OUR 35TH YEAR

THURSDAY, APRIL 15, 1965

NUMBER 14

## CHAMBER MEETS COUNTY COURT

### Nance Wins Grant \*\*\*

John Nance, Plains math teacher has been awarded a foundation grant from the National Science Foundation to attend West Texas State University from June 28 to August 20 this summer.

Topics which will be studied by Nance are Matrix Algebra and Functions. Forty participants will make up the institute.

Included in the study is a field trip to the White Sands proving grounds at Alamogordo, New Mexico at the NASA center.

Nance is married and has one daughter, and his family will go with him to West Texas State University in Canyon while he attends the institute.

### Booze Raid \*\*\*

Yoakum County Sheriff Olin Heath continued his crack down on stopping the illegal sale of liquor in the county this last week. The booze war continued as the Sheriff nabbed Kathryn Wesley, Denver City, and charged her with violation of state liquor laws. The Denver City woman was released after making \$1,000.00 bond. Sheriff Heath said that a mixed cache of wine, beer, and whiskey was seized in the raid.

In other action, the Sheriff reported that he worked with the cooperation of the City Police in Denver City and arrested nine offenders for drunkenness at a dance in Denver City Saturday night. The Sheriff answered complaints on the dance and made the arrests on the spot.

Sheriff Heath

One other violator was arrested and jailed in Plains on a drunk charge.

The Yoakum County Sheriff stated that prohibition is the law in the county and that he will continue to enforce the law and stop the sale of illegal booze.

The County's Chief law enforcement officer reported that more people obtained their new car tags this year than at any time that he can remember, and he extended his thanks to the hundreds of people who have cooperated on this matter.

### Chamber Movie \*\*\*\*

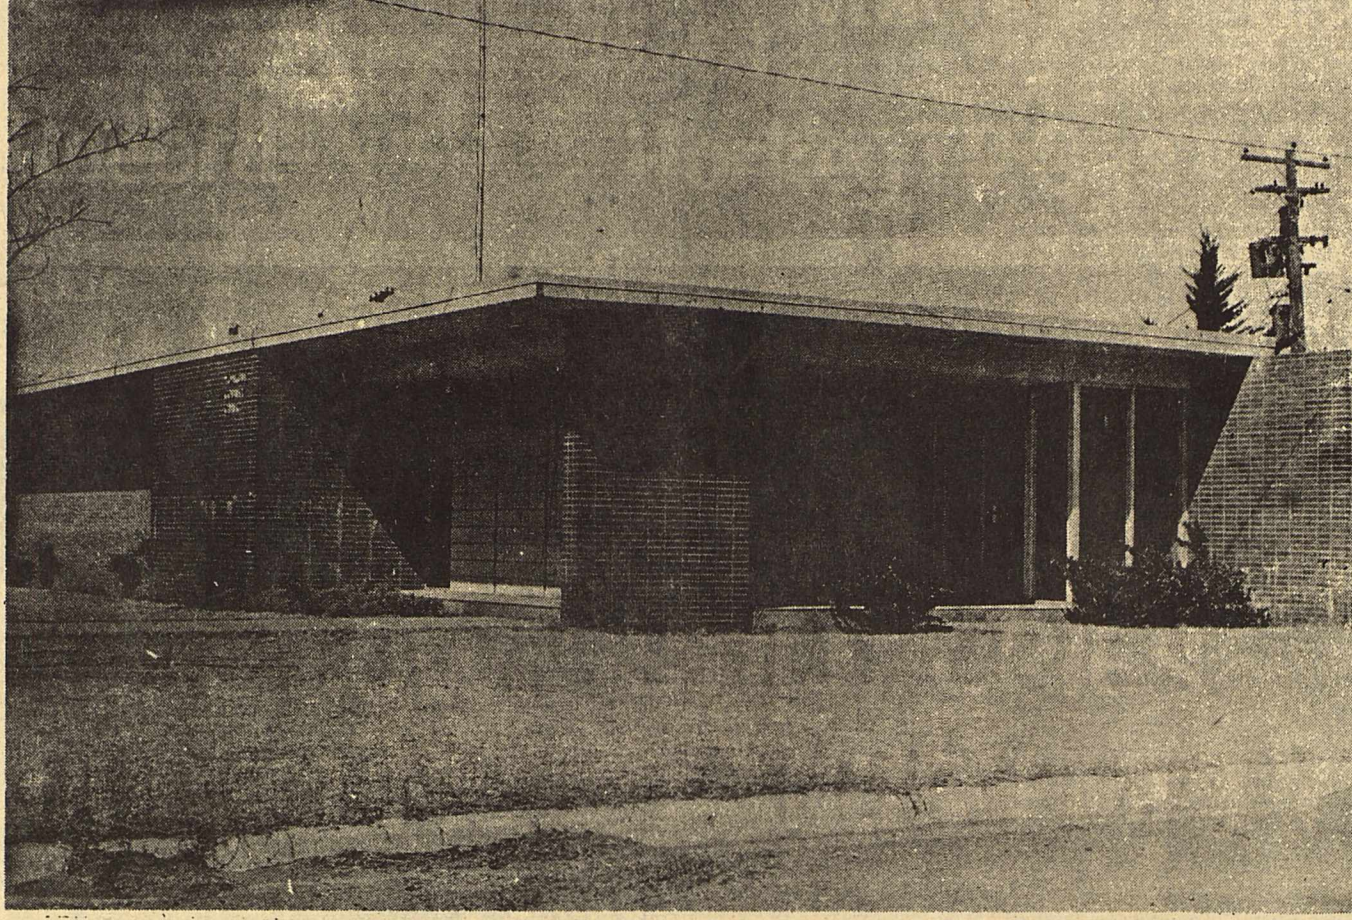

The Plains Chamber of Commerce is in the process of ordering suitable color movies to be shown to the Chamber and interested members of social and civic clubs in the community. One film has arrived and will be shown at the Lions Club today.

President Roy McGehee is discussing the possibility with the directors and officers of the Chamber to request that the new mayor proclaim Chamber of Commerce week in Plains and during this time Chamber members will have a kick off breakfast before conducting a membership campaign.

All residents of the community are urged to join the chamber, whether they are in business or not, said McGehee, because anybody interested in seeing Plains grow and progress is needed in the Chamber.

McGehee further stated that our city is a good one, but even the best needs improvement. The Chamber official stated that the Chamber of Commerce intends to continue on the street sign project, and that as the Chamber grows, so grows Plains.

Members of the Chamber also voted to continue in a search for a physician to locate in Plains.

The expensive taxpayer's Yoakum County Clinic in a recent photo shown as it stands empty.

Members of the Plains Chamber of Commerce met with the County Commission Court in the Court's regular meeting Monday in order to obtain information concerning what the Commission is doing to obtain a doctor for the Yoakum County Clinic in Plains.

All members of the Commission Court were present and spokesmen for the Chamber told the Court that they are interested in getting a doctor in Plains and will help the Court in whatever way is needed to accomplish that end.

Last week The Record ran an article stating that four members of the Commission Court met in special session concerning the leasing of the clinic to a Rising Star D. O. The Court stated at Monday's meeting that the meeting last week was not an official meeting and requested that the matter be explained to the people. Commissioners stated that it is true that they met on Wednesday, but this was not an official meeting and no vote was taken.

### Sunrise Service Sunday

Easter morning for Plains and area residents will again begin this year with the annual Sunrise Service.

This annual event, sponsored by the various churches of Plains, will be participated in by the ministers of Plains Assembly of God, First Baptist, First Christian, First Methodist and the Latin American Baptist Mission.

All area residents are invited to attend the services, which are scheduled to begin at 6:15 a. m. Sunday morning.

The announced program is to be as follows:

Two hymns will open the program, led by Mr. Punk Culwell. Scripture Lesson will be brought by Rev. James L. Bozeman of The First Baptist Church and the Pastoral Prayer, spoken by Rev. Efrain Flores of the Latin American Baptist Mission.

The closing prayer for the services will be given by Rev. Johnnie Moore of The First Christian Church.

The services are held each year in the local park.

Related Easter stories on Easter have been written by Ministers in Plains and appear in The Record on page seven.

Rev. Jim Bozeman, The First Baptist Church has prepared an article called "The Christ of Experience," and Rev. Johnnie Moore, The First Christian Church has written "What Easter Means to Me."

The members of the Court stated that they have been working hard to secure a doctor for Plains and that several prospects seem to be favorable.

Vance Brown read a letter from a Canadian physician, who is a M. D., which was one of inquiry about the possibility of relocating here. Commissioner Brown stated that he felt that this doctor is the best prospect that the Court has at this time.

Judge Duval said that Capt. Pamplin, an Air Force M. D. is interested and the Court should know in a few days if the Air Force officer is going to come to Plains.

Each member of the court was asked to state whether or not he or she would vote to lease the clinic to a D. O. physician if the Court failed to secure an M. D. in a reasonable period of time.

Vance Brown and H. C. "Doc" Cotton stated that they do not favor leasing the clinic to a D. O. physician.

Judge Duval said that he would vote with Mrs. Loe, and Raymond Bookout. These two commissioners said that they would give the matter their serious consideration if an M. D. could not be obtained in a reasonable length of time.

The County Commission has not voted yes or no on leasing the clinic to the Rising Star physician.

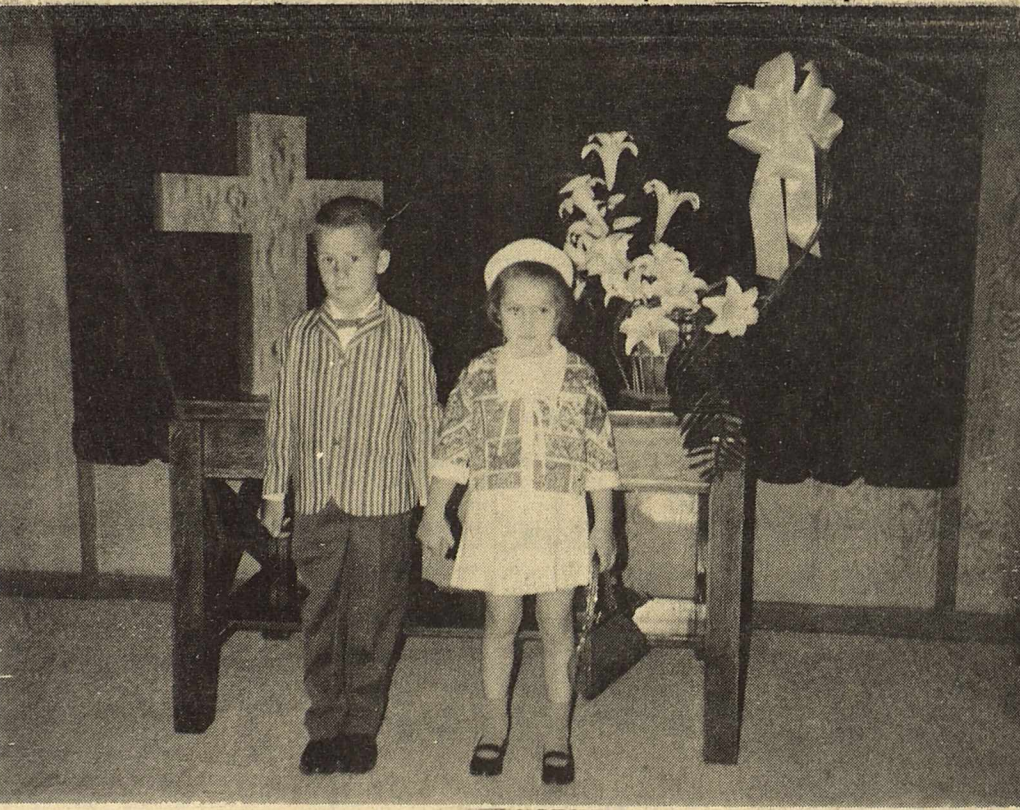

Chamber officials were also told that the straw vote which was taken in Plains was not a binding vote. The officials stated that they were aware of this.

Members of the Chamber gave the Court the name of Dr. Holt, Athens M. D., who is possibly interested in taking the Clinic. The Court advised the Chamber members that they would investigate the matter.

Several other doctors have been contacted by the Commissioners Court.

Judge Duval stated that he could be quoted as saying that if a D. O. is allowed to practice in the County hospital at Denver City, that the three Denver City doctors will walk out and will not practice in the hospital.

## Easter Bunny Comes Sat.

Dressed for Church in their Sunday best and ready to attend services Easter morning are Chris Blundell, son of Mr. and Mrs. Bob Blundell, and Paris Ann Cayce, daughter of Mr. and Mrs. Harry Cayce.

The Easter Bunny is coming to Plains this Saturday at 10:00 a. m. in Stanford Park. There will be a big free egg hunt for all pre-school age children and the public is invited to bring the children in this age group for the hunt. The Plains Chamber of Commerce is sponsoring the hunt.

There will be prize eggs worth \$2.00 each in trade at any business listed as a member of the Chamber of Commerce. These eggs may be taken at any business listed in the Chamber Directory and redeemed for merchandise set at that value, or they may apply the amount on something of higher value, but not less than \$2.00.

Chamber of Commerce President Roy McGehee and manager Harry Cayce will be in charge of the hunt. Members of the Boy Scouts will assist with the Easter Egg Hunt. The roads going through Stanford Park will be closed for the protection of the children beginning at 10:00 a. m. sharp and lasting until the hunt is completed.

Be sure to tell the little ones that the Easter Bunny is coming to Plains Saturday morning and bring them so that they can have an egg hunt, said Roy McGehee.

Children are asked to bring their own baskets to put their eggs in, and the Chamber of Commerce will furnish plenty of eggs for everybody to have some. No children will go away without an egg, said the Chamber president.

Arrangements have been made with the park superintendent, Donald Bookout, that no sprinkling will be done Saturday morning in order that the grass will be dry.

### Notice

Bob Long, City Secretary announced today that a vet will be in Plains on Saturday May 1, for the purpose of vaccinating pets. The fee will be \$3.00 per dog, and the time will be from 1:00 p. m. until 3:00 p. m. at the fire station. All dog owners are requested to be certain that their animals have been vaccinated because of the rabies cases reported in near by communities.

## Pancake Feast Smash Hit

Members of the community ate pancakes and played White Elephant bingo last weekend at the school cafeteria under the sponsorship of the Plains Lions Club for the purpose of raising funds for the scouts.

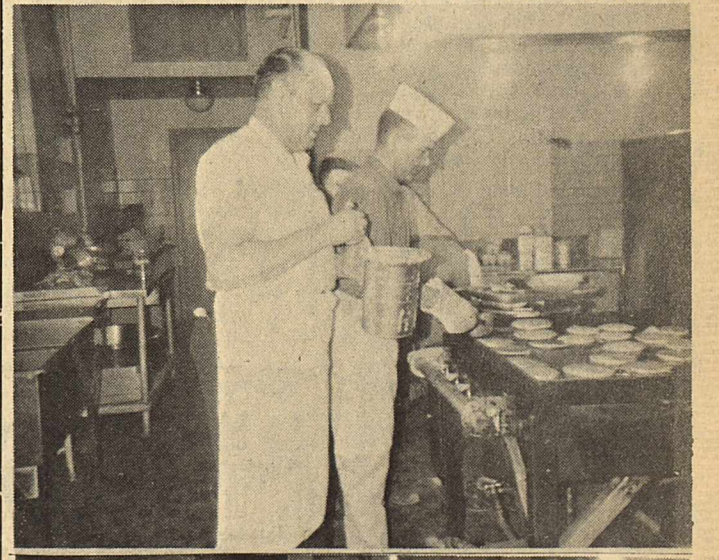

Receipts taken in at the door and funds made from playing bingo exceeded \$200.00 and more funds are to be turned in today at the Lions Club meeting from advance ticket sales.

A large crowd was in attendance to eat the pancakes which were prepared by members of the Lions Club. Lion President Roy Edwards expressed his thanks and appreciation to the many people who donated white elephants, and to the business men who donated prizes to be placed in the bingo prizes.

The capacity crowd came early and played bingo for several hours before leaving. Those helping in the kitchen were, G. D. Kennedy, Neil Taylor, Wilson Duke, Murrell Thompson, Buster Boulter, Dich Hamm, Truett Jones, and Bob Loe.

Rev. Johnnie Moore was in charge of bingo, and Harry Cayce handled ticket sales. All members of the Lions Club assisted on advance sales.

The pancake supper was served for two hours and hundreds of hot cakes were consumed by the large crowd.

## Science Club Tour Slated \*\*\*

Fourteen members of the Science Club leave Plains tomorrow for a field trip which will take them to Santa Fe, Los Alamos, Red River Fish Hatchery near Questa, Taos, and White Sands National Monument in New Mexico before returning home.

The group will be chaperoned by Virgil Wade, faculty

sponsor. Other adults going are Mr. and Mrs. E. H. Goehry, Olin Edwards and Harmon Meixner.

During the tour the group will visit the office of Gov. Jack Campbell and have an appointment to see the governor.

Santa Fe is the oldest capital in the United States, be-

ing founded in 1610, and is the second oldest town in the country.

Los Alamos is the Atomic capital of the nation, and is built in the mountains only 39 miles from Santa Fe.

They will visit the Red River Fish Hatchery, which is one of the largest in the Southwest. From there the group will spend the night in colorful Taos, which is the home of Kit Carson. From Taos, the club members will journey to Alamogordo to visit the White Sands, where the first Atomic Bomb was detonated in 1945. The students will then return to Plains. Students making the trip are: Shirley Lylis, Silvia McGinty, Jana Warren, Nancy Tippet, Rita Snodgrass, Charline Upton, Pam Randolph, Danny Smith, Pam Parrott, Harold Swann, Bobby Taylor, N. C. Clanahan, Stanley Ashburn, Myron Goehry.

Science Club members plan on New Mexico trip.

## Solons Urged

Members of the board of the Soil Conservation District in Yoakum County have posted letters to State Rep. Jessie T. George and State Senator Doc Blanchard supporting legislation concerning water pollution and the plugging of abandoned wells, said Murrell Thompson, S. C. D. representative this week.

Thompson says that this would greatly strengthen already enacted legislation in the following ways:

It would relieve the party of liability where he is unable to contact the company or party holding title to the well. It would also help keep down water pollution by plugging below the deepest stratum, leaving fresh water for consumption.

The conservationist asked that interested parties help secure passage of House Bill 26, which concerns plugging of wells, in order that more water pollution can be avoided.

SUBSCRIPTION RATES: \$3 per year in Yoakum and Terry Counties; \$4 per year elsewhere.

### CAYCE'S CORNER

The tip of the hat at Cayce's Corner this week goes to the members of the Lions Club for sponsoring the Pancake Supper and White Elephant Bingo party to raise funds for the scouts. A few moments which merit special mention about the men who fed the community last Friday night would be worth setting in type. So we will use our imagination just a little and as Jackie Gleason says in 'The American Scene, "Away we go!"

Mr. Kennedy and Neil Taylor were a sight for sore eyes washing all of those dishes. . . . We nominate both of them to be charter members of the Knife and Fork Club.

Murrell Thompson looked so good mixing the batter in the big vat that Purina Chow would gladly give him a job making their commercials.

Wilson Duke and Buster Boulter cook sausage and bacon just like they do at Joe's Beany on South State Street in Chicago. They even look the part and we recommend them for a good fry cook job there.

Dick Hamm and Truett Jones surely will never replace Aunt Jermina on the pancake mix anytime in the near future. In fact a high school girl was overheard to say that the Home Economics class could make a flat F if they cooked hot cakes like those two birds.

Bob Lee just can't be compared to anything or anybody that we can think of when he puts the apron on and gets in the kitchen. The best that we can say is crazy, crazy, crazy cat.

Johnnie Moore's real personality came out while calling bingo. No doubt before he became a preacher he was a carnival barker with some extinct show.

Oh well, it didn't seem to matter, because scores went through the line twice, and after three trips through, we felt that Banker Loyd deserved special mention so look at a real connoisseur of pancakes in the picture below.

## The People, Yes!

President Lincoln said many years ago about our form of government "that government of the people, by the people, for the people shall not perish from the earth."

We do not believe that this fact is any less true than it was in the troubled times of that great man.

We believe that every citizen has the right to know what public officials are doing about the conducting of that business which pertains to any functions of their office.

We believe that every public official should inform the people what stand he is taking on important matters, whether these matters be local or of a bigger scope. Quite often it is difficult to take a stand, but if a person does not want to commit himself to make such a stand, then he should not seek public office.

We believe that the people's will should be considered, because it is THE PEOPLE'S BUSINESS WHICH IS BEING CONDUCTED BY ANY PUBLIC OFFICIAL. We realize that on a point of conscience or conviction that a public official sometimes must take an opposite stand when the majority want something done. It is rarely true that such a situation should exist, but in order to be fair, it must be stated.

We believe that if a situation should arise where any public official does not consider the matters of his office the business of the people that we should state openly that the people are supreme in the American tradition.

President Lincoln also said "With malice towards none; with charity for all; with firmness in the right, as God gives us to see the right, let us strive on to finish the work that we are in;"

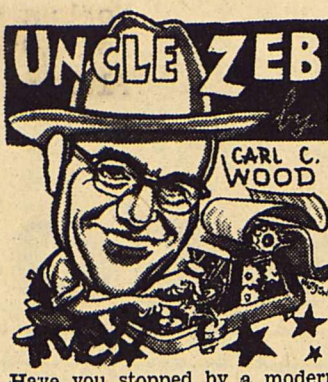

Let us apply the lesson given to us from a man who gave his life for the purpose of keeping a free government for future generations.

Let us work together and united and our accomplishments will be ten fold, and who can tell, we may just find it enjoyable if we do.

## THE FAMILY LAWYER

### Clean Lies

For Watson, it was a painful duty. "I'm the manager of the office where your sister works," he began. "For the benefit of all concerned, I wish you would convince her to resign."

"Why?" demanded the other man. "Has she done something wrong?" "I'm afraid so," replied Watson. "She has been stealing from the cash box."

As it turned out, the girl had done no such thing. In short order, Watson found himself facing a lawsuit for defamation of character. But the court held him not liable, ruling that his mistaken statement was "privileged" by the circumstances. The court pointed out

that Watson had had good grounds for believing the girl guilty, and had spoken to her brother with decent purpose.

Defamation law, like the Ninth Commandment, forbids you to bear false witness against your neighbor. But it also forgives what might be called the clean lie—told in all fairness, on reasonable grounds, without malice.

Thus, in another case, a man was excused for wrongly blaming a schoolboy for indecent conduct during recess. His statement, made privately to the principal, was based on seemingly reliable information from his own daughter.

But, to be privileged, the statement must be made in the line of duty. It must be one which the speaker has a legitimate interest in making, and the hearer a legitimate interest in hearing.

A court found no such interest under the following circumstances: A meddlesome woman heard a report, later proved false, that a certain prospective bridegroom was an ex-convict. Although she was not a relative of the bride, or even a close friend, the woman took it upon herself to pass along this tidbit.

Sued later for defamation, she was held liable for having been too quick to soil an innocent man's good name. The court saw no reason to wrap the mantle of privilege around something so close to plain and simple gossip.

**WASHINGTON AND "SMALL BUSINESS"**  
 By C. WILSON HARDER

One of the weird ideas promoted along the Potomac for meeting the crisis created by the unfavorable balance of trade against the U. S. is to restrict the overseas investments of American companies.

Some time before World War II Mussolini forced Italian capitalists who had foreign investments to liquidate these holdings and bring the money back to Italy. This was apparently quite helpful in financing the Ethiopian venture, and perhaps has furnished some inspiration for the geni of Foggy Bottom. However, what has escaped notice is that the late Duce was not also spending billions of lira on foreign give-away programs.

Thus, the nation comes full face to the silliness of the situation. Over \$100 billion thrown away overseas has brought the nation to the critical state. Yet, there are still proposals to throw out another \$3½ billion in this direction, which added to money previously allocated for foreign give aways but not handed out as yet, means that at least another \$7 billion will disappear from these shores.

Thus, it is presumably all right to further impoverish the nation by giving away billions, but this downward trend should not be in any degree accelerated by any American investing abroad.

Thus, perhaps it all gets

© National Federation of Independent Business

**WASHINGTON AND "SMALL BUSINESS"**  
 By C. WILSON HARDER

On the other hand, presumably private American capital is invested abroad to develop into profit making enterprise with the hope that sooner or later these profit earnings will come to America.

As a matter of fact, foreign aid dollars are actually used against the security of the U.S. This is borne out by the fact that Indonesia's Sukarno and Egypt's Nasser have built up tidy little combat facilities with American foreign give away dollars, and now tell this country to run up a creek, while they foment bloodshed against the U. S. Yet American officials continue to beg them to take some more dollars.

There is one aspect to private U.S. investments abroad. That is that no nation gets a dollar spent in their land until there is a reasonable assurance that the investment is safe and a profitable one. Of course, some home grown messiahs along the Potomac cry that this is capitalism. But if capitalism is not good, why all the shooting?

Mrs. Alma McGinty and Mrs. Norell Sloan visited Mr. & Mrs. Chesley Bedford at Tatum, New Mexico.

Mrs. Geo. Cleveland, Mrs. H. M. Smith, Mrs. J. H. Daniels, and Mrs. J. V. Been attended church in Tokio last Thursday to hear Bro. Brian, a former pastor of Plains.

Mrs. R. D. Romans had surgery Monday morning in Yoakum County Hospital.

Modeling fashions of the turn of the century are Mrs. Bill Loyd, Pam Loyd, and Mike Cobb.

Modeling clothes of by gone years are Billie Jo St. Romain, Kay Green, Oma McCargo, and Betty Ann Rushing.

## Art & Style Show

The Tsa Mo Ga Club met on the evening of April 12 in the High School Cafeteria at eight o'clock, with members of the Social Committee as hostesses.

An Easter decor in pastel colors was used to decorate the stage which was covered in rugs of green grass. A Style Show was staged by members and their young families, under the direction of Mrs. Dick Green and Mrs. Tom Warren. The subject "Flare in Coiffure," Floral Trends and Arrangements depicting Easter were shown by Mrs. J. P. Robertson of the Plains Floral.

Adding interest and humor, were costumes and styles from the turn of the century up to the present day. Bussels, Leg'o Mutton Sleeves, spool heel and laced boots, platform shoes and many treasures of fashion were modeled.

Jo Ritchie, Linda Huddleston, Jan Mason, and Carolyn Nelson of the Yoakum County Young Homemakers Club modeled hair styles.

Continuing the theme of Fine Arts, there was a group showing of paintings by local artists.

Refreshments of cake and punch were served to some seventy-five visitors and members.

## Land & Gardening

Landscaping and general gardening was the topic of discussion at the April meeting of Yoakum County Young Homemakers, Monday night. Mrs. Bill Overton presented the very informative program. Her subject included the history of gardening, beginning with the Garden of Eden. She explained the value of suiting ones individual need in planning a home garden, as well as suggesting which plants are especially suited to the West Texas area. One comment which especially impressed the Young Homemakers was that gardening and the beauty of a flower gave the speaker a feeling of closeness to God.

At the close of her program Mrs. Overton answered questions and passed out five different books concerning landscaping and general gardening. It was reported that a group of Young Homemakers along with their Young Farmer Husbands attended the F. H. A. & F. F. A. annual Mom & Pop Bar-B-Q.

Young Home-maker president, Mrs. Jim Barron, presented an engraved charm as an award to the F. H. A. Girl of the Year, Miss Gail O'Neal. She also expressed the Young Homemakers thanks to their sponsor, Miss Carolyn Nelson, who will soon be leaving Plains.

At the close of their meeting the Young Homemakers attended the Tsa Mo Ga Style show. Three members Mrs. Cordell Huddleston, Mrs. Kent Welch, and Mrs. Jim Barron assisted in the show by styling hair fashions. Another Young Home-maker, Mrs. Bob Mason modeled the coiffure styled by Mrs. Barron. Those attending the show expressed their enjoyment of the very fine affair.

## Just Thinking

Mary Faulkner Payne

Welcome! Little Dick Cayce! I'm sure we'll have some fine sports stories from you and I'm looking forward to reading your 'stuff'. Though Dick is quite grown up to you people of Plains, he is still the small boy I've known for a mighty long time. And a fine person as well as a handsome one. My best Dick!

And my congratulations to the Plains schools with their fine showing in the Interscholastic League meet last week-end.

The High School practically walked away from all the other schools and the Elementary School contestants made a fine showing even though not top man.

But the training shown is a credit to your teachers and your entire system.

And to the students, who take training and profit by it to the extent shown by the record of the meet, are to be commended as intelligent and diligent younger citizens.

### SPELL IT PLEASE!

An Englishman, from London's East End was having difficulty over the wire.

"Yes," he was shouting, "this is Mr. 'Arrison.... What, you can't 'ear? This is Mr. 'Arrison - haitch, hay, two hars, a hi, a hess, a ho and a hen, . . . 'Arrison!"

This story you have probably heard but since it is a true story it will bear repeating and I always enjoy it, thinking of the consternation which would follow the punch line.

A high officer of the Civil War was being buried in Arlington Cemetery.

Of course the ceremony was accompanied by full military honors.

At the right time the order to fire was given and a volley from the muskets rang over the grave.

The shock of the firing caused the aged widow of the deceased to faint completely and fall to the ground.

The hush that immediately followed was broken by the high piping voice of a little grandson, "Holy Gee, they've shot grandma."

### OCCUPATION, HOUSEWIFE.

After planning, marketing, cooking, after scouring the house from cellar to rafters, After the dinner dishes are done, And the children disposed of, one by one, After a day as domestic pearls, We're supposed to turn into glamour girls, Lovely and well worth a husband's wooing, And it can't be done - and that's what we're doing!

May Richstone

Some women make a fool out of a man and some can make a man out of a fool.

"What did the senatorial candidate have to say? the editor asked his reporter. The answer: "Not a darn thing."

Then the editor said, "Okay, keep it down to two columns."

A youngster in school showed every promise except that he always missed his past participles.

After saying "I have wrote," the teacher explained to him how wrong it was, and told him to write, "I have written" 100 times.

The lines were left on the teacher's desk with this note:

"I have wrote 'I have written' 100 times, like you told me, and now I have wrote home."

### GRIGGSVILLE, ILLINOIS, IS THE PURPLE MARTIN CAPITAL OF THE NATION.

being made so by the efforts of the Junior Chamber of Commerce of Griggsville.

At first glance this might not seem to be an interesting or worthwhile thing but in reality it is worthwhile and perhaps might be of value to mosquito ridden sections of the country.

Purple Martins feast on mosquitos and in Griggsville a town of some 1200 people, there has been no spraying done for the past two years and they do not plan to use insecticides this year.

The Jaycees have built martin apartments to provide summer homes for some 504 purple martin families or a total of approximately 3,024 martins.

The town earned its title of Purple Martin Capital as a result of national publicity attending the successful efforts of the Jaycees of the town to rid their area of mosquitos without poison fogging.

They began by installing martin houses along the main streets of the town - which is located between and near both the Mississippi and Illinois Rivers and is a natural haven for the ankle-nippers.

They urged citizens to install additional houses and on the Griggsville town square, they built 31 lightweight aluminum houses ranging in sizes from 12 to 36 compartments each. They are mounted on a tower.

The martins begin to arrive early in April and will continue to fly in during May.

In computing the mosquito-fatality potential of the new tower they came up with the tower as accommodating 504 pairs of parent martins, and each pair will hatch an average of four baby martins about May 15th.

At the rate of 2,000 mosquitos per bird per day, the total is about 651,168,000 mosquitos per day.

Griggsville school kids, to whom mosquito repellent is but a dim memory, have dubbed the tower, "Empire State Building of the Bird World."

# Susie Rowe

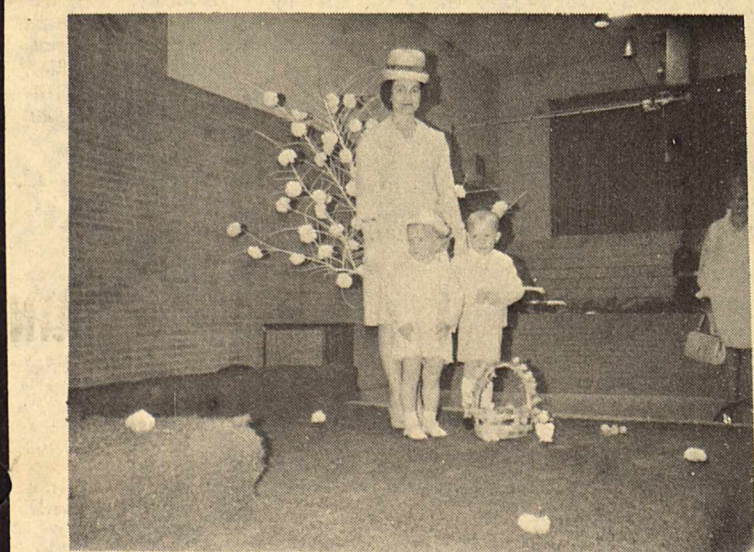

Mr. and Mrs. J. E. Rowe, Route 2, Odessa, Texas announce the engagement and approaching marriage of their daughter, Susie, to Kenneth Powell, son of Mr. and Mrs. Foye Powell of Plains. The ceremony will be held at the West Tenth Street Baptist Church, in Odessa, May 31, 1965.

By  
Dick  
Cayce

Special recognition in my column this week will go to the varsity volleyball girls for winning the District game Friday night. These are a fine group of girls with a good coach to give them the spirit that they need. (Hats off to all of you Cowgirls.)

Also this week I would like to give the 9th grade track team a few words of praise. We at The Record feel that you have done a marvelous job this year, and also in the District Meet. We hope that you will do as well next year as you have done this year.

It was brought to my attention that the freshmen boys and the 9th grade girls were having a feud over the publicity they were getting in the paper. Well boys you will very shortly learn that the fair sex have to be pampered just a hair more due to their prestige.

The three athletes in the 9th grade that deserve special credit for points aquired in the District Meet are McCrary, Cowart, and Pierce.

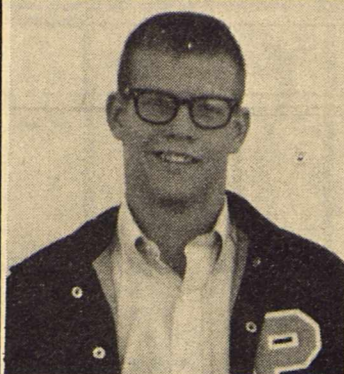

Being a member of the Plains Fire Department I attended my first fire Sunday night. There was just one catch involved we failed to find it.

My very best of luck to the students who are going on the science club trip this weekend. You will need it if you plan to ski.

So to sum it up this week we have survived fires, feuds, and a ski trip, what next?

## Tennis Team Wins

Sharon Pierce and Betty Harris won their doubles tennis match in Andrews last Tuesday, and are now District Champions and will go to Regional. They won their first game against Stanton 6-1. They lost the second 2-6 and won the third game 6-4.

## Breaks Record

Mokey McCrary paced Plains 9th grade to victory Saturday by taking 1st in the 120 yard High Hurdles, 5th in the 180 yard Low Hurdles, 1st in the Pole Vault with a tie, which set a new record of 9ft 7 1/2 in. He also took 4th in the Shot Put with 45 ft 3 in. to make him high point man, with a total of 24 points.

The places and times of the men on the team follow:

**COWART**  
120 yd High Hurdles, 2nd, 18.4  
180 yd Low Hurdles, 6th, 24.1  
Broad Jump, 2nd, 17.41/2  
440 yd Relay, 4th, 50.4

**FELD**  
100 yd Dash, 6th, 11.7  
**MASSEY**  
100 yd Dash, 2nd, 11.5  
220 yd Dash, 4th, 26.4  
1320 yd Relay, 2nd

**MCCMMMMJJJJ**  
**McCRARY**  
120 yd Low Hurdles, 1st, 18.1  
180 yd High Hurdles, 5th, 23.8  
Pole Vault, 1st, 9ft 7 1/2 in  
Shot Put, 4th, 45 ft 3 in  
**McKOWN**  
High Jump, 3rd, 4ft 10 in  
330 yd Dash, 6th, 44.4

**ROMANS**  
440 yd Relay, 4th, 50.4  
1320 Relay, 2nd

Two boys besides McCrary also set records. They were Taylor and Pierce. Taylor set a record in the Discus of 135.2 1/2 in and Pierce set one in the 330 with a 40.2. Some of these boys will also be seen in Regional.

## Jr Relays

The results of the 8th grade track meet were as follows:

**LOW HURTLES**  
Gary Liles, 1st  
Bob Hanes, 2nd  
100 YD DASH  
Tony Salas, 4th  
50 YD DASH  
Tony Salas, 3rd  
60YD HIGH HURTLES  
Gary Liles, 2nd  
220 YD DASH  
Russel Jones, 5th  
440 YD RELAY  
Hanes, 3rd  
Jones, 3rd  
Spencer, 3rd  
Salas, 3rd  
**POLE VAULT**  
Liles, 2nd  
**DISCUS**  
Salas, 3rd  
Liles, 4th  
**BROAD JUMP**  
Salas, 5th

On total score the 8th grade placed 3rd in the meet.

## Pokes Plan For Regional

The District Track Meet was held Saturday in Wink with all schools in the conference present. Plains took 3rd with Seagraves 2nd and Wink 1st.

Calvin Smith was the high point man of the meet with 28 points. Calvin placed 3rd in the 120 yd High Hurdles, 5th in the 180 yd Lows, 3rd in the Pole Vault, 1st in the High

Jump, and 3rd in the Broad Jump. Second to Calvin was Ron Layton who with his speed placed 2nd in the 880 yd Run, 3rd in the 220 yd Dash, and entered the Mile Relay but failed to place. Layton's points totaled 17. Third to Smith was Ronnie Elmore who placed 4th in the 100 yd Dash, 2nd in the 220 yd Dash, and entered the 440 yd Relay not placing. Ronnie's points totaled 15. Absent due to illness and injuries were Newton, Crutcher, Lowery, and Ashburn. Others who gathered points for the team were Bruce Long, in the 440 and Mile Relay (6 points,) Spencer in the 440 yd Relay and 6th in the 440 yd Relay, 100 yd Dash, and the Mile Relay (6 points) J. Smith in the 120 yd High, 180 yd Lows, and High Jump (5 points) Lowe in the Broad Jump (6 points).

And last but not least David Layton scored 4th to Calvin Smith with 10 points. David placed in the 880 yd Run, 220 yd Dash, and the Mile Relay. The boys who went but were unable to place were:

Rains  
C. Lowery  
Taylor  
Rick Elmore  
Swann  
Clanahan  
D. Smith

In the Wink meet 3 boys qualified to go to Regional, they were Ronnie Elmore, Ronnie Layton, and Calvin Smith. These boys will be in action this Friday at the Andrews Track and Field Meet, for the purpose of conditioning for Regional.

## Babe Ruth To Start

The Annual Babe Ruth League begins May the 1st for all boys in Plains between the ages of 13 and 15. The Manager is Cordell Huddleston and the Co-Manager is Mike Nix. Manager Huddleston has stated that there will be a meeting of all boys who are interested in participating in the League to be at the special meetings scheduled for Sunday afternoon at 4:00, April 17, at the ball park.

There will be a game every Friday and Saturday night, plus a practice game before every game, to give every boy experience and the chance to play.

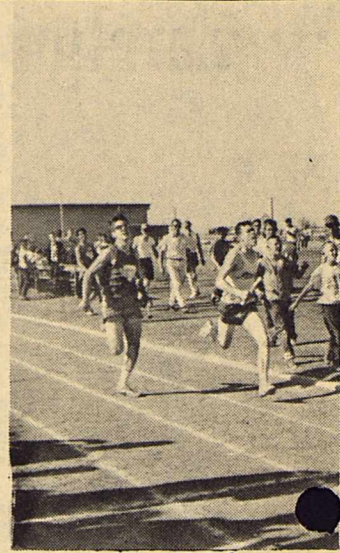

All Plains boys are urged to come out, for all positions are open and a shortage of players is due to the loss of players last year.

Manager Huddleston has also stated that he expects to have a fine team this year and that he intends to go all the way.

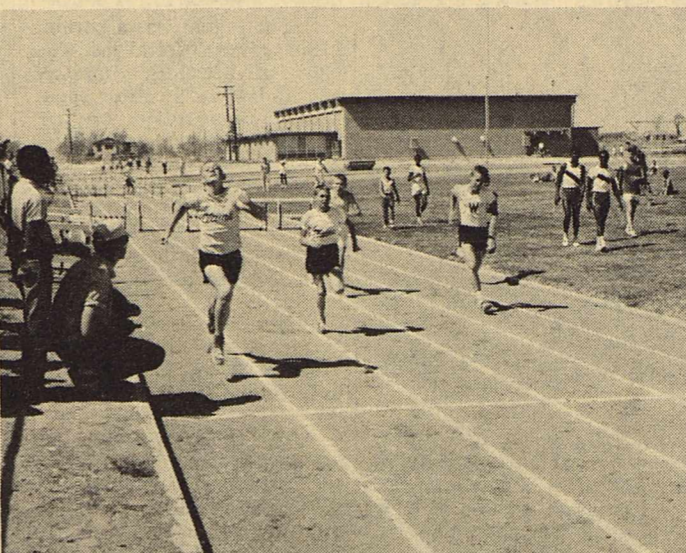

So lets go down and give Plains a good representation in the league this year.

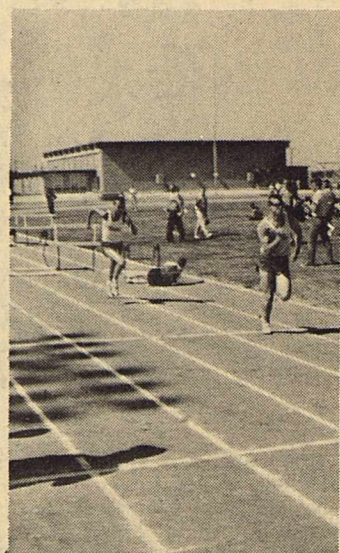

Layton Brothers 2nd and 3rd

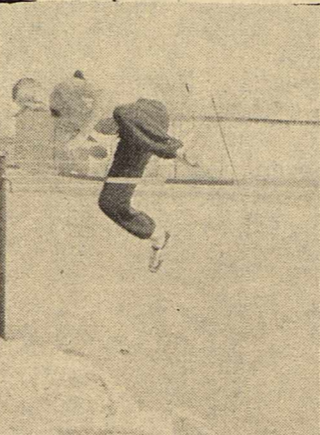

3rd in 440 Relay

Wins Lows

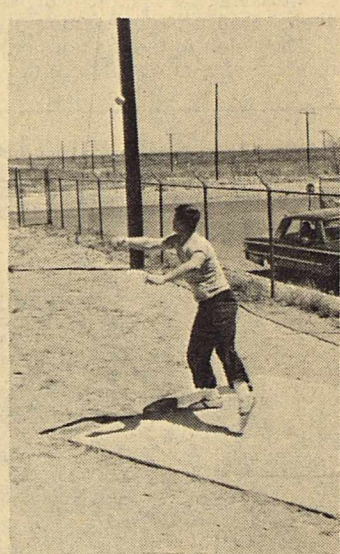

McCrary 3rd in Highs

Smith 1st in the High Jump

## EASTER MESSAGE

She's as young as spring-time, as sweet-scented as a lily, beautifully serious with the total dedication of youth. People in church smile as they watch her, and they walk out into the April sunlight feeling better, happier, for having seen her.

They cannot, ever again, be as young as she is, but this doesn't seem to matter. For she is a symbol to them. She represents the wonder of spring when the world becomes new and fresh again, when flowers bloom as if for the first time, and when the Church retells the story of its greatest miracle — Christ's promise of *everlasting life*.

This, unquestionably, was the greatest promise ever made, and the reminder of it comes at Nature's most perfect season. Be sure that you go to the church of your choice this Easter, so that you may again hear and remember the Easter message in all its glory.

## CHURCH NEWS

The Easter Season, with all its joy, its hurry, and its reunion with friends and loved ones is almost upon us again. We, I think, individually approach Easter with many differing ideas and different attitudes. Out of our experience or lack of experience, we look at Easter, either with understanding and with anticipation, or we look at it, as just another holiday, another chance to get off work, to get away from it all for awhile.

I think, in my own case, I approach Easter each year with just a little sadness. For when I stop in meditation and solemnly reflect on the deeper meanings of Easter, when I am flooded with the fact of just how much God loves us, even to the giving of His own Son, I am touched and of course humbled, by the value that our God has placed upon each individual, even upon me.

Easter means to me, that herein the love of God has been demonstrated in a visible way, a way that can't leave any question in the mind as to God's concern for us. The sad part of this kind of reflection lies in the fact that so many people in Plains, and of course in other places too, just don't seem to care one way or the other about this that God has done for us, giving

us a Saviour, a personal Saviour, that is ready and able to save each one of us, and show us the way to a life that is real and full and more wonderful than we ever knew existed before, and that all we have to do to take this gift that God has offered us, is to accept it in faith. It is shocking to me, to realize and see the number of people here in Plains, a church-going town, who just don't go to church on Sunday.

A lot of people are making an awful large number of excuses to themselves for not going and for not accepting the "Gift of God's Grace." Along that line, I'll never forget a statement I heard a man, supposedly a very intelligent man make one time. We had been talking about religion (you know a lot of people talk about it who don't ever intend doing anything about it) and he made it very plain that he just didn't intend to do anything himself about his own alienation from God. He said, evidently trying to close the subject completely, something like this, "I have lived like a man, and I'll go to hell like a man." You know, the big trouble with his reasoning was that he missed one of the most important facts of existence in our relationships with God. It doesn't take a man to go to hell; it takes just the opposite, it takes a coward to go to hell. It takes an individual who just can't or just won't admit that he has sinned, that he is in need of forgiveness, and that something is missing in his life. And, the saddest part of all lies in the fact, that whether we do admit our need or not, we all have that need and so we're not really fooling anyone.

Easter is a time of closeness to God. It's also a time for coming to God, through His Son, Jesus Christ.

Rev. Johnnie Moore

### THE CHRIST OF EXPERIENCE

In the 15th chapter of I Corinthians, we find the words of the Apostle Paul stating the infallible truths of the resurrection of Jesus. "For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; and that he was buried, and that he rose again the third day according to the scriptures; and that he was seen of Cephas, then of the twelve; after that, he was seen of above five hundred brethren at once; of whom the greater part remain unto this present, but some are fallen asleep. After that, he was seen of James; then of all the apostles. And last of all he was seen of me also, as of one born out of due time. For I am the least of the apostles, that am not ment to be called an apostle, because I persecuted

the church of God. But by the grace of God I am what I am." Paul is stating in this passage here some wonderful truths. The truths about the Christ - the Christ of experience. As we think of these wonderful things - Jesus who dies on the cross and rose again; the one, who during this season, surrounded by Easter, we adore because of the resurrection.

Christ is the Christ of history. The very fact that our calendars would point to a certain day - Easter. This fact points to a time when the Son of God was in the earth. Our calendars are separated by B. C. and A. D., showing that there was a time when he came into the world, that he lived and taught and died and rose again. This is not fantasy but fact. This is not just tradition but it is the truth.

### BAPTIST SUNDAY SCHOOL

The Friendship Sunday School Class of the First Baptist Church met Thursday night, April 8th in the home of Mrs. Olan Heath for their regular monthly social.

The meeting was called to order by the president, Mrs. W. L. Carnahan. The opening prayer was given by Mrs. H. W. Randall and the devotional was given by Mrs. Heath, after which gifts were exchanged.

Refreshments of cake, sandwiches, coffee and punch were served to the following members: Mrs. T. J. Murphy, H. W. Randall, W. P. Turner, Henry Williams, S. L. Price, W. L. Carnahan, John Camp and the hostess.

# WOW

do **DOUBLE** duty... for **YOU**

FIRST duty of your dollar is to buy the best value in whatever you spend it for. On this score, you can't do better than in your hometown stores, whose prices are never higher (and often less) than elsewhere. Furthermore, you haven't seen the last of the dollar that you spend at home. That's where the **SECOND** duty comes in! Part of your dollar keeps right on working for you **AFTER** you spend it... helps to pay the taxes and provide the contributions that maintain the community services that make this a better place to live for you and yours.

# FARM TOPICS

YOAKUM S. C. D. NEWS  
BY C. MURRELL THOMPSON

This photo was taken 2-6-39 in West Texas where grain sorghum had been harvested and the residue grazed off. Note the signs of wind erosion and poor soil condition. S. C. S. photo

Richard Meil in 40" row grain sorghum residue that has been bed-throwing the soil to the row leaving the stubble.

There is a lot that has been learned in the last twenty-five years in agriculture. Twenty-five years ago we knew very little about deep breaking, crop residue management and tillage and their use to control wind erosion. We now have far better tractors and plows with which to farm. Research has given us much good help in what it takes to hold our soil.

The Yoakum S. C. D. Board of Supervisors are proud of the good work being done by a large percent of the land owners and operators in the district. They plan to continue to encourage others to carry out a program of soil and moisture conservation that will protect their soil and the homes and prosperity of our city friends and neighbors.

Good examples of residue management can be seen on the Sam Combs farm operated by Richard Meil Jr., Wayne H. Bazun farm operated by Price Brookshire, Charles and Bill Faust, Charles Trout, D. V. French and many others. This residue from last year's crop of grain sorghum is still holding top soil and moisture where clean land is blowing and losing both soil and moisture.

## YOUR COUNTY AGENT

BY LEO WHITE

The Yoakum County Livestock Committee met on Thursday night of last week to discuss some of the local livestock problems.

The most pressing item for their discussion was how to raise money for screwworm control under drought conditions.

The quota for Yoakum County, at the present time is \$400.00. Each livestock owner is asked to pay 10¢ per animal unit. An animal unit is one cow or horse, 5 hogs, 5 sheep or 5 goats. If every owner will pay at this rate the \$400.00 quota will be met.

Livestock owners are asked to mail or deliver their contributions to G. W. Cleveland, Route #1 Plains or leave it at the Yoakum County State Bank in Denver City. The Plains State Bank in Plains or the County Agents Office in Plains.

This is the second opportunity for local livestock owners to contribute to this program. The other time the rate was 50¢ per animal unit and Yoakum County had a quota of \$3,000.00. Between \$700.00 and \$800.00 was collected during the first drive so Yoakum County fell short by more than \$2,000.00. Many other counties exceeded their quota on the first drive so the program continued and was very successful.

No screwworms were found in Texas during February and March. The dropping of sterile flies is continuing along the Rio Grande River and far into the interior of Mexico.

Mr. G. W. Cleveland urges all livestock owners in Yoakum County to participate in the voluntary fund drive and fulfill or exceed the \$400.00 goal.

## FARM NOTES

Yoakum County ASCS News  
By W. M. Overton  
Office Manager

The total cotton allotment on the 392 Yoakum County cotton farms is approximately 36,000 acres for 1965 including the released cotton received from down state. The number of farms and acreage allotment changes from time to time due to reconstitutions and transfers across county lines.

According to the ASCS County Office records 189 cotton farm operators live in Yoakum County and operate farms with a cotton acreage allotment established. Approximately 20 of the 189 work for oil companies etc. and operate small farms with small cotton acreage allotments and would not be considered as depending on the farm for their livelihood. The average cotton allotment, per farm operator living in Yoakum County, is approximately 160 acres per operator. Many of the Yoakum County farms with cotton allotment established are operated by farmers living outside of the county - Terry, Lubbock, Hockley and nearby counties.

The final date for filing an "Intention to Participate" in the 1965 Cotton Domestic Allotment Program has been extended to Friday, April 16, 1965. All farm operators interested in this program should keep this April 16, final date in mind. As of April 9, fifty-five farms had been signed-up in the program. These farm operators also have through April 16, to withdraw from the program should they change their minds.

Off to the contest!!!

## Judging Team News

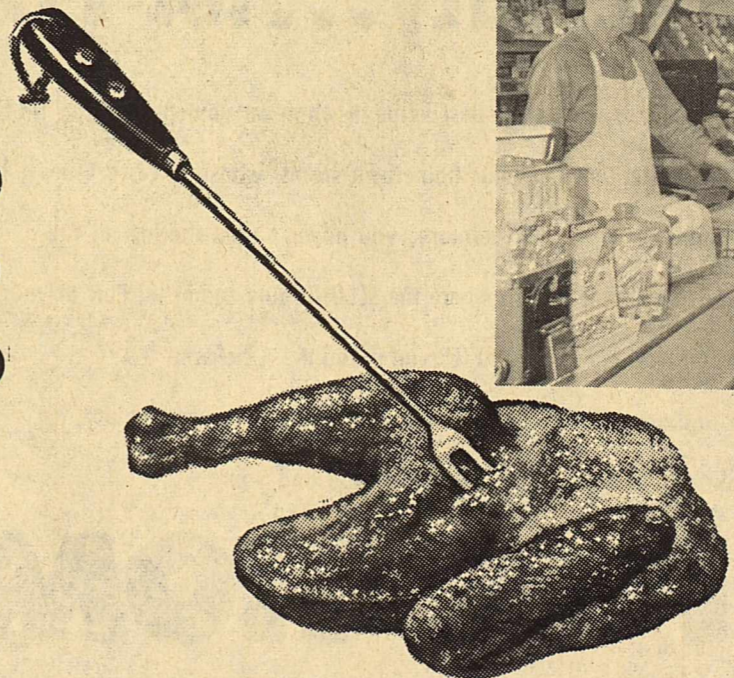

Members of the F. F. A. attended a judging contest last Tuesday at Wilson, Texas. The Plains boys came in 6th in the contest out of 15 schools that were represented.

The team judged four classes of cattle and had questions on all of the groups. They consisted of Holstene Cows, Holstene Heifers, Jersey Cows, and Jersey Heifers. Dairy was the only contest that the boys entered and did exceptionally well due to the fact that they had only a few weeks practice and no trial contests.
