

MOORE Or Less

by Johnnie Moore

It was sure fine to see so many Plains fans out at the Farwell game. I think it is real admirable the way Plains has backed its team this year far. It's true we may not have won as many games as last year, but you know, these kids are really playing their hearts out this year. They are liable to stir up some real trouble in district too. Sure hope we see a great big crowd out at Frenship this week.

I guess everybody has already noticed it too, but did you ever see such an improvement as we have in our high school band this year? Mr. Young, the band director deserves a lot of credit and so do the members of the band. We can all tell they have done some real hard work. Looks like sweepstakes material to me.

This came across my desk this week from the Chamber of Commerce of the U. S.

The schools in the District of Columbia depend on the federal government. The federal government aids them. The federal government controls them. Just what dependence on the federal government can mean to a community's education program was shown, by an article in a Washington, D. C. newspaper the day after congress adjourned.

The headline read: SCHOOLS HURT BY INACTION ON D.C. MONEY BILL.

The article said: "District school children will bear the brunt of problems arising from Congress' failure to vote a 1962 revenue program for the city. The result will be either more double sessions or a higher pupil-teacher ratio."

The city's superintendent was quoted:

"The children will pay the cost of this action."

Construction of two grade schools, a 17-room addition to a grade school, and a junior high school would be deferred, the article said.

For the residents of the District of Columbia, federal money goes hand-in-hand with federal control. Their school program is tangled in the politics of congress. Their "children will pay."

Want federal aid for your schools?

Seniors To Have Sale

Miss Carolyn Nelson, one of the Senior sponsors announced that the senior girls will hold a Bake Sale Saturday, October 14 at 9:00 p.m. on the courthouse lawn. The sale will be to make money for their carnival queen candidate Carolyn James. The Senior boys will have a car wash Saturday October 21 in order to make money also.

Rummage Sale On Saturday

The C. W. F. of the First Christian Church met in their regular meeting Tuesday, October 10 at 9:30.

Seven members were present and plans were made for the rummage sales, which will be held October 14th and 21st on the courthouse lawn. The money made from these sales will go into the Building Fund for the First Christian Church.

The meeting date for the C. W. F. has been changed from 2:30 p.m. to 9:30 a.m. The program was brought by Jewel Anderson.

Hostess for the meeting was Lois McGinty.

Parents Day At Wayland

District 5-A Opens Friday Night At Frenship

VOLUNTEERED TO BIG JOB -- Frank Whitlock, manager of the local Whites store is the campaign chairman for the Plains area in the raising of the 1961-62 budget for the south plains council of the Boy Scouts of America.

Whitlock Named Campaign Chairman

Frank Whitlock, owner and manager of the local White's Auto Store, has been appointed Fund Campaign Chairman for the Plains portion of the Boy Scouts of America, South Plains Council. Money collected this drive does not go to the local Boy Scout troop but is divided as follows:

47.2% goes to Direct Service to the Field. The cost of providing personal services to every community in the form of trained executives and materials. This also includes transportation and other expenses of the Staff Retirement and Social Security cost are also included for all employees. The amount of money needed in this area is \$52,000.

14.4% of this money goes to camping and activities. The cost of providing suitable and adequate camping facilities cost of camps above fees paid by Scouts themselves, and for conducting numerous activities for Cub Scouts, Boy Scouts and Explorers is \$16,037.

1.6% goes for Advancement and Recognitions. The cost of boys badges and awards, adult awards, institutional awards, council and district annual meetings and materials needed for advancement. This amount is \$2023.

29% goes for Indirect Service to the Field. The cost of maintaining our Service Center, keeping of proper membership, advancement, camping and other records, utilities, postage, office supplies, mailings to the field, etc. This amount being \$32,827.06.

5.8% goes for education and leadership training. The cost of training all leaders in the council, public education and relations, finance campaign operation, and visual aids. Professional staff addition training is included in the cost of \$5,598.

1.3% goes for National Council Services. The national quota and charter fee, in return the Council receives overall help, expert guidance, visitations from national staff and latest national materials to assist leaders of the Council. The cost for this service is \$1,675.

The total budget for the year 1961-62 is \$110,160.06.

Whitlock announced that on Thursday afternoon Oct. 19, at 5 p.m. there will be a meeting of the steering committee of which Whitlock is chairman. He will be assisted by John Byrum, Director of the campaign for the South Plains Council.

Civil Defense Meet Is Announced

County Judge, Don Hancock, Yoakum County civil defense coordinator, has announced that there will be a meeting of city, county and school officials in the commissioners court room in the courthouse.

The meeting is to take place this Saturday, Oct. 14, at 10 a.m. This is an attempt to organize the Plains area section of the Yoakum County civil defense organization.

A similar meeting was held in Denver on Tuesday night, Oct. 10, to organize a similar part of the county unit for the Denver City area.

Also in this area of civil defense it has also been announced by Judge Hancock that there is planned a showing of two very important civil defense films.

Frenship Team Looms As First District Play Rival

In what promises to be a very exciting and interesting game, the Plains Cowboys meet the Frenship team Friday night at Frenship. Game time is 7:30 p.m. This is a time change from what has been usual in the games so far this season, but all district games will be played at that time.

This will be the opening of conference play in District 5-A, with each of the teams in our district meeting each other, with the exception of Seagraves, who play Eunice, New Mexico at Seagraves. As for other teams in District 5-A, O'Donnell meets Sundown in a game that promises to be a very good contest.

This year probably sees the team standings of the various teams in our district at the lowest it has been in years. O'Donnell enters district play with a 2-1-1 record; Sun-

down has a very unimpressive 1-0-5 record, as do the Cowboys; Frenship has won only one game, having beaten Tahoka in their season's opener 20-0, and losing to Slaton, Ropesville, Petersburg, Idalou and Sudan; district leading Seagraves has won three and dropped two. From this record and many other factors, most observers feel that the district title is wide open and is there for the taking for the team that wants it the most. The Cowboys are certainly in a position to deal a lot of misery in district play and it is certainly within the realm of possibility for Plains to walk off with the district honors.

Frenship runs from a wing-T formation and slot their backs. This is the same formation that Plains fans are used to seeing from Frenship. Much of their punch has been taken from them, as their star performer, their starting tailback, Stapleton, has resigned from the squad. This is quite a blow to their offensive battery, but perhaps their had fortune is Plains' good luck.

The reports have it that the Frenship team does very little passing, but that they can run quite effectively from their Wing-T Formation. As has been the case in years past, the Cowboys can expect a real tough and tumble battle from Frenship, especially on their home field. It has been traditional that Frenship always gives Plains a real hard game when they play at home. One added motive for the Tigers is the fact that this is their Homecoming Game.

Starting lineup for the Frenship Tigers is as follows:

LE	Courtney	145 lb. Jr.
LT	Peek	190 lb. Jr.
LG	Stewart	165 lb. Sr.
C	O'Donnell	165 lb. Sr.
RG	Edwards	140 lb. Sr.
RT	Jackson	160 lb. So.
RE	Witney	150 lb. Jr.
QB	Burgamy	150 lb. Jr.
WB	Means	132 lb. Sr.
TB	Boozar	140 lb. So.
FB	Blakman	155 lb. Sr.

Scouting reports have it that the man to watch is the fullback, Blakman, a 155 lb. senior. The entire starting backfield, however, with the exception of Stapleton, who resigned, is back from last year's team.

Starting lineup for the Plains Cowboys is much the same as was last week's, except Steve McGinty and Ronnie Hendricks will resume their starting positions as offensive halfbacks. Dennis Hickman is still suffering from his foot injury sustained in last week's tilt against Farwell, but he will play some, but will doubtlessly be slowed some, but Sam is definitely on the starting lineup.

Jerry Jones, who gave an outstanding performance as fullback last week against the Steers, will again be running from the fullback slot.

All in all the game shapes up as a real thriller and is also a very crucial one for the Cowboys.

Dirt Gardners Announce Flower Show

The Plains Dirt Gardners proudly announce their fourth annual flower show.

The flower show entitled, Labor of Love, will be held Saturday, October 21 in the School Cafeteria.

Club members are to have their entries at the cafeteria between the hours of 9 to 10:30 a.m. Saturday October 21. Entries will be ready to be judged at 11:00 a.m. No one will be allowed to be present during the judging except judge and clerks.

Court Minutes

Yoakum County Commissioner's Court has announced that the old gymnasium in the Allred Community, which has in the past, been used as something of a community center for the Allred area.

It is reported that a great deal of trouble has been experienced by break-ins and vandalism with the old building and that the insurance cost to the county is quite substantial, about \$700 every five years.

The measurements of the building are 60 x 120 feet. County Commissioners have decided to have the building examined as to condition. If, as is expected, the building is condemned, it will be offered for sale. The purchaser will be allowed to tear the building down and use the lumber and so forth from it.

Anyone interested in the purchase of the building can contact County Judge, Don Hancock or any county commissioner.

Commissioners Court Plans To Sell Building

The Honorable Commissioners Court convened in Regular Session with the following members present to wit: Honorable Don Hancock, County Judge presiding, Vance Brown commissioner for precinct 1, H. C. Cotton, commissioner of Precinct 2, Raymond Bookout commissioner of precinct 3 and Mrs. Paul Loe commissioner for precinct 4, J. W. O. Allredge County Clerk and ExOfficio clerk for Commissioners Court.

The minutes of the September Term of Commissioners Court were read and approved.

Motion by Commissioner Cotton and seconded by Commissioner Brown to approve the Budget for the year 1962 as presented by the County Auditor. Vote Aye: 4 No 0.

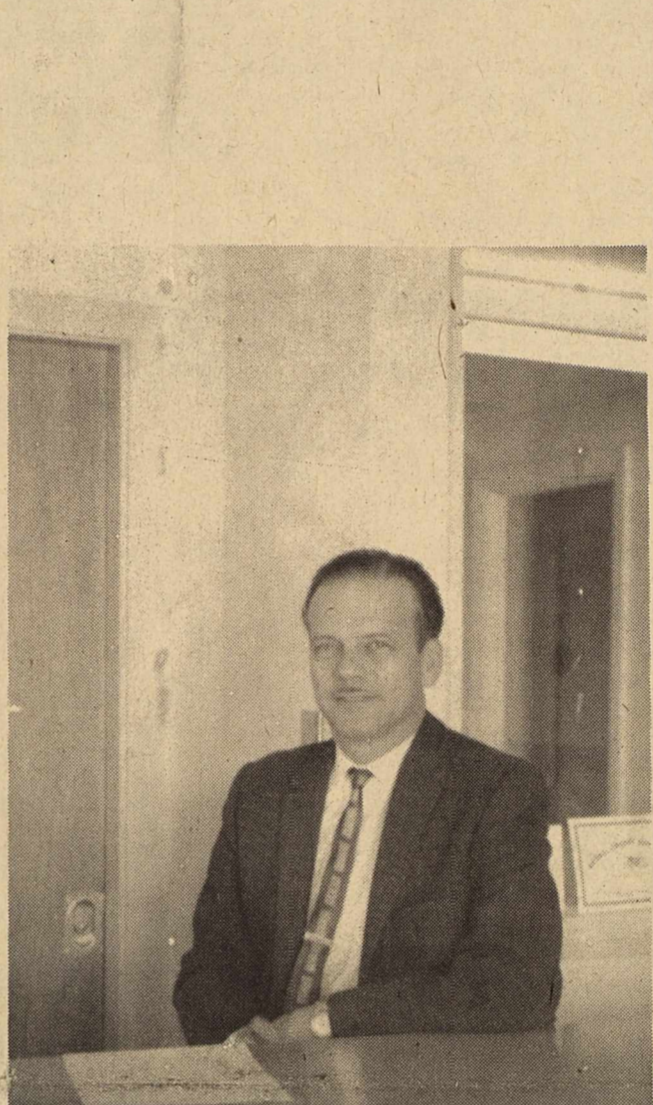

Motions by Commissioner Bookout and seconded by Commissioner Cotton that the Bills as presented by the County Auditor be approved and ordered paid. Vote aye: 4 No 0.

Motion by Commissioner Bookout and seconded by Commissioner Brown that the Hospital bills as presented by the Hospital Board be approved and ordered paid. Vote aye: 4 No 0.

Motion by Commissioner Brown and seconded by commissioner Cotton that Bill Sweazea be appointed to fill the vacancy on the Hospital Board. Vote aye: 4 No 0.

Motion by Commissioner Cotton and seconded by Commissioner Bookout that the following reports be approved. Elvis Craig -- Tax Assessor Collector

Vicie Hinkle -- Treasurer E. S. Bandy -- Justice of Peace precinct No. 1. Mary Lea Smith -- Justice of Peace precinct No. 2. Vote aye: 4 No 0.

CALLED TO ACTIVE DUTY -- Dr. Clyde Lynn is shown in the office of the local clinic that he could conceivably have to vacate if a deferment is not secured this week.

Dr. To Uncle Sam Plains May Lose

A great many Plains citizens were greatly concerned this week by the news that the local physician, Dr. Clyde A. Lynn, had been called from his reserve officer status to active duty.

Dr. Lynn's orders stated that he is to report to active duty next Sunday, October 15.

Efforts are being made on the part of many Plains citizens to have the orders changed by writing and sending notarized letters stating the predicament the Plains area would find itself in without a doctor.

Dr. Lynn states that he has substantial hopes a deferment of some kind will be obtained, but that he is sure it will not be a permanent deferment as long as the present world situation remains as it is. He went on to say that he is frozen in his present category at least until Sept. 30, 1961.

Dr. Lynn just recently, during last summer's reserve activities, requested transfer to

the 49th Armored Division. He said his reason for this was an attempt to get classified as a division officer, which was impossible in the unit to which he had been assigned.

Dr. Lynn went on to say that of course at that time, the thought was furthest from his mind that the 49th would be activated. But, as of about three weeks ago the 49th Division, presently headquartered at Ft. Worth, received activation orders, directing it, along with its personnel to report to Fort Polk, La.

Cooke New Chamber Prexy

Announcement was made yesterday at a morning meeting of the Plains Chamber of Commerce that Archie Whitaker, president of the Plains Chamber, had tendered his resignation.

Whitaker, who has recently gone into business, by purchasing a water truck service, stated in his resignation that he regretted to have to resign his office, but that his time had become completely filled with tending to his new business interests.

He went on to say that he wanted to remain a member-in-good-standing of the Chamber, and that he hoped he would be called on to help in the numerous projects that are carried out each year.

The Chamber officially named J. E. (Jim) Cooke as the new president to fill Whitaker's unexpired term. Cooke was until yesterday the first Vice President of the Chamber.

State And County Tax Statement Delayed

It was announced this week by Yoakum County Tax Assessor-Collector, E. W. Craig, that current year state and county tax statements are some 15 days late in reaching the taxpayers.

Craig stated that the reason for the delay has been the re-evaluation program that the county has undergone this year. He said that normally he expects to receive the data from which he can compile the tax rolls and statements on about the 1st or 15th of July. This year, however, figures were not received until a little over three weeks ago, making it impossible to get the statements and roll completed by the first of the month.

Craig emphasized that the customary three percent discount will still only apply until the last of October, making it

Letters to The Editor

Johnnie Moore, Editor
The Plains Record
Plains, Texas
Dear Editor:

Concerning the two letters you published last week about fallout shelters, we would like to say -- Amen!

We are a rural family, so a shelter built in Plains would do us little good. Naturally it does not seem quite fair that we should have to share in the expense of something that we would not be able to use. The citizens of Plains certainly wouldn't share in our expense should we build us a private shelter.

We are faced by questions we do not know the answers to. We do not feel that the people behind this project, from the local level, through national civil defense leaders, all the way to the president, have the answers.

It seems to us, that with all the pollution and contamination that would be around, even after a two weeks stay in a shelter, that even a very adequate shelter is just prolonging the sure death, or at least serious sickness that is inevitable if a nuclear attack comes.

Shelter builders are using all kinds of high pressure advertisement to get people and communities to build fall-out shelters immediately, yet they also advertise, "Pay so much down and take five years for the balance."

To us, it seems that it is up to everyone to work and pray for peace rather than trying to find an easy cure-all for our problem. As is the case with many cure-alls, it may not do all we expect of it, and if it doesn't -- what will we do?

Sincerely,
The C.L. Andersons

YOAKUM COUNTY S C D NEWS

Revising of old Conservation plans and writing of new ones is going on, although land-owners and operators are busy harvesting a bumper crop.

Olen Cox received assistance in writing his Conservation plan, also a Great Plains Contract, last week. Olen plans to spray mesquite for brush control on about 380 acres, put in 1200 ft. of underground pipe and plant 35 acres of crop land to grass.

Emmitt Campbell, Hester Estate and Wallace Randolph are a few of the owners and operators that have received assistance in the last week in working out Conservation plans.

Cover crops planted and up are doing well but could use a good rain.

Mulching with cotton burrs is beginning and will increase as cotton ginning progresses. Jimmie Cox says he plans to haul a considerable tonnage this year. Jimmie has signed a Great Plains Program and plans to install some underground pipe as well as plant a lot of cover crops.

Now is a good time to look at the grass in your pasture or range. You might ask yourself if you have enough grass left at the end of the growing season to graze the livestock on it until it begins to grow again without grazing it too close, that is close enough to weaken the plants and leave the soil bare to wind erosion.

A look at your pasture might also tell you that you use a lot of water to grow brush such as mesquite, Shen-oak or Turpentine weeds. Ty Field, Johnnie Fitzgerald, Chese Bedford and several others can show you how much more grass they grew when they sprayed the brush and rested the grass.

African Missionary Will Speak

Reverend E. L. Witt, pastor of the Plains Assembly of God Church has announced that on Sunday, Oct 22, during the morning worship hour, Homer T. Goodwin, missionary to Ghana, West Africa, will speak.

Rev. Witt said that Rev. Goodwin will also speak to the student body of Plains High School on Monday, October 23, at 2:30 in the afternoon.

All area residents are urged and invited by the Rev. Witt to hear Rev. Goodwin in these two addresses.

DPS Announces 100 Openings

AUSTIN--Col. Homer Garrison Jr., director of the Texas

Department of Public Safety, announced today more than 100 openings are available for men between 21 and 35 in the uniformed services of the DPS.

He said applications for entrance in the next student patrolman school, a 16-week training period at the DPS Law Enforcement Academy at Austin, will be accepted until October 20.

"With the increase in salaries voted by the last session of the Legislature, we are now in a position to offer pay that is in line with business and industry," Garrison said. "But when all benefits are considered, as well as the fact that these jobs offer a career of service to their fellow Texans, we regard them as outstanding opportunities for young men."

The DPS director explained that a larger number of vacancies exist at the present time as the result of men being called into the military service, and a recently authorized increase in the department's uniformed services.

He said that upon completion of the 16-week training course, graduates will become commissioned officers and will be assigned to the field. The salary while in training will be \$331 per month and will increase either to \$395 or \$412 per month upon graduation, depending on nature of assignment. Longevity pay increments of \$10 extra per month will be added for each five years of service for each of the uniformed services, which are the Highway Patrol, License and Weight Service, Motor Vehicle Inspection Service and the Drivers License Service.

Applicants must have a high school education or the equivalent, be in good physical condition and be of good moral character. They must be not less than five feet, eight inches, nor more than six feet, four inches tall; and weigh not less than two pounds nor more than three pounds per inch of height.

Those who meet the basic qualifications on their applications will be permitted to take a written examination which will be given in several cities over the state October 24, 25 and 26.

Fine Arts Club Has Young Guests

Fine Arts Club met in the Odus Walsler home on Thursday evening, October 5, with Mrs. Helma Ellis and Mrs. Johnnie Moore assisting Mrs. Walsler with hostess duties.

A delicious ham dinner with all the trimmings was served to nineteen members and seven guests.

During the business meeting, the club voted to contribute to the Christmas fund for patients in the State Hospital at Big Springs.

Membership was extended to Mrs. Robert Gentry and Mrs. Jack Pierce.

The club considered it quite a privilege to have small children from the homes of members contribute to a most enjoyable program on "Music in the Home".

Mrs. A. H. Bacon, program director for the evening, introduced Mrs. Leroy Mc Cravey who, with the assistance of a trio composed of Jan McCravey, Sue Cleveland and Debra Chadwick, presented a very delightful resume of lullabies and songs of childhood.

Mrs. McCravey opened the program by singing Brahms Lullaby after which she gave a brief summary of ancient Greek lullabies and lullabies that were sung in honor of the Baby Jesus. The trio sang a present day lullaby depicting the Baby Jesus, the familiar "Away in the Manger".

Following a short history of lullabies of other lands, the trio sang a charming little lullaby of South America, "Cradle Song" in Spanish.

Representing lullabies of frontier America which dealt principally with necessities of the day, the trio sang "Go Tell Aunt Rhody".

The theme of the classic southern lullabies was to promise the baby something nice if it would only go to sleep. The most promising of this type, "Hush Little Baby" was sung by Jan McCravey.

Songs for children through the ages have been more lively and have dealt with people and animals. Recordings of such favorites as "Old MacDonald Had a Farm", "The Farmer in the Dell" and "The Owl and the Pussy Cat" concluded the part of the program.

Mrs. Bacon presented Rene Walsler who played two piano solos, "Hawaiian Love Song" and "In the Good old Summer-time".

Bruce Bennett, accompanied by his mother sang "Dreams Were Made for Children" and "Penny Serenade".

Becki Bennett played "Spanish Dance". Mrs. Bacon concluded the program by giving the story of the hymn of the month.

Tsa Ma Ga Presents International Affairs Countdown

Members of The Tsa-Mo-Ga Club met in regular session Monday Evening October Ninth, at Eight O'clock, in the Club House. The President, Mrs. Garland Swann, conducted a business meeting.

The Annual Cracker Barrel Bazaar will be held the evening of November Twenty-Seventh, in the Club House.

The Corresponding Secretary, Mrs. Kenneth Hale, read a letter from Caprock District President, Mrs. A. E. Boyd of Plainview. Mrs. Boyd thanked the Club for the \$50 donation for recreational facilities for Girl's Town.

Another letter, from C. L. Kay Vice President of Lubbock Christian College, was read. Mr. Kay expressed his pleasure in appearing before the Club on September Twenty-Fifth. Invitations to Club members were read from the Cultus Club

Pink And Blue Shower

Mrs. Darrell Barron will be feted by a pink and blue shower Saturday, October 14, from 3 until 5 p.m.

The shower will take place in the home of Mrs. Sherm Tingle. It is planned as a come and go affair.

Hostesses for the event are Mrs. Tingle, Mrs. J.W.O. Aldredge, Mrs. Charles Dyer, Mrs. Ruth Turner, Mrs. Loretta Cheek, Mrs. Faye McConnell, Mrs. Vicie Hinkle, Mrs. Daryl Hobbs, Mrs. Bill Overton and Joan Young.

Gift selections are available at Moore and Oden, Cogburn-Young, The Elsorita Shop and Curry Edwards Pharmacy.

"Give special thanks to Almighty God for the bounty which He has bestowed upon our land."
--President Eisenhower

of Seagraves to attend a meeting October 10, to hear Miss Carol Lane, considered the most widely traveled woman in the nation, speak on "Holiday on Wheels."

Miss Ozella Hunt invited club members to hear Mrs. Vivian McCracken, Director of Girl's Town, speak on October 26, at the Community Building in Denver City, at 8 o'clock in the evening. Mrs. McCracken will appear as a guest of The Tejas Club of Denver City.

Mrs. C. F. McCargo, Finance Chairman, announced that a box of new clothing and accessories valued in excess of \$150 had been sent Girl's Town by Mrs. J. W. Moore, Jr. Mrs. Moore made the donation in the name of the Tsa-Mo-Ga Club.

Mrs. Garland Swann read the official call to the Second Annual Board Meeting, Caprock District, to be held at the Baptist Church in Denver City on Saturday October 14, registration to begin at 8 A.M. All Board Members, Club Presidents and all interested Club Members are urged to attend.

Chairman of Special Projects, Mrs. Eugene Payne, Jr., asked Club members to read their Bibles daily and to observe National Bible Week, October 16th to 22nd. Mrs. Raymond Bookout, Federation Counselor, read a clever playlet on Civil Defense.

The program for the evening, International Affairs COUNT DOWN, was introduced by Mrs. Gus Malmsten, Local Chairman of International Affairs. Mrs. Malmsten used, "The peoples of the United Nations are de-

termined to re-affirm faith in the fundamental rights of men and women, and of nations, large and small," the Preamble to the Charter of the United Nations. The program was presented as a Roundtable Discussion, "Around the World in 30 Minutes", with Mrs. Malmsten questioning the panel on the culture, government, resources, ways of life and religion of the countries around the world. The results were most informative. The panel members and the counties studied are:

- Americas-- Mrs. Raymond Bookout
- Far East-- Mrs. E. W. Craig
- Asia-- Mrs. Joe Curry
- Europe-- Mrs. Buddy Hanna
- Africa-- Mrs. Wayne Chadwick
- Near East-- Mrs. J. P. Robertson
- Finland Today-- Mrs. Marion McGinty

The program was closed by a most inspirational rendition by Mrs. Glen Cleveland of "The Tapestry Weavers" written by Anson G. Chester.

The refreshment table was centered with an arrangement of the Flags of the Nations of the World, in observance of International Affairs. Delicious refreshments were served to some thirty members by the hostesses, Mrs. Garland Swann and Miss Ozella Hunt.

necessary for persons wishing to take advantage of it, to pay their taxes in a very short while. The tax office is planning to have a portion of the statements in the mail by Oct. 15.

Craig also pointed out that the sale of Poll Tax began on Oct. 1, and that since this is an election year, citizens should try to avoid the last minute rush which usually exists in January.

It is interesting to note that the budget hearing held two weeks ago, that the 1962 budget for the tax office had been set at \$31,920. Craig stated in that meeting that he would be willing to reduce his budget to an even \$29,000. He made this almost unprecedented statement with a condition, however, that condition being that it be understood that the equalization board meet early and have the figures and data to him by July 1. Since complete re-evaluation will not be in the mill next year, this, Craig feels, can and will be done by the county equalization board.

PLENTY TOUGH -- A portion of the rough and tumble action seen by cowboy football fans is seen above. Dennis Hickman

is shown as he solidly connects with Farwell's fullback ace, Jerry Lovelace. Plains' outstanding defensive efforts held the Steers to a very small 67 yards gained rushing.

Davis and two other judges from Levelland.

The flower show will be open to the public from 3 to 5 p.m. Saturday October 21. The club expresses a cordial invitation to everyone to come by and view the show.

Hostesses for the flower show are Mrs. H.F. Barnes, G. B. Beane, G. W. Cleveland, Mae Lloyd, Bob Loe, Jack Palmer.

Few delights can equal the mere presence of one whom we trust utterly.

Weed Clean-Up Again Stressed

The Plains Dirt Gardeners make another plea to the citizens of Plains to get out and get rid of all the weeds around their homes.

Fall is here and shortly all our plants will be dead. The many weeds we have around our home will die and turn loose and be ready for their winter and spring trip of blowing all over town. As they take this trip they drop seeds everywhere they go, so that next spring these seeds will take hold and grow. We then again will have weeds all over our town.

Earlier the county was kind enough to shred the weeds on the vacant lots. If possible they will go back over these places and get the weeds that have grown back.

The garden club expresses sincere thanks to the county for all its assistance.

Join with the Plains Dirt Gardeners and clean off the weeds that are growing around you.

It is necessary for the applications to be in Austin by Oct. 30. On Oct. 31, there will be a public drawing.

PARENTS DAY--

Day Committee, suggesting that parents will want to attend classes and chapel and eat at the "chuck wagon" with their sons and daughters.

In the afternoon mother and dad can find out more about different phases of college activities when they have the opportunity of facing an administration-faculty panel with questions that have been coming to mind since the 2nd session opened at Wayland.

Owen Hall, the 100-unit residence hall for women, has been named by the trustees for President Owen, Wayland's seventh president. This was the first major project of Wayland Associates, a group of West Texans banded together to help provide for the capital needs of the college. Allison-Conkright Hall is named for donors, Mr. and Mrs. J. H. Allison and Mrs. H. G. Conkright, Hereford, and is an 8-unit apartment for married students.

CIVIL DEFENSE--

The showing is planned to be in the High School auditorium one week from Saturday, which will be October 21. The time for the showing is planned for 8 p.m.

Titles of the films are "Fall-out and What To Do About It," and "The Day Called X."

Local citizens are urged to come out to see these films as they answer a great many questions that are doubtlessly being asked about fall-out and its dangers.

First Baptist Happenings

Charles Singer, a Baptist preacher from Latvia, will hold the morning services at the Plains Baptist Church, Sunday October 15. Brother Singer recently spoke at the Plains School. He certainly gave us information that we all should hear. We extend a cordial invitation to everyone, regardless of Church affiliation, to come and hear Brother Singer.

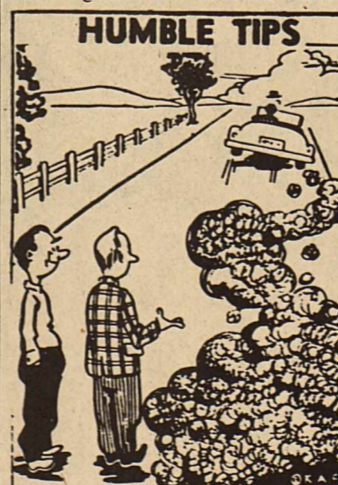

Six ladies from Plains Baptist attended the workshop at First Baptist in Andrews. Each one attended a session dealing with the office which they held. The Mrs. W. P. Turner, I. J. Duff, J. L. Bozeman, Frank Ellison, Ray Watson and W. D. Southern, represented Plains.

The Brotherhood of Plains Baptist met Monday night for their regular meeting. They enjoyed a fine meal and a time of fellowship together. The inspiring devotional was given by Calvin Beach, pastor of Tokio Baptist Church.

J. L. Bozeman, pastor of Plains Baptist Church, is back after a weeks absence. He was the evangelist in a Revival Meeting at Tower Baptist Church in Midland.

The G.A.Y. Association will meet the First Baptist Church in Loop, Monday evening, October 16.

There will be a board meeting at 5:30 p.m. supper at 6:30 and regular services at 7:30.

Iota Pi Meets

The Iota Pi Chapter of Epsilon Sigma Alpha met in the clubroom Tuesday, October 3, at 7:45 p. m. The hostesses for the evening were Juanita Cooke and Jeanne Stroup.

A very interesting program was presented by Dorothy Lowe, Emma Lewis, and Jeanne Stroup. ESA was likened to a huge wagon train. The ESA wagon train started May 1, 1929. E. Robert Palmer was the first wagon master. His job was to organize his train and set up a governing body to carry the train through the bad lands and troubled trails.

The object of the wagon train was to carry men and women to a new country in order for them to make a new life. The object of ESA is to unite women in friendship and educational development, and to help them make life more interesting through sorority ties.

Epsilon Sigma Alpha Sorority is governed at international, state, and local levels by elective and appointed officers.

Like the old wagon trains each person has a job. Those in leadership positions must perform their duties and band together in co-operation for the growth and success of the entire group.

This train has set up many rules for this growth and success with the motto "All for one--one for all."

A wagon train is made up of many individual wagons which can be compared to states. In ESA each state has an executive council that comes from individual chapters in that state.

ESA stands for the Great letters, Epsilon Sigma Alpha, freely translated means "Pur-

suit of Learning." All of us like the people of old wagon trains are on a long ride of learning.

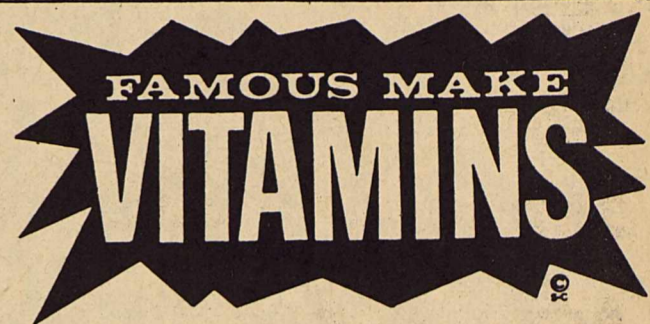

After the program coffee and pie a la mode was served to Velma Warren, Emma Lewis, Archie Glover, Melba Duke, Billie Blundell, Ann Green, Dortha Gray, Dorothy Lowe, Mary Lee Swann, Margaret Taylor, Virginia Lindt, Wanda Ashburn, and Idell Murphy.
