in the Adjutant General's Department or the State Racing Commission, was advocated Friday by Attorney General James V. Allred.

The recommendation was part of a labor plank he issued to supplement previous partial announcements of his platform in the race for Governor. He said in a letter to George H. Slater, executive secretary of the Texas State Federation of Labor, that he will urge the Legislature to make the change.

Engineers with a background of more than thirty years of acoustical experience. It was this same group of engineers that was responsible for most of the major advances in radio broadcasting and in marine and transoceanic communications.

With the installation of this remarkable new RCA Victor High Fidelity apparatus in the Palace Theatre, motion picture fans of Colorado will enjoy sound of the same high standard as that in the two finest theatres in the world, the Roxy and International Music Hall of Radio City, in Rockefeller Centre, New York, for the sound systems are practically identical in operation and quality of reproduction.

Class is written all over the opening picture, "Moulin Rouge," for this new installation at the Palace, the chief features of which are elaborate production numbers, catchy tunes, plenty of pretty girls and a top notch performance by Constance Bennett. The latter, playing a dual role, is much more animated than usual and has ample opportunity to display a gorgeous wardrobe which is bound to please the ladies. Story is that of a stagestruck wife, who impersonates a French star to prove to her husband that she really has talent. This provides for many amusing complications leading up to her final triumph. Directed by Sidney Lanfield, and starring Constance Bennett, Franchot Tone, Tullio Carminati, Helen Westley, Russ Columbo and the Boswell Sisters.

SNOWDEN JURY ACQUITTED ACCUSED THURSDAY AFTER DELIBERATING 3 MINUTES

Jim Hudson Case Continued Friday For Term After Motion By Defense

Ed Snowden, former Colorado filling station operator, Thursday afternoon was freed by a district jury on charges of selling intoxicating liquors in violation of State law. It was only three minutes from the time the twelve men received the case and retired until they reported verdict of not guilty, District Attorney Mahon stated the next day.

Jim Hudson, indicted for alleged violation of the State liquor laws recently by the Mitchell county district court grand jury, was arraigned for trial Friday morning but the case was continued for the term on motion of defense attorneys.

Contention of defense that the jury panel was disqualified in the case, by reason of having heard evidence in the Snowden trial and that the same witnesses would be used in the Hudson case, was upheld by the court.

SOUP DEMONSTRATION IS PLANNED FOR SATURDAY

Soup, in all of its many varieties, is to predominate at the Pritchett & Rose grocery Saturday. Under personal supervision of representatives of the Heinz Packing Company, appetizing bits of this food will be given complimentary to those calling at the store. The day is "Soup Day" and the goal is to sell 1200 dozen tins of the well known brand during the time.

"The Heaven Song," Opal Martin, Louise Ohlenbusch, Billie Marie Rowland.

A game arranged by Ruth Ann Hall was played.

The hostess served delicious sandwiches, cake and tea.
Lola Mearse, Billie Marie and Winnidel Rowland are hostesses for the next meeting in April.

LORAINNE BAND TO BIG SPRING

Lorainne High school band, accompanied by director W. L. Leggett, trustee, faculty members, friends and patrons, gave a 20-minute program at the opening session of the Oil Belt Teachers association held at Big Spring at 4:30 P. M. Friday.

The band composed of 20 members and rather new in organization is making creditable progress and of which the Lorainne school and citizens are proud.

GENERAL CHURCH AND S. S. BOOST

A chili feed and get-together meeting for the men of the Lorainne Baptist Sunday school classes in a church and Sunday school host sponsored by George and Narrell, Lorainne business men and held in the basement of the church Tuesday night was well attended, with 42 members present.

Superintendent Clyde Bennett, was toastmaster. Rev. Dick O'Brien, pastor of the First Baptist church of Colorado was the principal speaker on program selecting as his subject "Our Ancestors" such as being ugly and green and bringing out many good moral points.

A number of local members also spoke in an interesting way. Rev. A. C. Hardin, Frank Brown and J. C. Hall's Sunday school classes were among those present and all expressed themselves as having enjoyed the occasion very much.

BAPTIST CHURCH NOTES

Considering the weather, attendance was fine at Sunday school Sunday. Mr. Branes class led the adult department; Judge Hall's the young people; Mrs. Johnson's, the Intermediate department; Miss Jeters, the Junior department, and Mrs. Foy's in the Primary department. A fine spirit exists throughout our Sunday school.

Rev. A. C. Hardin brought a message from Matthew 16:26—Sunday morning. Sunday evening his subject was "The First Gathering of the Christian Church" as found in the first chapter of Acts.

B. T. S. was well attended Sunday evening. Every leader and sponsor was present except one.

Our Training school was postponed until June. We hope everybody will be "ready to go" and get Lorainne a banner again. Every member a tither is our goal for April.

WESTSIDE CIRCLE

The Westside Circle of the Baptist W. M. S. met with Mrs. Everett Henderson Monday. Mrs. Henderson led the devotional and Mrs. Shultz offered prayer. Mrs. Shultz also conducted the lesson in the absence of the teacher, Mrs. Jarratt.

This circle also made definite plans to quilt their quilt for the orphans' home on the fifth Monday in April. Mrs. Reichburg closed the meeting with prayer.

This circle will meet with Mrs. J. A. Martin next Monday.

W. M. S.

W. M. S. of the Methodist church met Monday afternoon with thirteen members present.

Opening song: "I Need Thee Every Hour." Prayer was offered by Mrs. Edd Williams. Mrs. W. L. Hester led the Bible study from the 15th chapter of 1st Kings to conclusion of the book.

THOSE DISCUSSING THE LESSON WERE:

Mrs. Forcher, Mrs. Meador, Mrs. Griffin, Mrs. Piquet and Mrs. Williams.

COLORADO FFA YOUTHS ON PROGRAM AT ANNUAL AREA MEETING GIVEN SATURDAY

Ten-Piece String Band Was Heard At Gathering In Abilene High School

Thirteen members of the Colorado Chapter, Future Farmers of America, were in Abilene Saturday afternoon to attend annual district gathering of these vocational units in high school. Lenn Bodine, member of the local chapter, attended as treasurer of the district organization. Bill Galey, president and Jesse Jones, reporter, were officials to represent the local unit.

The other ten boys attending from Colorado were members of the FFA string band. The musicians were presented on special entertainment program, given at the Abilene high school building.

Principal address was by Judge Otis Miller of Jones county who spoke from the subject "The Six Seas of Success." P. G. Haines, State supervisor of FFA and J. B. Rutland, assistant State chief, both of Austin, were others to address the meeting.

Doyle Williams, director of the Colorado Chapter, stated Monday that 18 of the schools holding membership in district organization had representation at the meeting.

NEW ADVERTISING CHIEF IS ANNOUNCED BY CHEVROLET IN BIGGER BUSINESS DRIVE

C. P. Fiskin, Starting With Company Ten Years Ago Has Many Promotions

The appointment of C. P. Fiskin as advertising manager of Chevrolet Motor Company is announced today by William E. Holler, general sales manager.

Mr. Fiskin succeeds R. H. Crocker, who becomes associated with Campbell-Ewald Company.

Starting as a Chevrolet representative in the Janesville zone more than 10 years ago, Mr. Fiskin has steadily advanced to positions of greater responsibility each year. From representative to sales promotion manager of the zone was his first step and this was quickly followed by his elevation to regional sales promotion manager of the Great Lakes region, one of the largest and most important in the country.

Mr. Fiskin's first sales executive position came with his return to Janesville as zone manager. His excellent record in this position was followed by his transfer to Indianapolis as zone manager.

More than two years ago Mr. Fiskin was called to the central office in Detroit and promoted to manager of the truck department. Under his supervision, Chevrolet closed 1933 with retail deliveries of 103,500 commercial and truck units, leading all other manufacturers in truck as well as passenger car sales.

Last October Mr. Fiskin was appointed manager of the sales promotion department of Chevrolet and it was under his direction that the successful launching of the new 1934 Chevrolet took place. Mr. Fiskin's elevation to the most important advertising post in the automobile industry followed his unusually fine record over the ten year period.

on the lives of Texas citizens. Mr. Ebert O. Elliott of this city is a stockholder in the Gulf States Security Life Insurance Company.

In his annual report on the operation of the company, Mr. Marvin said that the organization was charted as being among the few companies not showing a loss of insurance in force during the past year.

He reiterated his endorsement of the strict Texas laws regarding investments of life insurance firms. "My observation of the latitude taken in some of the states convinces me even more strongly that the laws restricting the investments of life insurance companies for the protection of the policyholders are such that, as a citizen of this State, I would certainly want my insurance protection in a Texas company," he said.

SCOTT OFFERS RECORD AS PLATFORM IN BIDDING FOR ELECTION TO LEGISLATURE

Additional Relief To Public In Tax Reform Sought By Nolan County Man

Will H. Scott of Nolan county, representative from the 117th legislative district, Tuesday morning announced his candidacy for re-election. The candidate, in a message to The Record from Sweetwater, outlined that he was very busy just now but hoped to find time to carry his candidacy personally to voters of this and other counties of the district.

"My record as a servant of the people of my district and the State at large is the platform upon which my candidacy for reelection is to stand," Scott said. "I have reasons to believe that an accounting of my stewardship as member of the legislature will qualify my claims for asking for the office another term."

During the past regular session Scott filled some of the major committee appointments at Austin. He was a member of the appropriations committee, that, according to the House Journal, shaved \$13,000,000 from annual expense of operating the State government. Scott has recently outlined that still additional reductions should be made and that if returned to Austin shall use his best effort to attain that needed relief.

He served with distinction on the Highways and Motor Traffic committee, personally sponsoring remedial measures calculated for greater efficiency and a subsequent curtailing of expense there. He was chairman of the School district committee.

It was through direct efforts of Scott, as a member of the legislature, that Mitchell county last year realized liquidation of \$229,570.15 of a total highway bond indebtedness of \$255,000.00. The amount was transferred to the State, thus relieving local property owners of further payments on the same.

"The State should assume all of this road bond issue, along with balances held against the property of all other counties of Texas and if elected to the legislature again it shall be my purpose to see what can be done about it," Scott declared. Considerable study was given this question during the last legislature.

The candidate expressed appreciation for the support given his candidacy in other years by the voters of Mitchell county.

Bauman News

There were only 26 present for Sunday school last Sunday. We missed all that were absent. Next Sunday is preaching day, so let us decide now to be in Sunday school on that day. We are looking for at least 90 next Sunday.

Miss Edith Wilkerson, primary teacher at Bauman, attended the Oil Belt Teachers Association at Big Spring last Saturday.

The Bandanna Minstrel was presented before a full house last Friday night. The gross proceeds were \$27.50. We wish to thank every one that had any part in making this minstrel show a success.

On Friday night of this week the members of the Ladies Bible class of the Bethel Sunday school will give a pie supper. They have arranged for an interesting program to be presented that night. There will be guitar music, violin and piano music, piano solos, and two male quartets will be present to sing. All candidates of the county and district have been invited to be present and say a few words to the people regarding their candidacy. Everyone is invited to come out and have a good time.

Six more children were given the vaccination against diphtheria last Monday. That makes a total of 66 children in this community that have been immunized against diphtheria. We want every child in this community that has not taken the diphtheria serum to take it next Monday. Dr. W. L. Hester will be at the schoolhouse next Monday afternoon at 2 o'clock. The cost is only 50 cents.

M. D. Cheek is taking medical treatments in Glen Rose this week. Jim Lee and daughter Ina Bess left Sunday for Longview, Texas, where they will visit Mr. and Mrs. Jesse Davidson. Mrs. Davidson is a daughter of Mr. Lee.

Mr. and Mrs. C. M. Black and daughter Doris, visited in the R. E. Moore home in the North Champion community last Sunday.

Mr. and Mrs. Charlie House left Friday for a visit with relatives in Eastland county. They also plan to visit in Wichita Falls and go from there into Oklahoma before returning home. Mr. House has been ill in her home for the past twelve days. We are hoping that when she returns from this trip she will be in better health.

Mr. and Mrs. Wallace Richards returned home Thursday from a visit with their daughter in Adamsville, Texas.

Fine Wiggins and his little sister Hatti Mae visited relatives in Iatan Sunday and Monday.

PROGRESS NOTED IN CWA NURSERY AS MORE ARE ENROLLED EACH DAY

We are enrolling more different children in the nursery every day

that classes meet. There have been forty nine different children in the nursery since it started nine weeks ago. There are several mothers who want to send their children, who are not eligible. I wish it were so that we could take every pre-school child in Colorado. This is one of many projects however for the unemployed or CWA families.

There are several of these, however, who have not taken advantage of this. If you need help before the children can come, call us at the high school. Miss Jennings will tell some of us and we shall be glad to come and help get your children prepared to come. We want them and they need us.

We are expecting the chairs which the women's clubs ordered any day. Everyone in anyway connected with this work appreciates this helpful addition to our equipment.

We want every child who has ever come or hopes to come to the nursery to be present Thursday, March 22, because we want a picture taken of the whole group.

Business Continues On Upward Trend, Dallas Man States

Definite indication that general business conditions are on a profitable uptrend has been pointed by Z. E. Marvin, President of the Gulf States Security Life Insurance Company of Dallas at the annual meeting of stockholders and directors held in Dallas, Tuesday, March 13th.

With all business firms going ahead convinced that the return of prosperity literally is in sight, large corporations have been able safely to declare dividends to stockholders, Mr. Marvin stated. He remarked that the Gulf States Security, a Texas institution, announced a six percent dividend at its recent meeting.

"This is the first stock dividend this company has declared, and it is a remarkable showing in view of the fact that the organization is but six years old," Mr. Marvin said. "It marks one of the rare instances in the United States where a comparatively young company has grown sufficiently to declare such a dividend in such a short time."

At the meeting, the stockholders and directors gave the management of the company high praise for their efforts in building the organization, the company having been established only six years ago, and having already placed over thirty-seven million dollars of life insurance in force

**Local Girl Married
Sunday To Business
Man At Arkadelphia**

From an Arkadelphia, Ark., newspaper the following interesting information about Miss Cornelia Cooper, popular Colorado girl, comes:

Miss Frances Ray entertained with a miscellaneous shower Friday evening, March 16, complimenting Miss Cornelia Cooper of Colorado, Texas, who has made her home for the past year with her uncle and aunt, Mr. and Mrs. C. P. Mitchell. During the evening the guests enjoyed several contests in which Mrs. Alva Tobey and Miss Lucille Taylor were winners. With clever speeches they presented prizes to the honoree. Miss Cooper being winner of ring contest, Miss Ray presented her with the shower gifts as the prize. A lovely salad plate was served to 30 guests. The favors were hand painted wedding bells announcing the wedding date.

At four o'clock Sunday afternoon March 18, at the home of Mr. and Mrs. C. P. Mitchell, their niece, Miss Cornelia Cooper, of Colorado, Texas, and Mr. Henry McClenney of Carlisle, Ark., were united in marriage with the Rev. Vestal of Carlisle officiating. Attendants were Roy Mitchell, cousin of the bride, and Miss Ruby McClenney, sister of the groom. The decorations were a bank of evergreens and bridal wreath flanked on each side by massed papyrus willows, and daffodils. The bride's costume was a white swaggar suit with brown accessories. She wore a corsage of Etoule de Lyon rosebuds and lilies of the valley.

Following the ceremony refreshments were served to relatives and close friends, the bride cutting the cake. Miss Frances Ray and Miss Margaret Edwards of Malvern assisted in serving.

Mr. and Mrs. McClenney will reside in Carlisle where he is associated with his father in the wholesale grocery business.

Mrs. C. P. Mitchell honored Miss Cornelia Cooper and Mr. Henry McClenney with a wedding breakfast Sunday morning at eleven o'clock. The table was laid with a lace cloth with centerpiece of bridal wreath and daffodils. Silver candlesticks with yellow tapers were used. Drooping from the chandeliers were silver bells. Miss Frances Ray gave a toast to the bride and Miss Margaret Edwards to the groom.

Science reveals WHY Bread is our outstanding Energy food

Now, as never before, is vitality the key to success in every walk of life. Our great national need is for a proper diet containing all the essential food elements. In such a diet the largest need is for endurance energy that promotes and enhances vitality for life's activities, work and play.

Bread, in its many appealing forms, supplies this energy efficiently. Eminent scientists now explain why. Note their statements in the significant new book (which you may secure, free, from us) "Vitality Demands Energy" . . . statements making clear the indisputable value of bread, and other baked wheat products, in the diet. Carbohydrates are eaten mainly to supply energy. They are contained abundantly in bread—50% to 55%. White bread is one of the most easily digested of foods. It not only furnishes abundant energy, but also contributes proteins for muscle building and repair. Thus bread and other baked wheat products play an outstanding role in the proper combination of foods necessary for a complete diet. Energy food is just as essential in the strictest program of weight control as

for the hardest kind of physical effort . . . it is merely a question of quantity required in each case. Beauty, the zest of living, are not possible without abundant energy.

Bread is appetizing . . . it "goes" with everything. An economical source of energy. Convenient, wholesome, sanitary . . . as baked for you, in pleasing variety, in the modern bake shop.

Betty Crocker, world's foremost home cooking authority, now suggests many delicious new uses for breads . . . in this fascinating new book "Vitality Demands Energy 109 Smart New Ways to Serve Bread. Our Outstanding Energy Food." Clever new suggestions for combining bread with other foods to make an appetizing, well balanced diet. Ask us for your free copy of this valuable book (write or phone us if you wish). Include baked wheat products in every meal!

Every statement about bread in this book has been accepted by the Committee on Foods of the American Medical Association.

Quality bread gives more food value for your money . . . more satisfaction. Insist on quality bread!

In recent years, competition in the hatchery business is said to have been so keen that many hatcheries have made it a practice to set more eggs than were necessary to produce the number of chicks for which they had orders. The result has been heavy overproduction, with very low prices, especially late in the season. Chicks can no longer be placed on the market below the individual seller's cost of production by those who come under the Hatchery Code. This provision is expected to prevent the production of heavy surpluses.

Baby Chick Surplus Expected Be Cut By Industry NRA Code

Farmers and others who expect to buy baby chicks this season should file their orders early to be sure of receiving the number and breed of chicks wanted, according to representatives of the coordinating committee of the Hatchery Code which became effective in January.
The unusual production of surplus supplies of chicks is not expected this year, because provisions in the Hatchery Code make it inadvisable for hatcherymen to have large surpluses.

In recent years, competition in the hatchery business is said to have been so keen that many hatcheries have made it a practice to set more eggs than were necessary to produce the number of chicks for which they had orders. The result has been heavy overproduction, with very low prices, especially late in the season. Musical Program Is Enjoyed At Meeting Lottie Moon Circle

Thursday afternoon at the home of Mrs. J. C. Etheridge, the Lottie Moon Circle of the W. M. U. gave a beautiful St. Patrick's Day tea. This custom had been originated by Mrs. G. W. Smith when she was chairman of the circle and is to be made an annual affair in memory of her interest and work.

The house was prettily decorated in a St. Patrick motif. The tea table was especially beautiful. The lace cloth was laid over green with a centerpiece of white sweet peas in a crystal vase placed on a reflector with crystal candle sticks holding green candles. Tea was poured by Misses Mary Frances Majors, Laura Louise Pearson and Lucille Rose. Misses Melba Sinton and Sidney Thomas assisted in serving the sherry, coffee, mince and tea.

A beautiful program was given during the afternoon. This was composed of a piano solo by Mrs. O. B. Price, a vocal solo by Miss Willie Fayne Hall, a reading by Mrs. Vivian Shropshire, violin solo by Mrs. Crymes, piano solo by Mrs. Meskimen, reading Frances Rose Ratliff, vocal quartet, Jane Meskimen, Frances Cooper, Betty Hodges, and Marie O'Brien; piano solo, Mrs. Latham; violin solo, Mrs. Deter; piano duet, Mrs. Robert Terrell and Mrs. O. B. Price; vocal solo, Mrs. N. H. White.

A large number of friends called during the receiving hours, which were from four until six, and a large silver offering was received for the circle's treasury.

MITCHELL STUDENTS HAVE INVITATION ENTER REGION ART CONTESTS IN ABILENE

Area Events At Simmons U. Expected Attract Large Number Artists

Invitation to students in West Texas public schools, which are members of the Interscholastic League, to enter the Region 2 art contest, to be held at the Caldwell Fine Arts Building, Simmons University, Abilene, on Saturday, April 21, has been extended by Miss A. M. Carpenter, director.

Heretofore, contestants have been admitted to the State League meet without prior qualification in a regional meet; but this year contestants in order to enter the Austin meet must have won first place in a regional competition.

Any member school is entitled to enter one contestant in each of the three events, which are: To draw in charcoal, or to paint in color, a group of "still life" objects, and to model in clay, wax or soap.

Each school having one or more entries must send the names of contestants in due form by April 17. No charge is made for entering.

Students winning first place, enter the State meet and also participate in the League rebate fund.

A student having won in a previous year does not disqualify his entry again.

First, second and third awards will be given in each of the three events in the regional contest.

Two scholarships (one year's work in the Simmons Art Department) will be given by the department director, Miss Carpenter, to the boy and girl graduating this spring, who exhibits the most ability in the contest.

Further information on the contest and application blanks may be secured by writing Miss A. M. Carpenter, Simmons University, Abilene.

Region 2 is made up of the following counties: Kent, Borden, Fisher, Howard, Nolan, Stonewall, Scurry, Jones, Mitchell, Taylor, Knox, Throckmorton, Stephens, Callahan, Erath, Haskell, Shackelford, Palo Pinto, Eastland, Sterling, Runtell, Tom Green, Scheisher, Sutton, Coke, Irion, Concho, Menard, Kimble, Coleman, Comanche, Mills, Brown, McCulloch, Hamilton, San Saba, and Mason.

There will be 8 of these regional contests held over Texas this year, on the same date April 21.

Mrs. Bob Lovejoy of Colorado and Davis R. Hall of Abilene returned Thursday from a visit with relatives in Los Angeles, California. They were accompanied by Mrs. Henry Richards and daughters of Los Angeles and together the group are visiting in McAllen.

Special Prices on Wall Paper this week at W. L. Doss, Druggist.

Mr. and Mrs. Glen Leatherman of Temple arrived Sunday from a visit in Culver City, California, and are guests in the home of his sister and family, Mr. and Mrs. M. O. Chapman.

Miss Bruce Montgomery, after a vacation of several days, has returned to her place in the Ringlette Beauty Shop, operated by Mrs. Robert O. Lucas at 115 East Eighth street.

PIANO TUNING—Located here. Pianos tuned, regulated and repaired. Call Terry Place, 337 Walnut st., Phone 38-W. 1tpd.

Mrs. W. M. Elliott and sister Miss Hennie Meriwether went to Sweetwater Wednesday.

Jack Winfrey, Pecos hotel operator, was a visitor at the Colorado hotel Wednesday. Winfrey was formerly assistant manager of the Colorado.

Mrs. Frank Kelley visited the Fat Stock Show in Ft. Worth the past week.

Mrs. John A. Deffebach visited her parents in Ft. Worth and attended the Stock Show this week.

SCHOOLS READY FOR INTERSCHOLASTIC LEAGUE CARD

SEVERAL HUNDRED PUPILS AND TEACHERS TO ATTEND EVENTS FRIDAY, SATURDAY

Two-Day Contest To Open At High School Building On Friday At 9 o'Clock

Colorado will be the mecca for several hundred Mitchell county school boys and girls as annual interscholastic League is formally opened here Friday morning. C. A. Wilkins, director general of the meet, stated Monday afternoon that 23 schools would compete in the contests.

Along with the large quota of students entered for competition in the literary, field and track events, will come scores of others as spectators, including teachers, faculty members and others. Wilkins stated that interest in the meet indicates good attendance records through both of the two days.

The meet will be formally opened Friday morning at 9 o'clock with the literary events in high school auditorium. The field and track events are scheduled to get under way at the same hour Saturday.

Many of the schools have been in practice for weeks for the contests and subsequently will bring teams of strong competitive strength to the meet. Wilkins stated winners in the several divisions are to be qualified for entry in region contests to be staged later.

Cantrill Field will be scene of the track and field events during Saturday. Wilkins invites the local public to witness these contests.

Lions Plan Sending Delegation To Area Meeting At Snyder

Colorado Lions will be expected to attend quarterly district conference in Snyder Friday night in large number according to statement made Friday by President Joe B. Mills. Mills announced appointment of Clarence Hornberger as chairman of the transportation committee directing motor caravan to the Scurry county city and return.

The Snyder Lions club, recently re-organized after several months of inactivity, is one of the most rapidly growing units of the service organization in West Texas. One member alone has been responsible for 13 new members being added to the club.

TOKEN OF APPRECIATION GIVEN MRS. GRABLE BY CWA OFFICE EMPLOYEES

Mrs. Bernie Grable, nee Miss Marie Johnson, assistant secretary of the chamber of commerce and detail clerk in offices of the county CWA headquarters, Monday morning was presented with an attractive living room chair by fellow employees in the two offices. Presentation speech was made by J. H. Greene.

Miss Johnson and Mr. Grable were married in Abilene Sunday, March 11, by Rev. W. C. Ashford of Southside Baptist church. They returned to Colorado late Friday from wedding trip to Fort Worth and other points in Central Texas.

HEEL FLY TIME TO END APRIL 1, JONES STATES

Cattlemen will welcome arrival of April 1, due to fact there will be no more tantalizing heel flies to chase cattle over the hills with their tails unfurled to the breezes, mused Otto F. Jones, manager of Spade ranch, who spent a few hours in Colorado Tuesday.

LIONS DISTRICT GOVERNOR LAUDS PROGRESS OF CLUB HERE DURING RECENT PAST

Del Harrington Was Visitor In Colorado Friday; He Continues Optimistic

Del W. Harrington of El Paso, governor of District 2-T, Lions International, was a visitor with the Colorado club Friday. Friday morning Governor Harrington conferred with local Lions as to plans for annual convention next month and he addressed meeting of the club at noon.

"Lionism continues to register splendid progress at Colorado, a fact that I am delighted to recognize," the district governor stated in address at the club. "Colorado, with 108 active Lions, today boasts the largest of these service organizations in our district."

Governor Harrington presented four new cubs to the club. He spoke of the high principles to which every Lion should subscribe and urged the recently made members to get to work determined to render constructive service for the great organization with which they were becoming affiliated. Frank Mackey, Jeff Curry, Raymond Gary and W. T. Benton were the new members.

Toni Hughes, W. S. Stoneham and John A. Thompson were unanimously elected to membership and are due to be formally received into membership of the club today.

Hutchinson School Harmonica Band In Music, Dance Revue

An interesting program of music and dancing was presented at the Lions Club Friday by children from Hutchinson school under personal direction of Miss Margaret Cook. The children were roundly applauded, suggesting their artistic presentation was appreciated.

The following program was given: HARMONICA BAND Solo: "I Like Mountain Music"—by Kenneth Connel Solo: "She'll Be Coming Around the Mountain"—by Martha Jane Watson. "Little Brown Jug"—Band. "Blow the Man Down"—Band. "Spinning Wheel"—Band. FOLK DANCES "Bleking." "Children's Polka." "Alpine Berg Stick Dance."

EGG WEIGHING OVER 5 OUNCES LAID BY BIDDY ON W. S. WALKER PLACE

"I have observed that editors are, as a rule, underfed, and came into town to bring you this egg," said W. S. Walker of Longfellow community Monday afternoon as he strolled into The Record office with an unusually large hen egg.

The interesting egg, perfect in all respects, weighed five and one-half ounces and is eight and one-half by six and three quarters inches in size. Walker had it figured out that a dozen of this size eggs would weigh sixty-six ounces.

BREAD MIXING MACHINE INSTALLED AT BAKERY

Installation of a Read Mixing Machine, modern, sanitary equipment for mixing dough, has been recently completed at Whitaker's Bakery. The machine has capacity of 900 pounds of dough, the equivalent of about 850 loaves of bread. G. W. Whitaker, manager of the bakery, states that the machine is the last word in scientific and sanitary bread making.

MRS. W. N. CROSTHWAITE RETURNS HOME FRIDAY

Mrs. W. N. Crosthwaite returned to her home in Colorado Friday night after a visit of several days in Colorado Springs, Colo., where she had been called due to serious illness of her mother, who died there March 10.

MAGAZINE OFFER CAUSES PATRONS CALL AT STORE

Hundreds of visitors called at the Safeway Store last week-end to receive copy of a popular magazine being given complimentary by the management. Seven hundred and fifty of the magazines were given away, beginning Friday morning.

DEAD LINE FOR GETTING 1934 TAGS NEARING, IS WARNING TO MOTORISTS

Mitchell county motorists who have not as yet equipped their car or truck with regulation 1934 license tags are reminded that March 31 is the deadline for attending to this matter. After that date a penalty of 20 percent will, under provisions of the law, be tacked on stipulated registration fee.

In a recent act of the legislature a permanent statute was enacted under the provisions of which annual registration periods were moved ahead sixty days to end March 31, rather than the first day of February as in the past.

A number of citizens of Mitchell county have been driving cars with the old registration plates, it is pointed out. Payment of the fee should be attended to, before end of the present month.

COLORADO GIRLS TO PLAY IN STATE A. A. U. OPENING AT CELESTE ON TUESDAY

Team And Chaperon Leave For Central Texas City Tuesday Afternoon

Red Coffman and his girl basket-ers left Tuesday afternoon for Celeste where they are entered for competition in annual State A. A. U. meet, opening Tuesday evening. The Colorado sextet is to play their first round Friday night at 8 o'clock pitted against Pike.

A total of 32 teams had been entered in the tournament Monday afternoon according to wire received from W. F. Jacoby of Dallas, official director of the tournament. Colorado received invitation to enter competition in the meet Monday.

"Our registration for competition in the Celeste tournament is a distinct honor to Colorado, due to fact officials of the State A. A. U. personally select teams for competition there," C. A. Wilkins, principal at high school, declared. "We were invited to enter the State meet after officials of the Celeste contest had witnessed our girls in action at Plainview last week."

SHOP BUYER TO DALLAS FOR NEW SPRING MODES

Miss Hazel Costin, buyer for The Model Shop, left Sunday for Dallas to purchase new Easter merchandise for the store. John Summers, manager, stated Monday that shipments of the new merchandise would be arriving this week.

LIONS CLUB WILL MEET AS USUAL FRIDAY NOON

The Lions Club will be convened in regular noon luncheon program Friday. Secretary Grantland desires to impress. Grantland stated Monday that due to plans for attending region meeting in Snyder Friday night some Lions were of the impression that regular meeting would be annulled. Plans for making trip to Snyder are to be concluded at the meeting Friday.

AMERICAN LEGION TALK
Tuesday, March 20, the American Legion brought us a talk on service. Rev. Cal Wright was the principal speaker of the morning.
Mr. Howell made the introduction. Mr. Howell and the American Legion gave Jr. High a place, on which the names of those who had won the American Legion Award from 1931 to 1933 was written. The boy and girl who win in 1934 will have their names on it too.

Other American Legion "boys" who visited us were Mr. Howard Rogers, Mr. Joe Fraser and our superintendent, Mr. John E. Watson.
Bro. Wright said, "The greatest thing we can build is our lives. After we are dead the greatest thing we can leave behind us is a character." The substance of his speech is as follows:
"Man seeks to put his name on history. Everyone of us has something in us that seeks to build something worth while. It can be said that Thomas Jefferson is the father of the public school system. We have these schools because man sought to render service. Our system of thinking is to help one another. Almost every organization wants to render service. I should think all service is a gift from God Almighty. In our homes we learn to render service; then when we go away from home we are willing and ready to render service to others. We can not live without rendering service to our friends and others. We should do the small things because the small things make up a life."

REPORT ON THE RODEO
We had several pupils in Junior High school who visited the Fat Stock Show. Some of them were: Catherine Slagel, John Colson, Sam Richardson. Catherine Slagel has made a report of the rodeo. It is as follows:
All of the many things at the Stock Show were very interesting but I liked the rodeo best. It began at two o'clock with a grand parade of the cowboys and cowgirls. The next event was the bronc riding by the cowboys. They were allowed to hold by only one hand and at the end of 10 seconds were allowed to get off. There were many falls. Then the clown, Homer, with "Mae West" his donkey, made everyone laugh. The next event was the bronc-riding by girls. Only three girls ride each evening. They were dressed in bright costumes—Mexican and Spanish suits. Next was the steer riding contest. The cowboys rode the steers holding only to a rope with a bell attached to it. They were allowed to ride for ten seconds. When the steers ran toward the chutes, the cowboys would climb the fence, not for fun, either. They were in danger if the steer came at them. Then there was the milking contest? The cowboy and his helper roped the cow, one held her head, while the other got one drop of milk in a bottle, ran to one end of the space and back. Then came the trick riding and roping contest. It was very exciting and I could not tell all about it. Then the Indians danced one of their old tribal dances, and the smallest one scalped Homer (his bald spot fell off.). This was almost all but I can not tell half of the interesting things we saw.
A joke: "What's a dogie, papa?"
"It's a calf whose mamma died and it's papa ran off with another cow."

GOOD WRITERS CLUB
Miss Locker received the Good Writers Club report. The ones that passed are:
Seventh grade: Van King, Clyde Morgan, Billie Mann and John Henderson.
Chinning the bar: Ernest Smith, Walter Grubbs.
High jump: Van King, Billie Mann, Billie Miller, Wilburn Whitaker and John Henderson.
Broad jump: Van King, Claude Morgan, Billie Mann, and John Henderson.
SENIORS:
Broad jump: John Farquhar, Glen Gary and Harold Renfro.
Mile race: John Farquhar, Glen Gary and Harold Renfro.
Sixth and seventh grade spelling: James Wyche and Virginia Gurney.
Fifth grade spelling: Freddie Watson and Jo Waidling.
Essay: Jane Meskimen.
Declamation and arithmetic eliminations will be held later.
We hope that the Colorado schools will come out first.

P. T. A. MEETING
The Jr. High School P. T. A. met at 3:30 on Tuesday afternoon. The meeting was opened with a prayer by Mrs. Howell. The Jr. High Choral Club then sang "I Hear the Bees a Humming" and Mrs. Hubbard read a message from the State president of the P. T. A. The remainder of the program was based on "Effects of Physical Conditions on Mental Traits." Mrs. Grubbs discussed "Mealtime Tantrums," in which she discussed the relative merits of force, bargaining, threats, and other devices. Superintendent John E. Watson discussed "How Health Effects the Personality." He discussed the depression of personality caused by handicaps of the eyes, ears, nose and speech. The second part of his discussion was based upon the effect on personality of emotional overwork, caused from wrong type of moving pictures, too much physical exercise, and mental strain at meal time. This discussion took the form of round-table talk.
The rest of the meeting was taken up with business. Mrs. Grubbs read the minutes. Miss Davidson reported for the program committee.
The program for next time will consist of the following:
1. Prayer.
2. Special music by Mrs. O. B. Price.
3. Reading of the State president's message by Mrs. Bob Hubbard.
4. "Growing in Grace of the Family Circle," by Mrs. Hayes Holman.
5. Business.
The report of the executive committee was made by Mrs. Grubbs. Its recommendations for a summer round-up, a prize to be given to the room having the most mothers present at the next meeting, and the payment of the balance due for State membership were voted on and accepted.
The following committees were appointed:
Hospitality: Mrs. Henry Pond, chairman; Mrs. Maurice Kirschbaum; Mrs. E. C. Wyche.
Publications: Mrs. J. M. Doss, chairman; Mrs. George Slaton; Mrs. Bob Lovejoy.
Publicity: Miss Nelle Harper Greene, chairman; Mrs. J. J. Billingsly; Mrs. Lurline McCreeless.
The following room mothers were appointed:
5A: Mrs. Maurice Kirschbaum, Mrs. J. O. Dockrey.
5B: Mrs. J. A. Pickens, Mrs. Chas. Farris.
6A: Mrs. J. A. Watson, Mrs. W. W. Porter.
6B: Mrs. Earl Morrison, Mrs. Jake Chesney.
7A: Mrs. P. W. Hodge, Mrs. Paul Cooper.
7B: Mrs. Bob Lovejoy, Mrs. G. W. Williams.
The president announced a district meeting in Abilene April 20 and 21 and urged all to go.

THE SPARROW ON THE ROOF
The sparrow on the roof is chirping gaily.
As he sits on the old gray roof daily. He comes and goes at his own free will.
As he helps his wife a nest to build. And when the little eggs are laid. He sits and chirps through the rain. Or brings food for his babies three. And helps them fly to the nearest tree.
Then when they have finally flown He leaves them as men of their own.

COLORADO SEXTET OUSTED BY CANADIAN IN TOURNAMENT AT PLAINVIEW LAST WEEK

Locals Win Consolation And Place Two Players On All Tournney Team

By the marginal score of 38-48 Colorado girls lost in annual Southwestern A. A. U. tournament at Plainview last week, but won the consolation and placed two players on the all-tournney team. The charges of Red Coffman, after passing first bracket over Friona by default, went down under defeat before attack of the Canadian sextet, having three players of over six feet in height.
The two girls placed on the all Southwestern team were Christine Bolin and Iva Lee Pennington. Bolin was also voted the best all round player entered in the tournament and Fowler of Colorado the most graceful. Cleo Shepherd was voted the most beautiful player. Garner of Colorado was selected for a place on the second all-tournament sextet.
The Plainview Daily Herald carried the following news story on the tournament in its edition for Sunday morning:
From a high school which has an enrollment of sixteen, twelve of them girls, came the champion basketball team of the A. A. U. Southwestern tournament for high school girls, which closed here last night. Nine of the dozen girls enrolled at Conlen, Dallam county, high school, came with the team to Plainview.
Conlen won the coveted honor by defeating Dimmitt 55 to 35.
Two scrapping sextets upset the dope bucket in the semi-finals of the tourney, and Canadian lost two ball games that were hard for any team to drop. Dimmitt's inspired lassies staged a last minute rally against the big Canadian girls to win by a single point, 49 to 39, and thereby qualified to meet Conlen in the finals.
By two points, 34 to 32, Canadian stepped down to fourth place in the tourney when Billy McClure's Plainview girls played faultless ball in the last half of the game with Canadian. Terrill at center controlled all tips in the last half, in which Canadian had preferred to jump. Walker at forward played a stellar game. Gregg and Hewitt cleverly diagnosed floor plays and intercepted many a pass. Malone in the first quarter and Woods in the closing period rounded out the forwards, hustling the ball on all tips. Plainview scored fourteen points in the last quarter.
Consolation honors went to the Colorado team, which last night defeated Margaret by a score of 60 to 28. Margaret had earlier in the day won 44 to 23 from Happy.
Colorado qualified for the consolation finals by defeating Childress 40 to 25.
Quarter finals of the tournament played Friday night provided some interesting games which kept a large crowd highly entertained.
The fast stepping, petite Conlen Lassies, whose flashy playing made them a favorite with the crowd throughout the tournament, triumphed over Littlefield 56 to 22.
The Plainview High School Pomperians led by the sharp shooting Walker, who scored 27 points, won a decisive victory over Odessa, 44 to 24.
The Dimmitt-Shallowater game at 8 o'clock, proved the most hotly contested with the Castro county girls finally nosing their aggressive opponents out by a 14 to 13 score. Conner, with seven points, led the scoring for the Dimmitt Dames. This able maid also played a fine floor game.
The final game of the evening brought together two of the best teams seen in the tournament in the first game for each. Canadian, presenting a bevy of stalwart femininity, took the measure of Colorado 48 to 38 in a game that offered some excellent basketball. Sims and Fullington divided scoring honors with 22 points each for Canadian. Pennington with twenty was high for Colorado.
Although defeated, the Colorado girls showed a brand of basketball that set the crowd wildly cheering as they battled against their towering opponents.

JUNIORS:
Fifty yard dash: Van King, W. D. Hill, Claud Morgan, Billie Mann, John Henderson.
Hundred yard dash: Van King, W. D. Hill, Claud Morgan, Billie Mann and John Henderson.
440 relay: Van King, W. D. Hill, Claude Morgan, Billie Mann and John Henderson.
Chinning the bar: Ernest Smith, Walter Grubbs.
High jump: Van King, Billie Mann, Billie Miller, Wilburn Whitaker and John Henderson.
Broad jump: Van King, Claude Morgan, Billie Mann, and John Henderson.

SENIORS:
Broad jump: John Farquhar, Glen Gary and Harold Renfro.
Mile race: John Farquhar, Glen Gary and Harold Renfro.
Sixth and seventh grade spelling: James Wyche and Virginia Gurney.
Fifth grade spelling: Freddie Watson and Jo Waidling.
Essay: Jane Meskimen.
Declamation and arithmetic eliminations will be held later.
We hope that the Colorado schools will come out first.

P. T. A. MEETING
The Jr. High School P. T. A. met at 3:30 on Tuesday afternoon. The meeting was opened with a prayer by Mrs. Howell. The Jr. High Choral Club then sang "I Hear the Bees a Humming" and Mrs. Hubbard read a message from the State president of the P. T. A. The remainder of the program was based on "Effects of Physical Conditions on Mental Traits." Mrs. Grubbs discussed "Mealtime Tantrums," in which she discussed the relative merits of force, bargaining, threats, and other devices. Superintendent John E. Watson discussed "How Health Effects the Personality." He discussed the depression of personality caused by handicaps of the eyes, ears, nose and speech. The second part of his discussion was based upon the effect on personality of emotional overwork, caused from wrong type of moving pictures, too much physical exercise, and mental strain at meal time. This discussion took the form of round-table talk.
The rest of the meeting was taken up with business. Mrs. Grubbs read the minutes. Miss Davidson reported for the program committee.
The program for next time will consist of the following:
1. Prayer.
2. Special music by Mrs. O. B. Price.
3. Reading of the State president's message by Mrs. Bob Hubbard.
4. "Growing in Grace of the Family Circle," by Mrs. Hayes Holman.

How This Bank SAFEGUARDS Your Deposits
Since January first this bank has been a member of the Federal Deposit Insurance Corporation. This means that we have been—and are now—actively participating in the temporary plan for the guaranty of bank deposits as authorized by Congress in the Banking Act of 1933.
It means specifically that any and all deposits in this bank up to \$2500 are guaranteed in full against loss.
We support and support heartily this plan as a part of the Emergency Program for National Recovery. It has already restored public confidence in banking institutions.
But as a permanent restorative of that public confidence nothing can ever take the place of Sound Banking Management directed to the Benefit of Depositor, Customer and Stockholder alike.
Sound Management enable this bank to weather the severe four year national crisis. And it is because of Sound Management that this bank will continue to safeguard its Depositors in 1934.

Pay up, if possible. A simple plan for forestalling future additional tax levies has been evolved by the Texas Junior Chamber of Commerce.

During next week the Texas Junior Chamber of Commerce will conduct a statewide educational campaign with the idea of encouraging those who can to pay up their back taxes.

Figures compiled by statisticians show that if but five per cent of the big delinquents paid up our government would collect over 40 million dollars.

So, if you owe taxes and can pay, keep the burden of additional taxes off yourself and those who have paid by sending your check now to your tax collector.

SCOUTS, A PEACE AGENCY. If world peace can be achieved, it is such agencies at the Boys and Girls Scout that will bring about the neighborliness and the lack of suspicion upon which such peace must be based.

With each generation the horizons of youth are further widened until some day the hatred and suspicion that come from lack of knowledge of another people and their customs will be destroyed.

After the storm comes the calm, has been exemplified again. Orchardists who the first of the week feared their fruit had been either killed or severely damaged now find that a considerable amount of late buds remain alive on the trees.

PHILANTHROPIC. "Every good deed takes us nearer to God. Every rough inch of the way that is tread, is sweetened and brightened the more that we give. A little more self to help others to live."

When we speak of the progress being made in human affairs we allude particularly to science, philosophy, education, business and invention. In deed, it is seldom that the matter of progress in philanthropy, ethics, jurisprudence and government is included in the item of progress.

It is cause for genuine satisfaction that with the improvement in business methods has been improvement also in the business of philanthropy, for it is a business now and always has been, even "the King's business."

The community Trust plan anticipates emergencies incident to the changing condition of business and society, not all of which it is possible to foresee, and enables those in charge of the Trust to meet them promptly, economically and effectively.

In case of stupendous donations to the world's betterment, like those made by John D. Rockefeller, Andrew Carnegie and other men of colossal wealth, they are in the hands of capable executives, who when considered necessary can call upon their donor who would direct the action to be taken, or who have authority to select others to succeed them when death or other circumstances might intervene.

The assets of these funds, usually in the form of "foundations" are never "frozen." Their purposes are so broad in their scope, so world-wide in their needs, so powerful in their application, that they perpetuate themselves, and therefore their magnificent enterprises of philanthropy and human betterment never halt in their glorious achievements.

The same can be said of the community Trust plan in the smaller field it occupies, although this field will increase in its broadness and effectiveness as time passes, where its funds are handled with the wisdom and acumen likely to be possessed by those who have been put in charge of them.

"That day is lost wherein I fail to lend A helping hand to some wayfaring friend, But if it show A burian lightened by the cheer I sent, Then do I hold the golden hours well spent, And lay me down to sleep in sweet content."

"waste" is one of the most meaningless and melancholy words in the language. The Community Chest plan of relief, as now working by the National government, prevents waste and achieves its magnificent work in the most satisfactory way yet devised.

"If I can dry one tear to-day, Hold back one soul that wants to stray, Or show to one the higher way My life shall further be."

It was a red letter day in business economics when the budget ploy was suggested, and it matters not whether that business be the little domestic expenses of "big business" or the carrying on of the government. It has been found wonderfully effective and practically every business and institution of any consequence now use it.

The advantages of the plan now in use for the relief of the unemployed include these: Economy, practically eliminating waste. Promptness. Its workers become familiar with the situation city-wide. They also become acquainted with those who would impair upon the generosity of the contributors. These organizations constituting the various funds, being specialists in their particular field, use what they have of funds with greater economy and effectiveness than they could be used otherwise.

It is gratifying and satisfying to know that greater concern is being manifested for the distressed and helpless, and that methods for relief have become more effective as time passes.

It should be impressed upon all who can contribute to the relief of the poor and distressed that when there is being experienced generally what we call a period of "hard times" the needs of those requiring help are proportionate to the depression felt by those contributing to their relief.

When one looks around for a place to begin cutting down expenses, the thought at once suggests itself that he can eliminate at least a part of his contributions to the relief of the poor. The pleasure of

"hard times" on those dependent upon philanthropy of others is much more quickly felt as a rule than upon those who are doing the giving.

It is the same way with business concerns. Where a firm has been contributing as such, a certain amount to philanthropic enterprises, the suggestion comes at once that a part of this might be withheld because of financial conditions.

The truth of the matter is, that when we have "hard times," greater sums are required for philanthropic purposes than during normal circumstances. This for the reason that not only do those needing help need just as much as before, but the financial depression adds to the number of those in need. This is inevitable since there are many more out of employment.

It may be considered as an axiom that the number and needs of the poor are proportionate to the business and industrial depression.

"We might all of us give far more than we do." Without being a bit the worse, It was never yet loving that emptied the heart, Nor giving that emptied the purse.

People whose religious views differ widely can work together very harmoniously, if they take a notion to do so. When this writer lived in another town I had as a neighbor a Presbyterianian of the "blue-stocking" type. We were as far apart as the poles on religious doctrine and each believed the other nutty on this particular line. I know that my neighbor was away off on baptism and "final perseverance" and when I attempted to set him right he let me know, by looks, if not by words, that he was confident I was seven kinds of a fool. But this Presbyterian neighbor had a good storehouse and he invited me to sit with him whenever the storm king piled a stunt. And when a cyclone came our way, doing a whirling skirt dance, you should have seen me harmonize and co-operating with that Calvinistic, pedo-Baptist in holding the storm-house door.

LOOP LEAGUE ASSOCIATION PLANS SET FOR ADOPTION AT PARLEY IN BIG SPRING

Conference Held Here Sunday By Representatives Four Proposed Members

Organization and mapping of playing schedules and other contingencies entering into proposed loop ball league taking in Colorado, Oklahoma, Big Spring, and Odessa are expected to be ironed out at meeting to be held Saturday afternoon at 2:30 at the Settles Hotel, Big Spring. Bob Lovejoy and LeRoy Grasset will represent Colorado at the parley.

Conference with representatives of the four member towns sitting in was held here Sunday afternoon at the Colorado hotel. Statements coming from some of the leaders indicated that additional communities in which interest in league contests were found adequate to support a team might be invited to come into the loop.

Harris, referred to as among the best ball towns in this part of the State, was one of the communities suggested for membership. Odessa, while having tentatively taken birth in the Permian Basin league, would withdraw and come into the local unit, it was stated. Odessa, too, is a strong supporter of baseball.

Local sports orgs of the more urge that fans interested in realizing organization of the league attend the meeting in Big Spring Sunday afternoon.

COLORADO DEALERS AT SESSION OF LUMBERMEN

Colorado lumber dealers were in Sweetwater Friday afternoon to attend regional conference called by W. R. Ferguson, chairman of district 27, to consider code under which the industry is to operate. The meeting was held on roof of the Blue Bonnet hotel.

SNYDER ATTORNEY FIRST VICE PREXY BAR ASSN

Judge "Red" Harris, Snyder attorney, was recently elected vice president of the 32nd Judicial District Bar association, rather than Thos. R. Smith of Colorado, as reported in this newspaper last week. Statement received here to effect the Colorado man had been elected was later found to be in error.

SCHOOL PLAY GIVEN ON FRIDAY AT LONE STAR

The three-act comedy "Purple Tintum," presented Friday evening of last week at Lone Star school building by members of the Lone Star Players, was successful, according to information received in Colorado. Music by the Lone Star string band and quartet were other feature of entertainment. Proceeds went into a fund to make payments on the school piano.

STAGNER WINNER AT MEET

Stagner participated in the track and field meet at the Fat Stock Show last week-end and proved his ability as a track man. He ran against a great number representing various schools in the State and was winner in the 880 yard run finishing with a time of 2:06. He had had only two weeks training to make that time and if he continues at that rate, a record time is expected for the district. The District meet will be held in Sweetwater this year and the Regional meet in Abilene.

WOLVES ENTER STATE TOURNEY

Out of the fourteen teams to compete in the tourney at Plainview, six were chosen to compete in the State tourney to be held in Cleoiste this week. The teams to have this honor bestowed upon them included Colorado, Canadian, Colten, winner of the tourney at Plainview, Dimmit, Shallowater and Plainview.

Teams representing the Northern and Southern districts of the A. A. U. will also compete in this tourney. The Wolves are to play Pike at 8 Wednesday for the first round.

A very extraordinary bonus was given the Colorado girls Monday. Coach Coffman received a telegram inviting the Colorado Wolves to the National Basketball tourney for girls to be held in Wichita, Kansas, in the near future. As there is no State interscholastic league for girls basketball, defeat does not eliminate strong teams. There will be only four teams to enter the tourney from Texas as was officially announced last week. Colorado is one of the four.

PLAINVIEW TOURNAMENT

The Colorado girls basketball team entered the A. A. U. tournament for girls held in Plainview and were fairly successful in taking their share of the honors. The Wolves arrived in Plainview an hour before their first game was scheduled. Fortunately their opponent, Frijoles, did not arrive and the Wolves won by default.

The Wolves played Canadian in the second bout, who had also won their first game by default. The three forwards of the Canadian team averaged six feet two, the squatly being six feet one and one half inches. They ranged 6 feet 1.5 inches, 6 feet 2 inches and 6 feet 3 inches. One of these girls weighed 210 pounds. Against this opposition the Colorado girls played one of the best games of the year. They took the lead only once in the game, the final score being 33-18.

The Wolves entered the consolation with the first bout in that bracket scheduled with Childress. The Wolves carried off that game with a tally of 40-25. In the next and final round the Wolves triumphed over Margaret by a score of 69-28.

The Colorado team won their share of the honors at the best track and field meet. Christine Bohlin was chosen as the most valuable player to her team in the tourney. No team played more than two on the all tournament team and Colorado was one of them. Christine Bohlin and Mrs. Lee Cunningham were chosen as all-tournament forwards. Merle Garner was chosen for a place on the second team. Cleo Shepherd was chosen as the most beautiful brunette in the tourney and Claudine Fowler as the most graceful girl. This was an excellent showing and it paved the way to greener fields as was later noted.

TRACK SQUAD

The Colorado track squad is carrying along nicely after a few weeks training. Colorado will be well represented at the county and district meets and probably in the regional meet at Abilene. Although there is not a great number out this year, each of the men are looking good and is expected to go far in his particular event. Lowry is making a mark in the pole vault and is the only man participating in that event. Red Church is also looking good in tossing the weights.

For Hard Coughs & Colds That Worry You

Chronic coughs are made to give you relief. It combines seven helps in one—the best helps known in science. It is for quick relief, for safety. But careful people, more and more, use it for every cough that starts. No one knows where a cough may lead. No one can tell which factor will do most. That depends on the type of cold.

Chronic coughs cost a little more than lesser helps. But it means the utmost help. And it costs you nothing if it fails to bring the quick relief you seek. Your druggist can guarantee it. Use it for safety's sake. (A.S.)

JUNIOR NEWS NOTES

Friday afternoon at 2:30 there was a hunt on the four boys who were missing from study, and had been seen about 5 minutes before study had begun. However, the boys were not found, but heard about it Monday.

One of the prominent players of the girls' basketball team was married recently when Harvey Jones, one of the C. H. S. ex-students, married Claudine Fowler, guard on the team. She was given a big writeup in the Plainview paper while the girls were attending a tournament there.

It is said around school that Red Moon Morrison, prominent member of the Junior class, has started taking Ovaltine so he can sleep. Some say it is because of a woman, others say it is studies.

FRESHMAN NEWS

As some are lacking in the second floor study hall, "BattleShip Bud" loving had to sit with June Cox Monday morning.

June Cox goes to the show alone when Eloise Cooper can't go too. Annette Lacey is jealous. Marvin Jackson went with another girl Sunday night.

Who was Virginia Reese with at the show Sunday?

We understand now why the Freshmen set such high literature standards. For instance, June Cox was seen reading the "Yes Girl" and "Honeycomb Romance."

Mr. Cantrill caught Jane Majors smoking in a box, the wicked woman. Rebecca Smoot and Wilson Wyatt were seen out riding together Friday night.

Quite a disturbance was heard near Elma W. Mack in study hall because the ones waiting for saw the back of her hair until it stuck straight up. It created quite an alarm until we discovered she was reading "The Bishop Murder Case."

The Freshmen welcome an addition to their class, Carole McCoy, Shreveport, enrolled Monday.

THE PLAINVIEW TRIP

The Colorado basketball team, Mr. and Mrs. Wilkins, Mrs. Mason, and Mr. Green left Colorado about 8 o'clock Thursday morning for Plainview, where the Colorado girls were to take part in the Southwestern A. A. U. basketball tournament.

The trip was pleasant until we reached Fort Valley, where hard luck began in the form of a flat on Mr. Wilkin's car. The flat was soon fixed and Mrs. Wilkin's car took the lead. The other three cars were left far behind. "You know how Mr. Wilkin's car drive. Finally after waiting about an hour the other cars caught up. They also had a flat. We reached Lubbock about 11:30 and stopped for lunch. While eating, some mysterious happening caused four flats on the car. We left Lubbock about 1 o'clock and arrived in Plainview about 2 o'clock where we went to the Chamber of Commerce building and registered. The first thing we were asked was: "Is your coach married?" When we answered in the negative we were promptly advised to get him out of town or he would be married. We replied we hardly thought so as he already had twelve girls on his string.

The first game the girls were to play was a disappointment because Frijoles forfeited the game. The next game with Canadian at 10 o'clock was a disappointment also. Colorado was defeated by their touring opponents and entered the consolation and won first place.

Mr. Coffman couldn't seem to eat wife's plainview. He must have fallen in love after all. We wonder how long we'll have him with us.

The trip home was pleasant and we had no hard luck. Arrived about 1 o'clock Sunday. Although the girls had a grand trip they were glad to reach home, especially Sarah, Lu Ruth, and Claudine.

COMMERCIAL DEPARTMENT
At the Teachers' Association at Big Spring Saturday, Miss Cooper made a talk on "The Objectives of the Units in First Year Short-hand." From all we can hear, Miss Cooper enjoyed herself very much while there; especially at the banquet Friday night. But she does say she only looked in on the dance.

We have new pupils entering our classes every few days. Martha Lee Henderson has entered the morning C. W. A. classes. Geneva Melton, who has been taking typing and bookkeeping, has now entered the beginners shorthand class. Mr. Glover has entered all four of the vocational commercial classes. We are expecting him to help us make a good record for these classes.

Miss Cooper's staff is certainly missing LaVoyce Lowry. We thought we would have her back to help us this week, but she fooled us by taking ill with the measles. We are very sorry she is sick and we hope that she may be able to come back to school soon.

Miss Rodgers and her C. W. A. classes are proud to report very good work from all pupils. Miss Florence McCarty is doing unusually good work in typing. She has been taking only nine weeks and is able to average over thirty words a speed one should average to pass in a year's typing. Another pupil who commands mention is Mrs. Ford. She has been taking this work only

she said. "But why all the tools, my pretty maid?" "Trouble," she said, "with that darn milking machine again."

Miss Barrett, calling out names of pupils having books overdue: "Wilson Wyatt?" Wilson: "Ma'am?" Miss Barrett: "Puddin'head Wilson?" Wilson: "Yes, ma'am."

Louis Taylor: "Did you fill your date last night?" Sam Woods: "I hope so. She ate everything in sight."

Ruth W.: "Jack's mustache makes me laugh." Gladys: "Yeah, and it tickles me, too."

Miss Jennings: "Now, class, while we are studying the human body, will someone please tell me how a ghost gets into a haunted house?" Verda B.: "Oh, teacher, I know! With a skeleton key."

EDITORIAL
Why are people naturally inclined to want something for nothing. Of course, it is human nature but in the long run you find that you gain nothing by it.

In not only school work but in the every day problems of life the world is prone to "just get by." When today's worries are gone there are others to take their place but people try to put off their duties in hopes that someone else will do them and they will get the credit. It often works out this way but nothing is really accomplished by the unworthy gainer.

The uneducated class of today are expecting too much of the educated. They seem to believe that new inventions and discoveries are found in a day when really it takes years of work.

Through hard, earnest work we push the little material problems out of the way, attain greater goals and finally accomplish the worthwhile things of life.

BOYS DEBATE TEAM WINS COUNTY CONTEST
The boys debate team won first place in the county contests which were held here last week. The team is composed of Joe Alford and Harvey Baker.

The girls team won second place, losing to Loraine but defeating Westbrook.

The boys team will participate in the District meet to be held in Sweetwater on April 6. They will encounter some strong competition in Abilene, Sweetwater and Tuscola. The latter team won first place in this district last year and the same boys are on this year's team. The boys are working hard in preparation for these contests.

SECOND YEAR H. E. NEWS
The second year Home Economics class has been making decorative stitches and decoration on different kinds of material. Some of the decorative stitches were the following: catstitch, cable outline, satin, couching, fishbone, seed, briar, blanket stitch, oriental, herringbone, lazy daisies and smocking. They also learned to hemstitch, both plain and diagonal, fagoting, the plain and diagonal and to make arrowhead. This decoration is used on pockets and pleats.

Last Friday the girls helped the first year foods class prepare for the dinner served the Self Culture Club.

POEM
By Marrian Hardison
When I die, bury me deep;
Put my Physiology book at my feet;

Put my Algebra by my side;
Tell Mr. Foster why I died;
Put my English beneath my head,
Tell Mr. Crostin I'm glad I'm dead;
Put my Arithmetic on my chest,
Tell Mr. Foster I did my best;
Put my History under my arm,
Tell Mrs. Cantrill it did no harm.
Now please, fellows, do not cry,
I met my death at Colorado, Hi.

HUMOR
Before I married Maggie deer
I was her pumpkin pie,
Her precious peach, her honey lamb,
The apple of her eye.
But after years of married life,
This thought I pause to utter,
Those fancy names are gone now,
I'm just her bread and butter.

It is the duty of everyone to make at least one person happy during the week, stated the Sunday school teacher.

"Have you done so, Joe Leonard?" "Yes," said Joe L. promptly. "That's right. What did you do?" "I went to see my aunt and she was happy when I went home."

When writing love letters to your girl, it's always an act of precaution to begin: "My dear sweetheart and gentlemen of the jury."

"Very few men escape badness."
"Yes—hair today and gone tomorrow."

We didn't look for much this Christmas so we weren't disappointed. We were glad to get our stocking back.

The farmer's pink-cheeked daughter (Lucille Bodine) was coming up the lane. She was clad in a grimy pair of overalls from the pockets of which bulged bunches of waste and sundry wrenches and tools. In her hand a dirty satchel of iron tools.

"Where are you going my pretty maid?" "I'm going a milking sir Omer."

DIZZINESS relieved by Black-Draught

"I decided to take Theodor's Black-Draught, as I had been having bilious spells," writes Mr. Chas. E. Stevens, of Columbus, Ind. "When I got bilious, I feel sleepy and tired and do not feel like doing my work. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down.
