

★ Chamber ★ Explores Industry

Members of the Plains Chamber of Commerce and interested guests assembled at Alma's Restaurant Tuesday morning and listened to Bob Cash, Lubbock Industrial Executive explain how this West Texas Town can acquire industry for itself.

Cash, who is a former top executive with Texas Instruments Inc. and Linten Inc. told the people who were at the meeting that it is up to the people of Plains to decide if they really want industry here. If they do, the speaker asserted that he can almost guarantee that it can be obtained.

The industry expert stated that the electronics plant in Morton now employs 10 people, but in 18 months he expects 50 employees to be on the pay roll.

The Chamber of Commerce voted to form an industrial cooperation and elected Bill Loyd, president of the Plains State Bank, A. B. Carpenter, butane dealer, farmer and bank director; and D. C. Newsom local ginmer, to serve on the board of directors of the coop.

The Chamber of Commerce voted to form an industrial Corporation and elected Bill Loyd, president of the Plains State Bank, A. B. Carpenter, butane dealer, farmer and bank director; and D. C. Newsom local ginmer, to serve on the board of directors of the corporation. Plans are being drawn to complete the corporation as quickly as possible. Upon completion of the legal process, a drive will be launched to raise funds to be used for industry, stated the Chamber of Commerce president.

Cash explained that money is needed to attract industry, and local business men and farmers and ranchers and interested citizens will be asked to take shares of stock in the corporation which will strive to bring industry to the area.

Dist. Soil Meet

Delegates from all over West Texas attended a special Soil and Water Conservation meeting in Plains at the County Courthouse Tuesday afternoon and discussed soil and water progress and problems germane to the area.

A special report on Water Incorporated was given by John Kendrick, president of the First National Bank in Brownfield and director of the Plains State Bank. Kendrick has also recently announced his intentions to seek the House of Representatives seat which is vacant in this district.

State Sen. Doc Blanchard was scheduled to be the principal speaker, but was unable to attend. Mr. Kendrick gave the talk instead, and was praised by local board members for meeting the situation which had arisen without notice.

Dick McGinty acted as chairman for the meeting, and reported that resolutions were drawn up to be presented to the state meeting next month in Dallas.

McGinty said that Kendrick presented a report on Water Incorporated, which was educational and enlightening to those who attended. McGinty said that much good came from the meeting and that those who attended gained much knowledge.

Bronco Gin Sets Fish Fry

Terry Bacon announced the sale of the Bacon Gin in Bronco, and it has now been made into a co-op gin with the new name of Bronco Farmers Co-op Gin.

It was announced that Terry Bacon will be the manager of the new cooperative and the officers and directors include C. C. Perkins, president, Tex Belcher, vice president, Roy Perkins, treasurer, H. L. Fitzgerald, director, B. S. Sutton, director, and Bacon as manager.

The board and manager of the Bronco Co-op Gin are planning a fish fry a week from Saturday at the gin. The public is cordially invited to attend the fish fry.

The fish fry will last from 5:00 p.m. until 7:30 p.m. This will be the third annual fish fry at the gin. The date is Saturday, September 23. The place is the Bronco Co-op Gin, formerly the Bacon Gin. The directors say come out to Bronco hungry for fish and go home full and happy. The people at the gin say they will be on hand to greet everybody who comes and they stress the fact to bring the family and enjoy the association of neighbors and friends.

Pigskin Parade

It's bye bye birdie for the Ropes Eagles as Greg Jones sprints 17 yards in the first quarter to paydirt for the first Plains touchdown of the 1967 season. Jones scored on a sweep play around right end. The Cowboys branded the Eagles 41 - 6 in the contest.

Plains Talk

By Harry W. Cayce

Yoakum County will have been organized 60 years next Wednesday. As far as we know there will be no celebration or noise making when the birthday event rolls around... but this wasn't the case back on September 21st in 1907 in the county seat of Plains in Yoakum County out on the South Plains in West Texas.

The birth of the county called for an all day picnic, and people came from far and near to enjoy the events of the day which sound to me like we could learn how to live and enjoy ourselves a little more if we would turn our entertainment back over to GrandPa, and let him put us on a real party.

One of the main events of the day was a horse race. What did they do for a race track? They built one of course! The track was made by getting a big iron wash pot and turning the thing upside down and securing a chain through the handles and dragging it on the ground using horses to pull the thing. The race was a real thriller, and John Hudson raced to the finish line to victory to win the first race in the history of the county. As he crossed the finish line, the horse he was riding fell, and old John went tumbling head and heels in need of some vinegar and brown paper. The horse broke its neck and was dead, but John was just shaken up a bit.

Another event which is still talked about was the greased pig chase. The porker was greased and turned loose, and the chase began. From what we can find out, the pig was as slick as the label indicates when a fellow says its as slick as greased lightning. After a merry chase and a lot of belly laughs, the greased pig was snared by Roy Fitzgerald who became the first pig snatcher champ of the new county. What about it Roy, could you still catch the greased pig? Roy sold the pig for a fat sum of \$5.00 after becoming the first champ in pig chasing contests on the books of the new county.

That must have been a fine all day picnic with all the trimmings. What a day it was for the whole community to get together and have fun like that without worrying about when 'As The World Turns' comes on the idiot box, or if a baby sitter could be found to keep the children while the parents attended the affair. In those days the whole family went along, and it wasn't a sin to enjoy a good horse race. (I wonder how much cash changed hands on the race. The records don't tell us.) From all accounts we have of the big event, it must have been a grand day for those who were there.

The first officials of the new South Plains county were Judge Holmes, Less Boyd, Clerk, M. G. Cash, Treasurer, J. S. Webber, Tax Assessor, and Sheriff Lum Hudson.

Members of the Commissioners Court were Pat McHough, Lee Roy McGravey, Roy Beal, and J. W. Hooker. The first District court officials included Judge L. D. Kinder, L. C. Perry, Attorney, F. L. Boyd, Clerk, and M. B. Cannon, stenographer. The first members of the Grand jury included H. M. Haskew, M. Ceflet, D. T. Cates, C. H. Burrus, Harvey Hamilton, B. J. Edison, J. J. Kendrick, L. Townsend, L. B. Minor, James Hoppes, S. J. Dixon, and Bert Tingle. As quickly as possible W. J. Luna had the town site surveyed, and gave every voter in Yoakum County a lot in the city of Plains.

A lot of living has been crowded into those 60 years. We have come from the horse and buggy through two world wars and the auto and air age into the atomic and space age. Many people who attended the picnic 60 years ago are still living. We wonder what they will think next Wednesday when they turn back down memory lane and remember old friends and great times when a new county was given birth out on the South Plains in West Texas. This is an experience that will not happen again, because the land is settled and a civilization has been built which lasted. The sun has risen 21,900 times since that day that Yoakum County was born. With each day a little more light has fallen on the South Plains bringing education and enlightenment to our area. Today the great schools and church houses are common place. We even have a airport and a modern farm supply center with towering elevators and gins, and big trucks to take the cattle to market.

Sulphur Draw is no longer the highway to make a tiresome journey to Big Spring for supplies or for a doctor. Supplies are at hand and we can motor or fly any place that we feel the urge to see. Our county has taken its place with dignity with its sisters throughout the Lone Star State. It all started back in Plains at that picnic in 1907. Yes, 60 years is a long time, even in West Texas, out on the South Plains.

Travis Been Dies In Denver City

Travis Been, prominent Plains farmer and businessman, died suddenly at about 5:00 a. m. Wednesday morning, Mr. Been became ill at his home at about 4:00 a.m. and he was taken to the Yoakum County Hospital in Denver City. While Dr. Greenfield was examining him, Been suffered a heart attack and died.

Mr. Been is survived by his wife Alma and six children. Two of the children, Ernie and Cathie were living at home. Burl, Gerald, Betty, and Carr-ore were living away from home. He is also survived by his mother, Mrs. J. V. Been of Plains, and a sister, Mrs. Alma Lynn McGinty.

Funeral services are scheduled to be at the First Baptist Church in Plains Friday afternoon at 3:00 p.m., and Rev. James L. Bozeman will officiate. Burial will follow the services under the direction of the Brownfield Funeral Home.

Booster Officer

Members of the Plains Booster Club met at the Longbranch Cafe Monday night and elected Bob Lowe as the president to head the Cowboy Boosters for the 1967-68 school year. Outgoing president Jack Hayes expressed his confidence in Lowe and said that he knows that Bob will make a fine president.

Lowe announced a drive to get membership in the Booster Club, and asked that people pay their dues and join for the year. The dues are \$5.00 per year. Booster Club meeting. The court also let bids and accepted others at the Monday meeting. A typewriter was sold to Rev. Jesse Allen, and bids were let for cleaning and painting the water tower.

Peoples Natural Gas Plans Well Service

A special meeting was held in the Club Room of the Old Courthouse Tuesday night to discuss the availability of natural gas for well locations on irrigated farms. Garland Ruthart, representative of Peoples Natural Gas Company was present to explain the company policy and to sign contracts for farmers who desired to have natural gas on their farms. Ruthart also stated that where Peoples Gas services wells that gas will be available for home use.

The company spokesman announced that work will start this week extending the gas line along the state line. The source of supply will be from El Paso Natural Gas in Kermit and Jal.

Peoples Natural Gas Company is a division of Northern Natural Gas Company, and the company has recently purchased gas properties. An

office will be opened in Plains when the lines are complete, and a service man will be located here.

Peoples Gas is interested in extending service to the farmers who live west of Plains. They are also interested in possibly extending service east of Plains if it is feasible. Ruthart has been in the area

Tokio Elevator Receives Grain

Livestock Feeders Grain Company of Tokio announces the first load of grain to be brought to the new elevator at the Tokio Co-op Gin. The maize arrived Monday afternoon at about 2:00 p.m. and was grown on the A. F. Kelly place located about three miles southeast of the Gin. Amos Smith, manager of the

new elevator, was on hand to receive the grain. Mrs. A. J. Crutcher, bookkeeper, prepared the bonus check of \$50.00 and Smith presented it to Kelly. A bit of humor was included in receiving the first load of grain. The work crew were working desperately to

The highly regarded Plains Cowboys branded the Ropesville Eagles 41 - 6 in the season opener at Cowboy Stadium Friday night, and dominated the game from the opening moments throughout the contest.

Eagle feathers were plucked early in the first quarter as Greg Jones raced around right end on a power sweep play and went 17 yards untouched to pay dirt. Teenie Lowe converted to give the Pokes a 7 - 0 lead.

The Cowboys kicked off and held the Birds on downs forcing a punt and were back knocking at the scoring door after making several long gains. Greg Jones went over on a power play and Teenie Lowe booted the extra point to increase the frosting on the cake to a 14 - 0 stretch.

In the second quarter Billy Spencer ripped through the inside of the line and out paced all challengers for 19 yards to chaff up the third Cowboy touchdown of the night. Lowe converted to give the Cowhands a 21 - 0 advantage. Late in the second quarter Greg Jones was given the green light on a power trap play to skip 70 yards for his third T. D. in the first half. Lowe kicked successfully, and the Cowboys had a comfortable 28 - 0 half time lead.

Coach Rip Sewell's Cowboys returned to the field loaded for bird hunting, and Greg Jones chalked up his 4th T. D. of the night on a 10 yard sweep play to give the Pokes a 34 - 0 edge. Lowe missed the extra point. During the remainder of the contest Coach Sewell played mostly his reserve team members, and Gary Liles registered the final Plains touchdown of the night, and Lowe converted to put the home team in front 41 - 0.

On the final play of the game Ted Lowrie passed to Mike Flores to remove the goose egg for the Eagles. The conversion failed and the game ended 41 - 6.

The Cowboys played savage defense all night with Mike DeVries making two interceptions and five tackles. Alton McGinty made one interception, and Greg Jones snagged Eagles for six tackles. Steve Simpson recovered a Bird fumble and Richard Tagle managed to pounce on the ball for a recovery.

Billy Taylor and Dan Field

each had five tackles to their credit when they left the game. In the passing department, Plains completed four for eight for a total of 86 yards, and ripped the Bird's nest for 315 on the ground while allowing only 82 yards on the ground and 69 via the air ways.

The Roughnecks of Sundown will invade the Cowboy Corral tomorrow night with hopes of repeating with another win this year. The Roughnecks were edged by a fine Sudan team 19 - 13 in their opener, and will be out to avenge their loss. The Pokes will make every effort to down a fine Sundown team which beat them in the final minutes last year. The Roughnecks have a respectable ball club with such veterans as Ted Giddings, 185 pound linebacker and guard. The Sundown backfield will be strong with Mike Morgan, 170 pound fullback, Ed Douglas, 150 pound quarterback, and a pair of 140 pound halves in Jon Lee and Randy Carter.

The Cowboys will be a 10 point favorite to outdistance the Roughnecks in what will probably be one of the better games of the season.

Courthouse news which has been made in the past week includes the setting of a public hearing to approve the 1968 budget. The public meeting will be at the Commissioners' Courtroom at 10:00 a.m., September 25th.

In other happenings at the courthouse, the appointment was made of C. R. Gillis to continue for the next two years to serve as Yoakum County Auditor at a salary of \$7,689.00 per year. The ap-

pointment was made by District Judge Ledbetter and was approved Monday.

A withdrawal of \$12,000.00 was made from the general funds and placed in the hospital funds in order that the payroll and other bills could be paid.

The court also let bids and accepted others at the Monday meeting. A typewriter was sold to Rev. Jesse Allen, and bids were let for cleaning and painting the water tower.

CAYCE'S CORNER

Stories are often told about people who apply for a marriage license, but we believe our County Clerk, Ruby Heald, can take the cake with the one that she issued this week. A man applied for a marriage license who is the father of 20 children. The real climax of the story remains after the initial shock. His new wife, old wife, or what ever the proper term is for the woman, is expecting a new arrival momentarily. Public life is indeed exciting, and many surprises are in store for anybody who meets the public, but we believe it will be a cold day in the clerk's office when an event comes along that can top this one. My friend Foy Streetman was in the office this week, and told me about receiving and order of jackets which have Plains Cowboy art work and which were ordered for the school kids. A foul up happened somewhere, and somebody goofed, because Foy received all of these jackets in adult sizes of small, medium, large, and extra large. Some of the members of the Plains Booster Club are buying the jackets to wear to ball games. We think this is a real fine idea, and urge football fans to get one especially for out of town games. The jackets are black and gold and will sell for \$3.95 which is only a fraction of wholesale cost. If you need a jacket at a cool bargain contact Foy and he can fix you up.

Ted Weaver was in the fair city campaigning for the legislature again this week. He made points where it pays. Ted ate lunch with the Home Demonstration ladies, and found that he knew Mrs. Tom Box, Suddie Thompson, and others who were present. He then attended the Soil Conservation District meeting, and rounded out the day by taking water-mellons to the 4-H club and giving the little ones a treat. Ted is a young school teacher and a farmer who seemed to have good luck Tuesday in his campaign in Plains. He has turned his farm pick-up into a campaign vehicle. He says he intends to go to the farmers because he talks their language. If I were a politician I would wait until it rains a

Farm Tour Planned

The Farmers Home Administration office of Plains, Texas has a farm tour planned for the morning of September 19, 1967. Three farms will be visited. A variety of different crops, applications of fertilizer and seed will be seen.

The tour will leave the Old Courthouse in Plains at 9:00 a.m. The general public is invited to attend. The tour will be made in private cars.

Cotton Price Meeting

In order to get the best possible price for the 1967 cotton crop, all cotton producers in Yoakum County are urged to attend the educational meeting on Thursday afternoon of next week in the Yoakum County Courthouse. The meeting is scheduled for 2:00 p.m., and three Extension Service Specialists from College Station will be on the program for about thirty minutes each. This announcement comes from Leo White, Yoakum County Agent, who says the 1967 cotton crop is all over except harvesting and ginning. The purpose of this meeting, according to White, is to give the latest information on harvesting and ginning for better quality.

The below normal temperatures for the past 50 days have slowed down the maturity of the crop and farmers will need to do everything in their power to keep the quality high during the harvesting and ginning processes. White says that a large percent of this year's crop is a variety which gives good staple length and will sell for a premium provided the farmer does not make too many mistakes at harvest time.

Everyone interested in cotton is invited to attend this meeting.

dog and a cat, because they say politicians are even blamed for the weather. Good luck Ted . . . if it should rain this week, then by all means make your claim that you brought the rain with you when you were campaigning in the area. If an early freeze hits, just leave by night and campaign in the cities, because it will be common knowledge that you were responsible. My advise to the young teacher is to make a down payment on a good 44 just in case, because after my last filing in politics I sure needed to car y one for quite a spell after the election. Sometimes after an election a fellow feels like if he has friends like that, he sure doesn't need to run into an enemy.

NOTICE Business men and interested people of Plains were extended an opportunity to participate in a meeting Tuesday which was staged to give the little city a shot in the arm. Only 18 people in our community were interested enough to attend the meeting. Many businesses were not represented at this gathering. For what reasons we do not know. In the editorial last week we suggested that Plains possibly needs major surgery, if it expects to build a healthy economic atmosphere. We not only suggest the thought this week, we offer convicting evidence that this is true.

The purpose of this editorial is not aimed at criticizing any individual businessman or property owner in our city; however if the shoe fits, we suggest that it be worn in a way that will make footprints in the economic history of Plains and not to kick those who are urgently attempting to improve their own and your economic condition with a spiteful boot in the seat of the pants.

We realize that it was not possible to have had every businessman, property owner, educator, farmer or rancher in town present at this meeting because of circumstances which in some instances were beyond their control. Sadly enough, many didn't bother to make a showing.

If the small group which is earnestly attempting to build a business climate, and to maintain a population which increases, and is trying to stop the wholesale evacuation of residents from Plains, is successful, then those who stood back and watched but didn't bother to give as much as their time to even hear what was proposed, will reap benefits which will be undeserved.

We urge the people who didn't find time to attend this meeting, to join hands with those 18 men who are trying to make Plains a place which is just a little better in which to live.

The best investment a person can make is in his home town. A town is as good as we want to make it.

Our school is losing its enrollment each year and is on the verge of slipping from a Class A to a Class B school. Why not build it into a Class AA system and work for our children's benefit.

With an increased payroll, dollars will circulate in this community. Merchants, property owners, and those who care can make a dream come true. Let us support the Chamber of Commerce to the hilt. We won't be sorry if we do!

If we want to see our town dry up and die on the vine then all we have to do is to refuse to show an interest in helping the city. Mr. Butcher, Mr. Baker, and Mr. Candlestick maker you know in your own heart what effort you have made. Is your effort strong enough to help create a healthy economic atmosphere, or will your attitude only fester and will your business or property rot and return to dust. Our school is losing its enrollment each year and is on the verge of slipping from a Class A to a Class B school. Why not build it into a Class AA system and work for our children's benefit.

With an increased payroll, dollars will circulate in this community. Merchants, property owners, and those who care can make a dream come true. Let us support the Chamber of Commerce to the hilt. We won't be sorry if we do!

If we want to see our town dry up and die on the vine then all we have to do is to refuse to show an interest in helping the city. Mr. Butcher, Mr. Baker, and Mr. Candlestick maker you know in your own heart what effort you have made. Is your effort strong enough to help create a healthy economic atmosphere, or will your attitude only fester and will your business or property rot and return to dust. We will know in the next few months, even if it is too late!

New Time For Story Hour

Some of our students from the Plains School system have volunteered to read to our little pre school story hour listeners for the fall reading period. This story hour will be held at 9:30 a.m. on Thursday mornings. The story hour is from 9:30 to 10:30, and all pre school children are urged to attend.
The local school system is working with the library and hopes are high that the pre-

schoolers will turn out for this program. A special attraction of red, green and purple suckers are passed out to the listeners.
The story hour was held from 3:00 to 4:00 p.m. on Tuesday this summer, but in order for Mrs. Buster Grams students to be able to participate in this program the time must be changed to mornings.
Last week Jimmy Brown and Steve Allsup read to the 10 little pre schoolers stories like Three Billy Goats Gruff and Epamonnadas.
Those attending the story hour were Robbie Blount, La Tricia Edwards, John Gayle Fitzgerald, Jan Graham, Sonya Nance, Kirk Randall, Steve Randall, John Richey, Deon Schoenrock, and Timothy Smith.
Everyone that is interested is asked to come each Thursday mornings.

Council Betty Hamm to Meets Wed John Henly

The Yoakum County Home Demonstration Council met Tuesday, September 5th for their monthly meeting. Four clubs gave reports. They were the Turner, State Line, Pleasant Hill, and the Stamford Valley Clubs.
Mrs. Tom Box gave the year book report. Mrs. Leon Thompson reported on the state convention which will be held September 18, 19 and 20 in Fort Worth. Delegates from the county are Mrs. Leon Thompson, State Line, Mrs. Rowe Stephens, Turner, and Mrs. Earnest Sellers from the Pleasant Hill Club. They will leave from Brownfield on Monday and return home on Thursday.
It was voted to change the October Council meeting to Monday October 2. This change was made in order that anyone that wanted to could attend the All Cotton Style Show in Lubbock which will be held on October 3rd and is being sponsored by the Plains Cotton Growers Association.
The October Council meeting will be an all day meeting starting at 10:00 a.m. for the report of delegates.

Mr. and Mrs. L. D. Hamm, Jr., of Plains, Texas wish to announce the engagement and approaching marriage of their daughter, Betty Lawan to John Wayne Henly, son of Mr. and Mrs. Wayne Henley of 3212 21st Street, Lubbock, Texas.
The wedding will be held in the Plains Methodist Church on December 16, 1967 at 7:30 p.m. in the evening.

Miss Hamm is a graduate of Plains High School and is a senior at Texas Tech in Lubbock majoring in Applied Arts.
Mr. Henly is a graduate of Lubbock High school and has attended East Texas State University and the University of Texas in Austin. He is presently employed by Continental Air Lines in Lubbock.

State Convention Held

Twelve Yoakum County Home Demonstration women are planning to leave Monday, Sept. 18 by chartered bus, from District 2 for the annual meeting of the Texas Home Demonstration Association which is to be held in Hotel Texas in Ft. Worth. The meeting begins Monday night and will conclude Wednesday night.

The theme of the convention will be 'A World of Hope, Purpose and Peace.'

The tentative program includes 'Hello Dolly' by Mrs. Dolly Ware of Ft. Worth as a starter Monday night.

The two speakers Tuesday morning will be the Honorable Walter Richter, Director, Southwest Region, Office of Economic Opportunity and our

own Mrs. Wilmer Smith of Wilson, National Extension Homemakers' Council.

Other interesting speakers will speak at the convention.

On Wednesday workshops will be held. They are T. H. D. A. Membership and Publicity. Mrs. Tom Box is chairman of the T.H.D.A. workshop. Mrs. Box will also give the meditation during the Wednesday business meeting.

Approximately 1000 women are expected from all over Texas for this meeting.

Mrs. Leon Thompson, T. H. D. A. Chairman of Yoakum County will be a bus hostess for one of the two chartered busses.

Mrs. Tom Box, State Secretary, will leave Saturday for a Board meeting Saturday af-

ternoon in the Hotel Texas. The Board will complete plans and be ready to welcome the club women on Monday.

Mrs. Howard Kolb of Post is the District 2 Director.

The women from this area that are planning to attend are: State Line Home Demonstration Club, Mrs. Roy Perkins, Mrs. Don Young, Mrs. Leon Thompson, Mrs. Grace Hughes, and Mrs. Tom Box; Turner Club, Mrs. Rowe Stevens and Mrs. Carl Lowery; Pleasant Hill, Mrs. Ernest Sellers; Stanford Valley, Mrs. John E. Fitzgerald, Mrs. Jack Palmer, Mrs. Preston Murphy and Mrs. Robert Chambliss. Mrs. Thompson, Mrs. Stevens, and Mrs. Sellers are the elected delegates from Yoakum County.

Attend Meeting

Latrell McDonnell and Jesse Fouche, Librarians for Plains and Denver City Libraries attended a three day meeting at the Texas Technological College Library in Lubbock August 28th, 29th, and 30th.

This meeting was a 'Public Library Management Workshop'.

Miss Thelma Andrews, Director of the Abilene Public Library conducted this meeting and it was promoted by the Texas State Library association.

Our local librarian attended this meeting and she is working hard to keep our local library up to the highest standards possible.

Cowboy Corral

The Plains Cowboys romped the Ropes Eagles last Friday night when the score finally proved 41 to 6. We're off to a real good start when the first kick off of the season was kicked by Gary Liles and Gregg Jones making the first official touchdown of the year. Of course Spirit was given to the team by a group of fine Cheerleaders and pep squad members. The team was also boosted by the fine performance given by the band and twirlers. Let's all Back The Cowboys!

The Science Club has also been helping to boost Cowboy Spirit by selling 'Beat Tags' encouraging the Cowboys to 'Chew'em Up.'

The Plains Cowboys will play the Sundown Eagles this Friday night when the kick off will be at 8:30 p.m.

Sundown has a tuff team but we've got more than just a tuff team. We have sportsmanship and spirit. Without these two vital factors there isn't much of a ball game, so let's get some 'SPIRIT' and go watch the Cowboys stomp the Eagles.

In other school news the Annual Staff has sold nearly all of their ads and will start putting the Cowboy yearbook together soon.

Individual pictures and the Cowboy pictures will be taken Tuesday: Girls! better get your hair appointments soon.

Dolly Parrot

Well we are all ready to start another year with Polly Parrot. We received our first letter this week and are anxious to answer it. If you have any questions or advice that you need answered just write your letter to Polly Parrot The Plains Record, Box 1042, Plains, Texas. We would sure like to hear from some of you.

Dear Polly Parrot,

I have a very serious problem. I have been going steady with a real sweet boy for the past five months. Lately he has been looking at the other girls and so I think we are on the verge of breaking up. I, too, have found another boy and we are getting along pretty well. My problem is how can I let this boy know I still want to be friends? He really is a nice guy and I don't want him to hate me. I've tried talking to him but I just don't know what to say to get my point across. Suggest something quick because I'm

In-A-jam

Dear In-A-jam,

If you like other boys and he likes other girls there is really no reason to keep going steady. Although, I agree full heartily that you should still be friends. If he is really a nice guy and is interested in other girls he should not hate you. If he doesn't want to be friends there is not much you can do except be nice.

Polly

MEETING

The American Cancer Society will have a meeting on September 19, 1967, in the home of Mrs. Cecil Bickley in Denver City, Texas at 12:00 o'clock noon. Anyone who is interested in attending can contact Mrs. P. W. St. Romain or Mrs. R. D. Houck.

Plant the Seed

where you expect to Reap

IT'S what you might call a commonly recognized agricultural principle that if you want to do your harvesting on a particular piece of ground, that's the place to sow your seed.

Using the same general type of reasoning, it is obvious that if you want to harvest a nice crop of prosperity . . . in the form of better business, a better job, a better community in which to live . . . it's advisable to plant your trade dollars where they

will produce growth for you, rather than for somebody else.

The homes we live in . . . the jobs and businesses which support us . . . the schools and churches that teach our children and enrich our lives . . . the convenient stores and service establishments that supply our everyday and emergency needs . . . none of these were built, nor are they supported by the dollars that are spent in some other community or city.

Cotton Tokio Vote News

ASCS Ballots are being returned at a rapid rate according to W. M. Overton, local ASCS office manager. The ballots were mailed on September 9th to all persons on the mailing list. Should any voter not receive a ballot one may be obtained at the local ASCS office.

Each year a number of voters return their ballots without signing the certification on the return envelope and the ballots cannot be counted. Therefore, each voter should sign the certification and the wife should sign with her given name.

Voters are again reminded that the ballots must be turned in or postmarked not later than September 20th to be counted. All eligible voters are urged to cast their ballot for the men of their choice. The county ASCS Committee has many duties and responsibilities.

GRAIN SORGHUM LOANS: The Yoakum County Grain sorghum price support loan rate is \$1.59 per hundred weight for grain sorghum grading No. 2 or better. Unless the warehouse receipts are marked 'Storage Paid' a storage deduction will be made which is, at this time, 20 cents per hundred. The storage rate is reduced 1 cent each 15 days. For example deduction for grain stored on 12-1-67 would be 15 cents per hundred. Grain sorghum produced on a farm complying with the 1967 grain program is eligible for the loan. All persons interested in the grain, including lien holders, must sign the loan documents. Producers on rented farms interested in the loan may be interested in having the grain divided at the elevator, or may want to get 'Power of Attorney' papers filed so that they may sign for their landlords. Any power of attorney forms now filed will be good for the 1967 crop. Loans are available through June 30th and mature on July 31st, 1968. Any grain placed in the loan may be redeemed prior to maturity date by paying the principal plus the interest which is 30 cents per hundred dollars per month.
