## Showdown with Sundown set here Friday night

### Plains Talk

By Wendell Faught

We'll win the game with Sundown. . . . We'll take the district crown. . . . We'll clobber all the Roughnecks. . . . That we can find around.

Do not worry Plainsland. . . . Our heart is in our work. . . . Not one of you can ever say. . . . Our duty we did shirk.

The season is not over. . . . We have six games to go. . . . We want your faithful following. . . . At every weekly show.

Just look back at our record. . . . We keep winning more and more. . . . A half-a-dozen goose eggs. . . . We've left upon the board.

We rode the Brones and Mustangs. . . . We earned an Indian's scalp. . . . We finally penned the Panthers. . . . After being counted out.

We crushed a herd of Antelopes. . . . And beat the cocky Steers. . . . We chewed up all the Tigers. . . . Despite their hometown cheers.

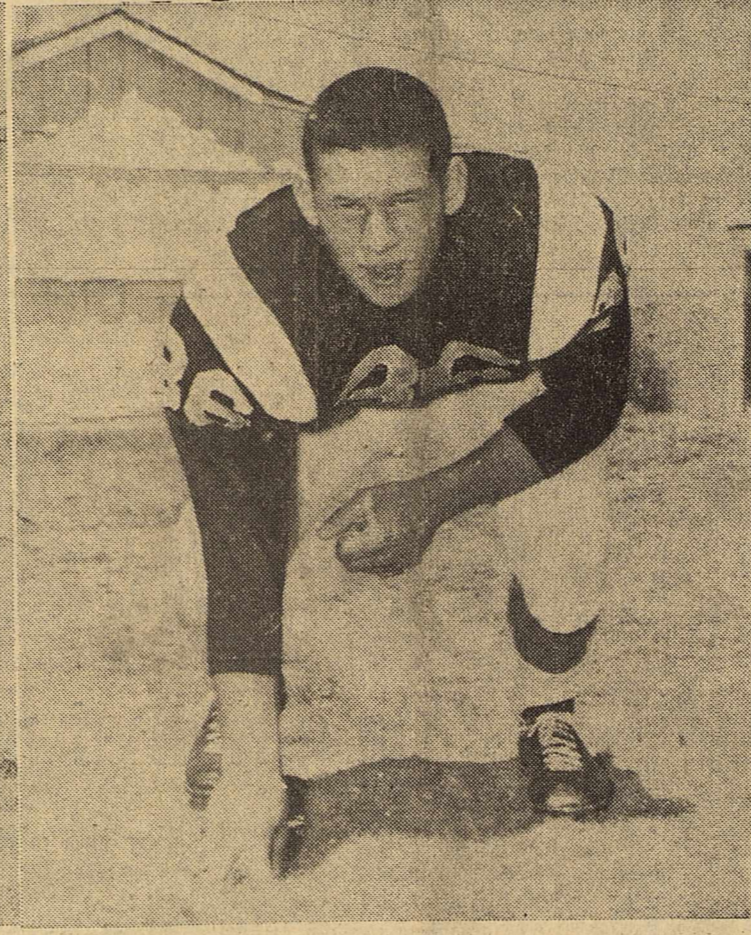

Two different nests of Eagles. . . . Were branded by our mark. . . . To get us to our crucial test. . . . With lots of fight and spark.

We are not scared of Roughnecks. . . . We've beaten them before. . . . Davis, Sessums, McInturff. . . . Are no match for our great corps.

By 10 o'clock on Friday night. . . . We'll have our chore well done. . . . We'll shout to all of Texas. . . . That we are NUMBER ONE!

TWO BIG REASONS why Plains boasts the top defensive record of any Class A football team in Texas are shown here in the persons of Don Todd, left, and Harmon Meixner. These two seniors have spear-

headed the air tight Cowboy defense. Todd, a tackle is a 177-pounder while Meixner is a 166-pound guard and linebacker. Incidentally, both have younger brothers who are also starters in the line.

### Winner takes district banner into playoffs

Plains, only three years removed from the Class B ranks, and Sundown, a Class A power since Old Shep was a pup, meet here Friday evening in the biggest and most important football battle ever waged in these parts.

At stake is everything. The winner picks up all he marbles and will move next week into the state playoffs as champion of district 5-A. The loser will see

its otherwise highly-successful season ended on a sour note.

Plains is undefeated, untied after nine games. Sundown has bowed only to mighty Denver City of the Class AA ranks in the same number of contests.

Both teams have skipped through all other competition in District 5-A without working up a sweat.

The game has been a topic of conversation over the South Plains ever since football practice began last summer. Both teams were rated highly and both have made the prognosticators look very good. As of this week, Plains is rated the state's second best Class A team in polls of both the Fort Worth Star-Telegram and the Dallas Morning News. Sundown is ranked third by the Fort Worth paper and 10th by the Dallas News.

As if Friday's crucial battle needed additional build-up, fans learned for the first time this week that Sundown boasts the highest scoring Class A team in Texas, while the Cowboys possess the stingiest defense of any school in its class. The Roughnecks have scored a whopping total of 380 points for an average of more than 42 points per game. Plains, on the other hand, has allowed nine opponents to score just 27 points.

### Records indicate very close game in crucial tilt

Comparative scores, which usually mean exactly nothing in important football games, nevertheless reveal some important facts about Plains and Sundown football teams.

Sundown is the state's highest scoring Class A team while the Cowboys have surrendered fewer points than any other club. But look a little farther and you'll readily see why there can be no clear-cut favorite in Friday's showdown tussle.

The Roughnecks have scored 380 points while allowing their opposition to counter 117 markers. That figures out to be slightly more than 42 points per contest for the Roughnecks and 13 for the opposition — or an average winning margin of 29 points plus. On the other hand, Plains has scored 303 points for an average of more than 33 points. Nine opponents have managed just 27 points for a three-point average. Thus, the Cowboys' average winning margin has been 30 points.

Similarity of the two records does not end there. The two teams have met four common opponents, Morton, Frenship, Seagraves and O'Donnell. In games with these four schools, Sundown scored 177 points, allowed the opposition 43 points. This gives the Roughnecks an average of 44 points in the four games while opponents have averaged 12, giving Sundown an average winning margin of 32 points.

Against the same four clubs, Plains scored 139 points, an average of nearly 35 points, allowed opposition just 6 points, an average of 1 1/2 points. This gives Plains an average winning

### March of Dimes drive to be known by broader name

The annual fund raising appeal of The National Foundation will be known in January, 1960, as the "New" March of Dimes, in keeping with the expanded program of the organization which now includes birth defects and arthritis as well as polio.

Kenneth Davies of Plains, Terry Yoakum County March of Dimes leader, said today on returning from a regional campaign meeting at Dallas.

The word "New" was added to call attention to the fact that March of Dimes funds are now behind the fight against two more crippling diseases, Mr. Davies said.

### County gins pass 21,000-bale mark

Yoakum County's six gins reported ginnings of 21,068 bales of cotton as of last Friday, according to Joe Spears of the Texas Employment Commission in Brownfield. At the same time last year, the total was 13,008.

Ginning totals do not necessarily correspond with production, however, since all cotton ginned in this county was not grown here. At the same time, some cotton grown in Yoakum County has been taken to out-of-county gins.

Latest official estimates still call for a production of 25,000 bales in Yoakum County, but Spears says that production should be at least 30,000. Local agricultural officials have predicted between 30,000 and 33,000 bales.

Last year's record production was 26,500 bales from 33,000 acres. The acreage this year is the same as a year ago.

## Judge for livestock show selected

Dr. W. L. Stangel has been selected to be the official judge of the Junior Fat Stock Show to be held next February 12 and 13. His selection was announced following a meeting last week of the directors of the Yoakum County Livestock and Agricultural Improvement Association.

Head of the animal husbandry department at Texas Tech for many years and later dean of agriculture of that institution, Dr. Stangel has been contacted, but has not definitely consented to judge the show. He has some judging work scheduled for the San Antonio show and he said he would be here provided there is no conflict between the two shows.

Dr. Stangel is now retired from

## Cowboy Grill will have formal opening Friday

Formal opening of Cowboy Grill will be held all day Friday and all residents of the area are invited to attend the event. Free coffee and doughnuts will be served throughout the day.

Located on the Roswell Road, just west of Wilmetts 66 Station, the Cowboy Grill is an ultra-modern restaurant operated by Mr. and Mrs. J. C. Hill and Mrs. Ollie Peters.

The restaurant has been open for business for the past several days. The building and fixtures are all new. The restaurant has a seating capacity of 57. This includes eight upholstered booths, four tables & nine stools.

The business is owned by Woody Wilmeth but is leased to Mr. and Mrs. Hill and Mrs. Peters. It will maintain open hours from 6 a.m. until 11 p.m. daily.

## BULLETIN

Bob Loe, Plains farmer and real estate man, was named city secretary Thursday evening when the City Council met in special session to name a successor to Buford Duff, who has resigned. Loe was one of four applicants for the position. Council members also voted to close the city hall on Saturday, beginning this week.

## College team to see game

Members of the football team of Western State College of Gunnison, Colorado, will be special guests of the Plains Cowboys Friday night when they play Sundown here. Coaches learned Thursday morning that Coach Willard Pederson will bring his entire team to Plains for the game.

The Mountaineers meet Eastern New Mexico University at Portales Saturday afternoon in a game beginning at 2:00 p.m. They decided to leave early in order to see the Plains-Sundown clash.

Two former Plains football greats are members of the Colorado team. Ross Stotts, a 1958 graduate of Plains high school, plays guard for the Mountaineer varsity while Jim Williams, one of the stars of last year's great Cowboy club, is a member of the freshman team. Both Plains boys are expected to be with the squad here Friday night.

## Fans all agree: Cowboys to win

A poll of Plains football fans taken this week reveals that Cowboy backers are convinced their favorite will come through in this Friday's showdown battle with Sundown. Forty-eight persons were contacted and all 48 chose the Cowboys. The guesses of the various individuals appear at the tops of pages throughout today's Review.

Local fans see victory all the way from one point to 32 points. Six persons said Sundown would not score, 19 gave the Roughnecks one touchdown, 18 picked them to score two touchdowns and five persons saw them scoring three times.

Twenty-six men and 22 women took part in the poll. In some cases, man and wife were contacted. But predictions were not influenced by family ties. One man, for instance, picked a score of 30-0, while his wife picked it 16-14.

Most common scores were those of 16-14 and 14-6, the latter being the one by which Plains won over Sundown last year.

Results of the poll were shown to the coaches, and all agreed they would settle for any score on the list.

THESE FIVE ROUGHNECKS, starters in 1958, are furnishing foes with lots of headaches in 1959 also. Standing are three backs, David McInturff, Robert Foster and Lewis Sessums. At left is tackle David Williams, while end Ronnie Strader is at right. Foster was a guard last year, but was converted to a quarterback when a vacancy loomed in the backfield. Strader, Sessums and Foster are tri-captains for the Roughnecks. (Leveland Sun-News Photo)

COWBOY GRILL, a new drive-in restaurant on the Roswell Road, will hold its formal opening Friday. All residents of the area are invited to visit the business during the day, enjoy free coffee and doughnuts, and inspect all operations. The building is owned by Woody Wilmeth and leased to Mr. and Mrs. J. C. Hill and Mrs. Ollie Peters, operators of the new business.

THE YOAKUM COUNTY REVIEW  
Plains, Texas, Thursday, November 12, 1959 Page 2

### What about majority rule?

It is a sad situation when 1,706 people have the right to say whether or not liquor may be sold legally in a county of 150,000 population. Such was the case in Lubbock County Saturday when the "Drys" won a 90-vote margin.

There is certainly something wrong with a law which allows option on the precinct level. No good citizen should keep quiet until he sees repeal of such a foolish article in the state's liquor laws. Since the discovery of this loophole, local option elections have been called all over Texas, making a mockery of what had been a workable arrangement for years.

Strong rumor that the liquor question will come up in a special election in Yoakum County persists, although it is hard to see how anyone could expect this traditionally dry area to shatter its precedent. But what an unhealthy situation would exist if whisky was legal on one side of the court house and not on the other. As long as the law remains as it is, there will always be such a threat.

### Ross Stotts pledges to Kappa Delta Mu

Ross Stotts, son of Mr. and Mrs. Harvey Stotts of this city, sophomore student at Western State College, Gunnison, Colorado is one of seven pledges to Kappa Delta Mu, one of the college's three social fraternities.

Ross, a popular graduate of

Plains High School in 1958, was active in F.F.A., football, basketball, class and school sponsored activities throughout high school.

Mr. and Mrs. R. R. Bearden were guests of their daughter and son-in-law, Mr. and Mrs. Lawrence Carman, in Crane last weekend.

### County oil news

#### North Yoakum San Andres test slated

The Eastland Drilling Company of Odessa No. 1 F. Malinon is to be drilled to 5,500 feet to test the San Andres in North Yoakum County.

It is 11 miles northwest of Plains and 660 feet from south and west lines of section 126, block D, John H. Gibson survey. The drill site is four miles north of the Sable (San Andres) pool.

H. L. Lowe of Lubbock No. 1 Forkel, Central Yoakum County wildcat completed as a pumping San Andres discovery for a daily potential of 69.04 barrels of 33-gravity oil, plus three per cent water.

The production is from perforated interval at 6,369-85 feet after a 7,000-gallon acid treatment. The well is 2 1/2 miles southeast of the Spivey (San Andres) pool, and five miles northwest of Plains.

It is 660 feet from north and east lines of section 376, block D, John H. Gibson survey.

Texaco, Inc., No. 1 M. S. Jones NCT-1, Northwest Gaines County wildcat, recovered oil on a drillstem test in the Devonian.

Open two hours, the test covered the interval from 10,970 to 11,065 feet. Recovery was 1,000 feet of 42.6-gravity oil, plus 1,500 foot nitrogen blanket.

Flowing pressure was from 780 to 820 pounds, and shut-in pressure in 30 minutes was 2,530 pounds.

Another drillstem test was underway from 11,067 to 11,090 feet.

Location is 660 feet from north and east lines of section 12, block A-7, ps1 survey, 2 1/2 miles northwest of Seminole.

Liedtke, 59, Ltd., of Midland spotted No. 1 Sherman as a 3,300 foot wildcat in Northeast Gaines County, 14 miles northeast of Seminole.

Location is 660 feet from south and east lines of section 15, block G, C&M survey.

H. Garrett Oil Company of Midland and others No. 1-D A. L. Moore is a 3/4-mile south outpost to the Brananey field in Central Yoakum County, 6 1/2 miles southwest of Plains.

Drillsite is 660 feet from south and 1,980 feet from west

lines of section 473, block G, J. H. Gibson survey. Operator will drill to 5,400 feet.

#### Mrs. Lackey hostess to Methodist WSCS

The W.S.C.S. of First Methodist Church met in the home of Mrs. Donald Lackey Wednesday evening, November 4.

Mrs. Charles Williams gave the inspiring devotional, "Our Social Creeds" from the Ten Commandments, found in Exodus 20:1-17.

Mrs. James Warren gave the study, a continuation of "Portrait of Christ in Prayer," from Luke 5.

Mrs. Lackey served delicious cookies, coffee and tea to Dr. May Gainer, Mesdames James Warren, Leo White, Charles Williams, L. O. Smith, Bruce White and one visitor, Mrs. W. B. Yarbrough.

#### Turner H-D Club conducts meeting

Mrs. Bobby White, County Home Demonstration Agent, presented the demonstration on "Mesquite Stump Decorations" at the regular meeting of the Turner Home Demonstration Club Wednesday afternoon, November 4 in the County Clubroom.

Plans were made for the club to help with the Lions Club Ladies' Night Banquet to be served by members of the Yoakum County clubs, November 19.

The club voted to donate \$10 to the "Decorate Plains for Christmas" fund.

Members present for the meeting were Mesdames Allen Rollins, Reg Martin, B. Forehand, Jesse Snodgrass, Carl Lowrey, I. L. Smith and William Worsham.

Little Miss Rita Joyce Brian was a guest of her cousin, Pamela Kay McDonnell, over the weekend.

#### Lions club conducts broom sale Thursday

The Lions Club is demonstrating their civic interest and usual charitable versatility today (Thursday) as they conduct their annual Broom Sale for the Blind.

A complete line, including regular and commercial brooms, mops, whisk brooms, ironing board pads, door mats, dish cloths and other everyday household articles made by the Blind of Texas have been sold house to house by members of the club. The truck, easily identifiable, has been conveniently located across the street from the telephone office all day.

A portion of the money will be kept by the local Lions Club to be used to further their many charitable projects, such as eye-glasses for youngsters who can not afford them. The remainder will be sent to the Texas School for the Blind.

## Scout Jamboree film to be seen

Of special interest to all Boy Scout, Cub Scouts, their parents and the public is a meeting to be held next Tuesday, November 17 at 7:30 p.m. in the school cafeteria, as announced by District Scout Executive H. Shelby Berry, Brownfield, and G. Kenneth Davies, Plains, District

Commissioner of Boy Scout Work. Films of the 1957 Boy Scout Jamboree at Valley Forge, Pennsylvania will be shown. Mr. Berry said. There were Scouts from all parts of the U. S. and many foreign countries in attendance, he pointed out. The film will show Scouts taking part in every phase of the Jamboree, he added.

The next Jamboree will be held near Denver, Colorado in July 1960. Of the more than 250 possible reservations available for Scouts in the Quannah Park District there are only about 100 reservations left he hastened to warn. Every Scout, his parents and guests are invited and urged to attend this important meeting.

margin of just over 33 points. Figuring only district 5-A games, the results are about the same. For Sundown, it's 147 points against 40 points for averages of 49 and 13 and an average winning margin of 36 points. Plains' record against district 5-A teams in 121 points against 6 points for an average of 40 and 2 and an average winning margin of 38 points.

years, all of us regarded Plains as 'little old Plains,' that we have a fatherly feeling for it. But Plains is not what it used to be. It is growing fast."

County Clerk J. W. O. Alldredge is one of several we've heard say who intend to see parts of both county football games Friday. He says he'll take in half of each game. We wonder if he'll leave if the half-time score is tied up.

Very interesting to us and surely to others was the column last week by Leo White, the county agent. He offered very interesting comments on the cantaloupe situation in Yoakum County. We are off to a good start in this new crop and the future looks encouraging.

## CARD OF THANKS

We thank all our friends who were so wonderfully kind and good to us in the loss of our loved one. For the lovely flowers, the food and for every expression of sympathy and kindness. Words cannot express our gratitude.

## Junior gridgers have successful year

Coach Sam Mosley's Junior High Cowboys, hampered by the absence of one of their largest men, lost their game last Thursday to Class AA Seminole by a score of 38-16 to break a winning streak of 5 straight games without being scored on.

Seminole's team, numbering about 40 heavy boys to our 15 lighter ones, are experienced with most of them playing their third season while Mosley has 5 boys playing their first season. Every Cowboy played hard, but they were no match for the heavier and more experienced Indians.

The game ended the season for Coach Mosley's boys with 5 wins to 2 losses to Class A teams and was the only game played against a AA team.

The fans saw one of the best games the young Cowboys' have played this season the previous Thursday when every man on the squad played outstanding defensive ball to thrash Sundown's young Roughnecks for a 46-0 score.

Scoring was as follows: Roland Fairies 2 touchdowns, 1 on a 45 yard run and the other on a 63 yard pass and run from Mike Field; Olan Smith 2 touchdowns, on 73 and 60 yard runs; Field, one touchdown on a 3 yard plunge and 4 extra points; Larry Coffman, 1 touchdown on a 57 yard run; Donald Davis re-

ceived 2 extra point passes from Field (4 points); and Jack Lowe made an extra point run (2 points).

Coach Mosley has made every effort to match a game for his boys for this week, but has been unable to do so.

### Bi-district site will be set Friday

The winner of Friday night's game between Plains and Sundown will meet Roscoe a week later in the first game of the state playoffs. Roscoe completed its season last week with a 16-8 victory over Stanton to nail down the 6-A crown.

Salty Jones, coach of the Roscoe team which has won eight and lost two during the season, will be in Plains Friday night. He will meet with the coach of the winning team to decide the site for the bi-district clash.

Should Plains win, the Cowboys will probably seek to have the contest played at Big Spring. They played their first two playoff games there last year and were well pleased with their treatment.

Inez Culwell was absent from her job at City Hall the first of the week with a flu virus.

### Cowboys

(continued from page one)

championship.

The mighty Plains defense is led by Don Todd, 177-pound tackle who is completing the last year of his brilliant career. A strong candidate for all-state honors, Todd has been described as the top Class A lineman on the South Plains. He performs equally well on offense and is an outstanding blocker.

Harmon Meixner, offensive guard and defensive linebacker, is another top-notch defender for the Cowboys. A 166-pounder, Meixner has been a brilliant performer despite a head injury which has bothered him throughout the season. He is also a senior.

Doug Todd and Dick Cooke a pair of juniors, have come in for their share of glory in numerous times this season as great defensive players.

Other crack defensive hands are Vernon Ethridge, Joe Bob Oats, Walter Coffman and James Aberbering. Joe Don Marrow, who usually gets the headlines for his offensive achievements, is also a top-flight defensive hand. Probably no Class A team anywhere can boast of a better group of defensive performers.

While the defense has been so

outstanding week after week, the Cowboy offense has been no slouch. It has scored 303 points in the nine games, an average of nearly 34 points per contest. Primarily a ground team, the Cowboys have been paced by Marrow, the big junior fullback, who is the top scorer in the area. A trio of fine-running halfbacks in the persons of Ray Faught, Don Williams and Eldridge Tidwell has accounted for a large part of the yardage gained.

Quarterback Mike Sink, a guard last season, has performed masterfully during the year. He has added his passing skills to the ground attack of his backfield mates. Sink's passes are usually aimed at Coffman, the big senior end, and occasionally to Jack Meixner, another end, and Aberbering, still another pass-catching wingman. Marrow, Faught and even Coffman have also thrown some this season.

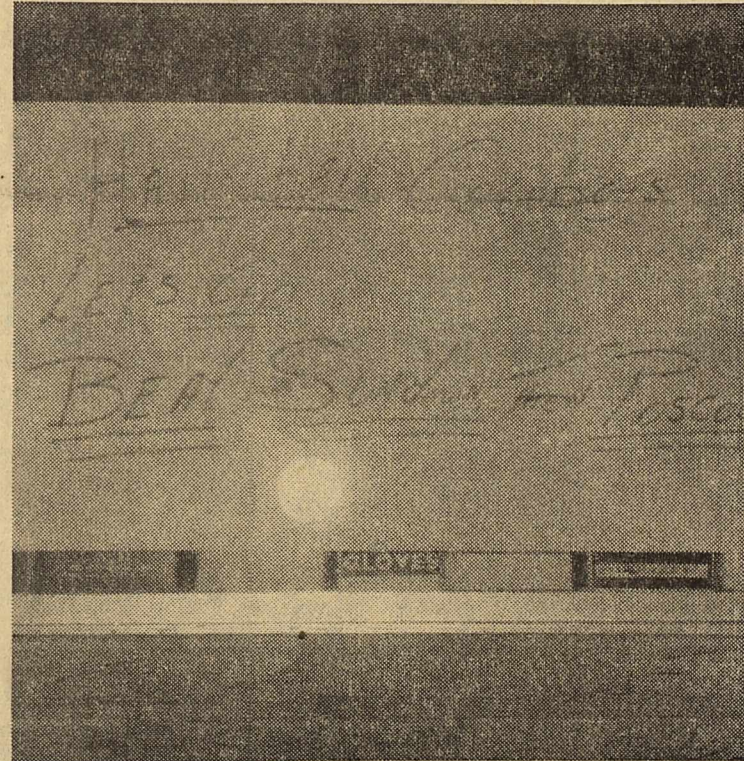

Against this aggregation Friday, Sundown will throw four great backs in David McInturff, Haskell "Butch" Davis, Robert Foster and Lewis Sessums. McInturff and Davis are both extremely fast and either is capable of going all the way on any play. Sessums, a 205-pounder, is a powerful runner with enough speed to break any game wide open. Foster, the quarterback, is at his best on the belly series as he always seems to make the right decision on the option plays. He is also a very capable passer.

Defensively, the Roughnecks do not match the Cowboys. But it must be pointed out that their offense has been so fantastic, they have never actually had to rise to any great occasion. In their only loss, to Denver City, Sundown held the mighty Mustangs to 29 points, a feat quite commendable when it is pointed out that is the Ponies' second lowest total of the year.

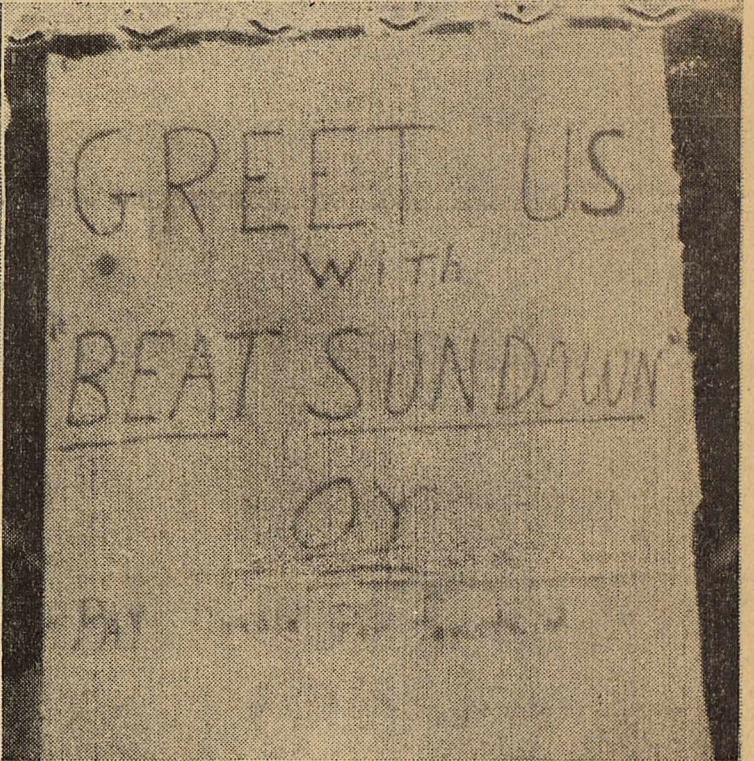

### CONGRATULATIONS

FOOTBALL FEVER reached an all-time high in Plains this week as fans anxiously awaited the game with Sundown. The picture at the left is one on display in the window of Plains Frozen Foods. The

television message is visible through the display window of Plains Electronics while the picture at right is of the message which decorates the entrance of Curry and Edwards Pharmacy.

### ACROSS THE CATTLE GUARD

by LEO W. WHITE  
County Agent

Things are shaping up pretty well for the Junior Fat Stock Show coming up next February 12th and 13th. Over 130 animals are expected to be in the junior show plus whatever breeding animals are brought in by the beef cattle men. The breeders will probably bring in 10 or 12 head of bulls and heifers to exhibit in that division. The 4-H boys and girls have 42 steers on feed to enter in the three steer classes. There will be 13 fine wool lambs and 17 mutton type lambs and there will be about 60 barrows. Barrow and lamb feeders have until the end of the week to get their animals bought and started on feed.

The pigs are not old enough yet to tell very much about but some of them are of good type and from good stock so we will have some good pigs in our show this year. The lambs and calves will, come in to an all day weigh day on Saturday, November 21st, and the general public is invited to come to the barns on that date to get a pre-show look at the calves and lambs.

One thing will be different in 1961. At a recent meeting of the board of Directors it was decided to cut out all crossbred animals from the show after this year. This does not mean that all stock but it does mean that they have to be purebred. In other words, an animal that shows evi-

dence of being crossed with some other breed will be rejected from the show. All the boys and girls will have this information in plenty of time to keep from getting in a jam. They will select only purebred animals to put on feed for the 1961 show and no culling will have to be done.

This business of doing away with the crossbred animals in the Fat Stock Show is going to make the classes look better. A judge would not hesitate to make an animal a champion even if he was a crossbred provided he was the best animal in the show. But breeders are proud people and when an animal of their particular breed is made champion they are more proud. A crossbred animal can be just as good as any other but he does not add much to the looks of a show and he does not contribute much to the looks of the breeds. When a purebred animal is made champion he does contribute something to his breed and is a result of breed improvement. The Livestock and Agriculture Improvement Association feels that one of their objectives is to improve the livestock in the area and that it can best be done by staying with any of the popular breeds. Some producers intentionally crossbreed their animals in order to get increased vigor.

The various breeds are now working on economy of gain and they have proven that they can breed up an animal in a purebred line that will outdo the average hybrid. At any rate, in 1961 we will have only purebred animals in our show and maybe our boys and girls will learn a little more about the various breeds.

## O'Donnell nails down third place in 5-A standings

O'Donnell pulled a mild upset Friday night with a 22-12 win over Seagraves to cinch third place in district 5-A. The victorious Eagles closed their 1959 campaign with a record of 5 wins, four losses and a tie.

Sundown ran over Seagraves, 45-8, to remain tied with idle Plains for first place. Sundown and Plains play for the championship this Friday while Seagraves and Frenship battle it out in a contest which will decide the fourth and fifth place teams.

Dr. May Gainer returned home last week following an extended visit with relatives throughout Texas and at Albuquerque, New Mexico since early in September.

Mr. and Mrs. Leslie Jones of Lamesa visited his sisters and other in-laws, Mr. and Mrs. Joe Cook and Mr. and Mrs. O. D. Smith, Sunday.

Mr. and Mrs. Bill Ashenbeck of Tahoka were guests of Mr. and Mrs. Ralph Nason Sunday. They are former residents of Plains.

Mr. and Mrs. Neal Hickman and family, accompanied by Olan Smith, visited relatives at Littlefield Sunday. They visited friends at Meadow enroute home.

## Cracker Barrel Bazaar is success

The much-publicized and carefully-planned Cracker-Barrel Bazaar conducted by the Tsa Mo Ga Club Monday evening, November 9 was deemed a success by club members and all those in attendance.

Mrs. Elmer Cross was the winner of the beautiful China Doll and wardrobe.

A number of the guests purchased antiques from Mrs. Bobby Lineberry of Midland who presented a large array of various types of gifts and souvenirs.

Hostesses Mrs. M. W. Luna, Mrs. Sherman Henard and Mrs. Bill Powell presented Old-time Fiddlers Carl Hazelwood and Garland Gainer of Tatum who furnished musical entertainment for the evening. Other guest musicians were Ollie Miller of Hobbs and Alton Lemley of Lovington. Mr. Gainer is a former resident of this county and Mr. Hazelwood is National Champion Fiddler.

Cold drinks, coffee and cookies, and crackers from little barrels were served by the hostesses during the evening.

The American Legion Auxil-

CARL HAZELWOOD, world champion fiddler from Tatum, was one of the entertainers Monday evening at the Cracker Barrel Bazaar sponsored by the Tsa Mo Ga Study Club of Plains.

## Nativity scene is now ordered

The order for the nativity scene to decorate the court house lawn during the Christmas season was placed this week, although sponsoring organizations are still short of their goal by about \$165.

Pledges have been received from the following organizations: Fine Arts Club, \$50; Tsa Mo Ga, \$75; Dirt Club, \$50; Tota Pi, \$50; Home Economics girls, \$10; Home Demonstrations Clubs (Turner, Stanford Valley and State Line), \$50; Chamber of Commerce, \$100, and Lions Club, \$50.

Contributions and pledges total \$435. The goal was \$600 and other donations are being requested, as well as organization, may make contributions at the Chamber of Commerce office. Total cost of the project is \$1,200 but the county has agreed to match any money raised.

## Housewarming honors Mr. and Mrs. O. D. Smith

Mr. and Mrs. O. D. Smith were complimented with a housewarming and Silver Anniversary tea Friday evening from 7:00 to 10:00 in their new home at 210 E. First Street.

Mrs. Mollie Courtney and Mrs. Ann Green alternated at the tea service while Mrs. Casey Brown served the lovely tiered white cake decorated with pink rosebuds.

The serving table laid with a pink linen cloth was centered by a silvered lace mat under a

crystal bowl holding 25 silver-ribbed candles amid a huge array of white chrysanthemums.

Many pretty gifts were displayed throughout the house. About forty friends and relatives registered in the guest book.

Hostesses for the occasion were Mesdames Ann Green, Mollie Courtney, Casey Brown, D. H. Kerby, and J. H. Snodgrass.

Mr. and Mrs. Smith have resided in Plains the past 11 years. He is buildings and grounds supervisor at the County Court-house.

Mrs. Garland Swann, Vice-president of the Tsa Mo Ga Club, expressed appreciation in behalf of the club to the people of Plains and surrounding towns for their help in making the affair such a tremendous success.

## Social Security benefits being paid at rate of \$120,000 annually in county

Social security benefits at the rate of \$120,000 a year are now being paid to residents of Yoakum County, according to an announcement made this week by John G. Hutton, manager of the Lubbock district office.

Hutton stressed that while the benefits are intended primarily for the beneficiary's economic security, the payment of social security benefits in Yoakum County helps business in the community generally because most of the money is spent immediately for food, clothing and other necessities.

As of February, Old age, survivors and disability insurance monthly benefits were being paid in the Lubbock district at the rate of \$9 million a year, Hutton said.

"Payments to a retired worker with no dependents, receiving benefits, averaged \$67.50 a month nationally in February, and to a retired couple—\$119.40 a month," Hutton said. The average for a widow with two young children was \$165. The maximum payment for a family is \$254.

"There were several reasons for the increase in beneficiaries over last year," Hutton said. The long-term growth of the aged population and of the proportion of the aged population eligible for benefits are important factors in the continuing increase in the number of beneficiaries. Other reasons for the increase of beneficiaries are found in the provisions of the 1958 Amendments to the Social Security Act which now make it possible for the wife, dependent husband, and children of a disabled-worker beneficiary to receive monthly payments. The amendments also provide for benefits to aged dependent parents of a deceased worker even though other survivors are entitled to payments.

Moreover, Hutton pointed out, it is now easier for a disabled worker to qualify for benefit payments. He no longer needs social security credit for 1 1/2 years' work in the last 3 years before he became disabled. If he worked under social security for at least 5 years out of the 10

## Harold Dee Carter enlists in Air Force

Harold Dee Carter, son of Mr. and Mrs. G. H. Carter of this city, has enlisted in the U. S. Air Force, according to M/Sgt. William J. Harl, USAF recruiter at Lubbock.

Carter, 17, attended Hereford High School. He will spend the next 11 weeks at Lackland Air Force Base, San Antonio, where he will receive training as a mechanic.

Mr. and Mrs. Carter are new residents of Plains having moved here two months ago. In addition to Harold Dee, they have two daughters, D'Lois, in high school, and Sharon, a first grad-

may be eligible for disability benefits.

"Increases in average benefit payments reflect the 7 percent raise in benefit amounts which became effective with the checks for January, 1959," Mr. Hutton said. Average disability benefit payments also reflect the elimination of the so-called "offset" provision in the old law. Disability benefits under social security are now payable in full even though benefits are also payable under State workmen's compensation or under some other Federal Government program.

## Fast, Even Drying--NO SCORCHING!

### The JOHN DEERE 458 Grain Dryer

See us for the finest in heated-air crop dryers. You can pay more, but you can't buy a better dryer than the John Deere 458. It's the only one with blending baffles, to mix and move grain thoroughly. You get uniform drying—no wasteful under- or over-drying.

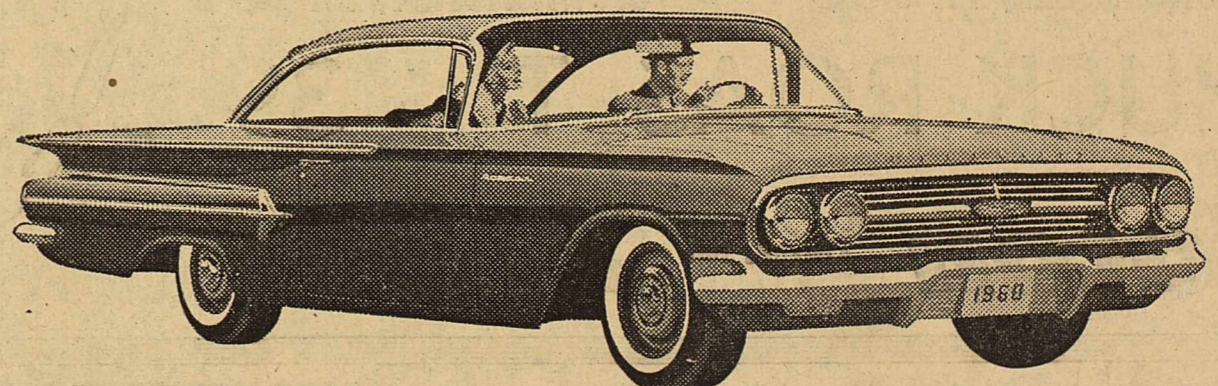

Check these features—full thermostatic control that keeps operating temperature constant; 4 million BTU burner for LP Gas; variable axial-vane fan (32,000 cfm at 3-inch pressure); 3-plow tractor drive; 115-volt controls; exclusive indicator lights; automatic safety controls. All are designed to John Deere standards.

Stop in and see the 458. The John Deere Credit Plan can help you get started drying this year.

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupe!

## PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars... and what they want most in their 1960 cars. Here's what the people tell us they want... and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscayne now include as standard equipment conveniences formerly optional at extra cost.

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full Coil suspension makes your ride.

"Safety—don't forget safety!" You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, unruffled way of going, from the solid *thunk* of Chevy's big doors. Of course, if you *should* need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"Me for a sweet-handling car." Handling's always been Chevy's forte, and

1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"... a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: *value*.
