COLORADO, TEXAS, FRIDAY, JUNE 15, 1934

WHIPKEY PRINTING CO.

# ONE DEAD, TWO INJURED TRAGEDY'S TOLL DURING WEEK

## SUIT ASKING FOR \$20,000 LODGED AGAINST COLORADO IN CAUSE FILED SATURDAY

G. D. Mize Is Plaintiff In Suit Claiming Injury At Gravel Pit

The city of Colorado is defendant in a \$20,000 damage suit filed in 32nd district court Saturday by G. D. Mize. The cause will be called for consideration at summer term of the court to be convened Monday, June 25, by Judge A. J. Mauzey. Mize alleges in the petition that he was "gravely and seriously injured in his back, side, chest and leg," and that "bones were broken, muscles and ligaments torn and strained and he was thereby totally and permanently disabled," when a mass of clay and gravel fell on him while working in the municipal gravel pit June 20, 1932.

In addition to the \$20,000 alleged damages being sought the plaintiff seeks to recover an undetermined amount claimed due him for medical and physical services as direct result of the alleged injuries. Mize is represented in the suit by Kirby, King and Overstiner, law firm of Abilene. City Attorney, R. H. Ratliff will represent the city in trial of the case.

## DELEGATE TO REPRESENT CLUB AT INTERNATIONAL MEETING ELECTED TODAY

The Colorado Lion who will attend annual convention of Lions International at Grand Rapids, Mich., within the next few days is to be announced at meeting of club today. Dr. Dave Bridgford, president-elect, and one delegate from the membership at large are to be sent to the meeting.

The club has sent its incoming president and another delegate to these conventions for several years, paying all expenses of the trip. The incoming secretary is sent as delegate to meetings of the state association each year.

## CITY PURCHASES PUMP JACK FOR POOL WELL

The city has recently purchased a pump jack for use at Ruddick Park swimming pool. The jack has been in use at well there for some time but title remained with Price Brothers who had loaned it to the park management. The pump lifts twenty-seven gallons of water per minute into reservoir adjoining the pool.

## SADLER AND COUNCILMAN TO ATTEND CONVENTION

Mayor J. A. Sadler and one member of the city council are to attend annual state convention of the League of Texas Municipalities in Galveston July 9, 10, and 11, under provisions of resolution passed Monday night by the city council. Expenses of the trip will be borne by the city.

## CANDIDATES CONTINUING AGGRESSIVE CAMPAIGNS

Candidates for district, county and precinct office in this county continue to conduct active campaigns in all communities, meeting voters personally to urge consideration of their claims. Campaigning from the stump, however, is not so active as a few weeks ago due to closing of schools and attendant public gatherings.

## UTILITY EMPLOYEES TO FROLIC JUNE 23 AND 24

Employees of the Texas Electric Service Company, Sweetwater district, are to have their annual outing at grounds on the Colorado river near Ballinger June 23 and 24, under tentative plans announced here. As guests of the corporation they enjoy fishing, boating, swimming and other diversions during the two days.

## COUNCIL PLANS CURBING VIOLATION TRAFFIC LAW \$100 FINE IS PROVIDED

Motorists prone to ignore municipal laws governing operation of motor vehicles are going to slow down somewhat as police themselves hailed into police court. At least that was the impression one would receive in reading traffic ordinance passed by the city council Monday night.

The law provides that a fine not to exceed one hundred dollars shall be imposed on drivers of motor vehicles failing to stop at street intersections where "stop" signs are located. This zone was extended to include Chestnut and Hickory streets from Second north to Fourteenth and 57 new traffic control signs have been purchased for installation on those thoroughfares.

Parking on Chestnut and Hickory will be paralleled hereafter, rather than at angle of forty-five degrees as in the past. Clearing distance between vehicle and curb is given at ten inches.

## Equalization Board Named Monday Will Probe Tax Listings

Colorado property owners are reminded that it will soon be in order to tie away to the municipal building and discuss property values with a board of equalization.

The board, designated by order of the city council at about this time of year annually and commissioned to the task of equalizing property conditions, was appointed Monday night. The board, continued from last year, is composed of W. W. Porter, J. C. Etheridge and E. H. Winn.

Probing of property conditions will be the first duty demanding attention of the three men. After that regulation notices to appear before the three men and "show cause why your property values should not be increased" will be in order.

## PEOPLE FROM EXTENSIVE AREA TO ATTEND FOURTH OF JULY JUBILEE HERE

People from over a wide section of this part of the state are expressing interest in annual Independence Day celebration at Colorado, according to communications being received at the Chamber of Commerce. "Looks like we are to entertain an unusually large number of visitors," was comment Monday by Jim Greene, in charge of plans for the celebration.

Varied entertainment program, including rodeo, dancing, water carnival, bathing revue, speaking by state and other candidates, has been outlined by directing committees.

## WALKER INFANT BURIED SATURDAY AT MCKENZIE

The infant child of Mr. and Mrs. Curtis Walker of Silver, born Friday, was buried Saturday afternoon at McKenzieville, following religious rites conducted at the graveside.

## TEAS BLOCKS AGREEMENT ON COLORADO RIVER NEAR IRA FOR SHALLOW LIME TEST

Production Be Sought After Drilling 1,750 Feet And Treating With Acid

Paul Teas of San Antonio, formerly independent operator with headquarters at Colorado, has staked location for his B. C. Chapman test 660 feet from the south and west lines of section 100 of the Chapman lands and expects to spud within an early date. The location is eleven miles northwest from Colorado, not far from north bank of the Colorado river.

The hole is to be drilled to 1,750 feet level at which the top lime is that sector has been located. Teas is of the opinion acid treatment will develop commercial production from that stratum. That the test is strongly potential is substantiated by local oil men. It is pointed out that the shallow find in Ira vicinity is identical with that in the Settles pool in Howard county. Wells in the latter have recently been restored to a good commercial basis after acid treatment.

Contract to drill the test has been awarded to J. A. McLaughlin of Wichita Falls. McLaughlin was in Colorado last week to complete arrangements for moving in materials to the location. Workmen are digging cellar this week.

## RECORDS OF SECRETARY JONES FOUND CORRECT, AUDITOR'S REPORT SAYS

Records of City Secretary J. Lee Jones for the fiscal year ended April 30 were correct in every respect with not one penny out of balance, report filed with the council Monday by John Deffabach, auditor, stated. Efficiency of the department was referred to by the accountant.

That Colorado, from the viewpoint of a business institution did not feel effects of depressed conditions during the year is shown in statement certifying that the city netted above all operating expenses more than \$15,000.

## MITCHELL CITIZENS AT ANNUAL FEEDERS SHOW

Among Mitchell county citizens in Big Spring Friday to attend annual feeder show at the experiment station were Ben J. Baskin, Chester Jones, Jesse Jones, Frank Smith, S. O. Wulfjen, Romaine Hammonds, E. H. Winn, Lloyd Brown and S. L. Brown.

## T-P SUNSHINE SINGERS TO MEET HERE IN 1935

Annual convention of the T-P Sunshine Singing association is to be convened in Colorado in June, 1935, C. O. McCreight, who attended annual meeting of the organization in Sweetwater Sunday, reports. The association embraces a wide section of West Texas.

## Acre Rental Remittances Totalling Over \$68,000 Being Distributed To Planters

Distribution of \$68,550.77 to Mitchell county planters as initial remittance on-acre rental contracts was begun Wednesday morning by Ben J. Baskin, county farm agent. The checks, totaling 1,023 in number, were received in Colorado Monday. Two days were required in which to check and register the vouchers in office of the agent.

This payment represents one-half the amount due farmers of the county, who a few months ago entered in contract with the government to retire a given number of acres from cultivation during this and next year. Balance due under the contract is to be paid late in August or early in September. Parity payments on the contracts will be made later, probably about the first of the year.

## FRIDAY DEAD LINE FOR REGISTERING WITH THE COUNTY ELECTION CHIEF

Friday (today) is the last day of grace in which candidates for county and precinct office may qualify to have their name placed on the Democratic primary election ballot.

J. A. Buchanan, chairman of the county Democratic executive committee, stated Wednesday that all of these aspirants, excepting some two or three, had filed the register applications at his office.

Candidates qualifying for place on primary election ballot must pay assessed cost, yet to be determined by members of the executive committee. Those defaulting will not be given place on the ballot.

## Interest Grows In Southside Revival, Rev. O'Brien States

Revival meeting launched Wednesday of last week in South Colorado by Rev. Dick O'Brien of First Baptist church has resulted in a number of conversions and renewal of Christian devotion among others, the directing minister stated Wednesday morning.

Services are being held twice daily, at 10 o'clock a. m. and 8:30 in the evening. Chester Thomas is directing the song services. "We are having some wonderful services at our evening meetings and already the effort has proven successful," Rev. O'Brien said. The meeting is to close with the Sunday evening service.

The revival is being held in tabernacle one block east of Moore's service station on Concho street.

## RESIDENCES AND OTHER MUNICIPAL PROPERTIES TO BE PAINTED BY CITY

Residences and other building owned by the city are to receive bright new coats of paint, out of recognition of civic pride and the more conservative impulse to preserve the properties. Order calling for this work was passed unanimously by the council Monday night.

The city recently completed painting stand pipe at East waterworks plant at a cost of \$200. The work was done by Frank Lupton, Henry Pond and Luther Harrison. The same contractors are to paint the buildings.

## TEN PERCENT REDUCTION SEEN IN TES SCHEDULE

New rate schedule proposed by the Texas Electric Service Company at Colorado will mean a reduction in electrical utility costs of approximately ten percent, Mayor J. A. Sadler stated Monday night in discussing the matter with members of the council. The schedule, to become operative July 1, was filed with the city several days ago.

## SWIMMING WAS POPULAR AT PARK POOL SATURDAY

A total of 231 people took advantage of offer extended by Jim Greene Saturday for a free swim at the park pool, registering one of the largest numbers reporting at the popular resort during the summer. Greene stated Monday that invitation to bathe there without cost on Saturday afternoons might be continued indefinitely. The hours are between 2 and 9 o'clock P. M.

## BROWNIE MILLER, CHARGED IN ROBBERY COUNT, SAWS WAY OUT OF COUNTY JAIL

Fugitive Accused of Taking \$183 In Cigarettes From Berman Employee

Members of the sheriff and police departments were still beating brush in the shinnery near town at noon Thursday in search of Brownie Miller, Colorado youth who the night before escaped from the county jail within a few hours after being locked up. Miller is charged with robbery with firearms near town late Wednesday afternoon.

At 6:30 Wednesday afternoon Phil Berman was concluding plans to close his grocery store for the day. There were three cases of cigarettes in the building and Berman instructed Fred Lujan, Mexican employee, to put the merchandise in delivery truck and take them to the Berman home. The cigarettes were valued at \$183.

About that time Brownie Miller is alleged to have driven by the store. Seeing the cigarettes in the truck he is said to have sent some one inside to order some kerosene. "Mr. Miller says they are entirely out of kerosene at his house and it is needed to cook supper with," the messenger is quoted as having said. Berman directed Lujan to make the delivery. Loading the kerosene container in the truck Lujan was off. He drove east along Second street to Chestnut and turned north. In the 300 block, near First Baptist church Miller is said to have forced the Mexican to the curb and after menacing him with a shot gun informed it was a hold-up.

"You drive north and out toward (See MILLER ESCAPES, Page 5)

## DEGREES IN ROYAL ARCH CHAPTER GIVEN FRIDAY

Degrees were conferred on candidates Friday night by the Royal Arch Chapter, along with other important matters pertaining to the fraternity. On June 27 officers elected recently by the Blue Lodge are to be installed with ceremonial rites at the Masonic building.

Colorado's entry in the revue is sponsored by the Business and Professional Women's club. Several ladies of the organization plan motoring to Lake Sweetwater during the day.

## Man Convicted On Robbery Count Is Pardoned By Ma

Louis Scarborough, convicted in 32nd district court here in December, 1932, on the charge of robbery with firearms and assessed a term of five years in the pen, Tuesday was given a conditional pardon by Governor Ferguson. Seven other Texas convicts were freed by executive clemency at the same time.

Scarborough was charged with the offense of raiding a poker game at an East Colorado residence and wielding a big six shooter relieved those present of their cash, including the "jack pot." He served less than two years of the five-year sentence when the sentence was revoked.

## DAUGHTERS AND SONS OF THE CITY TO PAY HONOR TO FATHER NEXT SUNDAY

Sunday is Fathers Day. In that occasion, designated as a memorial to dad, may be fittingly observed, sons and daughters of Colorado plan to pay honor to their parent through presentation of gifts, orally acknowledged messages of love and other means.

Father will hear reference to his place in the home, in society and in civilization made from several pulpits of the city as ministers join with the general program to pay homage to dad. In several instances special family gatherings, some of them assuming the aspect of family reunions, are being planned. There the children will come together to extend special honor to their father.

## GEORGE F. STAPP FATALLY HURT WHEN RUN OVER BY CAR NEAR HERE TUESDAY

J. W. Goodrich and Wallace Kirby, Youths, Injured; Hurts Not Serious

One person is dead and two others injured as toll taken by tragedy in its continued march against life and limb during the week, the accidents adding three more regrettable chapters to the register of misfortune that during the recent past has attended this community.

Following closely on heels of one of the most deplorable traffic tragedies, in which two Colorado people were killed in a car-truck collision near Mineral Wells, fate exacted another toll in highway accidents late Tuesday, when George F. Stapp, 71, Colorado blacksmith, was fatally injured near the Col-Tex Refinery.

J. W. Goodrich, 18, son of Mr. and Mrs. W. H. Goodrich of a few miles west from Colorado, sustained a badly wrenched ankle and body cuts when he jumped from a moving train at Dome, three miles west, at 5 o'clock Saturday morning. He lay on the railway right-of-way until 8 o'clock when found by a Mexican laborer. He was removed to the Root hospital in an ambulance where his injuries were found to not be serious. The boy was returning home from Fort Worth.

Wallace Kirby, 13, son of Mr. and Mrs. J. M. Kirby, suffered a badly lacerated hand Saturday when the member became caught in gears of a planter the boy was operating. Two fingers were crushed. Surgeons at the Root hospital state the hand will be saved.

Mr. Stapp was run down by an automobile being driven by L. M. Winton, Dallas, field representative for the F. P. Collier Distributing Corporation of New York. Winton was driving west as the late citizen ran immediately in path of his car, witnesses to the tragedy have stated. Stapp had just closed his shop west of the Colorado river bridge and started to town on foot. Martin Guerne, wholesale agency dealer for the Gulf Refining Company, drove up in a truck about the same time. Guerne called to Mr. Stapp to inquire if he would accept a ride to town.

The proffered ride was accepted, and after looking up and down the highway, Stapp started across the pavement to where the Guerne truck had been stopped. It is ac-

## REV. WALLACE JONES TO STATE CONVENTION

## Mrs. Hudson Entertained For Miss Smith Today

Continuing the series of pre-nuptial affairs honoring Miss Mary Dickson Smith, bride-elect of Fred Rives Hutchinson, Mrs. Ewell Hudson entertained with four tables of bridge and a surprise handkerchief shower at her home at Butler Camp Monday afternoon.

The handkerchiefs were brought by the hostess when she presented the high score prize of a linen lunch set to Miss Elizabeth Looze, and the low score prize of a linen towel to Miss Frances Lupton. Both Miss Looze and Miss Lupton gave their prizes to the honoree, who had already been surprised with the handkerchiefs.

Refreshments of frozen meat salad, potato chips, olives, cookies, and iced tea were served to Misses Frances and Corinne Lupton, Alice Blanks, Elizabeth Hutchinson, Elizabeth Looze, Katherine Price, LaVada Baze, Nelle Harper, Green, and Lucille Rose; Mesdames Homer L. Hutchinson, Edwin Chase, T. J. Richards, Charles Donaldson and John Houston Lupton.

## Hesperian Year Book Delivered This Week

Year book for the Hesperian Student Club for 1934-1935 was printed and delivered this week by the Whipple Printing Company.

According to the plan for the year's work as set forth in the book study will begin on Friday, September 28, 1934 and close Friday, March 10, 1935. Shakespeare's "King Lear" and contemporary poetry will furnish topics for study, in addition to special days and better English drills.

The book is somewhat larger than last year, containing twenty-six pages. A copy of "Texas, Our Texas" is included, and also a copy of "Clay Ethics" by Alice Ames Winter.

The committee arranging the year book was composed of Mesdames J. Ralph Lee, A. L. Whipple, Lynn Hatcher, O. F. Jones and Miss Velma Barrett.

## Ferguson Circle Completes Book

Completing their study of "The Methodist Church, Its Message and Work," the Ferguson Circle of the Methodist Church met Monday at the church.

The lesson was led by the study superintendent, Mrs. Will Doss, Jr. Those who had topics were Mrs. Dick Gregory, Mrs. R. H. Looney, and Mrs. Mac Evans. A review of the course was given by Mrs. J. G. Merritt.

A new study course is to be started at the next meeting. This time a different leader will be had at each meeting. Mrs. Mac Evans is to be the leader next Monday.

## Young Methodists Return From Meet Held In Abilene

Representatives of the local Young People's Division of the Methodist Church returned Saturday from the training school and young people assembly of the Northwest Texas Conference held at McMurry College, Abilene, last week.

Those attending from Colorado were Miss Nelda Garrett, director of the Sweetwater district of the Young People's division; Misses Buena Vista Wulfjen, Estelline Chivers, Jo L. Ayehe; George Kiker and Mrs. Ursula Wulfjen.

Mrs. Lloyd Jones of Lakeview, the former Miss Jessie Stell of Colorado and her husband, Rev. Lloyd Jones were members of the group of instructors at the assembly.

## Winn Circle Has Monthly Meeting

The Winn Circle of the Methodist Missionary society met Monday afternoon with Mrs. J. D. Wulfjen fourteen were present.

Taking up their new study course "The Methodist Church, Its Message and Work," members heard topics discussed by Mesdames Van King Austin Bush, Ace McShan, and M. J. Chapman. Mrs. D. N. Arnett led in prayer.

During the business meeting \$2.00 was taken in on the circle pledge. Plans were made to have an old-fashioned ice cream supper on the lawn of the R. J. Wallace home on Friday evening, June 22, serving home-made ice cream and cake. The general public is to be invited.

Plans were also made to have a booth downtown and sell cold drinks and sandwiches on Election Day.

The next meeting will be with Mrs. Arnett the second Tuesday in July.

## Coloradoans Attend Brilliant Wedding

A number of Coloradoans attended the wedding of Miss Helen Levy, daughter of Mr. and Mrs. Abe Levy of Sweetwater, to Mr. Morris Siegel of San Antonio on the Blue Bonnet roof in Sweetwater Sunday evening.

The wedding was a brilliant affair to a series of pre-nuptial entertainments for Miss Levy, whose father is well-known in Colorado, having wide business interests here.

Those attending from Colorado were Mr. and Mrs. H. G. Berman, Mr. and Mrs. Max Berman, Mr. and Mrs. Philip Berman, Mr. and Mrs. Morris Kirschbaum, Mr. Nat Brittan, Mrs. Sam Berman, and Mr. and Mrs. Dave Bodzin.

## Affairs At Sweetwater Honor Colorado Bride

Two affairs have been given in Sweetwater this week in honor of Mrs. Carey Prude, Jr., of Colorado, who was Miss Patricia Craighead of Sweetwater before her recent marriage.

She was the honoree Monday night at a shower given by Miss Elsie McCarroll, and again on Wednesday afternoon at a miscellaneous shower given by Mrs. A. P. Erwin.

## Cinderella Shower Given For Mrs. Carey Prude, Jr., By Fraternity Last Friday

A Cinderella shower was the medium of entertainment through which members of the Beta Gamma Phi Fraternity honored Mrs. Carey Prude, Jr., the bride of one of their members, at the home of Mrs. Oscar Majors Friday afternoon.

Guests were met on the porch by Miss Pauline Jones, who received the gifts and passed them on to Miss Elizabeth Grantland. Miss Wanna Wade greeted guests at the foot door, and Miss Ruth Wright conducted them to the register, over which Miss Frances Elaine Price presided.

After registering guests were presented to the receiving line by Miss Irene Powell. In the line stood Mrs. Oscar Majors, Mrs. Carey Prude, Jr., Mrs. Carey Prude, Sr., Mrs. A. W. Craighead of Sweetwater, Miss Isabel Craighead of Sweetwater, Mrs. and Johnnie Prude of Cyril, Oklahoma; Mrs. Lois Prude Bennett, and Miss Elizabeth Looney.

When the guests had arrived the following program was given: Piano solo, Mrs. Oscar Price; "I Love You Truly," Mrs. C. A. Wilkins; piano solo, Miss Frances Jones; dance, Verna Campbell; Original Song, Mrs. J. H. Guitar; reading, Miss Mabel Majors.

At the close of the program the Prince's Cortege entered, with Dora Jane Bibby as trumpeter; Doris Marie Randle as page, and Katherine Sledge as the princess. The little page carried a silver slipper on a green satin pillow, and when this was found to fit the bride the Prince led her into the dining room, where, in the center of the table, which was covered with Normandy lace over green satin, stood a large silver slipper filled with gifts. Surrounding the slipper were silver leaves, green fern and pink flowers, and flanking it were tall pink tapers in silver candlesticks.

After the opening of the gifts the guests were served with pinked-iced food cake, and lime sherbet by Misses Jones, Wade, Wright, Price, Powell, Lydia Mae Viles and Mrs. Charles Donaldson.

Out of town guests were Mrs. A. W. Craighead and Miss Isabel Craighead, mother and sister of the bride; Mesdames St. Edwards, Sr., St. Edwards, Jr., and A. P. Erwin of Sweetwater; Mrs. Johnnie Prude of Cyril, Oklahoma; Misses Pauline and Angel Van Horn of Westbrook.

## Treasure Well Hidden in Friday Night Hunt

The best concealed clues in any of the treasure hunts which have been held in Colorado the past several weeks were those in last Friday night's hunt, if such can be determined by the length of time required before the finding of the treasure.

The "spot" in last Friday night's hunt was not found until the wee hours of the morning had begun to grow fair-sized again. The winners were a party composed of Jack Heaton and Miss Hazel Costin, Ben Lee Costin and Miss Bertie Thelma Lipp, and Bob Brennan and Mrs. C. J. Duhan of Magnolia, Arkansas. The treasure was hidden under a table in the Ruddick Park.

Those who arranged the hunt were Mr. and Mrs. A. L. McSpadden and Mr. and Mrs. Joe Mills, who found the treasure in the hunt two weeks ago. The hunters met at Ruddick Park and gathered there after the finding of the treasure for refreshments.

Those taking part, besides the winners, were: J. E. McCleary and Miss Alice Blanks; Joe Pond and Miss Nelle Harper Green; Mr. and Mrs. D. H. Snyder; Mr. and Mrs. Dick Carter; Mr. and Mrs. Raymond Gary; Mr. and Mrs. Wade Scott; William Greene and Miss Virginia Spaulding; Sherrod Smith and Miss Wanna Wade; Mr. and Mrs. Bob Fee; Joe Woodson and Miss Katherine Price; T. B. Holt and Miss Elizabeth Looney; Jimmy Beal and Miss Pauline Van Horn; Mr. and Mrs. M. O. Chapman; Mr. and Mrs. Ace McShan; and Mr. and Mrs. Harry Ragan.

## Inspirational Meeting Of Presbyterian Women

An inspirational meeting was held by women of the Presbyterian Auxiliary at the church Monday afternoon.

Mrs. Lee Carter, president, was in charge, and Mrs. W. M. Elliott led the devotional from Psalm 67. Mrs. B. T. Daugherty had the lesson on Foreign Missions. Mrs. R. M. Hall, a former member, led in prayer. Refreshments of sandwiches, cookies, and iced tea were served by Circle Two.

Office supplies at Record office.

## Time Turns Backward For Gathering Of C. H. S. Ex-Students At Park On Friday

Time heeded the old poetic plea and turned backward in its flight for a few hours Friday evening when a group of Colorado high school ex-students from 1906 to 1916 held an impromptu get-together in Ruddick Park and dragged out memories of bygone schooldays.

The gathering was instigated by Mrs. Jeannette Porter, and each one attending brought something to contribute to the picnic supper, which included fried chicken, beans, home-made ice cream, and several other items.

Reminiscences occupied the entire time. Those who attended could recall when the graduating class of C. H. S. was considered large if it had as many as ten members. The class of 1916 had about nineteen members, but that of 1915 had only eight or nine. Farther back they were smaller.

What the march of time can bring about is shown by the fact that the 1934 graduating class of fifty-seven was among the smallest in recent years. Incidentally, one of the ex-students at the gathering was the present president of the Colorado school board, who only a few weeks ago handed out diplomas to the fifty-seven graduates.

The success of the gathering,

which may become an annual affair, was added to by the fact that several ex-students, who live away from Colorado, were able to be present. Among these were Miss Shell Merrill, who teaches at San Antonio; Mrs. Hollis Haltom (Minnie Thornbury) of Austin and San Antonio, and Miss Cleo Pritchett of Muskogee, Oklahoma.

Others in attendance besides those already named were Mrs. George Slaton (Allie McKinney), Mrs. J. W. Watson (Isla Tiley), Mr. and Mrs. Ed Majors (Mabel Ratliff), Roy E. Warren, Mr. and Mrs. Ollie Byrd (Birdie McNary), of Westbrook, Mr. and Mrs. J. B. Pritchett (Ruth Robinson), Bruce Aycock, Mr. and Mrs. F. L. Terry (Thelma Warren), Mr. and Mrs. James Thidine (Eva Terry); Mrs. Ethel Mann Dawson, Miss Grace Mann; Mrs. Tom Pritchett (Omeira Terry); Miss Eril King, Mrs. Conrad Watson (Ira King), Mrs. Ruby McGill Dodge, Mrs. Vivian Smartt McGuire, Mrs. O. B. Price (Lela Whipple), Mrs. Jeannette Earnest Porter, Miss Mabel Smith, Harry Ratliff.

Guests who were not C. H. S. ex-students were Mrs. Harry Ratliff, Oscar Price, Mrs. Roy Warren and Mrs. Bruce Aycock.

## Legion Auxiliary Meeting Includes Flag Day Program

A Flag Day program and a lengthy business session were features of the meeting of the American Legion Auxiliary Friday evening at the Legion Hut.

Mrs. Tom Hughes presided during the business session. It was reported that the treasurer had bought flags for Union, Spanish-American and World War veterans on Memorial. The Auxiliary voted to thank the Legion Post for putting up the flag pole in the cemetery.

Mrs. A. P. King was elected recording secretary to take the place of Mrs. Roscoe Dobbs, resigned.

Delegates from the local organization to the Fifth Division meeting to be held in Lamesa June 23 and 24 were chosen, those named being J. G. Merritt and Mrs. B. L. Templeton.

Announcement was made that this unit is asked to send fifty pints of jelly to Legion before October. Each member was asked to furnish two glasses of jelly for this purpose.

The Flag Day program included a "History of the Flag" by Mrs. Merritt, "Don'ts for the Flag" and "What the Flag Means" by Mrs. Van Bosten.

The Auxiliary plans a patriotic program for the July session, which will be an open meeting.

## Miss Greene Honored Bride-Elect Thursday

Five tables of bridge were entertained by Miss Nelle Harper Green Thursday afternoon honoring Miss Mary Dickson Smith, who is to marry Fred Rives Hutchinson June 16.

The guest list included, besides the honoree, Mesdames Charles Donaldson, John Houston Lupton, Homer Hutchinson, Edwin Chase, T. J. Richards, Maxine Wulfjen and E. V. Grantland; Misses Beulah Ashford of Abilene, Ruth Byrd, Alice Blanks, Ditty Hughes, Katherine Rose, Lucille Rose, Frances Lupton, Corinne Lupton, Katherine Price, Laura Pearson, Elizabeth Hutchinson, and Elizabeth Looney.

Mrs. Edwin Chase received a silver luncheon set as high score prize. The highest prize, a kitchen set, was presented to Miss Smith.

Punch was served during the games, and a salad plate with iced tea at the refreshment hour.

## Dorothy Ann Cooper Honored On Birthday

Observing the fifth birthday of her little daughter, Dorothy Ann, Mrs. Stewart Cooper entertained with a birthday party Thursday afternoon. She was assisted in entertaining by Mrs. Jeannette Porter, Mrs. Donald Sivals of Midland, and Miss Mabel Earnest Cooper.

The guests met at the Cooper home at five, and then were taken to Ruddick Park for play. Those present were Mary Louise Whipple, Margery Plaster, Addie Ruth Cooper, Stewart Cooper, Jr., Craig Porter, Earnest Porter, and Mary Martha Sivals of Midland. Among those invited but were unable to attend because of illness or being out of town were Frances Rose Ratliff, Bette Slagel, Joan Mills and Tommy Louise Terry.

The birthday cake was served with ice cream at the park.

## Mrs. Thomas Hostess To Friday Contract

Mrs. Bill Thomas was hostess to the Friday Contract club with the following guests:

Mesdames L. C. Scarborough, Lee Dorn, E. B. Willbanks, Johnnie Rector, Eli May, W. D. McClure, Hugh Middleton, Carl Smith, Check Anderson, Homer Wingett, Bill Broadus, N. H. White, and Mrs. Rice of Lamesa, mother of Mrs. E. C. Nix; Misses Lucile and Katherine Rose.

High for guests was made by Mrs. Broadus, and that for members by Mrs. Bryan Porter.

Refreshments were molded fruit salad, fudge cake and iced tea.

## Clever And Beautiful Shower For Miss Smith Given By Mrs. Guitar On Tuesday

Offering one of the cleverest affairs of the season, Mrs. J. H. Guitar entertained at her home, High Acres, Tuesday afternoon from five until seven with a shower honoring Miss Mary Dickson Smith, bride-elect of Fred Rives Hutchinson.

Guests were met at the doors by Mesdames J. H. Greene, C. P. Gary, J. Lee Jones and the hostess. They registered in the bride's book presided over by Miss Corinne Lupton.

After the arrival of the guests a program was given in the spacious living room. This opened with a song by Mrs. C. A. Wilkins. Miss LaVada Baze gave a reading, following which Mrs. W. R. Martin of Loraine read an original poem written by Mrs. Guitar for the occasion.

This poem took up the life of the bride-to-be from the time she was a little child. Various passages were illustrated with pantomimic dancing. Sara Guitar, representing a fairy, did a toe dance, and Phyllis Berman danced as a flower girl. Gloria Martin was a Japanese maid.

Verna Campbell, representing the lighter side of the bride's nature, did a butterfly dance, and Miss Elizabeth Hutchinson, portraying her more serious characteristics, entered dressed as a sedate school teacher. Little Adele Hutchinson was Cupid, who has had most to do with the bride's recent life. Mrs. Guitar played accompaniments for the dances and pantomimes while Mrs.

The closing number was a violin duo by Don and Sara Guitar.

At the ending of the program a gypsy fortune teller knocked on the door and was admitted. She carried a basket of small gifts on her arm, and asked to tell the fortunes of those present. Among those she told was that of the honoree, Miss Smith, and that of another prospective bride, Miss Lucille Rose. At the close of Miss Smith's fortune the gypsy, who was Miss Nelle Harper Greene, led her and the other guests into the dining room and indicated to her the other gifts.

The gifts were piled on a table covered with lace over pink satin and centered with a life-size doll bride dressed in white satin and tulle and holding a corsage of pink bridal wreath and maiden-hair fern. On each of the four corners of the table stood small silver baskets, also filled with the bridal wreath and fern.

After the opening of the gifts punch, cookies and mints were served by the following to around one hundred guests: Miss Beulah Ashford, Miss Alice Blanks, Mrs. John R. Baze, and Mrs. Harold Bonney of Merkel.

Out-of-town guests were Mrs. W. C. Ashford and daughters Lucille and Beulah, of Abilene; Mrs. Harold Bonney of Merkel; and Mrs. W. R. Martin of Loraine.

## Cantrill's Entertain London Bridge Club

Members of the London Bridge Club and a few guests were entertained at the Colorado Country Club by Mr. and Mrs. R. H. Ratliff Monday evening.

High score winners were Walter Whippley and Mrs. Harry Ratliff, and low scores were made by John Deffabach and Mrs. Frank Kelly. Mr. Whippley was given a tin, Mrs. Ratliff a box of Houbigant's body powder, and Mr. Deffabach and Mrs. Kelly decks of cards.

After the games there was dancing. Refreshments of ice cream and cake were served to the members and the following guests: Mr. and Mrs. D. H. Snyder, Mr. and Mrs. Milton Lipp, Miss Durell Davidson, Grady Newman, Miss Hazel Costin, Jack Helton and John Deffabach.

## Wayland Webb And Miss Weeks Marry

The wedding of Wayland Webb and Miss Pearl Weeks took place at the home of Mr. and Mrs. Tryde Webb in the Looney community Friday, June 1. They were married by Rev. Mr. Boldree, and only a few friends and the family were in attendance.

Mrs. Webb is the daughter of Mr. and Mrs. G. W. Weeks of Colorado, while Mr. Webb is the son of Mr. Tom Webb, also of Colorado. He is employed at the Col-Tex filling station at Oak and Third streets.

**AN ORDINANCE**

AN ORDINANCE REGULATING THE USE, MOVEMENT, STOPPING AND PARKING OF ALL KINDS OF VEHICLES ON CHESTNUT AND HICKORY STREETS WITHIN THE CORPORATE LIMITS OF THE CITY OF COLORADO, TEXAS; PROVIDING PENALTIES FOR VIOLATION OF THE PROVISIONS OF THIS ORDINANCE.

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COLORADO, TEXAS.**

Section 1. That the drivers or operators of vehicles before entering upon CHESTNUT STREET, and upon HICKORY STREET from any intersecting street from either EAST or WEST, between Second Street (2nd) on the South and Fifteenth (15th) Street on the North, (such streets being 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, and 14th) shall come to a complete stop at the line of intersection of such intersecting streets with CHESTNUT STREET and with HICKORY STREET, and shall enter upon said Chestnut Street and said Hickory street only when such entrance can be made without interfering with vehicles already on said Chestnut Street and said Hickory Street; provided, however, that the City Council shall cause to be placed at the center of each line of intersection of other streets with Chestnut Street and Hickory Street, a sign bearing the word "STOP" in large clear legible letters, and, when and only when such "STOP" sign has been so placed at a street intersection, shall the above provisions of this ordinance become in full force and effect as to such street intersections. For the purpose of this ordinance, each individual street intersection shall be considered separately; and the failure to place or maintain "Stop" signs on any one or more street intersections shall not in any manner prejudice the enforcement of the regulations as to such street intersections where "STOP" signs have been placed as above provided.

Section 2. That all vehicles parked on Chestnut Street and Hickory Street shall be parked parallel with the curb and within 10 inches of said curb.

Penalty: Every person violating any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine in any sum not to exceed One Hundred (\$100.00) Dollars.

Passed and approved this 11th day of June, A. D. 1934.  
Attest: J. A. SADLER, Mayor  
J. LEE JONES, City Secretary.

**FORMER COLORADO CITIZEN LOSES GIN PLANT SUNDAY IN LAMESA CONFLAGRATION**

Lambeth Property Value At \$35,000, Burned; \$10,000 Insurance Carried

The gin plant owned by O. Lambeth at Lamesa burned to the ground Sunday morning at 5 o'clock, entailing a loss estimated at \$35,000. The property was insured for \$10,000, The Record has been informed.

Origin of the flames had not been definitely determined, although it was believed the blaze started in section of the plant occupied by a feed mill department, in which a considerable amount of mill products was stored.

The Lambeth feed mill proper, located about fifty yards from the gin plant, was saved.

Lambeth lived at Colorado several years as an operator of gin plants here. After establishing a large modern gin plant at Lamesa a few years ago he and family moved there to live.

**Injures Fatal To Lamesa Boy, Kin Colorado Women**

Morris Ross, 18, nephew of Mrs. H. C. Landers, Sr., of Colorado and son of Mr. and Mrs. E. M. Ross of Lamesa, former Coloradans, died Monday in a Brady hospital from injuries sustained when the truck on which he was riding overturned near Frederickburg Wednesday night of last week.

Mrs. Landers, a sister of Mrs. Ross, left Tuesday morning with Mrs. H. P. Stapp to attend funeral in Lamesa Tuesday afternoon.

Morris, a 1934 graduate of Lamesa high school, visited Mrs. Landers here only a few days before his death. At the time of the accident he had been to San Antonio and was on his way home. No hope was held for his recovery at any time, his major injury being a broken neck.

The mother of the deceased was reared in Colorado, her maiden name being Miss Wilke Robertson. She and her husband moved from here to Lamesa several years ago.

Survivors other than the parents include four brothers: Clay Ross of Lubbock; E. M. Jr., Joel Wright and Don Phelan Ross, all of Lamesa.

**Rural Schools Receive \$1,836 Apportionment**

Rural schools of Mitchell county this week received \$1,836 in state apportionment.

This payment, the sixth, ran the total received of this year's apportionment to \$11, leaving a balance of only \$5. The sum of \$1,836 received here represented a payment of one dollar per capita.

**OLDSMOBILE SALES INCREASE**

Oldsmobile retail sales figures for the month of May show a 112 per cent increase over sales for the corresponding month last year, it is announced by D. E. Ralston, General Sales Manager of Oldsmobile.

"Sales for the first five months of 1934 have totalled 90 per cent greater than for the same period of 1933," said Mr. Ralston. "In spite of the fact that the first shipments of Oldsmobile's new low price six

were not made until March first, we have built more sixes and eights in the first five months of this year than in the entire year of 1933."

"Last year the Oldsmobile six and eight, combined, secured 25.5 per cent of all sales in the lower medium price field for the first four months. For the same period this year, the Oldsmobile eight alone secured 30 per cent of all sales in the lower medium price field. The Oldsmobile six, now in the low price field, is receiving a substantial and steadily increasing share of the low price car sales," said Mr. Ralston. "The recent price reduction which brings the base price of the six down to \$650 and the eight to \$885, list prices at Lansing, will further strengthen Oldsmobile's position in both the low price field and the lower medium price field."

Ruehelle will appreciate your vote for County Clerk. Up.

High score in the bridge games was made by Mrs. Bill Dorn, who was presented with a bottle of lavender, and second high by Mrs. R. D. Bridgford, who was given a bottle of roseleaves.

The refreshments also carried out the pastel color scheme, the green angel food cake being iced in pink and the ice cream being pink and yellow.

Abilene Bride Is Well-Known Here

Of interest to several Coloradoans who met the bride on her frequent visits in Colorado was the marriage in Abilene Saturday of Miss 'Jack' Matthews and Mr. Milton Kay Davis, Jr.

The bride is a friend of Miss Virgie Powell of Colorado and has visited often in the Powell home.

The wedding took place at high noon Saturday in the First Baptist church in Abilene.

The bride's mother is Mrs. R. D. Bridgford, who was a guest at the refreshment hour, when the hostess served a salad course with iced tea.

Lighting adds fertilizer to the soil. Ruebelle will appreciate your vote for County Clerk.

Bananas Trim the Hamburg Loaf

A CANNELON OF BEEF with hot oven, 425 degrees. Add no water at this time. While the cannellon is baking and taking on a delectable brown, peel four bananas, slice them in halves lengthwise, and then cut each half crosswise, making sixteen pieces. Sprinkle lemon juice over the bananas and let them stand until the cannellon has been baking half an hour. Then pour a cup of boiling water round the meat, baste once or twice and leave the meat to complete the cooking. Now melt 2 tablespoons of butter or other fat in a heavy skillet, dip the banana sections in flour and place in the hot pan. Let cook slowly for a few moments, then sprinkle them with sugar, allowing 1 teaspoonful to each banana. When brown on one side, turn carefully with a spatula and let cook very slowly until nicely browned all over. When the cannellon is done remove from oven and place on warm platter. Surround the meat with the browned bananas. Dot with cubes of red tart jelly and parsley, and serve with mashed or baked potatoes. Gravy may be made in the usual manner, using the fat in the pan for a foundation.

### Nineteenth Picnic Planned By Negroes For Next Tuesday

Expressing themselves as desiring to celebrate their Emancipation Day, June 19, in a higher and better way, a group of leading negro citizens have made plans to hold their nineteenth picnic under the direction of the negro churches next Tuesday south of the railroad track, near the negro I. O. O. F. hall.

A statement made by the group this week and signed by John McDowell, S. Y. Nixon, P. R. Taylor, W. M. Booker, Jack Smith, Mack Walton, Milford Jones, Eli Brown, Artie Bracey and Louis Walton, reads as follows:

"We, the Mount Zion Baptist church, the St. James Baptist church and the Payne's Chapel Methodist church, take this method of expressing ourselves concerning our nineteenth. We, as Christians, desire a higher and better way of celebrating fore, we are having our nineteenth picnic under the direction of our churches as we feel all Christians should. We thank our white friends for what they have given."

### Miller Escapes

(Continued From Page One)

Before and if you make any plays it will be too bad for you," the Mexican later stated was threat made by the accused. About three miles out of town Miller stopped the truck and after taking the cigarettes and loading them in his motor car, permitted the Mexican to go. Lujan states that Miller was wearing a mask all the time and he did not recognize the man.

When given his liberty, Lujan drove under high speed back to town and reported the robbery. Sheriff Dick Gregory, Deputy H. A. Cook and Police Chief Hickman were after the man within a few minutes.

Hickman, while cruising near the new highway three miles north of town, noticed an abandoned car. Driving up to investigate he found it was Miller's machine, stalled in the sand. The three bags of cigarettes were intact. The man, after starting his car, had walked to a farmer's house nearby to get a team to tow him out. Hickman waited a few minutes and placed Miller under arrest as he came up.

After locking Miller up officers went back to place where the car had been stalled and digging around in the sand a few minutes unearthed the shot gun, claimed to have been used in sticking up the Mexican.

After lodging their quarry in jail and recovering the stolen loot, officers went about their usual routine. At 11 o'clock that night Sheriff Gregory went into second floor of the jail building to look things over before retiring for the night. Miller was not there. He had sawed bars out of run-around window and left.

### NEWS FROM ROOT HOSPITAL

Mrs. E. D. Small, who underwent major surgery Friday, is doing nicely.

Mrs. Glenn Holliday of Snyder was admitted to the hospital for treatment Saturday morning. She remained about two days.

Condition of Miss Louise Hardison, admitted for surgery Saturday, is good.

J. W. Goodrich was given emergency surgery Saturday morning for foot injuries sustained when he jumped from a freight train.

Wallace Kirby, son of Mrs. J. M. Kirby, was given emergency treatment Saturday for his hand which was cut and crushed in a planter.

George F. Stapp, who was struck and fatally injured near the Col-Tex Refinery Tuesday, was brought to the hospital where he lived about two hours.

Mrs. Woodrow Paul of Fairview, who was brought to the hospital for treatment after an illness of two weeks, died Saturday morning.

Mercie Frazier, daughter of Mr. and Mrs. Bert Frazier, had tonsillitis Monday.

Elsie Ann, daughter of Mrs. Hatie Hughes Smith, had her tonsils removed Monday.

N. A. Rogers, Jr., and Imogene Rogers, children of Mr. and Mrs. N. A. Rogers, had their tonsils removed Wednesday.

Edwin Bridgford, brother of Dr. R. D. Bridgford, had major surgery at the hospital Monday.

Patients dismissed during the past week include Ted Morris, E. P. Hayes, and Lester Goswick.

If usage is the basis of correct English as the Missouri professor suggests, we know a lot of expressions he didn't include in his list that must be correct.

### Tragic Toll

(Continued From Page One)

Mrs. Stapp stated that friends of the family Wednesday night that she had often worried over safety of her husband, due to fact his hearing was impaired. "I was afraid he would

"I had pulled my truck off the pavement to clear traffic on the highway and heard a crash just as I brought the machine to a stop," Guernsey stated Wednesday. "Looking back I noticed that Mr. Stapp had been hit. Driver of the car stopped and turning around came to where the injured man lay and offered assistance in getting him to the hospital. Persons arriving at scene assisted in placing Mr. Stapp in Winton's car and the latter drove as we rushed him to the Root hospital."

The injured man lived but a short time after arriving at the hospital. A bad skull fracture and concussion of the brain are attributed as cause of his death.

The body was removed to funeral home of Kiker and Son where it was prepared for burial and lay in state until time for the services, conducted Wednesday afternoon from the Church of Christ, with Minister J. D. Harvey officiating.

**Profitable Milk From First-Calf Heifers**  
Find Way to Raise Them Bigger—Extra Milk Pays Cost

The first-calf heifer has always been looked down upon by the dairy world. seldom did she give enough milk during her first year in production to pay for her keep. Now the first-calf heifer takes her place among older cows as a profitable producer, according to figures just released by the Purina Experimental Farm, Gray Summit, Mo. These figures show that production of first-calf heifers was increased 1,500 pounds above. That's 175 extra gallons.

Strangely, production was not increased by anything which was done while the heifers were in milk. The increase was made before the heifers came into production. They were developed first—larger, more fully-developed animals by the way they were fed during the first two years of working to Mr. E. B. Powell, manager of the Purina Farm. Naturally these bigger, more mature heifers gave more milk, Mr. Powell explains.

The chart above shows the growth and freshening of these heifers as compared to that of the average heifer. The Holstein heifers of the Purina Farm are bred to freshen at 24 to 25 months of age. At that time they weigh from 1,150 to 1,200 pounds with some individuals over 1,200 pounds. The normal weight of Holstein heifers 24 to 25 months old (27 to 30 months) is slightly less—1,021 pounds. And normal Holstein heifers usually are bred to freshen at 27 to 30 months.

The most interesting part of the heifer-growing program at Gray Summit is the way the calves are fed. On the third day of their lives they are given free access to solid foods—hay, better growing chow and calf starting chow. The latter is a "checker" or nugget form of feed that takes the place of milk or grain. Milk is fed from a bucket for a month. By that time the calves are eating liberally of solid feeds and no more milk is needed. From then on the calves are fed merely by keeping the calf starting chow and better growing chow and hay before the calves in troughs.

Calf starting chow is discontinued at the end of the 4th month and just better chow and roughage fed until freshening time.

The first-calf heifers raised on this method usually produce from 25 to 40 pounds of milk a day, which, for 120 days, means that they have given 3,000 pounds of milk before the normal heifer freshens. At \$1.00 a hundred, this is \$30 worth of extra milk—enough to pay for all the grain and concentrate the heifer eats in the entire two years of her growing life.

"That these heifers really are big and completely developed, though young, is shown by the fact that they averaged 9,558 pounds of milk in their first lactation periods under regular farm conditions," Mr. Powell says. "In fact, they averaged 1,500 pounds more than a similar group of first-calf heifers are at the Purina Farm which were raised according to the usual methods."

**SAVE TO BUY and BUY TO SAVE**

Read this headline forwards or read it backwards—it gives the same, sound advice.

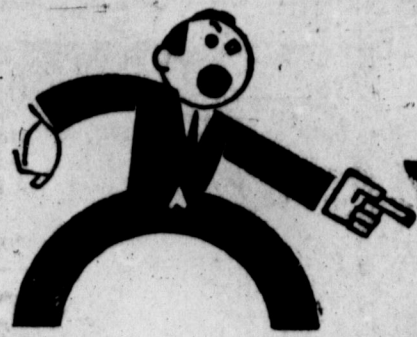

You have certain fixed living expenses; rent, food, clothing, light and other necessities. You save money every week so that these bills can be paid at the first of every month. Whatever else you buy must come from surplus savings; over and above those set apart to cover living costs. To make those savings buy the utmost value for the money is the essential of true economy.

Save to buy—then buy to save. Know what you need to buy. Know what you can afford to buy before you start out to make a purchase. That is the one sure way to get the most for your money.

Make it a habit to read the advertisements in the Colorado Record every week. By doing so you will learn where to buy the things you need and where your dollars will buy the greatest value. The advertisements will show you where to purchase better food, better clothes, and yet save you money. They will help you live better and enjoy the good things of life. They help you buy in order to save.

MIDLAND MAN REFUSED UNDIES HIED OFF AND MARRIED MINUS BVD'S

A Midland CWA worker rushed to the office there the other day and confidently announced to a disbelieving employee that he was about to get married and needed some underwear.

"Nothing doin'," came the reply. "We have no underwear and it is too hot for them anyway."

The groom-to-be scratched his head, and hesitated a moment. "Well, you are right at that," he exclaimed. "I never thought of that. A fellow don't need undies in order to get married, does he," he ejaculated as he made hasty exit into the street and to scene of the wedding.

The Midland incident, however, is not suggested as a rule by which Colorado prospective grooms ought to be governed. Such denial, even in circumstances similar to the one noted, would curb the high cost of living to some extent by saving the clothing bill.

Funeral Held On Tuesday For T. H. McGregor, 74

Funeral services for Thomas H. McGregor, 74, resident of Mitchell county for twenty-nine years, were held at the Kiker Funeral Chapel at three o'clock Tuesday afternoon with Rev. A. D. Leach in charge. Mr. McGregor died late Monday after a lingering illness.

Pal bearers were O. L. Simpson, E. T. Strain, J. L. Strain, L. A. Strain, and Harold Letcher. Interment was in the L. O. O. F. cemetery in Colorado. Born in Alabama April 8, 1860 Mr. McGregor was married in 1882 to Lillie Strain, who survives him. Other survivors are three daughters, Mrs. J. H. Letcher, Mrs. Jim Davis and Mrs. Tom Mintz, all of Colorado. At the time of his death Mr. McGregor was making his home with Mrs. Mintz in South Colorado.

MERCURY CLIMBED NEAR 100 DEGREES SATURDAY

Beginning Saturday afternoon when the mercury climbed to near 100 degrees, residents of Colorado experienced some scorching weather conditions. Sunday afternoon following was unusually warm. Farmers were not expressing alarm over the heat, stating they preferred that kind of weather to the sand blows prevailing a few days before.

## CONGRESS' PROPOSAL SHOULD AID HIGHWAY NO. 101

### ROAD BUILDING OBJECTIVES GIVEN ENCOURAGEMENT BY NEWS OUT OF WASHINGTON

Coloradoans Interested In Program Tentatively Mapped Friday

Considerable interest was developed here Friday in news from Washington that the nation proposed another extensive road building program, some part of which would, no doubt, be allocated to construction in this territory.

Congress sent President Roosevelt a three-year road building program that will involve upwards of a billion dollars if carried out.

In quick succession, house and senate gave final approval to the Cartwright bill authorizing federal appropriations totaling between five and six hundred million dollars and state matching expenditures of another quarter billion dollars.

They approved a conference report which broadly expanded a modest measure introduced some time ago by Chairman Cartwright of the house roads committee.

Cartwright said the outcome was "far beyond our expectations." His measure had called for authorization of \$460,000,000 to be spent as congress saw fit to appropriate it, without the states having to put up any matching funds.

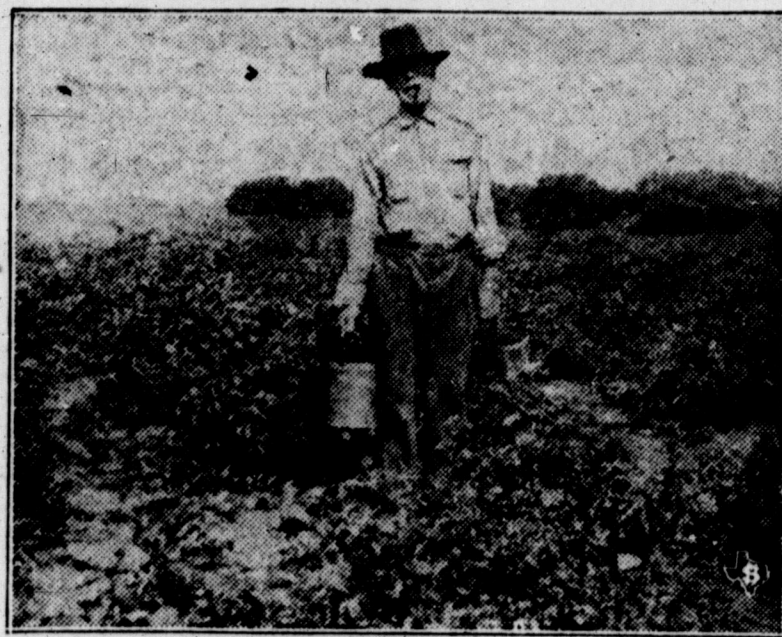

Although that figure was pared down to \$224,000,000, congress went much farther in providing for continuing the normal federal aid program in the 1935 and 1937 fiscal years. To that end, the measure carried authorization for \$125,000,000 to be appropriated each of those years, upon condition the states match it with an equal amount.

In addition, for each of the same two years, \$10,000,000 is provided for forest highways, \$2,500,000 for main roads through public lands, \$7,500,000 for roads and trails in national parks and \$4,000,000 for Indian reservation roads.

The \$224,000,000 that does not have to be matched includes \$200,000,000 for roads in states, 25 per cent of which must be spent on so-called "feeder" roads unless state laws prohibit, and \$24,000,000 for national park and other government land roads.

The deficiency appropriation bill now before the senate carries \$100,

### Berries Make Good Cash Crop

L. E. Crutcher of Loraine Texas, hasn't anything to worry about as long as his berry patch is producing. Crutcher has five acres in dewberries and blackberries and has already gathered and marketed more than 1,000 gallons of berries and will get several hundred gallons more. His farm is just outside the city limits of Loraine, Texas farmers are turning more and more to side crops that will bring in ready cash. (Texas News Photos.)

### Davis Motor Co. To Handle Shell Fuel Gas, Oils At Retail

Shell Petroleum Company motor fuels and oils are now available at retail in Colorado. The Davis Motor Company on East Second street, distributors for Oldsmobiles in this territory, was announced Monday as retail selling agent for these products.

"We are proud to announce that the Shell Production Company has designated us as their Colorado representative," W. C. Davis, manager of the concern, stated Tuesday morning. "High quality of Shell gas and motor fuels assures that we are to experience a good demand for the products."

Front of the building occupied by Davis is to be newly painted and otherwise modernized to conform with trade-mark colors of the Shell Company.

000,000 for outright highway allocation to states, or about half of the general non-matching road fund authorized in the Cartwright bill.

### STATE TO TACK PENALTY CHARGES ON TAX TOTALS AFTER SUNDAY, JULY 1ST

Taxes that are delinquent on and after July 1 are going to cost ten per cent more.

That was the information passed along to citizens of Mitchell county by Collector John B. Holt, in belief that a number of taxpayers would make payment of their accounts at his office and thereby save the added charge.

During the days of grace authorized by the legislature and to end with the close of June, interest at the rate of six per cent per annum only is added.

Friday was a busy day at the tax collector's office, Holt stated. His office issued a total of 160 payment receipts during the day, taking in some \$4,000 in cash.

### Goldman Blocking Acreage For Well In Fisher County

M. S. Goldman of Big Spring, a former Colorado oil operator, is blocking acreage for an oil test near McQuayley, Fisher county. Goldman informed Colorado friends the first of the week that he had about completed taking lease contracts for the block and hoped to begin drilling within the next few weeks.

Goldman, associated with George Henshaw for several years, is known as an outstanding developer of new fields in West Texas. He went with Henshaw soon after the late operator established general offices here ten years ago. Later the firm established headquarters in San Antonio.

### POISONED BAIT CHECKED INROADS BY RABBITS IN FIELD OF THIS FARMER

H. L. Leach of 15 miles southwest from Colorado, reported to County Farm Agent Baskin while in Colorado Saturday that poisoned bait formula recently suggested by the agent had checked attack by jackrabbits on his crop. The rodents were invading the Leach field in large number, taking heavy damage before placing of the poison bait.

"I have been picking from 2 to 4 jackrabbit carcasses daily since putting out the poisoned bait," Leach stated. "I began putting out the baits on May 31 and during the past ten days the rabbits have let-up in their damage to my crop."

Formula for poisoning the rabbits may be obtained upon application to Mr. Baskin.

### JIM GREENE OPTIMISTIC OVER MAHON CANDIDACY

Jim Greene, Chamber of Commerce secretary and who during the past few weeks has been directing campaign of George Mahon for congress in a number of counties of the district, stated Friday that he was confident the Colorado man would head the ticket July 28 if local friends of the candidate work aggressively in his behalf. Greene offered suggestion that one citizen accept responsibility for a certain county, pledging delegations visiting there to urge voters consider Mr. Mahon's claims for the office.

**ARE YOU TODAY, YOUNG MEN AND WOMEN, TO BE FACTORS FOR SECURITY IN THE TOMORROWS THAT ARE TO COME?**

What will be your contribution to the security of civilization—to those things worthwhile?

I am now much concerned with your equipment in an intellectual way. I take it that you are reasonably equipped in that respect. The question is will you be willing to contribute what you have to a better and loftier civilization in this country?

The size of one's talents or financial endowments is not the essential thing, Mr. Mahon pointed out. "Too many graduates are not willing to contribute something of what they have. I appeal to you to give even much of it."

"No man is worth much to his community or his country who does not love his community or country. The primary note in success and achievements of man is that spirit of love and sacrificial devotion to things worthwhile."

In conclusion the speaker made this application to school loyalty: "May all true daughters and sons of Hardin and Simmons leave with the old school an afterglow."

Mr. Mahon, an honor alumnus of the school, was introduced by President J. D. Standerfer who paid a beautiful tribute to life of the Colorado attorney.

Mr. R. M. Hail, former resident of Colorado who has been visiting in the home of Rev. and Mrs. W. M. Elliott here for some time, left Monday to visit in Dallas.

**CITY FATHERS TO PRESS COLLECTION OLD TAXES; CONSIDERABLE SUM DUE**

Delinquent tax accounts at the municipal building are going to be liquidated else the city fathers plan doing something about the matter. It developed during meeting of the council Monday night that a likely sum is due Colorado on that score. Roll showing delinquent tax accounts was submitted by Secretary J. L. Jones and after examination was given official approval.

## HERE'S ONE REASON why long distance calls are fast

**WITHIN** its own boundaries, this company, like each of the 24 Bell System associated companies, operates its own long distance system. But A. T. & T. trunk lines (shown on map) link these 24 separate systems into a nation-wide unit, over which skilled operators can send your voice almost with the speed of a local call to the remote reaches of the country.

Such nation-wide service would be virtually impossible without equipment built to the same designs and used in the same way... without operators trained in the same methods... without, in short, a nation-wide organization behind it.

How effectively A. T. & T. meets this need is shown by the fact that today 9 out of 10 long distance calls go through while you hold the line; by the constant pushing back of the frontiers of the voice until 92 per cent of the world's telephones are now within your reach; by four reductions in long distance rates, made voluntarily in recent years.

Here you may see the workings of a fundamental Bell System policy, adopted because we believe it to be a policy that works. In an organization planned like the telephone service for the long pull, we feel that what is best for the telephone user becomes in the end the course that will bring us the sounder, more certain success.

### CONSTRUCTION ON BIG OBSERVATORY TO BE BEGUN THIS MONTH

FT. DAVIS, Texas.—Reports that the big mirror glass for the McDonald observatory to be erected near here on Mount Locke had been broken and ruined in the grinding process were incorrect, according to a letter reaching Ft. Davis from Dr. Otto Struve, director of McDonald and Yerkes observatories.

There was some damage, it is understood, around the edges of the 80-inch, two and one-half ton disk.

"I inspected the glass disk for the mirror," Dr. Struve said in the letter, "and found that while almost perfect, it would be necessary to reheat it and to anneal it a second time. This will require about four months."

The annealing process reduces brittleness and increases softness.

"The disk," the eminent astronomer continued, "could probably be used as it is. We are merely using the maximum degree of caution in order to obtain the best glass disk that has ever been produced."

Dr. Struve added that the steel dome of the observatory has been partly erected at Cleveland, O., by the steel contractors and that construction on the mountain here will be started in June.

It has been the intention of the contractors to erect the dome on the manufacturing site so as to get its every rivet hole and curve fabricated accurately before bringing the steel to this remote place where it would be difficult to remedy faults. Thus every piece will have been fitted and every hole bored before arriving here to go into the completed structure.

### New Producers To Boost Oil Output In Howard Sector

**BIG SPRING.**—Two producers in Howard county were completed last week with potentials totaling 657 barrels daily while another gauged 146 barrels on its first test, one well was treated with acid and another encountered its first oil.

The larger of the completed producers, Sun Oil Co.'s No. 6 Phillips, pumped at the rate of 512 barrels daily upon completion at 2,350 feet. It topped the main pay at 2,340 feet and was treated with 3,000 gallons of acid. Location is 7,550 feet from the south line and 330 feet from the east line of section 14, block 23, township 2 south, T. & P. Ry. Co. survey.

Sinclair-Prairie No. 1 Percy Jones was completed at 2,817 feet, exhaibing 145 barrels of oil in 24 hours. It topped the pay at 2,692 feet and was shot with 300 quarts from 2,691 to 2,811 feet. The well is 330 feet from the north line and 2,810 feet from the west line of section 2, block 30, township 1 south, T. & P. Ry. Co. survey.

Tested after being treated with 1,000 quarts of acid, Shely B. Dorn and others' No. 1-A Davis made 146 barrels of oil the first 24 hours. It is in the upper pay and may be deepened from 2,573 feet. Location is in the northeast quarter of section 2, block 30, township 1 south, T. & P. Ry. Co. survey. A machine was being rigged up for Dorn and others' No. 1-B Davis, 2,810 feet from the north and west lines of section 2, block 30.

Plymouth No. 10 T-P Land Trust in section 5, block 32, township 2 south, T. & P. Ry. Co. survey, showed oil at 2,325 and from 2,349-57 feet and prepared to test at 2,367. Plymouth No. 11 T-P Land Trust was running 12 1/2 inch casing at 870 in sand. In section 11, block 30, township 1 south, T. & P. Ry. Co. survey, Sinclair-Prairie No. 11 Dodge had drilled to 1,970 feet in shale and shows at several points in drilling to 2,405 feet, was treated with 1,000 gallons of acid and a 200-barrel oil load under 800 pounds pressure. It pumped on 2 1/2 barrels of oil hourly and drilled ahead at 2,355 feet in lime and shale.

Merrick & Lamb No. 12 Chalk in the northwest quarter of section 125, block 29, W. & N. W. Ry. Co. survey, had drilled to 850 feet in red rock. Humble No. 2 Settles, in section 132, block 29, W. & N. W. Ry. Co. survey, still was trying to drill by drill pipe lost at 2,301 feet.

Southern Oil Corporation's No. 1 Frazier, wildcat at short distance south of Big Spring, had drilled No. 12 Dodge to 567 feet in red rock.

Vote for Ruebelle Smartt for County Clerk.

### SWEETWATER PLANS BIG THINGS FOR LAKE PARK JUBILEE OPENING TODAY

That Sweetwater is planning big things for formal opening of Lake Sweetwater Thursday and Friday of this week is indicated in the following news report reprinted from the Nolan County News:

Twelve thousand people will trek here from all parts of Texas.

Fort Worth is sending a motorcade and speed boats.

Twenty-two beavers and 40 nuttongs will be barbecued.

The entire personnel of the Texas Railroad Commission, former Gov. James E. Ferguson, members of the Texas Relief Commission, George Sheppard and executives from the comptroller's office, and other state officials are coming from Austin.

Fifteen hundred dollars is to be spent for polishing, bread, onions pickles, and paraphernalia for the celebration by the committee in charge.

Numerous bands will march in parade, strike up gala tunes on the lake shore.

Prominent statesmen, politicians and citizens will speak.

Baseball games and golf matches in simultaneous play, boat racing and fire works too.

These are some of the features which are to go into making the Sweetwater Lake opening on June 14 and 15 a celebration of state-wide magnitude.

### Bauman News

Seventy-five were present last Sunday for Sunday school. Next Sunday is Father's Day, let's have a hundred people in Sunday school on that day.

Rev. H. Hanson of San Angelo, preached at Bethel Sunday morning and night. Rev. H. N. Baldree, the pastor, was absent Sunday. Rev. Baldree started a revival meeting at Robinson Chapel, near Big Spring, last Sunday.

On last Thursday night the young people of the Senior B. Y. P. U. met at the home of their sponsor, Mrs. Dye McCollum, for a social. A short time after meeting they went west of the McCollum home and spread supper. Everyone expressed themselves as having enjoyed the occasion. If you are not a member of this B. Y. P. U., you had better join next Sunday night.

As a result of last week's ball playing, the standing of the teams are: West Side, won 3 and lost 2; East Side, won 2 and lost 3. You are invited to come out and watch these games. A large crowd was present last Thursday afternoon. Remember, the games are played each Tuesday and Thursday after noon at about 5 o'clock.

We are glad to report that those in the community that have been sick are better at this writing.

Mrs. Virgil Wimberly and sister, Mrs. Abner Back, were visiting their sister, Mrs. Wil Watson Sunday. Mrs. Watson has been sick for the past week. Mrs. Wimberly remained with Mrs. Watson for a few days.

Mr. and Mrs. Clyde Slaughter of South Champion spent last Thursday visiting her mother, Mrs. Jim Lee.

Mr. and Mrs. Claude Willis and Jack Willis spent a few days visiting in Abilene last week. They were accompanied to Loraine by an aunt, Mrs. Alice Brown, who is visiting her sister, Mrs. T. E. Willis this week.

Mr. and Mrs. Luke Finley and family, and Mr. and Mrs. Clifton Henderson and family of the Silver community, visited with Mr. and Mrs. Clarence Thompson last Sunday.

Aldin Lee is in Longview, Texas this week visiting his sister, Mrs. Jesse Davidson.

**STATE HOLIDAYS**

There are only eleven State holidays. They are designated by legislative act. They are: Jan. 1, New Year; Jan. 19, Robert E. Lee's birthday; Feb. 22, Washington's birthday; March 2, Texas Independence Day; April 21, San Jacinto Day; June 3, Jefferson Davis's birthday; July 4, Independence Day; First Monday in September, Labor Day; Oct. 12, Columbus Day; Nov. 11, Armistice Day; and Dec. 25, Christmas.

Thanksgiving Day is not a State holiday by law. It is so designated by a governor's proclamation.

Beside the official holidays, the legislature also has designated Aug.

12 and Nov. 3 as "special days" without making them holidays.

Aug. 12 is "Texas Pioneer's Day" and Nov. 3 is "Father of Texas Day" in honor of Stephen F. Austin.

The world investment in radio broadcasting is more than \$1,750,000,000.

Air mail planes will not be started from England on Good Friday.

## THE TOUGHEST TEST A MOTOR OIL COULD TAKE!

NEW AND IMPROVED CONOCO GERM PROCESSED MOTOR OIL WINS THE TERRIFIC "DESTRUCTION" TEST!

These six new strictly stock cars were used in the "destruction" test, under AAA supervision.

**A DARING, competitive test**—and what a result! New and Improved Conoco Germ Processed Motor Oil out-distanced five worthy rivals, thanks to the extraordinary film strength and penetrativeness our recently patented process gives it. Five quarts of this remarkable new oil lubricated a motor for the almost unbelievable distance of 4,729 miles before the motor was wrecked!

Five other oils, all nationally known, competed with New and Improved Conoco Germ Processed Motor Oil in this test. All cars were driven under AAA supervision, under exactly the same conditions until the motors could no longer operate. The notable thing is that five quarts of New and Improved Conoco Germ Processed Motor Oil went more than 3,000 miles farther than the first oil to fail, and over 1,400 miles farther than the best of its competitors!

The results of this test should guide your motor oil purchases from now on. Look for the Red Triangle Sign.

Five quarts of each brand of oil of this same S. A. E. grade from measures checked by the Bureau of Weights and Measures, State of Indiana, were carefully put in the cars by AAA officials.

The official sealing of crankcases after fill of five quarts was put in. No addition of oil was permitted in this "destruction" test.

### LION BRINGS TWO BOXES CIGARS NOW AFTER HEIR APPEARS IN HIS FAMILY

It now requires two boxes of cigars where only one was needed before.

That is the condition that must be faced by a member of the Lions Club as a sequel to arrival of a baby in his household. The change is due to the rapid growth of the service organization, recently announced as being tied with the Fort Worth club for fifth place in Lions International.

Friday members of the club smoked choice perfectors with compliments of Master Richard Lindsey Thomas, young son of Lion Nat Thomas. It was the first time in history of the club that two boxes of cigars were required to supply all members who smoked.

"What about a Lion who is about to get married?" interrogated Lion Cal Wright, as he addressed the chair.

"Well, we will just await and give him plenty of time in which to qualify for the distinction of bringing them in," came reply from P. President Mills.

### OFFICIALS AND DIRECTORS ELECTED FRIDAY BY LIONS CLUB BE INDUCTED JULY 6

Helton Wins For Club Tail Twister; Jones Watson, Whipkey Directors

Lions participating in annual election of officers and directors Friday voted the ticket straight, confirming nominations as authorized two weeks before for all places in which no opposition was offered.

There were two contests, however, in which competition developed keen. In the race for tail twister, with four candidates running, Jack Helton managed to nose ahead for first place. Others previously nominated for the office and who will be qualified as first, second and third assistant tail twisters are, in the order named, Dick Billingsley, Doyle Williams and Henry Vaught.

Out of a field of five candidates for directors, Lee Jones, John Watson and Walter Whipkey were elected. Other officials elected without opposition were as follows: Dave Bridgford, president; Geo. Mahon, first vice president; Benton Templeton, second vice president; Bill Crosthwaite, third vice president; John Deffabach, secretary; Joe Smoot, treasurer; Mac McSpadden, Lion tamer; Marion Chapman, assistant Lion tamer.

The newly elected officers are to be installed at meeting of the club to be held Friday, July 6, to serve for one year.

Reports of recent annual State convention in Mineral Wells were brought to the club membership by Deffabach, Jim Greene, Evert Elliott and Rev. Dick O'Brien. Deffabach gave detailed report of the two days, while the other Lions spoke briefly of special entertainment features. Rev. Mr. O'Brien delivered address at annual memorial service, observed as major feature of the two days.

Visitors present included S. T. Jones of Tyler, O. F. Jones of the Spade ranch and Perry Barber of Abilene.

### Safeway Concludes Plans For Annual Lamb Sale Drive

Three thousand meat markets operated by Safeway Stores, national retail food concern, will launch their third annual mass sales drive on lamb beginning Friday morning, June 15th, and ending Saturday evening June 23rd, according to an announcement just received from J. V. Nuckols, district market manager.

This effort will cover eighteen entire states west of the Mississippi. It is the outcome of five months of intensive planning.

Although the need for over-supply relief has been reduced to a minimum by the effective selling momentum created by such nationally operating concern, this "Lamb Campaign" will be brought more forcefully to the attention of the public than any held heretofore.

Starting mainly with the West's leading newspapers, all known advertising media will be employed. All cattle growing, fraternities, meat institutions and farm bureaus are interested in this effort to again benefit the worthy industry of the lamb producers. Public officials have issued favorable and encouraging statements on past campaigns of a similar nature.

Last year Safeway Stores bought more than 1,023,000 lambs, according to their local executives, and this year they expect to increase their purchases so as to give further support to the growers.

### SYSTEM FOR TELLING WIND VELOCITY GIVEN

A simple system for ascertaining for one's self how hard the wind is blowing is passed on to West Texans by Sam Crowther, volunteer government weather observer in San Angelo. On days when March winds blow their worst or wind and thunder storms fall on the city, he is asked many times, "How hard was that wind blowing?" Man, that was a gale.

As a sailor in his younger days, Mr. Crowther rode bucking vessels in the Caribbean sea with "whole gales" raising up mountains of water. He has seen evidences of un-earthly winds in tornadoes, which have been variously estimated by scientists to evidence velocities of over 200 miles an hour in circular swing. The actual forward movement of a tornado may be only at the speed of a "fresh blow" or a strong wind, 19 to 31 miles an hour.

The "rule of the thumb" system devised by the United States Weather Bureau by which anyone can make fairly accurate estimates of wind velocity follows:

When the windblows less than one mile per hour, smoke rises vertically. A wind of one to three miles causes smoke to drift but does not move a wind vane. A light wind of four to seven miles makes itself felt on the face, rustles the leaves, and moves a wind vane, while a gentle breeze of 8 to 12 miles an hour keeps leaves and small twigs in constant motion and extends light flags.

A moderate wind of 12 to 18 miles an hour raises dust and loose paper and moves small branches, while a "fresh blow" of 19 to 24 miles causes small leafy trees to sway gently and forms crested wavelets on inland waters.

A strong wind of 25 to 31 miles an hour moves large branches of trees, whistles through the telegraph wires and makes it difficult to hold an umbrella open, while a wind of 32 to 38 miles an hour sets whole trees in motion and retards anyone walking against the wind.

A wind blowing 39 to 54 miles an hour is known by the weather bureau as a gale. When a gale attains 46 miles an hour it breaks twigs off trees and generally impedes progress; but when stronger it causes slight structural damage, blowing off chimney pots and slate shingles.

The wind seldom blows 55 to 75 miles an hour inland, but such a velocity is known as a "whole gale." When blowing at a velocity of 55 to 63 miles an hour, a "whole gale" uproots trees and cause considerable structural damage, and a 64 to 75-mile "whole gale" causes widespread damage.—San Angelo Standard.

### Cotton Contract Cuts Were Rule Not Exception

COLLEGE STATION—Cutting cotton production figures in cotton adjustment contracts was the rule and not the exception in Texas and everywhere else, according to the State Cotton Review Board. The farmer who feels badly that his first figures giving average five-year production were not accepted by the Board, and were reduced by the county committee to put them in line with the county allotment, may feel better if he knows that nearly all farmers took similar cuts.

When all the cotton production figures put by farmers into their contracts were added up it was found that they ran over the county allotments by a rough average of 20 percent, the Board states. In some counties the over-run went more than 40 percent.

This does not mean that farmers were dishonest in giving their production figures, the Board says, but that farmers had no way of knowing exactly what they had produced for five years. Production figures were of necessity estimates based largely on memory. The same was true of acreage figures. A farmer assumed he had 100 acres in a field but it might have been 90 acres or 110 acres if actually measured.

On the other hand, the Bureau of Crop Estimates knows with great accuracy the total bales produced in Texas every year. The average of this for five years became the Texas allotment. This was apportioned out among counties on the basis of local ginnings, cross county ginnings taken into account. It was imperative if there was to be a cotton program at all, that the total cotton production given by farmers in their contracts added to that of non-signers not exceed the known State total. That is why cuts were necessary, the Board explains.

**PREACHER-REFORMER**

Earl Anderson, pastor Baptist church in Dallas writes a letter in which he says:

"God never called any preacher to reform this world. Preacher reformers are of the modern origin. God did not write the Bible to govern this sinful world. The Bible is a set of Holy Kingdom laws, which Kingdom, in its fullness, will not be on earth until Christ returns in person, and the laws of God can not have universal application until that time. The Bible is only a set of divine laws to govern a divinely saved and called out people. People must be born again, become a child of God by spiritual birth, before they can even understand the laws of God, much less obey them. People are not saved because they obey the laws of the Bible; they obey the laws of the Bible because they are saved. Preachers are wasting their time trying to do good; they do good because they are good.

"The Bible is not God's word to Satan's people; it is God's word to God's people. As strange as it may seem, there is no command in the Bible for the unsaved to reform their lives. Their only Bible command is to 'repent.' All Bible commands to reform are directed to believers. Preachers are wasting their time trying to do good to the unsaved world to obey laws that God only intended should govern saved people. If preachers should reform this world, it would still be lost and on the way to hell. Salvation is not by reformation, but by regeneration. A reformed person will be just as hot in hell as an unreformed person. By giving their ministry over to reform activities, preachers have turned thousands, even millions from the true meaning of the Gospel of Christ.

"The Gospel is not that we reform ourselves, but that Christ died for our sins according to the Scriptures. Preachers stand in grave danger of having the world look upon them as reformers rather than witnesses to the salvation of the soul by the grace of God through faith in Jesus Christ. Paul said, 'I am determined to know nothing among you save Jesus Christ and Him crucified.'

"We do not read in the Bible where Christ or the apostles were reformers. They were not reformers, they were informers. A man does not have to be called of God to be a reformer, average decency makes reformers of us, but a man does have to be called of God to be a preacher of the Gospel. Preachers have a high, holy and heavenly call than none others have. Why not apply ourselves to that calling alone?

"If we preachers were to reform all the race track gamblers and sober all the drunkards, what would we have? A world full of abstaining infidels, a hell full of sober and reformed un-believers! A man may just as well go to hell drunk as sober. What is the difference in going to hell on a race horse and slipping in off a church pew? Both classes will be subjected to the same lack of comforts and conveniences throughout all eternity.

"Preachers who, mix law with grace, reformation with regeneration, are propagators of a natural religion, which religion, although promising temporal and material benefits, should not be confused with the super-natural ministry of God-called preachers of the Gospel of the grace of God. The former has become the lucrative arena of modern professional evangelists, and is a spectacle confusing the minds of the unsaved world, whereas the latter is a surrender to a specific divine call. God loves the race track gambler just as much as He does the preachers. He loves the drunkards just as much as He loves the foreign missionaries. If any of us are saved we are saved alone by the Grace of God, not because of any merit of our own. After we get the people saved we will not have to worry about race track gambling and liquor, etc. Until we do, we will always be worrying over these things and will always be 'winning' a losing battle.

"The trouble with some modern preacher-reformer-crusaders is they are trying to get the people to live a new life before they have a new birth. That is impossible; it cannot be done. Our energy is thus wasted. The world will never be completely reformed until it is completely regenerated, and it can never be regenerated beyond the extent of its regeneration. Let us give ourselves solely to the preaching of the saving power of God, through Christ. Some theologians may, but poor lost sinners will not misunderstand this article. Indeed! Back to the Bible! Back to God's one and only plan of salvation, which is also God's only plan of reformation! Should be the cry of all preachers and all Christian witnesses."

Mr. Orland W. Johnson of Dallas, writes answering Mr. Anderson above:

"Reformation is the end toward which much modern preaching is directed. It is a worthy and ultimate end. Without reformation of our individual lives few reforms collective can be accomplished. But, as the Rev. Mr. Anderson pointed out, mere reformation is not sufficient. Regeneration must precede reformation if reformation is to receive the divine sanction and become permanent. There may be reformation without regeneration, but there can be no regeneration without reformation.

"By their fruits ye shall know them, Jesus said. And when this old human nature of ours is regenerated, we may be sure the fruit of men's lives will be different. In the past many reforms, and worthy reforms, too, have been instituted and have proven failures because the number of regenerated people was not large enough to provide the moral backing which every reform, every law, every rule of society must have to insure its effectiveness.

"Perhaps all regenerated people supported such reform, law, or rule of society, but the obstacle was that there were not enough people of this type. Many instances of this might be pointed out in our own country. Most reforms are permanent, because the tenacity of the fewer proponents is great enough to overcome the general lassitude of the many not particularly interested. We do not think efforts at reformation should be abandoned. But we do think efforts at regeneration should be increased many fold. The objective should be to maintain such a balanced relation between the two that when a sufficient number of people are regenerated to successfully support a reform, then the reform should be instituted.

"It would be of little use to pass a law at the present time prohibiting horse racing in Kentucky, or the sale of intoxicating liquors in Great Britain. The number of regenerated people who believe these things to be wrong is not great enough in those sections to insure success. And, too, regenerated people are not unanimous as to what is right and what is wrong in every instance. Therefore, along with regeneration must come enlightenment.

"In the plan of salvation this was provided for. Jesus promised his followers that He would send the Holy Ghost, and the Holy Ghost would lead them into all truth. Unfortunately, few Christians have received the gift of the Holy Ghost. Many men and women in our own country before the Civil War, undoubtedly Christian, believed in the institution of slavery. At an earlier period the practice of dueling was not regarded as unchristian. But an enlightened Christian conscience has relegated these to the category of things forbidden, and rightly so. We still have, however, unchristian practices among us which must yield to a finer and more Christ-like civilization in the future. The purpose of Christian men and women should be to so bring their own lives into accord with the principles of Christ that this civilization of the future shall be hastened."

We consider these two letters far better than anything we could write, so we submit them to our column readers this week.

**WOMEN, GIRLS' CLUB NEWS**  
By MISS EMMA GUNTER, Home Demonstration Agent

The County Home Demonstration Council held its regular meeting Saturday, June 9th with seven women present. The club representatives gave reports. The Looney club had the best one this month. Reports were also given on the progress of the stunts for Rally Day. Looney and Plainview clubs had decided upon their. Those clubs sending delegates to Short Course were asked to give ways and means for making money. Suggestions on beet and cucumber pickling were given by the County Home Demonstration agent. The Looney club served as hostess at this meeting. The next meeting of the Council will be in August since the Rally will be held July 12th no Council meeting will be held in July.

The Iatan Home Demonstration club met at the home of Mrs. E. L. McElhattan with 11 women present. After the business session and discussion of making money to send a delegate to the Short Course, a demonstration on the cloaking of 3 slip patterns by using a foundation skirt and waist pattern was given by the County Home Demonstration agent. A garden report was given by Mrs. Jeff Hillhouse. Club adjourned to meet with Mrs. Nina Mitchell next.

To celebrate the completion of their work as Bedroom Improvement Demonstrators, seven of the nine girls were guests of Miss Emma Gunter, Home Demonstration agent, assisted by her niece, Miss Evelyn Hope, at a swimming, picnic and slumber party at her home, 1141 Chestnut, Saturday night. Those enjoying the party were: Nytha Lee Harrel, Loraine Novales Groom, Lone Star; Melba Ruth Adams, Carr; Florice Andrews, Hyman; Margie Carlock, Shepperd; Opal Leach, Conaway, and Errah Yarborough, Silver. These girls are to hold a meeting of the club at their house at the next club meeting so that the other club girls may see what has

"Wonderful," She Says

Here's to-day's story of a woman who knew she carried too much fat and decided the right way to get rid of it—just a few words that wise fat folks should heed—worth reading.

"I use Kruschen Salts to reduce. It's wonderful. Take it daily and eat what I want and still lose. I did weigh 180, now 137. Want to get down to 125." Mrs. Leonard Bass, Ft. Atkinson, Wis., Feb. 6, 1934.

**No one needs to tell her!**

• Possessing a keen sense of values, she's too smart and intelligent to be disturbed by all she hears and reads. No one needs to tell her which is the best refrigerator. She has the ability to find out for herself. She knows how to shop and what to look for just as she knows how to play and bank in the sun. She's ready for her new automatic, but before she buys she's going to look at Electrolux and find out why her many friends have bought gas refrigeration.

• The constant, steady cold below 50 degrees which Electrolux maintains without machinery or motors, its permanent silence, its freedom from costly repairs and its remarkably low (about 25c a week) operating cost are things which appeal to her. She wants to test them; to prove to herself that such simplicity in safe refrigeration is possible. And when she does, she's intelligent enough to recognize more years of care-free, dependable refrigeration at the least cost in the gas refrigerator.

**THE DARROW REPORT**

The report of the Recovery Review Board, of which Clarence Darrow is chairman, was disappointing in that it contained so little of constructive criticism. Mr. Darrow and the men associated with him missed an opportunity for real public service. Had the report been a reasoned but searching analysis of the NRA and other recovery agencies it is conceivable that it might have been highly helpful.

The report so obviously reflected prejudices rather than facts that it is of little value. It was certain that in an undertaking so vast there would be instances of developments at variance with the purpose of the plan. Yet the Darrow report did not seek to isolate these facts and present an analysis that would be of value in correcting mistakes. It discredited itself by an assault upon the whole plan, in which opinions of the chairman dominated the report to the exclusion of facts.

Queer that a lawyer of such note as Mr. Darrow should have expected the public to accept his caustic opinions rather than conclusions supported by evidence. He would not expect a jury in the court room to reach a verdict without convincing proof. He would not take a chance on losing an important case by trying to convince jurors that his personal opinions should be accepted in lieu of evidence. Yet he presented a report on a matter of vital public concern in which forensics have been substituted for facts.

**"IN LINE OF DUTY"**

The murder of one officer and the wounding of another here yesterday tragically illustrates the kind of hazards our law enforcement officials face every day in their ordinary line of duty.

Every time an officer buckles on his gun and goes out even on the most routine of assignments he faces potential death.

A public which is all prone to criticize our police officers should remember this fact before accusing them of brutal methods in dealing with criminals.

For instance, certain elements have called the officers who killed Bonnie Parker and Clyde Barrow "cowards who shot from ambush." Either the people who voice such sentiments secretly admired the desperadoes or they fail to consider that Clyde and Bonnie were insane killers who delighted in playing with our warning.

Charles Carruth goes to join those hundreds of other brave officers beside whose name the record carries "killed in line of duty." To his memory and to his family this community owes its highest honors.—San Angelo Standard.

## CITY OF COLORADO CONDENSED STATEMENTS FOR YEAR ENDED APRIL 30, 1934

June 11, 1933

**THE MAYOR AND BOARD OF ALDERMEN,**  
City of Colorado, Texas.

GENTLEMEN:

The books of account and records of the City of Colorado, Texas, for the year ended April 30, 1934, have been examined and report is herewith submitted, together with the following exhibits, showing the result of operations for the year, and the financial condition at April 30, 1934.

**BALANCE SHEET AT APRIL 30, 1934**  
**STATEMENT OF REVENUE AND EXPENSE**  
**STATEMENT OF FUND BALANCES**  
**STATEMENT OF 1933 TAX ROLL**

All expenditures, receipts and disbursements for the period was made. All recorded receipts have been deposited in the bank to their respective accounts with the exception of authorized petty expenditures. Disbursements were properly authorized, and all signatures and endorsements appeared to be in order.

It is the examiner's opinion that the report and statements, given herein correctly set forth the financial condition of the City of Colorado, Texas at April 30, 1934, and the result of operations for the year ended April 30, 1934, subject to comment on depreciation of permanent improvements as contained in original audit report.

**NOTE:** This is a condensed report for publication. For further details and comments see the original audit report which is on file at the City Secretary's office.

## CHEVROLET SALES MOUNT FOLLOWING REDUCTION IN PRICES OF A FEW DAYS AGO

Dealers Throughout Country Optimistic, Sales Mgr. Says In Report

DETROIT, June 14.—Although it is only a week, or so since Chevrolet announced drastic price reductions on its entire line of passenger cars and trucks, sales throughout the country have already increased substantially, indicating that the company's objective—the prolonging of factory employment through the ordinarily quiet month of June—is likely to be attained.

The announcement was made today by W. E. Holler, general sales manager, based on dealer reports from all over the country. Concrete evidence of the effect of the reduction, Mr. Holler said, is the fact that Chevrolet's output projection for June is sharply increased over last year's June output, amounting to approximately 100,000 units, and there is every indication that June will exceed May in retail deliveries. Such a record for June is regarded as a distinct achievement, and is attributed largely to the new low price schedules, he said.

The effect of the price reduction, totaling as much as \$50 per unit, was probably accelerated by the fact that Chevrolet was in the public spotlight at the General Motors exhibit just concluded in 61 principal cities. But the improvement in business cannot be accounted for on that basis alone, since the influx of new orders is not confined to the cities where showings were held. Dealers in almost all states report a quickening of interest, due to the fact that Chevrolet's patented knee-action is now available at the lowest price since the introduction of the 1934 line, and also to the company's offering in the new Standard series, the world's lowest priced car of six or more cylinders.

"We have double cause to feel gratified," Mr. Holler said. "This prompt public reaction not only means much to Chevrolet but is also a decided boost for the national recovery program. The seasonal slump, heretofore regarded as inevitable in the automobile industry, will be felt less severely than usual in the 21 Chevrolet plants. And equally important, though perhaps less apparent on the surface, the huge army of suppliers of Chevrolet's raw materials will also be more active this summer than in other years, and their buying power, like that represented in our own direct payrolls, will make itself felt beneficially to the length and breadth of the land."

## FORTY BILLION DOLLARS UNCLE SAM'S WAR COST

It has cost the United States \$40,583,000,000 to date to win the World War not including nearly \$12,000,000,000 advanced in war loans, according to figures compiled by the United States treasury.

The cost is believed to be increasing at least a billion dollars additional yearly with veterans' benefits, non-payments of interest by war debtors and the heavy interest loan on the United States government on money borrowed in waging the war.

PIONEER CATTLEMAN AND BUSINESS MAN THIS AREA SUCCUMBS AT BIG SPRING

R. C. Coffee Was Father Of Former Colorado Mayor; Rites Held Monday

R. C. Coffee, 77, for many years prominent in the ranching and business life of West Texas, died at the Big Spring residence of a daughter, Mrs. Mary Cole, Sunday morning at 1:30. He was stricken with a heart attack thirty minutes before and sank rapidly until the end.

Deceased was the father of Thos. J. Coffee, for several years an attorney here and later Mayor of the city. Coffee resigned as Mayor when he and family moved to Big Spring a few years ago where he went to assume charge of his father's estate. Thos. J. Coffee, pioneer citizen of Lorraine, is a brother of the late citizen.

The late pioneer owned an eight section ranch in southwest Howard county on which he and family made their home for some time. Several years ago he established a mercantile business in Big Spring, retiring about 15 years ago. He was popularly known among cattlemen of this section of the state.

The body lay in state Monday morning at the residence of Mrs. Cole in Big Spring and later at First Methodist church there until the funeral services at 2:30 o'clock. Burial was besides the grave of his wife in a Big Spring cemetery following rites conducted by the Rev. C. A. Bickley of First Methodist church.

TEXAS FARMERS PLAN TO SPEND MILLIONS ON HOME

COLLEGE STATION—Texas farmers plan to spend about 26 million dollars during the next 3 years for new houses, and about 10 million dollars during 1934 for repairs or improvements on present houses, it is estimated by Mrs. Bernice Claytor, extension home improvement specialists at Texas A. and M. College.

She bases these figures on the results of the farm housing survey recently completed as a Federal Civil Works Administration project in cooperation with the Extension Service and the United States Department of Agriculture. Housing needs on 52,650 farms in 56 counties were studied. Included in the survey were white, negro and Mexican homes on farms operated by owners and by tenants.

Only 22 per cent of the occupants of these farm houses would be willing to borrow money to make needed improvements, even if the money were loaned at very low interest rates and were repayable over a long period of years. Those desiring to borrow on such liberal terms, if given the opportunity, would spend an average of \$595.72 on improvements. For all of Texas this would amount to an expenditure of about 38 million dollars in repairs and new construction.

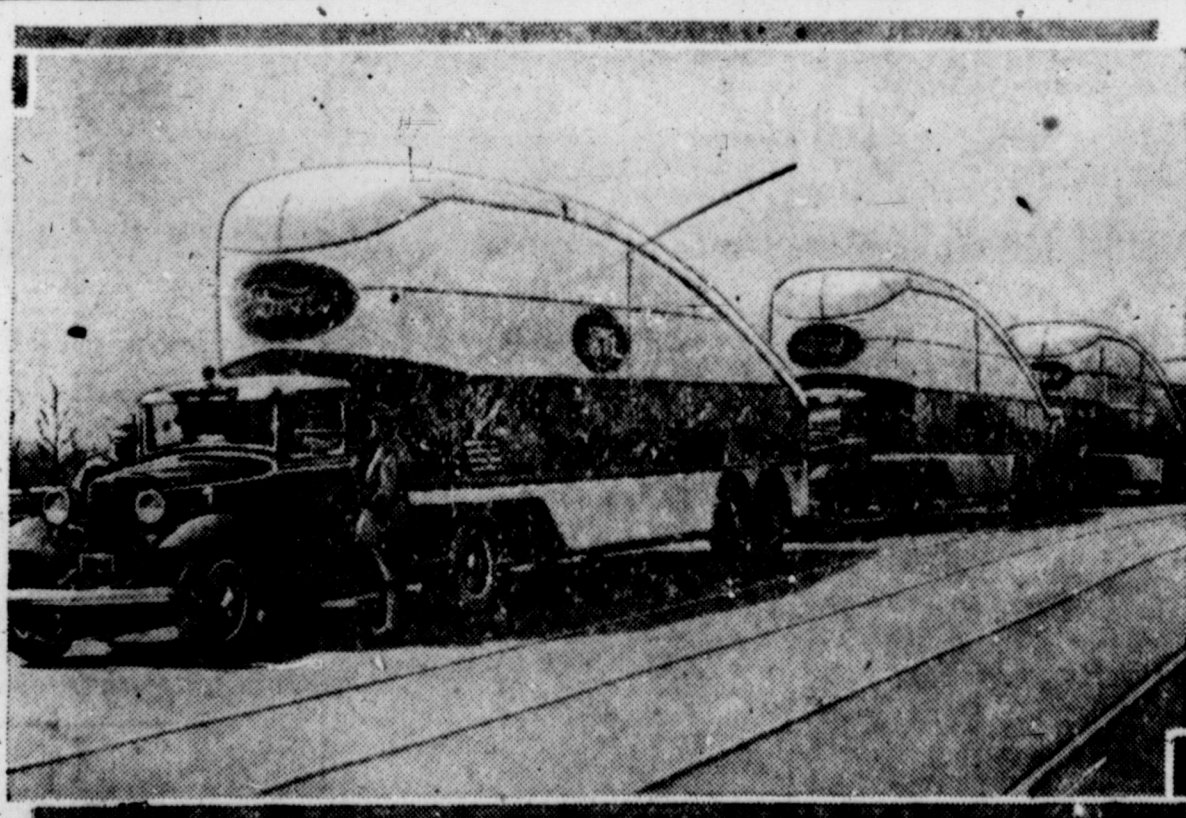

If all Texas farm homes were to be brought up to the minimum standard of housing at least one quarter billion dollars would be required, Mrs. Claytor estimates. Minimum standards of farm housing are said to be based on the assumption that the house has reasonably good roof, foundation, windows, exterior walls and floors. In addition there should be an adequate supply of pure water piped into the house for kitchen and bath room; sanitary drainage of waste water; and sanitary toilet. The house should be screened, have liberal kitchen space, have at least one bedroom for every two people, at least one closet per room, and have a living room.

Autos Untouched By Human Hands

If you see a parade of shiny, new aluminum trailers coming down the block you can bet that it's a shipment of new Ford cars for your local dealer. They are being shipped this way today, as the above photograph shows. This shipment was recently made in Washington, D. C., where it stopped traffic and attracted much attention. This latest method of transporting cars is replacing the old method. It has led to the suggestion that the Ford Motor Company may ultimately adopt the slogan: "Untouched by Human Hands."
