OUR 33rd YEAR

NUMBER 46

## MOORE or Less

by Johnnie Moore

### WHO IS THIS MAN?

At the age of 43 years, he was sworn in as the Chief Executive of his nation.

Standing by at his inauguration was his predecessor in the office of chief executive, a highly respected former general of the army, whose name had become quite well known when the armies of Germany had been defeated.

Following the inauguration ceremonies, the new chief executive gave a party which lasted until 3 a. m.

In the next few months, certain things began to mark the new chief executive as being somewhat different than his predecessor in office, the general. He began trying to circumvent the constitutional form of government of his nation by giving executive orders and in so doing sought to rule the nation through his office rather than through the chosen representatives of the people.

Before his first term in office was half expired, his administration began condoning the actions, no matter what they were, of a certain minority in the nation, for he owed his job as chief executive to that minority. Mob demonstrations, and some street fights even broke out at the hands of that minority.

The courts of the land began to rule almost entirely in favor of that minority, until in time, the situation had come to the point that the minority had more rights than did the majority of the people.

In addition to this he got direct communication established between his nation and the Soviet Reds, and entered into a non-aggression pact with them also.

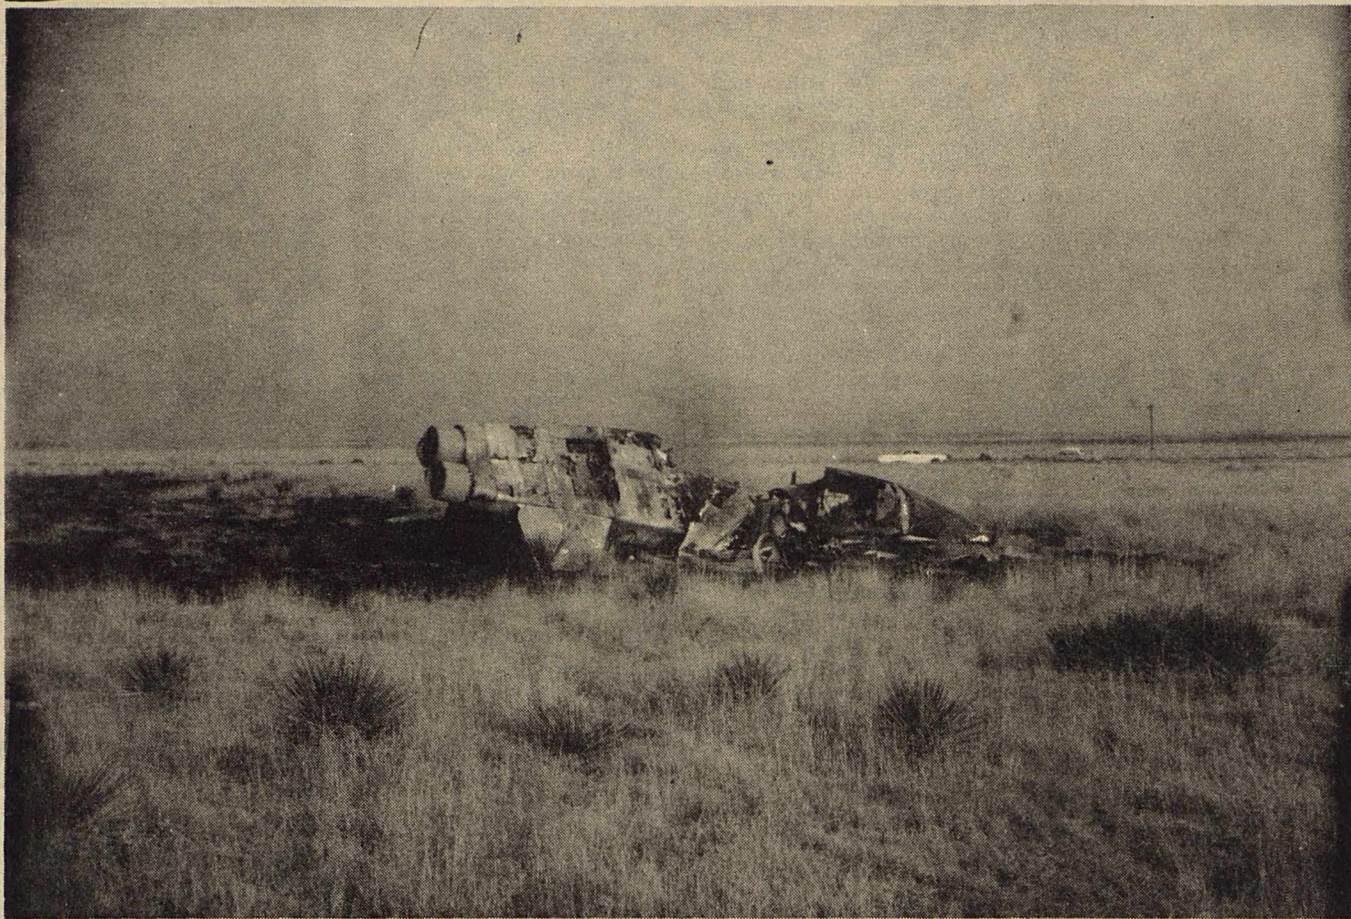

Who is this man? We have no editorial comment to give as we feel you, the reader, is certainly intelligent enough to draw your own conclusions.

The Chief Executive was Adolph Hitler.

The General was Von Hindenburg.

The year was 1932.

Do you see any parallels?

**PLANE CRASH**---Near here late last (Wednesday) night left the wreckage shown above in a pasture about 10 miles south of Plains just off the highway to Bronco. It is reported that the pilot, as yet unnamed, baled out of the plane just west of Tokio and walked to the Tokio Gin from where he informed his superiors of the loss of the plane, which became an object of search by the authorities of Reese Air Force Base, Lubbock, the home base of the jet trainer. It has been estimated that the crash occurred about 11 to 11:30 p. m. Wednesday, but the wreckage wasn't found until just after daylight on Thursday morning, according to reports. According to the indications at the scene of the crash the plane crashed in a pasture then skidded across a road, tearing down both fences and came to rest about one-half mile from where it originally had crashed. Evidently, the plane didn't burn immediately, in fact, eyewitnesses stated that it exploded about 8:30 Thursday morning, Plains Fire Dept. was on the scene keeping the possible grass fire from becoming a reality.

## HOW WE VOTED LAST SATURDAY

Voting Prec.	1	2	3	4	5	6	7	8	9	A	Total
<b>AMENDMENT #1</b>											
For	3	6	18	5	7	5	31	15	31	2	117

Against Letting Animals Run At Large	19	12	42	24	13	14	72	25	47	4	272

## Election Results

In something of a surprise turnout, Texas voters went to the polls on Saturday to decide the fate of four proposed constitutional amendments, and in a few areas, to elect some legislators. Yoakum residents had, in addition to voting on the amendments to decide on the passage of a complete range law for the major part of the county.

The range law, which prohibits allowing domestic animals of about any shape, size, or description to run at large in the county, passed easily as 272 voters endorsed the law while only 68 voted against it.

Biggest surprise to most observers was the overwhelming manner in which Texas voters smashed a proposal to scrap the poll tax as a prerequisite to voting in Texas.

Texas Election Bureau had a total of 541,287 votes cast in the balloting, while an estimate of the turnout had been predicted as being about 350,000. About 43.90 percent of the eligible voters in the State turned out, which was far more than expected.

Yoakum County Tax Assessor-collector, E. W. Craig, outlined the fact that voters will definitely have to buy a poll tax receipt to be eligible to vote in the 1964 elections.

Three other amendments were on the ballot. One, to increase the capital in the veterans land fund was defeated, as was a local pension issue in Jefferson County. An amendment to increase the State ceiling of welfare payments passed.

Exact tabulations of the Yoakum County voting can be found below.

## Wink Overpowers The Cowboys

The Plains Cowboys were handed their second conference defeat last Friday night, when they travelled to do battle with the Wildcats of Wink.

Wink was able to draw first blood in the contest and score six points in the first quarter of play.

The Cowboys, however, bounced right back on a six point tally at the hands of Joe Dan Cooke, and kick for the extra point by Jack Lowe was good, making the score 7-6 in favor of the Cowboys. The first half ended with the game score at just that same point.

The second half of play, however, belonged entirely to the Wildcats. They scored in each of the last two quarters, and the final score wound up at 7 for Plains and 24 for the Wildcats.

The Cowboys were unable even to make a first down in the second half of the game, as the great amount of weight they were giving away on the line began to wear them down. Three fumbles and one intercepted pass were also very costly to the Cowboys.

This week, in the final game of the season, the Cowboys are to meet the Sundown Roughnecks. This will be the last meeting of the two teams as district competitors, as the Roughnecks will be put into Class B for next year.

Fans can certainly expect a real fine game on Friday night, as Sundown and Plains are always up for one another.

At stake for the Cowboys, is undisputed third place in District 5-A.

## Upton's To Celebrate 50th Anniversary

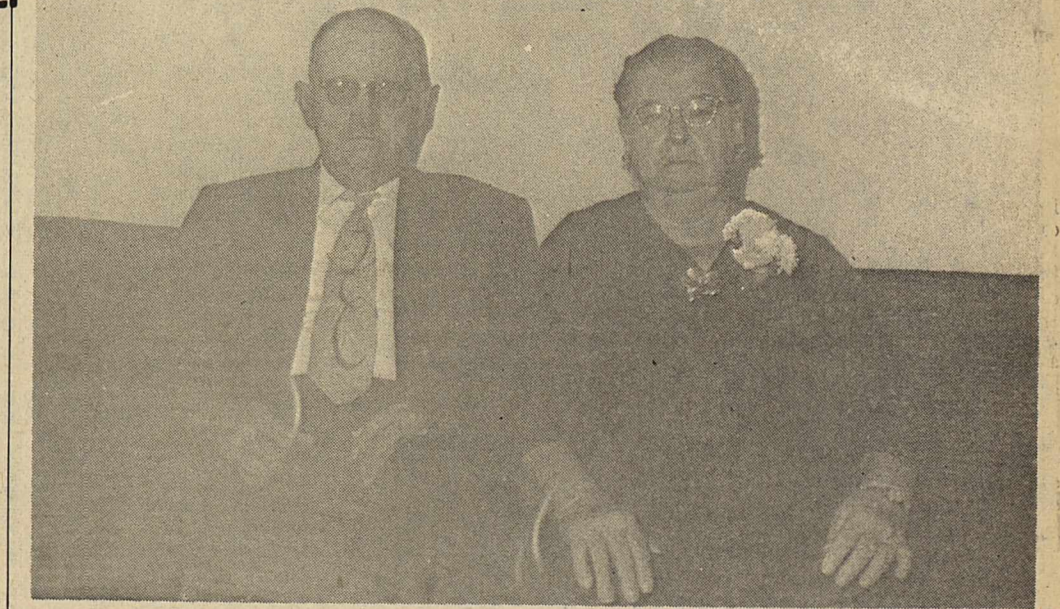

Mr. and Mrs. W. F. Upton will be honored with a reception from 2 to 6 p. m. at their home in Plains at 8th and Avenue H November 17. The open house will be in honor of their Golden Anniversary.

Hosts for the open house will be their daughters and sons and their families, Mr. and Mrs. Alfred Schrader, of Amherst, Mr. and Mrs. Ray Hughtett of Brownfield, and Mr. and Mrs. John C. Upton, of Seminole, and Mr. and Mrs. Charles Upton, of Tokio.

The serving table will be covered with an lace cloth over gold, and centered with an arrangement of white mums with gold roses, blanketed by gold candles.

The former Miss Mabel Elizabeth Worsham and Frank Upton were married November 16, 1913 at Hatfield, Arkansas, in Polk County, and moved to Yoakum County in 1925. They resided at Tokio 38 years before moving to Plains in July of this year. Frank Upton is engaged in farming in the Tokio community, and is the Star Route Mail Carrier to the Tokio community.

Gifts for the couple are on display in Plains at Moore-Oden and Cogburn-Young Hardware. Also in Brownfield at both Collins and Copeland Hardware.

MR. AND MRS. FRANK UPTON

## Scout Fund Drive Now Underway

The South Plains Council of Boy Scouts of America has kicked off its annual fund drive for this area and the results thus far are reported to be very good.

Local Plains chairman of the drive is Mr. J. D. Brown, Vice-President of Plains State Bank. Brown reported on Tuesday of this week, that already over \$250 had been turned in to him from the local drive, and that several of the workers hadn't yet reported in.

None of the money raised in this drive goes to or is used by the local scouting program but is sent to and used by the Council in its many functions over the area, such as starting new units of Boy Scouts, Cubs and Explorers. Also two area summer camps are kept up by the Council, one at Camp Post, Texas and the other at Camp Tres Ritos, New Mexico. Many other functions, such as paying the wages of the professional scouters in each of the districts, comes directly from this once-a-year fund campaign.

## CHILI SUPPER IS FRIDAY

Boosters of the Plains Cowboy Band have set a chili supper for this Friday night.

The event is set on the night of the last football tilt of the season, when the Plains Cowboys meet the Sundown Roughnecks here.

Chili and trimmings are to be served from 5 to 7 p. m. it was announced, and again after the game is over.

The supper will be served in the Plains School cafeteria and admission prices have been set at \$1 for adults and 50 cents for children under 12 years of age.

Proceeds from the chili supper are earmarked to go into the fund to help with the expenses that will be incurred when the band travels to El Paso to take part in the Sun Bowl festivities this year.

## Notice Of Sale

### LEGAL NOTICE

The City of Plains will receive bids at the City Hall in Plains, Yoakum County, Texas, until 10:00 o'clock A. M. on November 29, 1963, on the sale of one (1) 1962 4-door, V-8, Chevrolet Sedan, equipped with heater and automatic transmission, which is to be sold by said City of Plains.

The City of Plains reserves the right to refuse any or all bids on said automobile.

/s/ Robert Long  
ROBERT LONG  
CITY SECRETARY

## Appoint New DA

Levelland attorney, E. W. Boedeker, has been named to the post of 121st District Attorney, by Gov. John Conally. He is to be sworn into the new office on November 30, it is reported.

Boedeker will fill the unexpired term of Morgan Copeland of Brownfield, who recently resigned the post to take a position with the Gulf Oil Corporation in Midland.

Conally named Boedeker to the post following the recommendation of a meeting of the various attorneys of the district who favored the appointment of Boedeker.

The unexpired term of Copeland will run to January 1, 1965.

Boedeker was County Attorney in Hockley County for three terms. He is a graduate of West Texas State at Canyon and of SMU Law School. He formerly was a school teacher, having taught at Ropesville, Friona and Springlake.

## Grid Contest Winners Told

Winners in this week's grid contest were as follows:

Jack Hayes won first place and \$5 by missing only two of the 20 winners.

Second place was taken by James Nix, who missed three. He qualifies for the \$3 prize.

Third place and \$2 was won by Vennum Fitzgerald, also with three misses.

Second and third places had to be decided by using the tie-breaker score. Nix missed the scores by 10 points and Fitzgerald by 11.

Odds-makers are invited to really get with the contest this week as this is the final go-around in the football contest for the year.

Participation has been extremely good this year and all but one week, at least one of the places and sometimes all three, had to be decided by the tie-breaker.

## WEATHER

Following are the temperature extremes for Plains for the past seven days, according to Mr. Johnny Hague, local weather bureau recorder.

	Max.	Min.
Nov. 6	80	37
Nov. 7	78	41
Nov. 8	67	46
Nov. 9	72	39
Nov. 10	76	36
Nov. 11	78	40
Nov. 12	67	35

Only a trace of moisture was recorded for the above period and only .13 of an inch has been measured for the entire month of November.

## From Crop Control To People Control

Last spring the American wheat farmer thought that he made his point in rejecting federal control. But farmers who fought the battle against further federal management of their farms are discovering that President Kennedy's civil rights bill brings even sharper federal regimentation to the farm.

Instead of crop control, the President is proposing people control.

If the present civil rights bill is passed, the farmer will find a whole new crew of federal agents watching his farm. Each individual farmer will be told whom to fire and hire promote and demote. No farmer will be able to make his own free decisions about which tenants to put on his property and which to put off.

No farmer will be free to decide which man can be trusted with expensive tractors and equipment. He cannot freely choose the men whom he will gather his wheat and dust his cotton. And if he gets fed up with it all, he can't even sell out unless his buyers are acceptable to the federal government.

Instead, in all of these decisions, the farmer will be bound by the whim of a Civil Rights Commission appointed by President Kennedy or by the authority to withhold federal funds granted in the bill. The proposed law directs the Commission to hire as many agents as are necessary to do its work. The agents will have the power to examine any farmer's records and books. It will study all of his transactions and the day-to-day affairs of the farm.

The Commission and its agents (or the President's present committee with the authority granted in Title VI of the Bill) will then say whether it finds "imbalance" as to race, creed, color, or national origin in the conduct of the farmer's business. However, this word "imbalance" is nowhere defined in the President's bill. The definition can be made up by the Commission or Committee as it goes along.

The Commission could decide, for instance, that a farmer has hired too many Protestant Negroes and order him to hire more Catholic Mexicans. It could direct him to evict a Belgian tenant and rent to an Italian. It could require him to demote a Chinese and promote a Japanese.

These examples sound far fetched only to those who have not studied the bill. There is only one limitation to the powers which can be given to the Commission. The President can grant it only "such powers as he deems appropriate."

If the civil rights bill is passed, the farmer has only one hope of escaping federal regimentation. Any farmer is included in the controls if he is a federal contractor, directly or indirectly. He can escape only if he does not receive the benefits of any federal assistance program.

Even so, the federal government has enmeshed itself so deeply in the economy that nearly everyone can be considered a federal contractor under the proposed law. And all federal contractors can have their benefits cut off if they do not accept the verdict of the appointed Civil Rights Commission. In short, any farmer who does not submit can quickly strangle. His crop subsidies could be cut off. Payments from the Federal Land Banks could be stopped and he could be denied help from the Agricultural Marketing Service.

The farmer would be trapped if he depends in any degree on benefits from the Farm Credit Administration, the Commodity Credit Corporation, the Soil Conservation Service, the Federal Crop Insurance Corporation, the Farmers Home Administration, or the Forestry Service.

Worse than all of this, many innocent people would suffer. The farmer's bank must call in his loans or withdraw from the Federal Reserve System. No depositor in any bank where he has a savings account would be protected by the Federal Deposit Insurance Corporation.

The farmer's cooperative would have its low-interest loans recalled by the Banks for Cooperatives. The Rural Electrification Administration would not be allowed to continue to aid his power co-op.

**PLOWIN' Out the CORNERS**  
By Uncle Zeb

The other night my wife was reading from some publication and came across this gem: "I thought I had the world by the tail on a downhill pull, and turned loose to grab the moon, and wound up without anything." So often this very thing happens to us. Just when the goose is hanging high and in modern day English "We have it made," this can really be the dangerous time in our life. In the Bible we find it stated something like the following: "Let him that thinketh he standeth take heed lest he fall."

Along with Harold and Sybil Cobb, we enjoyed the Foliage Tour to Lake Marvin and the Canadian Texas area. It was beautiful, but the folks along the Wheeler, Shamrock and McLean countryside could well do some bragging too. Then, we took a side trip to McClellan Lake and found the foliage there simply gorgeous. There can be no beauty to equal that of Mother Nature at her best.

The squabble over the sale of wheat to Russia will certainly last over into the 1964 elections.

Those who oppose point out that the subsidy alone would be equal to a fifteen dollar tax on each and every Texan. It's a hard one to figure out. There is no doubt but that in filling in their needs we are lending aid and comfort to the success of their Plan. On the other hand, if we don't sell to them, some of our friends will or innocent people will go hungry. We can remember that Russia has never paid us the World War II debts or even returned our merchant ships which we loaned them. Japan sent our scrap iron back in bullets. But, to refuse the selling of food does seem a bit different. We sort of get going in circles when we try to reason the thing out. There are worse things to argue over.

When we were young the days seemed long . . . As we searched for something to get into . . . Now that the days go by with a rush . . . It's the nights that are hard to get through.

How long the days seemed when we were too small to go along with the men folks for the field. The minutes seemed like hours as we would sit by the front gate looking down the road for adventure. Fancy pipe dreams for the future would help some as we would help the sagging front gate to sag further by swinging back and forth for hours. Then, finally we could go to the cotton patch and the hours seemed even longer as we looked at the world from between two cotton rows.

Now it seems that the months go by like days. We hardly get one set of bills paid until another arrives. Even tax-paying

time surely must come twice every year.

Someone has said that "Time and tide waits on no man."

Our regular contributor to this column from Florida, sends in a collection of thoughts on the subject of Time. Some are old and others new but all show that down through the ages time passes too swiftly for all men. He quoted from the past.

"Man that is born of woman is of few days and full of trouble." Job 14-1.

"Tomorrow's sun on thee may never rise." Hm. Cargreve.

"Boast not thyself of tomorrow." Proverbs 27-1.

"Time is fleeting." Henry W. Longfellow.

"Life is short and uncertain. Let us spend it well." Johnson.

"Like ocean waves that roll toward pebbled shores, so our minutes hasten to their ends." Shakespeare.

NEW 64-page book compiled from the column "PLOWIN' Out the CORNERS" over the years were released Feb. 1. This is the second book written by Uncle Zeb. Send one dollar for one copy or three copies to one address for \$2.23 to Carl C. Wood, Box 325, Claude, Texas. . . Autographed if requested. His first book "Along the Trails in Red River" will be in the budget—is earmarked.

It is said that Ladies Sewing Circles darn more husbands than socks.

## Sisco-McCrary Vows Repeated

Mr. and Mrs. Willie Sisco with to announce the marriage of their daughter, Reba, to Mr. Floyd D. McCrary Jr. of Morton.

The ceremony was read by the Reverend J. L. Bozeman, minister of First Baptist, Plains in the home of the bride's parents on November 9, at 7 p. m.

The bride wore a white brocade suit with white accessories, and carried a bouquet of white and turquoise carnations on a white Bible.

Ronnie Hendricks spent the weekend here visiting his parents, Mr. and Mrs. K. O. Hendricks.

## 100F And The Initiatory Degree

In this Degree, man states that he believes in the existence of God as the Supreme Being and the creator of all things, so that we have no atheism in our order. A Rose is as a Mans Life, you can go in to your yard watch the rose bush, as its buds burst forth in beauty and its leaves spread to the morning sun.

You can return and its loveliness is gone, its leaves are on the ground, yet spring comes, Sunshine plays among the branches and they bud forth again. In place of death there is life.

So it is with Man; you have seen him in the pride of life, and death came and he was layed beneath the sod, yet he is sure to rise again to meet his Maker, and as his Soul is when he goes to the Grave.

So shall it be when he meets his maker. "Prepair to meet thy Maker for the Day will come when you will have to face him."

In darkness man gropes his way through this life until he is brought to light and liberty. A writer in the Bible made this

statement, "I was Young, now I am Old, yet have I not the righteous forsaken nor sent his seed begging bread." It has been said by some that we place the Lodge before the Church. This is not true and I will deal with this in general at another time.

In the lodge room we meet for mutual counsel, to visit the sick, relieve the distressed, to bury the dead, and educate the orphans is our motto. On universal fraternities is the corner stone of Odd Fellowship we believe that man can fraternize, the world and on this basis, the superstructure has rested, and is unmoveable until time shall end. Learn now and for ever that unless you are grateful to your Creator, faithful to your Country, and fraternal to your fellow man, you cannot become an Odd Fellow in spirit and truth. I will deal with the teaching of the first degree in the next issue.

W. F. Upton, P. D. D. G. M.

## DRESS SHOP CHANGES

It was announced earlier this week that one Plains business firm had been sold and will be operated now under a different name.

Mrs. Dortha Gray revealed this week that she had sold her ladies ready-to-wear shop, Dortha's, to Mrs. Ira (Marie) Tidwell, effective immediately.

New name of the shop is to be "Marie's Fashion & Fabric Shop."

Mrs. Tidwell stated that she is taking over the lines of clothing presently handles by Dortha's and that to them she is adding a large stock of fabrics and materials.

DENTON, November 15-- Mrs. Alva B. Copeland of Plains is one of 22 members initiated into Psi Chi, national psychology honor society, at North Texas State University.

A graduate education major, Mrs. Copeland is the daughter of Mrs. Lula Pearl Beach of Plains.

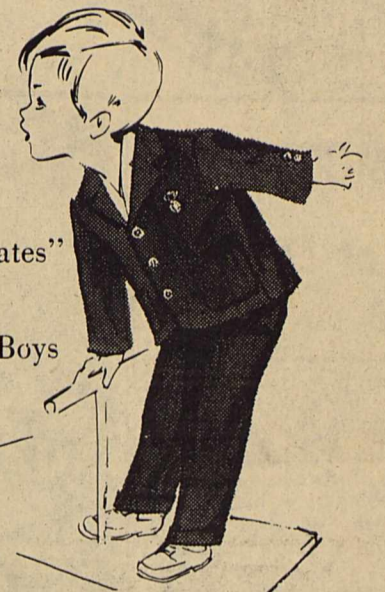

(FROM PAGE 1)

To protect his neighbors, the farmer must either submit to federal regulation or give up the services which are necessary to survival.

All of this federal regulation

is contained in President Kennedy's civil rights bill. That is why many farmers have come to the conclusion that the bill is only 10 per cent civil rights and 90 per cent expansion of federal power.

## ENMU HOLDS CONTEST

Thirty-nine junior high and high school girls from nine area towns were entered in a twirling contest which was conducted Saturday, Nov. 9, as part of the Homecoming activities at Eastern New Mexico University.

The contest was conducted from 7:45 to 10 a. m. and from 11:30 a. m. to 12:30 p. m. in Music Building 111. Trophies were awarded for the first, second, and third place winners. The Homecoming Queen made the presentations during half-time of the Homecoming football game.

Entrants from Plains were Ann Lattimore, Tonya Randolph, Betty Hamm, and Jana Warren.

## Bowling Results

Moore & Oden sponsored womens' bowling team from Plains bowled against McAdoo Chevrolet of Seagraves in this week's competition.

Plains women won three and lost one in the contest. High bowler from Plains for the night was Sue Randall with a total of 419 pins for three games.

This victory still leaves the Plains team in 7th place in the twelve team league.

MISS JANITH TUCKER

## Tell Tucker Wedding Plans

The engagement and approaching marriage of Miss Janith Tucker of Route One Plains, has been announced by her parents, Mr. and Mrs. Cecil Tucker.

Miss Tucker is to wed Mr. James Roy Moore, the son of Mr. and Mrs. Buri Moore, of Draw, Texas.

The wedding is to take place on December 22, at 5 p.m. in First Methodist Church of Plains, with the Reverend R. H. Meixner, Minister of

First Methodist Church, Vega, performing the service. It has been announced that all Janith's friends are most cordially invited to attend.

**C. W. F. MEETING**  
Christian Women's Fellowship of First Christian Church met Tuesday morning at 9:30 in the home of Mrs. Ruth O'Neal with six members present.

A very interesting program on "The Church in the Changing World," was brought by Mrs. Kay Green. Mrs. Lois McGinty gave the devotional. The hostess served cake and coffee to those present.

###

### BEST POLICY

"People are so dishonest. You can't trust anyone." We hear this every day, but I have proof there are honest people around.

Thursday, after second grade conference, I took my child home, forgetting the bicycle he had ridden to school that morning.

It was forgotten until time for school on Friday when the bike couldn't be found. Remembering where it had been left, I took my second grader to school telling him most probably the bike was gone.

There stood the bike, however, in the exact place it had been parked on the previous morning, apparently untouched.

We were certainly impressed and pleased by this experience.

THE PARENTS AND A HAPPY CHILD.

###

Dick McGinty went to Canyon over the weekend to visit Kenneth. They both attended the ball game Saturday between W T and ENMU.

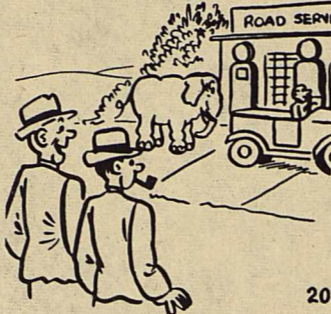

###

Members of First Christian Church here are having a Thanksgiving Fellowship on Wednesday night, November 20, at 7:30 in the clubroom.

There will be dominoes, 42, and other table games. Also, light refreshments will be served.

## Young Farmers Elect Officers

Yoakum County Chapter of Young Farmers met in its regular monthly meeting on Monday night.

Election of officers and scheduling of programs for the

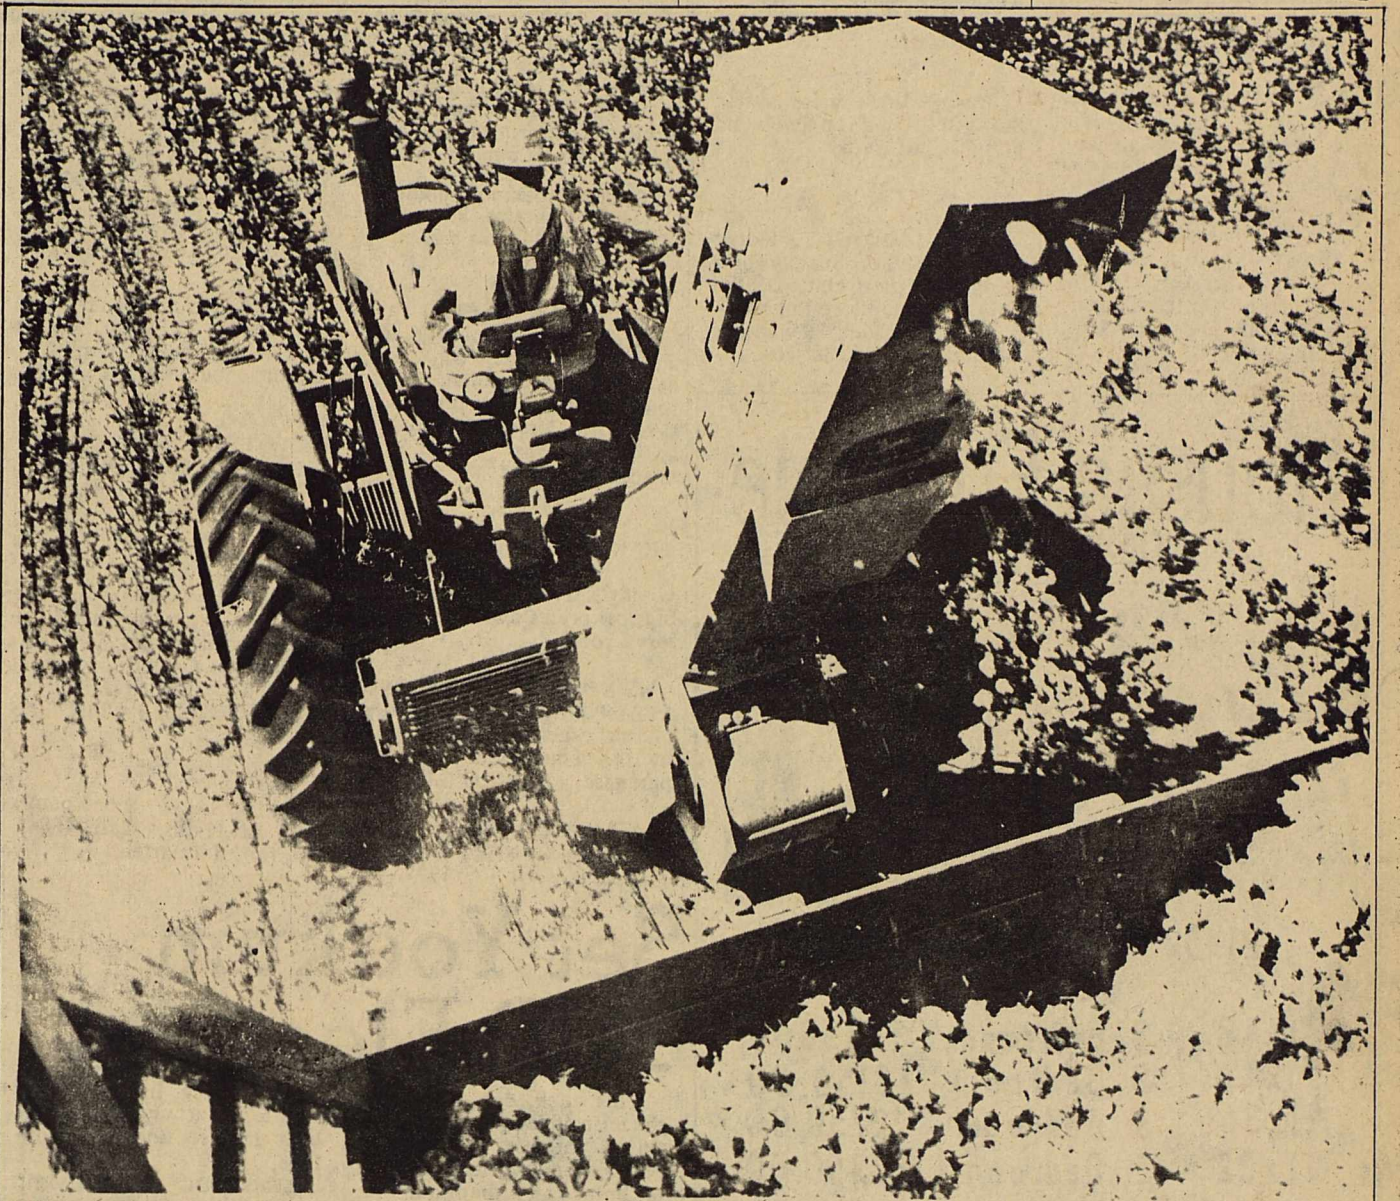

coming year was the business of the evening.

Newly elected officers are as follows:  
Milton Capps, President;  
Jim Barron, Vice-President;

Alfred Pippin, Secretary-Treasurer; Roy McGeehee, Program Chairman; Bob Rucker, Reporter; and Charles Roseberry, Membership Chairman.

Activities and programs for the coming year include field trips, guest speakers and socials. It is thought that there will be something of interest to all farmers in this area each month.

Regular meetings are held in the Ag classroom of Plains school on the second Monday of each month.

## TECH TRAVELS

Texas Tech, already assured of equaling its best record in eight years, seeks to go over the .500 mark by downing Texas Western in El Paso, Saturday night.

El Paso hasn't been the easiest place for Tech teams to win. Texas Tech holds a slight edge, 4, 3, 1, over Miner elevens in the Border City, but has lost four while winning only one Sun Bowl contest there.

Records fell in all directions as Texas Tech trounced Kansas State 51-13 here last Saturday to send its season mark to 4-4. The best mark a Tech team has compiled since 1955 was 4-6 in 1959 and 1961.

H. L. Daniels' field goal, his eighth of the season, gave him undisputed possession of the Southwest Conference one-season mark and increased the mark to 14. Also, eight is the most any SWC school is credited with.

# Count Tsa Mo Ga Success

Annual bazaar of the Tsa Mo Ga Study Club, held on Monday evening, November 11, from 7 to 10 p. m. in the clubhouse, was reported as very successful by the hostesses, members of the social and finance committees.

It was reported that a large crowd was in attendance all evening.

The theme for the evening was Spanish-America Fiesta and many of the club members wore appropriate costumes. There was quite a variety of beautiful and attractive

handmade gifts, as well as homemade foods for sale.

The high point of interest for the evening was the drawing at 9 p. m. for the treasure chest which was won by Mrs. Gene Payne.

Next regular club meeting is scheduled for November 25, in the clubroom with Mrs. P. W. St. Romain in charge of the program, "Texas Heritage."

Members will answer roll call with "Why Texas is Dear To Me." Hostesses will be Mrs. Dick Hamm and Mrs. J. D. Brown.

Mrs. Sallie Hague was in Brownfield and Lubbock on business last week.

Mr. and Mrs. G. T. Blount went to Haskell Sunday for a reunion of her relatives, the children of the late Sid Medford. They had 30 present for the dinner in the park.

Mr. and Mrs. Alford Dennis went to Big Spring over the weekend to help his mother celebrate her 90th birthday.

Mr. and Mrs. Larry Sheryll and daughter visited her parents here Mr. and Mrs. O. C. McCann.

# Set Yoakum SCD Election

This week, conservation in the form of new plans and continued interest in the Great Plains conservation program to help carry them out, has continued at a fast pace.

Robert J. Beasley and his father received assistance in revising their old ranch conservation plan and writing a Great Plains contract to help carry it out. Robert wants to do a lot of brush control and livestock water improvement and fence construction.

Maps were ordered on which to work in writing a conservation contract on a large part of the Randell estate West of Denver City. Lance F. Ellis of Tulsa, Oklahoma, is taking over this part and will do a lot of brush control,

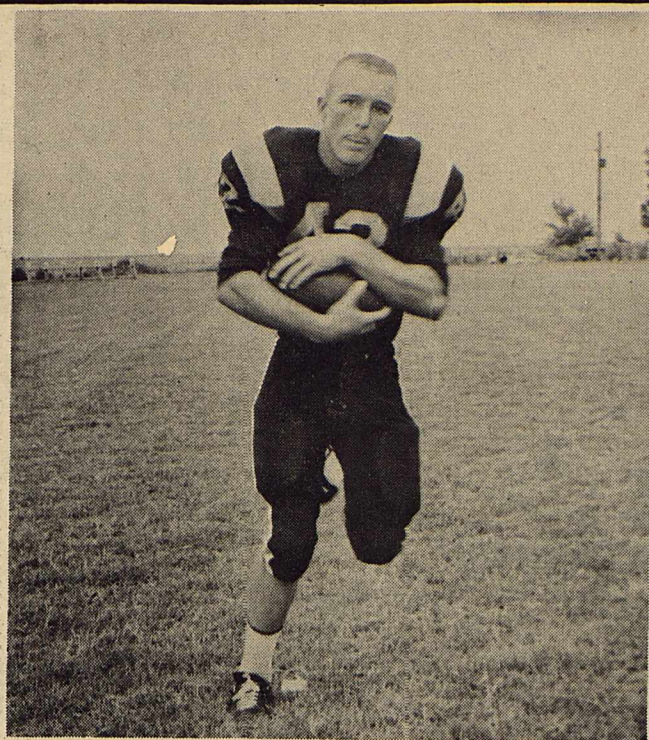

grass planting, irrigation well development and will put about three sections into cropland.

The board of supervisors met Tuesday night and among other items of business, set the date for an election to be held on December 3, 1963, at 7:30 p. m. in the clubroom in Plains to elect a supervisor for subdivision 5 replacing the late Rod Duff.

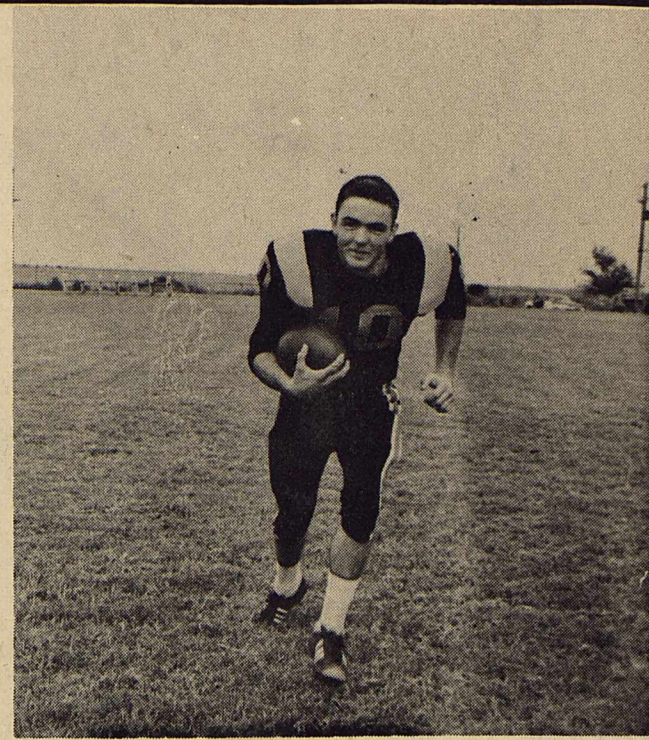

The board also reviewed two applications for assistance under the Great Plains program, Carl Lowrey and A. W. Maxwell. The new conservation plan for Donald Bookout written with Wilson Duke, S. C. S. Technician, helping, was approved.

The board noted the announcement of the Fort Worth press conservation awards program and was proud of the recognition the local district and Plains got by Miss Sharron Pierce winning the essay contest last year.

Some new conservation plans in the making are Sam Oliver, Fred Lowrey, Dick Hamm and J. W. Moore.

# NEW CHEVELLE! BY CHEVROLET

The kind of handling ease you'd expect in a smaller car. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

Only a car that looks as good as this could come between Chevrolet and Chevy II. Come on down and stare at it.

New Chevelle Malibu Sport Coupe

## Now-Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses\*!

And if that makes you think this is one frisky car, you've got the right idea.

You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if

this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!

Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

\*Optional at extra cost

Ask about a SMILE-MILE Ride and the Chevrolet Song Book at your Chevrolet dealer's
