PLAINS, TEXAS, THURSDAY, JANUARY 7, 1960

NUMBER 2

Plains Talk

By Wendell Faught

There are drive-in movies, drive-in banks, drive-in restaurants and so forth, but what someone needs to come up with are drive-in parking spaces.

Economists, politicians, scientists and financial experts are unanimous in predicting a prosperous 1960 and super accomplishments during the sixties.

Cars that don't need steering, shirts that don't need laundering, meals prepared in 60 seconds—these are a few samples of things we'll be enjoying during this decade, they say. And predictions of the past have been remarkably accurate.

But what about local predictions? One person's guess is about as good as another, but practically everyone is in agreement that Plains will attain its share of goals during the silver-lined sixties.

Care to dream? A population of 6,000, a school enrollment of more than 2,000, \$8 million in bank deposits, 150 businesses within the city—all these may come true before we say goodbye to 1959. Fantastic, sure, but no more fantastic than today's actual figures would have sounded 10 years ago.

Continued growth will present new problems and bigger problems, but history has proved on countless occasions that the best things are those most difficult to come about.

New businesses must be enticed into our city and those which have made our city what it is today must be given the utmost consideration and cooperation that they might continue to prosper, expand and prosper.

An added load falls automatically upon the people of Plains and the civic pushing organizations and individuals which have accomplished so much in the past few years. But the rewards will be greater and the incentive will surely drive civic workers to that extra effort.

An ever larger, more active, more responsible role will fall to our Plains Chamber of Commerce. Interest in this valuable organization must be maintained. Many, many cities in towns the size of Plains and much larger have allowed their chambers of commerce to die from lack of interest. Fortunately, ours appears to be getting stronger. But if we are to realize the full potential and possibilities of the coming years, more businessmen, farmers and interested individuals should join their chamber, get their teeth into the program of the organization and make it work.

The same might be said of other organizations within the city. Every club made up of men or women in Plains played a major part in helping us to attain our present stature.

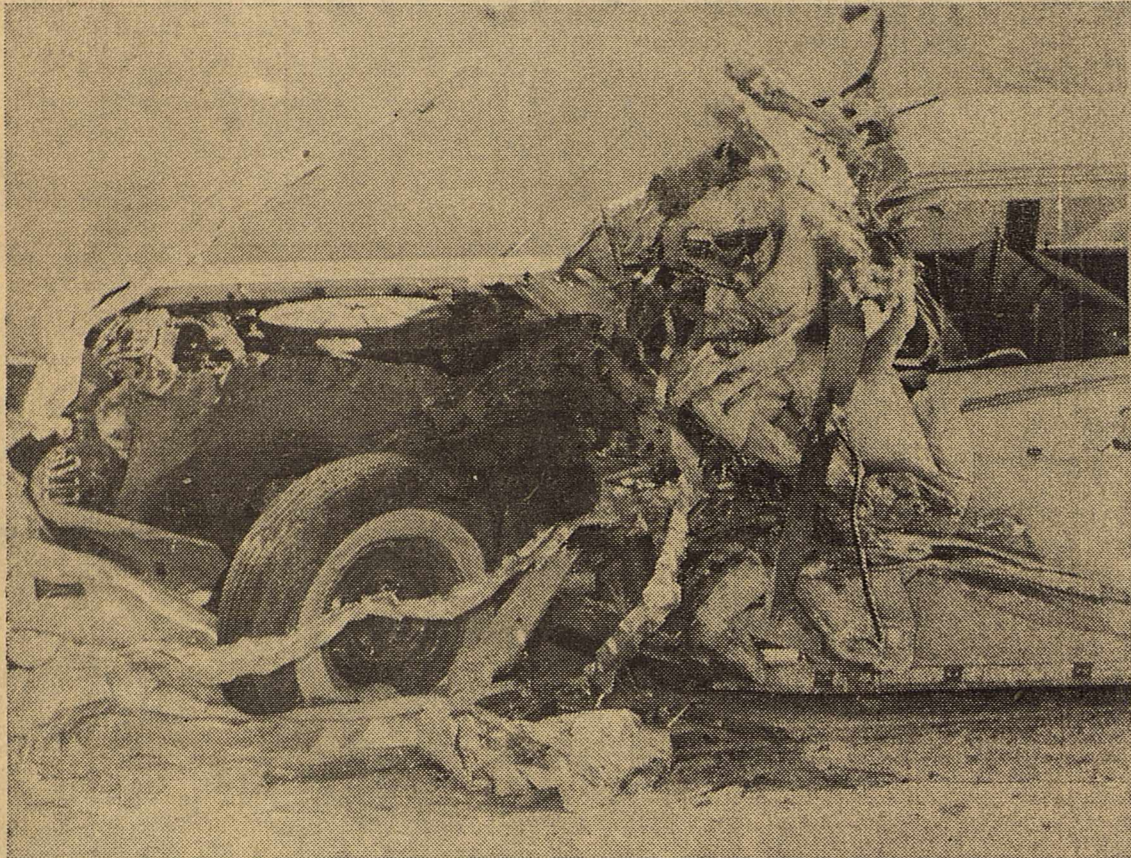

Local theatre re-opens Friday

Re-opening of the Mac theatre in Plains was announced Wednesday by H. H. Daniels who will operate the business.

The theatre which closed Saturday will resume operation Friday, Daniels said.

Daniels and his wife, who will assist him in operation of the movie, now reside in Denver City but plan to move to Plains in a short time. The new manager has had many years of experience in this type of business. He has a son associated with a Denver City theatre.

Two movies will be shown here weekly. One is to be shown on Friday and Saturday nights and the other on Sunday afternoon, Sunday night and Monday night.

UNTIL 10 P.M. TUESDAY this was a 1959 Mercury belonging to Leonard Stevens of Andrews. It is now a pile of junk on a Plains wrecking yard and Stevens is in a Denver City hospital

with serious injuries. The automobile hit a trailer house about 10 miles west of Plains, demolishing the trailer and its contents. Review photo.

Out-of-town men are injured in separate auto accidents

Two wrecks this week resulting in rather serious injuries to two out-of-town men & wiped out a beautiful safety record here as the new year showed signs of being a real lion for those interested in highway safety.

Both accidents occurred on the Bronco road west of Plains, one Monday night and the other Tuesday night. Yoakum County had just closed out its finest record in recent history. Only two traffic fatalities were recorded in the county during 1959. The Bronco road did not have

Plains merchant is found dead Monday evening

Mitchell Hyoman, 55-year-old Plains businessman, was found dead about 7 p.m. Monday in the living quarters he maintained in the rear of his store. An apparent heart attack victim, Hyoman was believed to have been dead 12 to 15 hours when discovered.

Owner of Roger Department Store here for the past two and one-half years, Hyoman moved here from Truth or Consequences, New Mexico. His wife, two sons and a daughter still live in the New Mexico city and another son resides in Alaska.

Discovery of the body was made by M. S. Weed, owner of a cafe next door to the department store, and a Latin-American who lives behind the store. The Mexican had seen Hyoman through the back door lying on a cot. He notified Weed and the two of them entered the building through the un-locked back door.

Workmen began a face-lifting job on the front of Hyoman's store building Monday morning. His failure to open for business that morning offered no suspicion as it was taken for granted he probably would not open during the remodeling.

Hyoman was last seen about 3 a.m. Monday at a local cafe. His death was believed to have occurred shortly thereafter.

Funeral services were scheduled to be held Thursday in Childress where he had relatives. Burial was to be there.

a serious accident during the entire year and got by its second consecutive year without a fatality.

Tuesday's wreck involved two cars and a trailer house. Leonard Stevens of Andrews is in the Denver City hospital as a result, his 1959 model Mercury is a total wreck, and a Kilgore couple lost a trailer house and practically all of its contents.

Stevens was traveling east about 10 miles from Plains when his car hit a slick place and starting skidding. The automobile slid into the path of a car occupied by Mr. and Mrs. Bradly B. Satterwhite of Kilgore. Stevens' car glanced off the Satterwhite car and then ripped into the trailer house it was towing. The entire side of the trailer house was ripped off.

Stevens was brought by ambulance to the clinic here and was then transferred to the hospital in Denver City. He was suffering from a badly-mangled left leg. Mrs. Satterwhite was treated for minor injuries and released.

In Monday's accident, a 37-year-old Lubbock man was injured seriously in a one-car accident eight miles west of Plains. W. E. Cary was admitted to the

Postal receipts show increases

Postal receipts at the Plains post office during the calendar year 1959 totaled \$14,455, an increase of more than 14 per cent over 1958 receipts. This information was revealed this week by R. C. Watson, post master.

Postal receipts include receipts from postage stamps, envelopes, postal cards and rental of postal boxes.

Last year's receipts totaled \$12,644. In 1957 they came to \$10,794, Watson said.

Not included in the total is the local institution's money order business which amounted to \$118,688.31 during the year. Money order fees totaled \$1,248.70.

Another item not included is \$3,277.65 in internal revenue stamps, tax stamps applied to real estate conveyances.

Denver City hospital with severe head injuries following the mishap which occurred about 10 p.m.

Deputy Sheriff Olan Heath who investigated the accident said Cary's 1955 model car turned over after the right rear tire on the vehicle blew out. He was the sole occupant. He was treated in Plains and then transferred to the hospital in Denver City.

It has now been six months See ACCIDENTS on page 3

Lamesa services held for father of local woman

Charles D. Coon, father of Mrs. Travis Been and Mrs. M. E. Welch, passed away at Throckmorton Saturday after an illness of several months. Funeral services were conducted at 10:00 a.m. Monday in First Baptist Church, Throckmorton, by Rev. Hanna, pastor of the church, with burial in Lamesa Memorial Cemetery at 4:00 p.m.

Mr. Coon, a resident of Dawson County a number of years prior to moving to Throckmorton where he has been engaged in ranching the past 14 years, had been confined to his home for several years.

He is survived by his wife, Mrs. Been, Mrs. Welch, and another daughter, Mrs. T. J. Hudson, Throckmorton; six sons, H. A. and R. A. of Midland, M. I. of Mansfield, H. B. of Lamesa, Nelson of Friona and C. D. Jr. of Albany; a brother, S. M. Coon of Eastland; 40 grandchildren and 27 great-grandchildren.

Attending the services from Plains were Rev. C. J. Coffman, G. W. Cleveland, Mrs. J. V. Been and Mrs. Rusty McGinty.

INJURED HAND

Robert Hampton is nursing a hand injury this week received when he slipped on ice at the City Light Plant Tuesday. Several stitches were necessitated to close the cut in the palm of his left hand. His wife is recovering satisfactorily following major surgery in Gaines County Clinic on Wednesday of last week.

cluded: Offensive team — Ronnie Srauder, Sundown, end; David Williams, Sundown, tackle; Jerry Caddell, Sundown, guard; and Ronnie Howard, Sundown, center.

Defensive team — Tom Crites, Frenship, and James Moore, O'Donnell, ends; Larry James, O'Donnell, and Don Taylor, Seagraves, tackle; Bud Blakley, Seagraves, middle guard; Tom Gardenhire, O'Donnell, Larry

Blakeman, Frenship, and Ronnie Evans, Sundown, linebackers; Joe Faulkenberry, Seagraves, and David Bessire, O'Donnell, halfbacks.

The honorable mention list included Jack Meixner, end; Doug Todd, tackle; Dick Cook, guard; Vernon Ethridge, center, and Don Williams and Mike Sink, backs, all of Plains.

Todd, Marrow, Meixner and Coffman all repeated as all-district performers, each having been named a year ago.

'59 City building permits reach new record here

Plains owes \$2 1/2 million on huge national deficit

Have you figured up your total indebtedness lately? Most people have, but it's a good bet about 99 per cent of them have overlooked a pretty big item — their part of the national debt.

The debt now stands at \$291 billion. That figures out to be about \$1,660 for every man, woman and child in America whether he lives in Plains or New York. So in reality, this \$1,660 must be multiplied by the number in your family and added to your other debts to get a true picture of what you owe.

To bring it down to a local level, the people of Plains owe right at \$2 1/2 million on the staggering debt. That's about three times as much as they owe the Plains State Bank. Men and women yet unborn will inherit this obligation as it is extremely doubtful any of us now living will see the day Washington balances its books.

But, there's good news! The Treasury Department announced last week it expects to reduce the debt by about \$6 billion in the next six months. If this comes to pass, you can deduct \$34 from your indebtedness for that's what it will mean to each individual. It'll mean some \$51,000 to all the people of Plains. This is a step in the right direction, but hardly impressive in relation to the unpaid balance.

Five days after the announcement of the possible debt reduction, on Tuesday of this week, the Treasury Department announced the sale of \$2 billion of

tax anticipation bills maturing June 15. The department also announced it would auction \$1 1/2 billion of one-year bills January 12. Of this \$3 1/2 billion borrowed, \$2 billion will be used to pay off one-year bills which mature January 15.

But officials are holding to their belief of a \$6 billion debt reduction by July. Confusing? They explain it this way: \$10 billion of the debt will be paid, even though part of the money

to do it must be borrowed. So the difference between \$10 billion and the amount of new obligations will be the amount of the debt reduction.

If Washington can operate within its budget and similar reductions can be made annually, the debt will be erased in about 42 years. All of which is doubtful indeed as most economists anticipate additional increases of borrowed money in the years ahead.

Cowboys open tourney play against Littlefield

Plains' unpredictable Cowboys, having undergone rough sledding in two previous tournaments, will attempt to salvage some of its lost glory this weekend in the annual Seagraves tournament. The Cowboys, who won the title of the Seagraves meet a year ago, play Littlefield in their first contest at 7:30 p.m. today (Thursday).

Other teams entered in the tournament are Denver City, O'Donnell, Tahoka, Morton, Slaton and Seagraves. The Cowboys hold victories over Denver City, O'Donnell and Seagraves in earlier games this season.

Despite being kicked by Denver City in the Brownfield tournament last Saturday, the Cowboys enter the Seagraves classic in the favorite's role. They hold two rather easy triumphs over Denver City. The rebounding Mustangs, however, who upset McAadoo in the finals at Brownfield Saturday night, must be considered co-favorites along with Plains and a re-match between these two Yoakum County teams during the tournament would not be at all surprising.

Opening games of the tournament will find Tahoka and Morton playing at 4:30 Thursday, followed by Denver City and O'Donnell at 6 p.m. The Plains-Littlefield tilt follows at 7:30 and Seagraves and Slaton close out the opening day's schedule in a game

beginning at 9 p.m. Championship semifinal games begin at 4:30 p.m. Friday with the finals scheduled for Saturday.

In the past the Seagraves tournament has been just a two-day event, but the extra day was added this year. Now, all teams will play in three games.

Services are held for W. H. Kelly

Graveside services were under the direction of Brownfield Funeral Home at 2:00 p.m. Monday for W. H. Kelly, resident of the Turner Community in the 1920s, who passed away Saturday in an Eagle Pass hospital.

Mr. Kelly and his family lived in Terry County after moving from Yoakum County, and from there to Quemado in 1940.

He is survived by his wife; six daughters, Mrs. Ross Black and Mrs. Earl Brown of Brownfield, Mrs. Alton Webb of Dallas, Mrs. J. B. Draper of Levelland, Mrs. Joe Whitley of Tustin, California and Mrs. R. E. Reynolds of Odessa of Brownfield, E. R. of Quemado and Harleith of Whittier, California; and several grandchildren and great-grandchildren.

Over half-million new construction noted during '59

Building permits issued by the city during 1959 totaled \$523,500, eclipsing the previous all-time record of \$437,450 set in 1957. The 1959 figure was almost three times that of 1958 when permits totaled \$128,450.

Not included in the total are buildings and improvements of tax-supported institutions. The total, for instance, does not include \$850,000 in school improvements now underway. By the same token, the 1957 figures do not include the city's generating plant, the city's water tower, the county library and additions to the First Baptist Church.

The 1959 building permits were issued for 38 homes at a total value of \$441,600. Construction of three new businesses totaled \$71,900.

Not included in the total are several projects just outside the city limits. The new Cowboy Grill, for instance, is outside the city limits. Several other projects, as well as homes, have been constructed in the fringe area.

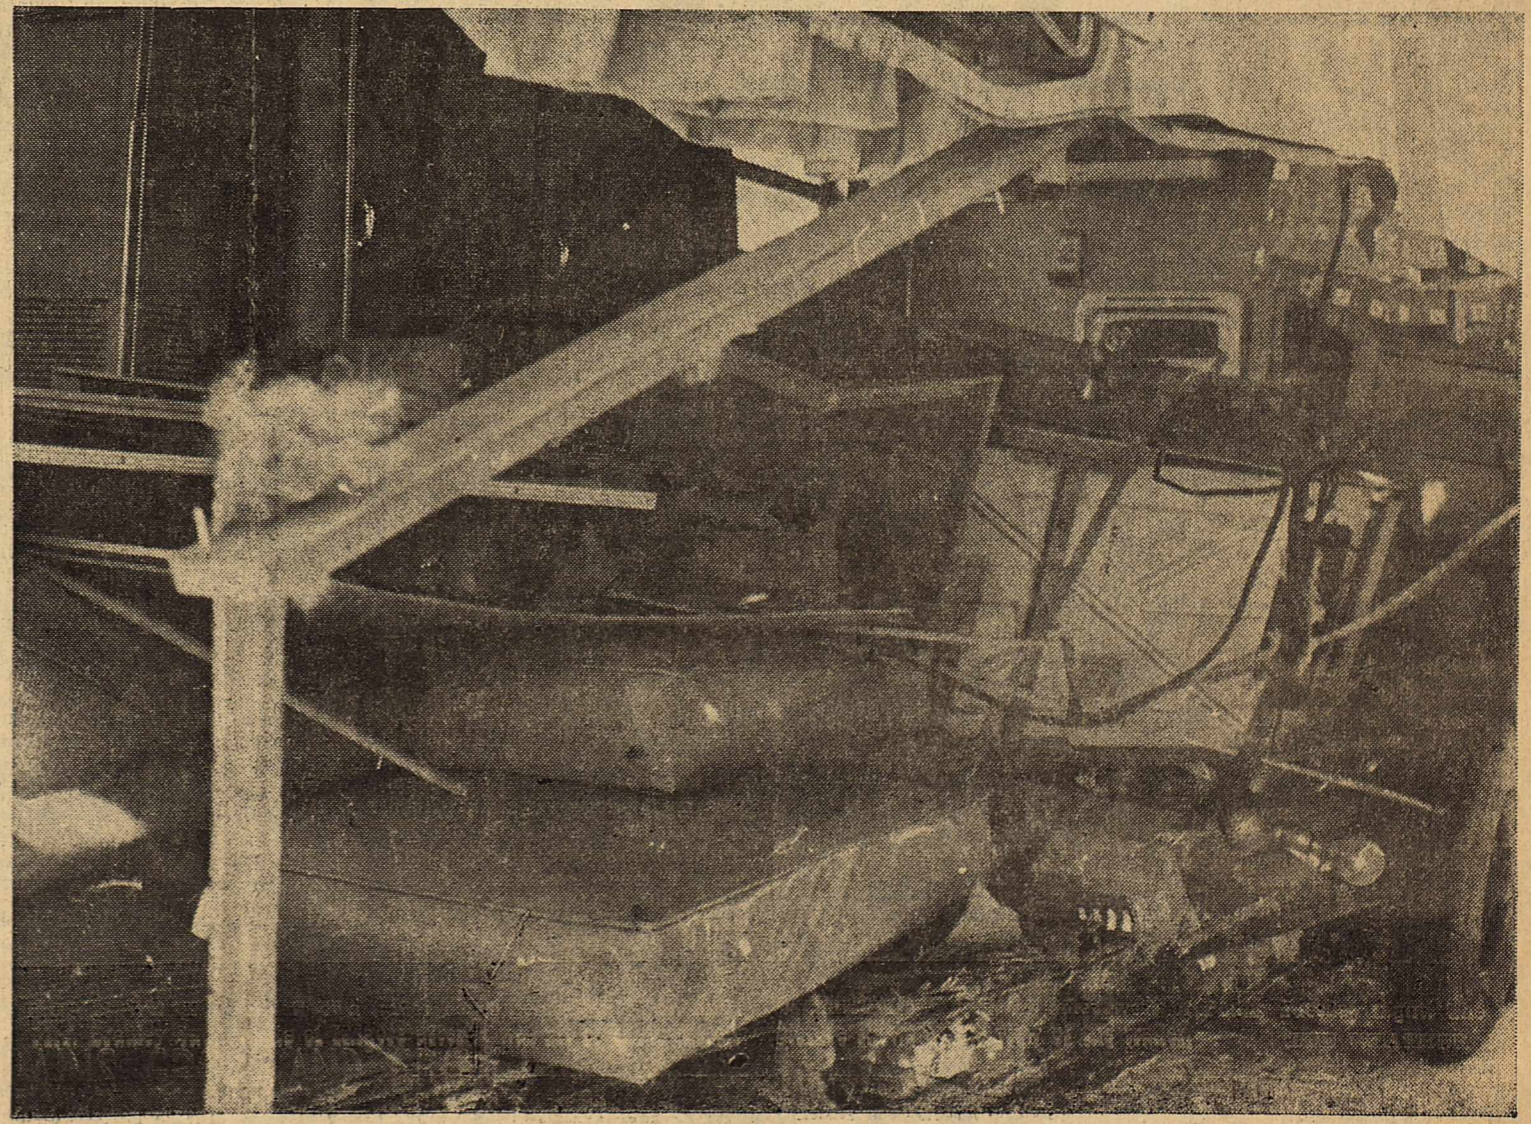

A number of other businesses and homes is contemplated for the immediate future, some of these also to be outside the city limits. One of the major projects of this nature is the cantaloupe processing shed to be built in early spring just west of Plains.

In addition to this, the city is now engaged in a \$75,000 gas system expansion with a portion of the total being used for work within the city. And the state is getting ready for widening of Highway 380 through the city limits, but no preliminary figures on the cost of the project have been released other than the nearly \$20,000 for curbs and gutters which was raised locally.

Cogburn-Young sale continued one week

Due to bad weather this week, the January clearance sale of furniture and appliances at Cogburn-Young in Plains has been extended through January 16.

Foy Cogburn said many people had already taken advantage of the sale, but stated that hundreds of bargains remained. Every item of furniture and all appliances are reduced for this sale, Cogburn said.

THIS IS WHAT WAS left of a trailer house belonging to Mr. and Mrs. Bradley Satterwhite of Kilgore after it was hit by a car driven by an Andrews man 10 miles west of Plains Tuesday night. The picture shows a side view of the trailer.

Cowboys place 5 on all-district team

Plains placed five men on the 5-A all-district football team which was selected Wednesday evening when district coaches met in Seagraves. Champion Sundown put nine performers on the offensive and defensive team.

Walt Coffman, end; Don Todd, tackle; Harmon Meixner, guard, and Joe Don Marrow, fullback, were named to the offensive team. Ray Faught earned a line-back position on the defensive team.

A 12-man offensive team was selected with the coaches listing five backs. Obviously, they felt it impossible to leave any of the four great Sundown backs or Marrow off of the select list. Robert Foster, Lewis Sessums, David McInturff and Haskell Davis, all of the Roughnecks, joined Marrow in the backfield. Davis and McInturff had been named to the all-state team earlier this week.

Other all-district selections in-

Sundown pair on all-state; 3 locals mentioned

Sundown's touchdown twins of David McInturf and Haskell "Butch" Davis were named to the 1959 all-state football team this week by the Texas Sports Writers Association. The Roughnecks were the only school to place two men on the all-state squad.

The Roughnecks' Lewis Sessums was selected to a backfield spot on the second team. And Robert Foster, the classy quarterback, missed the second team by a single vote.

Three members of the Plains team made the honorable mention list, headed by end Walter Coffman. Coffman, named earlier this season to the all-South Plains team, gathered 14 votes, which would have earned him a spot on the third team had there been such a group.

Don Todd, tackle, and fullback Joe Don Marrow each received three votes in the balloting. Todd was the Cowboy's leading defensive performer during the season and Marrow was one of the state's top scorers.

Several other players who performed against the Cowboys this

past season made the honorable mention list. They included Tom Crites, Freshney's fine end and a pair of Farwell backs: Carroll Huggins and Jerry Lovelace.

Top vote-getter among the backs was Farriel Culpepper of Katy's state champions who got 54 votes. McInturf, the squad's smallest performer at 138 pounds, was next with 31 votes. Top vote-getter altogether was tackle Tommy Stapp of Albany with 61 votes.

Mrs. Ralph McClellan, who has been a patient in Yoakum County Hospital the past two months, returned to Plains last weekend, but will enter a Lubbock hospital this week for further treatment.

Mr. and Mrs. Gary Billingsley of Valentino and Mr. and Mrs. Neil Billingsley and baby of Toyah spent the holidays with their parents, Mr. and Mrs. C. L. Billingsley.

Guests of Rev. and Mrs. C. J. Coffman and sons Sunday were Mr. and Mrs. "Red" Barry of Ontario, California and Mr. and Mrs. Carl Coffman and Pat of Lamesa.

GROUNDS AND SHRUBBERY of Stanford Park in Plains were coated with white Tuesday and Wednesday as a result of Tuesday's snowfall. Temperatures went as low as 7 degrees early Wednesday in the worst cold snap of the season. Review photo

Denver City trips Cowboys

Denver City, a rather easy sparring partner for Plains in two earlier meetings this season, turned giant killer Saturday in the Brownfield tournament, defeating the Cowboys, 65-53, in the second round of the classic. The Mustangs continued their surprising play in the finals by pulling another major upset over McAdoo to take the championship.

John Holcombe scored 19 points to pace the win over Plains. Jerry Goodwin scored 14 and Victor Coats added 11. Jack Meixner led the Cowboys with 16 points. Walter Coffman had 15 and Don Todd scored 12.

The Cowboys advanced into the second round with a smashing victory over Snyder, 57-44. In one of their finest performances of the year, Plains shot into a 19-10 first-period lead and stretched it into a commanding

41-18 bulge by halftime. Reserves played most of the second half and Plains held a 51-30 cushion going into the final quarter.

Vernon Townes to seek re-election to attorney post

Vernon A. Townes, Denver City lawyer, today announced his candidacy for a second elective term as County Attorney of Yoakum County. Townes was appointed County Attorney to fill the unexpired term of Paul New in 1955, and was elected to his first full term in this office in 1956.

He served as District Attorney for the 106th Judicial Dist-

ric before coming to Yoakum County, and is a Veteran of World War II, where he served as a bomber pilot in the Army Air Force, serving in combat overseas in the European theatre of war. After the war he graduated from Texas University law school in 1948, and has been actively practicing law since that time. The 37 year old attorney is married and the father of 3 children. He is a member of the First Baptist Church, a 32nd degree Mason, and is active in the Lions Club, Chamber of Commerce, and other civic organizations.

In announcing his candidacy, Mr. Townes said: "I have had several years experience as a prosecuting attorney, and as legal adviser to the Commissioners Court. I feel that experience and maturity of decisions are especially important to Yoakum County at this time. As we all know, the County is steadily growing and progressing, and I feel the legality of operation of this \$50,000,000 corporation is a matter of vital importance to us all. In conducting the affairs of your county attorneys office, I have always done my best to uphold the law by prosecution, and properly advise the commissioners court, our governing body, with correctness and impartiality. This I have done without political favor, and have always

felt my responsibility in serving the people in all parts of this county with honesty and fairness.

"The cooperation shown me while in your county attorneys office is greatly appreciated, and I will sincerely appreciate your support for my re-election." Pd. pol. adv.

felt my responsibility in serving the people in all parts of this county with honesty and fairness.

NOTICE

All interested persons are advised that the improvement of F. M. 2010 in the town of Bronco is being planned by the Texas Highway Commission.

Preliminary plans showing the proposed work are on file at the office of Carl R. Hart, Sr. Resident Engineer, Texas Highway Department, Brownfield, Texas. Any interested citizen may request that a public hearing be held concerning such proposed work and the economic effect of such improvement by delivering a written request to the Resident Engineer on or before January 12, 1960.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be given as to its time and place.

Published in Yoakum County Review December 31, 1959 and January 7, 1960.

Brownfield rites are conducted for Charlie Taylor, longtime resident

Funeral services for Charlie Taylor, longtime resident and member of a pioneer family of Yoakum County, were conducted at 2:00 p.m. Sunday in the Brownfield Nazarene Church with Rev. W. C. Wade, Denver City and the Rev. Mrs. D. Radler, Levelland, officiating. Burial was in Terry County Memorial Cemetery under direction of Brownfield Funeral Home.

Mr. Taylor, 54, left his ranch-house after noon to repair fences several miles away in the sandhills. When nightfall came and he had not returned, his brother, Alvin and Marvin Taylor, went in search of him, finding the body.

Justice of Peace E. S. Bandy

ruled that death came at about 6:00 p.m. of natural causes.

Survivors include two sisters, Mrs. H. F. Brooks and Mrs. Elmer Moulthan of Tokio; three brothers, Alvin and Marvin of Tokio and Ben of Denver City; and several nieces and nephews.

DANNY JOE ROBERTS, son of Mr. and Mrs. B. Roberts of Denver City, is Yoakum County's "First Baby of 1960" as a result of being born at the Denver City hospital at 1:42 p.m. on Jan-

uary 1, 1960. The mother is the daughter of Mr. and Mrs. Joe E. Wilson of Plains and is a graduate of Plains High School.

Mr. and Mrs. Loren Gayle and family have returned from a holiday visit with his parents at Perris, California and with other relatives in that area. They visited her sister and family, Mr. and Mrs. Sammie Russell, at Las Cruces, New Mexico enroute home.

Following a short business ses-

sion Monday evening, ten members of the First Baptist Church Brotherhood, as a body, attended the "Enlistment For Christ Mission" services at the First Methodist Church. A good number of other members of the church also attended.

Mrs. W. H. Adair, mother of Mrs. T. E. Coke, is improving in

St. Mary's Hospital, Roswell, where she has been hospitalized with a fractured hip since the first part of December. Recent surgery was deemed successful and barring complications she is expected to be moved to a private home in Roswell next week where facilities for her care have been installed.

Accidents

(Continued from Page One)

since Yoakum County registered a traffic death. In 1954, the county had 11 deaths, seven of them on the Bronco road. The 15-mile stretch of US 380 was once considered one of the most dangerous strips anywhere. Heath said this week there was not even a wreck bad enough to hospitalize anyone on the Bronco road during 1959.

After Yoakum County set its bloody record of 11 traffic deaths in 1954, added efforts on the part of the sheriff's department helped reduce the number of deaths to eight in 1955. Only five died on county highways in 1956 and four for each of the years of 1957 and 1958.

Mr. and Mrs. Andie Bandy and daughters of Lubbock were guests of his parents, Mr. and Mrs. E. S. Bandy on New Year Day. Visiting in the Bandy home on Sunday were another son, Mr. and Mrs. Leon Bandy, and family of Meadow.

Four new oil discoveries during 1959

Four new oil discoveries were registered in Yoakum County during 1959 as oil activity continued on a bright scale. For the entire West Texas area, there were 219 discoveries, a decrease of 16 over the 1958 total. West Texas had its smallest number of new discoveries since 1952.

The 1959 discoveries were scattered over 41 counties, compared with 45 the previous year.

The list of discoveries for 1959, with pool names and producing horizons follows:

OWNBY UPPER CLEAR FORK — Shell Oil Company No. 1 Granger, section 487, block D, John H. Gibson survey, pumped 188 barrels of 28 gravity oil and 32 barrels of water daily through perforations between 6,592 and 6,809 feet, after 3,750 gallons of acid and 13,000 gallons of fracture fluid (Upper Clear Fork).

SPIVEY SAN ANDRES — Brunner & Homes No. 1 Frost,

section 33, block D, John H. Gibson survey, pumped 123 barrels of 30.4 gravity oil daily from open hole at 5,350 to 5,378 feet, after 6,500 gallons of acid (San Andres).

FRITZGERALD WOLF CAMP — Pan American Petroleum Corporation No. 1 John E. Fitzgerald, section 430, block D, John H. Gibson survey, pumped 224 barrels of 42.3 gravity oil daily through perforations at 9,262 to 9,278 feet, natural (Wolfcamp).

HARTLEY SAN ANDRES — H. L. Lowe No. 1 Forkel, section 376, block D, John H. Gibson survey, pumped 69.04 barrels of 33 gravity oil, plus 3 per cent water, daily through perforations at 5,369 to 5,385 feet after 7,000 gallons of acid (San Andres).

Mr. and Mrs. Chuck Lewis of Lubbock were holiday guests of her parents, Mr. and Mrs. Frank Spencer, and Kaye.

Junior high teams score victories

Practice makes for improvement (later, almost perfect, it is hoped). At any rate Coach Sam Mosley's Junior High Basketball boys are making steady improvement. Both teams, 7th and 8th graders, were victorious over the Morton Junior High teams here Tuesday evening.

Ralph Meixner led the 7th graders in their 26-24 victory by looping 14 points, followed by Larry Coffman with 6, Jack Lowe with 4 and Freddie Carnley accounting for 2 points.

The 8th graders, playing much improved ball, outscored the visitors 30-25. Roland Paires led the local lads by placing 13 points in the nets before being fouled-off in the opening minutes of the third stanza. Larry Williams dropped in 7 points, Mike Field and Olan Smith made 4 points each while Bob Parker and Bob Taunton had 1 point each on free shots.

Ronnie Hendricks led Coach Jack Pierce's Freshmen to a 49-30 victory over the Morton Freshmen by netting 16 points.

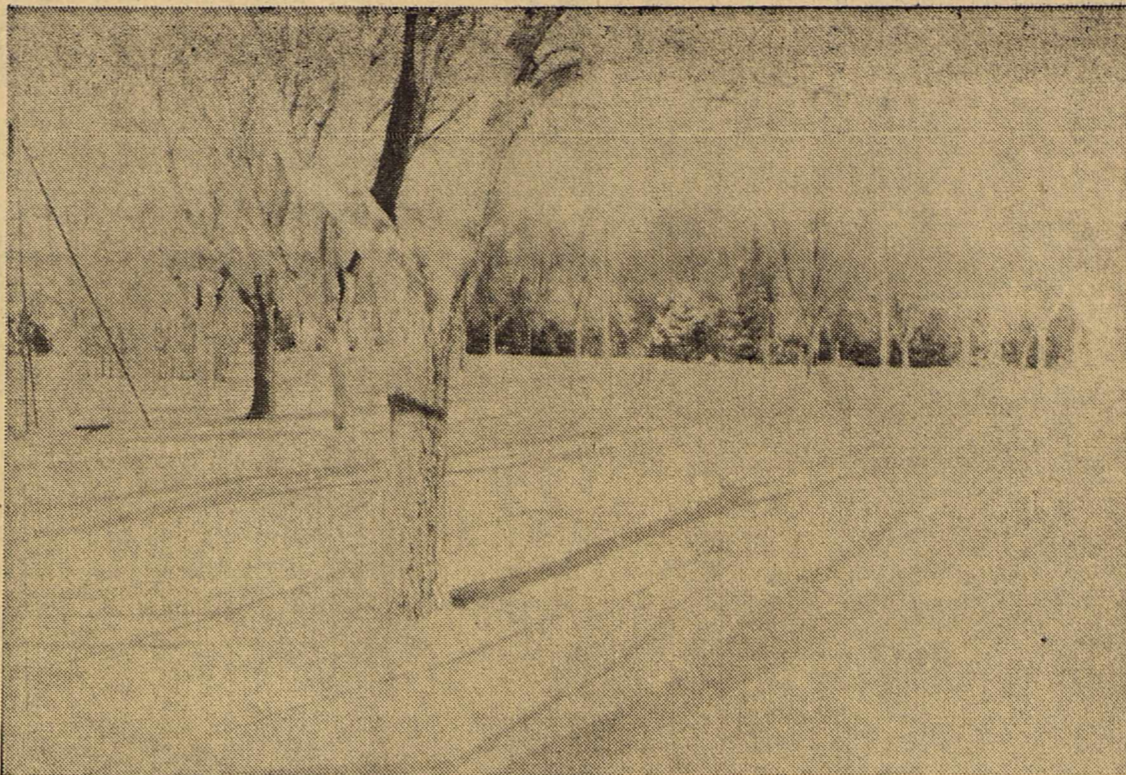

CONGRATULATIONS

Congratulations to Mr. and Mrs. Warren Roberts of Denver City on the arrival of a son (Mr. 1960 in Yoakum County) weighing 6 lbs. 14 oz., January 1, in Yoakum County Hospital. The young man has been named Danny Joe. Mrs. Roberts, the former Christine Wilson, is the daughter of Mr. and Mrs. Joe Wilson of this city and is a graduate of the local high school.

Preston Smith to seek re-election as state senator

Sen. Preston Smith of Lubbock announced today he will seek election to a second term as state senator representing the 11-county 28th Senatorial District.

Smith, 47, elected senator in

1956, was recently appointed to the Texas Legislative Council, one of the state's most important fact-finding and recommending groups. He is the first West Texas senator to serve on the council.

Senator Smith, his wife Ima, and their two children, Mickey, 19, and Jan, 15, reside at 2808-22nd St. Mrs. Smith is the former Ima Smith, daughter of Mrs. W. J. (Peck) Smith of Crosby County.

Smith, a business, has lived here since 1930. He was raised on a Gaines County farm, attended Lamesa High School and is a 1934 graduate of Texas Tech.

He is an active Mason and Shriner, and a member of the Lubbock Kiwanis Club, a trustee of St. John's Methodist Church and a director of the Salvation Army.

Smith's career in Texas government began in 1944 with his election to the Legislature representing the old 119th District. He was elected twice to this post, and in 1950 campaigned for the office of Lieutenant Governor, placing third in a field of 12 candidates and leading the tickets of 68 counties.

Among his activities in the Legislature, he was author or co-author of bills for better higher education, more hospitals, rural telephones, legislative redistricting to give West Texas true representation in state government, and was co-author of the Briscoe-Colson Farm to Market Road program.

During his current term as state senator, Smith has "emphasized many times, in every place possible, that Texas government belongs to the people. Any public official who believes otherwise is not of the proper attitude to serve his people."

"To keep state business from the people is to start a trend toward stronger, more authoritative boards and commissions which can enforce rules contrary to the will of the people of the state."

"A good example of this excessive board-strength is the current auto insurance plan enacted by the state insurance commission. The rate plan is being condemned in part for its complexities which adversely affect all drivers, even those with excellent records. Any policy that affects so many Texans deserves study by the Legislature, in order to bring the opinions of all citizens to bear on the problem."

"During the past three and a half years, my office has kept close communication with public news media to help keep state government activities before the people of this district. My feelings in support of 'openness of government' motivated me to sponsor a bill to require admission of news media to any meeting of any group charged with spending tax money."

"While Texas has taken big steps toward many worthwhile goals since 1956, the job in gov-

ernment is far from complete. There are new challenges resulting from Texas' progress. And my years of experience in state government make my duty clear to me. I shall become a candidate for re-election and pledge to continue to serve for West Texas' progress."

(Pd. pol. adv.)

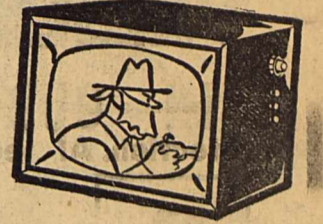

Wana, Jean Beach, 8-year-old daughter of Rev. and Mrs. Calvin Beach, is confined this week with pneumonia. Major surgery is planned as soon as the pneumonia is cleared.

Mrs. Emory Longbrake is back in the Chamber of Commerce office this week after being ill with the flu last week.

Mr. and Mrs. G. W. Cleveland and children, Sue and Dale, returned home Saturday after spending the holidays with Mrs. Cleveland's parents, Mr. and Mrs. L. L. Lassiter, and other relatives at Pauls Valley, Oklahoma. Mr. and Mrs. C. B. McCann of Hobbs were business visitors in Plains last weekend.

New Year's Eve party enjoyed by group

Mr. and Mrs. L. O. Heald, Mr. and Mrs. Foy Cogburn, Mr. and Mrs. S. Streetman and Mr. and Mrs. Robert Young were hosts to a number of their friends for a delightful New Year's Eve "42" Party Thursday evening in the Legion Hall.

A wonderful time was reported by Mrs. Mary Lane, Mr. and Mrs. Neal Hickman, Mr. and Mrs. E. W. Craig, Mr. and Mrs. John Anderson, Mr. and Mrs. Roy Fitzgerald, Mr. and Mrs. Clifford Maynard, Rev. and Mrs. Travis Boyd, Mr. and Mrs. J. W. Moore, Mr. and Mrs. Perry Anthony, Mr. and Mrs. Alfred Dennis, Norman Huddleston, James Cogburn and the hosts and hostesses.

Spiced tea, coffee, pimento-cheese and tuna sandwiches, cookies and a variety of cakes were enjoyed by all.

Shelia Smith and Darla Hickerson of Lubbock visited their parents, Mr. and Mrs. L. O. Smith and Mr. and Mrs. Oran Hickerson, over the holidays.

THIS BLOOD-SPLATTERED car was one driven Monday night by W. E. Cary of Lubbock which turned over eight miles west of Plains. The driver suffered serious injuries and is in the Denver City hospital. Review photo

Tsa Mo Ga Club meets on Monday

"Security from Relationship With Others" will be the program theme under direction of Mrs. Jack Hayes, Chairman of International Affairs for the regular meeting of the Tsa Mo Ga Club Monday evening, January 11, with Mrs. A. B. Carpenter and Mrs. Donald Lackey as hostesses.

The planned program: India and United States-Maturing Relations by Mrs. Norelle Sloan; China — Its Growing Woes by Mrs. J. R. Robertson; Canada's Boom on Parade by Mrs. Morris Lowe; The Truth About the Berlin Problem by Miss Sue Stevens; Miss D'Lynn McGinty will offer piano selections, "On the Beautiful Blue Danube" and "Song of India."

The club's nominating committee composed of Mrs. Marion McGinty, chairman, Mrs. Norelle Sloan, Mrs. Ruth O'Neal and Mrs. Gene Payne will meet this week and report at the January 11 meeting.

The Vogue Pattern contest will be held soon so we hope all members have begun planning a costume for this annual event.

Mike Nugent, 8-year-old son of Mr. and Mrs. Al Nugent, was admitted to Yoakum County Hospital Wednesday with an attack of appendicitis.

Mrs. H. G. Bedford and sons, Larry and Charles, visited her mother, Mrs. Winnie Weverka, at Roswell several days last week.

Bookmobile slates stops here Tuesday

The Texas State Library Bookmobile will be in Plains next Tuesday, according to an announcement made by James Greer, multi-county bookmobile librarian.

The bookmobile will be at the local library from 1 to 1:35 p.m. and at Plains Frozen Foods from 1:45 to 2:45 p.m. It will also be at the grocery store in Bronco from 9:30 to 10:15 a.m. and at the Turner Gin from 11 to 11:45 a.m. Tuesday, Greer said.

Mrs. Ann Green and Mrs. Lavin Smith were business visitors in Brownfield Tuesday.

FHA members hold meet Monday evening

Plains Chapter of Future Homemakers of America met Monday evening at 7:00 in the Homemaking Department of the school.

The officers gave their New Year's resolutions. Dixie McClellan, Kaye Spencer and Shirley Gayle gave very interesting reports on "What Youth Can Do For The Community."

D'Lynn McGinty gave an excellent proverb to close the meeting, "Men build houses, Women build homes." Linda Fitzgerald served refreshments of Cokes and cookies to: Linda Adams, Carolyn Bass, Marie Anderson, Donna Borland, Delous Carnley, Zoleta Brantley, Kayla Clark, Jean Burt, Chick Coke, Shirley Etheridge, Dana Dyer, Shirley Gayle, Linda Fitzgerald, Kay Gibson, Louise Heald, Ruth Hinkle, Peggy Hartman, Alice Hinkle, Sandra Lewis, Dixie McClellan, Barbara Meil, Judy Newsom, Jeanette Jones, Lela Parks, D'Lois and D'Lynn McGinty, Sandra Smith, Janice Powell, Sharon Smith, Kaye Spencer, Linda Salyers, Betty Stewart, Annette Sudderth, Nita Williams, Shirley Trout, Marsha White, Patsy Winkles and Letha Watson.

Funds are sought for widow, orphans

Friends of Ulee McPherson have started a fund to aid McPherson's widow and four orphaned children. McPherson, an employee of Honolulu Oil Company, and a part-time service station attendant in Brownfield was shot and killed in a holdup in Brownfield December 26.

T. C. Williams, superintendent of Honolulu's Wasson Field, explained: "We are attempting to raise enough money to help Mrs. McPherson pay off some of the heavy indebtedness which falls to her lot now that her husband is dead."

Williams explained that the victim was covered by insurance as an employee of Honolulu, but that the coverage did not extend to his part-time job at the service station. As for other insurance, he had none.

Williams concluded: "His family is in dire need. If you would like to help, please send your contribution to T. C. Williams, Box 229, Brownfield, Texas."

You can carve your own tombstone by chiseling in traffic.
