

MOORE Or Less

by Johnnie Moore

A great deal of talk, prophesying and grumbling can be heard in various circles this week around plains and the area. Reason for the talk and commotion is the \$325,000 bond proposal going the rounds in petition form at present for additions and improvements to the Yoakum Co. Hospital in Denver City. The news story about the proposal is carried on the front page of the Record this week for your information.

We came real close to titling this column "Dirty Pool Revisited" this week in an effort to recall to our minds, in the words of a previous editor of this chronicle an attitude which is all too prevalent and too well advanced in the minds of too many Yoakum County citizens.

I've heard several people give a real horse - laugh to this proposal that is being made, saying such things as "They voted ours down, and by Ned, we'll kill theirs, too." To our minds, this sounds a lot like two small boys playing together and getting into a tussle over something and finally in the heat of argument, one of the kids saying, if you don't play my way, I'll pick up my marbles and go home."

The fact is a real need for improvement and enlargement of hospital facilities does exist and some work in this area is needed. Sure, we're certainly not going to say all the additions should be made in the other end of the county or that you should run right out now and sign the petition, but what we are saying is this. Don't determine your attitude toward this proposed bond issue on what has gone before.

We all know that the attitude in the immediate Plains area concerning the defeat of the proposed 14-bed unit for Plains could be one directed toward the idea of gettin' even. Certainly the old adage that two wrongs don't make a right holds true in this instance.

Things are really getting complicated. Remember when every question had only two sides?

If there were more self-starters, the boss wouldn't have to be a crank.

Wealthy people miss one of life's greatest thrills -- paying the last installment.

Ulcers aren't caused by what you eat, but by what's eating you.

Weather Prediction -- It's going to be too cold this next month to do all those things it was too hot to do last August.

Americans have more money than a year ago. Jobs pay more. Also there are more jobs.

After the country pulls out of a recession period, as it did in 1961, we expect prosperity. But according to the Chamber of Commerce of the United States, what we don't expect is continued high unemployment.

Yet seasonally adjusted unemployment rates continue to run close to the level of a year ago: about 6 per cent of Americans who can work and want to work cannot find work.

Why's this? According to the National Chamber, acts by the federal government may account for most of the recent unemployment above normal.

The minimum wage increase in September barred from jobs, workers who could not find employers willing to pay them the higher wages.

Labor laws have been administered so as to make it troublesome, onerous, and costly to employ human beings.

Also the Secretary of Labor has held open the door for union wage settlements that price workers out of jobs.

The administration has set a 4 per cent unemployment rate as its goal. But such policies as the government has followed so far, may prevent us from reaching that goal.

Government deeds and misdeeds may be at the hear of needless hardship for millions of people. Government officials too often fail to remember that when they push employment costs up they help push people out of jobs.

VOLUME 32

PLAINS, TEXAS THURSDAY, JANUARY 25, 1962

NUMBER 4

LEAVING PLAINS--Roy Stockstill, principal of Plains Junior High, has accepted the position of superintendent of schools at Forsan, and plans to leave Plains this week.

Jack Christie Announces For Senate Seat

Jack Christie, resident of Brownfield, announced officially today that he is a candidate for the State Senate race from the 28th Senatorial District. As a 31 year old self-asserted conservative Republican, he will be subject to the May 5th Republican Primary.

Christie, making public his intention, said: "I am gratified to see Texans realize the need for the two - party system and give the voters of Texas a choice. I am a strong conservative and believe sincerely that the best government is the government that governs least. I must align myself with a political party that will listen and act upon the thoughts of one conservative member; consequently, I will be subject to the Republican Party Primary.

"Many of my friends have said, 'Jack, you aren't a politician,' and they are right. Nor do I propose to be a professional politician. In my opinion, there is a disturbing need for level-headed, conservative businessmen to run the affairs of our state. The 'double-talking - handout' professional politician is selling us down the river of socialism, which can only lead into the sea of communism and eventual destruction."

"I doubt sincerely the merit of repeated special legislative sessions called by the governor in view of the mounting cost to the taxpayers of Texas. Additional taxes to meet the folly of poor legislation is inevitable in this present trend. I welcome the opportunity to voice the opinion of many voters in the 28th Senatorial District for sound fiscal (Continued on page 6.)

JACK CHRISTIE

Plans Are Complete For 10th Annual Junior Fat Stock Show

The Board of Directors of the Yoakum County Livestock and Agriculture Improvement Association held a meeting Monday night and completed the plans for the 1962 Junior Fat Stock Show, 4-H and FFA members will be competing for \$685,00 in premiums and many valuable animals and trophies. The dates of the show are February 16th and 17th. The judging of Fat Lambs will open the show at 1:30 Friday afternoon. The Fat Barrows will be judged immediately following the lamb show. The beef calves will be judged beginning at 9:00 Saturday morning and the sale of all fat stock will start at 1:00 o'clock Saturday afternoon.

Johnnie Fitzgerald is the General Superintendent of the 1962 Show. Other superintendents and officials are: Pat Henard, beef calf superintendent; Bill Gray, Lamb superintendent; W. M. Taylor, barrow superintendent; Gene Bennett,

weigher and Bob Loe, secretary.

Mr. E. F. Yeates, County Agricultural Agent at Dalhart, will be the official judge again this year and Clarence (Hank) Matthews of Anton will be back for the 10th consecutive year to handle the auction sale.

Leo White and Jerry Don Stockton report that 30 calves, 37 lambs and 73 barrows are expected to be entered in the show. Exhibitors are reminded that all barrows and lambs will be weighed on Thursday between the hours of 1:30 and 7:00 p. m. The calves will be weighed Friday morning between 7:00 o'clock and 11:00 o'clock.

Mothers March Set For Tuesday

Yoakum County Chairman for the local March of Dimes Drive, A. E. (Dick) McGinty, announced today that definite plans for the Mother's March have been formulated.

The march is scheduled for Tuesday, January 30 and is planned to begin at 7 p. m. Beginning of the march will be signalled to the community by one long blast of the fire siren.

Those interested in contributing to this cause are asked to leave their porch lights on on the night of the 30th so that mothers will know to stop and collect your gifts.

Mothers and other interested volunteers are urged to contact Dick for further details in the matter and for meeting places etc.

Notice To All Veterans

There will be a call meeting the eighth of February which is on Thursday at seven-thirty o'clock, all veterans urged to attend. We have urgent business we need to discuss. The meeting place will be the American Legion Hall. I would like to emphasize the importance of attendance to this meeting, by all veterans.

Signed: Tommy McDonnell
Legion Commander

\$325,000 Hospital Petition Is Now In Circulation

Cowboys Still Riding High

Riding high on the crest of three consecutive district wins to no district losses, the Plains Cowboys met a rather stunning defeat against Tuesday night's non-conference foe, Tahoka.

Tahoka managed to down a rather ineffectual Cowboy team by a score of 56-32 marking the Cowboys worst defeat of the season when viewed from all sides.

Conference wise however, the Cowboys are still riding mighty high. Predictions from most circles that O'Donnell was the favorite in the District and that the Cowboys would be defeated by them last Friday night.

The Cowboys, however let the O'Donnell five gain even a one point lead and stayed well out in front for most of the entire contest. At one point in the game Plains was leading O'Donnell by 22 points, which for any who have seen O'Donnell play, is really something.

The score wound up, after Coach Sewell had played all his players quite liberally, with Plains beating the O'Donnell Quintet by 12 big points.

This puts the Cowboys in a very commanding position in district standings as they remain the only 5-A team which has not been defeated.

Requests Additions And Improvements To Denver City Unit

Currently being circulated is a petition requesting the Commissioners' Court of Yoakum County to call a special election in the near future to provide necessary funds for enlarging and equipping of Yoakum County Hospital in Denver City.

Amount of bond issue listed in the petition is \$325,000. Those circulating the petition expressed the belief today they would have little difficulty in securing the necessary number of signers, which is a maximum of 10 per cent of the resident qualified property taxpaying voters of Yoakum County, who have rendered their property for taxation.

Should a sufficient number of certified signers appear on the petition, commissioners' court will be legally bound to call for an election. It is possible that the election could be set to coincide with the date of the May 5 primary.

The petition reads, in part: "Shall the Commissioners' Court of Yoakum County, Texas be authorized to issue bonds of said county in the amount of \$325,000 to become due and payable within any given number of years for the purpose of enlarging and equipping the

county hospital located in Denver City, and for all necessary permanent improvements in connection therewith."

Facilities at the local hospital for some time have been woefully inadequate to properly serve the area, members of the hospital board of directors pointed out this week. As a result, several months ago discussions were instigated as to what could be done to best solve the pressing problem.

Plans of hospital facilities, as explained by Mrs. Helen McMahan, hospital administrator, call for adding a total of 10,467 square feet to space to provide a 50-bed hospital and other urgently needed facilities. At the same time, she added the program will make possible the remodeling of 5,269 square feet of the present building to provide for rearranging of existing patient, maintenance and administrative facilities. Plans are also being studied to provide space for new and essential equipment, as well as storage and office space.

Mrs. McMahan explained that surgery, delivery and labor rooms, laboratory and X-ray facilities would be shifted to the new addition which will es-

entially be a wing to run parallel, east and west, to the main patient wing of the present building, on the south side. With the new arrangements, she explained, medical patients would be separated from surgical (Continued on page 6.)

Local Co- Op Formed

A meeting was held in the district court room of Yoakum County Courthouse in Plains last Monday to determine if there exists sufficient interest on the part of area farmers to organize a local cooperative association.

Reports are that a good group of farmers interested in the possibility were in attendance at the meeting, and that a second meeting will be held February 5, also in the court room. Purpose of this second meeting will be to actually consider the site for a cooperative grain the association would either build or construct as the case was decided.

Name of the newly organized association is to be Yoakum County Cooperative, and officers and directors elected at the called-meeting are as follows:

Jimmy Cox, President; Loren Gayle, vice-president; R. Faulkenberry, Secretary; Curvey Taunton, Treasurer; and O. Winkles, R. M. Jones and Charles Rosenberry, directors.

City Offers Aid In Street Light Project

It was made known at the last meeting of Plains Chamber of Commerce that the City of Plains was making a most generous offer in regards to the Plains Street Lighting Project.

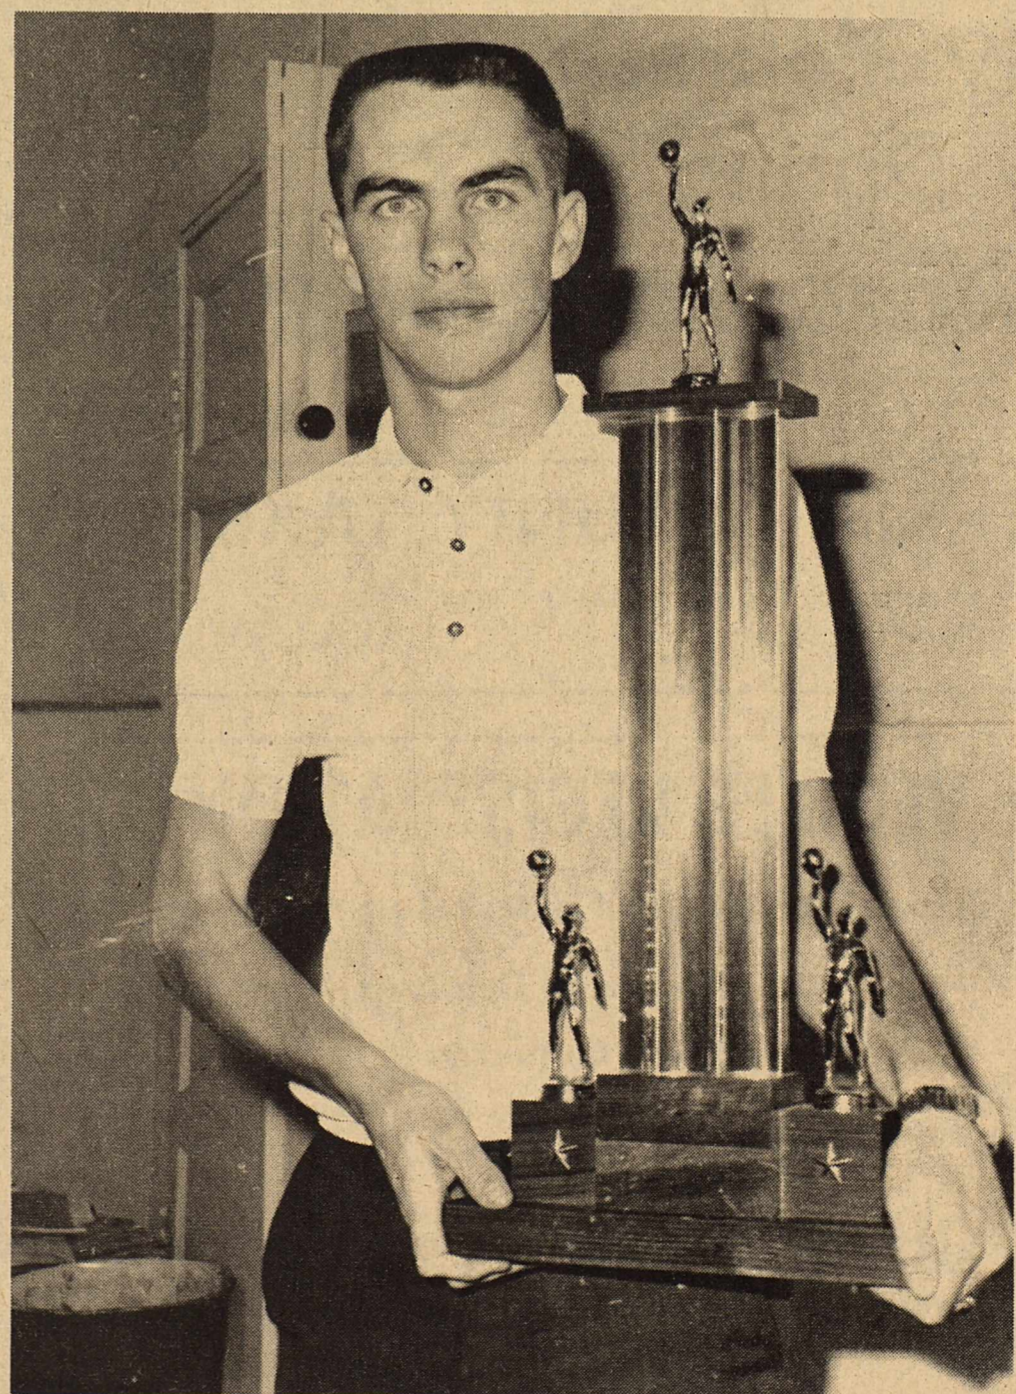

The City Council, in its last meeting, voted to support the lighting project in a very commendable way.

For each light that the Chamber is able to secure through the voluntary donations program which is presently in effect, the City has stated that it will match it with another light.

This, it was pointed out, is affect giving us the lights twice as quickly as we would be able to secure them through voluntary contribution.

The city spokesman made clear that this matching of lights would be done on the City part at the rate of one new light per month for each additional light that the Chamber from the present date is able to raise the money for.

Chamber officials pointed out that local businessmen and individuals who are interested in this very worthwhile project, are urged to look in the matter now. It was also stressed that it is not necessary that an entire light be donated by the individual business. Any contribution of any amount is greatly appreciated and earnestly solicited, according to Chamber officials.

FIRST PLACE TROPHY--Cordell Huddleston is pictured with the winners trophy, one of three trophies to be presented on Saturday night to the place winners in the Plains Outsiders Tournament which is being sponsored by the Plains Lions Club in behalf of their Little League and Boy Scout programs. Finals will be played in the High School Gym Saturday night.

Over 700,000 people are members of credit union in Texas.

An event designed to change the image of atomic energy from that of a force of destruction to that of a benefactor of mankind will be held in New York June 4-7. Known as the 1962 Nuclear Congress and International Atomic Exposition, it will be the largest demonstration ever held under one roof of the peacetime uses of atomic energy by the nations and industries of the free world.

Mrs. Hinkle Issues Formal Statement

MRS. SUSAN V. HINKLE

I am asking that you again re-elect me as your county treasurer. I am very grateful for the privilege of serving you these past years.

I will be a little slow getting around to seeing some of you due to my recent illness; however, I am back at work, having started January 1st. I am now progressing wonderfully well. As I have said before, I have no promises to make, except to do my very best as your county treasurer.

Won't you please re-elect me on May 5th, 1962.

Sincerely,
Mrs. Susan V. Hinkle

When liberals talk loosely about this country's lost purpose, I suggest they might remember that one of our Republic's purposes is freedom and that we have remained free for nearly two centuries; and that we have, must be listed as one of the great achievements of history. --Barry Goldwater

SOIL Conservation NEWS

C. MURRELL THOMPSON Planning and application work by and with land owners and operators continues even with bad weather. Conservation plans on the Earl Howx, C. E. Boley, Tom Warren and Ben Taylor places were completed this past week -- also work was being done on the H. V. Kenny, Lewis Slemmons and Johnny Sims farms in the form of new or revised Conservation plans. The Great Plains contract on the O. M. Moore place East of Denver City was sent to the area office for typing. F. M. Middleton of Seagraves was in to make needed revisions in the J. C. Buntin Conservation plan. Middleton purchased the Buntin farm located 14 mi. S.W. of Plains.

Contracts for Great Plains Conservation Program on the farms of V. R. Jones, Arnie Todd, and R. G. Hartman were received from the state office this week all being approved and work authorized. Gilbert Peirce, Conservationist, completed the final check on the J. W. O. Alldridge and Jimmie Cox under - ground irrigation pipe installation this past week.

Election notices were posted in the Post - Office at Plains, the store at Tokio and at the C. G. & S. Gin for an election on Feb. 1 at 7:30 p.m. to elect a Soil Conservation District Supervisor to fill the unexpired term of the late Earl Bryson.

Thursday, Jan. 18 the Great Plains Co. Program Committee met at the S. C. S. office in Plains and approved the average cost data for 1962 also the same practices were approved as last year, they are GP-1 establish vegetation cover or planting permanent grass on crop land, GP-5 plant grass on range land, GP-6 farm wind breaks, GP-15 under ground high pressure irrigation pipe line, GP-19 wells and storage for livestock water on range land, GP-23 brush control and GP-24 cross -fencing of range land.

In one recorded case a chinook wind raised the temperature from four degrees below zero to 45 above in two minutes in the Eastern Rockies.

Norvell Seeks Re-Election

Associate Justice James R. Norvell today announced his candidacy for a second term on the Supreme Court of Texas. He was elected to the Supreme Court in 1956 after serving a number of terms on the Court of Civil Appeals at San Antonio. Judge Norvell is 59 years of age but ranks fifth in length of appellate service among the 47 appellate court judges of the state. Judge Norvell has also been active in Bar Association matters and has served as Chairman of both the Committee on Administration of Justice and the Judicial Section of the State Bar. At present, he is the Supreme Court representative on the Texas Civil Judicial Council.

In making his announcement Judge Norvell said:

"When first elected to the Supreme Court, I expressed my appreciation for the confidence the people of Texas had placed in me and promised to do my utmost to justify that confidence. I have kept that promise to the very best of my ability and, based upon my record, I am requesting a second term."

4-H News

The 4-H beef calf weigh day was called off last Saturday because of bad weather. This is the first time in eight years of monthly weigh days that the weather prevented the 4-H boys and girls from bringing their animals in.

The purpose of these weigh days are two fold. They give the feeder an opportunity to know if the animal is making a desirable gain and they give the boy or girl an opportunity to improve their ability as a showman.

County Agent, Leo White, reports that many of the older beef calf feeders have developed into excellent showmen. An example of this fact came to light at the 1962 Odessa Show when Oscar Henard was selected as one of the top showmen. The 160 steers in the Odessa show were divided

into four classes and the showmanship judges selected four from each class to compete in the finals of the showmanship contest. Oscar was selected as one of the four from his class but he was not selected as one of the top three prize winners.

Oscar placed fifth in the light weight class and Kenneth McGinty placed 13th in his class. Both calves were scratched from the sale and brought back home. Oscar plans to exhibit his calf at the El Paso Show during the week of February 4th to 10th. He also has two Poland China barrows entered in that show and D'Lynn McGinty is taking one of her calves to El Paso. Kenneth plans to enter his calf in the County Show on February 16 and 17 and he may take him to the Lubbock Show in March.

Yoakum County Cemetery Association Meets

The semi-annual meeting of the Yoakum County Cemetery Association was held on the evening of January 18, in the Commissioners Court Room at eight o'clock, with President G. W. Cleveland presiding. Mrs. Rusty McGinty was appointed acting secretary for the meeting.

The president made the following report on the progress and accomplishments of the Association for the preceding four years of organization. A five acre addition deeded and donated by Dr. and Mrs. Jones of Lubbock, this acreage surveyed by Ralph Douglas, surveyor; platted, divided in four sections, the North West Quarter seeded with grass, divided into lots, these lots offered for sale to the public. Shrubs and trees planted around the entire ten acres belonging to the cemetery, entire acreage accessible to a water system in good working order. Ernie Anderson was paid \$255 for watering the plot for the past year. Mr. Cleveland was generous in commending the cooperation and assistance, both financial and physical, of all interested parties, most especially E. O. Winkle for grass seed and fertilizer and the Plains Dirt Gardener's Club for the \$355 donation derived from Operation Christmas Card. Also, the Tsa Mo Ga Club for sponsoring a Work Day each Memorial Day. In the absence of the Treasurer, Mrs. Glen Cleveland, the following financial statement was given by the President: \$1208.18 in the maintenance fund, \$242.58 in Savings account, this sum derived from the sale of lots, and to be used in the future for perpetual care, and \$105 collected on the 1962 dues.

M. W. Luna moved that forty markers, bearing row letters and lot numbers, be placed in the North West Quarter of the new addition. Motion carried. Mrs. Casey Jones, chairman of the nominating committee consisting of Mrs. Jones, Travis Been and W. M. Overton, read the slate of officers selected for 1962. The following were elected, M. W. Luna, President; Travis Been, Vice President and Mrs. Pete Smith, Secretary-Treasurer.

Attending the meeting were, Mr. and Mrs. M. W. Luna, Mr. and Mrs. Rusty McGinty, Pete Smith, Travis Been, G. W. Cleveland, Dick McGinty, W. M. Overton, Mrs. J. V. Been and Mr. and Mrs. Casey Jones. President M. W. Luna made a statement of appreciation and added that the 1962 dues are now due. He announced that the next meeting will be on July 19, at the Court House and urged that the public attend.

Yoakum Co. Bond Sales

During 1961 citizens of Yoakum County purchased \$110,022 in Savings Bonds. This represents 157.2% of the county's sales goals.

This announcement was made today by Mr. D. P. Moorhead, chairman of the Yoakum County Savings Bonds committee. The total bond purchases in Texas during 1961 were \$155,694,292 which represents 94.3% of the goal for the state. Sales for 1961 represent approximately 2% increase over 1960 for the state.

Nationally, 1961 bond sales were 4% above 1960, and at the same time, redemptions were 10% below 1960.

One third of all credit unions serve manufacturing employees.

Farm Facts

Poultry meat makes up about 18% of all the meat, poultry, and fish we eat, according to the Economic Research Service, U. S. Department of Agriculture.

Poultry accounted for only about 11% of the total in 1940. Consumption of poultry doubled between 1940 and 1960 and it looks like it will continue to increase. We are now consuming about 38 pounds of chicken and turkey per person.

Tremendous growth in commercial broiler production has been accountable for a major share of the postwar increase in the poultry meat supply. Broilers, in fact, account for 80% of the per capita consumption of chicken. Consumption of "farm" chickens has dropped proportionately. These are the by-product fowl and cockerels incidental to egg production.

FOR SALE: 480 acres in Yoakum County, all in cultivation. Price \$125.00 per acre. Cash or terms can be arranged. Phone 3471 - 4109 - 4181 or write Box 1146 Brownfield Texas.

Rebekahs Hold Installation

The Plains Rebekah Lodge #158 had installation on Tuesday the 16th.

Officers installed were: Noble Grand, Elsie Nordyke; Vice Grand, Sylva Cooke; Secretary, Jewell Blevins; Treasurer, Ruth O'Neal; Warden Olive Faulkenberry; Conductor, Anna Mae Barrett; Chaplain, D. G. Gaudin; Installation Guard, Dave Blevins; Outgoing Guard, Frank Upton.

The Lodge presented the D. D. P. with a gift. After the meeting a salad supper was served.

The outgoing Noble Grand Karen Rae Anderson, received

her past Noble Grand Jewel. Lola Bruce the District Deputy President from Seagraves Lodge and her installing Deputy Marshall, Winnie Newsom; Deputy Warden Ruth Maynard; Deputy Chaplain, Tottie Reeves; Deputy Secretary, Angil Alldredge; Deputy Installing Guard Dave Blevins assisted in the installation.

Plains Dirt Gardeners Hold Meet

Plains Dirt Gardeners met in the Club Room Jan. 18, 1962.

A letter of thanks from the Cemetery Association was read to the club for the \$355 which resulted from "Project Christmas Card."

Another project for State Headquarters has been sponsored by the club, that of selling Christmas gift wrapping from the State Lighthouse of the Blind. Some more wrapping paper is still available for sale by D'Lois McGinty at her shop.

Mrs. J. M. Tippitt is a new Garden Club member. The names of Mrs. Lee Roy Box and Mrs. Johnnie Moore were presented to club for membership.

The following officers for the 1962-63 club year were elected: President -- Mrs. L. O. Smith; vice - president, Mrs. W. M. Overton; recording secretary, Mrs. Wilson Duke; corresponding secretary, Mrs. Clayton Guest; Treasurer, Mrs. T. J. Miller.

Planting of a tree for Arbor day dedication has been postponed until more suitable planting weather arrives.

Iota Pi Meets

"Self and Home" was the topic under discussion Tuesday night, January 16, at the regular meeting of the Iota Pi Chapter of Epsilon Sigma Alpha held in the home of Dorothy Lowe.

Alma Been gave an entertaining part, "Color, Clue to Personality." Melba Duke presented "The Family That Plays Together Stays Together." Mary Lee Swann, program chairman, was in charge of the program.

During the business meeting, presided over by Velma Warren, club president, Dortha Gray was chosen to represent the Plains Chapter in the district queen contest.

Refreshments were served by the hostesses Dorothy Lowe and Lois McGinty to Margaret Taylor, Gwen Short, Alma Been, Velma Warren, Idell Murphy, Dortha Gray, Wanda Ashburn, Archie Glover, Melba Duke, Mary Lee Swann, Emma Lewis and Jeanne Stroup.

Of Interest To THE WOMEN

WSCS To Host Sub-District

WSCS was held in the Fellowship Hall of the First Methodist Church January 17.

The devotional was given by Mrs. H. F. Barnes entitled "The Way of Peace."

The second lesson taken from their new book "The meaning of Suffering" was entitled "The Pain of Living and How to Face it."

A Sub - district meeting will be held here on February 13.

Hostess Mrs. Gene Payne, served hot punch and cookies to 14 members and one new member Mrs. J. M. Tippitt.

invited the Garden Club to present "Techniques in Flower Arranging" to their club at their April 9 meeting.

Club members reported for the presidents 1961 annual report planting of 145 trees, 86 rose bushes and 80 shrubs.

The "National Gardener" and The "Lone Star Gardener" magazines which are official state and national Garden Club publications have been filed in our local library for those who wish to read them.

Hostesses were Helen Hunter, Mrs. J. F. Barnes and Annett Cleveland. Hot Dr. Pepper over lemon and cookies were served to about 30 members.

The Local Angle

Mrs. J. H. Morris is on the sick list this week.

Mr. and Mrs. J. W. Moore Jr. are in Dallas this week attending spring market.

Mr. and Mrs. Chesley Bedford were in Plains Thursday on business and to visit friends in the community.

Mr. and Mrs. Bob Gentry spent the weekend in Hobbs visiting relatives.

Mollie Courtney returned Sunday from an eight day's cruise to Puerto Rico. Other cruise stops were San Juan, Puerto Rico, where she spent a day and night; Charlotte Annale, the capitol of St. Thomas Island, where Mollie reported all water that is used on the island is piped in as none exists on the island; Next day saw Mollie in Port Au Prince, the capital of Haiti where she stayed one day.

Enroute to embarkation from Florida they drove down the southern states through Florida and arrived in Port Everglades from where they sailed.

Mollie reports that she had a very enjoyable time on the trip.

Mr. and Mrs. Foy Cogburn have returned from Dallas where they attended the Furniture Show. Foy stated that they were well pleased with their trip to market and feels

that they have a better knowledge of the furniture business to serve this community.

Dortha Gray is in Dallas this week attending market.

Mr. and Mrs. Raymond Palmer visited in the home of their daughter, the Vennum Fitzgeralds.

Mrs. L. B. Johnson and David have moved to Las Cruces, N. M. They were honored with a going away party given by the Plains Assembly of God Church and other close friends.

Karen Hale was honored on her 6th birthday with a party in the clubroom Friday. Games were played and refreshments of cupcakes and punch with favors of bubble gum and balloons were served to: Cheryl and Melody Moore, Lynn Fitzgerald, Neal and Nola Bearden, Charles and Bob Blundell, Mitch Wade, Sherry and Jana Flood, Neil and Denise Newsome, Ricky and Jan Hanna, Matt Brian, and Shelly Williams, Travis Loe, Beth Ann and Robbie Hale, and the mothers, Mrs. Loe, Bearden, Hanna, Williams, Blundell, and Hale.

CWF of Plains First Christian Church met in the home of Mrs. Tony Lusk Tuesday at 9:30 a.m.

Mrs. Bill Robertson led the discussion based on the hidden

HONOR STUDENTS--Pictured above are the honor students for the third six weeks current school term as announced by Principal, D. N. Taylor. In order to make the honor roll it is necessary to make 4 or 5 A's. Junior High honor students will be named next week. Shown above are Back row, left to right, Milton Watson, Sarah K Fields, Roberta Snodgrass, Jerry Jones, James Tippitt, and Sandy Randall. Front row, are, left to right, Mary Johnson, Betty Harris, Marsh White, Sarah Jeanne Stewart, Sylvia McGinty, and Chick Coke.

Witts Attend Conference

Rev. and Mrs. E. L. Witt attended a Prayer and Bible Conference held in Hobbs, N. M., January 15-17.

Mrs. Clois Massey, Mrs. George Burke, and Mrs. C. A. Witt were at the Conference on Tuesday.

answers from the World Call Magazine and Mrs. Johnnie Moore led the fellowship.

Refreshments were served to the members present.

The conference consists of five states and seven districts. There were about 800 attended the conference.

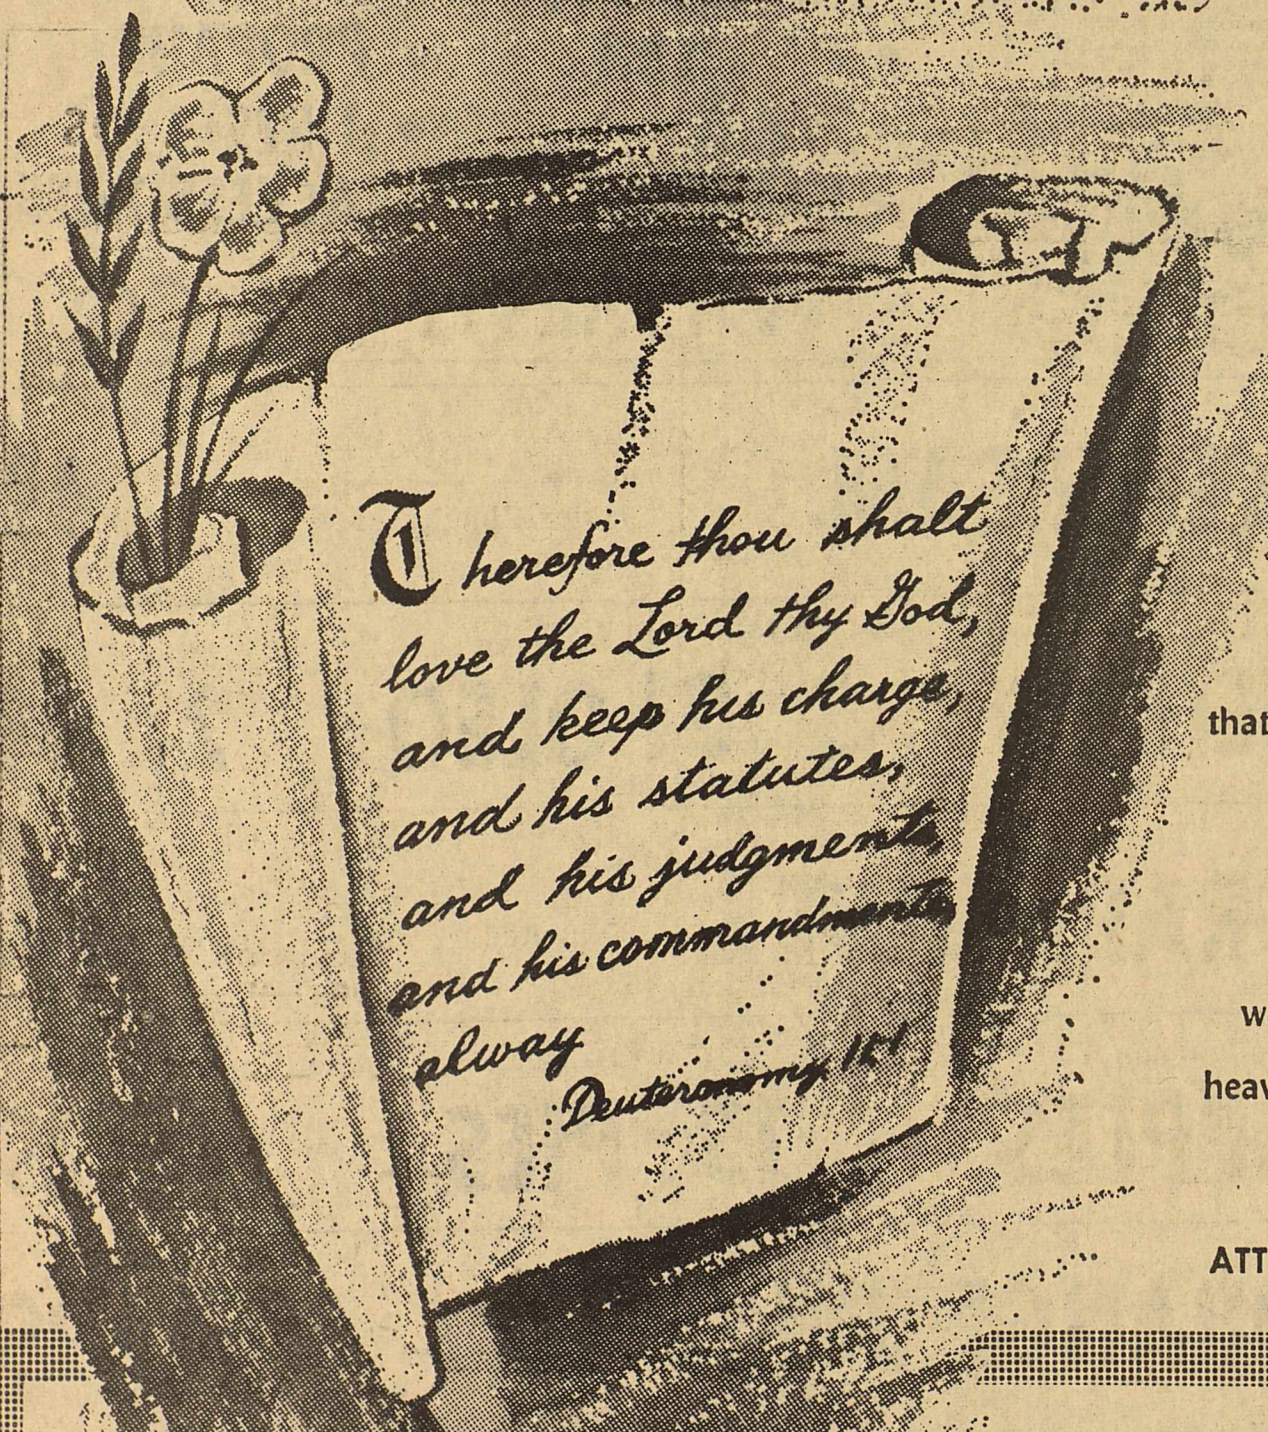

A teachers and officers training course is being held this week also. The book, "Into the Highways and Hedges," by Raymond T. Brock is being studied. They are having a good turnout, and those attending all of the services will receive certificates.

Raymond Gonzales, K. & E. Gro., Denver City, Tex., 3.75
John H. Taylor family, Cather Hotel, Denver City, Tex., 3.00 (transients) Total, 6.75.

With Faith - - You're Never Alone

GOD'S WILL

The greatest commandment is that we should love our God.

This is a free choice that man has. but it is God's desire that all would seek Him. He is our heavenly Father, and desires only the best for us.

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Petroleum Association Sets Import Policy

MIDLAND, TEXAS -- The Permian Basin Petroleum Association Tuesday announced adoption of a policy on the excessive import of foreign oil into the United States.

The organization which serves all phases of the petroleum industry in West Texas and Southeast New Mexico, through its headquarters office in Midland released a statement which had been unanimously approved by its 11-member executive committee.

Jack Christie---

responsibility. "I am opposed to the present Sales Tax structure, and will work diligently to improve the tax laws of our state. I believe that the proper function of government is to do for the people only those things that must be done, but cannot be done by individuals for themselves. I am strongly in favor of "States Rights", and upon these basic principles, I base my campaign for the office of State Senator. I solicit your vote because I know the need for sound judgement in administering the affairs of this great state."

This state senatorial candidate became a resident of Texas at the early age of 6 when his parents moved to Sonora, Texas. He received his elementary education in Sonora, attended High School in Monahan and later to Texas Tech, majoring in Business Management.

Christie is associated with the Knox - Stone Clinic in Brownfield and owner of the Brownfield Retail Merchants Association, which is managed by his wife, Frances (the former Frances Bell of Meadow). The family, including three sons (Lynn, 9, Blake, 7, and Keith, 5) are all active members of the First Baptist Church.

Is Change-of-Life Making You Only Half a Woman?

Special women's medicine can relieve "hot flashes", weakness, nervousness... then you can enjoy life fully again! As change-of-life left you so weak you feel only "half" alive? Unaffected by "hot flashes", constantly tense... so you can't be an affectionate wife and mother? Don't despair! Lydia Pinkham's Compound can relieve both tension and physical distress! In doctor's tests, Pinkham's gave dramatic help--without costly shots! Irritability is soothed. "Hot flashes" subside. Then most women can go "smiling through" change-of-life without suffering!

If change-of-life has left you only "half" a woman, get Lydia E. Pinkham's Vegetable Compound from druggists. See how fast you can feel "all woman" again!

SLEEP 8 HOURS--WAKE UP TIRED? When due to simple iron-deficiency anemia, take Pinkham Tablets. Rich in iron, they start to strengthen your blood in one day!

14 Point Program Adopted By Ginners

Lubbock, Texas--January 23 Members of the Texas Cotton Ginners' Association's Board of Directors and Allied Industry Leaders unanimously approved a 14-point program stating the Association's position on cotton legislation for the coming year.

In addition, Association president R. L. Massey announced the group approved a resolution opposing proposed interpretations of P.L. 78 (Bracero Program) as outlined by the U. S. Department of Labor's Memorandum No. 1028.

The Association's 14-point legislative platform is as follows:

1. Any program without a minimum of 16,310,000 or more acres is unacceptable.
2. That any farm program should include some provisions for adequate farmer protection and support.
3. Making cotton competitive in the world market place at one price to both domestic and foreign mills.
4. That the traditional method of lawmaking be protected in this country through open hearings in Congress.
5. That any limitations on payments what-so-ever is not only unacceptable, but discriminatory, and has no basis for fair and equitable participation for any farmer, regardless of size.
6. That marketing orders are not desirable and not workable with respect to cotton.
7. That cross-compliance would be unreasonable and unfair to cotton growers.
8. That any program devised which does not take into account all industry representation as far as cotton is concerned will be unworkable and unfair.
9. That quotas should be in acres and not pounds or bales.
10. We favor an enlarged and ever-expanding cotton research and educational program in the fields of production, marketing and utilization, both in private institutions and with public funds. We are particularly concerned, and shall support research programs designed to lower costs of production, marketing and in every phase of cotton.
11. As American cotton is the largest single means of maintaining the balance of gold, we favor a high level of international trade, recognizing that foreign markets are vital to the American cotton industry and that world commerce is essential to maintain world peace.
12. We favor cotton being handled in normal trade channels so as to preserve the private enterprise system, and we believe in the principles of less government control instead of more government control.
13. We favor the present regulations providing for release and reapportionment of cotton acreage.
14. We support the continuation of the present law governing price supports and acreage for cotton until a better proposal is made that will satisfy the above objectives by maintaining farmer's income, expanding markets and reducing government costs.

Harvey Assumes Duties

It was revealed this week that Roy Stockstill, principal of Plains Junior High School, has resigned his position to accept a position in Forsan, Texas. Stockstill who has been in the Plains school system for almost seven years, stated that it was very hard to leave Plains after having made so many friends here and having come to appreciate the community and people so much. He stated further, though, that his feeling is that this is an opportunity that is of the calibre that he should accept it.

He is going to Forsan Independent School District as Superintendent of Schools, a position which the present superintendent of Plains Schools, G. D. Kennedy, filled before coming to Plains. Forsan has an enrollment of 400 students, and the town is located about 12 miles southeast of Big Spring.

Stockstill is leaving Plains immediately and plans to take over his responsibilities on Monday, January 29. Moving with him will be his son, Billy.

Mrs. Stockstill, a teacher in Plains Junior High, will remain with their other son, Rusty, to finish out the school year. School officials announced that Stockstill's duties will be performed by Roger Harvey, principal of Plains Elementary Schools, functioning in a dual capacity for the remainder of the school year.

The U. S. Pacific Fleet's USS SCULPIN is the Navy's 18th commissioned nuclear submarine.

"Capitalism is not a dirty word... The men who built the railroads and banks and insurance companies and industries that have made the American people the most productive, the most comfortable, the most resourceful and most reliable in the world were not do-gooders. They were capitalists."--John G. Tower.

Huddleston Wins First

With only a few weeks remaining in The Record's Basketball Contest, entries are piling in at an all-time high.

To date, no one has been able to cop the Sweepstakes Price of \$25 offered by The Record to anyone who is able to correctly pick all the winners in the twenty games listed.

Winners in this week's contest are Cordell Huddleston, first place, \$5, Jack Lowe Sr., second place, \$3, and Larry Smith, third place \$2.

Our congratulations to this weeks winners and good luck in next week's contest.

Former Cowboys Letter

ABILENE--Eight seniors are among the 32 Cowboy football players who have been recommended for 1961 letter awards at Hardin-Simmons University.

Also recommended for numerals were 27 freshmen football players as well as two managers. Of the 32 varsity lettermen, eight are juniors and 16 are sophomores.

Receiving their third letters while at H-SU will be center Buddy Everett, senior from Wink; Tommy Echols, senior from Ira; Sammy Oates, Austin senior; and David Wharton, Ranger senior. Everett, along with Bruce Arrant and Jacky Moss, served as Cowboy captains. Arrant is a two-year letterman and senior from Eunice, N.M., and Moss is a senior two-year award winner from Junction.

Other seniors awarded include Tommy Cheek, senior from Dallas; and Charles Fox, senior from Junction.

Junior lettermen include John Adams, Cisco; Larry Dippel, Stamford; Claude Dollins, Waco; Burl Magee, Eunice, N.M.; Freddy Martinez, Abilene; Leonard Payne, Baird; Roland Perry, San Angelo Lake View; and Jim Steadman, DeSoto.

Sophomore letter winners include Mack Alexander, Big Spring; Frank Aycock; Abilene; Brad Brittain, Rotan; Coye Cole, Miami, Ariz.; Walter Coffman, Plains; Jim Davis, Heavener, Okla.; Cecil Evans, Cleburne; James Graham, Nacoma; Wayland Holt, Lamesa; Duane Lindsey, Stamford; Tom Lovvorn, Stamford; Ed Mach, San Diego, Calif.; Oren McGrew, Anton; Ken McMinn, Hale Center; Don Todd, Plains; and Jim Williams, Plains. Managers are Trey Patterson, Pampa; and Ray Weaver, San Antonio.

Freshman numerals will go to Jerry Adams, Holliday, Ken Batchelor, Kermit; Bucky Boll, Dallas; Hugh Cook, Garland; Gary Cooper, Hamlin; Gene Corzine, Petaluma, Calif.; David Crooks, Slaton; Leo Davis, Ft. Worth; T. J. Grizzle, Levelland; Jack Grueber, San Antonio; Billy Hardage, Lazbudie; Tom Hardy, Ft. Stockton; Jim Johnson, Ft. Worth; Mike Kinard, Blackwell; Bill Lucas, Ft. Worth; David McGuire, Kermit; Wayne Manning, Perryton; Johnny Murphy, Brownfield; Bob Partridge, Munday; Phil Petty, Rotan; Bill Reitan, Frankfurt, Germany; Calvin Ruzicka, Ft. Worth; Wesley Sewell, Denver City; Lewis Simmonds, San Antonio; Doug Todd, Plains; John White, Crosby; and Gary Williams, Hamlin.

Housewife interviewing prospective maid: "You would have a very easy time working here because we have no children to annoy you." Prospective maid: "I love children so don't go restricting yourself on my account."

"Capitalism is not a dirty word... The men who built the railroads and banks and insurance companies and industries that have made the American people the most productive, the most comfortable, the most resourceful and most reliable in the world were not do-gooders. They were capitalists."--John G. Tower.

HUMBLE TIPS

W. G. Lattimore

Utility Bills Running High

City Secretary, Bob Loe, made it known today that local patrons will be receiving their current utility bills in a very few days and that they will most probably seem high to a good many people.

Reason for the raise over normal amount was explained by Loe as he said that we had experienced two long severe cold spells in the same billing period.

As area residents are quite well aware the thermometer has been setting some new records this month as the area has experienced unseasonably cold weather.

The merchants will manage commerce the better the more they are left free to manage for themselves.--Thomas Jefferson.

Many doctors recommend the ingredients in STANBACK. Get genuine STANBACK Powders or Tablets--unconditionally guaranteed to relieve pain fast.

Test STANBACK against any preparation you've ever used.

Guaranteed by Good Housekeeping

Hospital Petition--

well as obstetrical patients. Kitchen and scullery facilities, at present crowded all into one room, would be entirely separated.

Featured in the space provided by the new addition would be a family room, where close relatives of patients could wait in privacy, a hospitality room which would be used essentially by the "Pink Ladies" of the Hospital Auxiliary as headquarters for their activities, and a prayer room where doctors could consult with relatives of patients.

Mrs. McMahan explained that such rooms were becoming more and more of a necessity and proved of utmost convenience and comfort to relatives of those seriously ill. She added that these rooms were often furnished by various civic organizations or groups.

The hospital administrator pointed out that under present conditions, the hospital staff finds it extremely difficult to provide the high-calibre type of service they prefer to give patients, with the result that it was often a source of embarrassment for both.

If the addition materializes as hoped by officials, it will be only the second addition built to the hospital since it was constructed in 1949. Both, it was pointed out, have been forced to the action of hospital officials by the rapid growth of the county and the two communities it serves.
