Club Members Win Honors

Two Gorman 4-H Club members were awarded top honors Saturday night as some 150 persons gathered at Cisco Junior College cafeteria for the annual achievement banquet. The winners were Robert Whitt, 14 and Joy Love,

White, the gold star boy winner, is the son of Mr. and Mrs. Keith Whitt and is a freshman at Gorman High School. His honors included outstanding work with Hereford cattles and other activi-

ties in the Gorman chapter. Miss Love, who received the gold star award for girls, is the daughter of Mr. and Mrs. Melva Love and is a sophomore at Gorman High School. She has been in 4-H Club work for five years with an

outstanding record.

The top awards as well as achievement certificates were presented by County Judge B.

WOLVERINES ARE HONORED

The Carbon Wolverines held their annual football banquet last Saturday night in the Carbon cafeteria. Seventy people attended the event to celebrate the wonderful football season we have had.

The guests were served a de-

licious meal and then we had our pogram. Annita Duncan was toastmaster at the banquet. Paula Norris gave the welcome to the guests and Eddie Frasier gave the response. Mavin Cates presented Nancy Benton with the honor of 1962 "Football Sweetheart." Nancy then presented James Arnold as the 1962 "Football Hero". Angela Bryant, Susan Griffin, Peggy Hale, Linda Jackson, Jerry

Jordan, Kathy Sandlin, Mary Duggan, and Carole Fox sang "The Sweetheart of Wolver-ines," "You've Got to Be a Football Hero," and "Mo-ments to Remember," "To the Sweetheart," "Hero" and

James Arnold gave a "toast" to the coach which was followed by a response from Coach Key. After Mr. Key's talk the guests enjoyed a film on the southwest conference presented by Mr. Spence. The banquet was adjourned by everyone singing "Dear Car-bon High."

Everyone is looking forward to another successful year in football in the 1963 school term.

OMAR BURLESON IS SPEAKER AT LUNCHEON IN EASTLAND

Cong. Omar Sprieson and H. R. Garrett . before speech

The time will come in the not so distant future when this nation will probably have to invoke blockades and sanctions against "all" Communist bloc countries, Cong. Omar Burleson said in this county Tuesday.

Speaking before a joint meeting of the Rotary, Lions and Jaycees clubs in Eastland, he discussed two types of compromise now known in the

On the one hand, he said, there is the "compromise of legislation" in which one section, through their representative, has to yield on some points to gain others. But the other type of compromise, the 16-year congressional veteran said, is the dangerous type, in which nations yield

Interviewed after the brief noon talk, Cong. Burleson said that he is "satisfied" with the present method of disarmament in Cuba.

Asked if there might not be some concern of the "vis-

inspection of missiles aboard out-bound ships, he said that he "understands" that modern methods of photography are being relied upon in determining the actual existance of missiles aboard the

He had, he said, suggested to President Kennedy that the blockade also include petroleum imports.

The congressman, a native of Jones County, began his talk by saying that it is a "relief to be back among the people" where he can talk, exchange views and evaluate current needs.

Cisco men attending the meeting were Charles Sandler, James McCracken and Carl Lamb.

Burleson was introduced by H. R. (Pop) Garrett. Marcus O'Dell, Lions club vice president, presided at the joint meeting, in the absence of President Bill Walters.

The speaker was called "an outstanding American citizen" by Garrett in his introduction.

To go along with the cooler weather we have been having, people have been making waffles, either for breakfast, lunch or supper. They are good anytime. Here are some P's and Q's that might help you in using your waffle baker: The majority of waffle bakers require no greasing. The waffle baker should be preheating while you are mixing the batter. If the waffle baker has no automatic heat control, test by sprinkling a few drops of water on the grids. It is ready for use if water "dances" before evaporat-

Pour batter quickly over the grids. Start from center and work out to the sides. Do not keep open longer than necessary. When steaming stops or signal goes off (4-5 minutes), lift lid and gently remove waffle with fork. After baking, allow waffle baker to cool with lid up.

CARELESSNESS IS CAUSE OF

home accident deaths occur in the yard, according to the Texas Safety Association.

According to Texas Safety Association findings," Lone Star Gas Company Manager Gene Abbott said today, careless handling of rakes, hoes, ladders and the power lawnmower represent the principal dangers to the amateur gardener."

Lone Star is sponsoring a home safety program in Cisco for the second straight year. Co-sponsors are the Texas Safety Association and The Cisco Press.

The Texas Safety Association recommends that hoes, rakes and other similar yard tools be turned downward when momentarily laid aside. These yard tools, as well as ladders, should be stored pro-perly when not in use, thus preventing falls.

These safety rules should be observed when operating the

power mower: 1. Be sure of your footing and balance at all times. 2. Keep children and pets

at a safe distance when you use the mower. 3. Do not reach under the mower to push it over ob-

structions. Tip it by mani-pulating the handle. 4. Do not use electric mow-

er when ground is wet. 5. Do not use mower until the lawn has been cleared of stones, wires and other art-

6. Stop engine before removing objects from reel or rotary blades. 7. Disconnect plug wires

when working on underside of

8. Keep fuel out of reach

of children. Store fuel in closed metal container. 9. Shut off mower before

leaving it unattended. 10. Keep flame away from mower while refueling.

There are other causes of fatal falls in the yard. In Dallas in 1960, for example, nine people died in falls reported as follows: stumbled over chicken wire chasing chickens, 1; slipped on patio, 1; fell down steps, 3; fell en route to garage, 1; fell entering house, 1; fell off porch, 1; and lost footing on ladder or roof, 1.

Vigilance," Mr. A b b o t t said, is required at all times if these preventable ac-cidents are to be eliminated."
