

MOORE Or Less

by Johnnie Moore

At our nation's Capitol, you hear talk about a Congressman throwing his weight around. Someone went to the trouble of adding it up. There are 39 tons of Congressmen in the House and 9 tons in the Senate.

There are more people living in the world today than have died since the time of Adam and Eve.

Last week there was an item in Bill Hart's Column in the Lubbock Avalanche Journal which stated that Kress was the first team in three years which had a Class A football team which had gone to the state quarterfinals from the South Plains. I have written Mr. Hart a letter asking for the exact geographic location which he considers the city of Plains to be in. As yet I haven't received a reply, but am sure looking forward to his answer.

We do a lot of talking in this column about the seriousness of the threat which we as American citizens are presently faced with in this matter of Communism. We believe it to be a real danger and one about which some things must be done.

It seems to us, however, that some things that are being done, or at least attempted, have more bad effect than they do good. Talk is real cheap, and an excess of talking or finger pointing isn't going to accomplish any significant good. There are various groups scattered over this land of ours who have set themselves up and have gone about the business of deciding who among us are Communists and who are not. I certainly would be first to say that if a person is a Communist he ought to be exposed. But, we find in far too many instances, these cases are not documented and that only hazy suspicions are turned and twisted and made to seem factual. This kind of irrational and unjust behavior has one effect and one effect only. It tends to make us distrust each other. This as far as we see it is certainly playing into the commie's hands. I don't think of a single thing which they would rather have us do, than to become suspicious of each other.

Not too many months ago, a person of my acquaintance was accused by some of these irresponsible John Birch type egg-heads of being a Communist sympathizer. This person happened to be a Minister of the Gospel. Knowing the man and his work, even his beliefs very well, the idea was so ridiculous and so completely unfounded, that I hardly could believe the thing was happening. But, happen it did. The result? This man of God, doing a wonderful work for Christianity, and thereby actively opposing the Communist tyranny, has had his ministry severely curtailed and has become a much less effective adherent for Christian Democracy. This happened in spite of the fact that the man was summarily proven innocent of the unfounded charges which were brought against him.

The point being that once such a charge is made against a person, whether it be true or false, the stigma of the accusation remains.

Unfounded and unproven accusations of this sort in our opinion ought to be dealt with very severely as they do as much damage to undermine this country's effectiveness in its fight against Communism as anything imaginable.

Dr. Camp To Speak

The Texas Academy of Science Visiting Scientist Program, sponsored by the National Science Foundation, has made arrangements for Dr. Earl D. Camp, professor and head of the department of Biology at Texas Tech, to visit the Plains High School, on Monday, December 11, at the request of Mr. Virgil E. Wade, Science teacher and Mr. G. D. Kennedy, school superintendent.

Dr. Camp will speak to the high school science club, of which Mr. Wade is the sponsor. The program is scheduled to begin at 6 p.m. All interested persons of the community are most cordially invited to attend.

VOLUME 31

PLAINS, TEXAS THURSDAY, DECEMBER 7, 1961

NUMBER 49

PLAINS POLITICAL SCENE IN PRE-CAMPAIGN CALM

OPENING CEREMONIES--This group of four scouts from Plains troop No. 778 hoist the flag Saturday in impressive opening services to the scouts visitors day which was held last Saturday at the scout hut.

Cowboys Rematch Tatum Here

The Plains Cowboys, although unsuccessful in their early season attempts, have shown a remarkable amount of improvement on the basketball court.

Coach Rip Sewell, in commenting on the games played thus far, made note of the fact that defensively the Cowboys, for their height, have done remarkably well on the defensive side. He further pointed out that the thing hurting the team more than anything else at present is the number of times which the ball is lost either to a violation such as double dribble or walking and to bad passes.

Friday night's game against their triple A, foe, Brownfield, made these facts quite apparent. Plains held this normally high scoring team to a very eager 31 points and held their high scorer, Teddy Howell, to only 8 points. Plains, though, only scored 21 points. This can mainly be attributed to losing the ball 28 times through violations and bad passes.

In Saturday's game against Eunice, the Cowboys suffered their worst defeat of the still young cage season by a score of 57 to 32. Plains high scorers were J. B. Wilson and Steve McGinty with a total of eight points each. High scorers for Eunice were Joe Hall with 20 points and Mike Westbrook with 13. Eunice has one of the strongest teams in New Mexico and opinion is that they stand a very good chance to cop the state title.

This Tuesday night saw the Cowboys beaten by a very strong Denver City team by score of 40 to 28. Denver City's entire edge was gained over Plains in the first half of the game, as the Mustangs were held to a very slim 3 points in the third quarter, and only scored thirteen points to the Cowboys 14 in the entire second half.

Coach Sewell again pointed out that free throws were a bit of a problem in this game as Plains was handed twenty three attempts and only connected with 10.

One very fine Plains starter, Steve McGinty, was out on Tuesday night with a broken wrist and it is reported will in all probability be out for at least another six weeks.

The Cowboy B squad, on the (Continued on page 3.)

55 Attend Scout Fete

About 55 Scouts, parents and guests attended the parent's day which was put on last Saturday afternoon by the local Boy Scout Troop, No. 778.

Visitors were treated to baked candied apples, which were prepared by the scouts themselves.

The activities of the afternoon included a Teepee pitching contest, fire building contest, patrol flag making contest and a compass course race.

Awards were given in each of the contests except in the compass race.

Teepee pitching was conducted in this fashion: Each patrol, of which there are four in the troop, began with their teepee and poles lying on the ground. The object of the contest was to get the teepee raised in presentable fashion, a fire pit dug and the fire started in the shortest amount of time.

The winning patrols, Bison and Antelope Patrols, each had all the above accomplished in less than seven minutes. Other awards were won by the Indian Patrol for best handmade patrol flag and the python patrol for best teepee design and decoration.

Three awards were given to individuals, Moody Meixner, Rodney Trout and Harold Lee Swann each received their Second Class Award.

Tax Series Planned

A four-part series on tax reporting has been planned for successive Fridays in December on "Linn's Farm Report," seen at 7:05 a. m. weekdays on KCBT-TV, Channel 11, Lubbock.

Dr. John Seibert, area farm management specialist for the Texas Agriculture Experiment Station in Lubbock, will conduct the series, which begins Friday, Dec. 1.

The initial program will feature methods of accounting, cash versus accrual.

Highlights of other telecasts are: Friday, Dec. 8--Depreciation methods, including straight (Continued on page 3.)

Operation Xmas Card Deadline Is Monday

"Operation Christmas Card" ends December 11. No contributions will be accepted after this date.

The purpose of this project is in an effort to raise funds for the Cemetery Association, which is so badly needed. Plans are that individuals and clubs

State Announces More Hi-Way Improvements

AUSTIN, TEXAS--The Texas Highway Commission today approved the expenditure of \$15 million for additional safety features to improve Farm to Market Roads.

The 1962 Farm to Market Road Improvement Program will affect 2,943 miles of FM Roads in 182 counties. Types of safety work to be done include: reconstruction; widening, reconditioning, and resurfacing; additional surfacing; application of seal coat; work on shoulders and sodding; work on drainage structures and approaches.

The Commission said the program is designed to protect the large public investment in existing Farm to Market Roads by maintaining their traffic adequacy and enhancing their safety for motorists.

Projects scheduled for Yoakum County are: Road No.; Location of Project; Approx. Length; Proposed Character of Work; Est. Const.; as follows:

FM 454 Fr. St. 83, N. & E. to St. 214 8.0 miles Seal Coat, \$7,400.00.
FM 1780 Fr. Cochran County Line to FM 2196, 8.2 miles, Seal Coat, \$8,500.00.
FM 2196, Fr. FM 1780 to Terry County Line, 1.0 miles, Seal Coat, \$1,100.00.
FM 435, From US 380 to FM 396, 9.0 miles, Seal Coat, \$8,300.00.

Escheat Law Now Effective

The state of Texas has passed an Escheat Law, which became effective November 7, of this year.

This law, passed by the last Texas Legislature, requires that certain "persons" who are holding personal property subject to Escheat shall transfer this property to the state of Texas.

PERSON The term "person" means any individual, corporation, business association, partnership, governmental or political subdivision or officer, public authority, estate, persons having a joint or common interest, or any other legal, commercial, governmental or political entity, except banks, savings and loan associations, banking organizations or institutions.

PERSONAL PROPERTY The term "personal property" includes many things and is very broad in its description. It takes in all such things as (Continued on page 6.)

Filing Deadline 59 Days Away

As only 59 days remain before the deadline for filing for state, district, national, city and school offices, the Plains area would seem to be in its last period of calm before the "politickin'" begins.

Offices open for balloting in 1962 will be U. S. Representative, State Representative, in offices above the county level. Open for balloting in Yoakum County will be the offices of county clerk, county judge, county treasurer, commissioners of Precincts 2 and 4,

and justices of the peace.

Added to these, in the city of Plains, there will be ballots marked for mayor, three posts on the city council, and city marshal. There also will be school board balloting in the Plains independent school district for candidates for four trustee posts.

Among present office holders and other possible office seekers there appears to be the usual pre-campaign lull. Citizens, however, can be sure it won't be long until the political speculation and candidate's announcements will be beginning.

The democratic primary for candidates for precincts, county, state, and national offices is May 5. Filing deadline for candidates to place themselves on the primary ballot is February 5.

The city of Plains will hold its election on the first Tuesday in April, while the school district election will be held on the first Saturday.

Voters, to be eligible to vote

in any of the elections, must hold poll tax receipts, or poll tax exemptions, and other wise be qualified voters under the law.

Voters are reminded that the deadline for paying the poll tax is January 31. The poll tax is priced as it has been in the past at \$1.75.

The incumbents whose offices will be open for election in the 1962 balloting include Mayor R. S. Faulkenberry, City Councilmen Kenneth Hale, and R. D. Romans, and City Marshall O. D. Smith. In the School Trustee election, open for balloting will be the post of G. W. Cleveland, Johnnie Fitzgerald, T. J. Murphy and Foye Powell.

Other offices open for election include those of U. S. Representative George Mahon, State Representative Olen R. Petty, County Clerk J. W. O. Alldredge, County Judge Don Hancock, County Commissioner's H. C. Cotton, and Pearl Lee, and the two Justices of the Peace.

Cage Contest Winners Announced

Winners in the first week of the Record's Basketball Contest were as follows: First place, Cordell Huddleston; Second place, Wilson Duke; and third place, Vaughn Culwell.

Huddleston who failed to pick only three of the twenty winners received \$5.00. Second and third place winners Duke and Culwell both failed to guess six of the winners but Duke only missed the tie-breaker score by 12 points and Culwell missed it 18 points.

As is obvious no one was able to guess all 20 winners and win the bonus prize which is offered each week of \$25.00.

This week's contest with a brand new set of games, ten college games and ten high school games will be found on page four.

Another \$35.00 in prizes is offered this week as will be the case for fourteen more weeks.

Three Sites Constructed For A-Blast

The Plains area will play at least a small part in the underground nuclear explosion which is to be set off in the Carlsbad, New Mexico area this Sunday, December 10.

Construction is underway on three test sites in the Plains area where equipment will measure the outer extremities of the tremor caused by the blast. Testing sites were to be constructed on the property of three Plains area citizens, Mrs. Marlon McGinty, Glen Cleveland and Johnnie Fitzgerald.

Purpose of the test blast was explained by civilian authorities as being very diversified, but the main purpose is to be to determine whether the possibility exists to produce very cheap electrical power by containing the reaction energy which would be released by the explosion.

Containment is being attempted in the Carlsbad area (Continued on page 3.)

Senior Class To Present 'Out Of The Frying Pan' 12th

On Tuesday, December 12, at 8:00 p.m., the Senior Class will present "Out of the Frying Pan," a three-act comedy by Francis Swann.

Six stage-struck young people land into the fire so constantly that they need asbestos lining. But what can they do when lack of funds and high hopes for parts in a Broadway play cause them to band together in an unconventional way? People like

fathers, theatrical producers, and snippy friends can hardly be expected to understand. Mix them all together, and expect a play of gaudy nonsense and really funny situations. The cast includes: George Bodell, a lazy, good-natured young man--Weldon Spencer; Norman Reese, the capable member of the group--Martel Souter; Tony Dennison, a rather discouraged stage hopeful--Jerry Jones; Kate Ault, the cynic of the crowd--Roberta Snodgrass; Marge Benson, most serious of the girls--Sandra Williams; Dottie Cogburn, the "Dumb Dora" type--Sue Bookout; Mrs. Garnet, their bewildered and uncomplaining landlady--Marsha White; Muriel Foster, Dottie's friend from Boston--Kay Weatherford; Auther Kenny, a theatrical producer--Kent Welch; Mr. Coburn, Dottie's father--Jeff Smith; Joe, the intellectual type of policeman--Butch Hawkins; Mac, dumb but earns cop--David Johnston.

Plymouth Sells To Ohio Oil

Paul G. Benedum, president of Plymouth Oil Company said formal negotiations will begin immediately with the Ohio Oil Company for the sale "for cash of substantially all" of Plymouth's assets. No further details were released.

Admission is fifty cents for adults and twenty-five cents for students and children.

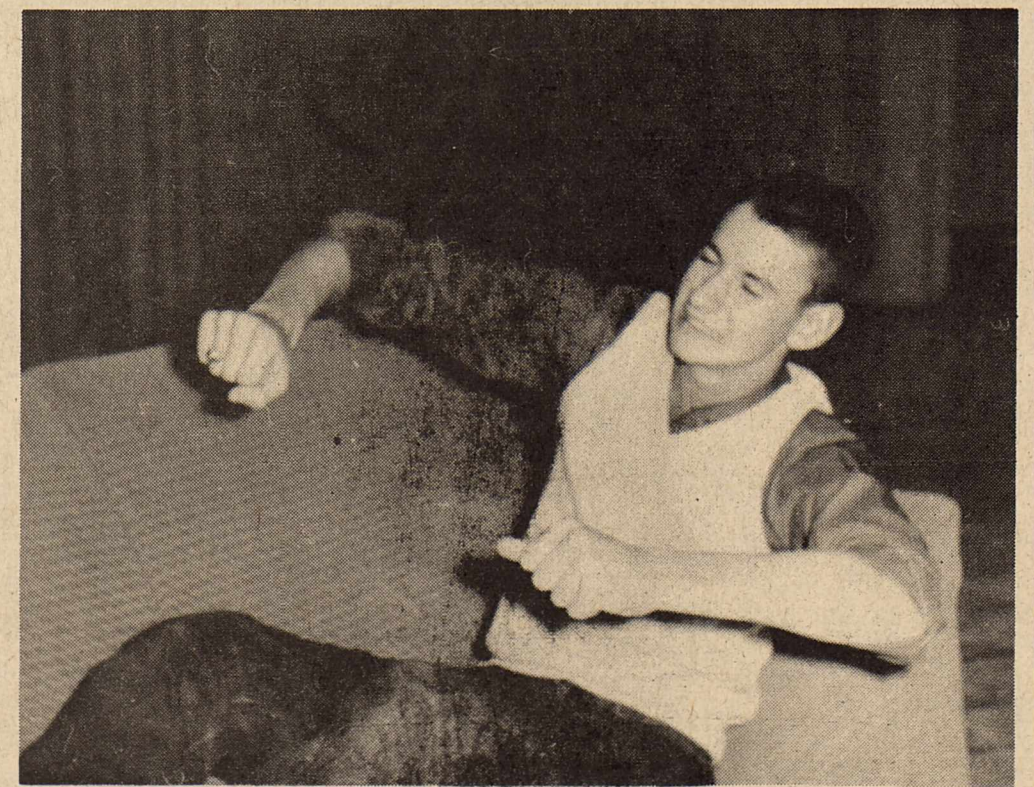

Lighting Contest Deadline Set

A reminder was given this week concerning the lighting contest being sponsored by the Plains Chamber of Commerce.

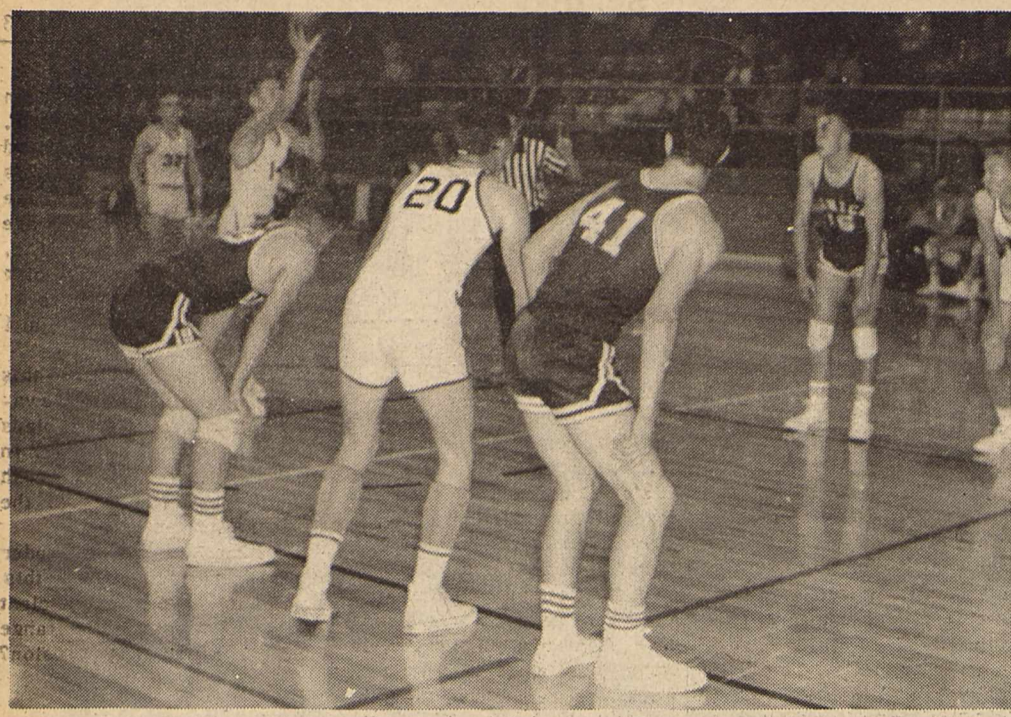

Those who wish to enter the contest should contact Mrs. Mollie Courtney, secretary of the Chamber of Commerce.

Prizes totaling 30 dollars are distributed as \$15, first prize, \$10, second prize and \$5 third prize.

Deadline for putting up the decorations will be Friday, December 22. Judging will take place the following week. The contest is for outdoor decorations but the decorations may be centered around a decorated window. All residents are urged to take part in the contest. Prize money will be awarded before Christmas. Judging will be done by a three member committee.

JUST ACTING--He's not really in pain. It's just part of the act from one of the scenes of the play, "Out of The Frying Pan," which the senior class is to present Tuesday, December 12.

A NICE SHOT--Earnie Anderson, Plains cager, makes good on a free throw attempt in Saturday night's game against Eunice. Despite this and many other fine efforts on the part of the Cowboys they were not able to overcome the highly guarded Eunice team.

Too Many Hitchhikers

A familiar part of Americana is the hitchhiker. Hitchhiking, in many instances, is legitimate. A college boy, barely able to make ends meet, begs a ride off a motorist in order to spend Thanksgiving or Christmas at home. Persons beset with misfortune sometimes ask a ride in order to transport themselves to a job.

Other times a hitchhiker is a leech on society. A popular magazine puts it this way.

"Consider the hitchhiker . . . He wants a free ride. He assumes no responsibility for the funds needed to purchase the car, the gas to run it or the cost of maintenance. He expects a comfortable ride and adequate safety. He assumes the driver has insurance covering him in the event of accident — if he doesn't, he may sue. He thinks nothing of requesting that he be taken to a specific place even though it entails increased mileage or inconvenience to his 'host'. He has even been known to spurn a ride because the car had no radio or air conditioning . . ."

All hitchhikers, however, are not these men, boys and sometimes women, who line the entrances to town thumbing a ride.

We have all kinds of hitchhikers among us, in our churches, in our clubs, among our merchants.

They are those persons, perhaps all-meaning at times, who do not want to shoulder their responsibility. They don't want to provide their own transportation. They prefer to hitchhike on others who pay the rent.

There are church members who avail themselves of all the benefits of a church. They may not be regular in attendance, but they want it in operation whenever they wish to venture out some Sunday morning strikes them. And when they press the church with one of their infrequent visits, they want everything in order. They expect the pastor to be on the ball, the special music up to par, the building comfortably heated or cooled — and we be to anyone who has neglected to perform all the little responsibilities

such as insuring that the public address system is just right! But they do not pay for these services. Oh, they may toss in 50c or a dollar — when they attend. But nevertheless, they are only hitchhikers. They are riding with someone else who has paid the bills.

There are hitchhiker citizens. They accept no responsibility for serving on non-paying boards. But they are always waiting around to criticize those who do, even questioning their honesty and integrity at times. Some won't even cast a vote unless there is an opportunity to administer a slap to someone who has done his best, perhaps at great personal sacrifice, but nevertheless has failed to satisfy all the sidewalk coaches and Monday morning quarterbacks.

There are merchant hitchhikers who let other merchants do all the promotion, bring crowds to town, stimulate buying interest. Then they try to reap the benefits without bearing their share of the cost of promotion.

There are clubs and individuals who sometimes are greedy for all the free services of a newspaper. Yet when they have a little paying business, they take it elsewhere. They sometimes forget that newspaper space, pictures, and the like cost money.

There are hitchhikers when it comes to paying taxes. They wouldn't think of going on a trip with friends with the understanding that the trip expense be shared, then permit the friends to pay 75 per cent of the expense while they paid only 25 per cent — yet when it comes to taxes, they want to pay less than their share.

In our society and economy, there is a job for everyone to do, a responsibility for everyone to assume. Whenever someone shirks his task or fails to assume his responsibility, it doesn't eliminate that task or responsibility — it merely means that someone else must shoulder not only his own load but the load of the shirker — or hitchhiker.

Stability and safety are special features of this Christmas tree holder. The holder is made by placing a tree and a conventional Christmas tree stand in a galvanized steel laundry tub. Then fill the tub with sand. Add lights and ornaments to the tree and decorate the tub. Sprinkle water on the sand, being careful to keep hands off electric lights and wires. It's practically impossible to tip over a tree in a tub, and the wet sand keeps the tree fresh and fire-resistant.

FHA Christmas Party is 19th

The FHA had its monthly meeting Monday night. Christmas cards were brought to send to the Mental Hospital at Big Springs. The FHA was honored to have Mrs. Eunice Moore talk to it on "how to spend one's money wisely."

The FHA Christmas party was scheduled for Dec. 19, 1961.

Gifts are to be exchanged and the girls plan to go Carolling later that night.

Paula Tidwell was selected "girl of the month" for December.

FFA's Attend Post Banquet

There were fifteen sweethearts present from this district at the annual FFA District Banquet. Those attending from Plains, were the FFA Sweetheart Betty Hamm, Mrs. L. D. Hamm, Sam St. Romani and FFA instructor Jerry Don Stockton. The banquet was held at Post December 4.

GIRL OF MONTH--FHA Girl of Month for December is Paula Tidwell.

HIGHLIGHTS AND SIDELIGHTS From The State Capitol

AUSTIN, Tex.--With nearly 30 per cent of the state's population over 65 years old, the State Welfare Department's tandem medical care program for Old Age Assistance recipients will be a significant solution to the problem of providing nursing service and medical

treatment for all ailing oldsters.

Welfare Department institutes its program of nursing home care for OAA recipients January 1. Program will affect every old person who has to rely on nursing-home care, whether he be indigent or financially self-sufficient. Rating of nursing homes which apply for payments under the plan should result in a general upgrading of nursing home standards.

Despite efforts of nursing home operators' associations and Health Department officials to define this difference, there has been some public confusion about the difference between nursing care and custodial care. Relatives seeking homes for old folks are not always able to determine whether nursing care offered is sufficient for their kin's needs.

Introduction of state and federal money -- about \$8,000,000 a year -- is certain to result in more and better homes for the aged.

The \$23,000,000 BlueCross policy for Texas' 220,000 OAA recipients -- also effective January 1 -- may pave the way for more thorough medical protection for old folk.

Policy sets a precedent, as no other insurance company has ever provided such extensive coverage for people over 65. If it does not prove too costly, other companies may offer similar coverage for elderly people on an individual basis.

MORE MILEAGE FROM TOURISTS--Gov. Price Daniel's "Texans for Tourists" group will get together to discuss passage of a legislative appropriation for advertising the State's numerous attractions. Although the Legislature passed a voter-approved Constitutional amendment to allow for tourist promotion in 1958, no funds were allotted for this purpose.

While the Texas Highway Department distributes attractive brochures through its eight state border stations, nothing has been accomplished on a national basis.

Meanwhile the state is losing money on tourism. The 8,600,000 out-of-staters who came here last year contributed \$23,000,000 to the state's tax till. They spent \$427,000,000 while here. This was a drop of one million visitors from 1960

and a drop of almost two million from 1959.

Other states consider tourist advertising a sound investment -- figuring they get hundreds of dollars in return for each dollar spent on advertising.

CHEAT OR ESCHEAT--Governor Daniel told the special House Committee investigating escheat laws that emphasis in his fight to include banks "has been in the wrong place."

He said that instead of battling to get banks to turn over money in dormant accounts, emphasis should be on passing legislation to help find unknown heirs of missing depositors.

Statement was made after State Banking Commissioner J. M. Falkner testified that dormant and inactive accounts "make it easier" for would-be embezzlers. He said it's easy for bank officers or employees to manipulate dormant accounts. Falkner stated that "a few" state banks have even tried to make charges against dormant accounts, converting the money to profit, but that his department has been successful in stopping such procedures.

The State Commission has no jurisdiction over the practices of national banks within the state. It is his understanding, however, that many national banks to make service charges against inactive accounts.

Cowboys --

other hand, has continued to stay on its winning rampage, having won three out of four games played.

Their only defeat was at the hands of Brownfield who outscored them 34-25. The Eunice B squad was rolled over 37 to 28 and a very fine Denver City B team was edged out 44 to 40 by the Cowboys.

The Denver City game was very significant in that it showed the B squads ability to bounce back after seemingly being up against the superior team. The Denver City squad was leading Plains well into the second quarter by 13 points, but the Cowboys were able to come back in the last three minutes of the first half and pull ahead. Then despite some valiant attempts on the part of the Mustangs, Plains was able to wind up in the lead.

This Friday Plains will host the Tatum Quintet for a return engagement and then will have a little rest until the following Thursday, Friday and Saturday, December 14, 15, and 16 when they will participate in the Denver City invitational tournament.

4-H News

At a meeting of the District 2 4-H Club Council held in Lubbock last Saturday morning, the following officers were elected for 1962: John Paul Walser, Lubbock, Chairman; Marsha White, Plains, First Vice-chr., Leon Jeffcoat, Morton, Second Vice-chairman and Sandra Mercer, Silverton, secretary.

This will be the second year of operation for the District 4-H Council. Each of the twenty counties in District 2 have two representatives on the council in addition to the officers. The duties of the council include planning and assisting with district camps, workshops, contests and achievement programs.

The District Gold Star Banquet was held Monday night in the First Methodist Church in Lubbock. Donna Campbell and Kent Welch were honored at this banquet along with the Gold Star winners from the other nineteen counties. Others from Yoakum attending the banquet were: Miss Martha Campbell, Miss Marsha White, Mr. and Mrs. M. E. Welch, Mr. and Mrs. R. E. Essary, Mr. and Mrs. Leo White and Miss Judy Pool.

SOIL Conservation NEWS

C. Murrell Thompson, R. G. Hartman who has purchased a farm South West of Plains received assistance this week in writing a Great Plains Conservation program for his farm. He and S.C.S. Technician Wilson Duke worked together on the plan.

V. R. (Cowboy) Jones of Denver City received assistance on a Conservation plan for his farm just east of town this week. V. R. plans to plant some grass and put in some under-ground pipe along with several other Conservation jobs on this farm. He plans to do his work through a Great Plains Contract.

James Williams who farms on the William place South West of Plains has hauled over 200 tons of cottonburs and plans to haul more after the first of the year. James said he surely knows the value of the organic matter, cover and crop residue

even though he has only been farming here a short time.

The Yoakum S.C.D. Board hopes every one liked the year's annual report. In case you were missed there are a few copies at the S.C.D. office. Our report is going out of state to friends of Conservation farmers and ranchers in our district.

Word was received this week that the State Conservationists of New Mexico plans to visit the Ty Field ranch in the near future to see brush control work done under the Great Plains program.

Will you be working under emergency conditions this spring or have you sufficient cover on your crop and range land to control wind erosion?

Tsa Mo Ga Club Will Present "Religious Countdown" Program

December 11, at 8 p. m. in the Tsa Mo Ga Club house will be the date and time for the "Religious Countdown" program for members.

Mrs. Jack Hayes, Program

Director, will open the program quoting George Blond's "God's Pattern." "Day and Night, from end of the year to the other, while we work or sleep or dream, even at the very moment when you read these lines, there ceaselessly recurs a mysterious planetary phenomenon, of which we are for the most part unaware. Millions of living creatures are moving through air, and land and sea, just as they have moved for hundreds of thousands of years, weaving around the globe a network of peregrinations, some of them six thousand miles long."

Mrs. Virgil Wade will give the aspects of "Religion in a Nu-

clear Age."

Christmas Stockings for Girl's Town will be shown by Mrs. Paul Cobb and Mrs. A. B. Carpenter.

Group singing of Christmas Carols will be led by Mrs. Dorman Scott with Mrs. Eugene Payne, Jr. as piano accompanist.

Hostesses for the occasion will be Mrs. P. W. St. Romain and Mrs. Buddy Hanna.

Tsa Mo Ga To Have Christmas Dinner Party

Tsa Mo Ga Club members, husbands and guests will be feted with a Christmas Dinner Party at Alama's Restaurant, December 9, at 7:30 p. m. Pump Organ Music will be played by Robert K. Field, son of Mr. and Mrs. R. K. Field, during the dinner hour.

Mrs. Garland Swann, President will present a "Pioneer Christmas" program introducing Theo Campbell, Artist, of Wilson, giving a Chalk Talk entitled "The Christmas Story."

Mrs. R. H. Meixner will give Dr. Tom Dooley's reading on "Keeping Christmas."

The program will be closed with Santa Claus making his visit to each, and Christmas Carols being sung by everyone present.

Hostesses for the gala affair will be Mrs. Ty Field, Mrs. C. F. McCargo, Mrs. Eugene Payne, Jr., Mrs. R. K. Field, Mrs. R. B. Jones, Mrs. Sherman Henard and Mrs. Raymond Bookout.

Hinsdale, Mont., Tribune: "We've had too much socialism already. Millions of Americans right now would like to see the trend reversed instead of intensified and we are among that number. If this sounds like we are against sending our money, great gods of it to Washington, and then getting a little bit of it back as federal 'aid' in order to nationalize our schools and every other phase of American life, you're absolutely right."

Of Interest To THE WOMEN

(Please print the story of the F. R. Pickens Golden Wedding Anniversary in conjunction with this picture.)

Pickens to Observe 50th

Rev. and Mrs. F. R. Pickens of 811 E. Wells St., Stamford, Texas will observe their Golden Wedding Anniversary with a reception in Fellowship Hall of St. John's Methodist Church at Stamford Sunday, December 17th. Friends and relatives of the couple are invited to call between the hours of 2 and 5 p. m. Mrs. Pickens is the former Vera Costin and daughter of the late Mr. and Mrs. A. C. Coston, was born May 19, 1892 in Blevens, Falls County, Texas and moved to Mitchell County in 1897. Rev. Pickens is the son of the late Mr. and Mrs. J. R. Pickens, was born July 17, 1890 in Cameron, Milam County, Texas and moved to Mitchell County in 1907. The Pickens' met while their families lived in the Plainview Community, a few miles south west of Colorado City, they were married December 1911 in the home of the brides parents by the Rev. W. C. Hart, an uncle of the bride. The couple spent the first few years of their married life in and around Colorado City and Lorraine, Texas.

Rev. Pickens spent a few months of 1917 and 1918 working in the Consolidated Copper Mines in Miami, Arizona. They moved to Lamesa, Texas in the summer of 1918, they belonged to the Methodist Church where Rev. Pickens answered the call to the ministry in 1920. He served as local preacher one year, then moved in 1921 to their first appointment as pastor of the Lubbock Circuit composed of eleven places, they served there three years; other places they served was Seminole-Andrews Circuit; Wehnert Circuit; Marietta, Oklahoma Circuit; Flomot - Whiteflat; Aiken Circuit; Plainview Circuit; Y. L. Circuit; Janes Circuit; Lubbock Circuit East; Las Vegas, New Mexico; Sunray Circuit; Kirkland - Goodlett; Shamrock Circuit; Hart Circuit; St. John's, Plainview, Texas; Sparenberg; Harold; Aiken; Plains; Wesley, Levelland, Texas; and Dunn - Buford. Rev. Pickens served seventy five congregations during his pastorate; married one

hundred couples and conducted one hundred and fifty funerals. He retired in 1956, lived a few months in Colorado City then moved to Stamford, November 1956 where they now reside in a Superannate Home for Retired Ministers of the North West Texas Conference of the Methodist Church.

Rev. and Mrs. Pickens reared four children; two daughters, Mary Byrd Christopher of Abilene, Texas and Mrs. Donald Moore of Hereford, Texas, two sons Finus Roden Pickens, Jr. of Truth or Consequences, New Mexico, and Rev. Jim T. Pickens of Abilene, Texas and is now attending Emory University in Atlanta, Georgia. The Pickens' have ten grand children, and seven great grand children. Rev. Pickens has five sisters and four living brothers, and Mrs. Pickens has three sisters and six brothers living.

Escheat--

negotiable stocks, bonds, money and other securities, even including dividends which are left unclaimed.

SUBJECT TO ESCHATE

The term "subject to Escheat" shall include all personal property with the following characteristics:

1. The existence and whereabouts of the owner are unknown and have been unknown to the holder for more than seven (7) years.
2. From knowledge and records of the holder it appears that no claim or act of ownership has been asserted or exercised during the past seven (7) years.
3. No will of the last known owner has been recorded or probated in the county where the property is situated within the past (7) years.

DATES AND REPORTS

This law became effective November 7, 1961. Within sixty days after that date (any date prior to Jan 6, 1962), every person holding personal property subject to Escheat shall file a report thereof with the state treasurer.

PENALTIES

Any person who willfully fails to file a report required by this law, or who refuses to permit examinations of records as provided in the law, or who deducts from or makes a service charge against an inactive or dormant account or other deposit of funds, shall be punished by a fine of not less than five hundred dollars, nor more than one thousand dollars, or be confined for not more than six months in the county jail, or both, and in addition, shall be subject to civil penalties of not exceeding one hundred dollars for each day of such failure or refusal.

MEDALS MARK 4-H PROGRESS FOR MANY

Scholarships Aid Outstanding Youth

One 4-H Club member in 14 will qualify for a county medal this year, predicts the National 4-H Service Committee, while the ratio for national scholarship winners will be one in approximately 10,000 members. The coveted medals shown here represent 12 different 4-H award projects. More than 50,000 boys and girls in virtual

ly every county in the U. S. who have done outstanding work in one of these areas will earn a medal, according to the committee.

Altogether, there are nearly 60 national 4-H projects and scholarship programs participated in by 2.3 million club members. Last year a total of 166,000 medals were won.

Only members over 15 years of age who have been in 4-H at least three years can compete for scholarships and other awards. Younger 4-Hers are eligible for medals only, one of the first badges of county recognition.

At the national level, around \$115,000 in scholarships will be presented to qualified 4-H youth and young adults who were former 4-Hers. This is a slight increase over last year, the committee reports.

All 4-H award winners are named by the Cooperative Extension Service. Funds for awards come from private business firms and educational foundations, and are administered by the National 4-H Service Committee.

Among the award sponsors are: Ford Motor Co., Olin Mathieson Chemical Corp., E. I. du Pont de Nemours & Company, Standard Brands Incorporated, Oliver Corporation, Ralston Purina Company, Hercules Powder Company, Allied Chemical Corporation, General Foods Corporation, Eli Lilly and Company, John Deere, Moorman Mfg. Co., Humble Oil and Refining Company.

Also, California Chemical Company, Singer Sewing Machine Company, HomeLite, a Division of Textron Inc., Sperry and Hutchinson Company, Massey-Ferguson, Inc., Successful Farming (through Edwin T. Meredith Foundation), Elgin National Watch Company, International Minerals & Chemical Corporation, and Whirlpool Foundation.
