OUR 37TH YEAR, THE PLAINS RECORD, THURSDAY, SEPTEMBER 12, 1968, NUMBER 35

around plains square

with Teny Lester

After all the cool, cool mornings I have just about come to the conclusion that if everyone will fire up their furnaces maybe old man weather will bring another hot spell upon us and give the crops a chance to mature. Cool weather always means that county fairs and football is just around the corner, tho, and usually sparks an extra bit of activity. We hope all the fans can make it out Friday night to watch the Cowboys in their effort to scalp the Morton Indians at Morton. From all accounts the Cowboy band is getting in shape for this first game and we hope fans will show enthusiasm for them as well as the team this year.

With the Lubbock Fair just a few days off we might remind everyone going that the Yoakum County Cotton Promotion Club will be helping in the Women's Cotton Promotion Association Booth again this year and would appreciate all dropping by. The booth is to be located in the Women's Building this year. Other interests at the Fair this year will include an eye-popping custom cars display. This display, billed as Hollywood's Movieland Motorcade, will include the \$1 million Barnobile, Craig Beadlove's Spirit II dragster, the 'Mammi' roadster used by actor Mike Connors in the network television show, the 'DeKrant' safari wagon, Alvin the Singing Chipmunk's Acorn, and several other known automobiles and motorcycles.

Upcoming activities to remember include the Farm Tour Friday morning; the Terry County Co-op Gin Barbecue at Tokio Gin on Sat. and the Cowboy booster Club Monday night. Were you at the Duke and Thomas wedding Saturday Night; did you notice that Wilson Duke's eyes were a little misty? Wilson explained there was nothing wrong except there were a lot of allergies and bugs flying that

night! I just wonder how many fathers lately have come down with allergies on their daughter's wedding day. Glad to see Bobby Harrison on the waitress scene this week! Bobby has always been one of our favorite people and always enjoy visiting with her. Enjoyed a coffee break with Latrel Mc Donnell also and visiting a minute with Thelma Ellis. One of our favorite aunts Virginia Barnette, visited last week from Calif. and she really enjoyed the Tokio grown watermelons. She said that doing without good old Texas grown melons was the hardest thing she had encountered since living out west. We've known for a long time that west Texas products are among the best and we're happier to know that the melons grown in this area are being shipped in every direction in the United States.

A reminder to the women of the area—be thinking about entering the second annual sewing contest, sponsored by the Yoakum County Cotton Promotion Club. You will find this year's winners will be able to participate in District competition Oct. 12. Be on the lookout for rules and regulations to be out soon and urge your friends to enter. Looking forward to being off next week and traveling to McAllen for the Texas Home Demonstration Association Meet.

Reports are that 800-1000 women will be at the meeting and good times should be in store for all. Hope to get some good pictures of our local women while there. Mary Jane Norman will be making the square for me in gathering news and taking pictures and wait to thank her in advance for helping out during the next week. From all accounts, the Lion's Club ice cream supper for the teachers was a big success and a good time was enjoyed by all.

Present members of the Board include M. C. Duffy, president; J. C. Meeks, Jr., vice president; L. W. Lovelace, secretary; Maurice Thompson, director and F. D. Spencer, director and manager. The gin manager says to come on out and bring the entire family and eat barbecue while visiting old friends and have a chance to talk cotton without obligation.

THE COWBOYS ARE READY TO PLAY BALL.

For the last 5 weeks the Cowboys have been working out very hard for the coming season.

The 44 boys on this year's team have shown good spirit and the team is one of the hardest hitting teams he has ever been associated with, according to coach Richey. The team is young and inexperienced but has a great determination to improve and the coach says he is very proud of the progress they have made so far.

The varsity played Eunice to a 2-2 tie and held Seminole to a 0-0 tie, in the two scrimmages held so far this year.

Possible starters include: Vernon Stack, 165, Sr., tight end; Jim Taylor, 180, Jr., tight tackle; Mike Nugent, tight guard; Mike Wilkins, center, 200, Sr.; Dennis Looney, 165, Sr., split guard; Herschel Smith, 190, Sr., split tackle; Russell Jones, 145, Sr., split end; John Lowe, 170, Jr., QB; Gary Liles, 180, Sr., fullback; Tony Salas, 170, Sr., fullback; and Mike Hughes, 155, Jr., wingback.

On defense, Gary Randall will be at defensive end, Herschel Smith, Jim Taylor and Mike Wilkins will hold down the inside with Mike Nugent and Shelly Simpson at the linebacker positions and Tony Salas at end.

Halfbacks John Lowe and Mike Hughes will fill the halfback slots and Liles and Jones will be at safety spots.

'We play a real tough defense', stated coach Richey, 'and Friday we are looking forward to a good game.' Morton is a much improved ball team, according to the coach, and went on to state that Morton beat Muleshoe 2-1 in a scrimmage and got beat by a strong Dimmit team 4-1. The coach said everyone could see from this that his team will have its hands full.

Velmas Makes Plans For Kids

Talk around town has it that the 'IN' place to go for those new dishes during the school noon break is Velma's Snack Bar, the newest addition to the city of Plains.

Velma, we hear, has quite a lot to offer the 'IN' crowd at her 'IN' place, from school supplies you need in a hurry to the latest in quick and delicious meals and snacks. Velma says not to start this new school year out with the same tired old routines, but to come on in and see your friends who are probably already there.

ACTIVITIES AT PHS

The 1968-69 school year has officially begun in the Plains Schools after a series of general faculty meetings and planning sessions conducted by Supt. Kennedy and Principals Taylor, Nance and Harvey.

The halls are once again filled with many voices, the slamming of locker doors, plus cries of 'We love our seniors', coming from the throats of enthusiastic freshmen.

After school activities have already begun with meetings of various clubs to organize events for the coming year. Cheerleaders are busily filling the walls with 'Flatfoot Morton' posters and FHA girls are polling everyone on how they feel on Viet Nam, in efforts to make their upcoming program a success.

The first football game of the season will be held Friday, Sept. 13, (which means only good luck for the cowboys) at Morton, when the Plains Cowboys will 'Flaggen a few feathers' for the Morton Indians.

Fans are urged to go by the high school office and pick up season tickets for the 1968-69 year. The middle section of the 50 yard line will be reserved. The cost is no more than individual tickets for each game, and the time is cut in half for the staff who work at the games.

Fans are also invited to the first pep rally, Fri. afternoon at 3:30 in the old gym. Leading the Cowboys in the new Plains 'spirit' will be cheerleaders Charlene Gayle, head cheerleader; Dianne Fitzgerald, Jana Strickland, Sue Spencer, and Gail Ancinec.

The girls attended cheer leading camp at Texas Tech in July. They won a first place ribbon in competition and have learned many new yells, pom pom routines and chants. This is the year of the 'Spirit' at Plains and fans can see for themselves at the first pep rally where cheerleaders will greet everyone in new outfits—black and white jumpers with white turtleneck shirts. They're ready to back the Boys all the way.

Another organization supporting the Cowboys is the County Wreck Month Report. Only one accident was reported to have been investigated in Yoakum County over the recent long Labor Day weekend according to Texas Highway Patrolman Joe Cox and Joe Unger of Plains.

The accident, which involved one car, occurred at 6:40 p.m. Sept. 1 approximately 11 miles north on Farm Market Road 1780 northwest of Tokio.

Larry Glen Henson, 18, of Lovington, and driver of the vehicle, told patrolmen he went to sleep and when he woke up the car was on the wrong side of the road. The vehicle skidded and overturned when the driver attempted to whip back into the right lane.

Other arrests include three for driving while license suspended; two for traffic violations; one drunk pedestrian; one child abandonment; three minors consuming one felony worthless check; three arrests on out of county warrants; two juveniles; and one driving while intoxicated.

Sheriff Makes Arrest Report

A report for the month of Aug. from the Yoakum County Sheriff's office showed a total of 26 arrests with 8 no valid driver's license rapping the list.

Other arrests include three for driving while license sus-

Donald Hawthorne Picked New FHA Board Member

Donald S. Hawthorne, Rt. 1, Plains, has accepted his selection as the new Farmers Home Administration County Committeeman of Yoakum County, announced Homer Cole, FHA advisor for Yoakum County.

Hawthorne's appointment was made to fill the vacancy left by the expiration of James W. Randolph's term.

The Farmer's Home Administration County Committeemen are appointed for three years. These terms are staggered whereby a new county committeeman is appointed each year.

Some of the qualifications in selecting county committeemen is based on their knowledge of agriculture and the use of good farm management and farm practices, their ability to get along in harmony with their fellow man and the use of good judgment.

'We are pleased to announce Mr. Hawthorne's appointment and feel that his work will be an outstanding credit to his community and Farmers Home Administration', stated Mr. Cole.

TREMENDOUS TRIFLES THAT STARTED CHEWING GUM

The exiled Mexican Dictator-General, Santa Anna, left behind a hunk of chicle that innocently led to the beginning of the multi-million dollar chewing gum industry of today.

The general had been defeated ignominiously at San Jacinto in revenge for the massacre six weeks before of the defenders of the Alamo. Texas was independent and Santa Anna exiled.

He retired to a little stone house in Staten Island's Sailors Snug Harbor where, in June 1866, he made the acquaintance of a photographer, Thomas Adams, Jr. and his son. In the course of the conversation, Santa Anna produced a piece of something resembling overshoeing, cut off a piece, and with evident relish began to chew it, at the same time offering a piece to his guests. In explanation, the general said it was the gum of the zapote tree, known to his friends as "chicle", and ascribed to it the flashing white teeth of the native Aztecs and Mexicans. With this Santa Anna sailed out of this account to resume his tumultuous career in Mexico.

The ingenious elder Adams experimented with this hunk of gummy stuff—about the size of a man's fist. First, to see whether it could be vulcanized. Then as a setting for false teeth. No success. Finally, recalling how avidly Santa Anna had chewed this chicle, he tried once again chewing it. He enjoyed the process and, before long, he was experimenting with sweetening and flavoring. When he finally arrived at a candy-like taste that suited him, he rolled it into pieces and sent it to a candy store in Jersey City. The store offered it for sale and was pleasantly surprised to find that the public liked it.

The popularity of chewing gum spread rapidly. Soon the entire Adams family had to devote all its time to producing more and more of the product. In 1871, the Adamses got a patent on their first gum-making machine.

The chewing gum industry is now an enterprise with annual sales exceeding \$150,000,000. And it all started with the curiosity of an ingenious Yankee who wondered whether this strange chunk of "chicle" left by an exiled Dictator didn't have some practical possibilities.

Vows Exchanged

Miss Brenda Duke became the bride of A. Eugene Thomas August 31, 1968 at 7:00 p. m. in the First Methodist Church of Plains with Duane Moss, president of the Brownfield Branch, Church of Jesus Christ of Latter-day Saints.

The bride is the daughter of Mr. and Mrs. Wilson Duke of Plains. The bridegroom is the foster son of Mr. and Mrs. Earl Gerber, Salt Lake City, Utah.

The ceremony was performed before an arch with wedding bells being flanked by candleabra and colonial baskets of hot pink spider mums shading to delicate pink asters and gladiolas. The baskets rested on pillars entwined with ivy. Roping wedding bows completed the altar. Pew markers were accented with white wedding bows.

Given in marriage by her father, the bride wore a long gown, fashioned by her mother, of crepe finish peu de sol. The bodice and sleeves were covered with chantilly lace and hand embroidered seed pearls. The gown was accented with a full length train edged with chantilly lace. Her veil of illusion fell to a chapel length train from a tier of seed pearls. She carried a colonial bouquet of pink orchids, stephanotis, babies breath with ropes of sea pearls and ribbons with lovers' knots.

Attending the bride were Mrs. Jimmie Sherrin of Tokio and Miss Pam Parrott of Lubbock. They wore identical full length gowns of hot pink bonded crepe. The gowns featured empire waists and were sleeveless. They also wore pink

picture frame hats. Each carried colonial baskets of pink asters.

Michael Duke, brother of the bride, attended the groom as best man and Mr. Leon Lewis served as groomsmen. Ushers were Larry Massey and Gerry Randall, both of Plains.

Kendall Moss of Brownfield served as ring bearer. Mrs. Ronnie Naylor of El Paso registered guests.

Traditional music was played at the organ by Robert Field. He also accompanied Mr. Norman White as he sang All The Things You Are.

After the wedding, a reception was held at the Tsa Mo Ga Club House where Mrs. Lynn Ch-

stenson, cut the cake and Mrs. Dean Shaw, served punch assisted by Mrs. Leon Lewis. Mrs. Christensen and Mrs. Shaw are both aunts of the bride and are from Salt Lake City, Utah.

For a short wedding trip the bride chose a dusty pink raw silk dress fashioned on the A-line.

Mrs. Thomas is a graduate of Plains High School and attended South Plains College for two years. She is presently attending Robert Steur's College of Beauty in Salt Lake City.

Mr. Thomas is a graduate of Bountiful, Utah High School and is now employed as a lab technician at Beeline Gas Co. in Salt Lake City. He plans to resume his studies in January for computer drafting. The couple will reside at 201 E. Baird Ave., Salt Lake City.

IOTA PI CHAPTER TO BEGIN FALL RUSH

"You're Wanted by E. S. A. 1" is the fall rush theme of Iota Pi Chapter, E. S. A. International as announced today by rush chairman Burve Overton. A series of unusual and entertaining activities has been planned to introduce prospective members to the educational, social and philanthropic aspects of the international woman's service organization. "Rush events will include a get-acquainted party with husbands, a model meeting presenting the ideals of E. S. A., a tea, and the pledge ceremony preceding a banquet, Mrs. Overton said.

Iota Pi chapter contributes several hundred dollars annually to Plains philanthropies. The money is raised by "Patches of Plenty" apron sale and women's volleyball tournament.

Chairmen for the rushing events include Archie Glover, Sue Randall, Betty Livesay and Andrea Schoenrock. "E. S. A. International is one of the world's foremost woman's service organizations," Mrs. Overton explained. "Its 40,000 members in 1,580 chapters give nearly \$1 million

annually to their own local philanthropies. Their purpose is three-fold: 1) self-improvement through educational programs, 2) joy in service through philanthropic projects and 3) new and wholesome associations through regularly scheduled social and business meetings," she added.

An Irish Stew Is Different

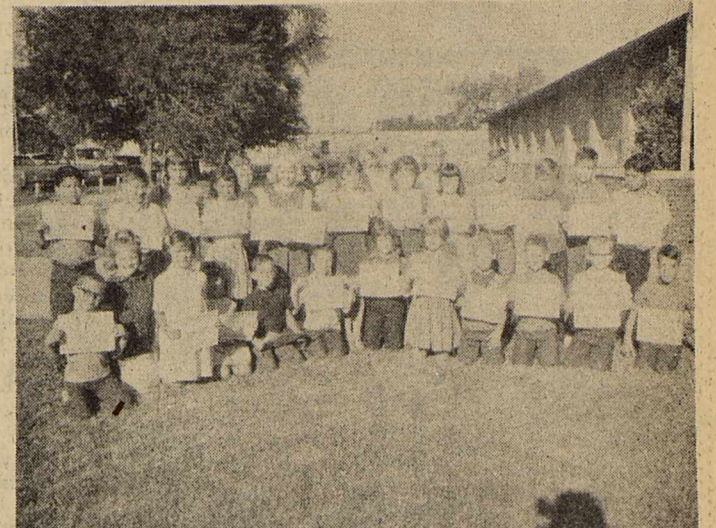

A classic beef stew is made by first browning the meat. For an Irish stew (sometimes called a white stew) the meat is cooked without browning. In this particular recipe for Irish stew, tomatoes are added.

Irish Stew

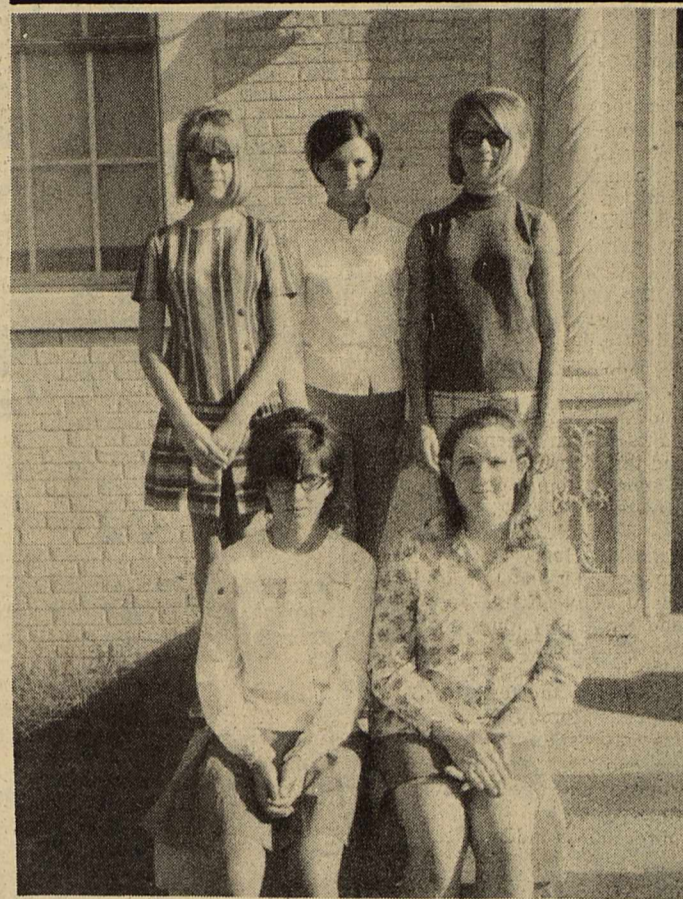

1 pound lamb (1 1/2-inch cubes)
1 pound beef (1 1/2-inch cubes)
1 (1-pound) can tomatoes
2 cups stock
1 teaspoon salt
1/4 teaspoon pepper
6 to 8 white onions, whole
6 to 8 potatoes, pared and quartered
3 to 4 carrots, pared and thickly sliced
2 stalks celery, sliced
2 tablespoons corn starch
1/4 cup cold water

Mix meat, tomatoes, stock (canned bouillon or bouillon cubes and water may be used), salt and pepper in large kettle. Cover and simmer until meat is almost tender, about 45 minutes. Add vegetables. Simmer until meat and vegetables are about fork tender, 45 minutes. Reduce heat to slow simmer. Blend corn starch and water. Gradually add to stew, stirring carefully so vegetables are not crushed. Cook over medium heat, stirring constantly, until mixture thickens and comes to boil. Season to taste, if needed. Simmer a few minutes to blend flavors. Makes 6 to 8 servings.

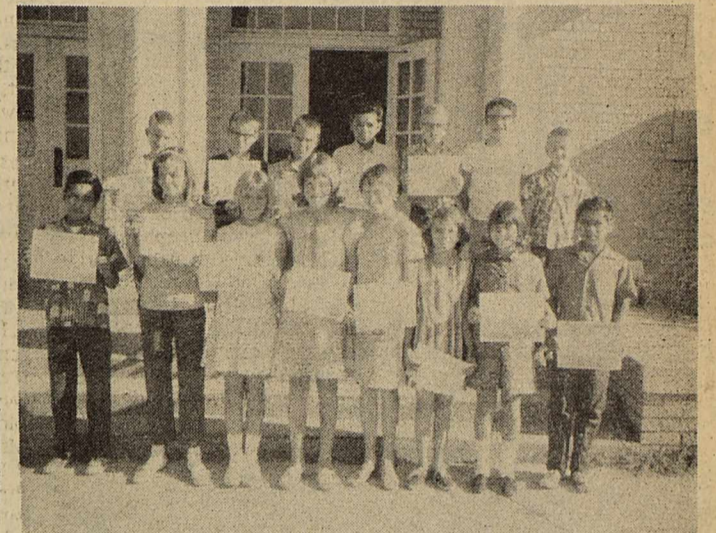

Note: Stew improves on standing and may be prepared ahead of time.
