OUR 35TH YEAR THURSDAY, DECEMBER 8, 1966 NUMBER 49

************* Yoakum County Cotton Votes Named Four members of the Plain Cowpoys 1966 football squ Cast in \$1 Bale Electon

Yoakum County farmers hegan voting early in the 1967 Cotton Marketing Quota Referendum and the \$1 per bale Research and Promotion order referendum, according to Bill Overton, local ASC Office manager some 40 ballots had been received by noon Monday the first day of the announced balloting.

Ballots for both referendums were mailed to all cotton producers on the ASC mailing list on December 2, 1966 and should any eligible voter not receive a ballot or misplace the one received he may, according to the manager obtain one at the ASC Office.

The announced cotton program depends on the outcome of the cotton marketing quota referendum if more than 1/3 of the producers voting in the referendum vote 'No', the announced cotton program will not be in effect. If 2/3 or more of the farmers voting approve quotas by a 'Yes' vote the announced cotton program 00 noon and thepublic is invitwill be in effect and farmers ed. Ballots will be tabulated may reduce their planting of at the ASC Office.

cotton by 12 1/2 to 35% and diversion and price support payments will be made. The program is similiar to the 1966 program except the diversion and price support payments will be some higher 10.78 for the diversion as compared to 10.50 in 66 and 11. 53 for price support compared to 9.42 in 66.

According to Overton the ASC has been given the responsibility of holding the \$1 per bale Research and Promotion referendum, therefore, the two are being held at the same time but the two referendums are entirely separate and unrelated matters. It is expected that most all eligible cotton farmers will cast their ballots and to be counted the ballots must be in the ASC Office not latter than December 9,1966 or postmarked not later than that date.

The ballots will be counted by the ASC Committee on Dec. 14, 1966 at 8:00 a.m. to 12:

Santa Plans Trip To Plains Soon

Santa Claus is coming to town! Yes, bring the wee ones will bring a big supply of to town on Saturday December candy again this year, in or-17th and let them talk to Santa and receive their traditional very child can be satisfied. candy from old St. Nick, and place their orders for the Christmas tree.

Santa's local helpers report that the jolly old elf will arrive at the South entrance to the courthouse at 11:00 a.m. on Saturday December 17th. No parade is scheduled this

There will be no drawings at the courthouse this year; however a complete list of merchants who will have drawings will be listed in the Record next week showing items

and times of the drawings. The public is invited to come to town and bring the little ones to see Santa, and the parents are cordially invited to shop in the local stores and register for free gifts.

Santa Claus will arrive this year in the Plains Volunteer Fire Department's fire truck, said a helper of Santa.

It was reported that Santa der that the sweet tooth of e-

Hours Set At Library

The Yoakum County Library reports its hours are from 10:00 a. m. to 5:00 p. m. on week days. They will be open during the lunch hour. The personnel appreciates the interest shown in our county library by the public and school. They will be glad to help the students during the library period and after school. They will stay with students who are working later when the need arises. They will come to the library on Saturday during theme time,

CARLTON WILKINS

District Lion Governor Visits Plains Chapter

any of Lions International made his official visit to the Plains Lions Club last Thursday and addressed the civic club members at their noon meeting.

Gov. Cheaney praised local Lions for their youth programs in Plains. He commended Lion president Buster Graham and past president C.M. Thompson for the work which is done in scouting and little league. The Lions Club has paid for the building with the exception of one payment which is still outstanding, and the Lions will make the last payment soon. The building will then be free of debt. Only two Lions clubs in the district have their own buildings besides Plains.

The Lions Club loans the building to the scouts to have their meetings in, and to keep their equipment. They have also worked hard to keep scoutmasters active in the program.

The local Lions Den also sponsors Little League Baseball in Plains. They pay the insurance and meet other financial obligations of the pro-

Governor Cheaney is from

ficial visits to Yoakum County. The other visit was a recent one to the Denver City Lions Club.

In the District Governor's speech, he brought out some of theplans for his administration, and told of the International convention in 1968 wh-

Lubbock and has made two of- ich is scheduled to be in Dallas. Gov. Cheaney belongs to a small Lions Club in Lubbock which has about the same membership as the local club has. Before becoming District Governor, Cheaney was well acquainted with several members of the Plains Club.

garded Denver City Mustangs on their home court last Saturday night 65-52 in a spirited contest which saw the Cowboy squad put forth a fine team

Calvin Smith was high point man with 17 followed by Lynn Rollins with 14. Ten of Rollins points were made from the free throw line in the lastfour minutes. Others scoring for Plains included Ricky Elmore, 8; Billy Taylor, 9; Mike De-Vries,6; Gregg Jones, 5; Dan Field, 3; Butch Gaines, 2; and Jimmy Massey, one point.

The Cowboys remained undefeated by trouncing Morton at Cowboy Gym 54-38 in a strong defensive game Tuesday night. The Cowboys were able to stall the ball for four minutes at the end of the fourth quarter.

Calvin Smith sparked the scoring effort with 28 points Billy Taylor and Dan Field played stout defense and the other team members worked as a team to down the Tribe from Morton.

Others scoring on the Cowboy cage team were Ricky Elmore,5; Billy Taylor, 5; Butch Gaines and Dan Field with four each; Lynn Rollins, Gregg Jones, Joe Beal, and Mike Devries with two points each. The Cowboys will meet E-

unice in the Coahoma tournament at 12:30 p.m. Friday. The Pokes downed the powerful Red Birds on the Eunice Court by one point in the first stage of the campaign this year. The Cowboys will be one of the favorites to win tournament honors. The team is working to great advantage with a strong cooperative effort and have proved to much for for all foes this season. They are one of the favorites to win district honors this year.

that he is investigating leads following a break-in and theft at Plains Frozen Food which occured last Friday night.

The Sheriff said yeggs gained entrance through the back door at the local grocery and market owned and operated by Mr. and Mrs.Sid Wade. The thieves took between \$10.00 and \$12

All-Dist. Players

Four members of the Plains Cowboys 1966 football squad were named All District and five players won honorable mention honors for their strong efforts put forth on the grid iron this year. The Cowboys were Co-Champs of District 5A and received high regional ratings this year.

Named as All District running back was Rickey Elmore who averaged more than 100 yards in each district game. Mokey McCrary was named at center, while N.C. Clanahan

was placed on the offensive tackle position, and Dan Field won a first place spot for his efforts at defensive tackle.

Winning honorable mention erry Lowery, guard; Gregg jones, back; Alton Raines, back; and Carlton Wilkins, end.

The Cowboys had a fine season finishing with a 7-3 record and a tie for the District 5A title. Coach Rip Sewell is head football coach for the Plains Team.

Football Banavet Report

Major Wilson Knapp, athletic director and head coach at N.M.M.I. will be the speaker for the Plains Booster Club Football Banquet on December 13, 1966 at 8 p.m. in the school cafeteria.

Cadet joe Cooke a former Plains All State Cowboy and now a Bronco football player will accompany Coach Knapp on his visit to Plains and will present this years 'Fighting Heart' Award. The award is given each year by the vote of the players to the player who has done the most for the team. joe Dan was last years recepient of the award.

MAJOR KNAPP

Tickets are being sold by members of the booster club. \$1.50 each, said Jack Hayes, president.

The public is invited to attend the banquet, said Hayes. The local post master urged. a large attendance and said we had a fine team this year, so come out and let the boys know we appreciated their ef-

Light Rules Given

The public is urged to participate in the Christmas lighting contest. A form is in this issue of the paper and those wishing to enter should fill out the blank and return it to the Record office by noon on December 19th. Cash prizes will be offered again this year, with \$20.00 for first place, \$10.00 for second, and \$5.00 for third. The young Farmers will also give a cash prize to the best rural entry.

The judging will be conducton Tuesday night, December 20th, and entries are requested to have their lights turned on

by 6:30 p.m. on that evening. Members of the committee for the contest and their organizations are Edna Wade, Fine Arts, Chairman; Mary 10 St.Romain, Tsa Mo Ga; Melba Duke, Garden Club, Archie Glover, Iota Pi, and Jeannette Head, Young Home-

Sheriff Olan Heath reported in change from the register and cleaned the store out of cigarettes. Wade discovered the break in when he opened the store for business Saturday morning.

The sheriff said he believes the yeggs used gloves because there were no finger prints left as evidence.

It was also reported that Mrs.W.J. Hollingsworth had a break in at her home in Plains recently. The thieves broke out a window and gained entrance to her home taking only clothes. Dresses, coats and shoes were reported to have be stolen.

The sheriff also reported

that he recovered a purse which was taken from Mrs.

cently. Heath said a juvenile is alledged to have stolen Mrs. Hunt's purse and gave it to her mother. The sheriff recovered the purse from the girls mother. Some of the money had been spent and the girl will go before authorites soon, said Heath.

In other actions at the sheriff's office, Heath returned James Thomas Hall to stand trial for forgery. Hall is accused of giving the check at Streetman's Department Store in Plains. Hall is being lodged in the Lubbock jail waiting trial on the charges.

Heath said he does not believe the break in at Mrs. Hollingsworth and the theft at Plains Frozen Food are related. At press time Sheriff Heath Earl Hunt at the school re- was following leads in the case.

Blanche Dyer, clerk of the District Court released the following names of persons called to serve on the Grand jury for the December Term today, they are as follows: L.L. 'Operation Christmas Card', ember 22nd issue of the Plannually sponsored by the Plains Dirt Gardeners Garden Club, for improvements at the Plains Cemetery, gives everyone an opportunity to wish each and every resident of Plains a 'Merry Christmas' each and every day all year long.

To participate in this opportunity any one may donate the money they plan to spend on Christmas cards, stamps and etc. to people living in Plains to the 'Operation Christmas Card' fund. The names of all persons participating will be published in a Community Christmas Card in the Decains Record. All money above the expense of the publishing will be used for improvements of the Plains Cemetery. The 1965 'Operation Christ-

mas Card' netted approximately \$247.00 and was used to help buy evergreen plants at the Cemetery entrance.

Money may be mailed or given to Mrs. Bill Overton. Mrs. Foy Cogburn, Mrs. Robert Young and Mrs. Wilson Duke. Also, any member of the Garden Club will assist anyone wishing to participate in this 'Every day all year Christmas Greeting.

CORNER

Those who traveled to Denver City to see the Cowboys . sex crime. dump the Mustangs Saturday night really got their moneys worth. It was a hard fought game and the local boys showed determination and their will to win in downing Denver City on their won court. Keep it up Cowboys....we believe you will go a long long way down the trail for a championship team this year.

Our hat is also tipped to the B squad who were edged by a single point in the last seconds of the contest. These boys also put out a fine effort and deserve credit.

The Junior High cage teams of Coach Bob Gross look impressive this year. The eighth grade is a formidable group which doesn't have depth, but the boys have determination to get into the contest and make the opposition play their best if they are overcome. The seventh grade is deep

in every position, and the little boys are undefeated so far this year. This is the same group which only gave one score in their football season. So far they have downed Morton and Denver City showing strength on defense as well as offense.

We have a fine athletic program in our schools only for gram in our schools not only for the boys, but for the girls. The academics are strong too. and we should be glad that this is true in our community.

After our editorial last week we have learned that some people have tried to read between the lines and get an interpetation which was not intended and if they will reread the editorial they can see for themselves that nothing more was intended. There is one point which

we were in error in our editorial. This was the point of the ages of the older students. Sixteen years old is the age of the oldest student registered at this time in Junior High. This correction we are happy to run, but our position remains unchanged concerning the matter.

The tip of the hat in the corner this week goes to the football players who were named/to the all-district team and to those who received honorable mention.

LAWYER

Careless Customers

Five-year-old Billy, on his own at the supermarket, took energetic command of a shopping cart. For about 15 minutes he trotted along joyfully, pushing the cart in front of him. But at last, veering around a corner, he rammed the cart into an unsuspecting woman shopper.

sued the management and won a substantial judgment. The court said there was plenty of time for store employees to have noticed Billy's antics and brought him to a halt.

Case No. Two: A woman shopper was standing FOR RENT OR FOR SALE at the checkout counter, her arms laden with groceries, when a heavy can of peaches slipped from her grasp. It landed squarely on the toe of a man behind her. And he too sought to collect from the management for his pain and anguish.

But this time, the victim's claim was denied. The court said this was the kind of accident that not even careful supervision by the market

would have prevented. the parents see that their 'twel-It is not rare, on a store's premve' year old daughters (and ises, for one customer to carelessly older) are sent to school decause injury to another. For ascently dressed and their besorted reasons, the victim may sue not the customer who injured him year old, it is doubtful if the but the management, presence of one more person

store may indeed be held liablebut only when the danger could have been reasonably foreseen and reasonably prevented. What if there is some inherent

danger in the merchandise itself? That adds an extra dimension to the store's policing responsibilities. A gun shop that allowed a pa-

tron to manipulate a loaded shotgun was held liable when he accidentally shot another customer. And a sports shop that let golfers take practice swings in an un-

guarded area was held liable when one man's club hit another man's Suppose the customer is not merely careless but reckless or even

vicious. As a rule that is not considered foreseeable, so the store is not to blame. For example, a store was held not liable when a man suddenly and deliberately shoved a woman through a plate glass window. The court said the management need not guard against an act that, in

Then, there's that once a month when a girl could use a good old-fashioned medicine.

Maybe you feel just plain bad then. Or maybe a little lonely and sad, like you could use a pair of arms around you

Well, we have just the thing for this once a month time. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients, including one that works to help relax tightened muscles that give you cramps. Plus a little iron that a girl could use at a time like this. And, you don't run any chance of the kind of unpleasant side effects you could get from some of the newer drugs.

With an old-fashioned problem like this,

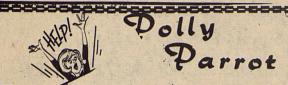

couldn't you take an old-fashioned medicine.

Lydia E. Pinkham Tablets and Liquid Compound

Happy Motoring

This is the time of digging out receipes for goodies to

have during the holidays. I have a receipe I believe will be very useful. What do you think?

- Receipe for happy holidays and for all days in the year. 1 Cup of blessings
- I full measure of cheer a small pinch of care
- 6 oz. of pleasure a handful of gladness, plus two of delight Stir in two friendship and warm til just right.

Now amazing Compound W[®] penetrates into warts, destroys their cells, actually melts warts away without cutting or burning. Painless, colorless Compound W, used as directed, removes common warts safely, effectively leaves no ugly scars.

VOTE FOR COTTON RESEARCH AND PROMOTION

Save your markets, acres, profits

Your vote for expanding cotton research and promotion will really say something.

It will say you believe in positive action, not just talk, to reduce the alltime record cotton carryover. It will say you know the only way to get more cotton used is with research to produce better products and promotion to sell them. Your vote will say you don't want further acreage cuts-you want to keep on growing cotton at a profit.

HOW CAN 500,000 FARMERS FIGHT BACK?

The Farmers' Answer: 'Expand Research & Promotion'

With huge research and promotion expenditures, synthetic fiber firms rapidly are taking cotton's markets. As a result, the carryover is at an all-time record. Acreage is the lowest since 1872-down 30 per cent on the average for 1966.

But farmers have developed a way to fight back. It enables them to pool their resources to mount a hard-hitting research and promotion program to save cotton markets, acreage, and income.

Self-Help Plan Brings Beltwide Acclaim, Support

The farmer-originated plan gives growers an opportunity to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for expanded research and promotion. Thousands of growers and 61 cotton organizations have endorsed this approachoverwhelmingly. The press is praising farmers for their efforts to help themselves.

Help yourself to greater markets, acreage, profits

the right gift for every member of the family

This Christmas can be one that is remembered every day of the year when you give a telephone. An extension phone is such quick and easy shopping, too. Just stop by or call our Business Office and place your order for one of the many styles and colors available. You'll receive a free, giftboxed miniature telephone handset to use under the tree or in a stocking. We'll install the phones soon after Christmas. A workshop extension for dad, a kitchen phone for mom, or a bedroom phone for sis or brother says "Merry Christmas' all year long.

the Yoakum County Hospital Adjustment Mr. & Mrs.R.K. Field and Program Sign-up

A total of 27 farmers had signed up for the cropland adjustment program at the local ASC Office at noon Monday, ASC Office manager. Only \$11,273.00 was allocated for Yoakum County andthe amount signed by the 27 far exceeds this allocation, the sign-up period runs through March 31 and it is expected that additional allocation will be received from time to time. Under the 1066 program only 11 farmers signed land adjustment contracts for the long term contracts 5 to 10 years.

The Yoakum County ASC committee will consider the signed request for the 1967 sign-up and will request additional funds. All requestfiled have been dated and numbered and will be considered by the county committee in that order. It is expected that a number of the request will not get county committee approval for various reasons such as ownership of land changing in the past three years, landlords displacing tenants and etc.

The cropland adjustment program payment rate for Yoakum County is 6 cents per pound on the projected cotton Yield, 41 cents per bale on the feed grain projected yield, and a lesser rate per acre on the non allotment or base land.

Payments on the approved contracts will be made in the fall and the land cannot be grazed at any time.

(FROM PAGE 1)

and also, on Sunday if necessary. Call if you need information from the library during this time.

From Public demand the library is getting more magazines and reference material for the students use, and a 'Periodical Guide' will be ordered after January 1, 1967. All magazines and books other than encyclopedias may be checked out and used at home. The library is to serve the school and public, and the personnel enjoys working with the students and public.

Attention: Farmers & Ranchers

Your neighbors are now on a membership drive to build Farmers Union in Yoakum County. You have a stake in Farmers Union and we need your help!

It is a fact that our prices are directly or indirectly set in Washington on everything we produce (including livestock). These prices are set under the influence of organizations, lobbies and pressure groups that voice their views before the Agriculture Committee and lobby with the Con-

Everyone interested in farm products has the right to see that the programs are written and administered to suit their own interest, which is the democratic way. Processors, handlers, shippers, storage people, exporters, importers, chain stores, etc., seek to protect and promote their interest by expressing their views through organization. Uhfortunately, too often these people are able to increase their profits at the expense of farmers and ranchmen. To see that we get a square deal, we must have and support an effective organization.

We are a minority group comprising only 6.4% of the population. Like any minority group in a well organized society we must use organization to work for us as teachers, doctors, lawyers, labor and others have done successfully. It is up to us to band together in an effective influencial organization to see that farm programs work to benefit us. Farmers Union can do the job best, because it is a bona fide, producer controlled farm organization, and its policies are written by farm and ranch people.

Join with us and help yourself by helping us. Our annual dues are \$15.00 and they include two informative monthly publications. The membership team will be calling on you, but if they miss you, see one of us to join.

This week has concluded the cotton harvest and will mean for some that it is time to start plowing while others will be waiting or maybe going fishing. Now I am not one to try to get people to go fishing but it might just be better for conservation if some

did go fishing rather than plow. A lot of needless plowing has been done in the past and no doubt some will be done this year however there seem to be less every year. Truitt Jones says he has purchased a and break the hardpan and leave

a lot of clods to help the residue control wind erosion. When he gets it we will have pictures and a story for you.

Did you know that 2500 lbs. of residue in 40 in. rows can control wind erosion on our sandy soil and if supplemental tillage such as listing or chisel plowing is used only 1250 lbs. will get the job done. Clipplings here in Yoakum SWCD show that cotton stalks on irrigated land will amount to 1200 lbs where the cotton was stripped and as much as 4000 ibs. where the new plow that will leave all machine picked. This makes the residue on the surface the old statement 'I got to plow my cotton land' not necessarly so, because the cotton stalks may be just what is needed to help control wind ero-

> O'Neal Spencer, R.E. Bearden, Earl Kiser, O.W. Holland. W.M. Taylor, Dickie Green, Robert Box, Russell Faulkenberry and several others are spreading cotton burs. This is one of the best ways we know of to add organic matter, make your water and fertilizer go further. Spur Exp. Sta.baised on 4 years of research show them to conserve 1 1/2 in. of water and increase the penitration by 17 inches.

New Conservation Plan maps were ordered for the Grady Terrill and Kirby Rogers farms this week. We will be working with these land owners and their operators in writting a complete soil and water conservation plan for their farms.

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form able in suppository or ointment form called Preparation H. At all drug

Tourney Set

Come one come all to the big washer pitching tournament which will be kicked off as soon as registration ends! Individual and team competition is planned and a dollar registration figure has been set. The proceeds will all go to the scouts in Plains. Joe Curry is sponsoring the tournament and announces that nice prizes

will be given the winners. Registration is being conducted at the Drug Store, the Long Branch, and The Plains Record. The washer game is being manufactured in Plains by Curry. As soon as brackets are drawn to determine who is matched in the tourney, individuals may play their elimination games at their own convenience.

On Santa Day in Plains the tournament will end with all of the finals having taken place

on that day. WITH BLADDER IRRITATION **Suffer Many Troubles**

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondarily, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating relaxing comfort by curbing irritating germs in strong, acid urine and by anal-gesic pain relief. Get CYSTEX at drug-gists. See how fast it can help you.

VOTE FOR COTTON RESEARCH AND PROMOTION

Save your markets, acres, profits

Your vote for expanding cotton research and promotion will really say something.

It will say you believe in positive action, not just talk, to reduce the alltime record cotton carryover. It will say you know the only way to get more cotton used is with research to produce better products and promotion to sell them. Your vote will say you don't want further acreage cuts-you want to keep on growing cotton at a profit.

The only answer to highest carryover ever... lowest acreage since 1872

Expanded research and promotion are cotton's only hope. With these same two tools, producers of higherpriced synthetic fibers have taken a total market now equal to nearly 7 million bales of cotton. They have gained over 2 million bales in the last 2 years . . . and new plants are scheduled with capacity equal to another 3.5 million bales.

Growers also can use these tools effectively. Experience has proved it. The only problem is to get enough money to use them on a big enough scale.

New legislation makes that possible. It enables farmers to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for research and promotion. The law provides that individual farmers

who do not want to participate can have their assessments refunded.

Funds from uniform collection will attract other money-more than two times as much on the average.

This plan originated with farmers. Thousands of growers and 61 cotton organizations across the Belt have endorsed it—overwhelmingly.

All projects must be initiated by grower trustees elected by cotton farmer organizations. Other provisions give equal assurance of producer control.

We, the undersigned, strongly endorse and recommend this uniform collection plan for research and promotion. We urge you to join us in working and voting for its approval in the upcoming referendum.

Help yourself to greater markets, acreage, profits
