## Tsa Mo Ga Bazaar Hits Jackpot Sale

Several hundred people attended the Annual Tsa Mo Ga Bazaar at the American Legion Hall Monday night in Plains. Hours of work made the display of scores of items a festive and gala sale for the host of happy customers who were able to purchase homemade pastries, cakes, jellies, notions, and household goods, both large and small.

Even the children got into the act by buying grab bags at the novelty counter. The main event of the evening was the drawing for the winning ticket of the elegant cedar chest filled with lovely green and yellow linens. The lucky winner was Mrs. H. F. Barnes of Plains. All of the Tsa Mo Ga club members had sold tickets for the drawing for the hope chest.

The chest was of cherry maple following early American designs. The linens were described by many ladies as the pride of anyones home. A delicious chili supper was served to the many guests who came to look, buy, and to have an evening meal that is served annually at the Tsa Mo Ga Bazaar. The menu included many treats of fine Mexican food.

The large crowd came early and stayed late making the bazaar a holiday festival which highlighted the Thanksgiving social season in Plains.

Many articles prepared by the ladies of Tsa Mo Ga were placed in the Veterans box to be sent to the Veterans Administration Hospital in Big Spring.

Any person who did not get to purchase any of the fresh whole pecans or the Marion Kay Vanilla and Pepper may still do so by contacting any Tsa Mo Ga member.

Marlene Hamm, chairman of the Tsa Mo Ga Bazaar reported that this years program was perhaps the most successful one in the long history of the project.

Mrs. Hamm said that in excess of \$900 was raised at the bazaar before expenses for the chest and cooking items were figured. She extended her appreciation to the many ladies who helped prepare for the program and to all of the members who worked during the bazaar.

Special credit was extended to Mrs. Bill Loyd, president of

the club for her extra efforts which she extended to make the bazaar the success that it was.

The chairman also said that she wanted to thank the ladies who worked so hard this year and also on the program last year.

Those who she named on the finance committee were: Mrs. Garland Swan treasurer who took the money and her committee, Mrs. Dick Green, Mrs. Polly Rushing, Mrs. Charles Railey, Mrs. Kenneth Hale, Mrs. Wayne Davis, Mrs. Carl Stroup, Mrs. Darrell Lindsey, and Mrs. Joe Cobb.

Those on the Social Committee included: Mesdames R. R. Jones, Chairman, M. W. Luna, J. W. Moore, Jr., Ty Field, L. D. Hamm, C. F. McCargo, C. C. Perkins, Travis Bean, Raymond Bookout and B. F. Bartlett.

Special recognition for home baked foods and merchandise sold goes to Mrs. Sherm Henard.

## 4H Gold Star Members Share Unique Honors

Alton Earl McGinty and Linda Blair were selected as Gold Star members of the 4H clubs in Yoakum County this week and both of the members have something unique which they share.

Young McGinty and Miss Blair each follow in the footsteps of an older brother and sister who won the same awards in past years.

Alton is the brother of Kenneth McGinty, who is now a junior at West Texas State University and his sister Sylvia McGinty Cayce of Dallas. Miss Blair's brother is Royce Blair and her sister is Brenda Blair, who is a student at McMurry College in Abilene.

Being the Gold Star member for the county is an honor in itself, but when three young people out of one family win the award, then it is very unusual.

Over a hundred people were on hand to see the awards made by Judge Stanley Duval at the Plains Elementary School Monday night.

Both youngsters were proud of their honor and could hardly wait to send word to their brothers and sisters who had been Gold Star members in other years.

## Annual 4H Club Program Draws Large Crowd

The Annual 4-H Awards Program was held Monday night, November 22, in the Plains Elementary School Activity Room. David Box, the newly elected president of the Yoakum County General 4-H Club and 1965 District Delegate was master of ceremonies. Approximately 110 people attended.

The highlight of the evening was the awarding of the Gold Star medals to the outstanding 4-H girl and boy in the county. Linda Blair and Alton McGinty were the recipients of these coveted awards. Linda is the daughter of Mr. and Mrs. Barron Blair of Route 1, Plains and Alton is the son of Mr. and Mrs. A. E. McGinty of Plains. Linda has completed six years of 4-H Club work and Alton has completed seven years. They will be honored again for their accomplishments on December 6 when they attend the District Gold Star Banquet at Lubbock. County Judge Stanley Duval announced the Gold Star winners and presented them with the medals.

Another high light of the program was a short speech made by Jesse T. George, State Representative for this five county area. At the close of his talk he presented awards to Marie Van Nest and Jackie McDonnell for 4-H Achievement, to Dianne Fitzgerald for 4-H Leadership and to Linda Blair for Public Speaking.

Mr. Vance Brown, Commissioner for Precinct 1 presented awards to Royce Blair for Boys Agriculture, Alton McGinty for Beef, Mark Warren for Field Crops and Wayne Box for Swine.

The Clothing medals and Dress Revue medals were presented by Mrs. Harry Cayce to D'Linda Loyd, Gail Rucker, Kathleen McGinty and Sheila Taunton in Clothing and to Vicki Rucker and Donna Warren in Dress Revue.

Mrs. Hollis Hughes presented the medals in Dairy Foods and Bread. Those receiving Dairy Foods medals were: Sue Cleveland, Mike Hughes, Jackie Sue Bullock and Nancy Long in the Bread Division the winners were: Rojanna Harvey, Jimidene Murphey, Karen Sewell and Melanie Hardin.

Mrs. Preston Murphy presented the medals in Foods and Nutrition, Food Preservation, and Recreation. Food medals were awarded to: Elaine Felts, Sue Spencer, Joetta Warren and Lynne Fitzgerald. Food and Nutrition medals went to Julia Hardin, Beth Ann Hale, Kathleen McGinty and Debbie Chadwick. The Recreation medal went to Kathy McPherson.

Mrs. Pearl Loe, Commissioner from Precinct 4 made the presentation of the Cookbook. Debbie Chadwick received the Cookbook for overall work in Foods.

Mrs. Tom Box, director of Texas Home Demonstration Association, presented certificates to the following 4-H Adult Leaders who worked with 4-H members in their foods and clothing workshops: Mrs. Hollis Hughes, Mrs. A. L. Anderson, Mrs. Ed Smith, Mrs. James Warren, Mrs. Johnnie Fitzgerald, Mrs. Barron Blair, Mrs. Dickie Green, Mrs. Foye Flood, Mrs. Bob McDonnell, Mrs. Preston Murphey, Mrs. L. T. Sewell, Mrs. Murrel Hardin, Mrs. W. P. Turner and Mrs. Grady Warren.

Mrs. A. E. McGinty presented First Year pins to: Bryan Lambeth, Sherry Flood, Kathy Hughes, Karen Hale, Sheila Taunton, Lillie Sue Nelms, Sherry Terrall, Elaine Felts, Gail Rucker, Nancy Long, Mike Hughes, Donna Warren, Stephenia Green, Mark Warren and Gwen Fitzgerald.

Mrs. B. D. McDonnell presented second year pins to: Jackie Sue Bullock, Karen Sewell, Mike Wilkins, Gail Anceine, Vicki Rucker, Beth Ann Hale, Pamela McDonnell, Jerrie Jones, Claire Hardin, Kathleen McGinty, Janalyn Lambeth, Angelia Romans, Julia Hardin, Sue Cleveland, and Debbie Chadwick.

## Yeggs Hit Stores In Plains Monday

Don Rogers, Deputy Sheriff of Yoakum County stated that two break-ins were investigated in Plains this week. The break-ins occurred at Chaps Gulf Station and Horkey L. P. Gas stations in Plains. The spokesman from the sheriff's office said that a total of about \$25 was taken from the cigarette machines. Entry was made by knocking a hole in the front doors of the stations.

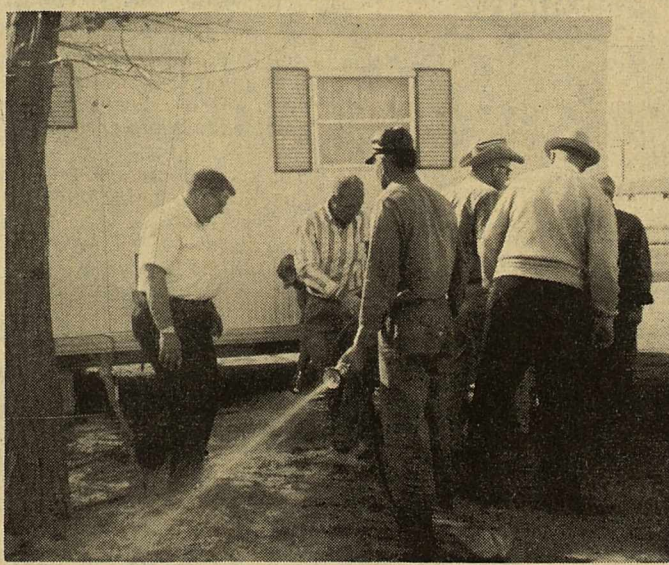

Officer Rogers investigated the Shell Station and Sheriff Heath conducted the investigation at the Gulf station. It was believed that out of town burglars broke into the stores.

In other action at the sheriff's office this week three Gallup, New Mexico men were

jailed Saturday night for drunk charges. The men plead guilty and paid fines in Judge Bandy's court.

In Denver City on Tuesday Rogers and Deputy Joe Deaton arrested five men on drunk charges. The men were taken into custody and placed in the Denver City jail. All five men pled guilty to the charges and paid fines. Deputy Sheriff Rogers stated that no major crimes or wrecks have occurred in the county recently. He urged all drivers to take extra caution during the Thanksgiving holidays.

The Plains policeman said that the highways in Yoakum County will be heavily patrolled during the Thanksgiving period.

When there is a fire a crowd soon gathers... even domino fans

## Domino Game Called Gashouse Gang Beats Blaze

At a few minutes until noon on Tuesday the alarm for fire was sounded in Plains, and the Volunteer Firemen rushed to the scene at the trailerhouse of Mr. and Mrs. Shorty Forehand next door to the Pic and Pay Grocery Store in their usual efficient and swift way, but alas, the boys from the Bronco Gas Company (Some women say it is the local gathering place of their wayward domino playing hobbies) were already at the scene of the fire, and they had the blaze under control, before the diligent firemen arrived.

One devoted domino player we won't mention any names, said, "at last our wives will realize that we are the watchdogs of the community and they will appreciate the fact that we drop by our favorite domino parlor each day and render a public service to our community."

One enthusiast of the domino contests said that he was sweating out a game as a fan and looked out the window and to his surprise he saw Mrs. Forehand running around the trailer and he told the others that something was wrong, so the tables emptied in a hurry and the boys from the Bronco domino tables went to the aid of a lady in distress.

In fact, the way that this fan told the story, it made the writer think of the stories of the knights in shining armor.

In fact, since the writer is a frequent visitor at the local domino scene, he also could recommend to the lovely spouses of the domino players that this is a most worthwhile way to pass ones spare time, but alas the purpose of this story was to cover a fire and not to editorialize about the ancient and honorable game of dominos.

After the fire the boys from across the street helped the firemen secure the hoses, and they rushed back to the tables to finish the game before dinner was ready at home.

Mrs. Forehand extended her thanks to the Plains Volunteer Fire Department for their coming to the fire, but she extends special thanks to the gashouse gang for being such watchdogs.

## F.H.A. Sells Cookbooks

The F. H. A. girls are selling dessert, casserole, meat and salad cookbooks. All occasion birthday and get well cards will also be sold. Those items are being sold for an F. H. A. contest. Anyone interested in purchasing some of the above named items can do so by contacting Janet Sealy at 456-2413, any evening from 5 to 9:30 p. m.

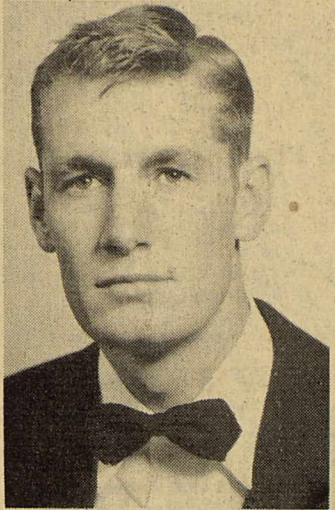

## Cleatus Phelan Elected Plains Chamber Prexy

Cleatus Phelan was elected president of the Plains Chamber of Commerce at the Tuesday morning meeting and assumed the office immediately. Phelan called a meeting of the board of directors later in the week to go over past minutes and to review the projects and the programs of the Chamber.

Mrs. R. J. Van Liew, who has been serving as office secretary for the Chamber of Commerce, submitted her resignation to the board of directors on Monday before the Tuesday meeting. Mrs. Van Liew has accepted a position as bookkeeper for Dr. Bill Walker, Plains M. D. She started to work immediately. Mrs. Van Liew, who also owns the Retail Merchants Association in Plains, stated that she resigned due to the fact that her new position is an advancement. She stated that she has enjoyed her association with the Chamber.

Phelan headed the new slate of officers and the others who were elected were A. E. Carpenter, vice president, Buford Duff, Bill Loyd, and Roy McGehee as directors, and P. W. Stroman as secretary and Treasurer.

Mr. Phelan is an attorney in Plains having graduated from the University of Texas Law School and having taken his undergraduate work in Geology and Engineering at Sul Ross College, Alpine.

CLEATUS PHELAN

Phelan is a Korean War Veteran, having served overseas, and is an active member of The American Legion.

Mr. and Mrs. Phelan attend the First Methodist Church in Plains. Mrs. Phelan is active

in Tsa Mo Ga and The American Legion Auxillary.

The new president of the Plains Chamber of Commerce announced in an interview that he will do everything within his power to set goals for his year in office to not only encourage new businesses to locate in Plains, but to assist the businesses and farmers in helping them to meet the present challenges that they face.

Phelan is also in the abstract business in Plains, having the Yoakum County Abstract and Title Company here in Plains.

Mrs. Bob Mason has been named to be the office secretary of the Chamber of Commerce starting December 1. said Cleatus Phelan, President. Mrs. Mason is an employee of The Plains Record and will continue in here duties there.

Jan is the mother of two children, and is an active member of The Young Homemakers. She is a native of Artesia, New Mexico. Mr. Mason is an employee of City Service Oil Company and was one of the Little League managers last summer. Both Mr. and Mrs. Mason are active in civic affairs in the community.

Let Us Give Thanks Unto God...

Whereas our forefathers declared that there should be a day set aside to give thanks for the many blessings which had been bestowed upon the pilgrims in New England.

And whereas it is possible for all men in our nation regardless of race, color, or religion, or creed to enjoy the abundance of blessings which freedom allows,

I, Kenneth Hale, Mayor of Plains do hereby set my hand and seal and proclaim Thursday, November 25 as a day of Thanksgiving in the City of Plains.

As your mayor, I call upon each citizen to give thanks in his own way to God for allowing us to remain the Land of the Free and for all of the bountiful blessings which He has bestowed upon our nation.

Kenneth Hale Mayor

## Cotton Issue Wins Vote

According to W. M. Overton, local ASCS Office Manager, Yoakum County farmers went along with the rest of the nation in approving cotton marketing quotas on the 1966 upland cotton crop. The total county vote was 219 in favor of marketing quotas and 6 against marketing quotas.

This was a 77 percent favorable yes vote. The marketing quotas having carried over the nation by more than two-thirds of the cotton farmers voting means that the new cotton bill recently passed by Congress and signed by the President will be in effect and a penalty of 50% of parity will be due on all excess cotton produced on a farm for 1966.

The office manager stated that according to the unofficial report called in from the ten voting boxes over the county the marketing quota vote carried by two-thirds or more in the Plains, C. G. & S. G. Tokio Coop Gin, Pleasant Hill Gin, Denver City, Wayside Gin, Yoakum Co. Coop Gin, and New Tex Gin Boxes. The vote at the Bronco and New som Gins did not vote in favor of quotas by the two-thirds majority.

The office manager reported that the balloting on the sale and lease of cotton allotments to other counties in the stated did not carry by the two-thirds majority required to make effective the sale or lease of allotments to be transferred out of the county. This means that Yoakum County farmers may not sell or lease their cotton allotment to be transferred out of the county; however, cotton allotments may be purchased by Yoakum County cotton farmers, who had a 1965 cotton allotment established on their farm, from other cotton farmers over the state that did approve the sale and lease of cotton allotments by the two-thirds majority.

## Bank Box Drive Now in Progress

The Plains State Bank is in its annual drive to rent their safety deposit boxes. Bill Loyd bank president, stated that if the boxes are rented now that the customers will receive free rent until the first of the year. Rental prices include sizes of \$3, \$5, \$6, \$8, and \$9 and payment now will carry the customer through 1966.

When interviewed, the president of the bank told how proud he is of the facilities of our bank, and how the local bank started in the temporary quarters on the Brownfield highway. Mr. Loyd pointed with pride to the fact that we have one of the most modern banks in the area here in Plains. The area where the safety deposit boxes are located is in a convenient place and the boxes are the latest and most modern types found in the largest

banks in the country. When the Plains State Bank was organized in 1957, at the end of the first day, the bank deposits reached \$1,100,000.00, and the deposits have almost tripled since that date. Deposits now total in excess of \$2,750,000.00, and the total assets of the Plains State Bank have reached over three million dollars.

The Bank president also stressed the fact that the officials of the Plains State Bank have pushed for progress in our community in the past, and that they will continue to fight for a better and greater Plains in the future.

Officers of the Plains State Bank include Bill Loyd, president, Lee F. York, inactive vice president, Cordell Huddleston, cashier, Vennum Fitzgerald, asst. cashier.

## Sen. Tower Texas Solan Plans Asian War Inspection Tour

This is the last time I will have the opportunity and pleasure of reporting to you this year. I will be going to Vietnam next week on an official inspection tour in my capacity as a member of the Senate's Armed Services Committee.

I want to express my thanks to the some 160 Texas radio stations and many newspapers which have carried this report during this year. I will resume my reports in January with the beginning of the new Congressional session.

That will be an important session in which action will be taken on many matters of concern to Texans, and I hope your newspapers and local radio stations will be able to present the report again at that time.

In my inspection tour to Vietnam, I will be talking with many Texas servicemen and obtaining their views about the adequacy of our equipment and our efforts to

defeat the aggression of North Vietnam.

Certainly, North Vietnam is the world's worst neighbor today.

And, that is one of the reasons American troops are in Vietnam. We just happen to think that nations are entitled to be left alone to live in peace in the way they feel is best for them.

Of course, the problem goes deeper than that. International Communism is the real bad neighbor. And, this fight in Southeast Asia is our fight too, because International Communism will advance just as long as we let it advance. There is fighting in Asia today because Communism remains convinced that it can eventually have its way by fighting. The Reds are wrong, but they certainly will not be convinced of that if we abandon Vietnam. I support the firm stand our President is making

king against Communism.

As Texans we certainly cannot abdicate our tasks with regard to our national defense establishment. Our state supports nine key Army installations; four key Navy installations and no less than 18 major Air Force bases.

The number of U. S. Defense personnel stationed on our state--both military and civilian--is nearly 250,000. The civilian and military defense payroll in our state is being run on about \$1.3 Billion dollars a year.

Key defense contracts fiscal year 1964 went to 1,200 Texas firms in 145 cities. Total amount of more than \$1.3 Billion. This state of ours has 44 cities which each contributed more than \$1 Million in defense contract work fiscal 1964. By fiscal year 1965 our state's prime military contracts will be running on about \$1.5 Billion. See War Inspection page

## Local Woman Has Unique Hobby

It isn't easy to be a mother, a wife of an active farmer, and to have a business to run at the same time. In fact it is hard enough for any housewife to find the necessary time in the day to enjoy a hobby, to work at an interesting craft, or to put her artistic talents to a test. But Marie Tidwell finds time to do all of these things, and more.

This season Marie is making a group of interesting gifts which she will send to those lucky people at Christmas. Marie has made some decorative stockings and has taken goblots and has used colored knit material to make a fancy hat and had put eyes and a nose and mouth on the glasses to create interesting nicknacks. These items are unique gifts which will brighten the day for lucky people that the gifts are intended.

Marie is taking a course in artistic flower arranging and

floristry, and not only is enjoying it, but she has an A average in the course.

Her advice to other people is to find the time to have a hobby. It helps people to forget their worries and is an aid to self development.

Mrs. Tidwell is about as busy as anybody in the community, since she has children from little league age to college level, but she has found time to make her life more complete by putting her artistic ability to use. Marie is also a grandmother and finds time to give attention to her grandson.

Mrs. Tidwell has also worked with ceramics and does the decorating in her store. She is the owner of Marie's Fashion and Fabric Center in Plains. She says that she is the happiest when she is doing something in addition to her regular work.

## Farm Bureau Meeting

Yoakum County Farm Bureau was represented at the Texas Farm Bureau's 32nd annual convention Nov. 14-17 at the Adolphus Hotel.

Some 2,000 persons, including more than 800 delegates from 200 organized county Farm Bureaus, attended the meeting at which state policies and recommendations for national policies were adopted.

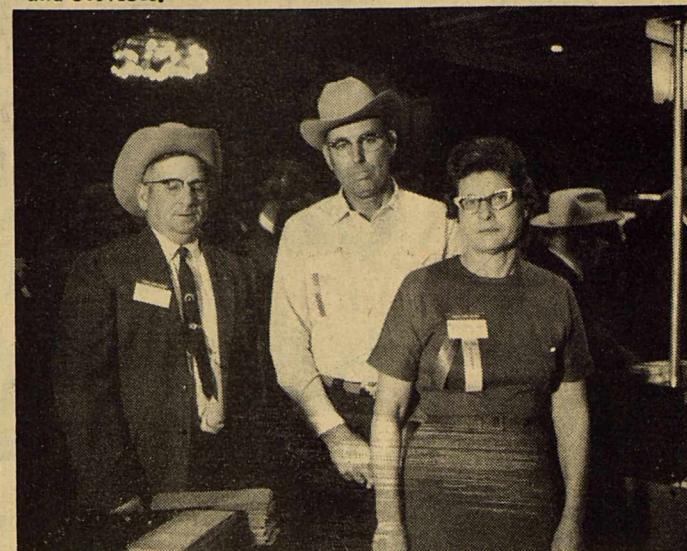

Speakers at the convention included TFB President C. H. DeVaney of Waco, TFB Secretary-Treasurer Edwin Sanderson of Paris, U. S. Senator John Tower, Texas Attorney General Waggoner Carr, and George Doup, president of the Indiana Farm Bureau.

Youth activities included Talent Find and Discussion Meet competition and Queen Contest. A pageant and recognition program Tuesday night honored counties for outstanding achievements in

membership acquisition and public relations.

Special conferences were held Monday afternoon on Livestock, Field Crops, Research and Education, Transportation-Communications-Utilities, Natural Resources, Farm Labor, Dairy, Poultry, and Services.

The business session at which voting delegates debated and adopted state policies and national recommendations got under way Tuesday afternoon. The voting on policies continued until adjournment Wednesday afternoon.

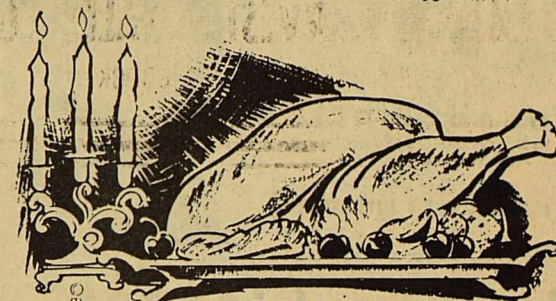

Attending the Texas Farm Bureau convention in Dallas were Dick McGinty, and Mr. & Mrs. James F. Williams.

COLD WEATHER DRIVING EXPERT PREPARES FOR WINTER.

## Why more motorists switch to the Tiger when it gets cold.

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around—stalling at stoplights and coughing and chugging halfway into town.

That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area—including a special

additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling.

You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new

cars and restore lost power and mileage to many older cars.

Switch to the Tiger and get that nice warm feeling. **Happy Motoring!**

Mrs. Robert Young grows fancy Chrysanthemums, and was very generous with them for the Center.

Such Gardeners as we have in this country. Some of the nicest big sweet peppers, and

lush tomatoes, were brought to us by Mr. & Mrs. H. O. Mus-ton.

It is amazing what these fertile Plains can produce. It is also amazing at the big hearts, these Plains people have. Mr. & Mrs. Barnes were so very generous, with some nice tomatoes for us.

The choir of the First Methodist Church, worshiped with us at the Convalescent Center last Sunday. We are so grateful to these fine people who give of their time and talents for us. They sang old fashioned hymns, and two beautiful specials. The song service is appreciated by the bed patients too.

We enjoy the nice Sunday School lessons, the Baptist Church people present to us each Saturday afternoon.

## CARDS OF THANKS

May I take this privilege to say thanks a million to all of our many good and faithful friends up that way. They helped make my stay in the hospital, that 141 days, a little easier. Thank you for each visit, all the kind words of advice, your prayers, flowers, letters and cards.

I can be up some in a wheel chair now, but must take it easy. So I will enjoy seeing each of you.

May God richly bless each and everyone of you.

With Love,  
Mrs. Jesse Murphy

## Fresh Apple Receipte

## Our Soil, Our Land!

\*\*\*\*\*  
BY  
C. MURRELL THOMPSON  
\*\*\*\*\*

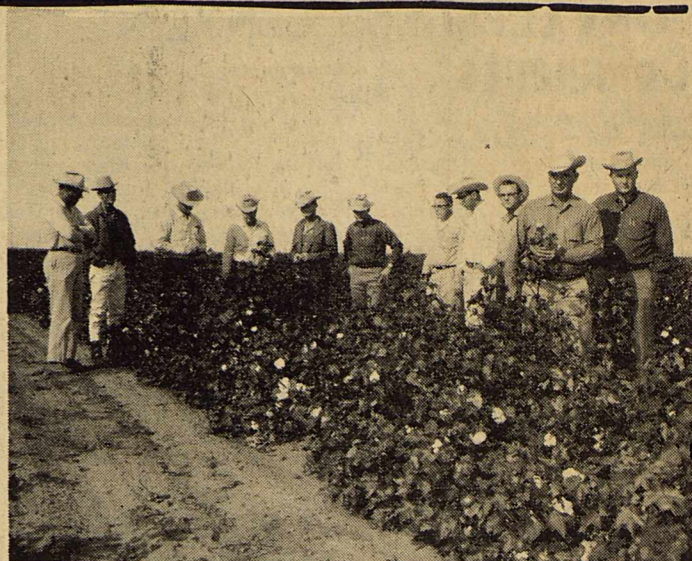

Friday of last week a group from Plains went to Lynn County east of O'Donnell to inspect a new Water Conservation practice that may become widely used in our local district. T. J. Bearden, L. L. Smith, Paul Cobb, Ray Bearden, Gilbert Pierce and C. M. Thompson made the trip.

They saw level parallel terraces that were built from one side (the down hill side), along with some land shaping or land forming. The area had been planted to cotton skip row, 2 in and 2 out. Where the terraces held the water 2 bale per acre was grown on dry land and where the land was not flooded by terraces

only 1/2 bale per acre was produced.

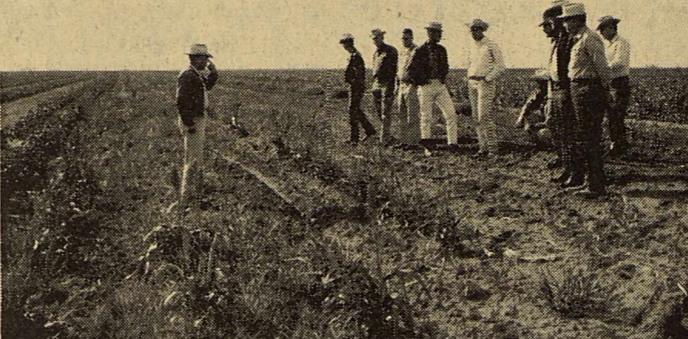

When terraces were the same distance apart from end to end and were put in on multiples of 4 rows so that 4 or 6 row equipment could be used to farm the land. There are areas in our District where the soil is heavy enough and has enough slope that we are getting run off from almost every rain. We cannot afford to lose any moisture when we get so little.

This is a new look at terracing, moisture conservation, and soil conservation. We think it has a place in our District all we need is a place to start.

The group here is inspecting cotton making 2 bales per acre dry land on land terraced with level parallel terraces built from the back side.

Photos by C. M. Thompson

Ben Day SCS Engineer is explaining to the group how the terrace was built. He is standing on the back side and the group is on the terrace.

Living for our country means searching out opportunities to serve and to strengthen it. It means being a doer in the community, accepting responsibility for improving the environment in which our children play, study and worship. It means showing respect for the flag and displaying it pr-

oudly as the symbol of the ideals and institutions we hold dear.

I particularly hope that the Congress will enact next year a "Vietnam G. I. Bill". On my return from Vietnam, I will report to you and to the Armed Services Committee upon the state in which I have found our defenses.

WAR INSPECTION CONT. FROM PAGE 1 work had increased by nearly another \$1 Million dollars to \$1.4 Billion dollars.

It is significant to note that the percentage of U. S. Defense contract work coming to Texas has been steadily increasing. In fiscal year 1962 Texans did 4 percent of U. S. defense contract work. In fiscal 1963 we were up to 4.8 percent. In fiscal year 1964 we did 5.3 percent of the work. Last fiscal year the percentage was up to 6.2. It should be especially pointed out that in many areas the Texas percentage is much higher. For instance, Texas do some 15 percent of defense contract work on airframes and nearly 25 percent of the petroleum procurement contracts come to Texas. Our plants provide some 7 percent of all ammunition.

General Eisenhower once said that "To live for your country is as demanding a duty as to die for it."

In addition, living for our country also means living up to our responsibility to provide well in pay and equipment for those men and women who are ready to die to protect us.

## Better Times for You

No other word than "if" starts off so many hard-luck stories. No other word explains so many failures. Yet it's the backward-looking word which crystallizes our experience . . . and when used as a guide, enables us to look forward with more wisdom.

► And thus contemplating what might have been . . . IF . . . we can make our plans and our resolutions to avoid the costly habits we have let ourselves take up in the past.

► For example, we might say "IF every dollar of local money that has been needlessly spent outside of this trade area in past years had been spent at home, those of us who live in this community would be more prosperous, happier and more secure."

► We can see more clearly how a dollar here and a dollar there . . . saved from dribbling away into the economic life-stream of some other community, will soon add up to brighter and more prosperous times . . . for us and our children, and for our friends and neighbors.
