### "Letter Writing Week" scheduled for October 5-11

International Letter Writing Week will be celebrated in Plains during the week of October 5 to 11th, Postmaster Watson announced today.

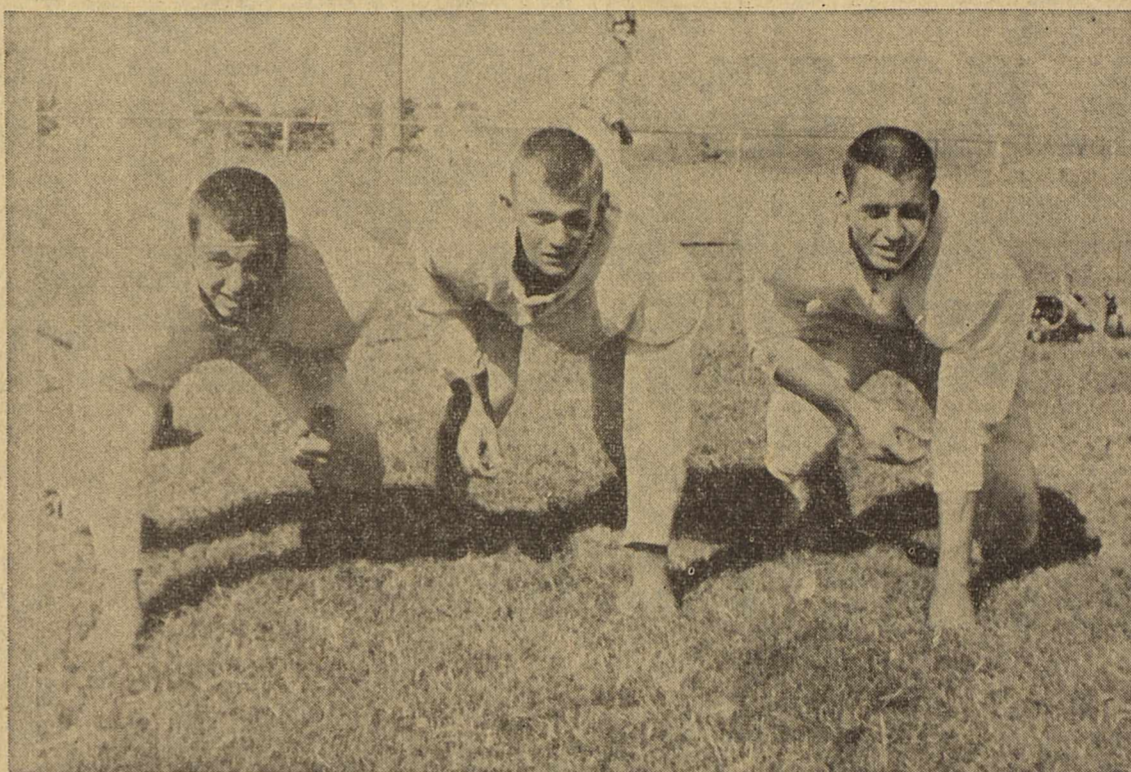

Twenty-one years ago, realizing the importance of written communication the Post Office Department joined in the observance of an annual letter writing week—an event celebrated to emphasize the meaning and value of letter writing as a link between people throughout the world.

Postmaster Watson explained that by participating in both International Letter Writing Week and National Letter Writing Week this worthwhile objective is promoted between all peoples everywhere.

"As we all know too well," Mr. Watson said, "a personal letter is next to an actual visit, the most intimate means we have to communicate with our fellow human beings. Letters between our citizens and between peoples of different nations are a sure method of establishing friendly relationships and understandings.

"I urge all citizens of Plains to join in this celebration of International Letter Writing Week. And at the same time, don't overlook your friends and relatives in America. Write them a letter too!"

## Curb, gutter project temporarily postponed

Mike Sink, Jim Warren and Walt Coffman, members of the Cowboys squad, proved instrumental in the 20-0 victory over the Morton Indians last Friday night. They'll also see action in this week's game against Jal. REVIEW Photo

The curb and gutter project along highway 380 through Plains has been temporarily postponed until financial arrangements can be made—a warrant issue or a bond election—to pay for the city's portion of the work.

An agreement with the State Highway Department to curb and gutter the highway has been dropped, because the city did not raise their portion of the money in the time allotted by the highway department. The State had originally intended to let the contract through town simultaneously with a contract to widen the highway from Plains east to the county line. Since their contract date east of town was nearing, plans for the project through town had to be abandoned.

The Highway Department has made known plans to enter into another agreement with the City of Plains sometime within a year to complete the paving through town. Department officials said it would be more convenient later because a similar project will be started in Denver City and Seagraves and they would much rather complete the jobs in the three towns at the same time.

The possibilities of the City letting their own contract for the curb and gutter job and of the State completing the paving later is now under consideration. Several Plains citizens interested in seeing the project completed now have urged that a meeting be held to discuss the matter further. A meeting was set at the city hall for Thursday night.

Money paid in for individual property owners' portions of the curbing, and mechanics liens signed in order to finance same are being held temporarily until something can be worked out for the project in the near future.

## Lions list committees, launch member drive

A total of 24 members and 5 guests enjoyed a fine meal at the Lions Club meeting last Thursday. Visitors present for the meal were Don Hancock, Odie Walser, C. E. Belk and Les Short, and Ira Shultz of Lubbock.

Following the meal a committee of ladies from the Iota Pi Club presented Lion Boss Kennedy with a check for their part of the proceeds from the recent Pancake Supper. This money will be used for Little League. Members of the committee were Dorothy Lowe, Wilma Powell, and Margaret Taylor.

Ira Shultz from the Social Security Office in Lubbock then presented a film on the Social Security program and gave a

short talk on this subject as well as answering a number of questions about the program.

Lion Boss Kennedy announced a membership drive for October. The club decided that a contest among the club members would stimulate work in this endeavor. All of the club members were divided into teams of two. Each team is to strive to enlist at least one new member during the month of October. At the first meeting in November the teams who enlisted a new member will sit at the bean table.

Committees for the Club for this year have announced. These are Program Committee: Rogers Curry, Chairman, Bill Loyd and Roy Stockstill; Finance Committee: Dave Levens, Chairman, A. B. Carpenter, and James Warren; Publicity Committee: Wyatt Lipscomb, Chairman, and Bill Dittmore; Membership and Attendance Committee: C. J. Coffman, Chairman, Pete St. Romain and Pete Sampson; Civic Improvement Committee: Melvin Walser, Chairman, Chick Lee and Jack Hayes; Sight Conservation for the Blind Committee: Roger Harvey, Chairman; J. W. Moore and George Burke; Boys and Girls Committee: Buford Duff, Chairman; Starke Wagley and Dave Levens.

## Booster Club is organized here; officers elected

A group of Plains citizens met Monday night at the Jr. High Auditorium to organize a Plains Cowboy Booster Club.

Officers elected were Dave Levens, president; Roy Stockstill, secretary and Neil Taylor treasurer.

The meetings will be held each Monday night at 8.00 p.m. at the Legion Hall to view films of the preceding game.

The group voted to pay for the flu shots for the football team. They also voted to issue hat bands of all members.

Following the business meeting, good clear movies were shown of the Plains-Morton game. Coach Jack Pierce narrated the film.

All the towns population is urged to join this active organization and be present for the meeting Monday night, Sept. 29.

Farmers who destroyed excess cotton are urged to review the destroyed plots and if the cotton is not well destroyed it should be reworked to such an extent that no cotton could be harvested. This is in accordance with the regulations and state performance reporters check each county after county reporters have marked the plots destroyed.

There is still time to get a cover crop established on any land you may have which is subject to blowing. A good cover of small grain can save a lot of soil next spring when the wind starts whistling. When small grain is seeded early in the fall it can not only furnish a good cover for the land but can furnish quite a lot of grazing for livestock during the spring.

## September rains are costly to area farmers

Cotton farmers are heavy losers this week because of recent rains. Damage could run as high as \$200,000, to the cotton crop alone. An approximate 7,000 bales of cotton was open in the started and all of this cotton fields at the time the rains will be lowered in grade to the tune of about \$30 a bale.

The grain sorghum crop was about 65% harvested so the damage to that crop could be almost nothing. All small grains will be benefited by the rains as will the range land and cultivated pasture crops.

The extent of the damage is yet to be determined because so much depends upon the kind of weather that follows. An extended period of damp, cloudy weather such as we had in 1957 could do more damage to the cotton than has already been done.

D. C. Newsom Gin Co. had ginned a total of 73 bales Wednesday night when the rain began falling and delayed the harvest, according to D. C. Newsom.

Mr. Joe Spencer reported that the C. G. & S. Gin, 16 miles northeast of Plains had ginned about 75 bales. At noon Thursday 2½ inches of rain had fallen in that area.

Terry Bacon at the Bronco Gin stated that they had ginned 85 bales. The rainfall was lighter in the Bronco area than any

## Cowboys host Jal Friday

The Plains Cowboys will play host Friday night when the Jal Panthers bring an experienced senior laden team to Plains for the first encounter for the two schools.

Jal will be the first team the Plains Cowboys have faced on home field this year.

Mike Kohlman directs their "T" formation attack. He is a 6 foot 1 inch, 170 pound boy who does a good job both on hand offs and passing.

Top runner for Jal is Bobby Hicks. He is a 160 pound full-back with a lot of speed. Jal is led in the line by 195 pound tackle DeWayne Koen and 203 pound guard, Mike Artherholt.

Former Plains teacher Pat Casey is now assisting in the coaching duties of Jal. He will have Jal ready and willing to give the Cowboys a rough night.

The Plains Cowboys lashed the Morton Indians 20-0 last Friday night on the Morton field in a hard fought battle that added the Indians to the list of three teams that have tasted defeat at the hands of the Cowboys.

Joe Don Marrow led the attack scoring on a 5-yard plunge, one on a 15-yard run and pass

play, and then climaxed his nights work with a 71-yard run for the third touchdown. Jim Williams caught a pass from Cordell Huddleston for 2 points to complete the scoring for the Cowboys.

The Cowboys displayed a rather potent passing attack connecting on 7 out of 9 attempts for 79 yards and not having any attempts fall into enemy hands. The Cowboys running attack picked up 223 yards while losing only 14.

The Cowboy defense again proved very stubborn holding Morton to three first downs in the first half one of which came on a penalty and then the Indians were able to pick up only five in the second half making a total of eight for the game. The Indians attempted 13

Officers of the ex-students association are depending greatly upon the local students to make this year homecoming, Friday Oct. 3, one of the biggest and best in Plains history.

A dinner will be served in the school cafeteria from 5:00 to 6:30 p.m., followed by election of officer for the coming year and climaxed by the football game between the Cowboys and Whiteface.

Members who plan to attend the dinner and game, are asked to fill out the information blank printed elsewhere in this issue and return to Jeaney Kennedy or Helen Beal.

Heath said that most of the bar ditches were full over the county but the roads were all passable and in good condition; however in spots the water was right up to the pavement.

At noon Thursday most of the streets in Plains were under water from curb to curb, but still passable.

Heath said the rain seemed to be heavier in a strip including Plains and to the immediate north and south of Plains.

## 8th graders drop grid game to D.C.

The Plain's eighth graders was edged 20-12 by the Denver City eighth graders Thursday, September 18th. The young Plains boys had no trouble moving the ball on offense but lacked the necessary punch when they were in enemy territory. They were stopped on three different occasions within the Denver City ten yard line. Twice they were halted by penalties and once they were held on downs. The power running of Hickman and Hammock kept the boys in contention all night. The Plains score came on a twenty yard end sweep by Hendricks, and a twenty-five runback of an intercepted pass by Hickman.

Outstanding defensive boys for Plains were Hickman, Hendricks, Hammock and Tingle.

The Plains eighth grade roster includes; backs, Ronnie Hendricks, Dennis Hickman, Vernon Hammock, Ernie Anderson, Kenneth McGinty, ends, Johnny Pippin, Mickey Cowart, Charles Bedford; tackles Clarence Todd, Glen Boyd Lee Tingle; guards Ty Powell, Billy Stockstill, J. B. Wilson; centers, Jimmy O'Neal and Billy Hampton.

## Attend Farmers Union conference

Yoakum County was represented by Mr. and Mrs. Wallace Randolph, Mr. and Mrs. H. W. Taunton, Felton Riggs and Mrs. Henry Williams at the Farmers Union Education Conference at Plainview, Sept. 24. Both state and national representatives of Farmers Union were present and covered the Farmers Union program on the state and national level.

Mr. and Mrs. Raymond Addison of Snyder were recent visitors in the home of his parents, Mr. and Mrs. C. N. Addison.

## Local trio attends cattle dispersal sale in Colorado

Mr. and Mrs. Bobby Field of Bronco and R. B. Jones, Jr., returned home last Friday after spending a week in Gunnison, Colo where they attended a dispersal sale of the Field Land and Cattle Co. owned by the Tom Field Estate.

Bobby purchased the bull Tarrington 1st and a number of other cattle. He was the largest single purchaser at the sale. Mr. Jones also bought some of the Field cattle.

Tarrington 1st is sired by Free Town Conrite, which is a bull owned jointly by Sun Crest Hereford Ranch of Phoenix, Ariz. and Wyoming Hereford Ranch of Cheyenne, Wyoming and was imported from England a few years ago.

## 7th graders drop opening tilt, 6-0

In the seventh graders first game of the year with Denver City last Thursday night, they came out on the short end of a 6-0 score. The game was a defensive battle all the way until in the last minute of play, Denver completed a pass and run play good for fifty yards and a touchdown. Although the youngsters made a lot of mistakes, they made up for their lack of size and numbers by showing an abundance of drive and determination. Defensive standouts were end Joe Gray and linebacker Olan Smith.

Plains seventh grade roster includes right end, Joe Gray, left end, Billy Beggs; right tackle, Jimmy Burt; right guard, Robert Taunton; right guard, Jon Courreges; left guard, James Hampton; Quarterback, Mike Field; fullback, Olan Smith; half back, Roland Faires; halfback, John Robertson; center, Larry Williams and guard, Fred Blount.

### Commissioners in special session Monday morning

Purchase of a Gallon motor grader for \$13,856, plus trade-in on bid of the Plains Machinery Company, for Precinct 3 was authorized at a special meeting of the commissioner's court of Yoakum County Monday morning.

The court also voted to advertise for the purchase of a diesel powered motor grader, with cab, for which one used grader owned by the county will be traded in. Warrants bearing 3 per cent interest per annum will be issued on the net difference. Bids for the grader, which is for Precinct 1, will be received until 10 a.m. October 10.

In other action the commissioners:

- (1) approved reimbursement to County Judge Paul New of \$22.50 for clothing purchased for John Mundt;
- (2) approved deputization of Mrs. Beatrice Willis as deputy tax assessor collector at a salary of 315 per month;
- (3) accepted bid of George W. Gray of \$128.95 for one 2,000 BTU Mission circulating heater; and
- (4) approved for payment statement of Poplar Grove Convalescent Home of Lubbock for \$135.80 for care of Henry McMann.

Mrs. John Nabors and Mrs. L. O. Free were Lubbock visitors last week.

Mr. and Mrs. Loy Lewis of Brownfield were visitors in the O. G. Lewis home Sunday.

Remember that when you obtain a grain sorghum loan that both the owner and operator of the farm must sign the note. A lien search must be obtained from the County Clerk's office regarding chattel mortgages whether or not a mortgage is on file, and all recorded lien holders, if any, must sign the notes. Under the 1959 program the grain notes do not go to the banks, but are retained in the ASC office. This is a change from previous years. Power of Attorney forms are available at this office. If your landlord does not live close by, you may wish to have him execute one so that your loan will not be delayed.

Ginning has started in this area and cotton burs will be available to add additional cover to your land. Burs left on the surface are very effective in controlling erosion if enough tons are applied and a great deal of benefit can be seen for several years as this organic matter in the surface aids in moisture intake and improves the surface structure of the soil. When burs are turned under they may tie up nitrogen and if a heavy tonnage is turned under they may form a layer under the soil which inhibits plant growth. ## ACROSS THE Cattle Guard

by LEO W. WHITE  
County Agent

Last Saturday afternoon another weigh day was held for 4-H club boys and girls who are feeding beef calves. Thirty eight animals came across the scales at the Livestock Exhibit Building and approximately 50 people were working with the calves and looking on.

Thirty of the 38 calves in the weigh day were entered in the annual gain contest sponsored by Mr. G. W. Cleveland. Running almost neck and neck for the lead are Dianne Fitzgerald's Hot Shot and Oscar Henard's Sugar Foot. Hot Shot has a gain of 381 pounds and Sugar Foot has gained 380 pounds. These two calves are out in front by only 20 pounds and there are six calves that are trailing by less than 40 pounds. Making a bid for the top is Champ, a big dry lot calf owned by Jack Sprawls. Champ has a total gain of 335 pounds and he put on 101 of it during the last 35 days. Also coming up fast is a small calf named Grey Ghost owned by Eddie Hamby. Grey Ghost gained 100 pounds during the past 35 days and his total gain since May 17th is 345 pounds.

The calves, as a whole, are doing as well as could be expected since only two animals out of 32 herd b being fed for the Yoakum County Show are gaining less than two pounds a day. As far as weight is concerned, it appears that all of the calves will make the required 700 lbs by February. The lightest calf in the weigh day balanced the scales on 431 pounds and all the calves should gain another 300 pounds between now and February 26th.

Some of the calves are already shaping up and showing a good bit of finish which means that their rate of gain will likely be less during the remainder of the feeding period. There are over a dozen calves that are strong contenders for the honors of Grand Champion at 1959 show. The seventh annual Yoakum County Fat Stock Show could possibly have a champion calf that would be a better individual than any of the six previous champions. One of the things that young feeders are striving for is to make their animals better each year. There are several ways to do it but the most important thing is to select a better individual to put on feed. This goes back to the beef cattle breeder who must improve his herd and produce something better for the boys and girls to select from.

This year Ty Earl Powell has two calves that are descendants of some of the good heifers that Mr. Luna bought at the Odessa Show and Sale. Sarah Kay Field is feeding a calf sired by one of Bobby's Better herd bulls. There are five calves on feed that are sons of an outstanding bull owned

ed by Sherm Henard. Most of this kind of herd improvement started several years ago and it is just now getting around to showing up in the club calf program. Herd improvement is a slow and costly process. Perhaps Bobby Field can testify to that because he has purchased a good many registered Herefords during the past two or three years. His most recent buy was three trucks loads from Gunnison, Colorado. Included in this bunch of cattle was a Number One Bull from that part of the country. Bobby and his family are very proud to be the owners to S. Tarrington 1st and a number of his sons.

When I visited the Bobby Field Ranch earlier this week I saw S. Tarrington 1st and he is the kind of a Hereford bull that I like to look at. Bobby enjoys showing him to visitors and it will be well worth the time of anyone who likes good cattle to go out and look around.

### 'God's Little Acre' at Mac Theatre Sunday, Monday

"God's Little Acre" with Robert Ryan will be on the screen at the Mac Theatre, Sunday and Monday, September 28 and 29.

In the quarter century since its initial publication Erskine Caldwell's "God's Little Acre" has set two records, as follows: an all time best seller and the object of more censorship attempts than any other book in American publishing history.

The first twenty-five years of the existence of "God's Little Acre" is being signalized by the adoption of the lusty story of a Georgia farmer and his very earthy family.

As of this writing, the staggering total of ten million copies of "God's Little Acre" in twenty-two different languages, have been sold. This the publishers point out, does not include pirated editions.

## State Fair to open October 4th with fun fare for entire family

All is in readiness for the 73rd edition of the State Fair of Texas American's largest annual exposition.

The fair opens Saturday, Oct. 4, and the spic-and-span fairgrounds awaits the expected two-and-a-half million visitors who will flock to the 18-acre, \$35,000,000 State Fair Park during the 16-day run.

The emphasis on the 1958 State Fair program is on fun for all the family. There are great

shows like "The Music Man" and "Ice Capades," bigtime college football games like SMU-Notre Dame, Texas-Oklahoma and SMU-Rice, and personal appearances by such entertainment personalities as Tennessee Ernie Ford and Molly Bee, Eydie Gorm and Steve Lawrence and George Gobel and "Red" Foley.

A record entry list appears in prospect for the Pan-American Livestock Exposition during the first week of the fair, the Junior

Livestock shows during the second week and the horse shows which will be featured all three weekends.

The fair this year is saluting "Higher Education In Texas" and daily appearances at the fair have been scheduled of outstanding college marching and concert bands, drill teams, drama, opera and dance groups.

Daily free home-sewing fashion shows will be staged in the Women's Building, and entries in competitive divisions of the Women's Department indicate a greater interest than ever before in this phase of the fair.

The Texas International Trade Fair, featuring exhibits by foreign nations from all over the world will be inaugurated at the 1958 fair. The 42nd annual Southwestern Automobile Exposition will sport a number of the new 1959 model cars. The "Agricade" will depict the progress of agriculture in Texas over the past generation.

"The Music Man" and "Ice Capades" both have daily performances during the fair. Special events include Rural Youth Day and the SMU-Notre Dame grid game Oct. 4, Tennessee Ernie Ford Show Oct. 5, Tito Guizar Show Oct. 6, Meredith Willson conducting the fair's Music Festival Oct. 7, Eydie Gorme and Steve Lawrence Oct. 9, "Sky King and Penny" children's show Oct. 10, Texas-Oklahoma football Oct. 11, Achievement Day Oct. 13, East Texas Day and the George Gobel Show Oct. 14, "Red" Foley Jubilee Oct. 15.

Mr. and Mrs. J. D. McKee and family of Denver City were dinner guests in the home of his mother, Mrs. Nora McKee Sunday.

Rev. and Mrs. Billy Joe Curry and family of Lazbuddy visited his parents, Mr. and Mrs. Joe Curry from Wednesday until Friday.

Recently completed was a "face-lifting" for the Beadles Barber Shop. A new red brick front has just been completed, with work being done by G. W. Cleveland. The project has added much to the appearance of the building. REVIEW Photo

Mr. and Mrs. M. H. Keiffer of Pampa spent the weekend in the home of her parents, Mr. and Mrs. Bert Bartlett.

Mr. and Mrs. Foye Flood and family were in Cisco over the weekend to visit her parents, Mr. and Mrs. Albert Hansen.

## Cotton spinner-breeder conference set

The theme of the 1958 Cotton Spinner-Breeder Conference, to be held in Lubbock October 20-22 in conjunction with the U. S. Department of Agriculture's Cotton and Cottonseed Research Advisory Council, will be "Modern Quality Evaluations and Their Relation To Cotton Spinning."

This will be the first time either of these meetings have been held in Lubbock and they are expected to attract outstanding cotton technical people from throughout the nation.

The USDA's CCRAC, which consists of about 20 members, will begin its meeting Monday, October 20. The Spinner-Breeder Conference will begin Tuesday October 21. In addition to the two meetings the Plains Cotton Growers, Inc. and other segments of the High Plains cotton industry who will serve as hosts, have arranged the South Plains Maid of Cotton ball and contest during this time. The Ball will be held the night of October 20 and the Contest October 21. Visitors to the two meetings will be guests at the two events.

Mr. J. R. Flautt, Chairman of the Delta Council Advisory Research Committee, which sponsors the Spinner-Breeder Conference, has announced program details and said that the industry-wide meeting promises to be one of the best yet held. The 1958 conference will be the 13th in the series of conferences initiated in 1944 by cotton breeders and producers in the Mississippi Delta. The purpose of the conference is to provide a medium through which cotton breeders and cotton spinners can discuss problems and exchange ideas concerning the kinds of cotton needed by mills.

Mr. W. O. Fortenberry, President of the PCG, said that this organization along with other

phases of the area cotton industry, has a wonderful opportunity at these two meetings to "sell" this area and its cotton to people in all sections of the cotton industry.

"We feel highly honored that these two meetings are to be held in Lubbock and at this time during which the harvest of the 1958 crop should be in full swing," Fortenberry added.

Flautt said that the program for the Spinner-Breeder group would feature a series of addresses and panel discussions on topics of particular interest to cotton breeders, producers and spinners. The Textile Manufacturers Association also has been invited to participate in the conference to high light develop-

ments in textile machinery as related to cotton quality.

From 1944 through 1956 the Spinner-Breeder Conference was held annually with the site of the meeting alternating between cotton breeding and cotton spinning areas. The 1956 conference was held in Charlotte, North Carolina, with the American Cotton Manufacturers Institute as host. At that time, it was decided to hold the meeting every other year.

The conference begins at 9:30 a.m. and will be held in the Lindsey Theatre and Lubbock Hotel.

Mrs. Norelle Sloan was in Rule over the weekend to attend the funeral of Mr. J. O. Jackson. She also visited friends in Haskell.

# Without ME YOU can do NOTHING

— so the vine said to the branches. Separated from the vine the branch became dead wood. We boast of our strength and the part we play but oh, how dependent on God we really are. The physical body must have goods we cannot get except they come from God... air, food, water, companionship and even wealth. It is all part of a living universe. By itself all of this would be dead wood. The Christian without Christ becomes fruitless... dead. The human is nothing apart from the divine. God not only created life, He also sustains it. Our health, strength, success are all God's gift. Better stop Mister, long enough to give Him credit. Without Him we can do nothing.
