Soil Conservation District News

During the past years ranchmen in the Yoakum SCD have been concerned over the heavy shinnery in pastures which robs the soil of moisture needed to grow grass. However, no real economical solution to the problem seemed available. Now, there seems that there may be a possibility in reducing the stand of shinnery to such an extent that grass can grow without the expense being too great.

A great deal of work has been done in some areas north of us in the use of chemical spray to control shinnery and the results have been good in increased grass. This is a process of spraying the shinnery early in the spring with 2, 4, 5-T, diesel fuel and water. Repeat applications will be necessary to get a high percentage kill but one application may prove to be of benefit.

In order that ranchmen in this District can have an opportunity to see some of the results from spraying shinnery the Board of Supervisors of the Yoakum Soil Conservation District is planning a tour up in the Wellington-Wheeler area of Texas to see some places where this spraying has been done for some time. July 14 has been set as the date for this tour and anyone interested in this problem can contact some of the District Supervisors or the Soil Conservation Service personnel for details.

Father of Resident Hurt in Car Wreck

G. T. Blount returned home last Thursday after being called to Coleman where his father, F. Q. Blount was critically injured in a car accident.

As Mr. Blount attempted to make a turn, he was blinded by the sun, and cut the corner too soon, turning the car over.

Mr. Blount, a former resident of near Tokio, resides at Santa Anna.

G. T. reported that his father was much improved but still on the critical list.

Bumper Wheat Harvest Is Completed in County

The harvest of Yoakum County's finest wheat crop in the past several years was completed last week.

W. M. Overton of the county ASC office said there were 780 acres of measured wheat in Yoakum County. The 1958 allotment was 2,551 acres. A small part of

this, 350 acres, went into the soil bank, and there was a large amount of allotted acres that was not planted.

Mr. Overton pointed out that farmers who have a small amount of wheat planted, 15 acres or under, that hasn't been measured should contact the

ASC office since a marketing card cannot be issued until the wheat has been measured. Under the wheat marketing quota regulations, wheat cannot be marketed without a marketing card.

The top yield of 40 bushels per acre was reported by Henry May

on a measured tract five miles east of Denver City. This was irrigated wheat.

Alton Elmore reported a high yield of 31 bushels. Mr. Elmore's farm is located nine miles northwest of Plains.

Other yields amounting to approximately 20 bushels were reported by Paul Cobb, Henry Williams, Woody Wilmeth, Tom Barron, Paul and Bob Lee.

W. L. "Chick" Chicklee of Goodpasture Grain and Feed, reported that they had received 445,000 pounds of wheat this season.

Growers and grain men believe the average to be close to 20 bushels.

With ideal weather, no crop has been harvested quicker.

Tests have been the best in recent years, with most of the wheat running 60 and better. The moisture content is unusually low. This year's crop is above average in protein content.

Re-entered Project Is Completed As Pumping Discovery

George M. McGarr of Midland and Burnett and C. T. Trusler of San Angelo completed No. 1 Mary D. Clayton, Southwest Yoakum County re-entered project as a small pumping discovery from the Brahaney zone of the San Andres.

The well is 13 miles southwest of Plains and 1,980 feet from south and 660 feet from east lines of section 660, block D, John H. Gibson survey.

On potential test it pumped 32.8 barrels of 36.5-gravity oil, plus 50 per cent water, from perforations at 5,173-5,217 feet. That interval had been treated with 7,000 gallons of acid.

This well is the former Warren Petroleum Corporation No. 1 Clayton which was plugged at total depth of 11,483 feet in March 9, 1956, as a deep wildcat failure.

Several months ago C. S. Conrad, Jr., re-entered the hole and completed from the Janice zone of the San Andres at 5,292-5,322 feet from a daily pumping potential of 23.4 barrels of 33-gravity oil, plus 30 per cent water.

Production from that zone was depleted and then McGarr and Trusler acquired the lease and the hole. The completion from the higher pay resulted from those operators perforating the higher section.

Many New Books Go On Shelves at Library

A few new books are arriving each week for the library. Some of the very recent books are:

"Masters of Deceit" the story of Communism in America and how to fight it by J. Edgar Hoover, "Night March" a Civil War story that is unforgettable in its sense of reality, the reality of our own past by Bruce Lancaster. "White Eagle Over Serbia" the sustained suspense, the increasing tempo of the action the magnificent descriptions of the country and the host of vivid characters make this book superior novel of intrigue by Lawrence Durrell.

New books for juniors are: "Headquarters Ranch" by Warren is based on true event that happened in the days of the open range. "Mystery Mansion," by Griffin an exciting mystery about an old mansion a ghost, a map of buried treasure, and

strange cries. "He sailed with Blackbeard," an exciting story adventure on the high seas in the great days of the privateers by Knight.

For teenagers we have "Sew Far, Sew Good," by Hoffman, "Frontiers of Science," by Poole and "You Can Make Puppet," by Slade and "Guide to Summer Jobs," by Sterling. These are in the non-fiction list.

New Fiction books are: "Shadows into Mist" by Turngren, "The Eagle Pine," a story of logging in the Saginaw Valley of Michigan. "The Paris Hat" by Mary Cunningham is a sparkling story about a mysterious chapeau, a ballet dancer and a girl future career.

New for the young children are: "Fly-High, Fly Low," the story of Sid, a very uppity pig-geon, the beautiful pictures give the reader a true feeling of the sweep of sky and sea and wide views of the fabulous Golden Gate city-San Francisco. "Antole and the Cat," by Eva Titus is an amusing picture book with originality and a French flavor. "Cats, Cats, Cats, Cats," by Beatrice de Regniers a story that will entrance grown-ups as well as children, and proves that no two cats are alike, and no one cat is the same always.

In the book, "Henry's Lincoln," by Louise Neyhart, the writer brings to the young reader a living picture of Abraham Lincoln and the eternal principles of freedom and humanity for which he stood. This will be enjoyed by children in grades 3 to 5. "That Colt Fireplug," by Belle Coates is a story that takes place in Southern California.

Donations to the memorial shelf recently was a Bible by the R. K. Field family in memory of W. P. Murphy and "Puss in Boots" for the young children donated by Mrs. Norelle Sloan in memory of Ola Webber.

Another appreciated donation was a file of Flower and Garden magazines by Mrs. Sallie Forrest.

Members of the Library staff will be having a holiday July 4th and 5th. The Library will be open again the 7th.

Jimmy Warren Reports on Week At Boys' State

Jimmy Warren, son of Mr. and Mrs. James Warren recently returned home after an eventful and educational week spent at Boys' State in Austin at the University of Texas.

Jimmy stated that after all of his experiences of gaining first hand knowledge of how our government works and running for office of Chief Justice of the Supreme Court and Associate Justice in the Longhorn party that he would someday like to be a Senator but said "that sure looks like a lot of hard work."

The other political party, The Pioneers, swept the election. Jimmy received two certificates, one of attendance and one for being elected Mayor of Berry City.

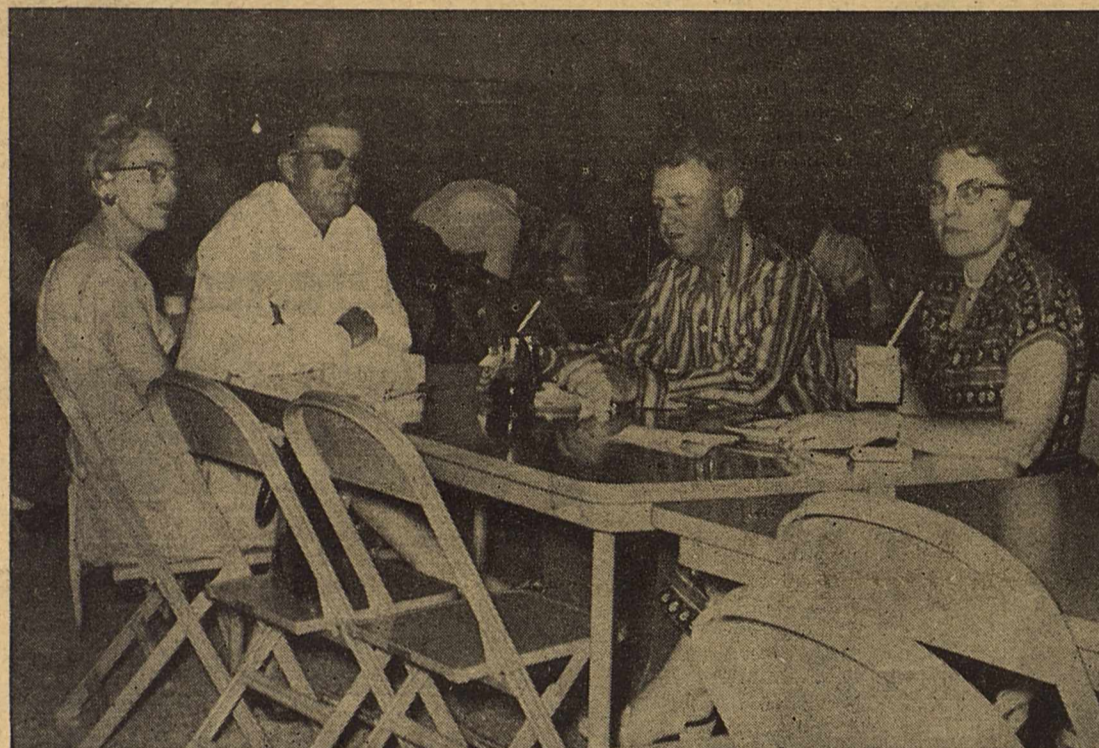

Five hundred thirty-eight boys attended Boys' State, sponsored by the American Legion. In talking with the boys from the large towns as well as the small town boys, Jimmy said they all had the same complaint of not having anything to do during the summer months.

All of the boys took the bar examination. Jimmy reported that the written test wasn't so hard but that the oral test was very hard. He said only twenty-three boys out of 538 made passing grades.

Jimmy considered Representative Waggoner Carr to be the best speaker out of the large number of speakers.

A typical day began at 6:15 a.m. with reveille, followed by

Giants Take 2-Game Lead in Little League

In Little League Tuesday night, the Giants defeated the Cubs, 10-3, putting the Giants in the lead by 2 games, and the Yankees just scooted by the Indians, 9-8 in the second game of the evening.

Joe Bob Lee pitching all the way for the Giants issued 4 walks, gave up 3 hits and 3 runs.

Hitting for the Giants were Marcus Mills with a triple, Jack Lowe with triple and 2 singles, Gary Sims with a home run, and a single and Dennis Hickerson with a single.

Losing pitcher Joe Dowell issued 8 walks and gave up 7 hits.

Dowell hit a triple with one man on base. The Cubs scored 1 run in 1st inning, 1 run in 2nd inning, and 1 run in 3rd inning.

In the second game starting pitcher for the Yankees was Ralph Meixner, who was relieved in the 3rd inning by Jack Stovall.

Max Collins for the Indians hit a triple with one man on base.

Mike Field, losing pitcher, going all the way gave up only 6 hits.

Last Friday night the Giants rolled by the Indians 15-9. Joe Bob Lee starting pitcher for the Indians, was relieved in the 3rd inning by Gary Sims.

The Giants scored 3 runs in the 1st inning, 4 in the 2nd and 8 in the 3rd.

Starting pitcher for the Indians was Mike Field relieved by Larry Coffman.

The Indians had 1 run in the 1st and 1 in the 2nd and rallied in the 4th inning scoring 7 runs.

In the second game Friday the Cubs eked the Yankees 11-9. Jimmy O'Neal, Joe Dowell and Marvin Chapman shared the mound for the Cubs.

The Cubs made a double play

when Larry Middleton, 2nd base man caught a fly ball and threw to Jimmy O'Neal, 1st baseman, to double a Giant runner off 1st.

Pitchers for the Yankees, sharing the mound, were, Mike Waddell Ralph Meixner and Jackie Stovall.

Waddell hit a triple in the 1st inning bringing in 3 runs.

At the bottom of the 4th inning the Yankees led by 9-3, when the Cubs came back more determined than ever, when Jimmy Smith, first batter, set a new pattern making a hit. Seven more runs followed, bringing the final score 11-9.

Slow Down and Live, Drivers Are Urged by Musick

"Keep off the gas!" This is not a typographical error but a life-line of advice from J. O. Musick, general manager of the Texas Safety Association, whose organization is sponsoring the current Slow Down and Live program being conducted throughout the state.

"Summertime—like any other season of the year—means safety time, but a lot of Texans forget this," Musick said. "They let the warm day and balmy nights detract from their driving responsibility as they hurry from one cool spot to another."

"They step on the gas and rush to vacation spots, picnic areas or a day at the water's edge—forgetting to ask themselves: 'how much time do I really gain by speeding, if I get there.'"

Musick pointed out that traffic engineering and enforcement are important in public speed control, but that the final answer lies with the individual driver.

"Every driver on our streets and highways must initiate his own personal campaign to obey all the traffic signs and signals and to regulate his speed so that it is neither, too fast or slow," Musick said.

The TSA general manager said the purpose of the Slow Down and Live campaign is to simply draw the public's attention to the fact that speed is dangerous anytime, but especially now, during peak vacation months, through Labor Day.

"HELLO PASTOR

— this is Dave. I just want to tell you we have decided to start going to Sunday School and preaching services again . . . we'll see you Sunday. "We realize it is foolish and not in the best interest of all concerned when we stay away. So, you will please put us on the roll call again . . . the whole family . . . we'll be there, and regular from now on. And say, pastor, we are bringing along some friends who have expressed an interest. They, too, have been procrastinating but want to get back in the line of duty . . . yes, they will be regular. "And wait a minute, pastor, any of us will teach a class if we are needed. Will see you Sunday. Bye, 'til then."

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCHGOER and a daily BIBLE READER.

Methodists to Quarterly Meet

The first quarterly conference of the Plains Methodist church was held in combination with Seagraves, Seminole and Denver City at Seagraves last Sunday afternoon.

The Rev. Dallas Denison, Superintendent of the Brownfield District was in charge.

The combination of churches in a joint quarterly conference, is a new fashioned method of holding the quarterly conference. In the group conference each church learns new things through observation of what the other churches are doing. Rev. Meixner stated that, "This method not only stimulates new interest but a wonderful fellowship is also enjoyed with the members of other churches of the district."

Excellent reports were turned in by all of the churches represented.

A new sanctuary has just been completed in Seminole and Denver City has raised \$95,000 toward their new sanctuary.

Attending the conference from the Methodist church in Plains were: Mr. and Mrs. Leo White, Mr. and Mrs. L. O. Smith, Mr. and Mrs. H. F. Barnes and Rev. and Mrs. R. H. Meixner.

WE CONGRATULATE:

Thrips Infestation Light In Most Of Cotton Fields

(The following insect infestation report as of June 26 was prepared by cooperative efforts of county agents, voc ag teachers, personnel of Texas A&M and the US Department of Agriculture.)

Weather conditions have varied from maximum temperatures above 100 degrees to a minimum in the low fifties. High winds have prevailed throughout the week with hard rains along the eastern part of the area. Cotton made rapid growth in most localities with earlier plantings showing excellent fruit set.

Thrips were reported in light infestations in a majority of fields. While scattered plantings had fairly heavy populations of the insects, cotton did not show the typical heavy damage so apparent a short time ago.

Fleahoppers were reported in light to medium infestations in most localities. Populations were sufficient to warrant control applications of insecticides in scattered plantings. Since most cotton has reached, or is nearing the fruiting stage of growth, the crop should be checked for presence of the insects. Damaging infestations should be controlled to insure maximum early fruit set.

Lygus bugs were present in light to medium infestations on cotton in some fields in Hale and Lynn Counties. The insects were reported in light infestations in other localities. Grasshoppers damaged cotton along edges of pastures in scattered fields in the southern and western part of the area. Apids were reported in light infestations in scattered fields.

CONGRATULATIONS

Congratulations to Mr. and Mrs. Tony Lusk on the birth of a son, born June 25th in Treadaway-Daniel hospital in Brownfield. He weighed 7 lbs. 6 1/4 ozs. and has been named Anthony Leo, Jr.

Thoughts by Jerry

Now that 49 States are assured I have had a bad time trying to arrange the stars for the extra one. They just won't fit. I have a solution though—let's raise the best and most important County in Texas to the dignity of Statehood—namely YOAKUM. Then the stars will fit.

The children of this county need someone to work with them, someone who understands their problems and someone in whom they have confidence. I believe, based on my past relations with children and teenagers, that I can be such a county juvenile judge.

The commissioners court needs a county judge who is able to understand the problems of the

county and able to seek a sensible solution without bias, prejudice or personal feelings. I believe I can make you such a county judge.

The County Probate Court needs a man who understands the technicalities of our complex probate laws to reduce the hazard of county liability for the judge's actions. I believe I can qualify in this respect, also.

A vote for Jerry Paquin will be a vote for a man who will strive his utmost to make you a good county judge in all respects.

JERRY PAQUIN FOR COUNTY JUDGE.

MISS FRANCES PAYNE IS HONORED SATURDAY AFTERNOON AT SHOWER

Miss Frances Payne, daughter of Mr. and Mrs. Gene Payne, bride elect of Jackie Hayes, was honored with a miscellaneous shower Saturday afternoon at the Tsa Mo Ga club house.

The club house was decorated with bouquets of Bells of Ireland and Bridal Wreath.

The serving table, laid with a white crocheted cloth over green was centered with an opened white Bible topped with a bride's corsage of Bell's of Ireland and Bridal Wreath with white streamers, carrying out Miss Payne's chosen colors of green and white.

Jackie and Frances were printed on the napkins.

White cake, in the shape of a double wedding ring decorated with white rosebuds and frosted lime punch was served to 47 guests by Mrs. Sherm Henard and Mrs. Alton Billings.

The party favors were miniature corsages. Mrs. Pat Henard registered the guests in the bride's book. Many beautiful gifts were on display.

Soft piano selections were played by Miss Jeanine St. Roman and Miss D'Lynn McGinty throughout the afternoon.

Out of town guests included; Mrs. Dud Payne, Andrews, Mrs.

L. J. Sanders and daughter, Mary Elizabeth, Portales, N. M., Mrs. L. J. Sanders, Sr., Idalou, Mrs. Bill Armstrong and daughters, Lee Anne and Nancy, Lovington, N. M., Mrs. G. D. Tate, Mrs. C. A. Bickley and Miss Kay Boren, Denver City.

Co-hostesses for the occasion were Mesdames, Sherm Henard, Rusty McGinty, Glen Cleveland, Pat Henard and Bayne Price.

Two Are Honored At Birthday Party

Stop for service ...

...under the Humble sign

Whether you're driving across Texas and New Mexico . . . whether you live around the corner . . . you're invited to shift the care of your car to the shoulders of a Humble service station manager.

You will appreciate the cleanliness of his sanitary rest rooms. You will like his quiet friendliness,

and the personal interest he takes in your car. You will value his dependability . . . his pride in his work . . . his knowledge of what your car needs to keep it running right and looking good.

Stop for service under his Humble sign. He's a man you ought to know!

HUMBLE OIL & REFINING COMPANY

A Matter of Civic Pride . . .

As a citizen of the Plains Community, do you not feel great pride in your Home, your School, your Church? Do you not gain satisfaction in plans for the beautification or added efficiency of these institutions? When a non-resident visitor comes your way, are you not happy to drive through our park, or stop with him at the swimming pool and watch happy youngsters who have improved health and morale because of its program? Are you not pleased to have the privilege of reading in a lovely library?

Do you feel equal pride in the community cemetery? People of Plains, we need to improve the condition of our cemetery. Let us join forces and do this much-needed bit of work. We have little extra space in the present plot, but a nice addition has been offered when the Yoakum County Cemetery Association has 200 members. The present membership is only 68. Annual dues are only \$5.00 per household.

You may fill in the membership card on the inside page and mail with a check to Mrs. Glen Cleveland, sec. treas., or you may call one of the officials listed below who would be happy to drop by for your dues: G. W. Cleveland, Jr., president, Murphy Luna vice president, Mrs. Glen Cleveland, secretary-treasurer. Membership committee includes: Chairman, Mrs. C. F. McCargo, members, Mrs. Murphy Luna, Mrs. L. O. Smith, Mrs. Faye Lusk, Mrs. Norelle Sloan, Dick McGinty.

ARE MARRIED

Word was received here this week by friends that Mrs. Cora Reed was united in marriage to C. E. Huffins last Friday in Bridgeport.

FHA Chapter Has Slumber Party

The Plains FHA Chapter had its Annual Slumber party June 20 with thirty-two girls present. The group enjoyed a swimming party from eight to nine o'clock and gathered at the homemaking department between ten and ten-forty-five. There were about twenty that didn't find a place to sleep so they tried to keep all the others awake and did a pretty good job of it. They played volleyball, made candy, popped corn, told spookey stories and did the usual amount of chatter that goes with such things. They started breakfast at six and were ready to go home by eight the next morning.

The following girls were present: Jan Sims, Julia Oats, Carol McRae, Joyce Riggs, Laurene Marrow, Judy Lowe, Karen Shobert, Glenda Bearden, Jeanine St. Romain, Jo Ann Bailey, Elaine Mauk, Glenda Stewart, Annett Wagley, Zoleta Brantley, D'Lois McGinty, Janice Powell, Sheron Stewart, Dorothy Phillips, Karen Randolph, Barbara Meil, Linda Jones, Judy Palmer, Kaye Spencer, Annette Sudderth, Kay Gibson, Carolyn Bass, Dixie McClellan, Linda Fitzgerald, Sheron Smith, Donna Borland, Sally Yarbrough, Maggie Crawford and sponsor Jo Brown. Some of the other girls attended the swimming party but could not come to the slumber party.

New 3 Cent Postal To Be Issued for Group Convention

The Post Office Department will issue a new 3-cent postal card through the Philadelphia, Pa., post office on August 1st, 1958, during the exhibition and convention of the American First Day Cover Society.

The new card will conform in dimension and style to the present 2-cent postal card with the 3-cent stamp printed in purple and arranged vertically in the upper right corner.

The design of the stamp portrays the Statue of Liberty with the inscription, "In God We Trust" forming an arch over the head. Across the top of the stamp is "U. S. Postage 3 cents" and across the bottom the "Liberty," in white face gothic.

Stamp collectors desiring first day cancellations of the 3-cent postal card map submit orders to the Postmaster, Philadelphia 4, Pa., plainly indicating full name and address with a money order remittance to cover the face value of the cards. Addressed gummed labels may be submitted if desired. Postage stamps and personal checks will not be accepted in payment. The outside envelope to the postmaster should be endorsed, "First Day Covers 3 cent Postal Card."

The Philatelic Sales Agency will not sell the 3-cent postal card. It will be available at post offices throughout the country on August 1st, 1958, or as soon thereafter as distribution will permit.

Veterans' land program continues on active basis

More veterans are buying land every month through the Veterans' Land Program. Land Commissioner Bill Allcorn reported this week.

In March, the Veterans' Land Board bought 37 tracts of land for Texas ex-servicemen. In April this number increased to 95, and in May the Board bought 127 tracts.

Through June 20, 118 tracts have been purchased through the Program, and before the month is ended, this figure is expected to rise to 175.

In October, the Board expects to level off its purchases at about 350 tracts a month, Allcorn says.

This land is being bought with money from three sales of Veterans' Land Bonds since December, 1957, which have made \$37½ million available for land purchases.

Sale of savings bonds in county reach \$29,751

During the first five months of this year the citizens of Yoakum county purchased \$29,751.00 in Series E & H United States Savings Bonds. This announcement was made today by D. P. Moorhead, Chairman of Yoakum County Savings Bonds committee.

"We have now achieved 37.6% of our 1958 goal of \$79,000," Chairman Moorhead reported.

During the first five months of this year Texans increased their purchases of Saving Bond 4.3%. Nationally the sales have increased 8% during this period.

Texas sales for the first five months of this year were \$75,816,519 which represented 43.3% of the 1958 goal of \$175,000,000. This increase in sales is a result of efforts of the Saving Bonds volunteers who are conducting Share-In-America Campaigns in most of our major cities and counties throughout the Lone Star state.

Political Announcement

George Mahon, Congressman from this district, requested this week that we formally announce his candidacy for re-election to Congress. He had filed for a place on the ticket some time ago.

"A long statement would serve no useful purpose" Mahon said, "but I would like for the people to know of my feeling of appreciation for the wonderful support and good will which they have given me through the years."

"And I would like to add this," Mahon said. "We seem always to be living in uncertain and difficult times. Under all conditions and at all times I am doing everything in my power to serve the best interest our district and of our country. I am always pleased to have the people of our district call upon me. I will deeply appreciate a continuation of your support and confidence."
