

## Plains Talk

By Wendell Faught

Some days it doesn't pay to get up and some weeks I wonder if it pays to get out a paper. Last week was one of 'em. Space problems cropped up when we lacked enough advertising to justify enough pages to take care of our news. As a result, a few news stories were left out. This always offends people and it is easy to see why. Then Mrs. McCargo brought in some film of the Tsa Mo Ga Museum and I ruined it in taking it out of her camera. Somehow our political column got fouled up and we listed only one candidate for commissioner of precinct 3, naming only Ty Field and leaving out the names of Rod Duff, Raymond Bookout and Bob Jones. In listing the names of those on the junior high honor roll we left out that of Sandy Randall of the seventh grade. So far, that's all we know of that we did wrong.

In the lower right-hand corner of last week's edition, we published a few remarks about the late Editor Hale under the heading "30". Some have asked the significance of the heading. The figure "30" is an old newspaper symbol meaning the end of that's all. When a writer completes a story, he will type "30" at the end to designate that is all. We felt it an appropriate heading in this instance and added a journalistic flavor to the tribute we attempted to pay to this grand old man.

Something else about last week's paper created comment. For some time we have carried the slogan, "Be a Booster . . . Help Plains Grow and Grow", across the top of the front page. Just for kicks, we changed it last week to see how many people would notice it. I don't have any idea how many did but a few have commented about it. For all you who didn't, the same line appears across the top of the front page today.

I know a certain woman who has some real ammunition to use in an attempt to sway her husband into buying her a box of candy for Valentine's Day. Seems she has been spending a lot of time lately listening to husband tell other men how they should buy their wives candy. If she does get it, and she feels this paragraph helps any, I ought to get a sample out of it.

It's a minor thing in the overall structure, but one thing I like about the new Plains State Bank building is that the doors can be opened by either pushing or pulling. Thank goodness everyone is not as clumsy as I for I always push those that should be pulled and pull those which should be pushed.

I've seen it in print many times and think I understand what is meant, but am still a little confused when I see someone's physical condition described as "serious but not critical." My dictionary says serious means critical. My wife says I have more important things to worry about.

J. E. Cooke, whose son Dick is local agent for distribution of the Avalanche-Journal, says they will soon have a coin-operated stand for the paper rack in front of the post office, the kind you have to put your money in before it will open. Receipts for last Saturday and Sunday, he said, were \$6 short. I've often wondered if people were really honest with those things.

## Tax collections 97.7 per cent in

An amazing 97.7 per cent of Yoakum County's taxpayers had paid their taxes by February 1, the date unpaid assessments became delinquent. That left the county with only about \$20,000 due in unpaid taxes, according to E. W. Craig, chief deputy in the county tax office.

Taxpayers have already paid the county \$858,682.16 of the total tax bill of \$878,876.81, Craig said. He described this fact as an outstanding record, although fairly typical for Yoakum County.

Taxes became delinquent February 1 and those who have not paid their obligations will be required to pay penalties of one and one-half per cent per month.

PICTURED ABOVE IS THE Memorial Museum of Plains which will be formally opened Sunday afternoon. This building was once the home of a pioneer county family and was donated to the

Tsa Mo Ga Club which has turned it into a museum. Open house is to be held from 2 to 6 p.m. Sunday and the public is invited to attend. Review Photo

## 15 men to seek county offices in May primary

### Museum opens Sunday

The Memorial Museum, located directly north of the Tsa Mo Ga Club House, will have its formal opening Sunday afternoon from 2 to 6 p.m.

This unique and interesting building, carrying the look of the typical "Bonus Shack", which indeed it is, was donated to the club by members of the Mrs. Annie Miller family. The Miller family moved to Yoakum County in 1915 and for many years lived in this little house, then located in the southwest part of the county. At one time this same house was the home of the family of Mr. and Mrs. T. E. Payne Sr., when they were running cattle on the Miller range in the early '30's.

Sue Stevens, a long-time member of the Tsa-Mo-Ga Club, Ben Miller and other members of the Miller family, possessing a keen interest in American Heritage and recognizing the importance of the preservation of objects and treasures relating to early life in the west, gave this little house in order that the people of this area and posterity could enjoy and keep alive the memories of those early days.

Club members moved the house into town and made plans to restore the building in the front, with antique posts and "ginger-bread" trim added. Shelves were placed in the "front" room, these shelves to house donated articles. The "Lean-To", or kitchen, has the original "Bachelor" Stove No. 7, and shelves and apple boxes used so many years by the occupants. Club members have been busy arranging, cataloging and cleaning the gifts and loan articles submitted.

A pair of antique white lace curtains, given by Mr. and Mrs. B. J. Smith of Denver City, were hung. Mr. and Mrs. Luther Nevels donated the doors, locks and galley posts. Members of the J. S. Webber family, Mr. and Mrs. W. B. Tudor, Mrs. W. H. Hague and many others have contributed priceless treasures.

Anyone wishing to donate or loan articles to this Memorial Museum, is urged to contact Mrs. P. W. St. Romain, Mrs. W. M. Luna, Mrs. C. F. McCargo or Mrs. R. B. Jones, who will be delighted to care for these articles, give them a home and share them with the public. Club members have "scoured" See MUSEUM on Page 5

## License plates on sale at county tax office

Sale of license plates for automobiles and other motor vehicles began Monday morning at the office of the tax assessor-collector in Plains. Vehicle owners have until April 1 to purchase their tags. It will be illegal to operate a vehicle without a 1960 license plate as of that date.

Two important changes are noted in this year's automobile tags. Colors have been reversed—that is the tags are black with white numerals, exactly opposite from those of 1959. And the pre-

fix for Yoakum County has been changed in part.

Most tags issued in Yoakum County will carry a prefix of BW, instead of BX as they did a year ago. At least, 3,074 of the county's 3,438 tags will have the BW prefix. These numbers run from 6925 to 9999. But the BX prefix will not disappear altogether as county tags with numbers from 10 to 374 will contain the BX prefix.

As was the case last year, some confusion may result between cars from Yoakum and Terry Counties, according to E. W. Craig, chief deputy in the tax office. Terry County motorists will also display the BW prefix, but numbers assigned there run from 1075 to 6924, Craig said.

Altogether, the local tax office received 5,602 vehicle tags of various types. These include those for cars, trucks, trailers, scooters, etc. During the past year the local office sold 5,317 vehicle licenses.

Sales during the past year sweetened the county's coffins to the tune of \$86,766.94, Craig said. In addition, the state received \$47,042.22 from tag sales.

Cost of the 1960 license tags will be determined from the same rate schedule used last year.

## Seven students on honor roll

Seven high school students completed the first semester of school with straight A averages, according to D. N. Taylor, principal.

Making the select list were Jo McClellan, Shirley Gayle, Mary Johnson, Barbara Meil, Roberta Snodgrass, Leta Stewart and Marsha White. All had straight A's in their five solid subjects.

Barely missing the honor roll were Mike Culwell, Linda Jones, D'Lynn McGinty, Sharon Stewart and Linda Watson, all of whom had four A's.

## New poll tax record set here

Poll tax payments by Yoakum County citizens reached an all-time record Saturday when the four-month period for payment came to a close, according to an announcement by E. W. Craig, chief deputy in the tax assessor-collector office. A total of 2,620 poll tax receipts were issued in addition to the granting of 56 exemptions, giving the county a voting strength of 2,677 in addition to those over 60 years of age who are not required to pay the tax nor to obtain exemption certificates.

This year's total better by some 300 the county's previous

poll tax record which was established two years ago. Last year, an off-year as far as elections were concerned, 1,657 paid their poll taxes.

Significant as far as Plains is concerned is the fact that 913 of the 2,677 voters paid their poll taxes or obtained their exemptions in Plains. A total of 1,763 did so in Denver City. These figures do not give an actual picture of the relative voting strength of the two areas because of the fact that some from Denver City paid their poll taxes in Plains just as some here did in Denver City. But neverthe-

## All prospective candidates file with chairman

Battle lines have been drawn, with 15 candidates officially in the running for five elective county offices in the May 7 Primary Election.

R. B. Woodward, democratic chairman of Yoakum County, announced on Tuesday that all of those who had previously announced intentions of seeking the five posts have notified him that they desire to have their names placed on the primary ballot.

In addition to the 15 who will be seeking county-wide nominations, Woodward has also been notified that nine other men will be seeking seven state or national offices with names to be placed on the Yoakum County ballot for the May 7 election.

Contests are shaping up in the races for five county offices, in the race for State Representative of the 98th District and for the office of Chief Justice of the Court of Civil Appeals, Seventh Judicial District, Amarillo.

Woodward said that following the expiration of the filing period on Monday it appears evident there will be no contests for Judge of the 121st Judicial District, District Attorney of 121st Judicial District, U. S. Congressman, State Senator, and Yoakum County Democratic Chairman.

The official filing roster, as announced on Tuesday by Woodward, is as follows:

For Sheriff — Olan Heath, Woody Sullivan, Vester Sanders. For Tax assessor-collector — Reese Wilkerson, W. W. Anderson, E. W. Craig.

For County Attorney — Vernon Townes (incumbent), Claude Freeman, Jerry Paquin.

For Commissioner, Precinct 1 — V. R. "Cowboy" Jones, Vance Brown (incumbent).

For Commissioner, Precinct 3 — Rod Duff, Robert E. "Bob" Jones, Ty Field, Raymond Bookout.

For Judge, 121st Judicial District — M. C. Ledbetter (incumbent).

## Farmers to talk about new gin

A called meeting has been planned for Thursday evening, February 11, in the Tokio school building for farmers and others interested in the possibilities of a cooperative gin in the surrounding area. Announcement of the meeting was made this week by O. A. Pippin who urged all interested parties to attend the session.

Roy Davis, manager of the Coop Oil Mill in Lubbock and a representative of the Cotton Marketing Association of Lubbock, will speak and answer questions.

Tentative plans call for the gin to be located in Yoakum County, Pippin stated.

Pippin explained that improved farming methods and the ever-increasing yields of cotton in Yoakum County were the prime factors in mounting interest in this type of gin. Cotton production here exceeded 30,000 bales last year, he said.

HIGH SCHOOL HONOR ROLL students for the first semester are, left to right, Jo Evelyn (Bass) McClellan, Leta Stewart, Shirley Gayle, Mary Johnson, Marsha White, Barbara Meil and Roberta Snodgrass. Review Photo

# The GLAD Way

Too long have we thought of The Way of the Cross as the "sad way." There may be sad moments along every noble path, but not all great ways are sad ways. The path of motherhood may have sad turns but it is a satisfying path. The path of education climbs some difficult and steep places but it is a thrilling way. Isaiah talked about the highway of God, where faithful servants passed on good errands. *The way of the Cross is the way one takes when he serves God.* It is not the "Sad Way" but rather the "Glad Way." Jesus came by way of the Cross, and the Book of Books on which the cross is planted, tells us to "take up our cross and follow." Whether atop the church steeple or on the highest mountain, it is *The Glad Way.* Heaven and God are at the end of that way. It is today aglow with the light of forgiving grace. *It challenges the weak to walk by faith and offers pardon to those who fall at its foot.* It is where Jesus prayed, "Father, forgive them; for they know not what they do." *It is The Glad Way.*

YOU IN THE CHURCH  
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministrations are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

## Tsa Mo Ga group to study sewing

"Fashion-Sewing For Club-women" will be the program topic of the Tsa Mo Ga Club to be held February 8 in the Clubhouse.

Planned in cooperation with Vogue Pattern Service, the program will cover the importance of sound wardrobe planning; the selection of styles, fabrics, colors appropriate for various figure types; and modern methods.

Chairman of the Fashion-Sewing program is Mrs. J. W. Moore. Interesting and informative displays of fabrics, sewing equipment and sewing fashions are being arranged by Mrs. Moore and Moore-Oden Dry Goods. The club is also planning special posters and demonstrations to emphasize essential points in the program.

Each member will be given a wardrobe planning booklet for her own reference. Mrs. Moore reports, and are urged to make and model a dress of her own even though she does not wish to be judged in the contest.

## Eastern Star group entertains guest

Mrs. Mildred Basenger, Deputy Grand Matron of District 2-Section 4, was honored guest at the regular meeting of Plains Chapter No. 862 Order of the Eastern Star, Monday evening, January 18.

A delicious salad supper was enjoyed by 30 members and visitors in the dining room of the Masonic Hall.

The Hall was decorated with beautiful floral arrangements and lovely pink roses centered the table.

Viva Hale, worthy matron, and Jesse Hale, worthy patron, presided for the meeting and presented Mrs. Basenger a lovely gift in behalf of the chapter.

Other out-of-town guests were Jerry Young, Bennie Pace and Hazel Jackson, all of Lubbock.

## Christian women held fellowship

Next week at this time many of the 4-H animals will be in the barns and almost ready for the show. People will be going up and down the aisles looking at the stock and trying to pick out the winners before the judge makes his official placings. That is just human nature. Everyone who likes to handle livestock likes to go to a show and try to select the winners ahead of the judge. It is the best way I know to keep up with changing trends in livestock.

I tried it at Odessa and I fouled up pretty well. I guessed the Grand Champion Calf but I missed some of the other classes. In the light weight class I had a calf picked out to win the class and another calf to stand on the bottom end. When the judge got through with the 38 calves he had my first choice in 21st place and the one I had picked for 38th was standing 12th. I felt that I learned something by taking a guess at the animals and I think the people here can learn something by trying to pick out the top animals ahead of time. It is a lot of fun.

People are prone to look at the names on the cards and see who owns the animals before they make their selections. It is true that the more experienced boys and girls are capable of doing a better job than some of the younger ones. Also, we have had several repeat winners in our show and people naturally take this into consideration. There is a possibility of having a repeater winner in our show again this year.

Oscar Henard was a two time winner in the lamb division but does not have a lamb this year. He won the barrow show last year and he has barrows again for the 1960 show. Jay Bryson, who is attending school at Texas Tech this year, is the only boy to be a two time winner in hogs. He had the Grand Champion in 1957 and again in 1958.

Billy Taylor, exhibitor of the 1959 Grand Champion lamb, is in the lamb business again this year and could possibly be another repeat winner. Corkey Coke exhibited the top lamb in 1958 and he has another good

## Locals . . .

Luther Nevels, who has been hospitalized the past two weeks with a coronary ailment and pneumonia, is much better according to a report on Wednesday. Mrs. Nevels was put to bed last weekend with flu and is improving satisfactorily.

Mrs. Ralph Bone is confined this week with double-pneumonia. Also confined at home with flu are Mr. and Mrs. Marion McGinty. Sid Mayfield was able to be out this week after being laid-up a couple of weeks with a severe case of flu.

Mr. and Mrs. Raymond Addison and family of Snyder and Miss Willie Mae Addison of Canyon spent Sunday here and visited their sister, Mrs. Jesse Dearing and new baby in Yoakum County Hospital.

lamb this year so there are two possible chances of having repeat winners in the lamb show.

In the beef calf division Dallas Powell was a four time winner. He had the Grand Champion calf in 1953, 1954, 1955, and 1957. Dallas is a senior at Texas Tech this year and still working with cattle on the Tech Farm. D'Lois McGinty and Marsha White are the possible repeaters for 1960. D'Lois exhibited the Grand Champion calf in 1958 and Marsha in 1959.

This makes a total of five boys and girls who are still in the business and have previously brought in a winner. Oscar Henard is the only one so far to be a winner in more than one division, having won twice with lambs and once with hogs. He is also feeding calves and there is the possibility that he could become a winner in all three divisions.

The boys and girls who win receive a great deal of praise and acclaim but those who do not win are the ones who furnish the strong competition by doing a better job each year than was done the year before. They too are to be congratulated for their efforts. After all, the most important thing the livestock show and the feeding program does is to train boys and girls to be the citizens of the future.

## Dwain Rowland home on leave

Specialist E-4 Dwain Rowland, U. S. Army, son of Mr. and Mrs. N. F. Rowland, arrived in Plains recently for a 30 day leave

DWAIN ROWLAND

after serving at Camp Casey, near Seoul, Korea, the past 13 months. He will report to Camp Gordon, Georgia on March 2.

Rowland, a 1958 graduate of Plains High School, joined the Army in September of that year and was stationed at Camp Gordon prior to going overseas.

He and his wife, the former Carol Anderson, will visit relatives here and his brothers, Newlon and family at Levelland and Doyle and family at Odessa, before going to Georgia.

## Former resident dies in Seminole

Frieda of Albert Alfred (Fred) Nolen, 44, was saddened to learn of his passing away at Seminole's Memorial Hospital at 8:00 p.m. Tuesday following an illness of several months.

Funeral services are being held at 2:00 p.m. today (Thursday) in South Seminole Methodist Church, Seminole, with Rev. Roy Carley, pastor, officiating, assisted by Rev. C. J. Coffman of First Baptist Church, Plains. Interment will be in Tahoka Cemetery under direction of Singleton Funeral Home, Seminole.

Mr. Nolen, a native of Tahoka, and his family farmed west of Plains several years prior to moving to Seminole in 1957. His wife was employed in the Soil Conservation office when they lived here.

He is survived by the wife and two daughters, Nell and Jackie Nolen of the home.

## Frenship meets leading Cowboys here on Friday

It took a long time, but the Plains Cowboys finally captured sole possession of first place in the district 5-A basketball standings Tuesday. And the very crew which made it such a difficult chore will invade Plains Friday night in an attempt to derail the Sewell express.

Frenship's unheralded Tigers take on the Cowboys here with the locals having every reason to want to prove their earlier loss to the Lubbock County school just wasn't supposed to be. That shocker two weeks ago is the only blot on the Cowboys' district record.

The defending champion Cowboys are now firmly in the driver's seat, but must be extra cautious because any of the three remaining district games could be stumbling blocks.

Next Tuesday, Plains goes to O'Donnell. The Cowboys then close out their district schedule on February 16 when they host Sundown. A February 20 date with Lovington will be the only remaining scheduled game after completion of district play.

## Mrs. Murphey is hostess to social

Mrs. T. J. Murphey was hostess to the Dorcas Sunday School class of First Baptist Church Thursday evening in her home.

President Mrs. Roger Harvey presided for the business hour. Mrs. H. W. Culwell offered the opening prayer. Roll call was answered with a beloved Bible verse. Following the reading of the minutes and treasurer's report, absentee cards were discussed and visitation plans were made. It was decided that the class would visit absentee members and new residents of the community in teams.

Mrs. Jack Hayes, class teacher, spoke on "Visitation, a Privilege and Duty" using the scripture, "As Ye Have done unto the least of these, ye have done unto me."

Secret pal names were revealed and gifts exchanged. New names were drawn.

Refreshments of sandwiches, olives, cake-squares, coffee and Cokes were served to Miss Mary Warren, Mesdames Odus Wal-

ser, W. M. Overton, H. M. Taunton, Neil Parks, Roger Harvey, G. W. Cleveland, John Camp, Preston and T. J. Murphey, H. W. Culwell, Ernest Carnley, Emery Longbrake, Tom Warren, Jack Hayes, C. J. Coffman, Loyd Coke, Amos Smith, and 5 visitors.

## Mrs. Overton directs garden club program

Mrs. W. M. Overton directed the program on "Trees and Shrubs Adapted to our Area" at the regular meeting of Plains Dirt Gardeners Club Thursday evening in the County Clubroom. Hostesses were Mesdames John Fitzgerald, Sallie Forrest and E. H. Goehry.

President Mrs. Clifford Anderson presided for the routine business session. Seventeen members present reported they had added 90 trees, 41 shrubs and 65 roses in their landscaping program for 1959.

With a report from all of the 40 members in the comparatively new club a commendable beautification program has been completed by this group.

Mrs. Bobby White had as her guest her mother-in-law Mrs. W. B. White.

## Plans are complete for next week's stock show

Plans have been completed for the eighth annual Yoakum County Livestock Show and Sale which will get underway in Plains Friday morning, February 12. Dean Emeritus W. L. Stangel will begin his judging chores at 10 a.m. when the first of the beef breeding cattle are led into the arena. Four beef cattle breeders are expected to bring in 10 head of registered animals.

Forty fat steers, 10 commercial steers, 31 lambs and about 65 barrows will be entered in the junior show. These animals are owned by 58 boys and 20 girls.

According to Leo White, county agent, the number of animals is not a great deal more than in previous shows, but the number of 4-H boys and girls participating is five more than the record number of 73 in 1959. Twenty of the exhibitors will be participating for the first time.

Visitors at the show this year will see the entries in the new commercial calf class. This is where one 4-H boy or girl feeds

as many as five animals on a commercial basis. Roger Campbell and Chip Bennett will each have entries in this new class.

Those animals will be located in pens on the north side of the Arena Building. They will not be groomed and fitted for show because they are to be handled in the same manner as commercial feeders would handle livestock. They will be judged as pens and the boys will receive ribbons and premium money. The premiums for this class are donated by the Yoakum Soil Conservation District, sponsor of this new class.

Mr. and Mrs. Charles Roseberry and sons have moved to Sudan. They have been farming west of town the past 6 years and will be greatly missed.

Mr. and Mrs. Lavon Smith and little son moved to Olton last weekend. Mr. Smith, employed by General Telephone Co., has been working in the Muleshoe-Friona-Littlefield area since September.

PARTICIPATING IN THE Mother's March of Dimes Thursday were: Mrs. Garland Swann, Mrs. T. R. Nordyke, Mrs. Dick McGinty, Mrs. A. B. Carpenter, Mrs. H. G. Bedford, Mrs. Tom Warren, Mrs. Clyde Waldrop, Mrs. Alex Lindt, Mrs. R. K. Field, Mrs. Casey Brown and

Mrs. C. F. McCargue; Alton McGinty, Betty Stewart, D'Lynn McGinty, Sheron Smith, Linda Taunton, Darlene McDonnell, Dorothy Taunton and Sylvia McGinty; Louise Health, D'Lois McGinty, Barbara Meil, Janice Powell and Pam Randolph.

## Culwell relative buried Thursday

Funeral services were held at Avoca, Jones County, last Thurs-

day for Rev. William Matt Culwell, uncle of H. W. (Punk) Culwell, who died Tuesday in a Lamesa hospital shortly after suffering a heart attack at his home.

Rev. Culwell a member of the Oddfellows and a Mason, has assisted with revivals in the Plains Methodist Church as song-leader and has pastored churches at Sundown, Anton, Muleshoe, Jayton, Sweetwater and was pastor of the Sparenburg church near Lamesa, at the time of his death.

Burial was in the Avoca Cemetery. He is survived by his wife; a daughter and son; three grandchildren; a sister and a brother, Punk's father.

Punk and family were unable to attend since their son, Vaughn, was a patient in Yoakum County Hospital.

Mr. and Mrs. Clifford Hartsell of Sundown visited Tuesday in the home of Mr. and Mrs. W. L. McClellan. Mrs. Hartsell is a niece of Mrs. McClellan.

## Aspirin-eating child doing well

What could have been a serious home accident this week may well serve as a precautionary reminder to mothers of small children.

Denise, 22 month-old daughter of Mr. and Mrs. Dan Houck, with childish curiosity climbed to the cabinet and found a bottle of baby aspirin Tuesday morning. When her mother found her she had no way of ascertaining how many she had eaten from a comparatively new bottle, so she rushed the tot to Plains Clinic. Dr. Lynn was in Denver City caring for his hospitalized patients.

She was carried there where the stomach was pumped. She suffered no ill effects and was playing as usual Wednesday.

## Cotton delegates to be named here

Local delegates to serve on the board of the all-important Plains Cotton Growers, Inc., will be elected Monday evening during a meeting of the newly-organized Soil Fertility Association. The meeting begins at 7:30 p.m. in the county court house. All persons interested in commercial fertilizers and the Plains Cotton Growers, Inc. are invited and urged to attend.

At the present time, Rod Duff and Bill Loyd represent Yoakum County on the board of the cotton organization. One farmer and one businessman will be elected to replace these members. Each county on the South Plains has a farmer and a businessman on the board.

Refreshments of coffee and cookies will be served those attending Monday's meeting, compliments of the four fertilizer dealers in Yoakum County.
