

**MOORE
Or Less**
by Johnnie Moore

We're all looking forward to the opening of the 1961-62 basketball season. Coach Rip Sewell tells me that practice will begin promptly Monday morning. Rip says prospects look toward a pretty fair team this year.

Be watching The Record next week for a complete schedule of this year's games and for some news about a basketball contest with cash prizes that the Record will be offering, up to \$35 per week.

Lincoln's Gettysburg Address has 226 words, the Lord's Prayer has 56 and the Ten Commandments 297. Just for the record, the words in a single Federal order dealing with the price of cabbage total 26,911.

If the grass on the side of the fence is greener, you can bet the water bill is higher.

The most widely used textbook for college economic students is "Economics, An Introductory Analysis."

The author is Prof. Paul A. Samuelson of the Massachusetts Institute of Technology. He also is president of the American Economics Association. Here are extracts from successive editions:

First and second editions, 1948 and 1951: "If price increases could be held down to, say, less than 5% per year, such a mild steady inflation need not cause too great concern."

Third edition, 1955: "If price increases could be held down to, say less than 3% per year, such a mild steady inflation need not cause too great concern."

Fourth edition, 1958: "If price increases could be held down to, say, 2% per year such a mild steady inflation need not cause too great concern."

Fifth edition, 1961: "Price increases that could be held down below 2 per cent per year are one thing. But..."

And on the TV program Meet the Press, March 1961: "...if we can hold things down so that the official index of prices goes up by no more than 1.5 or 2 per cent, I shall be very content."

Some people hope the professor will keep on talking and that his book will go through many more editions.

**Sale Begins
On Cowboy**

Next week, November 13 through 17, marks the beginning of the annual sale of the Plains School Yearbook, COWBOY.

This sale will last only one week and the purchaser will pay the full \$4.00 rather than the \$2.00 deposit which has, in years past, been customary. This, it is hoped by the annual staff, will avoid any mistakes in the handling of the yearbooks.

Students may buy their annuals before school from one of three students: Jackie Faulkenbury, elementary; Jerry Jones, junior high; Milton Watson, high school. The orders will be taken each morning, before school only.

Any person not in school who wishes to purchase an annual, may contact either Mr. Gentry or Mrs. Duff.

The annual staff has stated that they believe this year's yearbook will be worth the purchase price.

In an added note, it was made known that there are 10 COWBOYS left from last year and that they may be purchased for \$1.50 by contacting either Mrs. Duff or Mr. Gentry.

**Rep Party Of
Lubbock To Meet**

The chairman of the National Republican Committee, Mr. William E. (Bill) Miller will be the guest speaker at a dinner in Lubbock hosted by the Lubbock County Republicans.

Mr. Miller, a Republican of high conservative rating, is not only the national chairman of the Republican Party, but he is a United States Congressman from the state of New York. Mr. Miller has been one of the leaders of the North-South conservative coalition in the Congress. Bill Miller, a great conservative strategist and organizer will talk about the need and opportunities for Texas Republican conservatives in

PLAINS, TEXAS THURSDAY, NOVEMBER 9, 1961

NUMBER 45

VOLUME 31

**Saturday
Is Annual
Poppy Day**

On Saturday morning, November 11, the local American Legion Auxiliary will have Poppies for sale. Tsa-Mo-Ga Club members, and the Girl Scouts will assist in this sale.

The work of making these little red flowers is a true God-send to many disabled veterans in the VA Hospitals. Most of these men do not get any funds at all, and are very grateful they can send a little help to their families or for their own use. The occupational therapy department in the hospital recognizes the poppy work as having high therapeutic value to a veteran. The public has to be told every year why the poppies are worn and what is done with the money received from them.

Let's make this year a successful and large Poppy Day sale. Remember, if when the poppies are offered for Poppy Day wear, the public could feel that by wearing a poppy, they are helping bring a disabled veteran back to a useful life, then the little red flowers would have done their job. The most perfect memorial to our dead is to help our living to their rightful place in society. Wear a poppy for remembrance is our appeal to all Americans.

**Harvey Wilson
Gets 12 Years**

A colored man, Harvey Wilson was returned to Plains last Sunday by Yoakum County Deputy Sheriff, Olan Heath, Wilson was brought from the Texas State Penitentiary in Huntsville to stand trial for a dual burglary charge on two Plains business firms.

He was charged with the January 24th robbery of Plains Frozen Food and the February 3rd burglarizing of Cogburn-Young Hardware & Appliance.

Wilson stood trial on Wednesday, November 1, when the local District Court was in session and was found guilty on both charges. He received a sentence of six years for each of the burglaries and no suggestion that the sentences run concurrently was made, thereby making a total of twelve years sentence for the two crimes.

Wilson was returned to the Huntsville State Prison on Saturday.

**CROP Drive
Termed Success**

Annual Crop Drive, participated in each year by the Plains churches, was held Tuesday evening beginning at 7:30 p.m.

Youth and children from three local churches, First Methodist, First Baptist and First Christian assembled at First Christian Church where the meeting was opened with prayer offered by the Rev. R. H. Melkner.

Following an explanation of the work which Crop does, the young people divided into groups and began canvassing the town. After covering their assigned areas, the teams returned to the church where refreshments of hot chocolate and cookies were served.

Total amount collected was \$120.14, which if used strictly for the purpose of milk would furnish that commodity for 24 persons for an entire year.

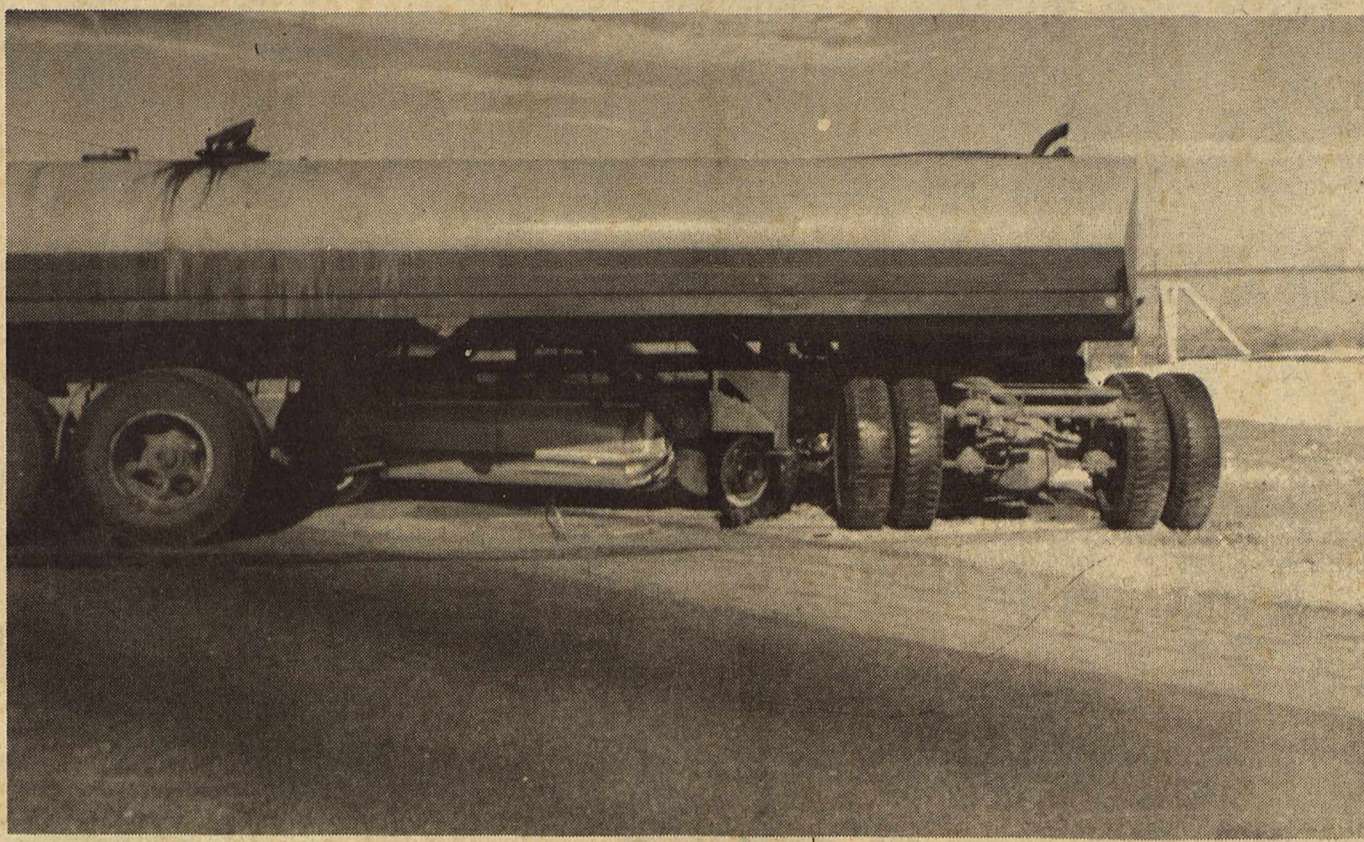

The churches and young people participating extend their thanks to the citizens of Plains for their generosity in this very worthy project.

**District Court
Docket**

(Continued on page 5.)

NEAR TRAGEDY--Lady luck was riding with the passengers in this car which collided with the tank truck on U. S. Highway 380 two and one-half miles east of Plains last Thursday morning. Only injuries sustained was one fractured ankle.

Truck-Car Crash On U.S. Hi-Way 380

On the morning of November 2, U. S. Highway 380 was the scene of a mid-morning car-truck crash.

Scene of the accident was two miles east of Plains on the Brownfield highway and time was set at approximately 9:30 a.m.

Both vehicles were traveling east when the crash occurred. J. H. Minter, of Denver City, driver of the truck, which was

in the lead, was proceeding to turn left off highway 380 to go through a cattle guard to load his tank truck with crude oil from a nearby tank battery.

Driver of the car, Mrs. James H. Kreimeier of Rusk, Texas, accompanied by two other women and a six month old baby, started to pass the truck at precisely the same moment that it began to make its left hand turn. The car plowed into the

rear wheels of the tractor of the rig.

Investigating officer, Yoakum County Deputy Sheriff, Olan Heath stated that the wreck would doubtlessly have been much worse had the car gone under the trailer rather than hitting the center duals. Only injuries sustained was a fractured ankle to one of the passengers of the car.

Exact cause of the accident has not as yet been disclosed.

**Tsa Mo Ga Annual
Bazaar Set**

The Tsa Mo Ga Club will hold its third annual cracker barrel Bazaar Monday evening

**Plains Boosters
Announce
Banquet**

Plains Booster Club will fete the Plains Cowboy football team to a banquet on Monday, November 20, at 7:30 p.m.

The annual affair, slated to be held in the Plains School Cafeteria, is used each year as the means of the members of the Booster Club to congratulate the football team and to say thanks for another year of thrills and entertainment on the football field.

Admission charges for the event have been set at \$1.25 per person. Tickets will be distributed and may be obtained from any Booster club member as well as at the Record office.

Speaker for the occasion is as yet undetermined, but will be some luminary from the area coaching field.

**Plains Band
To Travel**

LUBBOCK, Nov. 4--Nearly 1,500 musicians will provide music for the Boston College-Texas Tech football game as Band Day is observed in Jones Stadium here Saturday (Nov. 11).

A salute to veterans will be included in the colorful program planned by Texas Tech Band Director Dean Killion.

Acceptances have been received from 18 high school bands -- Littlefield, Plains, Stinnett, Whiteface, Kress, Ropesville, Shallowater, Childress, Jayton, Idalou, New Deal, Lockney, Tom S, Lubbock, Crane, Wilson, Andrews and O'Donnell. In addition, the 260-piece Red Raider Band will play.

The Plains Cowboy Band will also be entering in such contest as an Invitational Contest which will be held at Seagraves on November 14 at 6:30 p.m.; Band Solo Contest, November 17 at Lubbock; Marching Contest November 21, at 4:00 in Lubbock, and the Playing Contest March 30-31 in Lubbock.

An investment of good will and honest work can be counted on to pay good dividends.

**Cowboys
To Face
Sundown**

Cowboy Stadium will be the scene this Friday night, November 10, for the annual clash between the Plains Cowboys and their traditional rival, the Sundown Roughnecks. Game time is set at 7:30 p.m.

This is the final game in the football schedule for both teams.

Plains comes into the contest with a record of one win and eight losses while Sundown has a record of 6 losses and 3 wins. The Cowboys, in their lone win, defeated the Friona Chieftains and have lost to Crane, Portales, Wink, Sudan, Farwell, Frenship, O'Donnell and Seagraves.

The Roughnecks have downed Frenship, O'Donnell and Sudan and have bowed to Morton, Idalou, Anton, Farwell, Seagraves and Hale Center.

Sundown has basically a ball control team, which plays from a straight "T" formation, very often sending a flanker out to either side. They have a good passer, their quarterback, who is left-handed and who can hit the left-half back Daggert real well. They usually run most of their plays however, from the tackle and specialize in power plays and trap blocks.

Their speed is their biggest asset, but they aren't too big, and weigh out about the same or possibly a slight bit larger than the Cowboys.

Starting line - up for the Roughnecks is full of senior boys, two in the backfield and five in the line for a total of seven seniors on the team. Their usual starting team is as follows:

LE	Giddens	155
LT	Latch	145
LG	Wolfenbarger	145
C	Nugent	155
RG	ShIPLEY	160

(Continued on page 5.)

Shell Completes Clear-Fork Producer

In the Wasson field of Yoakum County, Shell has completed No. 3-B Brand as an upper Clear Fork producer.

Flowing potential daily is 121 barrels of 32.1 gravity oil, plus a trace of water, through a 24/64 inch choke and 21 sets of perforations between 6,289 and 6,715 feet, which had been acidized with 10,000 gallons and 50,000 gallons. Ratio for Gas-oil was 554-1. Tubing pressure was 20 pounds.

The 4 1/2 inch casing is set at 7,146 feet on a total depth of 7,150 feet.

It is 1/2 mile southwest of Denver City and 475 feet from north and 3,017 feet from west lines of section 37, block AX, PSL survey.

J. S. Ambercrombie Mineral Company, Inc., of Houston has scheduled two 5,700-foot projects in the Reves (San Andres) field of Yoakum County, approximately 16 miles south-east of Plains.

No. 4-D Ira Allen is 660

feet from south and 1,980 feet from west lines of section 814, block D, J. H. Gibson survey.

No. 4 W, F. McCracken is 990 feet from south and east lines of section 751, block D, J. H. Gibson survey.

Pan American Petroleum Corporation will drill a 3/8-mile north west offset, No. 2B Ruth Bennett, to the Northeast Wasson (Wichita - Albany) field of Yoakum County.

Location is seven miles northeast of Denver City and 330 feet from south and 1,980 feet from west lines of section 679, block D, J. H. Gibson survey.

Garrett, Wynne and Black of Midland has staked No. 3-C A. L. Moore, a San Andres project in the Brahoney field of Yoakum County.

Site is six miles southwest of Plains and 1,980 feet from north and east lines of section 517, block D, J. H. Gibson survey. Contract depth is 5,500 feet.

Paul Musslewhite of Level-land has announced plans to drill No. 1 Middleton, seven miles east of Plains in the owned by (upper clear fork) field of Yoakum.

The venture is 450 feet from south and east lines of section 488, block D, J. H. Gibson survey.

Inca Drilling Company of Midland will drill two 5,600-foot operations in the Brahoney (San Andres) field of Yoakum County.

No. 1 W, E. Boyd is eight miles southwest of Plains and 660 feet from south and 1,980 feet west lines of section 517, block D, J. H. Gibson survey.

No. 2 W, E. Boyd is eight miles southwest of Plains and 1,980 feet from south and west lines of section 517, block D, J. H. Gibson survey.

R. H. Fulton and Company of Lubbock has completed No. 2 Dennison and San Andres producer in the West Field of Yoakum County.

The well pumped 110 barrels of 32-gravity oil, plus 20 per cent water, from perforations at 51,935,249 feet in 24 hours, after 10,000-gallon acid treatment. Gas-oil ratio was 410-1.

The 4 1/2 inch casing is set on bottom at 5,290 feet.

The project spots 1,980 feet from north and 1,593 feet from west lines of section 607, block D, J. H. Gibson survey.

**Cancer Society
Holds Meet**

The Yoakum County Cancer Society met in its regular meeting in the club room Monday, November 6. Nine members and the District 2 Field Representative of Midland, Mr. R. C. Taylor were present.

Mary Les Smith, gave a report on the District meeting which was held in Lamesa. There were nine counties represented from District 2.

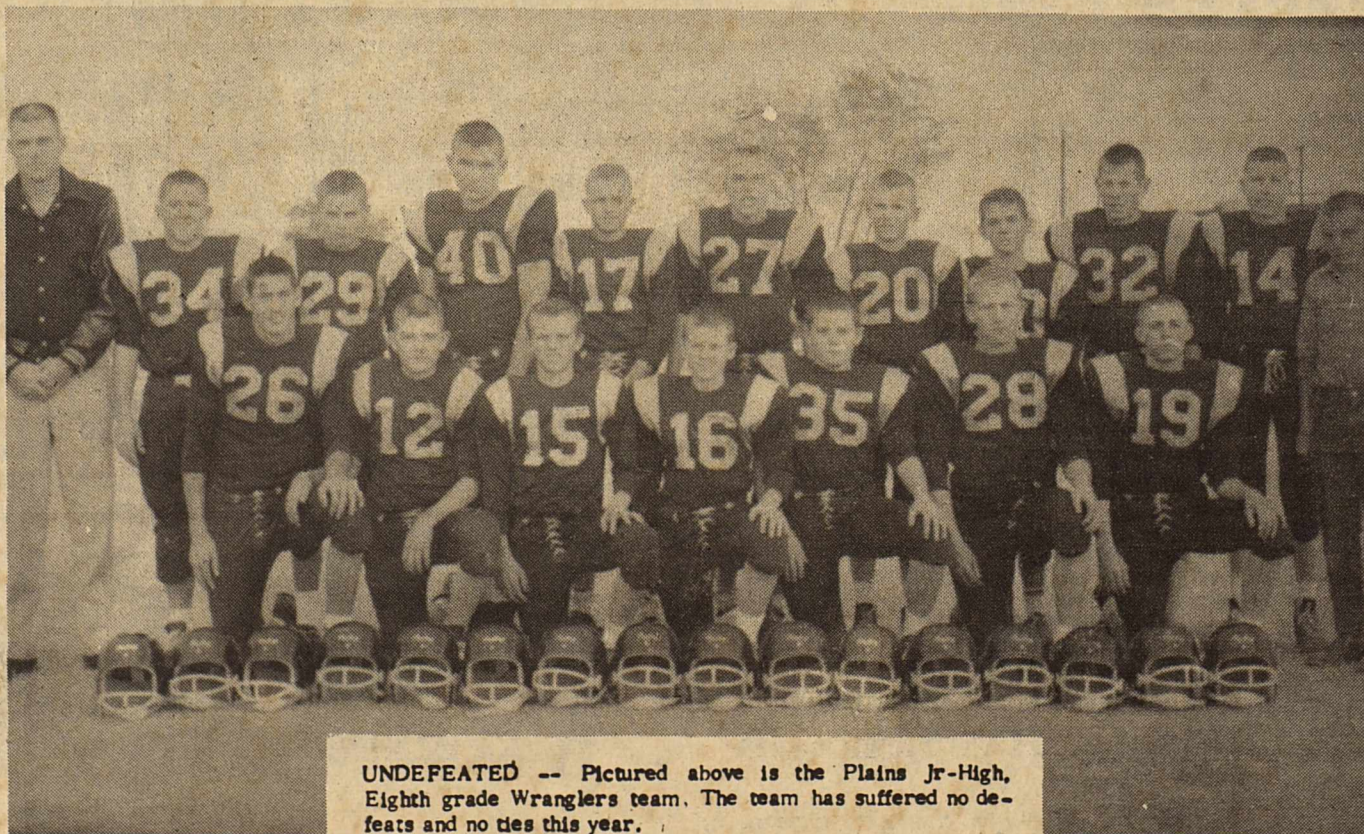

Dr. Berry Squyers read some recent facts and information on Cancer Research.

Anyone wishing to contribute to the Cancer memorial fund at any time should contact Dorothy Lowe who is chairman.

The next meeting will be held December 11 in Denver City Library. The program will consist of Texas Division Annual Report, and "Care of Cancer Patient" by Mrs. Henry Rankin, Denver City school nurse.

Those attending the November 6 meeting were Mrs. C. A. Bickley, Dr. Berry Squyers, Mrs. Gene Payne, Mrs. Morris Lowe, Mrs. P. W. St. Roman, Mrs. John E. Fitzgerald, Mrs. B. J. Smith, Mrs. Jesse Allen, Mrs. Jack Palmer and Mr. R. C. Taylor.

All board members are urged to attend the next monthly meeting.

UNDEFEATED -- Pictured above is the Plains Jr.-High, Eighth grade Wranglers team. The team has suffered no defeats and no ties this year.

The Educational Threat And Challenge Of Communism

BY JAMES E. TURNER
Russian education is not the only public education system

that can lay claim to being superior to our own. French and Swedish education are generally considered better than ours. But French and Swedish education are not a threat to us, because these two countries do not use their education to support a national purpose that involves burying us. Russian education is a threat to us because theirs is a system intimately supporting the national purpose of spreading the "gospel" of Communism around the world. All Russian pupils start serious study of a foreign

THE

ELSORITA SHOP

language in the third grade. Fifty-five per cent of them LEARN English. The rest are selected to become proficient in the other world languages as individual interest, talent, and national interests dictate. Soviet language training is so sweeping that Moscow can, if the occasion calls for it, produce tomorrow a skilled plumber who can speak Singhalese or Bengali. For instance, in these languages the Russians have a small army of linguists. Although almost 100,000,000 people speak these languages, our own Department of State's Foreign Service does not have a single qualified person. I talked with an American intelligence officer the other day who had returned from one of the crucial Southeast Asia countries that has not yet fallen to the Communists. He predicted their fall before the year is out. Here is the reason: The Russians have 250 technicians (Missionaries) in this particular country. They are living with the people and working with them. Every last one of them can speak the local dialect fluently and is familiar with the local history. The Americans have a dozen technicians there. They are living in the best hotel, aren't sure why they are there, can't speak the local language, go to Hong Kong on weekends, and can't wait to get home to their families.

This same story could be repeated for every country in Africa, Latin America, and South America. This is just one of many ways that Russian education supports their national purpose. Of course, we could go into their technological and scientific advances and show how the intense and disciplined education has made this possible. One of the reasons for our own relative decline is an inferior educational system. Our young people are being cheated out of the tools without which our national survival will be impossible. Our schools, for the most part, have fostered a laziness and slothfulness that is shocking to the serious citizen. Our education has produced compounded illiteracy in culture and the roots of our great heritage. Our de-emphasis of history, languages, and the humanities has produced an American mentality incapable of grasping the sweep of the present world struggle. Dr. Ross J. Pritchard, a young college professor, used the words "congenital superiority" in describing those who don't believe this country is in trouble. We have become a nation of

sheep without a sufficient breadth of knowledge and insight to serve as a foundation for responsible and intelligent action. Note how the masses have hailed the welfare state because they cannot foresee the consequences and are unaware of what a departure it is from the political philosophy which has made this country great. The people have been blinded by unscrupulous politicians who have promised that we can workless and have more.

Education has become the major Soviet weapon in the cold war. The average Russian high school student knows more American history than the average American high school student! There are signs that we are becoming aware of this threat and are beginning to strengthen our education, somewhat. But the tragic fact still remains, we do not yet have a national purpose around which even improved education can organize itself.

As the fact that Russian education is better than our own began to leak through during the past two or three years, many Americans were shocked, others were indignant, others were challenged. The fact that the Russians accomplish in about sixteen years what it takes us a good twenty to do is a challenge. Their massive effort in languages is a challenge. The fact that they threw out progressive education twenty-five years ago is a challenge. The fact that there are high schools in many of the cities where English is the exclusive language spoken in all subjects should challenge us.

The threat and challenge of our enemy in this area should galvanize us to demand discipline and excellence in our public education. This is no time for laxity and lethargy--rather, it is a time for dedicated study "to show ourselves approved, a workman that need not be ashamed." Education is perhaps the most important weapon in this war. What are you doing about it in your town? How does your local school system meet the challenge?

Court Minutes

The Honorable Commissioners Court of Yoakum County convened in special session October 30, 1961, with the following members present, to wit: Honorable Don Hancock, County Judge, presiding, Vance W. Brown, Commissioner Precinct No. 1, H. C. Cotton, Commissioner Precinct No. 2; Raymond Bookout, Commissioner Precinct No. 3; and Mrs. Paul Loe, Commissioner precinct No. 4. J. W. O. B Team Has Good Year

Cowboys B string, football team had come to the end of the season with a record of five wins and three losses.

In their latest attempt, they managed to down the Seminole B string in a very well played 13-8 victory. This game was played at Seminole last Thursday afternoon.

In the first quarter of play, Plains scored their first touchdown on a one-foot plunge by quarterback, J. B. Wilson. Jack Lowe kicked successfully for the extra point, making the score at the end of the first period of play seven to nothing in favor of the Cowboys.

Second quarter play saw the Cowboys again successfully tally on a spectacular 60 yard pass play from Wilson to Todd Southern. Try for extra point was unsuccessful and halftime score remained at 13 for Plains to zero for Seminole.

The lone touchdown for Seminole came about in the third period of play on a 10 yard run.

Their try for extra points on a run was successful making the score 13-8, with the Cowboys on the long end. This was the final score in the contest.

Leading ground gainer for Plains was Clyde Lynn, who, it is reported, was very successful in leading the ground attack. Lynn was responsible for

setting up the first Plains TD on a thirty yard run where he was tackled on the one foot line.

The Seminole team threatened twice more in the fourth quarter, once advancing to the four yard line and again to the 10. Plains was able to contain them however with their defense being led by leading tackler for the afternoon, Teum Perrin, followed very closely by Lee Tingle.

Steve Johnson Wins Grand Champ

When Steve Johnson, grandson of Mollie Courtney showed the grand champion barrow of all breeds in the recent junior swine show at the State Fair of Texas in Dallas, he added another triumph to a winning record.

The following year he showed the grand champion barrow of all breeds in the big swine division at the South Plains Junior Fat Stock Show in Lubbock. That same year he showed the grand champion barrow of all breeds at the El Paso show. Three farm co-ops of Lub-

bock paid Steve a record price of \$3 per pound for his grand champion at the State Fair this year. The purchasers were the Plains Cooperative Oil Mills, Plains Cotton Cooperative Assn, and Farmers Cooperative Compress.

Steve won the top honor with a 220-pound Hampshire bred by Norman Zipser, Modesto, California. The grand champion at the State Fair last year brought \$2.20 per pound.

Young Johnsons grand champion this year was the top animal in a field that included 740

entries. Steve's brother Jim, 10 is helping build a family name for the Johnsons on the swine show circuit.

Jim showed the reserve grand champion of all breeds this year at both El Paso and Lubbock, only a year after Steve and won top honors at both shows.

And they'll be back on the show circuit next year. Jim and Steve, each of whom has a breeding sow, are feeding 20 barrows for stock show next spring.

Hunters Subject To Check For New Licenses

With the opening of the major hunting seasons of the year, game wardens now are beginning a careful check of licenses, according to J. B. Phillips, coordinator of law-enforcement of the Game and Fish Commission.

A resident hunting license costing \$3.15 is required of every citizen of Texas who hunts outside the county of his residence, or who hunts deer and turkey in the county of his residence. Exceptions are those citizens who are under 17 years of age, or 65 or over, and citizens hunting on land on which they are residing. Exemption licenses are required for each of these exceptions, when hunting deer or turkey.

Non-resident general hunting licenses cost \$25 each. However, non-residents may buy a 5-day migratory bird license for \$5, and a migratory waterfowl license for \$10, issued on a reciprocal basis. A non-resident also may buy a \$3.15 license for use on shooting resorts only.

Landowners who lease hunting rights also are required to pay a \$5 license. They also are required to register and keep a list of persons who hunt on their lands for a fee.

In addition, a Federal regulation requires that all hunters of migratory waterfowl buy a \$3 "duck stamp," which can be obtained from your post office.

 FB Leonard 150
 Coach, Jack Pierce, reports that boys still out of the Plains

lineup will include Huddleston, Todd and Kenneth McGinty. He went on to say that Dennis Hickman will suit up and play, but that his ankle is still giving him a lot of trouble.

Suspicion always haunts the guilty mind.

TROPHIES AND GROCERIES -- Shown above is Duane McDonnell with two of the four bucks that he and Kenneth Jett of Denver City bagged on a recent trip to the Pagosa Springs, Colorado area. Buck on the right is a ten pointer which weighed 225 pounds.

SUCCESSFUL TRIP -- From left to right are Alex Lindt, an unknown friend, Leon Wisener, Robert Wigginton and front Bob Kennedy. Not shown in the picture, but on the hunting trip to Pagosa Springs Colorado is George Ford. The unknown friend weighed about 300 pounds. Other trophies bagged by the group included eight deer, and one Elk.

Health And Safety Tips From The American Medical Association

One of the meanest crooks on record today is the medical quack. The men with the phony cures and bogus remedies, the useless "health" foods and the trick electrical gadgets bilk the public of a billion dollars every year.

Some of the quack products actually are harmful; others are harmless, but also are useless. How can you avoid wasting money on quacks? There are six simple rules for spotting a quack, developed by the Department of Investigation of the American Medical Association. They are:

- If he used a special or "secret" machine or formula he claims can cure disease.
- If he guarantees a quick cure.
- If he advertises or uses case histories and testimonials to promote his cure.
- If he clamours constantly for medical investigation and recognition.
- If he claims medical men are persecuting him or are afraid of his competition.
- If he tells you that surgery or x-rays or drugs will cause more harm than good.

Next time you are tempted to try a new pill or a new diet for that aching back, remember these six points. If any one of them applies, save your money.

The worst danger from the quacks is that their "medicines" or machines may cause a patient to waste valuable time in getting to a genuine physician. Many cancers can be cured, for instance, but if the patient

wastes time with quack remedies the cancer may grow into an incurable one.

No one can cure arthritis. The best that the arthritis patient can hope for from remedies is temporary relief from aches and pains. Beware of anyone who claims he has a cure for arthritis. He hasn't.

If you have doubts about a remedy or a cure, ask your family physician. He will know whether the product will be good for you.

Club To Present Communism Countdown Program

November 13, Tsa Mo Ga Club Program will be on "Communism Countdown." Mrs. Harvey Stotts, member of Program and Yearbook Committee, will act as program director for the evening program. Mrs. Stotts stated that the following quotation in the yearbook was taken from the Lubbock Avalanche Journal "The new program of the Communist Party in Russia may look to some like a blueprint for Utopia. But if so, it is Utopia with reser-

ventions." Club members who will present "Communism Countdown" are, Mrs. Paul Cobb who will speak on "Utopia? Kremlin 20 year Plan." Berlin-"Showcase of Liberty" will be Mrs. Jack Hayes topic. Mrs. Dorman Scott will close the program with Dean Alfange's heart warming reading on "What America Means to Me." Mrs. Johnnie Moore and Mrs. M. W. Luna will be hostesses during the social hour.

Servis GYRO 60 STALK SHREDDER

3" stalks and brush—a cinch!

Heavy duty, for sure! Has been demonstrated on rows of 4" x 4" posts. Easily cuts tough growth like bois d'arc, salt cedar, broom corn. Yet, fits lighter tractors: 20 to 40 HP.

Fine shredding. Optional shredding attachment features patented intermeshing blades, makes fine litter of cotton and grain stalks to turn under for soil enrichment. Cuts 60" swath.

Fan-type blades available to lift light materials like corn stalks off ground.

A-shaped blade carrier and free swinging blades protect against stump damage. Extra heavy blades and carrier develop tremendous momentum, are the secret of the efficient "gyro action" cutting.

Also lift models and other sizes. 60" lift model fits all standard 3 pt. lift, 2 pt. Fast Hitch, and AC Snap Coupler. Larger models include 66", 84", 100".

 Congress in 1962. The dinner will be held at 7:30 p.m. Saturday, Nov. 11, at the Fair Park Coliseum.

All Lubbockites and area people interested in better Government are invited to come hear and meet, the Honorable William E. Miller, according to David Dye, publicity chairman.

In Self Defense

When news photographers turned up at a women's club to cover a speech by a Very Important Person, they found this warning on the bulletin board:

"Cameramen! Do not get up to photograph our speaker while he is addressing the audience. Shoot him when he approaches the platform."

C. MURRELL THOMPSON Working out of new Conservation Plans and Great Plains Contracts continues to increase. This week Mrs. Bessie McCravy and Leroy, Tommy Holyfield, V. R. Jones and Donald Bookout all received assistance in the writing of Conservation plans and Great Plains Contracts on their farms.

Application work in the form of under - ground, high pressure, irrigation pipe on the J. W. O. Allridge, Gene Bennett, Jimmie Cox farms and several others are due to start soon.

Checks continue to be made with land owners and operators on the amount of crop residue now on the land and to make plans to use that residue for its fall value to control erosion and improve soil condition. Checks show that narrow row grain sorghums have as much as 5000 lbs of residue per acre while 40" row has from 2000 to 3500 per acre. Residue left on the surface with only needed tillage will control wind erosion better.

New requests for assistance under the Great Plains Program along with regular District work continues to come in. This past week E. C. Hatton of Lubbock made a request on several hundred acres of irrigated land for assistance in planting grass. I. L. Smith of the Tokio community made request for assistance, also, and wants to plant some grass and put in some under-ground, high pressure, irrigation pipe. V. R. (Cowboy) James wants to plant some grass on his place East of Denver City.

Baptists Announce FB Banquet

The annual football banquet sponsored each year by the Brotherhood of the First Baptist Church is scheduled for Monday, November 13, at 7:30 p.m. in the Fellowship Hall of the Church.

All Plains High School football players and their fathers are cordially invited.

Guest speaker for the evening is slated to be the Rev. Frank Pollard, minister of the First Baptist Church of Seagraves.

FARMERS UNION TO HOLD MEET
Yoakum County Farmers Union will have a regular meeting in the club room Thursday November 9, at 8:00 p. m. Delegates to State Convention will be elected. The State Convention will be held December 8 and 9 in Waco, Texas. Forty-two will be played after the meeting here.

Fine Arts Evening Of Music Success

It was very gratifying to the members of the Fine Arts Club to have such a fine audience for their program of sacred music which was presented at the Plains Methodist Church on Thursday evening, November 2.

Despite inclement weather, approximately two hundred twenty-five people were present to hear the wonderful message in song under the direction of Mrs. Clifford Anderson.

Invocation was offered by Rev. R. H. Meixner, pastor of the Plains Methodist Church. "The Federation Hymn" by Williams and "God of our Fathers" by Warren were sung by the Fine Arts Choir directed by Mrs. Rod Duff and accompanied by Mrs. Jack Pierce.

Responsive reading of "Meditation" was given by the Fine Arts Club led by Mrs. Clifford Anderson.

"The Stranger of Gallilee" by Morris and "Stand Up, Stand Up For Jesus" by Geible was sung by the First Christian Church Choir directed by Mrs. Johnnie Moore and accompanied by Mrs. Bill Robertson. "Surrender" by B. D. Ackley was sung by Mrs. Johnnie Moore and Mrs. Gene Young, of the Fine Arts Club, accompanied by Mrs. Bill Robertson.

"At Calvary," by Newell-Towner, and "How Great Thou Art," by Hine were sung by the First Baptist Church Choir directed by Mrs. Odus Walser and accompanied by Mrs. Jack Pierce. "What a Day That Will Be" by Hill was rendered as an instrumental duet by Milton Watson and David Johnson of the Assembly of God Church, accompanied by Mrs. E. L. Witt at the piano.

"My God and I," by Withol and Lord, I Want to Be a Christian," by Norton were sung by the Plains Methodist Choir directed by Mr. Gene Young and accompanied by Mrs. Eugene Payne Jr.

"In the Hour of Trial," by Lane was sung by Mesdames Leroy McCravey, Jesse Hale, and Pat Henard of the Fine Arts Club, accompanied by Mrs. Jack Pierce.

"You'll Never Walk Alone," by Rodgers; and the hymn of the month, Let Us With a Glad-some Mind," by Milton, were sung by the Fine Arts Choir.

For a suitable climax, the

Choirs and congregation joined in singing of such all-time favorites as: "I Am Thine O' Lord," "Amazing Grace," "Fairrest Lord Jesus," "Are Ye Able," "Beneath The Cross of Jesus," and "Sweet Hour of Prayer" led by Mr. Gene Young and accompanied by Mrs. Jack Pierce.

In conclusion the Fine Arts Choir sang, "Faith of Our Fathers" by Hemy-Walton.

Benediction was given by Rev. James L. Bozeman, pastor of the First Baptist Church.

Ushers were Misses Roberta Snodgrass, Sue Bookout, Onita Meixner and Marsha White. Hostesses were Mesdames J. P. Robertson, Wayne Chadwick, H. F. Barnes and P.M. Williams.

The Fine Arts Club wishes to say "Thank You," to all the fine people who helped make this program a success by attendance and participation.

Lions Clubs To Adopt New Program

Lions Clubs throughout the world have adopted a Vacation Visitor program for young men and women between the ages of 16 and 25 during the coming year.

The program calls for Lions Club sponsorship of a youth in one of the 114 Lion nations to visit with the family of another Lions member in another nation. It will not be a student exchange program and will aim for short visits. The expenses will be shared by the sponsoring and host Lions Club and will be correlated through the Lions International Office, 209 N. Michigan, Chicago 1, Illinois.

The program's purpose is to provide the Vacation Visitor with firsthand experience of life in a home or community so that understanding may be developed.

The International Association of Lions Clubs is the world's largest service club organization with 625,000 members located in 114 countries of the Free World.

"Psst!" said the nervous man in the upper berth as the conductor passed down the aisle. He asked, "Will you please bring me a glass of water?" "That's the 10th glass of water you've demanded in the past 20 minutes," protested the conductor. "I never heard of anybody drinking so much water."

"I'm not drinking it," said the passenger. "My berth is on fire."

MYSTERY HOUSE -- Last weeks mystery house belongs to Pearl Loe.

The Local Angle

Mr. and Mrs. B. L. Caldwell of Brownfield visited in the home of her sister Mr. and Mrs. John E. Fitzgerald Tuesday night.

Don Cooke who has been in the hospital suffering from a leg infection is home and reported to be doing better.

Judy Fitzgerald is much improved after spending several days in the Terry County Hospital in Brownfield.

Tom Hale of Boswell, Okla. visited over the week-end with his three sons and families, Jesse, Kenneth and Jerry Hale.

Mr. and Mrs. Raymond Palmer of Dimmitt spent the night with their son and family the Jack Palmers Saturday night. Nell Parks is suffering from

burns sustained while welding at the Delinting Plant. He is recovering nicely, and plans to return to work next week.

Archie Whitaker, Dr. Bill McCollough, Johnnie Fitzgerald, and Alton Henson plan to leave for New Mexico and go deer hunting this week.

Mrs. G. P. Beane is reported to be on the sick list this week. Mr. and Mrs. Joe Chisholm and Claude attended open house in Brownfield at the Public School Sunday afternoon.

Dixie McClellan moved to Levelland this week where she is attending Levelland Junior College.

Mrs. Clyde A. Lynn has returned home after having surgery in Lubbock. She is recovering nicely.

Health Unit To Have Clinic

Staff of the South Plains Health Unit has announced that there will be an immunization clinic, offering shots and vaccinations to prevent the contagious diseases. The shots will include the three-in-one variety and also will include polio shots and small-pox vaccinations.

The clinic will be Thursday, November 16, from 3 to 5 p.m. in the Country Club Room in the old courthouse building.

It is advised and urged that any farmers having transient laborers who have not had their immunizations or children have not, that they be given the opportunity to take advantage of this clinic.

Pointed out was the fact that this clinic is designed and offered for those persons who are not financially able to obtain these shots from their family physician.

Clerk (after showing a customer nearly every pair of shoes in the house): "May I sit down a minute and rest. Madam? Your feet are killing me."

WSCS Met Nov. 1

WSCS women's service organization of the Plains Methodist Church had its regular monthly meeting at the church on Wednesday evening, November 1, at 8 p. m.

Mrs. Jessie Hale led the devotional for the evening, "Is ours only a gospel of faith, or is faith expressed in love?"

Mrs. Virgil Wade gave the study entitled "Between Misery and Splendor" and "The Un-

finished Task." Mrs. Leo White, president of the group, led the business session.

Refreshments of home-made cookies and punch were served by the hostess, Mrs. Kenneth Hale.

Others present were Mrs. Crete Cheek, Mrs. R. H. Meixner, Mrs. Gene Payne, Mrs. L. O. Smith, and Mrs. James Warren.
