## MOD Fund Hits \$542

## Plans for Stock Show Rapidly Taking Shape

The Sixth Annual Yoakum County Fat Stock Show to be held here February 21-22, is rapidly taking shape. Boys and girls who are feeding livestock for the show are making preparations to get their animals moved to the show barns.

All of the barrows will be brought in on Thursday afternoon, February 20th. The officials weighers will be on hand to weigh the barrows into the show. Beef calves and lambs will not be weighed until the next morning. Panels have to be set up to move hogs from the pens to the scales and back and less trouble is encountered if all the pigs come in and get weighed on Thursday afternoon. The panels can be taken down and the calves and lambs weigh in much faster if all the hogs are out of the way.

The rules for the show this year have not been changed a great deal. Some minor changes were made at the first meeting of the directors held soon after the 1957 show. Most of these new rules had to do with weight limitations. Here are some of the important rules that have been set up to govern the local show:

To be eligible to participate in the show a boy or girl must be a member of a Yoakum County 4-H Club or FFA Chapter. Each exhibitor is limited to two beef calves, three pigs and two lambs. Each exhibitor must exhibit the

animal except in the case of illness or when one exhibitor has two or more animals in the same class. In any case an eligible exhibitor must show the extra animal. All beef calves must have been owned and cared for by the exhibitor since October 1, 1957. Calves must weigh at least 700 pounds and not more than 1,250 pounds. Beef calves cannot be entered in the show and sale if they have any permanent teeth. Any calf that has nursed a cow after September 30, 1957 must compete in the class of milk fed calves. Beef calf classes will be divided according to weight if there are twenty or more calves in the class. When an odd number of animals are to be divided into two classes, the owner of the odd animal will draw to determine the classification of the animal.

The pigs will be divided into two classes according to breeds. All mutton type and crossbred lambs will be in one class and all fine wool lambs will be in the other. Lambs must weigh at least 70 and not more than 125 pounds.

The lambs will be divided into two classes according to breeds. All mutton type and crossbred lambs will be in one class and all fine wool lambs will be in the other. Lambs must weigh at least 70 and not more than 125 pounds.

See STOCK SHOW, Page 8

Mrs. Morris Lowe, chairman of the Plains March of Dimes announced this week that Plains has donated \$542.35 at this time. She stated that she would have a grand total next week.

Thanks was expressed to the Girl Scouts, F. H. A. and Iota Pi and Tsa Mo Ga who helped with the Mothers March during which \$175.99 was collected.

Contributions in the polo campaign included oil sales from the service stations, coffee sales at the cafes, coin cards in all the business houses, clubs mothers march etc.

They are as follows: Humble Service \$2.90; O. V. Hill Magnolia Service \$2.00; Kinders Cities Service \$2.50; A&S Trucking Co. \$10.40; Newsom Gin \$7.59; Beadles Barber Shop \$3.35; Plains Frozen Food \$7.60; Hawkins Grocery \$6.70; Plains State Bank \$17.01; Walsler Auto Parts

See MOD FUND, Page 8

## Cemetery Group Seeking Members

Mrs. Oma McCargo, chairman of the membership committee for the Plains Cemetery Association announced today that committee members are working in an effort to contact all persons interested in the cemetery association.

If you have not been contacted and wish to become a member of the association, you are asked to contact Mrs. McCargo or any member of the committee which includes Mrs. M. W. Luna, Mrs. Bessie McGraw, Mrs. Faye Lusk and Mrs. L. O. Smith. Membership fee is \$5.00 a family.

## Soil in Our Soil Conservation District

This is the fourth in a series of articles on the soils of the Yoakum Soil Conservation District, by Bill Dittmore, Soil Scientist, Soil Conservation Service.

The Mansker soils are shallow soils found throughout the High Plains of Texas and in the Eastern part of New Mexico and in the Western part of Oklahoma.

These shallow, gray, calcareous soils have either a fine sandy loam or a clay loam surface. Instead of being red these soils are gray due to the large amount of free lime. These soils occur most extensively in the vicinity of Bronco. This area was once an ancient lake and the headwaters of the Colorado River. For many years this soil was influenced by a high water table and the lime was not leached out as was the case in other soils of this area.

The Mansker soils may be either moderately or rapidly permeable depending upon the texture of the subsoil and the amount of free lime found in the soil. This soil may have either hard or soft caliche at a very shallow depth.

The principle grasses that grow on this soil in range land are the grammas on the mixed land and Buffalo grass on the tighter soil.

About 30% of the Mansker soils in the Yoakum SCS are in cultivation.

Some of the problems encountered in farming Mansker soils are: a moderate wind erosion susceptibility, the shallow depth limits such mechanical practices as plowing, bedding, and chiseling. A moderate water and fertility holding capacity is also a problem. Chlorosis or a yellowing of the leaves of grain sorghums may occur on some of these soils. This condition is due to the large amount of free lime in the soil that ties up the plant nutrients making them unavailable to the plants.

This condition may be controlled to some extent by maintaining a large amount of organic matter in the soil. Organic matter may be maintained by turning under large amounts of irrigated and fertilized green manure crops, or by spreading cotton burs on the affected areas. The organic matter will then take up the plant nutrients and release them more readily to the plants.

Under dry land conditions drought resistant crops should be used.

Mansker soils irrigated with a sprinkler system will hold about one and eight-tenths inch of water in the surface foot of soil that is in good condition.

If a Mansker soil is plowed too deep the free lime will be turned up on the surface of the soil and increase the wind erosion hazard. This will also tend to seal off the surface and form a crust which tends to slow down the intake of water.

There is as great a difference in soil as there is in people. Mansker soil is different from Arriño, Brownfield, and Arvana soil and therefore must have different management than these other soils due to its shallow depth and free lime in the soil.

Proper management and conservation practices as advised by your Soil Conservation District Board of Supervisors and the local Soil Conservation Service office will prove both profitable and enjoyable in conserving your soil for future generations.

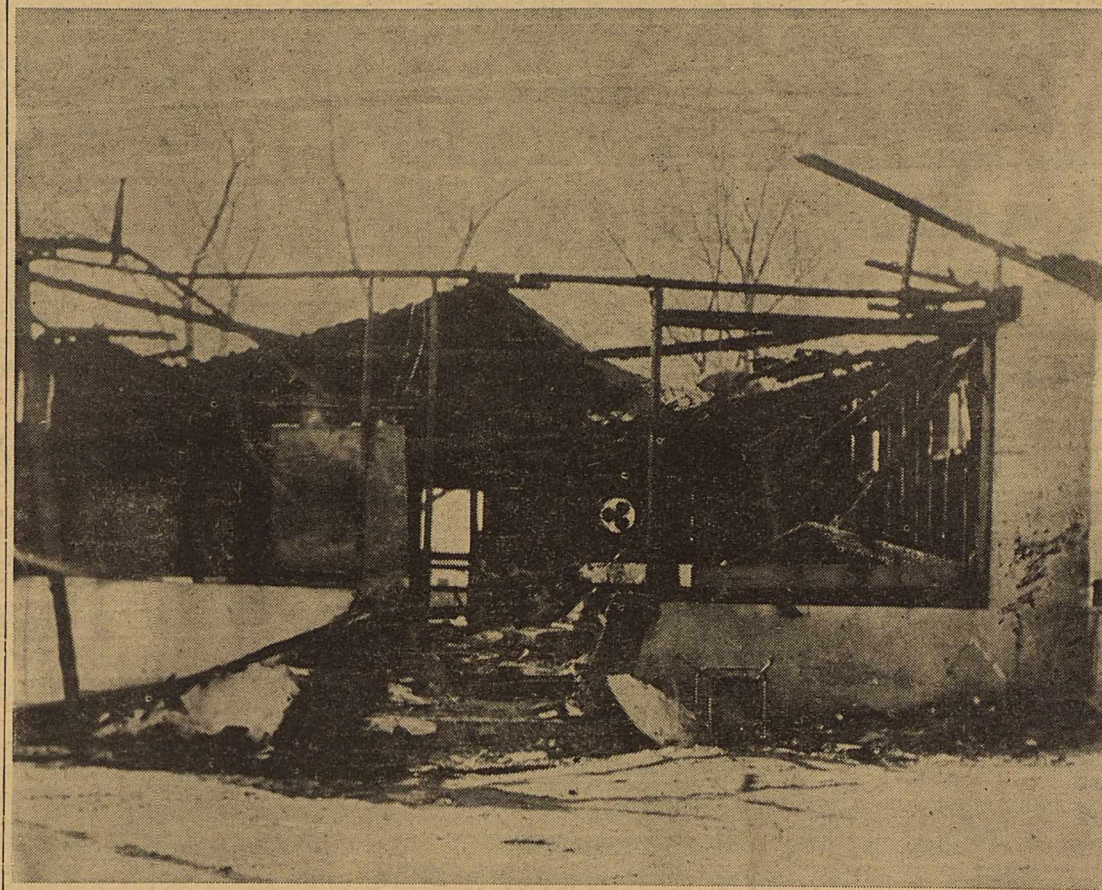

Agriculture begins with the soil. It is our greatest asset and most valuable natural resource. The greater use of soil conservation measures is of first importance in agriculture.

## GUEST SPEAKER AT 1st CHRISTIAN CHURCH SUNDAY

Bill Alexander of the Texas Alcohol Narcotics Education, Inc. will be guest speaker at the First Christian Church Sunday morning at 11:00. Mr. Alexander is one of the speakers traveling on a district wide tour in an effort to aid against the spread of narcotics and alcohol.

In a letter to Rev. R. C. Brown, local minister, Roger P. Jones, Field day supervisor of the Alcohol Narcotic Board, stated that "You will be proud to have him as your speaker and he will be an inspiration to all who hear him."

# Sunshine Inn Razed by Blaze Tuesday Morning

THE SUNSHINE INN CAFE was almost completely destroyed by fire which broke out early Tuesday morning. Damage was estimated at some \$12,500, according to the

owners. The blaze broke out about 2 a.m., following an explosion, reports indicated.

—REVIEW Photo

## Explosion Heard Prior to \$12,500 Restaurant Fire

Estimated loss in a fire at the Sunshine Inn Cafe early Tuesday morning was approximately \$12,500 according to O. V. Hill, whose father, M. W. Hill owned the building and part of the equipment, and E. J. Brumley, whose father, W. W. Brumley, owned a part of the equipment and the stock.

The cafe was built in 1946 by Mr. Hill. Mr. Brumley bought a part of the equipment and the stock from Ola Webber in the early part of December last year. The cafe currently has been operated by Mrs. Brumley.

Mrs. James Ray Mills who lives just south of the Sunshine Inn, was awakened by some explosion at the cafe about 2:00

a.m. Not having a phone, she ran to the L. B. Curtis home just west and notified the Plains Fire Department of the fire.

Mr. Brumley stated that he closed the cafe about 9:30 Monday night and that everything seemed to be in order when he and several employees and a customer walked out together.

Mr. M. W. Hill, owner of the building, was out of town at the time of the fire. His son, O. V. stated that he did not know whether the cafe would be rebuilt or not.

Mr. Brumley said he had no immediate plans; however he said he did plan to remain in Plains and hoped to go into some business.

## SCOTTISH RITES LADIES NIGHT IS HELD IN PLAINS

The Scottish Rites ladies night banquet was held January 30, in the Plains School Cafeteria.

The invocation was given by Floyd Starks of Seminole. Robert Chambliss, vice president of the Scottish Rites of Gaines and Yoakum Counties, was program director. G. W. Cleveland, introduced the speaker, Dr. Leon Hill of Amarillo.

A Buffet Supper was served by the ladies of the Plains Eastern Star to eighty one scottish rite members, their wives and guests, from Denver City, Seagraves, Seminole and Plains.

## Lions Club Plans Projects

The Lions Club directors met in the Courthouse Wednesday night, January 29 for regular meeting.

Wyatt Lipscomb called the roll, Leo White read the minutes of the last meeting and gave the treasurer's report.

The directors voted to provide a plaque to be given to an outstanding farmer or rancher in the county who will be chosen by the Plains Soil Conservation Unit.

They also voted to appoint a committee to head the Plains Ground Observer Corps. Co-chairman appointed were P. W. St. Romain and James Warren.

The Lions Club voted to participate in the March of Dimes and contributed \$25.00.

It was also decided that the Lions Club would take as a spring project the lighting of a ball park for the Little League Baseball teams. The Little League must have a lighted field before they can obtain a franchise.

Those present for the meeting were Leo White, D. N. Taylor, Alf Carpenter, Starks Wagley, Wyatt Lipscomb, James Warren, Johnnie Fitzgerald, G. D. Kennedy, Clyde Trout and Ames Smith.

## Area Represented At Farm Program Development Meet

Former Secretary of Agriculture Charles F. Brannon, now general counselor for the National Farmers Union, Denver, delivered the opening address at an all-group Farm Program Development Conference in the Lubbock Municipal Auditorium Friday, February 1.

Attendance at the one-day session originated by Texas Farmers Union, totaled more than 500 farmers and ranchers. Present from Plains were Mr. and Mrs. Jim Pharr and Mr. and Mrs. Henry Williams.

The conference Friday afternoon adopted a general program after producers of five major agricultural commodities presented policies to suit their particular needs.

Brannon stated that the annual cost of price support programs under the Republican administration has multiplied 19 times since 1952. "Since early 1953, administration spokesmen have made many public statements about the burdensome

See FARM, Page 8

## Eagles Upset Plains 67-63 in Tilt Tuesday

The Seagraves Eagles picked up their first District 5-A victory of the season Tuesday night, upsetting league leading Plains 67-63.

It was the first district loss for Plains and knocked the Cowboys into a first place tie with Ropesville.

Jim Williams who fouled out in the third period, led Plains with 14 points while Dwain Rowland and Wayne Coffman had 10 each.

Dennis Grimes scored eight points to spur a first period 22-16 lead for the Eagles and they were never behind holding a 36-31 halftime lead and a 50-41 edge

with eight minutes left to play. Seagraves outhit the Cowboys from the field 23-22, and made good on 21 of 31 free throws. Plains made 19 of 35 gratis attempts.

Plains handed Seagraves B-team its first loss of the season, 55-47 as Todd scored 10 points. Bill Harris and Jack Prestidge had 11 each for the Eagles.

Gary Billingsley was home over the weekend from Sul Ross College in Alpine visiting friends and relatives.

Steve McGinty was home over the weekend visiting his mother, Mrs. Don McGinty and friends.

## Style Show, Tea Given

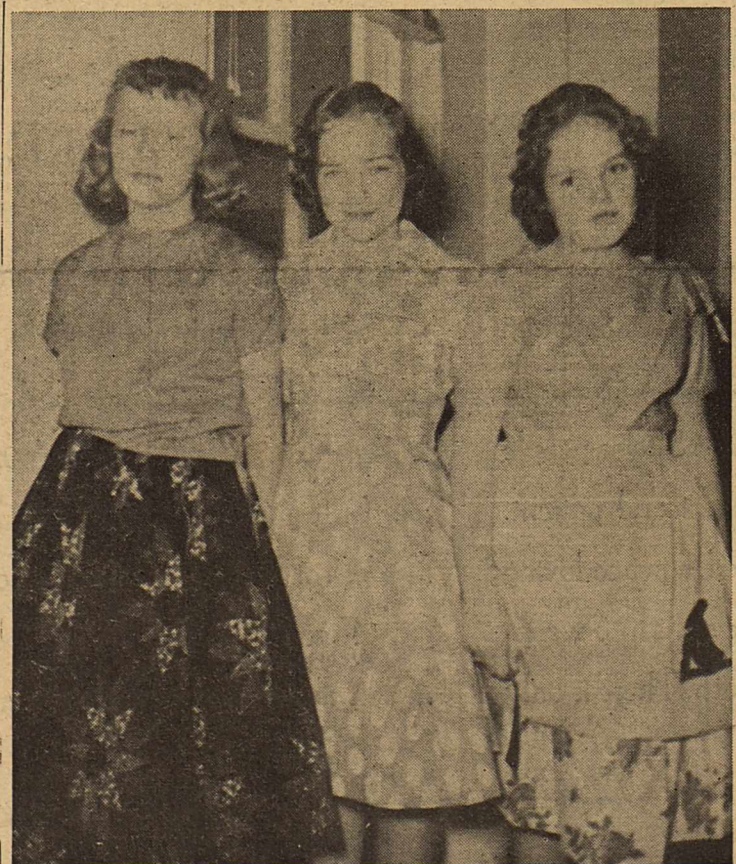

A tea and 4-H style show was held Saturday February 1, at 2:00 p.m. in the community Club room in Plains.

The fourth, fifth, and sixth grade 4-H members modeled aprons and the fifth and sixth grades modeled the skirts to soft background music with Roberta Snodgrass introducing the girls.

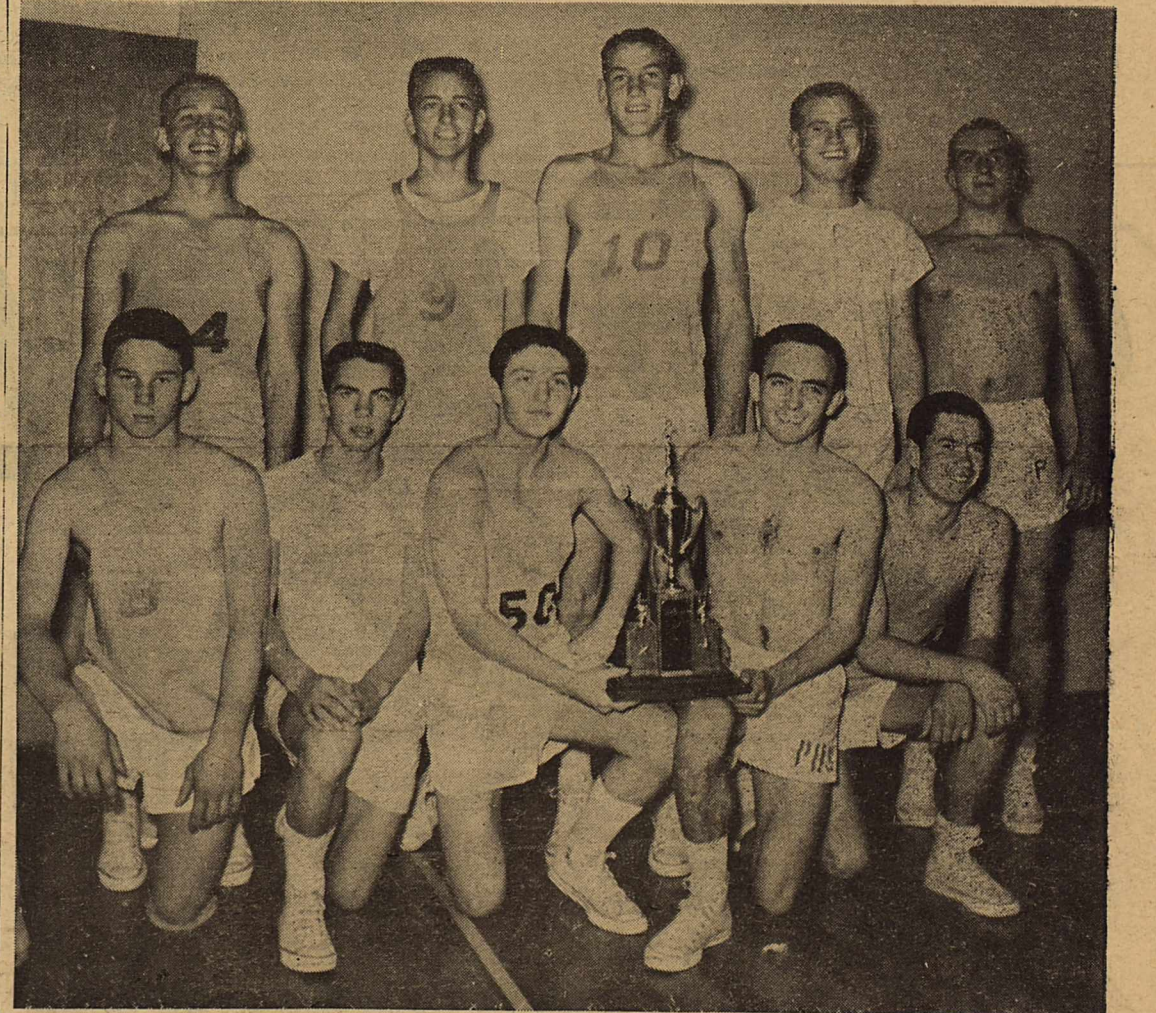

The judges for the style show were Miss Betty Hillis, Terry County demonstration agent, and Mrs. T. R. Nordyke, an employee of Moore & Oden Dry Goods. Ribbons were awarded the following girls: Fourth grade—1st place—Stormy Arrington; 2nd place—Gail O'Neal; 3rd place—Jane Koncaba. Fifth grade—1st—Jackie Hawkins; 2nd place—Jana Warren; 3rd place—Sheryl Gray. Sixth grade—1st place—Barbara Watson; 2nd place—Tanya Randolph; 3rd place—Margaret Henard.

Jackie Hawkins received a tracing wheel for having the highest score in the show. First place winners received sewing gauges.

Other 4-H members who aided in the style show were Onetha Meixner, Carolyn Murphy, D'Lois McGinty, Jeanine St. Romain, Zoelita Brantley, Marsha White, Darlene and Robert Snodgrass, Pat and Sandra Smith, Judy Lowe and Sally Yarbrough,

FIRST PLACE WINNERS in the style revue were Barbara Watson, sixth grade; Jackie Hawkins, fifth grade; and Stormy Arrington, fourth grade. —REVIEW Photo

PROUDLY DISPLAYING the trophy received as first place winners in the recent Seagraves basketball tournament are members of the Cowboys team. Left to right, front row, are Harmon Meixner, Cordell Huddleston, Dwain

Rowland, Jim Robertson and Ronald Amonett. In the back row are Jerry Holbert, Walt Coffman, Jim Williams, Bill Lattimore and Don Cooke.

HOMEMAKING girls from Plains High School who participated in the Mothers' March are shown in the above photo. They include Sheila Smith, Judy Lowe, Darla Hickerson, Sally Yarbrough, Barbara Meils, Carol Anderson, Kay Smith, Joyce Riggs, and Laurene Marrow. —REVIEW Photo

# The ROUND-UP

## Ten Students Named to 'Who's Who'

**By Jeanine St. Romain**  
In secret balloting last week the high school faculty named ten students for "Who's Who." There are several qualifications which were considered in the representatives from each class. Dependability, unselfishness, kindness, loyalty, cooperativeness, well-rounded participation in extracurricular activities, honesty, patriotism, and thoughtful service to others counted.

The senior girls selected are Jan Sims, a high school cheerleader and athlete, and Darlene Snodgrass, FHA president. The senior boys are Jim Barron, a star tennis player and senior

class president, and Ross Stotts, the president of the Student Council and football player.

The junior class representatives are Jimmy Warren, a student council member and athlete, and Judy Lowe, a high ranking student.

The sophomore class is represented well by a tall, outstanding athlete who answers to the name of Walter Coffman and a tall striking band and student council member, Linda Jones.

Well chosen were the representatives from the freshman class—Jo Don Maorrr, who excels as a scholar and athlete, and Sharon Smith, who is a leader in Pep Squad and class activities.

## Student Council Meeting Is Held

**By Brenda Sudderth**  
A meeting of the Plains High Student Council was held in the mechanical drawing room of the shop building on January 31, with Ross Stotts presiding.

Those present were Darlene Snodgrass and Dannie McClellan, seniors; Jimmy Warren and Brenda Sudderth, Juniors; Linda Jones and Walter Coffman, sophomores; Leta Stewart and Dale Edwards, freshmen; Mr. Campbell and Mr. Taylor, sponsors; and Mr. Kennedy, superintendent.

Mr. Campbell reported on the Student Council project of building a new trophy case in the high school. Mr. Kennedy agreed to present this question to the Board, and action will be taken after their decision.

Mr. Kennedy and Mr. Taylor presented some information on exemption, which had been discussed in the previous meeting. In view of this information, the council voted to dismiss the question of exemption.

## More PHS Students Seeking Education

**By Elaine Mauk**  
The number of students seeking a college education is rapidly increasing. More students are taking interest and learning how important a college education will be. In the school year of '55-'56, 65 per cent of the PHS graduates went to college. However, in '56-'57, 70 per cent went to college. This school year, 80 per cent of the PHS seniors are planning on a college education. Each year this number is increasing.

College education is very important to both boys and girls. Some people say "Why send our daughter to college; she'll only

get married." This may be true, but what is she going to do if her husband gets unable to work? Then it's too late to run back to Mom and Dad. At this time, both she and her parents will see their mistakes.

As our future progresses, we must progress with it. It may come to a point that all boys must have a college education to get a job.

## Girls HS Chorus Has Party Saturday

The Plains High School Chorus held a party in the community club room Saturday night.

Refreshments were furnished by the girls in the chorus. They also wish to thank Don Edwards for letting them use his records and phonograph.

## Muriel Snodgrass To Become Bride

Mr. and Mrs. Arvel "Toad" Snodgrass, Star Route No. 2, Morton, announce the engagement and approaching marriage of their daughter, Muriel Zo, to James L. Wilson, son of Mr. and Mrs. Robert Wilson of Spade, Texas.

The wedding will be solemnized February 8, 1958, in Spade by the Rev. Bill Wadley, pastor of the Baptist Church of Spade.

Miss Snodgrass is the granddaughter of Mr. and Mrs. Hugh Snodgrass of Tokio and Mr. and Mrs. Joe M. Cheek of Plains.

## Cowboys Take Over District Race Lead

Plains Cowboys are in first place after downing Ropes Eagles 62-60. Ropes now has one loss with three wins. Sundown and O'Donnell are tied with two wins and two losses. Frenship has one win and three losses, while Seagraves has four losses and no wins. The Cowboys have defeated O'Donnell, Frenship, Sundown and Ropes.

The Cowboys have an average of sixty-two points per game, while their opponents have a fifty-two point average per game after the four games.

Plains plays winless Seagraves Tuesday to end the first half of district competition. With some new players and a desire to get out of the bottom spot, Seagraves could make it tough for the Cowboys.

## Junior of Week

**By Judy Lowe**  
"Big Jim" Williams, center on the PHS basketball team, was a natural choice for JUNIOR OF THE WEEK.

Weighing 185 pounds and standing 6 feet 4 1/2 inches tall, Jimmy has a natural tendency for athletics and has proven it on the teams.

Besides sports, Jimmy has other hobbies such as eating, dancing, hunting and fishing. Jimmy plans to finish high school and then go to Kansas or Tulsa University.

"Big Jim's" personality has helped to enliven Plains High School for the past three years.

## Just Gossip

**By Sallie Yarbrough and Sheila Smith**  
This is the latest from the halls of PHS.

It seems as if the kids are really having some good ole' times on Friday night after the ball games. What about this, kids? Keep the clean innocent fun.

What's this we hear about Judy L. having a date with a certain Denver City boy? Tell us Judy.

Wanda S., it seems you're wearing something new on your left hand. Could it be from a certain boy in Morton?

Jan C., it seems you have a new flame. What about it?

Karen S., is D. C. the apple of your eye?

Glenda S., who came to see you last weekend? Could it be H. W.?

Jo Ann B., who is your secret flame? We're heard that it is S. L.

Who were some of the kids in D. C. Saturday night? Could it have been Borden S., Rue M., Bobby C., Judy L., Sallie Y., and Bill L.?

Darla did you and Sallie have a good time in the boy's typing class? I'll bet you did.

Jimmy did you have trouble keeping up with your books during activity period Monday?

Jeanine, it seems as though you were busy over the weekend. Did you have fun?

Brenda, it is said that a certain Tech boy was home over the weekend. Was he?

MAD LAD, where were you over the weekend, we didn't see you.

Glenda B. what happened to your secret loves car about a week ago?

## New Band Award Announced at PHS

**By Jo Ann Bailey**  
A new award has been set up in Band. The John Philip Sousa award will be awarded to the outstanding senior band student each year. The school will keep a plaque on which the winning student's name will be engraved each year.

The student will receive a certificate, a pin, and a paper weight with a bust of Sousa and his own name engraved on it.

## Volleyball Team Wins Two Games

The girl's volley-ball team has played two games with Seagraves this season and has won both times.

On January 31 the Plains High School girl's team went to Seagraves where they won the A game and lost the B game. Sallie Yarbrough was the high point on the A team and Judy Lowe was high point on the B Team.

On January 23, Seagraves played at Plains, where Plains won both A and B games. Darlene Snodgrass was high point on the A team.

## Volleyball Teams Enter Tournament

The PHS girls A and B volleyball teams have entered the Odessa volleyball tournament, to be held February 6, 7, and 8 at Odessa Jr. College.

The B team will start off at 12:00 playing Lamesa and the A team will play Crane at 8:00 p.m., Thursday, February 6.

If the teams are victorious, they will spend the night in Odessa in order to participate Friday.

## It Looks Like ...

**By Kasen Shoebert**  
It Looks Like—Darla H. won't be getting cold anymore. Huh, Ronald? Shirley G. thinks Mr. Sewell's second period class is real gone. Why? Bobby K. won't be getting "big brother's" car anymore, Too bad Bobby!

The freshman girls are surely spending a lot of time in front of the mirror lately. Could the cause be Lonnie Harrel?

Somebody said something to Karen S. Friday night that made her MAD. Was it L. K.?

Zelda S. likes aqua Fords, (or what's in them!).

Linda F. is suddenly interested in college. Maybe Joe has put in some good recommendations.

The Plains Cowboys have got the "magic touch" and it looks as if they aim to keep it. Good luck, boys!

## Three New Students Enrolled in PHS

**By Elaine Mauk**  
Two sophomores and a freshman enrolled in Plains High School last week.

Joe Bob Oats, former Plains sophomore, has enrolled for the second semester. After leaving Plains, Joe Bob attended school at Seminole, Monterey in Lubbock, and then at Seminole again.

Foy Streeman came to PHS as a sophomore from Denver City. Foy's father has bought a house in Plains, where he is engaged as a pumper in the oil field.

Lonnie Harel came to Plains from San Angelo. He is a freshman. Lonnie's father is also a pumper in the oil field.

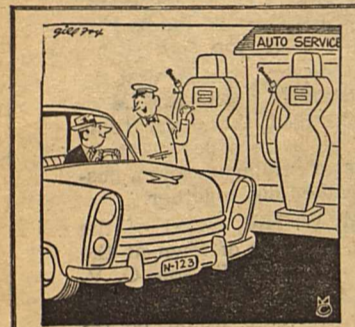

## Delegate Elected By FHA Chapter

Monday night, the Plains Chapter of F. H. A. met in the study hall.

Annette Sudderth was elected voting delegate for the area meeting to be held in Big Spring, March 1.

Sheila Smith, Sallie Yarbrough, Jeanine St. Romain, and Judy Lowe gave a discussion in Civil Defense. Pamphlets were handed to the girls.

Mr. and Mrs. Peter Sampson attended the Fat Stock Show in Fort Worth over the weekend. They also visited in the home of Mrs. Bess Googins of Fort Worth.

## Teenagers Seek Fun at Home

**By Judy Lowe**  
The teenagers in Plains have found some entertainment at last. It's sponsored dances in the clubroom in the old courthouse. During the Christmas holidays, the teenagers got together and decided that it was time for some clean fun without having to go elsewhere to find it.

The dances are usually sponsored by four or five adults and are held every Friday night after ballgames.

Refreshments are served and everyone has a gay time until curfew.

The teenagers would like to thank the sponsors and parents who have made these dances possible.

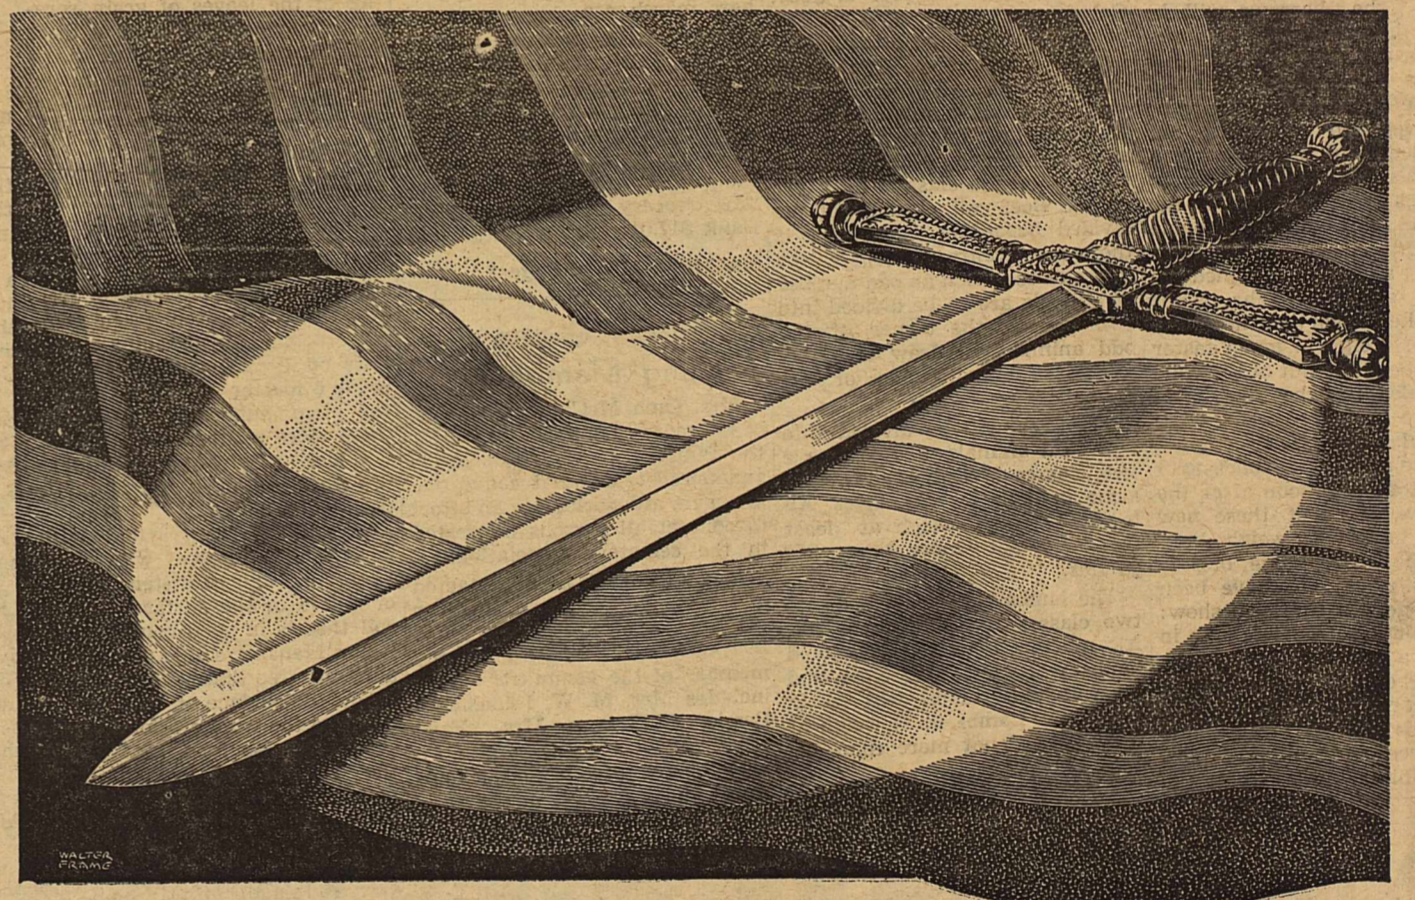

Mr. and Mrs. Jim Pharr were in Lubbock Friday attending a Farmers Union meeting. They also visited their daughters Sandra and Gwynette who are attending Lubbock Christian College.

## FREEDOM IS A MIGHTY SWORD

We Americans can rightly be proud of the fact that we are a peace-loving people. That our aim as a nation is to strive to improve human welfare with freedom and justice for all. \* Such a people is always slow to anger, tolerant and patient. But when patience is exhausted, a peace-loving people can turn its peace-time skills into weapons of fierce and righteous wrath. There is only

one way such a nation could be enslaved. That would be through propoganda that misleads; through lack of knowledge, and of truth. America's greatest strength is...freedom of the printed word...to give the people truth, truth that builds freedom of thought, of word, and of vision.\* This great Freedom tempers the steel out of which a nation and a people can forge mighty sword.

## WSCS Meets at Jesse Hale Home

The WSCS of the Methodist Church met Wednesday, January 28, in the home of Mrs. Jesse Hale.

Mrs. James Warren led the devotional. The study was given by Mrs. Glen Cleveland. It was entitled "Can The Races be Integrated in the Church, Mrs. L. O. Smith gave "The World Federation of Churches."

A business meeting followed. There will be a Sub-district meeting of the WSCS with the Plains Church as host February 12, at 10:00. There will be program and a sack lunch at noon.

The hostess served refreshments to ten members and two guests, Mrs. Marion McGinty and Mrs. Johnnie Fitzgerald.

Betty Jackson and Bobby Chambliss are home for the mid-semester holidays from West Texas State Teachers College in Canyon.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin, Tex.—By 1962 the first wave of the state's "war babies"—probably hundreds of thousands of them—will be seeking a college education in Texas.

Time to get ready for them is now, says the Commission on Higher Education.

Created by the Legislature in 1955, the Commission has spent some two years getting organized and gathering facts. Now, says the Commission's director, Dr. Ralph T. Green, it is ready to start making some "firm recommendations," beginning with its meeting Feb. 10 in Denton.

Commission has the responsibility for studying the needs and problems of all 18 state supported colleges and universities and making recommendations and appropriation requests for them to the Legislature.

Commission staff has done extensive research in areas of professor's salaries, how many students take what courses and possible need for more branches and courses in certain areas.

Several cities have been actively demanding senior college status for their junior colleges. Commission is to have recommendations on this later.

At present, says Dr. Green, Texas' 18 state colleges have some 77,913 students. By 1962, he predicted, they will have 102,000.

Statewide, the possibilities are even more overwhelming. There are some 160,000 students in both state and private colleges now, said Dr. Green, but by '62 there will be an estimated 320,000 prospective college students.

Exact figures are not possible, of course he said but "there's no getting around it the kids are there. It's almost frightening to foresee this tremendous volume and know too that standards must be raised to meet demands for improved scientific and technical training but with good planning we can do it."

**POLIO PLUMMETS**—Best news from the State Health Department recently is the 1957 polio figures—lowest in a decade.

Total for 1957 was 734 cases, just a little over half the 1956 total 1,307 and less than one-fourth the peak year of 1952 (3,984).

Department officials said they expect a continued, but more gradual decline, as more people take the vaccine. Shots are not likely ever to stamp out the disease completely, they said, since the vaccine does not prevent non-paralytic polio.

**COME AND SEE US**—Texans can garner many millions in out-of-state dollars by learning to be good hosts to tourists.

Said Tom Taylor, manager of information and statistics for the State Highway Department, "The tourist industry is one of the easiest in the world to promote. Every community has something to offer. But many Texans don't know enough about their own communities to give directions."

Considering the scarcity of promotion, said Taylor in a speech to the Texas Motor Transportation Association, it was surprising to note that Texas is fifth among the states in number of tourists. It was a \$500,000,000 industry in 1957, he said, bringing Texans more income than cotton, cattle and wheat combined.

But, Taylor noted, competition

MODELING APRONS they had made in the style revue were Linda Robertson, Jane Koncaba, Gayle O'Neal, Stormie Arrington, Donna Kaye Horton, Patricia Porter, and Treta Kay Rowland. —REVIEW Photo

## GARDEN CLUB ORGANIZED HERE IN MEETING HELD ON THURSDAY

Ladies interested in organizing a garden club met in the club-room Thursday night January 30.

The Plains Club is sponsored by the Brownfield garden club. Mrs. J. M. Willingham served as acting chairman and appointed Mrs. Wyatt Lipscomb as acting secretary.

A by-laws and constitution committee was elected with Mrs. Roy Stockstill as chairman. Others serving on the committee are Mrs. Wayne Chadwick and Mrs. W. L. McClellan.

The next meeting will be held February 14 at 7:30 p.m. in the club-room. The by-laws and constitution will be read and approved. All ladies who are interested in becoming a club member are urged to attend.

The nominating committee will present the nominations for the officers and they will be voted on.

The ladies voted to meet every

fourth Thursday with the exception of the next meeting.

Mrs. Virgil Travis and Mrs. James King of Brownfield were present to help organize the Plains Club. They pointed out what the ladies can expect as a garden club member.

Those present were Mesdames Ann Green W. L. McClellan John Anderson Roy Stockstill A. H. Bacon, Thelma Ellis, L. B. Curtis, Hayden Box Wyatt Lipscomb J. M. Willingham, W. M. Overton, Wayne Chadwick Sally Forrest H. F. Barnes, G. P. Beane, Buster Kennedy, Duane McDonell Jim O'Neal, D. C. Newsom and Miss Myrna Marshall.

Mrs. Mae Curtis visited her son, Lawrence, in Midland last weekend.

Mr. and Mrs. Jack Hayes spent the weekend in Pecos visiting their daughter and family, Mr. and Mrs. Bill Armstrong.

as it is a strict requirement that information from both be shown on 1958 License Receipt.

**ROBERT H. CHAMBLISS, Tax Collector**

## Social Security Representative to Be Here Feb. 13

A representative of the Lubbock Social Security Office will be in Plains on February 13, 1958 at 1:30 p.m. at the County service office, Courthouse and will be glad to assist in all matters pertaining to Social Security.

Most farmers will file their social security tax returns along with their Federal income tax returns by February 15, according to John G. Hutton, manager of the Lubbock Social Security office. Any self-employed farmer whose 1957 net profit was \$400.00 or more is required to file this return and pay the social security tax of 3-3/4%.

If the gross farm income is not over \$1800.00, but the net is less than \$1200.00, he may, if he wishes, report \$1200.00. Landlords who, by agreement with their tenant, participate materially in the production or management of the crop or livestock are

also classed as farm operators for purposes of social security.

Hutton emphasized that farmers should make sure that their tax returns are accurate and complete. It is important that anyone showing income subject to social security tax show his social security number both on Form 1040 and on Schedule F. It is equally important that all proper business expenses are deducted and that the amount of the net profit be clearly reported.

Tax returns are filed with Internal Revenue Service. More detailed information is contained in a publication entitled Farmers which can normally be obtained Tax Guide publication No. 225) from the county farm agent or the Internal Revenue Service district office.

Rep. L. DeWitt Hale, vice chairman of the study committee, said local groups should feel free to add more topics of their own. Study guide has 167 questions.

If people all over the state respond with facts, ideas and suggestions, the committee will have some 42,000 replies to serve as basis for its recommendations.

**MORE COTTON ASKED**—Texas should be allowed to produce more cotton this year to meet a demand for better grades, says Agriculture Commissioner John White.

Despite the cotton surplus in storage, there is a shortage of middling grades and an active demand for better grades, said White. Because of the end of the drought, he said Texas had an excellent chance to produce high quality cotton this year for the first time in eight years.

**WELL WATERED**—Texas goes into the 1958 growing season with the best soil moisture conditions in years, reports the U. S. Dept. of Agriculture.

High plains wheat prospects are considered the best in years. Most areas have enough moisture to carry the crop well into spring.

In many areas growers now want "open" weather. Said USDA, "Many fields in East Texas have turned pale as water-logged soil prevents root aeration."

Panhandle grain farmers need sunshine to prepare for spring planting and valley vegetable growers to harvest the winter crop.

**FLU UP AGAIN**—Number of flu cases in Texas climbed in

## Bushland, Tex., Man Reports— "I Cut 2,190 Tons of Ensilage From 104 Acres of Maize"

Leo Bezner, Bushland, Tex., says: "I put down 80 pounds of Phillips 66 Agricultural Ammonia pre-plant on 104 acres of irrigated maize land. I cut 2,190 tons of ensilage, or slightly more than 21 tons per acre. I use Phillips 66 Ammonia to help increase yields on all my cash crops."

Other Southwestern farmers have discovered that the 82% nitrogen in top quality Phillips 66 Agricultural Ammonia helps them to get more profit per acre, through higher

yields and lower production costs.

They have found that, by using Phillips 66 Agricultural Ammonia, they get more cotton that grades out higher at the gin; yields of sorghum grain and ensilage are increased; more marketable vegetables are harvested, and profits on wheat are increased through better forage, and higher yields of grain.

See your Phillips 66 Agricultural Ammonia distributor about profitable Phillips 66 Agricultural Ammonia, the 82% nitrogen fertilizer,

## FARMERS GIVEN LITTLE HOPE FOR INCREASE IN COTTON ACREAGE

High Plains farmers, along with other cotton producers across the U. S. cotton belt, face 1958 with little or no hope of increased cotton acreage, according to information from Washington, D. C.

W. O. Fortenberry, President of the Plains Cotton Growers, Inc. today said that Agriculture Secretary Benson told Congress last week he does not have the power to boost acreage allotments for the 1958 cotton crop.

The Plains Cotton Growers recently sent Wilmer Smith, New Home, Vice President, and George W. Pfeifferberger, Executive Vice President, to Washington to attend a conference with Secretary, Benson. This conference was arranged by the National Cotton Council and representatives asked Benson for increased acreage in 1958.

Allotments for the 1958 crop have been set at 17,600,000 acres. The National Cotton Council asked an increase to this allotment to help overcome an impending shortage of high quality fiber.

The Farm Chief made his decision last week in a letter to Rep. Cooley, D. (N. C.) Chairman of the House Agriculture Committee. The decision was based on a legal opinion by R. L. Farrington, the Agriculture Department General Counsel.

Farrington told the Secretary cotton allotments are not designed to take into account needs for particular grades of cotton but are designed to bring the total quality of cotton produced in balance with the total quantity of cotton needed.

Any increase in 1958 allotments, Farrington said, would add to the total supply not only of the grades desired but also of other grades which presumably are already in surplus.

The Counsel contended there is no certain method of growing a particular grade of cotton because of the unpredictable effects of weather, insects and other factors. He said the desired grades under normal conditions would probably range somewhere between 60 percent to 75 percent of the total production, with the balance made up of the "trash" cotton which is already too abundant.

Farrington also told the Secretary that a boost in 1958 cotton allotments without specific legislative authority, would conflict with the acreage reserve phase of the Soil Bank.

Fortenberry said that while the PCG was interested in obtaining acreage increases for this year, the public is cordially invited to attend.

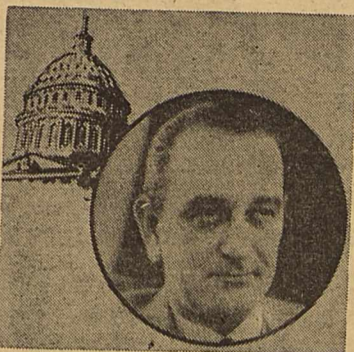

### Paul New to Speak At Tuesday Meeting

A joint meeting of the Yoakum County Home Demonstration Clubs and the Farmers Union will be held Tuesday night February 11, in the clubroom of the old Courthouse.

Judge Paul New will speak on property laws, wills, and social security.

The public is cordially invited to attend.

The primary interest of this organization in connection with a cotton program is to secure a long-range program that will work toward the benefit not only of the producer, but will benefit other segments of the cotton industry, and which will put cotton back on a sound economic basis through the nation and world.

## WASHINGTON NEWS LETTER

By Sen. Lyndon Johnson

The agreement between the United States and Russia, signed this week is, I believe, one of the most important events of many years. It is an agreement to speed exchanges of persons, movies and radio-television broadcasts between this Nation and Russia.

Weapons alone hold no security for the United States or any other country. The best we can hope for from the intercontinental ballistic missile or any other weapon is a stalemate.

We must have these weapons because a stalemate is better than defeat. But we would be fooling ourselves if we thought that they could bring us anything beyond a stalemate.

True security will come only when is no longer an instrument of national policy.

We must be realistic. I have little faith in outlawing war as an instrument of national policy merely through pacts of renunciation—either of acts of aggression or of specific weapons. The non-aggression pacts that were fashioned before World War II did not prevent war.

Efforts to outlaw war must be accompanied by positive steps to bring people together in cooperation.

When people work together to face a great challenge, they tend to lose their suspicion of each other. They become absorbed in the task before them—and fighting as an instrument of policy fades from the picture.

A great opportunity, in my opinion, is therefore afforded us by the present situation. There are positive steps that we can take in concert with the other nations of the world to face the great challenge presented by outer space.

These steps cannot be taken overnight. Making a reality of the "open curtain" policy—which I advocated last July after Russia's Khrushchev had appeared on television screens throughout this country—will require careful preparation. It is an effort that deserves the best we have. For there is a great need for bringing the people of the world to a point where they can at least talk to each other.

The barriers of suspicion and distrust will not be broken down by this agreement alone. We cannot expect that the agreement signed this week between the United States and Russia will solve the manifold problems of a war-weary world.

But it is an essential first step—the beginning of a beginning. We have to take these steps one at a time.

Letters from Texas indicate to me that our people are aware of the dangers facing us—and that they are confident of our national will and ability to face those dangers squarely and cope with them realistically. As is to be expected, Texans are concerned—but not panicky.

We must bring security out of danger. We must bring lasting peace out of peril.

That is the two fold challenge facing our Nation today.

### HD Council Finals Plans for Banquet

The Yoakum County Home Demonstration Council met in the Community Club-room February 8, with sixteen members and the agent present.

Reports were read by all club presidents. Plans were discussed for the concession stand which they will have at the livestock show, February 21 and 22. Final plans were also made for the commissioners banquet to be held February 7.

### Game Violations Produce \$10,971

Austin, Jan.—Game law violators in Texas paid a total of \$10,971 in fines during December, for 349 violations, according to the monthly report of the Director of Law Enforcement of the Game and Fish Commission.

Trespassing accounted for 77, to take top place in the violations. Night hunting accounted for 38 of the violations. Hunting without a license brought in 40 arrests.

Despite the fact that heavy fines are assessed every month for telephoning fish, three paid fines for this offense.

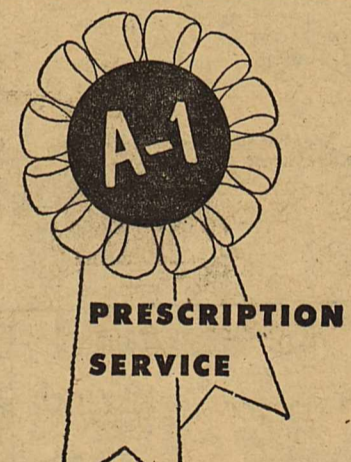

### State to Boost Fish Hatchery Output for '58

Texas fish hatcheries are now being made ready for what is expected to be the heaviest demand in their history, according to the Director of Hatcheries of the Game and Fish Commission.

Brood bass already have been placed in the hatchery at Brownsville. During February the Devine hatchery, which has been out of production for several years, will be stocked with brood fish.

The heated brood pond at San Marcos also is in operation. Other hatcheries will be stocked as quickly as weather conditions will permit.

The San Angelo hatchery will be in complete operation again this year, renovated and enlarged. Plans now are being drawn for extensive improvement of the Dundee hatchery near Wichita Falls.

### TEXAS IN REVIEW SHOWS PRINTING OF TOP WEEKLY

Among the more than 400 Texas weekly newspapers are some of the finest in the nation. And many of these efficiently operated weeklies have modern printing plants and fine writers. The operation of one of these newspapers, The Hereford Brand, will be featured the week of February 10 on Humble Oil & Refining Company's TV program, Texas in Review. Locally this program is seen on KDUB-TV at 7:30 p.m. on Tuesday, Feb. 11.

This weekly was honored last year by the National Editorial Association and it publisher, James M. Gilentine, is president of the Texas Press Association. Films show how news of local interest is collected and how the Hereford Brand campaigned successfully for a new community airport.

More interesting features on the same program include a visit to the Houston Vocational-Technical School, behind-the-scenes activities of the Houston Grand Opera Association, the historic Old Land Office Building in Austin, and portions of Treasury Secretary Robert Anderson's speech before the annual Film and Stream Banquet in Wichita Falls.

THE STATE OF TEXAS

TO:

American Cancer Fund and its unknown members, shareholders, officers, and representatives, and the persons who own stock or interests in and who constitute American Cancer Fund as an entity, corporation, association, firm, company or partnership, if it be any of such; and to the unknown devisee or devisees under a purported will of Clifford Mooers, deceased, dated September 24, 1956 admitted to probate in Kendall County, Texas, on December 10, 1956, and the unknown owners or Claimants of any interest in the estate of such decedent or in any property standing in his name at the time of his death on November 13, 1956, including the lands and interests therein described in such suit and as described and identified in this citation, which are owned or claimed by such unknown claimants as devisee under such purported will, Defendants, each of whose identity and residence are unknown other than claimants American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation, who have been joined as defendants in such suit for personal service.

GREETING:

You and each of you are hereby commanded to appear by filing a written answer to plaintiff's petition before the Second 38th Judicial District Court of Kendall County, Texas in the Courthouse in the City of Boerne, Kendall County, Texas, at or before ten o'clock a.m. on the Monday next following the expiration of 42 days from the date of issuance of this citation, said Monday being the 17th day of March, 1958 and then and there to answer the original petition of Dolores Mooers, a widow, as plaintiff, filed in said court on the 30th day of January 1958, against H. B. Fuqua as Independent Executor under a purported will of Clifford Mooers, deceased, and in which suit the other named defendants are those persons first named in this writ and to whom it is above directed, and other defendants to be cited personally are:

American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation, and Betty Nuss, Chester Green, R. J. Kelly, Mrs. Gladys Van Pelt, Genevieve Conroy, Ralph Dahlstrom, Swen Lundahl, Russell Baughman, Charley McClaskey, Allan H. Ellingson, Paul S. Oles, and Mrs. A. G. Koenig, as executrix under the will of A. G. Koenig, deceased, and said Mrs. A. G. Koenig, a widow, and Elizabeth Koenig, a feme sole, as the only heirs of A. G. Koenig, deceased; John T. Claybourne, Frank Demus, Mrs. C. W. Farley (and husband, C. W. Farley), Tom Walters, Leonard Ward, Bruno Brandt, W. B. Davis, and John W. Clark, individually and as constituting and representative of that class of five-year employees given cash legacies of \$500.00 each under the terms of such purported will of such decedent.

Said suit styled "Dolores Mooers, A Widow, vs. H. B. Fuqua, Independent Executor, et al.," being numbered 1525 on the docket of such court and a brief statement of the nature of the suit being as follows:

Plaintiff seeking equitable review asks to set aside a settlement made with her husband, Clifford Mooers, date May 1st, 1956, and this Court's decree of approval entered the next day in cause No. 1464, styled "Ex-Parte: Clifford Mooers and Wife, Dolores Mooers," recorded in the minutes, Vol. 6, p. 636, and asks an accounting and a declaration fixing the identity of the residuary devisee under a purported will of such husband as admitted to probate December 10, 1956, in which suit it is claimed that plaintiff as the wife of such decedent for 27 years before his death was induced to consent to such property settlement and decree by the fraud of her husband and his agents, consisting of false representations and concealment of material facts to the nature, extent and value of the community property and of plaintiff's true interest therein at such time, and because of further false promises to bequeath and on account of mistake induced by fraud of her said husband and coercion; and it is claimed that a fraud was also practiced by such decedent on this Court, and that the proceeding did not comply with Article 2624a.

It is further claimed in such suit that all or substantially all property in decedent's name at the time of such settlement and at the time of his death was community property, and that had the wife received those properties awarded to her in such settlement, such were greatly less than her share at such time, and such contract was grossly unjust and disadvantageous to her, but that there was further material fraud and deceit practiced on her as to those properties which it was recited she was to receive under such settlement because of failure of title and of consideration in material part and inability to deliver and failure to deliver personal property of the kind and value which it was represented such wife should receive.

Plaintiff offers to do equity and makes a continuing tender to restore that which she has received and asserts that due to her situation, inexperience, ignorance and deception she could not sooner have discovered such fraud and brought this action.

It is further claimed that since such husband's death the defendant H. B. Fuqua, acting as Independent Executor under the purported will of such husband, has come into possession of but not distributed all of those properties which the husband wrongfully took under such settlement and decree and in which plaintiff had a continuing equitable ownership and interest, and that the other defendants are claiming to own or have some interest in such properties and estate as the respective cash legatees and residuary devisee under such purported will; and that among such properties are lands and interests in lands within the State of Texas including those described, listed and identified in such petition, including the following:

YOAKUM COUNTY:

1. A 1/32 mineral interest in Sections 794, 796, and 858, and in the S/2 of Sec. 798; and a 1/64 mineral interest in Sec. 896; a 7/64 mineral interest in Sec. 895; a 1/16 mineral interest in Sec. 860; and a 1/8 mineral interest in Sec. 141; all in Block D, John H. Gibson Survey, sometime referred to as John H. Gibson, Original Grantee.

The State of Texas

To The Sheriff or any Constable of any County of the State of Texas, GREETING:

You are hereby commanded to serve the foregoing citation by making publication thereof in some newspaper, of legal circulation, published in the County of Yoakum for four (4) consecutive weeks, the first publication to be at least 28 days before the return day of the citation.

Herein Fail Not, but on the return day hereinabove named, have you then and there before said court this writ, with your return thereon, showing how you have executed the same.

Issued and given under my hand and seal of said court in Boerne, Texas this 30th day of January, 1958.

# Plains in 62-60 Thriller Over Ropes

THE YOAKUM COUNTY REVIEW  
Plains, Texas, Thursday, February 6, 1958 Page 7

JIM WILLIAMS, star player for the Cowboys, battles for the rebound with J. L. Hansard of Ropesville during the thrilling contest Friday night in which the locals emerged on top by the small margin of two points. The final score was 62-60 for the district conference game.

Jim Williams drove for a crisp shot with seven seconds left, made it and brought the Plains Cowboys a 62-60 victory over Ropesville in a District 5-A conference game last Friday night. This gave Ropesville their first loss against three triumphs and Plains a 4-0 mark.

The Cowboys jumped into an early lead and held a 19-15 margin at the end of the first quarter. The Cowboys pushed the margin to 35-29 at the half, when the Eagles staged a rally that threatened they take the victory away.

The Eagles outscored Plains, 17-11, in the third quarter which ended in a 46-46 tie. The game remained tight right down to the end, when the Cowboys, in possession, worked around for a good shot. Williams got it, took it, and made it.

Williams led scorers with 22 points with Dwain Rowland getting 14 and Cordell Huddleston, 13. J. L. Hansard led Ropes with 21, and Johnny Valentine getting 15.

Plains also won the B-game, 44-43. Don Todd led the Cowboys with 10 points. Bob Elliot scored 23 points for Ropesville.

## Homespun Hints

By Myrna Marshall  
County H. D. Agent

House cleaning can be made easier through planning ahead with care. There are several things to consider when you plan. List the jobs that need to be done. When should they be done? Make a schedule. Plan the cleaning jobs to fit into the daily work schedule that you have. Decide who will do each job. The family will probably enjoy making this a cooperative venture. Work out the best method for doing each job. What tools and supplies will be needed? Decide where the tools and supplies will be kept. Plan for short rest periods to combat house work fatigue.

Stagger cleaning tasks where all the hard cleaning will not be done in one day. This will also help you enjoy house cleaning more.

Many steps can be saved in keeping the house clean if cleaning supplies and small equipment are assembled in an open basket or box with a handle which can be carried easily from room to room.

Store cleaning tools near the rooms in which the tools are most often used. Keep tools and supplies that are used together in the same place.

A soiled varnished wood may be a problem in housecleaning. Here is a simple homemade mixture for varnished woods:

3 tablespoons of linseed oil  
1 quart of hot water  
1 tablespoon turpentine  
Wring a cloth out of this mixture, wash the surface and wipe dry.

White spots on furniture can be caused by standing water or hot dishes. They may sometime be removed by wiping the surface with a cloth wrung from water to which you have added a little ammonia. If the spots are slight a simple remedy is to rub the spot with camphorated oil or oil of peppermint. Or they may disappear when the surface of the furniture is washed with a mixture of 1 quart of warm water, 3 tablespoons of boiled linseed oil and 1 tablespoon of turpentine; then dry with a soft cloth and rub with furniture polish.

Mrs. George Turnbow and children visited Mr. and Mrs. Henry Bowman of Seminole Sunday.

Mr. and Mrs. Earl Roberston, Mr. and Mrs. Delbert Bert of Tokio, and Mr. and Mrs. Bert Jackson of Tokio visited Mr. and Mrs. Frank Sudduth Sunday.

Mrs. Irene Cleveland visited Mrs. Frank Sudduth Monday afternoon.

Mrs. Velma Fulfer of Matador visited her sister, Mr. and Mrs. Cliff Hinson Saturday and Sunday. She was also a visitor in the Bronco Baptist Church Sunday.

Mrs. A. E. Newsom, Mrs. A. H. Bacon, Mrs. Frank Spencer, and Mrs. Tom Box are to be hostesses to the Gladiola Community and Youth Center Saturday night. All people in the area are invited to come and have a good time. Dominoes, Forty-two and other games are to be played. Refreshments are to be served. Come and bring your families.

Mr. and Mrs. Tom Box and Tommy Guy visited Mr. and Mrs. A. H. Bacon Monday night.

### ARE PARENTS

Mr. and Mrs. Marvin Elliott announce the birth of a son. He has been named Daniel Wayne and weighed nine pounds and five ounces. Grandparents are Mr. and Mrs. S. P. Saffell, Stephenville, Texas and Mrs. Dona Elliott of Tolar, Texas.

Dinner guests in the home of Mr. and Mrs. John Anderson Sunday, were Mr. and Mrs. Bill Anderson.

Mrs. Oma McCargo and Mrs. Pauline Stotts were in Roswell Sunday.

## Stateline News

Mrs. Butch Early visited Mrs. Frank Spencer Saturday.

Mr. and Mrs. Loren Gayle and children visited Mr. and Mrs. Cecil Evans Sunday night.

Mrs. Frank Spencer has the agency for the Home Interior and Gift Show for this area. She attended shows in Hobbs and Denver City this week, and gave a show in Tatum Friday.

Miss Mae Jean Bacon visited her parents, Mr. and Mrs. A. H. Bacon, over the weekend. She was accompanied home from Tech by Miss Judy Goldsmith of Phillips. Mae Jean was a guest in the Goldsmith home between Tech semesters.

Mr. and Mrs. A. H. Bacon were dinner guests in the Ty Fields' home Sunday.

Mrs. Nina Mattison is visiting in the Leroy Edwards' home in Dimmitt this week.

Mrs. Dunk Brian and Jerry and Rita are patients in the Treadaway-Daniell Hospital in Brownfield. They all three have the flu.

Mr. and Mrs. Joe Whisenant of Austin, Mr. and Mrs. Jimmy Sullivan and Colleen of Lubbock visited Mr. and Mrs. Frank Spencer and children Saturday.

Master Ronnie Vandygriff spent Saturday night with Billy Charles Spencer.

Mr. and Mrs. George Edison of Hobbs spent Wednesday night with Mr. and Mrs. Jim Lewis and children.

Mr. and Mrs. Frank Spencer visited Mr. and Mrs. J. C. Stegall and Jane Saturday night.

Mr. and Mrs. H. W. Seals and children visited her parents, Mr. and Mrs. Hyde of Gomez Sunday.

Mr. Felton Riggs formerly of Bronco, now of Gomez, is a patient in the Yoakum County Hospital, and his condition is very critical. He is the son of Mrs. Joe Kennedy.

Mr. and Mrs. Loren Gayle visited her niece Thursday who was a patient in the Yoakum County Hospital. Little Miss Tula Hill, daughter of Mr. and Mrs. Bruce Hill of Plains, was injured while playing on a trailer. She had to have many stitches on her head and face.

Dan Fields spent Sunday with Butch Gayle while Charleen Gayle spent Sunday with Janet Hegwood.

Mrs. Horace Hegwood and girls spent Thursday visiting her brother, Eugene Sparger, in Hobbs. Mr. and Mrs. Sparger have a new baby girl.

Anita Fields and Nancy Jo are in Phoenix, Arizona.

Mrs. Chambers of Lovington is visiting her daughter, Mrs. Ty Fields, and family.

Mr. and Mrs. Leroy Edwards of Dimmitt spent the weekend with her parents, Mr. and Mrs. J. C. Stegall and Jane.

Mr. and Mrs. Tom Box and Tommy Guy ate supper with Mr. and Mrs. Ira Tidwell and children Tuesday night.

ren Tuesday night.

Mrs. Frank Spencer visited Mrs. Spurlock, Mrs. Sandy Bonnell, and Mrs. Butch Early Friday.

Dinner guests in the Tom Box home Sunday were: Mr. and Mrs. Hayden Box, David and Wayne, Mrs. Adell Box, Robert Box and Lee Roy Box of Lubbock.

Mr. and Mrs. Ira Tidwell and children visited her parents, Mr. and Mrs. M. H. Galyon of Lubbock, Saturday night and Sunday.

Mrs. Flossie Tidwell visited her children in Lubbock last week and returned home Sunday.

Mr. and Mrs. A. E. Newsom, Judy and Joe visited his mother, Mrs. M. C. Newsom, of Artesia, New Mexico Saturday night and Sunday.

Mr. and Mrs. Tommy Joe Billings of Seagraves visited Mrs. Ruby Billings Sunday.

Mr. and Mrs. Tom Sims, Mr. and Mrs. Alton Billings, and Mr. and Mrs. Bobby Springer of Big Springs visited Mr. and Mrs. Royce Trout Sunday.

Mr. and Mrs. Tom Box and Tommy Guy visited Mr. and Mrs. Dorman Scott and son Friday night.

Mrs. George Turnbow and children visited Mr. and Mrs. Henry Bowman of Seminole Sunday.

Mr. and Mrs. Earl Roberston, Mr. and Mrs. Delbert Bert of Tokio, and Mr. and Mrs. Bert Jackson of Tokio visited Mr. and Mrs. Frank Sudduth Sunday.

Mrs. Irene Cleveland visited Mrs. Frank Sudduth Monday afternoon.

Mrs. Velma Fulfer of Matador visited her sister, Mr. and Mrs. Cliff Hinson Saturday and Sunday. She was also a visitor in the Bronco Baptist Church Sunday.

Mrs. A. E. Newsom, Mrs. A. H. Bacon, Mrs. Frank Spencer, and Mrs. Tom Box are to be hostesses to the Gladiola Community and Youth Center Saturday night. All people in the area are invited to come and have a good time. Dominoes, Forty-two and other games are to be played. Refreshments are to be served. Come and bring your families.

Mr. and Mrs. Tom Box and Tommy Guy visited Mr. and Mrs. A. H. Bacon Monday night.

### HOME FROM SERVICE

Mrs. W. H. Hague, Mrs. Faye Lusk and son, David and Mrs. Doyle Newsom and children went to Midland Wednesday to meet Mrs. Lusk's son and family, Mr. and Mrs. Harvey Lusk and daughter, Sherri. Harvey received his discharge this week after four years of service in the Army Air Force.

Mrs. W. M. Overton returned home Monday after spending several days in the Yoakum County Hospital at Denver City.

Pointing the way

That critical hour when every woman and every man must have counsel will surely come. How important then to have made a path to the Church and to your pastor. *Our ministers are serious and their counsel good.* They are as near as your telephone. The minister knows how to help women and men know themselves. *But better still, he knows the way of access to God.* There is no comfort like that which comes from Heaven. Why not visit your church and let your pastor show you the way, in the light and will and gracious assistance of God. Heaven is not far away for the seeking soul. Jesus said, "Seek and ye shall find, knock and it shall be opened unto you."

You In The Church...  
The Church In You  
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful.  
Be a Churchman!

**FARM**

(continued from page one)

cost of farm programs to all taxpayers," he said.

Brannon said the cost of the price support program during the past four years has amounted to from \$67,351,586 in 1952 to \$1,299,477,342 in 1957.

"Just as wise management is necessary to run a good farm it is necessary to run a good farm program" Brannon said.

He said that the amount of farm commodities under government storage has grown "enormously" during the past five years.

Brannon charged that "efficiency has been one of the misleading slogans of the current farm depression."

"What those who preach efficiency fail to point out," he said, "is that increasing efficiency hurts farmers and others with lone bargaining power, even though it helps those with strong bargaining power."

Brannon said farm efficiency, defined by output per man hour is up 17 per cent since 1952, compared to an increase of 11 per cent for non-farm efficiency. But farm income per person has dropped 23 per cent since 1952.

he said, compared to an increase of 12 per cent in non-farm income.

It has often been said, Brannon added that, "the farmer is the only one who sells for what others decided to give him and buys for what others decide he shall pay."

This is the reason, Brannon said, that price support programs are necessary."

Prices paid by farmers have gone up 5 per cent since 1951, Brannon said, while the prices they have received have dropped 19 per cent.

Troy Cauley, Texas University Economics department, told the group in another address Friday morning that "I'll see Sec. of Agriculture Ezra T. Benson in the nether-most hot place before I'll agree that he's basically right about the farm program."

The purpose of the government, Cauley said, is to serve the welfare of the people.

"And when the government, or any part of it, fails to serve that purpose it's time to change the government," he said.

"American farmers can say to the rest of the people of the Nation: When you were hungry, we fed you. When you were naked, we clothed you. We took your outcast unemployed, we provisioned your armies, we

sent our sons and daughters to people your cities. "And now that we ask for a little payment on account, you tell us that to make any such payment would weaken private enterprise, ruin the American system, and destroy our immortal souls," Cauley said.

Adopted were programs for cotton, grain sorghum, wheat, livestock and dairy producers.

"We think this is a start toward presenting a unified farm front to seek a common goal for the betterment of all agricultural producers," Alex Dickie Jr. Denton, Farmers Union president and chairman of the meeting, said after the conference.

The livestock and dairy group adopted only two resolutions. These were: (1) That the legislation proposed by President Eisenhower on January 16, which would lower the present parity on milk and milk products below 90 per cent be fought vigorously.

2. That if at any time the price of cattle drops below parity, a referendum should be called, including both beef and dairy producers, to determine if ranchmen and dairymen are for or against production payments to the producer.

The three general items of the cotton programs were: 1. To provide an equitable income to the producer commensurate with other segments of the economy; 2. That cotton be priced competitively for foreign and domestic use in order to reduce the present surplus and expand markets; 3. That cotton acreage allotments be increased to provide an adequate supply of cotton as the demand increases and to permit the farmer to use his land and equipment more efficiently.

The main items in the grain sorghum program included: 1. That corn acreage allotments be repealed, and the commercial corn producing area as such be completely abolished. 2. That a corn-sorghum base acreage be established for each farm in the United States. 3. That price supports be made available to individual producers of corn and sorghum, based upon the degree of participation. 4. That payment for retired acreages be made to the producer "in kind" from commodity credit corp. stocks now in oversupply.

Wheat growers adopted a program that read "We shall continue to work for 100 per cent of parity income, for special consideration of family size farms. For the ultimate selection of a panel of producers, elected by the growers, to act as a commission to recommend—to congress and the administration solutions to current problems and for a domestic program acceptable to the producers of each commodity by referendum.

**STOCK SHOW**

(continued from page one)

pounds. All lambs must have their milk teeth.

Grand and reserve champions will be selected from each division. The first place animals from each class will compete for grand champion. The second place animal from the class that produced the grand champion will compete for reserve champion.

An entry fee of \$1.00 per calf and 50 cent per barrow or lamb will be charged to pay for initial bedding materials. Additional bedding can be bought at the show. Each exhibitor is responsible for the care of his animal until it is removed from the barn. A penalty of \$5.00 may be assessed if an exhibitor neglects the animal. Only animals entered in the show will be eligible to be in the sale and all animals will be under the directions of the superintendents during the time they are at the show.

MODELING SKIRTS they had made in the style revue were Peggy Etheridge, Jackie Hawkins, Margaret Henard, Ann Lattimore, Barbara Watson, Sandy Randall, Jana Warren,

Joyce Kissinger, Tonya Randolph, Wanda Anderson, Diane Holbert, Diane Huffman and Sherlyn Gray.

—REVIEW Photo

**ACROSS THE CATTLE GUARD**

by LEO W. WHITE  
County Agent

and her nineteenth calf was about two months old. Almost all of his cows were descendants of Old Granny. He had many of her daughters, granddaughters and great-granddaughters. He had used some of her sons as herd sires so he had a lot of the blood of Old Granny in his cattle.

Some of the top kind of steers in the local Fat Stock Show have come from Furr's place and most of them have been big growthy steers. A few years ago they would let a club boy take almost any calf on the ranch for a club steer. This year they have such a demand for bulls that most of them are spoken for before they are two months old. His prices are not entirely out of reason but he gets \$300.00 to \$500.00 for some of his better calves. His best bull calves are spoken for before they are two months old and in many cases they are moved at that age. The demand for breeding stock has changed to the extent that buyers are picking them up soon after they are born rather than waiting until they are a serviceable age.

The modern beef cattle breeder has to produce animals of good conformation, that have plenty weight for age and backed up by a pedigree that is considered free from dwarf carriers. Many beef cattle breeders are in trouble today because of dwarfism. Even though they tried to be careful and not get any dwarf carrier in their foundation animals, the thing is so tricky that it often gets by. The use of clean pedigrees is one thing that is being stressed at the present time and no breeder would encourage a new man to go into the business without advising him to make every effort to stay clear of dwarfism. Breeding stock with clean backgrounds are really in demand at the present time.

During the past five years there have been some registered Hereford animals brought into the county. Earl Bryson started with a bull and five or six two year old heifers about three years ago. Roy Fitzgerald bought about twenty or twenty five young heifers about two years ago Bobby Field, who actually is not a resident of Yoakum County but I consider him as such, has been buying register cattle along for over two years and now has in the neighborhood of a hundred females Leon Simpson has a registered bull and about six heifers. Just this week Bob Loe bought six registered females. Garland Swann has been in the registered Angus business for about three years. There may be others that I do not know about but it looks like the situation is getting better and I hope that every man who starts in the registered business is able to make a success of it.

**Two Injured by Burns Friday**

Mrs. A. G. Brantley received first degree burns on her face and second and third degree burns on her hands last Friday while helping her son, G. W., blow out a water line with butane at his farm north east of Plains. G. W. received minor face burns. They both received medical treatment at the Seminole hospital and were released.

**A TRUE TALE**

A group of farmers were talking at a local gin Wednesday that cotton had gone up 7 cents when one of them announced since yesterday. After much argument he added, "Well, I couldn't sell it yesterday, and I was offered 7 cents for it today!"

**Hudson Rites Are Held Sunday**

Funeral rites for Mrs. Katie Hudson, 62, were conducted at 2:00 p.m. Sunday in the First Baptist Church at Morton.

Mrs. Hudson was the daughter of Mrs. A. C. Copeland and sister of Charlie Copeland of Plains. The Rev. Ollie S. Robinson, pastor, officiated. He was assisted by the Rev. C. J. Coffman, pastor of the Plain Baptist Church. Burial was in the Plains Cemetery under the direction of Singleton Funeral Home, Morton.

Mrs. Hudson, former resident of Plains, was born Jan. 1, 1896 in Hill County. She died Thursday following a long illness.

Mr. and Mrs. Garet Barnett of Seminole were guests in the home of Mr. and Mrs. Doc McCargo last week.

**Feb. 20 Closing Date for Cotton Acreage Reserve**

The County ASC office received a telegram from the State ASC Committee on Thursday, January 30, requesting that all farm operators on farms having a 1958 old growers farm cotton allotment be advised immediately of the following changes in the 1958 Cotton Acreage Reserve Regulations, according to W. M. Ovrton, local ASC office manager.

"The closing date for filling requests for 1958 cotton acreage reserve agreements is changed to February 20, 1958."

"The last day a producer can withdraw his request for a 1958 cotton acreage reserve agreement is changed to February 20, 1958."

"Operators who wish to withdraw requests for agreements must submit a request in writing to the office of the county committee to withdraw the request by February 20.

A soil bank base for a farm

must be established by the County ASC Committee. However, farmers who expect to take part in the 1958 acreage reserve program have the responsibility of furnishing the county ASC office their farms 1956 and 1957 acreage records of all soil bank base crops. The farm's soil bank base must be established before an agreement can be approved by the County ASC Committee. If a "base" already has been established for a farm under the Conservation Reserve on the 1958 winter wheat Acreage Reserve that base will be used.

Under the regulations the limited amount of County funds for cotton acreage reserve will be issued on first come, first served basis.

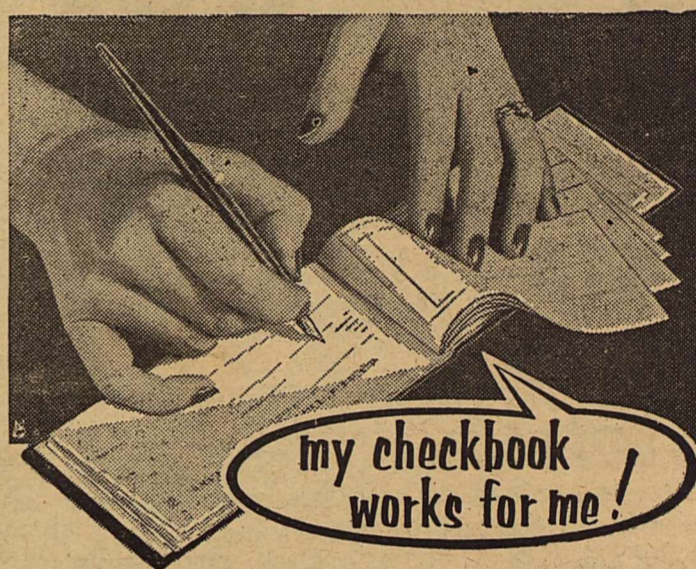

**CARD OF THANKS**

We wish to express our appreciation to our many friends who brought food and served it, and for the many floral offerings and all the kindness shown us at the time of the death of our loved one.

Mrs. A. C. Copeland and family Pd
