No excuses needed

It is becoming an increasingly popular pastime among far too many fans to blame the losses of their favorite football team on dirty tactics, poor officiating and a number of other equally-defensive excuses ranging from poor playing fields to loud noises by the home mob. Within our immediate vicinity, the fans of Morton and Brownfield have cried, "Foul" at least once each this year when their teams failed to win.

No good ever came from such cries. The home folks may get some consolation in talking about what might have been, but they establish themselves as cry babies in the eyes of their neighbors and at the same time detract from the efforts of both teams involved.

It is therefore heartening indeed to go to a place like Farwell, as hundreds of us did last Friday, and witness the sportsmanship displayed by the Steer followers. Farwell had a lot at stake in Friday's game and the prestige of its football team would have ballooned tremendously had it been able to knock off Plains. But such was not in the book and the loyal fans at Farwell took their defeat graciously and without excuses.

Farwell had a wonderful football team and no apologies were necessary for its performance. Of course the Steers lost, but many people from Plains came home with a much higher opinion of the people of Parmer County. All of Plains looks forward to a continued friendly rivalry between the two schools.

LIFE

... what is it? Here, it is represented in the newborn. Generally speaking, "it is a vapor that appears for a little while and then is gone," James 4:14. Life from birth to seventy seems a very long time. But brother, reverse the sentence and take a look... *seventy back to birth* is so very short. Anyhow, the value of a life is determined by how well it is lived and not by how long it is. Every worthwhile life consumes its self serving others... administering to the sick, giving to the poor and challenging them to prepare for the Life Eternal. *The good life is full of little deeds made meaningful by a few Godly decisions.* Then attend worship services regularly.

Cowboys win big one, rope Steers, 24-14

It took a super effort on the part of the Cowboys, but super the Cowboys were. By 10 p.m. Friday, they had nailed the Farwell Steers to the cross to their sixth consecutive victory of the season while handing the hosts their first setback.

Playing near-perfect football after a mental lapse had spotted the Steers eight points before the clock started running, the Cowboys kept on the move all night, never losing the ball on fumble or interception and hitting their season's low-point in penalties as they were guilty of only three infractions and lost but 15 yards.

Joe Don Marrow, big Plains fullback, and Ray Faught, the speedy halfback, kept the Steers on the run all night with constant jabs at the big Farwell line. Quarterback Mike Sink mixed up the plays very well as he fed to Marrow and Faught who found a lot of running room through the holes provided by Don and Doug Todd, Dick Cooke and Harmon Meixner. Blocks by Don Williams and Walt Coffman helped tremendously when the two rampaging ball carriers carried on the wide stuff.

Farwell scored on the opening kickoff when Jerry Lovelace's low booming kick bounced over the head of Faught and was recovered in the end zone by end Larry McDorman. Lovelace ran over for the bonus points and the score was 8-0. Farwell, with the clock still showing 12 full minutes to play in the opening period.

But Plains refused to press the panic button. Faught returned the ensuing kickoff to the 38 and the Cowboys drove all the way to the Farwell 12 where a fourth-down play was short of a new series by inches. Lovelace

quick-kicked the Steers out of the hole and Plains then took over at its own 45. The Cowboys could move only to mid-field so Coffman kicked the ball out to the 31 from where Lovelace kicked and Joe Bob Oats returned to the Plains 40.

After Plains could gain but five yards, Coffman boomed a punt into the end zone as the second quarter got underway. Two running plays netted Farwell four yards and Quarterback Benji Dial decided to try a third-down pass. But he was hit hard, the ball jarred loose and Don Todd pranced on the loose pigskin to give the Cowboys possession at the 24.

Eight plays later, the Cowboys had evened the score. Williams, Marrow and Faught, helped by a five-yard pass from Sink to Coffman, moved the ball to the three from where Faught went over for the touchdown. Marrow swept end for the extra points to make it 8-8 with 6:23 left to play in the first half.

Farwell made a gallant bid to re-capture the lead before the half ended. Huggins returned the kickoff to the Steer 33. Spearheaded by two runs of 16 yards and 21 yards by Lovelace, the Steers drove to the Plains three-yard line. But with fourth and goal from that point, Jim Hardage was hit behind the line of scrimmage at the four. He fumbled and Don Todd fell on the ball, although the Cowboys would have taken over anyway.

Less than a minute remained in the half when Plains took over. Marrow crashed his way to the 10 and then Faught circled right end, broke into the clear momentarily and raced to the 40 before he was knocked out of bounds with four seconds

remaining. Sink went back to pass on the next play, but couldn't find a receiver and wisely chose to eat the ball, losing five yards.

The Cowboys went ahead the first time they got the ball in the second half. Farwell could not move after Huggins had returned the kickoff to the Steer 48 so Lovelace punted to the Plains 22. Marrow picked up five and Faught scampered for seven to the 34. Then Marrow electrified the crowd as he swept his left end, turned the corner as Williams cut down a would-be tackler and Coffman blocked out another defender. Big Joe then outraced three pursuers down the sideline for a 66-yard touchdown run. Cooke and Jack Meixner also threw key blocks. Faught went wide around left end for the extra points and Cowboys were ahead 16-8 with 8:26 to go in the third stanza.

After Huggins returned the next kickoff to his own 40, the Steers moved to the Plains 32 where the rugged Cowboy defense refused to be fooled by a fake kick on fourth down by Dial and Plains took over at the 30.

Marrow carried six times and Faught five to put the ball on the three as the quarter ended. Marrow went over from that point on the first play of the final quarter. The Cowboys got three tries at the extra points. Sink's pass was knocked down, but Farwell was off side and penalized half the distance to the goal. Sink then tried a keeper but was stopped short, but Farwell was again too eager and the ball was moved two feet from the goal from where Sink sneaked over to make it 22-8 with only seven seconds gone in the fourth quarter.

Huggins almost broke loose following the next kickoff, the Steer speedster racing to the 46 before Marrow knocked him out of bounds. The Steers drove to the Plains 39, from where Sink batted down a fourth down pass intended for Huggins and Plains took over. The Cowboys moved to the Farwell 40 and Coffman kicked out of bounds on the Steer 14.

With time running out, the Steers unwrapped their passing game, which had until that time accounted for but five yards on one completion out of eight attempts. Dial passed to Bill Owen for 12 yards to the 26 and then Dial passed to Lovelace for a

20 yard gain to the 46. Another pass to Owen was no good. Then it happened: Dial loped a screen pass in the right flat to Huggins and the Steer halfback gave the crowd a real performance. In a perfect display of following his blockers, Huggins cut across field parallel to the yard markers, fancy-stepping his way out of numerous predicaments, finally broke into the clear down the sideline and took off for the end zone. He appeared well on his way before Marrow cut across the field diagonally and slung him to the ground at the three-yard line. Hardage then picked up a yard to the two and Dial went over on the next play, which became the first touchdown scored against the Plains defense this season. Lovelace stumbled as he attempted to turn the corner on an end run for the extra points so the score remained 24-14 with 2:26 left.

The Steers tried an on-side kick on the kickoff and Cooke killed the ball at mid-field. The Cowboys then drove to the 30 before time ran out.

Farmers welcome change in weather

Farmers in the Plains area have aged a good bit in the past two weeks as the weatherman has been up to his old tricks. They welcomed a beautiful day Wednesday after some uneasy moments Tuesday.

The thermometer dipped to 39 degrees here Tuesday morning for its lowest mark of the season, but rallied to hit the 55-degree mark by late afternoon.

Rainfall so far during October has amounted to 1.58 inches.

District teams win four of five

Powerful Sundown knocked over AA Morton, 30-8; Frenship downed a good Sudan team, 39-22; O'Donnell defeated Coahoma, 30-20, and Plains dropped Farwell from the unbeaten ranks, 24-14.

Sundown travels to O'Donnell this Friday as the district race gets underway. Seagraves waits another week before beginning league warfare. Four of district 5-A's five

teams came through with victories Friday in the last week of action before beginning district play this weekend. Only Seagraves, a 35-0 victim of AA powerhouse Denver City, failed to win as 5-A clubs closed out an outstanding record against outside competition.

Cheek celebrates 77th birthday

October 13th is the birthdate of such well-known personalities as President Dwight D. Eisenhower and Dave Garro-way. A resident of Plains the past twenty years and of Yoakum County thirty or more years, Joe M. Cheek, celebrated his 77th birthday Tuesday.

Mr. Cheek, who isn't as pert as in the past but who probably can pull the fiddle's bow pretty lively, stays in much of the time since his hearing has failed.

He and Mrs. Cheek, an employee in the County Clerk's office the last 'teen' years, operated a cafe in Plains when they came here. He has worked at various jobs, but has dry-watched for oil companies most of the time until he was forced to retire.

He was born on Friday the 13th and contends that Friday the 13th has always been his lucky day. He and Mrs. Cheek will celebrate their 45th wedding anniversary on October 29th.

Rev. and Mrs. Billy Curry spent one night last week here with his parents, Mr. and Mrs. Joe Curry, enroute to their home at Lazbuddie from a Seminole hospital where she had been a medical patient about ten days. Also able to return home is Mrs. Curry's mother who had been confined to a Muleshoe hospital.

MRS. FRED BELLONE JR. of Monahans, national winner in the Vogue Pattern Contest, was guest speaker at the Tsa Mo Ga Club meeting Monday.

Layman's day observed by Baptists

Layman's Day was observed by the First Baptist Church Sunday when the entire choir was filled with men of the Church Brotherhood and the morning message was brought by Rev. Joe Bass, a member of the Brotherhood.

to the Lord" and Shorty Coke closed the program with the benediction.

Mr. and Mrs. Jack Newton and Debbie were guests of Mr. and Mrs. Whitie Taylor over the weekend. The Newtons live at McCamey.

Clyde Waldrop, local I-H-C dealer, and Robert Myers left Tuesday going to Springfield, Ohio to get some new trucks.

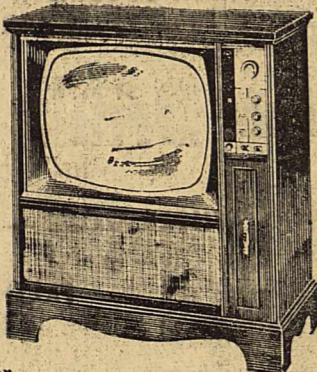

Guests of Rev. and Mrs. C. J. Coffman and sons Saturday and Sunday were his brother, Mr. and Mrs. Carl Coffman and Pat, and a grand-niece, Linda Ward, all of Lamesa.

65 view film on cancer Tuesday

Approximately 65 women from throughout Yoakum County viewed the films, "From One Cell" and "Breast Self Examination" presented by Dr. Clyde A. Lynn and sponsored by the Tsa Mo Ga Club, Tuesday evening in the County Courtroom.

Following the films Dr. Lynn answered questions that were of deep concern to the women. There are fewer cases of breast cancer among women who have breast-fed their babies than those not taking their babies to breast, he told the group, and a regular monthly "breast self examination" by every woman could cut down on the number of breast cancers by a large number. Only a small percent of knots or lumps found in the breast are cancers, he added.

A big majority of cancers are curable if detected early enough, he pointed out, and there are several ways of treating them other than by surgery. However, surgery is most often used in breast cancer, he said.

Hemorrhoids do not cause cancer, but cancer can cause hemorrhoids, he emphasized.

The films were very informative and each of the women in attendance felt better informed and more assured, and expressed their appreciation to the Tsa Mo Ga Club and Dr. Lynn for their presentation of the program.

Junior gridgers outscore Morton

Did you ever drive 80 miles to play on your own field? Coach Sam Mosley's 8th grade mentored did just that every thing Thursday evening October 8.

A little different twist was also noted in identifying the players in the Plains-Morton football game Thursday night. Since few of the boys' numbers are well known, when a player made a good tackle, run, or ran commendable interference the fans yelled "Who is the mama to that boy?"

The local lads won by a 26-6 score while the High school "B" team out-scored the Morton "B" squad by two touchdowns in the afternoon.

Coach Mosley let every man on his 8th grade roster play, some during the contest. Outstanding ground-gainer was Roland Faires, with interference run by Larry Williams and Olan Smith. Mike Field held the center position with good tackles and fine footwork done by Gary Sims, Larry Coffman, Javk Lowe, Jim Kerby, Jimmy Smith and others.

agents if they can do a super selling job.

Along the same line is Junior Van Liew who can win a trip to Mexico if he can sell enough appliances. Right now, Junior is running up near the top for dealers in this district.

We stole this from Paul Crume of the Dallas News, but thought it funny enough to justify the crime. An Austin newspaperman was talking the other day to a telephone operator in East Texas.

"How do you like the ball game?" the newsman asked.

"Who's playing?" replied the

operator.

"The Dodgers and White Sox."

"I thought they played yesterday."

"They did, but this is the World Series and it could go seven games."

"What if they tie?"

"Baseball games don't end in ties like football games. They keep on playing until one team wins."

"Oh," answered the operator, and after some thought — "I always did like baseball. It's so much easier to understand than football."

"X" before the license number of an airplane denotes that the plane is licensed for experimental purposes.

It is our business to be helpful, friendly and accommodating every time you step through our front door. We hope you stop in often so we can prove it.
