## McIntyre killed in automobile wreck

The first Plains fatality of the year was recorded Tuesday afternoon around 1 o'clock when L. E. McIntyre was pronounced dead on arrival at the Plains Clinic. McIntyre was involved in a car accident five miles west on the Roswell highway.

According to investigating officials the exact cause of the accident was not known but witness said the 1953 Packard driven by McIntyre veered into the path of a truck pulling a house trailer.

The car was headed west and hit the house trailer as it apparently jack-knifed on the highway. The truck apparently turned over several times coming to rest on the west side of the highway. The trailer broke loose from the truck and skidded approximately 40 feet from the truck.

First arrivals on the accident scene said that McIntyre was dead by the time he was removed from the vehicle. The driver of the truck, Deley Coleman of Roswell, was taken to the Plains Clinic where doctors said he suffered cuts and lacerations.

All three of the vehicles were a total loss. The ambulance from

Plains answered the call and carried the body to Denver City. McIntyre was the nephew of Mrs. T. E. Ehrhridge of Plains where he had made his home for several years. The body was taken to the Singleton Funeral Home in Denver City.

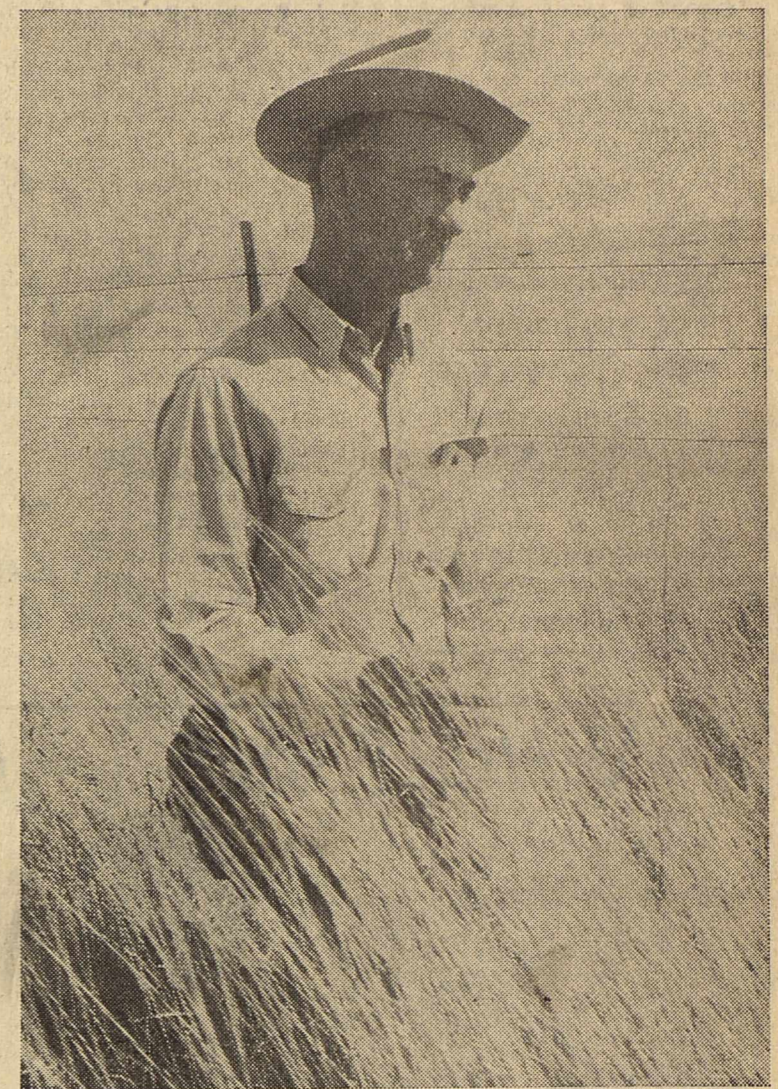

## Margaret Taylor named to replace Mrs. Wilma Powell

At the regular meeting of the Plains School Board Tuesday night Mrs. Margaret Taylor was named to the position of tax collector, assessor and bookkeeping of the Plains Independent School District. The position will be vacated as of January 1 by Mrs. Wilma Powell who is moving with her family to New Mexico.

Mrs. Taylor has worked under Mrs. Powell for the past two years in the office.

The Board expressed their thanks and appreciation to all

## Farm Loan regulations changes made recently

Farmers who have regular off-farm employment, if otherwise eligible, may obtain farm operating and development loans from the Farmers Home Administration, under the recently revised regulations of the agency.

Eddie T. Taylor, Farmers Home Administration county supervisor for Yoakum County, said the new regulation went into effect October 1. Previously, except in rural development counties a farmer had to spend most of his time farming in order to qualify for a loan.

Experience gained in rural development counties has shown that many farmers who are regularly employed off the farm can profitably use the Farmers Home Administration's credit facilities to increase the farm portions of their total incomes. The regulation, which had limited credit assistance to farmers who spend most of their time

farming, prevented some from obtaining the maximum income from their farms and from taking advantage of opportunities for industrial and other off-farm employment.

Other eligibility requirements remain unchanged. Applicants must have sufficient farm experience to carry on sound farm operations, must need credit, and be unable to obtain financial assistance from other sources. As in the past, credit will be extended only to operations of farms that are family-type size or smaller. No loan will be made unless a plan for the coming year's farming operations shows that income from the farm and other sources will be large enough to enable the farm family to have a reasonable standard of living, pay debts, and have an adequate reserve for emergency.

## Cowboys ride over Frenship, 74-6

The Plains Cowboys in their first district meet took Frenship for a ride to the tune of 74 to 6 Friday night at Cowboy stadium. The Cowboys, playing their usual fast, hard ball, averaged more than a point a play racking up a whopping total of 74 points in 68 plays for the evening.

Frenship early in the fourth quarter went in for a touchdown to light up their half of the scoreboard by 6 points. The first Cowboy touchdown was taken four minutes in the first quarter when Culwell handed off to Morrow who went over his right side. Warren took the ball for the extra points.

Frenship lost the ball on downs to Plains and with two minutes left in the first quarter Morrow on a hand off from Culwell skirted his left side and went over for the second touchdown. Hendricks kicked the extra point.

Frenship on the first play

after receiving the ball lost it to James Alberding on a jump pass play. With fourth down and 9 yards to go Hendricks threw a 25 yard pass to Warren which

was good for 25 yards and the third Cowboy touchdown. With 30 seconds left in the quarter the score stood 22 to 0.

A 15 yard penalty against the

Cowboys in the second quarter set the Cowboys up with two and 19 to go. Sink threw a long 30 yard pass to Warren who carried the ball another 30 yards for a touchdown. Try for extra points was no good.

In the second quarter both teams tried to make yardage and paydirt injured in the series of play were two Frenship players, Blakeman and Peek. Peek was taken to the local clinic where he was later released. Blakeman later came back into the game for several plays.

Late in the second quarter a Tiger pass was intercepted by Sink who ran the ball back to the 50. Half time caught the Cowboys mid-field in possession of the ball.

The Cowboys received and Tidwell caught, handing off to Cooke who ran a spectacular 85 yards for the touchdown. Culwell to Morrow was good for

## Fitzgerald resigns as president of Chamber

Johnnie Fitzgerald resigned his position as president of the Plains Chamber of Commerce Monday morning at a meeting of the Board of Directors. Fitzgerald said he felt that he would not be able to give the time needed due to business matters and other commitments. The Board accepted his resignation and expressed thanks to him for the fine job which he had done while in office.

Named as president was Roy Edwards who has served as vice-president under Fitzgerald.

A renewed effort to secure funds for the lighting project sponsored by the Chamber was discussed. P. W. St. Romain told the group that he and his committee had put up a sign listing

the donors to the lighting fund. The sign is located south of the Court House next door to the Roman Telephone Company. It was expressed by the group that anyone wishing to donate money for this project would contact Bill Loyd, Roger Curry or P. W. St. Romain.

The project calls for approximately \$8,200 to be spent on erecting 44 lights in the business district of Plains. The

## Shell tries dual producers

Shell Oil Company is attempting to make two-pay producers from two upper Clear Fork wells in the multipay Wasson area on the southwest side of Denver City.

Both projects are one-location offsets to Shell's No. 8-A Brand, recently completed discovery

from the Glorieta — which already was an upper Clear Fork oil well.

Shell will test No. 6-A Brand, one location south of the Glorieta opener, through perforations in that pay at 5,643-5,676 feet.

It is 467 feet from south and 1,346 feet from west lines of the

west half of the east half of section 37, block AX, PSL survey.

This project was completed as an upper Clear Fork producer on Aug. 23, 1959 for a daily potential of 290 barrels of 33-gravity oil, plus four per cent water, flowing through a 74/64th-inch choke. That production was through perforations between 6,183-6,576 feet after a 500-gallon acid treatment. Gas-oil ratio was 681-1.

Shell will try to develop commercial Glorieta production in No. 7-A Brand from perforated interval at 5,634-5,677 feet. This operation is an east offset to No. 8-A Brand, the Glorieta discovery.

No. 7-A Brand is 500 feet from north and 1,320 feet from east lines of section 37, block AX, PSL survey.

It was completed as an upper Clear Fork producer Nov. 12, 1959 for a daily potential of 540 barrels of 32.4-gravity oil, flowing through a one-half inch choke between pay back of perforated zones from 6,210 and 6,508 feet. That section had been treated with 10,000 gallons of acid and fractured with 30,000 gallons of fluid mixed with sand. The gas-oil ratio was 382-1.

Livermore and Welborn of Lubbock completed No. 1 Boyd, Southwest Yoakum County operation as a seven-eighths mile northwest extender to the Chambliss (San Andres) pool.

It is 330 feet from north and east lines of section 517, block D, John H. Gibson survey and 15 miles northwest of Denver City. The well southwest of Plains.

It produced 88.28 barrels of 28.4-gravity oil in 24 hours on the potential test, plus 30 per cent water, flowing through a 3/4th-inch choke.

The production is from perforated intervals at 5,282-5,310 feet after a 10,000-gallon fracture. Flowing tubing pressure was 60 pounds and casing pressure was 260 pounds.

## Judy Pool named for HD position

Fortunate indeed are the women of Yoakum County to have a new Home Demonstration Agent as attractive, personable and capable as Miss Judy Pool, who assumed duties here October 10.

Miss Pool is the daughter of Mr. and Mrs. Harvie Pool, long-time residents of Hockley County. She attended both grade and

high school at Levelland and received her B.S. Degree in Home Economics Education from Texas Tech in August. She lived in Casa Linda, one of Texas' Home Management Cottages, while attending college.

She was Junior Assistant in training at Tulia in Swisher County prior to being named Home Demonstration Agent of Yoakum County.

Miss Pool has a brother, Lowell, Pool, who is attending West Texas State College, Canyon, and two sisters, Jan and Jessie, both students in Levelland High School.

## New officers named for local ex-student group

The beauty and grandeur of Plains School's spacious new auditorium was filled with 'Ahs' and 'Ohs' of pleasure and pride when a large crowd of students, ex-students, faculty members and parents attended the first assembly and pep-rally held in the building, Friday afternoon, October 7.

Plains Cowboy Band, directed by Mr. Gene Young, played several musical numbers, Miss Lamb's English class presented a football skit, Student Council president Dale Edwards extended the welcome, Ex-Student Association president Odus Walser presided and introduced guests, ex-students, the entire squad of Cowboy football players, and Rev. Glen Smith of Denver City, an Ex-student, who was speaker of the evening.

Members of the School Student Council guided tours of the buildings from 4:00 to 6:00 p.m. More than 200 registered for the delicious ham dinner, and the coffee and business meeting following the Pains-Farwell football game. The dinner was prepared and served by students of the home economics department and their instructor, Miss Carolyn Nelson.

Raymond Fitzgerald of Navajo, Arizona was the ex-student coming the longest distance. Mr. John E. Fitzgerald was the oldest ex-student present, finishing school in 1916 when there was just a one-room school on the south side of town. The Class of 1944 had the largest number present with the Class of 1942 being second in number.

New officers of the Ex-Student Association for 1960-61 elected were: President, Glen Smith; vice-president, Royce Randall; secretary, Wynell (Fitzgerald) Loe; treasurer, Gracie (Chambliss) Hale; and reporter, Willie Mae Addison.

It was decided to honor the 1941-42 and 1951-52 football teams next year.

Officers for 1959-60 who worked so diligently were: President, Odus Walser; vice-president, Donald Lackey; secretary, Carolyn (Carpenter) Lackey; treasurer, Calvin Beach; and reporter, Tommie (Pride) Brown.

## Plains Gardeners meet at school

The Plains Dirt Gardeners Garden Club met Thursday night October 13th for the regular monthly meeting in the Plains School Cafeteria with President, Mrs. J. F. Kennedy, presiding Secretary, Mrs. Bill Ditemore, called the roll and read minutes of the September meeting. Mrs. Hank Goehry, selected to replace Mrs. Ditemore who is moving away, took minutes of the meeting.

Mrs. Roy Edwards and Mrs. Edd Hunter were accepted as new members.

Mrs. Clifford Anderson, program chairman, reviewed the rules, regulations and schedule of the Annual Flower Show which is October 20th in the Plains School Cafeteria. She introduced Miss Ozella Hunt, of Denver City, who presented "Artistic Flower Arranging."

Various members made several arrangements in different designs for discussion and decoration.

Hostesses served cake squares and spiced apple drink, with a beautiful table decorated with a fall arrangement, to approximately 35 members and visitors.

Travis Boyd had a birthday the 18th, and anyone wanting to have a birthday party might contact him. He also offers help in other matters. "Reported by a special friend."

## Locals . . .

Mr. and Mrs. L. O. Smith attended the 13th annual homecoming at Crawford High School near Waco, last weekend. They were accompanied by his mother, Mrs. W. E. Smith, who visited her sister, Mrs. Ora Strickland. They stopped over at Stephenville enroute home for a chat with Mr. and Mrs. Boots Elliott, former Yoakumites.

Mary Bohannon, freshman drama major from Plains, has been selected to portray Ondine in the play, "Ondine" by Jean Giraudoux to be presented by the speech department of Texas Tech November 14-19 as a part of the annual Fine Arts Festival.

In true sincerity and for the sake of the boys of our community between the ages of 8 and 11 years, a plea is being made this week for Den Mothers for Cubscouts of pack 78. You do not have to be a mother of a Cub age boy or even a mother. Just be interested in boys and love to work with them. If at an interested contact Mrs. Ben Liles or Mrs. Bill Hennington. The Cubmaster and den mother, Mr. and Mrs. Boots Nelson have moved away. Please make time for this activity.

Among those attending the much-publicized "Ben-Hur" at the Village Theatre in Lubbock Sunday were Mesdames Norelle Sloan, Lucretia Cheek, Pearl Ellison, Mollie Courtney and Ann Green.

The state social project for the year will be cystic fibrosis and nephrosis. The district philanthropic project will be the National Kidney Foundation.

The January district meeting will be held in Denver City. An executive board meeting will be held November 19-20 in Waco.

Miss Mary Paul Long and Mrs. Virginia Campbell presided at the serving table.

## Funeral services held on Monday for Mrs. Redwine

Funeral services were held Monday afternoon in First Baptist Church, Denver City, for Mrs. Nellie Redwine, mother of Doyle Redwine of Plains.

Mrs. Redwine was killed Saturday in an auto accident near Hobbs, New Mexico. Her daughter, Frances LaVonne, who was the only other occupant of the car, remains in serious condition in a Hobbs hospital.

Rev. F. C. Bradley, Jr., pastor

of the church officiated for last rites and burial was in Denver City Memorial Cemetery. Uniformed police and firemen of that city were pall-bearers.

Mrs. Redwine, a resident of Plains at one time, has been police and fire dispatcher at Denver City for several years.

Survivors include two sons, Doyle of Plains and Dale of Lubbock; the injured daughter; her father, John Pruitt, Spokane, Washington; a twin sister, Mrs. Ellie Tanner, San Angelo, another sister, Mrs. Evelyn Weavers, Los Angeles; a brother, Max Pruitt, Azusa, California and three grandchildren.

**Mrs. Culwell feted at tea, shower**

Mrs. Vaughn Culwell, nee Carolyn Bass, was complimented with a bridal shower and tea Saturday, October 15, from 3:00 to 5:00 p.m. in the lovely ranch home of Mr. and Mrs. John E. Fitzgerald.

Guests were registered at a small round-table, centered with red roses, as they entered. The serving table laid with white lace over red was highlighted by sprawling arrangement of red roses and the white punch set containing the red punch served with white cake squares and red and white mints. Red napkins etched with "Carolyn & Vaughn" in white further carried out Mrs. Culwell's chosen colors.

A red rose corsage was presented the honoree and red carnations were presented her mother, Mrs. O. E. Sisco and the groom's mother Mrs. H. W. Culwell.

A beautiful electric percolator was given the honoree by hostesses: Mesdames C. E. Wilkins, D. I. Sink, Joe Curry, T. R. Nordyke, John Camp, Ed Hunter, Roger Curry, Hank Goehry, Sherm Tingle, T. J. Murphy, John E. Fitzgerald, Neil Parks, Ralph McClellan, Bob Brown and Amos Smith.

Mrs. L. B. Harmon of Orange Texas is a houseguest of her uncle and aunt, Mrs. Sallie Hague and "Uncle" John Hague this week. Dinner guests of Mrs. Hague on Wednesday were Mrs. P. M. Williams of Tokio, Airman and Mrs. Tony Lusk and children of Lake Charles, Louisiana, and Mr. and Mrs. J. A. McConnell, Mrs. Ralph McClellan and Mr. and Mrs. Hoss Newsom and children all of Plains.

Mr. and Mrs. Wendell Faught were Saturday evening guests of Mr. and Mrs. Duane McDowell. The Faughts, former residents of Plains, live in Brownfield.

Airman and Mrs. Tony Lusk and children, Anthony and Juanita, of Lake Charles, Louisiana are visiting this week in the home of his mother, Mrs. J. A. McConnell.

agencies.  
Loan funds may be used to pay farm operating costs, purchase equipment and livestock.

pay farm development costs, and refinance certain debts. The interest rate is five percent. Repayment schedules depend upon the purposes for which funds are advanced and upon the estimated incomes from the farms. Usually, loans made for real estate purposes will be from funds advanced by private lenders and insured by the agency.

Technical farm and money management assistance is supplied to each borrower to the extent necessary.  
The Farmers Home Administration office serving Yoakum County is located in the Old Courthouse Building, Plains. The agency also supplies credit for farm housing and soil and water conservation.

### Oil news

(Continued from page one)

mon No. 1 J. P. Williams, in the northwest section of the county, and six miles northwest of Plains, had reached 9,291 feet in lime and sand and was drilling deeper. It is projected to a possible 12,200 feet to try to develop production in the Devonian.

It is 1,980 feet from east and 660 feet from south lines of section 304, block D, John H. Gibson survey and 2 1/2 miles northeast of the Block D (Devonian) pool.

Tennessee Gas Transmission Company No. 1 Alfred W. Fuchs, six miles southwest of Tokio in East Yoakum County drilled to 5,760 feet without encountering any shows of possible production and was plugged and abandoned.

It was 1,980 feet from north and east lines of section 621, block D, John H. Gibson survey.

Delta Drilling Company of Odessa and associates will drill No. 1 Field as a 5,500-foot wildcat to try for production in the San Andres in Northwest Yoakum County, six miles northeast of Bronco.

It is 660 feet from south and east lines of section 120, block D, John H. Gibson survey and 1 1/2 miles south of the Field (Devonian) pool.

Sunray Mid-Continent Oil Company will drill No. Mary Hamilton in the Ownby (Upper Clear Fork) area of East Yoakum County, eight miles east of Plains. It is contracted to 7,000 feet.

The project is spotted 660 feet from north and west lines of section 489, block D, John H. Gibson survey.

About eight miles north of Denver City, R. H. Fulton & Company of Lubbock completed No. 1 Bennett as a producer from the San Andres pay in the Central Yoakum County sector of the Wasson field.

On potential test it produced 45.50 barrels of 32-gravity oil, plus 20 per cent water in 24 hours, pumping. The production is from perforations between 5,227 and 5,255 feet after a 10,500-gallon fracture job.

The well is 330 feet from north and 2,311 feet from west lines of section 674, block D, John H. Gibson survey.

J. S. Abercrombie Minerals Company of Houston, in the Reeves (San Andres) field of Southeast Yoakum County, and which is due to be testing the pay section, is located 660 feet from north and 2,310 feet from east lines of section 751, block D, John H. Gibson survey.

A previous report had shown this project to be 1,980 feet from the north line of the same section.

the extra points.

A Tiger fumble in the third quarter was recovered for the Cowboys by Meixner. Making good use of the recovered fumble the Cowboys raced in to score again. Morrow on a hand-off from Culwell raced 60 yards for the TD. A pass from Culwell to Cooke was good for the extra points. With 2 minutes left in the quarter the score stood 44 to 0.

The Tigers lost the ball again to Sink who intercepted a pass and ran 30 yards. At the end of the third quarter Plains was in possession of the ball on the 8 yard line. A play from Sink to Warren who went over was called back due to off sides. Sink then passed to Huddleston who scored for the Cowboys. Sink to Tidwell was good for the extra points.

The Tigers in a series of plays marched down to the goal line. Stapleton handed off to Rae who went over for their first TD. Try for extra points was no good.

Warren on a hand off from Sink went in again for a touchdown but the play was called back for clipping. Warren again skirted across two plays later for the touchdown. Sink to Hawkins was good for the points.

Hendricks later in the quarter had a touchdown called back for clipping. But in the next play Sink handed off to Hendricks who passed to Meixner for the touchdown. The play was good for 28 yards. Sink to Steve McGinty made the extra points.

Warren made the last touchdown for the Cowboys with only second's left in the game. On a hand off from Sink, Warren went over. Extra point try was no good. The final score stood 74 to 6.

This Friday the Plains Cowboys, ranked third in the state, will go to O'Donnell.

#### PATENTS

Much of our nation's strength rests upon the brains and ingenuity of our scientists and inventors. Our Constitution and the patent laws aim to give them rights in their inventions and to encourage them to pour out new labor-saving devices.

You may have good, useful ideas, but never do much about them. You can patent your new and useful process, machine, article of manufacture, or composition of matter, or an improvement in any one of them. However, your patent application must be completed and filed in the United States Patent Office within one year after the first sale or first public knowledge or use of your device or process. If your application is not on file within one year you forfeit your right to a patent.

You may not know how to protect your rights while perfecting and patenting such items. Under our patent laws, the one who first conceives a new invention is entitled to a patent on it. If claims conflict, the patent office and the courts try to find out who first had the idea, not who first sought a patent.

Of course, apply for a patent as soon as you can, but protect yourself while you make your drawings, plans, and such tests as you need to perfect your patent. As soon as you can, write out and date the facts, describe and sketch your invention, if possible. Have two persons, whom you can call on as witnesses, note the date and state on the statement that they have read and understood the statements and drawings. Retain the witnessed statement and drawings, and witnesses will evidence your claim.

You will thus set up a date showing when you first got your idea. After you do that, go on with your work, perfect your idea, and apply for a patent as soon as you can.

In applying for a patent, you may file and prosecute your own case or you may be represented by someone authorized to practice before the Patent Office.
