

MOORE Or Less

by Johnnie Moore

Just a few quotes this week from "Uncle Zeb" --
"You can judge a man by these standards; the things about which he laughs the most, the things he blames his troubles on, and the way his children act when he comes home."
"Could we get along with another person who had a disposition exactly like our own?"
"Give a pig food every time he squeals, and a child everything he wants; you will soon have a fat pig, and a spoiled child."

I got a letter this week from Senator Ralph Yarborough in which he was talking about the big hassle in the senate over the Telesat program.

Seems, according to the Senator that the big noise is over the point of whether the new program should be handled by the Federal Government or whether it should be turned over to a private corporation to be operated.

I'd like to quote Senator Yarborough here on some of the points he makes concerning the issue.

Quote, "For the first time in 35 years, the U. S. Senate has imposed the so-called gag rule by voting cloture. The guillotine was brought down on those who had stood together in legislative debate in trying to head off the biggest giveaway of the space communications program to a private monopoly."

"The giveaway bill is just what I called it in a speech on the floor of the Senate; it's a bill of, by and for great aggregations of wealth... a bill with nothing in it for the American people whose billions of tax dollars have paid for the research to make space communications possible."

"Fellow Texan... It's a sad commentary on our government that the first cloture voted in the Senate in thirty-five years was not to protect our country in time of war or in a great national emergency; it was not to advance human rights. It was voted to help satisfy the insatiable appetite of giant corporate monopoly." End of Quote.

In my frank opinion, if this kind of attitude, held forth by Senator Yarborough, could be carried back in history, our government today would own: Telephone companies, electric utilities, gas lines, railroads, air lines, truck lines, the steel industry, the auto industry, and the host of other industries started since July 4, 1776.

The truth is that President Kennedy's bill setting up an investor-owned corporation to control American participation in the coming world space communications system is good sense.

The energy and enterprise of millions of individuals working under free enterprise have made America a great industrial nation.

Opponents of this bill, which by the way, passed in the house by 354 to 9 say that it is a giveaway. This is a mighty small handful of men who are opposed to it.

It seems a little unlikely that the President and almost all Senators and Congressmen would "give away" the interests of the people of the United States.

I certainly believe our Senator from Texas, Ralph Yarborough, has gotten on the wrong side of this question. Certainly we don't want the government in business on a competitive basis with free enterprise.

I'm certainly not ready for socialism yet even in the field of world-wide communications.

\$30.00 Cash Drawing

Yoakum County Federal Credit Union will have its third in a series of monthly cash drawings this Saturday August 25th, at 5:00 p.m. at Curry-Edwards Pharmacy, at which time the prize will be \$30.00 cash.
Have you bought your share in the Credit Union this month? And remember you must be present at the drawing to qualify.

NOTICE

The Post Office Department will participate this year in the 25th Anniversary observance of Letter Writing Week.

Number 38

LOOKING GOOD -- Coaching staff of Plains Schools, Jack Pierce, Rip Sewell, Guerry Wright and Bob Gross, report thus far the prospects for a team that will win a bunch of ball games.

Pictured above is a "possible" starting line-up for the coming season, although several "regulars" are temporarily laid up from minor injuries.

Sabine Oral Set To Roll Sunday 26th

An additional bit of information was passed along this week by those preparing for the mass

issuance of the Sabine Oral Polio Vaccine. That is that so many will be saved an extra trip back into town on Sunday, the vaccine laden sugar cubes will be available at the Plains School Cafeteria at 12 noon, immediately after church.

Especially emphasized is placed on the fact that bracers and other temporary residents of the county should be encouraged to come and take advantage of the immunization.

Applications Being Taken

Applications are now being taken in the office of G. D. Kennedy, Superintendent of Plains Schools for the position of janitor.

Announcements of this will be made in all churches in Plains on Sunday morning to allow members of the various churches, especially rural citizens, to get the vaccine before they go home for the noon meal.

The big benefit of the Sabine serum lies in the fact that it not only immunizes the individual taking the vaccine, as does the familiar Salk injection, but that it also does away with the possibility of a person being a carrier of the polio virus, where that was not so with the Salk serum.

The vaccine will be available to any and all residents of Yoakum County or anyone, for that matter, just passing through or visiting in Plains.

It is reported that the Sabine drops are tasteless when given on a lump of sugar as they will be here Sunday and (Continued on page 5)

Cowboys Coming Along

With the official opening of the 1962 football season just two weeks away, a lot of talk and wondering about the new season is in the air.

Plains' first opponent will be the highly regarded eleven from Crane. Crane was beat out last year, in its double A flight, by Denver City in their bi-district round.

Crane is rated to have a mighty strong double A team this year and is bound to put up quite a tussle even on the Cowboy's own stomping ground.

Coach Jack Pierce reports that something of a new innovation is being done this year as far as football is concerned. Any boy who, in the opinion of the coaching staff is 100 per cent, that is, is giving all he's got to the game and his efforts to being the best he can possibly be as a competitor, will be wearing something of a badge of recognition. A white stripe will be painted down the center of the

black helmets which the team wears.

So when fans see boys on the field playing football for Plains, whether they are varsity players, on the B Squad, freshmen or Junior High players, if the boy has a white stripe on his helmet, it is a mark of real effort and achievement.

In regards to prospects for the nearing season, Pierce reports the boys are still pretty sore and that it is possibly a little too early to even be sure about some of the varsity starters. He does report though, that a very encouraging number, 48 boys are out trying mighty hard to earn berths of some kind on the team. He stressed too, that, to date, there have been no quitters to drop out of practice for any reason. He went further to say that the coaching staff is thus far very impressed with the enthusiasm and desire that the boys have shown.

Line-coach Rip Sewell reports

that the Cowboys will field the biggest, and if they develop as expected, the best line that has been fielded by any Plains Cowboy football squad.

Coaches reported that Jimmy O'Neal, Ernie Anderson, Ty Powell, Fred Carnally, Dennis Hickman, Donald Davis, Fred Blount, Jimmy Kerby, Red Spencer, Larry Williams, Robert Taunton, Johnnie Robertson and Omar Hyman are doing a mighty fine and commendable job so far in their efforts for the Plains forward wall.

And, Cowboy backfield will undoubtedly be much strengthened over last year by the efforts of such talents as Ronnie Hendricks, Roland Faires, Mike Field, Jimmy Harris, Tetum Perrin, Jack Lowe, Clyde Lynn and Olan Smith.

In commenting on the backs,

Pierce pointed out that the backs are pretty small but that they definitely make up for their size in speed.

Especially commendable, according to the coaching staff, on defense are Hendricks, Faires, Anderson and Perrin. Most work so far has been done on working out the new defensive system that Plains will be using this year, and reports are that a really fine defensive team.

A minimum of small injuries have been sustained by the team. Jimmy Kerby sprang his ankle and will be out of commission for just a couple of days; J. B. Wilson also has a bad ankle and will probably not get back into workouts for another week; Ernie Anderson had to get three stitches for a cut just below his (Continued on page 5)

Banks Are Largest Lenders To Texas Farmer, Ranchers

Texas banks were serving farmers and ranchers with more credit and other financial services than any group of lenders at the beginning of this year, according to Mr. B. E. Loyd, President of the Plains State Bank, Plains, Texas. During 1961, the state's banks maintained their leadership in ag-

ricultural credit services.

Based on the 21st annual farm lending summary of the Agricultural Committee of the American Bankers Association, Mr. Loyd reported that at the beginning of the year, Texas banks were helping farmers and ranchers with \$422-million in loans, 9 per cent more than a year previous. This total included \$370-million in production loans and \$52-million in farm mortgages. At the same time, \$322-million in farm loans was held by life insurance companies; \$249-million by the Federal Land Banks; \$122-million by Production Credit Associations; and \$63-million in non-real-estate loans plus \$37-million in real estate loans by the Farmers Home Administration. About 67 per cent of the production credit extended by lending institutions to Texas farmers and ranchers came from banks.

Change Announced In TV Firm

Announcement was made this week by Mrs. Belle M. Garrett, who recently purchased Plains Electronics in Plains, that Mr. Nelson Strickland is no longer with their firm.

Replacing Strickland and becoming actively interested in the firm is Mr. Jim Hooper, formerly owner and operator of Tele-Tronics of Plains.

Hooper is reported by Mrs. Garrett to be very well-qualified as a service man and TV-radio repairman.

Larry Smith is also a member of the firm, and does a portion of the repair work.

Mr. Loyd said that "bankers in Texas, as well as throughout the country, are taking a realistic look at agriculture, appraising it from the standpoint of its total contribution to the economy. Through the years (Continued on page 5)

School Starts On Thursday

School bells will ring come next Thursday morning for children in the Plains Independent School District.

The 1962-63 school year will open with a general assembly in the school auditorium at 8:30 a.m., Thursday, August 30.

The assembly program will consist chiefly, according to Mr. G. D. Kennedy, Superintendent of Plains Schools, of registration instructions, introductions, announcements, etc.

Kennedy pointed out that the general public is invited to this assembly program.

School buses will run the same pattern on the opening day of school that was followed at the close of last year's school term.

School will dismiss at 12 o'clock noon on the first day.

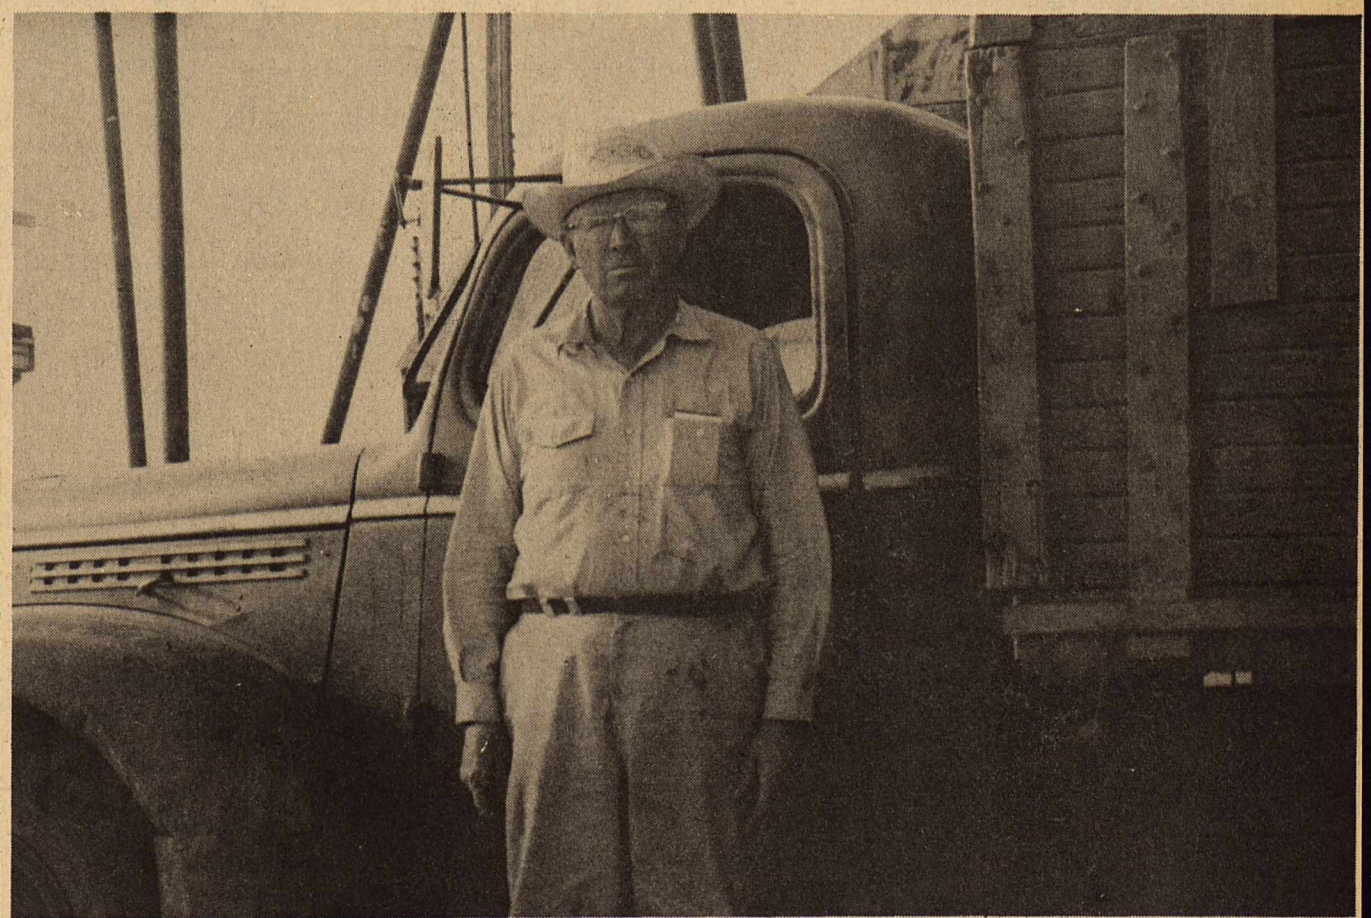

Also pointed out by Kennedy was the fact that in order for the school cafeteria to more nearly pay its way, the following lunch price schedule has been adopted for the coming term:

Weather Report

Local weather reports beginning Wednesday August 15 through Tuesday, August 21, are as follows:

	Max.	Min.
Aug. 15th	100	60
Aug. 16th	95	64
Aug. 17th	95	62
Aug. 18th	96	61
Aug. 19th	94	63
Aug. 20th	94	60
Aug. 21st	93	67

Students of grades one through four -- 30 cents; students of grades five through eight -- 35 cents; students of grades nine through twelve -- 40 cents; and adults -- 50 cents.

\$50 BONUS CHECK -- Mr. W. O. Irving of the Tokio community was the first area farmer to bring in a load of milo to the local Goodpasture Grain and Milling Co., Inc., operated locally

by Mr. E. O. Winkle. Moisture on the grain was reported to be unusually low for such an early cutting. Winkle reported that it tested only 15.71 per cent.

Women have a passion for mathematics. They divide their dresses by two, double the price of their dresses, treble their husbands' salaries and add 70 years to the ages of their best friends.

Pilot (After landing in a tree): "I was trying to set a new record."
Farmer: "You did. You're the first man to climb down that tree without climbing up it."

Yoakum SCD News

By Wilson Duke

New Conservation plans both District and Great Plains Contracts continue to be completed.

New Conservation plans were approved this past week for the W. C. Patman farm operated by Alton Tidwell and for Wayne H. Williams farm operated by Williams.

A new Great Plains Contract has been worked out for Mrs. Irene McMillan farm operated by Cecil Tucker. The Kenneth Nelson Great Plains Contract has been revised in order to include more grass planting and also to extend the length of his contract.

Old conservation plans being revised and made current

include the David Whitaker plan, W. M. Nelson plan, and E. E. Harbin plan operated by O. G. Lewis.

New Conservation Plan maps have come in for A. L. Milstead and Bill Gray farms and conservation plans will be worked out on these new farms in the near future.

New maps have also been secured for the Tommy Winn farm operated by Russell Faulkenberry and this old conservation plan will be made current.

Under the Great Plains program the following farmers have completed springing Midland Bermudagrass. Mrs. Irene McMillan, approximately 13 acres, H. M. (Blackie) Edwards about 80 acres and E. D. Apperson farm operated by D. V. French has completed springing about 15 acres.

This will conclude the major grass planting this summer since any planted now would have such a short growing season that the desired growth, and cover could not be acquired and would stand a chance of blowing next spring. Many farmers who have planted grass late this summer are planning to drill rye or other small grain in their grass about September 1, in order to have a cover next spring for protection against wind erosion. Many farmers are also planning to do the same thing on their cotton land. This is proving to be a very satisfactory practice and more and more farmers each year are beginning to use this practice.

Now is the time to begin planning your crop residue use for the blow season next spring.

TSA Mo Ga Memorial Museum

Tsa Mo Ga Memorial Museum which was originally a "Bonus Shack" received a Texas Historical Building Medallion, Saturday August 18th. The medallions awarded by the state of Texas for building "worthy of preservation," are of cast aluminum with a Swedish Steel effect. Red, white and blue stars and the name of the historical committee encircle a raised map of Texas.

Mrs. M. W. Luna, Yoakum County Historical Committee chairman received the Medallion for the "Bonus Shack." It is a two room wood frame building, being one of the first houses built in Yoakum County back in 1906. "Bonus Shacks" were used for the purpose of home steadying land in the early days.

Senator Kulp Krueger of El Campo, acting lieutenant governor of Texas and Senator Grady Hazelwood of Amarillo presented the Building Medallions to 14 counties in the Panhandle - South Plains area. Counties receiving Medallions were:

Cochran for the Martin Smith City Hall and Court House - resident and Mercantile store, & C. C. Slaughter Ranch Headquarters.

Deaf Smith County for the marble stone County Courthouse.

Garza county received two medallions, one each for the Cereal King-C. W. Post Home and the Main Building & Postex Mills.

Hartley County for its old jailhouse.

Hemphill County for one of the few W. C. T. U. Buildings left which is a Log Cabin.

Hutchinson County awarded for their Courthouse.

Kent County for the Old Jail, King County Courthouse, being the 3rd built, other two destroyed by fire.

Oldham County for the Old Courthouse at Tascosa, now the site of Boys Ranch, built in 1880.

Potter County for the former home of Mr. & Mrs. Lee Bivins

Amarillo, now the Mary E. Bivins Memorial Library.

Randall County for the Old T Anchor Ranch Headquarters still standing on the West Texas College Farm at Canyon, Texas.

Swisher County received three medallions for the Old Tulla Elm Tree, restored in present use. First National Bank, built in 1906 and still being used and for the old stone Courthouse.

Wheeler County for the Jim Fleming "Rock House" and the Old Mobeete Jail house.

Yoakum County for the Tsa Mo Ga Memorial "Bonus Shack," homesteader house built in 1906.

The purpose of the 5th Regional Meeting of the Texas Historical survey Committee is to stimulate interest in marking state historical spots and learning of the work being done at the county level.

Mrs. L. E. Dudley, of Abilene, a member of the state historical committee presided over the County reports. Twenty-three counties gave reports with a registration of some 150 historical members and interested persons attending. Mrs. P. W. St. Romain gave the report for Yoakum County. Mrs. J. W. Moore, Jr. President of the Tsa Mo Ga Study Club attended the meeting with interest of the club.

Dr. Rupert N. Richardson of Abilene, President of the State Committee greeted the guest, with Ben Sheppard of Odessa as chairman of the regional meeting.

"History and Tourism" information was considered and informed members by Frank Hillbrand of the Texas Highway Department, F. Lee Lawrence, secretary of the Committee of Tyler spoke on "Local Historical Preservation. Dr. Boone McClure director of the Panhandle Plains Museum, Canyon extended an invitation to visit the Historical Relics on WTSC Campus.

PLANT A SCENE

Instead of planting daffodils without a plan, use them as part of a small scene, as shown above.

Of Interest To THE WOMEN

4-H Club News

The Yoakum County 4-H Record Judging Committee met Monday, August 13, in the clubroom to judge records in clothing, foods, swine, sheep and goats, achievement, and home economics. Those judging were junior leaders Marsha White, Weymon Boyd, and La Juana Jones.

A total of thirty-three (33) records were turned in. Four (4) of these records were from 4-H members under the 4-H age. These younger members do an excellent job now. Twenty-nine (29) were junior records with one senior record. Denver City Girls 4-H Club had the largest number to enter; sixteen (16).

Ribbons will be given and will be furnished by Mr. D. C. Newsom owner of Newsom Gin of Plains.

Blue ribbons awards were given in clothing to Sue Spencer, and Karen Jefferson; red went to Rita Jo Snodgrass, Pam Essary, Sonja Faulkenberry, Marie Van Nest, and Charlotte Gibson; white awards were given to Anita Sue Cooke, Phyllis Krieg, and Karen McIlroy.

In Foods blue ribbons were awarded to Pamela Franklin, and Judy Fore; red to Denice Harrison; and white to Bobbetee Franklin, and Melissa Essary, all of Denver City.

A Swine award of blue ribbon was given to Neva Gilliam and a red ribbon was given to Nita Gilliam. A red Ribbon was awarded to Kay Essary in Achievement and to Cheryl Essary in Home Improvement. A blue ribbon was given to La Juana Jones in Home Economics and to Billy Charles Spencer in Sheep.

Five (5) juniors had their records sent to Lubbock for District competition: Nita Gilliam, Sue Spencer, Pamela Franklin, Billy Charles Spencer, Kay Essary, and La Juana Jones, the senior entry.

The Local Angle

Mr. and Mrs. Bobby Bryant and family of San Antonio have been visiting in the home of Mr. and Mrs. Hoss Newsom Mr. and Mrs. J. A. McConnell and Mrs. Sallie Hague and Uncle John.

Mr. and Mrs. John E. Fitzgerald spent Sunday and Monday in Carlsbad visiting Mrs. W. W. Pollard. They returned by way of Artesia N. M. and visited some long time friends Rev. and Mrs. C. F. Sanders.

Mr. and Mrs. Foye Flood and family are in Cisco this week visiting relatives.

Little Miss Johna Gail Fitzgerald is feeling much better this week. She sustained a severe burn on her arm Saturday afternoon.

Mrs. Dunk Brian of Bronco is recuperating nicely and is expected to return home sometime this week.

Mrs. Gene Huff and children Kathy and Perry of Richardson Texas accompanied by Mrs. Bobbie Crosby of Lewisville arrived last Thursday to spend the week-end with Mrs. Huffs parents Mr. and Mrs. Perry Anthony.

Doden-Todd Exchange Vows

Miss Kay Frances Loden of Dallas and Mr. Donald Ray Todd, of Plains will be united in marriage today in the Cedar Crest Baptist Church in Dallas, at 8 p.m.

Miss Loden is the daughter of Mr. and Mrs. J. N. Loden and Todd is the son of Mr. and Mrs. G. R. Todd of Plains.

The bride given in marriage by her father wore a formal gown of white tissue taffeta adorned with a delicate lace neckline.

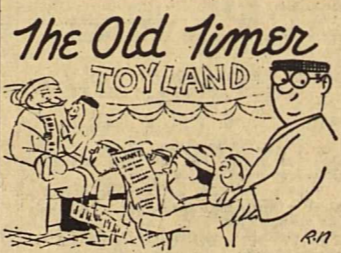

Her veil of silk illusion fell from a crown of pearls and crystals. She carried a white orchid encircled with valley lilies, stephanotis and French carnations forming a cascade arrangement.

Attending the bride as matron of honor was Mrs. D. M. Brittain of Dallas. She wore a dress of turquoise and carried an arrangement of pink flowers.

Bridesmaids were Miss Jan Hampton of Littlefield, Miss Sharon King of Dallas, and Mrs. R. L. Pierce of Dallas. They also wore dresses of turquoise and carried bouquets of pink flowers.

Serving his brother as best man was Douglas Todd of Plains, and groomsmen were Marcus Strickland of Dumas and Harmon Melxner of Vega. Ushers were J. E. Todd of Plains, Clarence Todd of Plains, brothers of the groom and Jim Steadman of Dallas.

Lighting the candles were

"Kids expect more than when I was a boy."

Banks Are--

the agricultural industry, as a part of the total economy, has remained relatively stable, with the 'off-the-farm' portion becoming increasingly significant. Bankers, therefore, are broadening their services and are also developing and promoting programs that consider the interwoven relationships between farmers and ranchers and related businesses.

"Capital has become one of the main pillars in agriculture, with the total investment increasing nearly six-fold during the past 20 years. Today farm and ranch families nationally have approximately \$195-billion invested in their operations, with an average per farm and ranch worker of nearly \$30,000 -- greater than the amount used in manufacturing."

Mr. Loyd stressed the importance of farmers and ranchers and bankers working closely together to improve farm and ranch financial arrangements. He reported that 92 per cent of the insured banks throughout the country had agricultural loans outstanding at the first of the year, with 92 per cent of the insured commercial banks in Texas extending credit to farm and ranch people.

PGC Annual Meeting Set

LUBBOCK -- W. O. Fortenberry, president of the Plains Cotton Growers, Inc. announced this week that the giant High Plains organization will hold its annual membership meeting on Thursday, September 6 this year. The meeting will open at 10:00 a. m. in the Municipal Auditorium on the Texas Tech campus with a welcome address by Lubbock Mayor, Jack Strong. The program will feature prominent speakers from the textile and paper making industries.

Sabine Oral--

that there are no side effects. This program has had a very wide acceptance in cities all over Texas and it is certainly hoped by the Five County Medical Society, sponsors of this effort, that this will also be the case in Yoakum County. A spokesman for the Medical Society has stated that all persons are asked to drop 25 cents in the box at the exit for their dosage, but that if the fee cannot be afforded to please get the serum anyway. The Plains School Cafeteria, beginning at 12 noon next Sunday, August 26, is an important date for residents of the area around Plains.

Fortenberry as President; Wilmer Smith, New Home, Vice President; and Roy Forkner, Lubbock, Secretary - Treasurer.

Free door prizes will be awarded throughout the day and a free barbecue will be held at noon. As a special feature again this year, the PGC in thanks for the cooperation and help of South Plains ginners, are awarding a grand prize to some lucky ginner and wife of a free trip to the Texas State Ginners Association annual meeting in Dallas next April. To be eligible, the ginner must be present at the meeting September 6 and be a cooperating member collecting dues for the PGC. A similar prize will also be awarded to a cotton producer and wife again this year.

In addition to the major addresses on the program, other parts of the meeting will include reports from the officers of the organization and from George W. Pfeifferberger, Executive Vice President of the PGC. Fortenberry stressed that all cotton producers and ginners and their wives and families are invited to the membership meeting, September 6. "The Plains Cotton Growers has had a marked influence on the progress of the cotton industry on the High Plains and is continuing to work in the interest of the cotton producer."

Civil Service Plans Exam.

The U. S. Civil Service Commission has announced new examinations for the following positions:

Fishery and Wildlife Biologist, paying \$4,345 to \$13,730 a year. Most of these positions are with the Fish and Wildlife Service of the Department of the Interior and are located throughout the country. These biologists perform professional and scientific work in connection with the conservation and management of fish and wildlife resources.

Dietitian and Public Health Nutritionist positions. The Dietitian positions pay from \$5,355 to \$8,955 a year and are located mainly in the Public Health Service throughout the

country, in the Department of Public Health of the District of Columbia Government, and in St. Elizabeths Hospital in Washington, D. C. Public Health Nutritionist positions pay from \$6,435 to \$13,730 a year and are located in the U. S. Public Health Service and Children's Bureau of the Department of Health, Education and Welfare throughout the country. Dietitians and Nutritionists apply scientific knowledge of dietetics and nutrition in research, management, education, and other programs devoted to the promotion of good health.

In general, the above positions require academic training and/or professional experience in the appropriate sub-

ject matter field. For detailed information about the requirements and instructions on how to apply, see Announcement No. 285 B for Fishery and Wildlife Biologist and No. 286 B for Dietitian and Public Health Nutritionists.

Announcements and application forms may be obtained from many postoffices throughout the country or from the U. S. Civil Service Commission, Washington 25, D. C.

CHICAGO (UPI) -- Decorating a child's room is far from being an easy project.

Selecting furniture no longer is difficult, because a number of manufacturers make child-sized furniture.

But one big problem remains: how to accessorize a small room which must include generous storage space for toys and a large area of open floor space for playing.

Decorating space science offers formulas for concealing storage and stretching walls to enlarge, visually, a small area.

To start at the base, the floor should be easy to care for. Vinyl tile is a good choice, and can bring color accents and an illusion of spaciousness to the room. Vinyl floorings are available in a variety of patterns and colors.

Cowboys--

mouth; and Clarence Todd is awaiting release from his doctor in Lubbock because of the knee operation he had this summer. All-in-all prospects for football this year in Plains are certainly improved over last year and Plains fans can look forward to a mighty exciting year.

According to the prognostications of most area coaches, the champion of District 5-A will not go through the season undefeated.

4-H Winners Named At Kids And Kayuses Round Up

Kress Jones, 15 year old son of Mr. and Mrs. Vernon Jones, Route 1 Plains, was named the best all around senior and Jimmy Gray, 10 year old son of Mr. and Mrs. Bill Gray of Plains was the best all around junior in the 1962 Kids and Kayuses 4-H Round Up held Friday and Saturday nights in the Plains Roping Arena. There was a total of 274 paid admissions during the two performances and the Yaokum County 4-H Council was well pleased with the gate receipts and the profits from the concession stand. A total of \$88.86 was realized after all expenses were deducted. The money was used to help meet the \$200.00 quota for the State 4-H Recognition Committee.

The time shown in each event is the total time for two performances:

Junior boys flag race: 1 Morris Jay Rushing, 39.4; 2 Corky Coke, 47.6; 3 Wayne Box, 52.4; 4 Billy Charles Spencer, 54.4; 5 Jimmy Gray, 56.5

Senior Boys flag race: 1 Kenneth McGinty, 31.4; 2 Kress Jones, 33.7; 3 David Box, 37.7; 4 Pharon Pharr, 39.8; 5 Oscar Henard, 45.3.

Junior girls barrel race: 1

Peggy Jo Rushing, 50.5; 2 Ann Kerrick, 50.5 3 Dianne Fitzgerald, 56.0; 4 Sue Spencer, 89.1. Tie breaking run: Peggy Jo Rushing, 21.9; Ann Kerrick, 22.1.

Senior girls barrel race: 1 Sylvia McGinty, 39.2; 2 Marsha White, 40.0.

Junior Key hole race: 1 Jimmy Gray, 29.1; 2 Gary Randall, 30.4; 3 David Coke, 38.2; 4 Morris Jay Rushing, 38.8; 5 Wayne Box, 40.7.

Senior key hole race: 1 Kress Jones, 27.7; 2 Pharon Pharr, 29.8; 3 Sylvia McGinty, 30.4; 4 Spud Jones, 31.0; 5 Weymon Boyd, 31.5.

Goat Sacking: 1 Billy Taylor and Jimmy Taylor, Friday night; 1 John Lowe and Mike Duke, Saturday night.

Junior pole bending: 1 Jimmy Gray, 58.0; 2 Gary Randall, 60.2; 3 Billy Charles Spencer, 67.8; 4 Dianne Fitzgerald, 71.0; 5 Wayne Box 74.7.

Senior pole bending: 1 Oscar Henard, 55.6; 2 Kress Jones, 56.4; 3 Kenneth McGinty, 57.1; Sylvia McGinty, 60.2; 5 Robert Jones, 64.4.

Junior ring spearing: 1 Billy Charles Spencer, 44.9; 2 Wayne Box, 63.5; 3 Jimmy Gray, 71.6;

4 Corky Coke, 72.3; 5 Dianne Fitzgerald, 73.5.

Senior ring spearing: 1 Robert Jones, 36.6; 2 Oscar Henard, 40.7; 3 Kenneth McGinty, 43.2; 4 Spud Jones, 49.6; 5 Pharon Pharr, 50.3.

Ribbon Roping: 1 Kress Jones and Ann Kerrick, 88.3; 2 Kenneth McGinty, and D'Lois McGinty, 93.9; 3 Oscar Henard and Sylvia McGinty (one calf), 20.7; 4 Pharon Pharr and Dianne Marchman (one calf) 40.0.

Senior all around: Kress Jones, 13 points; Kenneth McGinty, runner-up, 11.

Junior all around: Jimmy Gray, 14 points; Billy Charles Spencer, runner-up, 10.

The Yaokum County 4-H Council wishes to thank the many adult leaders who helped to make the round up a success and a special thanks to the L. O. Heald family for the use of the concession stand and to Mr. Charles Williams for the use of the nine goats.

Legion Meeting Set

V. F. Taylor, Department Commander of The American Legion of Texas, will make his first trip to West Texas since his election on July 29 at which time he will visit Earl S. Bailey Post No. 430 here on Saturday, August 25.

Commander Taylor is a prominent Austin Attorney, having served in the Air Corps for five years during World War II. He is now an active Reservist USAF (SAC). He has been very active in Legion affairs since he first joined the Smithville American Legion Post in 1946.

The Commander will attend a Post Officers Conference at the Post Home with 16th District Commander James Lamothe presiding, beginning at 5:00 p.m.

During the conference Commander Taylor will install officers of the Earl S. Bailey and Molly Graham Posts. Neighboring Posts are also invited to have their officers installed at that time if they so desire.

The Odessa Post is expecting several hundred Legionnaires for the conference and installation services.

KRESS JONES AND JIMMY GRAY were winners in the edition of "Kids and Kyuses" Rodeo held here last weekend.

30 Deaths Expected Over Labor Day

AUSTIN -- Colonel Homer Garrison Jr., Director of the Texas Department of Public Safety, today announced the official estimate that 30 persons will be killed in some 3,000 traffic crashes during the upcoming 72 - hour Labor Day weekend.

Commenting on Labor Day travel, Garrison said: "Many Texas families will take advantage of this last long summer weekend to take trips prior to the opening of school. As a result, traffic will be heavy and the possibilities of traffic crashes will be increased.

"Because this holiday is so much a family affair, more people will be occupying cars. Thus any traffic accident might result in several casualties. This has been evidenced several times on Texas highways in recent weeks. During one seven - day period in August, three crashes claimed the lives of 20 persons."

Saturday, September 1 through 11:59 P.M. Monday, September 3.

During this period, the Department will tabulate all traffic deaths in the State and will issue daily bulletins at 10:00 a.m., 3:00 p.m., and 8:30 p.m.

In an all - out effort to insure driver compliance with traffic regulations and to hold traffic crashes to a minimum, the DPS has made plans to augment its regular Highway Patrol force with some 150 uniformed officers from its other services during this three - day period.

"But the solution to the traffic problem in Texas is in the hands that hold the steering wheels," Garrison said. "Drivers should remind themselves during the Labor Day weekend, and everytime they drive, that the operation of a motor vehicle is a full - time job. At no other time are your loved ones more dependent upon you."

IT'S AMAZING!

PIECES OF LIGHTNING! PETRIFIED LIGHTNING FLASHES ARE FORMED IN LOOSE SAND WHERE THE DISCHARGES PENETRATE, FUSING THE SAND INTO GLASS TUBES!

DURING THE MIDDLE AGES IN PERSIA, WHEN A MAN WAS INTRODUCED TO A LADY, HE ALWAYS KISSED HER SHOES!!! THIS CURIOUS CUSTOM IS STILL PRACTISED IN SOME PARTS OF THAT COUNTRY TODAY!!!

THE ANCIENT ASSYRIANS DIED THEIR BEARDS REGULARLY TO MATCH THE COLORS OF THEIR MANY COSTUMES!

A FIJI ISLAND MARRIAGE CEREMONY IS OF ENGAGING SIMPLICITY... THE NATIVE PRIEST MERELY CRACKS A LOAF OF BLESSED BREAD OVER THE HEADS OF THE KNEELING COUPLE AND... PRESTO... THEY ARE MAN AND WIFE!!

AN EGYPTIAN CAMEL. A GOOD MILK-PRODUCER WAS INSURED FOR \$1000 AGAINST THE POSSIBILITY OF GOING DRY! A WEALTHY EGYPTIAN WAS THE OWNER.

QUALITY YOU CAN MEASURE BY YOUR CAR'S PERFORMANCE.

Yoakum Oil News

R. H. Fulton of Lubbock has completed No. 8 Dennison in Southeast Yoakum County's West (San Andres) field.

Its daily pumping potential is 103 barrels of 32-gravity oil, plus 20 per cent water, from perforations 5,198 - 5,260 feet, which had been fractured with 10,000 gallons. Gas - oil ratio was 610-1.

The 4 1/2-inch casing is set at 5,285 feet, the total depth. Site is 660 feet from the north and 2,650 feet from west lines of section 607, block D, J. H. Gibson survey.

Pan American Petroleum Corporation has completed No. 13 Ed Hovencamp as a south offset to the two - well Southeast Wasson (Wichita - Albany) field of Yoakum County.

It flowed 171 barrels of 30.2-gravity oil, plus 17 per cent water, daily from a 20/64-inch choke and perforations at 7,876-94 feet, which had been acidized with 2,000 gallons. Gas-oil ratio was 380-1.

Seven - inch casing is set at 7,997 feet, the total depth.

The well is three miles east of Denver City and 467 feet from west and 1,900 feet from south lines of section 890, block D, J. H. Gibson survey.

Texaco Inc. has re-entered No. 1-E Jones and completed it in the Brown (Wichita Albany) field of Gaines County, approximately eight miles southwest of Denver City.

It flowed 247 barrels of 38.4 gravity oil through a 15/64-inch choke and perforations at 8,078-80 feet and 8,083-90 feet in 24 hours. Gas-oil ratio was 201-1. Tubing pressure was 75 pounds.

The well is 660 feet from north and 1,999 feet from west lines of Section 2, block A-8 PSL survey.

Lario Oil and Gas Company of Midland has announced plans to drill a 5,400-foot San Andres wild cat, No 1 Mahoney, three miles south of Plains in Yoakum County.

The explorer is three miles east of the Brahoney field and 660 feet from south and west lines of section 509, block D, J. H. Gibson survey.

Garrison noted that during the past eight weeks traffic deaths have increased from four per cent below to two per cent above the toll for the corresponding period of last year.

"But the most alarming thing is that the number of fatal traffic accidents is now running four per cent above last year's figure," he said. "Experience has shown that in nearly every fatal accident a violation of traffic law has been a major causative factor."

In an effort to focus public attention on the hazards of holiday travel and to compile additional data which will be helpful in improving the State's traffic management program, the Department of Public Safety will conduct "Operation Motorcide" from 12:01 A. M.

STRENGTH FOR THESE DAYS

from The Bible

Be of good cheer: rise. —(Mark 10:49).

As we pray for comfort, we are no longer sad or lonely, no longer depressed by conditions or circumstances. We are comforted by the realization that each experience can be made into an opportunity for us to grow in understanding.

David Fasken of Midland is drilling below 9,245 feet on a 13,000 - foot Devonian contract in his Gaines County wildcat No. 2-D Jones Estate.

The venture is 10 miles south of Denver City, six miles southwest of the ODCC (Devonian field and 660 feet from north and 330 feet block G, CCSD & RGNG, survey.

Fasken also is drilling below 274 feet in red beds in No. 1-XXX-D Jones Estate, Gaines County relief project.

Contracted to drill to 3,500 feet to relieve; No. 1-D Jones Estate, it also is 10 miles south of Denver City and 766 feet from north and west lines of section 376, block G, CCSD & RGNG survey.
