

County Helps Johnson Landslide

96.7% Vote Turnout

In Tuesday's General Election, the top of the Democratic ticket, L. B. Johnson and Hubert H. Humphrey, not only carried the vote by a landslide

in the nation and in Texas, but this also was the case in Yoakum County too. All eight of the county's precincts balloted overwhelmingly

ingly for the election of the Democratic front-runners. In precinct 1, the tally showed 116 for LBJ and 57 for Goldwater.
Precinct 2 - 86 to 46.
Precinct 3 - 110 to 93.
Precinct 4 - 97 to 51.
Precinct 5 - 40 to 10.
Precinct 6 - 75 to 21.

Precinct 7 - 332 to 220.
Precinct 8 - 161 to 82.
Precinct 9 - 347 to 268.
Absentee - 51 to 11.
This gave Goldwater a total of 859 and Johnson a total of 1,415. Lightburn, the Constitutional Party candidate got six votes in the entire county. The only race in which the

county voted opposite to the balloting of the majority of their fellow-Texans was in the contest between Ralph Yarborough and George Bush for the U. S. Senate seat in which Yarborough was the incumbent. Yoakum County supported Bush, giving him 1,219 votes to Yarborough's 1,048.

In the balance of the state and national races, Yoakum voters balloted with the winners in each and every contest. For Congressman-at-large, Pool - 1,611; Hayes - 654. For U. S. Representative, Mahon - 1,718; Phillips - 553. For Governor of Texas, Connally - 1,776; Crichton, 46

One interesting thing happened in a local race. Vernon Townes, unopposed in his bid for re-election as County Attorney, had one vote written in that caused some comment. The name "Ringo" (one of the Beatles from England) was voted in the write-in column in that race.

In the voting in the county in connection with the three proposed constitutional amendments, Yoakum voters gave their approval to all three. Total votes cast in Yoakum County was 2,405 voters out of 2,487 registered for a total percentage of 96.7 percent.

Cowboys Try For District Tie

Meet Wink Here Friday

Lose Sauveaker To Eagles

The Cowboys lost a real heart-breaker last Friday night against the Seagraves Eagles. Final score in the game was 20 for Plains to 28 for the Eagles. The Cowboys received the opening kickoff and seemingly it will march down the field in a sustained drive that was culminated with Joe Dan Cooke driving over from the one yard line for the first Plains TD. An extra point was added when Jack Lowe kicked the extra pt.

are able to win their final tilt in the district competition. Plains will be pitted against Stanton, the district new-comer. Seagraves will play Tahoka and O'Donnell. After Friday, the Wildcats still have to face

O'Donnell. In this Friday night's bout, the Cowboys will have a great big job set out for them, in trying to down the tough Wildcats from Wink. Wink's most impressive victory came three

weeks ago when they, trailing at halftime by 19-0, came up with enough breaks and grit to down Seagraves 20-19. One very interesting aspect of the Wink-Plains hassle will be that Seagraves obviously

will be rooting for the Cowboys as a Plains win is the only chance they have for a district crown, just as it is for Plains. To say the least, it is going to be a mighty interesting game, one which the Cowboys are said to be really getting ready for.

SCORING SUMMARY	
Seagraves	
Touchdowns: Don Rosson (one-yard run), Bo Faulkner 2 (10-yard run, 10-yard run), Dwight Hamilton (19-yard pass from Rosson).	
Extra Point: Rosson 1 (by kicking).	
Field Goal: Rosson 1 (21 yards).	
Plains	
Touchdowns: Jack Lowe (two-yard run); Joe Dan Cooke (one-yard run); Ronnie Elmore (seven-yard run).	
Extra Points: Lowe 2 (by kicking).	

ABOVE is Joe Cooke as he rounded the horn on a really fine 32 yard run which three plays later set up a Plains touchdown in their hassle with the Seagraves Eagles last Friday night here. BELOW is Quarterback Lowe, eluding one tackler and running over for the one yard needed for another Plains touchdown. Score wound up at 20 for Plains and 28 for the Eagles.

Council Scout Drive Slated
D. N. Taylor, Plains High School Principal, has been appointed drive chairman for this year's South Plains Council for the Boy Scouts of America. The fund drive, conducted in each of the many communities of the South Plains area, is designed to support the many services which are provided for the boys through the Council office, including such large items as summer camps and the maintenance of records of each boy who participates in any phase of Scouting. Taylor stated that the kickoff breakfast will be held here next Tuesday morning at 7 a. m. at Alma's Restaurant.

CARD OF THANKS
I would like to take this opportunity to express thanks for the many acts of kindness extended to me during my stay in the hospital and after my return home.
Margaret Powell

1965 Cotton Allotments

Texas farmers have been allotted 6,835,945 acres for 1965 Upland Cotton allotments under the national cotton program. This represents the state's share of the 16,000,000 national allotment and of the 200,000 acre national reserve. Under the Cotton Marketing Quota Law, when the cotton supply exceeds the expected needs by a certain percent, the Secretary is required to call a referendum so that cotton farmers may vote on marketing quotas. He has called for this referendum for the 1965 cotton crop and December 15, 1964 was set as the referendum date. The polling places for Yoakum County farmers will be announced at a later date. Cotton growers voting in the referendum will determine whether marketing quotas will be operated for the 1965 crop. Approval by at least 2/3 of those voting is necessary in order to put the quotas into effect. If marketing quotas are approved, marketing penalties will apply to any excess cotton of growers who exceed their farms effective allotment.

history cannot exceed the farm's history allotment. In other words, farms planting cotton without an allotment will not qualify for an allotment, or exceeding the allotment will not increase the farm's cotton history. The 6,835,945 state allotment compares with 6,802,305 acres of allotment for 1964.

Committee, composed of T. A. Elmore, Ray Bearden and J. B. Ashburn, have one regular meeting date per month. This date is the second Monday night at 8 p. m.; however, due to a two-day, out-of-town meeting on the 9th and 10th of Nov., which the committee has been invited to attend, the Nov. regular meeting will not be held.

COUNTY COMMITTEE MEETING DATE
The Yoakum County ASCS

Award Three Contracts For Co. Park

With some re-figuring, and quite a bit of giving and taking, Yoakum County Commissioners Court Wednesday awarded three contracts for portions of the construction of Yoakum County Park, which is to be a county park and nine-hole golf course located between Plains and Denver City.

official, however. One definite area where the cutting of the original amounts bid is most apparent is in the construction of the two residences that are to be built on the premises. They originally were to be built of masonry (brick and blocks). It now has been decided to buy ready-built houses, and quite a saving is the result.

Last week, commissioners had opened the several bids which were submitted on the five different areas of work to be done, and found that the total of each of the smallest bids in the five categories when combined, totaled a great deal more than the \$235,000 which was originally granted for the project in a county-wide bond election.

Not to be denied though, Plains came charging back and after a fine 65 yard drive, sent Jack Lowe on a keeper through for the TD. A try for two points failed. On the ensuing kickoff, Seagraves ran the ball, stalled for time, and managed to run the clock out, leaving the final score at 20 for the Cowboys and 28 for Seagraves.

Rhodes Pipe Co. was given the go-ahead on the building of the irrigation system for the park and golf course. Their bid was \$35,040.

This Friday night, the Plains Cowboys have the opportunity to bring the lead of district 5-A into a big fat three-way tie, in district play, Wink downed Seagraves. The Eagles in turn edged out Plains. Now, if the Cowboys beat Wink (something we understand that is being planned on) this week, than a three-way tie will be the outcome, and a toss of the coin, a very nervous coin I imagine, will be needed to decide who will represent this district in the play-off competition.

With a bid of \$87,150.78, R. E. Buhman Construction Co. was awarded the contract for the putting up of the buildings and various other facilities that will make up the park and the course.

Not to be denied though, Plains came charging back and after a fine 65 yard drive, sent Jack Lowe on a keeper through for the TD. A try for two points failed. On the ensuing kickoff, Seagraves ran the ball, stalled for time, and managed to run the clock out, leaving the final score at 20 for the Cowboys and 28 for Seagraves.

Thomason Construction Co. was given the contract for the dirt work and paving which is to cost \$71,075.

It is expected that Jim Terry Semmler will be awarded the contract for the construction of the greens and surface preparation of the balance of the course. It was explained that several details yet have to be ironed out with Terry before this is

The state allotments will be apportioned among counties, and the county allotments among farms, according to the provisions of the law. Each county receives its share of the allotment based on the last five years' average history. The forms in the county will receive allotments based on the 1964 history for the farm. The farm's

The Union voted to sponsor a boy to Boys State in unison with American Legion here. The meeting date has been changed to the fourth Monday evening of each month, beginning in January.

Farmers Union News Events

Farmers Union met Nov. 2 in regular session at 7:30 in the Plains club room.

President L. L. Smith said the state convention will be held in Austin, at the Driscoll Hotel, November 11-14. Local delegates to the Austin meeting are Carl Lowrey, E. F. Lowrey, H. W. Taunton and Mrs. L. L. Smith. Mrs. B. F. Lowrey and Mrs. H. W. Taunton are alternates. L. L. Smith will also attend as a board member.

Jim Cooke will be presented an award at the annual insurance banquet November 11 for outstanding membership enrollment. Smith also will receive a membership achievement award.

The Union voted to sponsor a boy to Boys State in unison with American Legion here. The meeting date has been changed to the fourth Monday evening of each month, beginning in January.

All this, of course, is providing the three teams named

Entered as second class matter at the Post Office at Plains, Texas, under the act of Congress, March 3, 1879

SUBSCRIPTION RATES: \$3 per year in Yoakum and Terry Counties; \$4 per year elsewhere.

Everything these days seems to carry a tinge of politics. We heard of a little colored boy who was in the business of peddling little puppies. According to this political story he set up a stand across from the Republican convention in San Francisco. There he did a land office business selling Republican puppies. Later he moved to Atlantic City. During the Democratic Celebration he was taking care of the pockets of poverty by selling Democratic puppies. One of the newsmen accused him of having

Love carries a different meaning depending on our age. At least this is true according to a readily admitted. "But Mister Teddy wrote: "Love is something and got their eyes open." It seems that most every group does. It also makes them sit close together on a bench even though there is plenty of room. It is something that makes two people very quiet when you are around. And when you are gone they talk about things and dreams.

There is a song which goes something like this: "I want somebody exactly like you." According to the scientist there is not another person in the whole wide world exactly like you. Someone has said that if we had one hundred billion brothers or sisters there would never be any two exactly alike. When we hear of identical twins it only means that they are so nearly alike as to fool the human eye. Even in this case the mother or father can tell them apart.

This fact of creation is something to make one marvel. If man had been made by man we would undoubtedly have assembly line production. But to know that in all creation God is the great designer and that He never has to make even two fingerprints the same, this is something that would make us proud and at the same time humble. Proud that our heavenly father took such notice of our being, and humble because we so often fail to honor Him as we should. This should also challenge us to be an individual and to not be an imitator of those about us. God meant for us to be ourselves.

Score Good Farm Practices

The use of water, fertilizer and good farming practices pay off. Carter and Jess Snodgrass farm, along with several other places, the 320 acres owned by Johnnie L. Fitzgerald, south of Plains, and just east of the Denver City highway. This is a new farm, having been in crop only two years.

This year the Snodgrass boys tried a new method of planting. They spaced their rows 27 inches apart and planted the same amount of seed they had in 40 inch rows. The results are, they had little or no farming and weed problems. The narrow rows shaded the soil, reducing soil temperature and cutting down on evaporation.

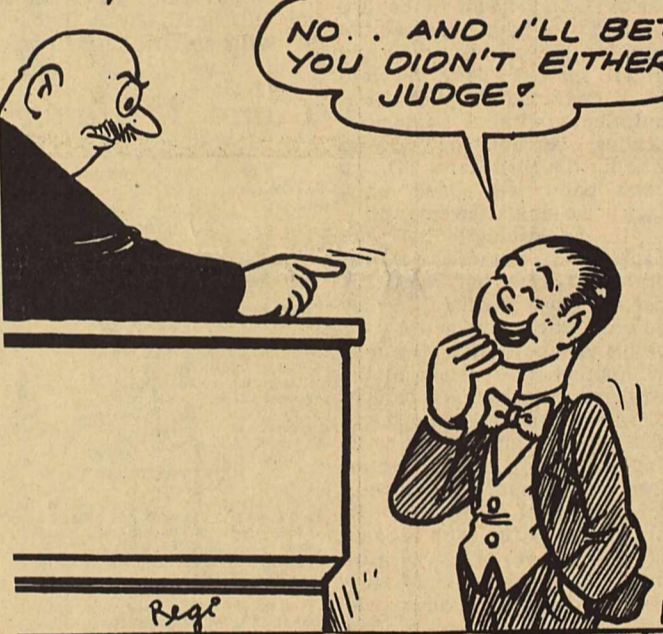

This crop was pre-plant watered and watered twice after planting. It harvested 3500 lbs. per acre of grain and left 5000 lbs. of residue on the land to improve the soil and control wind erosion. Some of this residue will be harvested by cattle grazing but enough, 2, 500 pounds or more per acre, will be left on the land as protection and to add organic matter.

You may think there is nothing new in farming but irrigation water management, row spacing and right kind and amount of fertilizer along with correct seeding rate and variety all have a lot to do with making a crop.

When a good crop is made, we have residue to help build and hold our soil.

Postmaster General Only Ph. D. Ever In Cabinet

Postmaster General John Austin Gronouski, took office September 30, 1963. He is the only known member of a President's cabinet ever to hold an earned Ph. D.

The Nation's top postal executive has gained a reputation as a skilled administrator, educator, and economist. In conducting the farflung operations of the Post Office Department, he runs, in Navy parlance, a tight ship.

The postal budget he submitted to Congress in January of 1964 for fiscal 1965 was \$150 million under the estimate made 4 months earlier. This reduction was achieved without eliminating essential services, and within the framework of safeguarding the livelihood of career employees.

As major projects of his postal administration, Mr. Gronouski has taken action to speed up parcel post deliveries and to cut down delay and damage to the mails.

Under his leadership, strides have been made in implementing President Johnson's program barring discrimination and assuring equal job opportunities for the Department's 590,000 employees.

The productivity of clerical help was boosted 4.3 percent in fiscal 1964 over 1960, producing savings of \$69 million over that period.

The Postmaster General's human touch was characterized in a news story in the Schenectady (New York) Gazette during a visit to that city in May of 1964. The story described him as "the warmest man since Wallace Beery."

Wisconsin Born
Mr. Gronouski was born October 26, 1919, in Dunbar, Wis. He holds three degrees from the University of Wisconsin in the field of economic

ics, with a major in public finance. He was awarded his Bachelor's Degree in 1942; his Master's Degree in 1947 and his Doctorate in 1955.

He entered the Army Air Corps in April of 1942 as a private and later served as a navigator with the rank of First Lieutenant. After 24 combat missions in the European Theatre of Operations, he was discharged in October of 1945.

Educator
Mr. Gronouski taught public finance, money and banking and related subjects at the University of Maine at Orono, Maine, and at Wayne State University, Detroit, Mich., and statistics at Roosevelt College Evening School, Chicago, Ill.

Taxation Commissioner
In February 1959 he became research Director for the Wisconsin Department of Taxation and in the following year was appointed State Commissioner of Taxation by then Governor Gaylord Nelson.

He is a Catholic and is the first American of Polish descent in history to achieve Cabinet ranking.

CHANGE-OF-LIFE... does it fill you with terror ...frighten you?

READ HOW COUNTLESS WOMEN HAVE FOUND
THE WAY TO OVERCOME CHANGE-OF-LIFE FEARS

Have you reached that time of life when your body experiences strange new sensations—when one minute you feel enveloped in hot flushes and the next are clammy, cold, drained of energy, nervous, irritable? Are you in an agony of fear? Too troubled to be a good wife and mother? Don't just suffer from the suffocating hot flashes, the sudden waves of weakness, the nervous tension that all too frequently come with the change when relief can be had.

Find comforting relief the way countless women have, with gentle Lydia E. Pinkham Tablets. Especially developed to help women through this most trying period. In doctor's tests 3 out of 4 women who took them reported welcome effective relief. And all without expensive "shots." Don't brood. Don't worry yourself sick. Get Lydia E. Pinkham Tablets at your druggists. Take them daily just like vitamins.

The gentle medicine with the gentle name LYDIA E. PINKHAM

American Legion Post Plans Fete

It was announced today that the Plains unit of the American Legion will celebrate Veterans' Day next Wednesday, November 11, with a big hamburger supper and forty-two party at the local Legion Hall. The general public is invited to attend the get-together, and veterans and their families are urged to be in attendance.

Young Homemakers Have Beatnik Party

The local club room was the scene of a beatnik party Thursday night as the Young Homemakers and Young Farmers celebrated Halloween. Guests arrived in beatnik attire armed with jazz, folk music and other recordings to complete the mood. Decorations were typically Halloween with a large table of food being the point of interest.

The evening of fun began with the food as guests were seated about on the floor on cushions in real beatnik style. A poem was read by Milton Capps as the beatniks snapped their fingers in approval. Progressive games of 42, dominoes, Wa - Hoo, and Old Maid were played also seated on the floor. Each guest tried to pin the tail on the donkey, much to the enjoyment of the onlookers. The winner was Tommy Barron, who scored a perfect hit.

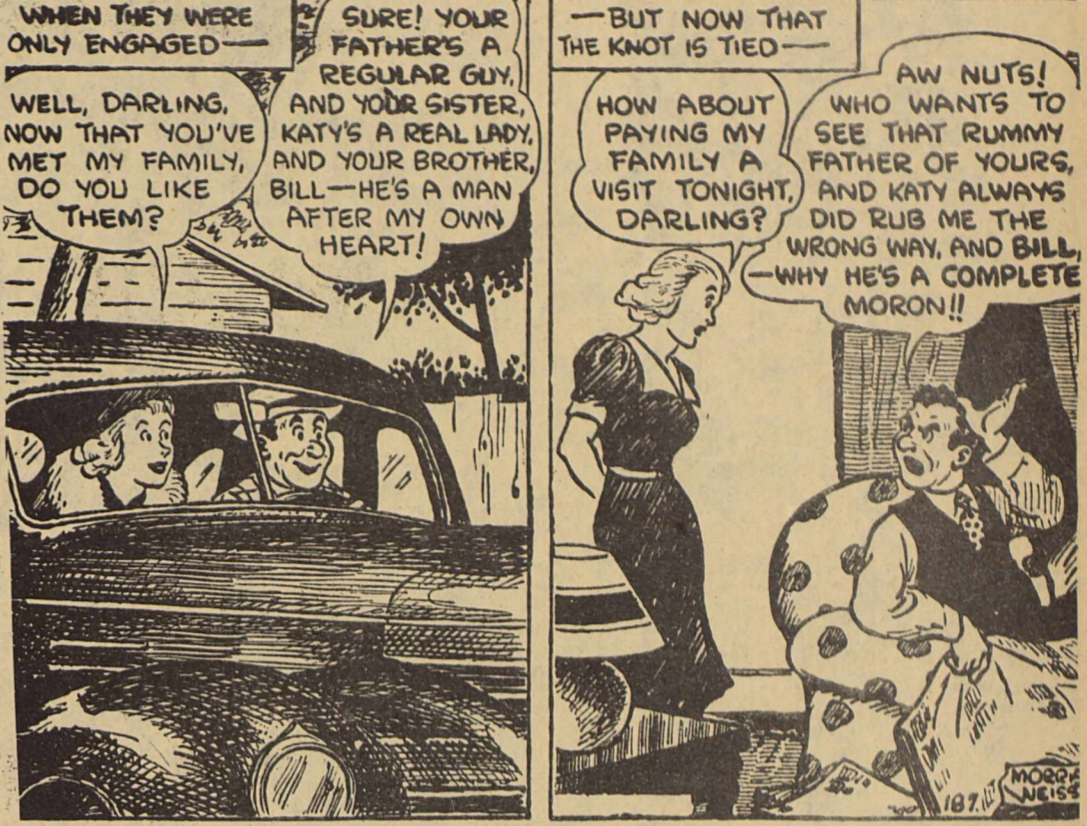

Chosen as best dressed beatniks were Mrs. Jack Palmer and Roy McGehee.

C. B. McCann is in Methodist Hospital with eight broken ribs which he received in an automobile accident.

R. T. Pippin, the father of Mrs. J. B. Ellison is in critical condition in Methodist Hospital from injuries received in a car wreck.

Mr. and Mrs. G. T. Blount spent Sunday with their daughter and family, Mrs. Shirley Curry, in Brownfield.

IT NEVER FAILS

Reveal Local FHA Programs

In September, the FHA program was "What FHA means to Me." It was given by Sarah Hunt and D'Lynn McGinty, past members. Also, during this meeting, new members were recognized. They are:

- 2 Kathy Anderson
- Jan Baggett
- Linda Blair
- Sally Fortenberry
- Neva Gilliam
- Marilyn Goehry
- Melanie Hardin
- Janice Havard
- Beverly Sue Jones
- Sherry Heald
- Sherry Miller
- Shelia Sealy
- Suzahn St. Romain
- Sharon Tarkington
- Juanita Walker
- Sharon Williams.

The October program, "Make-up and Hair Styles" was given by Linda Huddleston with Mrs. John Richey, acting as model. Chosen as girl of the month for September was Sandy Randall. Also elected at this meeting was Chapter Beau, Freddy Carnally and Chapter Parents, Jessie and Viva Hale and Mr. and Mrs. Tom Gray.

The November program was on parliamentary procedure, and was given by the FFA green-

Young Farmers Elect Officers

Yoakum County Young Farmers elected the following officers for the coming year:

President - Roy McGeehee.
Vice-Pres. - Tommy Barron
Secretary - Jerome Head

Reporter(D City) Roy Edwards
Reporter(Plains) Harry Richardson
Treasurer - Tommy Warren
Program Chm-Jim Barron
Program committee members are Charles Roseberry and Earl Kaizer.

Membership committee is Buford Duff and Jack Pamler.

The Young Farmers will meet the second Monday of each month and their next meeting will be November 9, at which J. W. Newsom of Lubbock, will bring a program on First Aid. Newsom conducted a short-course on First Aid here about a year ago.

Official Communique:

FARMERS WINNING BATTLE OF THE BOLL WEEVIL!

BATTLE RECORD TO DATE

SPRAYING	ACRES SPRAYED	COMMENT
Number 1 (Beginning Sept. 15)	303,000 acres (Originally estimated 240,000 acres. Total includes Skip-row)	First application was hampered by rain, wind, etc. Migrating weevils caused increase in size of control zone. Extremely high adult and unemerged weevil populations encountered.
Number 2 (Beginning about October 4)	281,000 acres (Reduction due to acreage desiccated or harvested)	Field checks indicated effective kill of adult weevils but continuing emergence kept new weevil population up. Additional planes brought in to speed up sprayings.
Number 3 (Beginning about October 13)	230,000 acres (Continuing harvest and desiccation)	Field examination showed great reduction in number of adult weevils, with low occurrence of weevils in diapause stage. Also, fewer unemerged weevils.
Number 4 (Beginning about October 21)	190,000 acres	Few unemerged and very young weevils left. Practically no weevils in diapause stage.

CONCLUSION: Remaining unemerged and young adult weevils will be kept from going into hibernation either by frost or a fifth spraying. Entomologists agree that hibernating weevils will have been reduced by more than 90 percent by end of this year's program.

Financial Arrangements

- Compresses to collect 50c per bale, and remit to a special boll weevil control fund in bank — no connection with P.C.G. regular funds.
- While compresses collect on all cotton, the contribution is voluntary for individual farmers who may request and receive refund.
- All funds are under direction of a Certified Public Accountant firm.
- Monthly financial reports by U.S.D.A. and Boll Weevil Steering Committee will be made — Complete audit will be published at the end of season.
- Any unexpended Steering Committee funds will be placed in interest bearing account for continuation of Boll Weevil Program next season. Unexpended U.S.D.A. funds must return to Treasury, as all appropriations are on annual basis only.

WT Exes Set Meet
Ex-Students of West Texas State University living in the South Plains area will hold an informal get-together, Saturday, November 7, prior to the WTSU - Tech football game.

Varios representatives of the University and the Ex-Student Association will be on hand for the affair slated from 3 until 5 p. m. in the Blue Room of the Tech Union.

Approximately 5,000 WT fans from the Amarillo-Canyon area are expected to attend the 7:30 p. m. football game.

Sue, Steve and Sandra Robertson of Lubbock visited with their grandparents over the weekend. They are Mr. and Mrs. Skeet Robertson and Mr. and Mrs. Frank Suddet.

Post Office Is Big Business
The United States Post Office Department has become one of the largest business establishments in the world, conducting the greatest system of communications ever known to mankind.

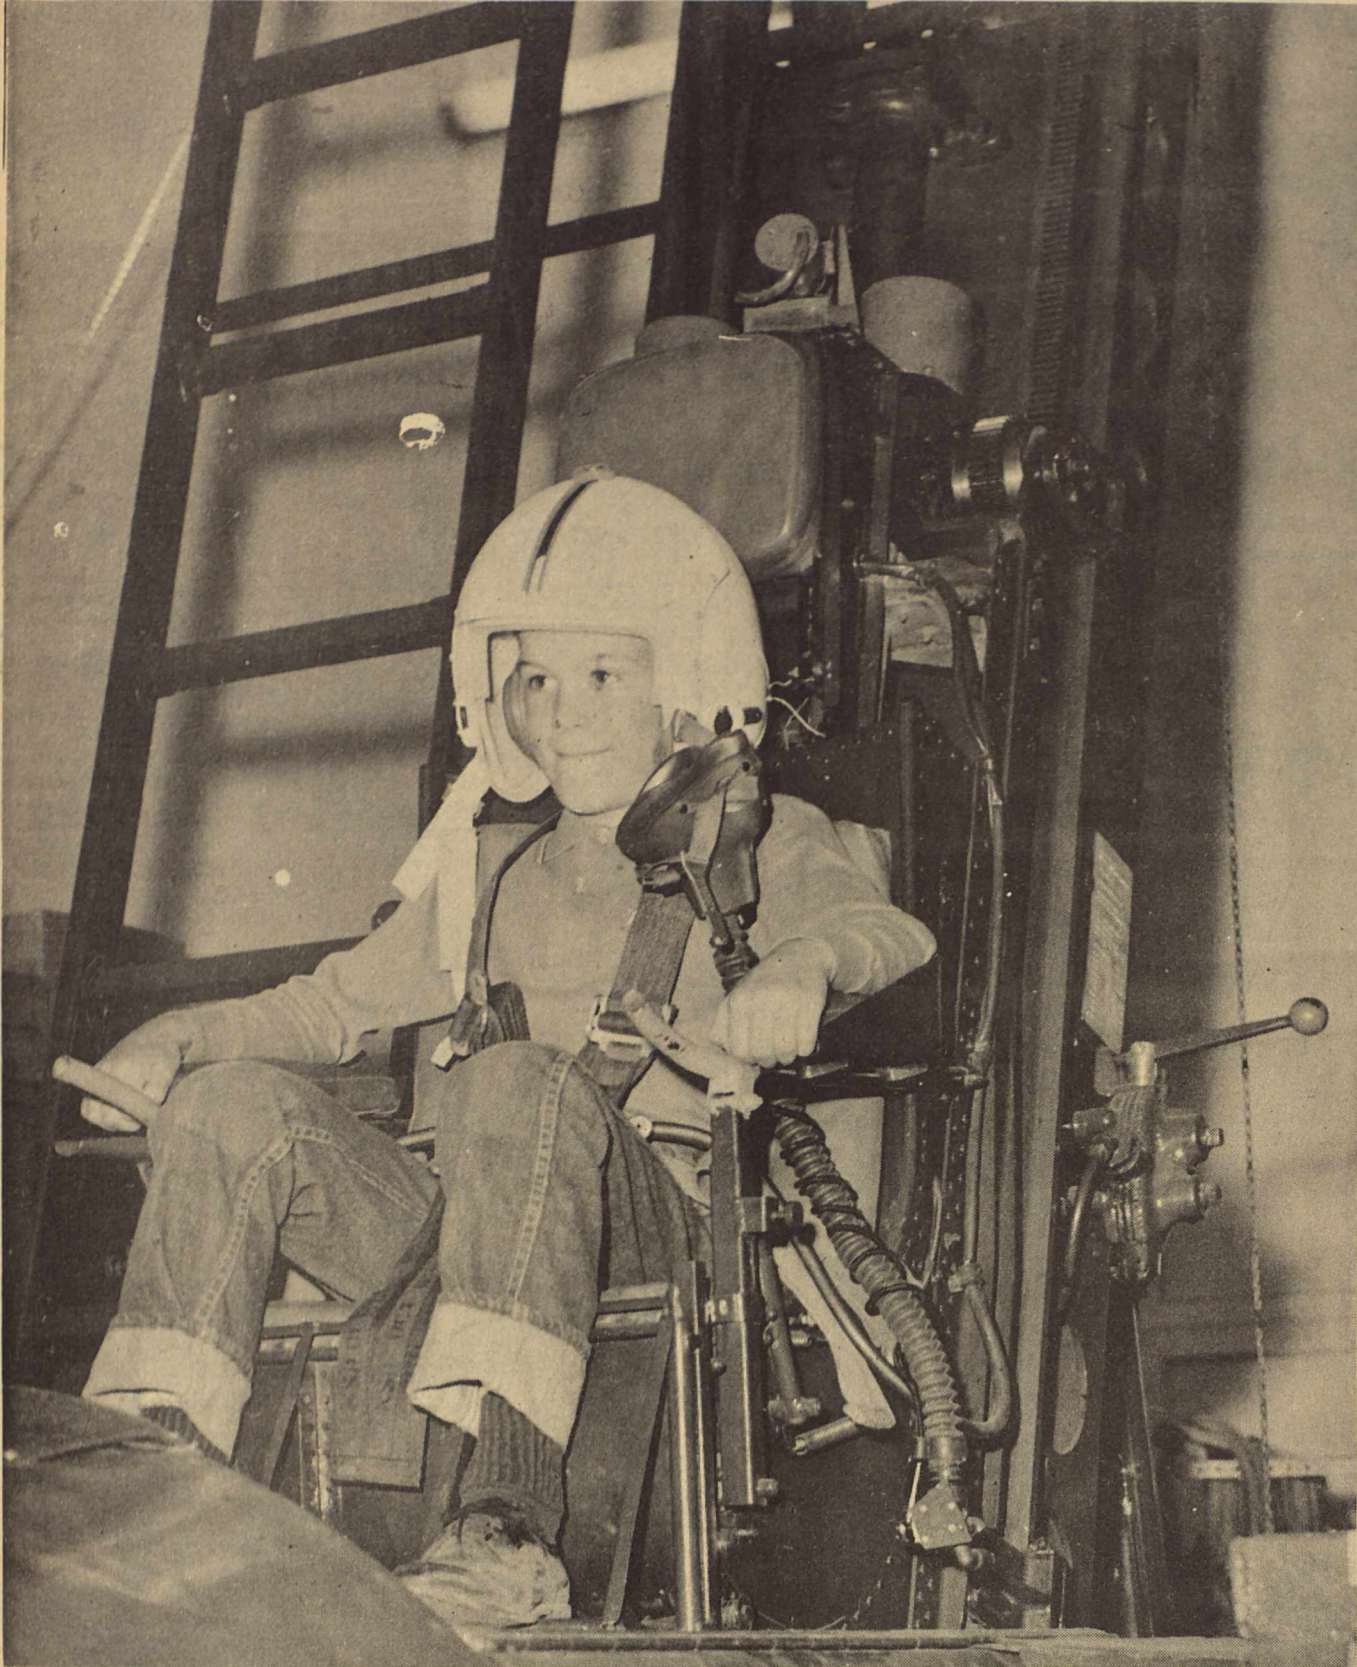

- Its annual payroll is \$3.85 billion.
- 590,000 employees serve a Nation of 192 million people, working out of 44,500 stations and branches.
- This year, the Post Office Department will collect and deliver 72 billion pieces of mail. By 1970, volume is expected to reach 83 billion pieces.
- The Department adds an additional 1 1/2 million city, 100,000 rural, and 75,000 business addresses to its delivery system annually.
- Forty-four million families and 4.1 million businesses receive mail over 103,000 city routes, and 9.5 million families are served over 31,000 rural routes.
- On the average, every American citizen gets at least one piece of mail every day.
- Seventy-five percent of total mail originates today with business and commercial interests, more than half being initiated by 20,000 large mailers. Ninety percent of insurance business, for example, is transacted by mail, and the percentage is as high or higher for many other enterprises.
- The Department owns 65,726 motor vehicles. In addition, it pays \$110 million to private vehicle operators for hauling the mail. It hires 9,600 motor vehicles full-time and mans them with Department employees. Another 68,000 vehicles and drivers are hired under contract for rural and star (contract) route delivery.

Less Mail Trains
Thirty years ago there were 10,000 trains available to carry mail. Today there are less than 1,200.

Thunderbirds At Reese 7th

Mark E. Molloy, 7-year old son of S/Sgt and Mrs. Kenneth L. Molloy, sizes up the F-104 ejection seat that will be avail-

able for rides at Reese Air Force Base on Founders' Day, Saturday, November 7. The ejection seat is one of several exhibits that will be

located at Reese during the open house from 1 to 5 p. m. The Thunderbirds, official Air Force aerial demonstration team, will present a daring per-

formance at 3:30 p. m. A bevy of modern jet aircraft will be on display throughout the afternoon for public inspection.

Tech Meets West Texas

LUBBOCK, Nov. 2---West Texas State invades Jones Stadium for a game with the Red Raiders at 7:30 p. m. Saturday. All the fans streaming south won't be pulling for the Buffs, since Tech is banking on products of Panhandle schoolboy football. Among these are All-America halfback candidate Donny Anderson of Stinnett, tackle Bill Malone of Phillips, end Sam Cornelius of Spearman, end Clyde Windom of McLean, end Terry McWhorter of Perryton, and halfback Jerry Lovelace of Farwell.

Each team has won four tilts this season. WT has downed Texas Western, North Texas, Trinity, and San Jose State and lost to Ohio, Arizona State and Memphis State, to bring a 4-3 mark into the encounter. Tech, fresh from a 6-6 draw with Rice, is 4-2-1.

In its first year, 1925, Tech edged WT 13-12. The series now stands at 19-7 in Tech's favor, although WT has won 3 of the six contests since Tech has been in the Southwest Conference.

Mr. and Mrs. Woodrow Houston of Hobbs and Earl Rhoden of Fort Worth visited Mr. and Mrs. John Camp here Sunday.

Mr. and Mrs. Nelson Strickland and Kelley of Lubbock, visited Mr. and Mrs. Roy Edwards over the weekend.

Sixteen members of the First Church Church attended a District Rally in Lubbock Sun.

Mr. and Mrs. Clyde Lynn, Jr. of Levelland visited her parents, Mr. and Mrs. Ford Hawkins, over the weekend.

Sept. Bond Sales \$1,443

D. P. Moorhead, Chairman of the Yoakum County Savings Bonds Committee, has announced that sales in the county totaled \$1,443 during Sept. Series E and H Bond sales in Texas during Sept. totaled \$11,497,961. Texas sales for the first nine months of 1964 totaled \$112,141,294, which represents 74.7% of the state's goal of \$150 million.

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 28. At all drug counters.

Cotton Grades Down Some

The USDA Agricultural Marketing Service's Brownfield classing office had classed 13, 226 Smith Doney samples Tuesday, November 3. The office is now receiving 1,000 to 1,500 samples day.

Predominant grades for the week ending Friday, Oct. 30 were:

- Strict Middling 7%
- Middling 41%
- Strict Low Middling 23%
- Middling light spot 15%
- Strict lgt Mid lt spot 5%
- A larger percentage of low

grade cotton is being received than in previous weeks along with a decline in the percentage of the high grade cotton.

An increase of shorter staple cotton was noted according to W. L. Reeves, officer in charge. 84% of the cotton had a staple length of one inch or shorter, with 14 per cent 29/32, 34% 15/16, 19% 31/32, 14% 1 inch and 19 percent over 1 inch.

The micronaire readings continued high with 93 percent in the 3.5 to 4.9 range.

Classing of samples is about two days behind receipts.

TIME SAVERS
BY MARTHA BRANDT

Indexing the Medicine Chest

Sometimes it takes time to save time.

This is particularly true of a job which is too often postponed or never done at all—cleaning the medicine chest. Taking time for a good clean up (which includes a thorough throw-out) will result in a well organized storage place for essentials for good health and good grooming. When you can find things right away you save useless searching time.

To simplify the whole process, here are a few sorting-out rules, with some cautions for hoarders, which will put you in quicker (and safer) touch with the items in your medicine chest:

1. Remove everything from the medicine chest, including shelves. While glass shelves are soaking in a detergent bath, clean interior with a good disinfectant, outside and mirror with one of the new aerosol glass and metal cleaners.
2. Sort. Look at every label on every prescription. If it's more than six months old throw it out, unless your doctor has specifically advised that it can be kept.
3. Adjust top shelf for small bottles, particularly prescription drugs which should be kept furthest from reach of children.
4. Rearrange: group cosmetics on one shelf and medicinals on another.
5. List: after cleaning make a list of needed replacements. Incidentally, keep in mind that you will find many more medicine chest products in aerosol containers. They are both a safety and money-saving investment. Products such as spray-on

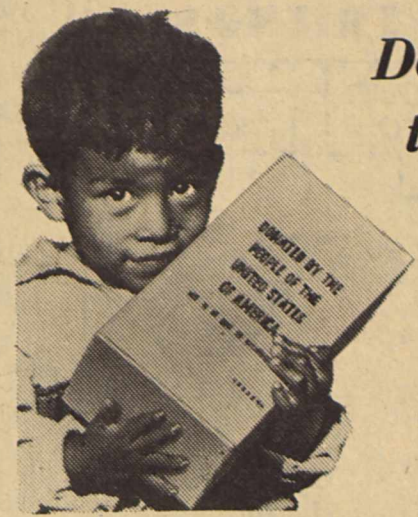

bandages, spray room decongestants (useful for children's sick room), and analgesics keep longer in push-button containers because no air can get to them

Investigate at your druggists when restocking the medicine chest to make the most of the many pharmaceutical aerosols.

If your house has more than one medicine chest (which is very likely) don't forget that duplicates of such essentials as bandages and antiseptics (in both aerosol and other forms) are wise precautions. For instance, the downstairs medicine chest is often the first one to be reached after a skinned knee or burned finger, not to mention more serious accidents.

And, in this connection, a special "kitchen medicine" chest is also helpful. Here the new aerosols for burns and bandages are particularly useful. Keep them, as with all medicines, on a high shelf away from high heat and small children.
