PLAINS, YOAKUM COUNTY, TEXAS, THURSDAY, NOVEMBER 7, 1957

NUMBER 43

CHEERLEADERS at the Plains High School have added much pep and enthusiasm to the support of the Cowboys during the current football season. Left to right are Dixie McCellan, Judy Palmer, Barbara Meil, Joyce Riggs and Jan Sims. Little Diane Fitzgerald, front, is mascot.

REVIEW Photo

Amendments OK'd

Fewer than 175 voters in Yoakum County braved the rainy, cold weather Tuesday to follow the trend throughout Texas as they approved three amendments to the much-patched Texas Constitution. One amendment, in keeping with the status quo of the weather, was a water conservation measure. The other two provide increased fringe benefits for state employees and increase old age and other pensions.

Deadline Near For Mailing Yule Boxes Overseas

There are only thirteen more mailing days until Christmas—thirty if air mail is used—for persons planning to send packages to members of the Armed Forces overseas, Postmaster Watson reports. The Post Office department has designated November 20 as the last day parcels may be placed in the mail to assure their delivery before Christmas if surface mail is used.

Included in the term Armed Forces overseas are personnel of the Armed Forces, members of their families and authorized U. S. civilians employed overseas who receive their mail through an APO, New York, San Francisco, New Orleans or Seattle; Fleet Post Office New York or San Francisco or Navy Post Office, care of Postmaster, Seattle.

Weight limitations apply both to surface and air mail. A maximum weight of 70 pounds applies to most points for parcels sent by surface means.

A dimension restriction of 100 inches in length and girth combined also applies. Air mail parcels must not be over 2 pounds maximum weight nor be more than 30 inches in length and girth combined.

Air mail parcels must not be over 2 pounds maximum weight nor be more than 30 inches in length and girth combined. Boxes for overseas transmission must be of strong construction to hold up under the distances they will be transported

See MAILING on page 8

To Short Course Held in Lubbock

John Camp attended a water treatment and sewer disposal short course in Lubbock Monday, November 4, through Wednesday, November 6.

The school was conducted by the State Health Department and was for men dealing with municipal water systems and systems.

All employees of municipal water and sewer systems were required to attend this school in order to keep their licenses to operate and maintain a municipal water system.

NW County Wildcat Shows Production In Drillstem Tests

Oil and water were being swabbed Tuesday through Argo Oil Corporation No. 1 H. B. McGinty and others, Northwest Yoakum County Wolfcamp prospect.

The wildcat, bottomed at 11,970 feet in barren Devonian, is testing the Wolfcamp through perforations from 8,994 to 8,998 feet; from 9,004 to 9,016 feet, and from 9,026 to 9,036 feet.

During the last 14 hours of testing reported, the project was swabbed for 70.07 barrels of new oil and 23.30 barrels of water.

The water made during the 14 hour test is believed to have come from some source other than the pay being tested. Operator was checking for channels in cement behind casing.

Location is seven miles northwest of Plains, 1,980 feet from north and 660 feet from east lines of section 280, block D, John H. Gibson survey.

United States Smelting, Refining & Mining Company No. 1, Mattie Lewis, Northwest Yoakum County wildcat, developed shows of possible production in the San Andres in two drillstem tests.

The section at 5,223 to 5,258 feet was tested 2 1/2 hours. Recovery was 540 feet of gas and 30 feet of very slightly oil and gas cut drilling mud.

Flowing pressure was 48 pound and 30 minutes shut in bottom hole pressure was 134 pounds.

Another 2 1/2 hour drillstem test was run at 5,258 to 5,300 feet. Recovery was 300 feet of gas and 300 feet of oil and gas cut mud.

Flowing pressure was 80 pounds and 30 minute shut in bottom hole pressure was 140 pounds.

The operation—contracted to 12,500 feet to test the Devonian is making more hole. It is eight miles northwest of Plains and 330 feet from south and west lines of section 246, block D, J. H. Gibson survey.

Jay Simmons of Dallas No. 1 J. A. Robinson, Southwest Yoakum County wildcat, was abandoned at 3,545 feet.

It was 19 miles northwest of Denver City and 660 feet from south and east lines of section 597, block D, J. H. Gibson survey.

James G. Brown and Associates of Midland have staked a 5,400 foot location in the Brahney field of Northwest Yoakum County.

See OIL NEWS on page 8

All interested parties are invited to meet with members of the Tsa Mo Ga Club on Monday night, December 2, in the Commissioners Courtroom, to organize a Cemetery Association for the Plains Cemetery.

See OIL NEWS on page 8

The next regular meeting will be November 14 at 8:00 p.m. All veterans are invited to attend the regular meetings. Refreshments will be served.

The American Legion is now having their annual membership drive and Mr. Johnson stated that several new members have been added.

lton opened the night's scoring with a one-yard plunge in the first quarter. Quarterback, Dennis Grimes connected with halfback Pat McAadoo in the second quarter for a sixteen-yard touchdown play to put the Eagles out front 12-0.

To climax scoring in the first half, Eagle halfback, R. E. Duggan, drove three yards into paydirt to make it 18-0 at half-time.

The Plains Cowboys took the half kickoff and drove on down to score. Bass scored on an eight yard run. The extra point try was missed.

Duggan then retaliated for the Eagles with a thirty-five yard scamper to bring the score to 24-6.

With only three minutes left in the tilt, Bass and the Cowboys struck like lightning to post thirteen more points on the board before the game's terminal.

Bass first ripped off a eighty-five yard paydirt penetration and then quickly scored again on a sixty-five yard pass play from quarterback Cordell Huddleston.

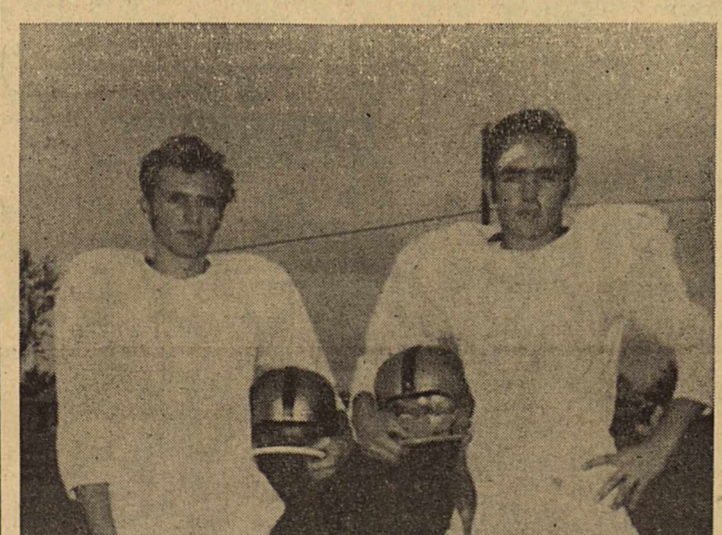

Cowboy Halfback, Vennie Fitzgerald, ran over the extra point following the second Plains' tally. Outstanding players in last weeks game were Vennie Fitzgerald and Jim Roy Robertson.

This week the Cowboys will meet the Ropesville Eagles on the Eagles field. Back in action for the Eagles will be John Valentine, who was the South Plains leading scorer last year. He was injured the second game of the year and this will be his first game since then.

The Plains Cowboys are expected to be at full strength this week. Co-captains for the game are Jim Williams and Jackie Bass.

Cowboys In 24-19 Loss

The Seagraves Eagles defeated the Plains Cowboys 24-19 Friday night in a district 5-A contest. Seagraves halfback, Jim Ham-

OUTSTANDING PLAYERS in the Plains-Seagraves game last Friday night were Vennie Fitzgerald, left, and Jim Roy Robertson.

Fat Stock Show Plans Begin; Set Field Day

Poppy Day To Be Held Saturday

The ladies of the American Legion Auxiliary will be assisted by the Girl Scouts in selling Poppies Saturday. Everyone is urged to support this worthwhile project.

Everyone knows the Poppies are made by the disabled veterans and the money derived from their sale is used to help rehabilitate the veterans and also aid their families.

The drive is held annually at this time, just before Veterans Day. "Honor Dead, Aid Disabled, Wear a Poppy Saturday."

To Hold Cotton Quota Votes on December 10th

The referendums on marketing quotas for the 1958 cotton crops, both upland and extra long staple, will be held December 10, M. W. Luna, Chairman of the Yoakum County Agriculture Stabilization and Conservation Committee, reminded farmers today. Separate votes will be held on quotas for the two types of cotton in the areas where grown.

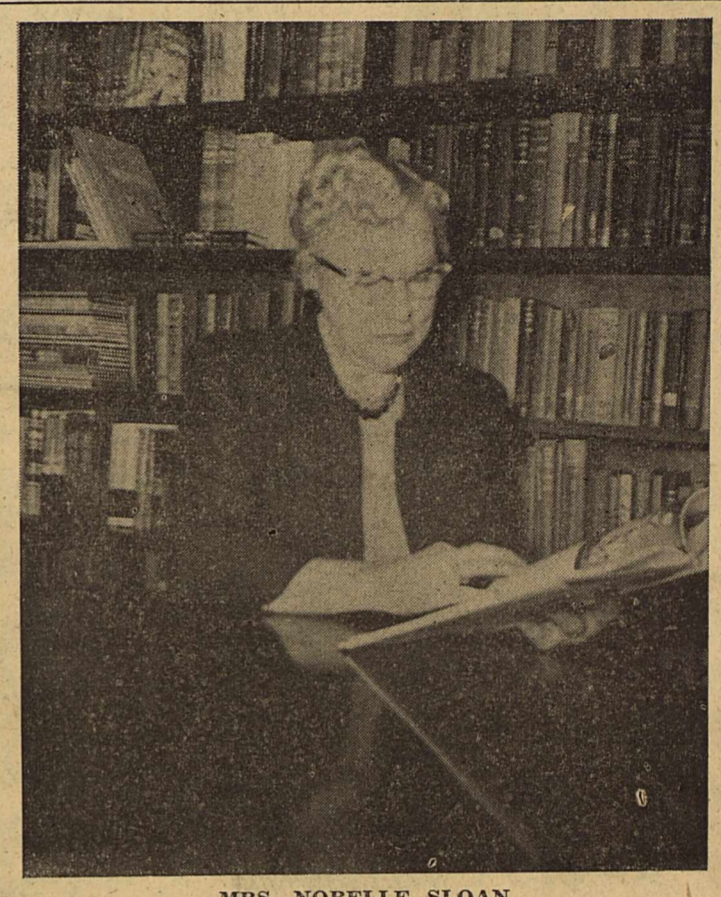

A national marketing quota of 11,920,290 bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 17,391,304 acres were proclaimed by the Secretary of Agriculture for the 1958 upland cotton crop on October 11.

Also proclaimed were a national marketing quota of 79,022 bales and a national acreage allotment of 83,286 acres for the 1958 crop of extra long staple cotton.

The quotas will be subject to approval by growers voting in the December 10 referendums. At least two-thirds of those voting must approve the quotas if they are to be in effect.

Quotas and allotments for upland cotton operate throughout cotton-producing areas; for extra long staple cotton they operate only in designated counties. (For 1957, extra long staple cotton quotas and allotments were effective in certain counties in six states and Puerto Rico.)

A national marketing quota and a national acreage allotment for upland cotton must be proclaimed for the following year if the Secretary finds that the total supply of upland cotton for the current marketing year exceeds the normal supply.

MRS. NORELLE SLOAN

Assistant Begins Duties At Library This Week

Mrs. Norelle Sloan began new duties Monday as the assistant librarian at the Plains Library.

Well known here, Mrs. Sloan has been a resident of Plains and Yoakum County for the greater part of her life. The daughter of the J. C. Kellers, she came to this county with her parents in 1907. Following her marriage to Ernest Sloan in 1920, they moved to Haskell County, where they resided until returning to Yoakum County in 1936 to make their home on a ranch west of Plains.

Mrs. Sloan has two living sons, J. C. of Midland, and Glenn of San Diego, Calif. A third son, Don, is deceased. All three were graduated from Plains High School.

The new assistant librarian was an employee in the sheriff's office prior to her marriage and in recent years had been employed at Moroe & Oden Dry Goods. She is a member of the Methodist Church, and "belongs to the women's society of Christian Service, American Legion Auxiliary,

Lions Are Hosts At District Meet Here on Sunday

A Lions Club zone meeting for District 2-T-1 was held in Plains Sunday afternoon at the School Cafeteria.

Mr. Raymond P. Brothertin, zone chairman, of Sundown presided at the meeting. Mr. Brothertin read a list of the new members the different clubs had added Sunday.

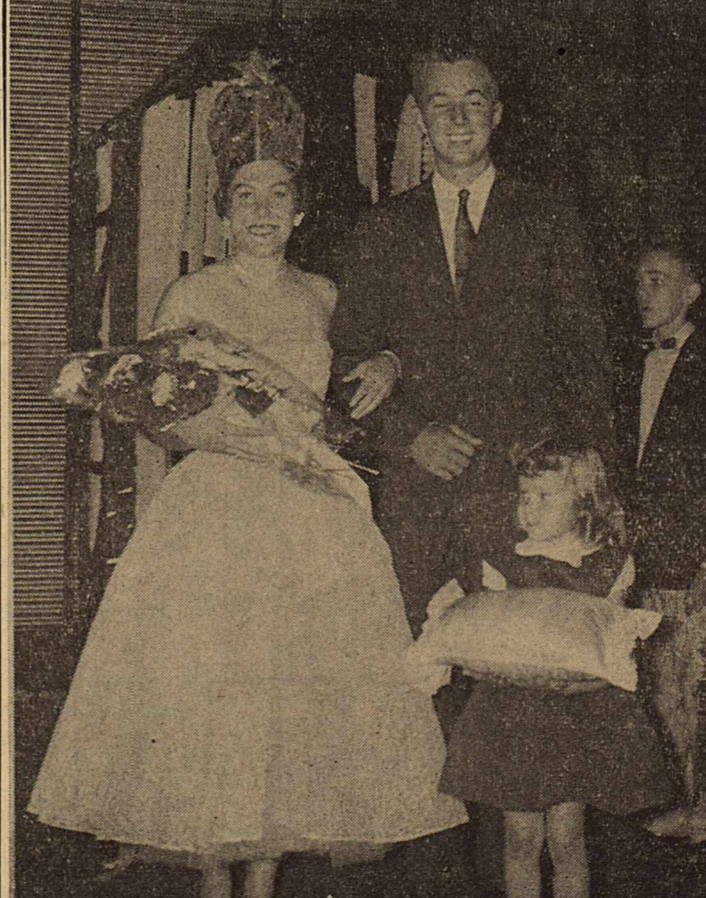

Representatives from the Sundown, Wolforth, Meadow, Ropes and Plains Clubs were present. Each club was represented by their president, tail twister and secretary. Attending from the Plains club was D. N. Taylor, president, G. D. Kennedy, 1st vice president and Wyatt Lipscomb secretary.

See LIONS on page 8

Boy Scouts Have Pop Corn Feast

Last Monday night the boy scouts enjoyed a pop-corn feast, at the Scout Hut. New Candidates were Marvin Beavers and Robert Taunton.

Jack Meixner and Walter Hawkins rode bicycles thirty miles to the state line and back to help on their cycling merit badge.

JAN SIMS, popular senior student at Plains High School was named as the high school Carnival Queen at the annual Halloween fun event staged last Thursday night. She is shown in the photo at left, together with her escort Jim Barron. In front is little Diane Fitzgerald, crownbearer. In the other

photo is Sue Bookout, named as Junior High Queen. Sue, an 8th grade student, was escorted by Sam St. Romain. The Carnival was reported as an outstanding success, both from a financial and entertainment standpoint.

# No More Stretchers?

... Oh, that this could be true! It could be if we feared God more and had greater love for mankind. Surely, this is the day when our swords must give way to ploughshares, and our spears must be refashioned into pruning-hooks. The terrible times at Lexington, Gettysburg, Normandy, Santiago Bay, Chateau Thierry, Okinawa and Korea should fortify our efforts for Peace. *The spilled blood of American manhood must not go for naught*... we must let battles of the past be the last. A way to eliminate 'war-need for stretchers' must be found... we must save our men and through honorable means abolish war. *This is in Memorium of all our soldiers who paid the last full measure in our terrible wars.* A-men.

## Change on Brake Testing Challenged By Safety Group

Relaxing of standards for testing brakes on Texas motor vehicles "makes a mockery" of the State's Automobile Inspection Law, the Highway Safety Council has charged in a letter to the Chairman of the Public Safety Commission.

Executive Director G. C. Morris, of the 1,000-member Highway Safety Council, protested the Commission's recent order cancelling the directive that authorized inspection stations should "pull wheels" to inspect brake linings, condition of drums, and fluid level on hydraulic systems.

"It is a recognizable fact that you cannot check brakes by road test only," Morris told Dyche. "As a result of the action taken by your Commission, the inspection of brakes becomes a farce because brakes can now be tightened sufficiently to pass inspection when there is little, if any, brake lining."

Morris disputed the Commission's contention that there is no way to check the adequacy of brake linings and said that there are methods by which this can be made "uniform and not left to chance."

"Under your decision," Morris wrote, "a braking system could be approved which did not have any fluid in it and such a condition makes mockery of the purpose of the law."

Morris expressed the desire that the Highway Safety Council be given an opportunity to present "the side of safety" to the Commission on this decision.

## Song Titles Tell Story of Excursion

Julie and Jimmy Roy went down to the Youth Center and there was a "Whole Lot of Shaking Going On," so they decided to "Start Movin'." Jimmy Roy looked around and saw "Short Fat Fannie" doing a "Cool Shake." She was with "Flat Foot Sam" and he was in a jam.

Sheron and Lanny were in the corner and looked like "Young Lovers" and they were sure to have "Lasting Love." It looked like they wouldn't be saying "Bye Bye, Love" very soon.

Joyce and Jimmy came in and stayed for awhile then they started to Joyce's house. They got there past the curfew and "Lowdy Miss Claudie." They started "Searchin'" for an excuse. They got grounded for a week, but when it was up, they were "Gone" again.

Neta and Don went down to "Heart Break Hotel" and saw "Jim Dandy" dancing with "Mary Lou." They said that "Whispering Bells" would soon be ringing. Their reply to that was "Don't Be a Fool."

Jeanine and Ronald saw Elvis beating his "Teddy Bear" because he stepped on his "Blue Suede Shoe." He said he was going to have to build "Four Walls" to put his "Hound Dog" in. Elvis also told them that he was now a "Lonesome Cowboy" cause he had the "Mean Woman Blues." While they were there, Elvis received a phone call. He said "Goody Goody," I have "A Lot of Livin' to Do."

Mary and Cordell saw "Long Tall Sally" in "Valley of Tears" and she said "My Baby's Gone." She said she hoped "Someday" someone would put her "Humpty Dumpty Heart" together again.

We decided we better get back home and "That's When Our Heartaches Begin." We were walking by "The River of No Return," and saw a "Fallen Star." We gotta go now and put on our "Rockin' Shoes" and get on over to the Mad House..

## REP. MAHON PROTESTS AGAINST PROPOSED COTTON ALLOTMENT PLAN

Rep. George Mahon of the 19th District said this week he was "greatly disturbed over a proposal to change the method of determining cotton allotments in Texas which is now pending before officials of the Department of Agriculture."

Mahon said in a statement from California, where he is currently on an emergency inspection tour of the nation's missile program in his capacity as Chairman of the Defense Appropriations Subcommittee, that he had been alerted to the proposal about two weeks ago.

"I appealed over the telephone to USDA officials in Washington to eliminate the proposals which would be discriminatory toward West Texas cotton growers," Mahon said. "I have wired officials

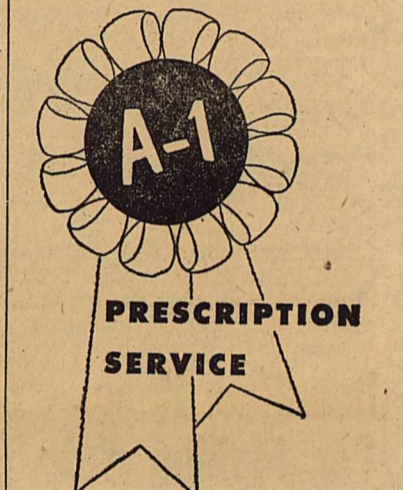

in Washington and Texas once again, urging that the whole matter be carefully reviewed and that the history basis of allotments to the state."

Mahon explained the history basis, if followed by the State ASC Committee, would be helpful to West Texas by reason of the fact many East Texas farmers have not been planting their cotton acreage allotments.

"I had asked Washington officials to hold the acreage reserve figure for the 1958 crop year to 2 per cent and under no circumstances to allow it to be more than 3 per cent," Mahon said. The pending proposal would provide for a reserve of about 7 per cent and would "freeze" each county's 1958 allotment at not less than 98 1/2 per cent of the 1957 allotment.

"I shall continue to keep in close touch with the situation," Mahon said, "and I will do everything in my power to prevent West Texas cotton farmers from being saddled with such an unfair distribution of allotments for the 1958 crop. I would like to urge West Texas farmers and farm organizations to continue to make their views known to USDA officials, and I would be pleased to have the benefit of their views and suggestions at any time," Mahon added.

The West Texas Congressman is in the midst of a nationwide tour designed to iron out difficulties in the lagging U. S. missile program and keep the country abreast of Russian scientific developments. Highlight of the tour will be a meeting November 20 at the Pentagon in Washington with Defense Secretary McElroy and others.

## Cowboys Lose Important Game To Seagraves

The Plains Cowboys met the Seagraves Eagles Friday night, November 1, in Seagraves, in a tough one to lose for the Cowboys. The 24-19 defeat put Plains hopes down for the district championship.

Seagraves dominated the first half by scoring 18 points while holding Plains to only 14 yards. Hamilton of Seagraves played over from about the 3 yard line to score the first touchdown. Later McAdoo and Dougan scored in the first half.

For the second half Jackie Bass scored in a 10 yard run; then later he received a pass from quarterback Cordell Huddleston for a combination pass run play for a 65 yard touchdown for the Cowboy team. Then Seagraves rallied again for another by touchdown Dougan. Plains came back to score once more with Jackie Bass running 85 yards for a touchdown. Vennie Fitzgerald converted the only extra point make in the game. Final score Seagraves 24, Plains 19.

The Seagraves game is the third conference game of the '57 year. The Cowboys have two losses and one victory. Both losses, Freshman, 20-18 and Seagraves, 24-19 were close games in which the Cowboys played determined ball games.

Mr. and Mrs. W. M. Overton were in Midland Sunday visiting Mr. and Mrs. Judge Ed Young and family.

## FHA Makes Plans For Holiday Party

Monday night, November 4, at 7:30 the Future Homemakers of America met in the study hall of P. H. S.

The F. H. A. discussed the Christmas party and decided to have hot chocolate and doughnuts. Before refreshments and the opening of gifts, the F. H. A. girls will go caroling.

The members also discussed the gifts for the parents.

## Frosh to Seniors...

Jack Meixner to Seniors—"Beat 'Um, Bust 'Um."  
Delores Carney to Seniors—"Pack um, Stack um."  
Donna Borland about the Seniors—Seniors, who are they? Little rag dolls stuffed with hay."  
Statement to Seniors—"Freshmen, Freshmen, who are they? Best little kids in the U. S. A."  
Frances Redwine to Seniors—"Seniors, Seniors, Slough, Slough, Slough, Freshmen, Freshmen, Rah, Rah, Rah."  
Ronnie Stockstill to Seniors—"Make like a tree and leave."  
Mike Culwell to Seniors—"Aren't you funny looking?"

## Editorial Wonderings

Why did we lose the Seagraves game? What was missing?  
Why did Plains lose district? What are our basketball chances?  
Will we win the Ropes game? What do you think of the homecoming jinx?  
What are the football prospects for '58 and '59?  
Will the Senior tennis team go to state?  
How will the band do at TCU? Will the freshmen party be a hit?  
Will the flu get you?  
Editors say: go to the games; Support Plains.

## PLAN SKATING PARTY

The Freshman class is going to have a skating party November 22. The band is planning to go to TCU at Fort Worth November 22. So if they travel there, members will miss the skating party.

# The ROUND-UP

## Freshmen Gaze in Crystal Ball; Tell Of Friday's Game

This coming Friday night, November 8, the Plains Cowboys play the Ropes Eagles, and, boy, it's going to be dilly as predicted by the freshman class; and the predictions are as follows:

The starting team: Ronny Lewis, fullback; Tom Warren, halfback; Gerald Keith, halfback; Douglas Todd, quarterback; Shorty Baker, center; Mike Sink, guard; Joe Don Marrow, guard; Eldridge Tidwell tackle; Dick Coke, Donnie Kissenger, Merle Roy Faught, end.

The bench warmer's for Friday night will be as follows: Jackie Bass, Vennie Fitzgerald, Jerry Holbert, Ronnie Williams, Don Coke Donnie Kissenger, Merle and Donald Todd, Billy McGee, Bobby Kinder, Walt Coffman and Harmon Meixner.

Some highlights we see in the crystal ball as listed are: on the opening kick off thirteen of Ropes starting team are slaughtered and hung on the goal post to dry, all of this is done by Ronny Lewis and Tom Warren. Ropes fumbled on their first play but we all know that when Valentine saw Ronny Lewis charging at him, he just dropped the ball from fright. After the second play there was time out. Head coach Dahl sends his hand-picked water boys, Jack Pierce and Rip Sewell, in with the super duper up side down play. The referee blew his whistle to break up the time out and the water boys hustled off. Now the play is developing. It is a hand off from Todd to Warren from Warren to Keith and from Keith to Lewis and Lewis takes off around middle end and goes plowing up the field. Tom Warren throws a key block, Ronny is running as hard as he can and all of a sudden the referee blows his whistle. He motions that the great fullback stepped out of bounds. Wait a minute. There is a spectator coming out of the stands. It looks like Miss Colleen Leithauser and she has a base ball bat in her hand. Oh, that poor referee; its too bloody to describe and another referee is forfeiting the game to Ropes and the score is over approximately 1,000,000 to nothing in favor of Ropes. What a tough break for the Cowboys. I guess they will hang themselves on the count of Miss C. Leithauser for that stupid stunt she pulled.

After the game there was a mass of bodies strung all over the field. Twenty-five Ropes players and four referees lay on the blood stained field. Single handed, Ronny Lewis knocked off fifteen and left quite calmly. Boy, what a game!

## TO CONTEST

The high school band plans to go to Lubbock, Thursday November 21 for a band contest. It will be held at five o'clock in the Jones Stadium at Texas Tech. There will be thirty bands from West Texas competing in this contest.

## Scoops from Around P.H.S.

Delores Carney, we hear that you are getting to be a whiz at taking out zippers.

Say, Kay Gibson, what's this rumor about you and a certain boy from Denver City?

Sheila Smith, are Darla Hickerson and Frances Redwine giving you trouble?

Jim Roy Robertson how are you making out with Julie Oats?

Ivy Beggs, we hear that you like Brownfield a lot, could there be a reason?

We dig your new hair style the most, Annette Sudderth. Jeanette Jones, are you allergic to Lusty Crain?

Dixie McClellan, we hear you and Linda Fitzgerald have been having locker trouble.

Annett Wagley, what were you, Dorothy Phillips, and Glenda Stewart doing at the ball game Friday night?

We hear English I digs Shakespeare the most? Free cats?

Nell Nolen, we hear you were with a new boy Thursday and Saturday.

What's this about a certain girl being mad at Tommy Warren?

Karen Shobert, do you furnish towels with your ice baths.

What's this that has been going on between Merle Todd and Ruth Hinkle?

Elaine Mauk, do you have something hid at Brownfield too? What choice news is there between Jerry Bob Warren and Judy Newsom?

It seems to be a lover's romance between Mike Sink and Lina Meeks in fourth period algebra.

Kieth Carey, do you want to go to Mexico?

What Smith and Smith have a close relationship?

Mr. Belk, we don't mean to be picking on you, but what's the idea of just one tap.

Coach Sewell, what kind of language do you use in your math class?

Mr. Medlin, we hear that you think there are too many types of people in the world.

Kay Smith is floating around on cloud nine, James Overton must be coming home.

## Two Dream About An Ideal School

My Ideal school would have six periods. The schedule would be something like this:

9:00-10:00; Free Conversation; 10:10-11:00; Girls, Home-making; Boys, Shop; 11:00-12:00; Lunch; 12:10-1:00; Watch T. V. or Lounge; 1:10-2:00; Algebra or Math; 2:10-3:00; Work or Students cars.

Among some other things would be a school twenty stories high, with self-operated elevators and an escalator that goes all the way to the top. There will be from ten to twenty inside swimming pools. The teachers will be robots controlled by the students. There will be three study halls complete with rubber bands and paper airplanes provided by the school. Every room will have a television set. The twentieth story will be a theater. There will be no books. Every room will have a jukebox that takes slugs. For recreation there will be a bowling alley and a miniature golf course. The library will have comic books. There will be a drug store. At lunch the students will sit down to a swanky dinner served by robots. The students will go to and from school in helicopters.

This may be only a dream, but its nice.

My Ideal school is one in which students may chew all the gum they want to, tar and feather stuck up people and the ones who think they are just a little better than everybody else.

Wouldn't it be nice to have all top lockers? Gee, just think all the knots on the head, students could keep from getting. Make

the period for favorite subjects longer and shorten the other to about 3 to 4 minutes. I would have music in the halls, and have the lunch period at least one hour long. A mirror in every room would be nice, so the girls could see if they looked all right. Other improvements would be a mechanical brain to do my Algebra for me, a Roman to help with World History, Shakespeare to untangle his writings, Betty Crocker to help in cooking, Christian Dior to help in sewing, school bus with television sets and food, sound proof room to

shove the little kids in for peace and quiet.

This is my Ideal school.

## HOW ABOUT THAT?

Do you know what the first letters of your name stands for? match the first letter of each of your names to the first letter of one of these words: Adorable, Brainy, Cute, Darling, Eater, Fearless, Gloomy, Helpful, Interesting, Jealous Kind, Lazy, Mean Nice, Okay, Pretty Quite, Romantic, Stupid, Troublesome, Useless, Violent, Witty, Xotic, Yellow, Zorch.

Talk about news, that's all Chevrolet is for '58... starting with its long, low lines and new gull-wing rear fenders!

There's an engine so new it even looks different—the 280-h.p. Super Turbo-Thrust V8\*. Sample it, and you'll know it's different. Combine it with Turboglide\*, and you'll boss

the quickest combination on the road. There's news in Chevrolet's two new rides. You have your choice of a Full Coil suspension and a real air ride\*! These brilliant advances outdate, out-cushion anything you've known in the low-price field. Chevrolet's body-frame design is new, and the wheelbase is longer, for a wonderful new handling feel.

For an extra helping of pleasure, see Chevrolet's new super models, the Bel Air Impala Sport Coupe and Convertible. Never before has such distinction been offered in Chevrolet's field. See the giant step at your Chevrolet dealer's now!

### James Moores Honored Saturday At Bridal Shower

Mr. and Mrs. James (Bub) Moore of Plainview were honored with a bridal shower Saturday night in the Community Club room in the old courthouse.

The serving table was laid with a lace cloth over yellow. The brides chosen colors of yellow and blue were carried out in the decorations which featured yellow and blue flowers. The table was centered with a blue miniature convertible car carrying a minia-

ture bride and groom. Various signs were written on the car as "Just Married" and others. Cutouts of tin cans and shoes were tied to the car with blue ribbons.

Thirty guests registered in the brides book and were served refreshments of coffee, spiced tea and cake squares.

Out of town guests who registered were Mr. and Mrs. Loyd Moore, Mrs. J. W. Moore, Sr. and Miss Creola Moore of Brownfield, Mr. and Mrs. Jarvis Nowell, Plainview, Mr. and Mrs. Bobby Moore, Littlefield, Mr. and Mrs. Earl Raymond Gaudin Hobbs, New Mexico and Mrs. Derah Gaudin, Tokio.

Hostesses for the occasion were Mrs. Norelle Sloan, Mrs. L. B. Curtis, Mrs. Perry Anthony, Mrs. Joe Cheek, Mrs. Paul Cobb Mrs. Morris Lowe, Mrs. A. B. Carpenter, Mrs. Dorothy Rushing, Mrs. Thelma Ellis and Mrs. Jesse Hale.

Jesse Hale attended a Red Cross instructors school in Lubbock last week.

Mr. and Mrs. Jesse Hale and Fern Mekiska spent Sunday in Ruidoso, New Mexico.

Recent guests in the home of Mr. and Mrs. Joe Curry were Mr. and Mrs. William Camp of Rule.

### THE STATE OF TEXAS

County of Yoakum  
In the Name and by the Authority of The State of Texas

To: W. H. Watkins, whose residence is unknown, the heirs and legal representatives of W. H. Watkins, if he is deceased, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

YOU ARE HEREBY NOTIFIED that suit has been brought and is now pending in the Honorable District Court, 106th Judicial District, Yoakum County, Texas, wherein The State of Texas and the County of Yoakum are plaintiffs; Plains Consolidated Independent School District and the City of Plains are impleaded party defendants; and W. H. Watkins is defendant, by the filing by said plaintiff of a petition on the 6th day of November, 1957 and the file number of said suit being No. 1449 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

Lot 10, in Block 79, of the Original Town of Plains, Yoakum County, Texas, together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.  
The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:  
The State of Texas ..... \$ 5.17  
Yoakum County ..... 7.20  
Farm to Market & Lateral Road Taxes .90  
Common School District No. 1 ..... 4.46  
TOTAL .....\$17.73

The names of all taxing units which assess and collect taxes on said property not made party to this suit are: None.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and an rtor rarrrr of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expira-

tion of forty-two (42) days from and after the date of issuance hereof, the same being the 23rd day of December, A.D. 1957 (which is the return day of such citation), before the honorable District Court of Yoakum County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Plains, Yoakum County, Texas, this 6 day of November, A.D., 1957.

J. W. O. ALLDREDGE, Clerk of the District Court Yoakum County, Texas 106th Judicial District By Blanche Dyer Deputy

Published in The Yoakum County Review Nov. 7, 14, 21, 28, 1957.

### LEGAL NOTICE THE STATE OF TEXAS

TO: LARRY WALDO SMITH GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of December, A. D., 1957, at o'clock before 10 o'clock A. M. before the Honorable District Court House in Plains, Texas.

Said plaintiff's petition was filed on the 21 day of June, 1957. The file number of said suit being No. 1408.

The names of the parties in said suit are: BETTY LOU SMITH as Plaintiff, and LARRY WALDO SMITH as Defendant.

The nature of said suit being substantially as follows, to-wit: Suit for divorce alleging failure to support, drinking liquor to excess and other cruel treatment as grounds. Plaintiff seeks custody of three minor children,

## PLAINS STUDENT AT SUL ROSS IS NAMED TO OFFICE

The Sul Ross Club and Brand Club in its organizational meeting selected Gary Dan Billingsley of Plains to serve as 2nd Vice-President. Gary, a Plains High School graduate, is a senior Range Animal Husbandry major in Sul Ross.

Parents of Gary are Mr. and Mrs. C. L. Billingsley of Plains.

## CROP Fund Drive Declared Success

The citizens of Plains responded very generously to the "trick or treat" C. R. O. P. drive sponsored by the young people of the Methodist Church under the direction of Mrs. Bobby Field.

The ladies of the W. S. C. S. raised \$26.00. The total sum raised by the Methodist youth and the W. S. C. S. was \$24.13. It speaks well on the part of all who made this contribution to a worthy cause possible.

interest of the people is higher here than probably anywhere in the state. There is a larger attendance watching the judging in our county show than there is at many of the district shows. A boy or girl showing an animal in Yoakum County will be working before a larger audience than they would at either Odessa or Lubbock. The directors of the show, the people of the county whole trade territory are to be and the businessmen from the commended for making our local show what it is. In order for us to maintain this high standard it will be necessary for us to improve the quality of our livestock each year and improve our methods of feeding and training our animals. The field day on November 16th is a part of this training program and everyone is invited to come to the barns during the afternoon to see the animals and watch the exhibitors work.

The directors of the Yoakum County Livestock and Agricultural Improvement Association held a meeting last Monday night which was the first meeting of this group since April. Some plans were made for the 1958 Junior Fat Stock Show and for a Field Day to be held next week, November 16. The field day replaces the tour that was held annually before the Livestock Exhibit Building was constructed. The directors and the exhibitors feel that the field day is an improvement over the tour because it brings all of the animals together at a central point where comparisons can be made.

Every boy or girl who has a pig, calf or lamb on feed for the 1958 show is invited to attend this field day along with his parents. We would like for every calf and most of the lambs to be brought to the barn Saturday morning. This field day serves several purposes. It gives the boys and girls an opportunity to get some practice at showing their animals and many of them are in need of training. Many of the kids who have calves and lambs are feeding their first animal and they do not have any experience in the show ring. Show ring experience is very necessary and the animal needs to be well trained and well groomed in order to show up well at the time of judging.

Yoakum County is laying claim to having the best County Fat Stock Show and Sale in the State of Texas. Cochran County also has a good show and sale but we feel that ours is a little bigger and better. The prices paid for animals in the two sales are about the same. There is some difference in the quality and number of animals in the two shows. Yoakum County has about three times as many calves as they have in the Cochran County Show and they will have about four calves that will rank in quality with our top twenty. They had a better lamb show last year than we did but the lambs that we have on feed this year will make a better group than they usually have. In the pig department, the two shows are about equal.

The Hockley County Show is another of the good county shows and sales in the state. They have a real barrow show every year with about 100 barrows in the show and almost every breed represented. The prices paid for livestock at the Hockley Show is a little below those in Yoakum and Cochran. The calf and lamb departments in the Hockley County Show compare pretty well with Cochran County. There are other county shows scattered over the area where the top placing animals would be better individuals than the top from either Hockley, Cochran or Yoakum.

The livestock exhibit building in Yoakum County is second to none for a county show and the

## Uncle CHARLEY'S "Epigrams"

When it comes to dumb bells some gals swing 'em others marry 'em.

Some hot deals will leave a feller cold.

Sometimes a gag will make a feller sick.

When folks start ridin' you, take a walk.

A real 50-50 marriage will go along 100%.

Tod Bolton says his wife has quit patten' herself on the back and has started under her chin.

Some folks have ulcers because they make money or owe it.

Money is something you worry about when you ain't got it.

If some folks would git rich they still wouldn't amount to much.

Some folks try to git along with their neighbors, others to git ahead of 'em.

Nope, nothin's as aggravatin' as a caught zipper.

It don't pay careless drivers to plan their future.

Too many preachers put the Lord on the shelf, then climb into the show window.

Tod Bolton got a shine, then remembered that he had on his brothers shoes.

Jr. Hinch says from the cold treatment he gets from his Mom and Pop they must be froster parents.

### MAILING

(continued from page one)

and the handling and storage on the way.

Overseas parcels must be packed in boxes made of strong metal, solid fibreboard or strong double-faced corrugated fibreboard.

It is also desirable that all fibreboard boxes be securely wrapped in heavy paper which will add to the strength of the package. Each box should be tied with strong cord.

Cushioning material should be used, so that contents will be tightly packed to prevent rattling or loosening of articles within the package. Tight packing and complete filling will lessen the chances of a box becoming crushed.

Customs declarations are also required for packages going to certain destinations. Customs declaration tags on which items in the box must be listed may be had at the parcel post window at the post office. About 100 destination points require the declarations.

Certain types of articles are prohibited in the mails. These articles which may not be sent include firearms, ammunition, liquors, poisons and perishables. In addition to this usual list matches of all kind and lighter fluids may not be sent. Also, cigarettes, tobacco products and coffee are prohibited at certain points.

Domestic rates of postage apply and all postage must be prepaid. When fourth-class parcel post rates are applicable, the zone rate from the post office at which the parcel is mailed and the post office through which it is addressed will be charged.

Air mail weighing not over 8 ounces is charged at the rate of 6 cents an ounce, while articles weighing over 8 ounces are charged at the rate of 80 cents a pound.

Addresses must be legible and complete and should be prepared in ink or typed.

Greeting cards for the Armed Forces overseas should also be mailed within the same limits for parcels to assure their delivery before Christmas.

Further information on mailing to Armed Forces or civilian personnel overseas, including exact destinations with limited maximum mailing weights, points requiring custom declarations or those having special lists of prohibited articles may be had from the parcel post window at the post office.

Persons planning to send Christmas parcels overseas are urged by postal authorities to check with the post office if there is any doubt about regulations, to assure delivery of parcels without delay.

The program title is "Practical Flying Carpets." Mrs. Eugene Payne, Jr., will give a talk on "Prayer for Peace for all Nations." A Symposium, "Do American Movies Represent Us to Foreign Audiences" will be presented by Mrs. Gus Malmsten, Mrs. George Cleveland, Mrs. Morris Lowe and Mrs. Irene Ricketts. "Veterans in 1957" will be the title of a talk given by Mrs. James Warren.

The Roll call is to be answered with "How Many Letters I Have Sent Outside the U. S. A. since March, 1957."

Mrs. Ty Field and Mrs. B. H. Powell will serve as hostesses.

The water amendment would set up the Texas Water Development Board and provide for issuance of 100 million dollars in state bonds. Bonds or other securities from cities, river authorities or water districts issued for water control and development would be purchased with the funds.

The fringe benefit amendment guarantees a minimum pension of at least \$30 a month to state employees, in addition to more liberal provisions in case of retirement because of disability. It also provides more generous death benefits. The pension amendment increase the maximum per person state payment for old age assistance from \$20 to \$25 per month with a provision that no payment in excess of \$21 be made without being matched by federal money.

Mrs. Tom Barron went to Lubbock Tuesday to be at the bedside of her mother, Mrs. Ed Knox, who is seriously ill in a Hospital there.

**Iota Pi Chapter Meets Tuesday**

The Iota Pi Chapter of Epsilon Sigma Alpha held their regular meeting Tuesday night, November 5, in the Community Club Room with sixteen members present.

Following a business meeting, Jo Brown directed the program. Frances Sampson presented a reading entitled "Make House-keeping Easier with Helpful Hints."

Refreshments were served by hostesses, Lois McGinty and Fern Mikeska to sorority members, Betty Trout, Frances Sampson, Ann Green Colleen Leit-houser, Carolyn Rowland Dorothy Lowe, Velma Warren, Mary Jo St. Romain, Margaret Taylor, Pat Belk Gwen Short, Jo Brown, Jeanie Stroup and Wilma Elliot.

### Girl Scouts to Aid Poppy Sale

The Girl Scouts met in regular session Tuesday afternoon at the Tsa Mo Ga Club house.

Karen Randolph, president, presided at the business meeting. Minutes of the last meeting and the roll call was read by Ann Lattimore, secretary.

During the business meeting it was decided that the girl scouts would help the American Legion Auxiliary sell Poppies Saturday morning.

Following the business meeting games were played under the direction of Tonya Randolph and Linda Robertson.

Refreshments of Cokes and cookies were served by Darlene McDonnell and Deane McDonnell to Jackie Hawkins, Mary Johnson, Gayla Kerrick, Joyce Kissinger Ann Lattimore, Sylvia McGinty Jackie Nolen Donna Nugent, Karen Randolph, Tonya

### LIONS

(continued from page one)

Each club gave points or methods of creating and keeping up interest in their club. Tail twist-ers told of different methods they used to keep the interest at the meetings.

Mr. Brothertin recently met with the District Governor in Ralls and brought from that meeting the accomplishments of the various clubs in this district.

The next zone meeting will be held in Ropes February 3, 1958.

Mr. Brothertin announced that the district Lions Club meeting will be held in Dalhart the first weekend in May 1958.

Coffee and pie was served by the local club members to twelve guests.

Randolph, Linda Robertson, Jeanine St. Romain, Margaret Henard, Carolyn Warren, Jana Warren and sponsors, Mrs. M. W. Luna and Mrs. P. W. St. Romain.

at their "Open House" Showing This Week-End

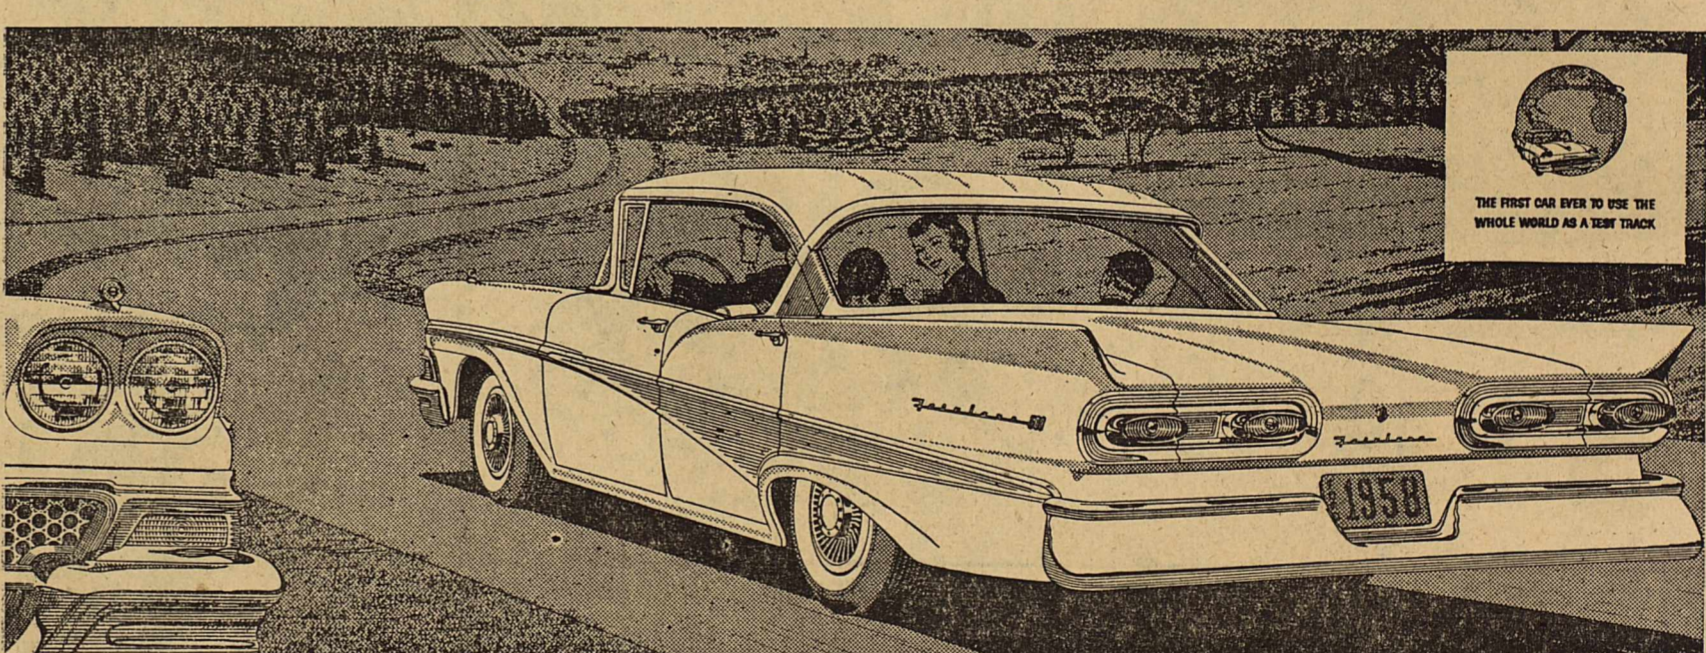

FREE COFFEE and DOUGHNUTS — FAVORS FOR THE KIDDIES

Proved and approved around the world and now it's here for you... the 58 FORD

**58 FORD HERE TODAY**

One look tells you... there's nothing newer in the world!

**THE FIRST CAR EVER TO USE THE WHOLE WORLD AS A TEST TRACK**

You'll ride in a new world of style in the 58 Ford

- New deep-sculptured styling
- New Interceptor V-8 power
- New Cruise-O-Matic Drive
- New Ford-Aire Suspension
- New Magic-Circle Steering

The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.

Here's a car so new, so beautiful it made eyes pop from Paris to Pakistan . . . a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Induction. Come in and let us show you the world's most beautiful new bargain!

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford's new air suspension relevels the car every time someone steps inside or luggage is loaded. An extra cost option, you get all this at traditionally low Ford prices!

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

Come in today... Action Test America's only world-proved car!
