

MOORE Or Less

by Johnnie Moore

"Mighty God, we acknowledge our dependence upon Thee, and we beg Thy blessings upon us, our parents, our teachers, and our country."

This was the prayer put out by the Board of Regents for the schools of New York that stirred such a controversy and culminated in the recent Supreme Court decision.

You all know the rest of the story and we won't go into it.

A friend of ours up in the northwest wants to know how it is you're going to teach your kids not to cuss with everyone talking about the big government project up there, "Hell's Canyon Dam?"

I just wonder if a great many people realize what a shot in the arm the rodeo we have here every year is to Plains.

When I think of the amount of good that is done and the amount of planning and civic improvement made possible with the money from the rodeo, then it becomes a pretty important project as far as Plains is concerned.

Sure, almost everyone enjoys seeing a good show put on by good cowboys and good lively stock.

We enjoy the barbecue and seeing folks we hadn't seen in quite awhile that show up for the big get-together, but this isn't all the benefit that is to be had as far as the big show is concerned.

Plains Chamber of Commerce and Lions Club use just about all the money that they get as their share to help where help is needed in Plains and Yoakum County.

Such programs as Little League, Boy Scouts, many civic betterments and countless other things that for the most part go unnoticed are made possible through the funds taken in each year at our rodeo.

I say its something not only to boost because we all enjoy it and have a big time, but also because we're helping to promote Plains by doing it.

FHA Float Wins First

Although it was delayed 24 hours by rain and adverse weather conditions, the parade to open the 9th Annual Rodeo of the Yoakum County Rodeo here last Friday, which wasn't held until Thursday at 5 p.m., was well attended by spectators and by participants.

Winners in the float contest were 1st place, Plains Chapter of Future Homemakers of America; 2nd place, The Cowboy Grill; and third place, Modern Beauty Salon.

First place winning FHA'ers had as their theme the space age and life tomorrow, showing an average family floating around on a cloud with some pretty far-out creations for clothes and the family rocket ship parked outside the door.

The Cowboy Grill, owned and operated by Dorothy Hickman, was something of a pre-season pep rally for the Plains Cowboy Football team. It showed a bedraggled Crane team after Plains had finished with it on a football field constructed on a trailer.

Third place winning, Modern Beauty Salon depicted the new hair styles done on several

NEAR TRAGEDY--Deputy Olan Heath is shown inspecting the car which was totally wrecked two miles east of Plains during

Thursdays rainstorm.

Dr. Lynn Due Home On 15th

Members of Texas' 49th Armored Division, stationed at Fort Polk, Louisiana, have been notified that they will leave Fort Polk on August 6th, and be home shortly thereafter.

Among those being released is Plains physician, Dr. Clyde A. Lynn, who before being recalled to active duty some months ago operated the Yoakum County Hospital and Clinic in Plains.

Dr. Lynn, it is reported, is one of six officers who will travel from Fort Polk to Fort Worth, Texas, headquarters of the 49th to dispense with last minute details and paper work for the Division.

He is expected in Plains by August 15, and will again open the clinic in Plains very shortly thereafter on August 16 or 17, said Mrs. Lynn.

Three Youths In Car Mishap

Injured in a one-car accident two miles east of Plains on the Brownfield highway early Thursday afternoon were three Abernathy youths enroute to Red River, New Mexico for their vacations.

Just outside Plains, where the Fitzgerald windmill is located in the draw, the trio in the car driven by Mitchell Pettit, 18 years old, started around a large truck in the hard rain-storm that was falling at that time. Just as he started around the truck, Pettit saw a car approaching from the west and applied his brakes so that he could return to the right side of the road. The car found no footing on the wet, slippery pavement and began to skid over to the left side of the road. The auto straddled the culvert

railing over the draw and somehow managed to get on the other side of the culvert before overturning in the bar-ditch.

Pettit was the worst injured of the three, and had to have a large gash from his forehead to just over one ear sewed up. Dr. Marvin Goldberg of Plains performed the task and treated Pettit for shock and reported there was some loss of blood from the injury.

Pettit's two companions, Douglas Simpson and Billy Barrack, each 18 years old and also from Abernathy were reported to only have been shaken up and didn't suffer any noticeable injuries.

Olan Heath, Yoakum County Deputy Sheriff, investigated the wreck.

Dennis Hickman Is Rated High

With the beginning of football season in the not too distant future and with football workouts scheduled to begin on August 20, the air is beginning to be filled with wondering and talking about prospects for the Plains Cowboys for the up-coming season.

"Texas Football", a magazine dealing with the football prospects of all Class AAAA, AAA, AA and A high schools in

Texas, has this to say about the Cowboys' prospects and about one, Dennis Hickman, in particular.

"District 5-A--One of the best district fights in West Texas is shaping up in 5-A, with Seagraves, Wink and Plains all capable of getting in on the fun.

"Defending champ Seagraves probably rates the nod. It has 13 lettermen, 6 offensive and 7 defensive regulars returning from its 7-3-1 season of last year, and can anchor its offense to one the state's outstanding fullbacks, Sammy Faulkner (6-0, 195), all district two years and all-regional last year. A hard runner, Faulkner joins James Petty and Jerry Crump in what should be a strong backfield. Three all-district men-tackle Kenneth Smart (200) and ends Monty Sansom and Bill Ellis--are first-rate linemen.

"Wink, an old champ in a new district, faces a rebuilding job in the backfield, but the line looks formidable indeed. The Wildcats have a second team all-stater, Arnold Holloway at end, a two-year all-district guard, John Spencer, and a two-year all West Texas tackle, Tommy Hook, who stand 6-3 and weighs 230.

"Plains, with 16 lettermen and a host of regulars returning, may bow to no one. One of the best linemen the area has seen in several years, tackle Dennis Hickman (185) sparks a trench that will also feature the talents

9th Rodeo Is Big Success

After having to cancel Thursday night's performances, because of rain and having rain predicted for the balance of the week-end, the 9th annual version of the Yoakum County Rodeo was counted a big success.

The Thursday night performance was put on Sunday afternoon at 2 p.m. with a good crowd in attendance despite the very hot weather.

Gate receipts for the three performances were, Friday \$473.17, Saturday \$504.50, Sunday \$299.00 and the barbecue on Saturday took in \$708.50. Total gate receipts were \$1,985.17.

Eighty per cent of this figure or \$1,588.14 went to the producers of the show Mr. Alvin Koonsman of the HK Rodeo company of Snyder.

The concession stand, manned by members of the Plains Lions Club sold soft drinks, hamburgers and the like for a total of \$442.59.

This added to the \$2233.00 worth of tickets sold by the four Rodeo Queen candidates and an unreported amount taken in from derby sales will make a nice sum to be divided among the three sponsoring clubs, Plains Lions Club, Plains Chamber of Commerce and Yoakum County Roping Club, which comprise the Yoakum County Rodeo Association.

Holder of the lucky ticket for the \$250 saddle given away at Saturday night's performance was Cordell "Corky" Huddleston, an employee of Plains State

Bank. Winners in each of the events during the Rodeo areas follows:

Bareback Bronc Riding: 1st place, Richard Johnson of Bolger, Louisiana, Trophy Buckle and \$126. 2nd place, H. C. Zackery of Lubbock, \$94.-50. 3rd place, Jim Brock of Lubbock, \$63. 4th place, H. B. Johnson of Bolger Louisiana, \$31.50.

Kenny, 42.7, \$105. 4th place, Larry Howard and Harry Howard, 48.5 sec., \$52.50. Also in this event Larry Howard won the trophy belt buckle.

Trophy buckles for the various events were furnished the rodeo by different Plains merchants and individuals. They are Alma's Restaurant, Cowboy Grill, Wilmet Hardware and Oil Co., Elsorta Shop and The Flowerland, Curry Edwards Pharmacy, Dianne Fitzgerald, Moore and Oden Dry Goods, Buddy's Auto Parts, Pic and Pay Grocery, and White's Auto Store.

Credit Union Pot Up To \$30

Second drawing in behalf of Yoakum County Federal Credit Union was made last week at Plains Frozen Food in Plains, owned and operated by Dick McGinty.

The drawing, it is reported, attracted a large crowd of people and was much better attended than was the first such drawing held last month.

Name drawn was Miss Sharon K. Sprawls, who didn't win the \$20 by virtue of the fact that she was not present at the time of the drawing.

Therefore \$10 will be added to the amount of the pot for next month when the monthly drawing will be held at Curry-Edwards Pharmacy.

Thanks was expressed by credit union officials to McGinty for the use of his store and for the \$10 which he donated to the fund.

Officials have also stated that credit union shares have been selling at an accelerated rate since the beginning of the drawings.

Oral Vaccine Clinic Set August 26th

A pre-registration of all persons interested in obtaining the Sabine Oral Vaccine is being run this week and will also be run for each week from now until the time for the actual administration of the oral immunization, August 26.

Plains Lions Club is sponsoring the drive here in connection with the Plains unit of the National Polio Foundation, headed by A. E. (Dick) McGinty.

Persons desiring the oral vaccine should fill out the form found elsewhere in the paper and forward it to McGinty or to the Plains Lions Club, in-care of Mr. Leo White.

Of course, persons who do not fill out forms may register for it at the place of immunization, to be announced later, on the day that they receive it, August 26.

All residents of Yoakum County are urged to take advantage of this whether or not they have had the injections of the Salk vaccine.

Tokio Baptist Plan Revival

Boyd Pearce will be holding a revival meeting at the Tokio Baptist Church beginning August 5-12. Brother Pearce and his wife have been Missionaries in Mombasa and Kenya East Africa for the past three years. He is a native of Brownfield, Texas.

Albert Castro from Denver City will do the singing. He is the Spanish pastor at Denver City, Seagraves, and Plains.

Everyone is urged to attend the services. Morning services begin at 10:00 a.m., evening services, prayer meeting at 8:00 and preaching at 8:30 p.m.

First Grade Registration

Dear Parents, Parents of all children who will be first-grade pupils this fall are requested to register at the school cafeteria at 2 p.m. Aug. 23.

This early registration is being conducted to avoid the confusion which generally prevails on the first day of school.

You are requested to bring a valid birth certificate for pupils being enrolled. It will not be necessary for pupils to accompany their parents for this registration. Parents, however, are asked to accompany the first-grade pupil the first day of school Aug. 30.

Very sincerely yours,
Roger Harvey, Elem. Principal

Cemetery Ass'n Meets

The Yoakum County Cemetery Association met in regular semi-annual session, Thursday night, July 19, 1962, in the Commissioners Court Room with nine members present. The meeting was called to order by President M. W. Luna and the minutes of the January meeting were read and approved. The secretary-treasurer reported a bank balance of \$1,281.42.

Membership dues of \$5.00 are payable in January of each year, but as many members have been negligent in this matter, a committee composed of the following was appointed: Mesdames C. F. McCargo, Glenn Cleveland, R. B. Jones, M. W. Luna and Bessie McCravy.

The motion was made and seconded that a part-time caretaker be hired during the summer months. M. W. Luna will contact prospective applicants for this job.

The association is very grateful to Raymond Bookout and his county employees for all the work contributed in cleaning up and maintenance at the cemetery.

Dana Dyer Is Queen Nominee

Dana Dyer, daughter of Mr. and Mrs. Pete Dyer of Plains has been selected by Jerry Jones as a Queen nominee for the Greenbelt football classic. Jones will be playing for the West team. These teams are sponsored by the NCA and is participated in by graduating seniors from Oklahoma and Texas.

The game will be played in Childress, Texas Saturday August 4 at 8:00 p.m. Queen candidates will be honored with a tea and presentations will be made at the Elk Club. Saturday at noon there will be a picnic for all the football players their candidate and their families. Saturday afternoon there will be a parade and the Queen will be crowned at gametime that night.

Weather Report

Even though fears were for awhile that the Plains Rodeo might well be rained out last week, farmers in the area are reported in high spirits over the fine moisture and good growing weather being experienced over Yoakum County and adjoining areas.

Total rainfall for the entire month of July in Plains, according to Mr. Johnny Hague, weather bureau reporter for Plains, measured 3.69 inches.

From Jan 1 through July 31, first seven months of 1962, Hague reports, a total of 8.55 inches of moisture.

Temperatures for each day from July 25 through July 31 are as follows:

	Max.	Min.
Wednesday, 25th	82	63
Thursday, 26th	77	66
Friday, 27th	87	64
Saturday, 28th	89	67

Washington Newsletter From John Tower

PRESIDENT DEFEATED ON MEDICARE: The Senate vote, that effectively killed President Kennedy's proposals for health care for the aged under social security, was historic in several ways. It was momentous, in that this is only the second time in history that all 100 Senators voted, and only the second time in years that 100 per cent of the Senate mem-

bership voted. In this important roll call, the Senate voted 52 to 48 to table an amendment to a public assistance bill which would, in effect, have given us a medical care program which, you know, I believe to be very unsound, and very unwise. Some 31 Republicans and 21 Democrats teamed to be very un-

teamed together to defeat Medicare. Only 5 Republicans, and 43 Democrats, voted on the losing side. I am very glad the Senate performed a very statesmanlike act. The House of Representatives has not acted, but it is my feeling the House will not act now on the medical care issue, and I am convinced the proposals are dead for this session. An analysis of my mail on this subject for recent weeks: for 1,835 telegrams, letters, and postcards, showed 1,786 against the President's proposal, and only 49 for the plan. This is a 37 to 1 ratio against the bill.

TRIP TO GERMANY: By way of the German Embassy, a Republican and a Democrat Senator were invited to address a political seminar of the Evangelical Academy, at Tutzing, in Bavaria, near Munich, Germany, and it was my privilege to be invited. Senator Vance Harke, of Indiana, spoke for the Democrats, and both of us, at different times, discussed the influence of American politics on foreign affairs with many German leaders. They asked many questions. I talked with them for a total of five or six hours, at two long sessions, and came away convinced they are good friends and allies of the United States, and are determined to stand firm in the face of the Communist threat. They are counting on us to continue to support them, and I was impressed by their will to resist the Communists, and their desire to reunify. I likewise had an opportunity to tour Berlin, and the Communist wall that seals off the eastern part of the city from the free, western portion. I saw the Communist guards, and the police guarding workers, strengthening the wall. My first reaction was one of anger. Then, it occurred to me that this is a monument to Soviet weakness, and shows the Communists can hold sway over captive peoples only by force of arms, by suppressing the truth, by isolation, literally by imprisonment. I am confident that the people of the free world have the strength and the will to stand firm against world Communism. The U. S. must afford them the courageous leadership their determination merits.

Texas I met during my visit in Berlin included Colonel Glover Johns, of Austin, who led the first battle group into Berlin during the buildup last fall, and who is now acting chief of staff for General Albert Watson, II, U. S. Commander in Berlin, and Lieutenant Everett Baker, of Longview, my escort there. I was impressed throughout with the character and ability of our military men in West Germany, at all levels.

KENNEDY BOXSCORE: Following the Fourth of July recess for Congress, an informal one, of course, the Congressional Quarterly surveyed the record of action on President Kennedy's legislative program, as a way to judge the slow pace of the current session, and the degree of resistance to Kennedy proposals. At that July time, the President had made 285 specific legislative requests and Congress had approved 20—or 7 per cent. At the same time, it had defeated 8, and taken no action on 75. This boxscore reminded me of my April newsletter reference, following the Easter recess three months ago, to the "failures" of the Kennedy legislative program, and the "inability, or disinclination," of the Administration—dominated Congress to pass any major share of its 1962 proposals. I believe even more strongly now than then, if possible, that this "ineffectual record," already apparent last April, is continuing. This table, and these percentage figures, will be even more adverse when the resounding defeat in the Senate, that killed Medicare for this session, is taken into account.

SERVICE ACADEMIES: I am now accepting applications from young Texans between the ages

of 17 and 22, who will have completed high school by next June for nomination to the Air Force, Naval, Military, and Merchant Academies. Since my nominations will be given on the basis of a competitive examination administered by the Civil Service Commission, all completed applications must have reached my office before September 30.

FISCAL RESPONSIBILITY: President Kennedy, in a speech at Yale University on June 11, quoted Thomas Jefferson as saying "new circumstances under which we are placed call for new words, new phrases, and for the transfer of old words to new objects." As a longtime adherent to the Jeffersonian philosophy, I am completely in agreement with recent comment by Senator Harry Byrd of Virginia, that the President used the quotation for "purposes foreign to the fundamental principles" of Jefferson. The President, after carefully explaining he was not concerned with "political debate," spoke in detail concerning the "myth" of big government, the federal budget, the federal deficits, and public confidence. Such talk is pure nonsense. Certainly, big government is not a myth, just as certainly, federal deficits exist for 25 of the past 31

years, and our national debt will climb to \$308 billion this year. The statutory limit on our national debt was raised three times, for a total of \$15 billion, in the fiscal year ending last June 30. The purchasing power of the dollar is just 46 cents today, measured on the 1939 index. The free spending by the Kennedy Administration has given us a \$8 billion deficit for our fiscal year just ended, and another deficit of several billion dollars is in prospect for this year. In my report to you last January 28, after the President submitted his budget of \$92 billion plus, with 20 per cent of the total for welfare spending and subsidies, I proposed a cut of \$10 billion in wasteful, non-essential domestic spending. The need for such a budget reduction, to restore flagging confidence in the Administration, both at home and abroad, is more and more evident every day. I would much prefer to have our President use, and be guided by another Jeffersonian quotation, "I am for government frugal and simple, applying all possible savings to the national debt . . . I am not for increasing—by every device—the public debt, on the principle of its being a public blessing."

CONSERVATIVE DEFINITION: In the June newsletter, I gave a definition of a conservative, responding to numerous requests. Let me add another, as given by Admiral Ben Moreell, president of Americans for Constitutional Action, at the recent Human Events Conference, here in Washington: "A conservative is one who works to conserve our traditional values of liberty and justice for all, so that we can build thereon, moving neither to the right nor to the left, but upward, to higher levels of consciousness of our duties to God and to our neighbor."

Historical Sec Meets

A regional meeting of County Historical Survey Committees from 44 Panhandle Counties with the Texas State Historical Survey Committee has been set for August 18 in Amarillo, Dr. Rupert N. Richardson of Abilene, president of the Texas State Historical Survey Committee announced.

The meeting will begin with a noon luncheon in the Vic Mon Motel.

"All County Historical Survey Committee members, members of County Historical Associations and other people interested in historical preservation are urged to attend," Dr. Richardson said.

"We want this meeting to be a reawakening of interest in historical preservation in the Panhandle," he added, "It will also afford the opportunity to discuss the coordination of all our efforts."

This is the fifth regional meeting the Texas State Historical Survey Committee has held this year. Other meetings have been in the regions surrounding Victoria, Nacogdoches, McCamey and Abilene.

The Panhandle Regional Meeting program will be centered around what the counties are doing and can do for preserving Texas history and the work of the Texas State Historical Survey Committee in state historical preservation programs.

Counties included in the meeting are: Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Cochran, Collingsworth, Cottle, Crosby, Dallam, Deaf Smith, Dickens, Donley, Floyd, Garza, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hockley, Hutchinson, Kent, King, Lamb, Lipscomb, Lubbock, Lynn, Moore, Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Stone, Swisher, Wheeler, Terry and Yoakum.

1962 Agriculture Show Emphasizes Wildlife

Animals and plants of forest, plains, desert and seashore will take the spotlight in the Agriculture Show at the 1962 State Fair of Texas, October 6 through 21, in Dallas.

The show will tell the complete story of Texas wildlife and game, with the benefits of recreation and the responsibilities of conservation.

Live specimens along with color photographs and moving pictures will illustrate the story.

The show will set a precedent by presenting wildlife and conservation as material resources of Texas agriculture. Cooperating with the State Fair in creating the show are Texas A&M College and the Texas Game and Fish Commission.

The central exhibit will consist of three-dimensional displays depicting the interrelation of soil, animals, plants, climate and moisture.

Emphasis will be placed upon

changes brought about by nature, changes brought about by man and his good management, and changes brought about by man and his poor management.

The twelve supporting exhibits of the state's Extension Service Districts will tie in with the central exhibit by showing the wildlife and conservation problems prevalent in each district.

Here are some of the animals that will be on display -- either alive, mounted or in color pictures -- antelope, badger, bear, bighorn sheep, bobcat, bull frogs, chachalaca, coyote, deer, dove, ducks, eagles, elk, fish, fox, geese, javelinas, kangaroo rat, mink, mountain lion, ocelot, opossum, otter, pheasant, prairie chicken, prairie dog, quail, raccoon, ringtail, roadrunner, squirrel, snakes, turkeys, whooping crane, wolves and woodcocks.

Open Letter From FBI

THE MASSIVE AVALANCHE of crime sweeping our Nation today is a shocking disgrace and a broad indictment of the American people. The recently released Uniform Crime Reports reveal some 1,926,090 serious crimes were committed in 1961, topping the all-time high record of the previous year by 3 per cent. During the past 5 years, crime has outstripped the growth of population 5 to 1.

Youthful criminality, long a foreboding facet in the crime picture, continued to rise. Arrests of young people under 18 years of age were up 4 per cent above the 1960 total. This age group represented 43 per cent of all arrests for the more serious offenses of murder, forcible rape, robbery, aggravated assault, burglary, larceny and automobile theft.

As could be expected with a spiraling crime rate, the role of the law enforcement officer has become increasingly hazardous. Of the 71 officers who met violent deaths during the course of their duties last year, 37 were killed by vicious criminals. Twelve of the killers were 21 years of age or younger.

Viewed realistically, this problem boils down to the simple fact that in our land today the average man, woman and child is in greater danger than ever before of becoming a victim of this criminal onslaught. It means that day or night, at work or play, the individual's basic rights of personal security and pursuit of happiness are steadily diminishing.

Certainly, there is no one remedial answer to the problem. The causes and factors of crime are far too varied and complex. However, we shall see no abatement in widespread lawlessness as long as there is wholesome disrespect for law and order in our Nation. Indulgence and materialistic selfishness are eroding the tried and true American traditions of honesty, integrity and fair play.

Progress in overcoming any social problem—and crime is among the most urgent we face—can be effected only in proportion to awakened and well-informed public opinion. Statistics conscientiously collected by law enforcement officials across the country and compiled by the FBI give an up-to-date, comprehensive account of the economic and human waste directly attributable to criminal activities. The Nation's news media have performed superior public service in factually reporting the current shocking crime picture to the people.

Fully alerted to the staggering toll of crime, community authorities and civic leaders should lead the fight to halt the lawless hordes who prey on society. No amount of rationalization can justify placing this responsibility on the shoulders of law enforcement alone.

History has proved that Americans, when faced with hard reality calling for effective action, traditionally rally to the cause. Assuredly, action in the war against crime has never been so sorely needed.

Yoakum County Bond Sales

Savings Bond sales in Texas for the first 6 months of 1962 totaled \$76,720,875 which represents 102.3% of the 75 million dollar Freedom Bond Drive goal for Texas. June bond sales in Texas were \$11,489,268.

These figures were reported recently by Mr. D. P. Moorehead, Chairman of Yoakum County Savings Bond Committee. Mr. Moorehead also reported that bond sales in Yoakum County were \$45,532 for the first 6 months of the year. This figure represents 65.0% of the 1962 sales goal.

"The achievement of the Freedom Bond Drive goal in Texas demonstrates to the Nation that Texans stand ready to do their part in our fight for freedom."
