TEXAS PRESS ASSOCIATION  
Member 1966

OTR 36TH YEAR THURSDAY, FEBRUARY 23, 1966, NUMBER 8

## Its Aggie Week

It is a privilege for the Plains Chapter of the Future Farmers of America to join the approximately 500,000 students of Vocational Agriculture through out America in National FFA Week. This is our opportunity to thank the good people of our community for their help and support. It is also a time to inform the community of our goals and accomplishments.

It should be reminded that Vocational Agriculture is not limited to just farm boys or those who expect to become farmers, but to those interested in agriculture.

Agriculture is dynamic and includes business, marketing, industry, finance, production, advertising, economics, research and many other phases of which Vocational Agriculture gives basic understanding and training.

It is necessary that each student of VoAg have a supervised project. This project might be a poultry flock, livestock breeding or feeding

program, orchard, fieldcrops, or others. However it is necessary that students keep record books itemizing all expense and income related to the project. As the project is closed the record book is processed by the student to determine yields and net profits or losses.

Probably no other public school course of study is so diversified. For example many small projects and practices are carried out by the boys.

In shop students learn plumbing, welding, lumber and building materials, proper use and care of tools, masonry construction, electrification and many other skills.

In the field students learn selection and care of animals crop identification and production methods, soil and water conservation and other practical farm skills.

The foundation upon which the Future Farmers of America organization is built, includes leadership and character development, sportsmanship, co-

operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

Vocational Agriculture is a course of study at Plains High School and part of the study takes students away from the school for contests, stockshows and educational trips. It is our good fortune that the student body, faculty, and administration cooperate with us at these times. Also, with in a few weeks, Plains Future Farmers will recognize, formally, several individuals and establishments who have been particularly helpful to the chapter.

The Plains FFA Chapter Officers are as follows:  
David Box, President; Oscar Henard, Vice President; Harold Swann, Secretary; Stanley Ashburn Treasurer; Moke y McCrary, Reporter; Jerry Lowry Chaplin; Mike Pippin, Sentinel; Bo Stephens is teacher of Vocational agriculture and serves as Advisor for FFA.

## Jr. Fat Stock Show Enjoys Hit Run in 14th Session

Total sales reached \$14,898.79 for the 118 animals in the Fat Stock Show auction sale last Saturday. Eighteen calves brought \$5,920.44 for an average price of \$38.54cwt. The 75 barrows going through the ring totaled \$7,165.70 and averaged \$46.94. There were 25 lambs that brought a total of \$1,812.65 and the average price for fat lambs was \$74.19.

Champions and Reserve Champions went through the auction at good prices and the entire sale moved rapidly lasting only three hours and five minutes. Auctioneer Hank Matthews of Levelland conducted a brief memorial service at the beginning of the sale dedicating the 1966 show and sale in the memory of Sperm Henard and Murphy Luna. Each of these men were loyal supporters of the Yoakum County Show from its very beginning.

The following sales order shows the business firms and individuals who contributed to the 1966 sale a huge success:

**GRAND CHAMPIONS**  
Billy Taylor, 924 pound calf, Yoakum Co. State Bank, D. C. John Gray, 197 pound barrow, Lovington Nat'l. Bank, Lovington, \$1.00

**CHAMPIONS**  
Billy Taylor, 97 pound mut-ton lamb, Lovington Nat'l. Bank, Lovington, 85¢  
Harold Swann, 86 pound fine wool lamb, Yoakum Co. Coop Gin, Plains, \$1.10

**RESERVE CHAMPIONS**  
Vicki Rucker, 834 pound calf Paul New, D. C., 70¢  
Jimmy Gray, 211 pound barrow, Yoakum Co. Farm Bureau, 80¢

**Deadline Filing City Election March 5th**

BILLY TAYLOR shows his Grand Champion Black Angus after sweeping the grand prize ribbon. Taylor's calf ended the jinx of the white-face reign.

Johnnie Fitzgerald looks at Lynn's Beef Gain Winner at the Fat Stock Show.

### Gain Contest Beef Champ

The beef calf gain contest sponsored by Mr. G. W. Cleveland was won this year by Lynn Fitzgerald who made her Hereford calf gain a total of 716 pounds during the 279 day feeding period which began on the third Saturday in May. Lynn's calf was named Sand Hill and he was bred by Lynn's father, Johnnie Fitzgerald who has some range land in the northeast corner of Yoakum County which probably accounts for the calf name. Sand Hill weighed 172 pounds in May and he weighed in at the show at 888.

Robert Field stood in second place in this contest with a 629 pound gain and Oscar Henard was third with 625. Others placing in the top ten were: Alton McGinty, 4th, 620; Kathy McPherson, 5th, 580; Craig McPherson, 6th, 567; Kathleen McGinty, 7th, 566; Kathleen McGinty, 8th, 556;

Vicki Rucker shows her Reserve Grand Champion at the Show

### Livestock Awards Given At Show

Alton McGinty was the winner of the Rusty McGinty Memorial Award this year. This award is given by Alma Lynn McGinty and her two daughters in memory of Rusty McGinty who was instrumental in organizing the Yoakum County Livestock and Agriculture Improvement Association in 1952 and served on it's

### Stock Show Lamb Gain Winners Named

Three lamb feeders came up with a 44 pound gain in the Lamb Gain Contest sponsored by Mrs. Daisy Clayton and there was only one loving cup. Sue Cleveland, Bryan Lambeth and Bobby Taylor are all winners in this contest. The two boys decided to let Sue have the Loving cup that was available at the time and they will wait until two more cups are ordered.

board of directors for many years. In order to win this award it was necessary for Alton to exhibit an animal in at least two divisions of the show. Alton had two calves and two barrows in the show and none of them were in the same class so he worked before the selection committee four different times.

Bobby Taylor did the best job of exhibiting lambs and received the lamb showmanship trophy awarded this year by his father, D. N. Taylor. Mike Pippin exhibited his two barrows in the show and was the winner of the Swine Showmanship Trophy donated by Mr. A. E. McGinty. Harold Swann exhibited calves for his brother Rex and also for Oscar Henard to become the winner of the Beef Calf Showmanship Trophy donated by Johnnie Fitzgerald. Rex had two calves in the light weight class and Oscar had two calves

## ENMU Presents Christabel In Plains Monday

Thespians from Eastern New Mexico University plan to be in Plains next Monday at the High School Auditorium for their annual presentation of the Children's Theatre. The public is invited to attend the stage production, and the author of the play will also be in Plains where she will see her play produced for the first time. It has been presented on other occasions, but the author has not seen it produced.

"Christabel," a charming play for children containing elements of mystery, enchantment, song, dance, and humor, is the selection for the 12th annual Children's Theatre tour by the Eastern New Mexico University School of Speech and Drama.

The 1966 tour will begin February 23 with two presentations of the production in Portales schools. Schools in nine other communities in

west Texas and eastern New Mexico will be visited by the touring group for an additional 13 performances through March 8.

Richard Lokken, theatre technical director at eastern, is director of the play and also set designer.

The 10-member cast includes Don Criss and Ralfanita Overton, Portales, Judy Blome, Roswell, Barry Bonessi, Milford, Conn., Linda Bachicha and David McCrary, Albuquerque, Tim McGinnis, Clovis, Janie Underwood, Berger, Texas, Everett Schleece, Lyons, N. Y., and Gayle Davis, Zunil.

"Christabel" is set in the Middle Ages and "should" have a general appeal to all age groups, "Lokken explained. Among the elements are a castle in an enchanted forest, a beautiful young princess, a gallant knight, and a very wicked witch complete with the traditional evil spells. Singing, dancing, and humor are also interwoven in the delightful story.

Other cities and dates of the tour schedule are Tatum Feb. 28; Plains, Texas, Feb. 28; Seagraves, Texas, March 1; Lovington, March 1 and 2; Artesia, March 3; Eunice, March 4; Jal, March 4; Midland Texas, March 5; and Friona Texas March 8.

Two performances of "Christabel" will be given in Lovington, Artesia, Midland, and Friona, as well as Portales.

ENMU production offers knight in shining armor and all the trimmings on the local stage Monday.

### At Chamber Banquet

## Sen. Tower to Speak

It was announced by Chamber of Commerce officials that United States Senator John Tower has accepted an invitation to speak at the Annual Chamber Banquet in Plains on Friday April 1st, in the school cafeteria.

Spokesmen for the Chamber stated that they were delighted that such a well known speaker is coming to Plains, and plans have been made to send invitations to other towns and cities in the area inviting people to attend the banquet. The senator plans to arrive in Plains prior to the banquet, and a reception is being planned before the banquet in order that area residents can meet him and have an opportunity to talk to him.

Tommy Guy Box, 104 J. P. White Industries & Feed Roswell, 70¢  
John Preston Robertson, 93 Jeeter Drilling Co. Seminole 80¢  
Lowell Trout, 107 Lovington National Bank 75¢  
Jackie Webb, 83, Ross Irrigation, 80¢  
Donnie Spencer, 95 J. B. Knight Tri Matic, D. C. 90¢

Some background data on Senator Tower includes: John Goodwin Tower, in his sixth year as a United States Senator, serves Texas on two major Senate committees, the Armed Services and Banking and Currency. On the Armed Services Committee, he is on the Subcommittee on National Stockpile and Naval Petroleum Reserves. On the Banking and Currency Committee, he is on five subcommittees: Housing and Small Business; (On both of which he has the highest ranking Republican International Finance, Financial Institutions, and Production and Stabilization.

He also serves on the Joint Committee on Defense Production, the Civil War Centennial Commission, and the Committee on Committees.

An active legislator, Senator Tower saw nine major bills bearing his name become law in 1965 alone, ranging from San Antonio Hemisfair bill to far-reaching soil and water conservation measures. In addition, many of his other proposals became parts of omnibus bills. As an Armed Services Committee member, Tower has visited and worked with U.S. troops at most of the

36 major military installations in Texas and has inspected many of the Texas defense industry plants.

In November and December, 1965, he spent 27 days with U. S. combat forces in South Vietnam, Thailand, the Philippines and Europe, including stops at Bien Hoa, Danang, An Khe, Naha Trang and Cam Ranh Bay. Senator Tower introduced in 1965 a Vietnam G. I. Bill to provide education and loan benefits for those servicemen; another bill that led to the granting of income tax relief to those in the combat zone; and was instrumental in obtaining Defense Defense Department approval for the "Vietnam Christmas Gift Lift," proposed by Texans.

A nationally known progressive conservative, Senator Tower was a leader in the fight to preserve the Texas Right-to-Work law and is outspoken in his advocacy of fiscal responsibility in government; preservation of a state and local voice in the affairs of government; and a firm stand against Communist aggression, bringing Peace through strength.

**Deadline for Filing City Election Trustee Election March 2nd**

# Stock Show Results In All Animal Classes

Billy Taylor, son of Mr. and Mrs. D. N. Taylor, exhibited two of the champion animals in the 1966 Yoakum Co. Junior Livestock Show. His heavy weight steer was declared the grand champion calf of the show and his Southdown Lamb was named the Champion Mutton Lamb. The Champion Fine Wool Lamb was exhibited by Harold Swann, Plains High School senior and son of Mr. and Mrs. Garland Swann.

The barrow show was won by Jimmy Gray who drove his medium light weight Poland to Grand Championship honors and Jimmy Gray exhibited the Reserve Champion Barrow after placing first in the Medium Heavy Weight Class. The Gray boys are the sons of Mr. and Mrs. Bill Gray of Rt. 1, Tokio, Jimmy was the breeder of both barrows and also six other good barrows in the show.

Vicki Rucker exhibited the Reserve Champion Calf of the 14th Annual event by winning first place in the Medium Weight Calf Class with her 834 pound Angus steer. Vicki is the daughter of Mr. and Mrs. Robert Rucker of Rt. 1 Plains and she attends school in Denver City.

Mr. L. M. Hargrave of Texas Tech placed the animals in the 1966 Junior Fat Stock Show as shown below:

# Rep. George Reports

AUSTIN--State Representative Jesse T. George, Yoakum County's Austin Lawmaker, recalled to Austin for a special legislative session called by Gov. John Connally, pointed today to the necessity for the 59th Legislature to pass a voter registration law.

Timing of the three-judge federal court decision in Austin that the poll tax as a prerequisite to voting is unconstitutional makes action imperative, he said.

"This has been brought on, not by our choosing", Rep. George pointed out, "but by the federal court action which creates an immediate and critical problem which must be met by the Legislature."

"I certainly realize the concern of all of you in our district on just what will be developed as a voter registration bill, and with others am conscientiously working towards getting the best answer possible to this serious problem. Many of you are

vitaly interested in just what this means as far as the fast-approaching elections are concerned," George continued.

A voter registration bill agreeing in the main with recommendations advanced by Gov. Connally in his address before a joint session of the Legislature Monday, was introduced by State Rep. Gene Fonder of Taylor, and has been referred to the House Affairs Committee. Public hearings are scheduled for Wednesday afternoon in the House.

"I signed as co-author of the bill and am among the 78 who are actively supporting the legislation at this time", said Rep. George. "We are working towards a two-thirds majority vote necessary in the House to make the legislation effective upon passage."

Briefly, the bill calls for annual registration without fee and provides for an 120-day period between Oct. 1 and Jan. 31 for voters to register. This is the same period in which voters have presently qualified either by paying their poll tax, or acquiring certificates of exemption.

The bill also provides for a 15-day period this year in which voters who did not pay their poll tax by Jan. 31 can register. Those who hold poll tax receipts would automatic-

ally be registered. Those who register this year during the special 15-day period would be qualified to vote in the next election following if the Supreme Court upholds the district court ruling on the unconstitutionality of the poll tax.

"I believe that the majority of the representatives want to pass an annual registration bill; however, we are anticipating some opposition from those who prefer permanent registration", Rep. George stated. "I favor the annual registration as the best means of keeping the elections pure; it also appears that a permanent registration bill would become unconstitutional if the voter amendment calling for annual registration to be submitted to Texas voters this November is adopted," he said.

Discussing the plan as proposed in the bill introduced Monday for voter registration without fee, Rep. George said there apparently is no alternative. "It is abundantly clear," he said, "that such a fee would doubtless be regarded just as unconstitutional as the poll tax fee, as it would constitute an invalid charge on the right to vote."

It is probable, Rep. George said, that an amendment to the voter registration bill will be introduced to provide for State to bear the cost of voter registration for this year only. The original bill makes no provision for "picking up the tab" which otherwise could fall to the respective counties.

A suggested alternative method of relieving the counties of the burden of further registration costs, he asserted, is the revision of percentages allotted counties and the State from motor vehicle license plate fees.

At the present time, counties retain all of the first \$50,000 collected in motor vehicle fees, and 50 percent of that collected from \$50,000 to \$175,000. All in excess of \$175,000 goes directly to the State. This percentage could be altered slightly to provide additional funds for counties, to cover cost of registration. Such action could be forthcoming in the 80th session of the Legislature next year.

George further declared, "Because we are in this transitional period, and because of the several contingencies which must be met, it is vitally necessary to act upon a voter registration bill with urgency and responsibility."

Referring to the recent ruling on the unconstitutionality of the Texas poll tax, George pointed out that the district court ruling was contrary to rulings by the Supreme Court on four occasions. In all previous Supreme Court decisions the last as recently as 1953, "George explained, "the Court has upheld the right of a state to impose a poll tax as a requisite for voting in state elections."

The Supreme Court now has under review a Virginia case which could be ruled on at any time, the representative added. "Until the Supreme Court has spoken, the question of constitutionality cannot be finally resolved, especially since the rulings of the Austin federal court are contrary to the previous ruling of the Supreme Court," he said.

"Certainly I will endeavor to keep you informed as to the progress being made on the voter registration bill", George concluded, "and welcome any comments or suggestions you may have to offer. Your fine support and cooperation in the past have been genuinely appreciated and I continue to earnestly solicit it. Please feel free to call upon me in any way that I can be of service to you."

# 14th Annual Jr. Fat Stock Show

**Yoakum County Livestock Association**

To Our Many Friends and Supporters:

It is once more our pleasure to thank the buyers, the people who attended, and the participants who contributed their part to the Yoakum County Junior Fat Show.

We also extend our appreciation to our vocational agriculture teacher and to our county agent for their valuable assistance.

It was a good show and we believe that with your support it will continue to grow each year.

Raising the prize money would have been difficult without the willingness of those who bought membership cards in the association.

To our bank, businessmen and interested individuals who spent their money and time on the Jr. Fat Stock Show we are appreciation.

The Board of Directors  
Yoakum County Livestock Ass'n.

## Yoakum YH Hear Safety Program

Traffic safety was the subject under discussion at the February 14 meeting of the Yoakum County Young Homemakers. The group, meeting in the home economics room of the local high school, viewed a film compiled by the highway patrol which showed actual scenes of highway crashes and their victims. The film provided by home demonstra-

stration agent, Mrs. Sudie Mae Thompson, was one that will not soon be forgotten. To those who had never witnessed an actual accident this dramatic film impressed the real tragedy of ignoring traffic laws and safety. The cause of each highway crash was explained by some traffic law that was carelessly broken. Members

expressed their intention to observe all traffic laws more strictly in the future.

During a short business session presided over by Mrs. Kent Welch, the resignation of reporter, Mrs. Roy McGehee was accepted. The McGehees have recently moved to the Higginbotham community in Gaines County. No new reporter was

selected at Monday night's meeting.

Mrs. Jim Barron and Mrs. Kent Welch described their recent trip to the Y. H. State Convention in Austin.

A social hour was enjoyed by 12 members and guests. Guests for the evening were Mrs. Heavia Doyle, Mrs. Sue Graham and Mrs. Ann Graham.

Stock show sidelights: And a young man's fancy turns to Love!!

## W. B. White, Conservationist

In January 1950, W. B. White signed a conservation plan with the old Cochran-Terry-Yoakum SCD. His plan was #45. He began very early to carry out every conservation practice he could that would save his soil and moisture. He was one of the leaders in using such practices as Mulching with cotton burs, leaving the grain sorghum stubble on the land as protection against wind erosion, planting cover crops, and when all else failed he would use tillage to help hold his soil. He rents native grass land but you would never know it as rented land as it has a good cover of good grasses on it even during the 1950's drought.

W. B. has been a leader in getting others to install conservation measures on their land, his neighbors are all cooperators with the local SWCD. W. B. was one of the first to plant Weeping love grass as a supplement to his native grass. He rest the love grass all summer then uses it for winter and early spring pasture. It is hard to tell the W. B. White story for you must see his farm to really know what

he has done in a dry area (16 inches annually) on a dry land farm. He says it takes planning ahead sometimes a full year ahead to have a cover on your land that will protect it when the wind begins to blow in the spring. He has not always done a perfect job but he has a better farm to-day than 15 years ago when he began to farm it.

W. B. says he could have made more crop some years had he followed mining practices instead of conservation practices but to-day he has a son and a couple of grandsons that will continue to till the same soil and produce food and fiber for others and in so doing produce a good living and so doing produce a good farm.

It is with deep feeling that we the Supervisors to The Yoakum SWCD honor this Conservationist and present him as our nomination for the Outstanding Conservation Farmer of Our District in 1965. R. M. Jones, Chairman, C. L. Gayle, V-Chairman, A. E. McGinty, Secretary, Charles L. Williams, Mem., E. W. New, Member
