Wheat marketing quota referendum set for July 23

As required by present law, a wheat marketing quota referendum has been announced for July 23. Chairman T. A. Elmore of the Yoakum County Agricultural Stabilization and Conservation Committee announced today.

Marketing quotas for the 1960 wheat crop have been proclaimed by the Secretary of Agriculture, as required by legislation whenever the available supply of wheat is more than 20 percent above the normal supply. However, quotas will not become effective unless they are approved by at least two-thirds of the producers voting in the referendum.

If quotas are approved for the 1960 wheat crop, it will mark the seventh consecutive year they have been used for wheat. Wheat quotas and acreage allotments apply only in the 39 so-called "commercial" wheat states, of which Texas is one.

The present law, the Chairman explained, states that, to be eligible to vote in the referendum, a grower must expect to have more than 15 acres of wheat for harvest as grain in 1960. A wheat grower who signs an application under the feed wheat program permitting him to produce up to 30 acres of wheat as feed on his farm will not be eligible to vote. Every wheat grower will be informed of the individual wheat allotment for his farm in advance of the referendum date.

As usual, Chairman Elmore says, the ASC committee will set up a voting box in the old courthouse.

If quotas are approved in the referendum, the present law provides that farmers who comply with their wheat acreage allotments will be eligible to market all their wheat without restriction. A grower who exceeds his allotment will be subject to marketing quota penalties on his excess wheat if he has more than 15 acres of wheat for harvest as grain. If quotas are not approved, there will be no restrictions on wheat marketings.

Contract awarded for high school addition

THESE YOUNGSTERS appear to be ready to try out the instructions they have been receiving in swimming lessons at the local swimming pool. They are, from left to right, Russell Richmond, Randy Nelson, Jay Bryant and Carolyn Caffey.

A contract totaling \$704,075 for the construction of addition to the High School building was awarded to W. R. Grimshaw & Co. of Odessa last week.

The new building project will be added on the east side of the present High School and will include a library, science laboratory, auditorium with a seating capacity of one thousand, a gymnasium with seating capacity of twelve hundred, administrative office and field house.

Work is scheduled to start immediately and is to be completed September 1, 1960, according to officials.

Remodeling of the present auditorium is underway with G. W. Cleveland as contractor. Class rooms are being partitioned and the band hall is being enlarged. This is scheduled to be completed by September 1.

The stadium bleachers are being moved from the present field and the steel has been delivered to building about 300 more seats. Synder Fence Co. of Snyder, Texas will erect a fence around the field as soon as the bleachers are completed.

A. & W. Construction Co. of Lovington, New Mexico was awarded the Lighting contract some time ago and they plan to start moving the present lights to the new field soon. Two new poles will be added to each side and two new lights will be added to the old poles.

Work has not been started on the buildings to be located at the new football field, however officials state that a strong effort will be made to have them completed by September 4.

They will include a confession stand, public rest rooms, and field house which will all be under one roof and the ticket booth.

Goal is \$450

Army drive starts here

The kick-off breakfast for the Salvation Army fund raising campaign was held Thursday morning at 7 a.m. at Alma's Restaurant.

Heading the local service unit is Judge Don Hancock, chairman; B. E. Loyd, vice chairman and W. R. Curry, treasurer. Dorothy Lowe, campaign chairman, announced that \$450 was the goal set for Plains.

The team captains are Mary Jo St. Romain, Verde Lee Robertson, Vicie Henkle, Nelda Loyd and Margaret Taylor.

Co-workers with the captains are Oma McCargo, Lillian Luna, Kathrene Payne, Ircellia Henard, Kate Newson, Sue Smyer, Lota Copeland, Mrs. J. P. Robertson, Blanche Malmsten, Faye Lusk, Mary Lou Parks, Mrs. O. G. Lewis, Melba Fitzgerald, Elsie Carpenter, Helen Hunter, Gracie Hale, Wilma Powell, Velma Warren, Jo Brown and Lee Harbor.

It has been pointed out that one-third of all money raised in the local drive will remain in Plains for administration to local

needs. The balance of the funds will go to the state organization to aid in the Salvation Army's many other state services.

In line with this thought, the field representative, Gilbert L. Muddell, said that in case any additional funds are ever needed in Plains they will be sent here immediately by the state organization.

The campaign will be limited to business firm solicitation with no house to house drive. Although, anyone desiring to make a contribution may do so by contacting the chairman of

the board, Dorothy Lowe or Roger Curry, treasurer.

Honolulu granted permission to use well for disposal

Honolulu Oil Corporation has been granted permission to use its Tom May Well No. 2, Prentice Field, Yoakum County, for salt water disposal purposes.

Permission was granted to the company in Special Order issued by the Oil and Gas Division, Railroad Commission of Texas, on June 9 and released for publication today. A hearing on the application was held on May 14.

The order states that water is to be injected into the open hole interval at a depth of 6,634 to 6,800 feet and that the well be so cased and completed so that water can enter only at the specified interval.

In its order, the commission states that the granting of the application "will not cause waste, but will aid in minimizing surface contamination in the field."

The well on which the order was granted was drilled in 1953, and has been abandoned since December, 1958, when its production became 100 per cent salt water.

Sinclair honors Claud Sizemore

DENVER CITY, Texas, June 16 — Claud Sizemore, pumper in the production department for Sinclair Oil & Gas Company at Denver City, has completed 30 years with the company. He received a pin and certificate in recognition for his long service.

Sizemore joined Sinclair June 12, 1929, at Roxana, Okla. He was transferred to Gladewater, Texas, in 1931; to Wink, Texas, in 1944, and to Denver City in 1946.

Sizemore is a member of the First Baptist church in Denver City. He is a World War 1 veteran.

Firemen conducted fireproofing test at junior school

Firemen J. S. Wagley, S. L. Tingle, Pete Smith and Bob McDonnell recently completed burn tests and qualitative identification on the lasting effectiveness of the penetrating-type chemical retardant, which was placed in the ceiling of the Junior High School building about fifteen months ago. Tests were made in a number of different places in the ceiling of the building. Mr. Wagley, stated, were fortunate in having opportunities to conduct these tests under favorable conditions that would give us conclusive test results.

County oil news

Fourth Clear Fork well is completed

The Ownby (multi-pay) field in East Yoakum County gained its fourth upper clear Fork well with completion of Shell Oil Company No. 1 B. L. Gilstrap.

On 24-hour potential test, the well flowed 296 barrels of 29.8 gravity oil, plus 25 per cent water, through perforations from 6,564 to 6,770 feet, after a 3,000-gallon acid treatment and a 21,000-gallon fracture treatment. The flow was gauged through a 48/46-inch choke.

On location northwest of other upper Clear Fork production, the new well is 660 feet from south and 1,980 feet from west lines of section 47, block D, J. H. Gibson survey, eight miles east of Plains.

J. E. Jones Drilling Company of Midland No. 2-A E. H. Jones Estate is a new well in a recently opened east extension area to the Tex-Pac (Clear Fork) field in Northwest Gaines County.

On 24-hour potential test, it pumped 144 barrels of 36.1 gravity oil, plus 20 per cent water, through perforations from 8,009 to 8,304 feet, after a 16,500-gallon acid treatment and a 42,000-gallon fracture treatment.

Wellsite is 13 miles southwest of Denver City, one location west of the field extender, and 1,980 feet from south and east lines of section 24, block A-7, psi survey.

Jake L. Hamon and Frank Shackelford of Midland No. 1 W. O. Carter, scheduled 12,500-foot wildcat in Southwest Yoakum County, was digging below 9,025

feet in lime and shale on last report.

Location is 2 1/2 miles southeast of the Bronco field and 1,980 feet from south and 660 feet from west lines of section 521, block D, John H. Gibson survey.

Lario Oil & Gas Company No. 1 Hartgrove, wildcat in Central Yoakum County was digging below 5,025 feet in lime.

Slated for a 5,500-foot bottom, it is 660 feet from south and 1,980 feet from east lines of section 331, block D, J. H. Gibson survey.

Honolulu Oil Corporation No. 1 R. S. Brennan, Sr., and others, wildcat in Northeast Yoakum County, has been plugged, and abandoned at 13,130 feet in the Devonian.

Location was 1,980 feet from north and west lines of section 89, block D, John H. Gibson survey.

McAlester Fuel Company No. 1-A Anita Field, wildcat 11 miles northeast of Bronco in Northwest Yoakum County, was making hole below 7,565 feet in lime.

Location is 1,980 feet from south and 660 feet from east

lines of section 44, block D, J. H. Gibson survey.

Story hour proves popular with kids

Miss Dixie Ruth McClellan and Mrs. C. F. McCargo conducted the story-hour for five and six year olds from 9:00 to 10:00 Tuesday morning in the County Clubroom. There were ten very attentive youngsters present to enjoy the stories and the refreshments that were served at 10:00 o'clock.

Misses Annette Sudderth and Kaye Spencer conducted the story-hour and games for the seven and eight year olds Wednesday morning at the same hour. Six youngsters attended.

The program will be the same each week as to time and place with different leaders. All parents are urged to bring their children of these age groups to the programs which are gaining momentum with the attendance increasing each week.

It happened!!!

Driver acquitted of DWI

A county court jury at Plains last week came up with what might be a "first" for Yoakum County.

The jury of three women and three men returned a "not guilty" verdict in a case where the defendant was charged with driving while intoxicated (DWI).

Set free as a result of the unusual, and quite unexpected, verdict was Sid Bitterman, of Corpus Christi, Texas. He had been arrested for drunk driving on January 10 on Highway 83 east of Denver City by Deputy Sheriff V. E. Sanders.

During the trial, Sanders testified that he followed the Bitterman operated car for about one-eighth of a mile and he seemed to be operating while under the influence.

Deputy Sheriff Olin Heath of Plains testified that he thought the defendant was under the influence when he was placed in jail.

The defendant, as a witness, admitted having had three shots of vodka about one and one-half hours prior to his arrest. He said that he was not under the influence of alcohol.

Bitterman's attorney was Lawrence Barber, Seagraves. County Attorney Vernon Townes was the prosecutor. The case was heard in County Court with County Judge Don Hancock presiding.

Members of the jury were Mrs. J. V. Fevehouse, Fred Yarbrough, Russ McSwain, Oma McCargo, Maude Campsey and Roche Robbins.

Giants	7	2	.777
Yankees	5	2	.714
Indians	2	5	.286
Cubs	1	6	.142

Tuesday night at the Little League ball park the Giants had to come from behind to defeat the Indians 10-9 in a nip and tuck game. Jack Lowe winning pitcher gave up four hits. Butch Gayle pitched a three hitter for the Indians.

At the end of the first inning the Indians led 3-2. In the second David Lee Mize scored for the Indians and David Lusk and Rickey Williams scored for the Giants tying the score 4-4. Neither team scored in the third. In the fourth the Indians scored 3 runs making a 7-4 lead. In the fifth the Giants scored 1 and came back in the sixth to make 5 runs with the Indians only making 2.

Hits for the Indians were by Joe Dan Cooks with 2 singles, Larry Coffman 1 double and a single for Don Boyd.

Jack Lowe made a home run for the Giants and also a single. Joe Bob Lee pounded a double.

The games scheduled to be played last Friday and Monday night were rained out.

Thursday night the Giants defeated the Yankees 13-8. J. E. Todd pitched for the Giants and gave up only 3 hits. Todd was leading hitter with a home run and a double. Robert Myers doubled.

Three hits were given up by Charles Kelly, pitcher for the Yankees. Hitters for the Yankees

were Danny Kelly with a triple, Lionel Burns and Charles Kelly with a single.

Gene Bennett named to head advisory group

Gene Bennett was elected president of the Yoakum County Advisory Committee for Permanent Improvements at the first meeting of the group held at Plains last Thursday afternoon.

Other officers elected by the group included, A. E. "Dick" McGinty, Plains, as vice-president; and Don Hancock, Denver City, as secretary.

Purpose of the group is to anticipate needed improvements in Yoakum County in time to meet the needs before major difficulties arise.

During the initial meeting of the group, discussion was held on county finances, the condition of various county buildings, the county hospital needs, park needs, and other items of a general nature.

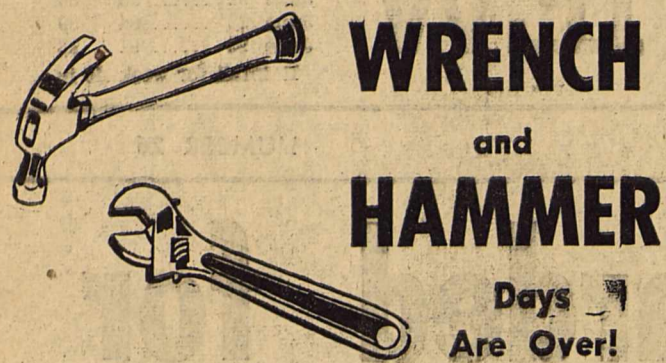

The next meeting will be held on Thursday, July 9, at 2 p.m. At that time the county auditor will attend to give the commission a better picture of county finances.

Members of the committee were named by the county commissioners and will act as an advisory body to the commissioners. The organization will attempt to operate on a non-sectional basis.

CARRYING THE COLORS of the Yankees in the Plains Little League are these boys. They are, left to right, Pat Wise, Teenie Lowe, David Wise, Stanley Altman, Jackie McDonnell, Corky Coke, Gaylon Newton; back row, Dan Kelley, Mike Wise, Moody Meixner, Ralph Meixner, Charles Kelley and Lionel Burns. Manager of the team is Jack Lowe.

What high company; What a privilege to be held in the palm of the strong hand of God. No man dare trying to stand alone . . . to walk without Him. Just as surely, no man can fail when God is with him. "My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand." John 10:29. He has everybody in His Hand. He who would be wise should step upon the strong hand of God this day and take Him at his word. He said, "My grace is sufficient for thee." Only trust Him. Help support His cause. Attend church every week and may the Lord ever be with thee.

Mr. E. S. Bandy celebrated Father's Day and a birthday when he and Mrs. Bandy were joined at the home of a son, Leon and family at Meadow Sunday by another son, Autie and family of Lubbock. "Dad" Bandy received a handsome briefcase from his children, two of which were not present, R. H. Bandy and family of Weatherford and Mrs. R. L. Garrett and family of San Francisco, Calif. Other guests of the Bandys were James Roy Barrett and Mrs. Willie Mae Barrett, long-time friends and former neighbors when they lived at Tokio.

Many reunions set over July Fourth

With the July 4th holiday looming so close it reminds all that it is reunion time again. There's class reunions, family reunions, service division reunions, County reunions and celebrations and just every kind of "get-together" doings in parks, at lakes and family estates. There was the Faulkenberry, Smith, and Burke reunions recently with the Lynn County Reunion held in Tahoka last Sunday. Red River County folks will have a reunion at McKenzie Park, Lubbock, Sunday July 5 with all ex-Red River Countians invited to come and bring a basket lunch.

Gas injection is given approval at three Cornell wells

The Oil and Gas Division of the Texas Railroad Commission has granted Cornell Oil Company permission to conduct gas injection operations on three wells located in the Wasson Field, Yoakum County.

The three wells covered by the Commission's special order are No. 4 Whittenburg School Land, Section 830; No. 17, Whittenburg Estate, Section 863; and No. 26, Whittenburg Estate, Section 831.

Permission to start gas injections on April 29, 1959, is contained in an order issued by the commission on June 1 and made public today. The order pertains to drilling in the San Andres Reservoir and provides that the wells be so cased and completed that gas can enter no other strata.

Mrs. Marion McGinty is a patient in the Yoakum County Hospital.

Vows are repeated by Mr., Mrs. Harve Harris

Mr. and Mrs. Harve Harris, who were married October 12, 1909 in Plains, repeated their wedding vows in First Methodist Church, Tatum, N. Mex., last Sunday at 2:00 p.m., with Rev. H. H. Allen of El Paso officiating.

Mrs. Harris' uncle, Coma Reed of New York presented her in the anniversary ceremony. Mr. and Mrs. Harris have lived in Eastern New Mexico on their ranch since 1909 until in 1951 when they built a home in Tatum to enjoy in their retirement years.

Their children, Hollis Harris of Amarillo, Mrs. R. C. Kornegay of Tatum, Prentice Harris who is ranching in Lea County, N. Mex., Charles D. Harris of Roswell, Mrs. I. O. Harris of Tatum and Mrs. Robert Hall of Los Angeles, Calif., assisted with hospitalities during the afternoon when the Harris' held a reception in their lovely home following the church services.

Arguments thus far during the regular session and the first special session have been focused on selective taxes. Industrial groups, professional men and others affected by such taxes have raised loud, convincing objections at each tax proposal.

The Governor, Speaker of the House and Chairman of the Senate have all respectively declined to pinpoint that period ahead when Texas has no other choice but to depart from the present pattern of taxation.

There are many legislators here who believe it is time now to launch a broader field of taxation instead of continually increasing the load on selected industries and businesses.

However, there seems to be slight possibility that such a broad base will be established this session, in spite of growing support of general sales tax programs and other base-broadening tax measures. The reason, of course, is because a majority of members came to the legislature pledged against a general sales tax. Their hands are tied. Hence there have been frustrating delays in the tax business of the state.

Any tax bill that comes out of this legislature will not have settled the differences in tax philosophy that have been generated here during the past six months of frustration. Meanwhile, the "new tax pattern" in Texas' future is being developed through the arguments now going on here in Austin.

Mrs. Rusty McGinty and D'Lois visited in Tahoka Friday and D'Lynn returned home with them after a week visit in the Fred McGinty home.

Sheila Taunton, little daughter of Mr. and Mrs. H. W. Taunton, underwent eye surgery in Methodist Hospital, Lubbock Thursday morning.

Mr. G. C. Green of Andrews is visiting his daughters, Mrs. Ford Hawkins and Mrs. Neil Taylor and families while recuperating from a recent illness.

Mr. and Mrs. H. J. Driver of Post were visitors in the home of Mr. and Mrs. A. E. Newsom and family Friday.

Interesting talk on wills given demonstration club James Ellis home after duty tour with armed forces

Turner Home demonstration Club met Wednesday, June 17, in the home of Mrs. O. A. Pippin. Mrs. Reg. Martin, president, presided for the meeting.

Substituting for Judge Don Hancock, Attorney Claud Freeman gave a very interesting talk on Wills and Property Laws.

A report on next years year book was given and programs for another year were discussed. A tour to Lubbock in September was talked about. All club members who sew are invited to take a part in the 4-H girl dress re-view which is to be some time day for a visit with his mother, the last of July.

The next meeting is to be given summing work with Phillips Peten by the agent on preparing di-roleum Corp. at Odessa this week ners for your freezer. It is to be after a leave of absence for the at Mrs. Allen Rollins home every-armed services.

Others visiting in the Ellis home over the weekend were her served to Mesdames Reg. Martin, neices, Miss Carol Hickerson of Carl Lowrey, William Worsham, Seagraves and Mr. and Mrs. Jim-Allen Rollins, B. Forehand, T. A. my Purcell of Aztec, N. M., and her daughter, Mr. and Mrs. James Rushing and Mike of Post. The Rushings visited his parents, the J. A. Rushings while here.

Mr. Ellis, a 1951 graduate of Plains High School, is a graduate of Texas Tech, Lubbock.

Cagle - Snodgrass wedded in Whiteface

Nuptial vows were exchanged by Miss Bobbie Jean Cagle and W. B. Snodgrass Sunday, June 21 at 2:30 p.m. in the First Methodist Church in Whiteface. Rev. R. L. Boyman read the double-ring service as the couple stood at the candle-lighted altar. Miss Mary Ann Vaughn played the wedding marches and accompanied Mr. Ray Showalter as he sang "I Love You Truly" preceding the service and "The Lord's Prayer" at the close of the service.

Candlelighters were Misses Kay Rankin and Linda Ramp of Whiteface.

Miss Amy McSpadden, Dimmitt, cousin of the bride was maid of honor and Zada Snodgrass, sister of the groom, was bride's maid.

Carter Snodgrass and Jerry Jones of Tokio, cousins of the groom served as best man and groomsmen. Ushers were James Alberding and Olan Smith of Plains, both cousins of the groom.

The bride is the daughter of Mr. and Mrs. Penn Cagle and the groom's parents are Mr. and Mrs. Arvel Snodgrass all of near Lehman.

Given in marriage by her father the bride wore a white princess frock of dacron and cotton with sweetheart neckline, white satin slippers and an elbow length white illusion veil held by a tiny white satin bandeau and carried a white Bible topped by a nest of tiny white roses. Misses Rankin and Ramp wore blue dotted swiss frocks with matching hats and white accessories. Amy and Zada wore blue polished cotton frocks fashioned like the bride's with matching hats and white accessories.

After a short wedding trip Mr. and Mrs. Snodgrass will be at home in Levelland where both will attend South Plains College this fall.

Attending from here other than those in the wedding party were Mr. and Mrs. Bob Alberding and Gayland, Mr. and Mrs. Jesse Snodgrass and family, Mrs. Duane McDonnell and Pam, Mr. and Mrs. Hugh Snodgrass, Mrs. Hank Goehry, Myron and Marilyn, Mr. and Mrs. Ray Jones and Greg, Mrs. Lavon Smith and Alton and Mrs. Amos Smith, Kay and Gary.

For a cool party refreshment Orange Fluff will be enjoyed by everyone. Put ½ pint vanilla ice cream into a large bowl and let soften a little. Add to the ice cream 1 can frozen concentrated orange juice and 2 cups cold water. Beat with egg beater or mixer until fluffy. Pour into cold glasses and top with ½ pint ice cream. Makes six servings. Use a tablespoon of milk powder for every medium sized mashed potato. Add it to the potatoes with the butter and use hot potato water rather than fluid milk.

Ivory piano keys may turn yellow from water or insufficient sun light. Clean the keys with soft flannel dampened with wood or denatured alcohol. Use a damp cloth on plastic piano keys.

Does frozen fruit such as peaches darken when they thaw? Add ½ teaspoon powdered ascorbic acid per quart of spruy or ten 100-milligram tablets. Ascorbic acid can be obtained from most drugstores and pharmacies. Mix powdered ascorbic well with sugar when freezing fruits by a sugar pack rather than syrup.

The peaches which stick out of the syrup also turn dark unless crumpled freezer paper or aluminum foil is used to force the peaches under the syrup in the jar or container.

Pecans are usually highest in price near the Christmas season. Buying pecans at a low priced time to use later is possible by vapor proof container. Pecans freezing them in a moisture-can also be candied.

Heat fresh pecans 30 minutes in a shallow pan at 250 degrees F stirring frequently. Pack in clean hot, dry jars and partially seal. Have enough water in the pressure canner to cover the jars one inch. Exhaust steam and air in the canner 10 minutes. Close petcock and bring pressure to 5 pounds. Process 10 minutes. Turn off heat and release pressure at once by opening petcock. When pressure is 0 open canner and remove jars. Screw bands on jars tightly. Allow to cool. Store in cool, dry, dark, place.

50th anniversary for Mr., Mrs. J. L. Field

Fifty years of marriage was celebrated by Mr. and Mrs. J. L. Fields Sunday afternoon, June 21, as the many friends and relatives of this highly-esteemed couple gathered at the Higginbotham Community Building for a Golden Anniversary tea.

Children of the honorees served as hosts for the occasion, which was held from two until five o'clock. Guests were registered at a table covered with a white linen cloth, and centered with a large gold "50" of styrofoam, with background of daisies. The serving table, with white lace cloth over yellow, was adorned with a large gold bell, edged with gold net, from which cascaded yellow roses. The three-tier wedding cake was topped with a miniature bride and groom, the bridal figurine attired in gold. Over the figurines was an arbor of golden leaves.

Crystal and silver appointments were used, and completing the anniversary theme were dainty napkins, imprinted in gold with the names of the couple and the numeral "50".

Making the occasion an outstanding success for the honorees was the presence of all four of their children and their families. They are parents of three sons and a daughter, Dan of the

Higginbotham Community, Rex Snyder and J. C. of San Luis Obispo, Calif., and Mrs. Tom Hargrove of Rotan.

Adding their own special joy to the observance, too, were the grandchildren, Danna, Debbie and David, children of Mr. and Mrs. Dan Fields; and Becky, Tommy and Radford, children of Mr. and Mrs. Hargrove. Kenny son of Mr. and Mrs. J. C. Fields, and his mother, were unable to make the trip from California, other son, DonTiodn

but sent their greetings. The other son, Don, attended the event with his father.

Members of the house party for the tea included Mrs. Dan Fields and Mrs. Tom Hargrove, who greeted the guests, Mrs. Rex Fields, who presided at the registration table, and Misses Becky Hargrove and Linda Barwell, the latter being the sister of Mrs. Dan Fields, who served. Others included Mesdames Olen Dodson of Sweetwater, Marshall Nevilles of McCamey and J. A. White and Simm Stapp of Higginbotham.

Mrs. Fields, the former Frances Rebecca Davidson, and her husband were married May 11, 1909, at Clairmont, Texas, with the ceremony taking place in the Old Hotel Clairmont, which was owned by her father,

MR. AND MRS. J. L. FIELD

W. M. Davidson. Performing the rites was Rev. J. M. Baker, Methodist pastor.

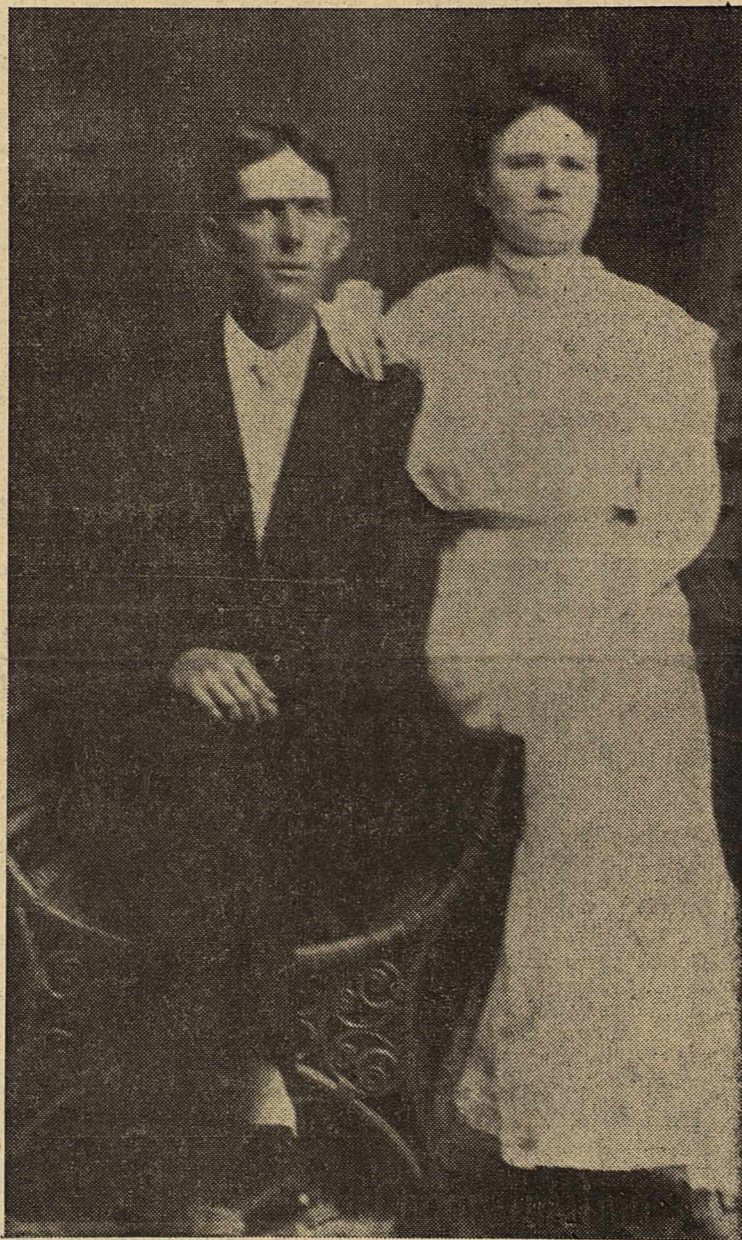

Devoting the most of their married life to farming and ranching, the Fields' spent five years in Kent County, some 20 years in Scurry County and farmed near Colorado City for 13 years. Three years in Los Angeles during the early part of their married life was enough to convince them that the Lone Star state was the only place for them.

For the past eight years, they have resided in the Higginbotham Community, during which they have earned an enviable position of affection and high regard from all who know them. Mr. Fields still takes an active part in the operation of the farm with his son, Dan.

Both Mr. and Mrs. Fields are enjoying relatively good health, and derive much pleasure from

occasional travels. Mrs. Fields is a member of Eastern Star, and Mr. Fields of the Masonic Lodge. Both are members of the Methodist church.

A large number of guests were present for the Golden Anniversary observance from Texas, New Mexico, California and Oklahoma.

MR. AND MRS. J. L. FIELD

Congratulations!

Birthday and anniversary congratulations this week to: Elsie Nordyke and Sherm Tingle, June 28; Mr. and Mrs. Gene Johnson, June 29; Mrs. C. A. Stewart, Mr. and Mrs. P. W. A. Pippin, Pete Smith, Jere Lowe and Mr. and Mrs. Cecil Tucker, July 4.

WACs are seeking qualified women for commissions

The Women's Army Corps is seeking qualified young women with the ambition to step into a well paying, interesting, and challenging executive position. SFC William T. Jones, Army Recruiter, announced today.

This is possible through the WAC direct commission program. This program allows college trained women, who qualify, to be appointed directly as a second or first lieutenant.

A U. S. Army commission for women provides pay, prestige and responsibilities comparable with civilian executive positions, SFC Jones said.

Twice each year a 20 week training course is conducted for selected women between 20 and 32 years of age. The next class will begin in September of this year. It will be held at the U. S. Women's Army Corps Center, Fort McClellan, Ala.

Mr. and Mrs. O. D. Smith and Amos Smith spent the weekend with their father, W. B. Smith who is confined to his bed at the home of his daughter, Mrs. Arthur Abbott in Olney.

New Social Security laws make many people eligible for benefits

According to John G. Hutton, District Manager of the Lubbock Social Security office, the 1958 changes to the social security law may now make some people not previously entitled, eligible for parents benefits.

Parents who were dependent on a deceased son or daughter may now qualify for benefits, even though the deceased was survived by a widow, widower, or children. Before this change, if a deceased individual was survived by a spouse or child, the dependent parents could not qualify.

In order for a dependent mother, age 62 or over, or a dependent father age 65 or over, to qualify for benefits, they must prove that they were dependent. This proof must be filed with the social security office before August, 1960, or within two years after the date of the son

or daughter's death. If you were denied dependent parents benefits because your son or daughter was survived by a spouse or child you are urged to contact your social security office as soon as possible.

A representative of the Lubbock Social Security Office will be in Plains on July 2, 1959 at 1:30 p.m. at the Co. Service Office, Courthouse and will be glad to assist in all matters pertaining to Social Security.

Mr. and Mrs. L. B. Hobbs spent from Friday to Sunday at Lake Thomas where he is helping the Wesley (Stubby) Sherrins of Tokio build a cabin. They were guests of Mrs. Cherrin's brothers, Roy and Melvin Anderson and families. The Anderson's mother, Mrs. M. V. Anderson of Tokio was visiting there also.

My trip to Girls' State

By Linda Jones

The trip to Austin and Girls State was a wonderful and thrilling experience for me and I will never forget it. I only hope that I can put into practice all that I learned.

I left Lubbock Tuesday, the 9th, with seven girls from Lubbock County. We registered Wednesday morning at the

School for the Blind. At our first assembly, we got acquainted with the staff and rules of Girls State. We also named our cities and counties that night. I lived in the city of Skit in the county of How 'Bout That.

The National and Federal parties each campaigned for the state offices. The Federalists won the Governorship, but the Nationalists received the next two positions of Lt. Governor and Attorney General. Overall, each party controlled five positions in the state government. I held the position of a Nationalist in the state government. I held the position of a Nationalist in the House of Representatives. While in the House, I was on an Appropriations Committee.

We attended many assemblies and heard quite a few wonderful speakers. A few of these speakers were Mr. Read Granberry, Parliamentarian, Texas House of Representatives, Miss Doris Anderson, a member of the National Girls State Committee, Miss Mattie Treadwell, Federal Coordinator of Civil Defense, Texas area, and Mr. Jack Cox, Executive Secretary, Freedom in Action.

Monday morning we went to the Capitol for the Inauguration of the Girls State officials and to watch the House of Representatives and Senate in action. Also, Governor Daniel, along with other state officials, was there to participate in the Inauguration. We ate lunch on the Capitol grounds and then went on a tour of the Governor's Mansion.

Thursday afternoon as we were concluding our Girls State Program, over 400 of us went to Barton Springs for an afternoon of swimming and relaxation.

Dorcas Class held meet at Warrens

The Dorcas Sunday School Class of the First Baptist Church held their monthly social and business meeting Tuesday evening in the home of Mrs. Tom Warren. President Mrs. Garland Swann presided.

Minutes of the previous meeting were read and approved. Roll call was answered with a favorite Bible verse. Mrs. Swann offered the lovely devotional. Mrs. Jack Hayes, class teacher, gave the closing prayer.

Secret pals for the last quarter were revealed and new ones drawn.

Refreshments of sandwiches, cake, coffee and cokes were served to Mesdames Jack Hayes, Olen Edwards, Garland Swann, John Camp, Shorty Coke, J. L. Taylor, G. W. Cleveland and the hostess.

Lions hear talk by R. K. Field about Communism

Members of the Plains Lions Club along with four visitors enjoyed a talk made by R. K. Field of Bronco last Thursday at a regular meeting of the club. Mr. Field talked on Communism as it is in Russia and Red China and compared a life in those countries to a similar life in the United States. Some of his information came from material that he had read and he added his own views to the subject which reflected his Christian ideas.

One thing brought out by Mr. Field was the attitude of the young people in Russia. He said if a boy were asked what he was going to be when he grew up he might answer that he wanted to be a scientist. When asked why he wanted to be a scientist he would probably say, "Because it is useful." When a similar boy in the United States were asked the same questions, he too would want to be a scientist. When asked why he wanted to be a scientist he would likely say, "Because the pay is good, the hours are short and the retirement benefits are better than in other fields of endeavor." Mr. Field stated that this kind of an attitude could be the beginning of the downfall of our existing system in this country.

★ Congratulations

Congratulations to Mr. and Mrs. J. E. Young of Midland on the arrival of another son, Melvin Loyd, weighing 7 lbs. 14 oz., June 21 in a Midland hospital. Grandparents are Mr. and Mrs. W. M. Overton of Plains and Mr. and Mrs. J. C. Young of Midland. He is welcomed by a sister, Deleta and a brother, Will who are visiting the Overtons this week.

Mrs. Elsie Pierce is new hairdresser at Modern Salon

A new operator, Mrs. Elsie Pierce, began work this week at the Modern Beauty Salon. Mrs. Pierce recently completed beauty school at the Charm School at Lovington, New Mexico. Blanche

Maimsten, owner, announced that Mrs. Pierce will be in the shop Tuesdays through Saturday. She invites her friends to stop by or call for an appointment or visit.

Mrs. Pierce is employed at the Soil Conservation Office. They have been residing here about eighteen months.

Mr. and Mrs. Earl Robertson Jr. and children, accompanied by Mrs. Robertson's parents, the Frank Sudduths, visited Mrs. Lawanna Sudduth in Roff, Oklahoma last weekend. Allen, Ruth and Jimmy Sudduth returned home after a two weeks visit with their grandparents here. The Robertsons and Sudduths spent Sunday with two of Mr. Robertson's uncles in Dallas en route home. They stopped in Weatherford where Mr. Sudduth attended school when a boy.

29 FHA girls had party on campus

Old Mrs. Hoot-Owl and her little "Hooties" helped to watch over the Plains school campus when twenty-nine F. H. A. girls, their sponsor and two guests gathered June 19 for their annual slumber party.

Some of the girls swam at the pool before coming to the school homemaker department. They played volleyball, caught up on the latest news, ate goodies all through the night, and once in a while a few tried to get a few winks of sleep.

They prepared and ate their breakfast between 5:30 and 6:30 Saturday morning. All took part in cleaning the newly painted homemaker department and were ready to go home when their parents called for them.

Girls enjoying the fun were guests, Carol McRae and Lana Oden, F. H. A. sponsor, Mrs. Jo Brown and members, Jeanine St. Romain, Glenda Bearden Taylor, Annette and Brenda Suddorth, Judy Lowe, Karen Shobert, Sheron Smith, Zeleta Brantley, Janice Powell, Leta Stewart, Shirley Gayle, Jeanette Jones, Dixie Ruth McClellan, Kaye Spencer, Delores Carney, Kay Gibson, Naomi Maynard, Pat Winkles, Billie Wilson, Louise Heald, D'Lois McGinty, Sondra Smith, Roberta Snodgrass, Lela Parks, Marsha White, Ruth Hinkle, Sandra Williams, Carolyn Murphey, and Judy Newsome.

ACROSS THE CATTLE GUARD

by LEO W. WHITE
County Agent

Linda Fitzgerald is taking an early lead in the beef calf gain contest sponsored by G. W. Cleveland. Her calf named Rawhide, gained 121 pounds during the first 35 days of a 272 day feeding period. Rawhide had an average daily gain of 3.45 pounds. Thirty eight calves are entered in the gain contest and 30 of them were at the weigh day last Saturday. Three other calves are crowding the leader with gains of more than three pounds a day.

In second place is Marsha White with a calf called Jasper. This calf gained a total of 115 pounds since the 16th day of May. Mike Field is in third place with a calf named Pinochio. His gain for the 35 days was 113 pounds. The other calf gaining more than three pounds a day is Beaver owned by Mike Loe. The total gain for Mike's calf was 108 pounds.

Of the 30 calves brought in last Saturday four were doing better than three pounds a day, 19 were averaging better than two pounds a day and only three animals were gaining less than two pounds a day. On the whole, the calves are doing very well. The young calves were the slow gainers during the first month which is to be expected. All of the fast gaining calves were dry lot steers with the exception of Mike Loe's calf. All of them were heavier than the average of the calves at the beginning.

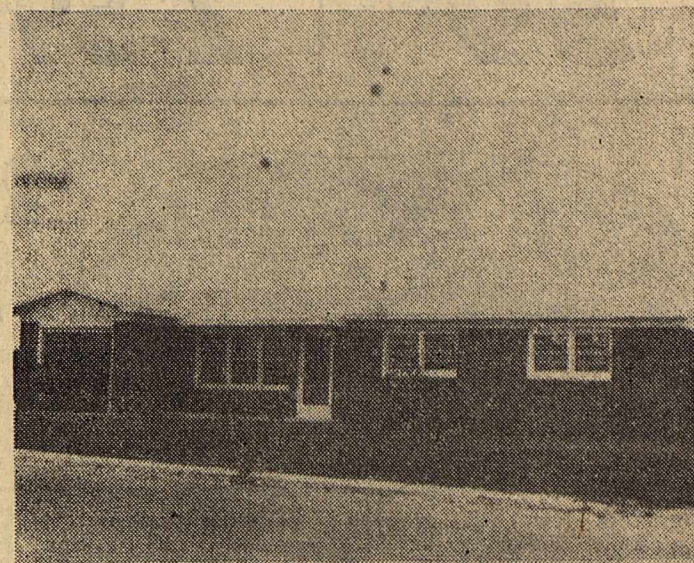

The calves are not as uniform as they have been for the past two years. There was 437 pounds difference in the heaviest calf and the lightest calf at the June weigh day. Ten of the calves on feed did not attend the weigh day this month and it could be possible for the fastest gaining calf of the whole group to be among this 10 head.

We place a great deal of importance upon rate of gain in beef cattle. One reason is because the rate of gain is an inherited thing and by knowing the gaining ability of our calves we can usually trace back and know what to expect from animals closely related to the fast gainer. Since the rate of gain is closely related to the economy of gain, we like the rapid gainer over the slow gainer because he is a more profitable feeder animal. Less feed is required to put 100 pounds of gain on a fast

gainer than on a slow gainer. We must not lose sight of the fact that the total gain during the feeding period is not influenced by the age of the animal. The older calves gain rapidly at the beginning and their rate of gain slows down as they begin to fatten toward the end of the feeding period. The younger calves gain slow during the early part of the period because they cannot consume enough feed for high daily gains. After they reach 450 to 500 pounds their rate of gain steps up and they are still putting on good gains after the older calves have slowed down. With a 272 day feeding period, the calves of varying ages and weights all have the same chance. For the past two years the winner of the gain contest has been one of the younger calves. This year we hope to have some more calves that will put on as much as 700 pounds between the initial weigh day in May and the show day in February.
