OUR 35TH YEAR THURSDAY SEPTEMBER 29, 1966 NUMBER 39

First Plains Farm Tour Set To Visit Area Crops & Range

The first tour of crops and livestock in Yoakum County will be held Tuesday morning October 4th. The tour will begin at 8:00 a.m. The starting point will be on the north side of the Old Courthouse and all farmers and business people in Yoakum County and surrounding territory are invited to attend. Farm stops and points of interest will be stressed on the tour.

The economy of Yoakum County is based primarily on agriculture production. Increased production is a result of good land management.

Agricultural production puts money in circulation which is spent for farm machinery, fuel, labor, fertilizer, and living expenses.

There is a trend toward new crops being grown in the county. Some of the land which cannot grow cotton and grain sorghum is being planted to new crops. Some of the new crops are soybeans, castor beans, cucumbers, green beans, alfalfa, irrigated and dry land pastures.

The purpose of this tour is to stimulate interest of both farmers and businessmen. Through such educational programs we plan to show management, cropping, conservation, and local use practices.

Some of the points of interest to be seen on the tour are a swine operation on the Keni Welch farm. A fine cotton variety demonstration on the W. M. Taylor farm, which includes varieties ranging from the latest experimental numbers. We will also see castor bean production on the Johnny Leyton farm.

There is 100 acres of brush control work to be seen on the Troy Chaffin place. Grain sorghum and wheat on the Kenneth Blount farm is included, and a stop at the K. O. Hendricks farm where he is producing 10 tons of alfalfa hay per acre per year, which is widely acclaimed throughout the area.

From there the tour will go to the area Southwest of Plains to see some fertilized and non fertilized grain sorghum on the James Williams farm.

The last, and perhaps the most interesting stop on the tour, will be at the E. D. Campbell farm where he is producing beef by giving his cattle some feed in addition to grazing on highly fertilized and irrigated Midland Bermudagrass. He has over 200 head of cattle on 40 acres of grass and he irrigates and fertilizes every 16 days, while grazing only 4 days on each of four pastures.

The tour is planned to end before the lunch hour but there is a full half day of interesting stops to make and some 50 or 60 miles to travel.

The rains which started about the 20th of August have made the area lush and pretty for everyone to see.

Members of the agriculture tour planning committee included, Leo White, C. M. Thompson, Homer Cole, Bill Lloyd, E. O. Winkles, and Harry Cayce, and Bill Overton.

James Williams and Russell Faulkenberry are pictured in grain field with E. O. Winkles. (SCD)

Face Bovina Ponies Cowboys Stick Steers 29-19

The Cowboys from Plains Bar-B-Qued the Steers from Farwell to the tune of 29-19 Friday night and came back as a strong threat to repeat as District 5A Champs.

Coach Rip Sewell's Cowboys struck with lightning to take a commanding 14 point lead as time ran out in the first quarter. Farwell fought back and went to the lockers at half time trailing 14-7. Joe Pierce and Rickey Elmore put the magic number on the scoreboard before half time.

Bobby Fields, Farwell quarterback, kept the Steers in the contest with hooking horns to menace the Cowpokes until the final minutes of the game had come. The ace passer from Farwell kept the Steers alive with his aerial bombs during the second half.

C. of C. Gospel Meeting

The Hillside Church of Christ extends a personal invitation to the public to attend the services for a Gospel Meeting which will be held October 3 through October 7. The meetings will be held in the Hillside Church of Christ at 8:00 p.m.

T. J. Finley of Haskell, Texas will be discussing the following lessons as taught in God's Word. Monday, Oct. 3-The Lord's Army. Tuesday, Oct. 4-Point of NO Return. Wednesday, Oct. 5-The World's Greatest Disease. Thursday, Oct. 6-What I do to be Saved? Friday, Oct. 7-Sobering Certainties.

The public is urged to attend these Gospel Meetings.

Ronnie Cowart threw a tackle into another Steer after a Cowboy punt and Plains recovered the fumble to put the game on ice.

Elmore scored 21 points, Pierce 6 points and Wilkins two points on a conversion play for the Cowboys.

Tomorrow night the Cowboys face rugged Bovina. The Mustangs will be in Plains with an invasion force to spoil the Cowboys Homecoming, but the Cowboys should be ready and will face the big fast Ponies as a touchdown favorite to continue as a potent threat to finish the season as repeat champs.

For the season Rickey Elmore has rushed 47 times for 330 yards for a 7 yard average. He has a total of 48 points.

Joe Pierce has rushed 34 times for a 7 yard average and has netted 16 points.

Greg Jones has carried 36 times for 190 yards and 16 points. Carlton Wilkins has scored two points for the season. Alton Raines has carried for four times and has a 13.6 average, while Joe Salas has rushed 10 times for 49 yards and an average of 4.9 yards. Billy Spencer has carried six times for 24 yards and an average of four yards per carry.

Hartman and Edwards are getting the big bon fire ready for Homecoming events this weekend.

Homecoming

Homecoming festivities begin today at Plains High School and will run through tomorrow night, said Don Lackey, alumni president. Activities start with the 7th grade football game at 4:30 followed by the eighth grade game. The B team game is slated at 7:00 p.m. with the burning of the Bon Fire at 8:30 p.m. with the band scheduled to play.

On Friday there will be a pep rally for students and exes at the auditorium at 3:00 p.m. with the big game at 8:00 p.m. The Homecoming Queen will be crowned before the Plains-Bovina game.

Candidates for Homecoming Queen include Sonja Faulkenberry, daughter of Mr. and Mrs. Alvie Faulkenberry, Charlene Gayle, daughter of Mr. and Mrs. Loren Gayle, and Janie Hamm, daughter of Mr. and Mrs. L. D. Hamm. The football team elects the Queen.

Following the Cowboy-Mustang tilt, a business meeting is scheduled for all exes at the cafeteria. Refreshments will be served, and all alumni are urged to attend.

During the business meeting at the cafeteria, members of the alumni will have a chance to visit and to re-new old friendships said Lackey.

Editorial

By Harry Cayce

Plains has reached the cross roads in its growth and economic potential. There are two roads which lie ahead of us, and it is up to us to choose the path which we will take.

One path leads in the direction of growth and progress and also which could see our little city grow in influence as a part of South Plains Geography.

The other road which is open for our city is not so bright. If we take the stand pat attitude we cannot survive in a competitive world with faster transportation and communication systems. The world is one of changing processes. If we stop to catch our breath we are past by the wayside and the catch up race is not the same race which the tortoise and the hare ran.

We are faced with vital problems which can be overcome if we truly want to continue to build our community.

The first step is to invest our dollars in our hometown. Trade at home, and by all means support our hometown bank. When we buy that new car this year, why not check on local financing. When we open or add to our savings accounts, let us explore the advantages of keeping our money in Plains.

Let us find the solution to improve our water system in order that insurance rates will be attractive not only to homeowners and businessmen, but rates which will influence those in industry into taking a second look at our city. Let us search for a strong payroll to boost our economy.

Any community is as good as the people make it. We believe we have the makings of a good community, therefore let us stand united and invest our efforts, time, and money in our town. If we do this, nothing on earth can overcome our efforts. A great president turned to the Bible for inspiration when he said, 'A house divided against itself cannot stand.' Let us also remember what Emerson said about economics when he said, 'A creative economy is the fuel of magnificence.'

Garden Club Buys Cemetery Plants

Fifty-four ornamental evergreen plants have been selected by the Project Committee of the Plains Garden Club and will be planted at the local cemetery during the month of October.

Funds for the plants are derived from the Club's annual sponsorship of 'Operation Christmas Card' that enables citizens of the community to contribute money usually spent for local Christmas Greetings to be used to improve the Cemetery plantings. The plants serve as a daily reminder of a lasting Christmas Greeting to the community.

The plants were selected and tagged in the field of a wholesale nursery in Lubbock and include two Sneed's Columbar junipers, four Hillspire columbar junipers, 20 intermediate Compact Globe and 28 low growing Tamarix junipers.

The members of Project Committee are Mrs. Joe Thompson, Mrs. J. B. Ashburn, Mrs. Neil Parks and Mrs. Bill Overton. Mrs. Leon Lewis, president, accompanied the group to select the plants.

D. Lilly To Speak

The Yoakum County Young Farmers chapter have announced that Mr. Dennis Lilly of Brownfield will bring the program at the next regular meeting which will be held October 10th in the school cafeteria.

Mr. Lilly has a group of films and slides from various special agricultural tours. All people with an interest in agriculture are welcome and urged to attend.

Senior Citizens Meet Friday

Frank Upton announces the meeting of those interested in forming a Senior Citizen Club in Plains this Friday night at 7:00 p.m. at the L. O. O. F. hall. Games will be played and refreshments will be served.

Upton asked those who plan to come to bring dominos and a card table. He said the group will have a nice visit and will play games after the organizational meeting. Anybody interested in joining who is past the age of 65 is invited to attend.

Mr. Upton said the senior citizens will be active and it will give many people in the city and surrounding area a chance to be active in, and to find enjoyment.

Band News

There will be an organizational meeting at 8:00 p.m. October 6th at the Band Hall for the purpose of starting a Band Booster Club. The public is urged to attend.

B.B. Shots Pelt Church

Careless shooting of B.B. guns has caused several stained glass windows in the First Methodist Church in Plains to come up with B.B. holes in them, Walter Driver said in a statement to the Record.

It was not known whether the B.B. guns were fired at the church windows with intent or by accident, but Rev. Driver asks parents in the community to please administer careful supervision of the children with air rifles.

There is a state law which prohibits B.B. guns from being fired inside of a corporate limits of a town. Plains does not have an ordinance against shooting air rifles in town, but it is covered in the state law, Rev. Driver said.

Demo Ladies Plan Annual Art Show

The Yoakum County Democratic Women announced that their Art Exhibit will be held on November 1, 1966, in the Yoakum County Courthouse. This is an annual Art Exhibit sponsored by the Democratic Women. Mrs. Carl Lowrey, of Route 1, Tokio, will be the chairman for this year.

Any artist resident of Yoakum County within the ages of Freshman through seniors in High School, including 1966 graduates and any amateur (who does not derive more than 1/2 of income from sale of art work) may compete in the Art Exhibit. The media which may be used includes oils, pastels, tempera, casein, drawing pen and ink, water color, mixed media and plastic (polymer, etc.)

The paintings must be matted or framed for proper display. Judging will be done during display. Prizes will be given to first, second and

third place winners in each division. Pictures for the exhibit should be carried to the office of the County Treasurer by November 1, 1966.

The scholar entrance fee is \$2.50 and the merit entrance fee is \$3.50.

Reasonable care will be exercised, but the Yoakum County Democratic Women will assume no responsibility for damage or loss either real or implied.

For more information contact Mrs. Olan Heath, Box 1051, or any member of the Democratic Women.

On October 29th a covered dish supper will be held in the Party House at the County Park and Jesse T. George will be the guest speaker and explain the constitutional amendments. The public is invited to this supper and urged to bring a covered dish and attend this informative meeting.

Firemen Start Inspection Round

The Plains Volunteer Fire Department is in the process of making annual checks for fire hazards in buildings and homes in Plains. If the public desires that a home or commercial building be checked by the Department, they should contact any member of the fire department.

The Fire Chief reported that the Plains Memorial Convalescent Center was inspected, and it was found to be in good order. The spokesman for the

fire department said the home is a safer place for our elderly people than many of our homes.

The schools were also checked and were found to be in good shape. The local churches will be checked, and any homes that are requested to be checked.

In order to keep the public practicing sound fire prevention, the Volunteer Firemen have their annual program to save property and life.

THE FAMILY LAWYER

Passenger In Distress

While seated in a cross-country bus, a woman accidentally twisted her knee, throwing it badly out of joint. Although she asked for a doctor, the driver said he had no time to arrange for that. He finally deposited her at her destination, 12 hours later.

In due course the woman sued the bus company, not only for causing her needless pain but also for making her condition worse. And the court upheld her claim.

True, the bus company was not even remotely to blame for the woman's original injury. And, as a rule, the law does not require Good Samaritanism—that is, it does not require one person to go to the aid of another in distress.

However, the court's ruling was based not on Good Samaritanism but on the special relationship between the two parties. They were not merely two strangers. They were carrier-and-passenger. When there is such a relationship, and an emergency arises en route, the law generally does impose an affirmative duty to give aid.

That doesn't mean the passenger can hold the carrier liable under all circumstances. For one thing, before there is any duty to help, there must be some clear sign that help is needed.

Thus, a railroad was excused for not aiding a seriously ill woman, when the only sign of her affliction was that she had rested her head on her hand.

But once the peril is apparent, then the carrier's duty begins. How speedily must help be given? That depends on the particular situation. For example:

In a medical emergency involving an expectant mother on a train, a court held that the train should have been halted at the next town, rather than at the next regular stop.

And how long does the carrier's duty last? Possibly even beyond arrival at the passenger's destination.

In one case, a bus rider who had suffered a severe eye injury was left in the station, alone and helpless. The bus company was later held liable for not making sure the victim was placed in responsible hands.

Summarizing the law, the court said: "The carrier owes to the passenger the consideration and care of common humanity."

CAYCE'S CORNER

A country editor gets all sorts of mail, and some of it is real choice stuff. This week, as usual, I was busy, and Ann went to the post office and brought back my key to the Bunny Club. Of course she gave it the old deep six and Cayce is still out in the cold.

Holding a key to the Bunny Club has been described as a 'Disneyland for Adults...' by the Saturday Evening Post. Taking advantage of this key would have meant the life of a Real Play Boy with introductions to dozens of beautiful Bunnies...many of them Playmates from the center spread of Playboy Magazine. In fact it would have been a live variety of entertainment so abundant that even Nero would have been jealous of the parties.

What a resplendent setting for a country editor to relax in, but alas the key went into the trash, hurled by the irate hand of an un-understanding wife.

The door was slammed before it was opened on what could have been an entrance into a festive adventure into Bunny Land, just think how a simple country editor could have enjoyed hearing the click as his engraved name plate would have been snapped into place on the 'AT THE PLAYBOY CLUB TONIGHT'. Lost is the complete spectrum of epicurean pleasures offered with the key.

The country editor was reminded that three years ago this month that he visited the famous Bunny Club in Miami, and that the key had been properly disposed of in a fast final efficient way.

One valuable lesson was learned today. In the future I intend to make a routine out of going to the post office and my advice to all men is to keep the women in the home. Alas it is late for the country editor since his wife has been elevated to society editor she picks the organizations which are socially proper. In her eyes it ain't the Bunny Club. Husbands beware! Get your own mail in the future and keep the key to your future a secret.

Honor Club Women

New Postage Stamp

Mrs. Bob Blundell, Vice President of Tsa Mo Ga study club announced that a special postage stamp, commemorating the Diamond Jubilee, of General Federation of Women's Clubs, went on sale September 12. The local Federated Women's Club, Tsa Mo Ga, gave special recognition to this event at their recent meeting.

A 'First Day of Issue' was held in New York City, for it was there that General Federation of Women's Clubs was created in 1890.

The design of the stamp was unveiled at the Diamond Jubilee Convention in Chicago in June. It depicts two women

attired in styles to span the history of the General Federation. To the left of the horizontal stamp is a Gay 90's woman in a bustle gown with wasp waist and leg o'mutton sleeves, wearing an ornate hat and carrying a parasol. A modern woman in a chic sheath dress is to the right of the stamp. Both figures are in pink. They are separated by an oval in blue in which appears, in black, '75 Years of Service for Freedom and Growth'. At the top of the stamp is 'General Federation of Women's Clubs', in black. At the bottom, in blue is 'United States Postage 5¢'.

Everything is in a whirl around 'Ol P.H.S.' this week. Everyone is getting ready for Homecoming. The boys are trying to dig up money for 'mums', the girls are wondering what to wear Friday night, and the 'Ex's' are excited about reliving their days of youth. The big question is 'who' will be Homecoming Queen.

MOORE & ODEN

Competition is keen among the classes for possession of the 'Spirit Stick'. Each Friday during the Pep Rally it is awarded to the class which portrays the most spirit during the competition yell. Classes which have possessed the honor of winning are Juniors, Sophomores, and Seniors. School organizations are getting under way. The Annual Staff has been busy selling ads. This is the beginning of a rewarding long, hard grind. The Drama Club is under the sponsorship of Miss Moon. The new president is Calvin Smith. Suspense is great concerning who will make the Science Club. The Future Homemakers and Future Farmers are making their plans for this year. If you have been hearing the tweet of a whistle, the boom of the drums, the sound of brass, the melody of woodwinds, and the yell of Mr. Black after school or late at night, don't get alarmed, it is just the Cowboy Band slaving away on their new shows. We should all give Mr. Black a big pat on the back for accomplishing so much in the shaping up of the band. Let's support our band!!! Also around P.H.S. their are rumors of a new kind of math being taught.

'Arithmetic'
He's teaching her Arithmetic
He says it was his mission
He kissed her once, he kissed twice
and said now thats addition.
And as he added smack by smack
In silent satisfaction
She sweetly gave his kisses back
and said now that's subtraction.
Then he kissed her and she kissed him
without explanation
Then both together smiled and said
now thats multiplication.
But Dad appeared upon the scene
and made a quick suggestion
He kicked the lad three blocks away
and said thats long division.

Dear Wondering,
Yes, Ma'am! In the manners department, your "Thank you" is just as important as the boy's courtesies to you.

How should a girl go about letting a boy know she had a good time on a date?

Dear Troubled,
If you had a good time and you want to tell the boy, that is if you like him, tell him and let him know. I think he will understand.

Mary is the daughter of the late Carl Lewis, of Harlingen, Texas. The bridegroom is the son of Mr. & Mrs. James F. Williams of Plains.

Bro. Earl M. Robertson of Plains read the vows.

Wedding vows were repeated before a arch of greenery and white vladolios.

The bride wore a gold dou-

ble knit suit with a single strand of pearls.

Immediately following the wedding ceremony the newlyweds greeted friends and relatives at the reception held in the home.

The reception table was laid with a pink linen cloth and was centered with chrysal candelabras and roses. The tree tiered wedding confection was topped with a miniature bride and groom, and punch was served from chrysal services.

Approximately thirty guests attended.

At the business meeting the year book was presented by committee chairman, Mrs. Bob Blundell.

The theme is built around patriotism and is carried throughout each program by a phrase of 'America' being qu-

ered.

The year book was dedicated to Addie Morrison McGinty as follows:

Addie Morrison McGinty, inspired with the pioneer spirit, filled with love of county and her American heritage; strove diligently towards a better Yoakum County, a better West Texas, a greater America.

In memory of Mrs. McGinty, a faithful and beloved member of Tsa Mo Ga Club; we devotedly dedicate this book.

The roll call was answered with 'Since We Last Met', by 26 members, Mrs. Harry Cayce was a guest.

In reviewing our year book we found that the committee had offered interesting and informative programs material and a great challenge to make this our best club year ever.
