PLAINS, TEXAS, THURSDAY, APRIL 7, 1960

NUMBER 15

— AN EDITORIAL — We got growing pains

Plains is having growing pains—and there is nowhere for it to grow at present. In the past several weeks there have been numerous inquiries from potential businesses seeking places to rent or lease. Many of these businesses we need—not only for their services but also for their aid in our future growth.

Besides business sites needed there are also rentals needed which include furnished and unfurnished apartments and houses. At present the Chamber of Commerce has been listing rentals free of charge and have been able to rent most of the listings.

If you have a vacant building suitable for businesses or if you are interested in building an office space please contact the Chamber of Commerce or the Review. Also we need more listings of available rentals. So call us today.

We are pleased to see that plans are underway to work out ways and means of lighting our main street. This can be one of our best advertising points for future growth. We hope that the entire town will take part in these plans for the betterment of Plains.

Plains' track teams get ready for district

The Plains High School Varsity team along with the Junior High team will go to Andrews this Saturday for the District 5-A track meet. According to Jack Pierce the local boys will stand a good chance of capturing the district title again this year.

For the past four years Plains has walked off with the district honors. Pierce said his strongest opposition will be with Sundown who won every meet that they have entered this year.

On last Saturday Plains took eighth place in the Hale Center meet by racking up 25 and a third points. This meet was one of the largest held.

The sprint relay team composed of Williams, Faught, Cooke, and Morrow came in first which gave the locals the majority of their points.

Also placing in the meet was Don Williams who placed fifth in the 100; Don Todd who placed sixth in the shot put; and Sam St. Romain who placed sixth in the 880.

Norman Huddleston ran sixth in the mile and Butch Hawkins tied for fifth and sixth in the

pole vault. The local schedule calls for Don Williams, Dick Cooke, Ray Faught, and Don Todd to run the 440 relay. Don Williams, Dick Cooke and Don Todd will do the 100 yard run. On the track for the 120 high hurdles will be Walt Coffman, Larry Smith and Joe Don Morrow. Don Williams, Don Todd, and Ray Faught will run the 220 and Joe Don Morrow, Walt Coffman, and Vernon Ethridge will run the 440.

Slated for the mile run are Sandy Canales, Norman Huddleston, and Mike Sink. Walt Coffman, Larry Smith, and Vernon Ethridge will try for the 180 low hurdles. On the 880 will be Sam St. Romain, Doug Todd, and Jack Meixner. Running the mile relay will be Joe Don Morrow, Ray Faught, Doug Todd, and Ray Loeving. Throwing the shot will be Don Todd, Ray Faught. Throwing discus will be Harmon Meixner and Walt Coffman.

Trying for broad jump honors will be Walt Coffman and Larry Smith. Pole vaulting will be done by Walt Coffman.

Cemetery gets entrance

The Yoakum County Cemetery is getting a new brick entrance. The structure is being built by Mr. G. W. Cleveland and the materials is being furnished by the Association. The new entrance is located on the land donated to the group by D. E. W. Jones.

The fence which encloses the ten acre cemetery was donated and built without cost to the Association. The shrubs which are planted on three sides was also bought by the group. There are

now lots available for sale on the northwest quarter.

According to Mrs. Glen Cleveland, secretary of the Association, there are still several members who have not paid their yearly dues. She urged that anyone wishing to pay their dues or donate money for the project please contact her.

The cemetery is one of the oldest in this part of the country. The original land for the cemetery was given to the county by Mr. W. J. Luna. His wife

Light vote cast in city

Local school election has heavy turnout

In the Plains Independent School Trustee election held Saturday T. J. Murphy, G. W. Cleveland, Johnnie Fitzgerald and Ford Hawkins were elected out of eight candidates.

Heading the list of vote-getters was Murphy with a total of 152 votes. Murphy was one of the four incumbent board members seeking re-election.

G. W. Cleveland received 132 votes. Johnnie Fitzgerald received 131 votes and Ford Hawkins received 120 votes. Hawkins was seeking re-election.

Two incumbent board members, Ty Field and Paul Cobb, received 116 votes and 100 respectively.

Others in the race was Pat Henard who received 104 votes, and Carl Lowery who received 83 votes.

Total number of votes cast were 240 which made this election one of the heaviest in recent years.

Board members who's term expire in 1961 are Morris Lowe, Garland Swann and Olen Edwards.

Elected County School Trustee was D. J. Dupree from Commissioner's Precinct I.

Pinewood Derby enjoyed by local scouts, guests

A highlight of the year's program for Cub Scouts of Pack 78 was the Pinewood Derby held Friday evening in the American Legion Hall with Gary Liles of Den No. 3 winning the championship. Officials of the derby were:

Wyatt Lipscomb, Bill Kennedy, Roy Stockstill and Neil Taylor.

Twenty-two racers were whittled, sanded, painted and polished by the boys and their dads since pine blocks were distributed to the boys at den meetings several weeks ago. Though the maximum weight of a racer was 5 ounces, the cars weighed from 2 to a scant 5 ounces. No oil or graphite was allowed on the models.

Three top winners in Den No. 3 were Gary Liles, 1st; Alton McGinty, 2nd; and John Lowe, 3rd. Top winners in Den No. 1 were Barry Nelson, 1st; Wayne Wauson, 2nd, and Rusty Stockstill, 3rd.

It was difficult to ascertain which were getting the greater "bang" out of the races, the Cubbers or their dads, as they all crowded close to the 30 foot track. Beyond a doubt, the interest will be much keener and models more uniform next year since the youngsters have learned a lot about their racer's construction.

Refreshments were served to approximately 70 Cubs, leaders, See SCOUTS on page 6

Prizes to be given in giant Easter egg hunt

Final plans were made Tuesday concerning the giant Easter Egg hunt planned for the youngsters of the Plains' area. Over 400 eggs will be dyed next Tuesday night by the Iota Pi Club and their guests.

The egg dying party will be held in the home economics room at the high school. The eggs will be kept in cold storage until next Friday afternoon when the "Easter bunny" will hide them in Stanford

Park for the youngsters.

This year the bunny will outdo himself as a multitude of prize eggs will be hidden among the brightly colored eggs. The prize eggs are being donated by Plains' merchants. The ones finding the prize egg will take it to the sponsoring store where they will receive a prize.

Among the prizes to be given will be clothes, candy, gum, toys, haircuts, and in some instances, money. Any merchant wishing to have a prize egg hidden please contact the Review office. The prize need not be over \$2.50 in value.

The hunt will be given in three stages. The first will begin at 2 p.m. Friday, April 15 for the pre-school children. The second hunt will begin at 3 p.m. for the first to the third grade and the last hunt will begin at 4 p.m. for the fourth to the sixth grade.

On hand to help the bunny will be members of the Chamber of Commerce, Iota Pi and the Review office.

For those children not having any luck finding eggs there will be plenty of candy eggs available.

DALLAS POWELL

Dallas Powell put on Student Council

Dallas Powell, son of Mr. and Mrs. Bill Harris Powell, has recently been elected a member of the Texas Tech Student Council. He will represent the School of Agriculture where he is a senior animal husbandry major.

The student council consists of approximately 30 students representing each different school within the college. The Council members are the governing body for the entire student body. They work with the Board of Directors and the president of the college in solving problems that arise concerning the student body.

In Tuesday's city election only 84 votes were cast for the four places on the ballot. In a write-in campaign former city marshal O. D. Smith was elected city marshal with 44 votes. In the mayor's and alderman's race Roger Curry, Kenneth Hale and R. D. Romans were elected. They were running unopposed.

Roger Curry received 79 votes; R. D. Romans received 77 and Kenneth Hale received 68 votes. Hale and Curry were incumbents.

Billy Kennedy, former city marshal, received 15 votes and Frank Ellison received 15 votes in the marshal's race.

Smith was former city marshal three years ago. He had held the post for 5 years.

In other parts of the South Plains area an elderly Negro minister L. L. Dixon was elected into the City Commission in Slaton. He was carried into office by a heavy coalition of Latin and Negro voters. In Slaton's school board election Saturday a Latin American backed by the same group was defeated.

In Brownfield Jess McWhorter got 838 to defeat P. R. Cates in the mayor's race. A record number of votes were cast.

Voters will be getting a short rest before the May, State Democratic Primary election.

C. of C. proposes street lighting on Highway 380 within city limits

At their regular meeting Thursday night, the Plains Chamber of Commerce discussed the possibility of street lights along Highway 380.

A committee composed of Roger Curry, Joe Curry, and Pete St. Romain were named to investigate the cost per pole and ways and means of financing the project.

Street lights would be installed along the highway through the business district. It was agreed the lighting would benefit the entire town as it would be good advertising for Plains, increase the land value, and make business sites more attractive.

It was pointed out that the

The fifth grades have field trip to Carlsbad

Between four and five o'clock on Saturday, April 2, 70 boys and girls were climbing out of bed in wild anticipation as to what the day would bring.

Out of the 70 only about 20 had ever been to visit one of the seven great wonders of the world—the Carlsbad Caverns.

They met, 70 children, two drivers two teachers, six parents, and our principal and bade Plains goodbye about 6:30.

The trip down to the cavern was very uneventful. The children either sang songs, ate, or read. We arrived about 45 minutes before it was time for the group to go through. This gave us time to get refreshments, visit the Curio Shop, and look around.

At exactly 11:00 A.M. Central Standard Time, the group started through. There were awe and excitement as they started descending into this mammoth cavern.

Some children picked out forms that resembled things and called attention to those around them. Others just exclaimed at the quiet beauty that shrouds the interior.

Exactly 4 hours after entering, they were lifted out from the bottom by elevators and placed on level ground once more.

The children were then allowed to go shopping in order to bring back a souvenir for themselves or someone at home.

About 4:30 they started home, tired but still excited group, babbling about what they had seen.

Those attending believe the trip was worth many times the amount that it cost. We want to thank the parents, bus drivers, principal, and especially the school board who made the trip possible. Also the teachers wish to express their appreciation to the children who conducted themselves so well.

Adults making the trip with the youngsters were: Mesdames Myrtle Patterson, J. E. Cooke, Allen Rollins, Bob Alberding, Alton Elmore, Jesse Snodgrass, Neil Taylor and Mistery Roy Stockstill, Foy Cogburn, Leon Lewis and Joe Bass.

Methodist church building is nearer

Finance chairman A. B. Carpenter reports that the finance committee of the church met Wednesday, March 30 at which time a resumé of the financial status was made by Mr. Carpenter. According to the findings of the building of the new sanctuary is clearly in view and construction should begin not later than May 1. He urges everyone interested in making payments to the fund to give same to Mrs. L. O. Smith, church secretary or those with financial questions contact committee members, Roy Stockstill, Ford Hawkins, Jesse Hale or Foye Flood.

Questions concerning the architecture or construction should be addressed to members of the Building Committee: Chairman L. O. Smith, Leo White, Mrs. H. F. Barnes, Mrs. R. K. Field or General Chairman R. K. Field.

Every interested person, as well each Methodist, are urged to share in this program for working together and sacrificing for the building the church will be strengthened.

The W. S. C. S. were hosts for the church social Wednesday Games of "42" and canasta were evening in Fellowship Hall, enjoyed by all. Refreshments of pie, cake and coffee were served to 29 people.

Mrs. Donald Lackey, Mrs. W. O. Spencer, Mrs. Kenneth Hale, Mrs. Edward Taylor and Mrs. Leo White attended the Vacation Bible School Institute in Denver City's First Methodist Church Wednesday, April 6.

Corsicana, Texas, Yoakum County Review:

Thanks for your card notifying us that it's time to "pay up again". Enclosed is our check in the amount of \$4.50.

Also enclosed you will find our latest financial statement of the Navarro Savings and Loan Association of Corsicana.

If you see Murphy Luna you might show this statement to him—He and Lillian were very dear friends of my father and mother when we lived in Plains a long time ago. My father helped organize Yoakum County.

I enjoy the paper not only to watch the oil news but there are a lot of the "old-timers" names that are familiar to me. I think the Review is an unusually good weekly paper.

MISS SEALY HONORED

Miss LaVern Sealy was honored with a party for her 14th birthday when her parents, Mr. and Mrs. Mack Sealy, entertained about 30 of her friends Saturday evening in the County Clubroom.

The teenagers enjoyed games and played records. Refreshments of delicious cakes and Coco-Colas were served by the hosts.

All of Mrs. T. E. Coke's children visited her during the weekend. They are Earl Coke of Midland, Mr. and Mrs. Arlan Coke and family of Tatum, Mr. and Mrs. Clyde Coke and family of Denver City, Mr. and Mrs. Dupree Woodruff and Cristy Jo of Seminole, and from Plains, Mr. and Mrs. Pat Henard and Oscar, Mr. and Mrs. Preston Murphey and girls and Mr. and Mrs. Shorty Coke and family.

Houseguest of Carol McRae last weekend was Freda Donica of Lubbock. The girls plan to go to Fort Knox, Kentucky April 14 to get Carol's brother, Tom McRae who is stationed there with the National Guard.

Three counties to hold immunization clinic

Mrs. Ann Foster, Tri-County Public Health Nurse, announced this week that there will be an Immunization Clinic for pre-school and school age children and adults in Seminole April 20 from 3:00 to 5:00 p.m.

The clinic, under the supervision of Dr. Steve Hood, City Health officer of Seminole, will be held in the basement of Gaines County Courthouse in the Public Health Department.

There will be no charge for this service. Mrs. Foster reminds you, and Yoakum County residents are invited to receive polio and other immunizations.

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS ...UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you—at no extra cost—that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.

Craig is seeking tax assessor post in Yoakum County

E. W. "Elvis" Craig, present
chief deputy tax assessor-collector
in Yoakum County, makes
the following statement in be-
half of his candidacy for the of-
fice of Tax Assessor-Collector:

I want the job.
I need the job.
I can do the job.
I am qualified with over ten
years experience in assessing and
collecting taxes.
I am experienced in all phases

of tax office work — preparing
tax rolls, tax records, car regis-
trations, car titles, state and
county reports.

As your present chief deputy

tax assessor-collector I perform
the same work and duties re-
quired of an elected tax assessor-
collector.

I feel that the knowledge and
experience I have gained in the
following positions and occupa-
tions have prepared me to serve
you efficiently as a county official.

1. Bookkeeper, Campbell and Fagg, Eastland, Texas.
2. City Secretary, City of Eastland.
3. Credit Department, Greenlease-Moore Chevrolet Co., Oklahoma City.
4. Stock farmer, Eldorado, Texas.
5. Chief Deputy Tax Assessor-Collector, Eldorado, Texas.
6. County Judge and Ex-Officio County School Superintendent, Schleicher County, Eldorado, Texas.
7. Bookkeeping Department, Independent Loan Company, Abilene, Texas.
8. Chief Deputy Tax Assessor-Collector, Yoakum County, Texas.

I have entered this race
through the solicitation of my
friends and I offer you my past
record and experience in behalf
of my candidacy.

I deem the Tax Assessor-Collector office one of the most important offices in the county and feel that to render you, the people of Yoakum County, the efficient and courteous service you deserve, one must have the experience and working knowledge of the office.

I plan to see as many voters as possible, but due to my busy schedule in the tax office at this time of year it is almost impossible for me to make an extensive county-wide campaign. Therefore I am counting to a large extent on my friends to say a kind word for me and about my work to their friends in the community.

If the voters see fit to promote me to the office of Tax Assessor-Collector I will devote my entire time and best efforts to the job.

I have no other outside interests.
I earnestly solicit your vote and influence. Pd. Pol. Adv.

National Library week observed

National Library Week was observed Wednesday and Thursday by several grades of the elementary school. The Tsa Mo Ga Club sponsored the visit to the library where the youngsters were shown how to use the library and how to apply for a library card.

In a skit presented by Mrs. Oma McCargo and Mrs. R. B. Jones the children were shown the right and wrong way to care for books and how to act in our county library.

Favors of balloons and bubble gum was given to over 150 children.

Many of the children, according to Mrs. Norelle Sloan, local librarian, do not have library cards. If the parents would like for their children to secure a card come to the library and sign for them. It is a requirement that children under 14 have their card signed by their parents.

The library has many selections suitable for children of all ages.

Mrs. Norelle Sloan of the Yoakum County Library, Mrs. R. B. Jones and Mrs. P. W. St. Romain from the Tsa Mo Ga club are shown with children from Mrs. Stotts and Miss White's home rooms.
