Major William E. Stringer of Cooke Air Force Base, Calif.

## Former Local Rancher Ridin' Range for Air Force

COOKE AIR FORCE BASE, CALIF.—Ridin' the range is old stuff to Texas born Maj. William E. Stringer of Cooke Air Force Base.

The sun-tanned and dusty "Base Game Warden" climbs down from the saddle each evening.

Born on a farm, Major Stringer moved to a ranch near Plains, at the age of 14 and lived there as a rancher until Uncle Sam beckoned for Air Force duty in August 1942.

First was Sheppard Field, Tex. as an aircraft mechanic—far from the hot, dusty ranges where he had spent so many years.

Major Stringer is assigned as Initial Operational Capability Officer at Cooke AFB, but until the 43-day coastal deer season ends, he and his nine volunteer assistants patrol Cooke's entire 63,000 acres on horseback, jeep and foot.

There are four controlled hunting areas comprising 30,000 acres, with 16 hunters per day permitted. By the time the curtain drops on the season there will have been 688 deer hunters—with or without their limits.

Hunting permits are issued daily at Cooke on a first-come basis. Four nimrods are allowed in each of the four areas. State laws are strictly enforced by Warden Stringer and his assistants in conjunction with state game officials. Most of their patrolling is done after normal duty hours to detect any would-be poachers.

Major Stringer attended flying school and shortly after graduation in 1944 was sent to the CBI theater and assigned to the 3rd Combat Cargo Group.

He served in Germany as a test pilot in 1945-46, and was Deputy Assistant for Special Weapons from 1954 to 1957. During this period he found time to

## Sheriff Chambliss Undergoes Surgery

Sheriff Robert Chambliss, who underwent major surgery Tuesday afternoon at Methodist Hospital in Lubbock, is reported as having withstood the operation well and in "as good condition as could be expected", a telephone call by Mrs. Chambliss to friends here revealed Wednesday night.

The sheriff is able to have and would welcome visitors from home, Mrs. Chambliss said. He is in Room 235 at the hospital, and it is expected that he will remain there for from 10 days to two weeks.

Mr. Chambliss was taken to Lubbock by ambulance last Friday, after having been a patient at the local hospital since the preceding Tuesday. During the operation, an extra large kidney stone was removed, and it is hoped that the kidney itself can be saved.

devote to hunting and horses. He attended various courses in German game management and hunting. At Headquarters, 12th Air Force, Major Stringer was

vice president of the Rod and Gun Club.

With the deer season almost over, Warden Stringer and his volunteer assistants are keeping

a close look at the calendar with the hope that no accidents will occur and the first deer hunting season on Cooke Air Force Base will be a highly successful one.

Plains' last touchdown covered 65 yards. Cordell Huddleston threw a ten yard pass to Dwain Rowland and he ran the remaining distance for the score. Rowland kicked the extra point again.

During the fourth quarter, Dwain Rowland received a painful back injury and was taken to the hospital.

Outstanding in the line for Plains were Don Cooke, Billy McGee, and Merle Todd. Defensive standouts were Harmon Meixner, Walter Coffman, and Vennum Fitzgerald.

The Plains Cowboys have an open night this Friday night but will travel to Frenship for a game Friday, October 18.

Grandfalls' only touchdown was set up by a fumble in the second quarter. Robert Browning, 220 pound fullback, held a scoring honors for Grandfalls.

Mr. E. E. Longbrake, manager of the new Humble Service Station, which was recently completed, announced that they will have a formal opening of the station Saturday, October 12.

The new station is located on Highway 380 and Avenue J. Souvenirs will be given to all visitors Saturday.

Mr. and Mrs. Longbrake and their two sons, Terry and Harry, have been residents of Yoakum County the past three years, and are well known. Mr. Longbrake has been operating the Humble

station next door to Glover's Cleaners for the past three years.

Attending from Yoakum County were: Leo White, W. M. Overton, Wyatt Lipscomb, Bob Milford, Bill Lloyd, A. B. Carpenter, and Henry May.

## New Cafeteria At School Is Busy Place These Days

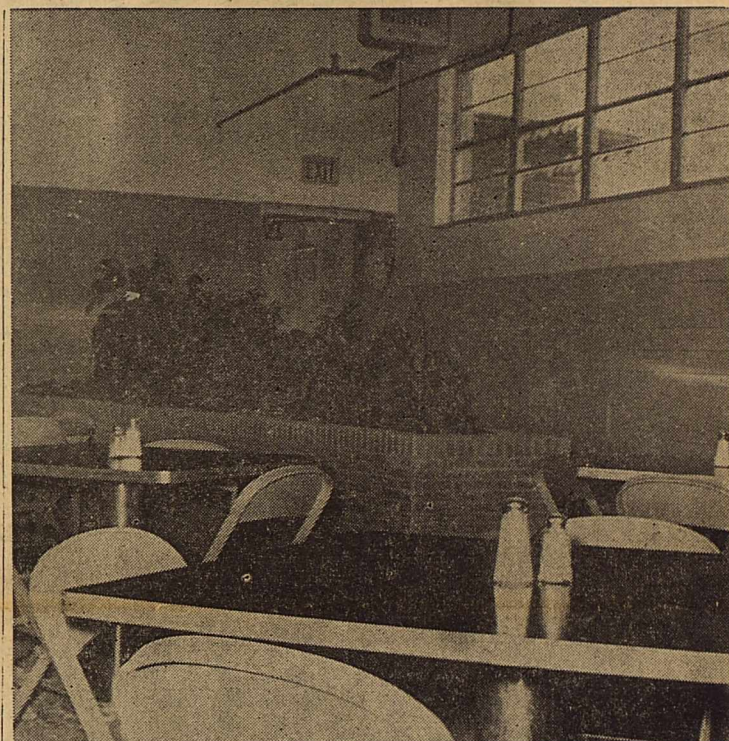

The new modern School Cafeteria has served from 449 to 472 children and teachers every day since it opened September 30, according to Meriel Cross, cafeteria supervisor.

Although it is not completed, the children are eating in comfort and enjoying the decor of green and beige which is carried out in the beige terrazzo floor covering, the walls, the tables and chairs, and the planters which are in both corners of the west end.

One of the things to be added to the cafeteria is a mural, which will be painted on the south wall.

Co-workers in the cafeteria are Rachel Duff, Annie Bookout, Ruth Maynard, Lorene Alberding, and Ruth O'Neal.

Work on the new classrooms, which join the cafeteria on the west, is progressing nicely, according to Supt. G. D. Kennedy. The ceiling is completed and the workmen are laying the terrazzo flooring.

HERE IS ANOTHER VIEW of the new school cafeteria, showing one of the attractive planters which adds much to the pleasantness of the surroundings. In the background is Meriel Cross, cafeteria supervisor. REVIEW Photo

## BILLY COFFMAN HOLDS OFFICE AT HOWARD PAYNE

Billy Wayne Coffman of Plains is serving as treasurer of the student council this year at Howard-Payne College.

A senior student, Coffman is the son of Rev. and Mrs. C. J. Coffman of Plains. He is a 1954 graduate of Edcouch-Elra High School.

The Student Council is the top student organization on the campus of Howard-Payne College.

## SURVEY OF WAGE SCALE UNDERWAY

Mr. Dayton Carroll of the Lamesa Office of the Texas Employment Commission was a business visitor in Plains Monday and stated that a survey of the prevailing wage scale was being made in Yoakum County this week.

## Butane Tanks, Truck Burned by Fire Thursday

Two butane tanks belonging to Western Drilling Co., and a butane truck owned by Keith Gas Company of Lovington, N.M., were badly damaged in a flash fire shortly after noon Thursday at a well site just northwest of the city limits.

Cause of the fire was not immediately known. Newt Steel of Lovington, driver of the truck, stated he had already filled the two tanks with butane and knocked the hose loose, and had cut the butane off at the truck when the fire started. Steel received minor burns around the face. The cab of the truck was completely destroyed.

The tanks were some 75 feet from the rig at the time the fire started, but were pulled still further back to prevent the blaze

from catching the rig afire. Flames at one time were reported to have shot 50 feet up in the air.

The light plant and dog house belonging to Western Drilling were also burned in the blaze, which lasted over four hours.

Working on the rig at the time of the fire were Earl Sadberry, driller, Glen Wilson, Earnest Whittenburg and J. D. Washington, all of Seminole.

## Plan Class Party

The Junior Class is planning a class party for November 20, 1957. The originally planned date of September 28 was changed. The time and place will be announced later.

## An Appeal for CROP

(Editor's Note: This is number one in a series of three articles to be printed in The Yoakum County Review, concerning CROP.)

What happens to people who have nothing to eat? They lose faith, they lose hope, they despair and leave a heritage of unrest, disorder and sow the seeds of war. They need the first help which you can give when you give to CROP — you share your faith — you help to sow seeds of peace.

What is CROP? CROP, the Christian Rural Overseas Program, asks donations of staple food grown on the farm and of cash in lieu of commodities. The food is sent overseas by Church World Service, cash buys more food for shipment and helps to meet costs of distributing Government-donated food through the Share Our Surplus program of CWS. It is given to people most in need, without question as to race, creed, or political belief, through their interdenominational agencies and American church representatives as part of the on-going life of the church. Seeds, tools, and other self-help materials are also provided.

Give generously to the 1957 CROP appeal. The Methodist youth will call on each home in Plains for contributions for CROP on October 31.

## Cotton Crop In County Estimated At 20,000 Bales

Observers last week estimated Yoakum County's 1957 cotton harvest at 20,000 bales. The estimate, compiled October 1, is one thousand bales less than that of September 1.

The harvest was predicted by Lubbock Cotton Exchange and Plains Cotton Growers Inc.

Approximately 900 bales have been ginned in Yoakum County to date, and the only dark spot in the picture is the lack of hands for harvest. It has been estimated that at least fifteen hundred workers are needed.

More warm weather is needed to speed up maturity. An early frost is still the top danger feared by most farmers. The county could either see this crop estimate realized, or it could see a much smaller crop harvested, depending on how late or early frost comes.

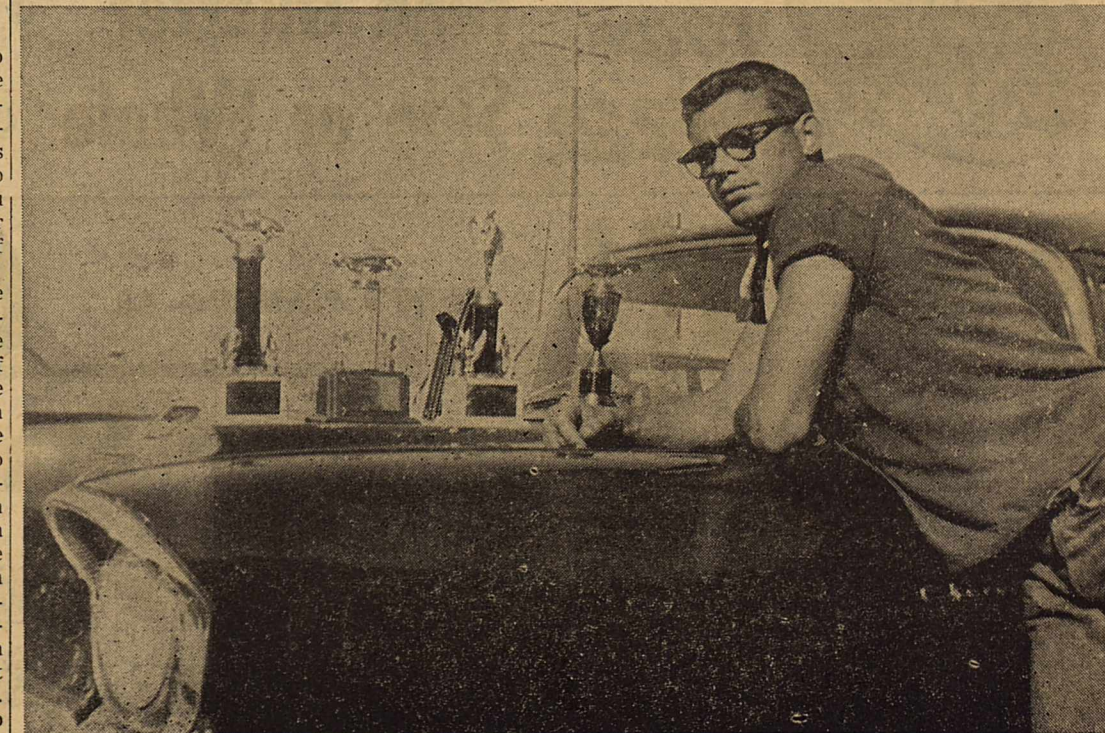

Mrs. Charles Roseberry and boys visited Charles Friday in Lamesa. He returned home with them Saturday and returned to Lamesa Monday where he is cutting feed.

## Grand Opening for Longbrake Humble

Mr. E. E. Longbrake, manager of the new Humble Service Station, which was recently completed, announced that they will have a formal opening of the station Saturday, October 12.

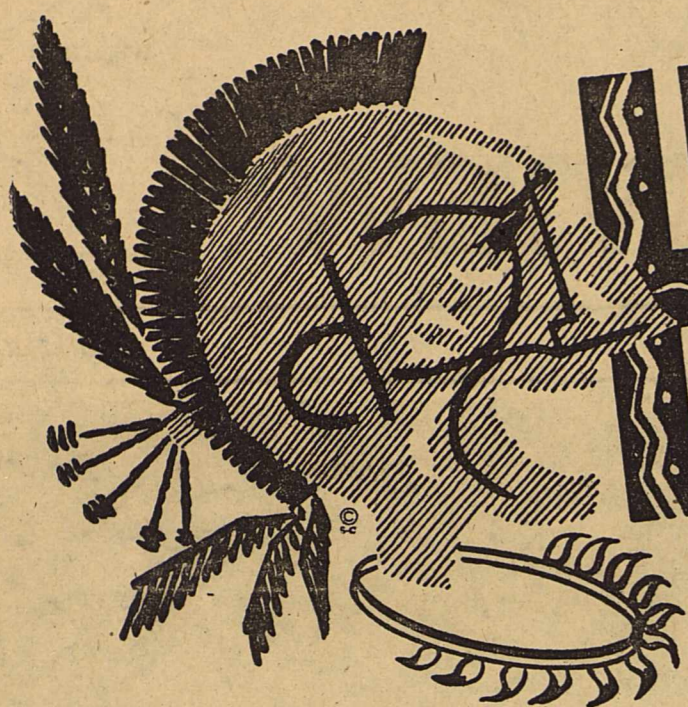

The new station is located on Highway 380 and Avenue J. Souvenirs will be given to all visitors Saturday.

Mr. and Mrs. Longbrake and their two sons, Terry and Harry, have been residents of Yoakum County the past three years, and are well known. Mr. Longbrake has been operating the Humble

JOE BAILEY, competing for the first year in drag races, has had an unusually successful season, receiving four top awards. The local driver placed first in competition at Lubbock, Abernathy, Big Spring and Vernon, driving

a 1957 Chevrolet "C" stock car. A resident here for the past three months, he is employed by Tucker Drilling Co., and moved to Plains from Snyder.

## BAND MEMBERS HAVE TRYOUTS; INSTALL NEW AUTHORITY SYSTEM

For the past two weeks the Plains High School band members have been undergoing a severe case of nerves for they have been having sectional tryouts. Each member has recorded or will record, his ability to play his instrument. Many sections have been reshuffled and there are some new faces in first chairs.

The band director has adopted a new system of authority in the organization. As always, it is headed by the director, then the drum major and assistant drum majors. Then comes the new plan in the Plains Band. It runs as follows: Mr. Campbell, director, will appoint band captains and sergeants to keep order and help younger band members. The qualifications for these posts are: Captain, the person must be a sophomore, junior or senior in high school, he must be a first chair player in his section or of outstanding ability, he must be able to exercise authority without making people angry, and he must have no demerits. Freshmen may hold the office of sergeant.

Tuesday, October 8, the P.H.S. Band students nominated candidates for Band Sweetheart of 1958. Six girls were nominated. These were Kay Smith, Judy Lowe, Pat Smith, Sallie Yarbrough, Karen Randolph, and Jo Ann Bailey. Of these six, Karen Randolph, sophomore, Jo Anne Baily, junior, Pat Smith, senior, were named as the three

top candidates. Balloting for the sweetheart was held October 9. Her identity is being withheld.

## Freshmen Compile Statistics for the Ideal Boy, Girl

Have you ever dreamed of the perfect girl or boy—someone whose features are flawless? The Freshmen have selected some outstanding features of a number of P.H.S. students and combined them. The reporters have found two really dreamy people—don't you think so?

# The ROUND-UP

## "B" Squad to Meet Sundown Team

The Plains Cowboys have an open date this coming Friday night, October 11. All other teams in the district except Seagraves and O'Donnell also are open.

The Cowboy "B" squad has a game with Sundown at Sundown Thursday, October 10. The game will start at 7:00 p.m.

The regular "B" squad consists mostly of freshmen. There are two juniors on the team.

The starting team is as follows: Mike Sink, quarterback; Shorty Baker, right half; Ray Lawler, left half; Joe Marrow, fullback; Jim Warren, left end; Doug Todd, left tackle; Ray Fought, left guard; Gerald Keith, center; Dick Cooke, right guard; Tom Warren, right tackle; and Vern Ethridge, right end.

There is no idea concerning the way Sundown will shape up. It will be the first time the two teams have met this year.

## DIPS CHIPS

"Say, Don Cooke, didn't you have a birthday one day last week? Don't get alarmed, you don't look a day older." (Information courtesy of Cordell Hudleston)

Jeanine St. Romain, we hear you were in Santa Fe over the weekend, how about this?

Don't the Sophomores have beautiful artistic work hanging in Literature Class?

Glenda Bearden is out these days with a doll we hear. Is this so?

Kaye Spencer, how come you didn't go to Grandfalls, could it be you didn't want to walk?

Could it be that there is an Einstein in fourth period World History concerning pop quizzes?

There was a cute freshman Blackamoor last Thursday with black legs all the way. True, Mike Sink?

Carol McRae, what happened to your other ring?

Hey, Jerry Bob Warren, what's this we hear about you and that junior high girl?

Merle Todd, say we hear there is a new love in the air. Sue Bookout?

Pat Smith, we hear Red Billingsley is loads of fun. True?

Joe Don Marrow, we hear you were heading south from Denver City with one girl Sunday. Are you fixed for confessions?

Ray Fought and Marsha White were seen riding around together over the weekend. True?

Mary Wills, how's your cold spell coming along. We notice your jacket, congratulations.

Mary Wills and Lena Faye Meeks, did you all like your little walk from up town two weeks ago?

Glen Dale, are you high and dry on the road?

Say! Billie Nell who is your flame by now? Could it be a certain freshman boy?

Von, we hear you sure like clumps of trees!

Annette Sudderth, we hear you and Jimmy Bill really had a ball Saturday night. How about that?

Shorty Baker, it seems you find Denver City girls much prettier than Plains girls. Sweet, too, isn't she! True?

Karen Randolph, did you miss Bill Lattimore while he was temporarily away?

Who is the girl in high school that is getting an engagement ring? Not Wanda Shifflet, is it?

## Not So Bad!

Editor's note: Last week the sophomore class gave a picture of the "Monster." This is just to show that the P.H.S. faculty isn't as bad as all that. Here the sophomores try to regain a favorable relationship among sophomores and faculty members.

Mrs. Brown—She doesn't assign too much homework, and the students get to eat in class.

Mrs. Rowland—She has a pleasant smile all of the time.

Miss Leithauser—She has a perfect appearance.

Mr. Belk—He explains problems until everyone understands them.

Mr. Medlin—The history teacher is serious about history.

Miss Havens—She is a likeable person.

Mr. Sewell—He has the ability to bring a little humor into his classes.

Mr. B. J. Campbell—He has patience and is reasonable.

## The Importance of Being a Freshman

All the seniors, juniors and sophomores think the freshmen are "low down slob". But we freshmen think we are just pretty good kids. I hope that the upper classmen haven't forgotten that they were fish once—a few years ago.

I guess if it weren't for the freshmen, no one would have any fun at school. But when we have freshman initiation I think everyone gets a big laugh out of it. We freshmen get a kick out of it too. Seeing everyone laugh at the fish and getting a kick out of them makes the day worthwhile. It makes the freshmen feel good to see everyone laughing and having a good time.

I guess freshmen were made to be pushed around. The kids in the eighth grade now think it will be awful to be a fish, but I'll tell you all now that it's not as bad as it seems. Just laugh with everyone else, and you'll have a barrel of fun.

We freshmen are important to everyone so they can have some fun. We don't mind. Because we know that in four years we will be seniors. Then we can have fun with the freshmen.

## Cowboys Take 20-6 Win Friday Night Over Grandfalls

The Plains and Grandfalls game was played at Grandfalls, Texas, October 4, 1957 at eight in the evening. The Plains Cowboys were victorious over Grandfalls, 20-6.

There were three touchdowns made by Plains. Scoring for Plains were Jim Roy Robertson and Dwain Rowland who made two touchdowns. The two extra points were kicked by Dwain and his "educated toe."

During the fourth quarter, Dwain Rowland was injured and rushed to the hospital at Monahans, Texas. The Grandfalls team had no serious injuries.

Grandfalls' heaviest man was number forty-four who weighs 220 and Plains heaviest was number 29, Don Cooke, weighing 195 pounds. All but "Lette Cisco" or Cisco on the Grandfalls team were pretty good size. Don Cooke and Merle Todd were the outstanding players on defense.

As everyone has said "It's about time we won one."

## Who's for Who?

As we all know, these past days have been devoted to the World Series. This year the Champions, New York Yankees, are defending their World Title. They are being challenged by the National League Champions, Milwaukee Braves. As this was being written October 7, the standings in the series were 2 for New York and 2 for Milwaukee and the fifth game is underway.

The Freshmen news class ran a survey in high school and in junior high school to see "who's for who" and out of both buildings 159 voted. A total of 114 voted for the Braves and 45 voted for the Yankees.

The faculty was allowed to vote and out of the 18 who were asked, 16 were for the Braves and two for the Yankees. The only two odd ones in the bunch were Miss Leithauser and Mr. Belk.

## Elementary News

The elementary students have some news items for their part in this issue. Here are the latest facts from the "cub" reporters. From Mrs. Stott's first grade comes this information. Jay Fuller's mother visited with us one day this week. We are always glad to have visitors.

Nancy Field has given our room a doll to play with all year. We plan to make clothes for it.

We are enjoying the new cafeteria very much. Our group has painted landscapes which represent the fall season.

Mrs. Harvey's first graders report the following: Cynthia Pelusch and Alfonso Santos are new pupils in our room.

We are making stick puppets this week. Friday, we intend to present "The Three Bears." Jimmie Carrance is sick this week. Most of the boys and girls are eating in the cafeteria. Kathleen Murphy says they got the cafeteria upside down. They put the carpet in the ceiling.

## "B" Squad Wins Over D.C. by 6-0

September 28th, Plains "B" squad scrimmaged Denver City at Denver City at 9:30 a.m. On the first play of the game, Joe Don Marrow ran a smashing 60-yard touchdown over the right guard. This was the only score; however both teams threatened several times. The final score was 6-0 in favor of Plains.

The starting line up for the Plains team was Joe Marrow, fullback; Mike Sink, quarterback; Shorty Baker, left halfback; and Eldridge Tidwell and Roy Lowery at right half.

The line was Vernon Ethridge, right end; Claude Lee, right tackle; Dick Cooke, right guard; Gerald Keith, center; Ray Fought, left guard; Douglass Todd, left tackle; and Jimmy Bill Warren, left end. Substitutes were Jerry Bob Warren, Ronnie Lewis, Tom Warren and Walter Coffman.

## Select Theme for School Annual

Three of the editors of this year's annual staff, Kay Smith, Judy Lowe and Joyce Riggs, met last Thursday night with the sponsor, Miss Leithauser, and selected a theme for the annual and prepared the dummy for the 1958 yearbook.

The annual sales will close October 18, 1957. The favorites pictures will be taken on a Saturday early in November.

## Dubious Honor For Seniors In Freshman Election

The Freshman Class of 1957 and 1958 has decided to vote on the two ugliest seniors of the year. A vote was taken and Rue Mauk and Kay Smith were voted to be given the titles. Congratulations!

The reasons for the choice were given by the students of the class. A few reasons for the decisions were as follows:

1. They were said to be rather plump.

2. They seem to think they are big wheels. (A common fault of all seniors.)

3. They have very loud mouths and have rather large feet.

Kay and Rue seem to think they are so much better than the freshmen. What is their authority? The reason and decisions were based on the freshman initiation. The seniors are actually good kids.

"Clear Location" — Harmon Melxner was told to locate India on the wall map. He studies the map carefully and then announced: "Here it is—just about on the twenty-five yard line!"

## Tennis Teams Meet Brownfield

The Plains junior and senior tennis teams went to Brownfield Thursday, October 3.

The players and scores for Plains were:

Senior singles: Lynna Sisco won 6-2, 6-0.

Senior singles: Glenda Stewart won 6-0, 6-0.

Senior singles: Danny McCellan lost 6-3, 6-3.

Senior doubles: Jim Barron and Vaughn Culwell won 6-2, 6-1.

Junior singles: Mike Culwell won 4-6, 6-3, 6-1.

Junior doubles: Ronny Stockstill and Robert Anderson won 6-1, 6-2.

"Beauty is as beauty does."—Two boys at a party were discussing the girls. "That blond in the plaid dress isn't really pretty," commented Shorty Baker. "I know," agreed Mike Sink. "She won't dance with me either."

"Once in a Lifetime"—Mrs. Lattimore: "Where is your report card, Don Cooke?" Don: "You gave me an 'A' in Literature and my folks are still mailing it to relatives."

## A Student's Prayer

Now I sit me down to study  
I pray the Lord I won't go nutty,  
And if I can't learn all of this junk.  
I pray the Lord I won't flunk.  
And if I die don't bury me at all.  
Just carry me back to the old study hall.  
And pile my books upon my desk  
And tell the ole lady I did my best.

- COST-WISE**, you enjoy the advantages of a low borrowing charge—and you pay no "extra" charges, ever.
- REPAYMENT-WISE**, you get the benefit of convenient terms—you can space your monthly payments over a satisfactory period of time without burdening your budget.
- INSURANCE-WISE** you conserve current cash, because you can include the car insurance premium in your loan instead of paying it out of your pocket when you buy your car.
- CREDIT-WISE**, you reap the reward of strengthened standing with us as you meet your monthly payments—an advantage when you want a low-cost loan again.
- TIME-WISE** you save, too, for we act promptly on applications—there's no "red tape" to cause delay in completing your loan.

During National Newspaper Week, we want to take a moment to thank you, our advertisers, for the support you have given The Yoakum County Review. Your patronage has been a vital part of our success and with your continued cooperation, our town will have one of the leading newspapers for many years to come.

# WHAT IS A NEWSPAPER?

With so many elements necessary to print a newspaper, this question has many answers

## Here Are a Few Answers

### IT'S A PUBLIC SERVICE . . .

It serves its community with news, advertising, comments and entertainment. It promotes civic and humanitarian projects.

### IT'S A MANUFACTURING PLANT . . .

It converts raw materials, ink, paper, metal and power into a finished product.

### IT'S A BUSINESS . . .

It enjoys full status as a wholesaler (of papers) and retailer. It plays its part in commercial clubs and all other civic enterprises.

### IT'S A SERVICE ESTABLISHMENT . . .

It gives information, advice and guidance through its columns and through its departments. It gives help through its reading notices, classified columns and thank you items.

### IT'S "HOME-TOWN" MINDED . . .

The Yoakum County Review is for Plains first, last and always . . . the only newspaper in the world directly and exclusively interested in the growth, development, and welfare of Plains, Texas.

### IT'S THE BULWARK OF THE REPUBLIC . . .

It is the exemplification of the American way of life. Truly your newspaper is the voice of freedom and the guardian of the republic.

**Altar Society Makes Plans for Clothing Sale**

St. Williams' Altar Society met in the rectory of the church for its October meeting, with 11 ladies and the pastor, Rev. Michael Walshe, S.A.C., present.

Two of the ladies were visitors, Mrs. Anna Karnicki of New Jersey, who has been a guest in the home of her niece, Mrs. Powenski, and Mrs. Noel from Seagraves, a newcomer to the parish, whom it is hoped will become a member of the Altar Society. Mrs. Karnicki has been visiting here for three weeks and will be leaving for home the last of this month.

Mrs. A. L. Sonntag, chairman of the rummage sale, appealed to the ladies to make a greater effort to collect clothing for this sale to begin October 12. Mrs. Noel volunteered to repair clothing left from last year's Thanksgiving clothing drive.

Thirteen-Hours Devotion on Sunday, Oct. 2, was discussed and a list of names will be made to give everyone the opportunity of watching before the Blessed Sacrament and as an assurance there will be someone in the Church during all the Thirteen-Hours.

A committee was formed to prepare the evening meal for the visiting priests. The flower committee will arrange for flowers for the Altar.

It was announced that teachers were also appointed for the four Christian Doctrine classes which were to begin October 6.

After the business meeting, a stork shower was held honoring Mrs. Tommy Mendola of Seagraves, one of the Altar Society members.

Mr. and Mrs. H. M. Spencer of Lamesa spent Saturday night as guests of Mr. and Mrs. Frank Spencer.

Mr. and Mrs. Leroy Edwards and Mr. and Mrs. Alton Billings visited Mr. and Mrs. Terry Bacon Sunday night.

**FROZEN FOOD**

When freezing season is in full swing there are several points to consider.

Put not more unfrozen food into a freezer than will freeze in 24 hours. Usually 2 or 3 pounds per cubic feet of freezer capacity. For quickest freezing place packages against freezing plates or coils and leave a little space between packages so air can circulate freely. Store fruits and vegetables at 0 degree F or below.

Several miscellaneous foods can be frozen easily. Eggs, will keep up to one year. Freeze fresh, clean, chilled eggs in quantities in which they are likely to be used. Eggs are broken out of the shell for freezing.

**WHOLE EGGS**

Break eggs into bowl. Stir with fork enough to break yolks and mix well with the whites. Do not beat. Strain through sieve. To one cup whole eggs (about 5 medium size eggs) add one of the following: 1/2 table-spoon sugar, 1/2 tablespoon corn syrup or 1/2 teaspoon salt. Three tablespoons yolks and whites equal 1 egg.

**PECANS**

Pecans should be packaged in moisture vapor proof container. Seal and freeze immediately.

Thawing time for frozen foods may be hard to decide. Here is some estimated thawing times which may be of value.

Fruits: thaw in the original unopened package. One pint of fruit-refrigerator shelf-4 to 6 hours; room temperature-2 to 4 hours.

Frozen meats should be kept in the original package while thawing. Refrigerator shelf, 5 to 8 hours per pound; room temperature, 2 hrs. per pound. Thawed frozen meats deter-

Mrs. Jim Lewis and Mrs. Horace Hegwood were in Tatum, N.M., Monday on business.

Rev. and Mrs. Cliff Hinson were in Clovis, N.M., Saturday.

Kathy and Randy Schmitz of Seagraves spent three days last week with their grandparents, Rev. and Mrs. Cliff Hinson.

The Rev. Cliff Hinson was ill Sunday morning.

iorates more rapidly than fresh meat.

Thawing time for fowl is 6 hours per pound in the refrigerator and approximately one hour per pound at room temperature. (Information for this article was obtained from Texas Agricultural Extension Service Bulletin No. B-175.)

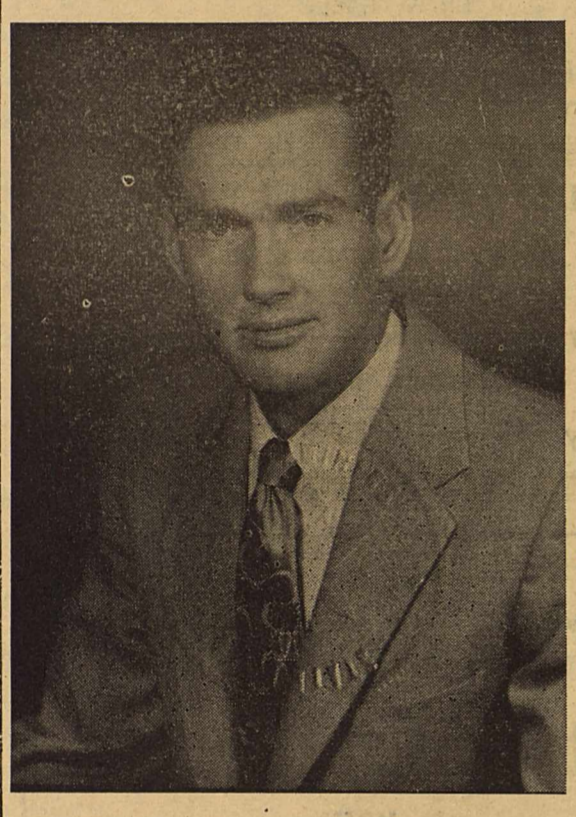

Jean I. Simpson, Ph. D., Professor of Foods, College of Home Economics, Syracuse University, says it is safer not to stuff poultry before freezing. While some commercial packers are able to stuff poultry, under well controlled conditions, so as to prevent spoilage, it is safer or the homemaker to follow the recommendation that poultry not be stuffed before freezing. The difficulty is that it takes a long time for the interior of the stuffing to become cold, even in the freezer, and meanwhile spoilage microorganism may thrive in the stuffing, since it is a good medium for their growth. Such stuffing is a health hazard. So it is better to stuff poultry after it comes out of the freezer, either partially or completely thawed. The stuffing may be prepared some days before it is to be used, put in a large, tightly covered container like a vegetable crisper, and kept in the freezer.

In packaging poultry, meats and fish, the kind of packaging material is especially important.

If air is allowed to enter the package it will cause oxidation and this in time will give the product an off flavor, or make it rancid. And if moisture is allowed to escape from the package, the muscle will be dry or desiccated and will appear tough. Both these changes are minimized by using moisture-vapor-proof packaging materials, and the use of other material which do not provide this protection is false economy.

Marriage vows were solemnized Thursday evening, October 3, in the chapel of the First Baptist Church for Miss Cleta Joan McGuire, daughter of Mr. and Mrs. H. U. Spain, 700 West 13th Street, Plainview, and James Hayward Moore, son of Mr. and Mrs. J. W. Moore, Jr., of Plains.

Dr. Harlan Harris officiated for the double ring service at eight o'clock in the evening. Baskets of white mums and stock, palm greenery and white candles in candelabra featured

the altar decorations. Bobbie and of the bride, were candlelighters. Vickie Hood of Amarillo, cousins Earl Miller, organist played a prelude of appropriate wedding numbers, and accompanied John Ward, who sang "I Love You Truly," "Because", and "The Lord's Prayer."

The brides attendants were her sister, Mrs. James Foster, matron of honor; Miss Sharon Williams, bridesmaid, Peggy Fushing, niece of the bridegroom, from Plains, was flower girl.

They wore full skirted dresses of blue chiffon over blue taffeta, styled with low necklines, and taffeta cummerbunds. Their headpieces were circlets of French blue illusion held by narrow crowns, and they carried colonial bouquets of pink Sweetheart rosebuds. The flower girl wore a wristlet of pink rosebuds, and scattered petals from a white straw basket.

Gary Foster, the bride's nephew, served as ring bearer. Bobby Moore, the bridegroom's

brother from Littlefield, was his best man, and Dwane McGuire, the bride's brother, was groomsmen. They also served as ushers. The bride, given in marriage by her father, was attired in waltz length dress of white imported Chantilly lace over bridal

attendant's bouquets and blue candles. For a wedding trip to Ruidoso, New Mexico, the bride chose a rust colored suit, with black accessories, and wore her bridal orchid, white with yellow throat. The newlyweds will make their

satin. The fitted bodice of lace, was styled with a V neckline, and three-quarter sleeves. Her fingertip veil of French imported illusion was attached to a pearl and sequin trimmed headpiece and she carried a white Bible topped with an orchid nestled in stephanotis and satin streamers. For her daughter's wedding, Mrs. Spain wore a sheath dress of navy Italian silk, and the bridegroom's mother wore a fall dress in tones of pink and gray. Both had corsages of pink Sweetheart roses.

At the reception in the church parlor, helping the couple to receive were their parents and the feminine attendants. The wedding cake and punch were served from a table laid with a hand crocheted cloth over blue, and decorated with the

home in Plainview at 107 SE Sixth Street. Mrs. Moore, a graduate of Plainview High School, is employed and is studying as an X-ray technician at the Plainview Hospital and Clinic Foundation. She is a member of Beta Sigma Phi Sorority. Mr. Moore, a graduate of Plains High School, is employed as a mechanic at Hutcherson Air Service at Plainview.

## 'WOMEN COMPOSERS' SUBJECT OF FINE ARTS CLUB MEETING OCT 2.

The Fine Arts Club met in its regular session Thursday October 2, in the home of Mrs. Wayne Chadwick, Mrs. H. F. Barnes officiating as co-hostess.

A delicious dinner of roast beef, boiled new potatoes with cream sauce and parsley, Petits Pois et banana and apple waldorf salad, hot rolls, a relish dish, tossed salad and angel food cake filled with whipped cream and red maroschino cherries was served to seventeen members and guests. The table was laid with a Maderia cut-work linen table cloth, centered with cosmos in various shades of pink.

Mrs. G. W. Cleveland, president, called the meeting to order. The Club Collect was recited, and the group sang the club song. Minutes of the last meeting were read and the various committees reported. Mrs. H. F. Barnes, Columnist, gave a report on the late 92 year old Jean Sibelius who was born in Tavestehus, Finland, December 8, 1865. Sibelius's music is well known and loved by music lovers throughout the whole world.

Mrs. Gene Bennett, program chairman, gave a brief comment about women composers, speaking on Clare Edwards, who wrote "The Bend of the River," "With the Wind and Rain in Your Hair," as well as Mrs. Peycek, who is among the well known contributors of music. She commented on Margaret Bradford Boni, who has been interested in Folk Songs for many years and is an outstanding authority on them. The "Fireside Book of Folk Songs" was selected and edited by Margaret Bradford Boni. Mrs. Bennett also spoke of Carrie Jacobs Bonds, and her many contributions to the art of music.

Mrs. Rod Duff, who has a beautiful lyric soprano voice, sang "The End of a Perfect Day" by Carrie Jacob Bonds. A trio composed of Mrs. Rod Duff, Mrs. Jessie Hale and Mrs. Pat Henard sang "Neopolitan Nights" and "I Hear the Bees A-Humming," music by J. S. Zamecnik. Mrs. Rowland Johnson accompanied the trio at the piano. The evening was brought to a close with seventeen club members and their guests singing "Now The Day is Over," "Master the Tempest is Raging," and "God Be With You Till We Meet Again." The guests for the evening were Mrs. Jackson Hayes, Plains, and Mrs. Charles Earle of Seminole.

## State Line HD Club Takes Tour

The State Line Home Demonstration Club met Friday in the home of Mrs. Loren Gayle.

The purpose of the meeting was to tour the homes of the members to see the accomplishments of the year.

A variety of canned foods, full freezers, improvements of yards and many garments were seen on the tour.

The tour also included Mrs. Dorman Scott's home to see her beautifully refinished furniture, which she has done herself, throughout her house. The other home visited were Mrs. Loren Gayle, Mrs. Alton Billings, Mrs. Frank Spencer, and Mrs. Tom Box.

Cokes were enjoyed at the Amerada Camp.

Those making the tour were: Miss Myrna Marshall, Mrs. Loren Gayle, Mrs. Terry Bacon, Mrs. Alton Billings, Mrs. Jim Lewis, Mrs. Frank Spencer, Mrs. Raymond Palmer and Mrs. Tom Box.

## H.D.A. Council of County Elects

The Yoakum County Home Demonstration Council met in regular session Tuesday, October 1, 1957 at 1:30 p.m. in the club room of the old Courthouse.

The chairman, Mrs. T. A. Elmore, presided. Twelve members answered the roll. The new agent, Myrna Marshall, met with the council for the first time.

New Council officers for 1958 were elected as follows: Chairman, Mrs. Frank Spencer, Bronco; Vice-chairman, Mrs. Joy Rollins, Tokio; Secretary, Mrs. Bruce White, Tokio; Treasurer, Mrs. Clifford Todd, Denver City.

# at the well

— to confess her sins. That is a dirty word, sin. Men don't relish being labeled a sinner and women hide under the cover of night to avoid being branded as one. Sin is like a rattlesnake— it buries its fangs in your flesh and pumps venom through every vein. You become groggy, weary, sick and helpless. But only for the grace of a loving God you would pass through the door on the bottom side and head straight for an eternity in Hell. But God lives and you may still have hope. Here is the woman at the well. She is corrupt, full of sin, but she is repentant. Isn't it just like Jesus to be wherever a man needs Him whenever he is ready to turn to God. He is chief authority at your church and He is waiting to forgive you as He forgave the woman at the well. He offers you everything worth while in this life and in the life to come. He will meet you at the door of your church next Sunday and go home with you after service and spend the entire week with you if you will invite Him.

**YOU IN THE CHURCH**  
**THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial and molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state. In these perilous times, then, we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.
