

Farmers Urged to Cast Votes in Cotton Program Election Tuesday

By W. M. Overton

Tuesday, November 23, 1965 has been set as the date for cotton farmers to vote in the cotton marketing quota referendum. Yoakum County Cotton farmers and their wives may vote in the old courthouse or at any one of the nine polls in the county. The polls will open at 8:00 A. M. and close at 6:00 P. M.

farmers voting vote against marketing quotas. If quotas do not carry cotton allotments will remain in effect and the only cotton program will be the price support at 50% of parity for growers who do not exceed their acreage allotment. This price support should be about 21¢ per pound. If quotas do carry by two-thirds or more of the farmers voting the new cotton program will be in effect and is voluntary. If marketing quotas are approved

marketing quota penalties will be due on excess cotton as in the past and the new cotton program will be in effect. The farmers who want to take part in the program and thus become a co-operator agrees to divert at least 12 1/2% of his effective cotton allotment into soil conservation uses. For this the co-operating farmer will be eligible to receive price support loans and payments and acreage diversion payments. The price support

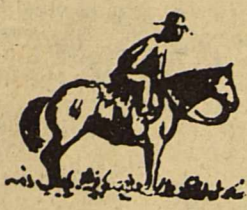

payment will be 9.42¢ per pound. This payment will be earned on the farm's domestic allotment which will be 65% of the effective allotment. The total price support payment will be 9.42¢ per pound times the projected yield per acre times the domestic allotment, if not less than 90% of the domestic allotment is planted. The diversion payment rate will be 10 1/2¢ per pound. This will be earned on the acreage diverted

from cotton production and put to conservation uses. The payment will be 10 1/2 times the projected yield for the farm per acre times the acreage diverted. Farmers will have a choice of diverting 12 1/2%, 25%, or 35% of the farm's effective acreage allotment. There will be a special provision for small farms with 10 acres or less. To participate in the program all farmers must sign an application to participate. The sign

up date will be announced later. If marketing quotas carry more information in regard to the program it will be released as it is received. On the same date Tuesday, November 23rd, when farmers vote either for or against marketing quotas they will have an opportunity to vote on whether or not they want to permit local cotton acreage allotments to be sold or leased to other cotton growers that had a 1965 cotton allotment est-

ablished in other counties in the same state. For any county to be eligible to sell and lease cotton allotments to be sold and leased out of the county the farmers must vote favorable by two-thirds or more. Should the marketing quota referendum carry and some counties vote to sell and lease allotments to be transferred to other counties, farmers interested in buying or leasing should keep in mind that if they

have a 500 pound projected yield proven for their farm and should buy or lease some acreage with a 250 pound projected yield they would have to buy two acres to get one. All cotton allotment notices have been mailed to farmers and the counties projected yield should be received soon. The projected yield for each county will be set up according to the cotton produced in the county and since SEE FARMERS PAGE 5

Pictured by the Yoakum County Centennial Marker are Mrs. P. W. St. Romain, President of Yoakum County Historical Committee, Raymond Bookout, Commissioner, Precinct 3 and Mrs. I. A. McConnell, Secretary of the Yoakum County Historical Committee.

Yoakum County Court Restores Marker

The Yoakum County Historical Committee, with the help of the County Commissioners Court have moved and restored the 1936 Centennial Marker. The marker was placed at the intersection of highway 214 and 380-82 in 1936. The marker was defaced of its Texas Medallion and plaque by vandals several years ago. Permission was gained from the State Historical Society to move the marker to the Court House lawn if restoration could be made. Mr. Raymond Bookout, Commissioner of Precinct 3 moved the marker and the following restoration reads as follows:

an author. Indian activity and frontier hazards made growth slow. Only itinerant buffalo hunters and scattered ranches here until after 1900. County organized September 7, 1907 by 1910 population reached 602 as result of sale of state lands. Discovery of oil in 1935 brought industry and more people. A "Bonus Shack" typical of cabins used by homesteaders is used as a Historical Museum in Plains. The County Seat, 1965. State of Texas 1936 Medallion, Restored 1965. The "Bonus Shack" mentioned in the plaque is the Tsa Mo Ga Memorial Museum opened to the public during the summer months or a member may be contacted for special showing during the winter months.

Gov. Griffin

Lions Boss Visits Local Club Today

District Governor Alton R. Griffin of 2T-2, will be in Plains Thursday to meet with the local Lions Club. Governor Griffin will give a program on the work of Lions Clubs in our area and following the noon lunch hour he will meet with the Directors of the local club and help them plan their work. All Lions are urged to attend. Governor Griffin was elected in Plainview last summer at the District convention. A host of delegates from Plains went to Plainview and supported Griffin in his successful bid for election. Lion Boss, Murrell Thompson, extended his thanks to the community for their support of the Pancake Supper last week. Thompson reported that the Lions made \$75 from the event. Thompson stated that he can not stress the fact enough to urge the local Lions Den to give perfect attendance to hear the district governor.

Visiting Lions are expected to be here from Denver City, Brownfield, Morton, and the other towns in the vicinity. Thompson, is the Lion Boss for this year, and is the manager for the local office for the Soil and Water Conservation.

Western Grill Opens

G. Chapman, owner and operator of the Gulf Service Station in Plains announces the opening of The Western Grill which joins his station on the Denver City Highway. Chapman stated that Mrs. Hazel Kee will do the cooking, and that the cafe will be open from 6:00 a. m. until 10:00 p. m. The Western will feature lunches, short orders, sandwiches, and steaks. Chapman has been a resident of Yoakum and Terry Counties since 1923. He has been in Plains for three years.

Sen. Tower Will Fight Inflation And Nail Reds

Looking forward to the new Congressional session starting in January, we can see a number of pending items of concern to Texans. Most important will be any renewal of the Right-to-Work repeal fight, and we will continue our interest in maintaining a strong American stand against Communist aggression. But, I expect one of my areas of greatest activity next year on behalf of Texans will be attempts to cut short the inflationary trends that face our nation and to obtain additional tax law adjustments so that a more reasonable tax load can be obtained for each Texan.

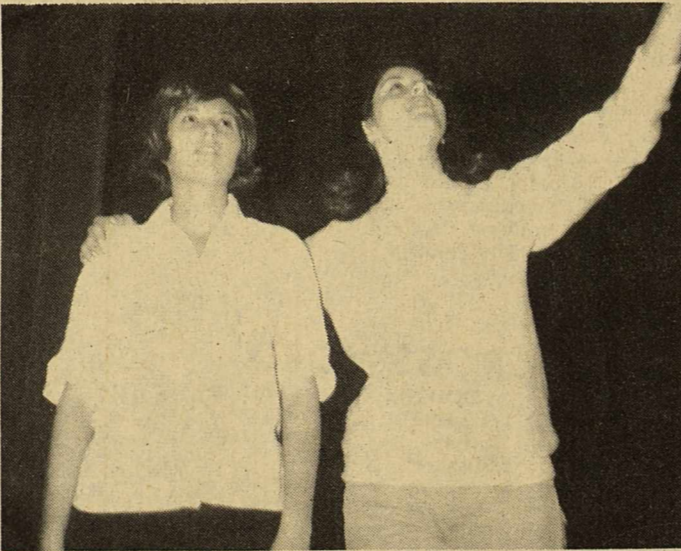

It is a matter of grave concern to me that continual federal deficit spending, the paying out of dollars the government does not have, has driven the cost of living ever upward. For a majority of Texas wage earners 1965's federal income tax cuts will be more than offset by the ever-increasing cost of living and by the increase in taxes needed to pay for Medicare.

Figures from the Treasury Department show what a married man with two children will have to earn next year just to maintain the same buying power he had in 1963:

1963	1966
\$ 4,000	\$ 4,087
6,000	6,175
8,000	8,217
10,000	10,232
12,000	12,247
15,000	15,232

More shocking than the above table are the figures affecting Texans living on Social Security and similar pensions. Even with the recent seven percent cost-of-living increase in Social Security benefits, an increase I fully supported, these pensioners now have less buying power than they had in 1958 and 1954 under the Eisenhower Administration.

Inflation has eroded away all of the Social Security increase voted this year. A person who has paid into the Social Security Fund since 1940 on an annual salary of \$3,000 has \$9.19 less purchasing power today with his larger check than he had in 1958.

"Laura, come here and make a wish on the moon," says Rita Jo Snodgrass, who plays Amanda Wingfield, to Bonnie Clanahan, who plays Laura Wingfield.

Drama Club Casts Glass Menagerie

The Plains High School drama club is proud to announce the cast for the University Interscholastic League one-act play. The play that has been chosen this year is The Glass Menagerie by Tennessee Williams.

The play will be a very definite challenge to the actors who have been cast for the parts.

The Glass Menagerie by Tennessee Williams is a memory play; therefore, it is not realistic. However, the characters themselves are very real. Amanda Wingfield (Rita Jo Snodgrass), as Williams describes her, is "a little woman of great but confused vitality, clinging frantically to another time and place. Her character must be carefully created, not copied from type." Laura Wingfield (Bonnie Clanahan) has a slight limp which makes her feel very inferior and self-conscious. "Stepping from this Laura's separation from reality increases till she is like a piece of her own glass collection, too exquisitely fragile to move from the shelf. Tom Wingfield (Darryl Edwards) a character and narrator of the play is "a poet with a job in

a warehouse. His nature is not remorseless, but to escape from a trap he has to act without pity. These are very difficult characters to portray and it will be a real challenge to the cast.

Store Hours

Many stores in Plains will close early Saturday in order to attend the football game in Andrews. Most of the merchants and businessmen have called or notified the staff of The Record that their stores will close at 5:30, and some have stated that they will close at 5:00 p. m.

Residents are urged to do their shopping early because of the hours which will be kept at most stores Saturday.

Take Photos

G. D. Kennedy announced that the picture retakes for the school annual will be Tuesday November 23. Those wishing to have pictures taken of preschool children should be at the homemaking room in the high school building by 8:15.

Pokes Gun for Dogs!

Bo Stephens and his Ag boys pictured with the 12 ga. shotgun which they will give away in December.

Aggie Turkey Shoot Postponed for Game

Members of the Future Farmers of America announced this week that their "Turkey Shoot" which was slated for 9 a. m. Saturday morning at the caliche pit north of the airport, will be postponed until December 18, due to the Bi-District game in Andrews. Positions on the program will be arranged December 18 during the shoot. Turkeys and hams will be offered as prizes. The boys in the F. F. A. urge all eagle eyes to turn out with their long toms to try to win a prize. The proceeds of the shoot will go to the Ag chapter to sponsor their programs for the year.

Chances are still being sold on the shotgun which will be given away at the shoot. Tickets may be obtained from any member of the F. F. A., and one does not have to be present to win. Bo Stevens, local Agriculture teacher, is the faculty sponsor for the Future Farmers. Six new "greenhands" were initiated into the chapter this year. The initiation was conducted recently. It was also reported that all of the Ag students have gotten their projects under way for the academic year. The projects this year include cattle, swine, and sheep.

Lancelle Dairy Plans Open House

One of Yoakum County's new industries is inviting the public to an Open House Sunday, November 21, between 12 and 3 P. M. It is the Lancelle Dairy Farm, located 13 miles west and nine miles south of Plains. Mr. and Mrs. Lance F. Ellis, Jr. are the owners. Ellis who came to Yoakum County from Tulsa, Oklahoma, was formerly a Chemical Engineer with Standard Oil. His wife is Mary R. Ellis. They are the owners of the Lancelle Ranch of the Lance-L Brand. The dairy farm occupies four sections of this spread. Ellis has a herd of 489 dairy cattle, consisting of Holsteins and Guernseys. The Lancelle Dairy Farm is a \$300,000 industry for Yoakum County. Ultimately it will provide a livelihood for

15 families. Jack Reed is foreman. He is well known in the dairy and food business in both Yoakum and Dawson Counties. The farm produces 1000 gallons of milk per day. DeLaval Milking Equipment is installed in the modern milking barn. Expensive Mueller stainless steel storage tanks are also installed in the barn. The dairy farm production meets the highest health department standards. A heavy duty transport hauls 1000 gallons of milk from the farm daily to Bell Dairy Products' processing plant in Lubbock. Bell uses the entire production of the farm. Open House will be November 21, from 12 to 3 P. M. The farm will be open to the public beginning at 10 A. M. Free milk and ice cream products will be served courtesy of Bell Dairy.

Extended Phone Service Nears Completion Date

P. W. St. Romain, manager of Romain Telephone Company, Plains, announces that extended service to the Higginbotham exchange will soon be offered to the residents there. Romain stated that plans call for the project being completed within the next 45 days. The local Telephone Managers said that this would mean that about 60 additional families will be added to this exchange.

It will be possible for people on the Plains exchange and the Higginbotham exchange to dial each other without going through long distance. Instructions explaining the details will be published at the time of completion of the project. St. Romain stated that this project will be of great value to the business people of both communities. The Plains Cowboys brought all of the honors of District 5A to Plains High School Friday night in ending the regular schedule for the year by crushing the Stanton Buffaloes 82-30 at Cowboy Stadium. The Plains team finished the season undefeated in district play and had an overall 9-1 record for the year. By winning the championship of the District, the Pokes will meet a highly regarded Coahoma team for the Bi-District Football Game in Andrews Saturday at 7:30 P. M.

The Cowboys took the lead the first time that they got the ball and struck with lightning speed all night, grinding out some and breaking away from all parts of the field to their most impressive victory of the year. Stanton had recently been moved for AA ball next year, but will long remember the licking that they were handed by the Plains eleven in the game last Friday night.

It was a night of many thrills for the Cowboys fans as their home team smashed out-classed Stanton. Ronnie Elmore and Joe Dan Cooke each bagged four touchdowns for the evening and were joined by the remainder of the Plains offense by running up the score. Stanton was impressive in the air and put on the best passing attack that the Cowboys have faced this year, but the Plains offense was not to be denied as they kept spreading the gap in the score. The game was out of reach early in the second quarter for the Buffs, and the second unit, like the regulars scored at random.

The Cowboys will lose 11 of the team members by graduation this year, including Cooke, Elmore, and Alvie Faulkenberry.

Andrews Rolls Out The Red Carpet

The city of Andrews is expected to go all out Saturday when the Bi-District championship football game between Plains and Coahoma is determined at Mustang Football Stadium in Andrews at 7:30 P. M.

Members of the Chamber of Commerce met with the Cowboy Boosters in Plains this week in order to plan a giant welcome for the many fans who are expected to make the trip for the big gridiron clash Saturday. Tickets were reported selling at a fast rate in Andrews at Press time and the radio station in Andrews with the Andrews paper are giving the contest area publicity. The Andrews Boosters are ushers. One spokesman in Andrews said that Coahoma may not be ready for Plains, but Andrews is ready and waiting. Andrews is reported to be football minded and the city

will be divided in half with the residents of one side of town urged to sit on the Plains side and cheer for the Cowboys, with the other side rooting for Coahoma. The eating places in Andrews are going all out to accommodate the football fans. Many will stay open until after the game and will also be ready for those people who will arrive early. Spokesmen in Andrews stated that their own District championship dreams were shattered with their loss to the Monahan Lobos last Friday and that they will support the visiting teams like they would have supported the Mustangs. Andrews boasts a 3 1/2 million dollar High School Plant with a stadium which is comparable to Jones Stadium on the Texas Tech campus in Lubbock.

Members of the Andrews Chamber of Commerce, the Andrews Mustang Boosters and the civic organizations extend a special invitation to the Plains people to visit Andrews and see the big game.

Pigskin Tickets Now On Sale in Plains

Tickets have been placed on sale for the Plains-Coahoma Bi-District Football Game at the Plains High School in the Principal's Office, said Mr. G. D. Kennedy, Superintendent. Some 400 adult tickets have been allotted to Plains for sale here, with tickets being sent to Coahoma and surrounding towns of the Andrews area. Game time will be at 7:30 P. M. this Saturday in Mustang Stadium in Andrews. The Andrews football stadium is one of the finest in the nation, looking more like a large college stadium than a high school ball field.

Western Grill Opens

No reserve seats will be sold for the Championship game. It will be on the first come, first serve basis, but all of the seats are good ones in the giant Mustang Stadium. Plains will be the visiting team in the grid contest, and Andrews will cheer their fans equally to divert for the opposing teams. Members of the Andrews Chamber of Commerce, the Andrews Mustang Boosters and the civic organizations extend a special invitation to the Plains people to visit Andrews and see the big game.

CAYCE'S CORNER

It has been many a moon since Old Cayce has seen anything that can equal the eagerness and preparation that the good people of Andrews are displaying for the Bi-District game to be played there Saturday night.

Our good neighbors to the south have even gone to the trouble of dividing their city into sections to support the opposing teams. If hard work means anything, we should enjoy our visit to Andrews.

I enjoyed my visit in Andrews Monday, and especially my visit with Jim Ulmer, who is the executive vice president of Andrews Savings and Loan Association. Jim is no stranger to many people in Yoakum County and when it comes to cotton talk he rates with the old pros. In fact his public relations were so good that I forgot that I was in one of the oil capitals of the nation instead of cotton country.

It was also a pleasure for me to visit with two of my favorite cousins, Maurice and Bob Simmons, who are in the furniture business in Andrews. It turned out to be almost a family re-union with my mother and my aunt and uncle from Fort Worth being there.

In Plains this week it was also A-1, with the fine showing of Rip Sewell's Cowboy quad, the Indian summer lingering, and the cotton crops looking better and better. It was a different atmosphere than that which loomed on our horizon last spring when the winds and drouth had us down for what appeared to be the long count.

The ladies of Tsa Mo Ga are working hard to sell their tickets for the Hope Chest full of linens which they will give away soon. The money is earmarked for a most worthy cause and I can't stress the fact enough that if you can possibly help these ladies, then by all means do so, because they certainly help our community with their varied civic and community projects. They are also one of the finest patriotic clubs in our country, and this is saying a great deal, when so many of the organizations want to raise funds to be sent to outer Slobovia instead of doing a fine job at home where it really counts.

The tip of Cayce's hat is extended to these gracious ladies who deserve our support.

If most folks only lived up to their ideals they would be stooping pretty low most of the time. According to the Bible even man's imagination stoops to being wicked.

Few people would feel enthusiastic over science after they had been caught in a radar speed trap.

If everyone who sleeps in church were laid end to end they would be more comfortable and our church pews would be more nearly filled.

Uncle Jay Bob says - If you don't believe every kid in the country is getting a higher education these days you just haven't been in to pay your taxes.

It always looks like prosperity is just around the corner - especially when our neighbors drive by in a new car.

Some folks try to tell us that the folks who drink are a real bonanza to the tax revenue fund. In this month's Reader's Digest we read that it costs the Highway Department of the State of Michigan thirty-two cents per car to rid the highways of this type rubbish carelessly thrown along the highway by those who drink. Something to think about.

Miss Georgia Gentry writes that through the request for letters made through this column a few weeks back she has received over a dozen letters from Texas folks. She is so thankful and will answer each letter in time.

We should always borrow money from a pessimist - he doesn't expect it back anyway. Speaking of borrowing money - it is unlikely that any part of our economy has undergone as much change in the last fifty years as has the money loaning agencies.

Most of us remember the story of the fellow who tried to borrow ten dollars and the lender tried to talk him down to five. Nowadays, the money holders are all trying to share it with their fellowmen for a very competitive fee.

"Twice when seeing red means you should stop - Driving the highway, or blowing your top."

On Drinking a Cigar

Held liable for damages, the defendant in a lawsuit angrily demanded that his lawyer seek a new trial.

"The plaintiff deliberately tampered with the jury," he charged, "by treating each juror to an expensive cigar. We have a statute forbidding that sort of thing."

"All our statute forbids," retorted the plaintiff, "is treating the jury to 'food or drink.' Cigars are neither food nor drink. Therefore, I am in the clear."

But the court, taking into consideration the purpose of the statute, decided that "food or drink"

did include cigars. As one judge explained, we can "drink" the wind - so why can't we "drink" a cigar? That is an extreme case, of course. But it illustrates why the law is not always content with the definitions given in the dictionaries. A dictionary would scarcely define a cigar as something to drink. Yet the court felt that, to fulfill the purpose of this particular statute, it must reach beyond a mere dictionary definition.

Oddly enough, one reason Lawyer Noah Webster wrote his dictionary was that he found Samuel Johnson's dictionary inadequate in its definitions of legal terms. Still, the law constantly finds it necessary to look further for the last word on words.

Suppose, for instance, that somebody sues you for calling him a "crook."

A dictionary will provide the general meaning of that word. But exactly what did you mean when you said it? Did you shout it, in fun, at the umpire in a baseball game? Did you growl it, in earnest, at the corporation president in a stockholders' meeting? The difference in meaning is enormous.

The same is true of words you use in making a contract. A dictionary will define "profit" and "approximately" and "guarantee." But the law must discover what those words meant to these particular individuals when they entered into this particular contract.

Judge Learned Hand once wrote: "Words are chameleons, which reflect the color of their environment."

It is only by exploring that environment, and measuring that reflection, that justice can truly be done.

Editorial For The Record

We believe that credit should always be given where it is deserved, and we want to be the first ones to say thank you to the entire committee who worked so very hard to get us a doctor in Plains. We also want to extend our appreciation to our four county commissioners, Mrs. Loe, Mr. Bookout, Mr. Brown, Mr. Cotton, and to our county judge for their cooperation in leasing the County Clinic to Dr. Bill Walker.

Those people who worked long and hard to get us a doctor in our little city also deserve our praises. If we omit anybody, it will be an honest error, and we know that we will, but here goes: D. C. Newsom, Joe Curry, Less Barrett, Hoss Newsom, Roy Edwards, Roy McGehee, Bill Loyd, P. W. St. Romain, Rev. Tarkington, Rev. Johnnie Moore, and Cleatus Phelan, and all of the other fine people who we have overlooked.

We realize that our editorial policy at times seemed harsh to many people, and we offer no apology because we were not attacking anyone, but instead were crusading for the health and welfare of our community, which is important to every citizen living within our area.

Once more we say thanks and tip our hat to those many fine people who were instrumental in bringing Dr. Walker to Plains.

Tsa Mo Ga Hope Chest Tickets

Members of the Tsa Mo Ga Club are selling chances on their Cedar Chest of assorted linens for their annual fund raising campaign, said Mrs. Bill Loyd, president.

Mrs. Loyd stated that some of the projects which such

funds are used to support are: American Legion Girls State, Cemetery Fund, Keeping up the Museum, Community Improvement, Operation Santa Claus, Aide to the Convalescent Home, honoring Senior Citizens, and maintaining

their Club House.

The Cherry Maple Cedar Chest filled with an assortment of linens will be given away during the Tsa Mo Ga Annual Christmas Bazaar, held in the American Legion Hut on November 22, at 8:30 p.m. Tickets are on sale for \$1 each and may be purchased from any Tsa Mo Ga member.

The Annual Christmas Bazaar will feature a large gift selection of handmade articles made by clubmembers, pastries, and a chili supper for the family. The bazaar will start at 6:00 p.m. on the evening of November 22.

The Cherry Maple Cedar Chest was purchased from Cogburn-Young, True Value Store and is displayed in the window of Moore & Oden.

On Monday November 22, the American Legion Hall will be open from 1:00 p.m. until Bazaar time for Tsa Mo Ga members to bring their items in.

State Line News
BY MARGARET BOX

The State Line Home Demonstration Club met Wednesday afternoon in the Denver City Community Building in a joint meeting with Denver City Club.
Many of the "Food Fads" were discussed by Mrs. Joe Henry Thompson, home ag-

ent. She stressed that if we would plan out daily meals around the "Basic Four Food Groups", we would be better nourished and not help the food faddists to become richer. The Basic Four Food Groups are: Milk and Milk products, Meats, Eggs, and Fish, Vegetable and fruits and breads and cereals.

Correct measurements were also taken for those women who plan to take the sewing class. December 13-14 were designated as sewing days for State Line Club.

Announcements were Vivian Liner of Southwestern Pu-

blic Service will demonstrate "Holiday Cooking" at 1:30 pm November 17 in the Club Room in Plains. 4 - H awards program at Plains Cafeteria at 7:30, November 22, Council Christmas program at 1:30 in the Mrs. Joe Henry Thompson home December 7.

Punch, coffee, and muffins were served the 15 women including the State Line members, mesdames Lee Roy Box, R. G. Hartman, Tom Box, Leon Thompson, Roger Dennington, and Mrs. Hayden Box.

Mr. & Mrs. Hayden Box attended the Silver Wedding Anniversary of Mr. & Mrs. Jesse

Mize in Ralls, Sunday.

Steve Saunders of Plains spent Tuesday night with Danny Simpson of Bronco.

Mr. & Mrs. J. A. Turner and family of Lovington visited Mr. & Mrs. W. P. Turner, Leora and Louella Sunday.

Mrs. Alma Lynn McGinty & Mrs. Virge Been visited Mrs. W. P. Turner Thursday afternoon.

Mr. & Mrs. Earl Kiser were in Lubbock Tuesday for Medical checkup for Mrs. Kiser.

Mrs. Alma Lynn McGinty visited her daughters in Lubbock Friday.

W. M. U. met Thursday afternoon in the Bronco Baptist Church, Mrs. Terry Bacon gave the program. Those attending were Mesdames Cecil Evans, Wayne Davis, Gertie Davis, Jesse Allen and Mrs. Terry Bacon. Those attending Sunbeams were Tammy and Dayne Bacon, Ronald Gayle, Davy McGowan, Wayne Lee Davis, and Mrs. Loren Gayle.

Mr. & Mrs. Lee Roy Box were in Clovis Tuesday.

Mr. & Mrs. A. H. Bacon went to Capitan, New Mexico Friday afternoon for a weekend of hunting.

Supper guests in the home of Mr. & Mrs. Tom Box the past week were Mr. & Mrs. Ira Tidwell, Randy and Lyndyl, and Mr. & Mrs. A. H. Bacon, Davy McGowan, and Bayne Bacon.

REVERTING CALLS ON PARTY LINES

If all the digits in a number, except the last are the same as yours, they are on your party line.

To make a reverting call to this number, dial 66 for Plains and dial 6 for Higginbotham, then the last digit of your number, followed by the last digit of the called party, then replace the handset and both telephones will ring. When the called party answers, the ringing will stop. Then lift the handset to talk.

4-H CLUB NEWS

A regular monthly meeting was held by the Lucky Clover 4-H Club, November 8, Monday night in the Youth Center of the Old Courthouse. Janalyn Lambeth, president presided. Sue Cleveland acted as secretary until Peggy Rushing secretary arrived.

Sheila Taunton led the 4-H prayer and motto. Jimidene Murphy led the pledge of Allegiance. Kathleen McGinty brought the devotional. Leo White led the song "The 4-H's".

A project on "Money Management" was presented by Mrs. Tom Box. She pointed out that by spending our money wisely, it would buy more of the things we wanted. She asked the group to list all money received and money spent for a month, so we might better understand how we are spending our money.

The officers will meet Monday night, November 15 to help plan 1966 yearbook. The officers are: Janalyn Lambeth, president; Peggy Rushing, secretary; Mike Blount, treasurer; Gary Randal, council delegate; Elaine Todd, song leader and Tommy Guy Box, reporter.

Plans were made for the December 13 meeting. Boyce and Lowell Trout are in charge of recreation and Janalyn and Bryan Lambeth will have refreshment.

Leo White invited everyone to the 4-H Awards program at the school cafeteria in Plains at 7:30. He explained how important it was for 4-H Club members to keep record books and turn them in on time.

Sue Cleveland and Gary Randall furnished Dr. Peppers and cookies to 25 members. Adults present were Mr. and Mrs. Joe Crump, Mrs. Dick McGinty, Mrs. Lambeth, Mrs. Preston Murphy, G. W. Cleveland, Mrs. Tom Box, and Leo White, agent.

Dirt Gardeners Plan Operation Christmas

"Outdoor Lighting for Your Home" will be presented Thursday night, 7:30 p. m., at the regular monthly meeting of the Plains Dirt Gardeners Garden Club in the Clubroom of the Old Courthouse. Mrs. Joe Thompson will present a film, courtesy of a local electric company, and Mrs. Alvie Faulkenberry is scheduled as program director.

Roll call will be answered by a favorite family Christmas tradition.

Also scheduled on the program is: National Gardener Magazine five minute report, by Mrs. Mae Loyd; Decorating Christmas Gifts with Plant material, by Mrs. Robert Young.

Business to come before the group will include the completion of details connected with "Operation Christmas Card" sponsored annually by the Club and completing plans for Christmas decorations at the Plains Memorial Convalescent Center.

Hostesses will be Mrs. Robert Young and Mrs. Mae Loyd.

FARMERS, from page 1 ginners report their number of bales ginned from each county the State ASC Committee has fairly accurate records of how many bales of cotton each county produced in any of the past years.

Also if marketing quotas carry there will be an export cotton program similar to the one in effect for the 1964 crop year.

COTTON LOANS

Form A cotton loans will be disbursed by local ASC offices and loan documents may be prepared in the ASC office or at either of the county banks; or any bank or clerk outside the county that has been approved to prepare loans for Yoakum County producers.

All farmers are urged to check with the local ASC office or their county committeeman for any information in regard to the new program. This is a new program and it will take some time to fully understand all parts of the program, we will do our best to give the correct information.

OBITUARIES

Fidel Rodriguez, long time employee of the D. C. Newsom Gin Company was called to the bedside of his wife who was in Villa Aldama, Mexico, but while he was in route to reach her, Mrs. Rodriguez died.

Mrs. Rodriguez is survived by her husband Fidel, and five children. One son lives in Plains. He is Horacio Rodriguez, and employee of the Newsoms.

D. C. Newsom stated that he and Mrs. Newsom learned of Mrs. Rodriguez's death to late to attend the funeral.

Fidel and Horacio Rodriguez have many friends in the Plains area.

PHONE SERVICE fm. pg. 1 system has been well received in the area, the manager said that initially we planned on 10 units to start with, but have already installed 14 and have ordered equipment for eight more.

If information is desired concerning the mobile units the details may be obtained by calling the local phone office.

*** Coahoma May Not Be Ready But Andrews Is Ready And Waiting ***

Two coaches, Rip Sewell of Plains and Spike Dykes of Coahoma, struck a match to a long fuse this week and a whole house full of fireworks explode here Saturday night in a Bi-District playoff game in Mustang Stadium.

The Plains Cowboys, champions of District 5-A, and the Coahoma Bulldogs, the winner of District 6-A, will square off at 8 p. m.

Fireworks will fill the air as these two powerhouses climax an already explosive season.

Coahoma goes into the clash undefeated in 10 games while Plains dropped only one non-conference game to Friona, the champions of District 3-AA.

Both teams shattered the record books during the regular season and the feats they pulled off would make the pro teams envious.

For instance: Coahoma's

Bobby Pherigo returned a kick off 100 yards in one game this year against Merkel. And fullback Tony Butler, a 197 pounder, carried the ball 131 times for 1,107 yards averaging 8.1 yards per carry.

And if that isn't enough, teammate Johnny Gibson, a 171 pound halfback, hauled the ball 61 times for 825 yds. a brilliant 13.5 yard average.

Quarterback Marshall Williams tossed eight touchdown passes to his favorite receiver End Bobby Pherigo. Bobby's brother, Chuck Pherigo, is a promising soph. fullback.

Williams, who throws about a dozen passes a game, has completed 35 of 69 aeriels this season. But second string Quarterback Wayne Oglsby holds the Bulldog record for the longest pass play this year, a 67 yarder to Halfback Eddie Torres against Jim Ned.

If these statistics scare the Plains Cowboys, the Bulldogs

must shudder to think that.

The spearhead of the Plains Cowboy rushing attack for the season was a double threat with fullback Joe Dan Cooke and halfback Ronnie Ellmore gaining over 2500 yards between them. Cooke shattered all previous records in Plains with a total of 1487 yards for the 10 game season, and Ellmore broke the 1000 yard total with 1047 to his credit.

Four Plains backs garnered a grand total of 385 points and all four players had more than 50 points each. Joe Dan Cooke scored 156 points to lead in that department with Ronnie Ellmore registering 72, Dennis Crutcher making 54, and Butch Gayle totaling 53 points

And Cooke isn't the only man on the team. Halfback Ronnie Ellmore ran 83 yards against Sundown and Quarterback Bobby Taylor threw a 70 yard touchdown pass to Alvie Faulkenberry in the Wink game. Ellmore has caught six passes for 111 yards and one TD and intercepted nine aeriels for 88 yards and another TD this season.

Halfback Greg Jones returned a punt 57 yards against O'Donnell and Butch Gayle boored a 30-yard field against Sundown.

Quarterback Taylor passed 43 times, completing 15 for 316 yards and four touchdowns. Here is the way these two offensive giants of Class A

stacked up against opponents this year.

Coahoma scored 430 points in 10 games for a 43-point average per game. Their opponents tallied only 66 for an average of 6.6.

Plains racked up 389 points in 10 games for a 38.9 average while their opponents chalked up 110 points for an 11-point average.

Here are the season records

for these two teams:

Plains 34-0 over Sudan, Plains 7 Friona 21, Plains 25-0 over Farwell, 41-20 over Post, 37-12 over Sundown, 35-12 over Tahoka, 65-0 over O'Donnell, 35-0 over Seagraves, 28-15 over Wink, and 82-30 last week over Stanton.

Coahoma 20-0 over Rankin, 42-0 over Stanton, 37-6 over Big Spring Junior High, 44-0 over Roby, 45-14 over Roscoe,

41-8 over Jim Ned, 57-12 over Merkel, 46-14 over Rotan 48-12 over Aspermont, and 50-0 over Wylie.

Here are the probable starters: Plains, Bobby Taylor at quarterback, Donnie Crutcher right halfback, Ronnie Ellmore left halfback, Joe Dan Cooke fullback, Alvie Faulkenberry left end, Harold Swann right end, Dan Field right tackle, Billy Taylor right guard, Don

Smith left tackle, Eddie Tingle left guard, and Butch Gayle center.

Coahoma, Quarterback Marshall Williams, Eddie Torres halfback, Johnny Gibson halfback, Tony Butler fullback, Lawrence Lepard center, Mike Butler right tackle, Dean Bohannon left tackle, Bobby Pherigo right end and Mike Mosley left end.

CHURCH NEWS

The Friendship Sunday Class of the First Baptist Church met Thursday night November 11, for their regular monthly social in the home of Mrs. J. L. Bozeman.

The meeting was called to order by the President, Mrs. H. W. Randall, roll call was answered with a Bible verse and the opening prayer was led by Mrs. G. W. Cleveland. Plans were made for the annual Christmas party to be held December 9 in the Club Room.

A fruit basket was fixed for the Convalescent Home, after which refreshments of cake, coffee and spiced tea were served to the following members present: Mrs. H. W. Randall, John Camp, S. L. Price, W. P. Turner, W. L. Carnahan, Roger Harvey, G. W. Cleveland, Olan Heath and the hostess, Mrs. J. L. Bozeman.
